New

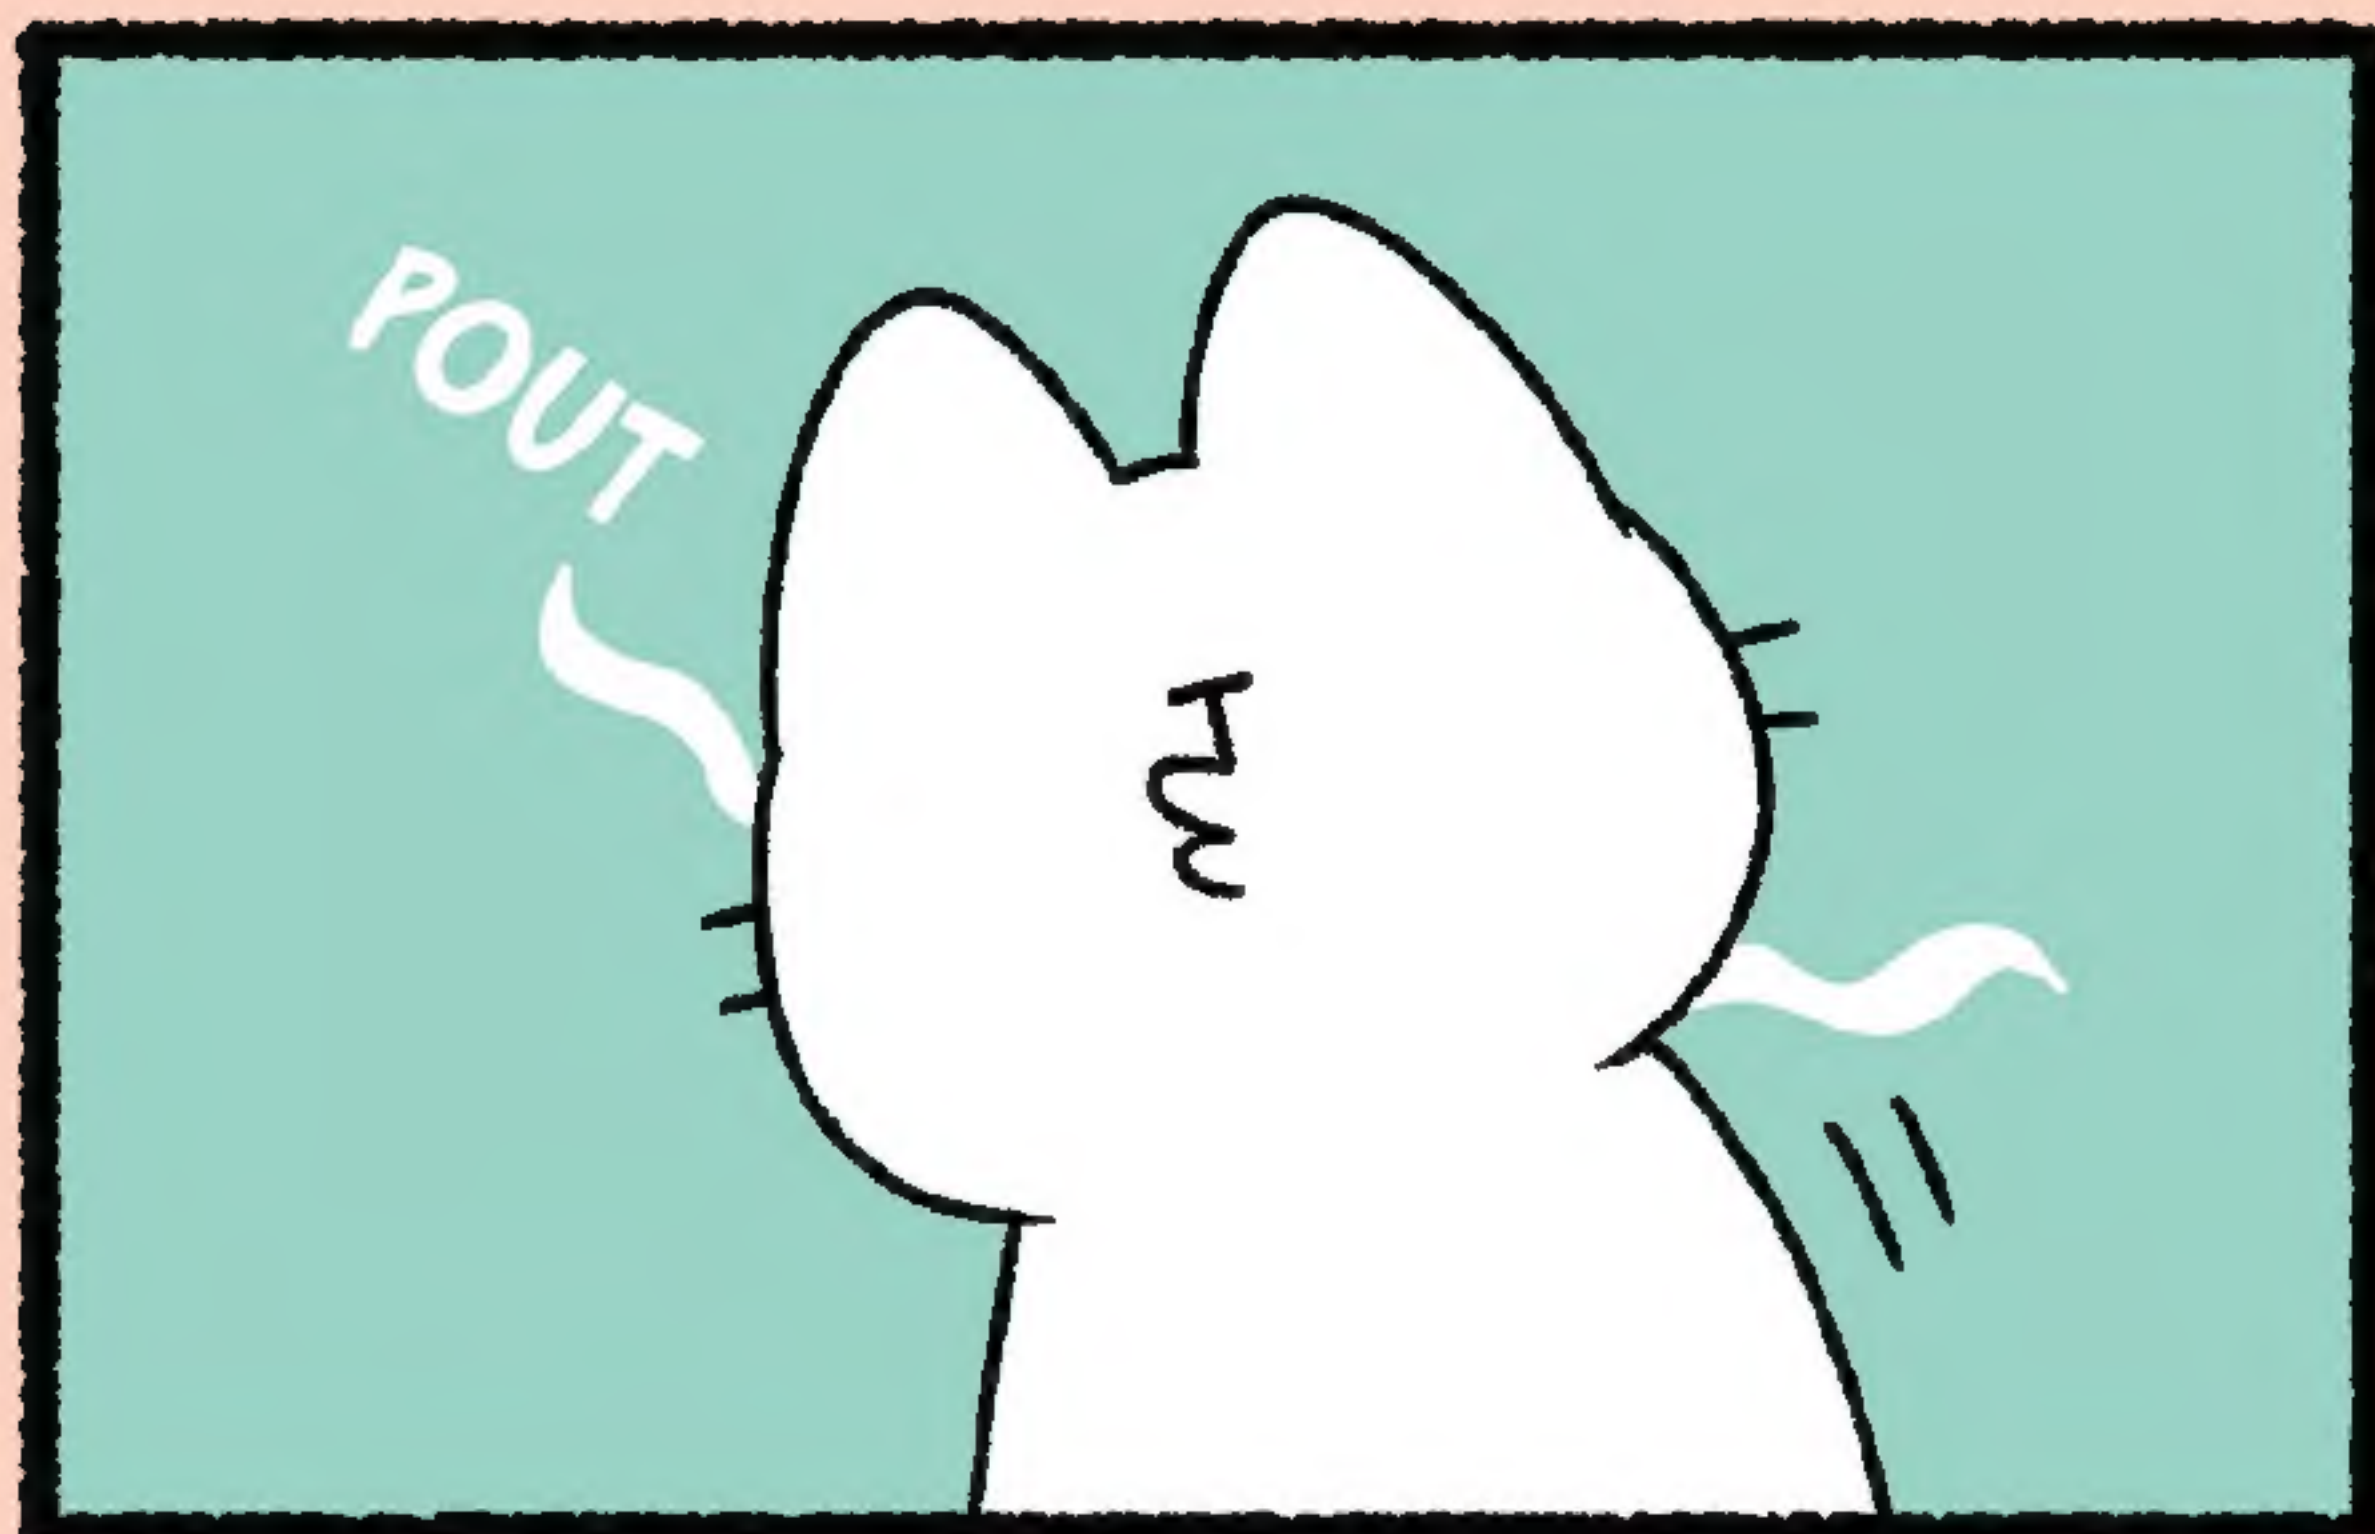

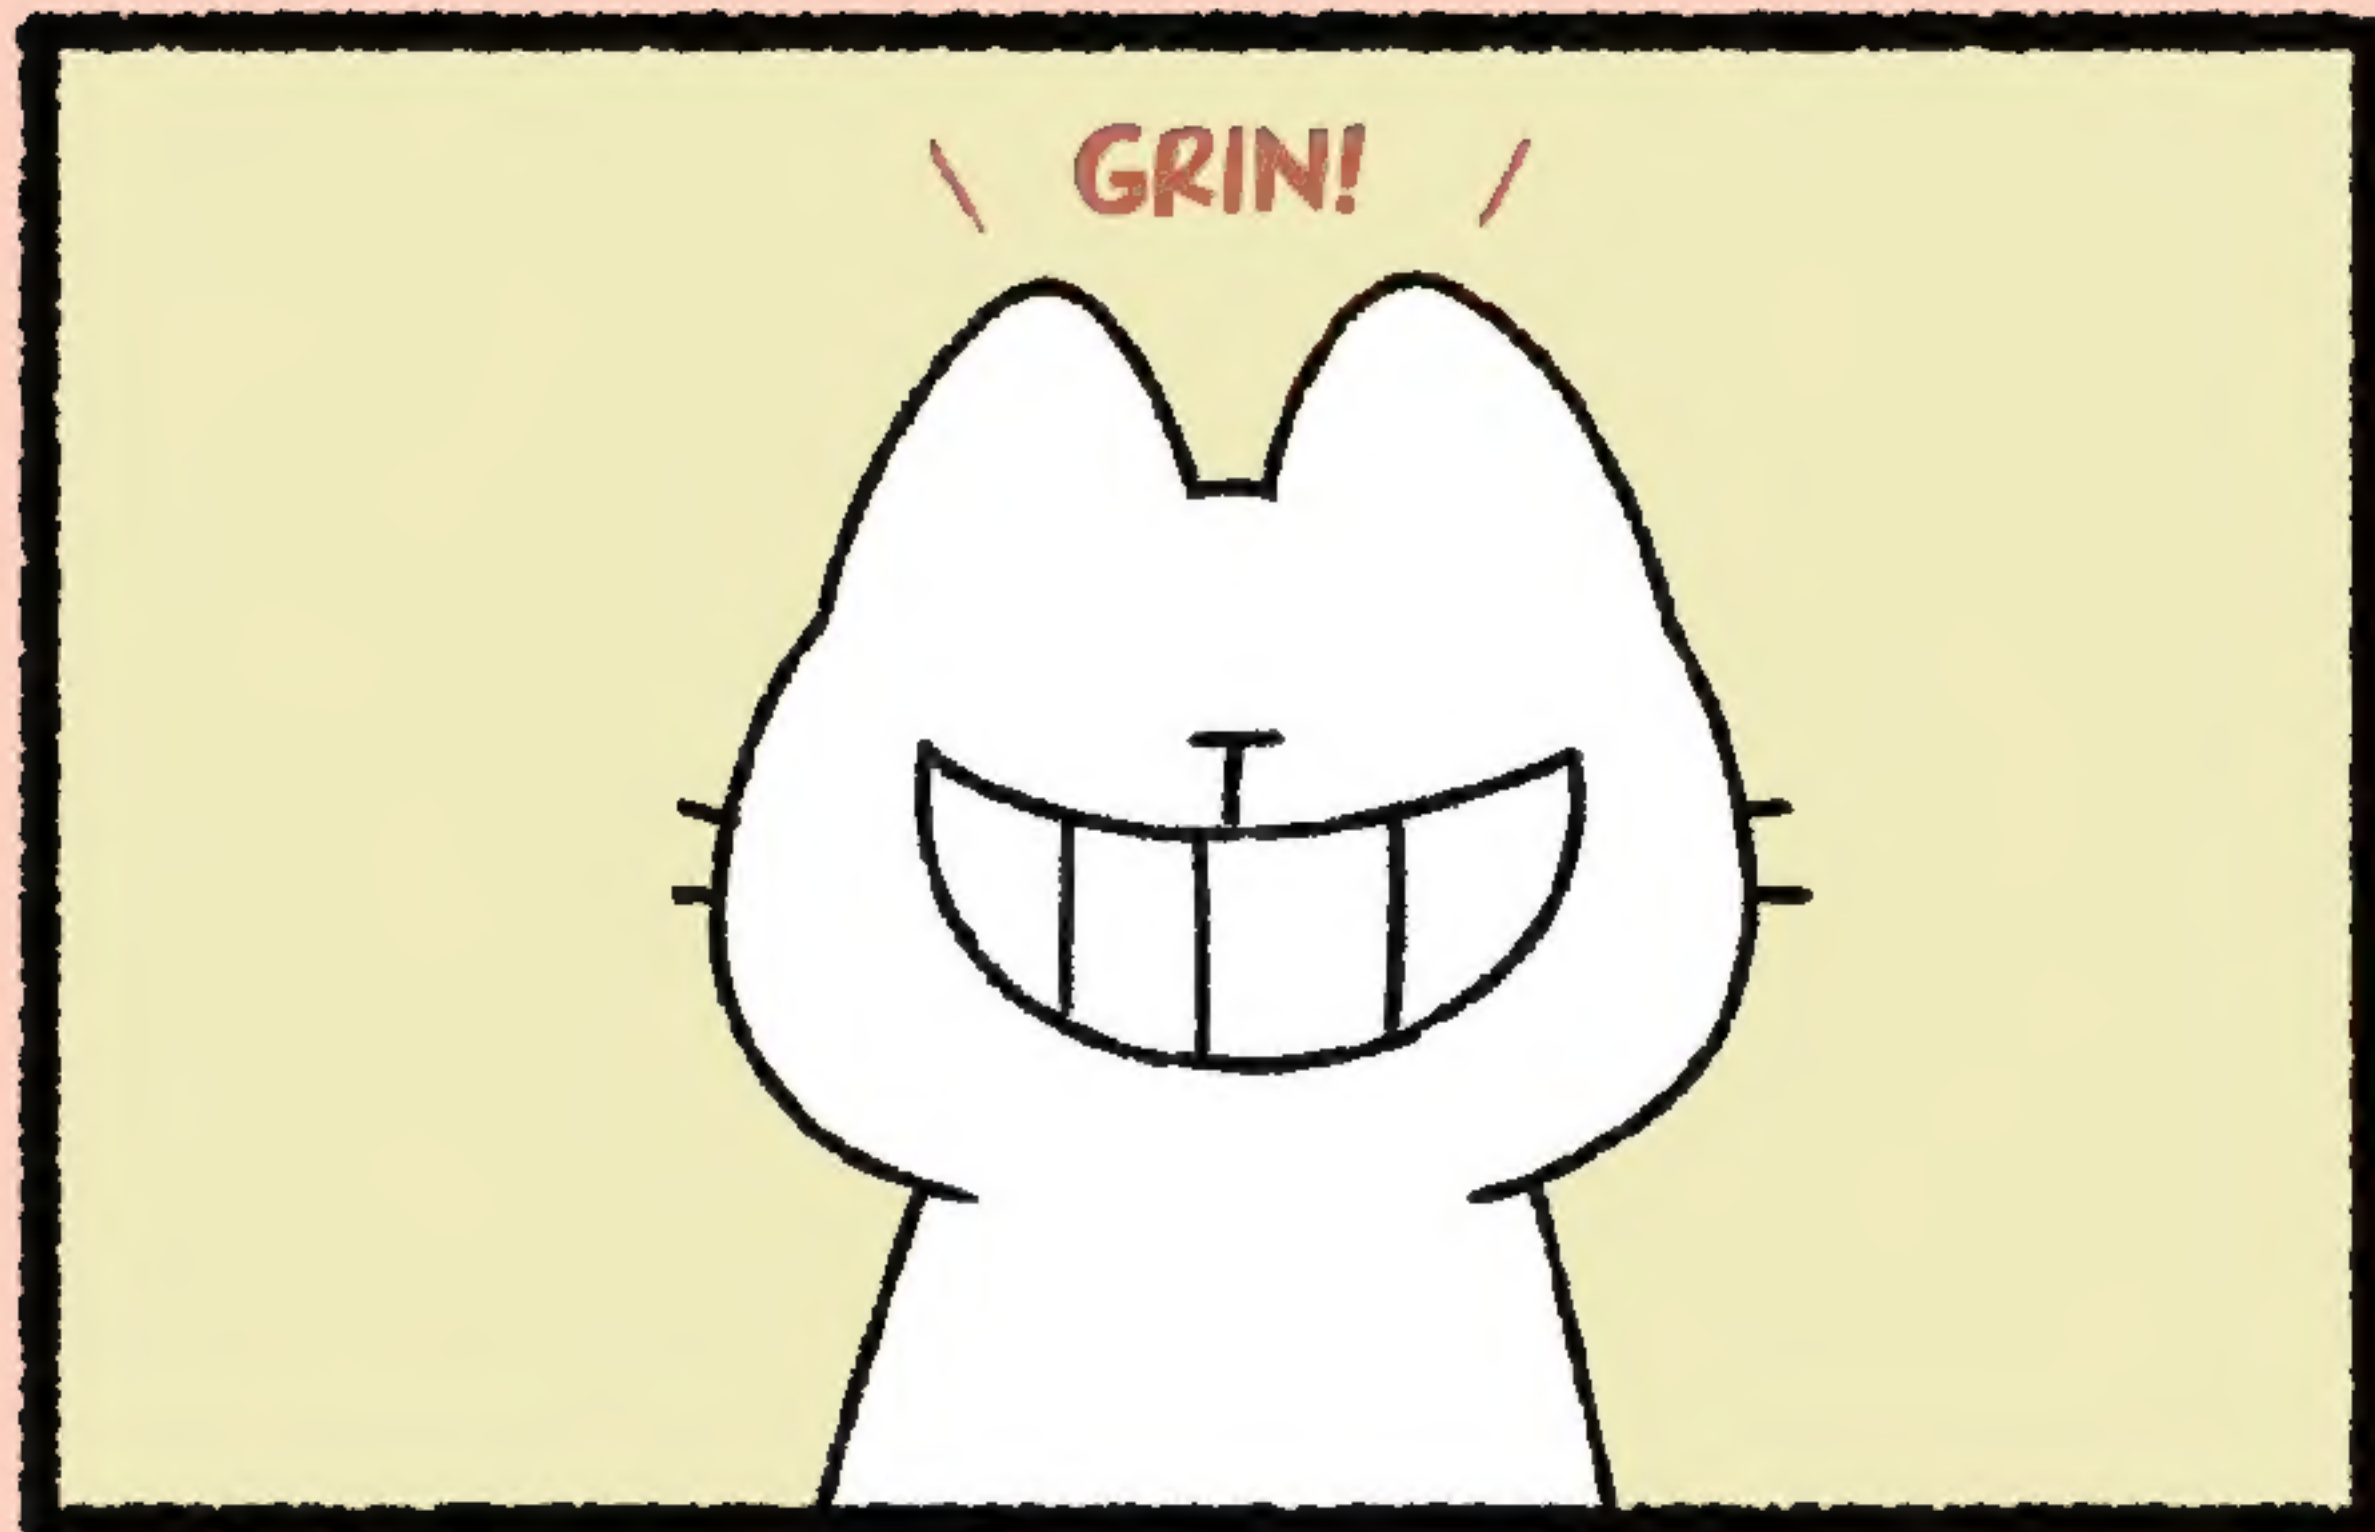

Hyakume

Hundred Eyes

Its many eyes give it a wide field of view, and its eyesight itself is also good.

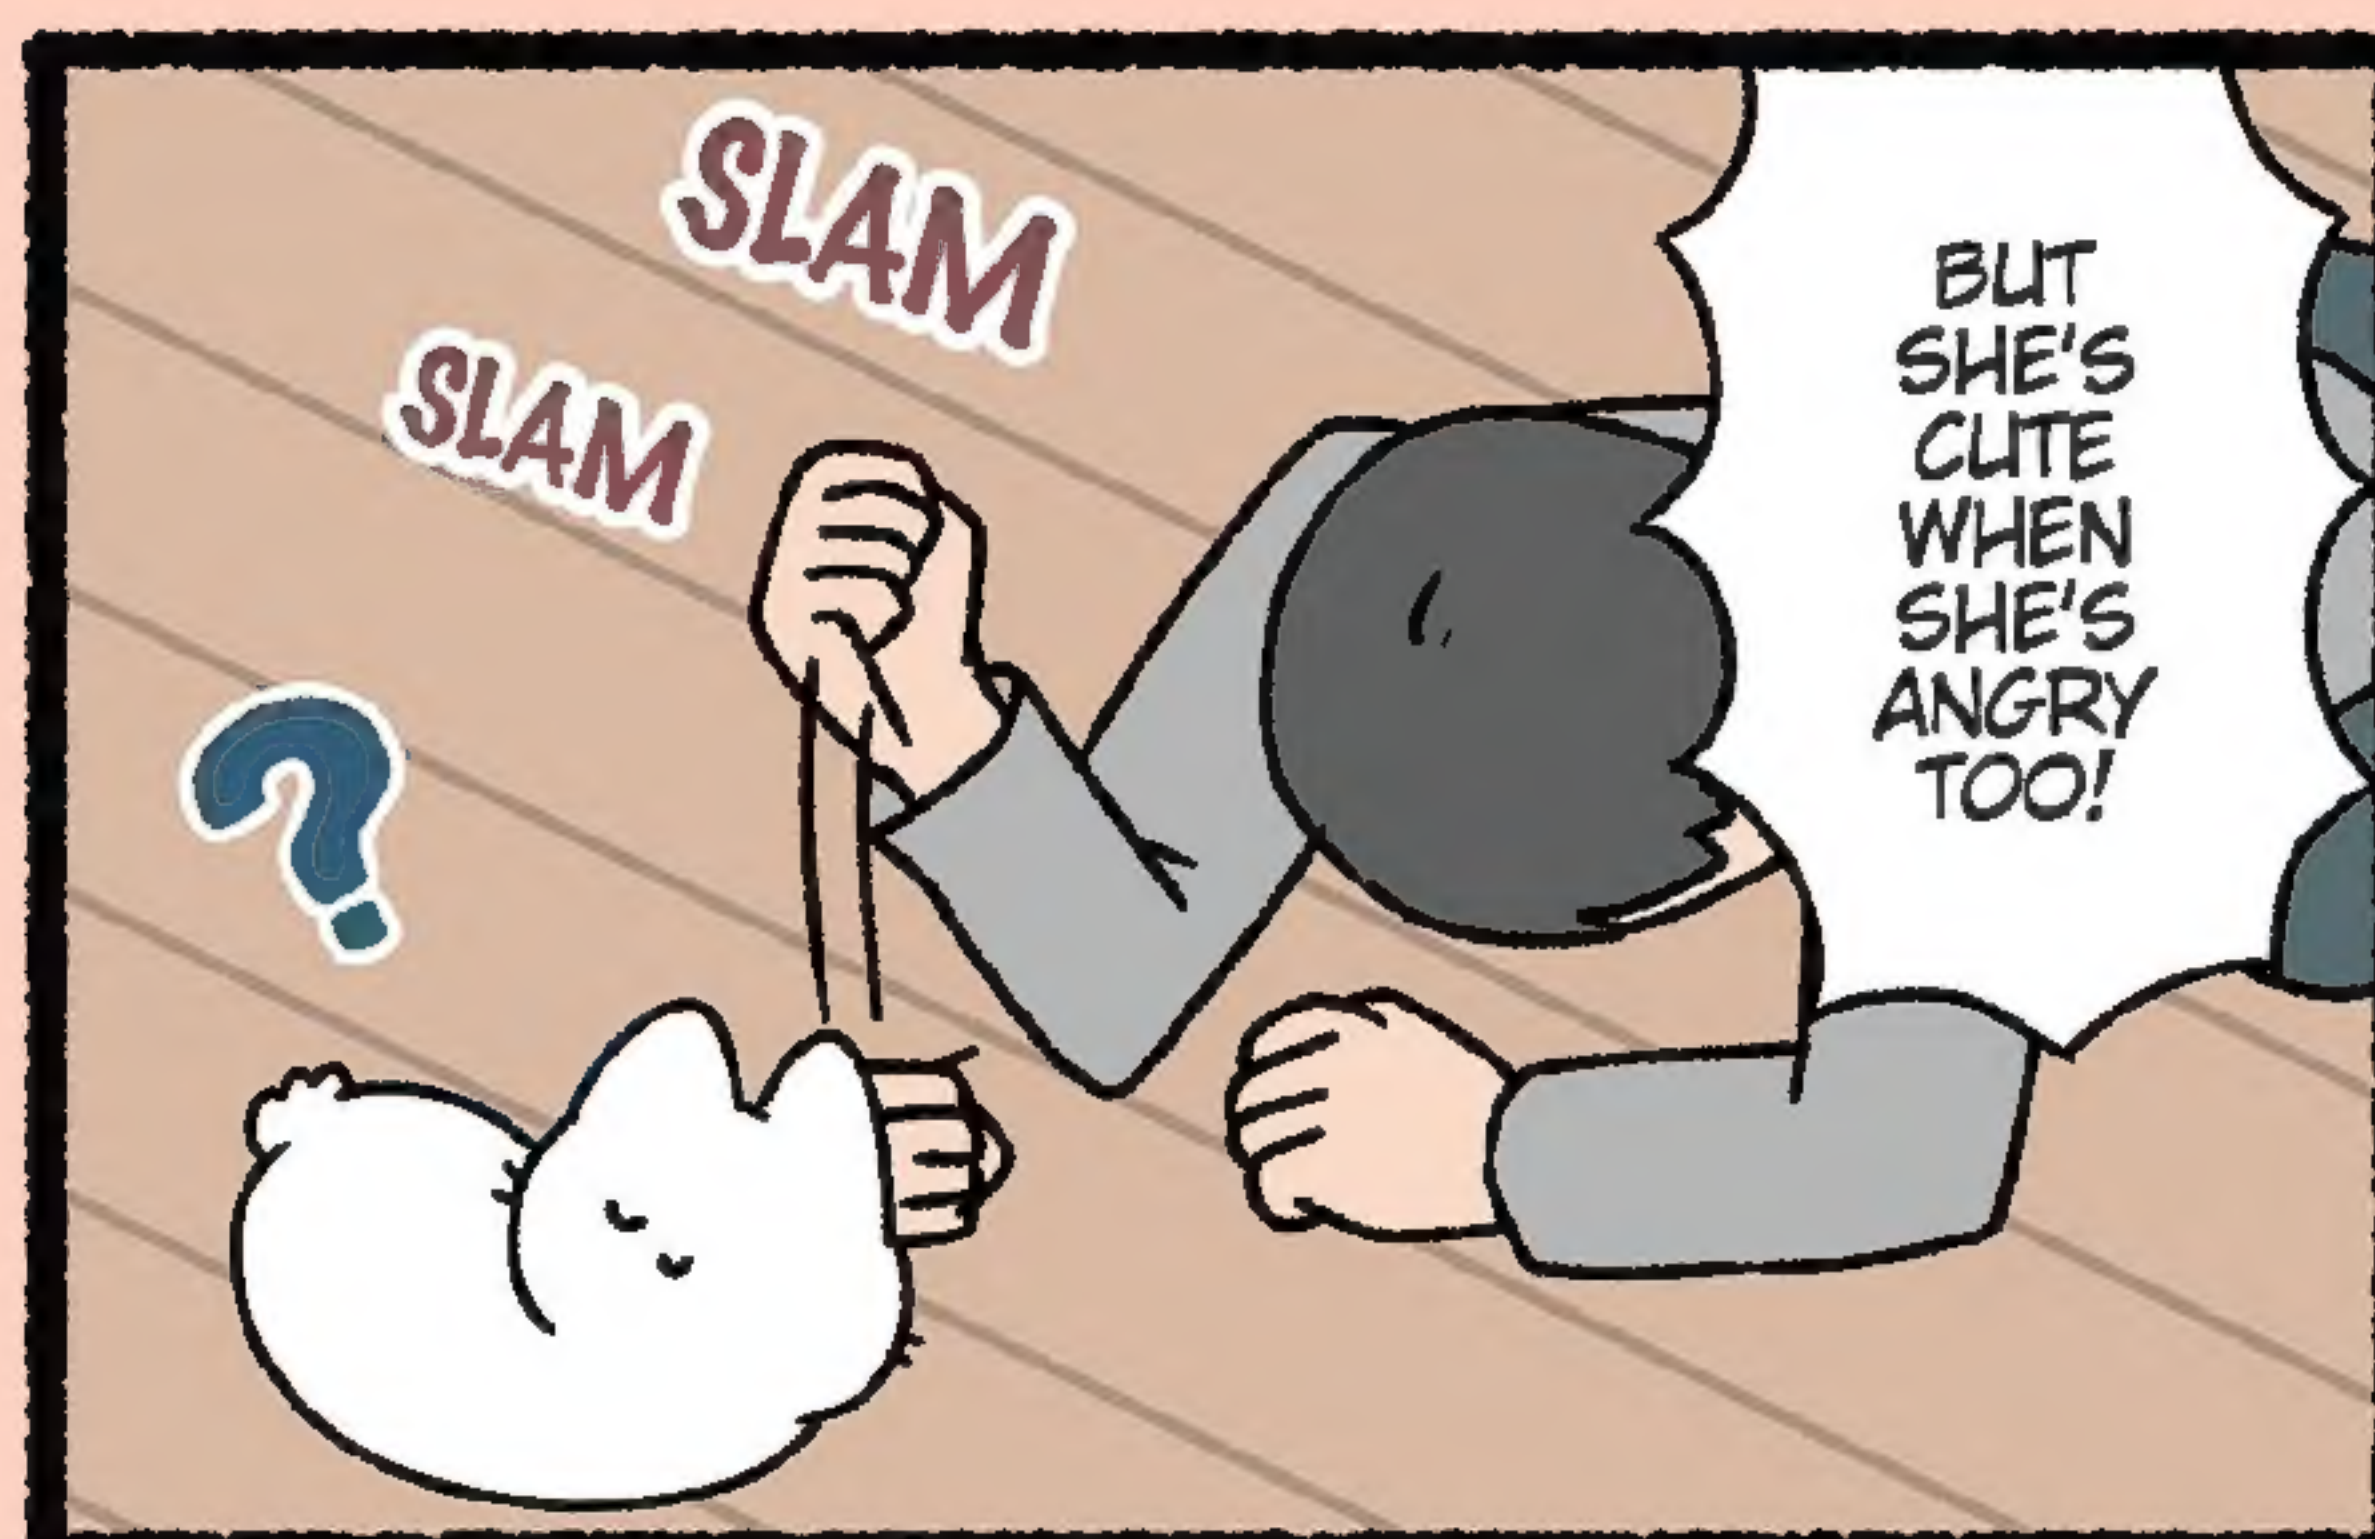

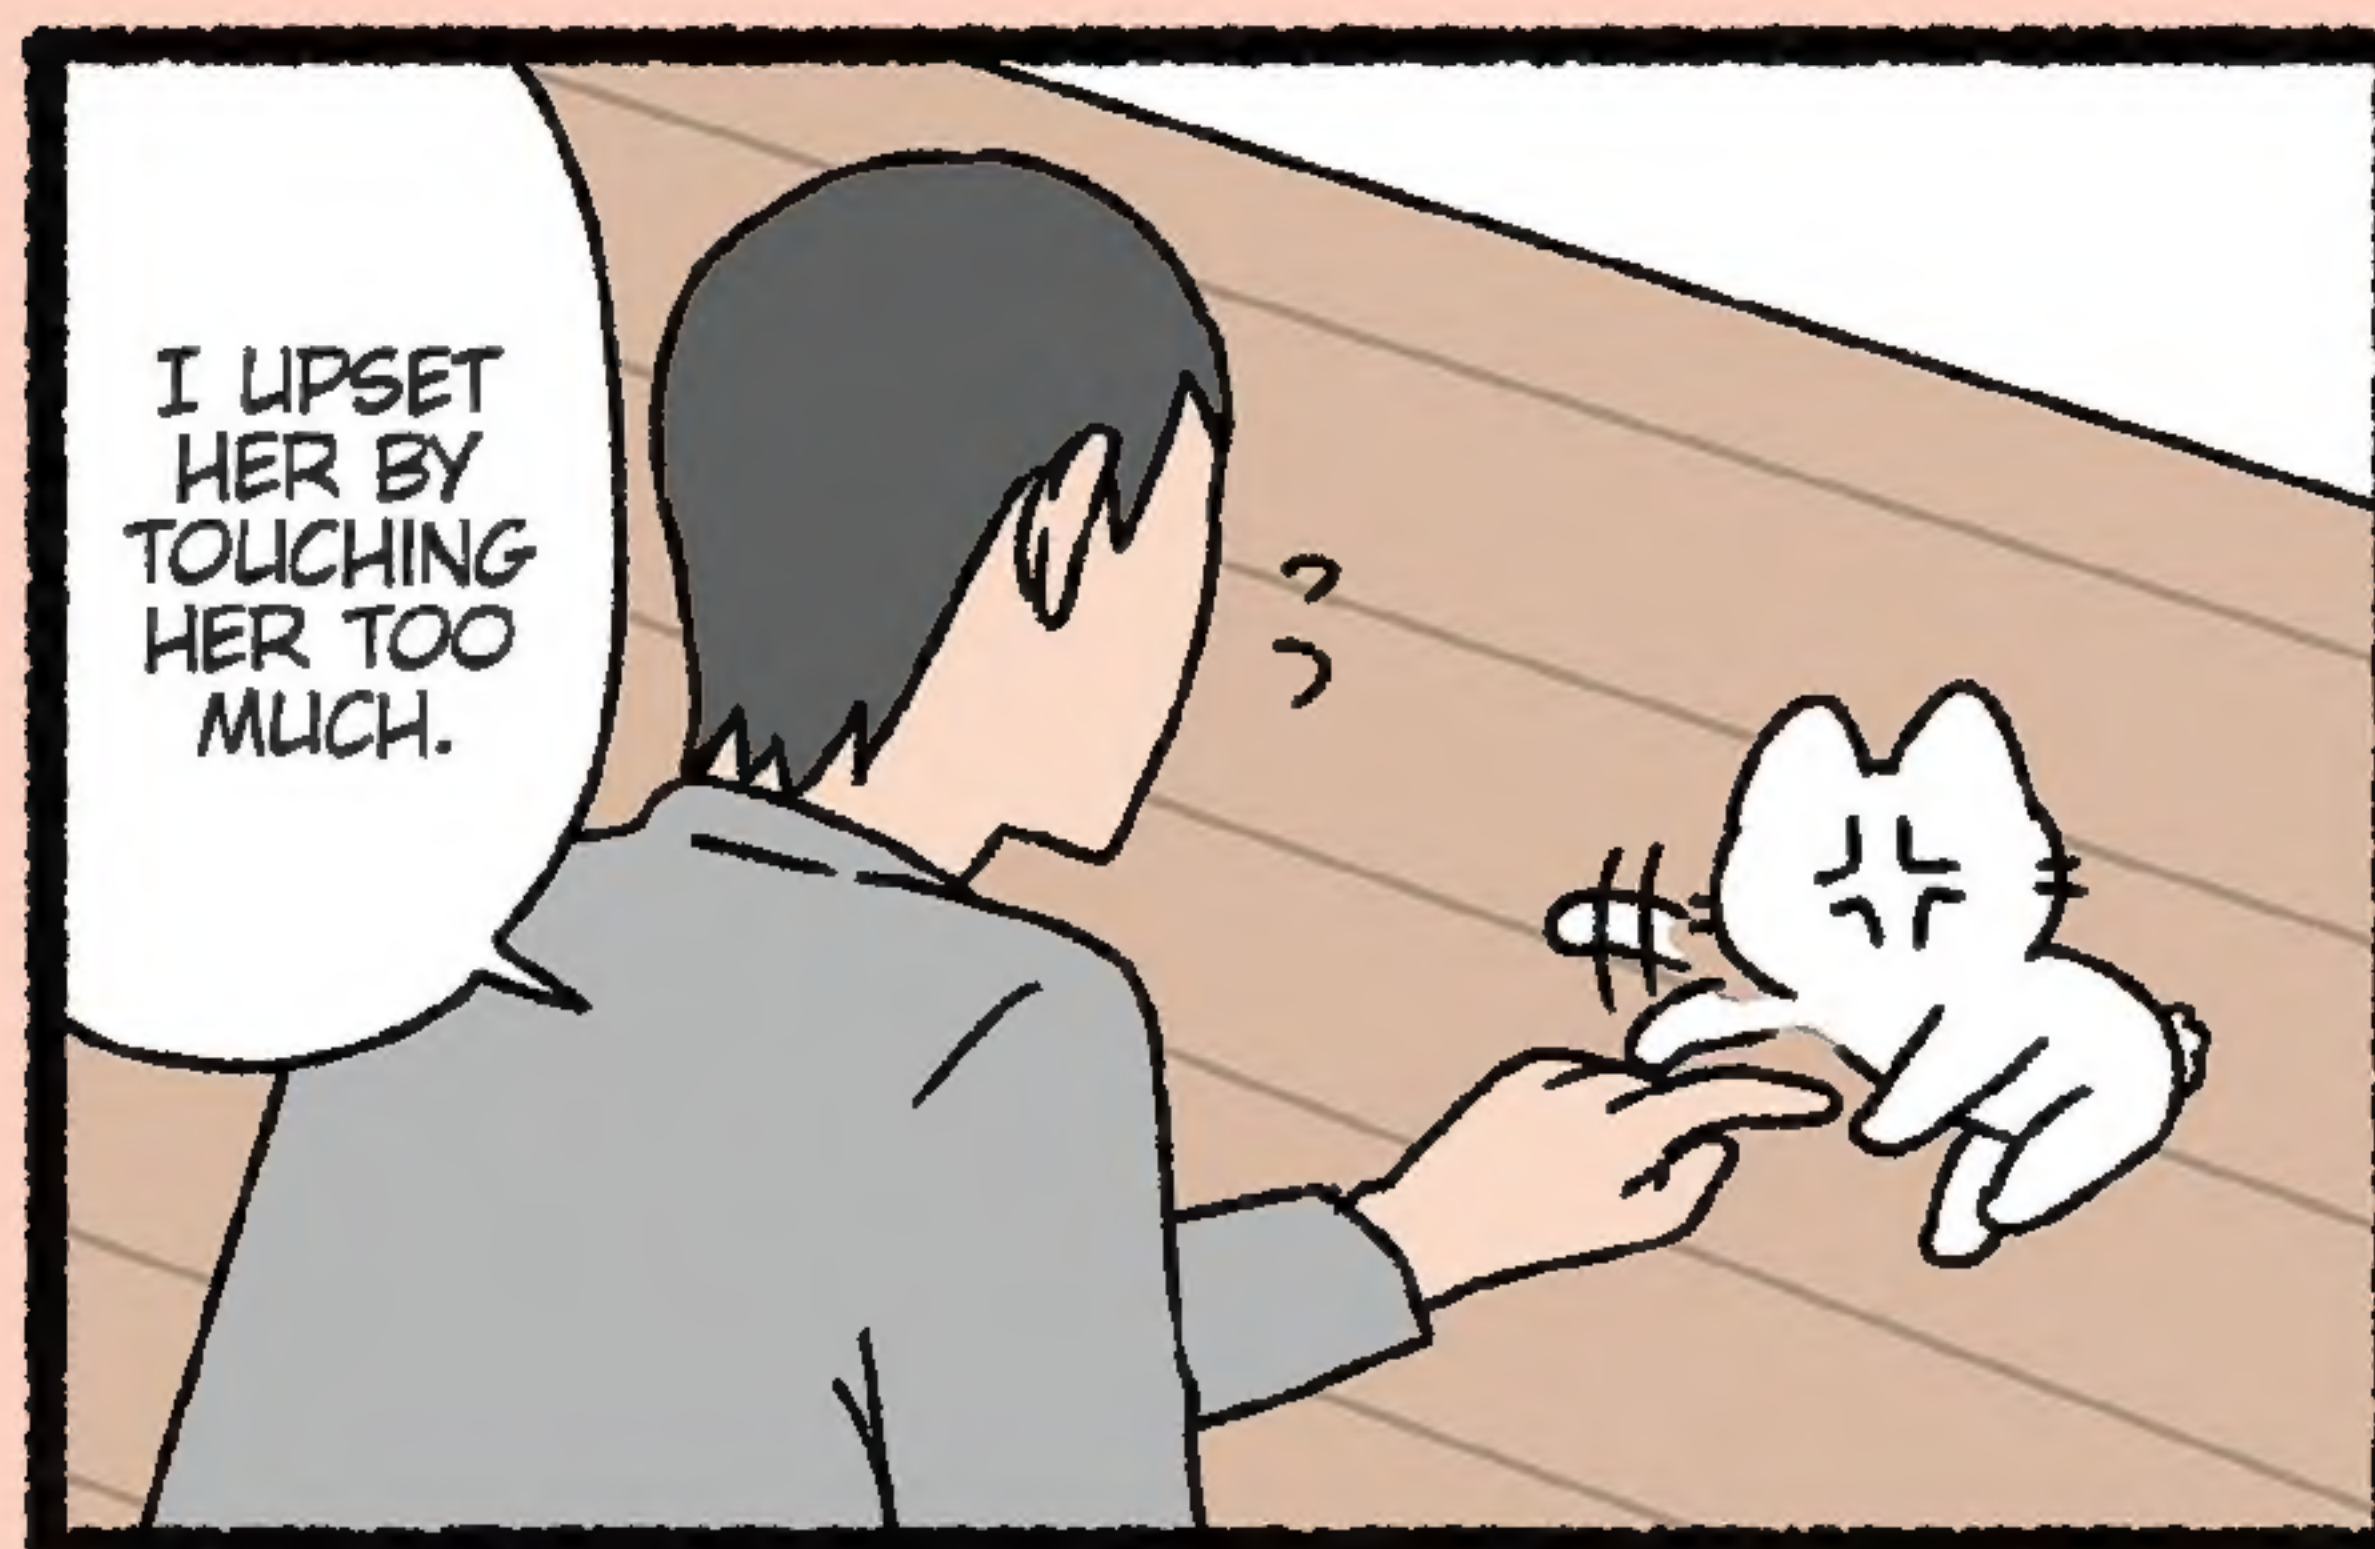

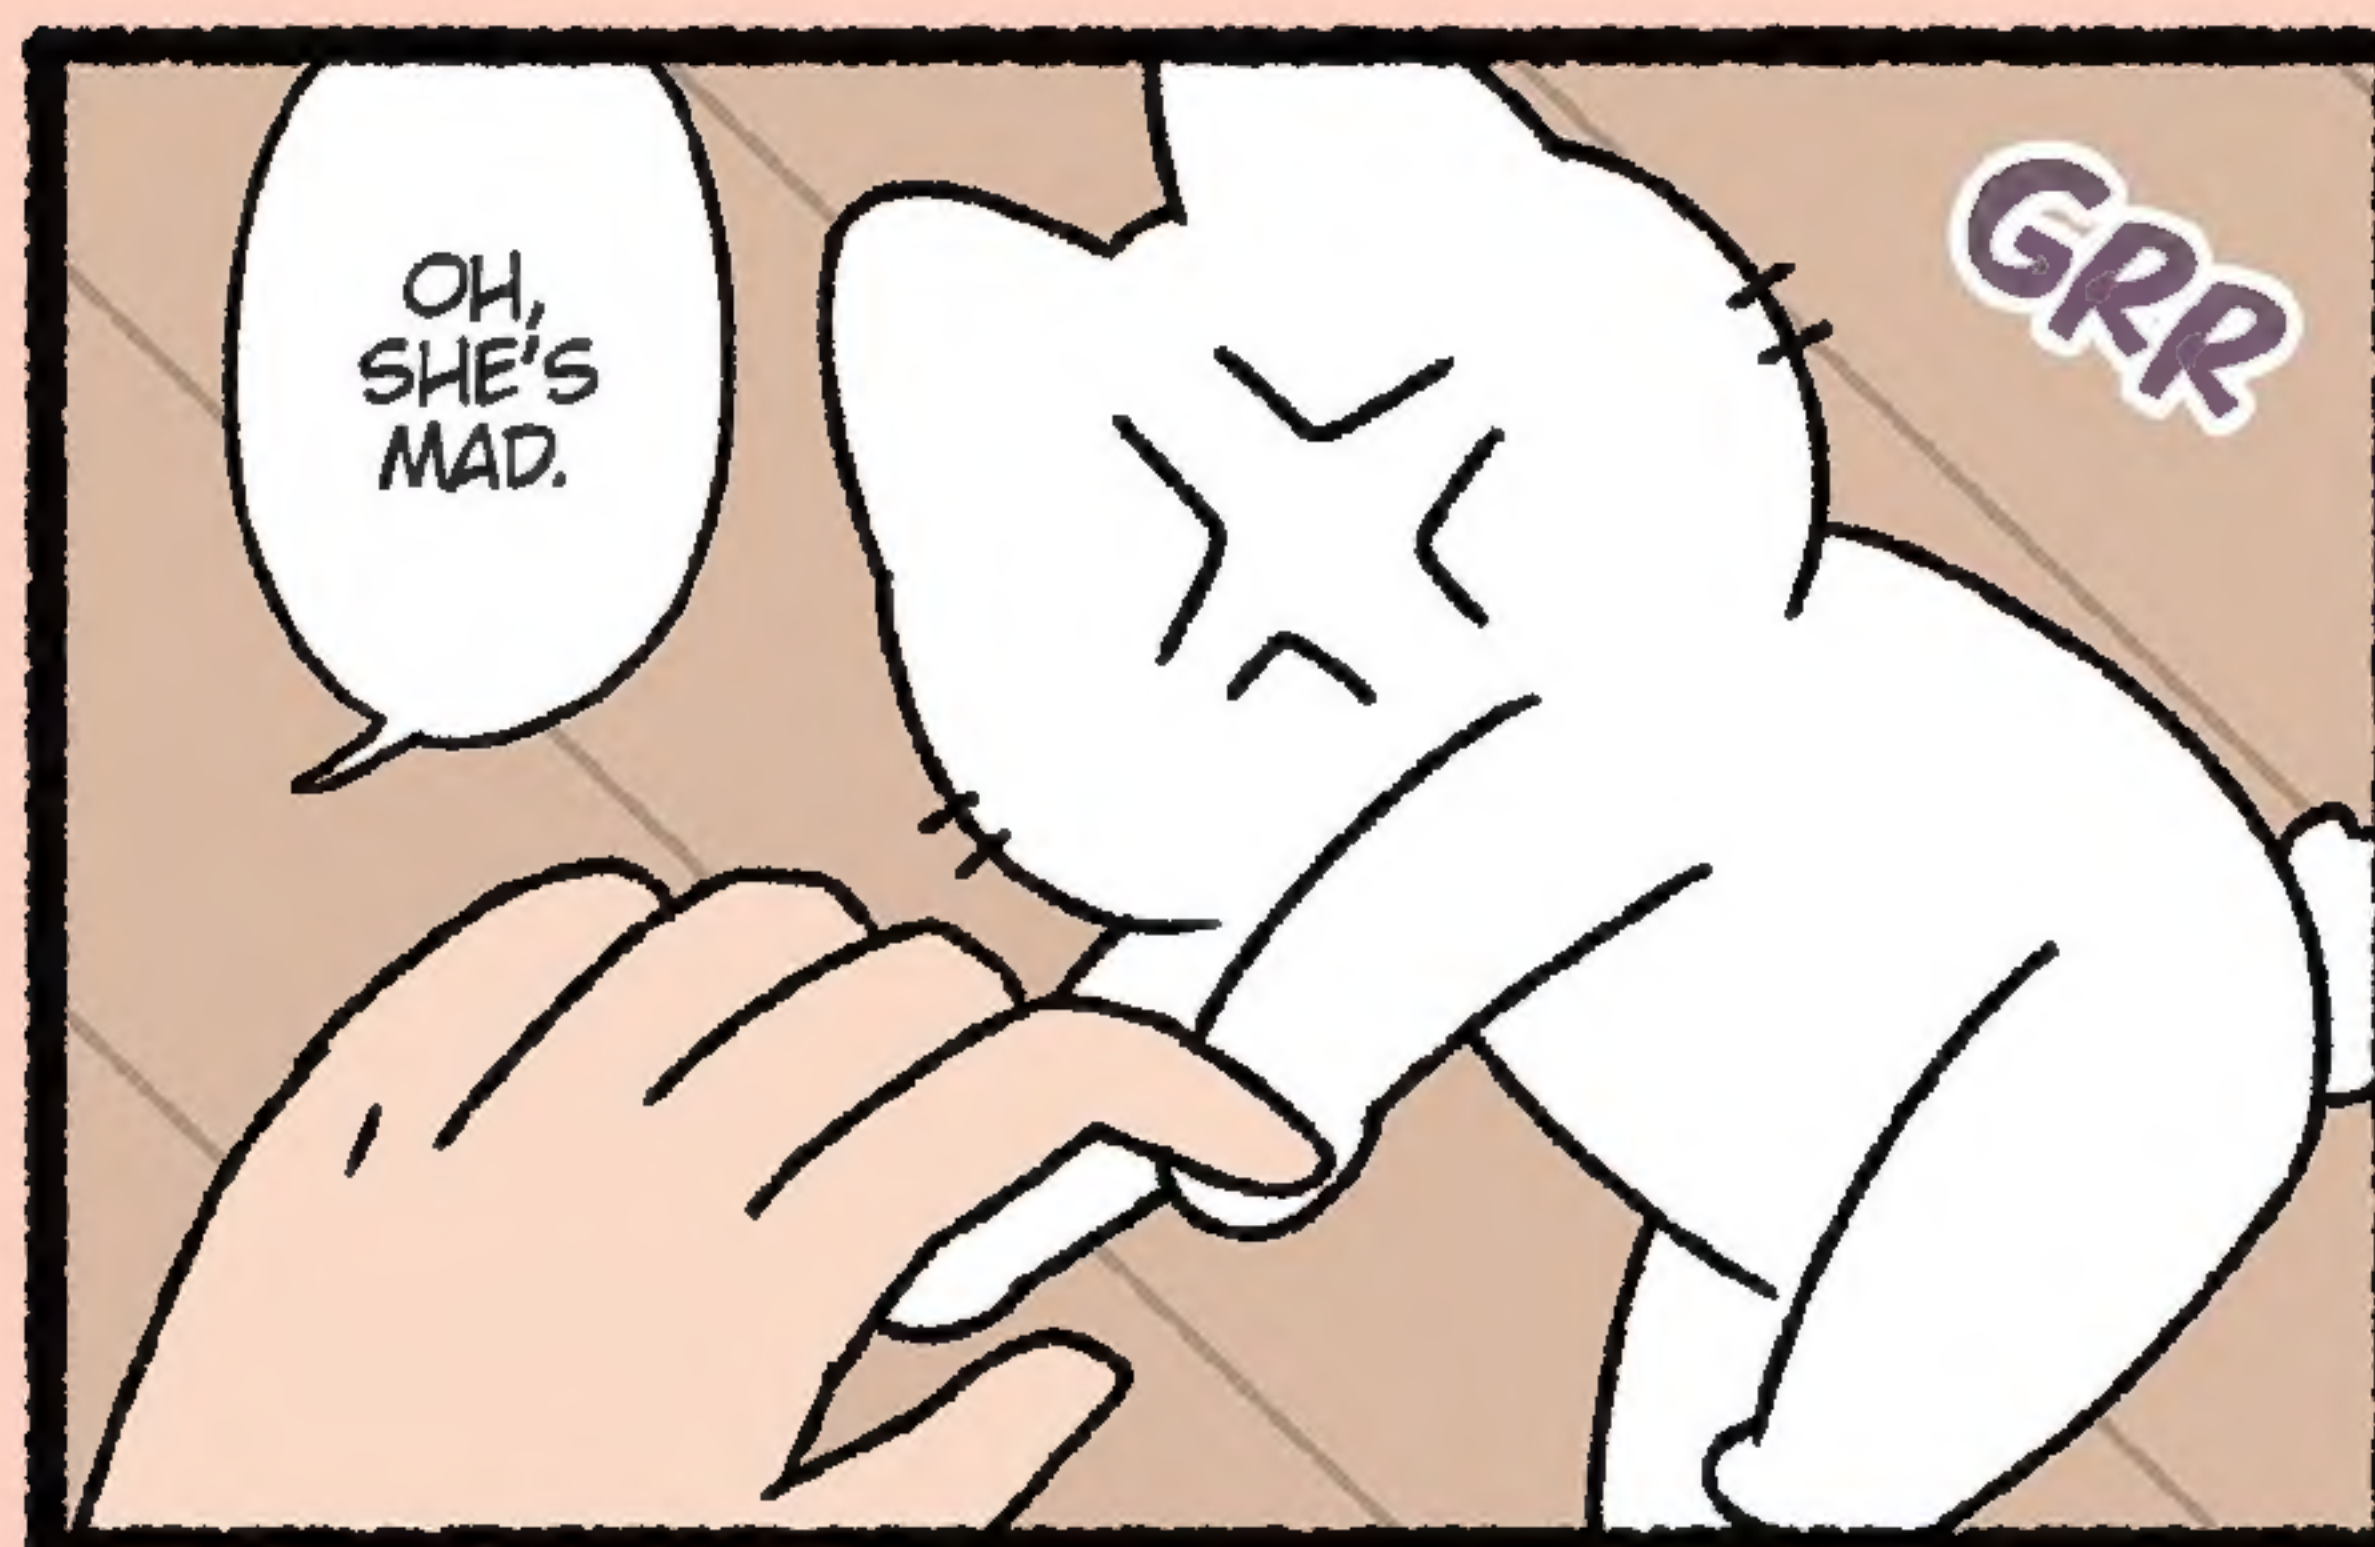

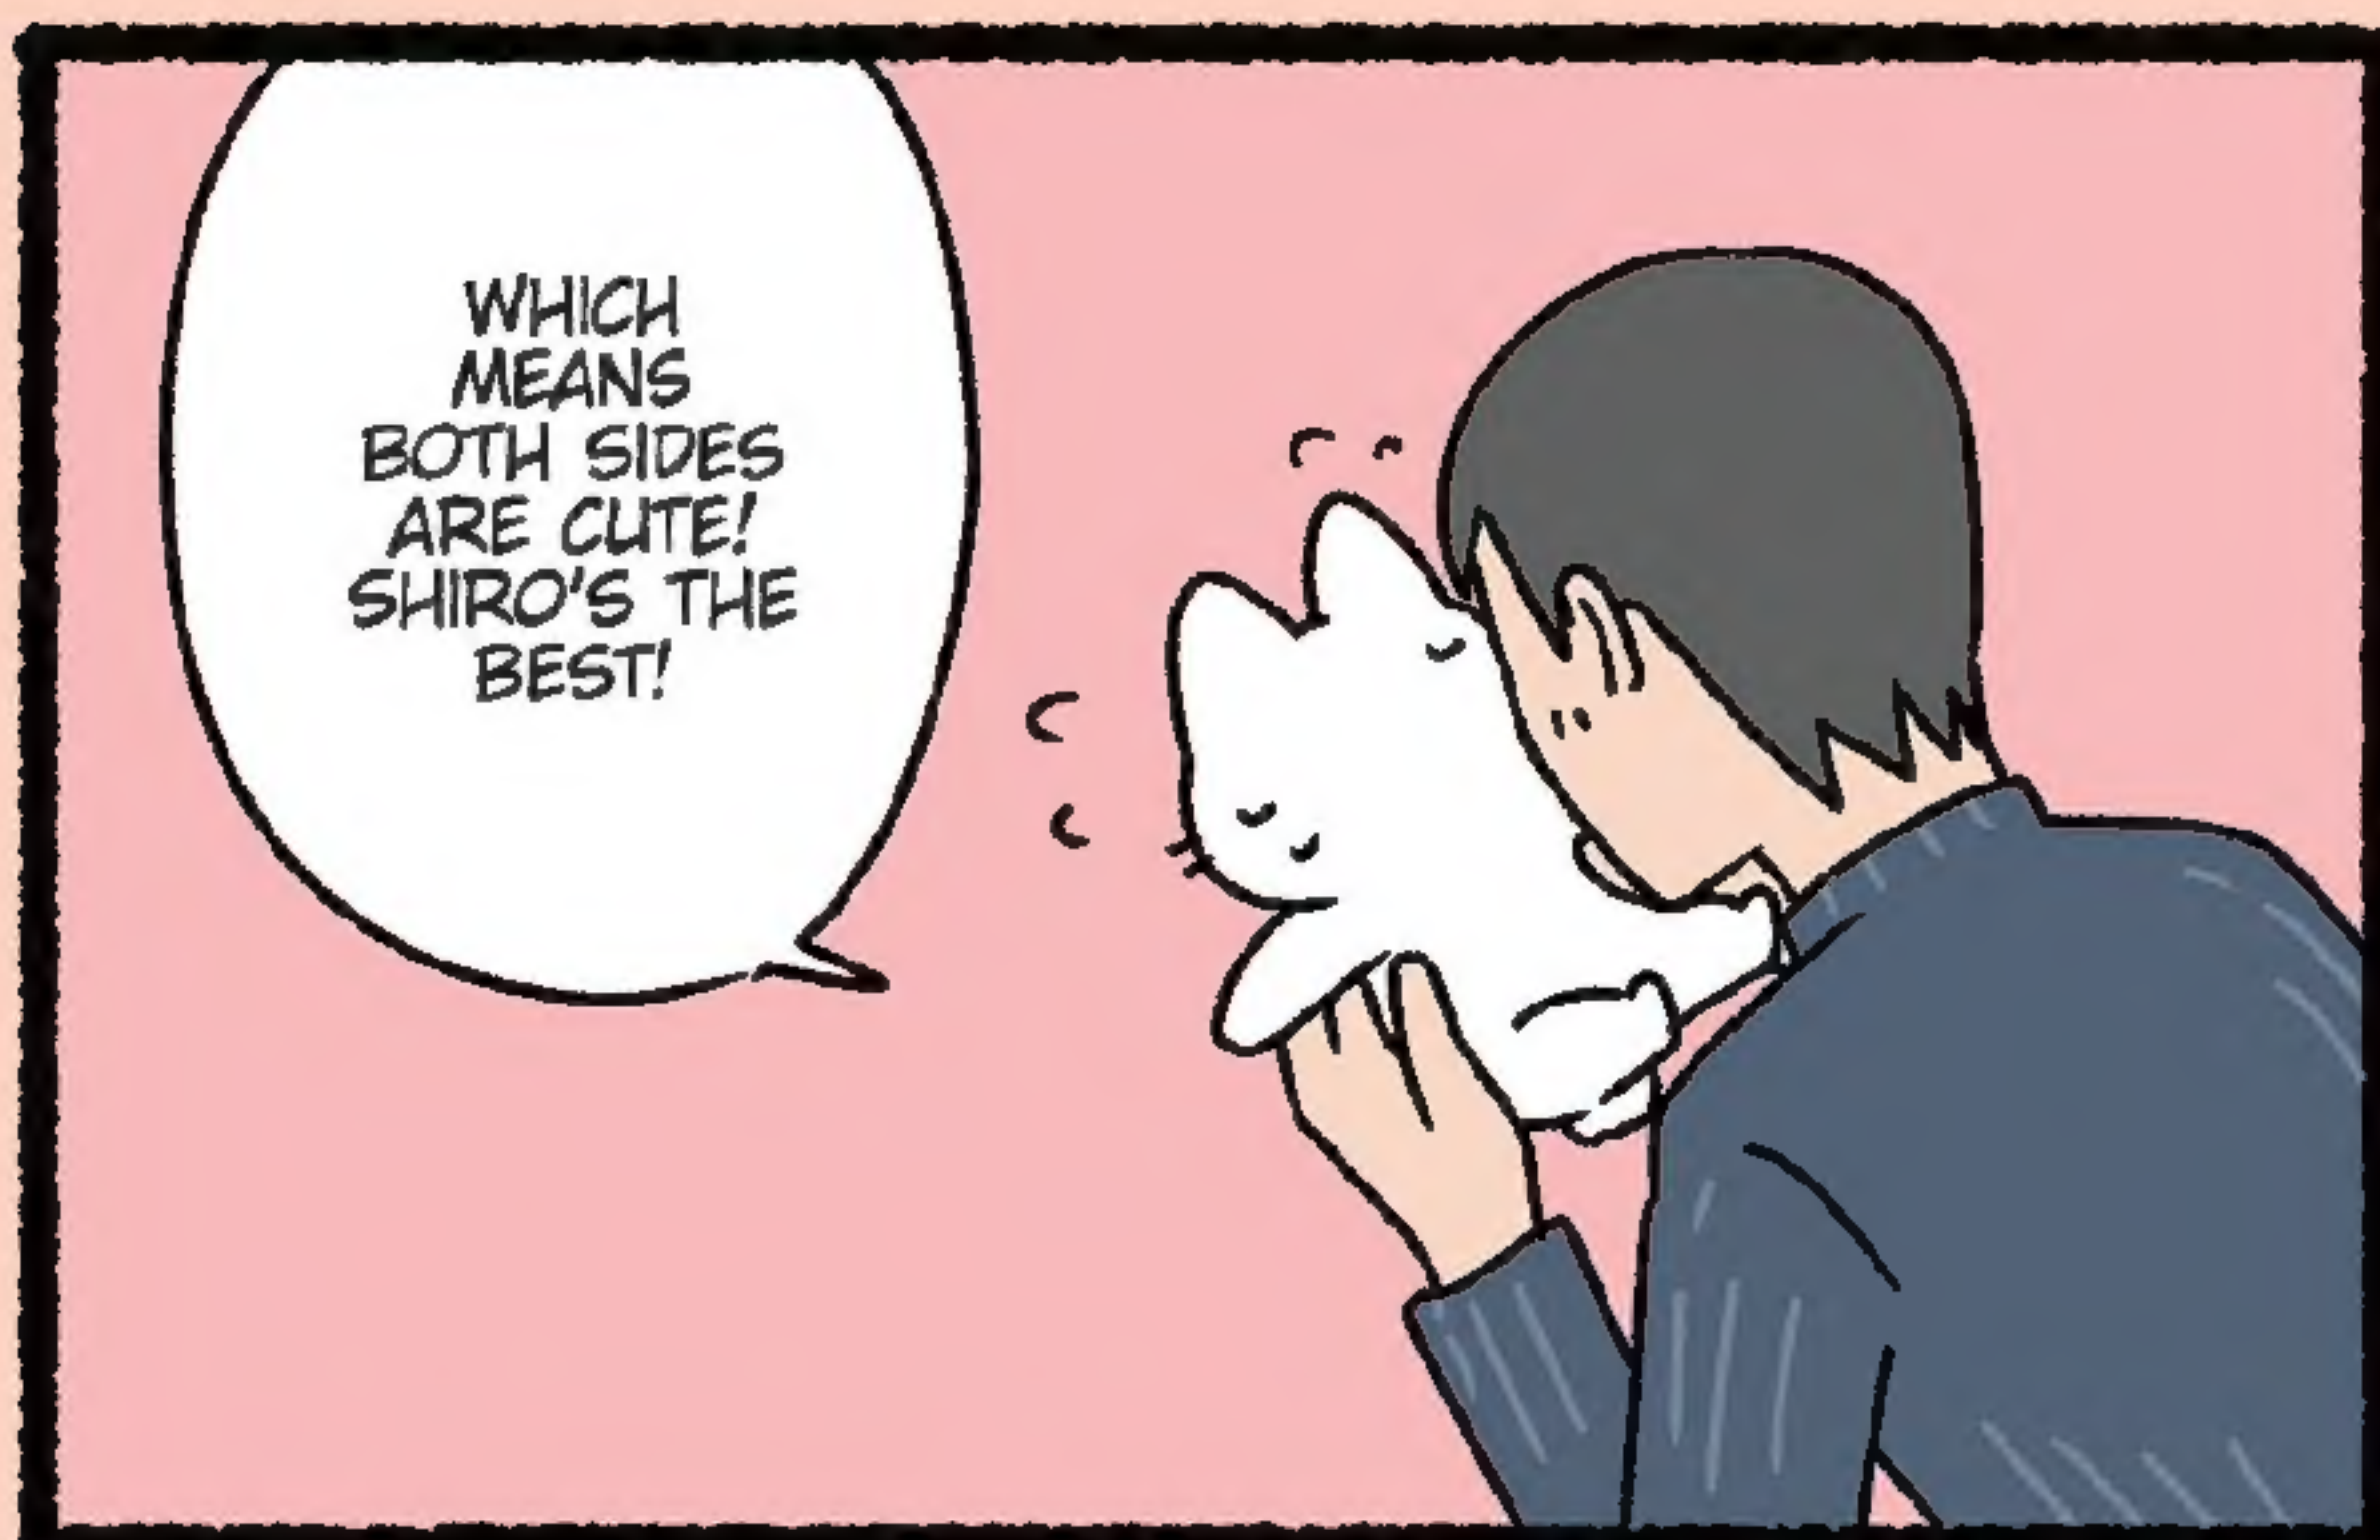

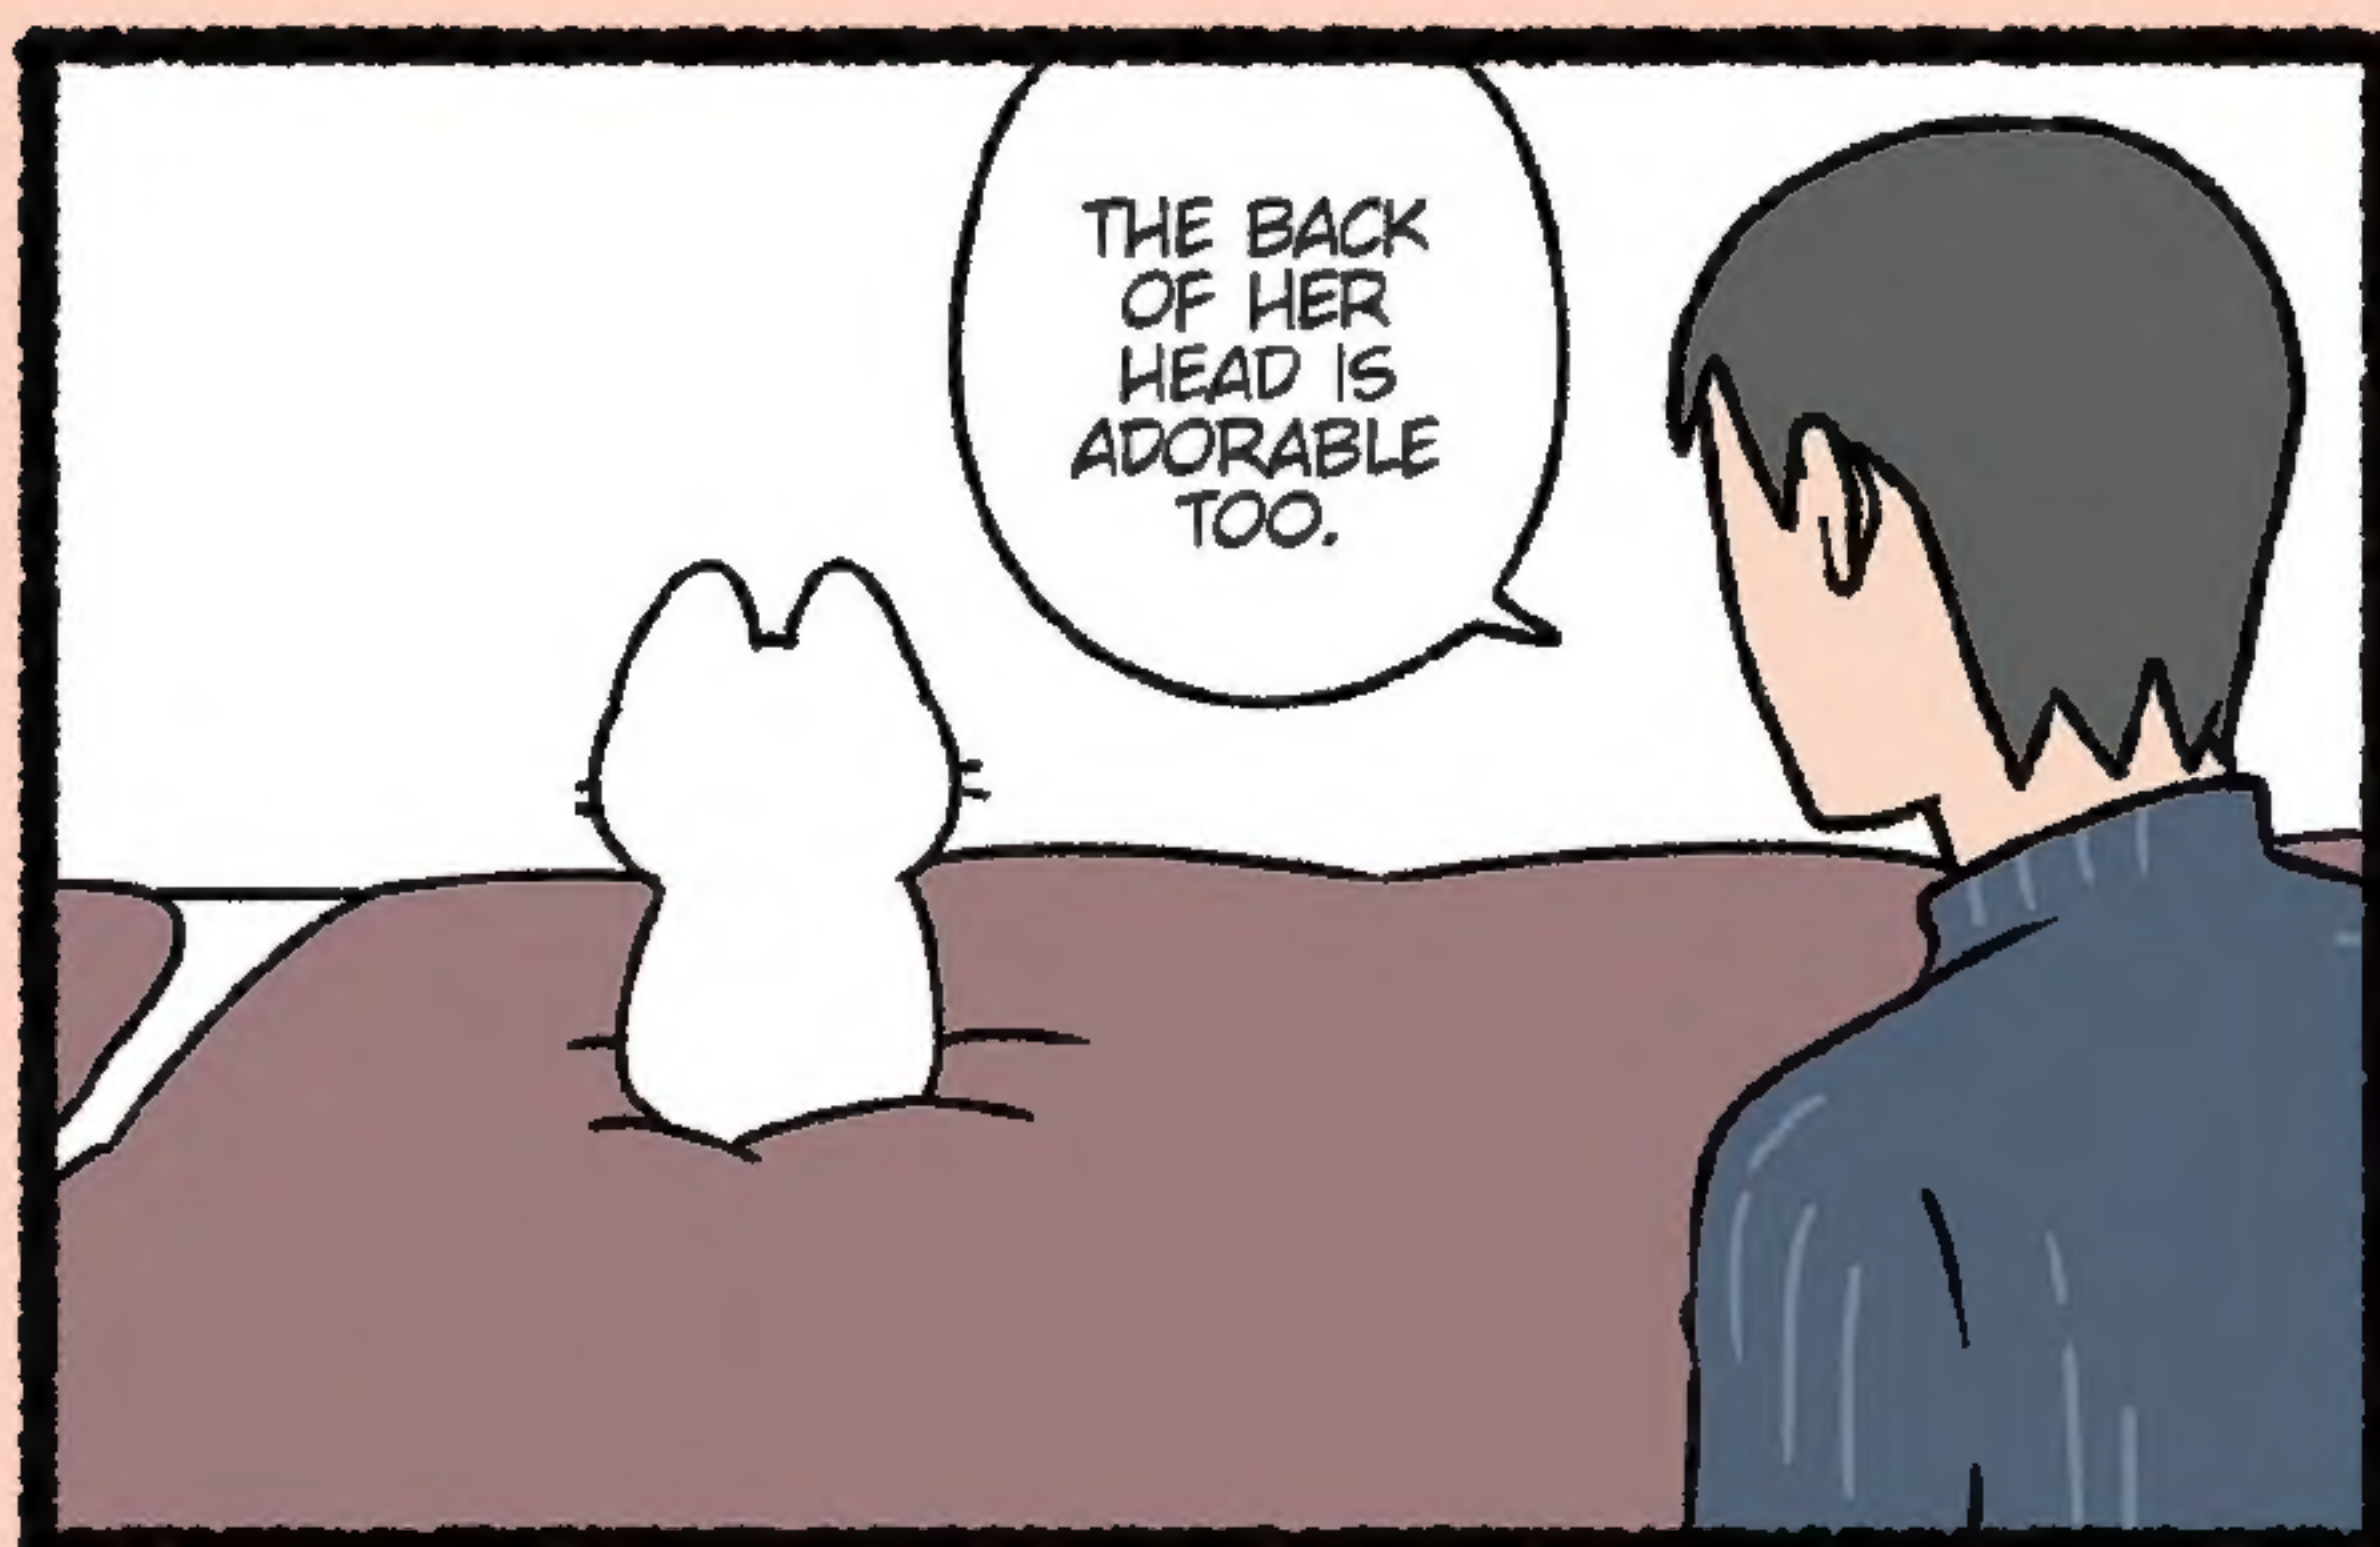

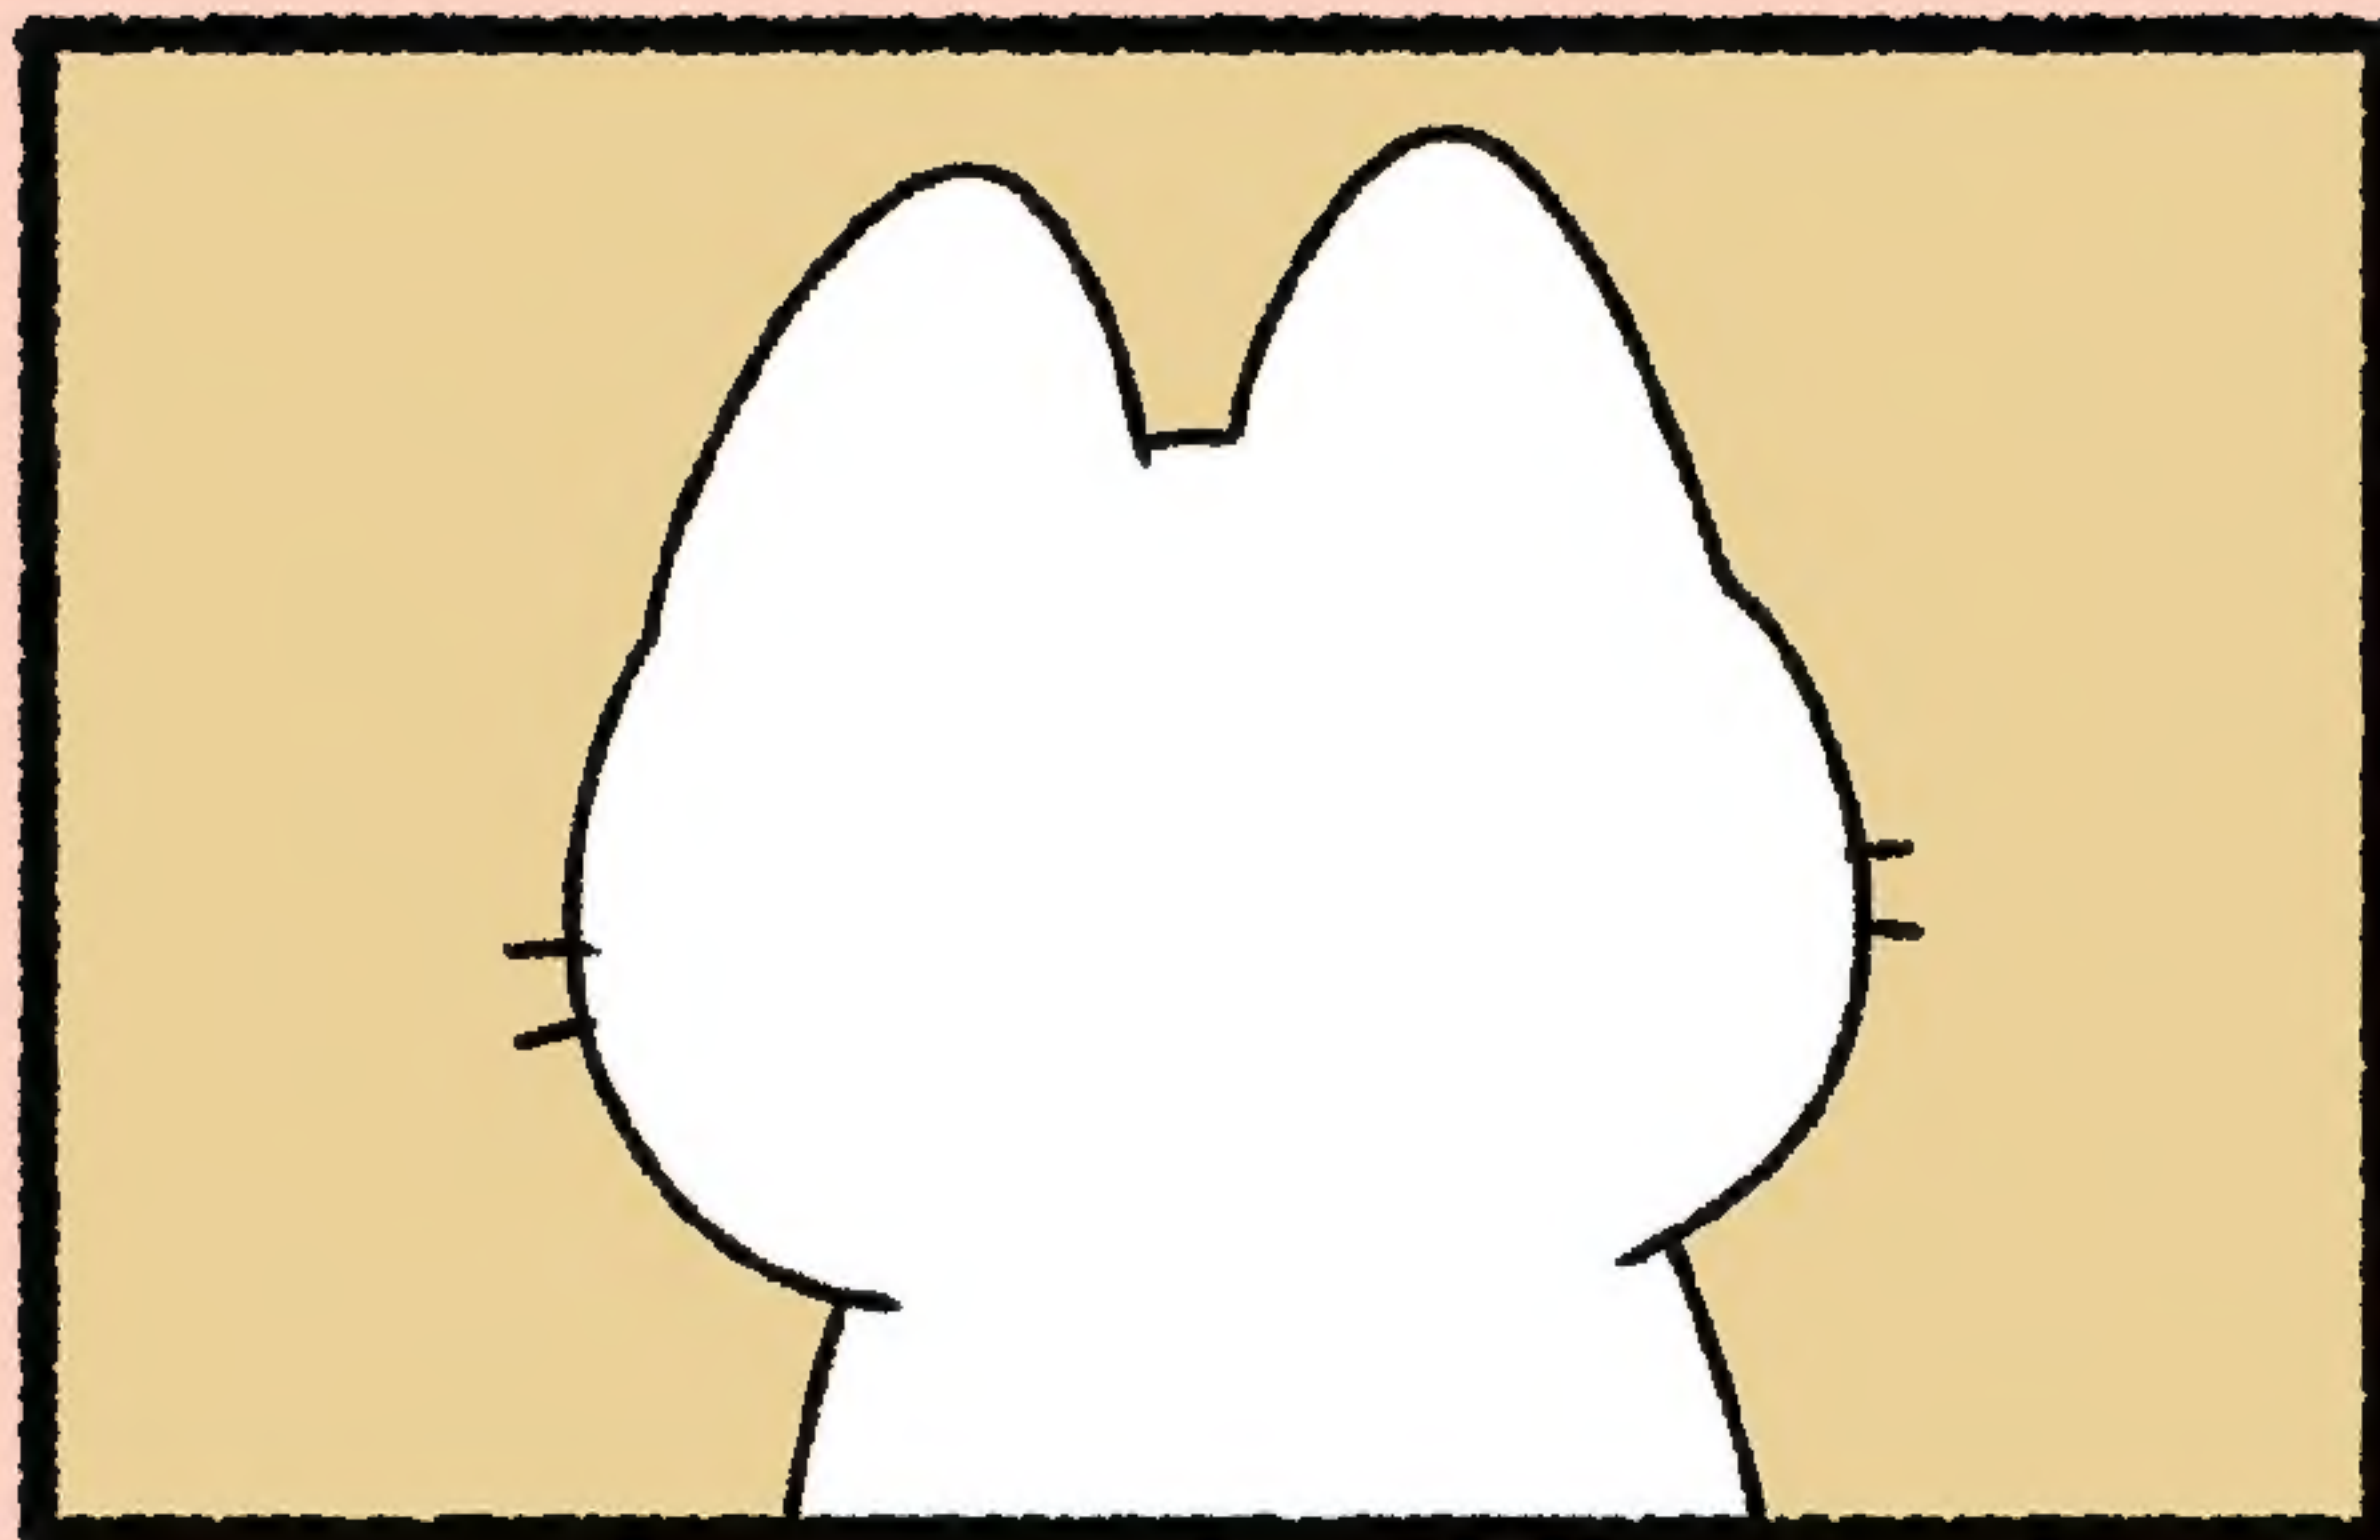

Nopperabo

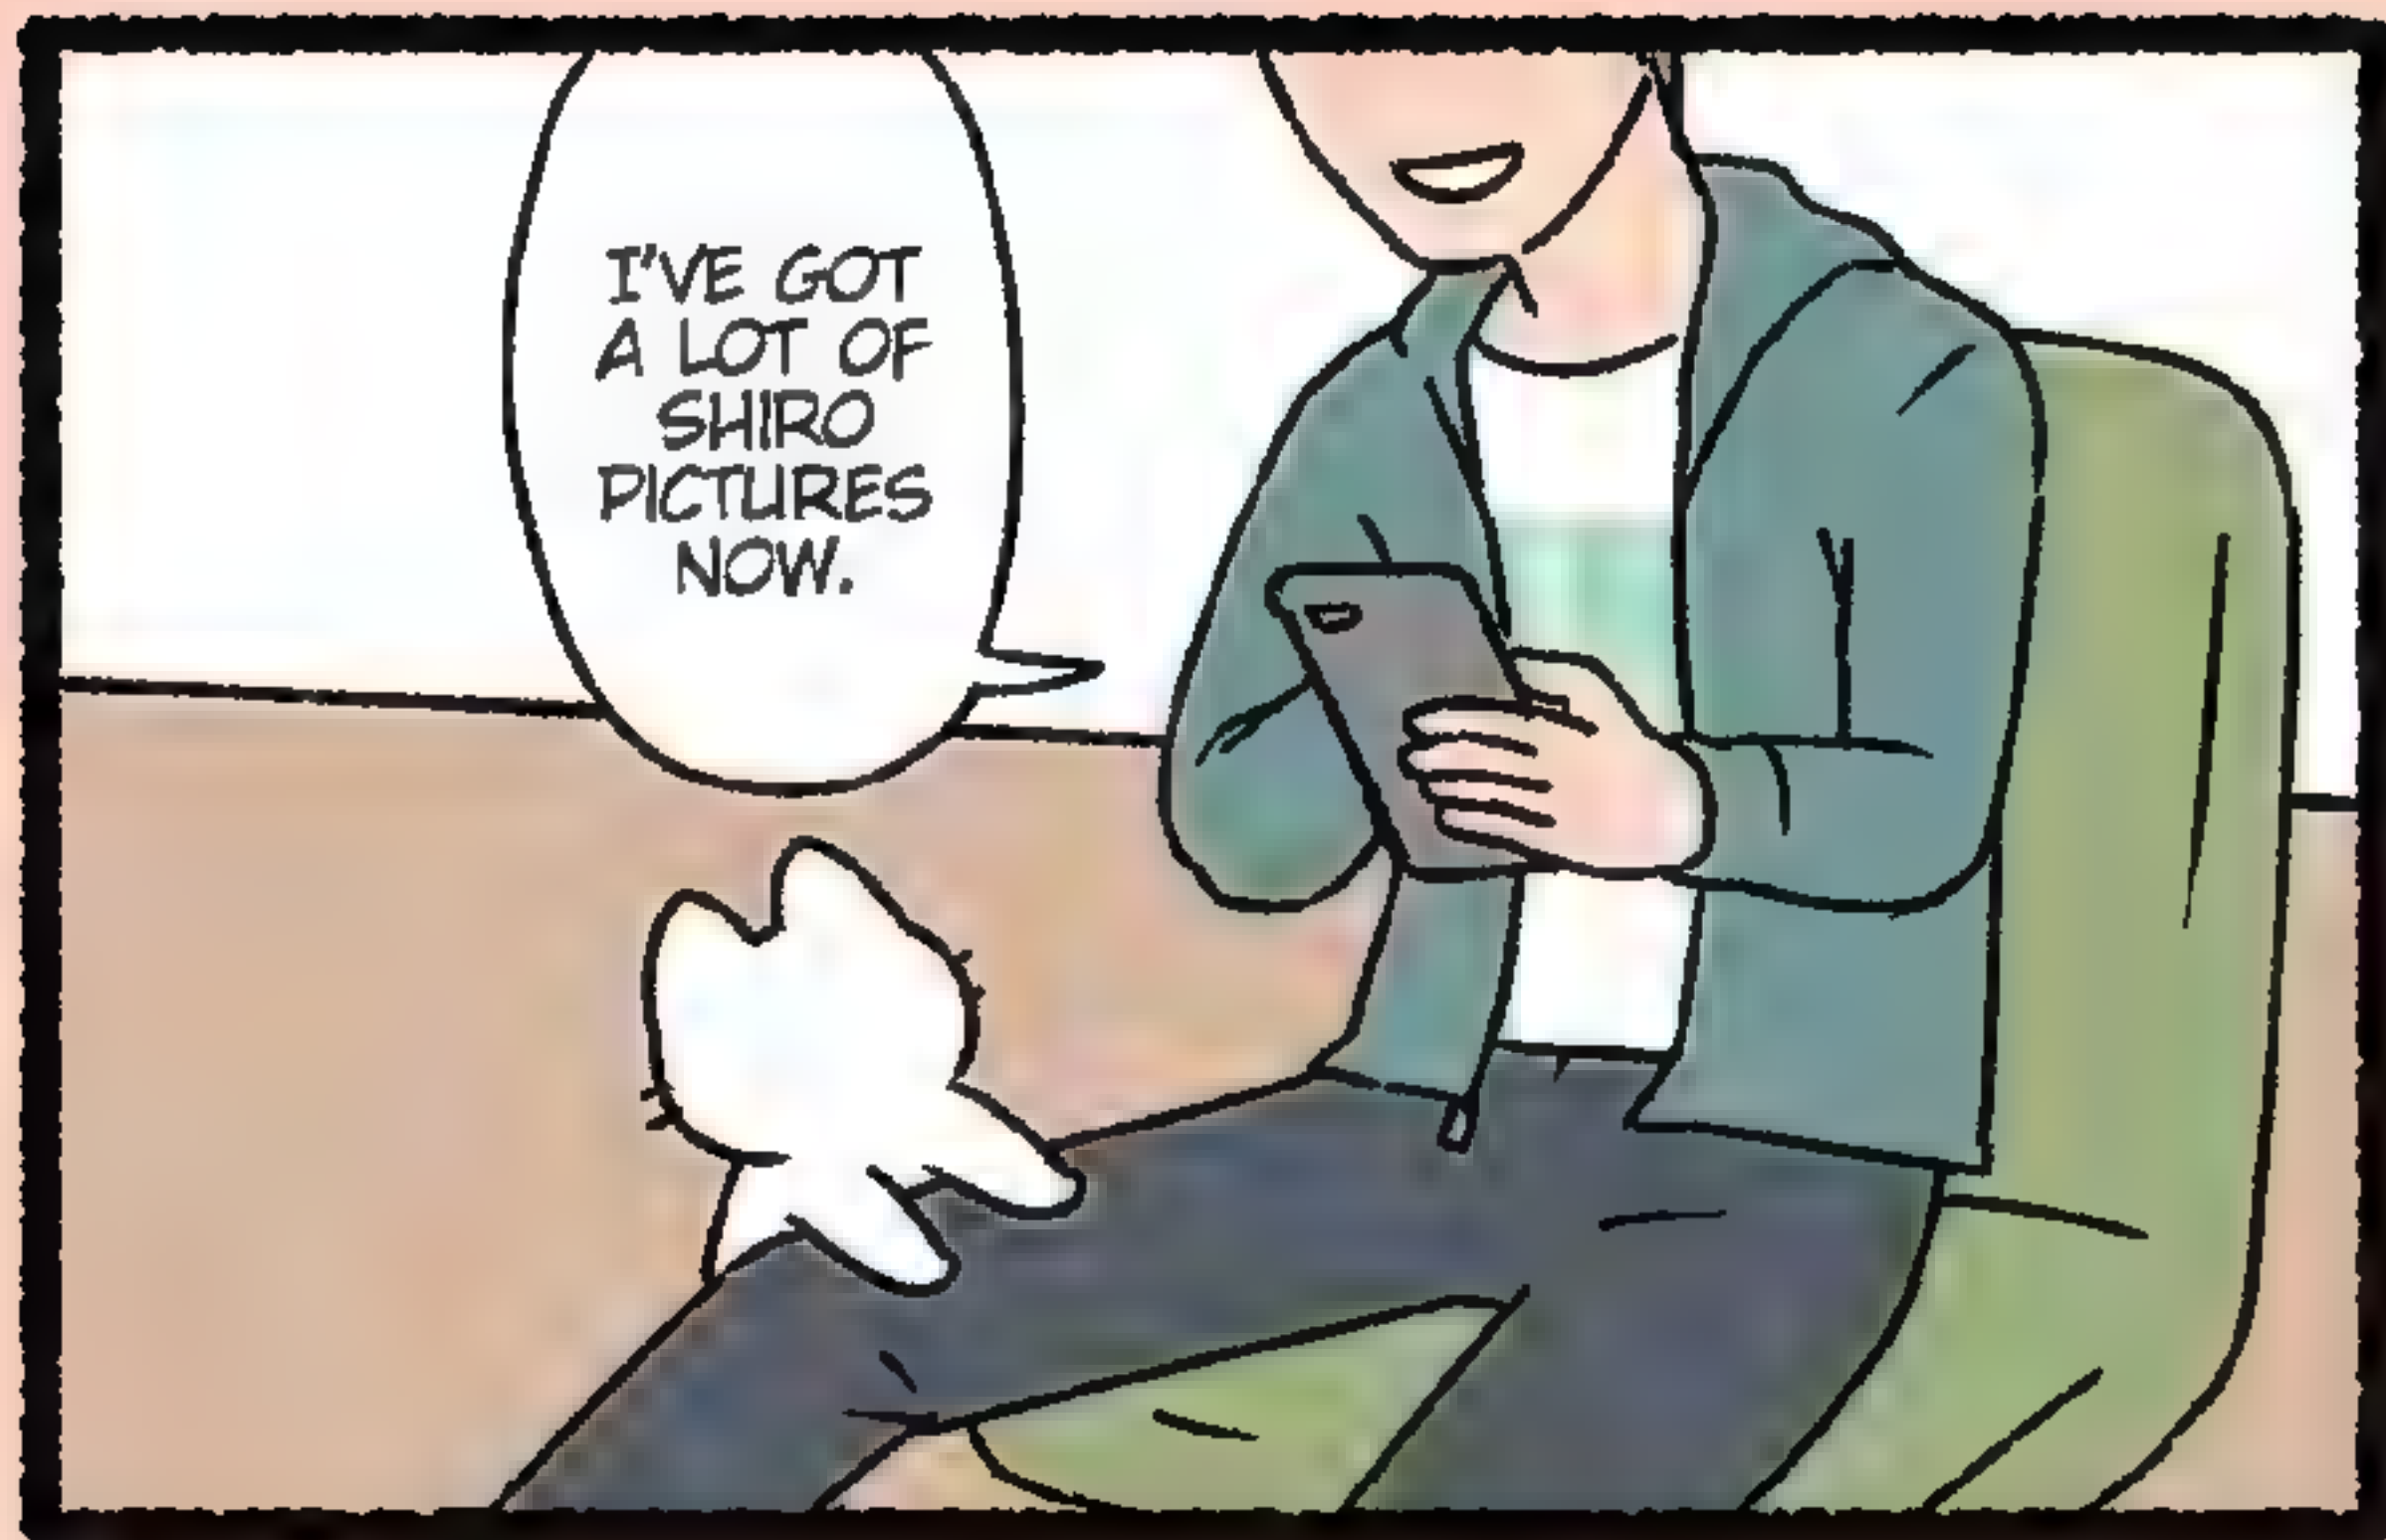

No Face

Very
sensitive.
Likes
surprising
people.

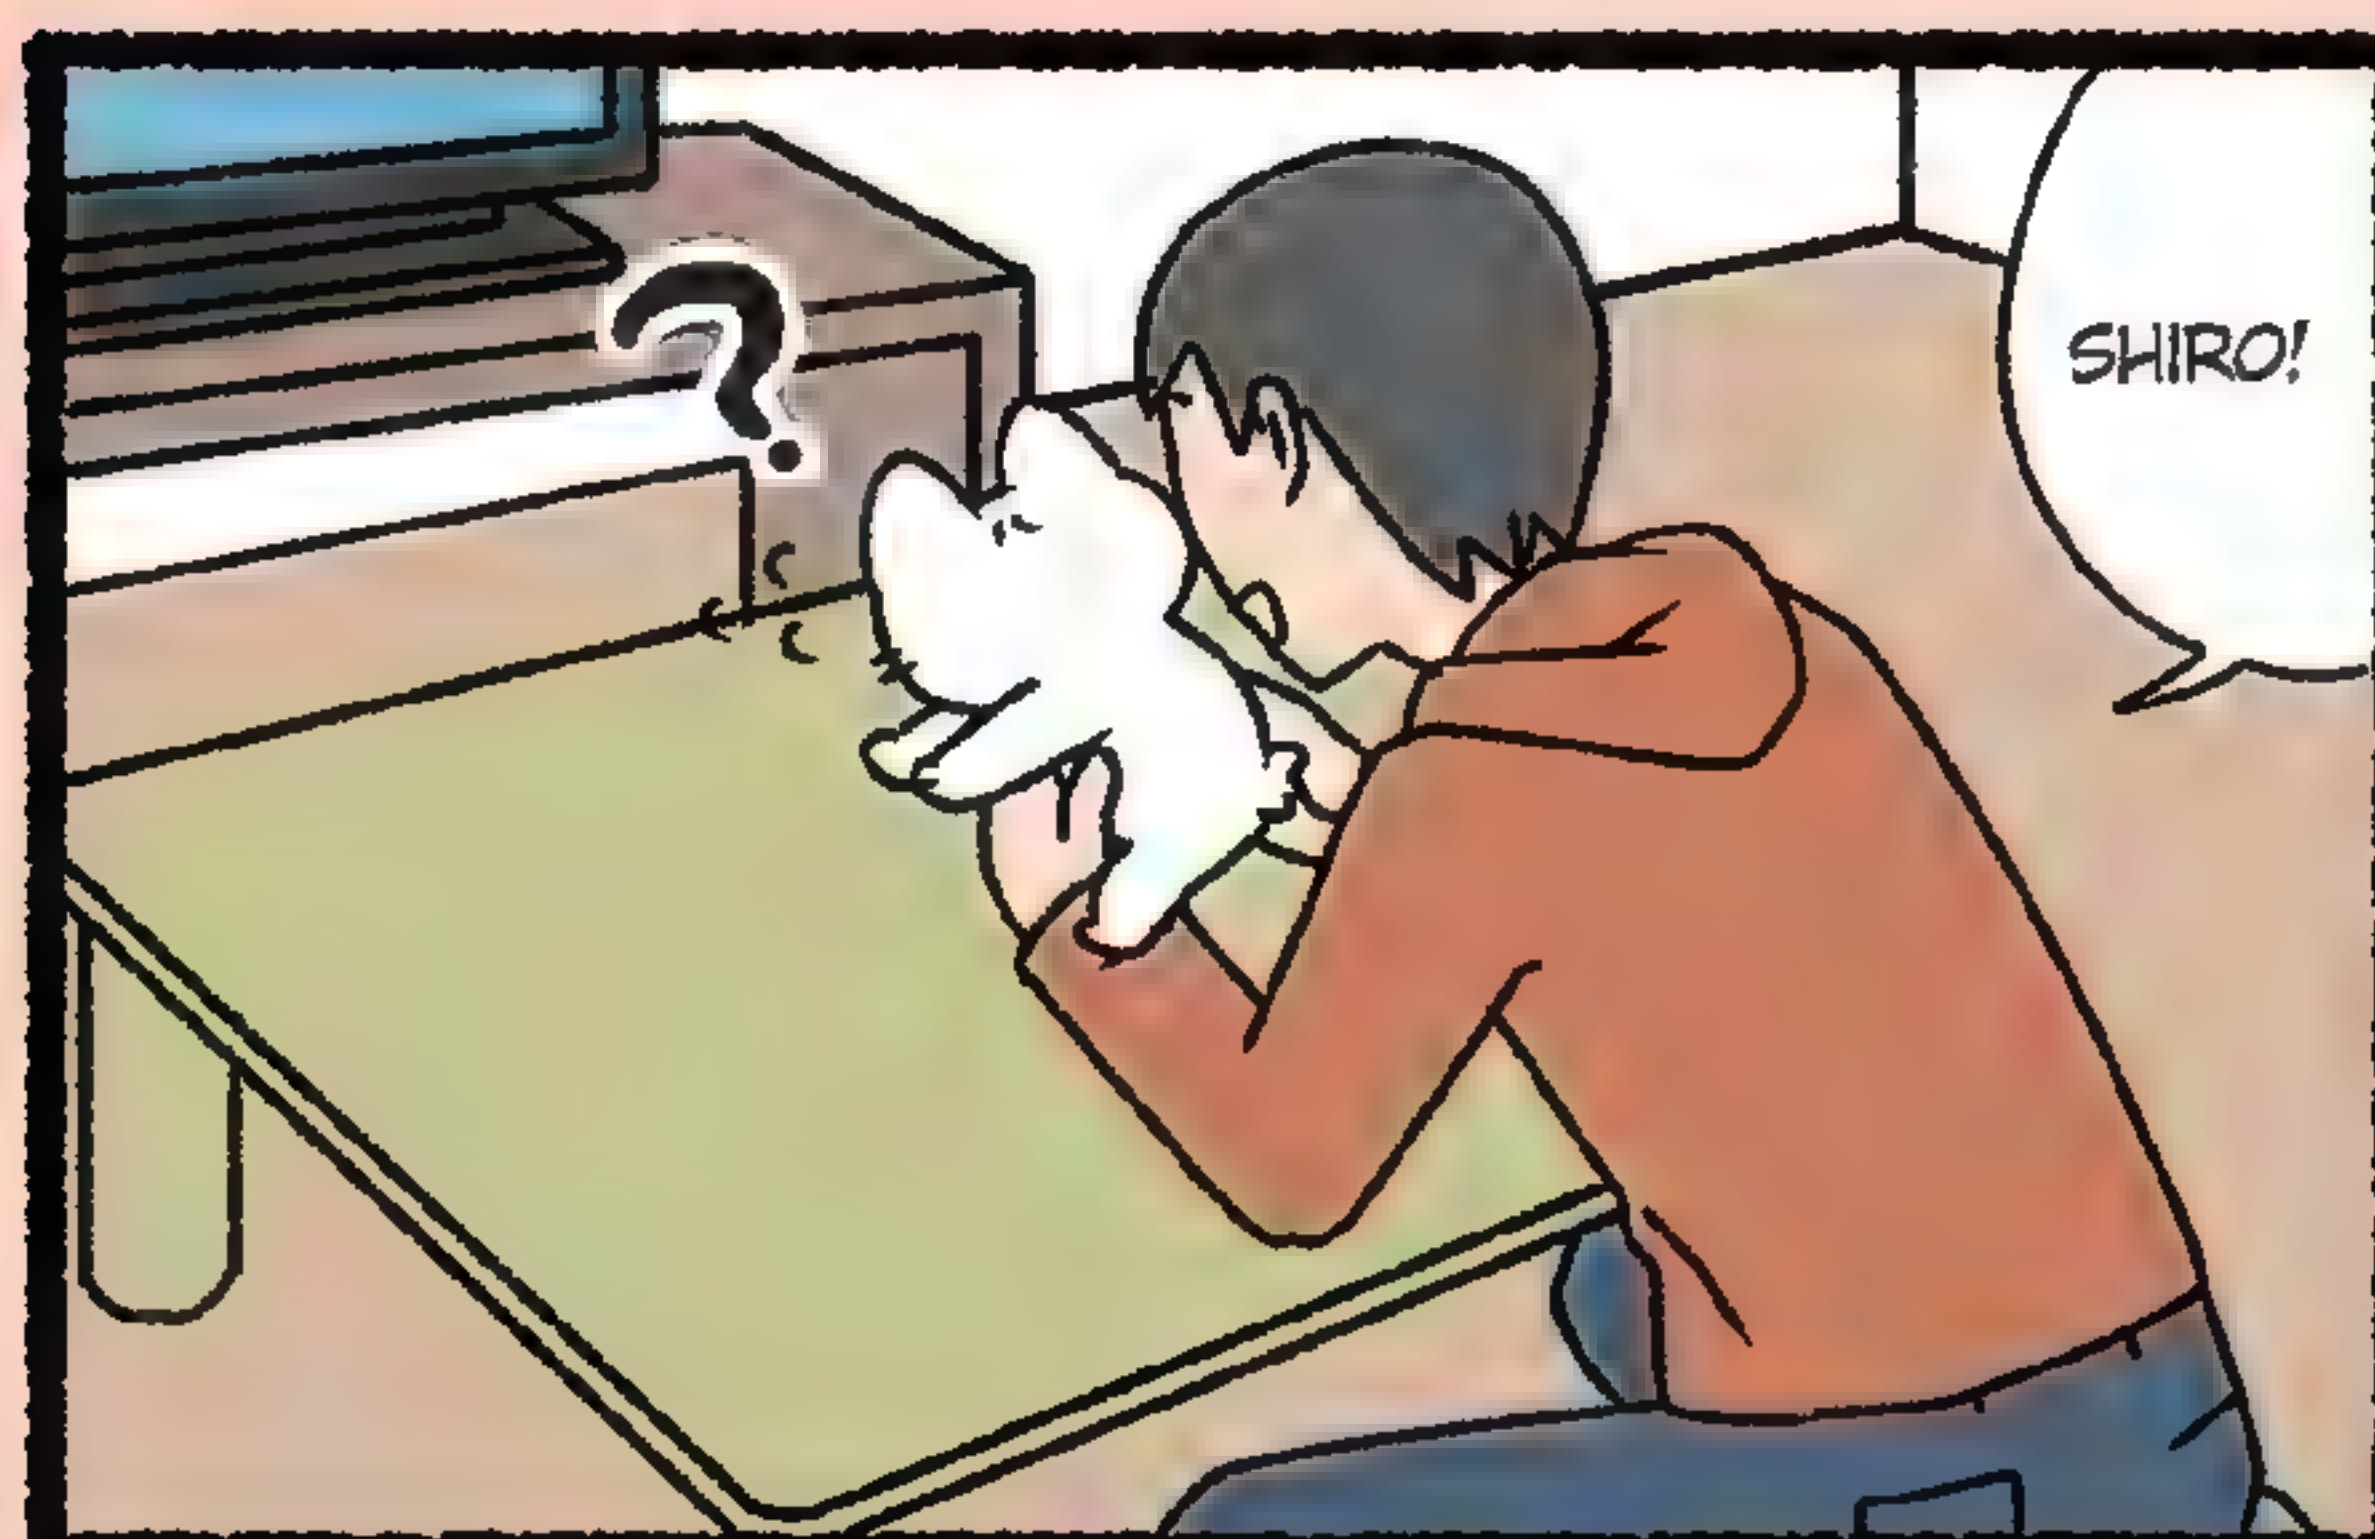

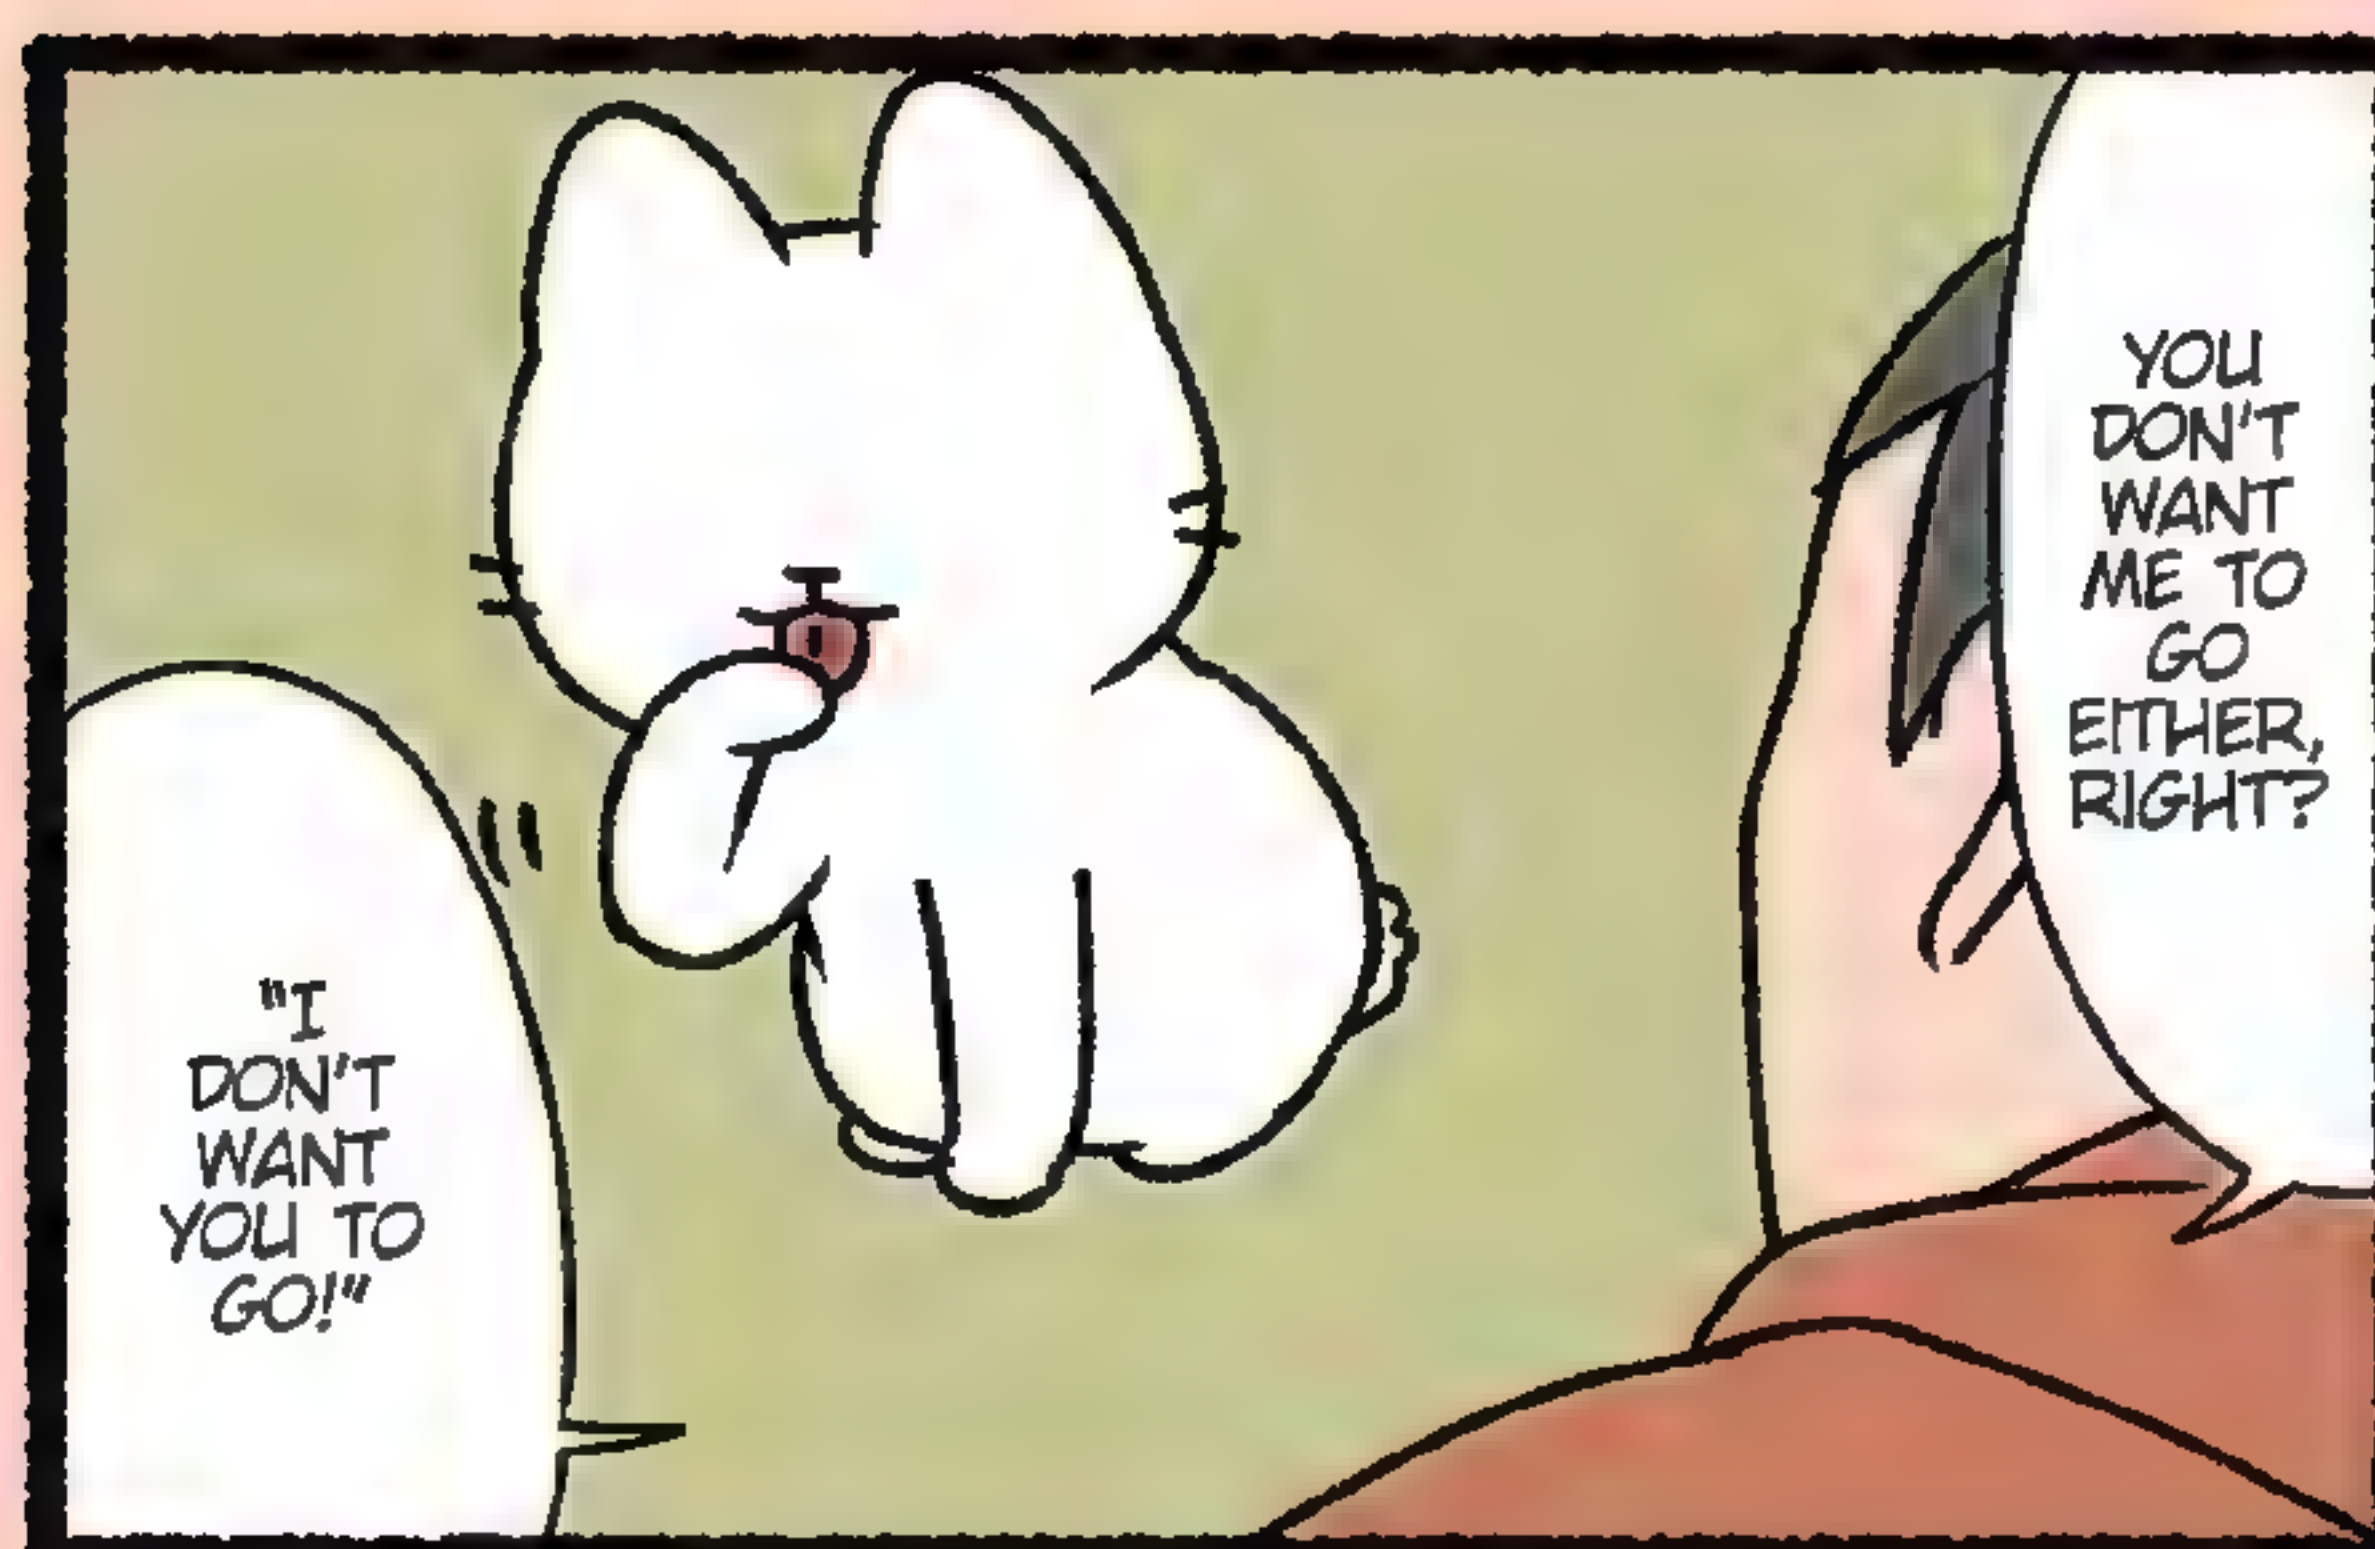

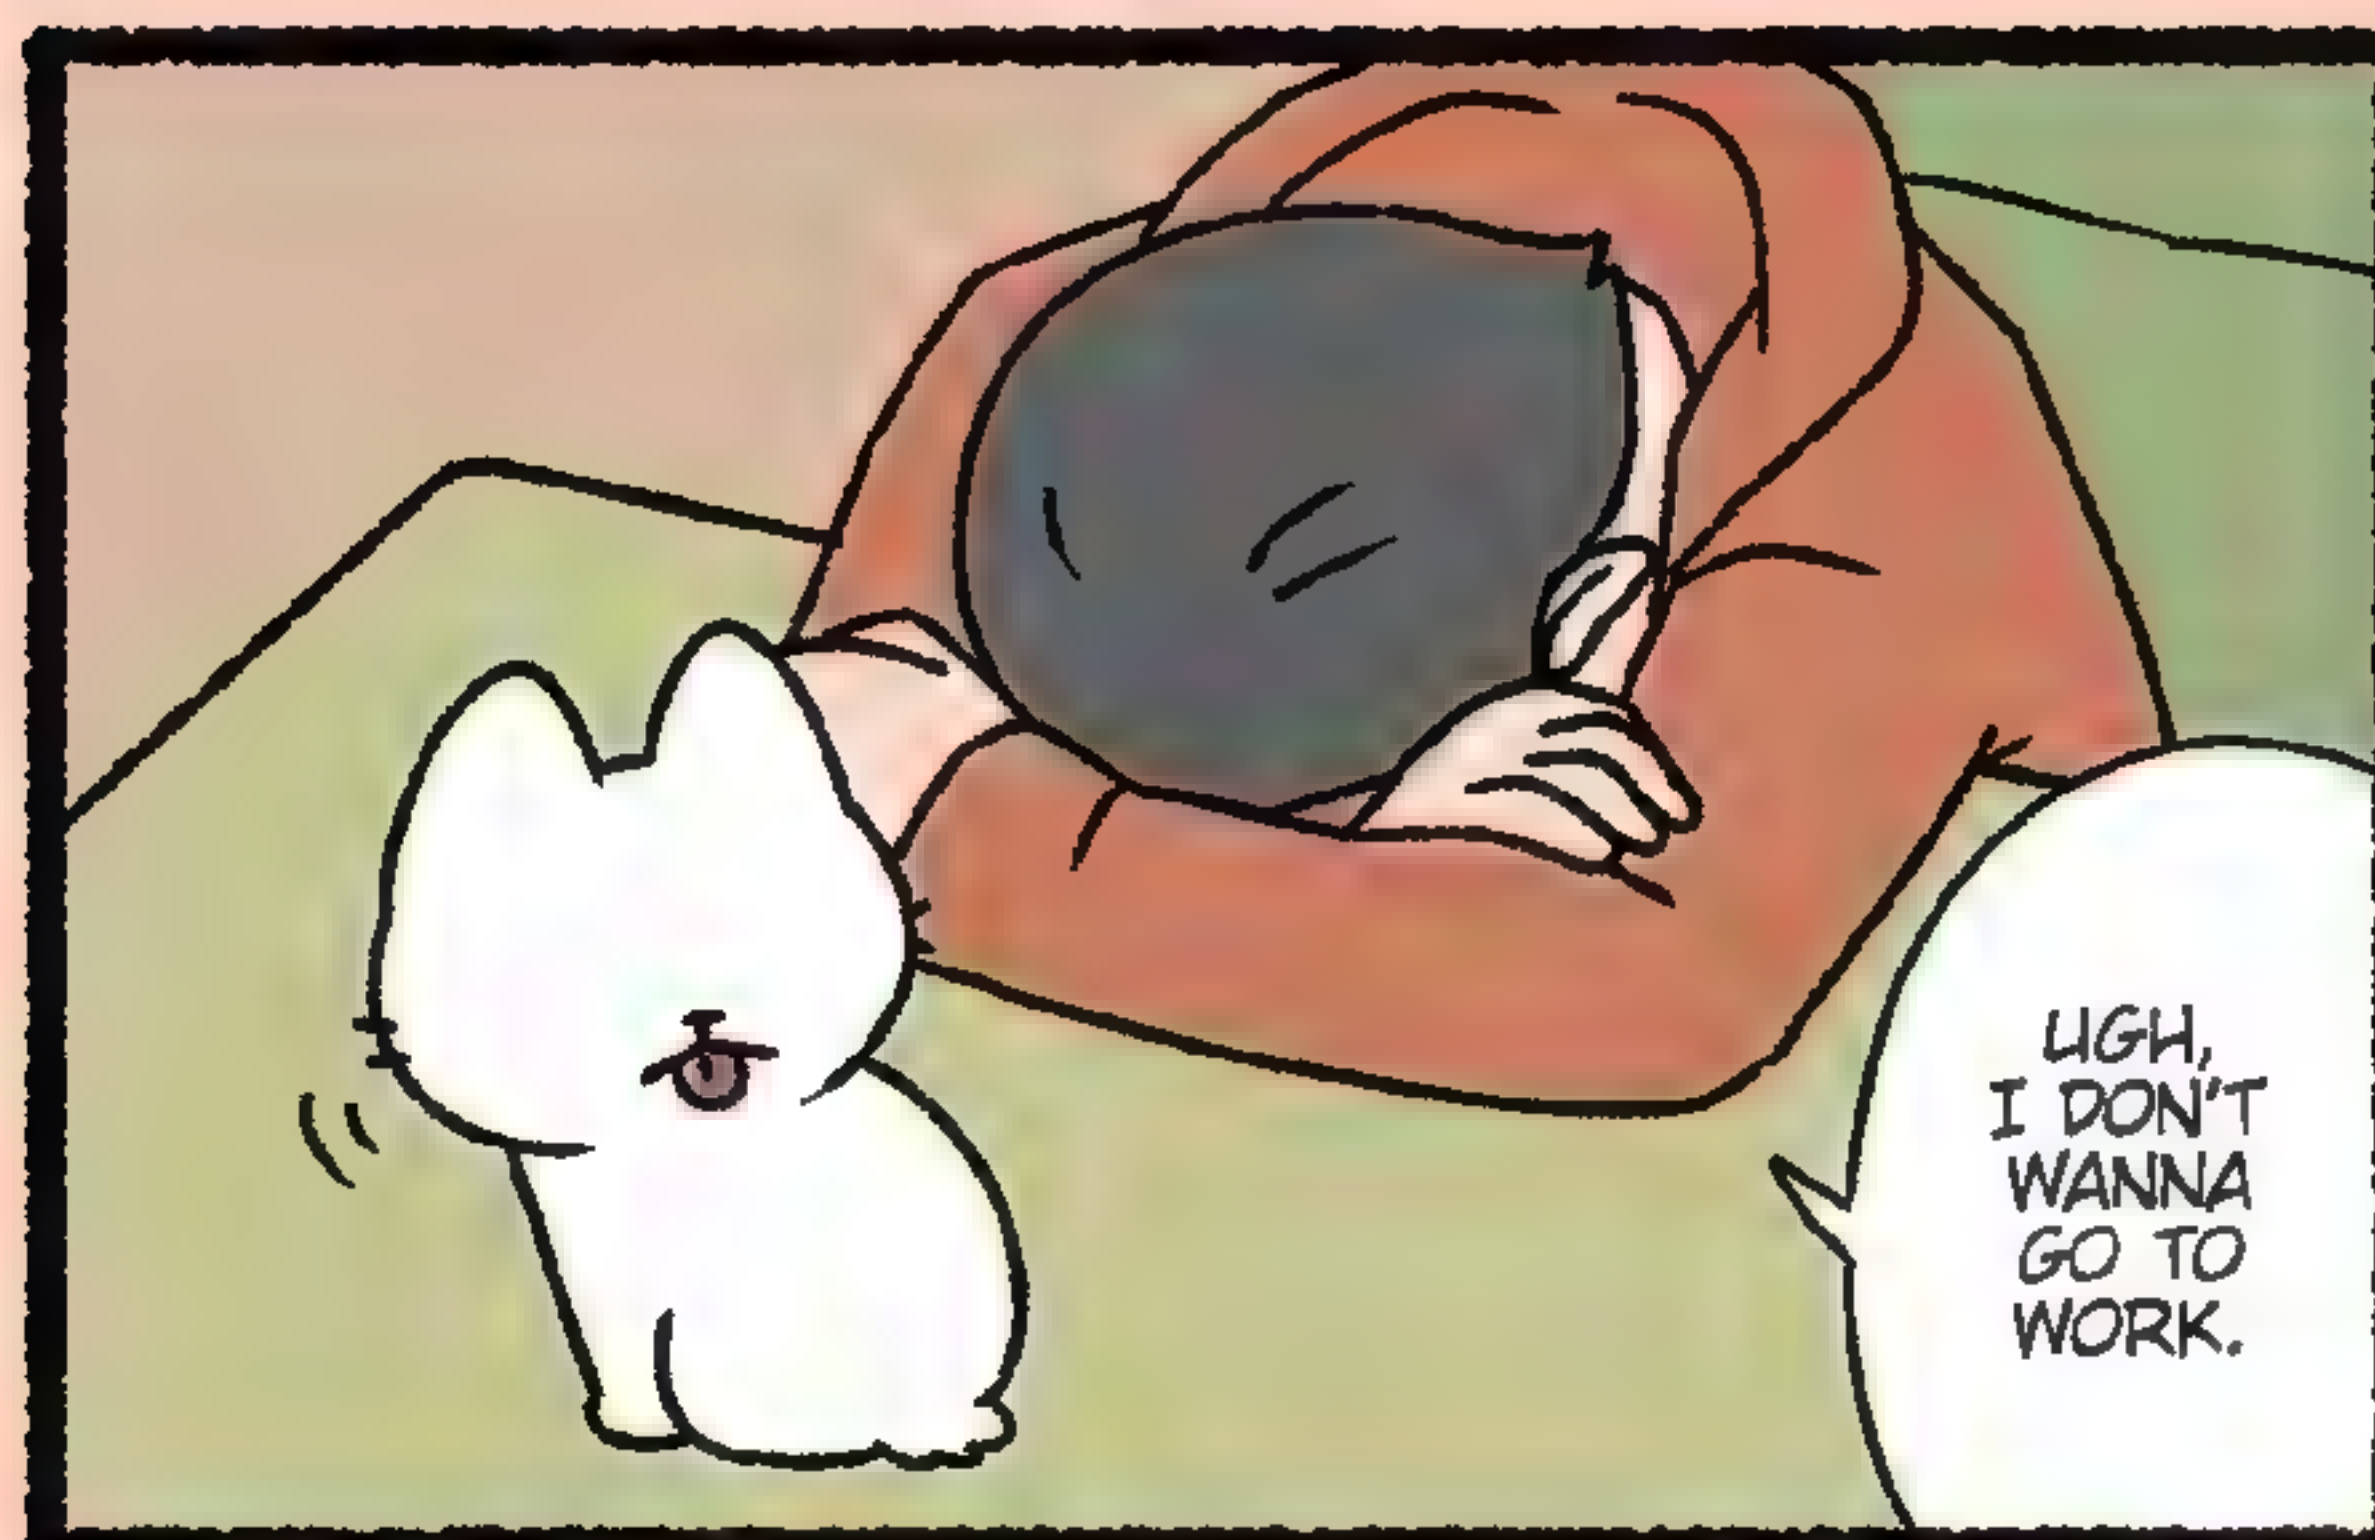

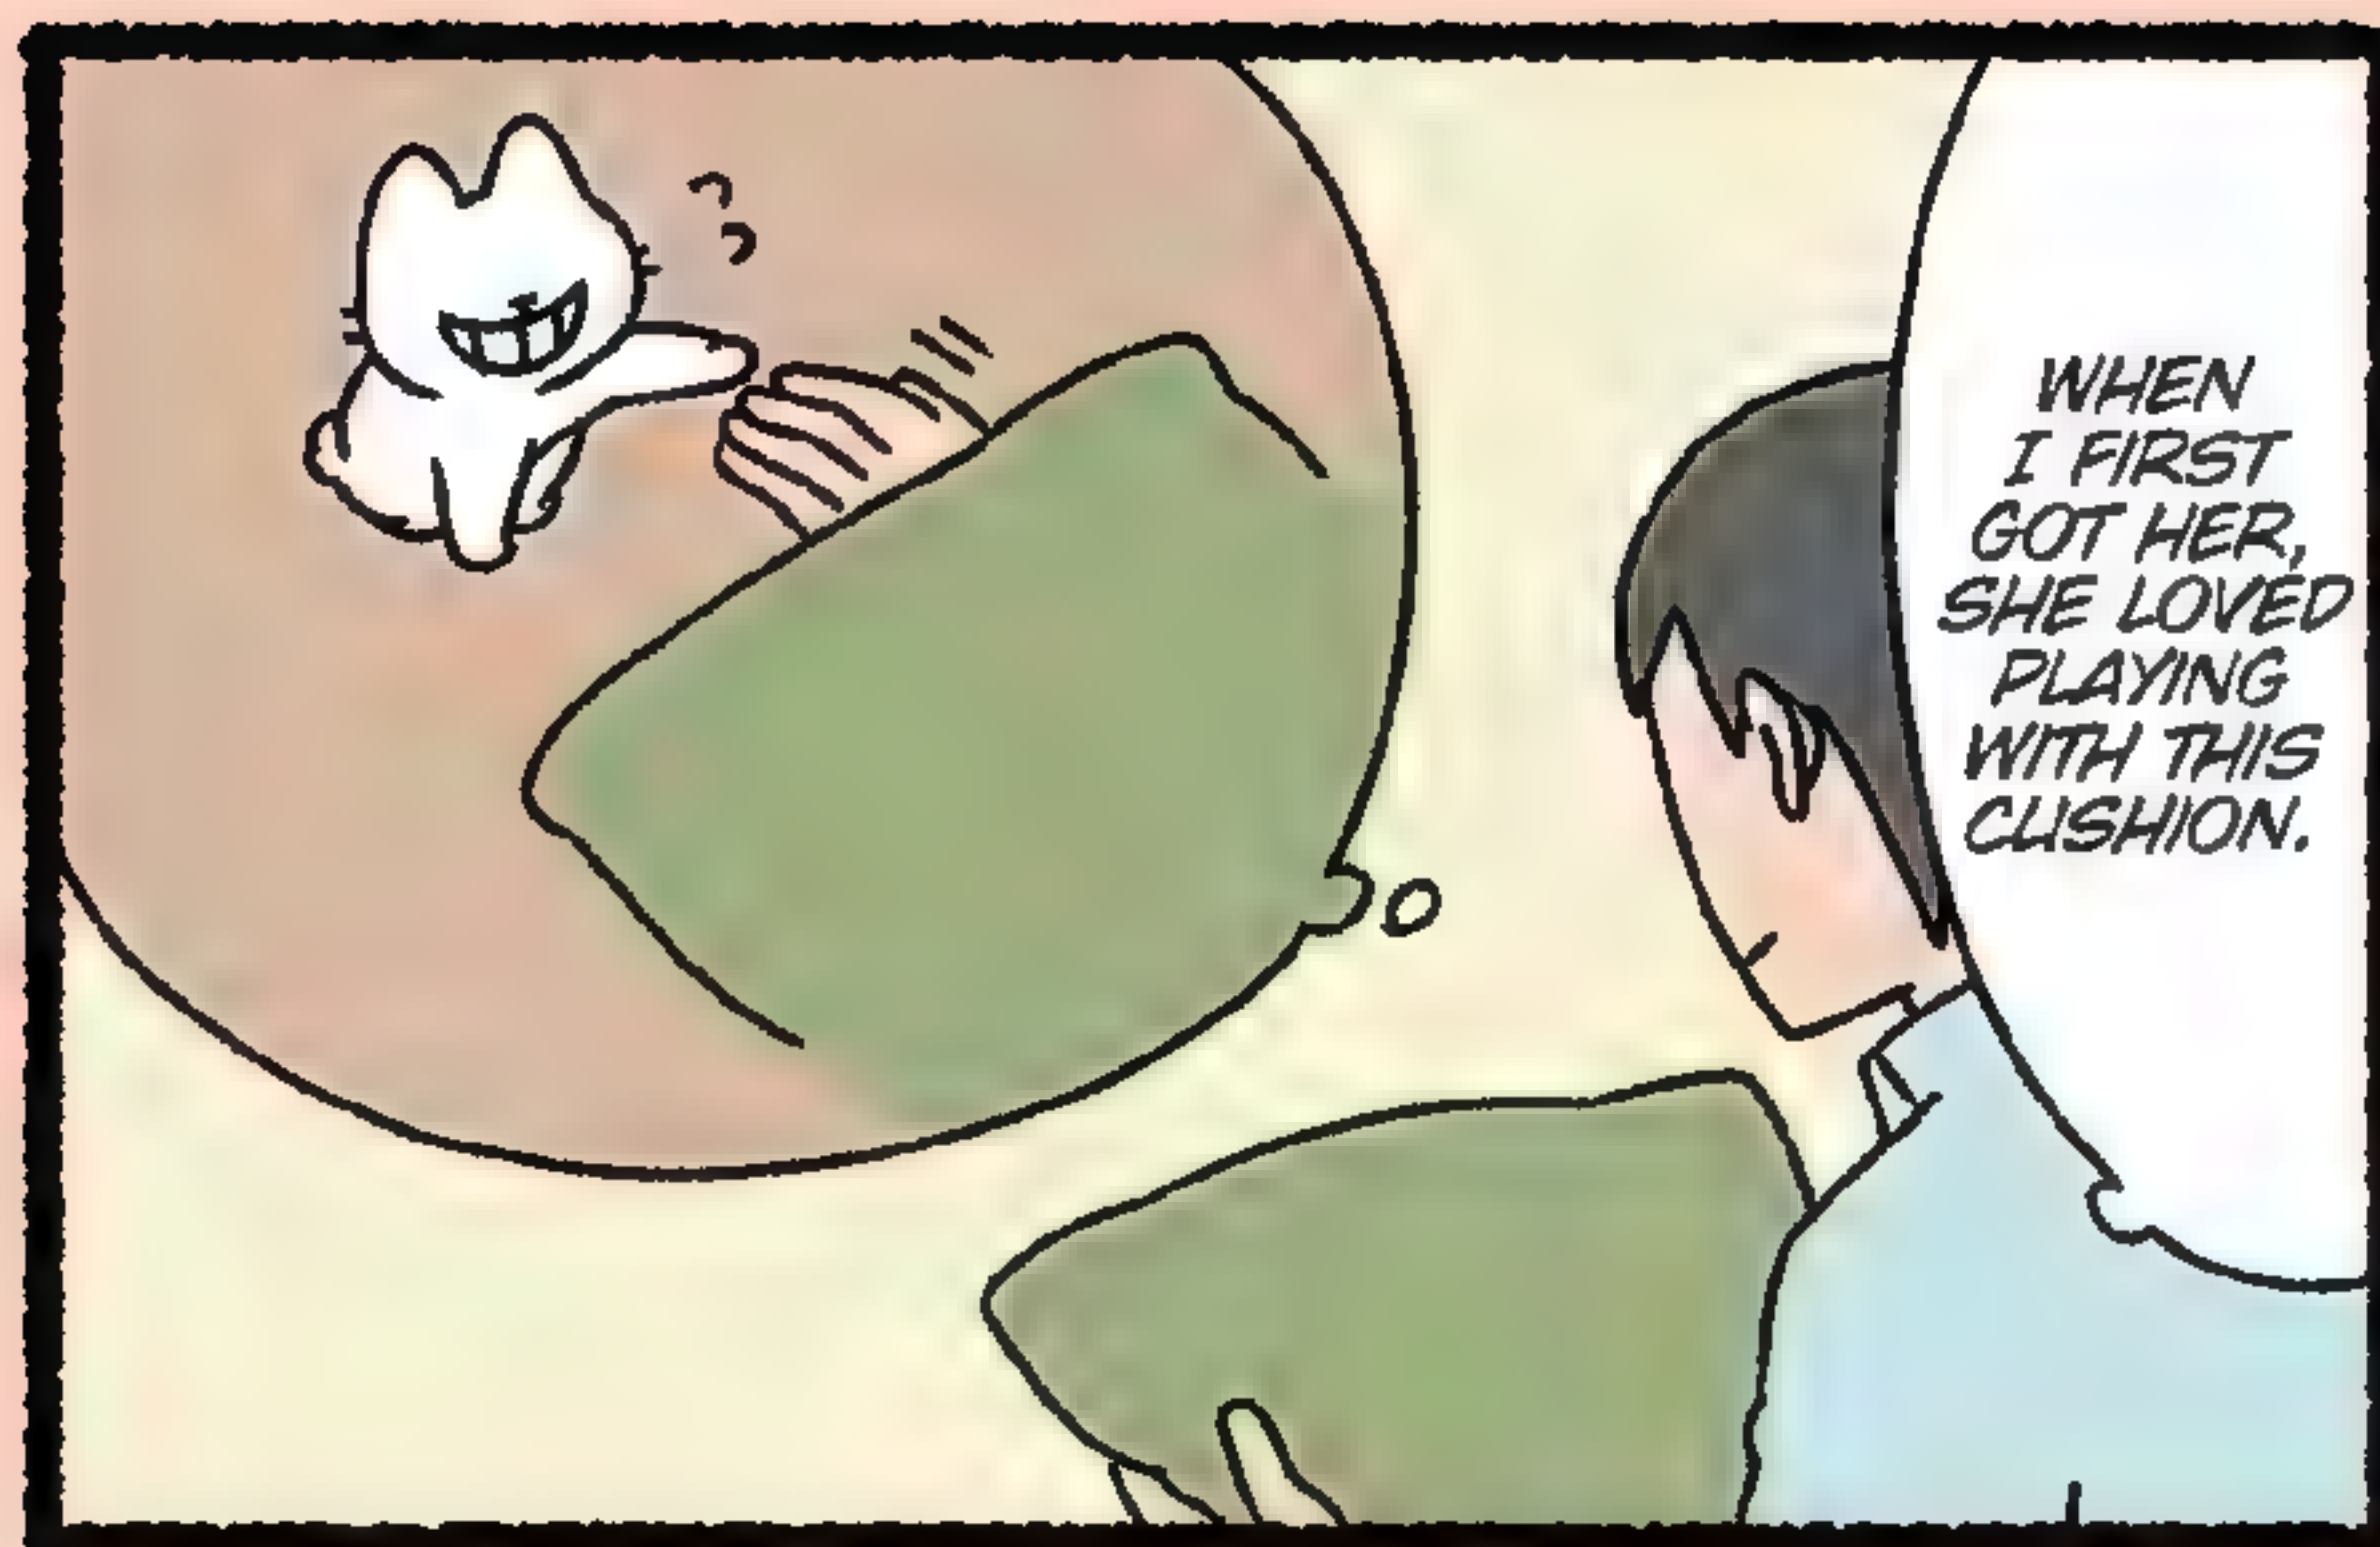

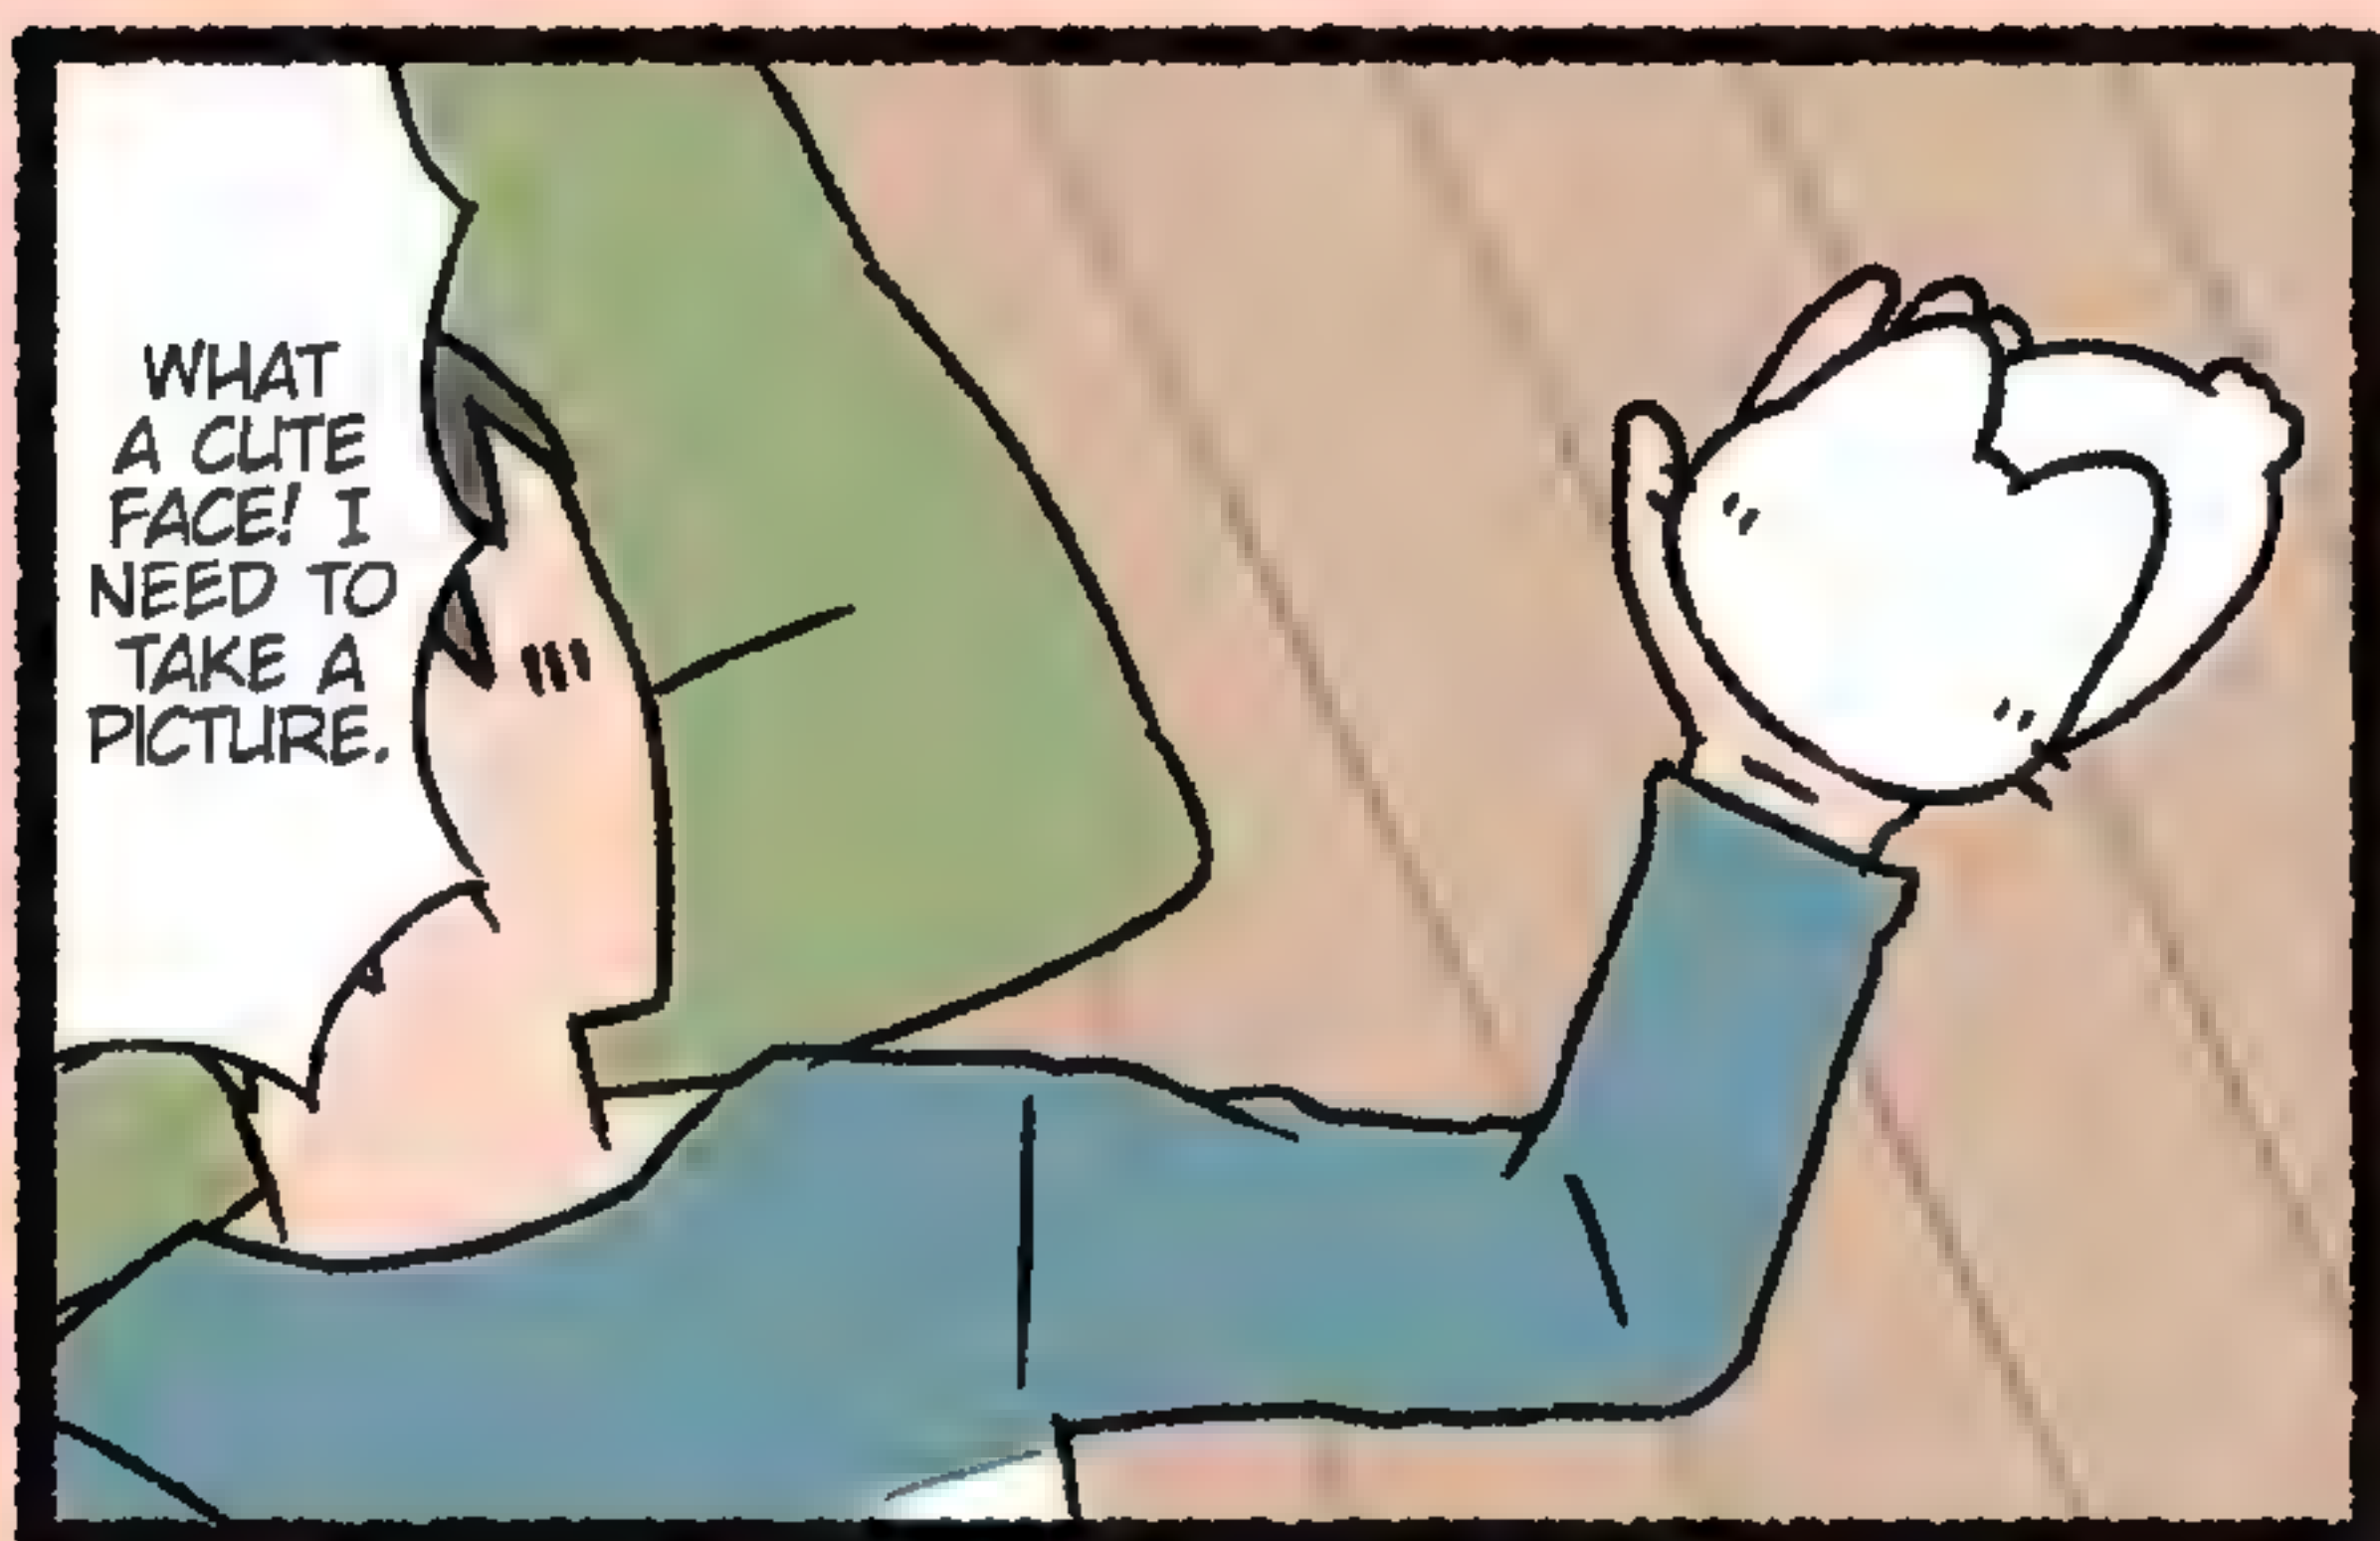

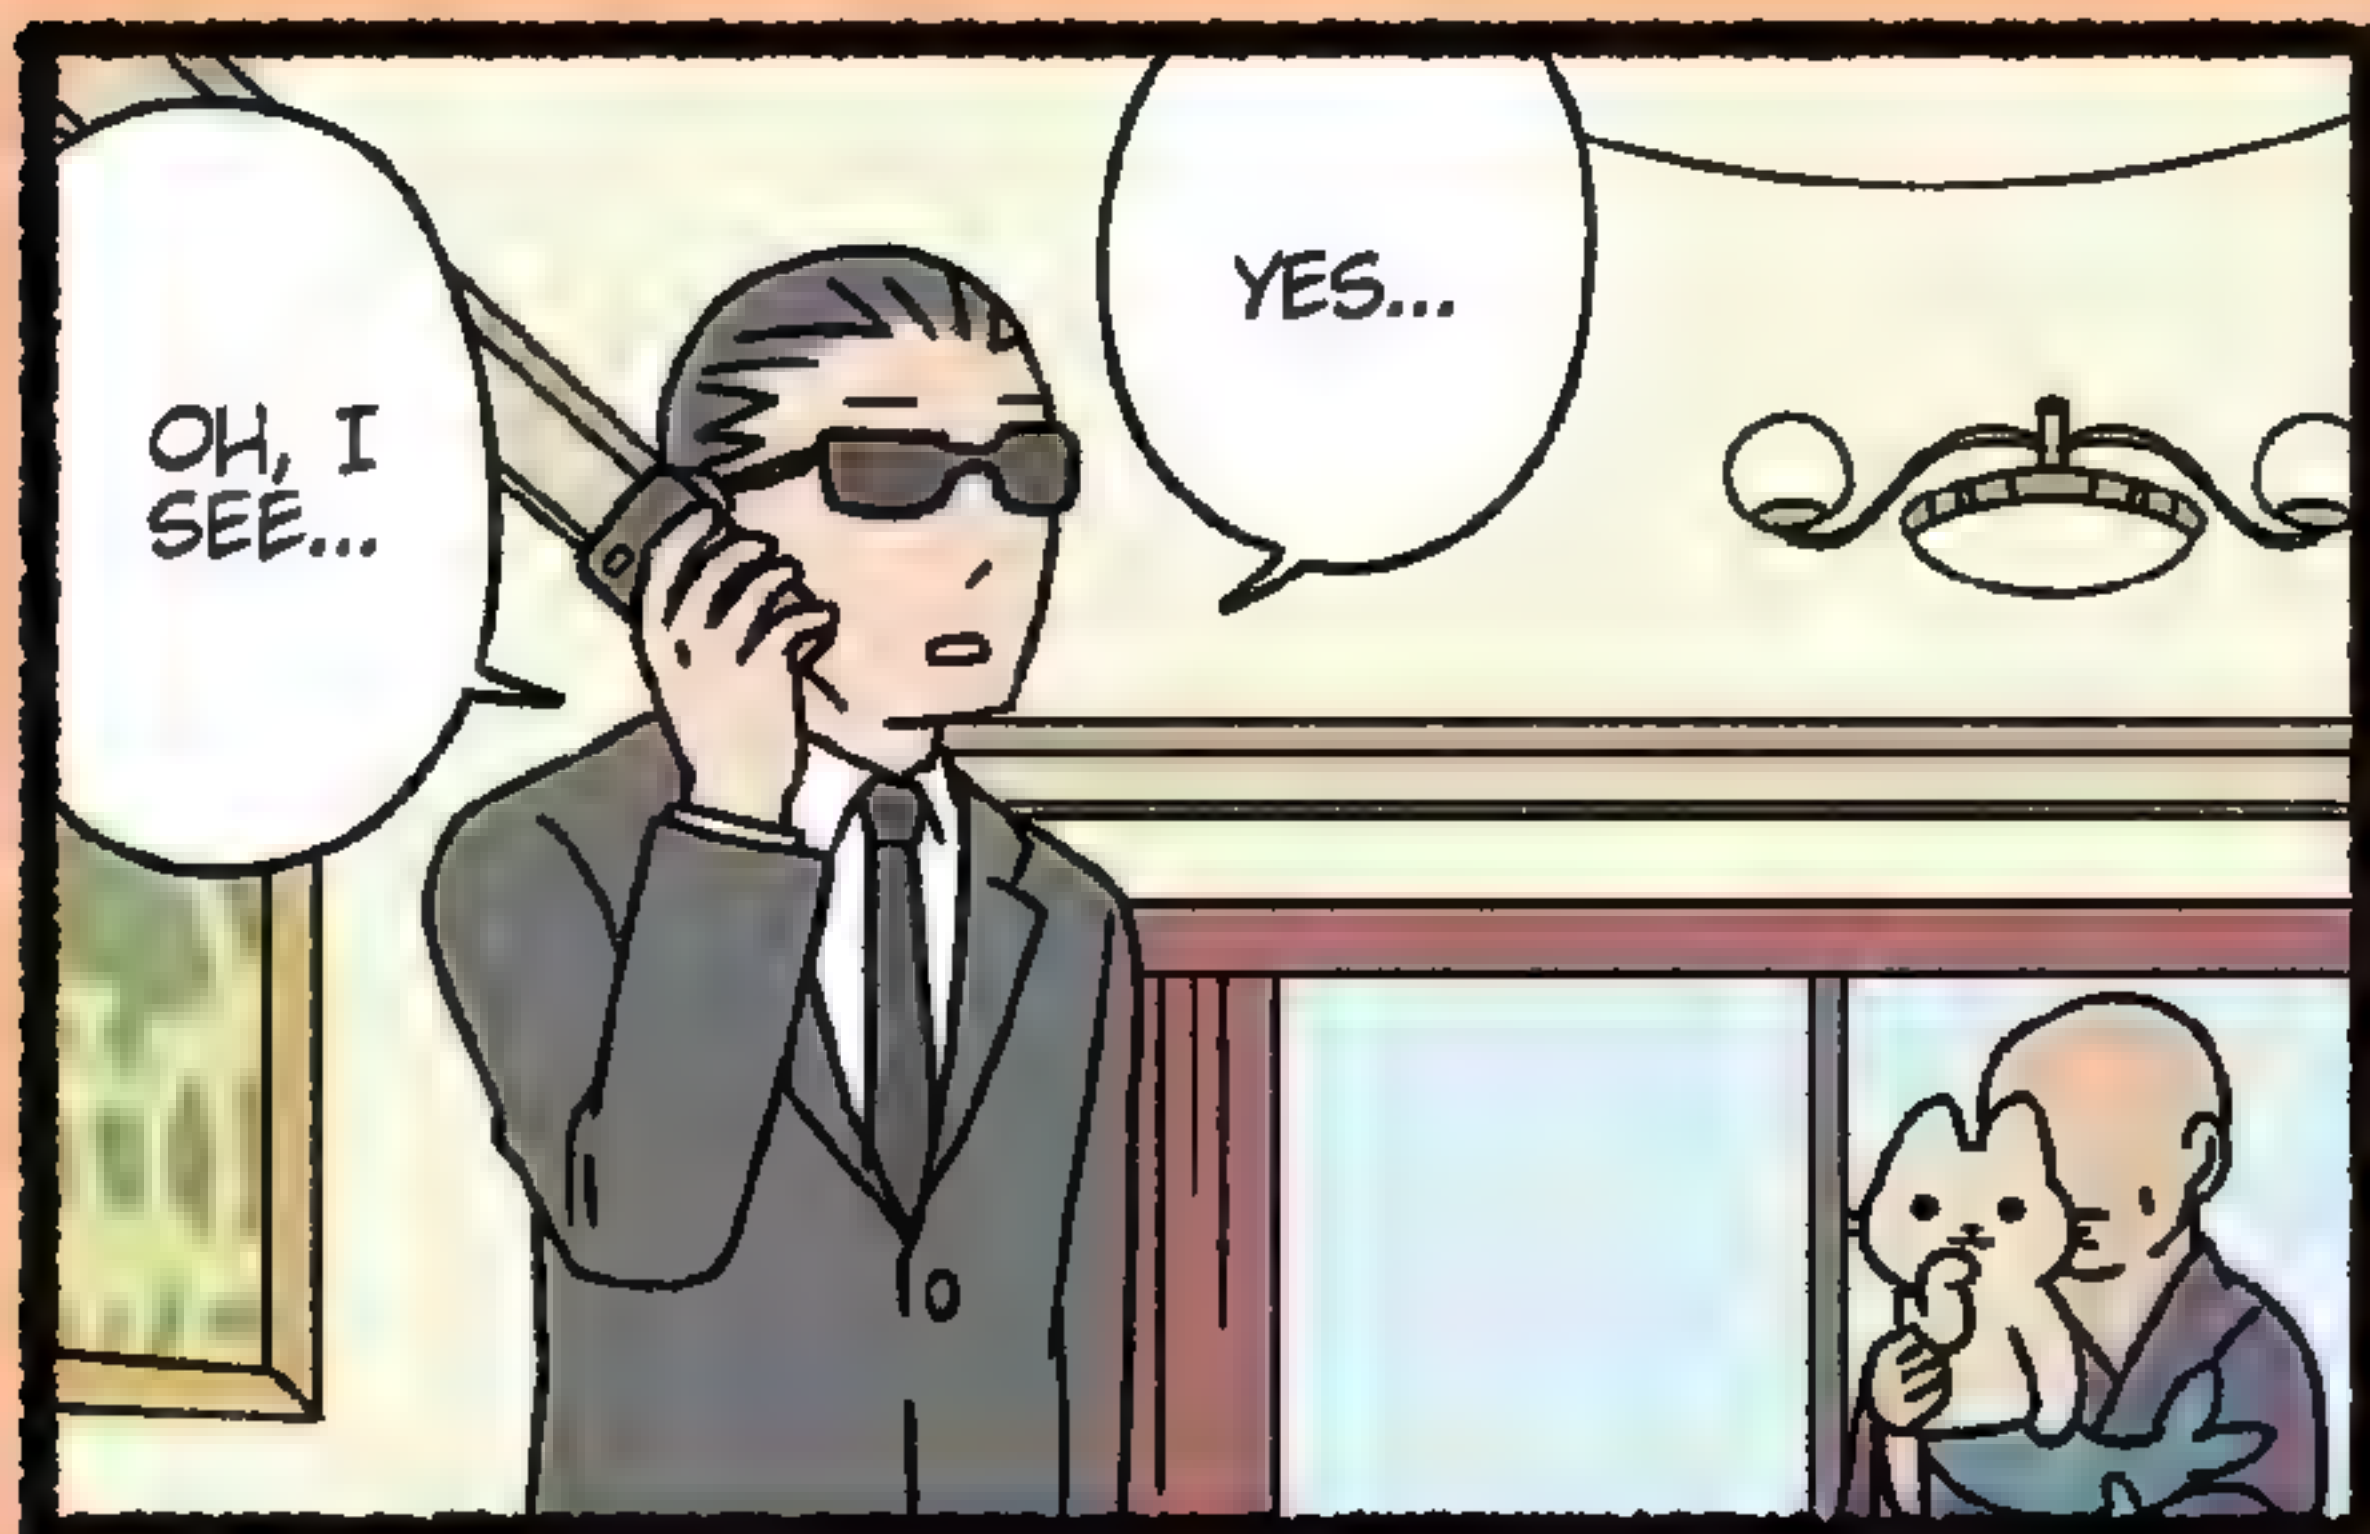

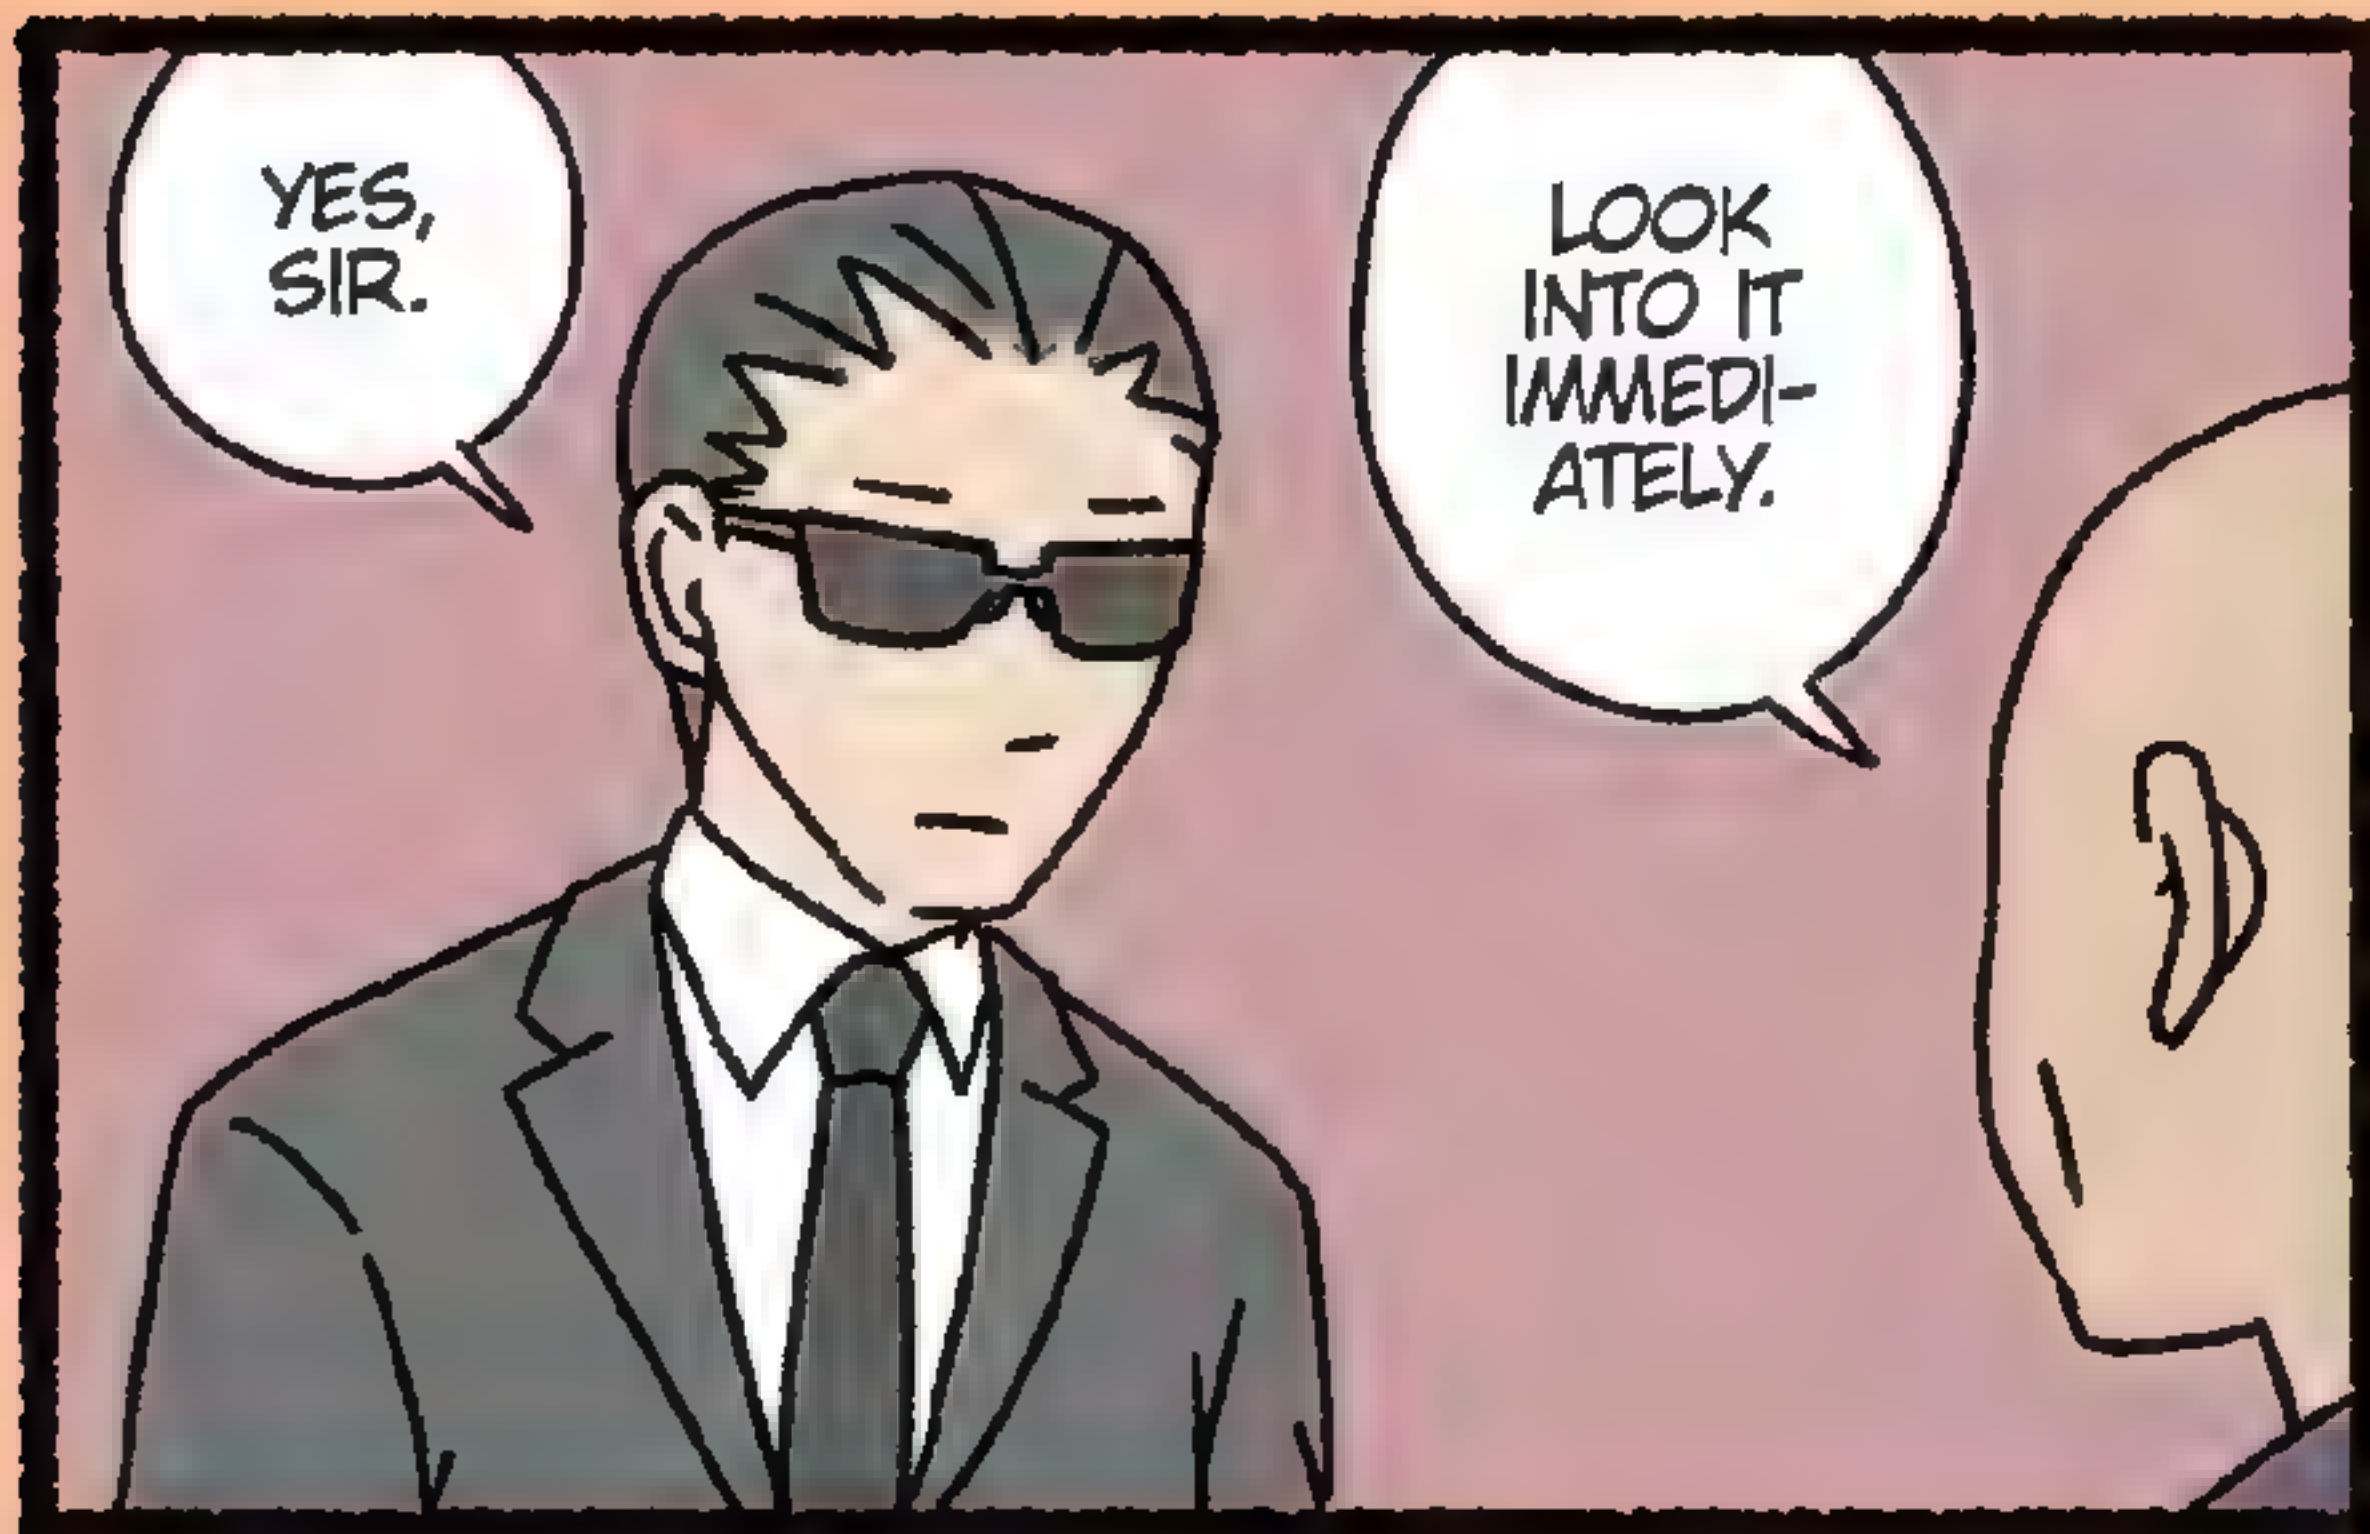

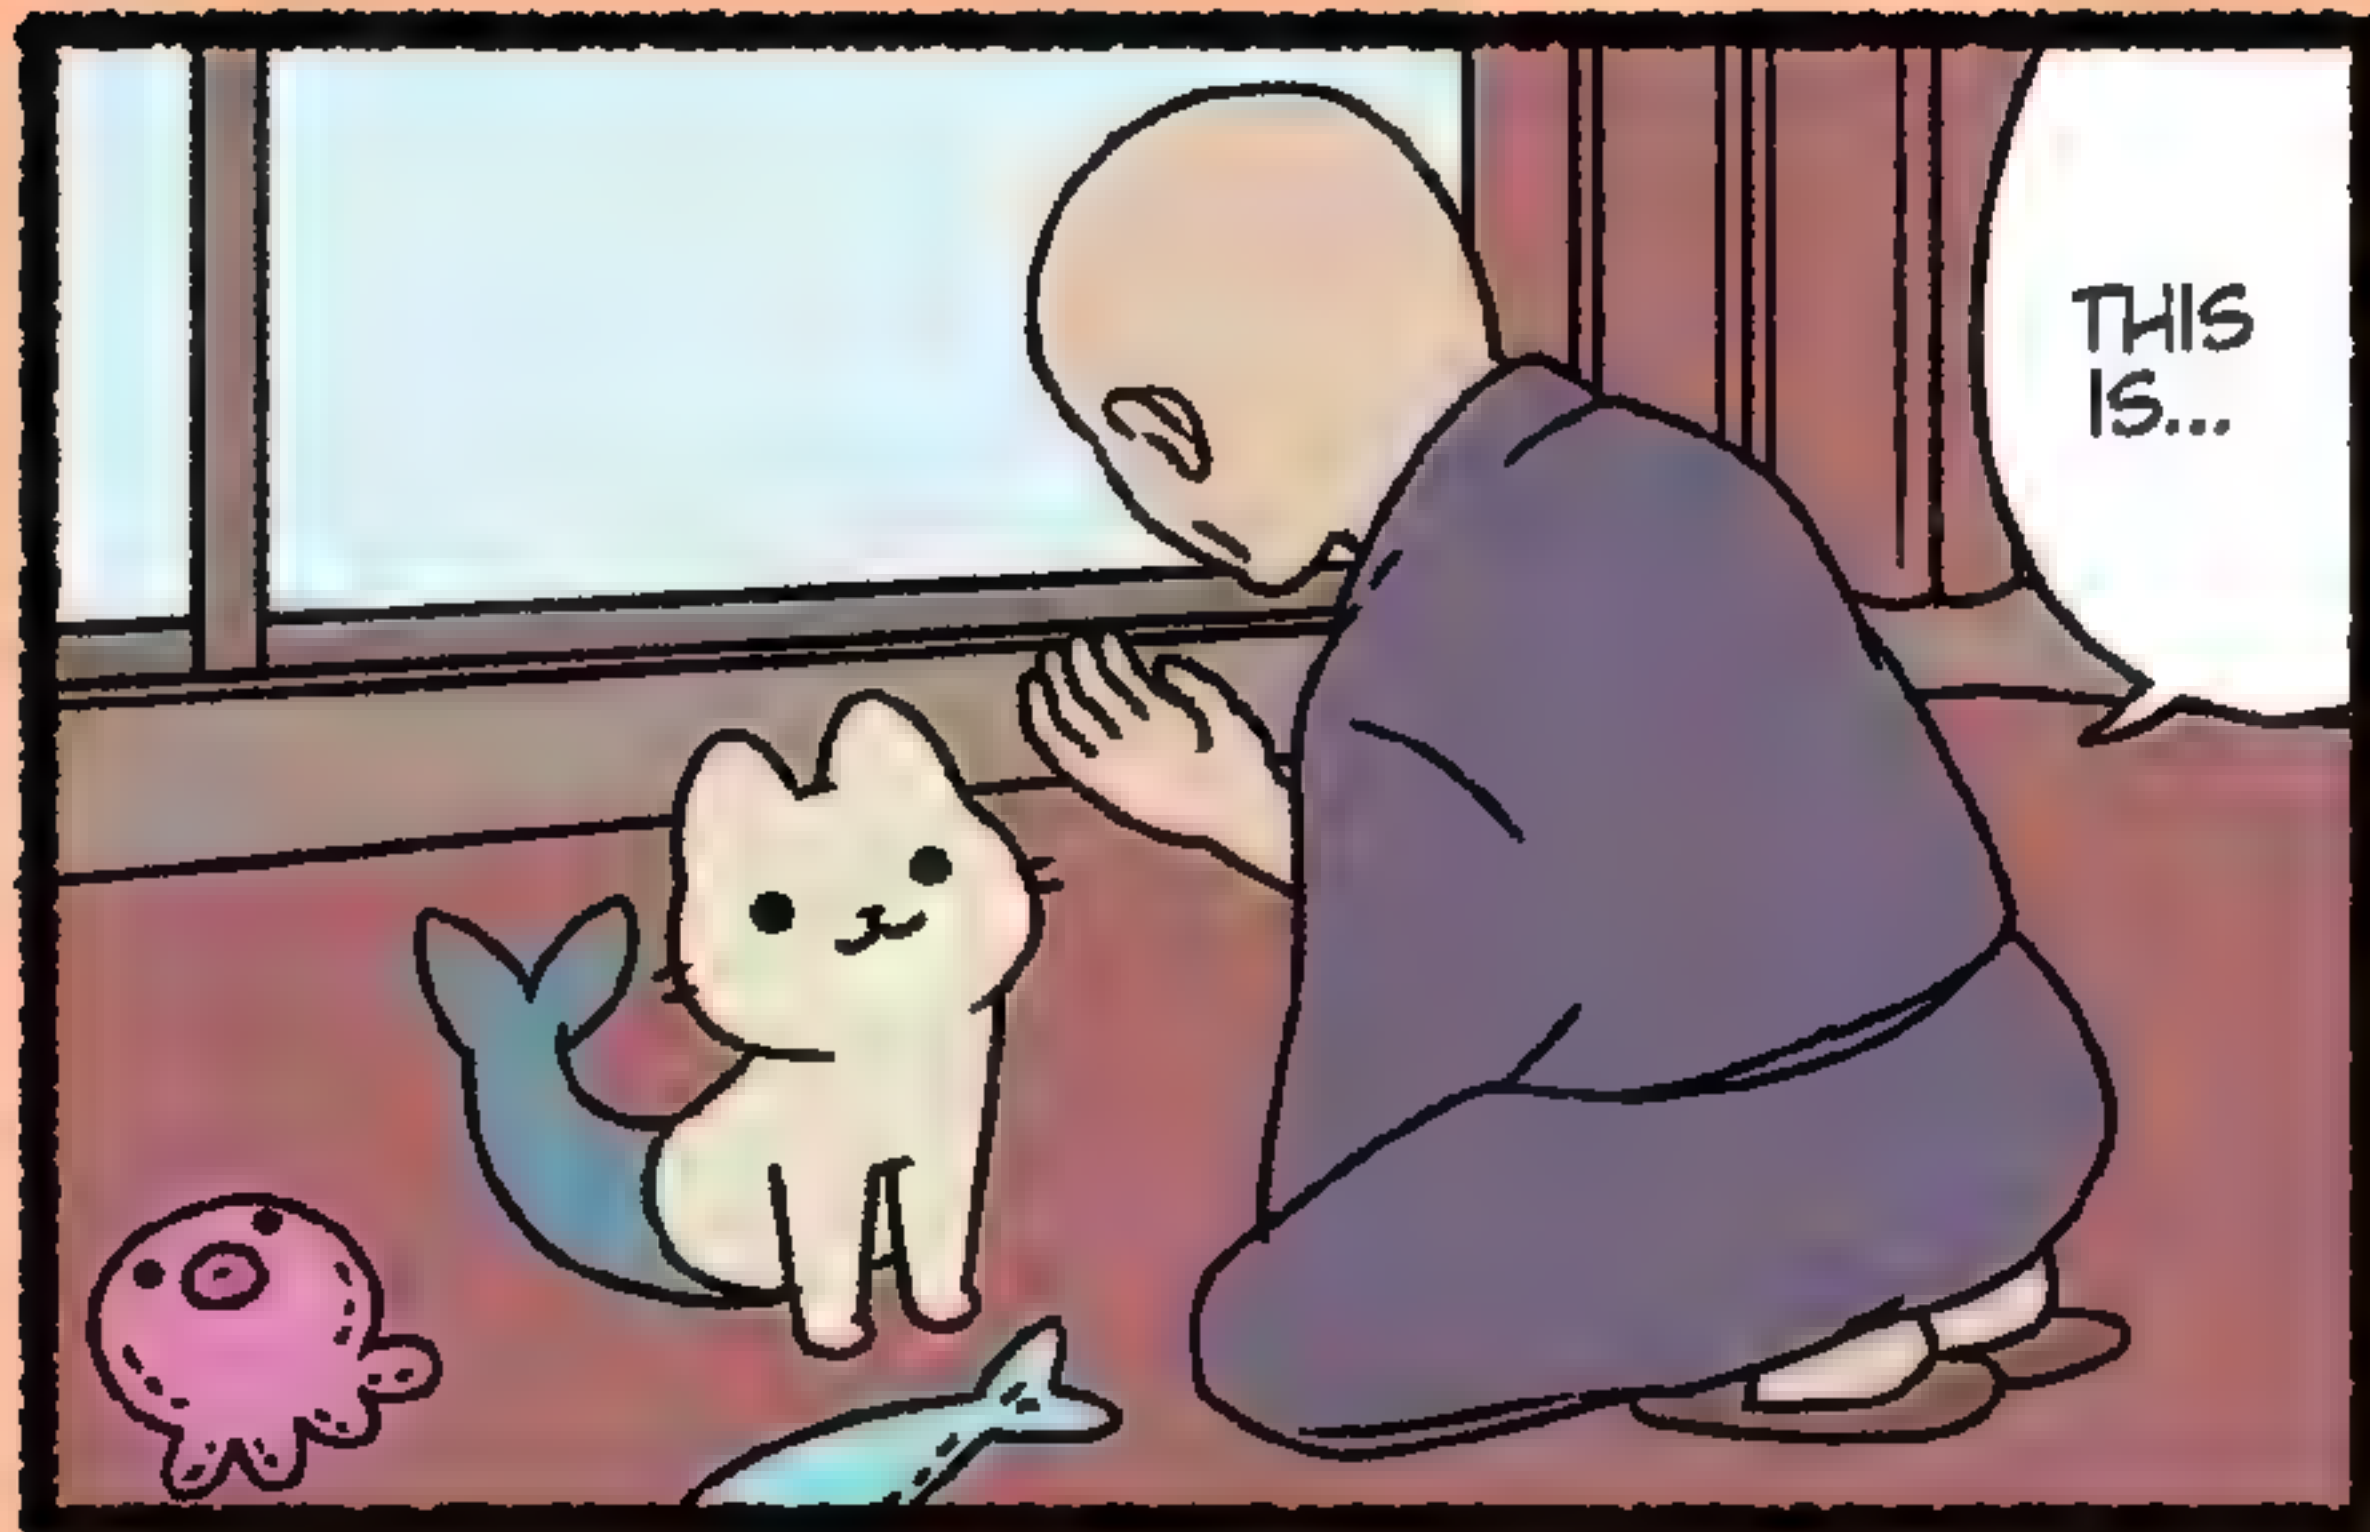

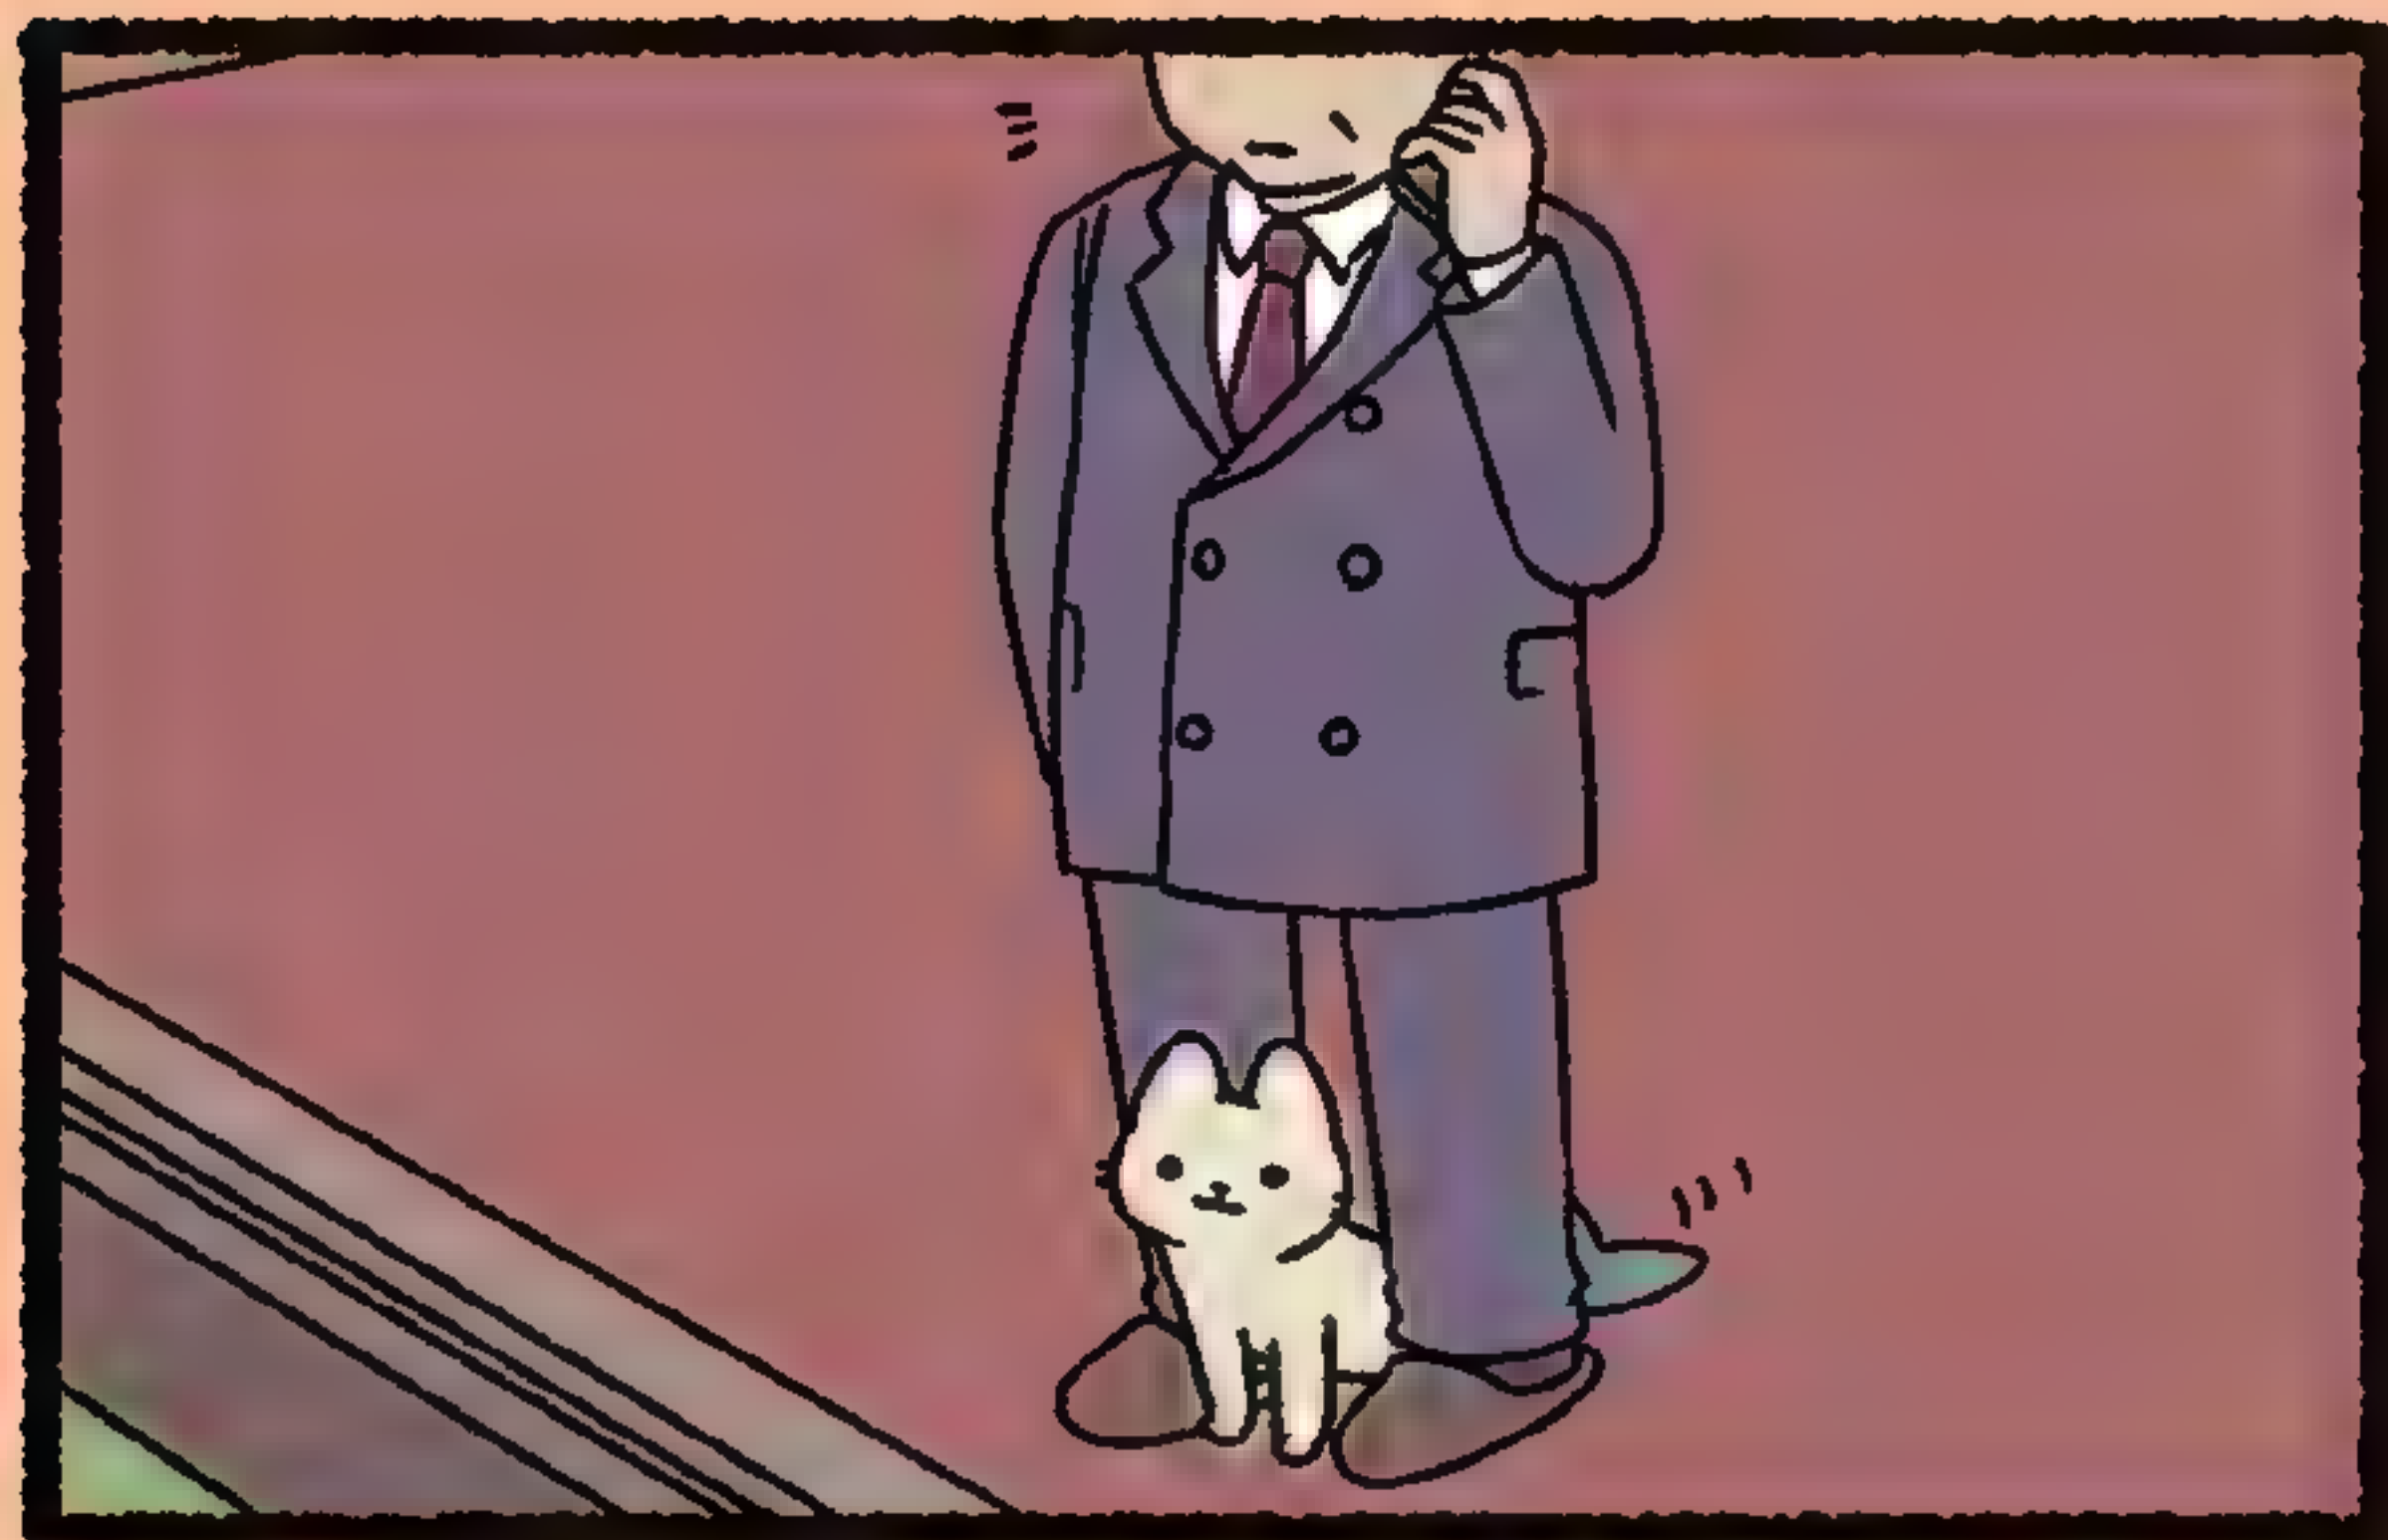

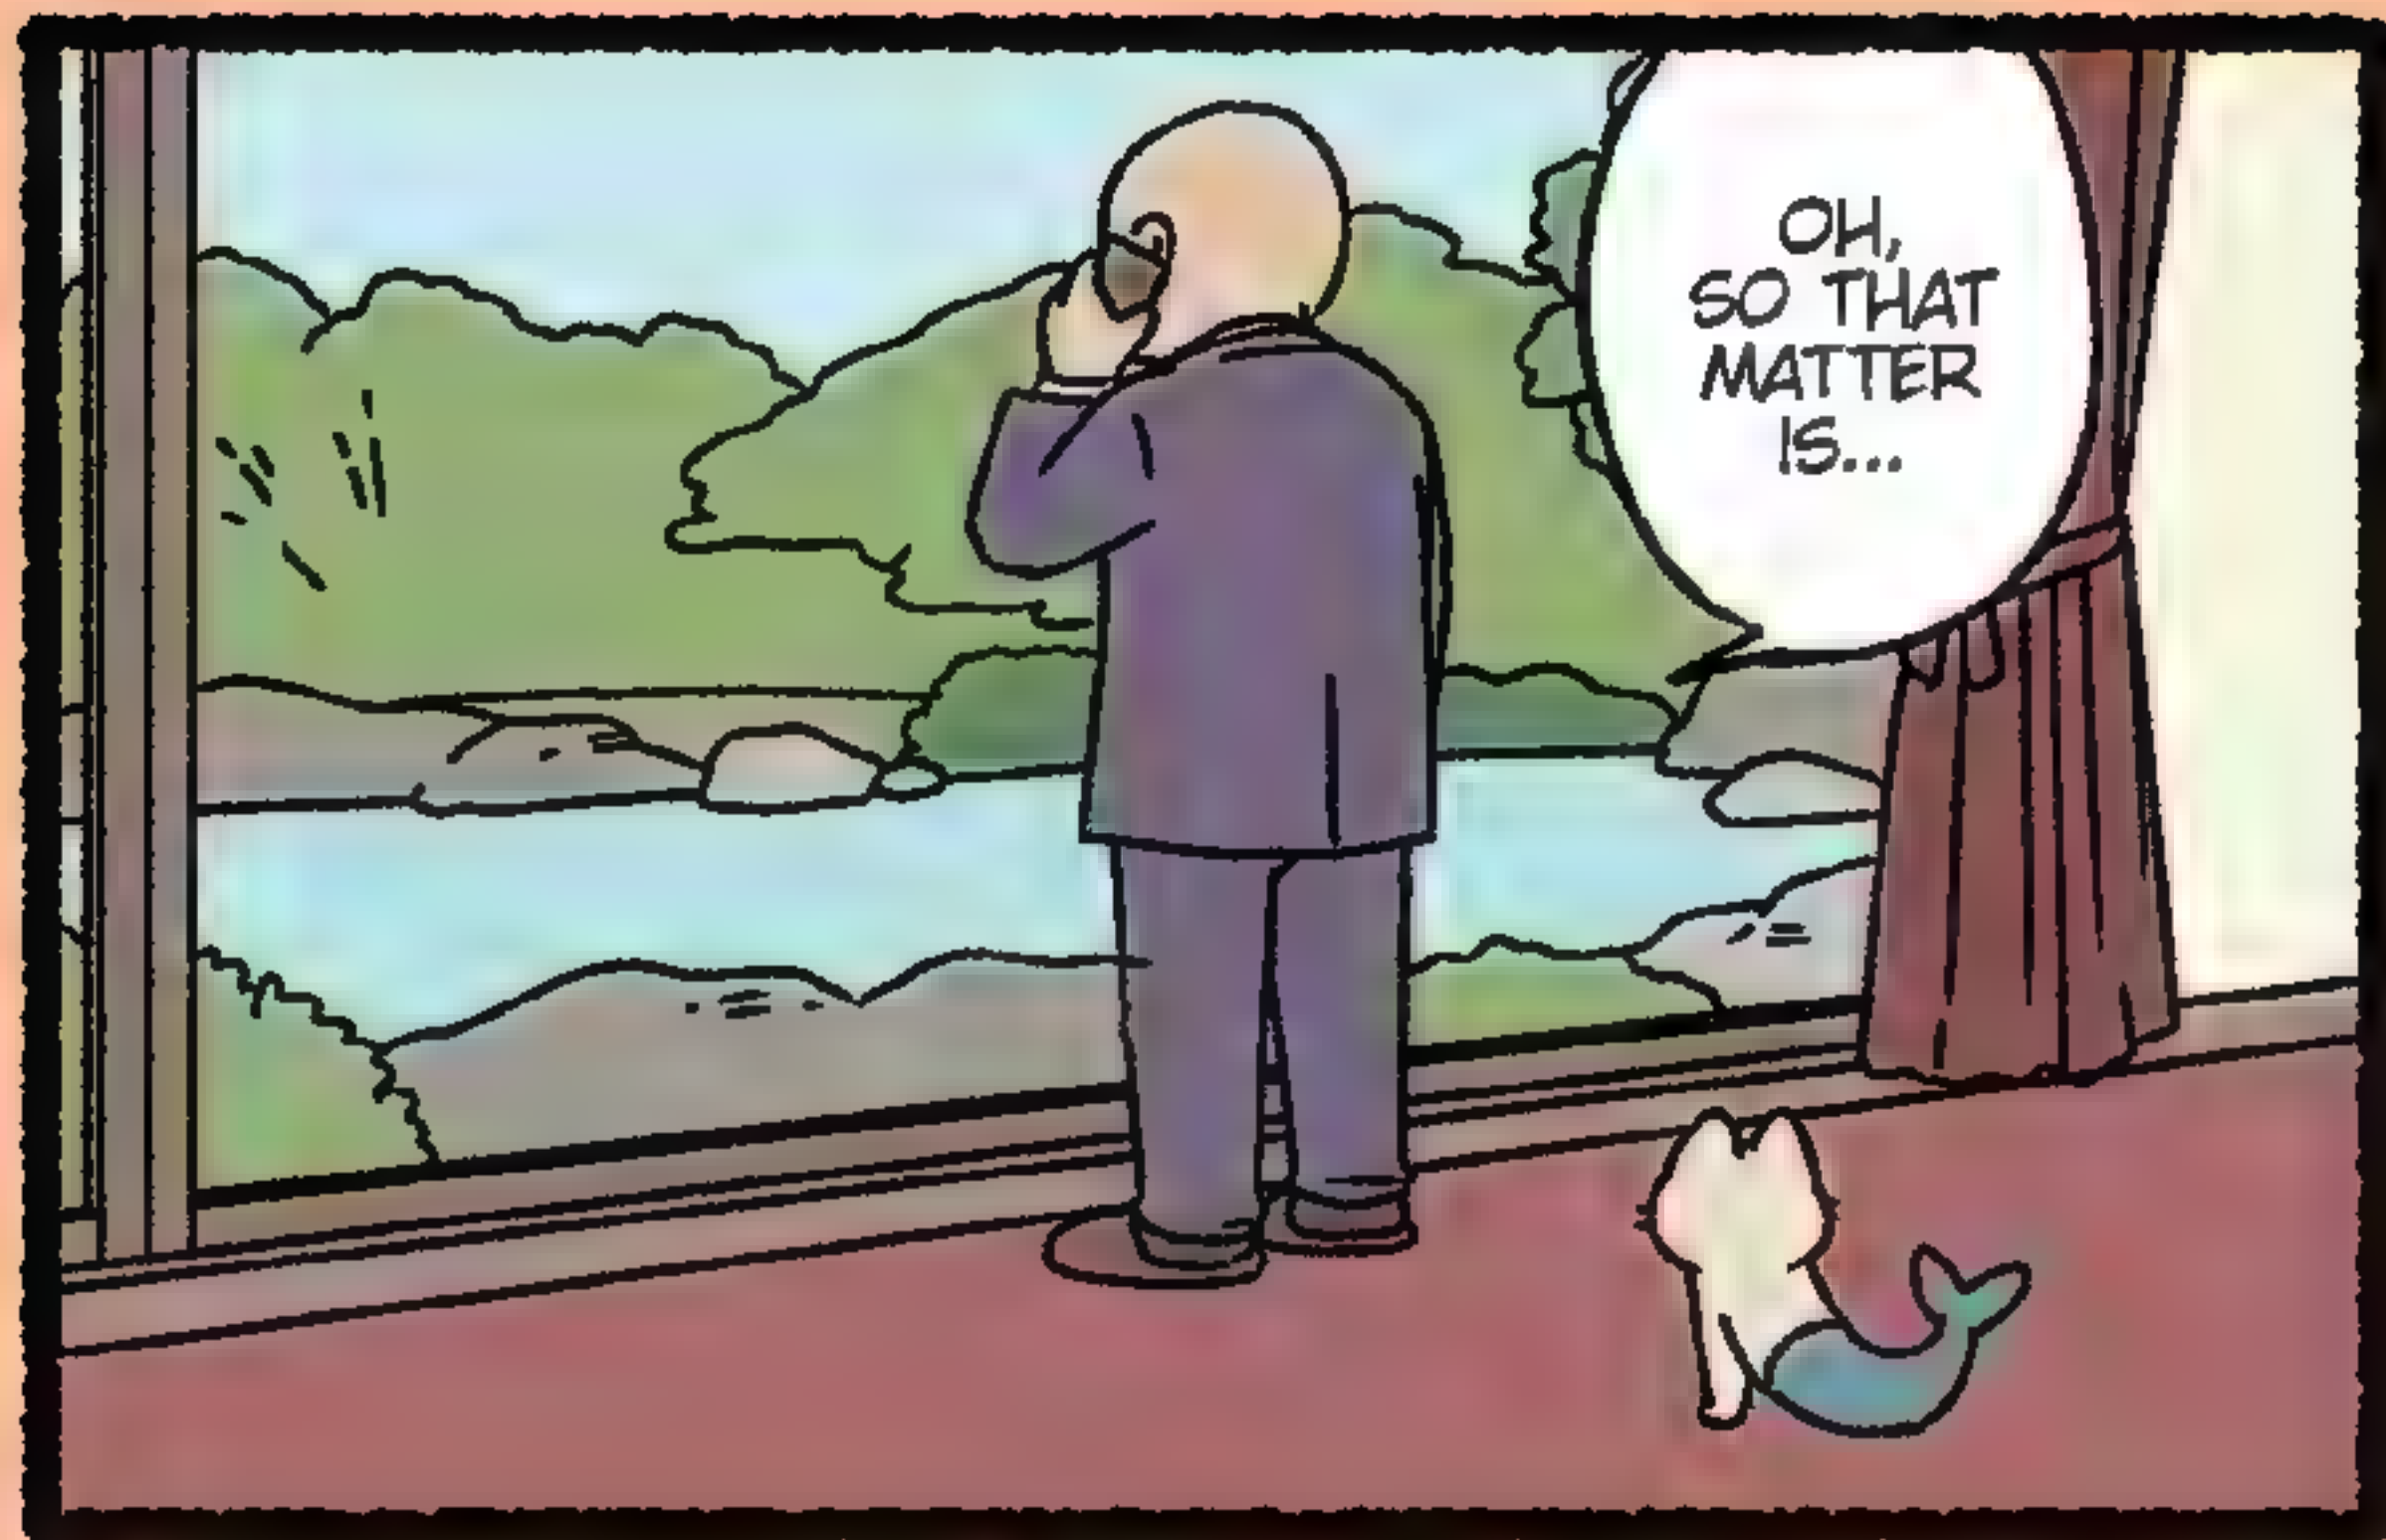

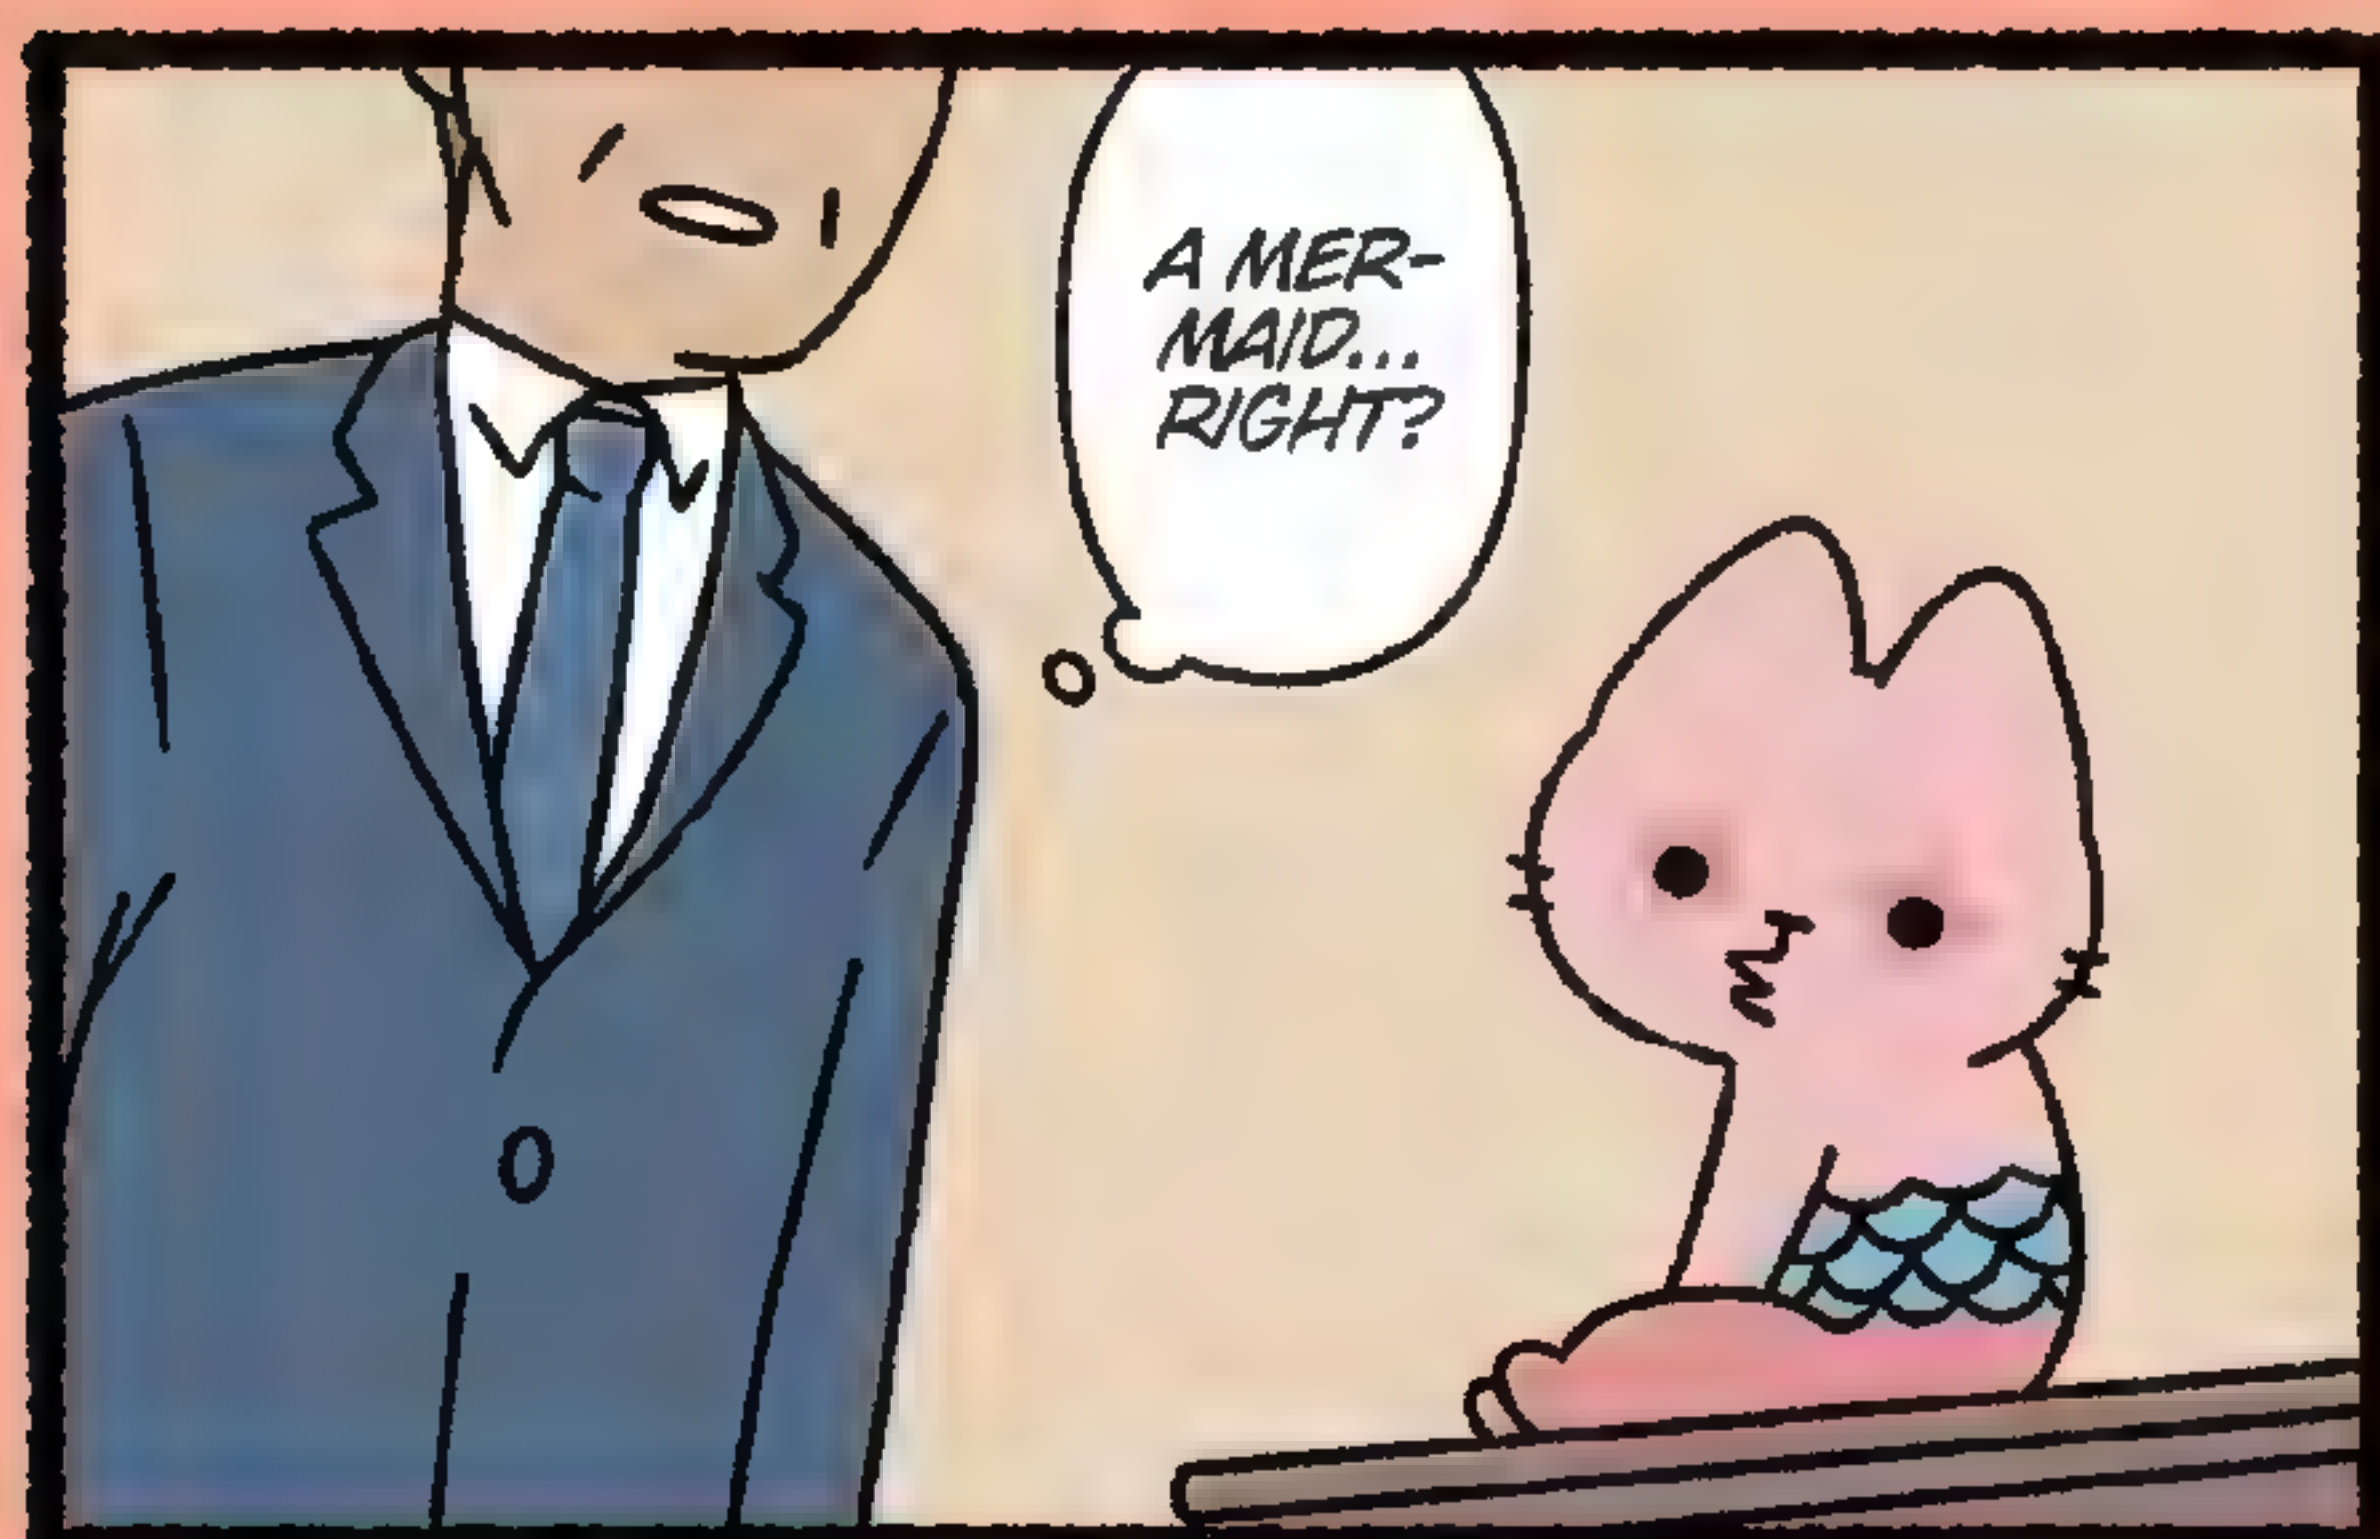

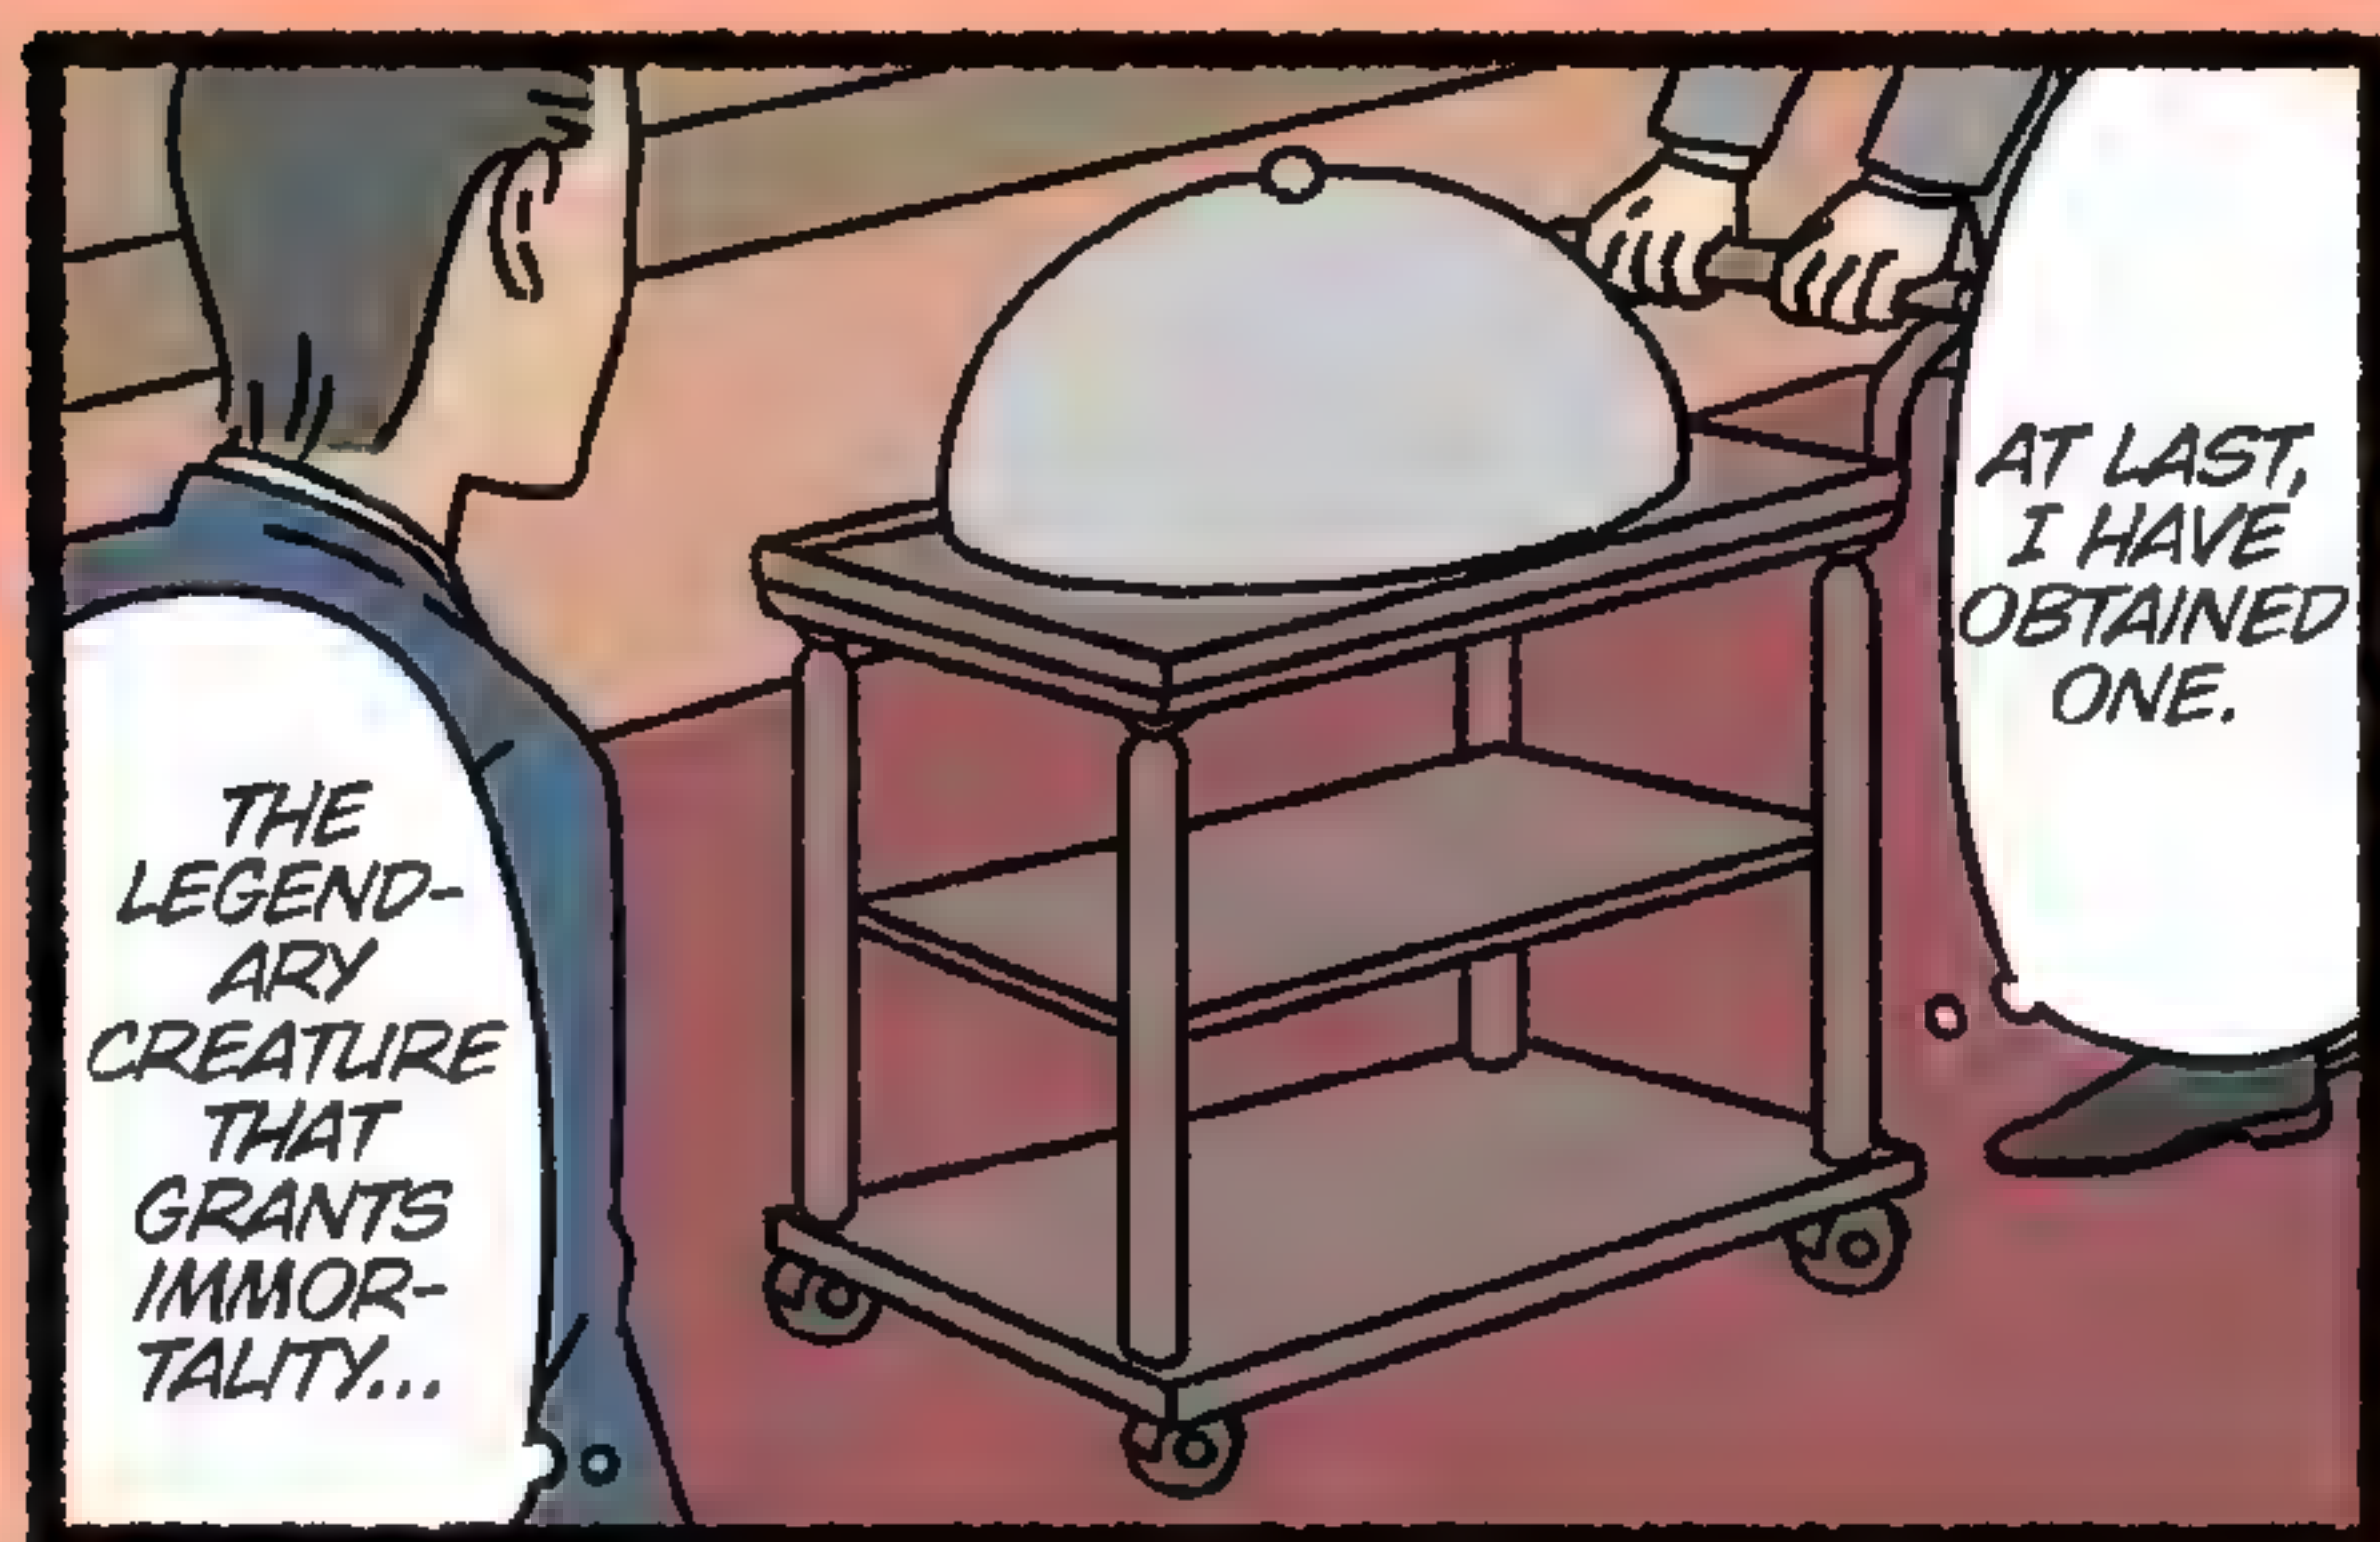

Ningyo

Mermaid

It's said that those who have been enchanted by it will even change their way of life.

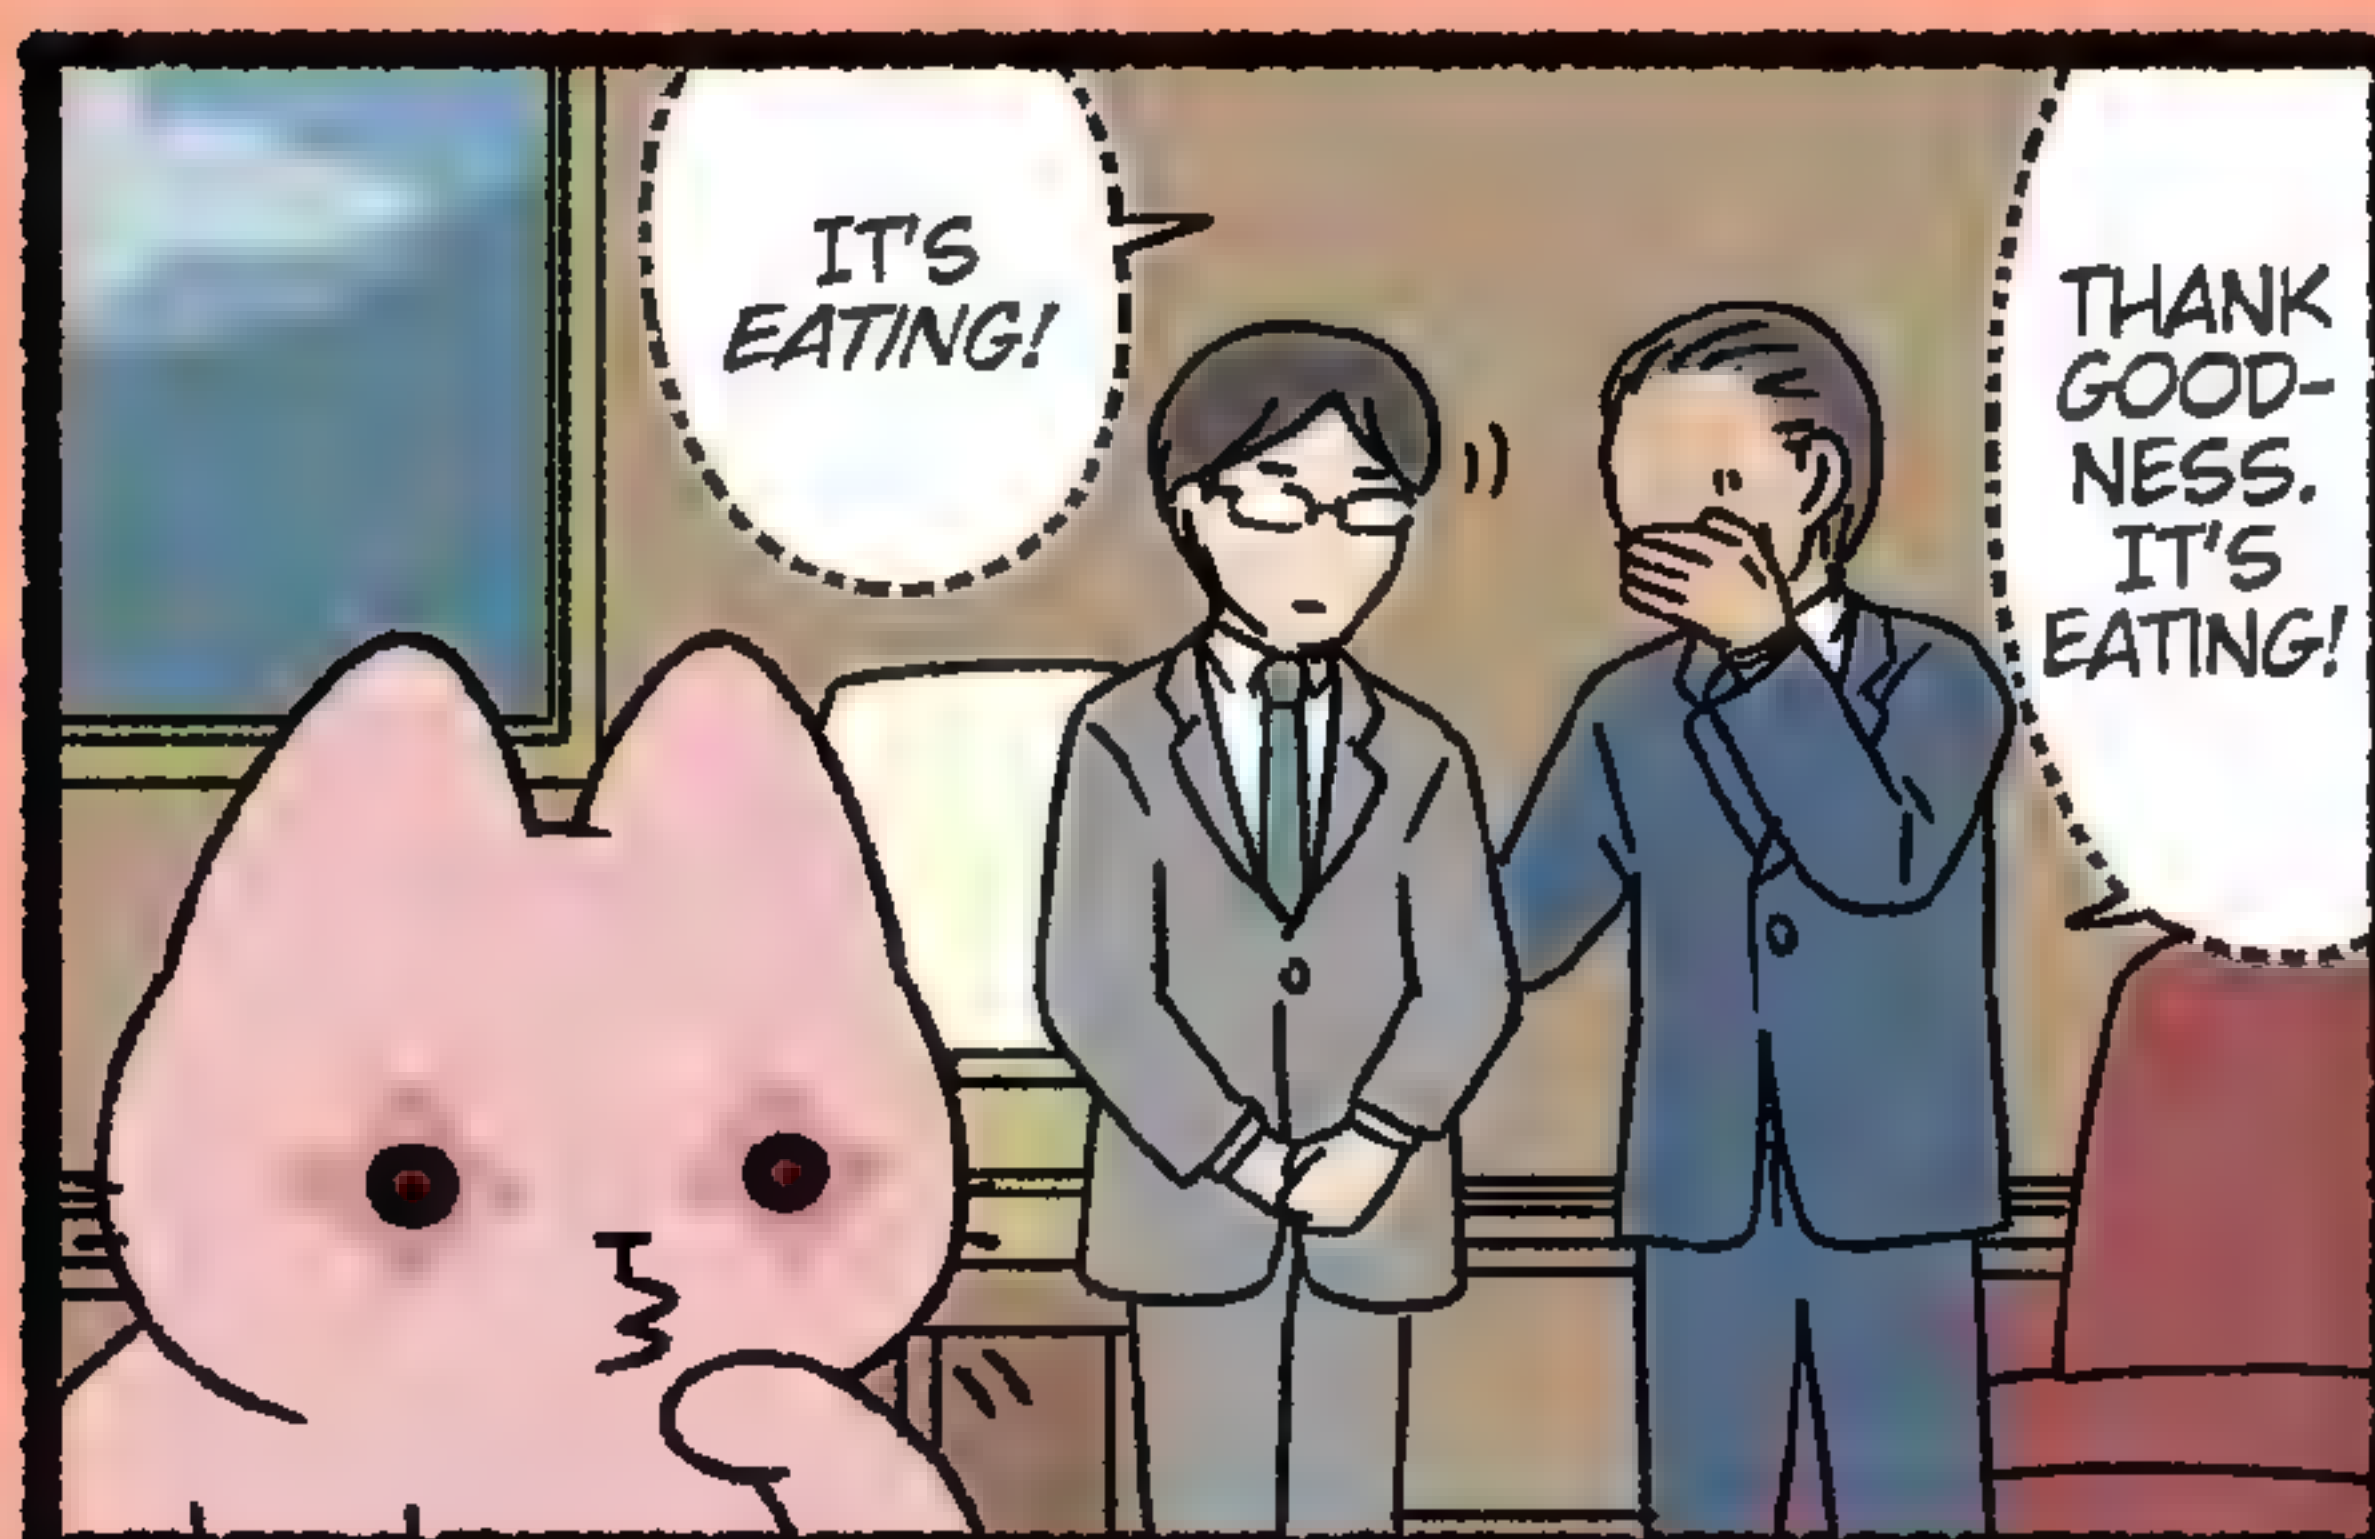

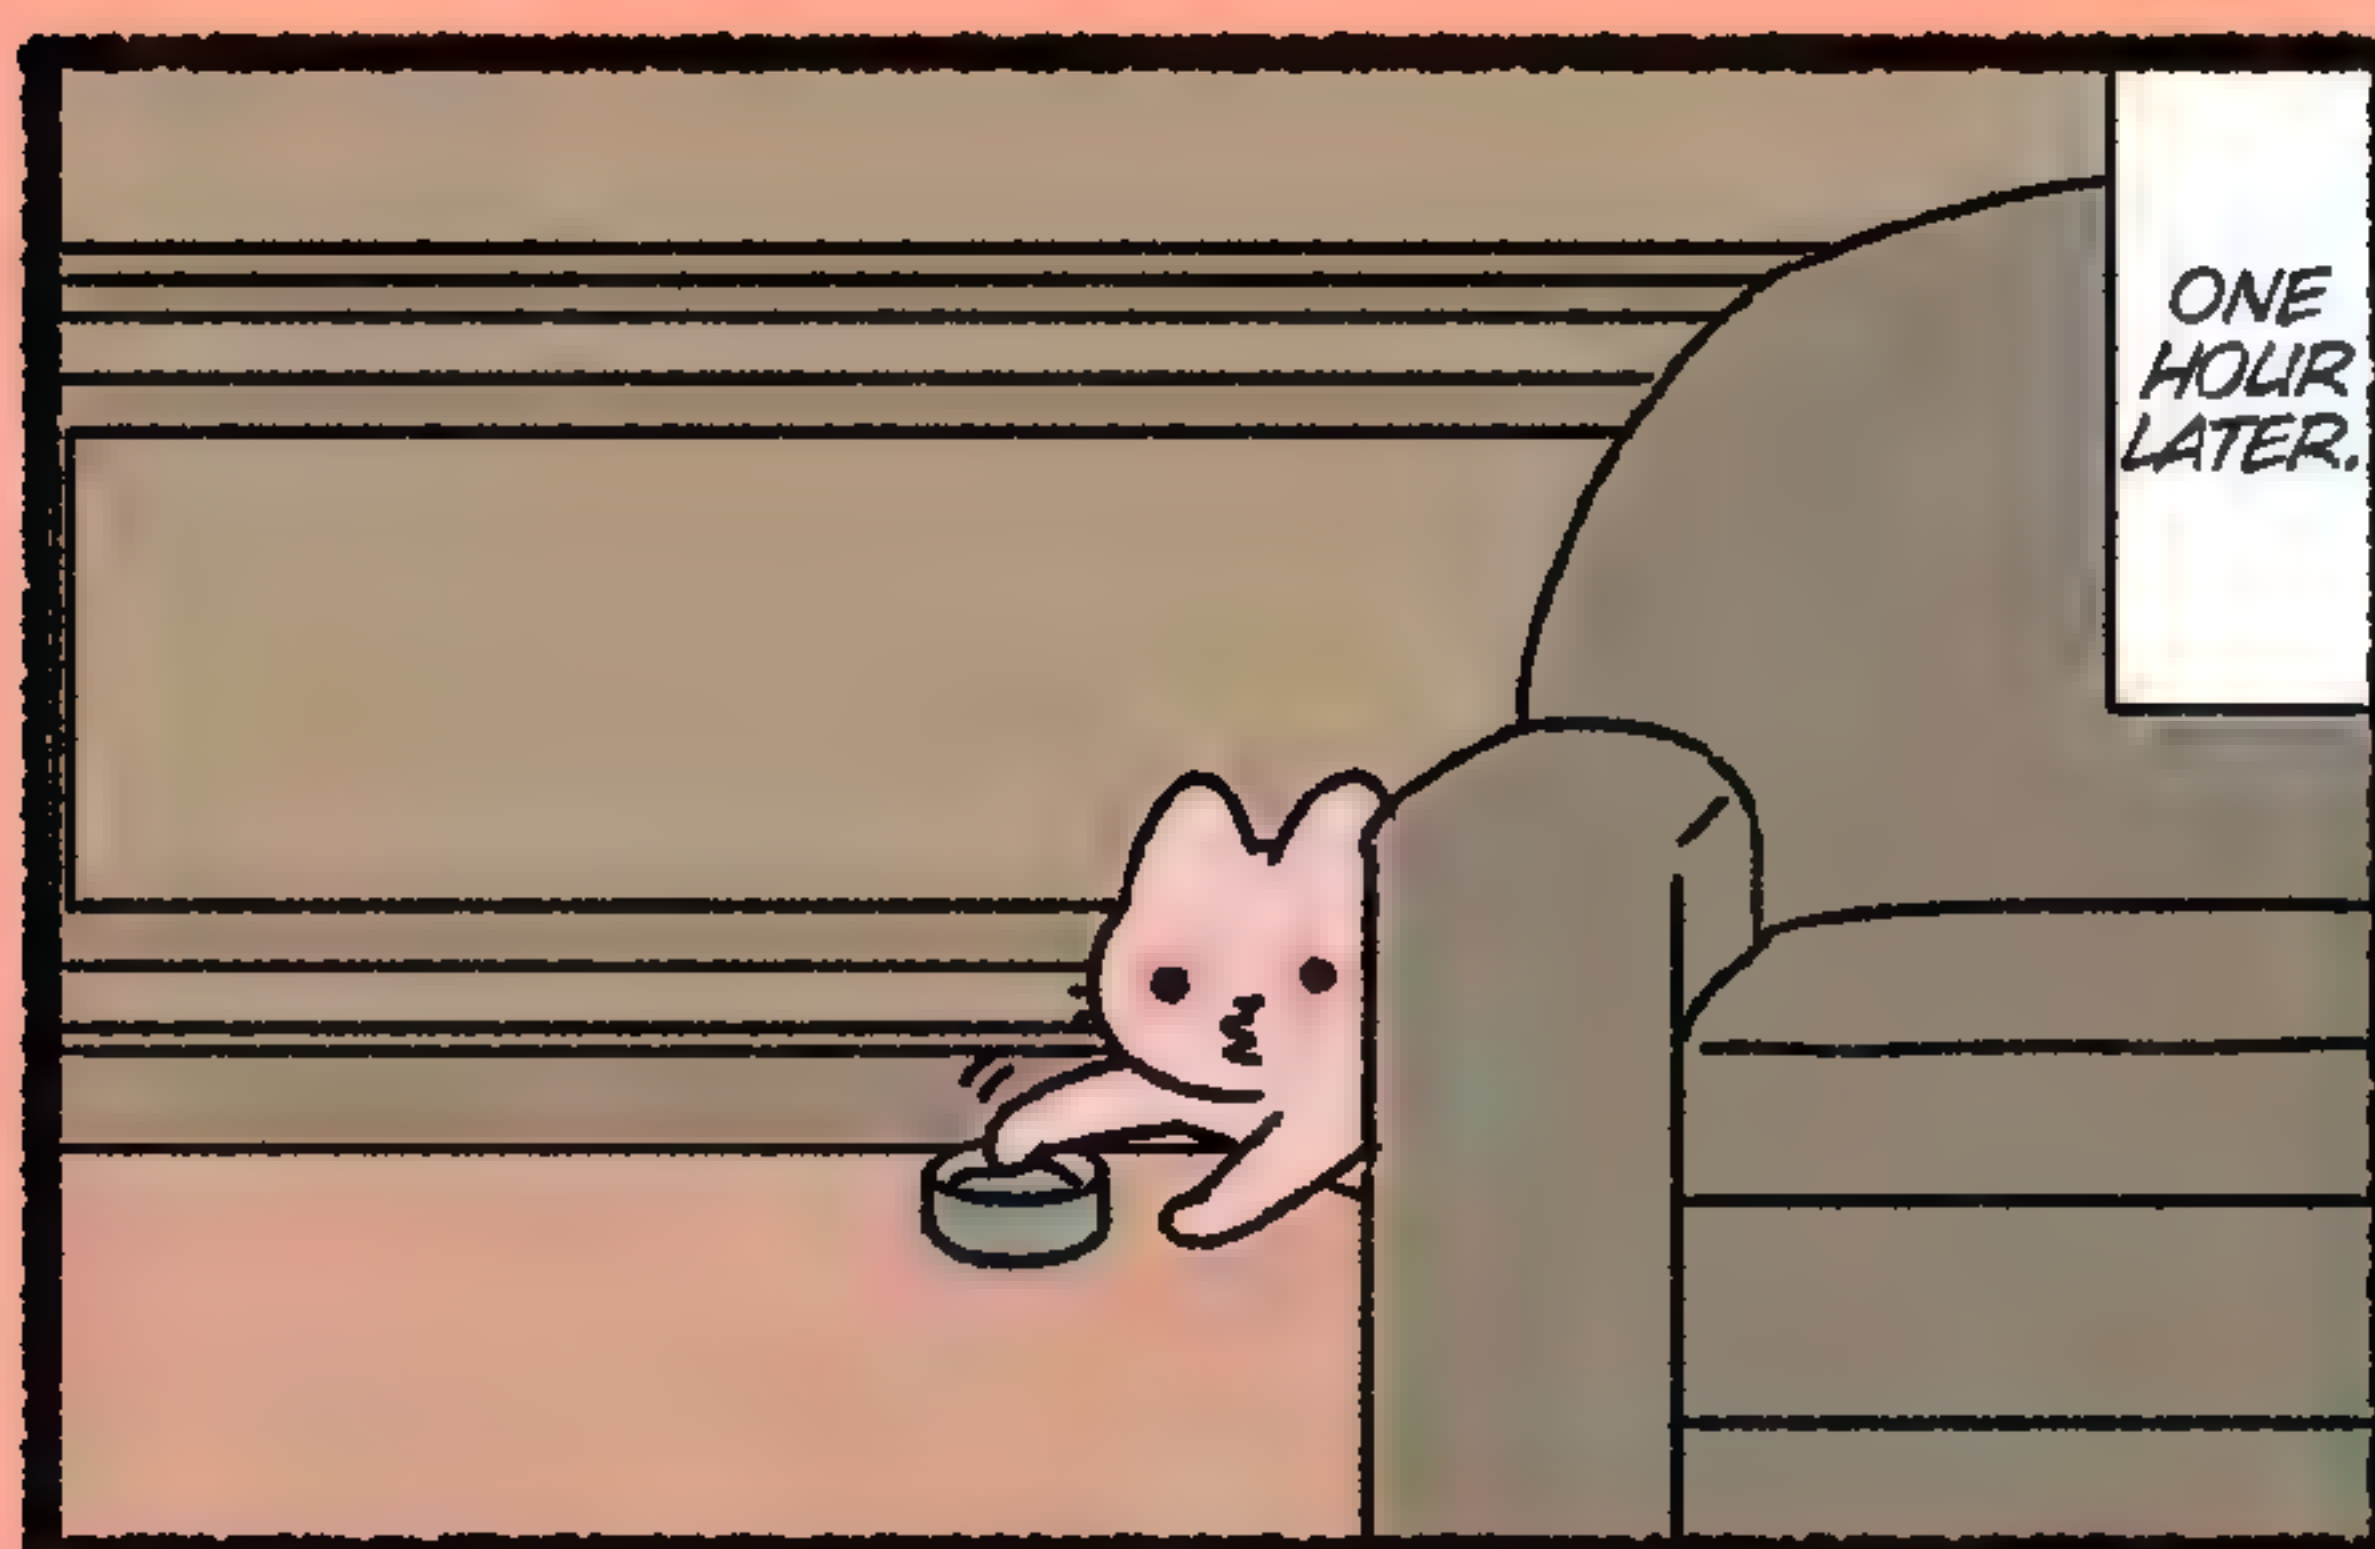

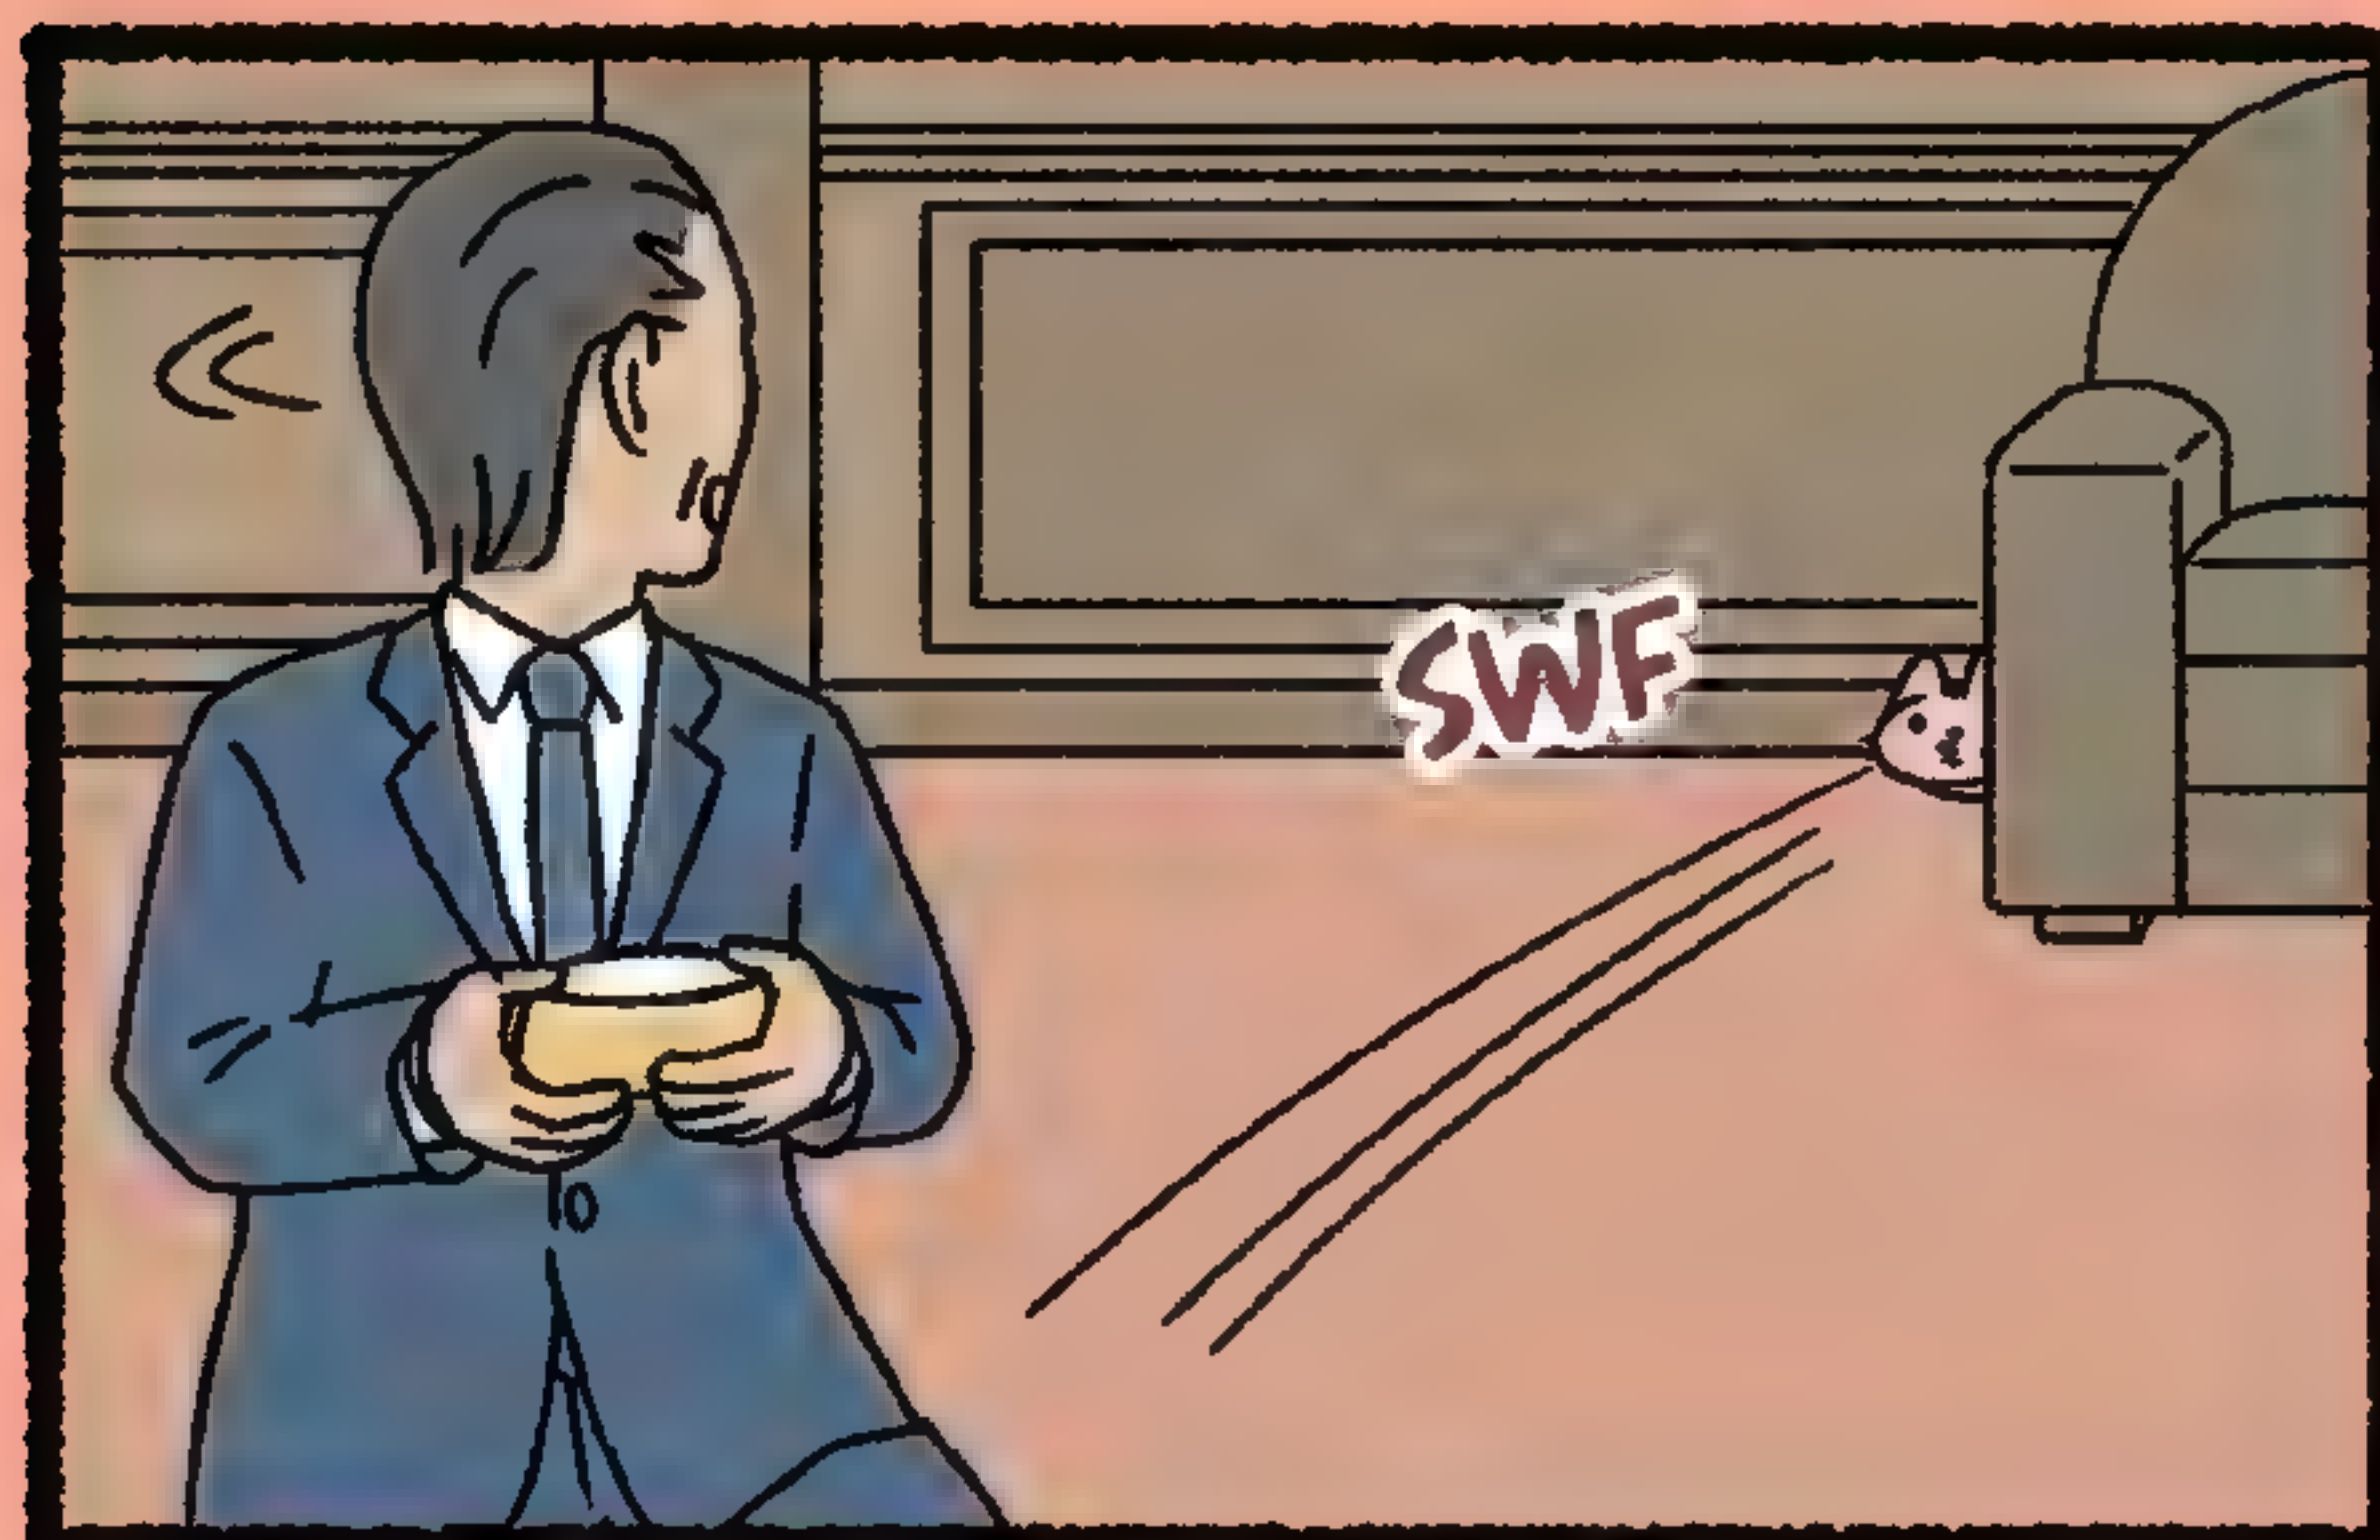

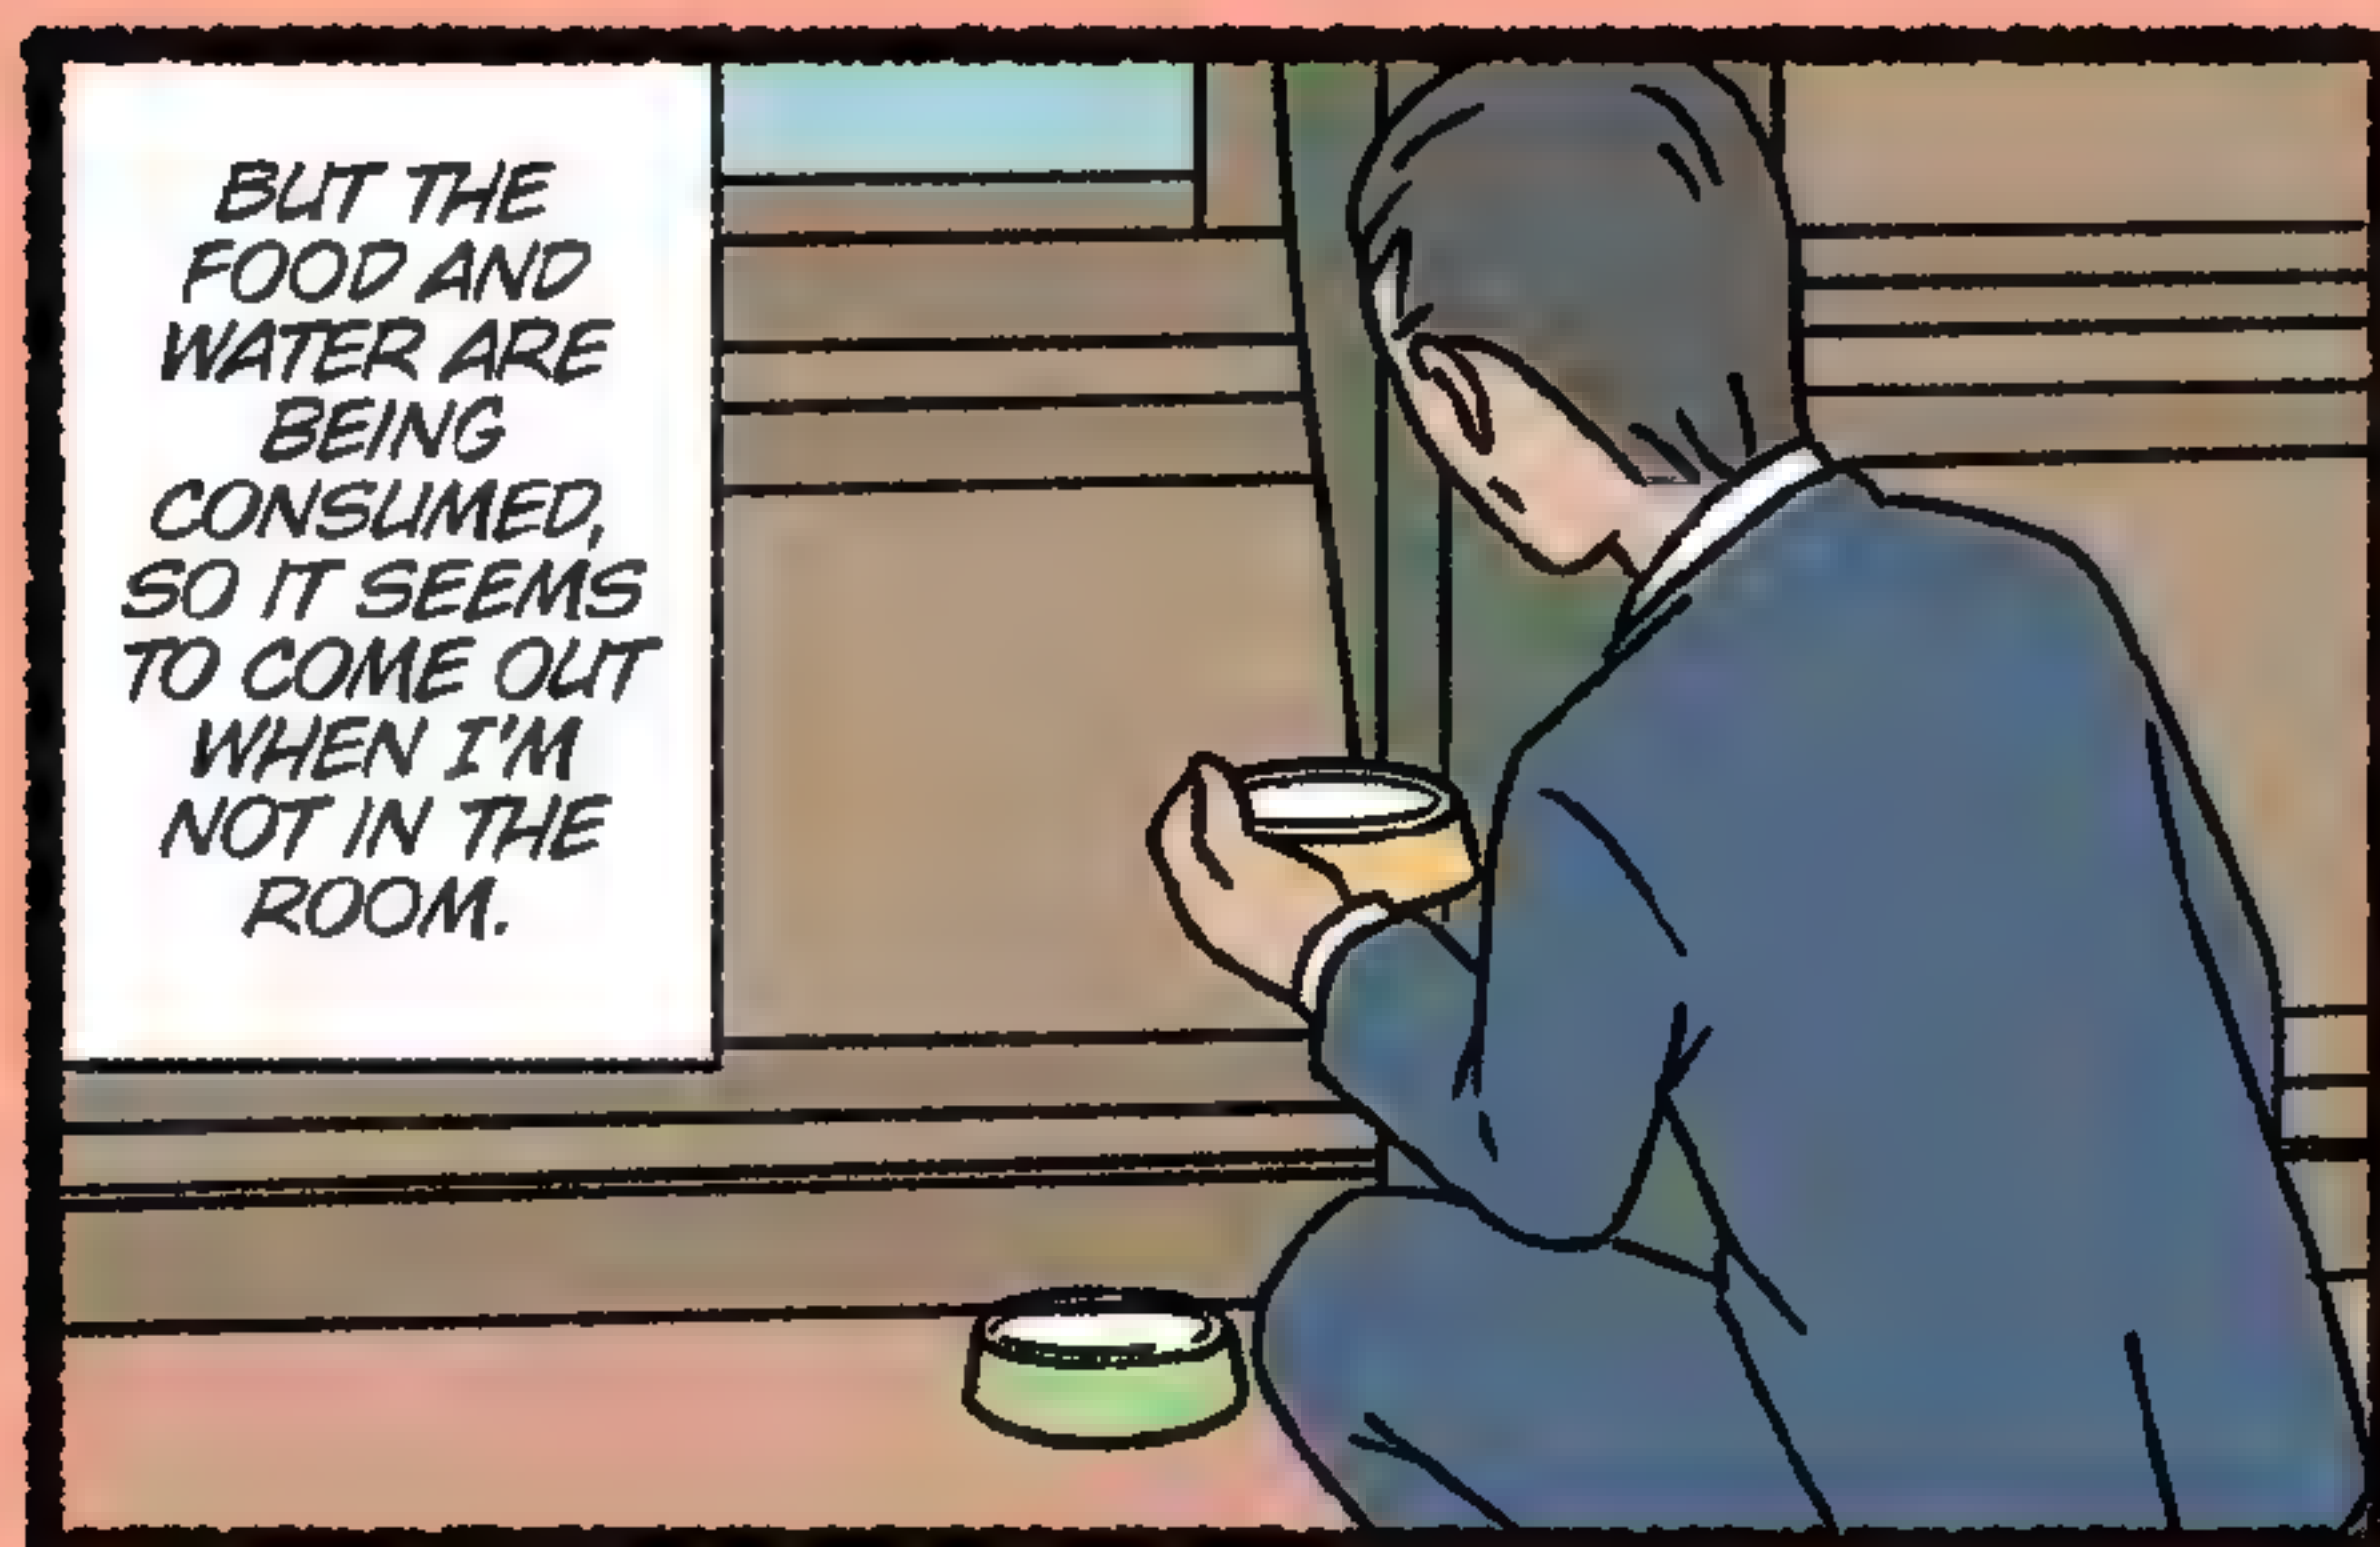

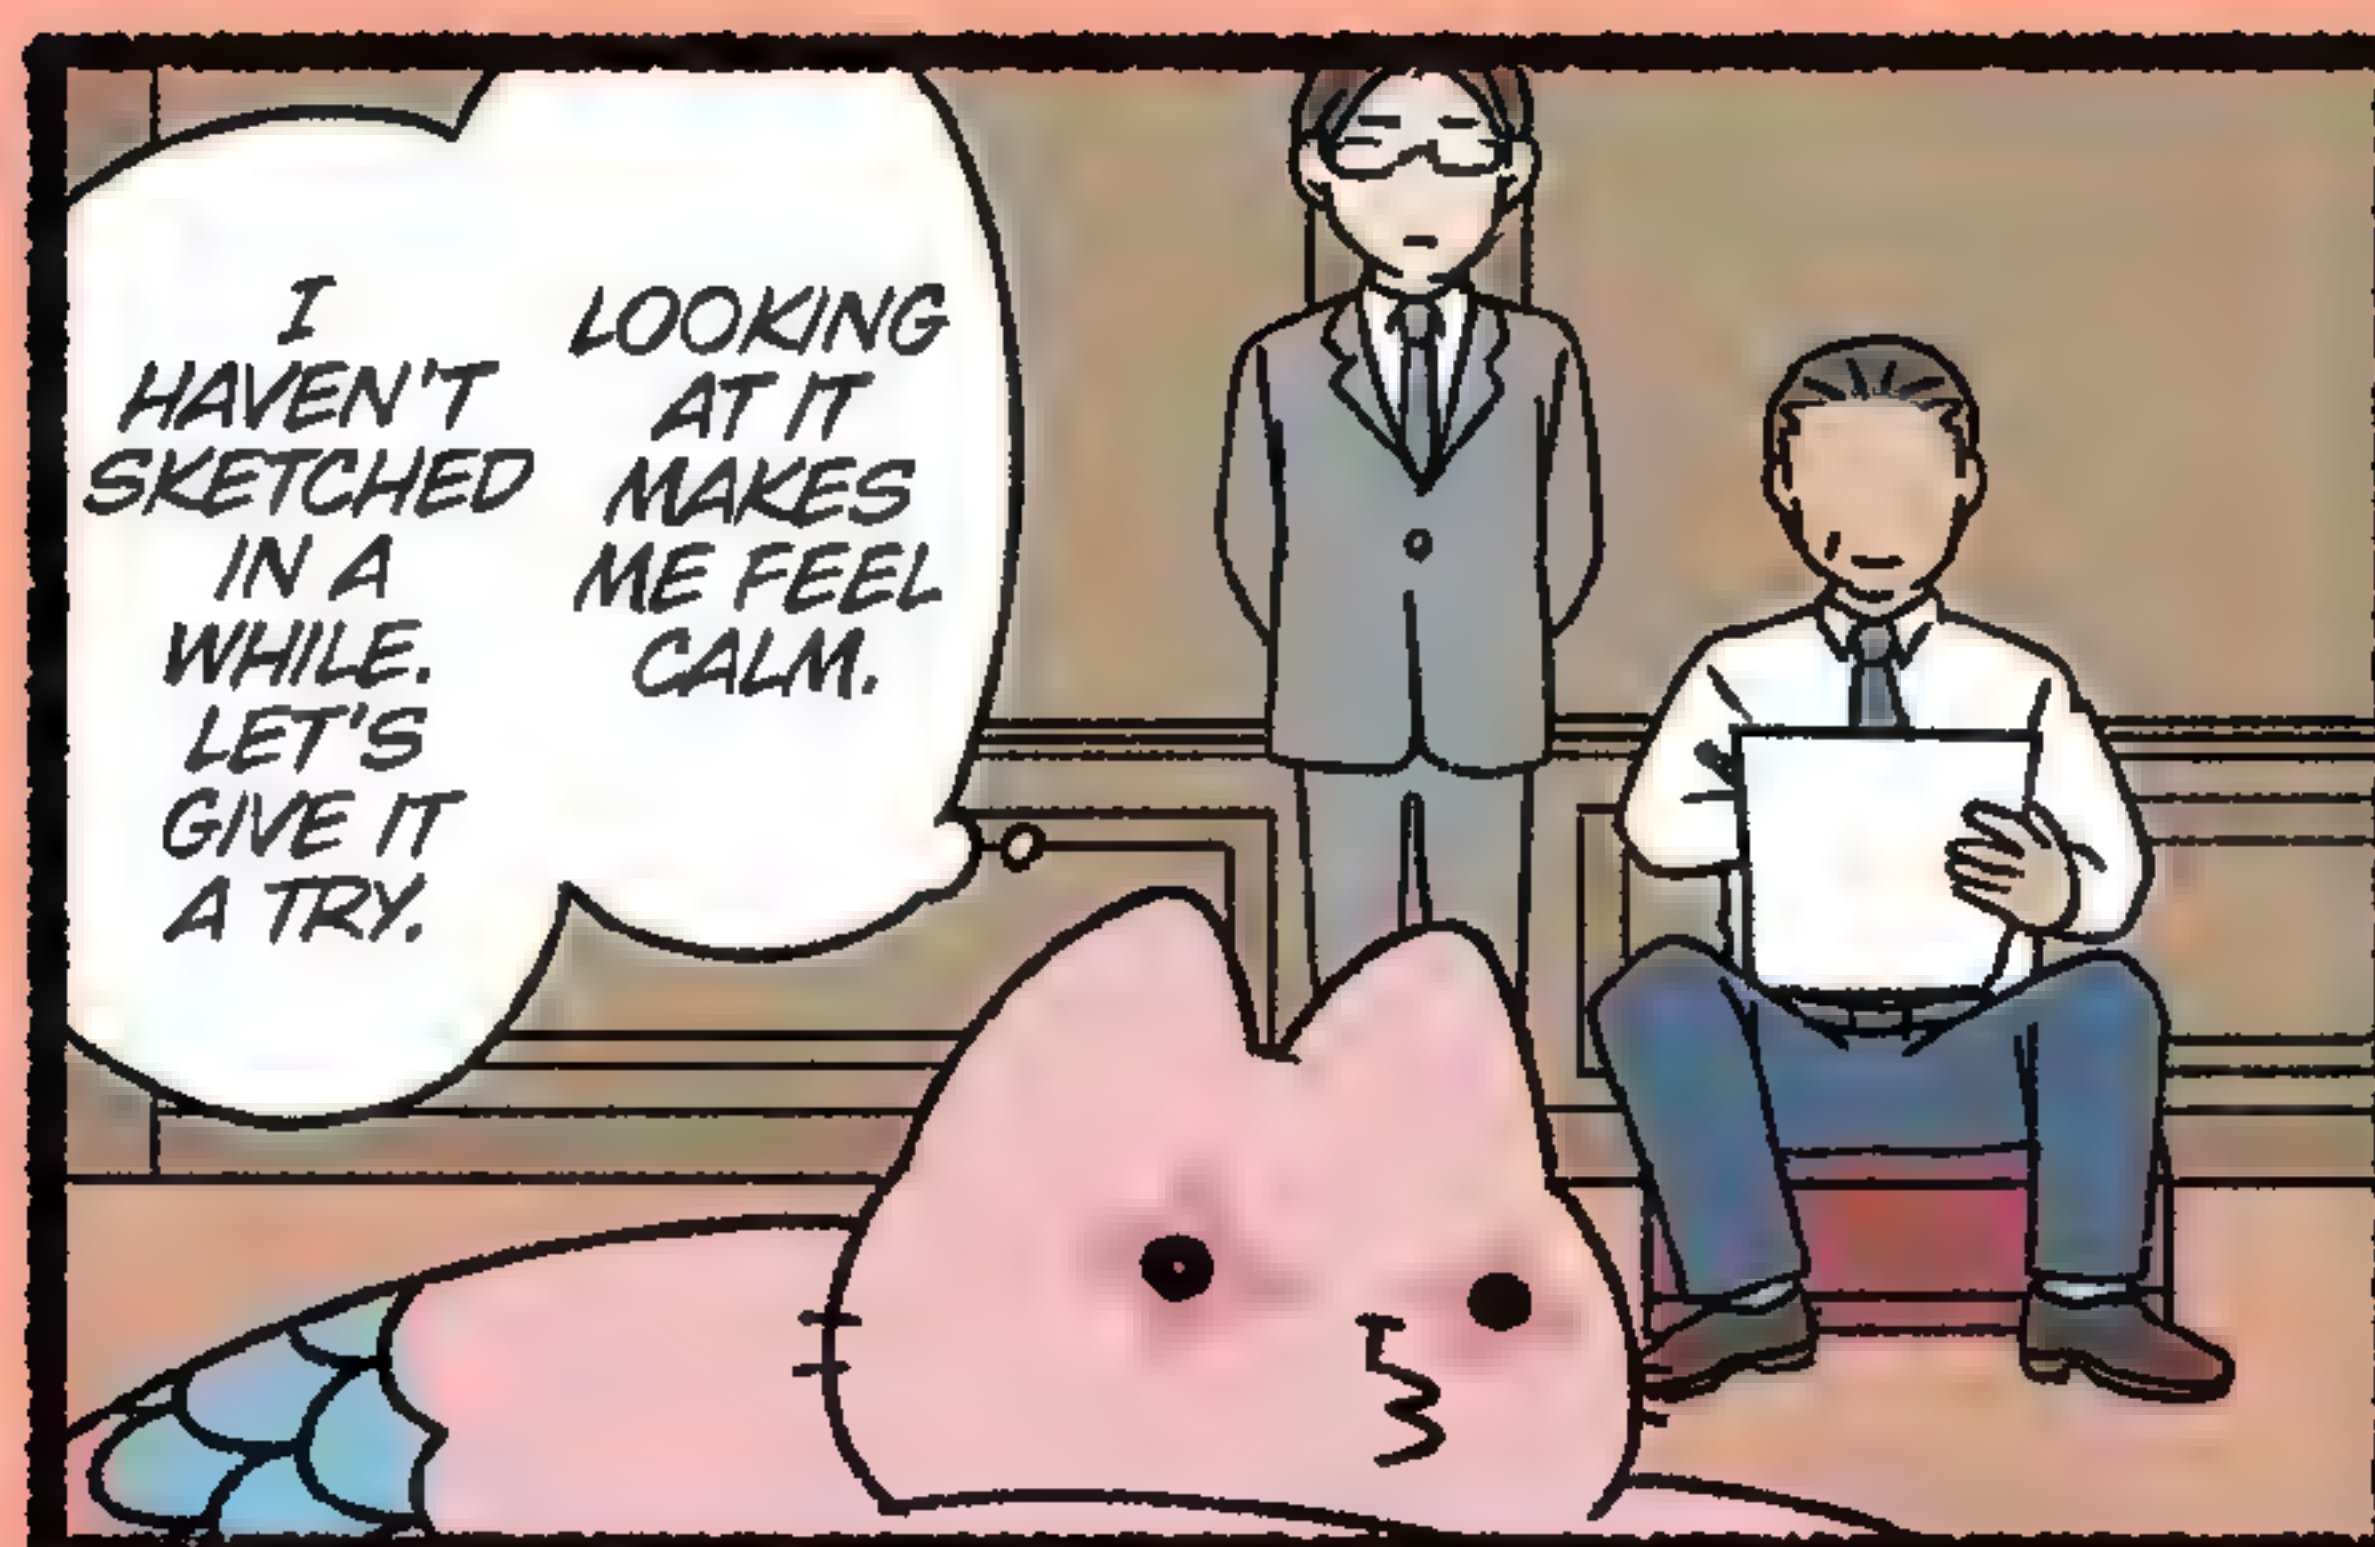

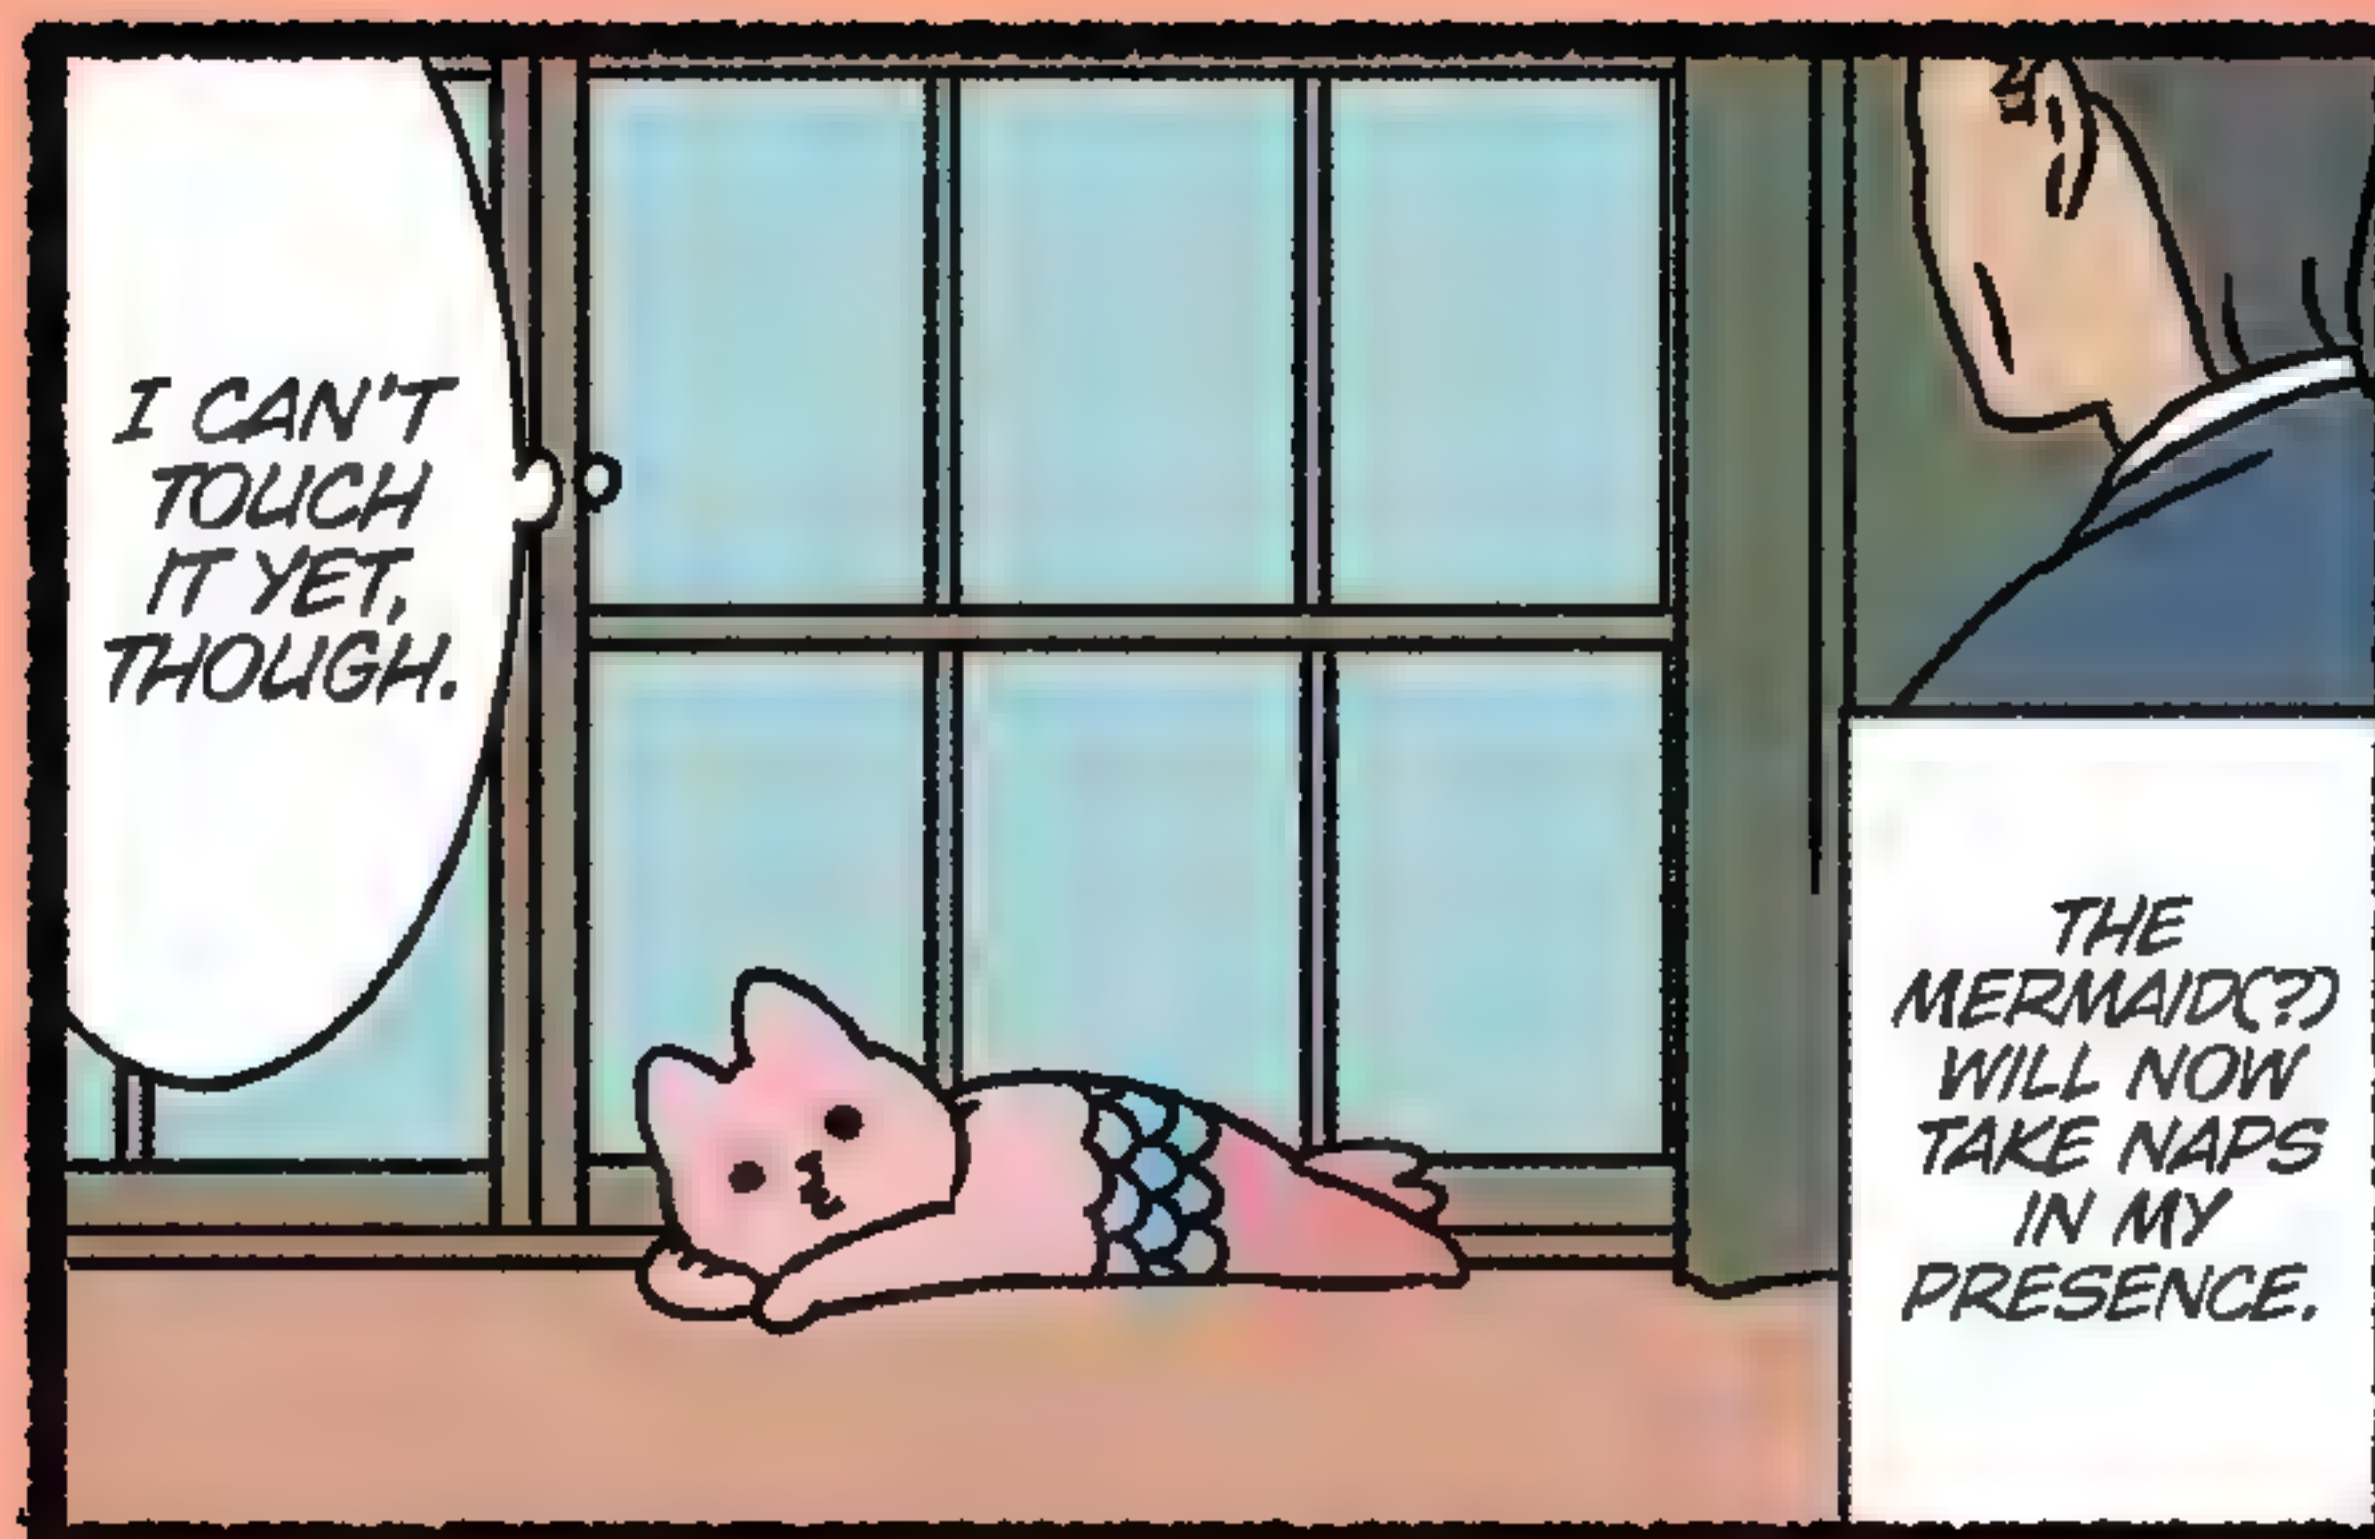

Anabie

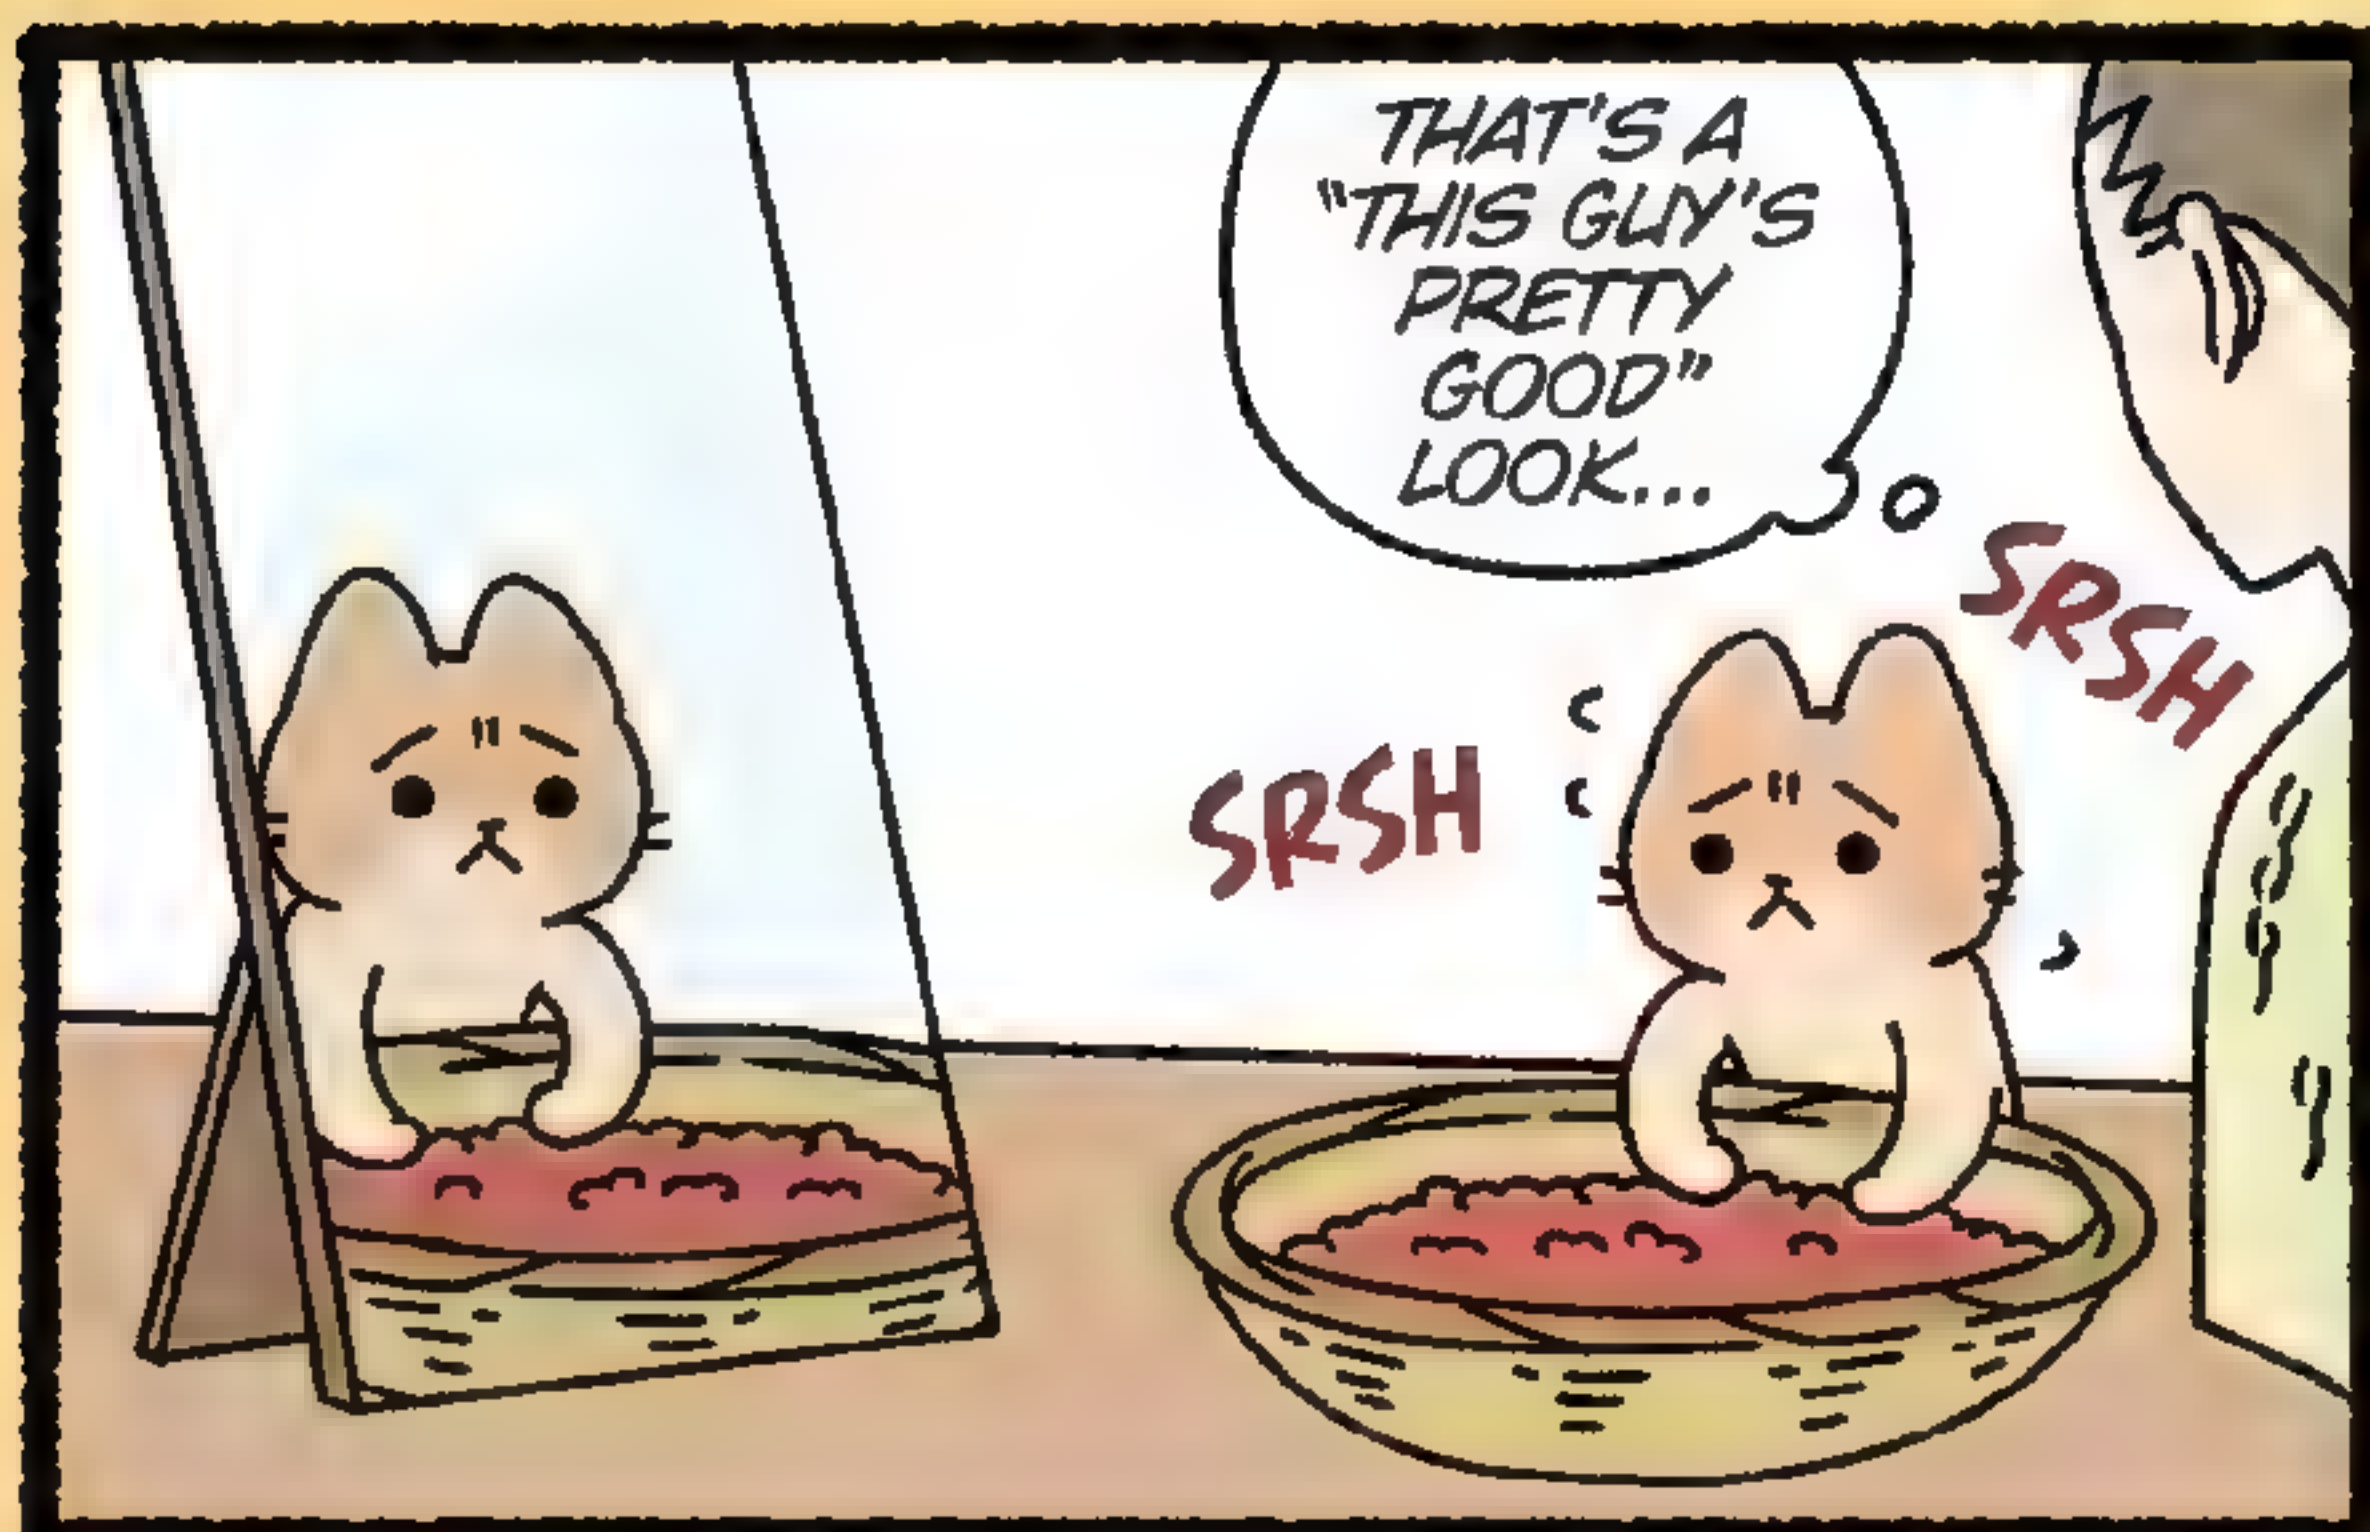

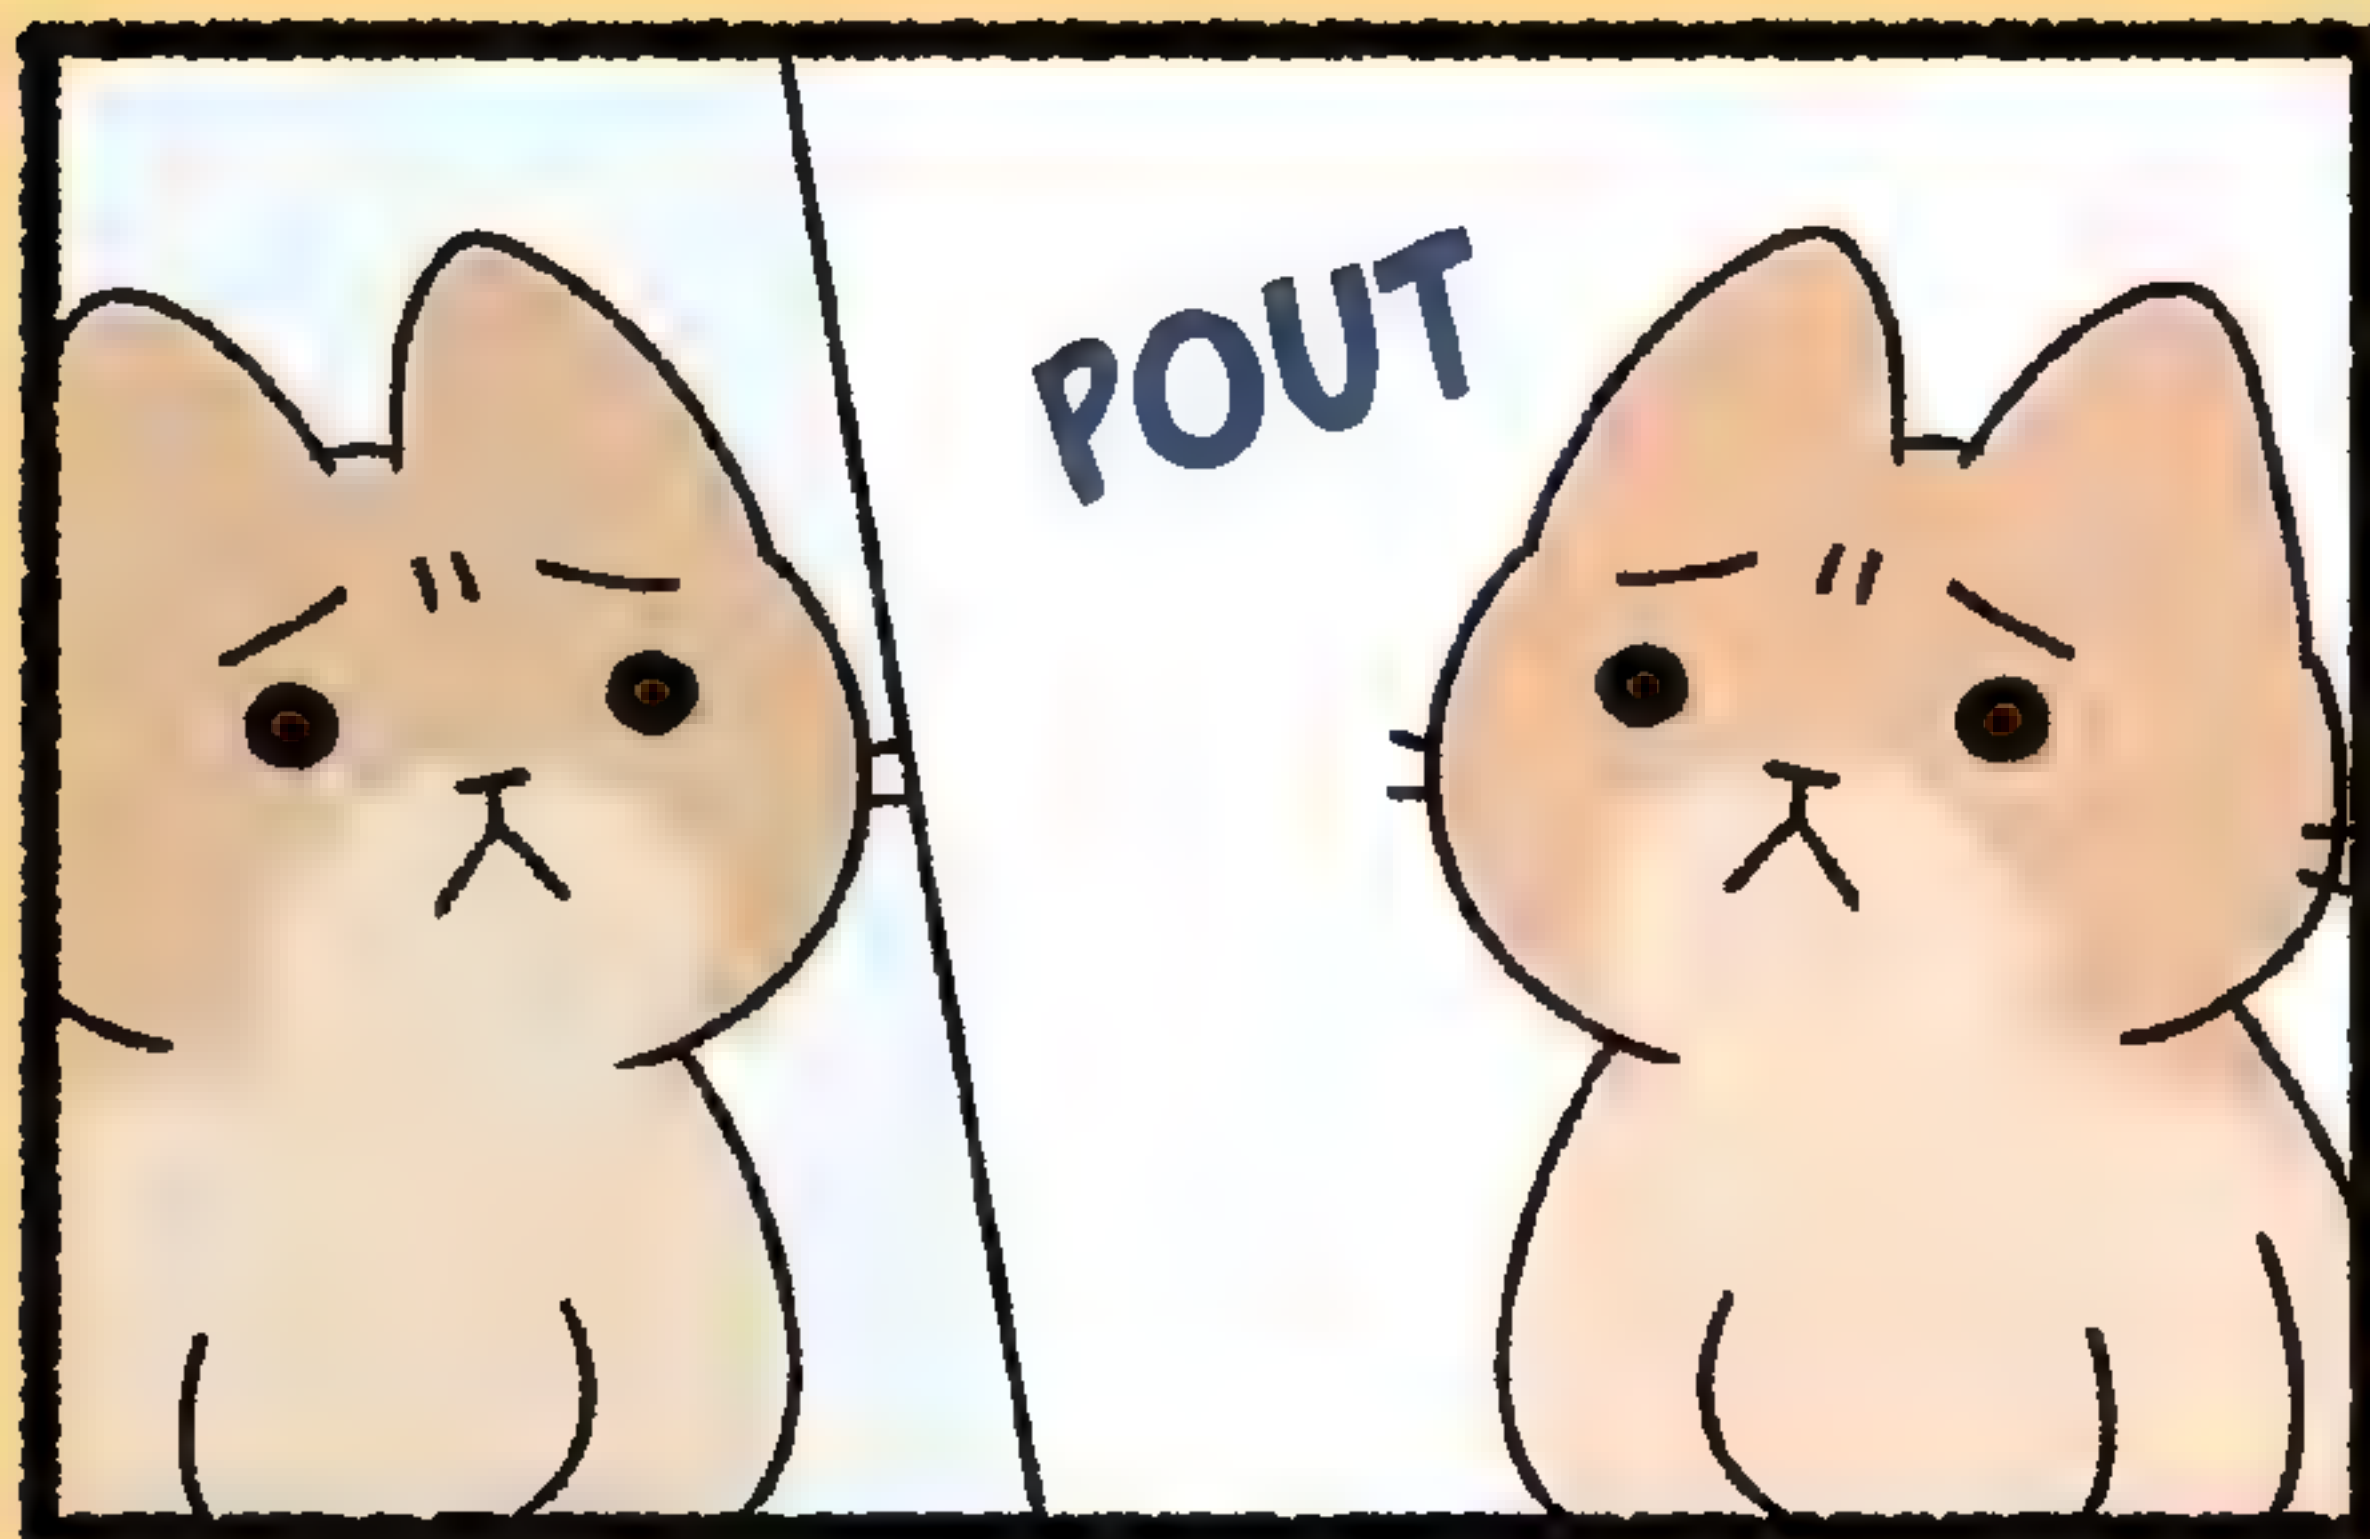

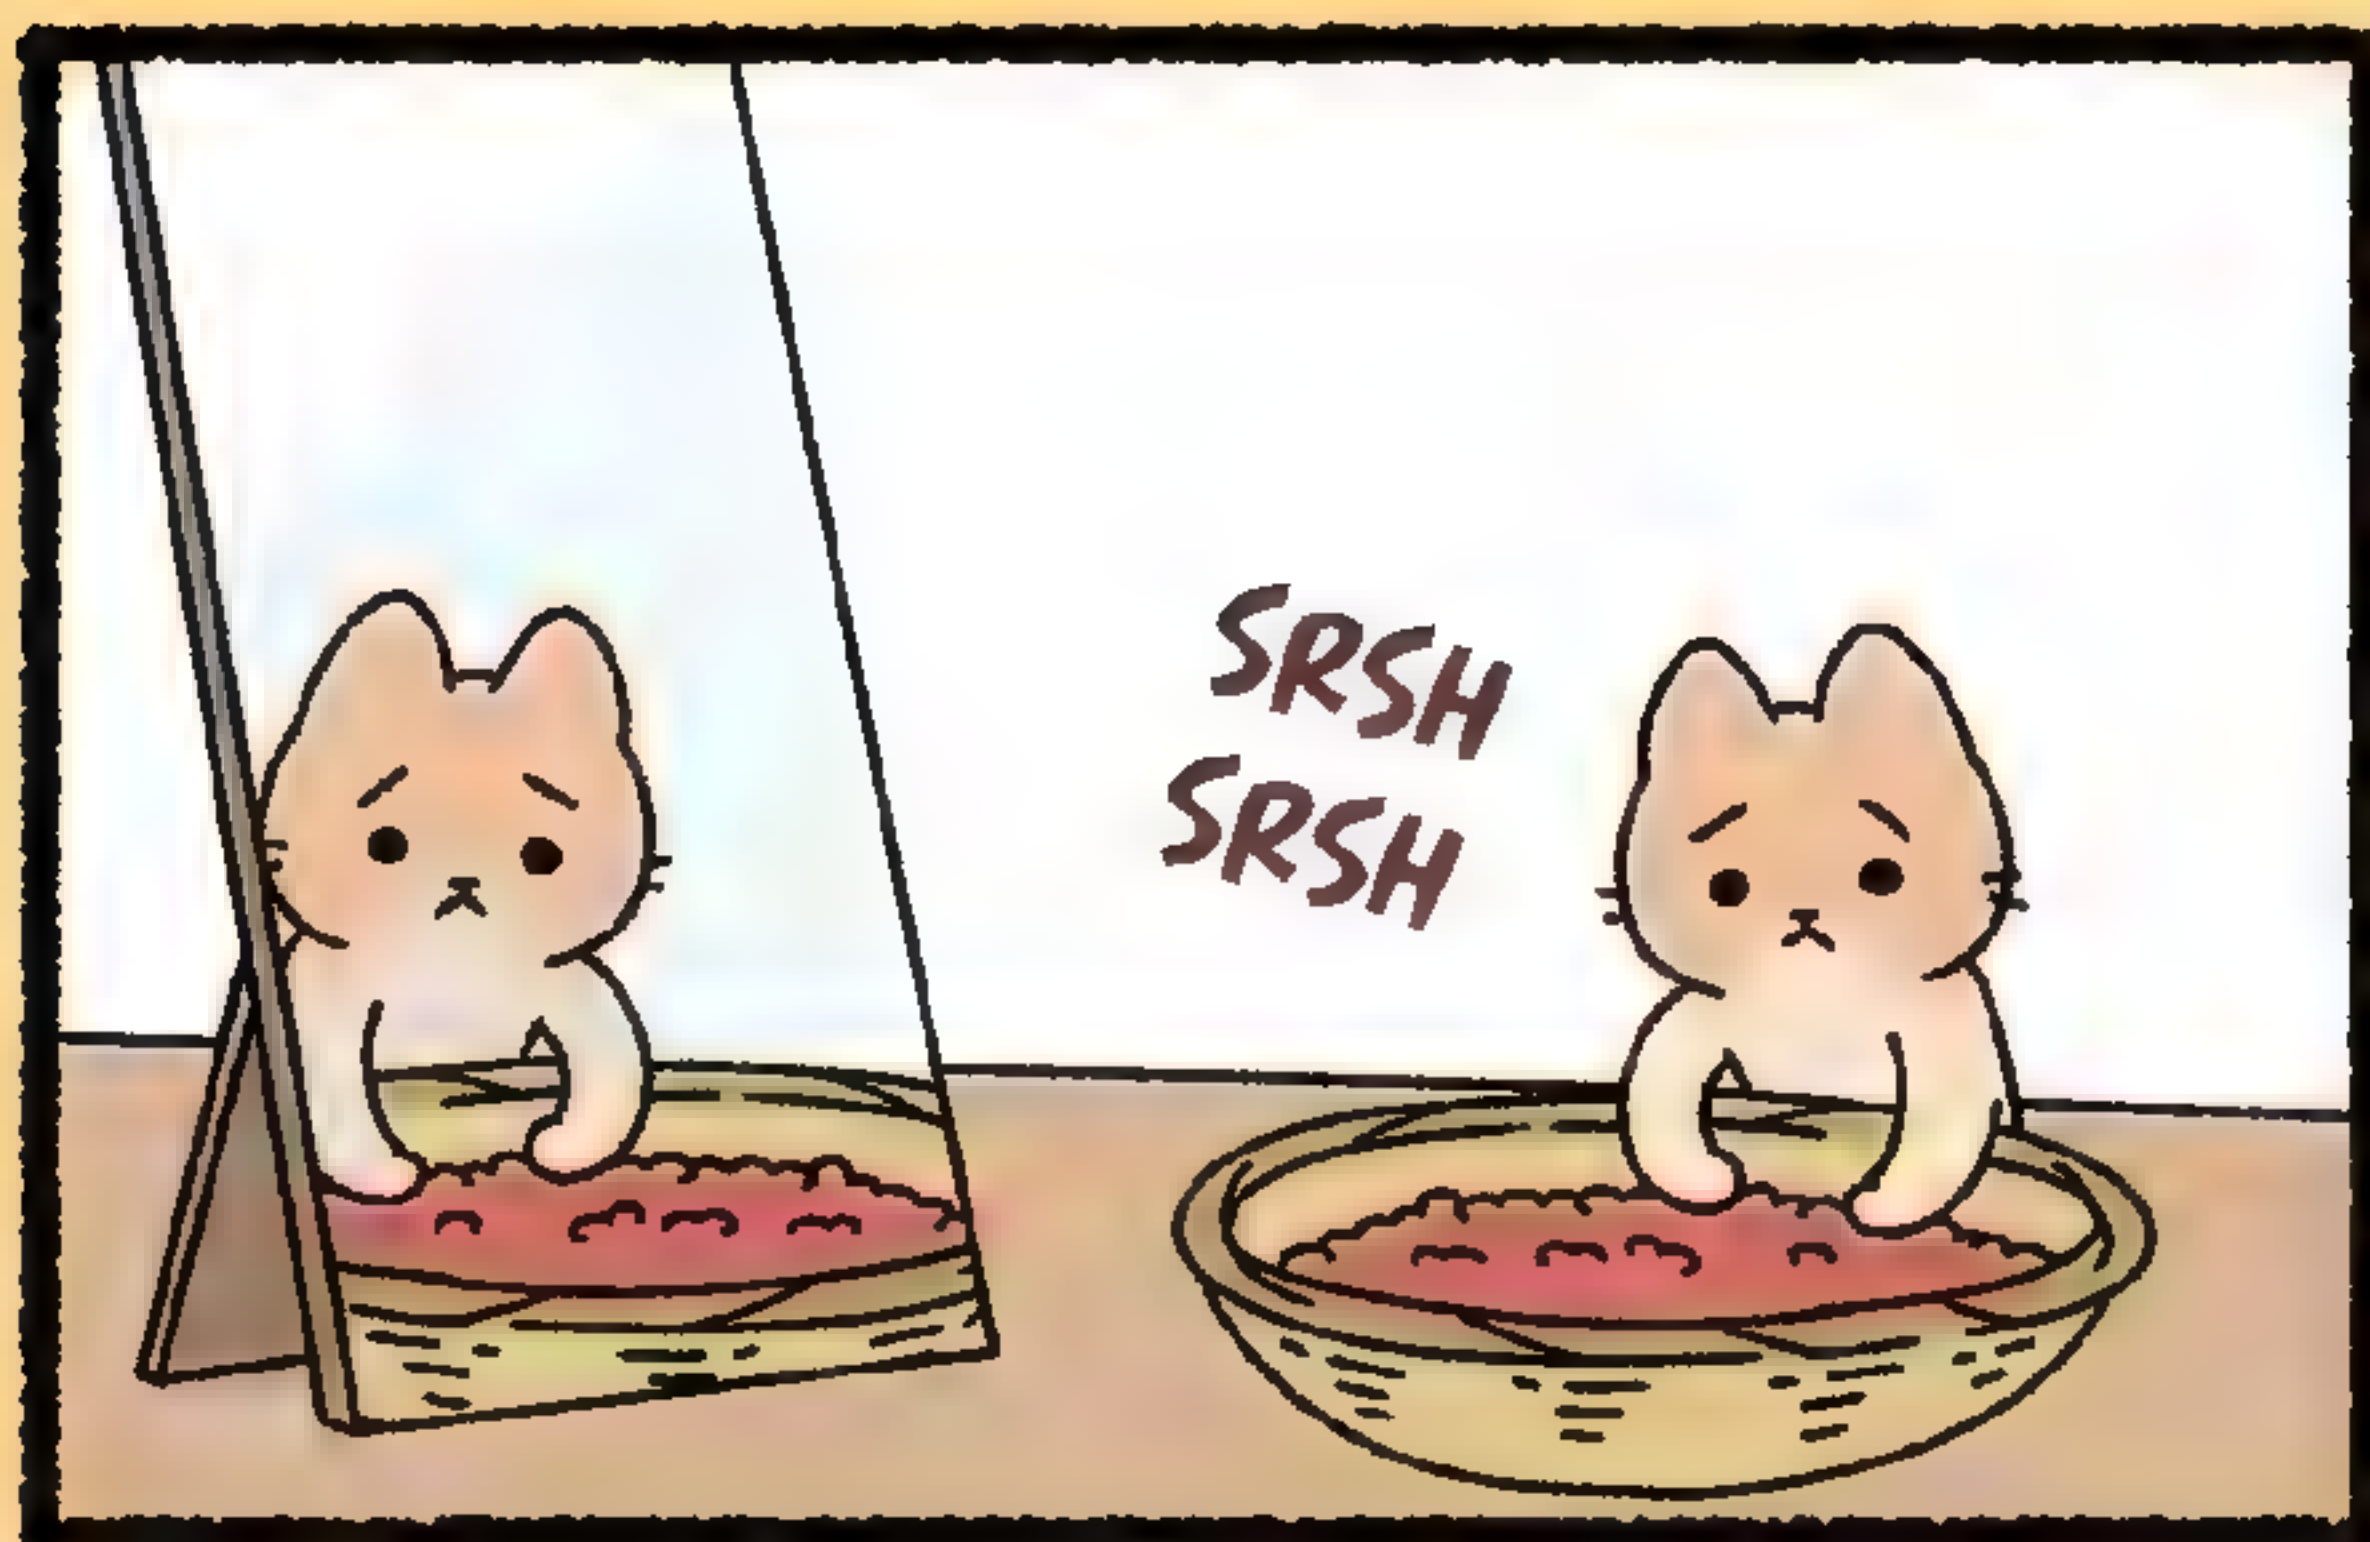

Loves it when you draw its picture! Might be a bit of an attention seeker?

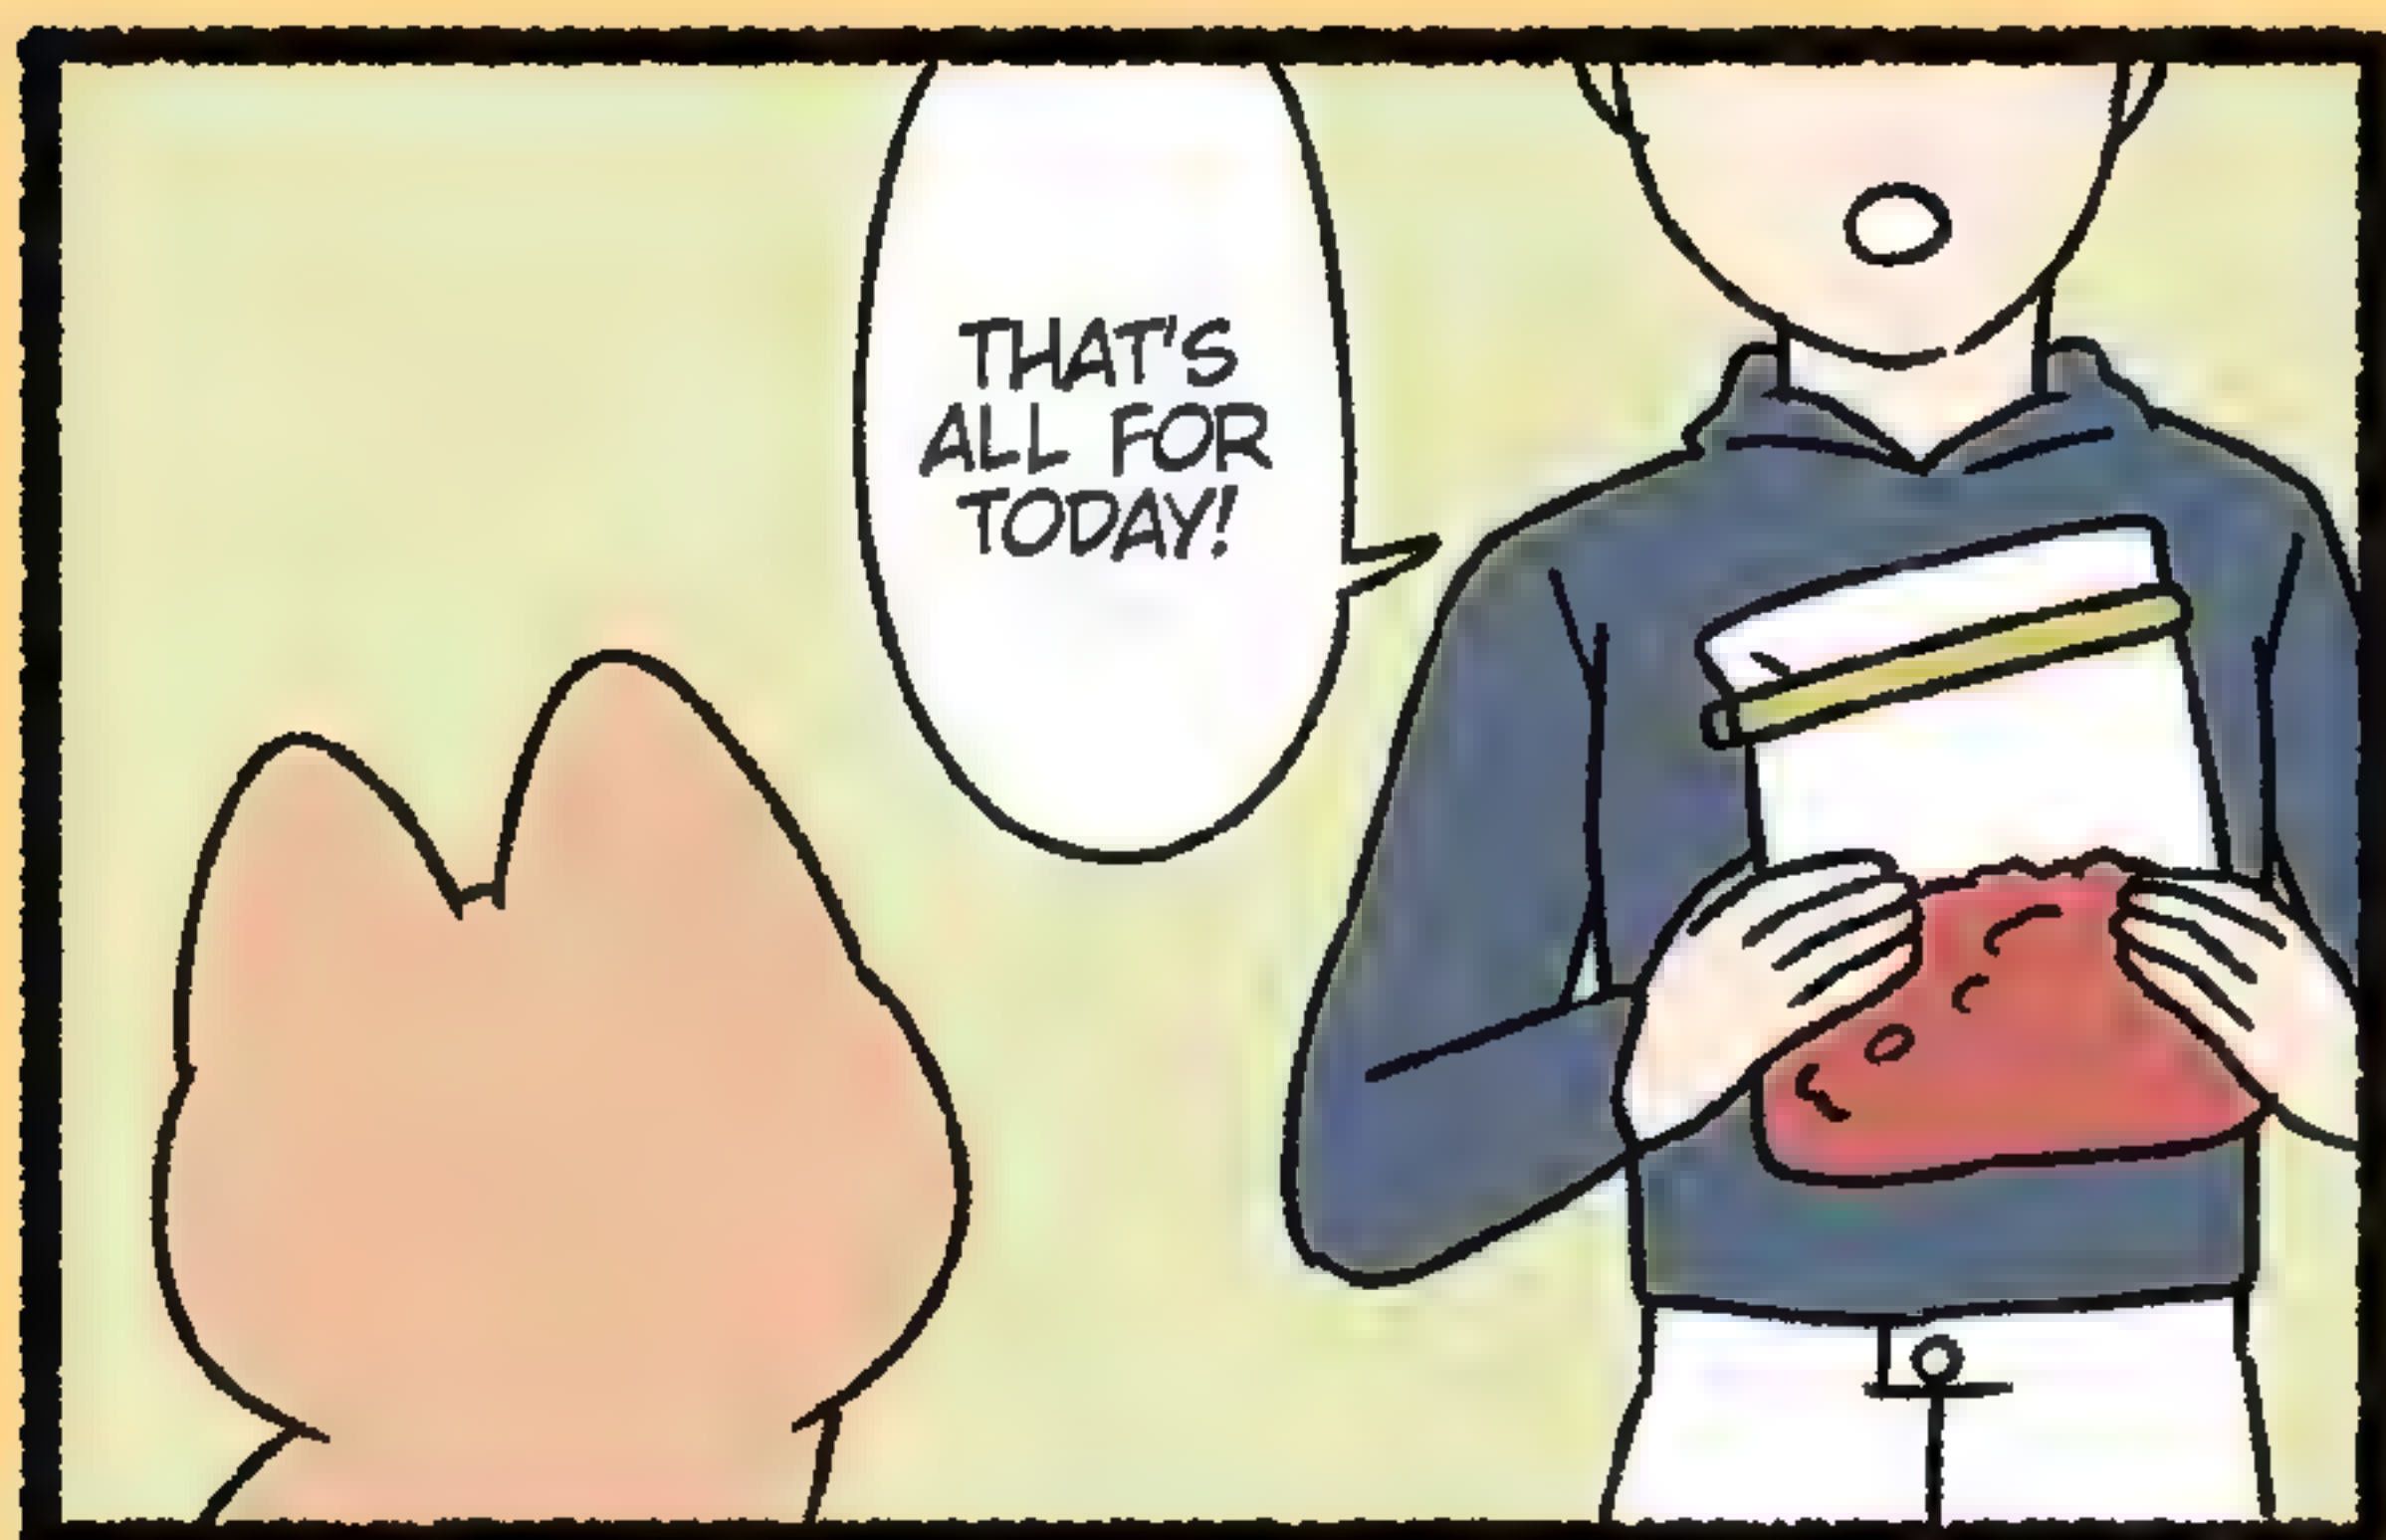

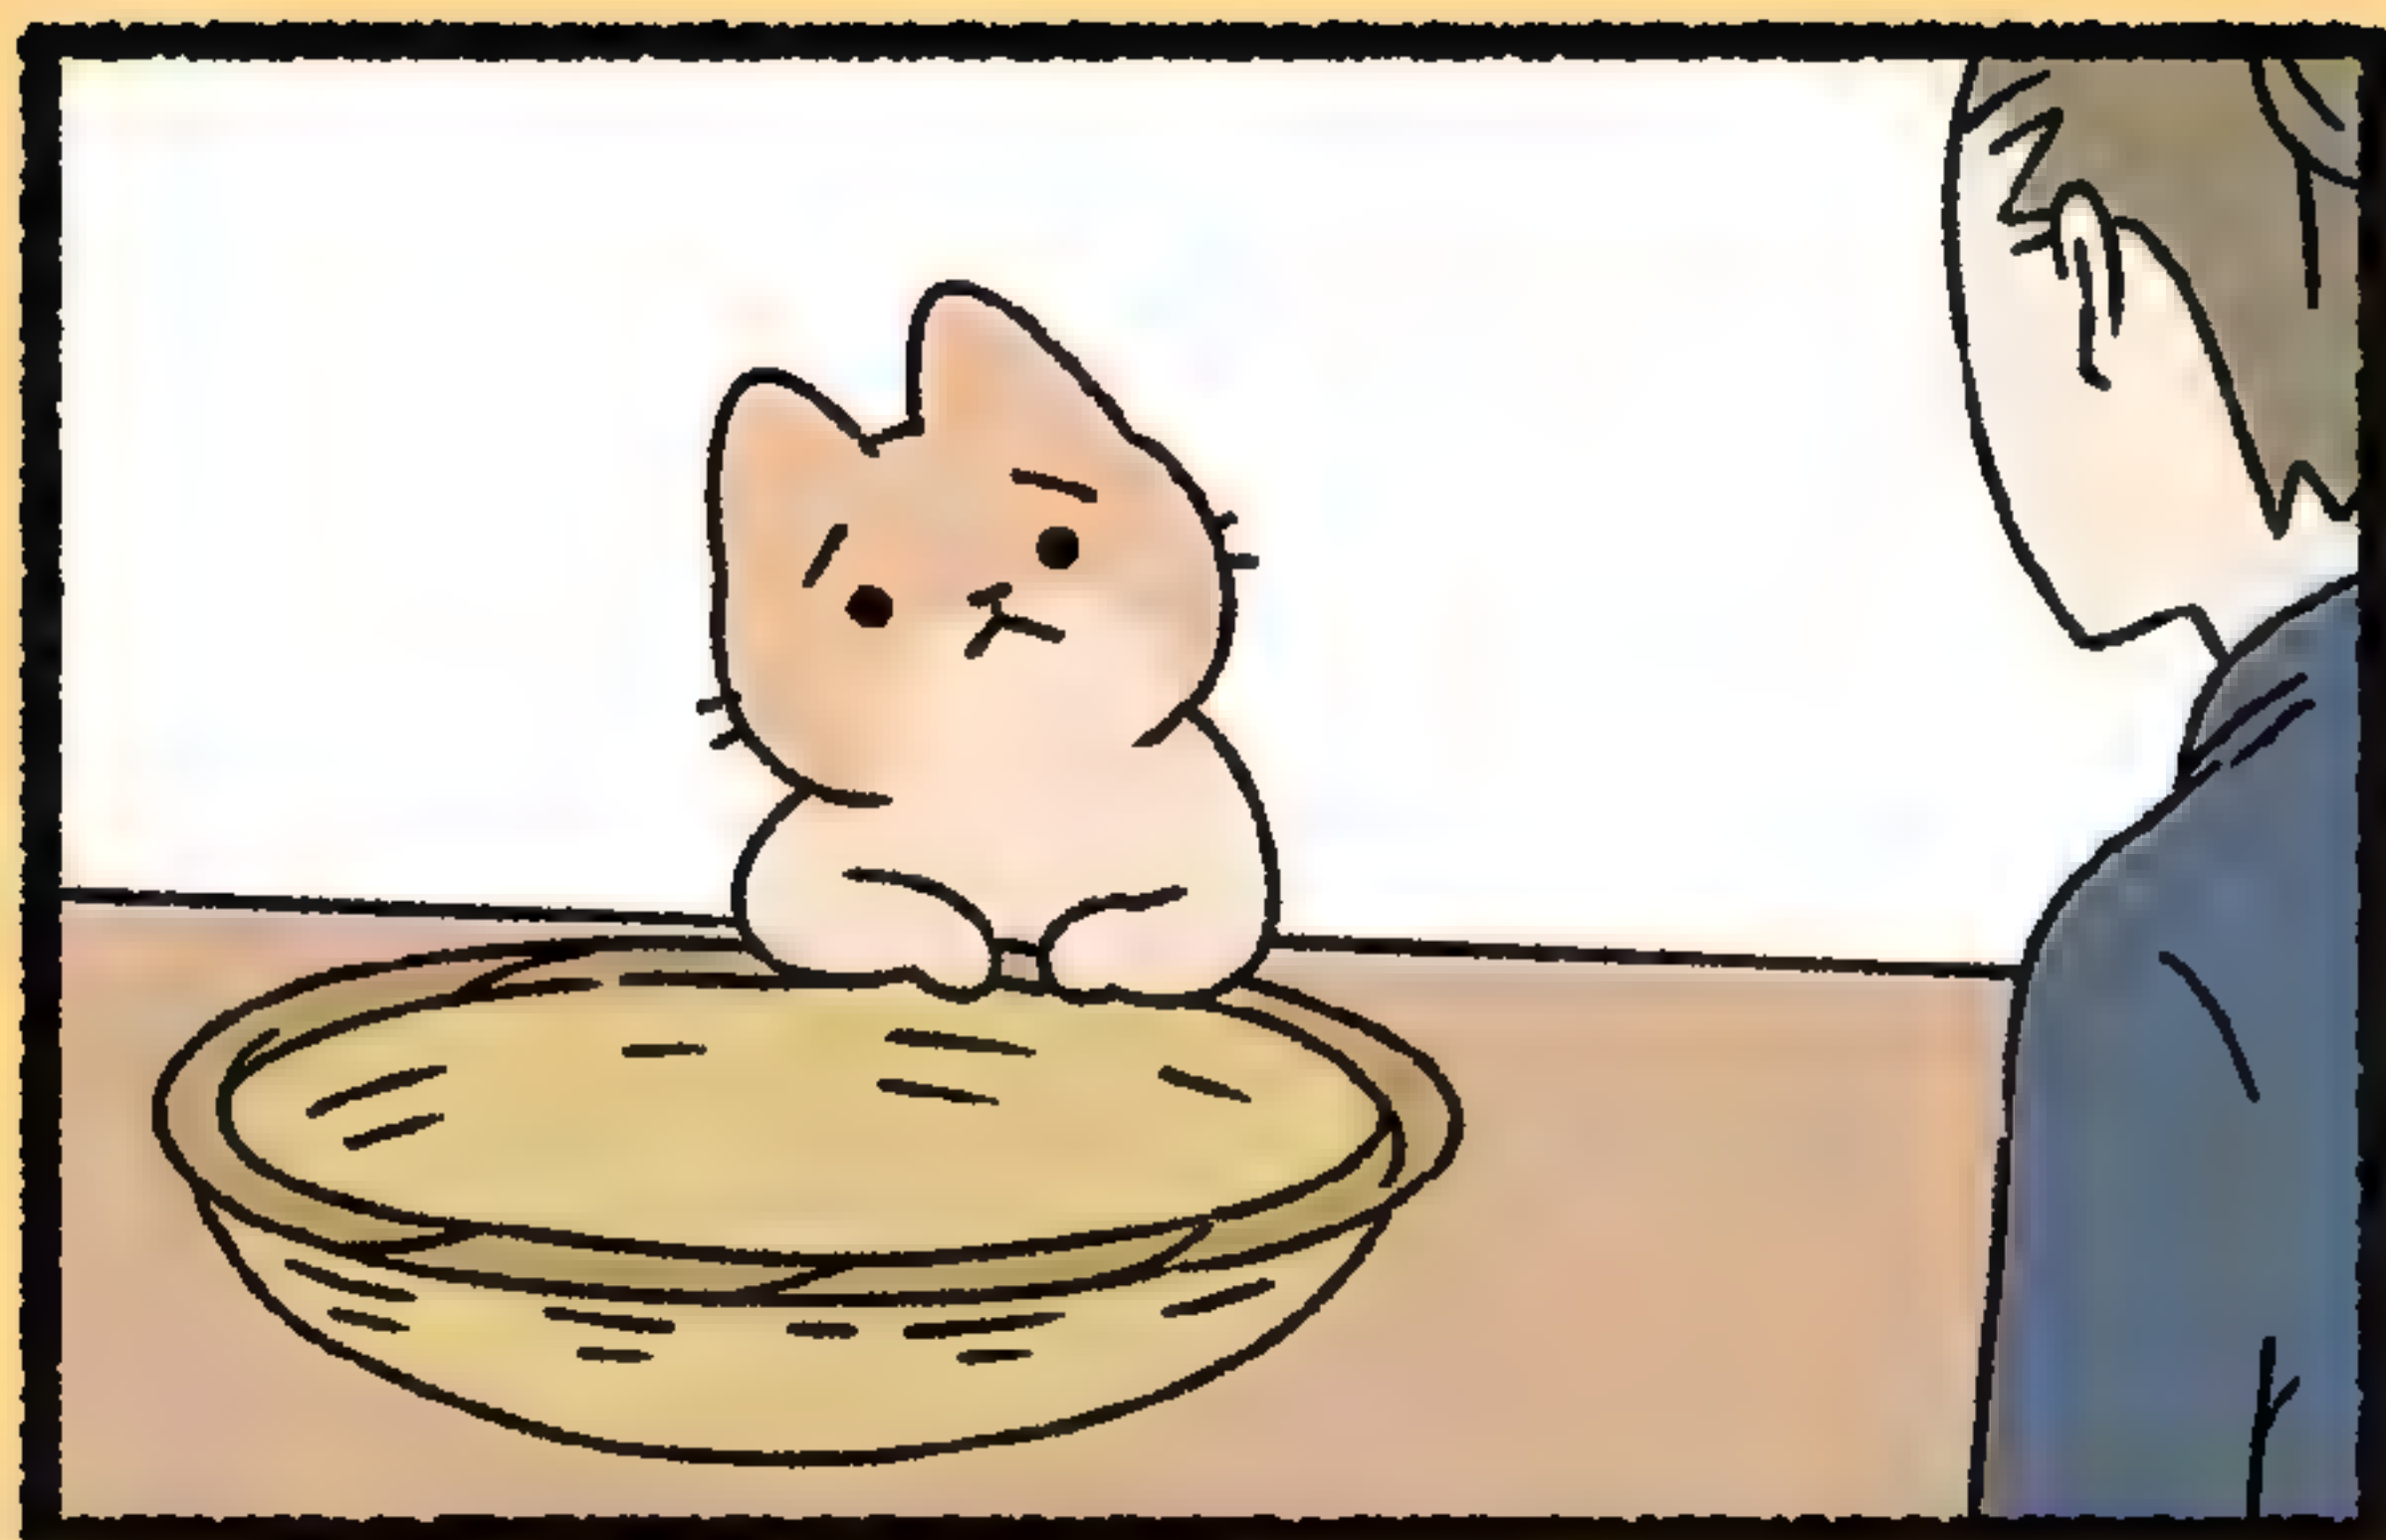

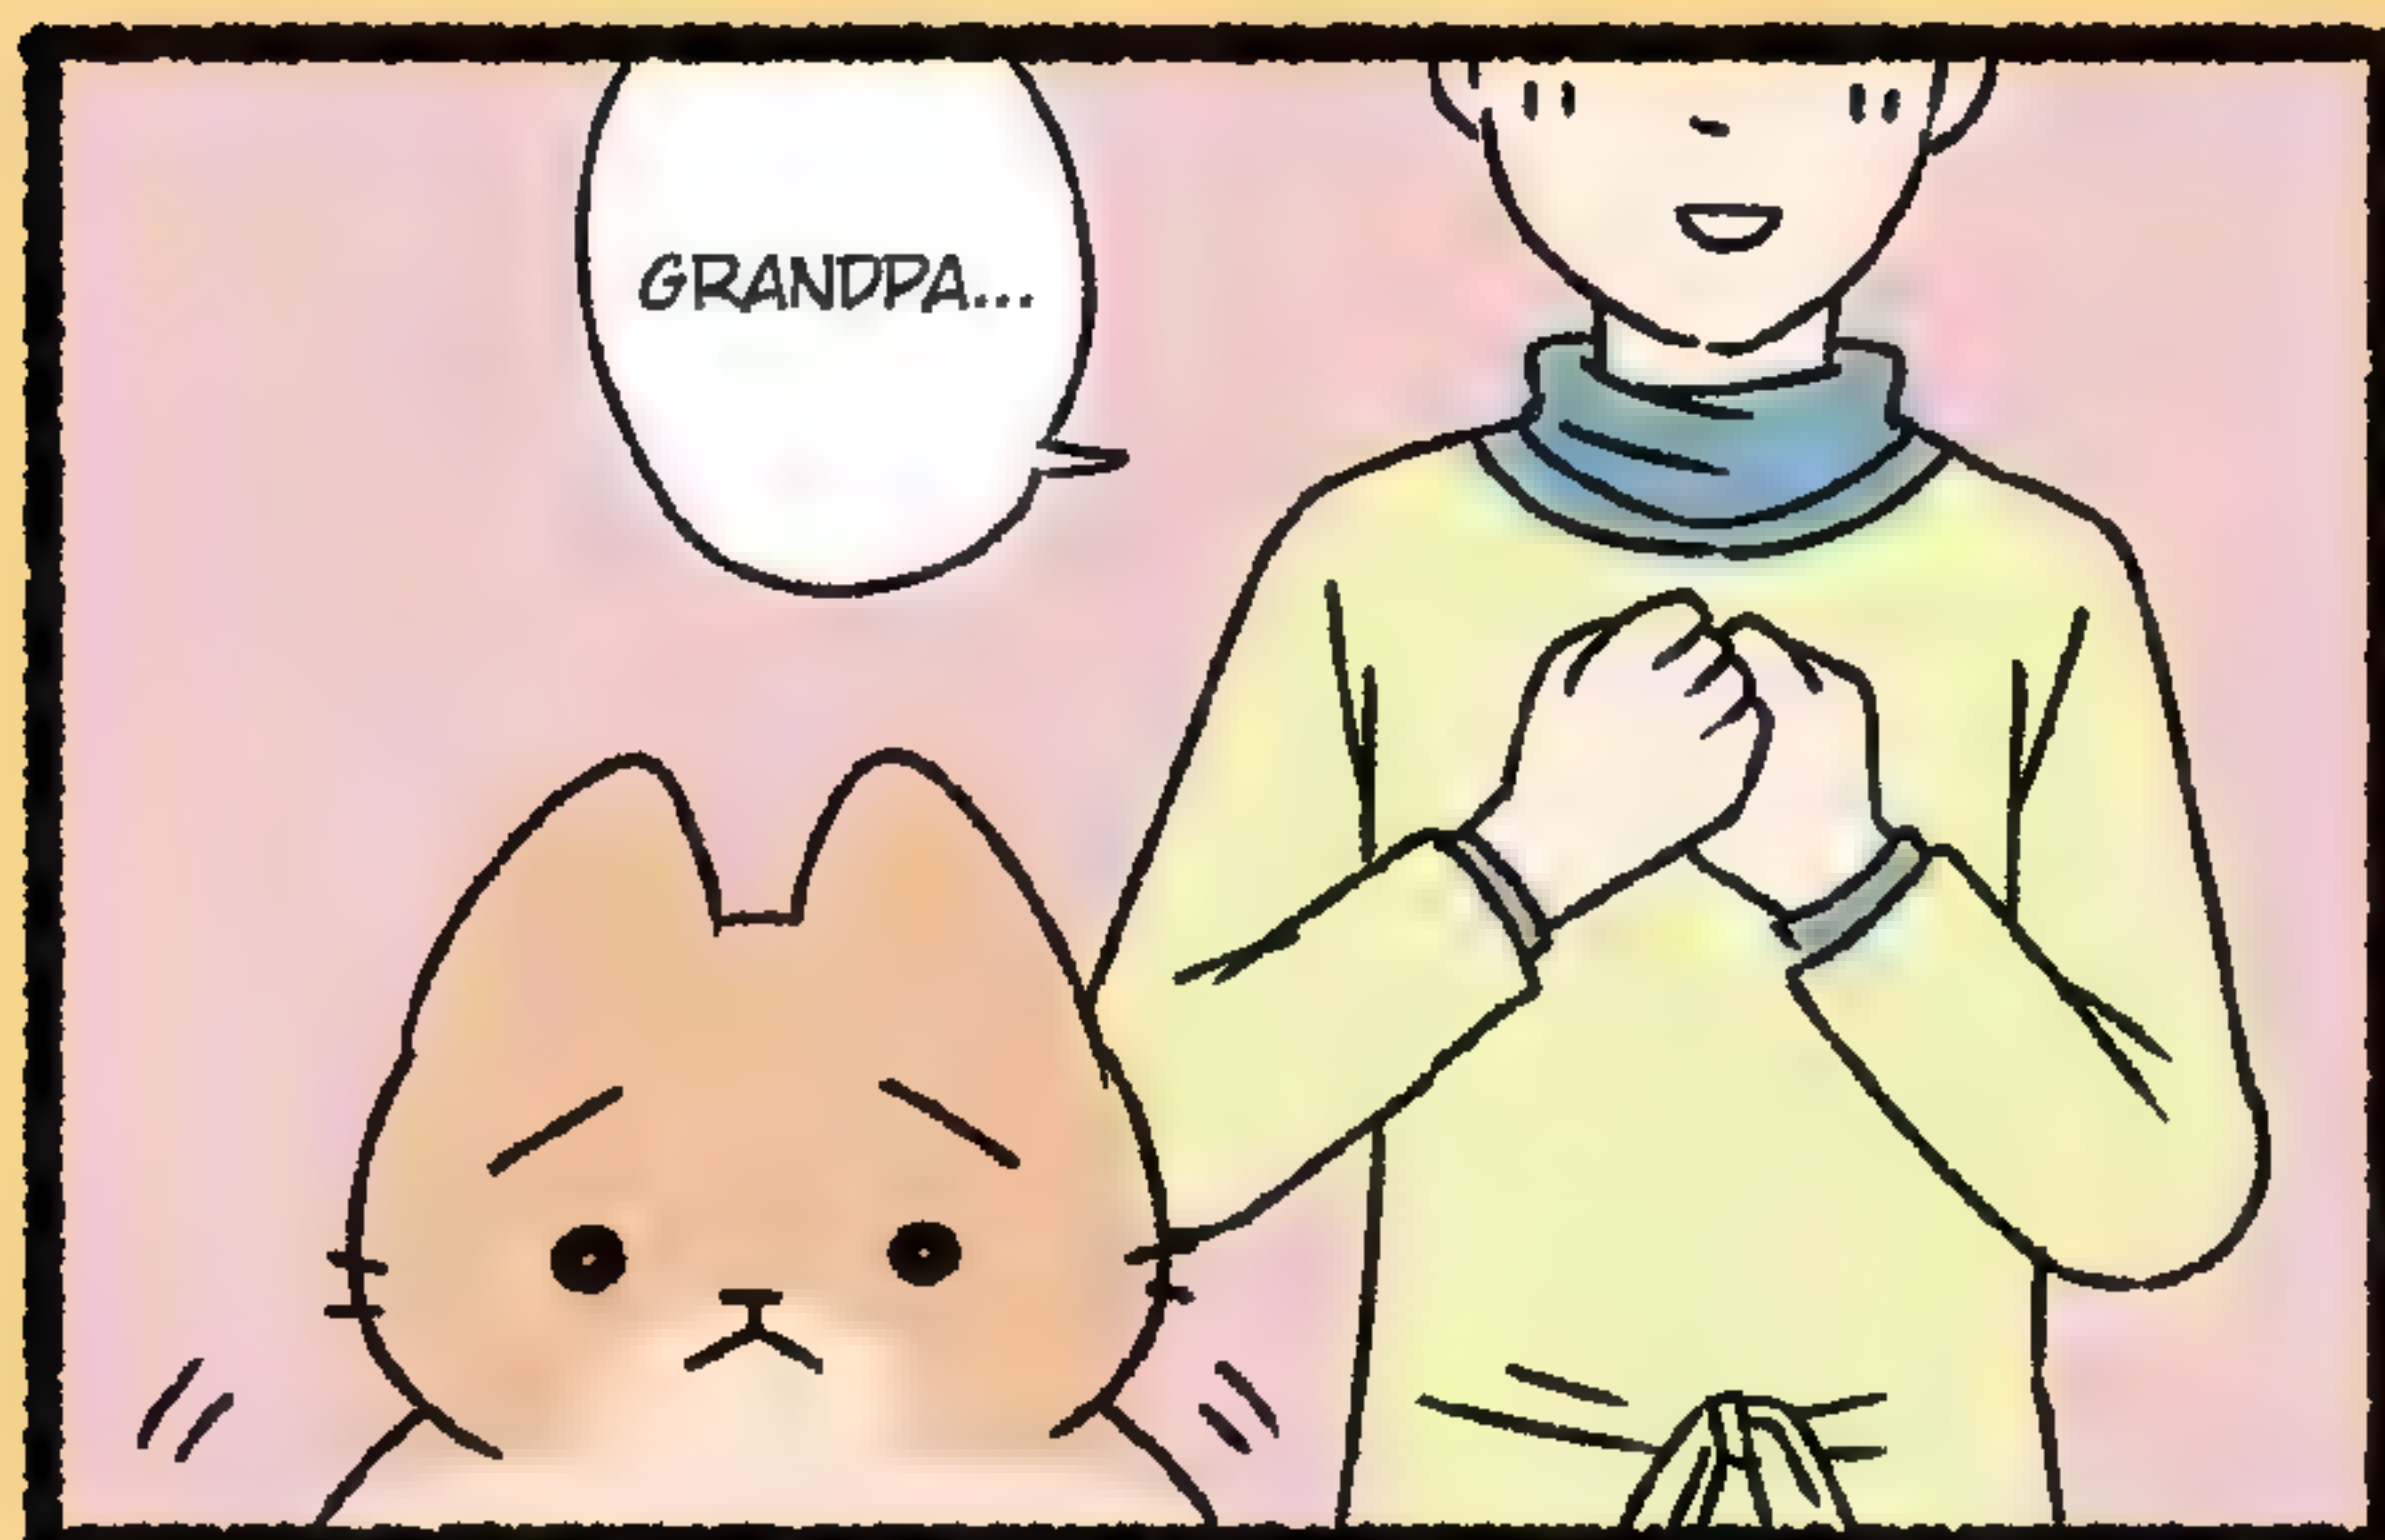

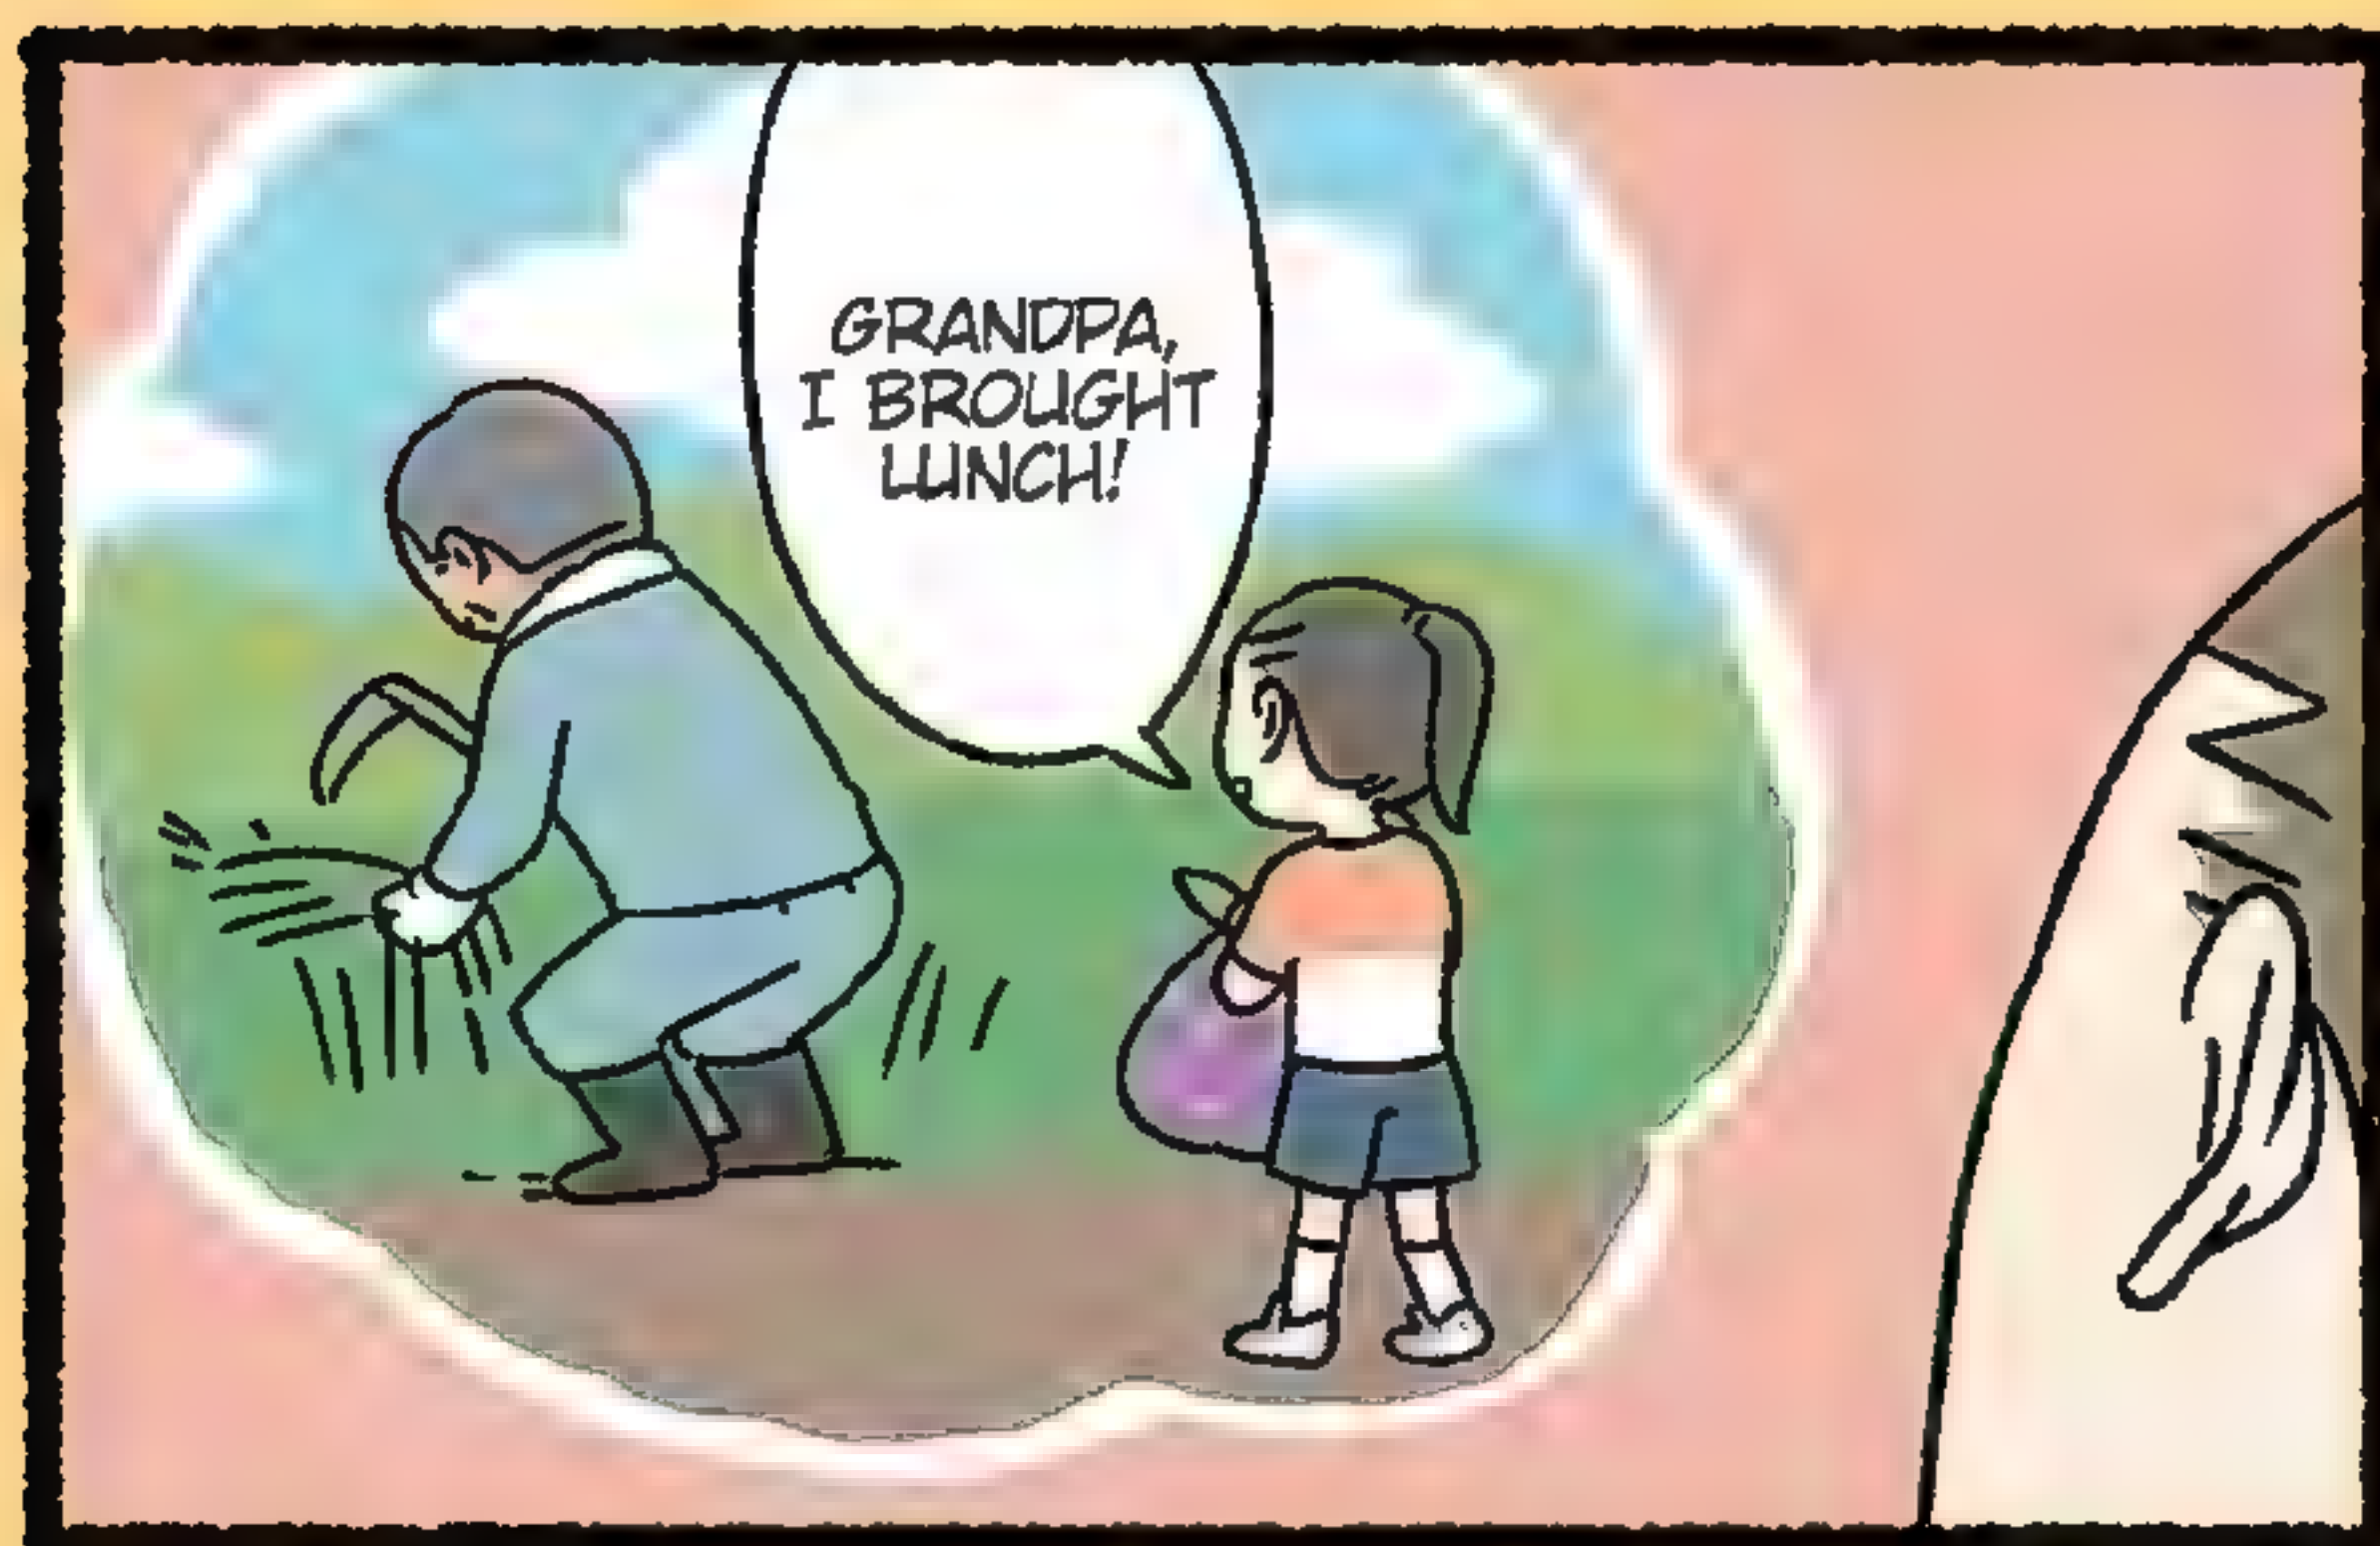

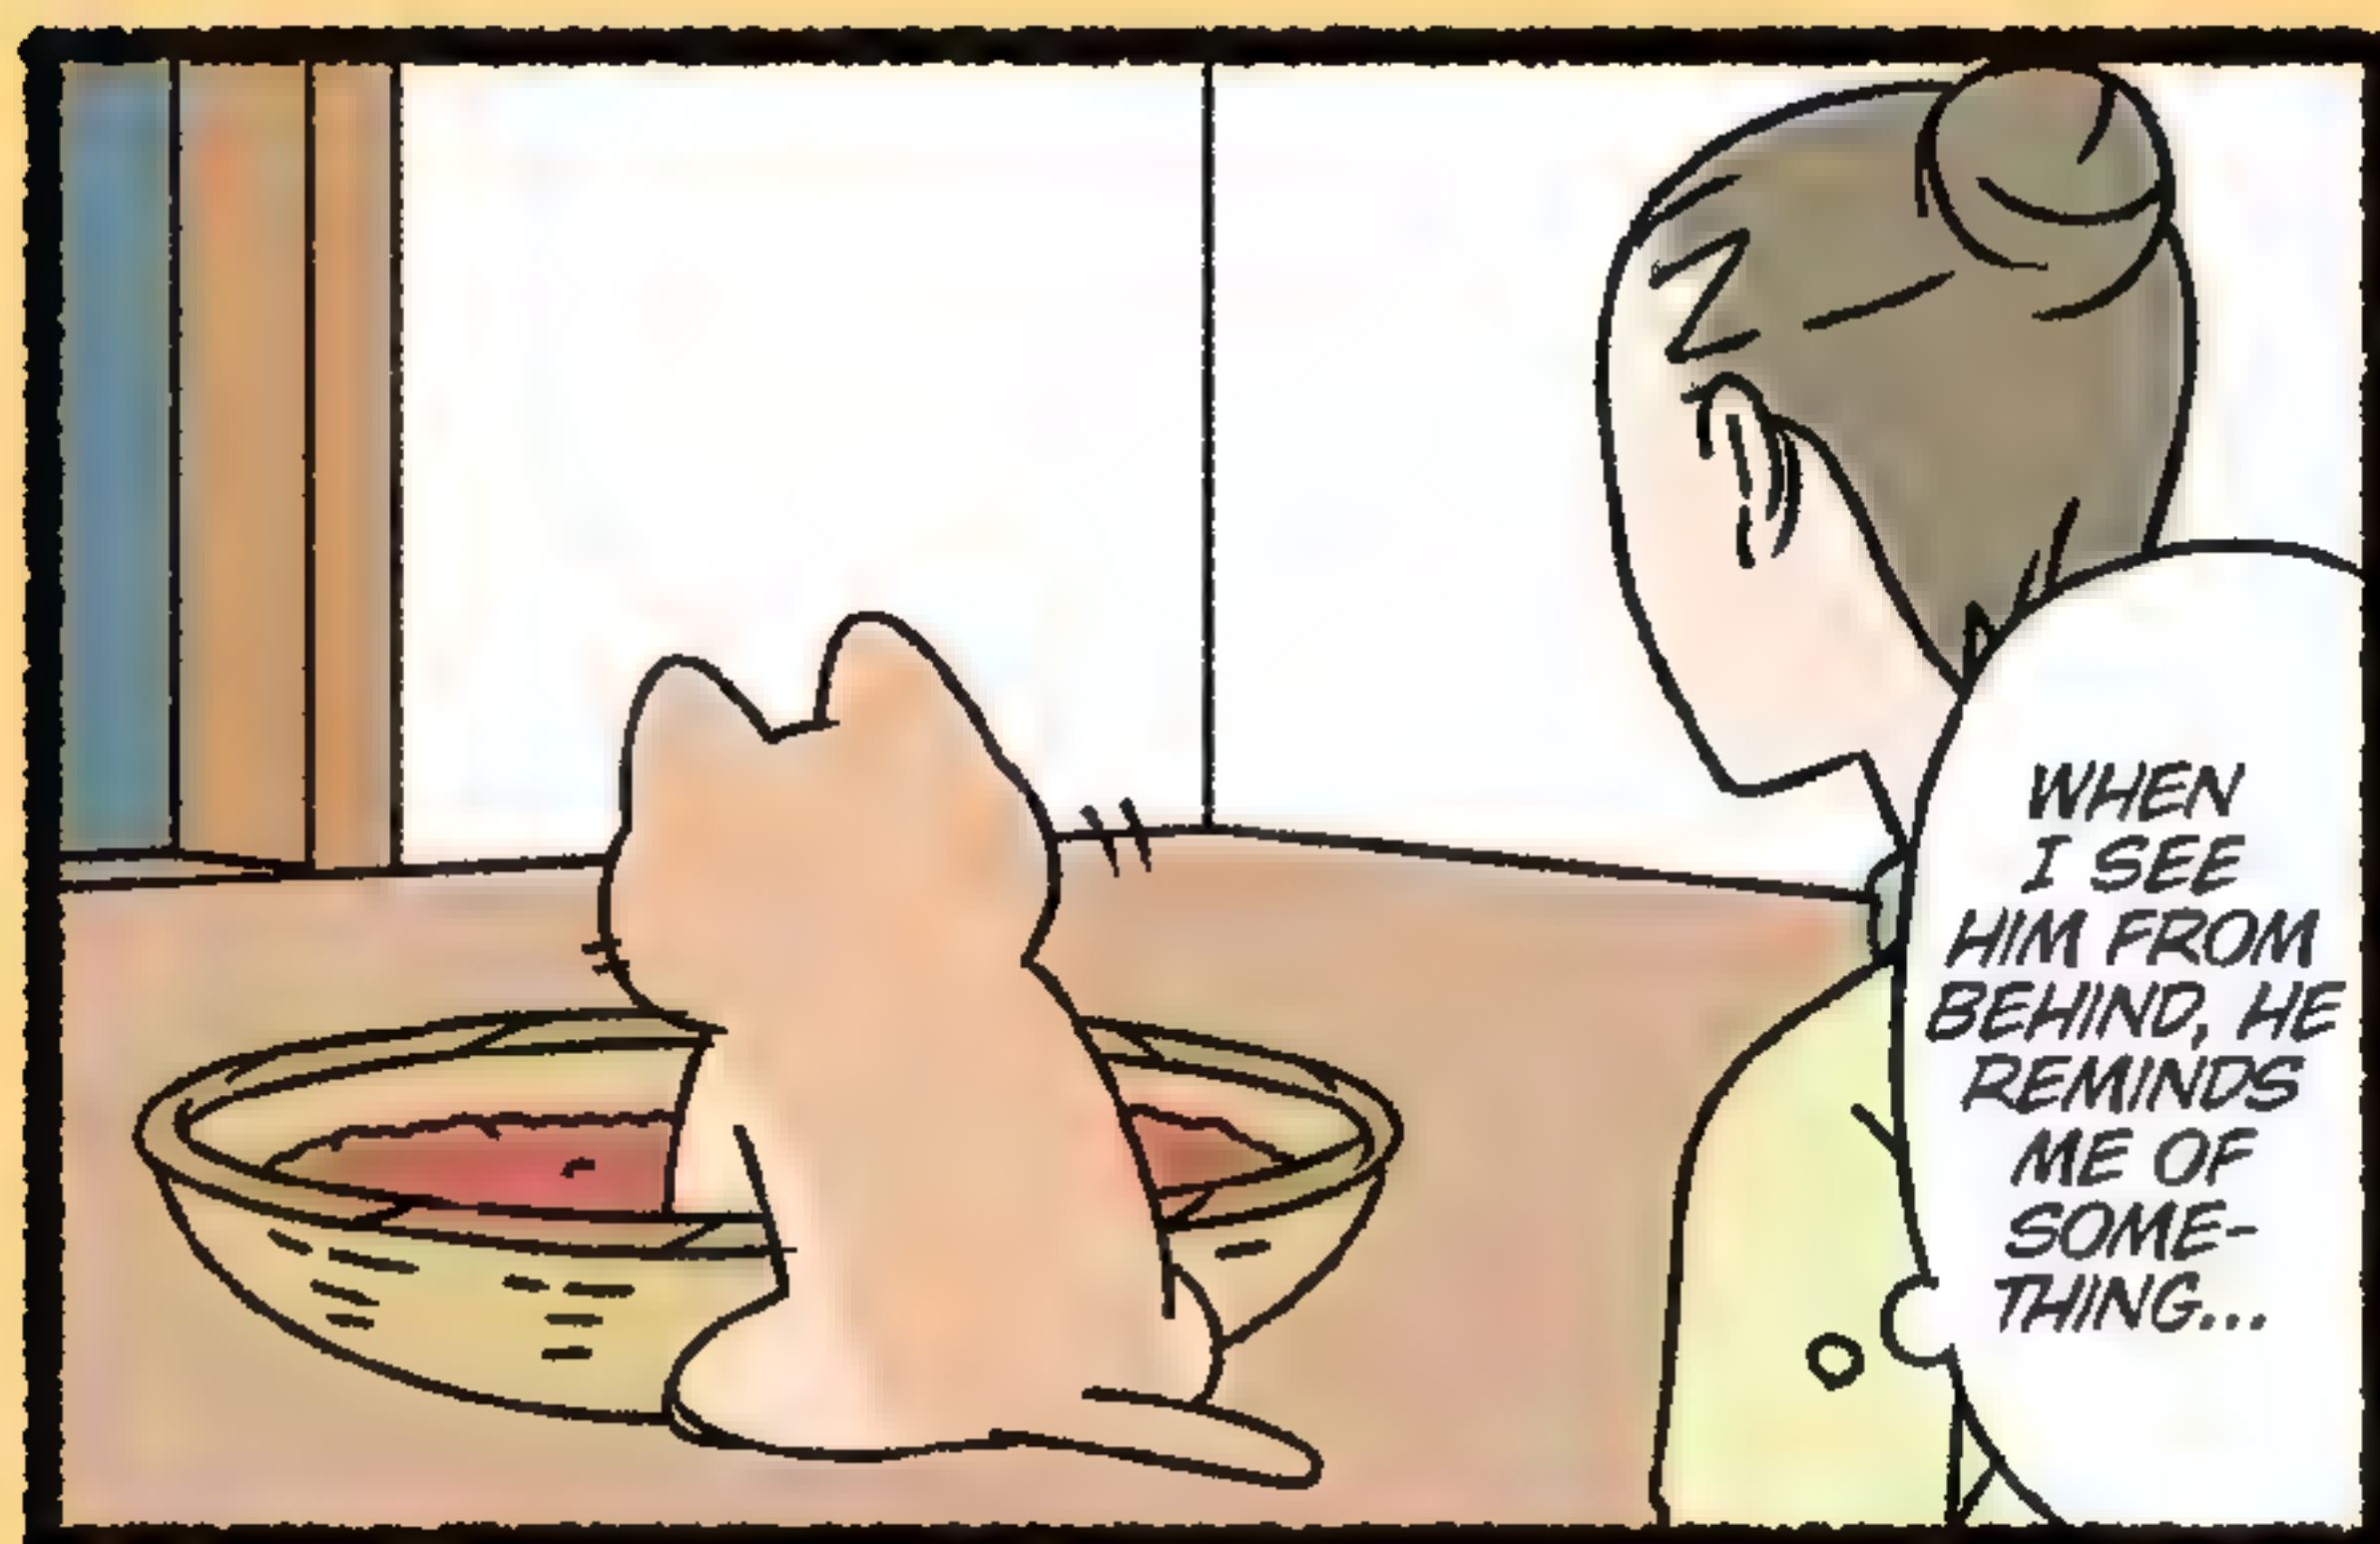

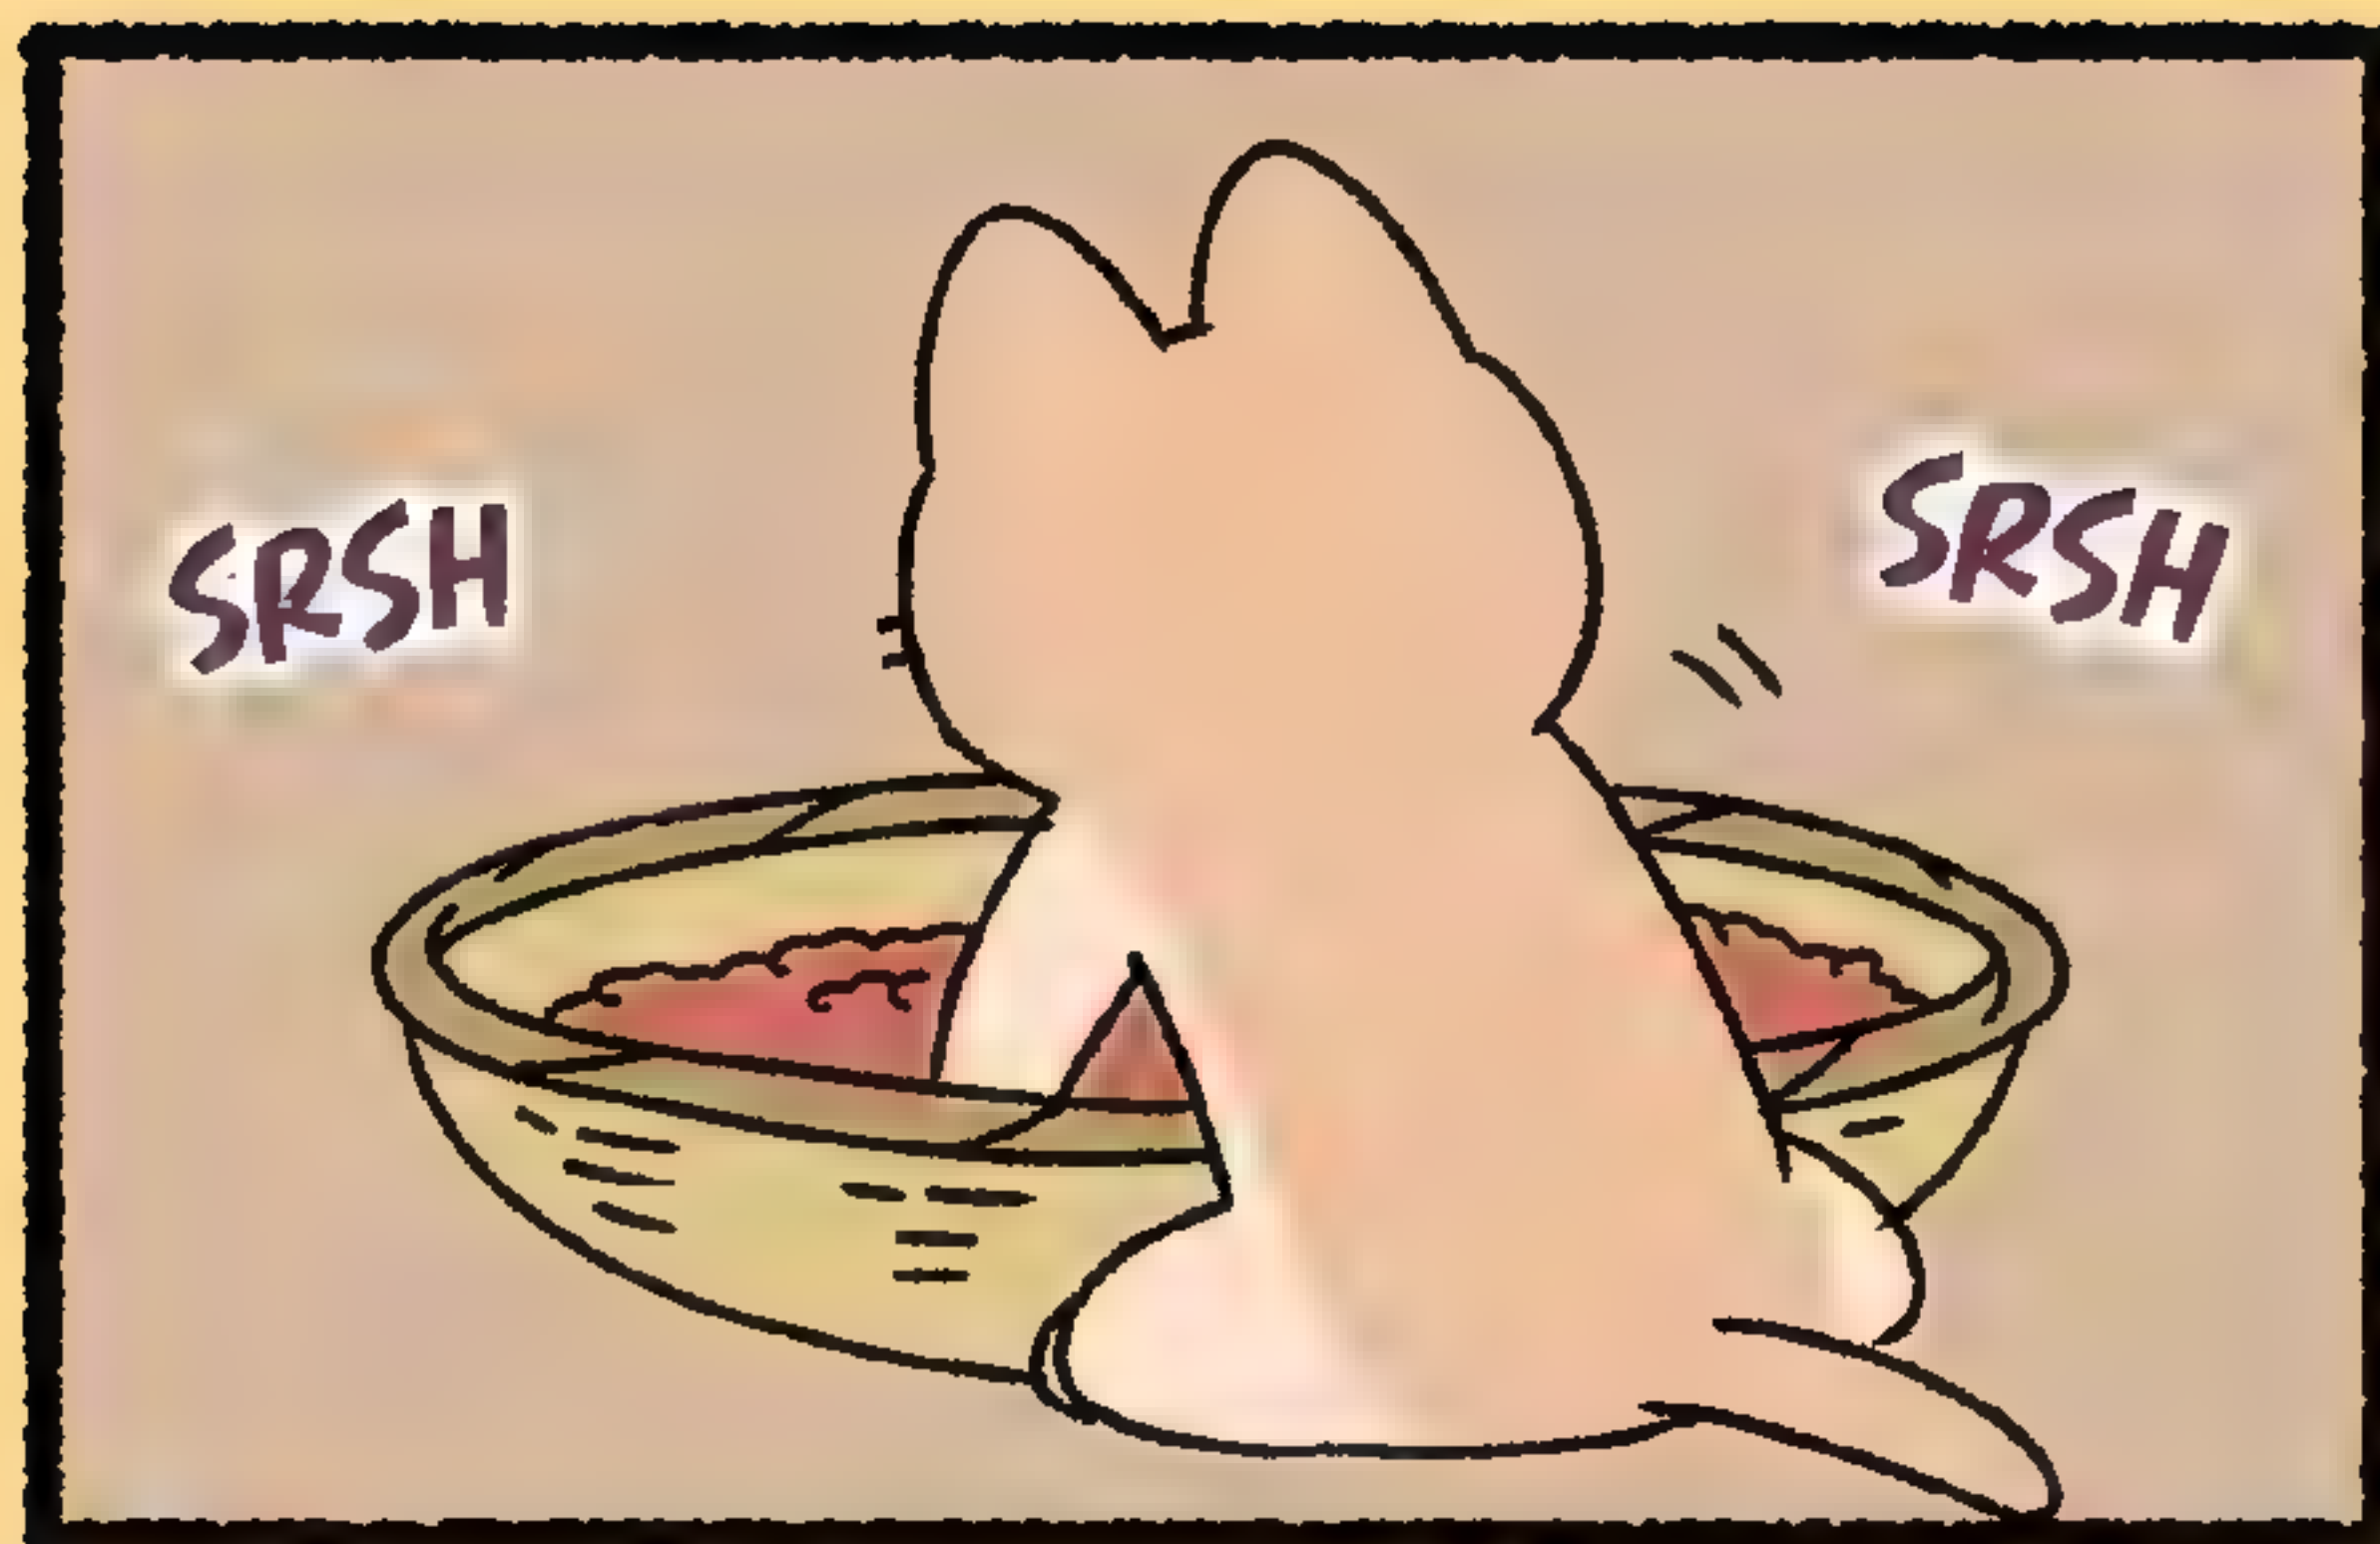

Azuki-arai

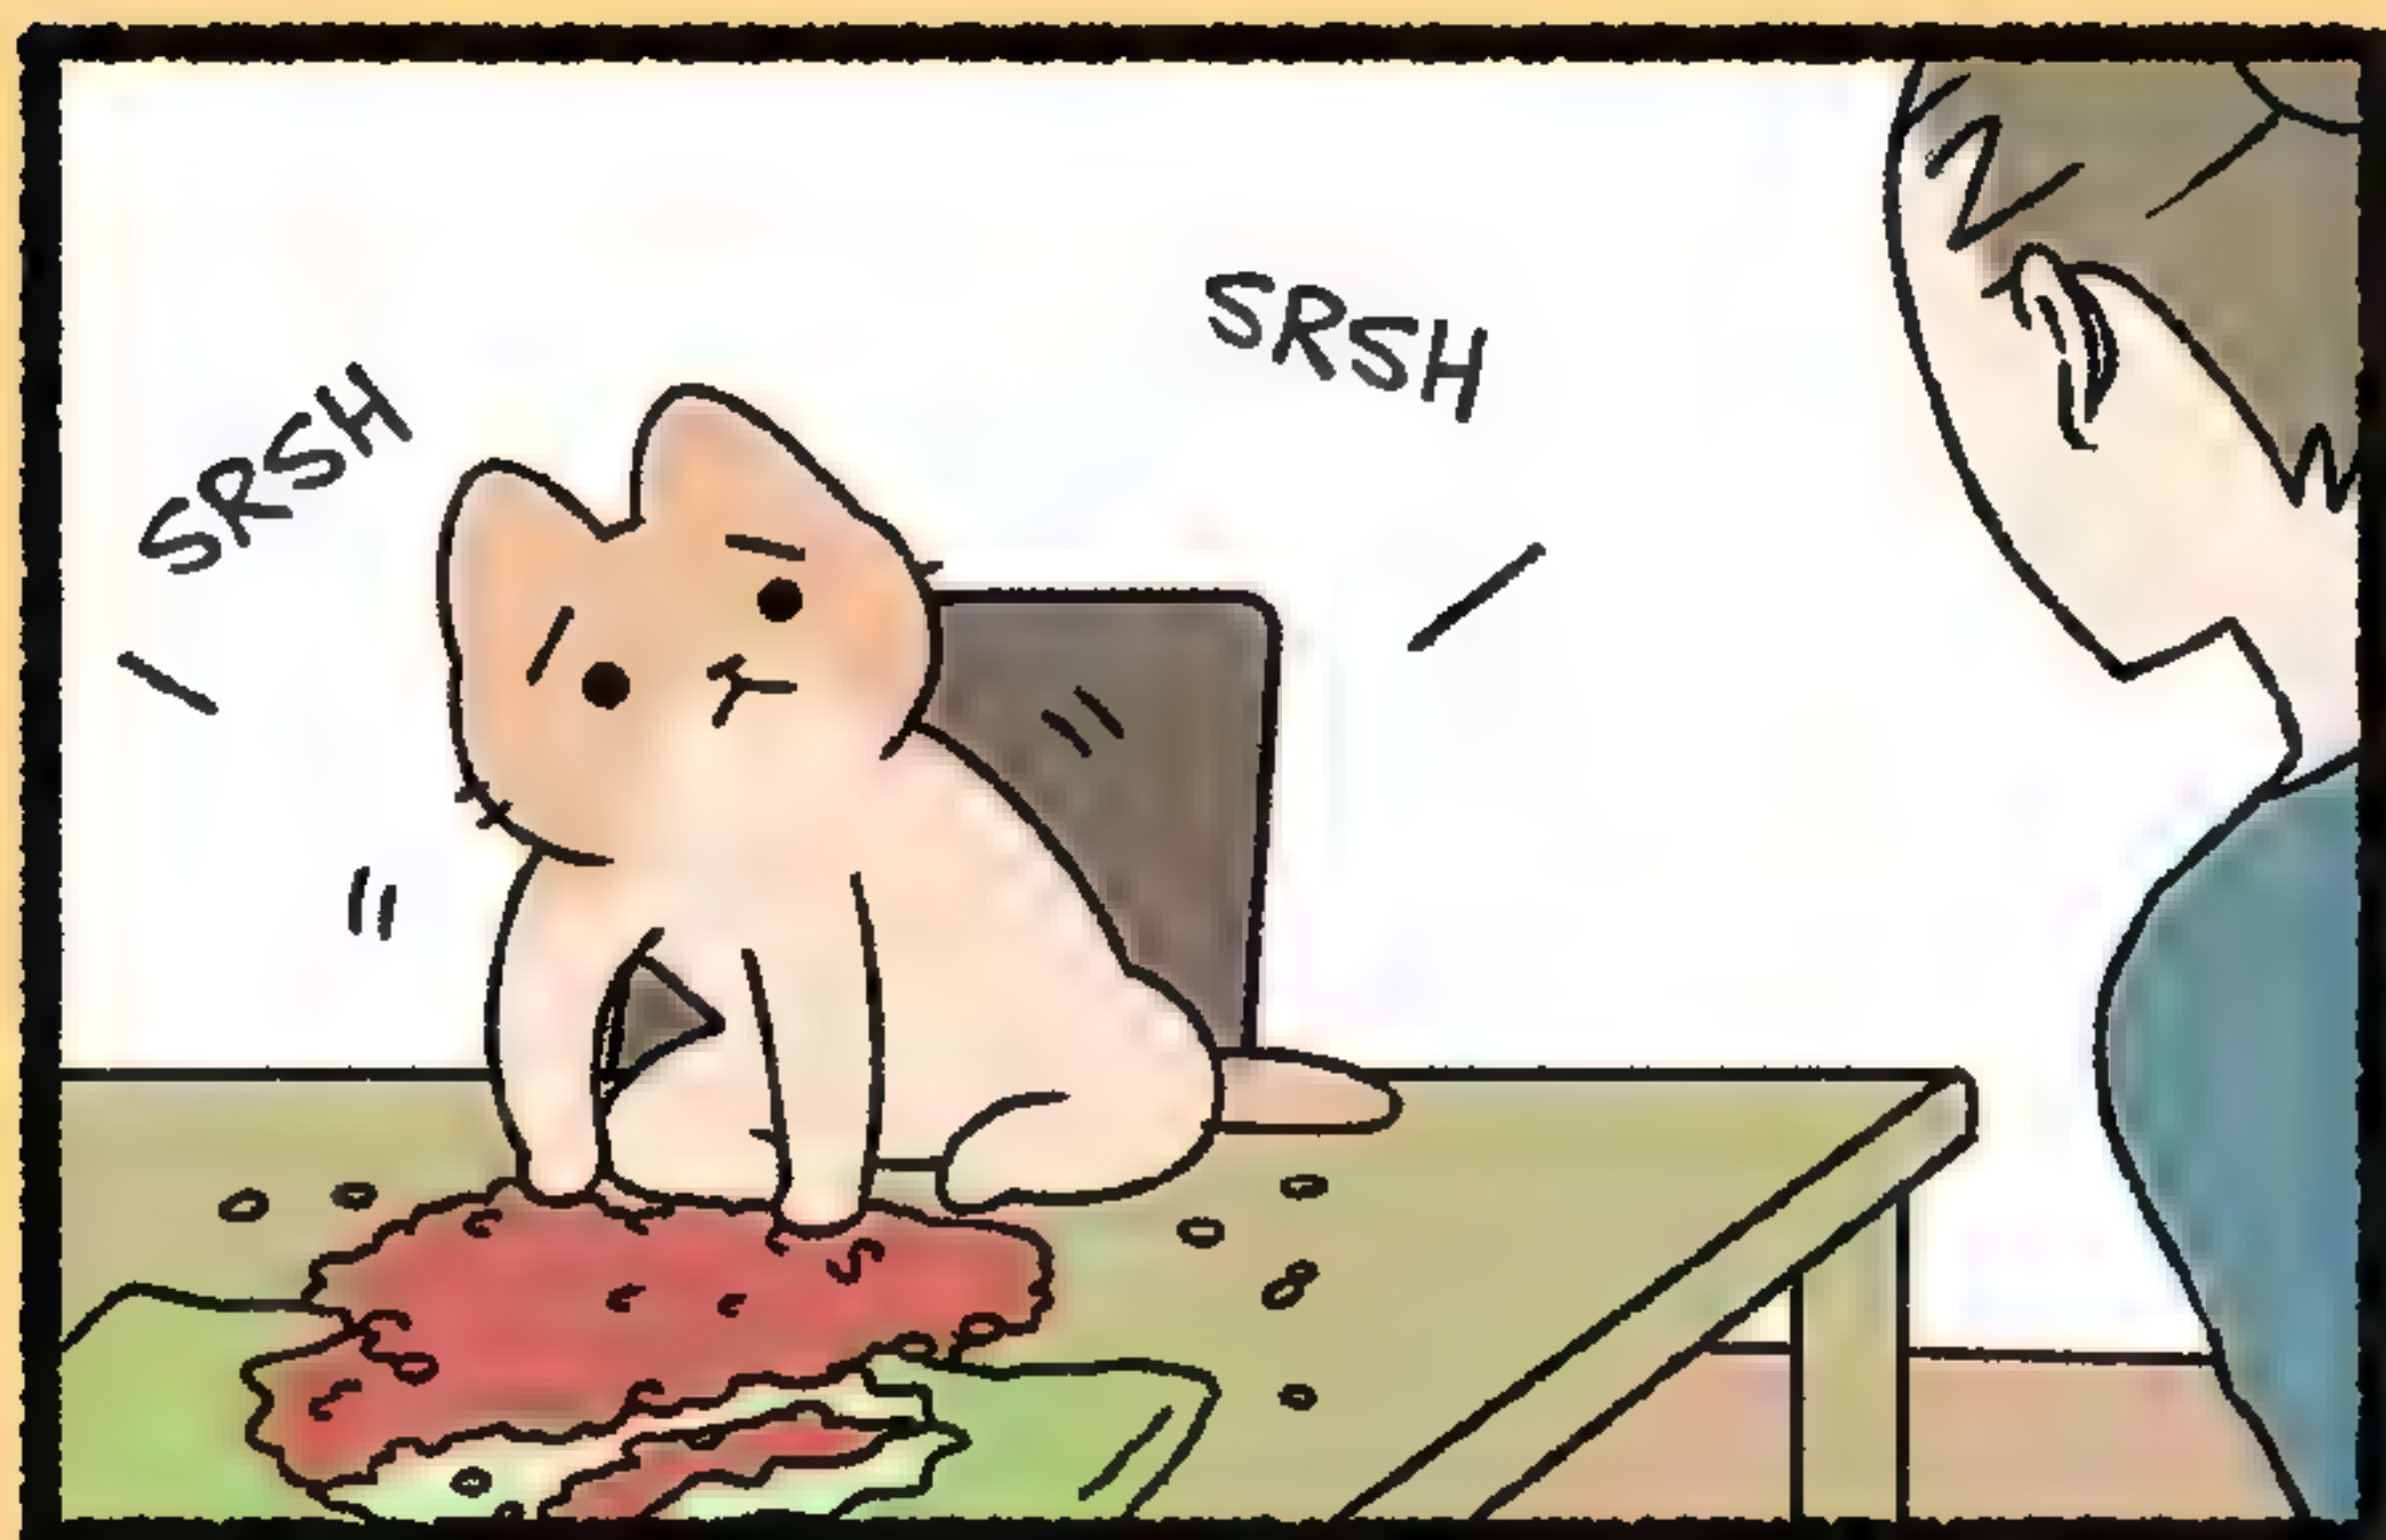

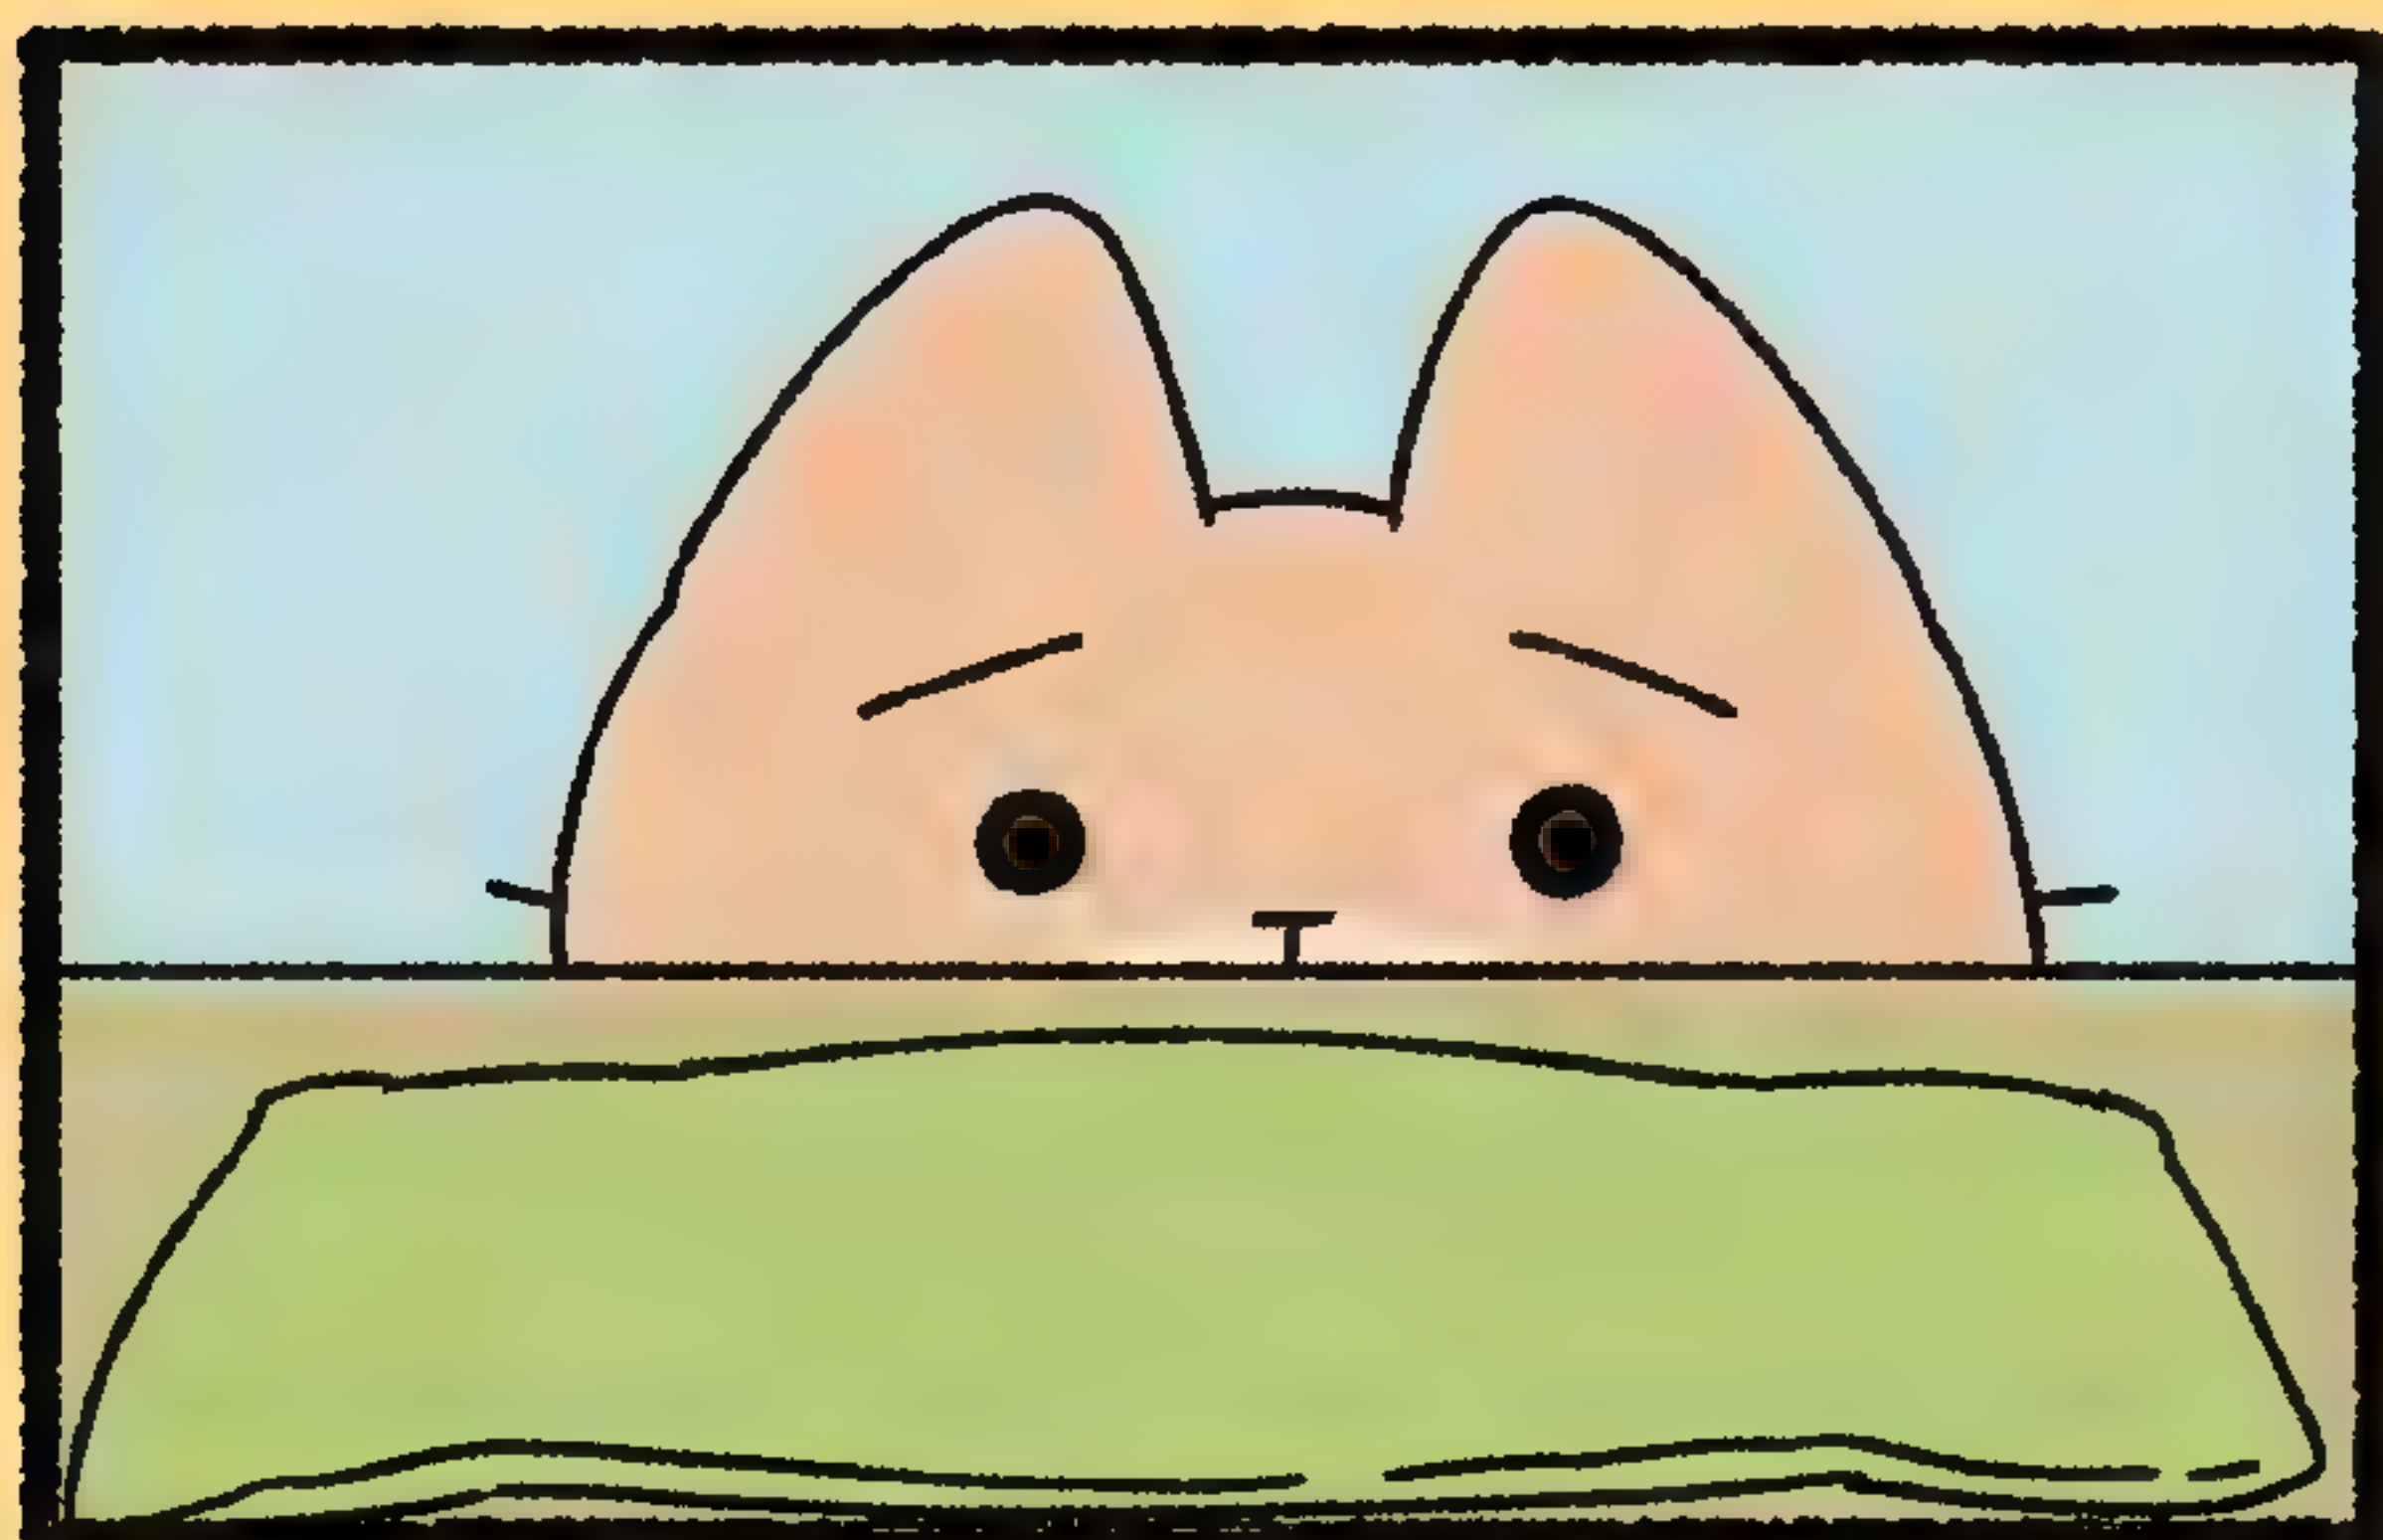

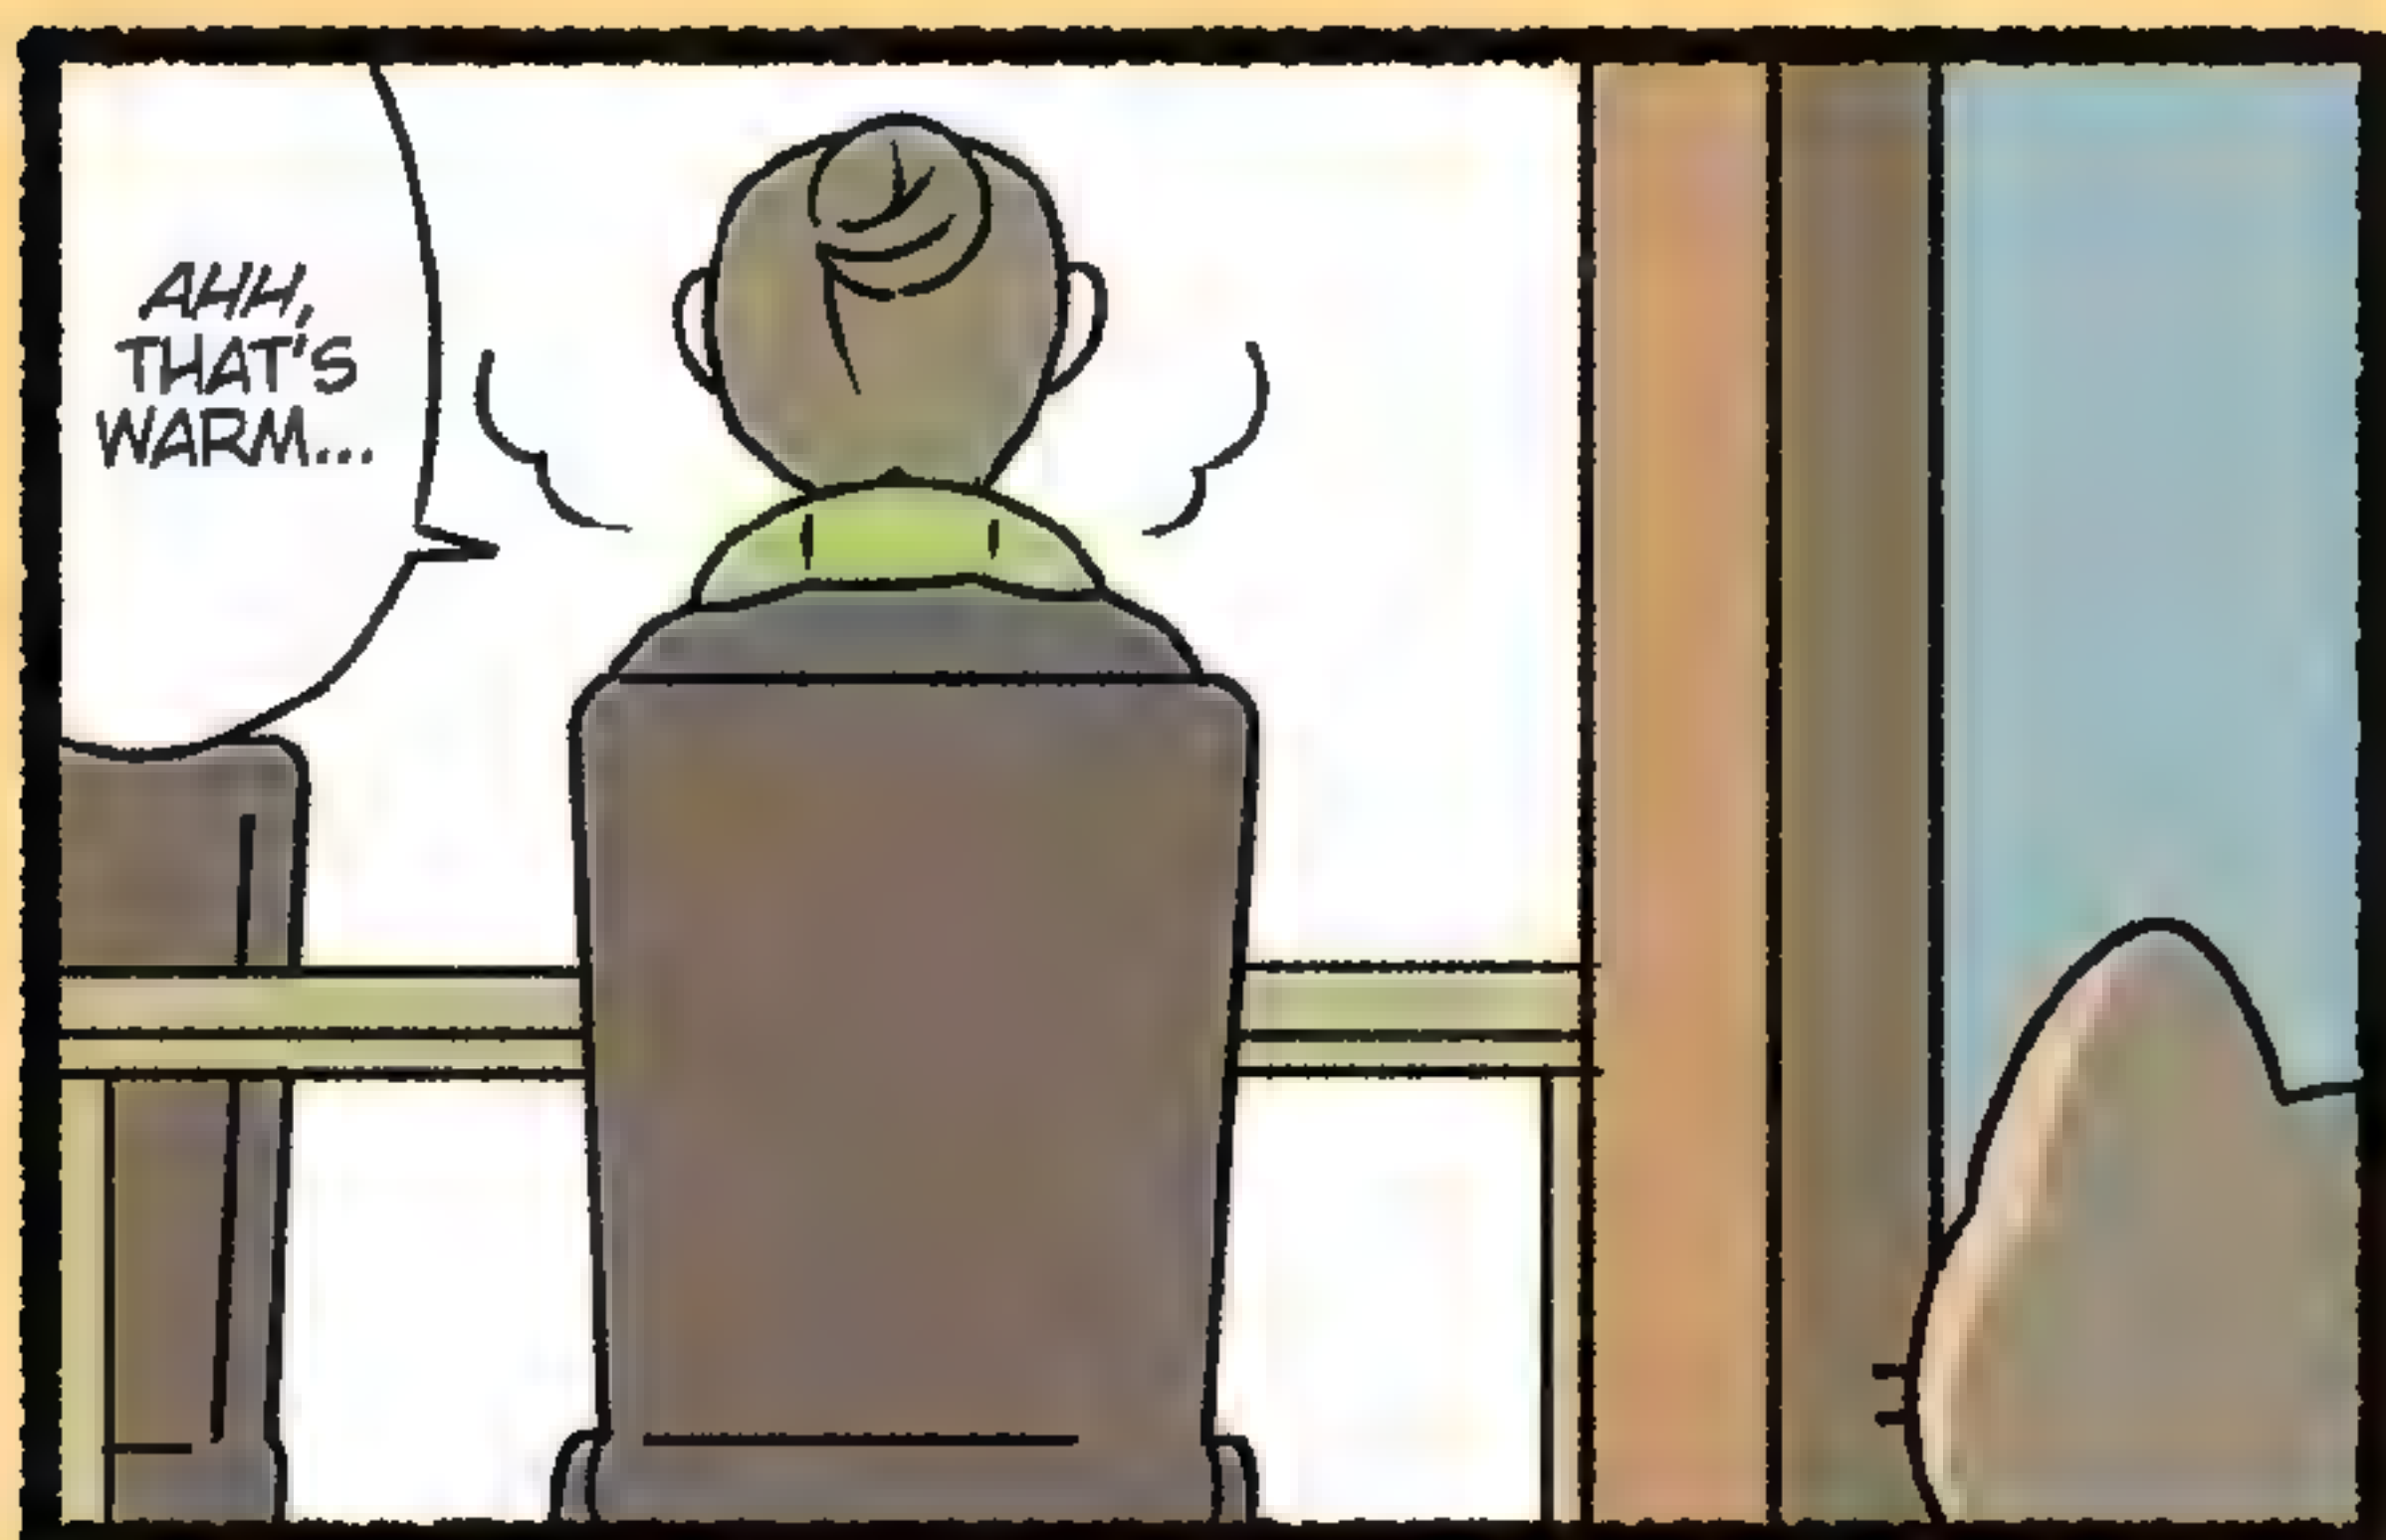

Bean Washer

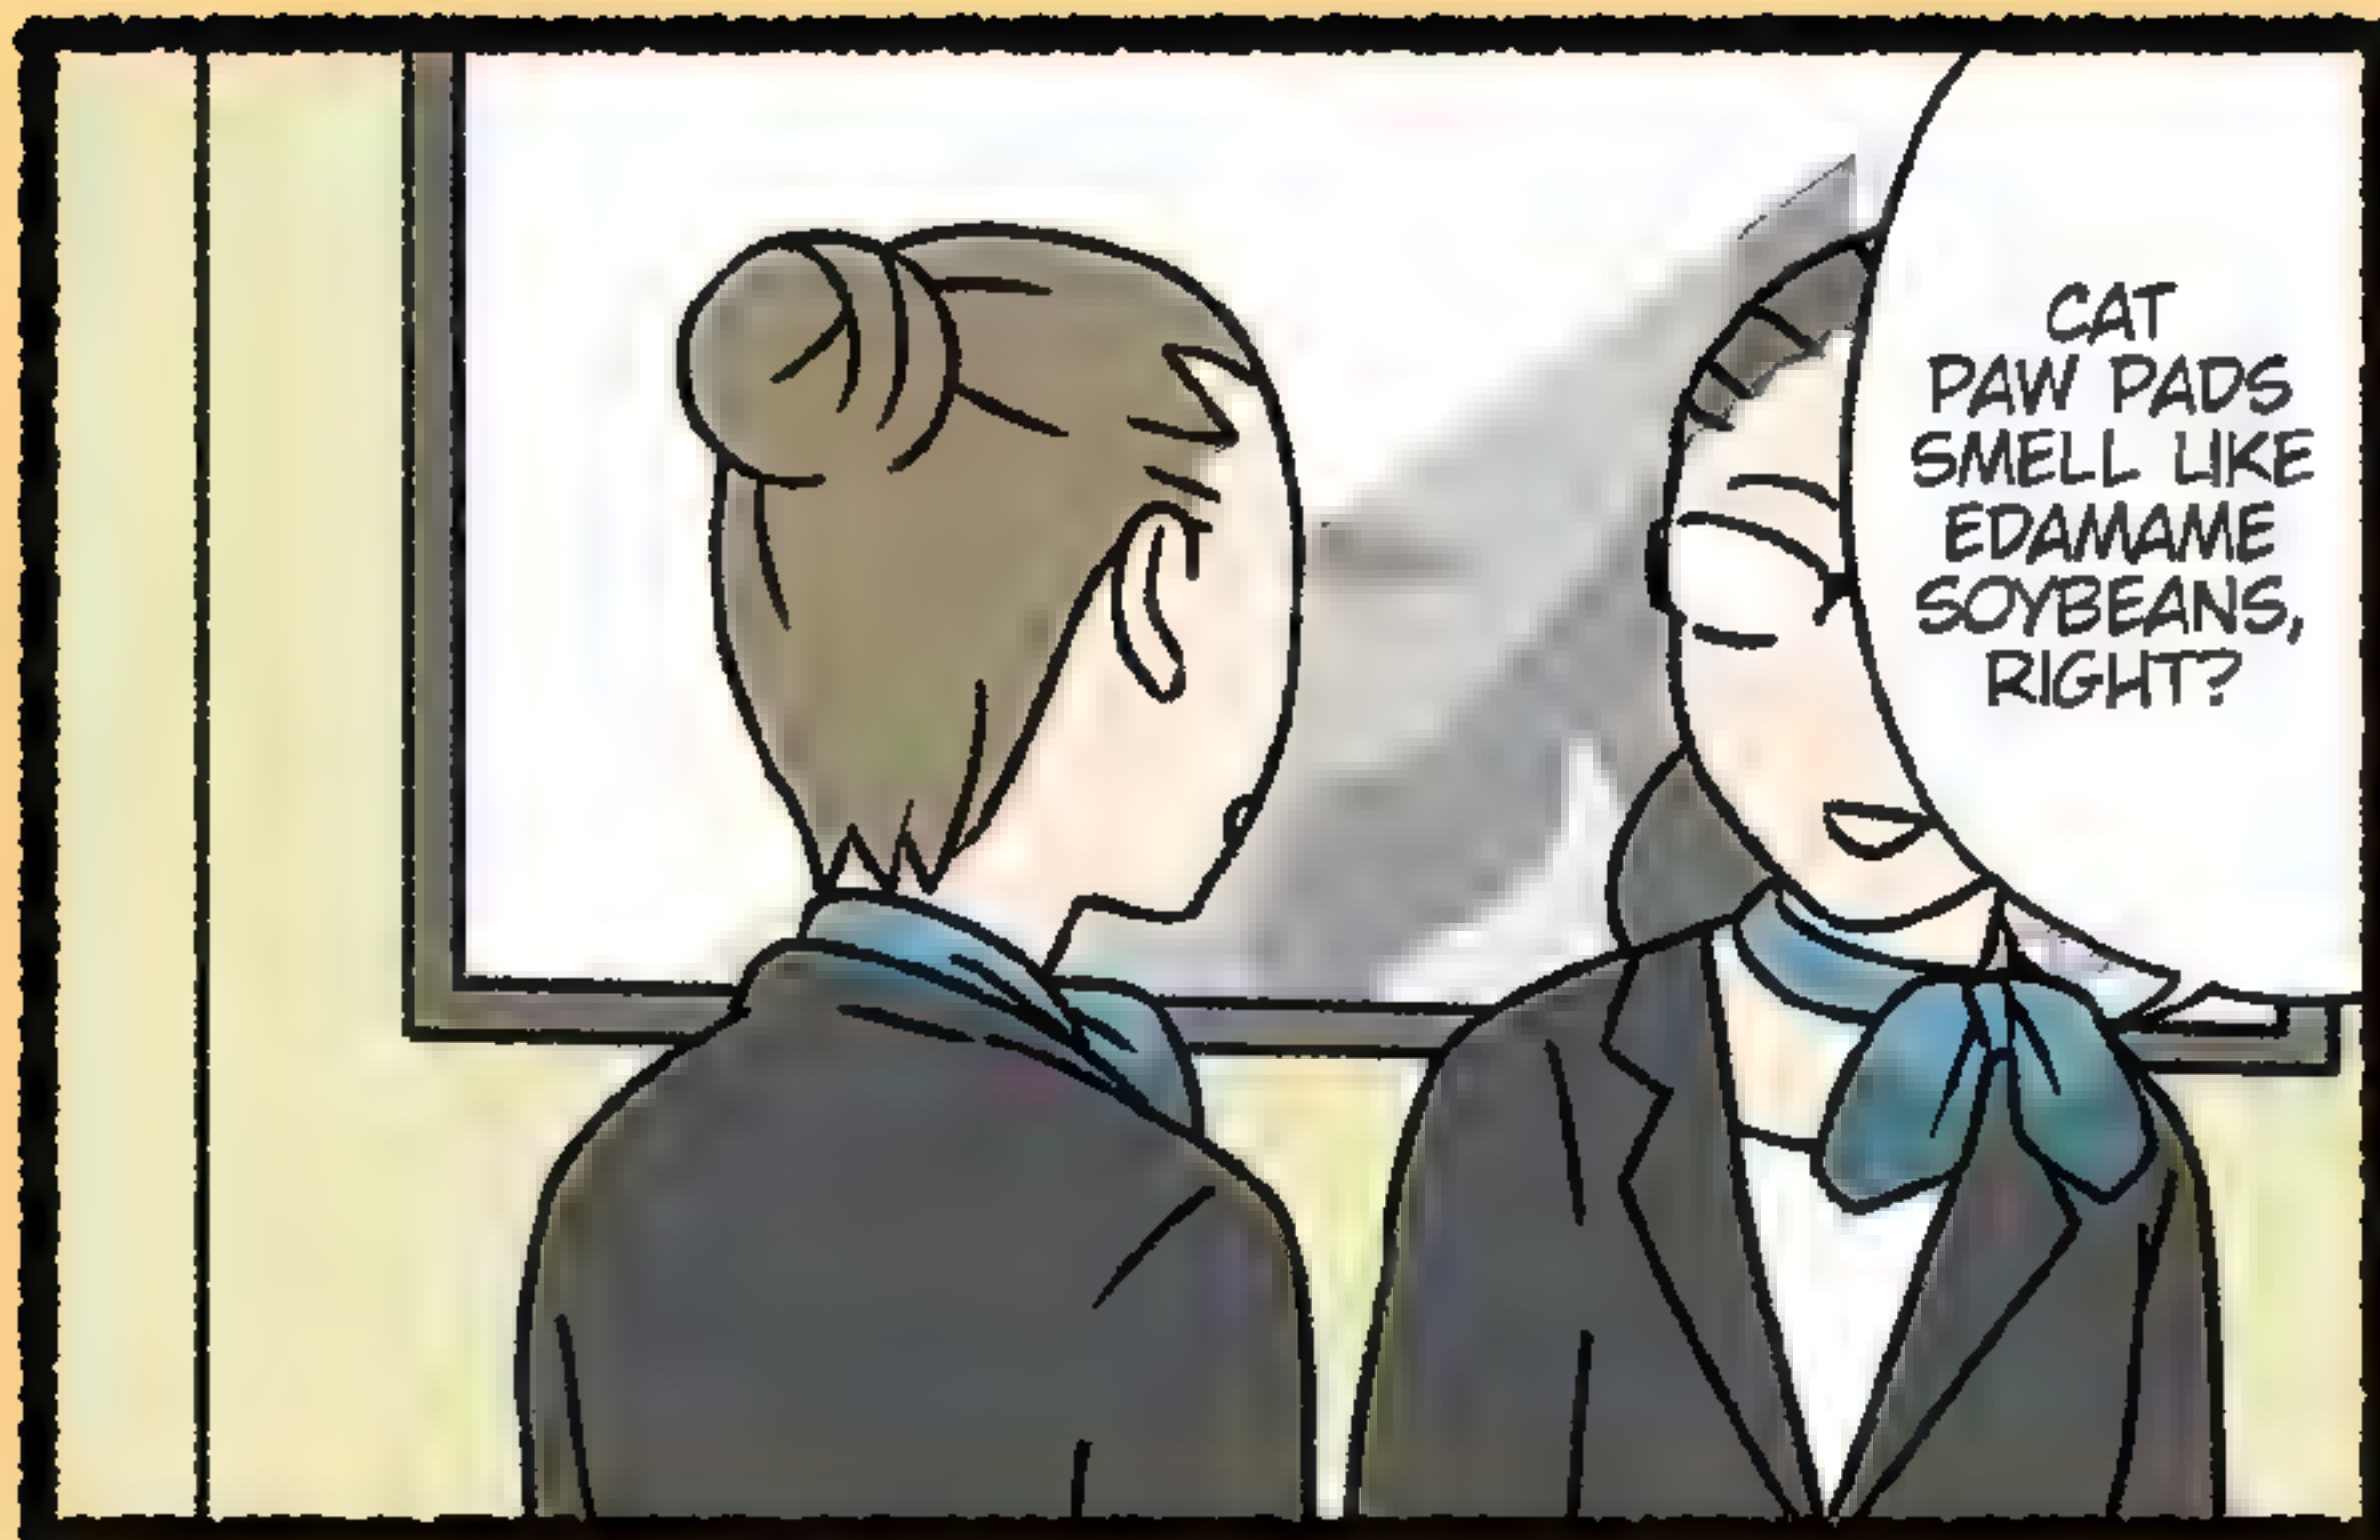

There's
nothing
it loves
more than
washing
azuki
beans.

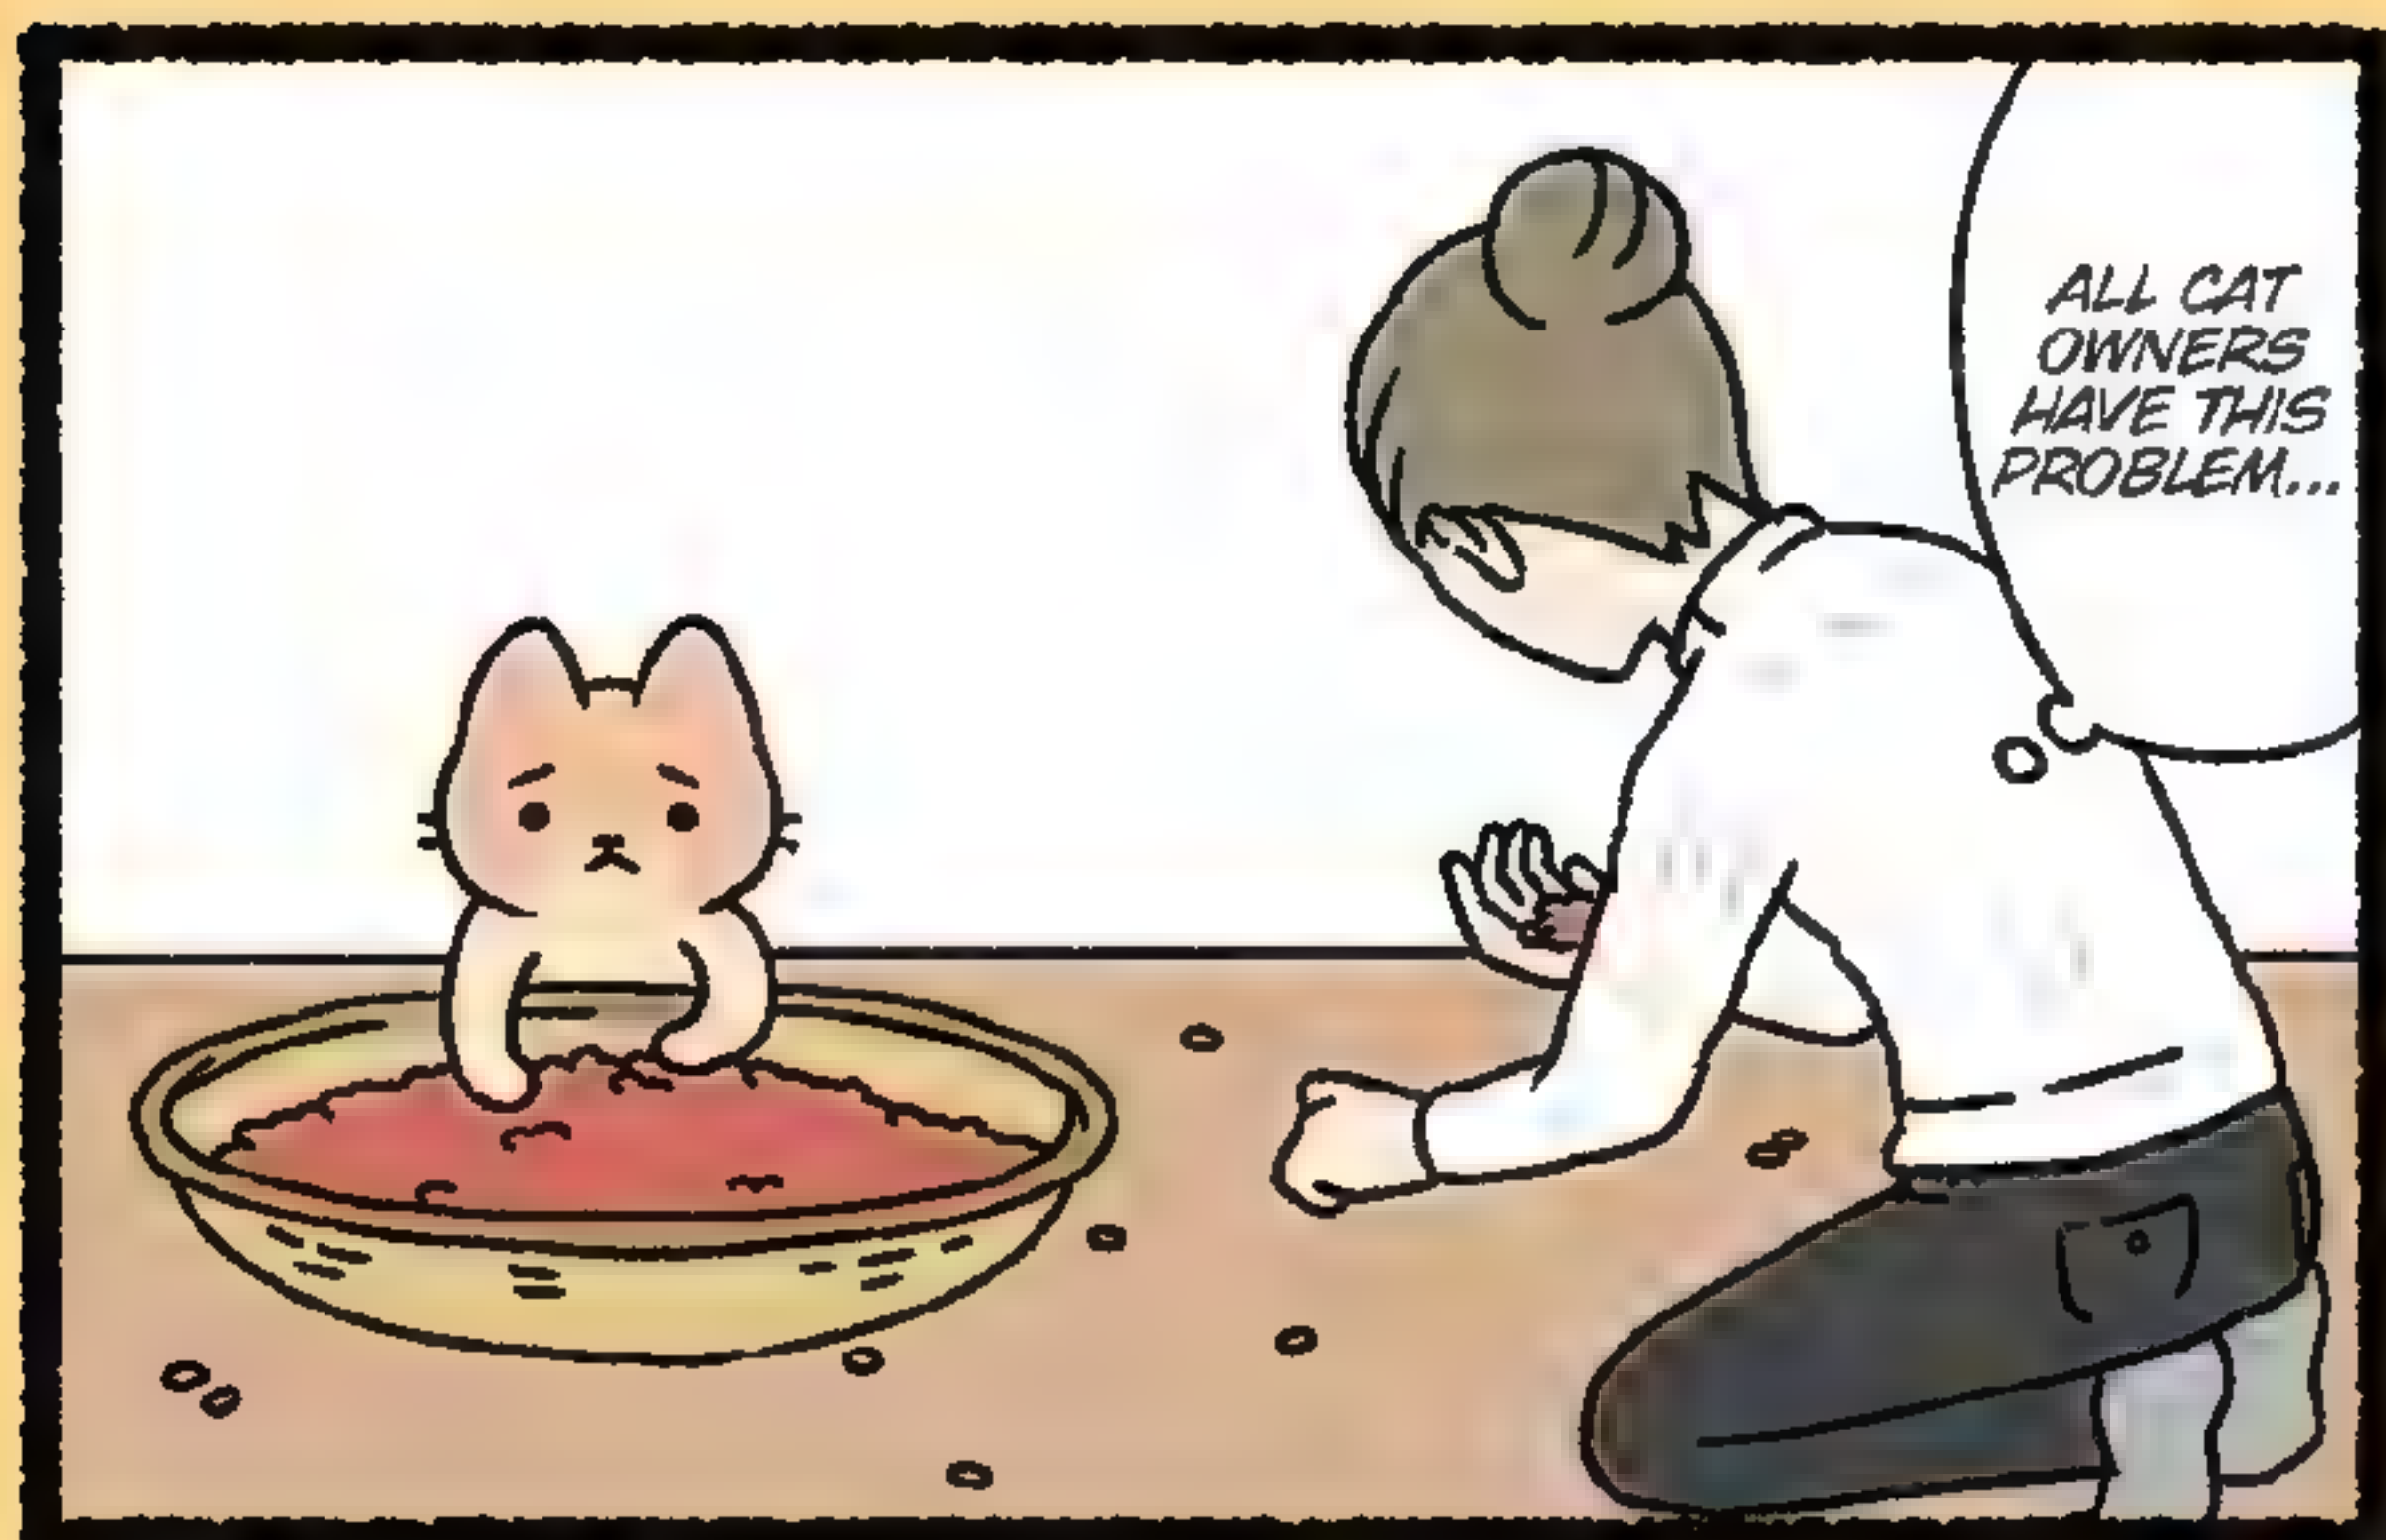

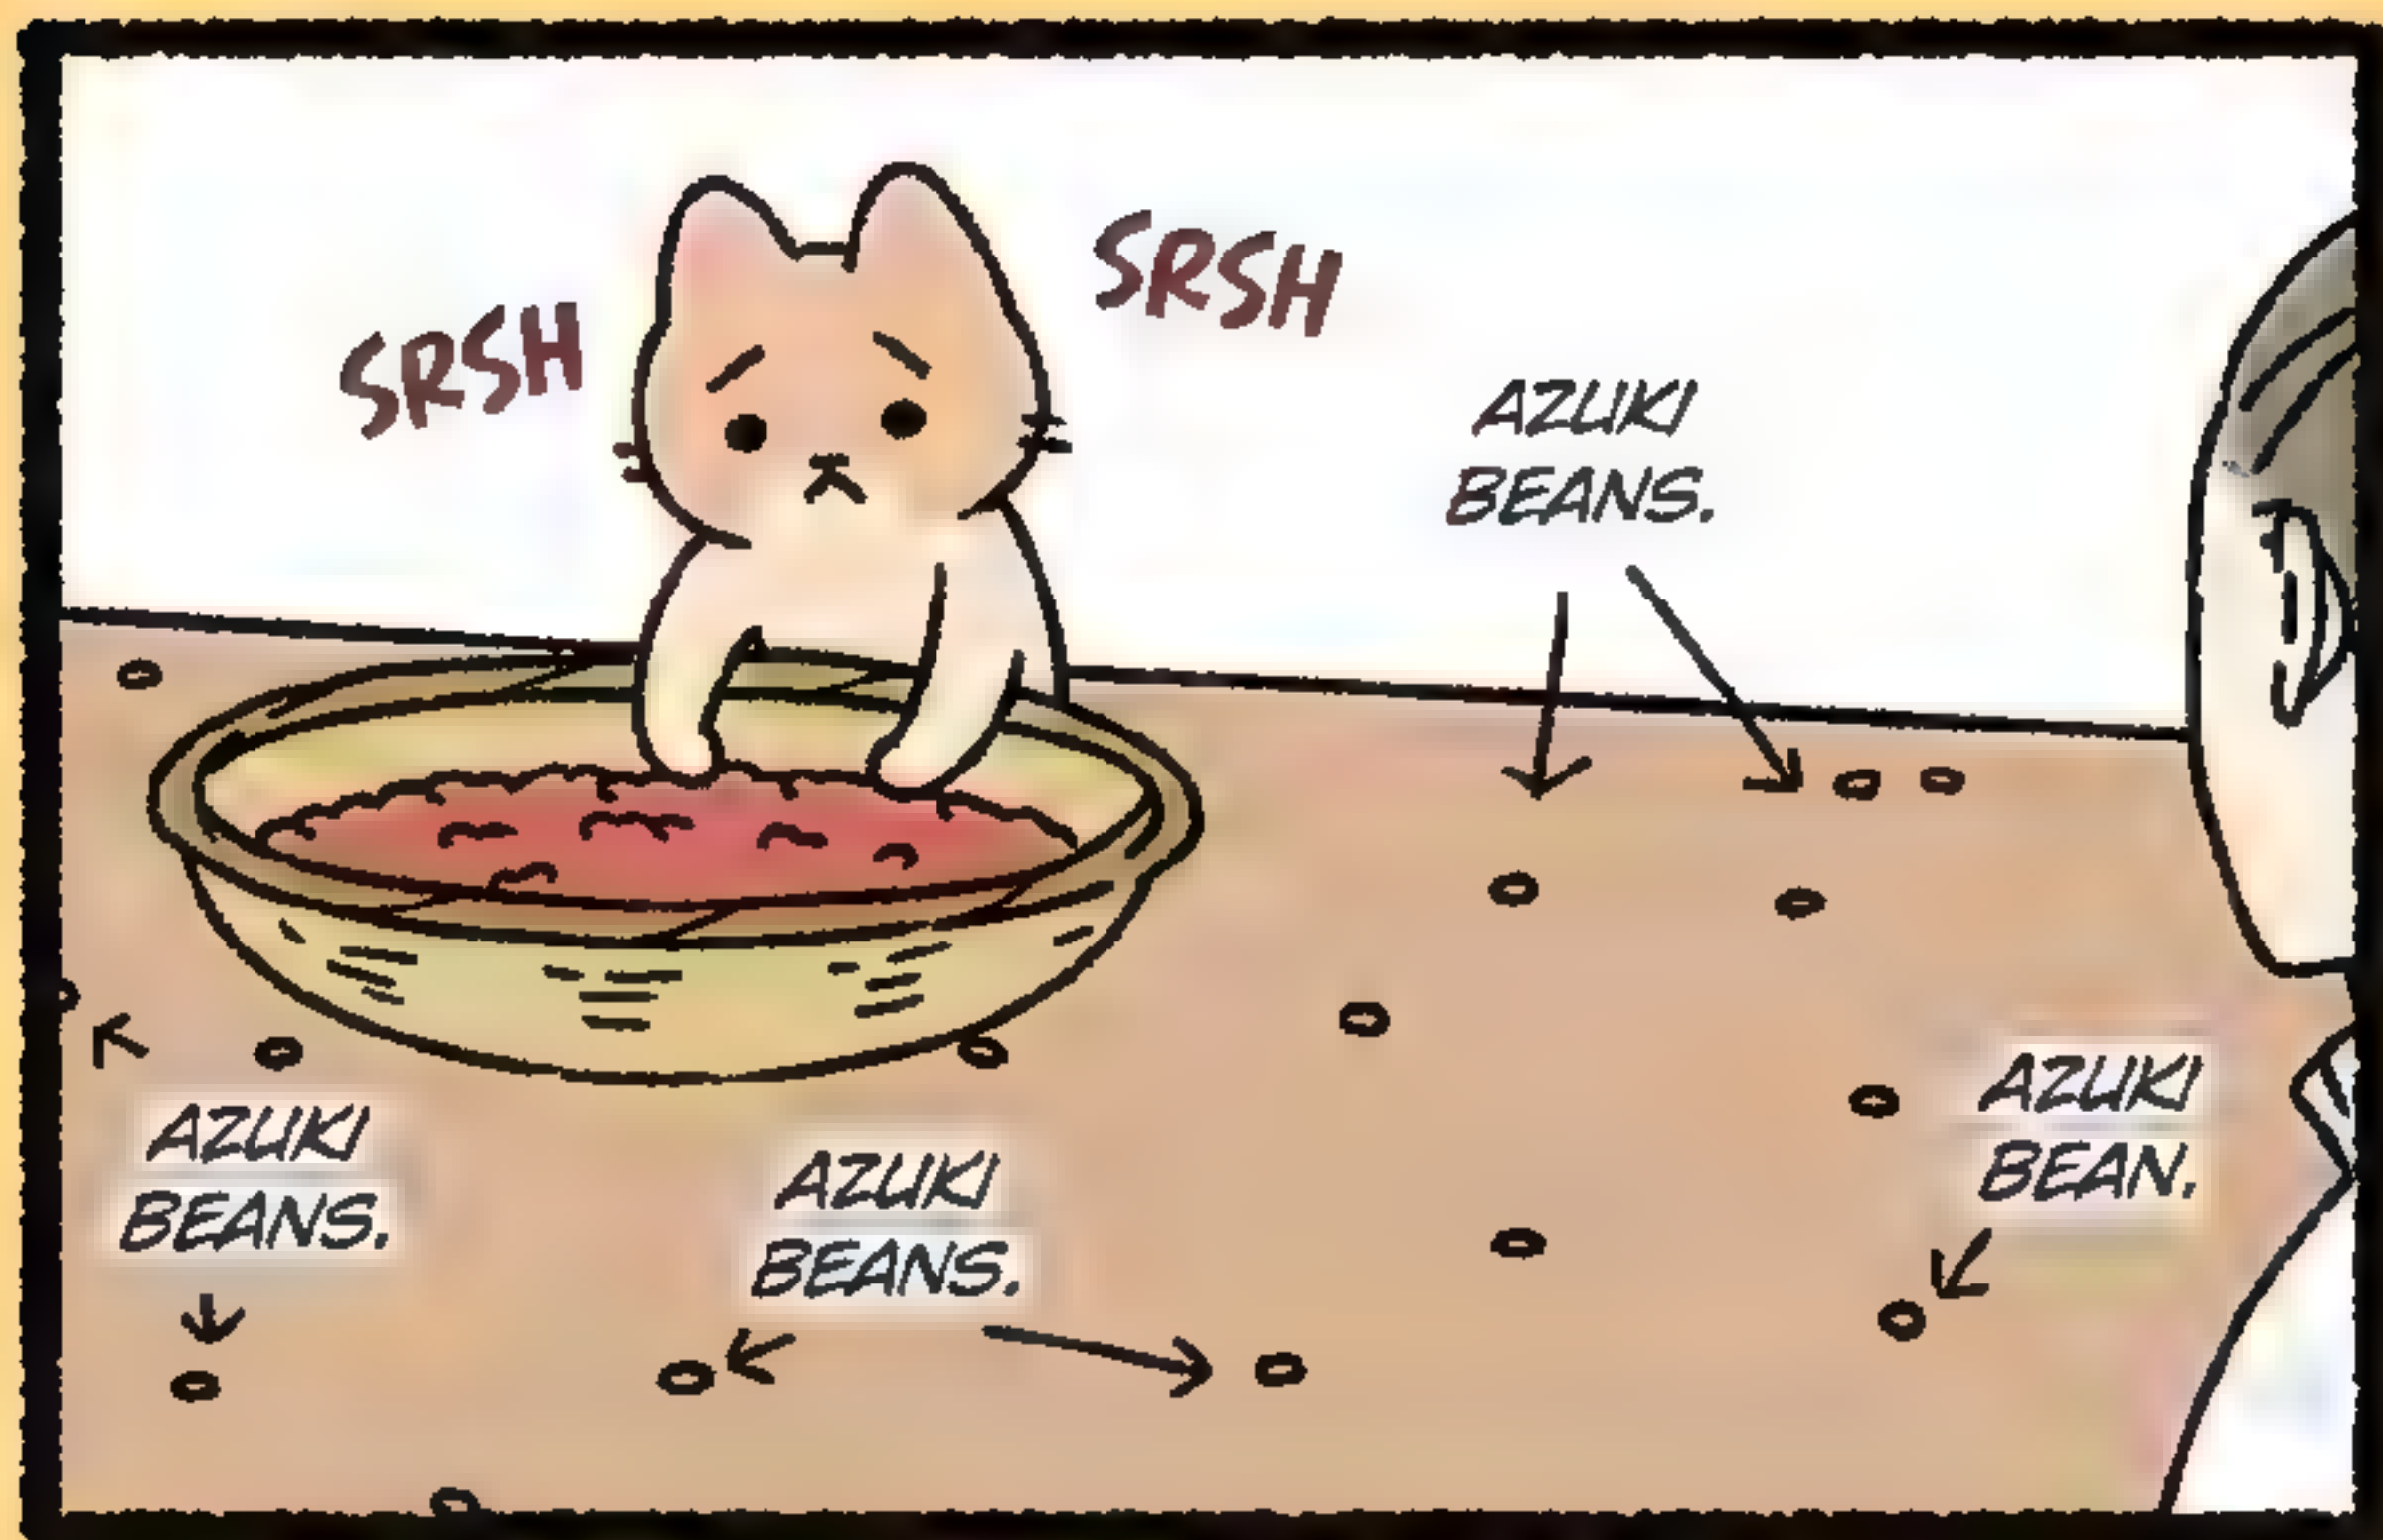

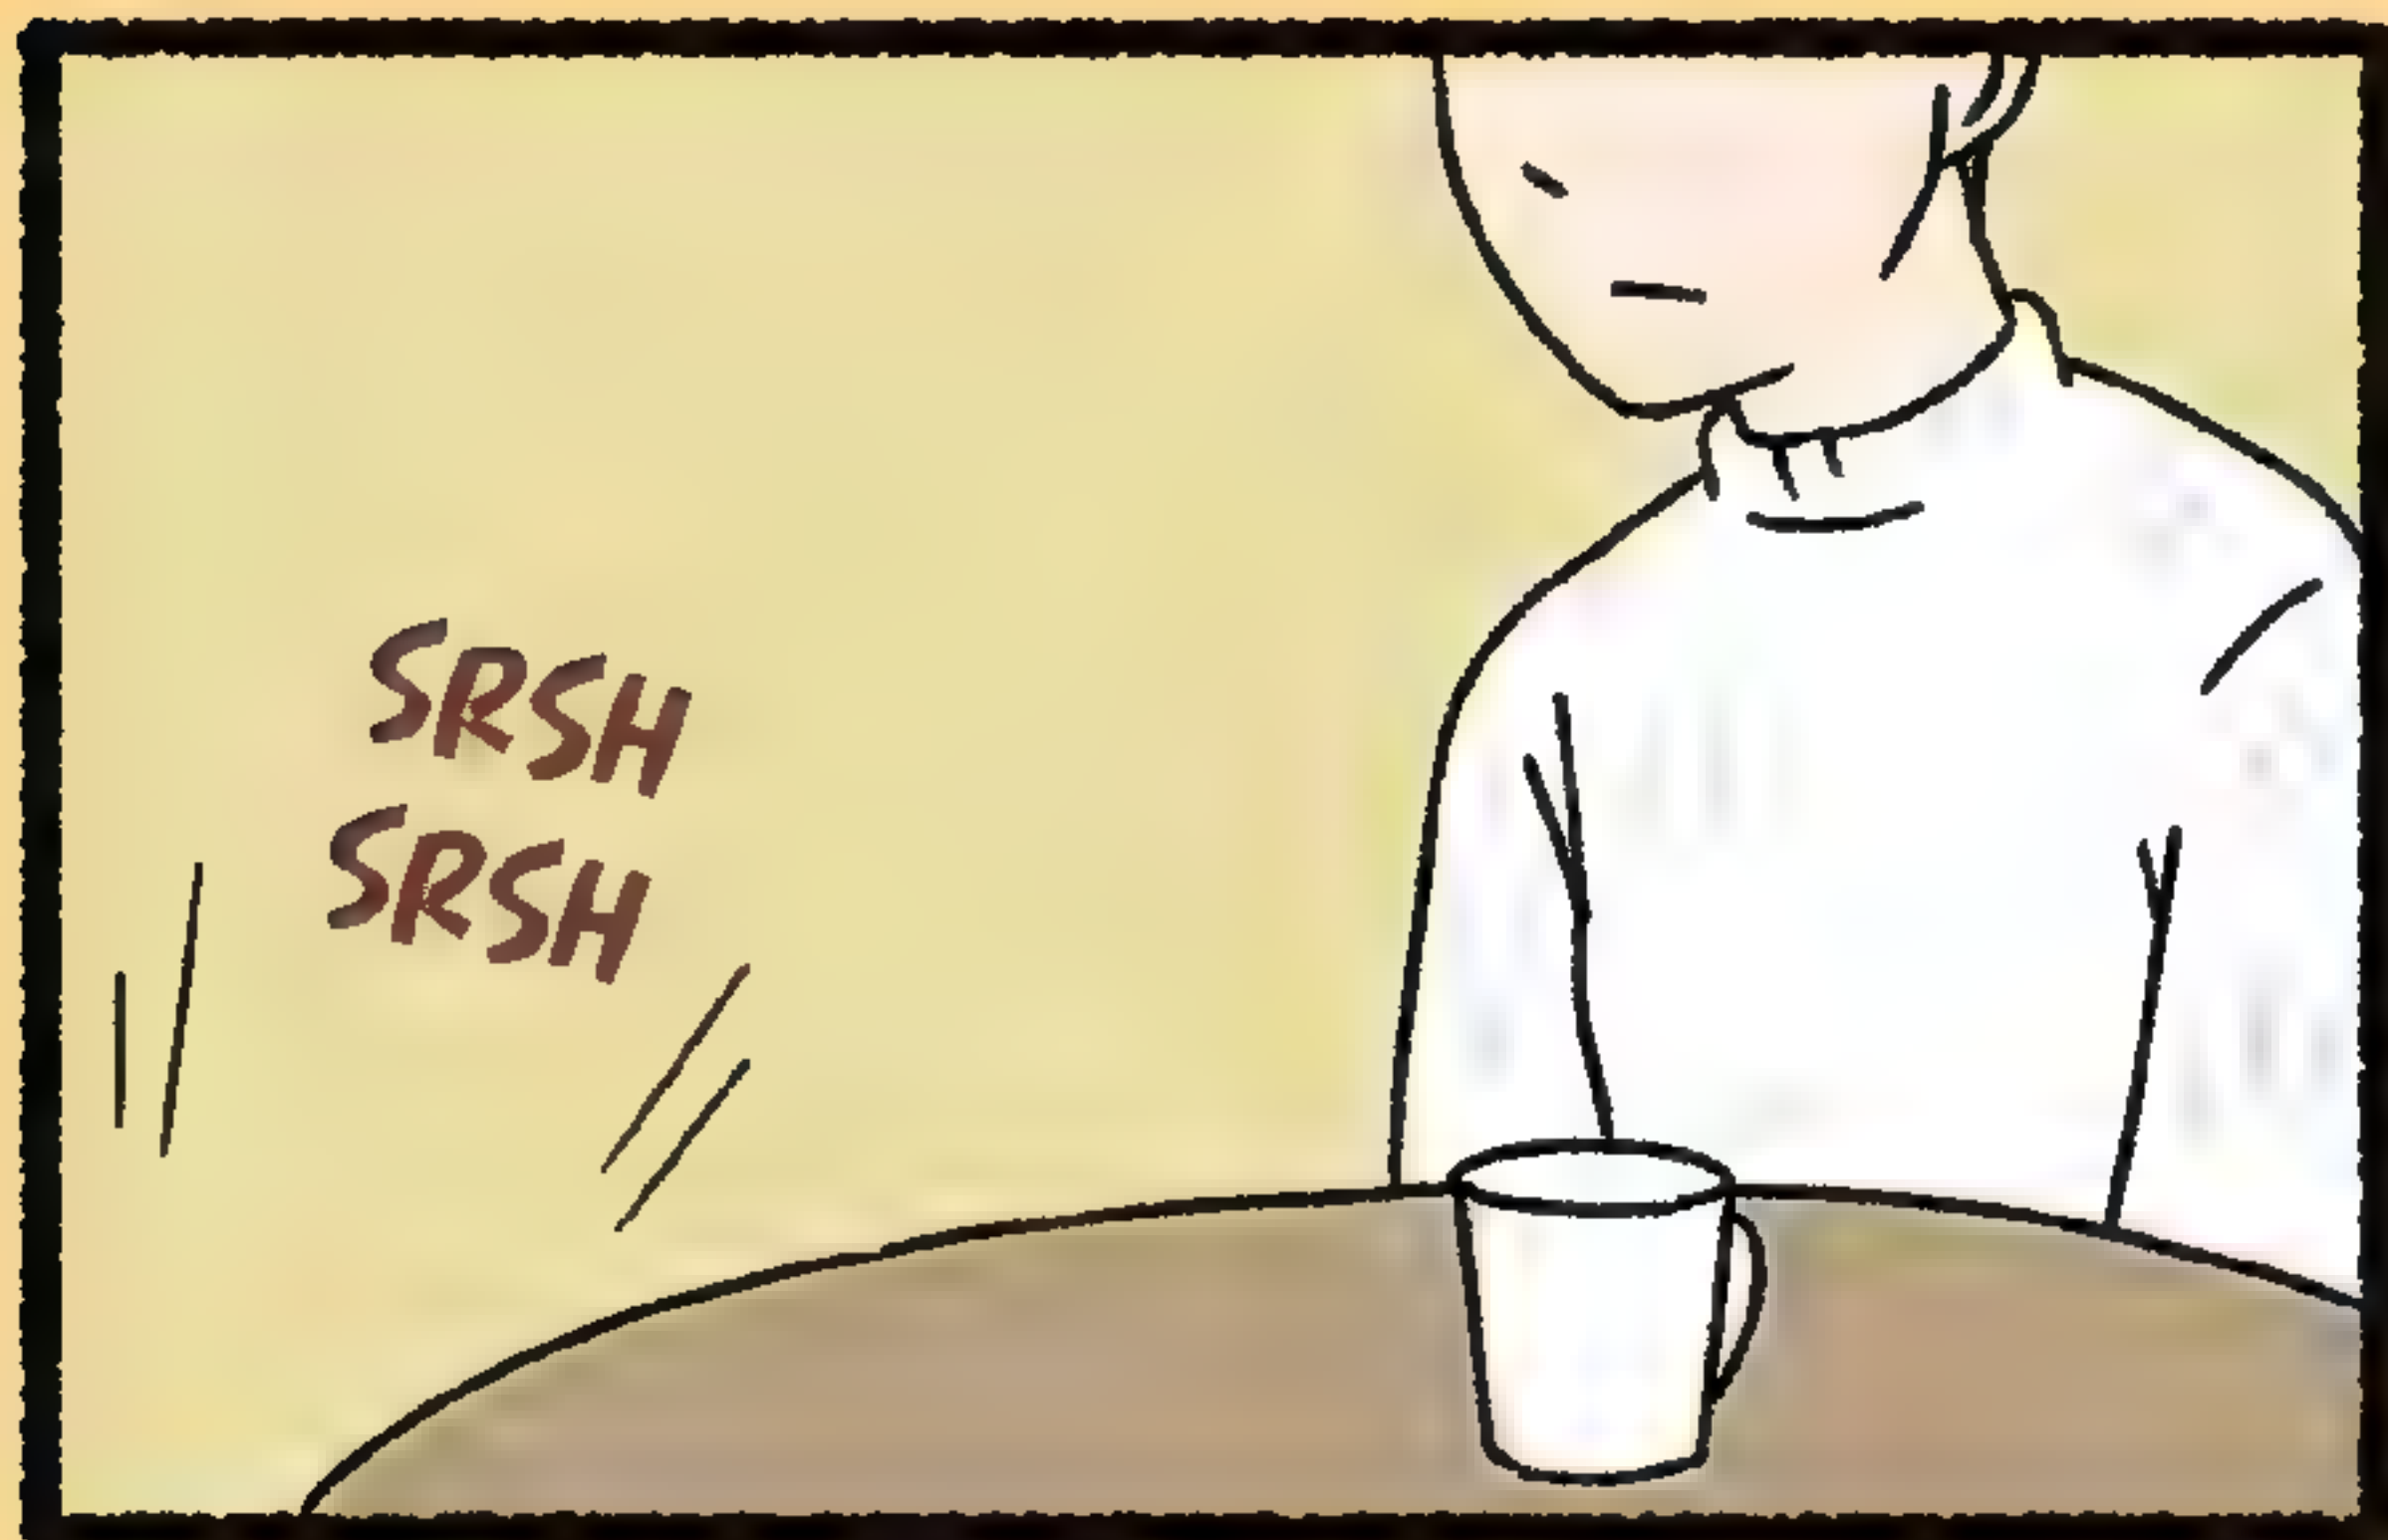

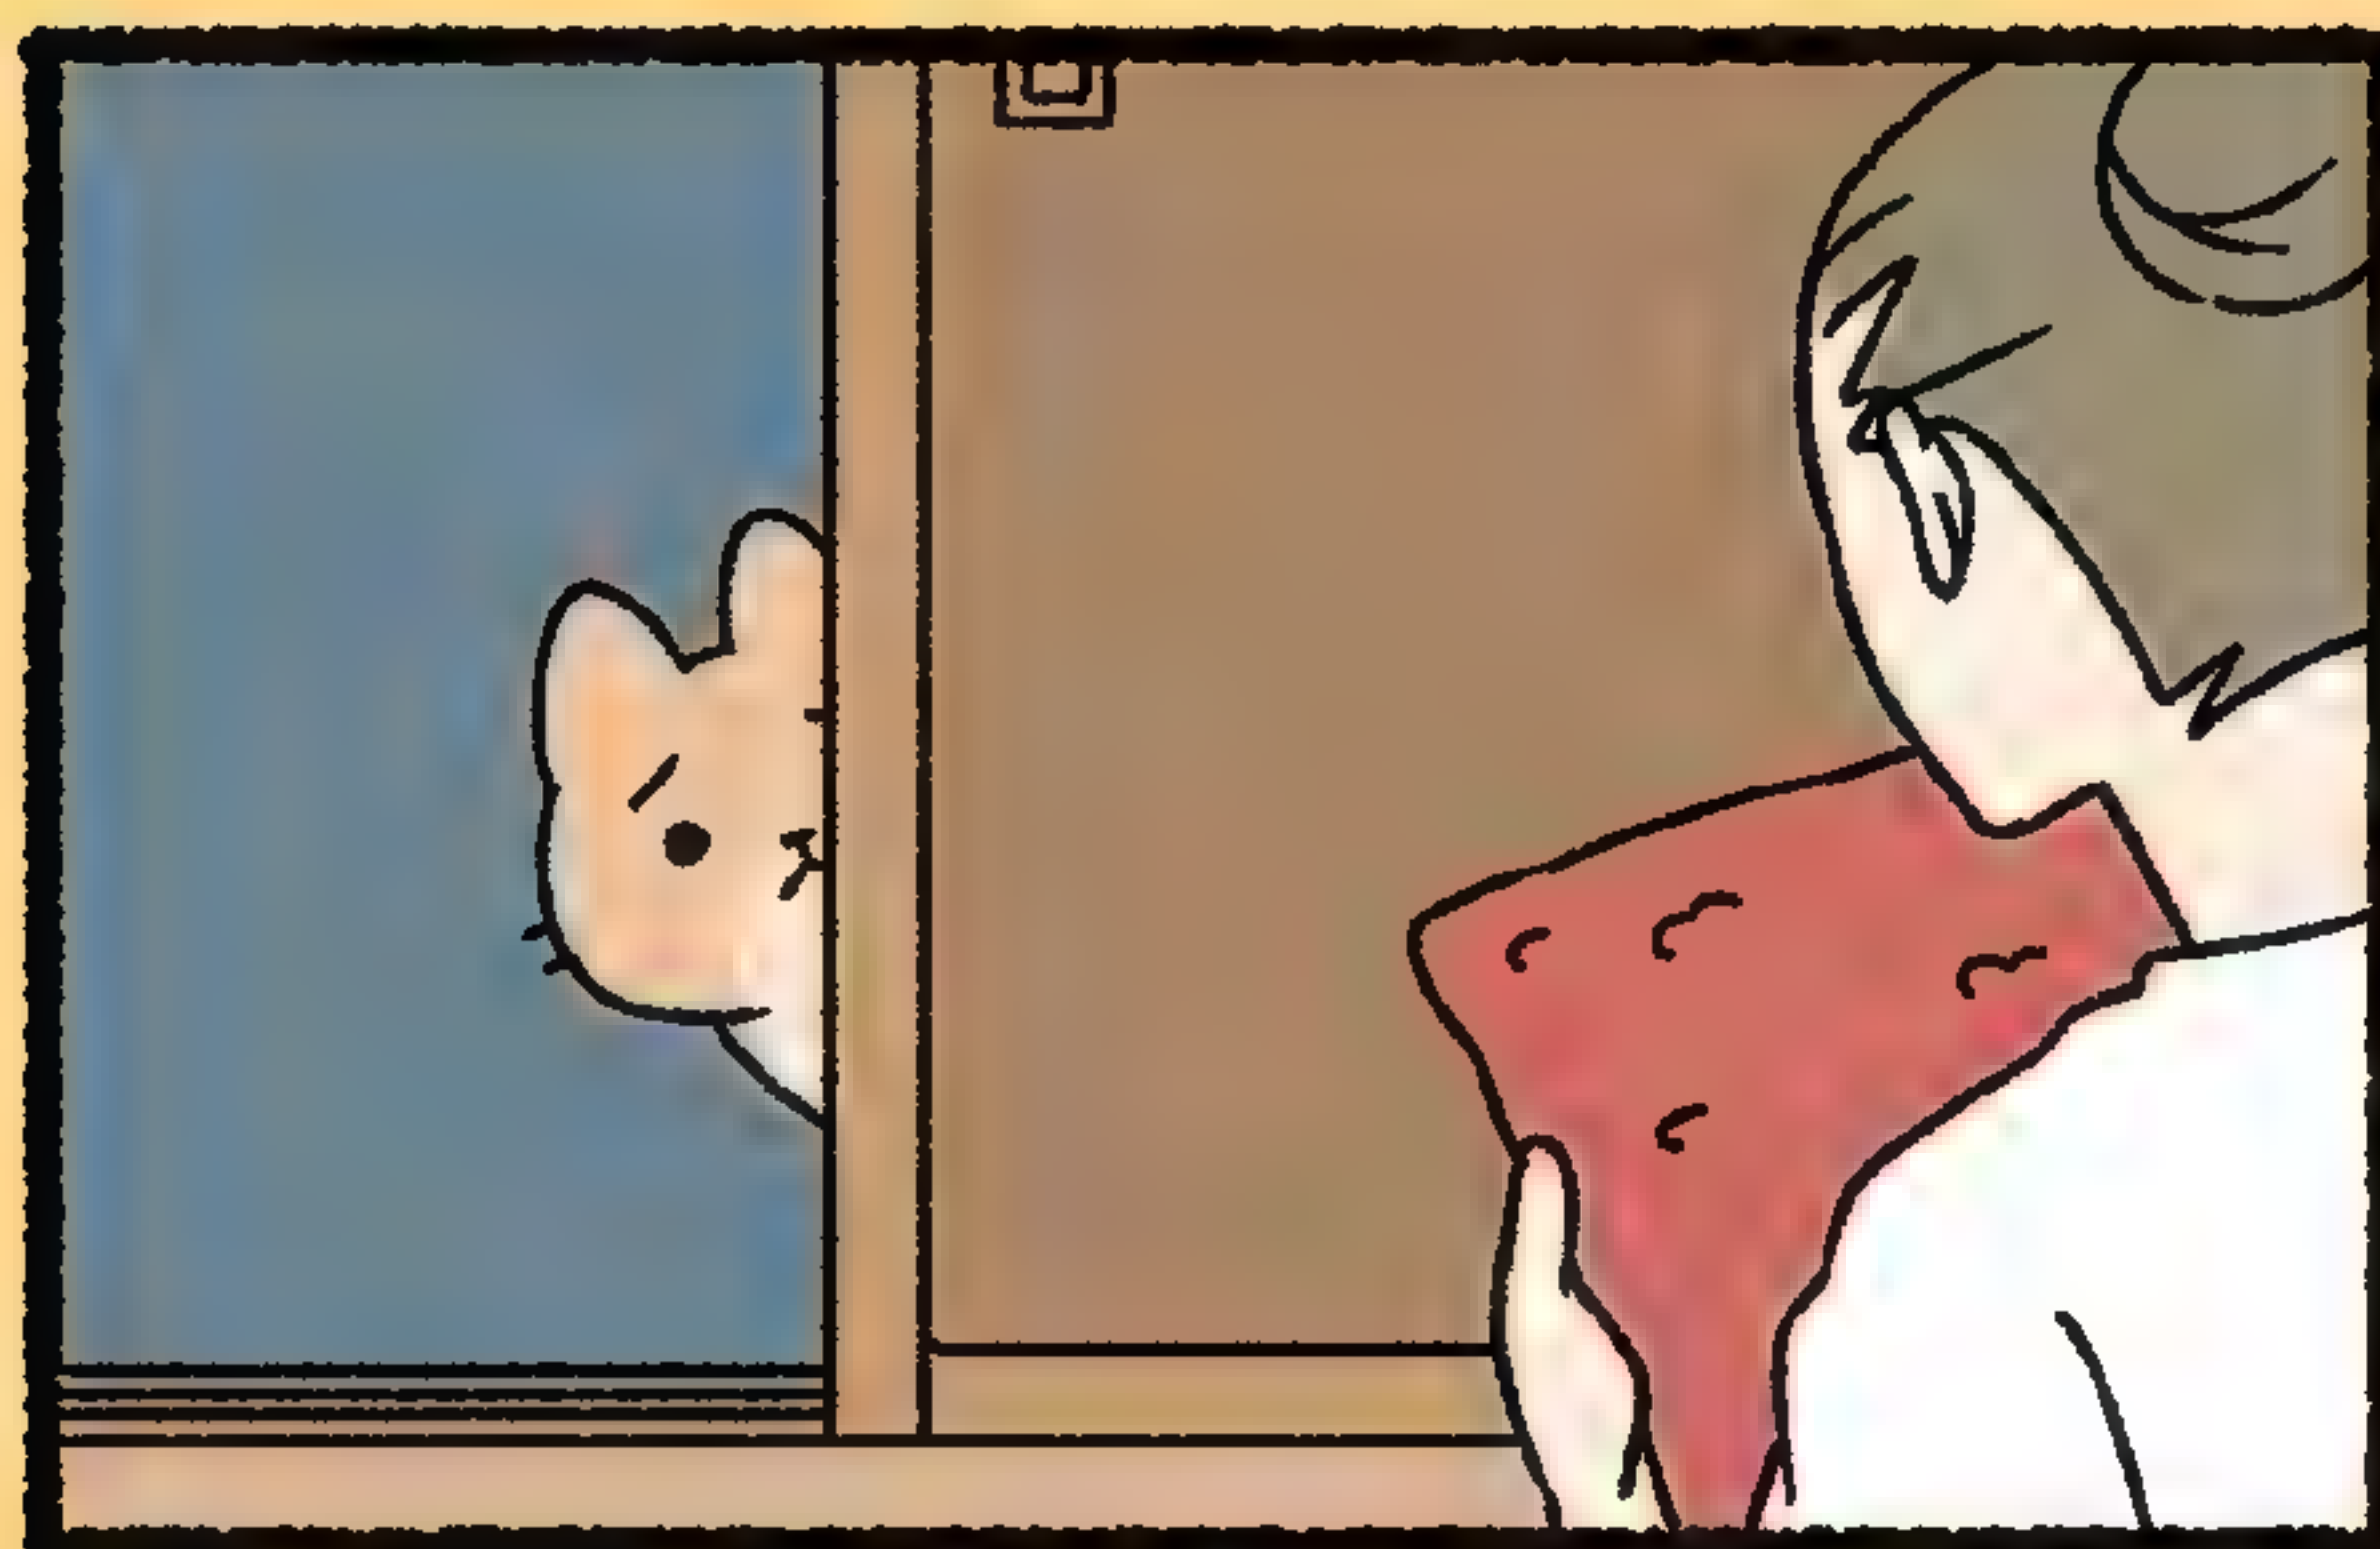

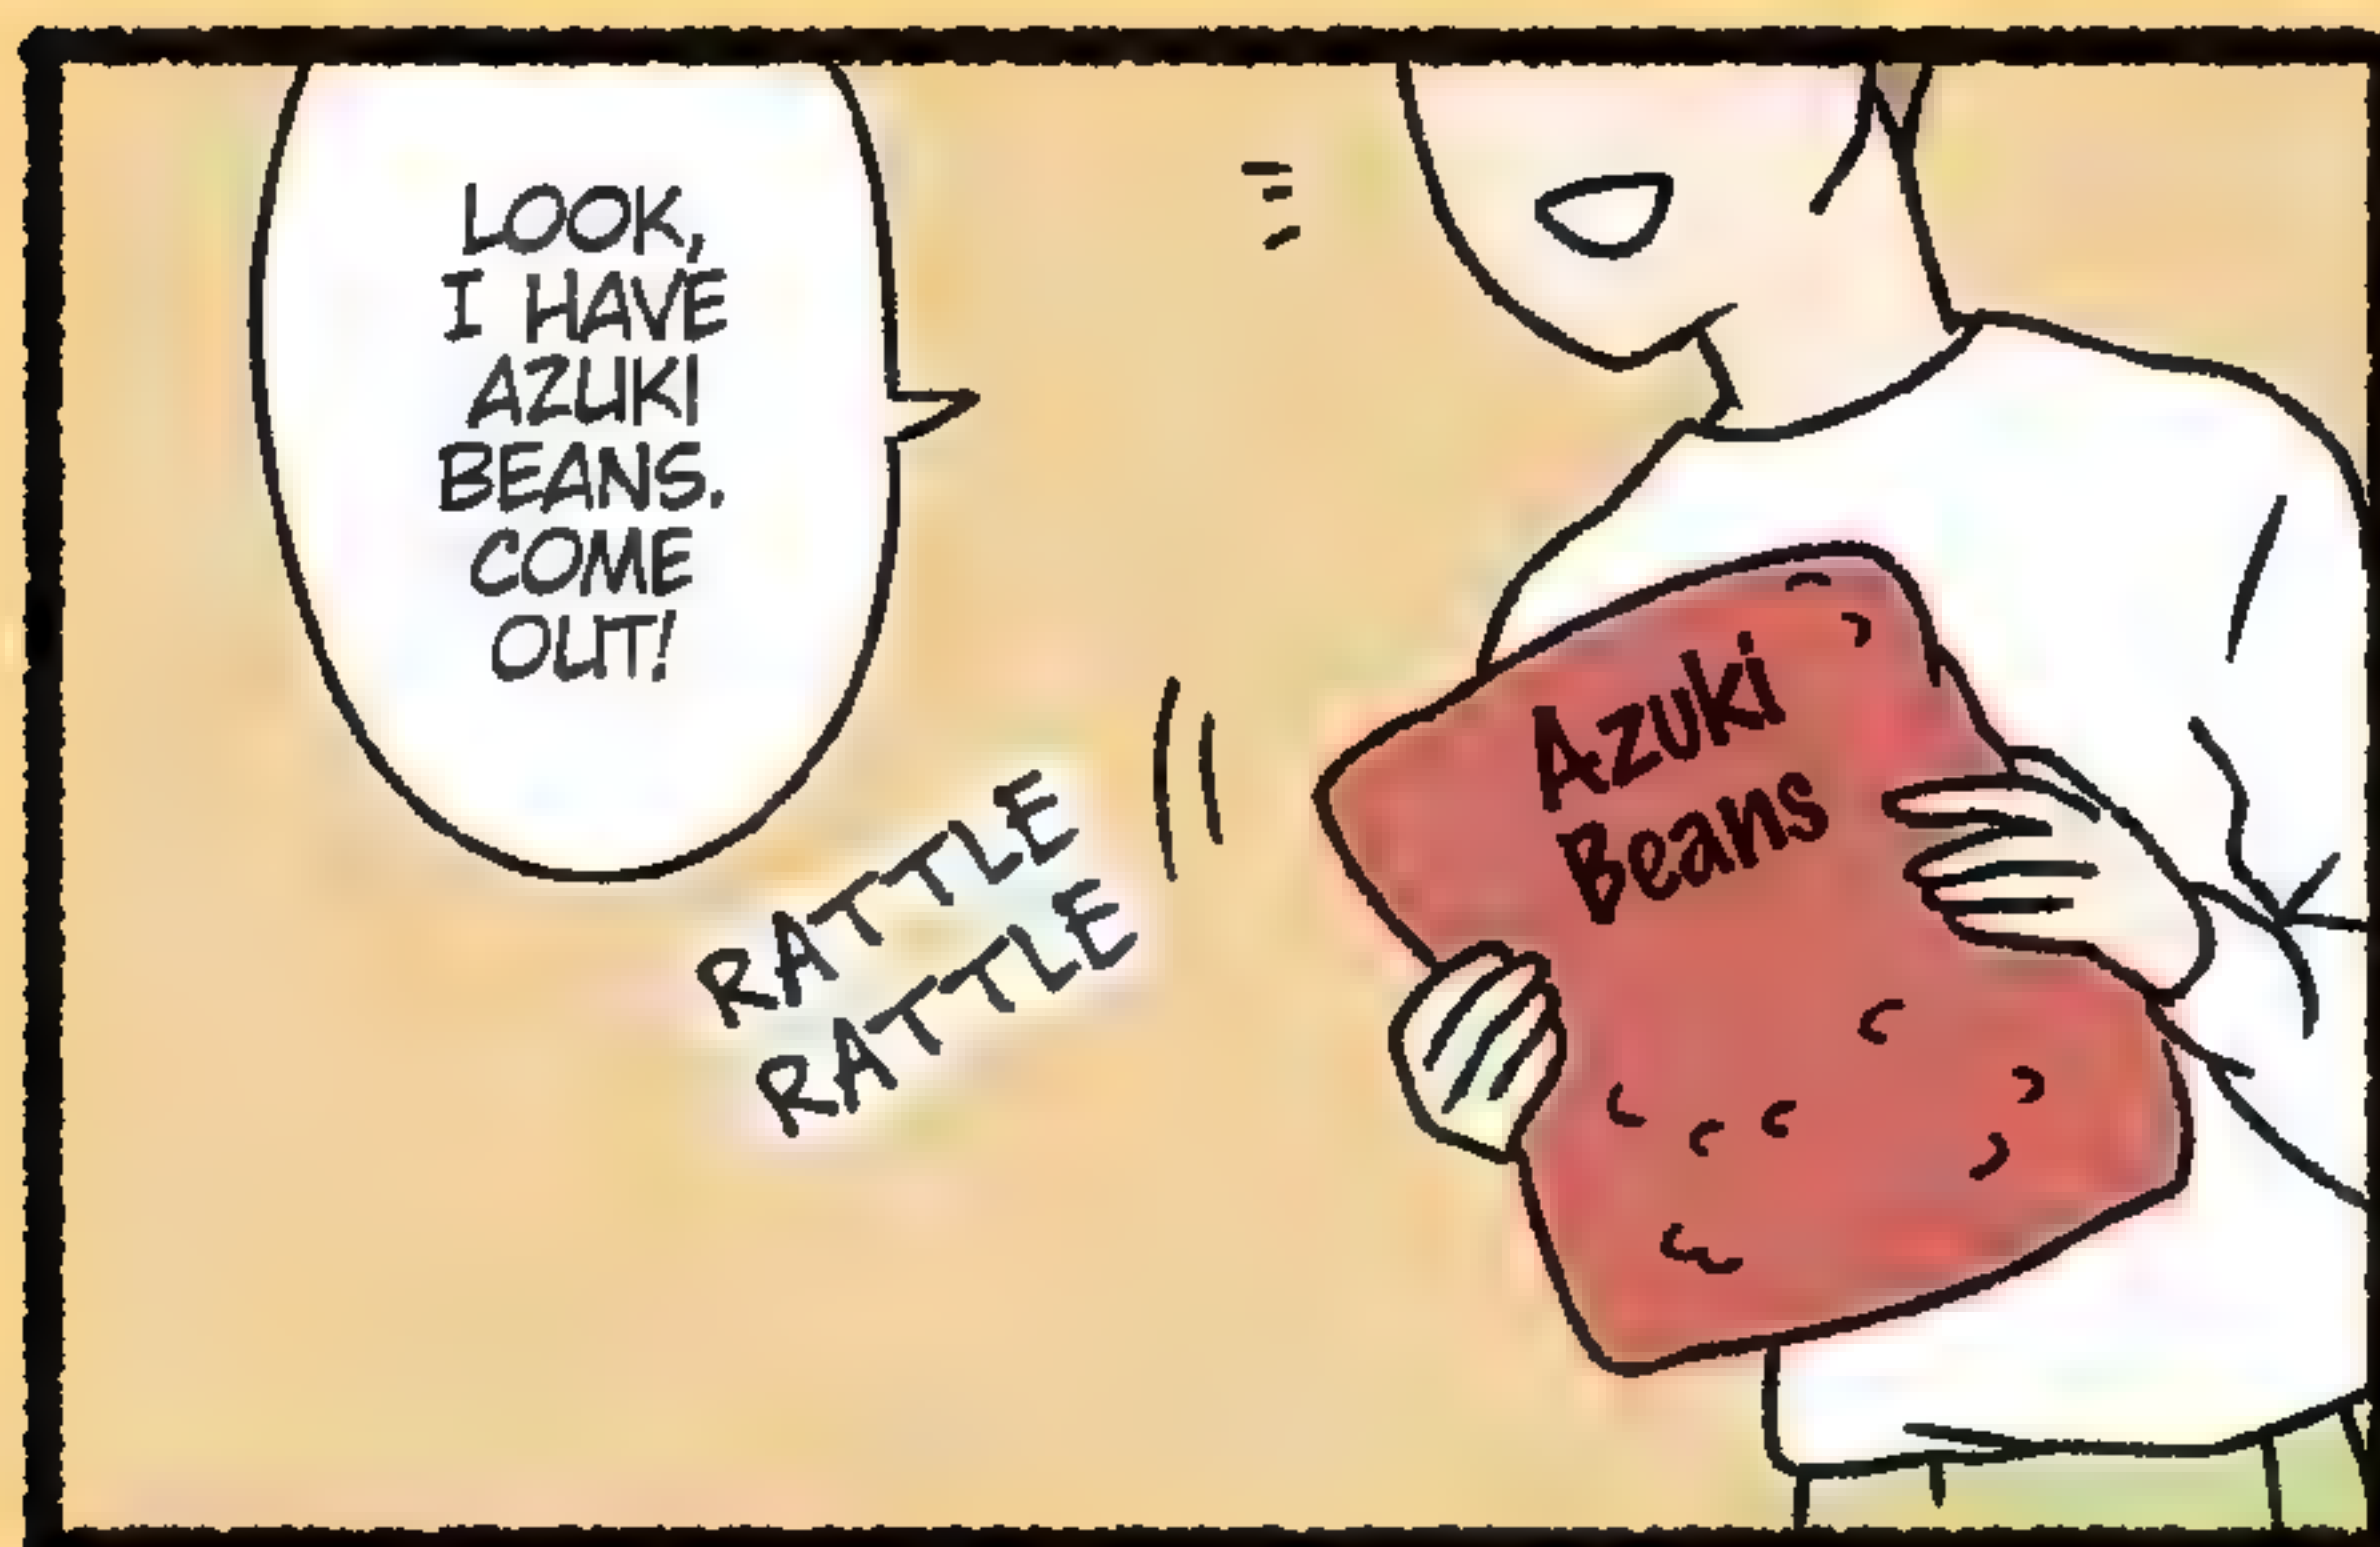

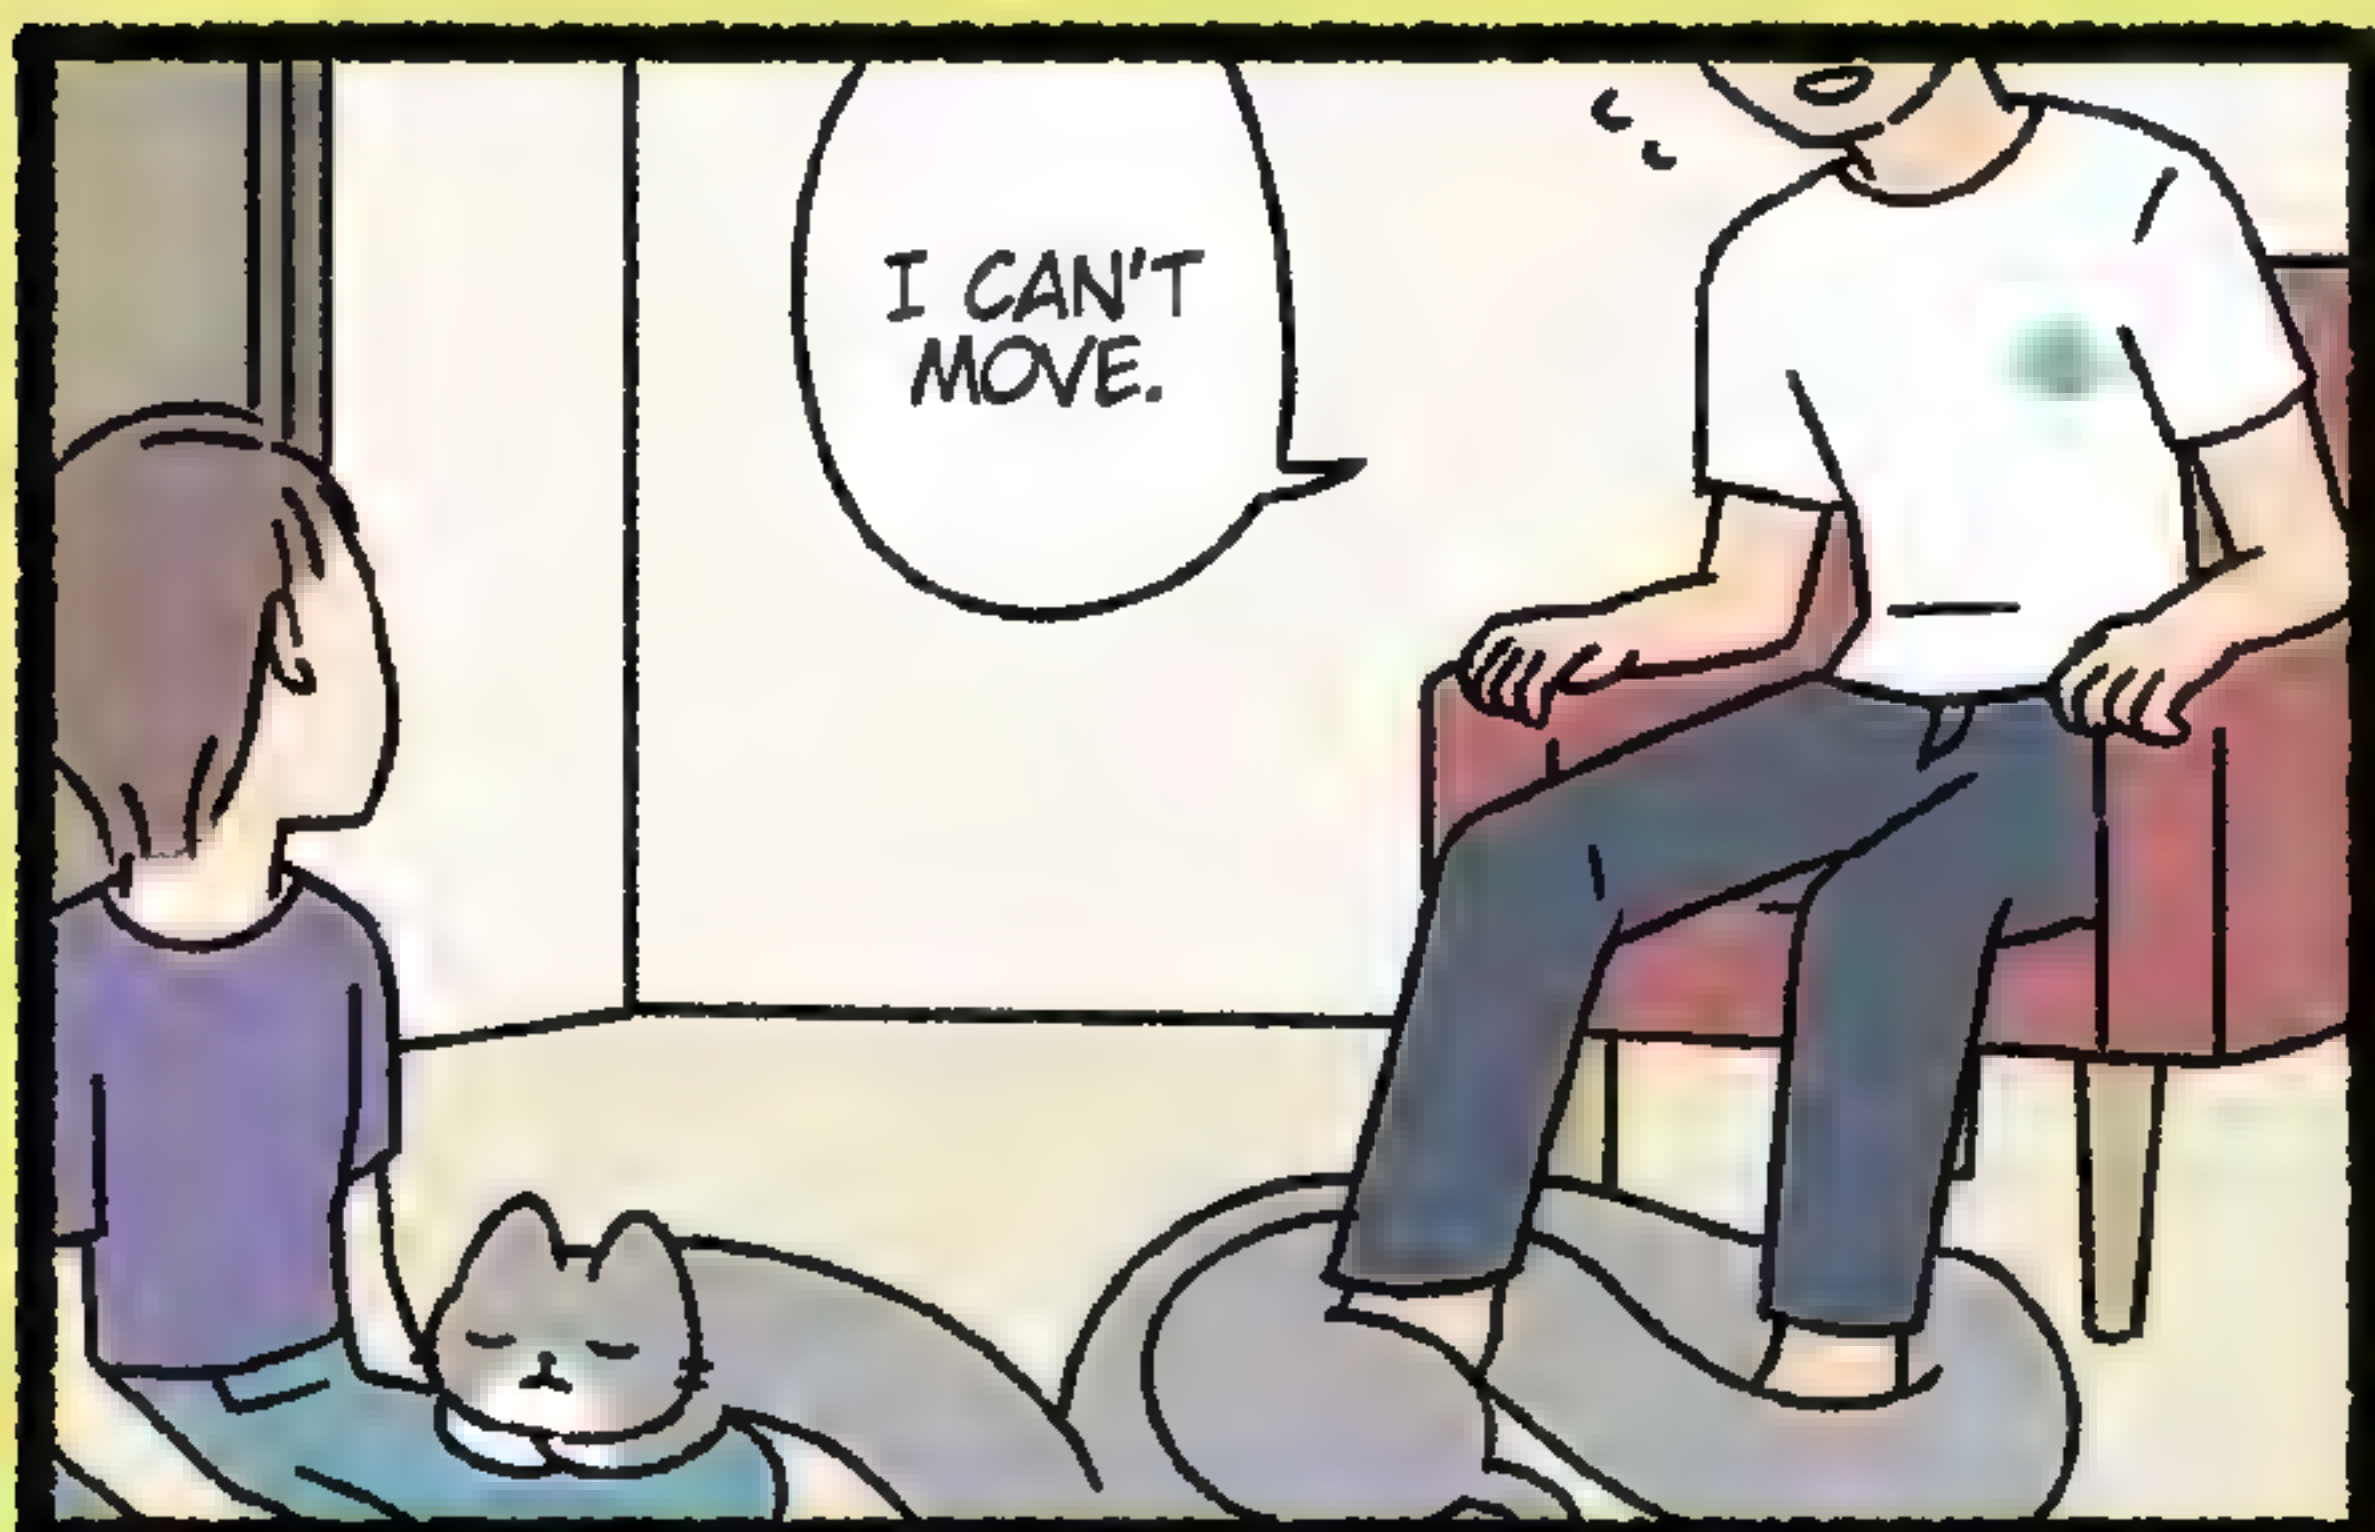

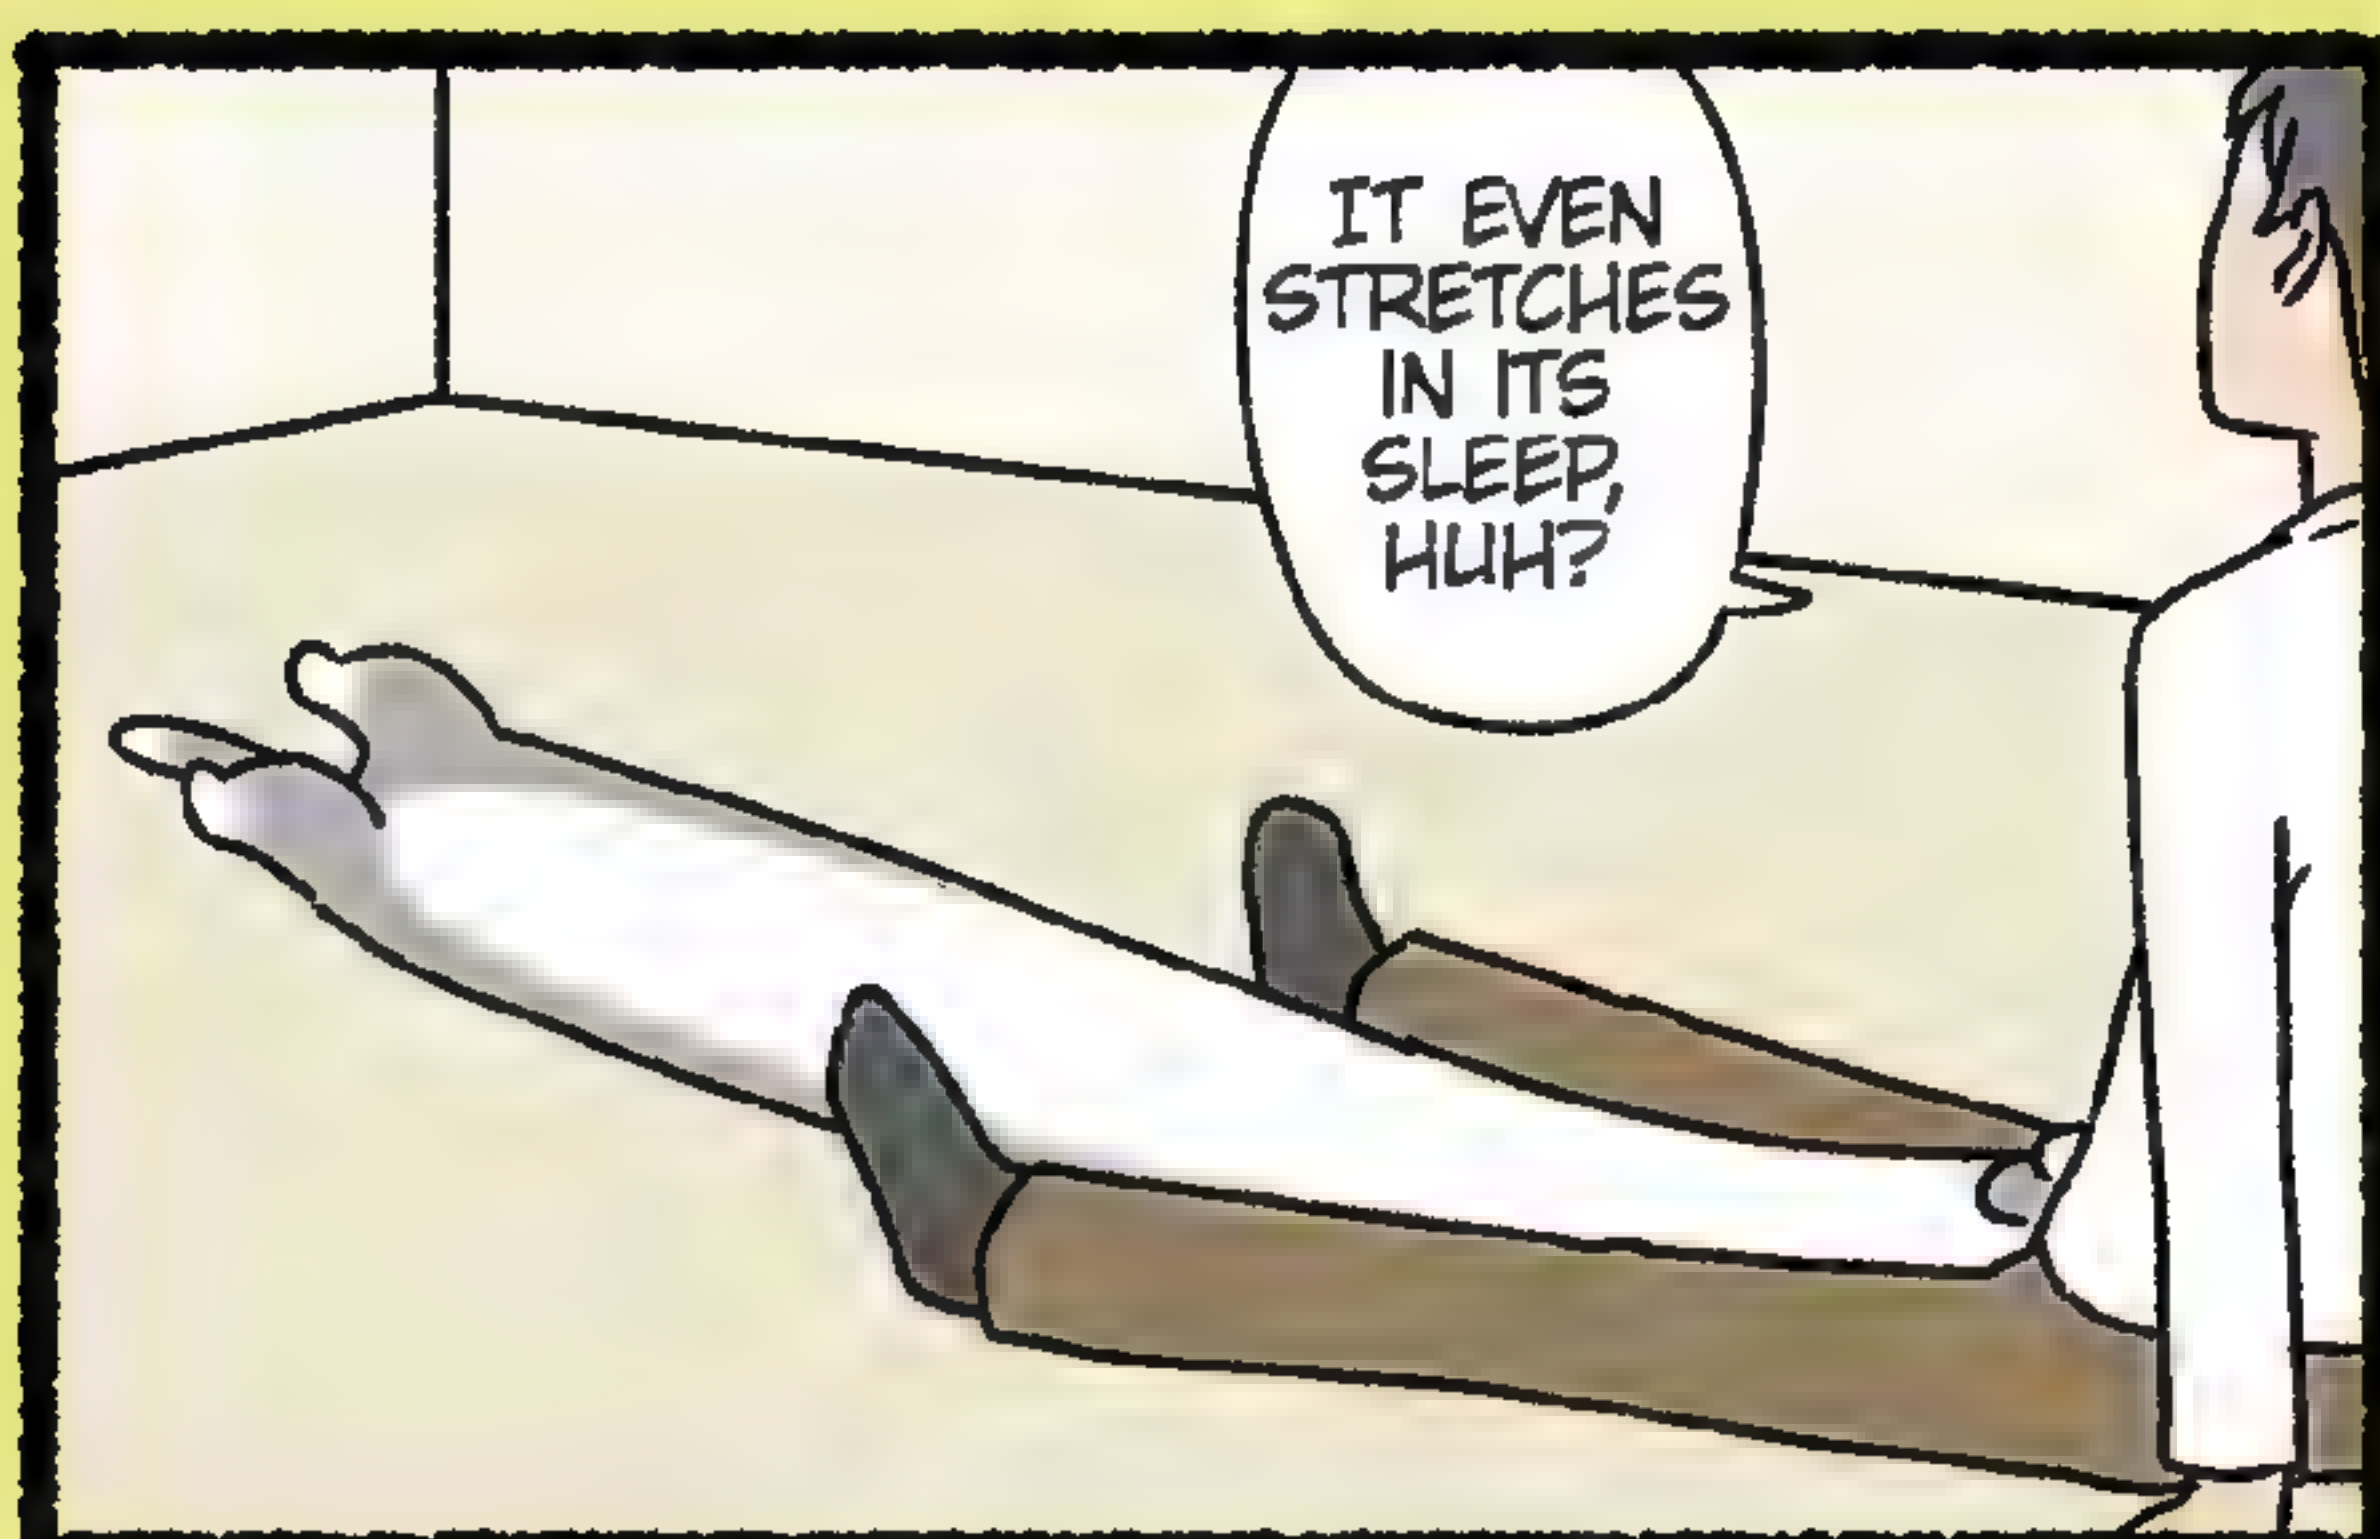

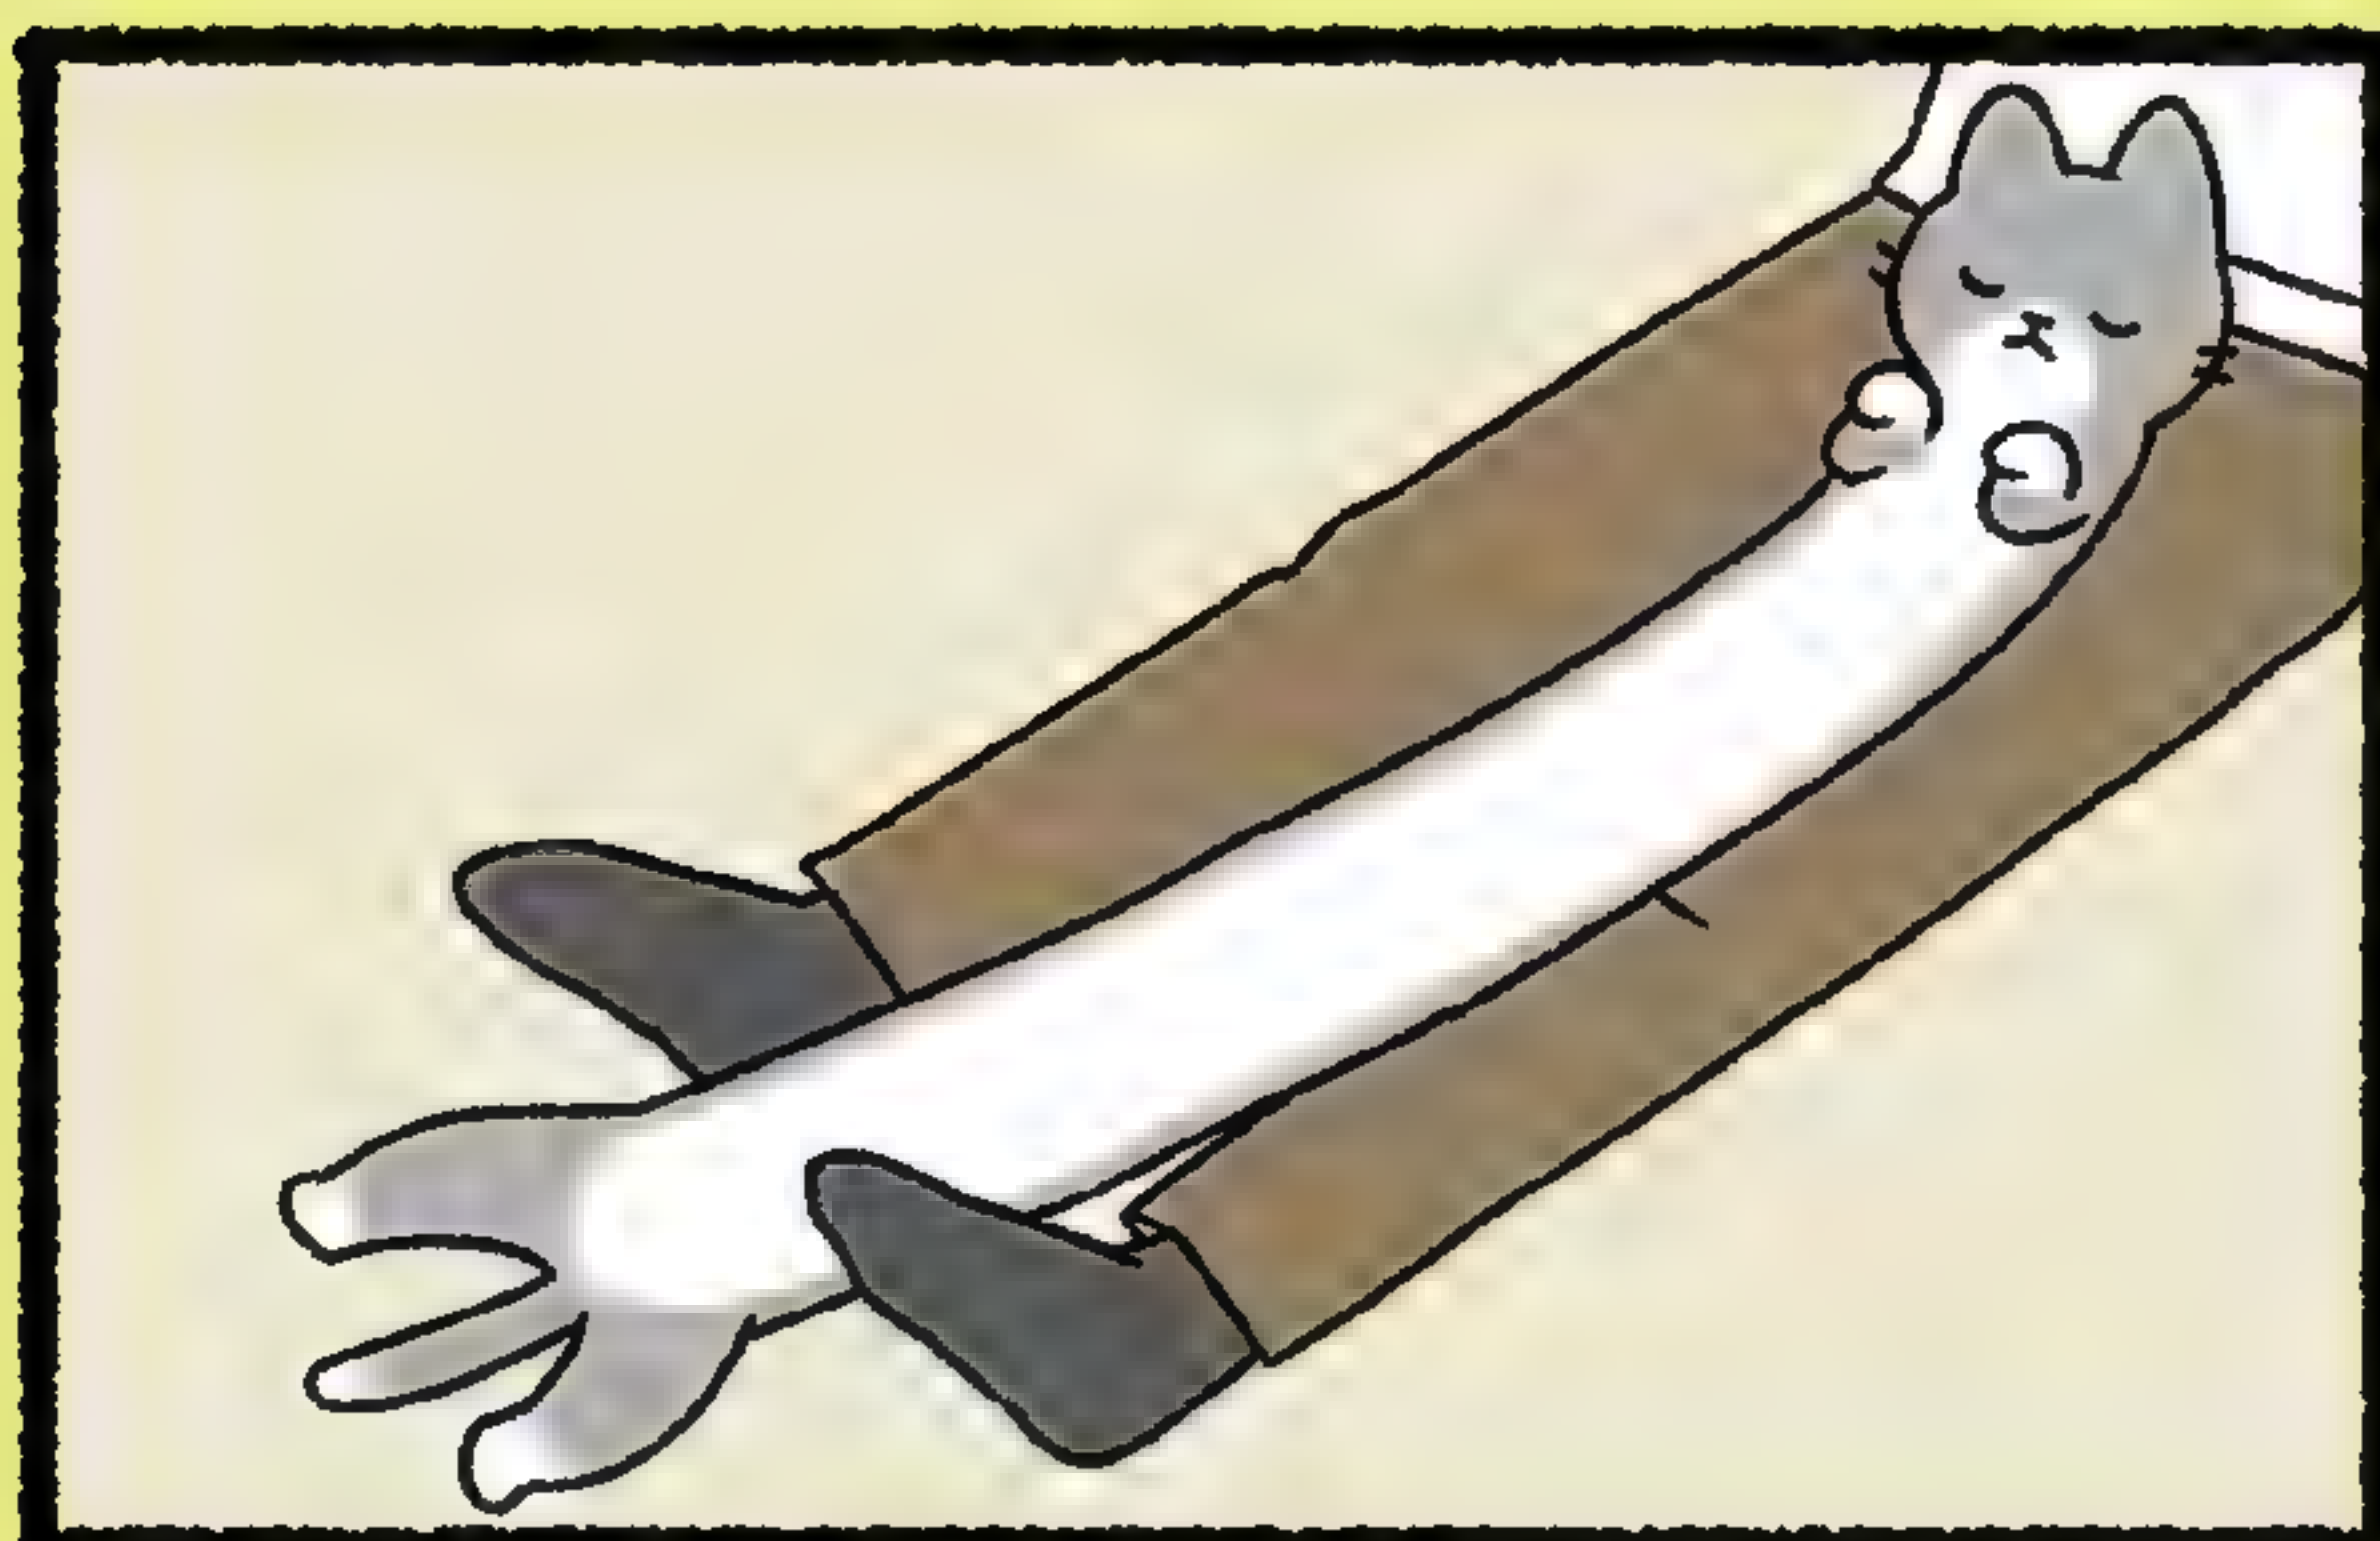

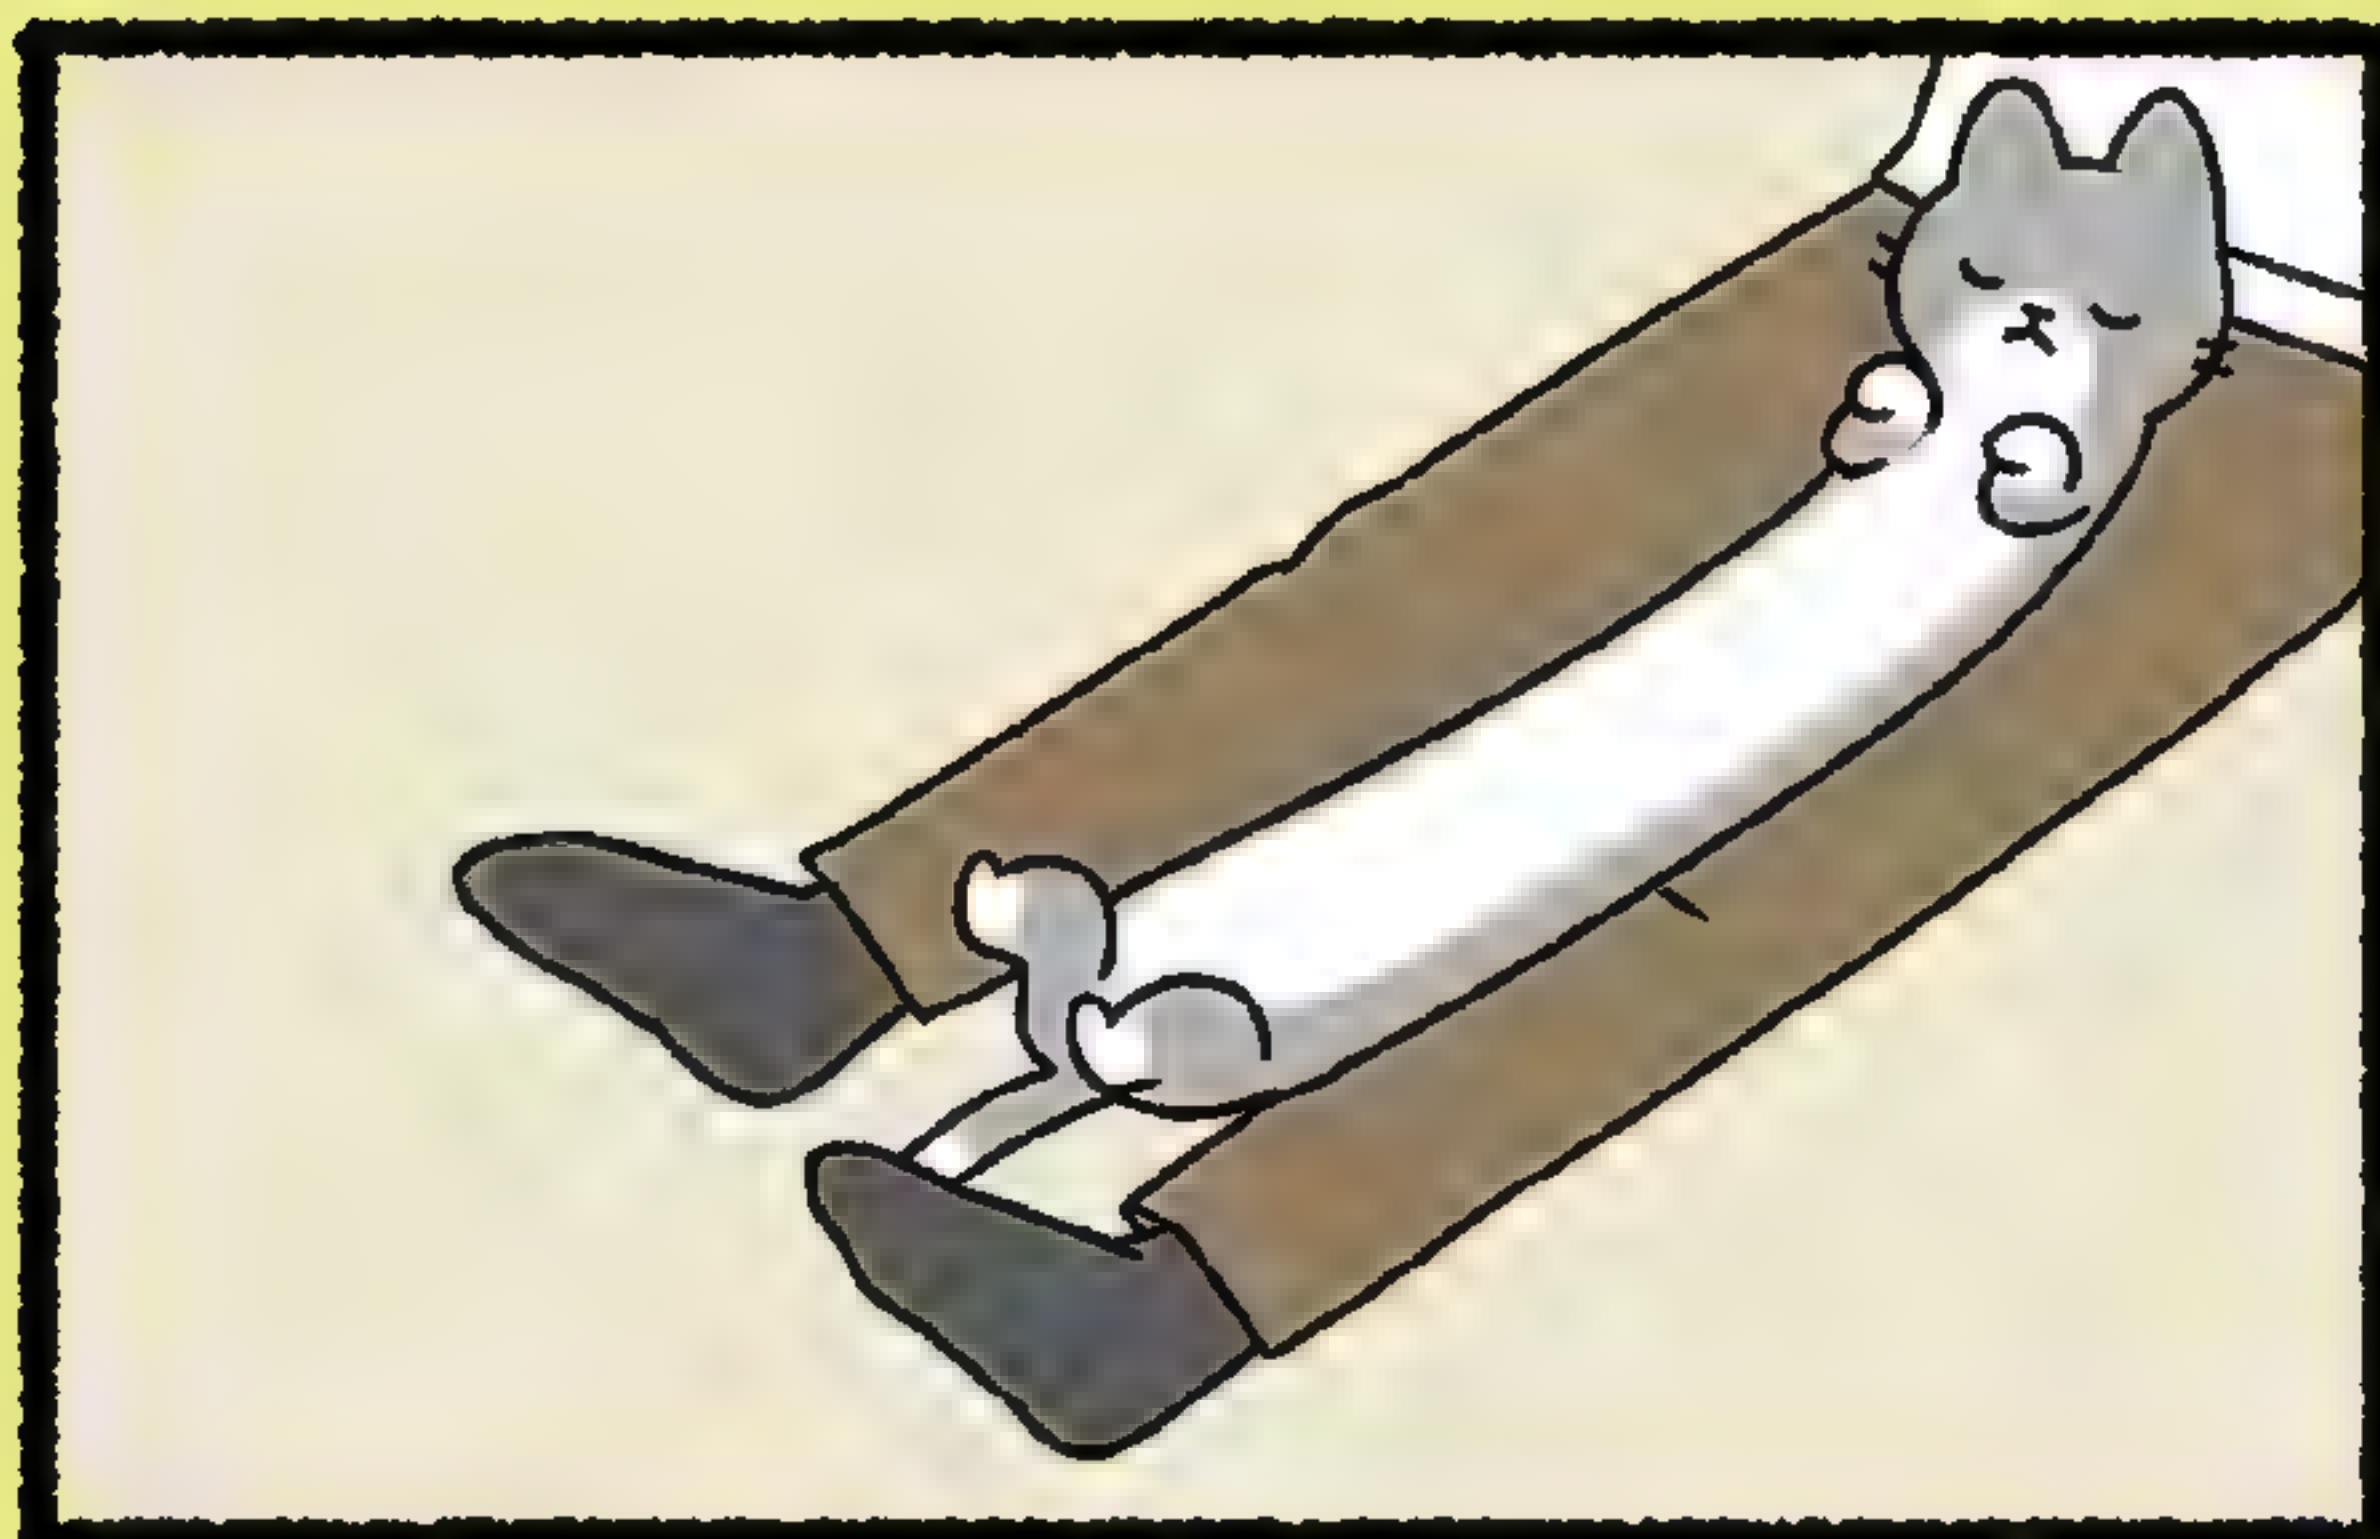

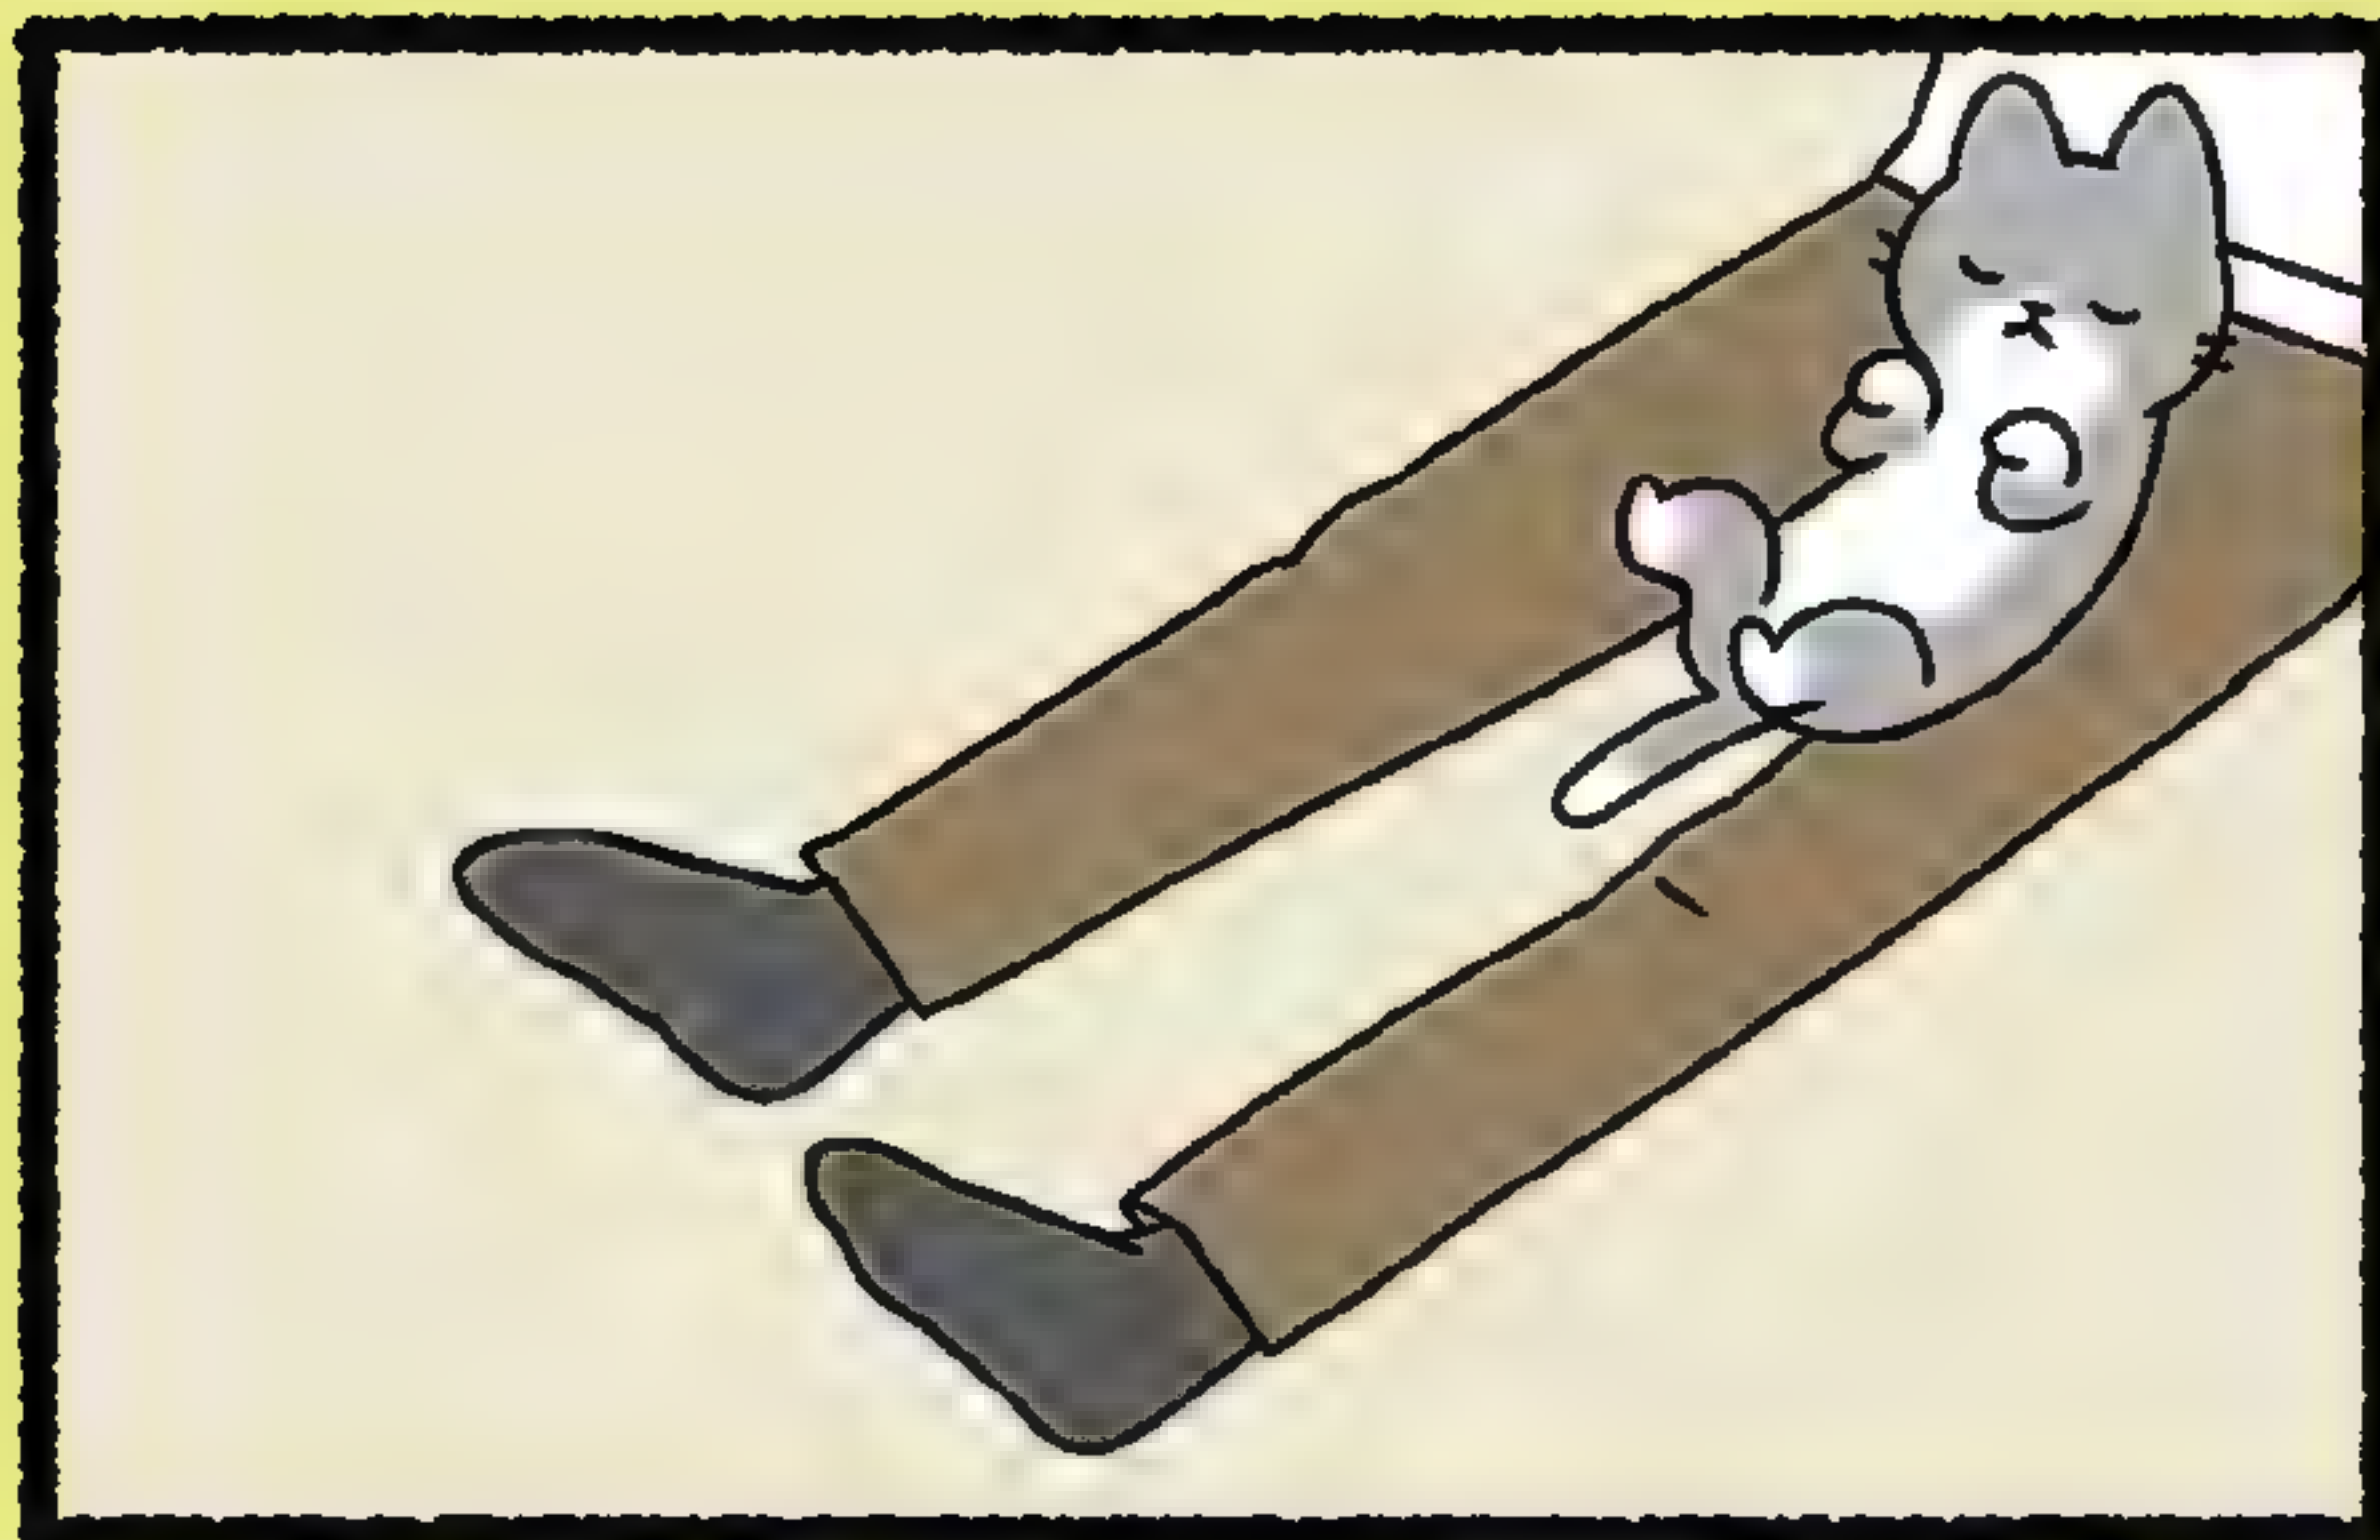

Nobiagari

Stretchy

Stretches longer and longer before you know it. How far it can stretch is a mystery.

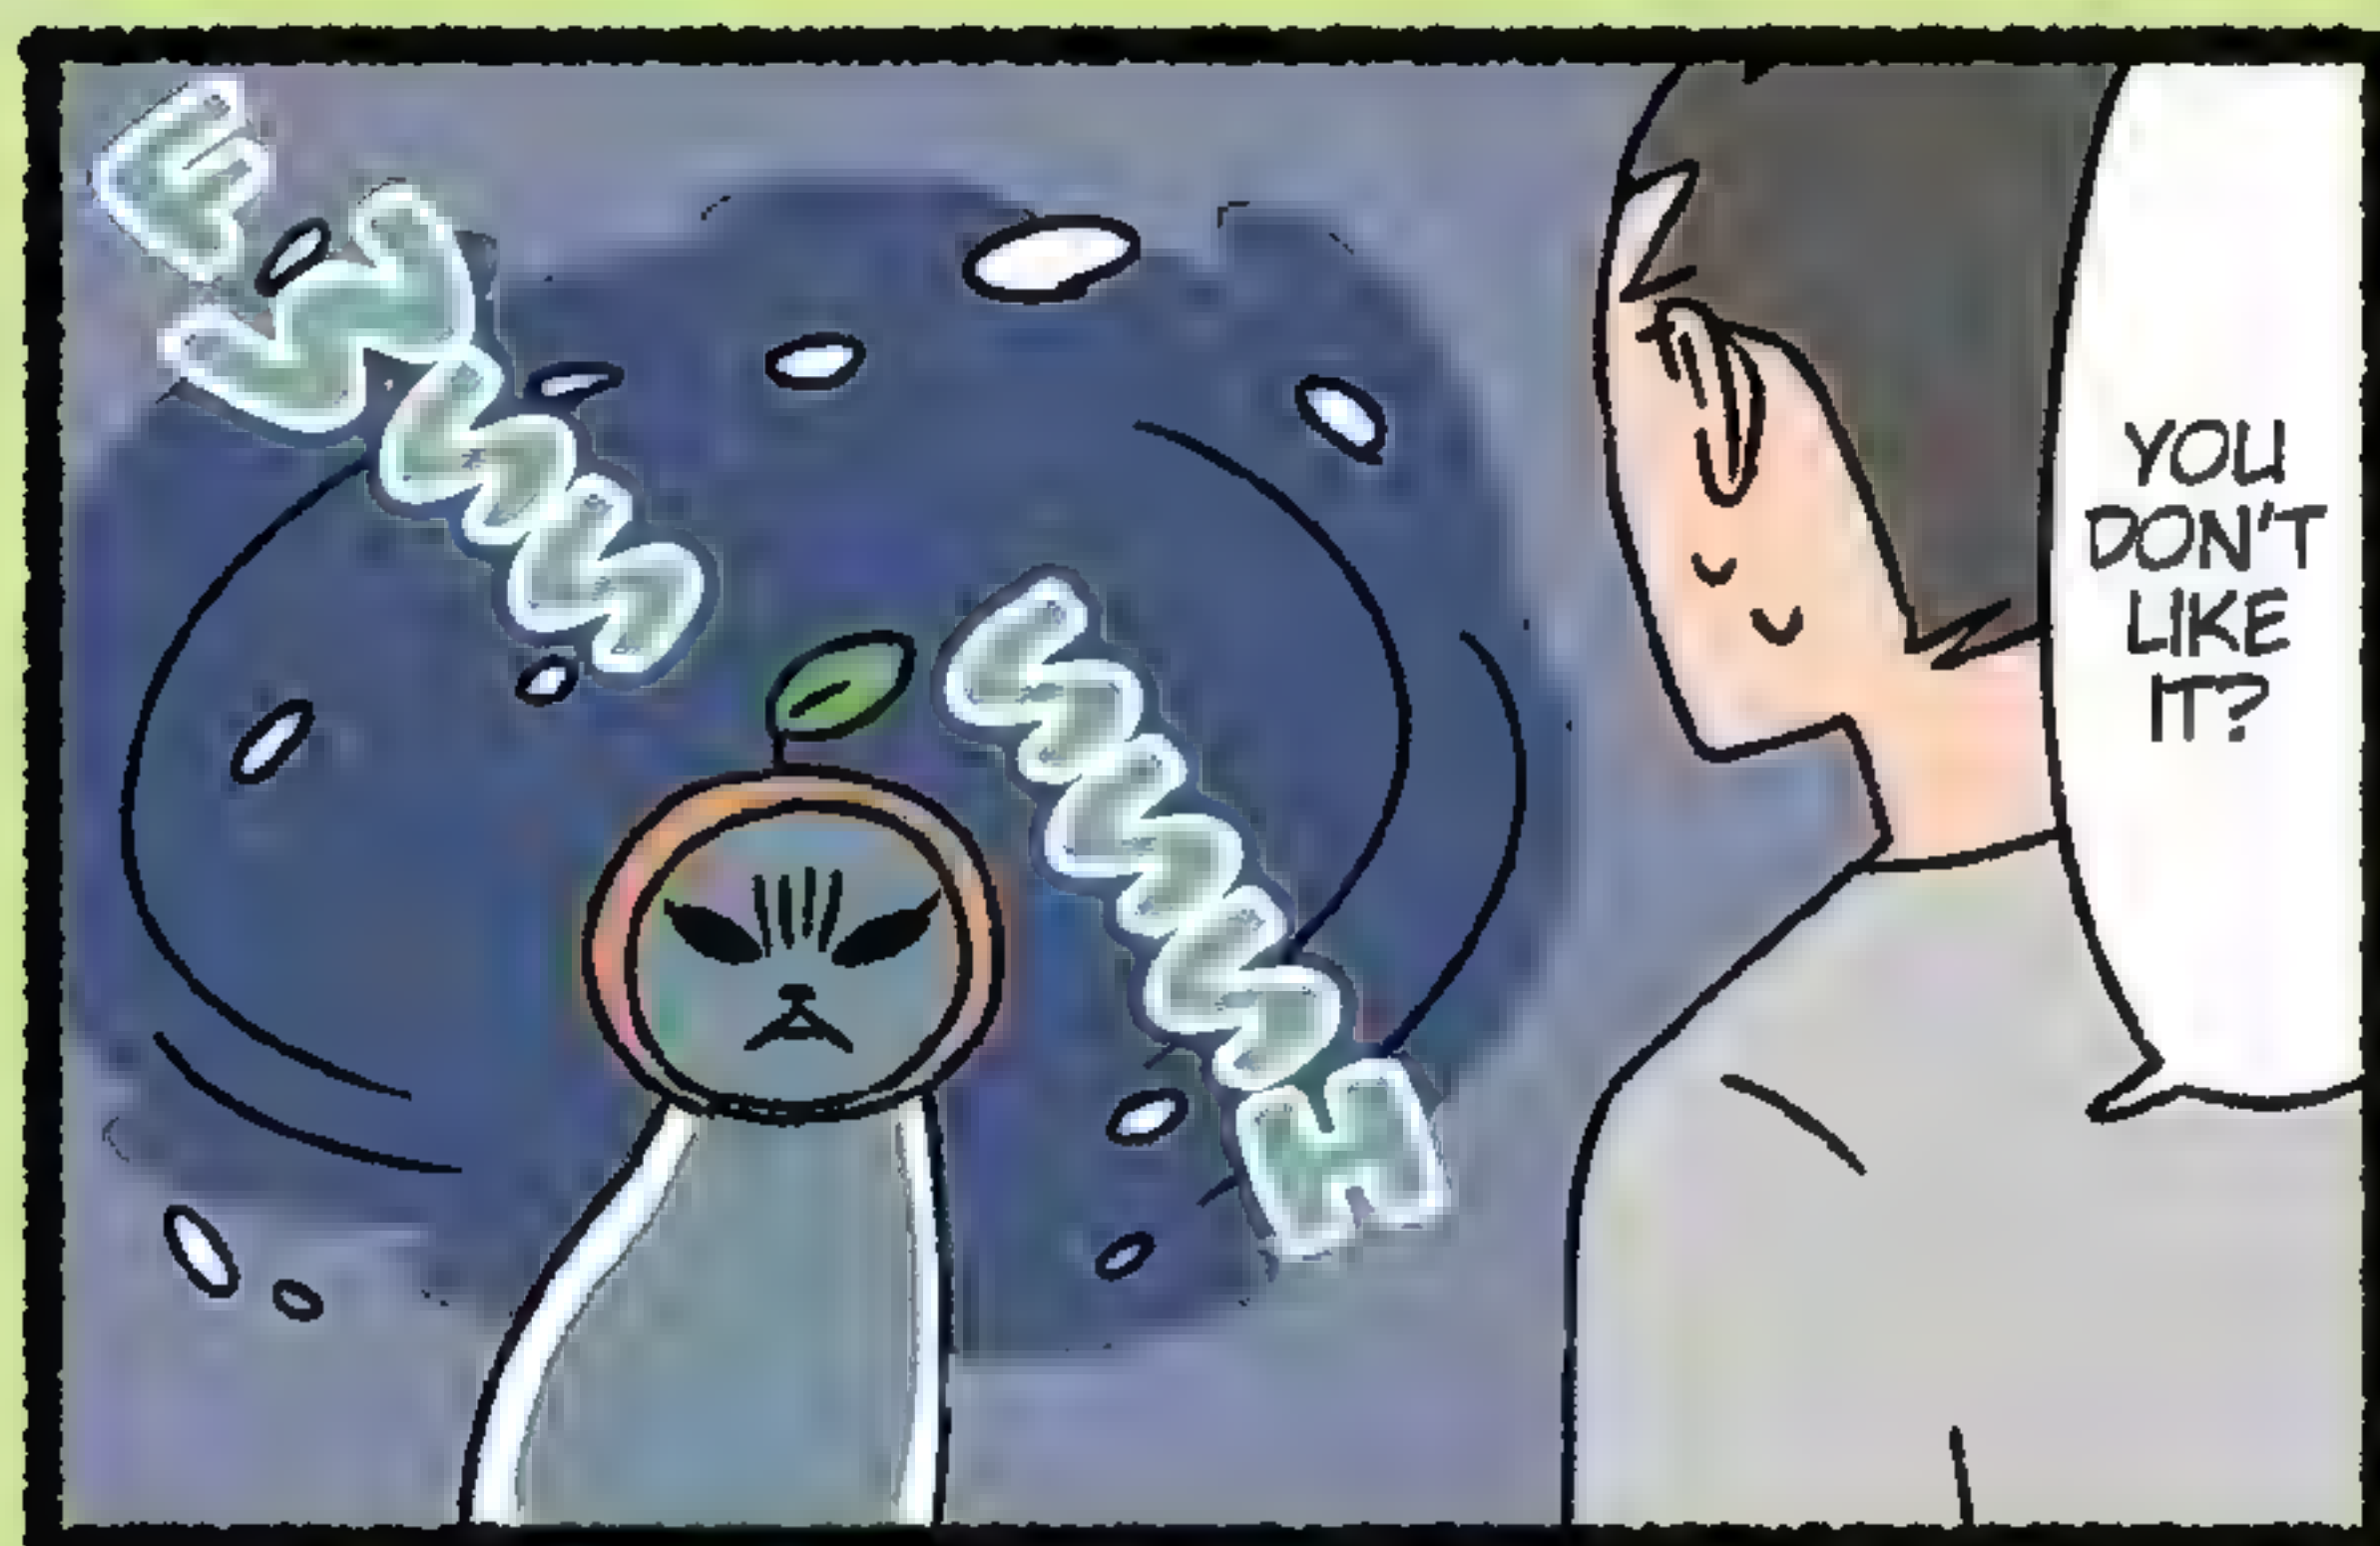

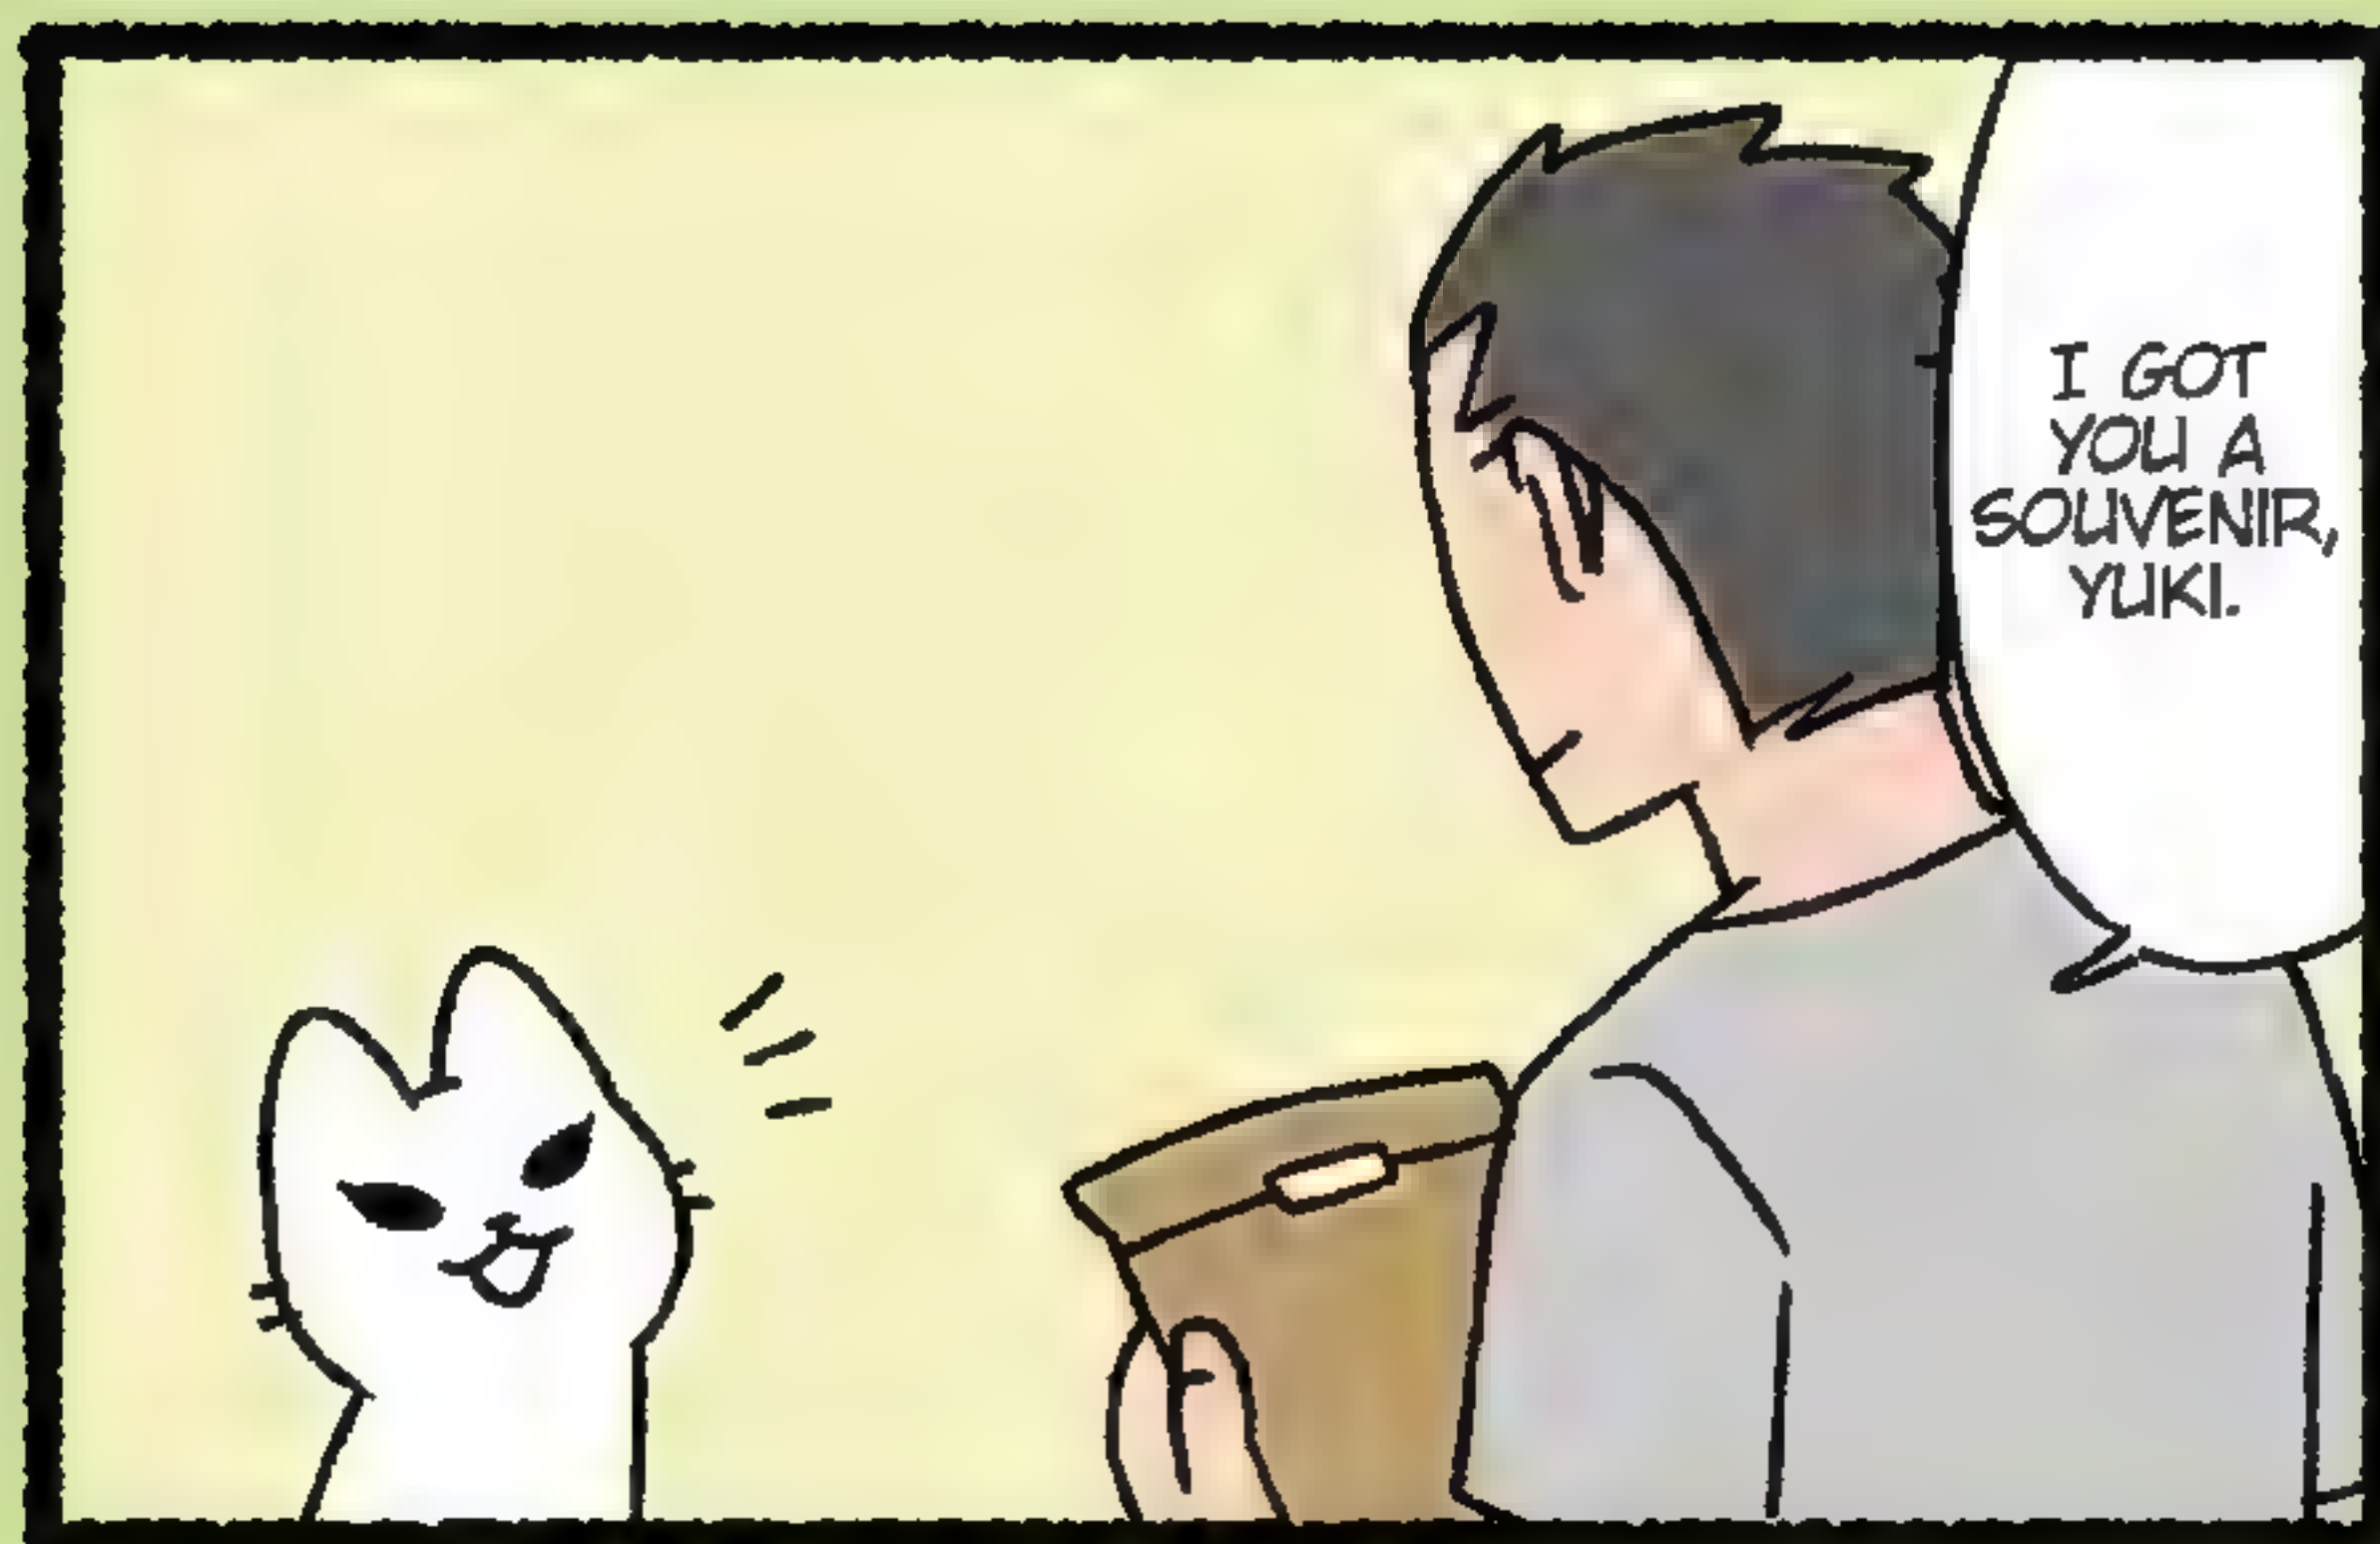

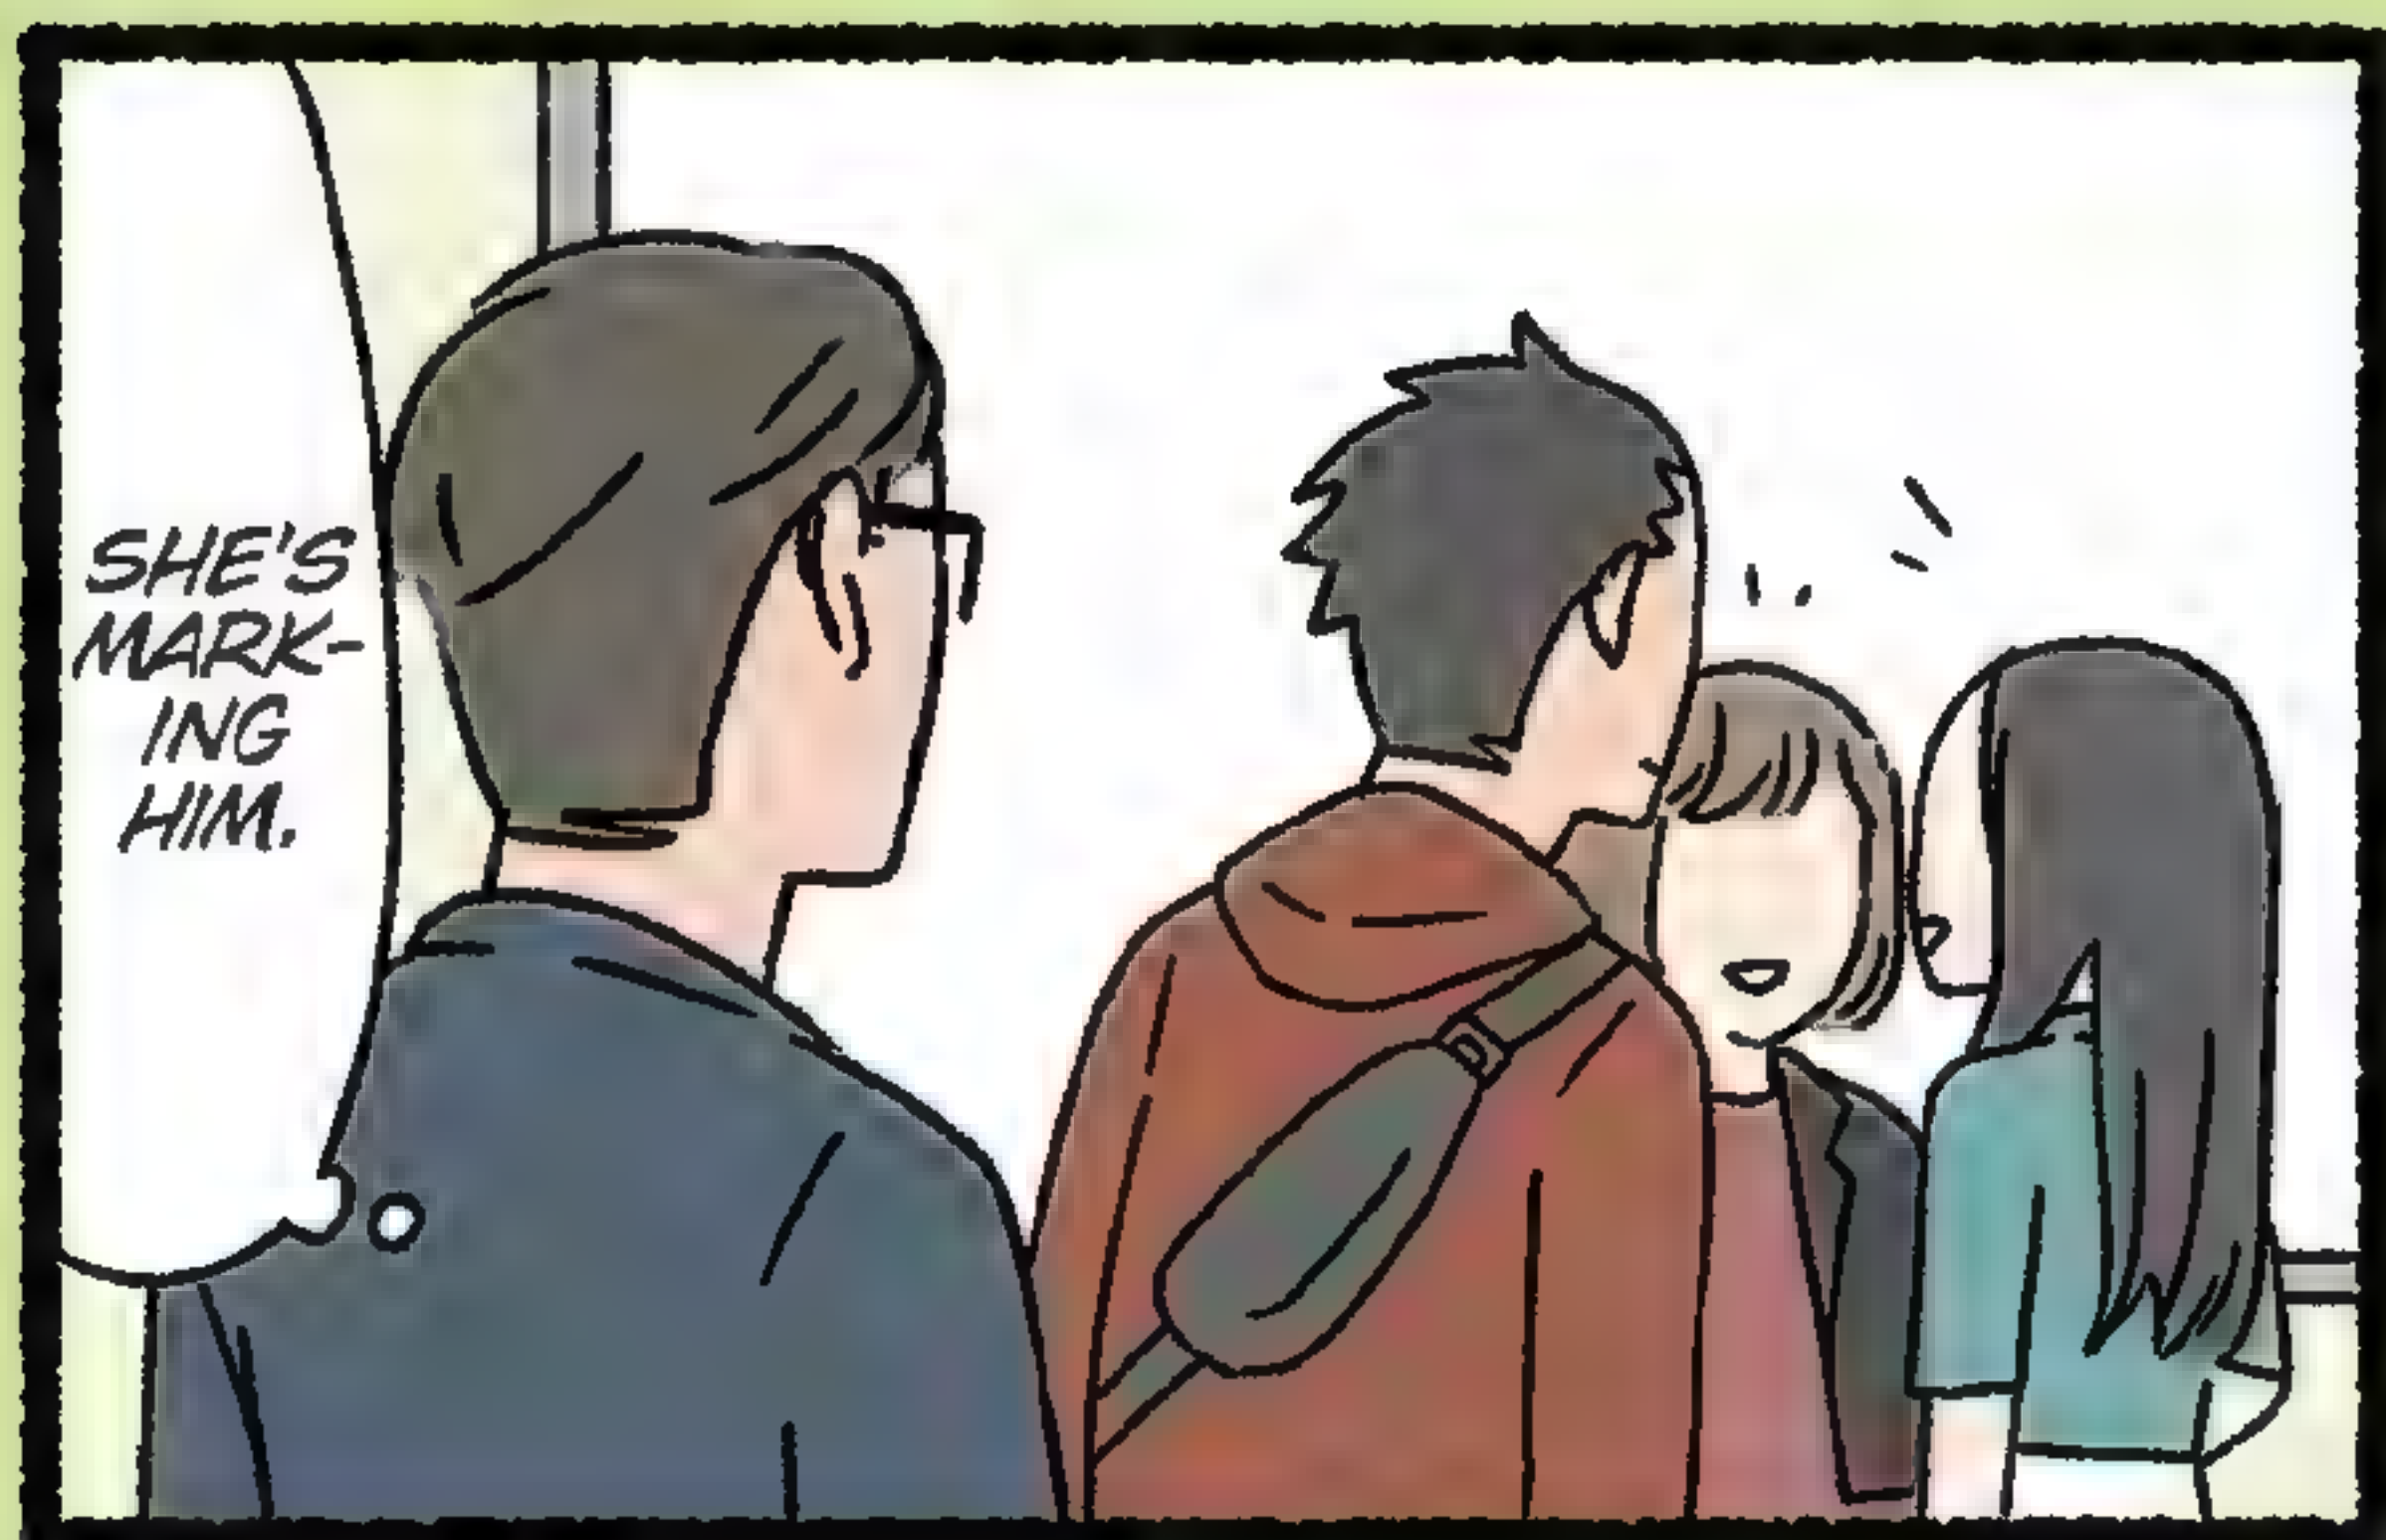

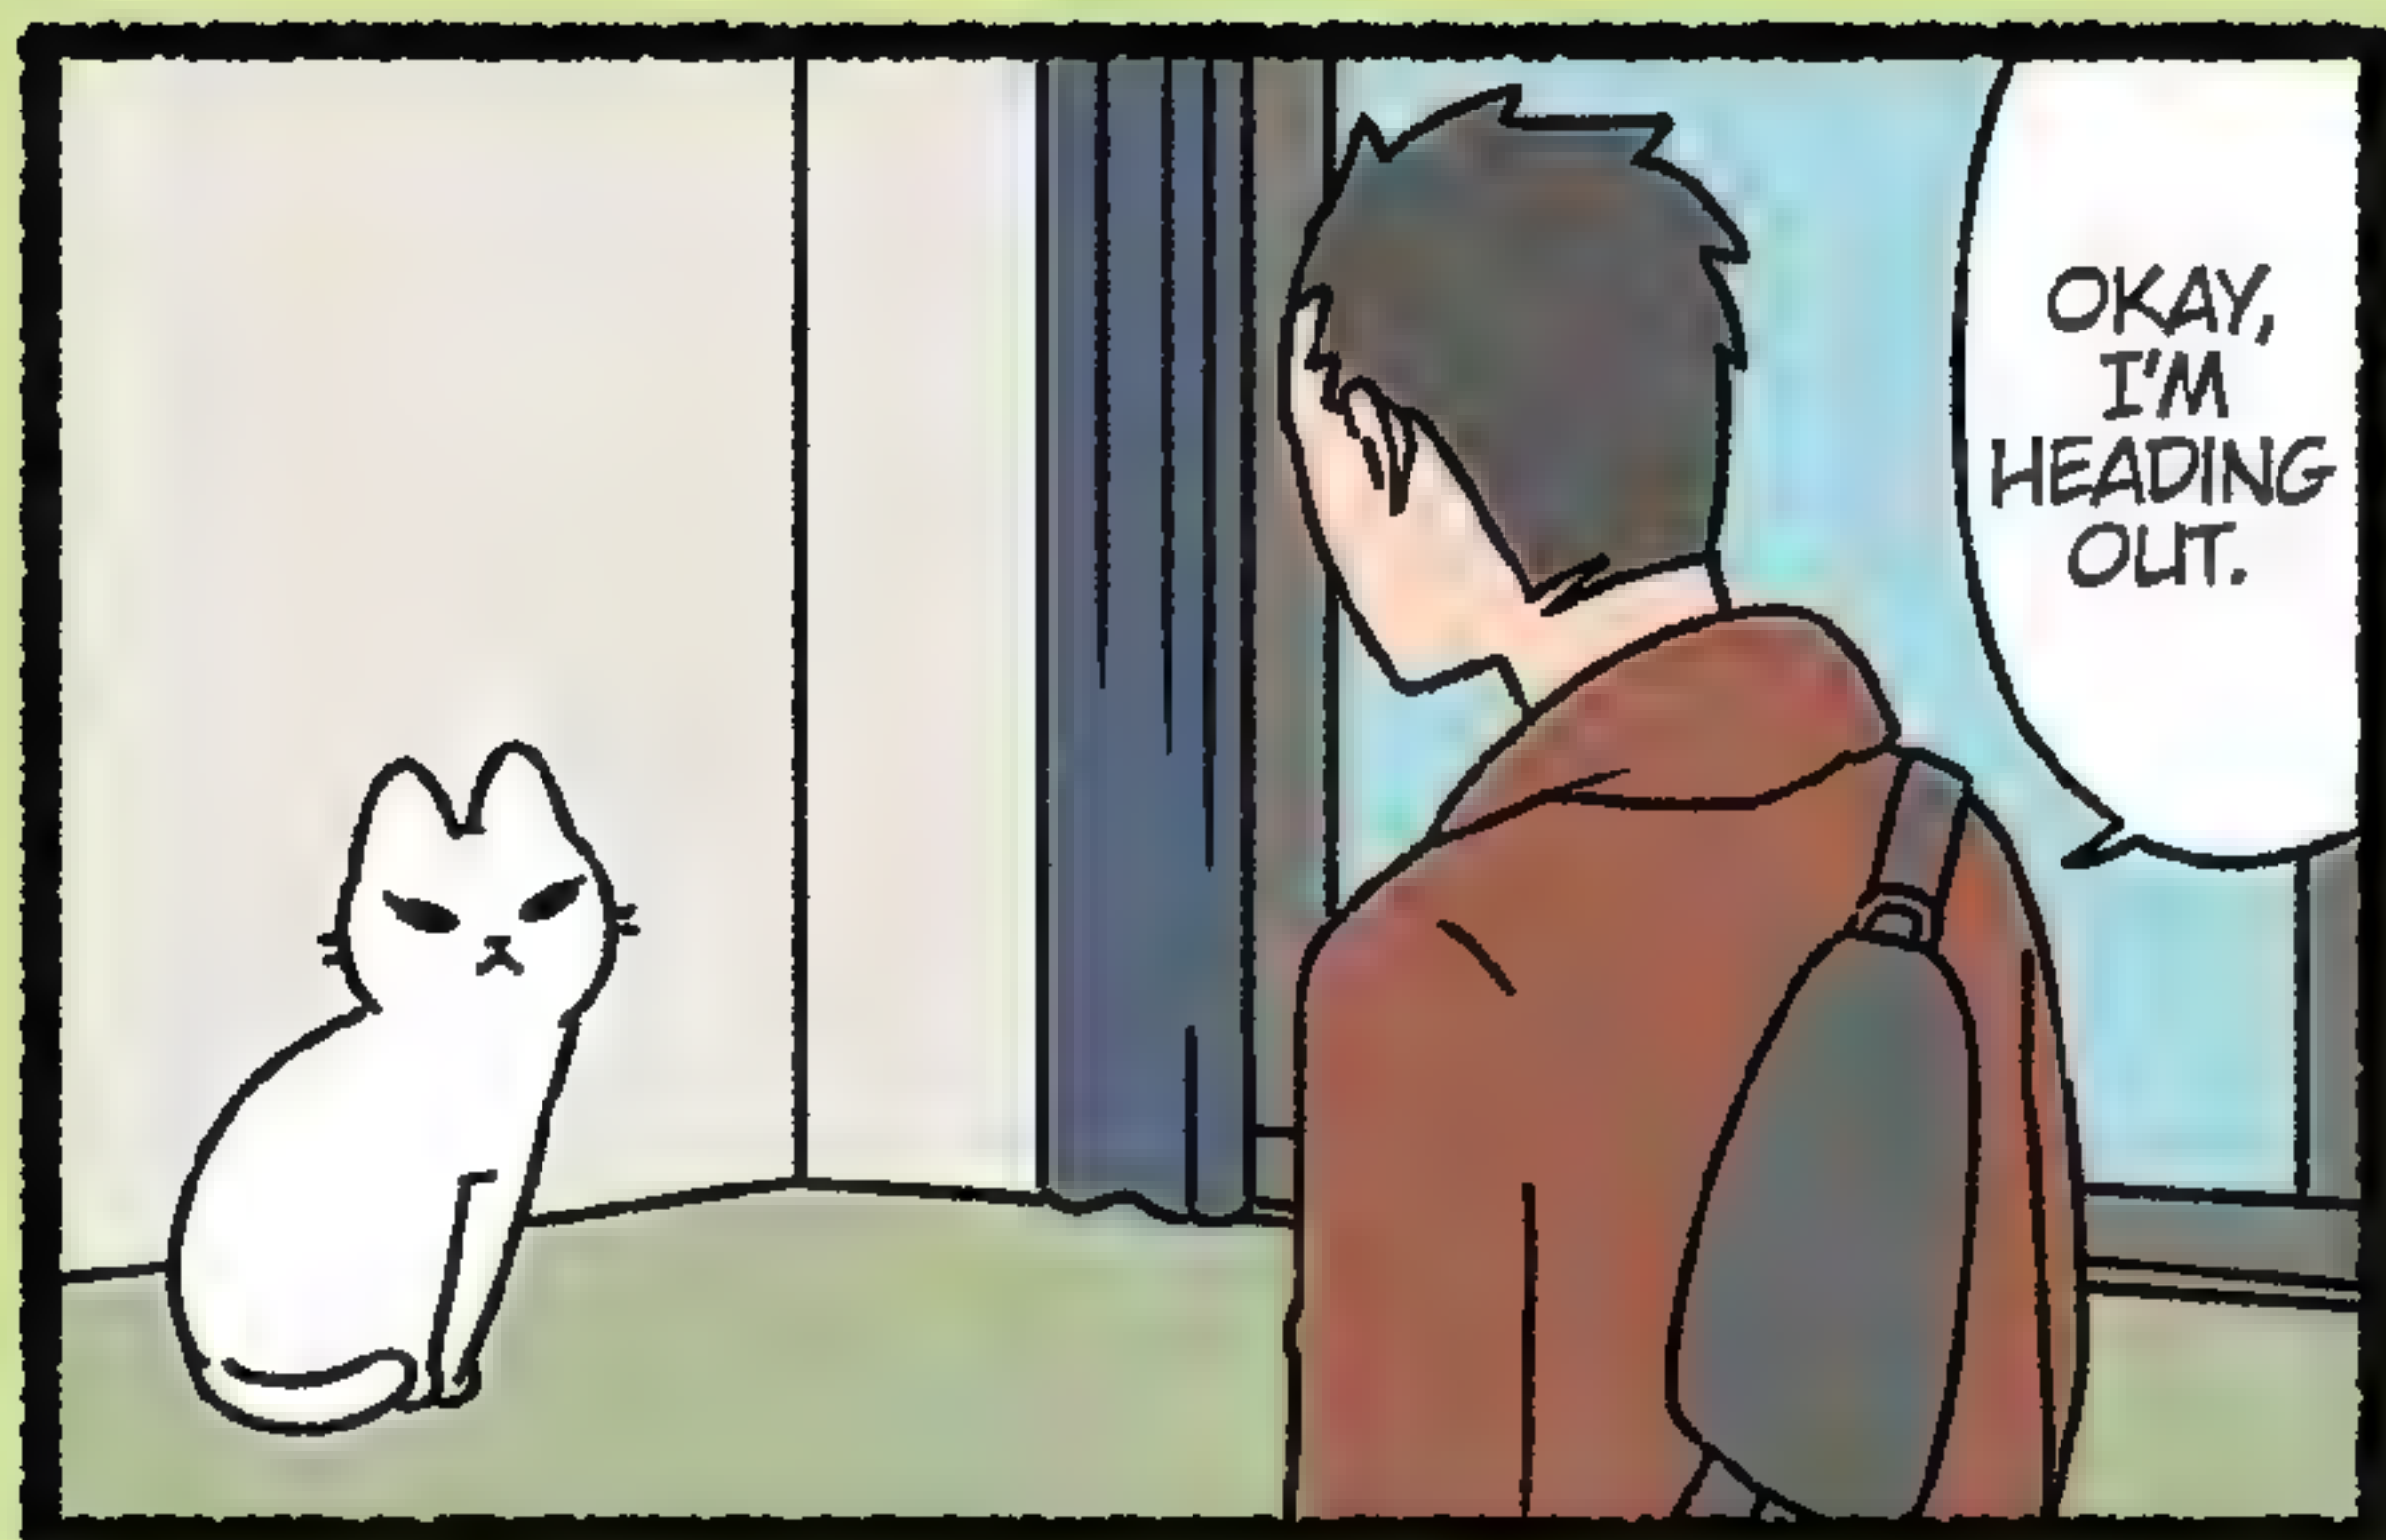

Yuki Onna

Snow Woman

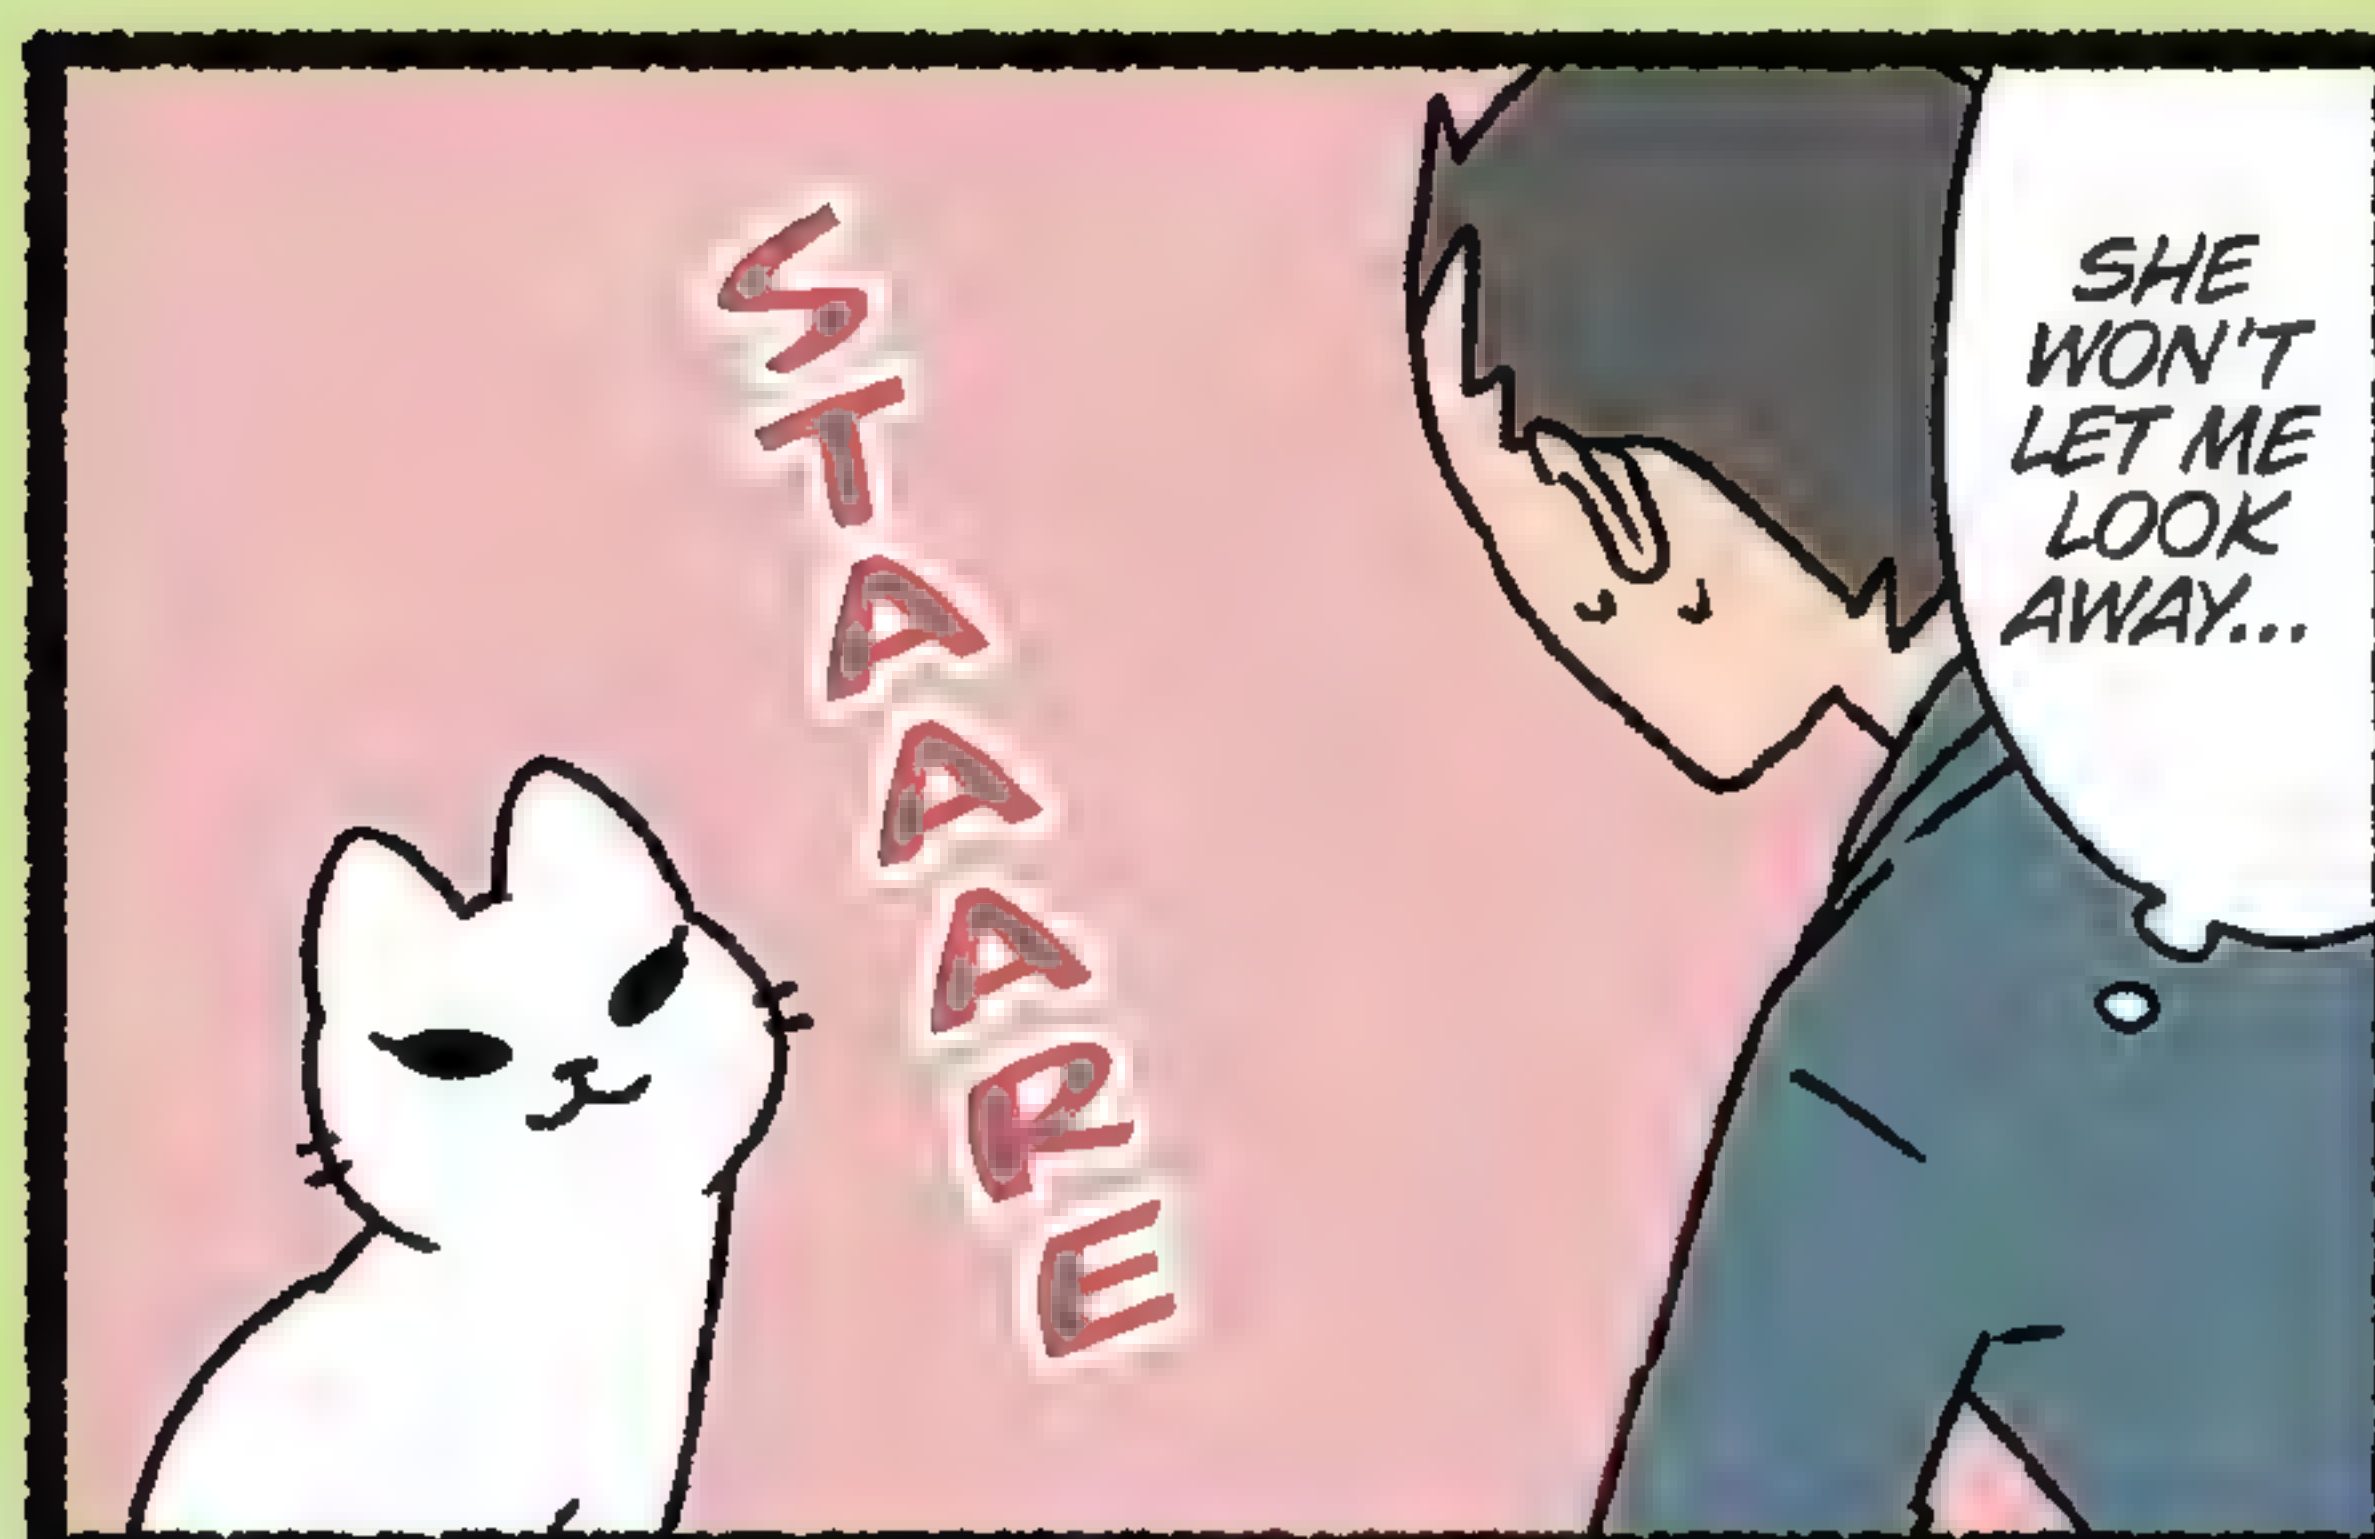

Emits an icy chill whenever she's sulking, angry, or depressed.

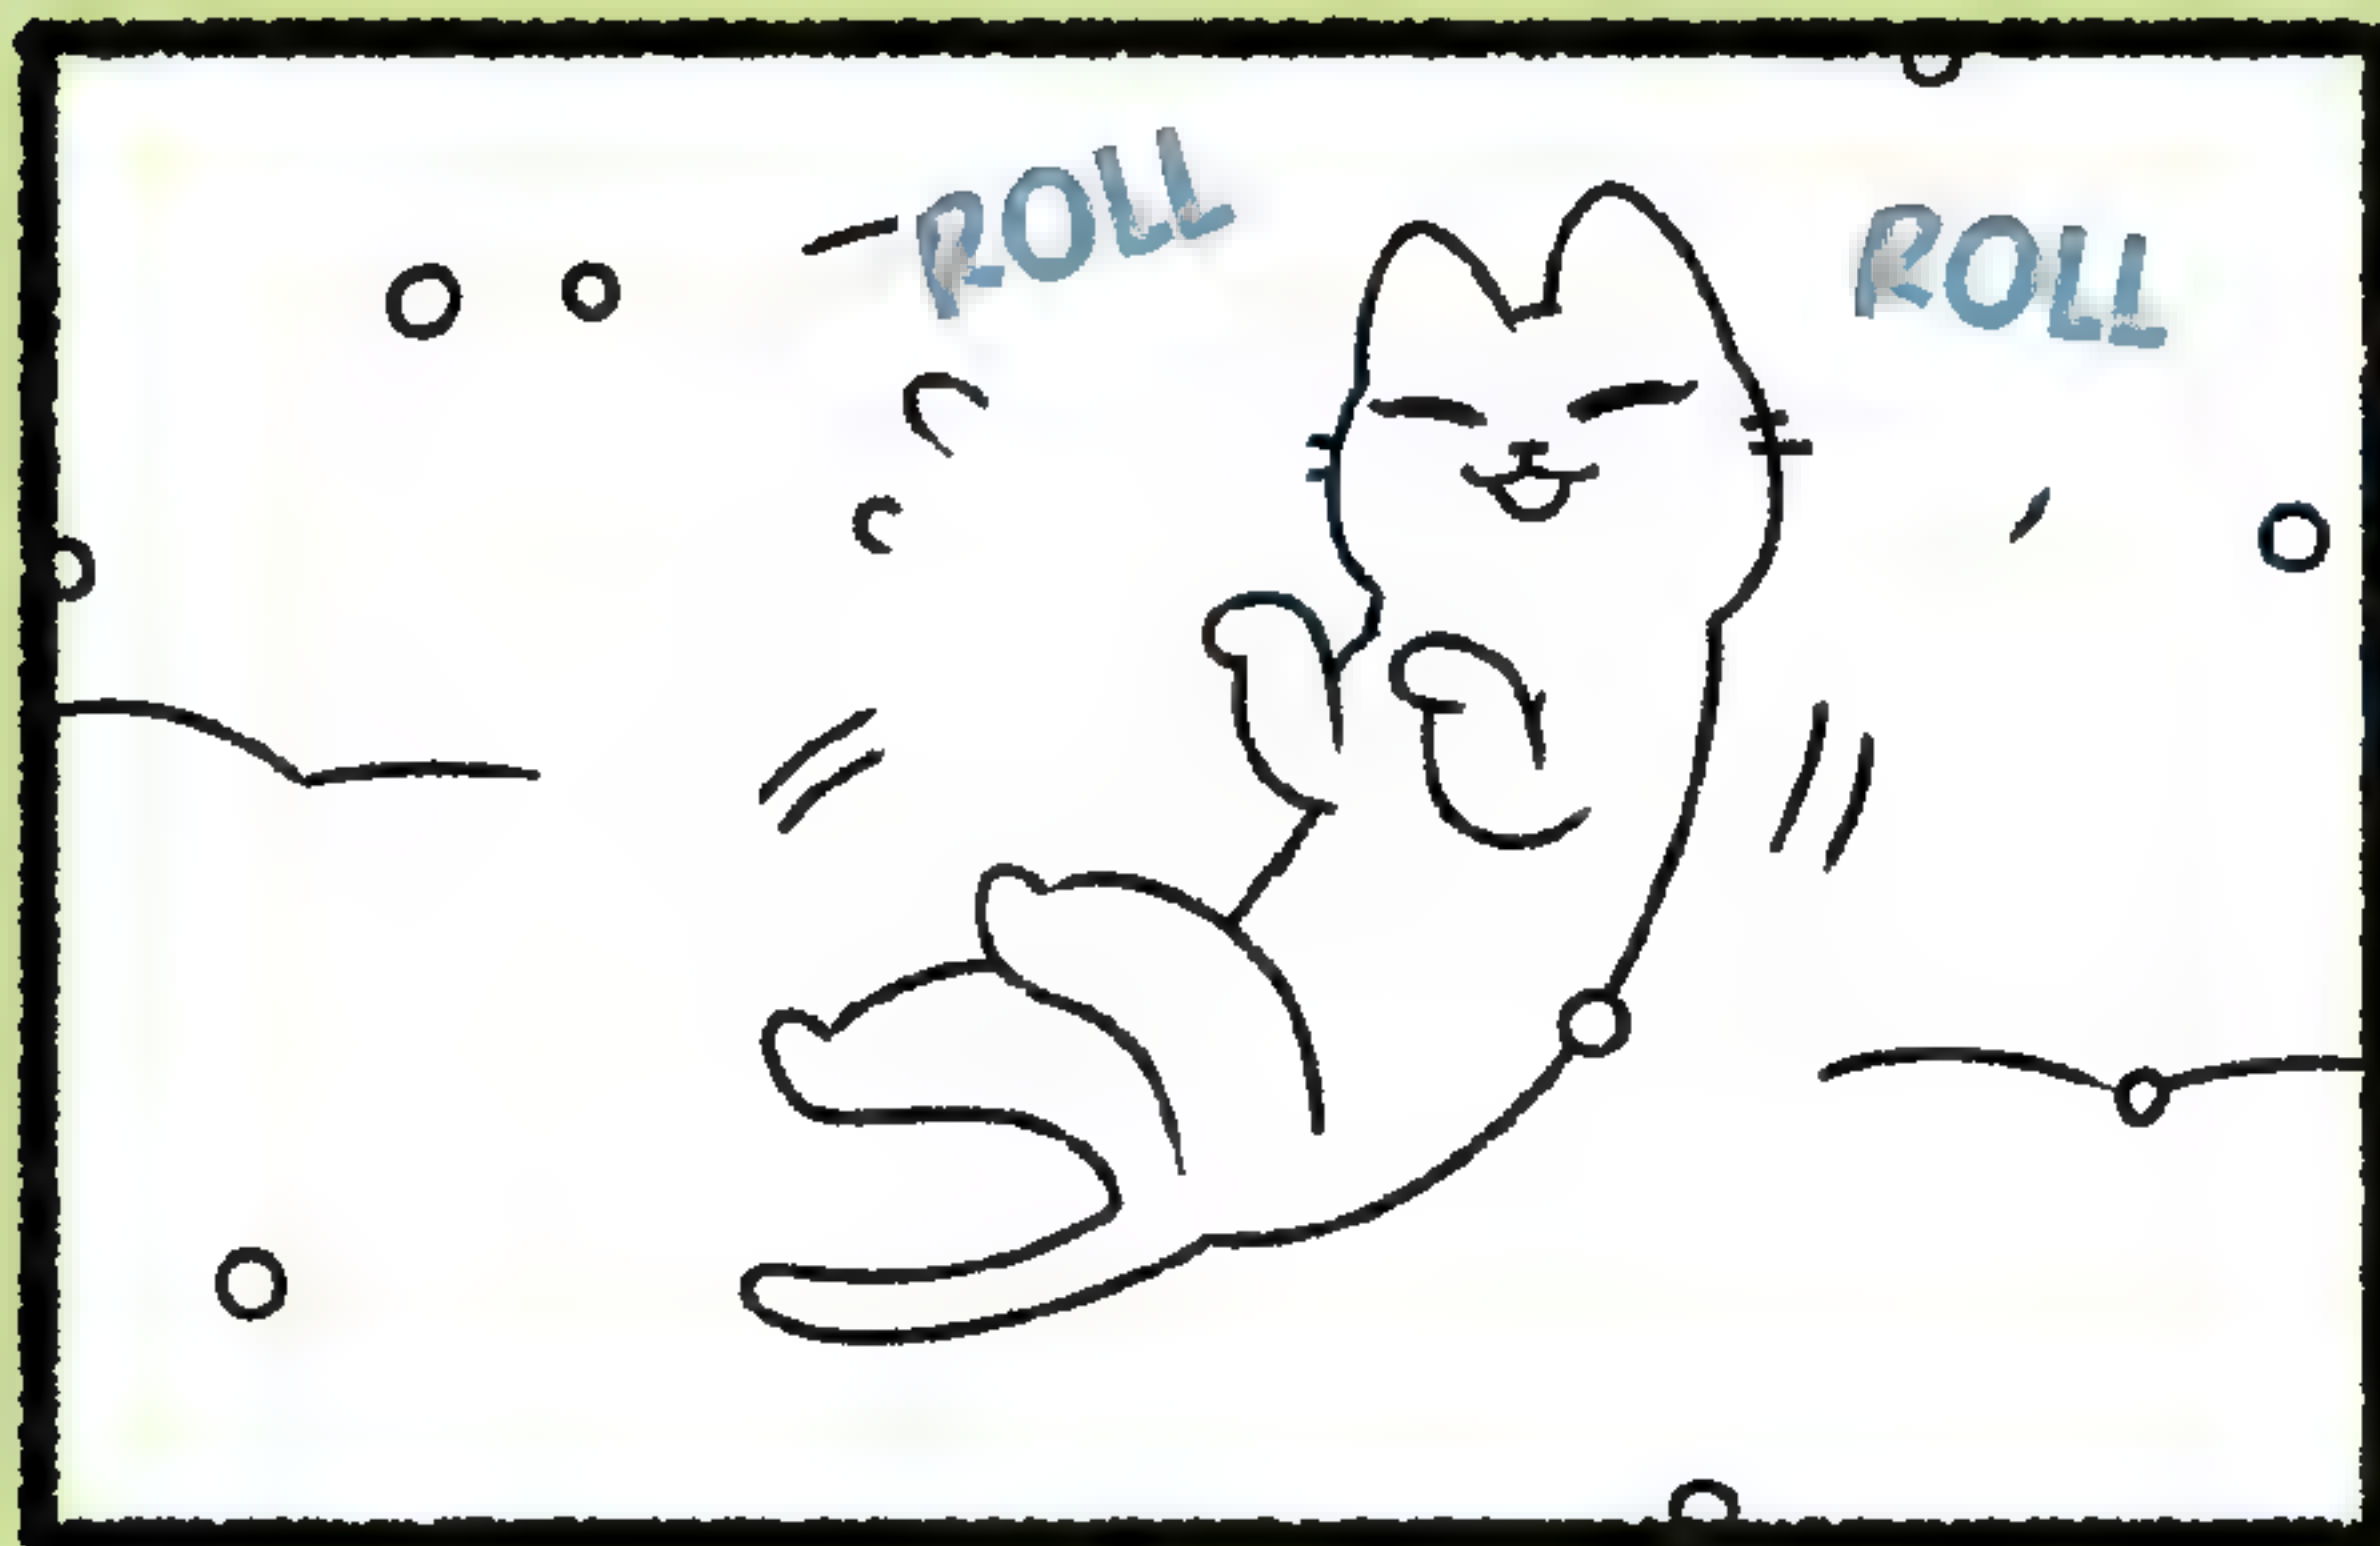

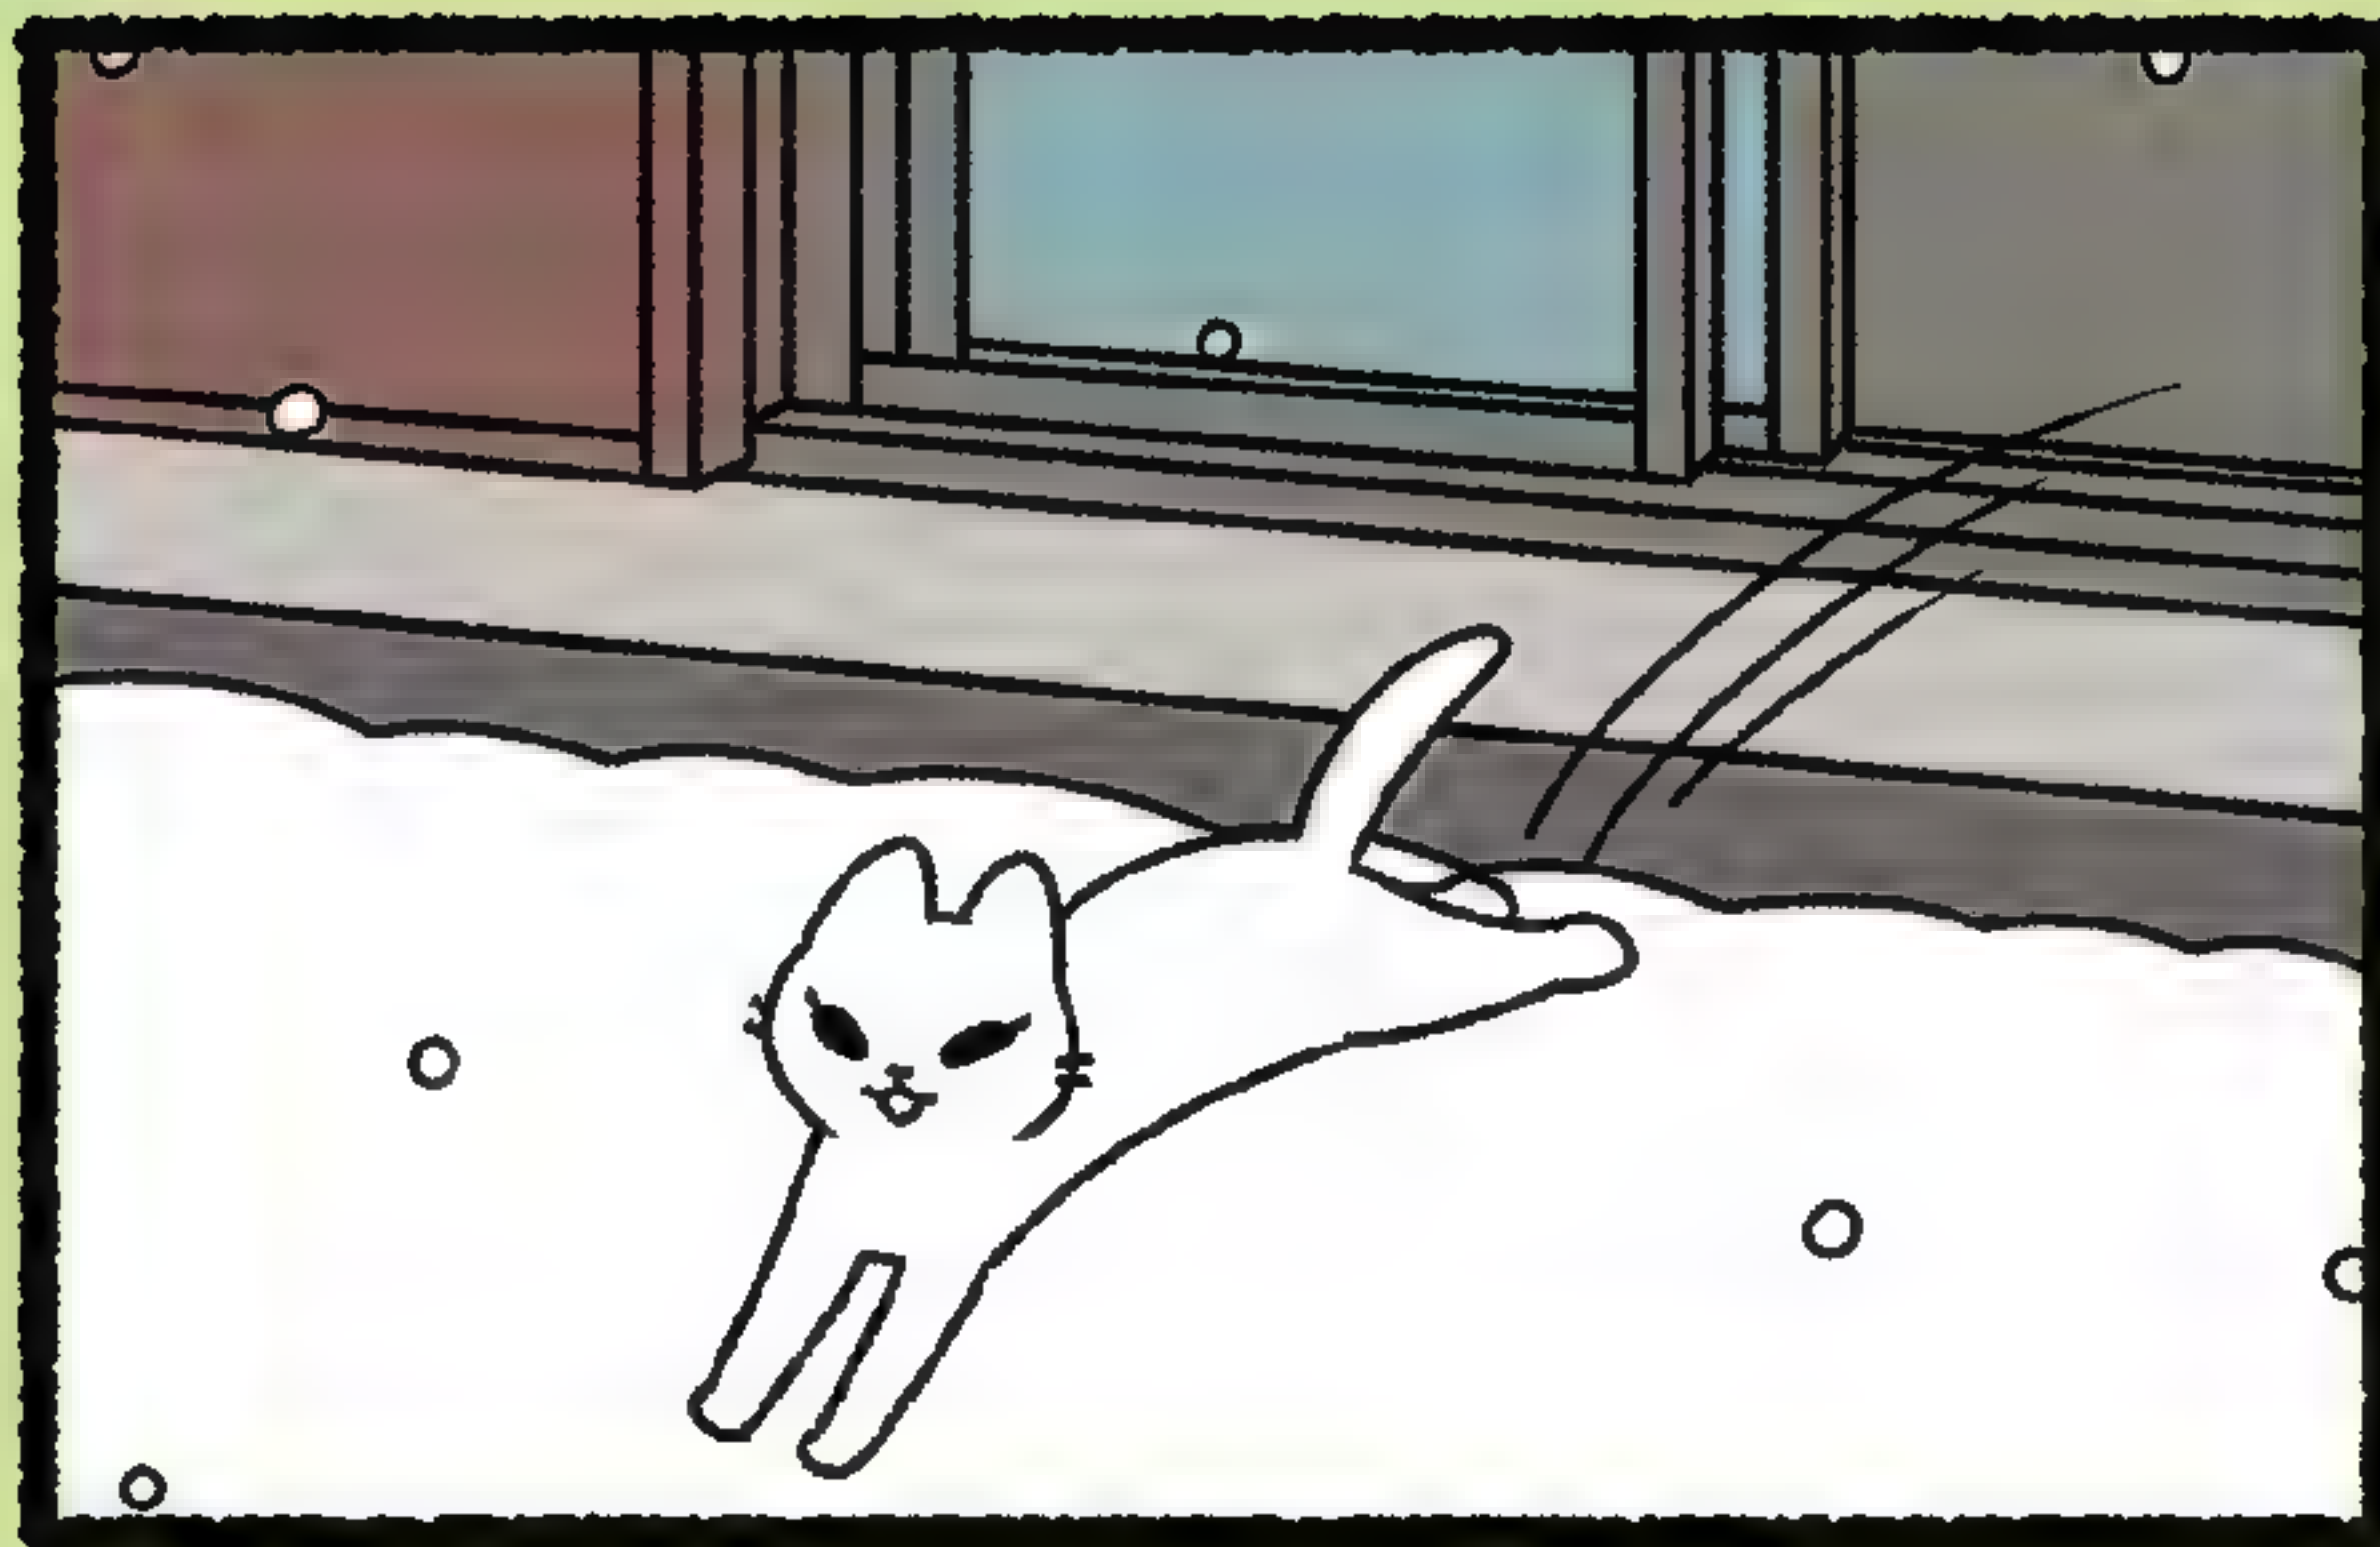

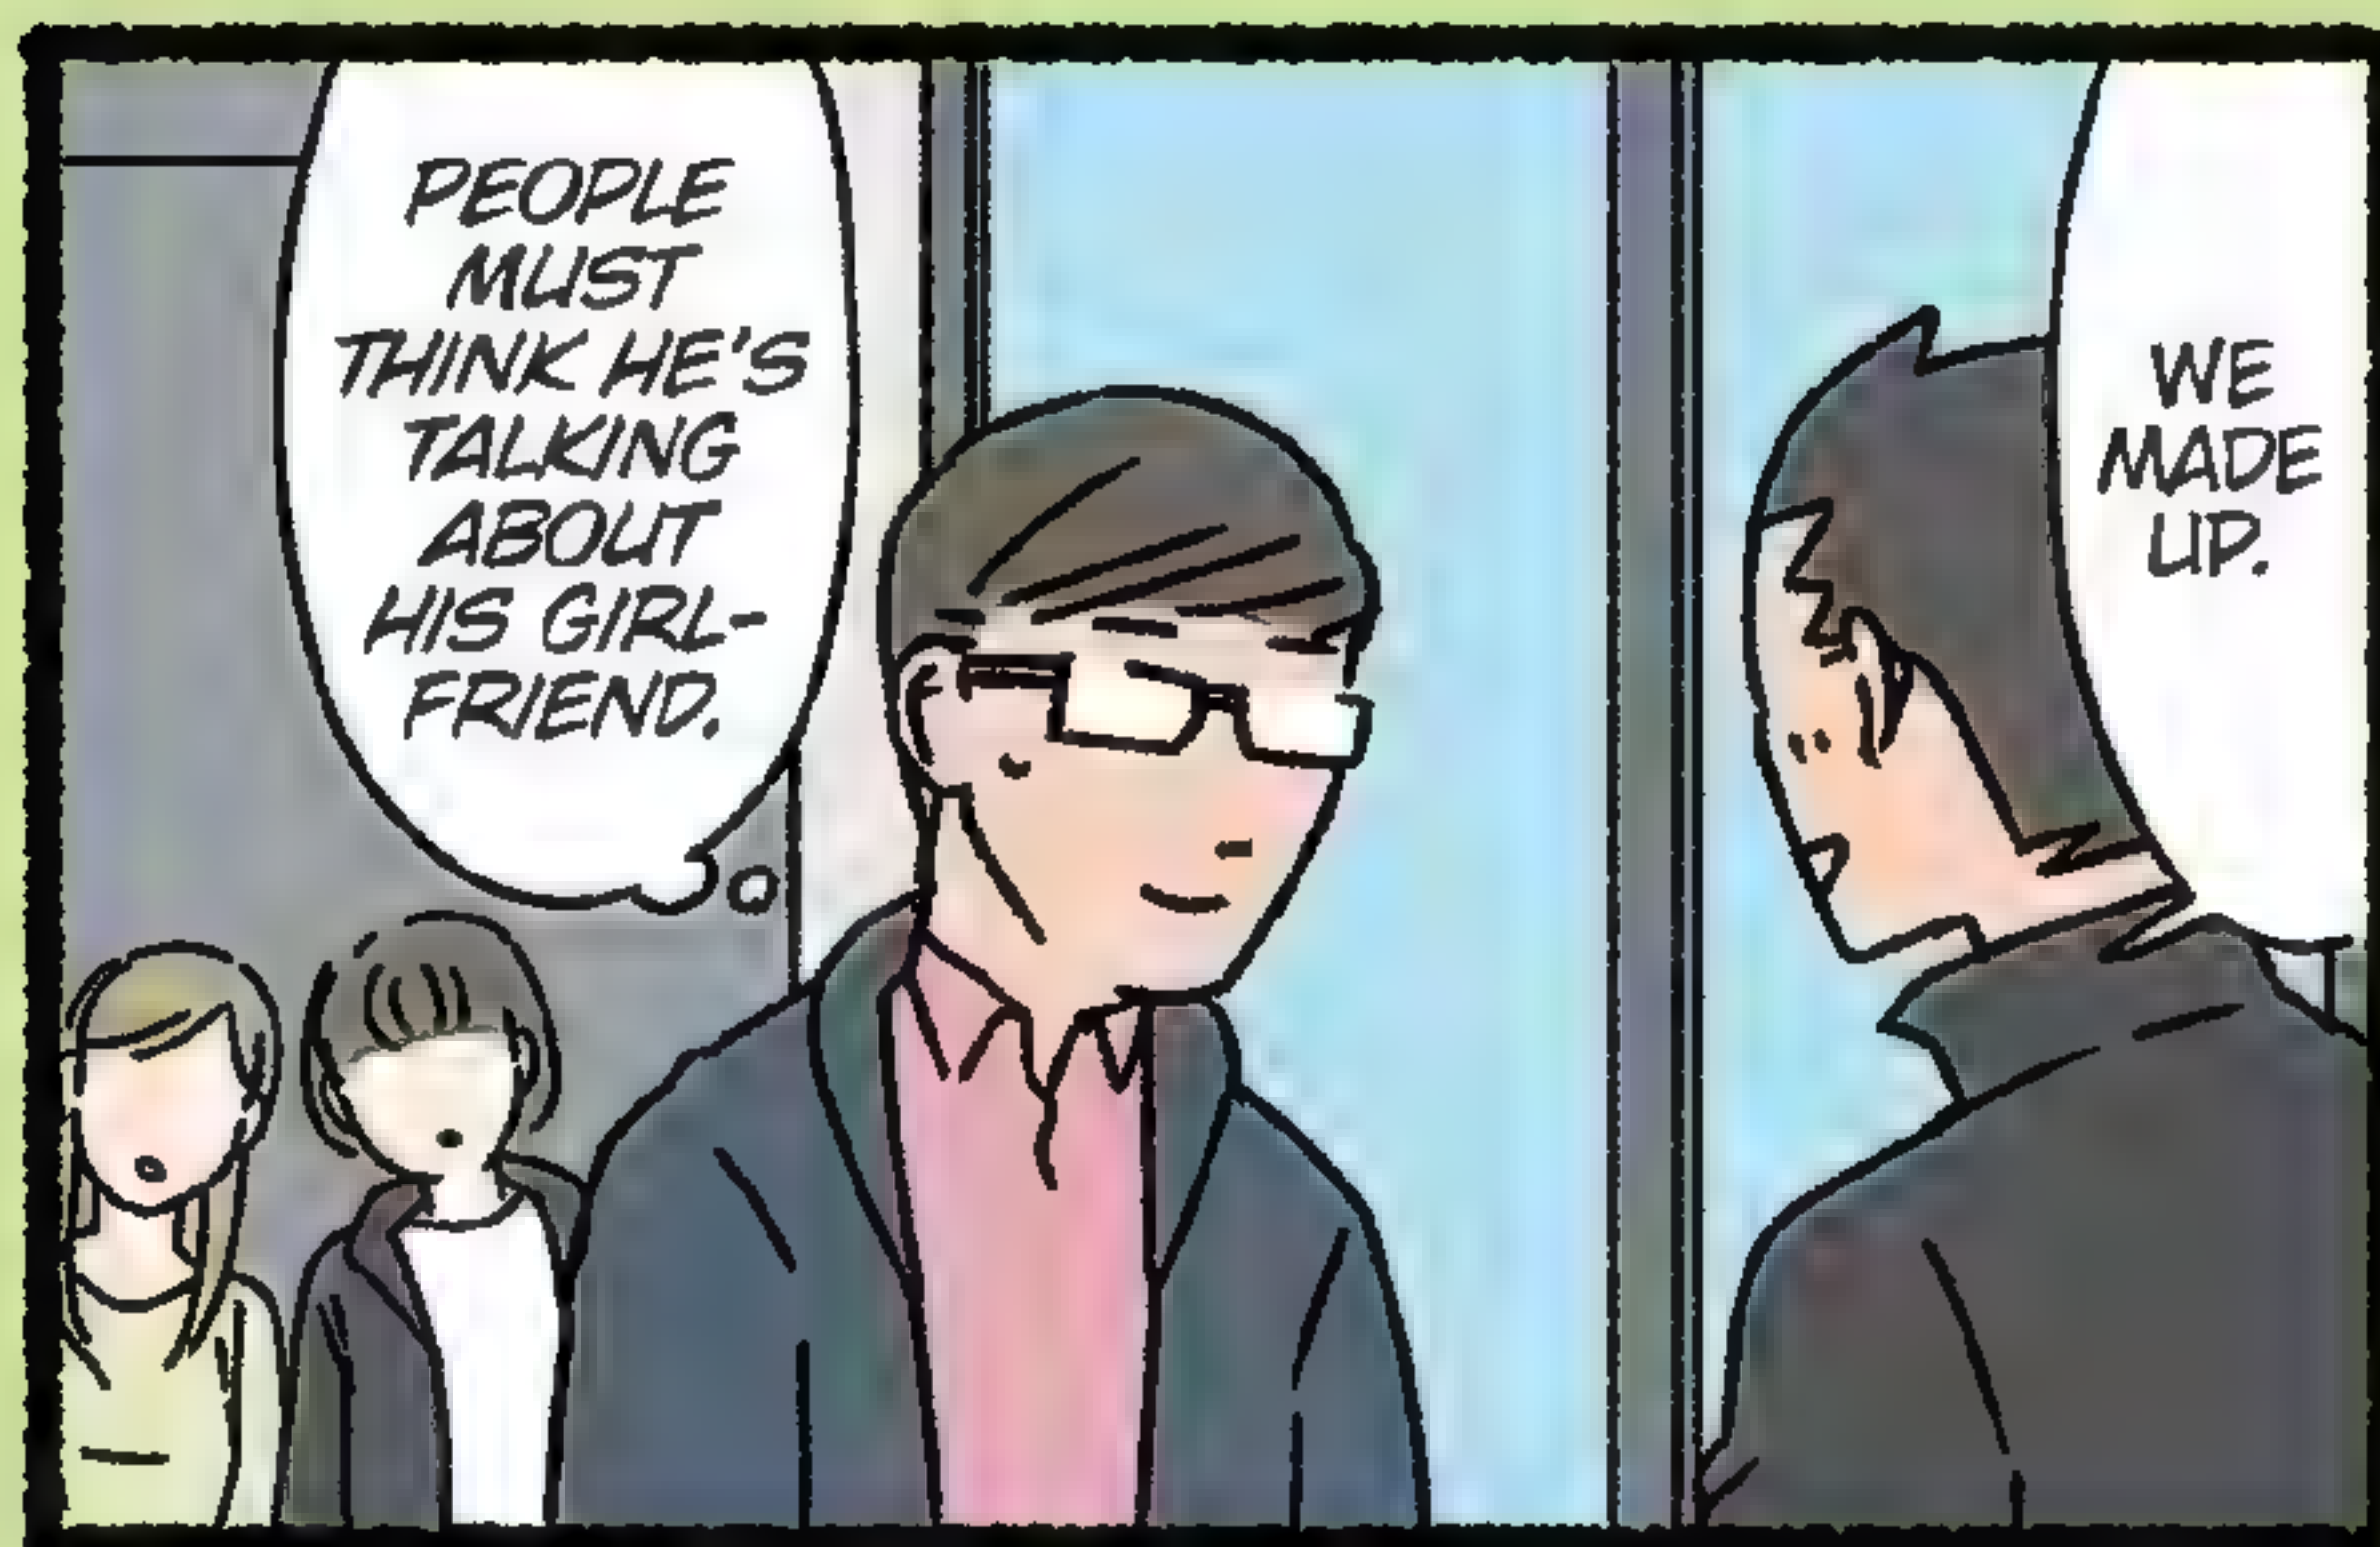

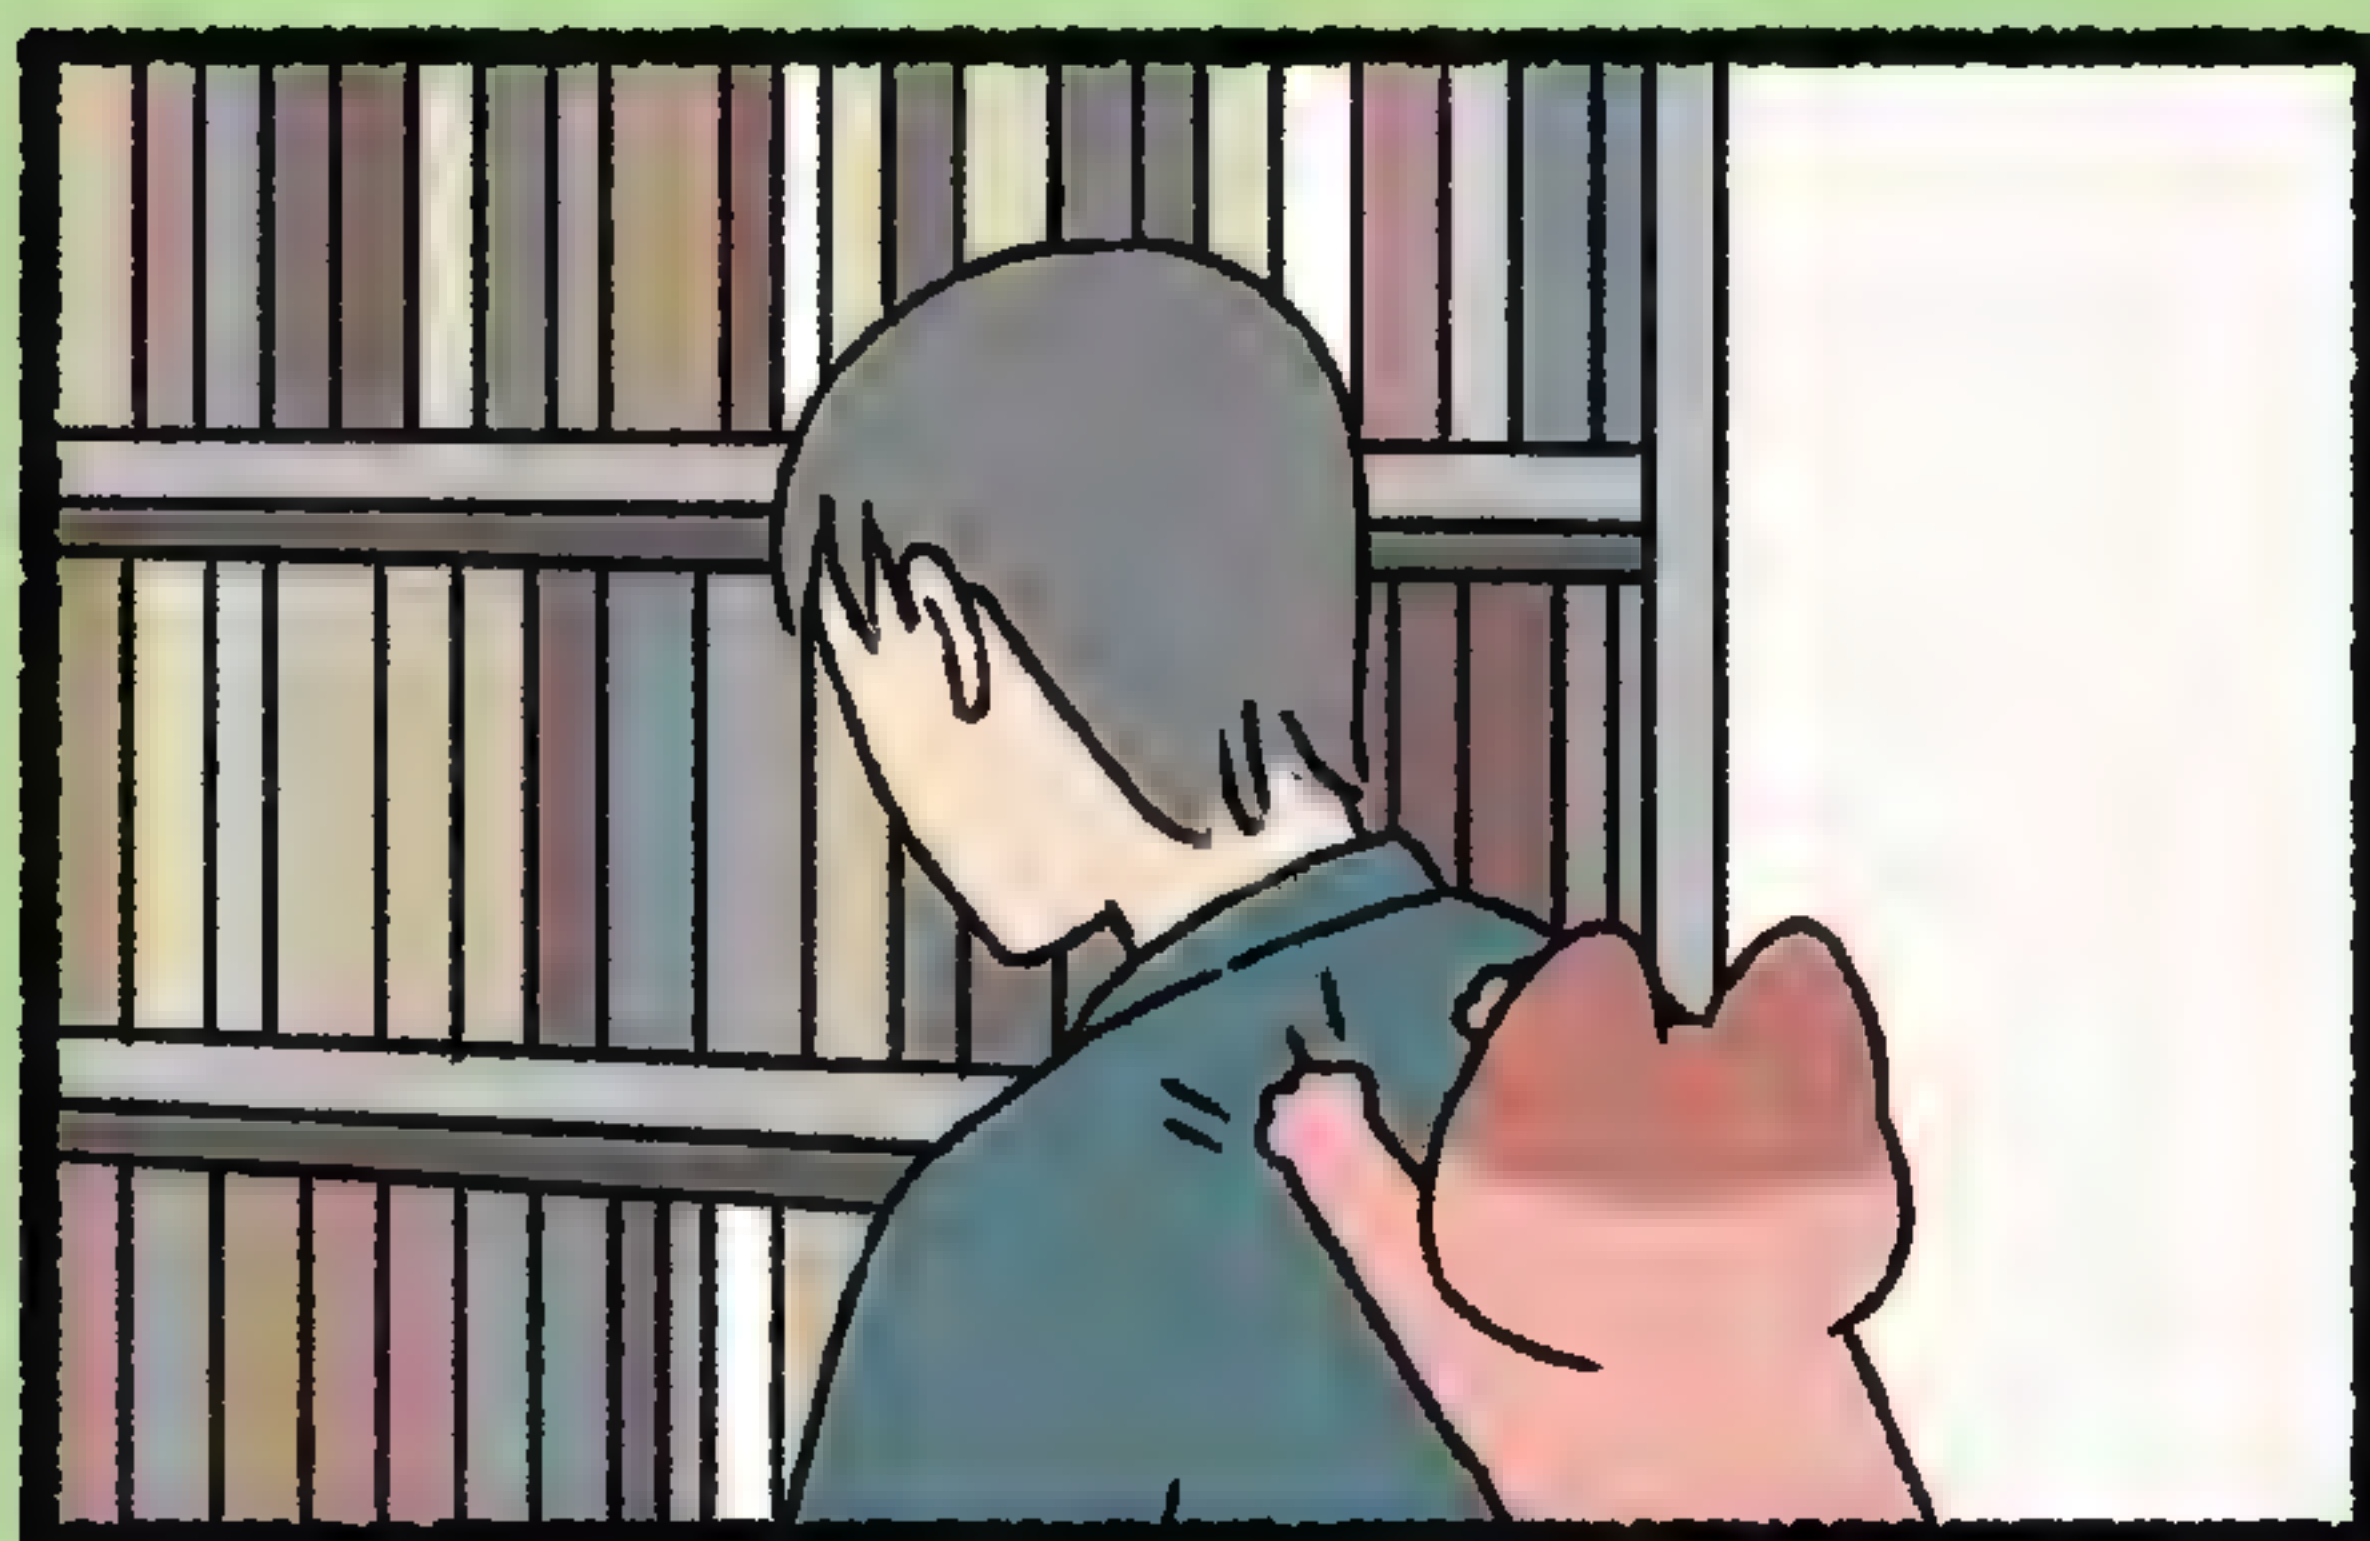

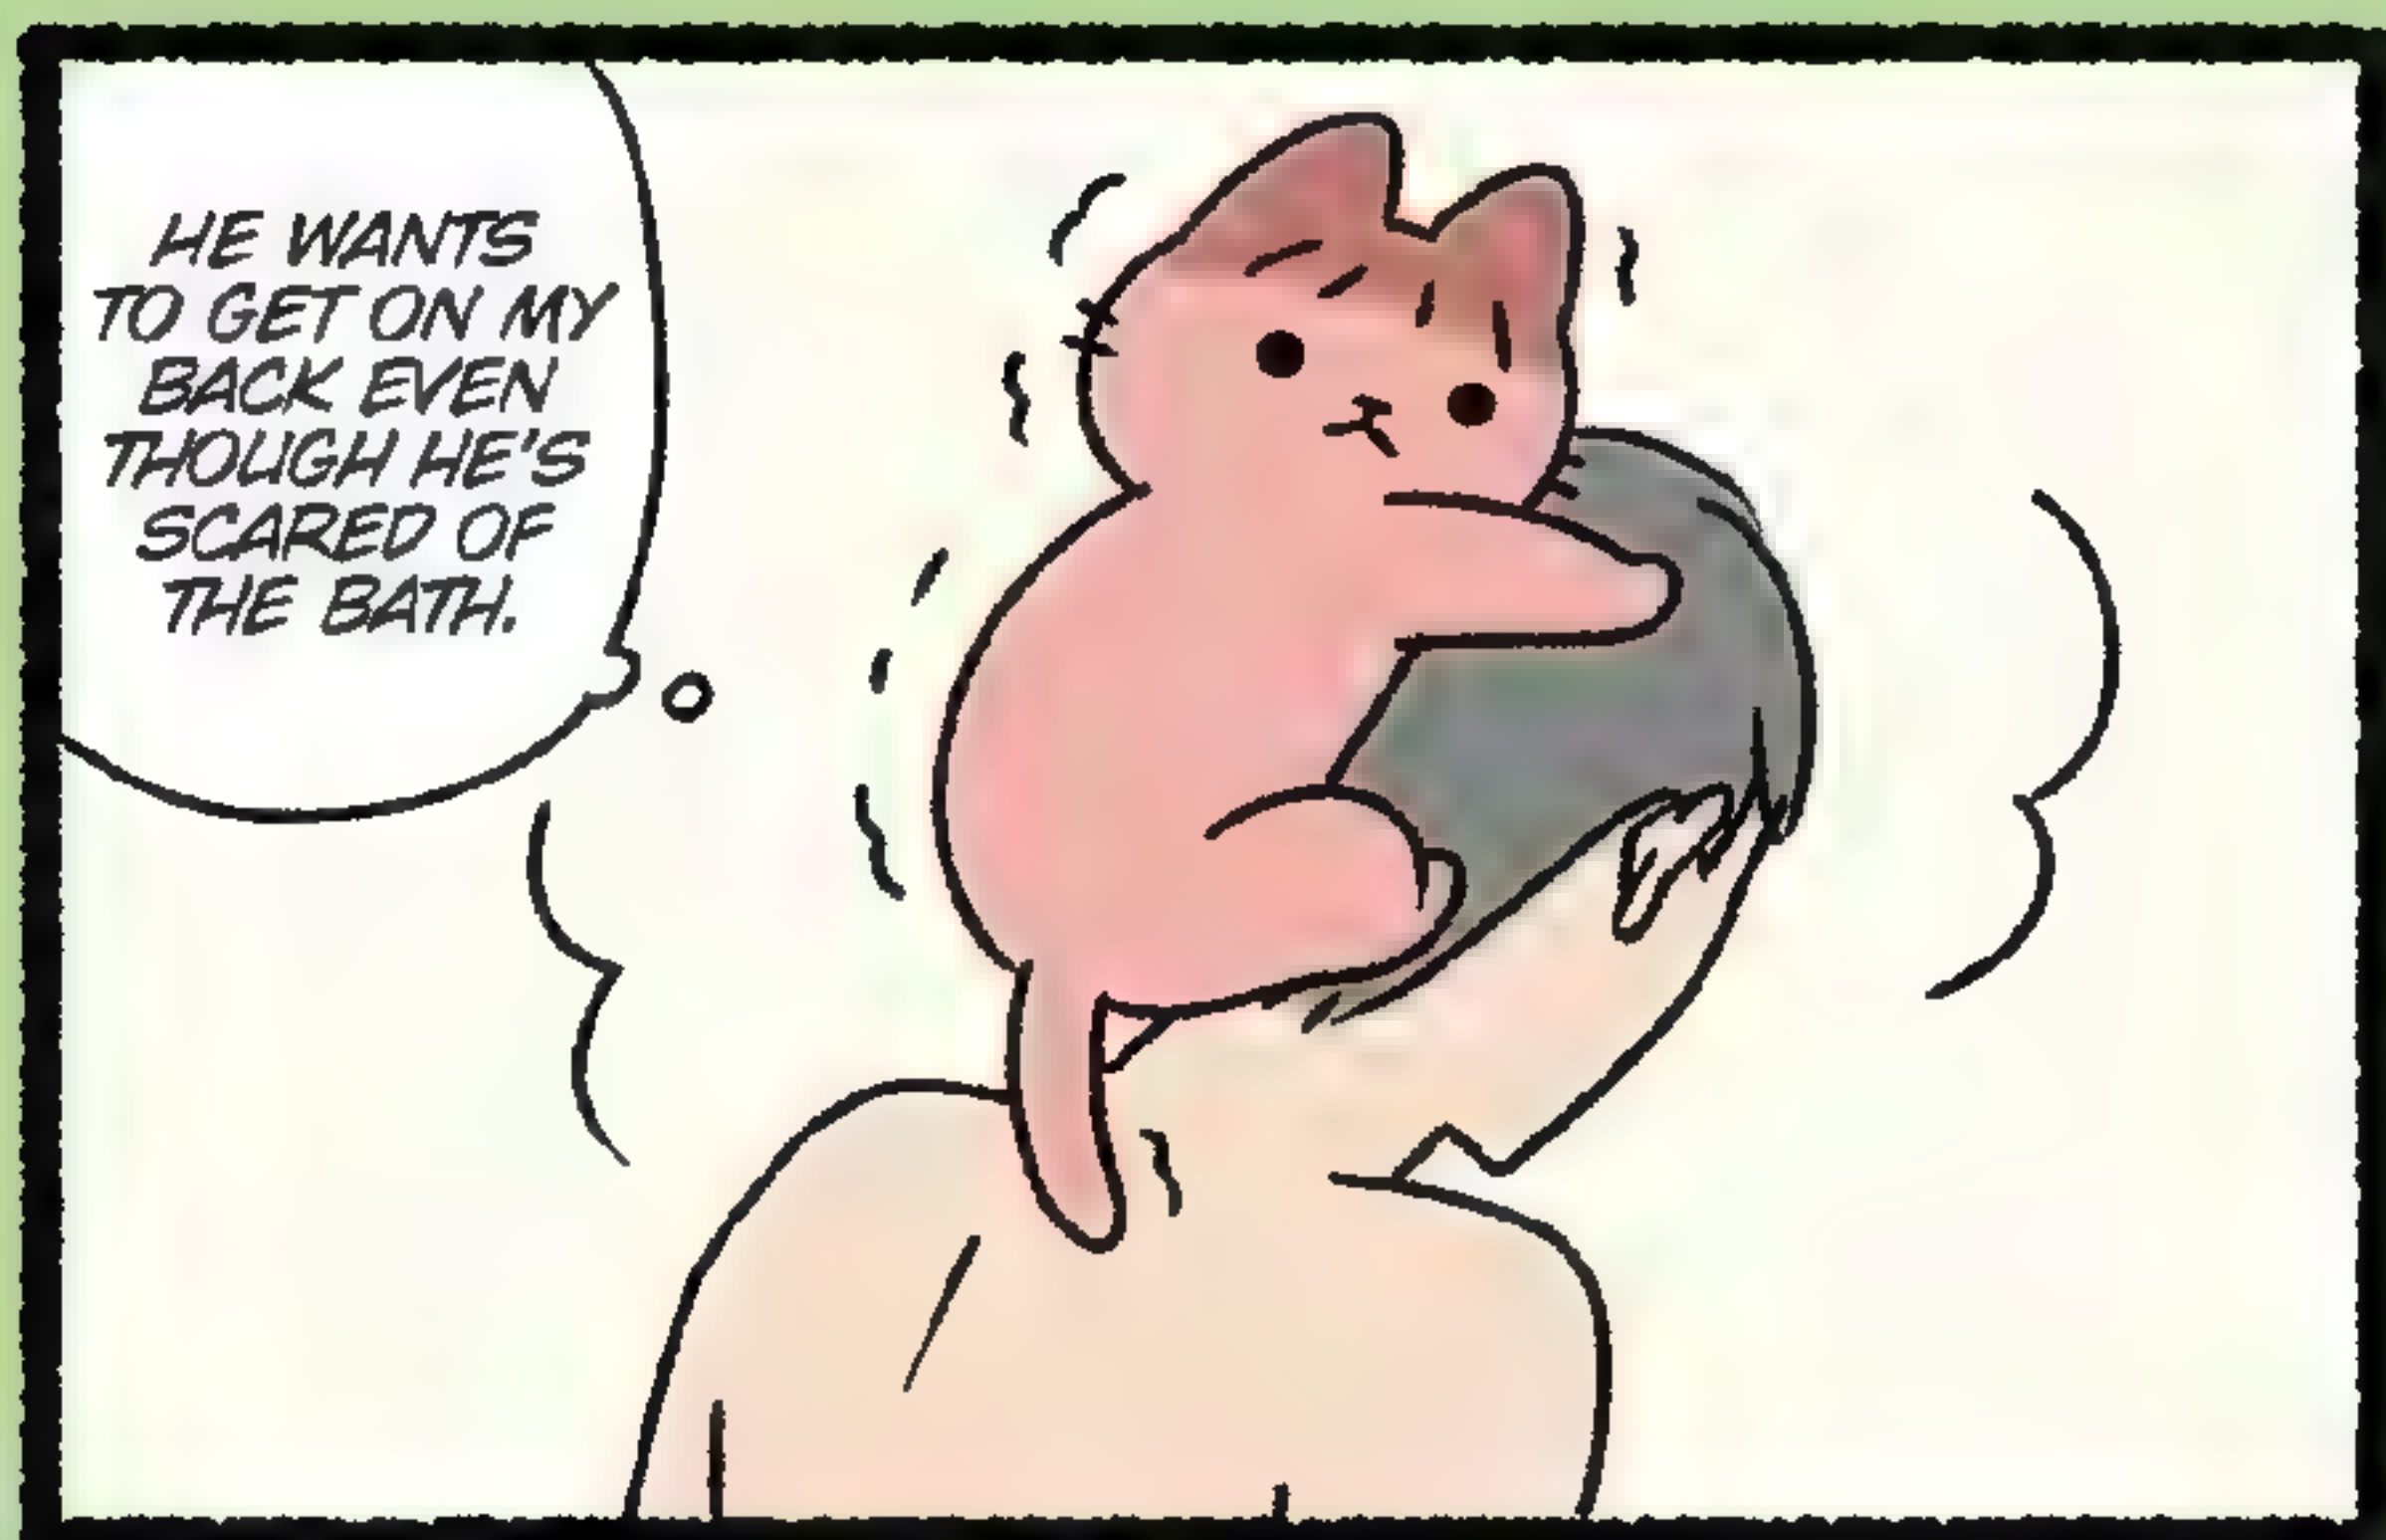

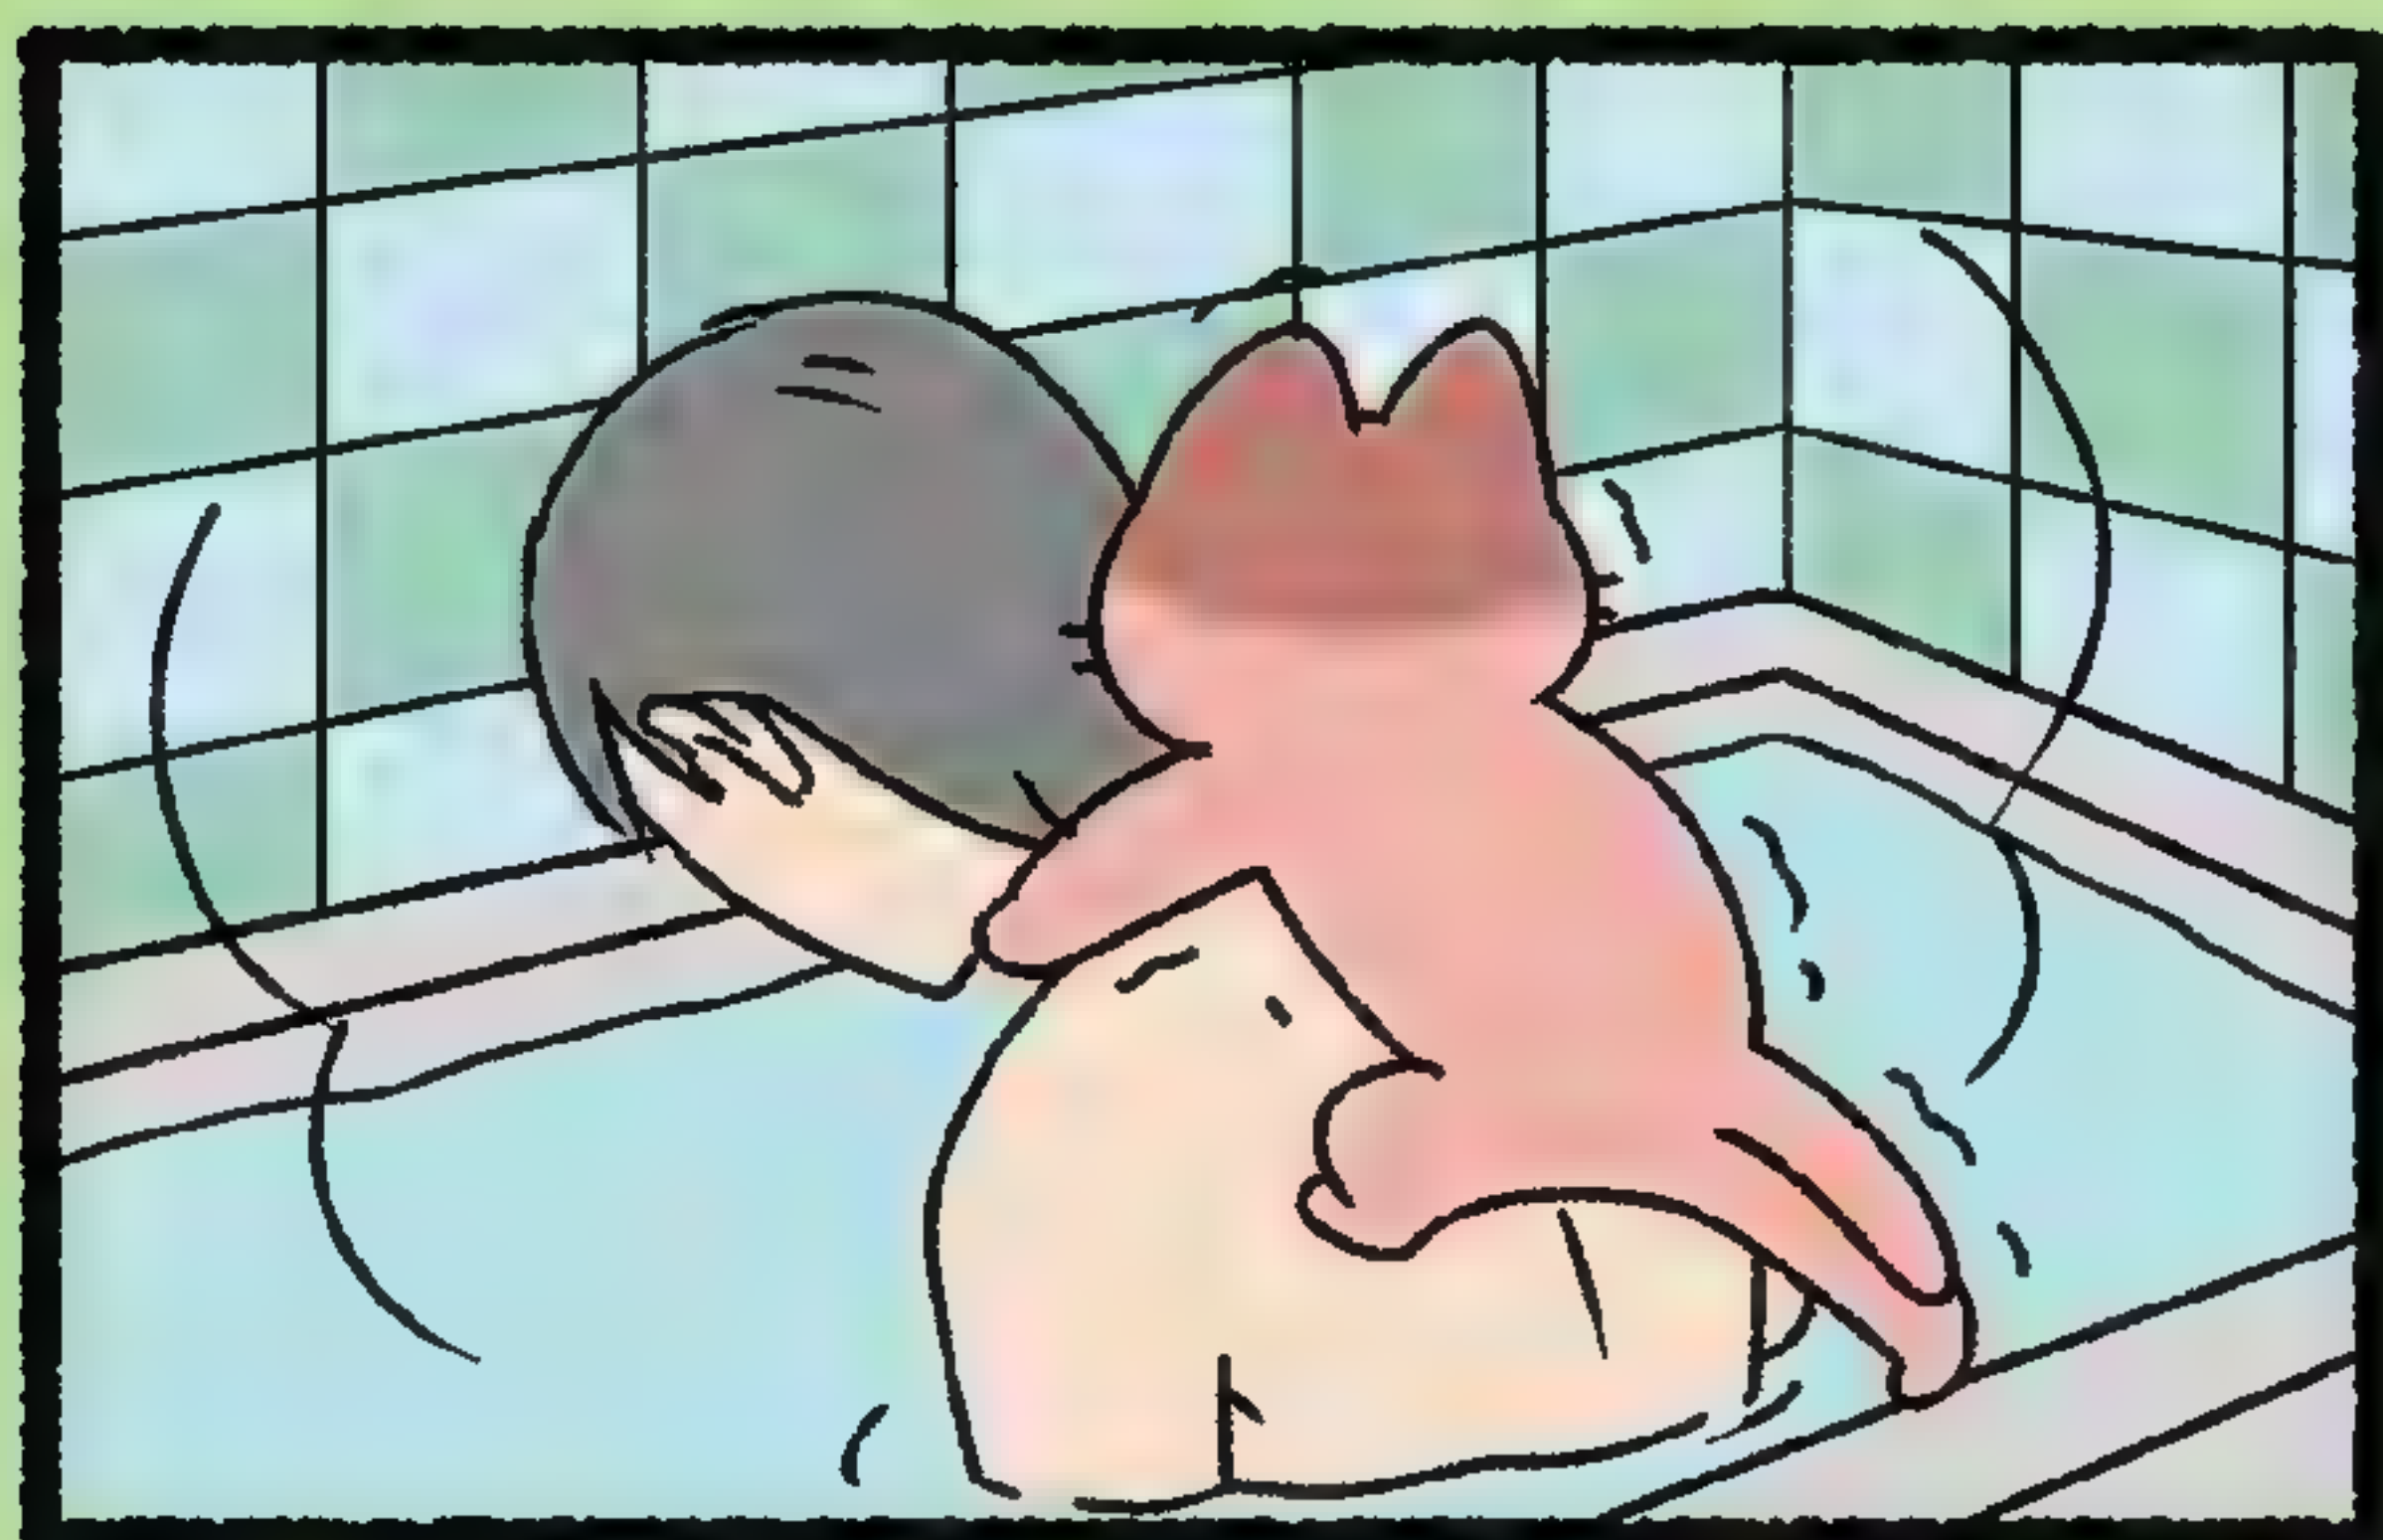

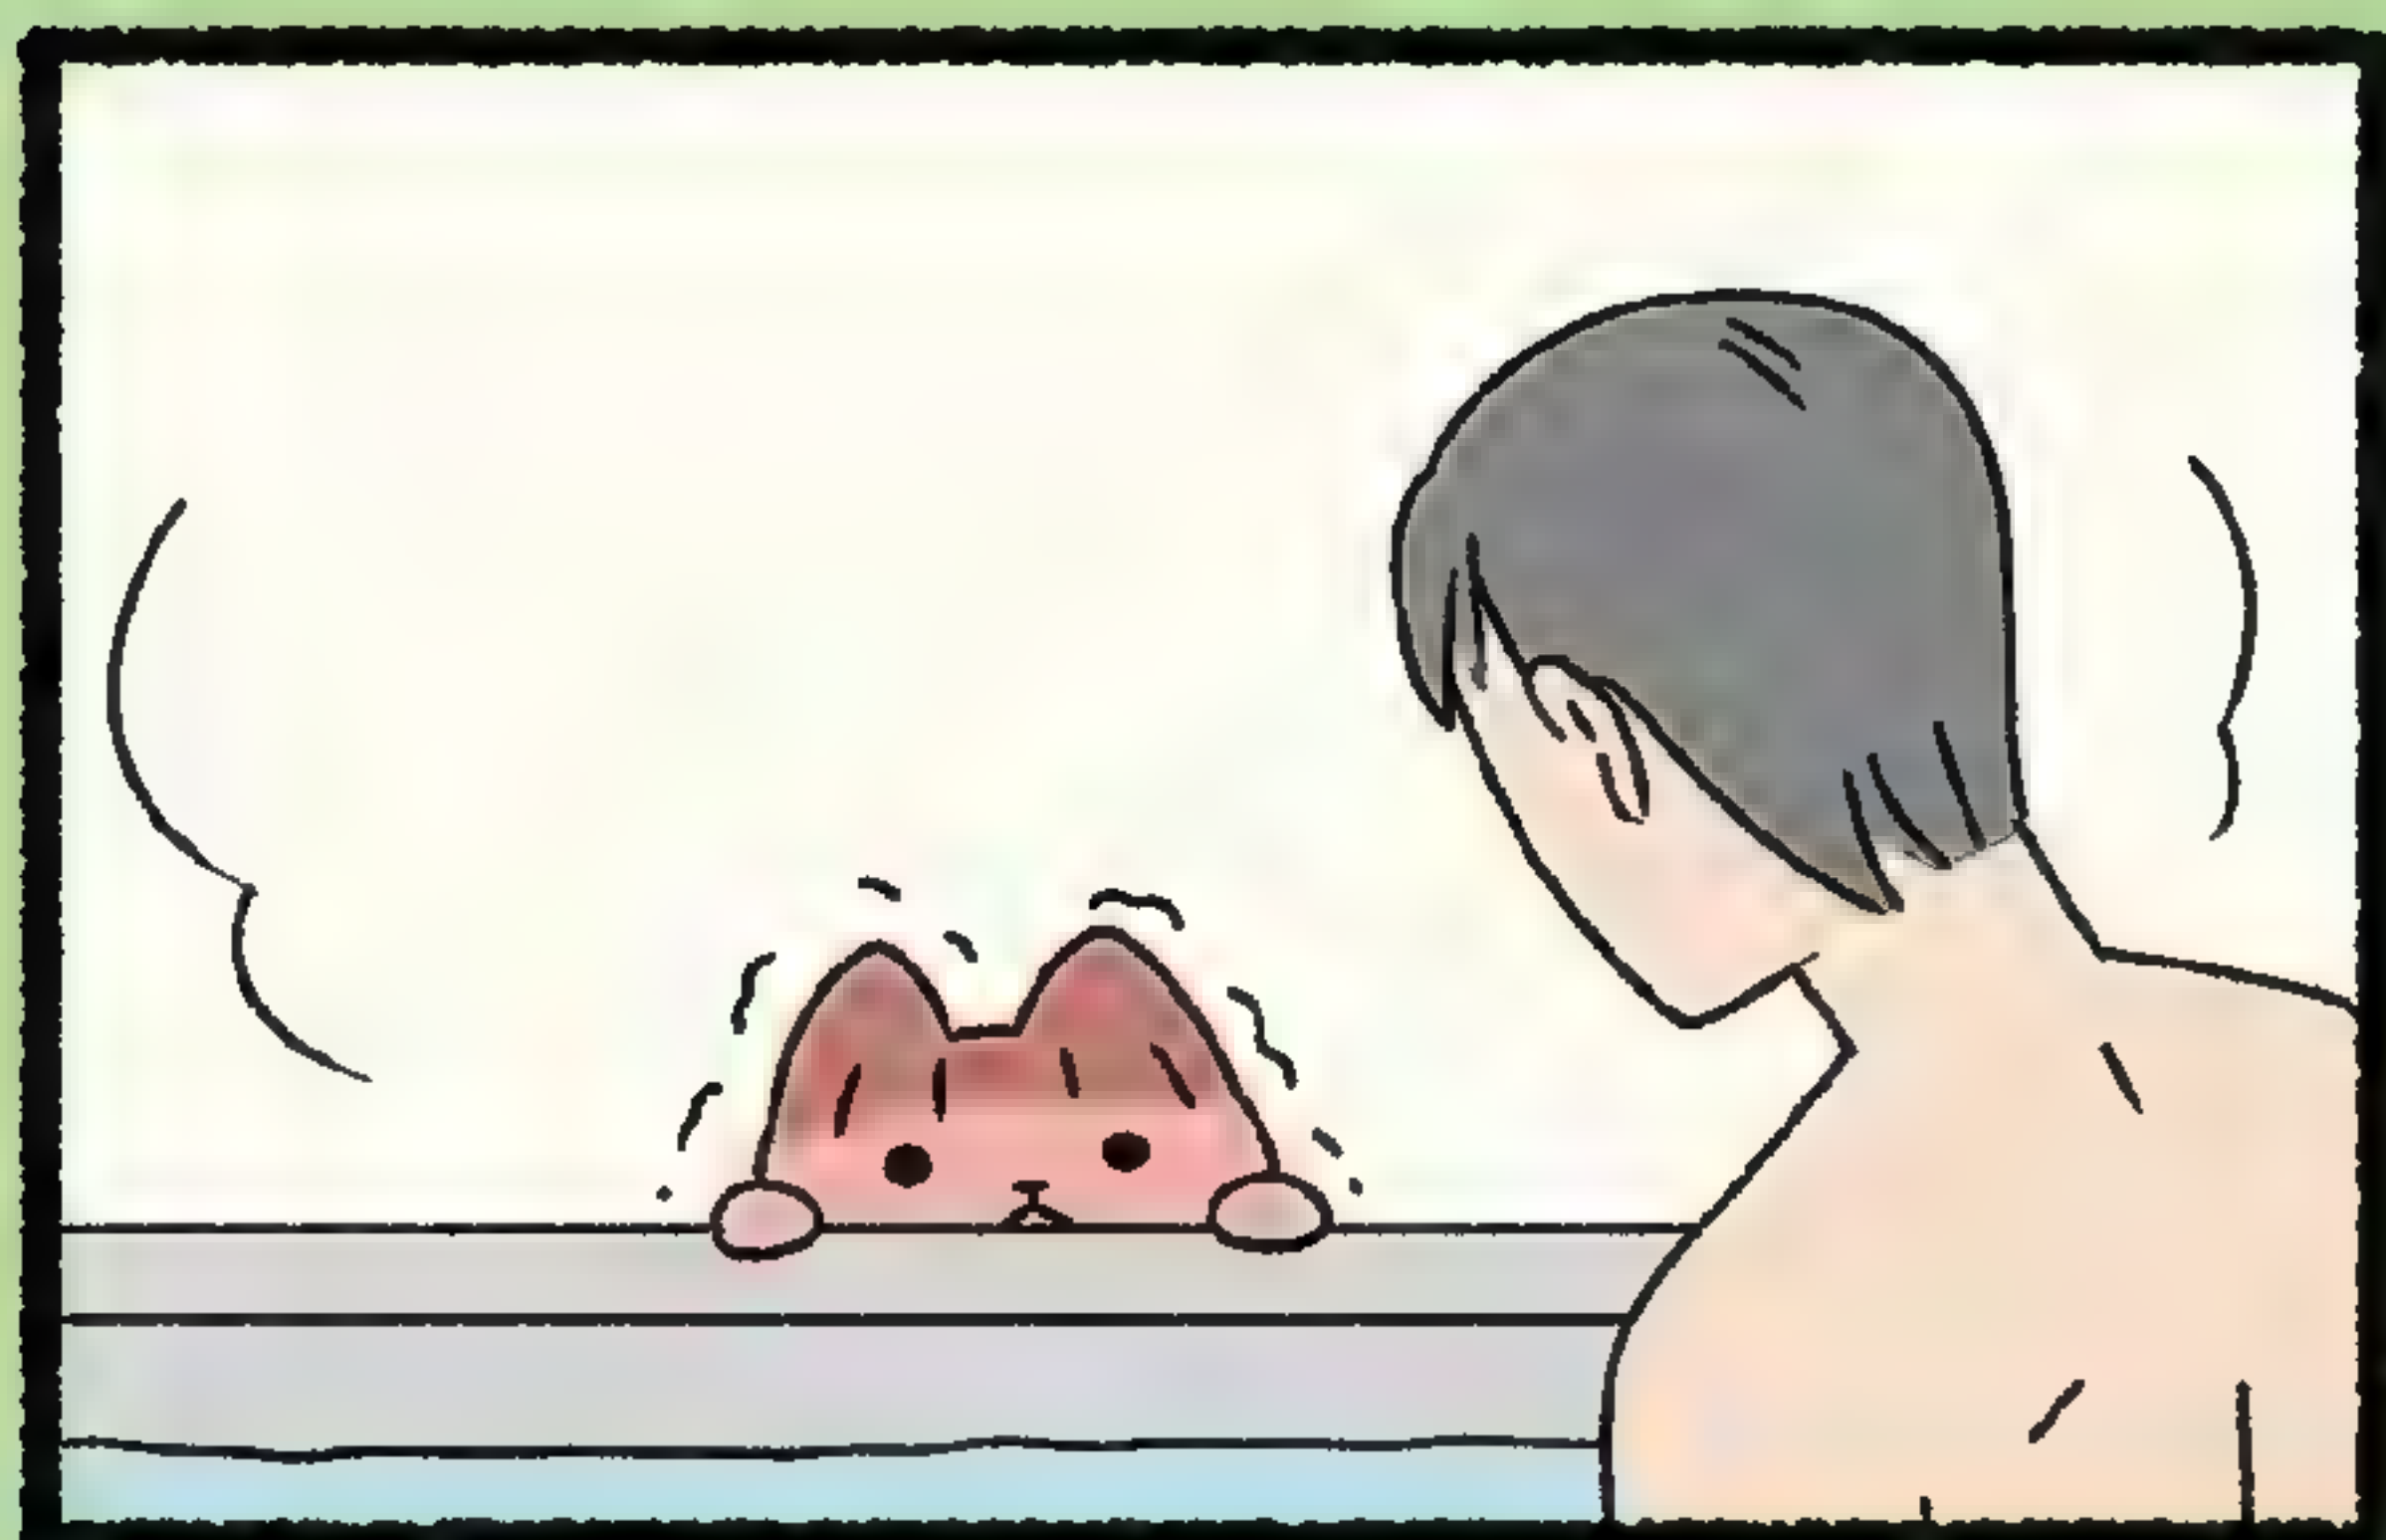

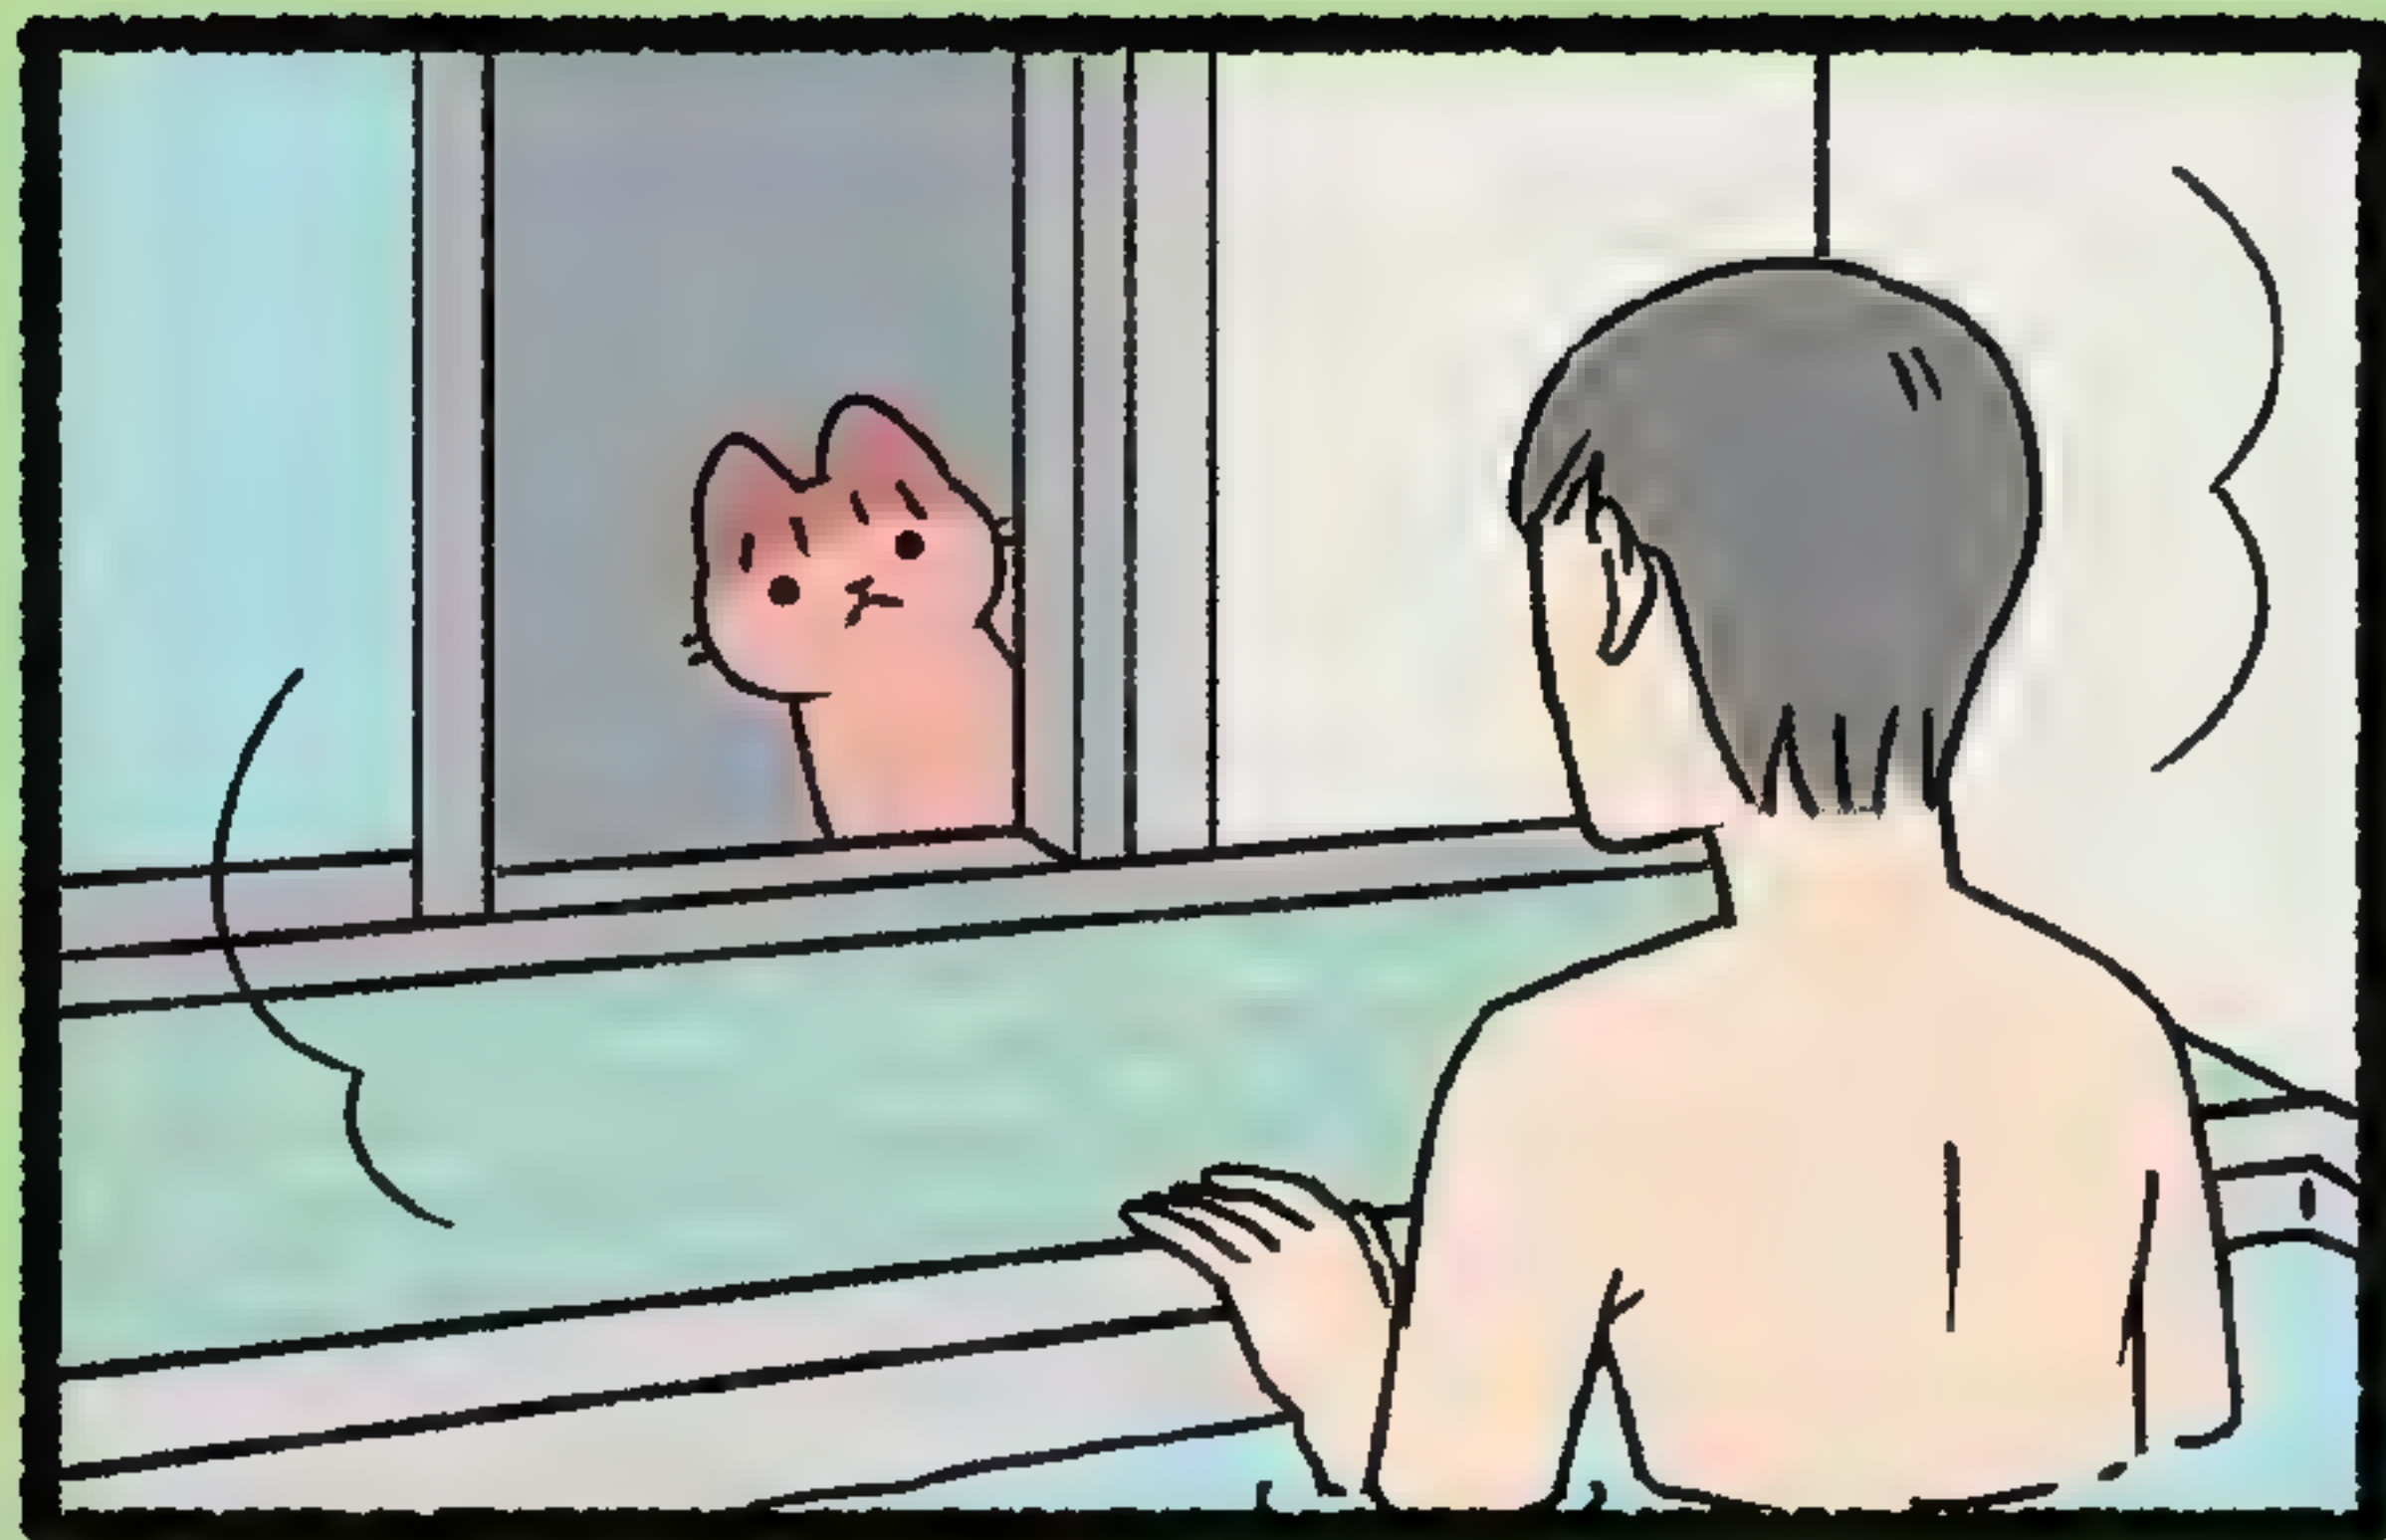

Obariyon

Piggybacker

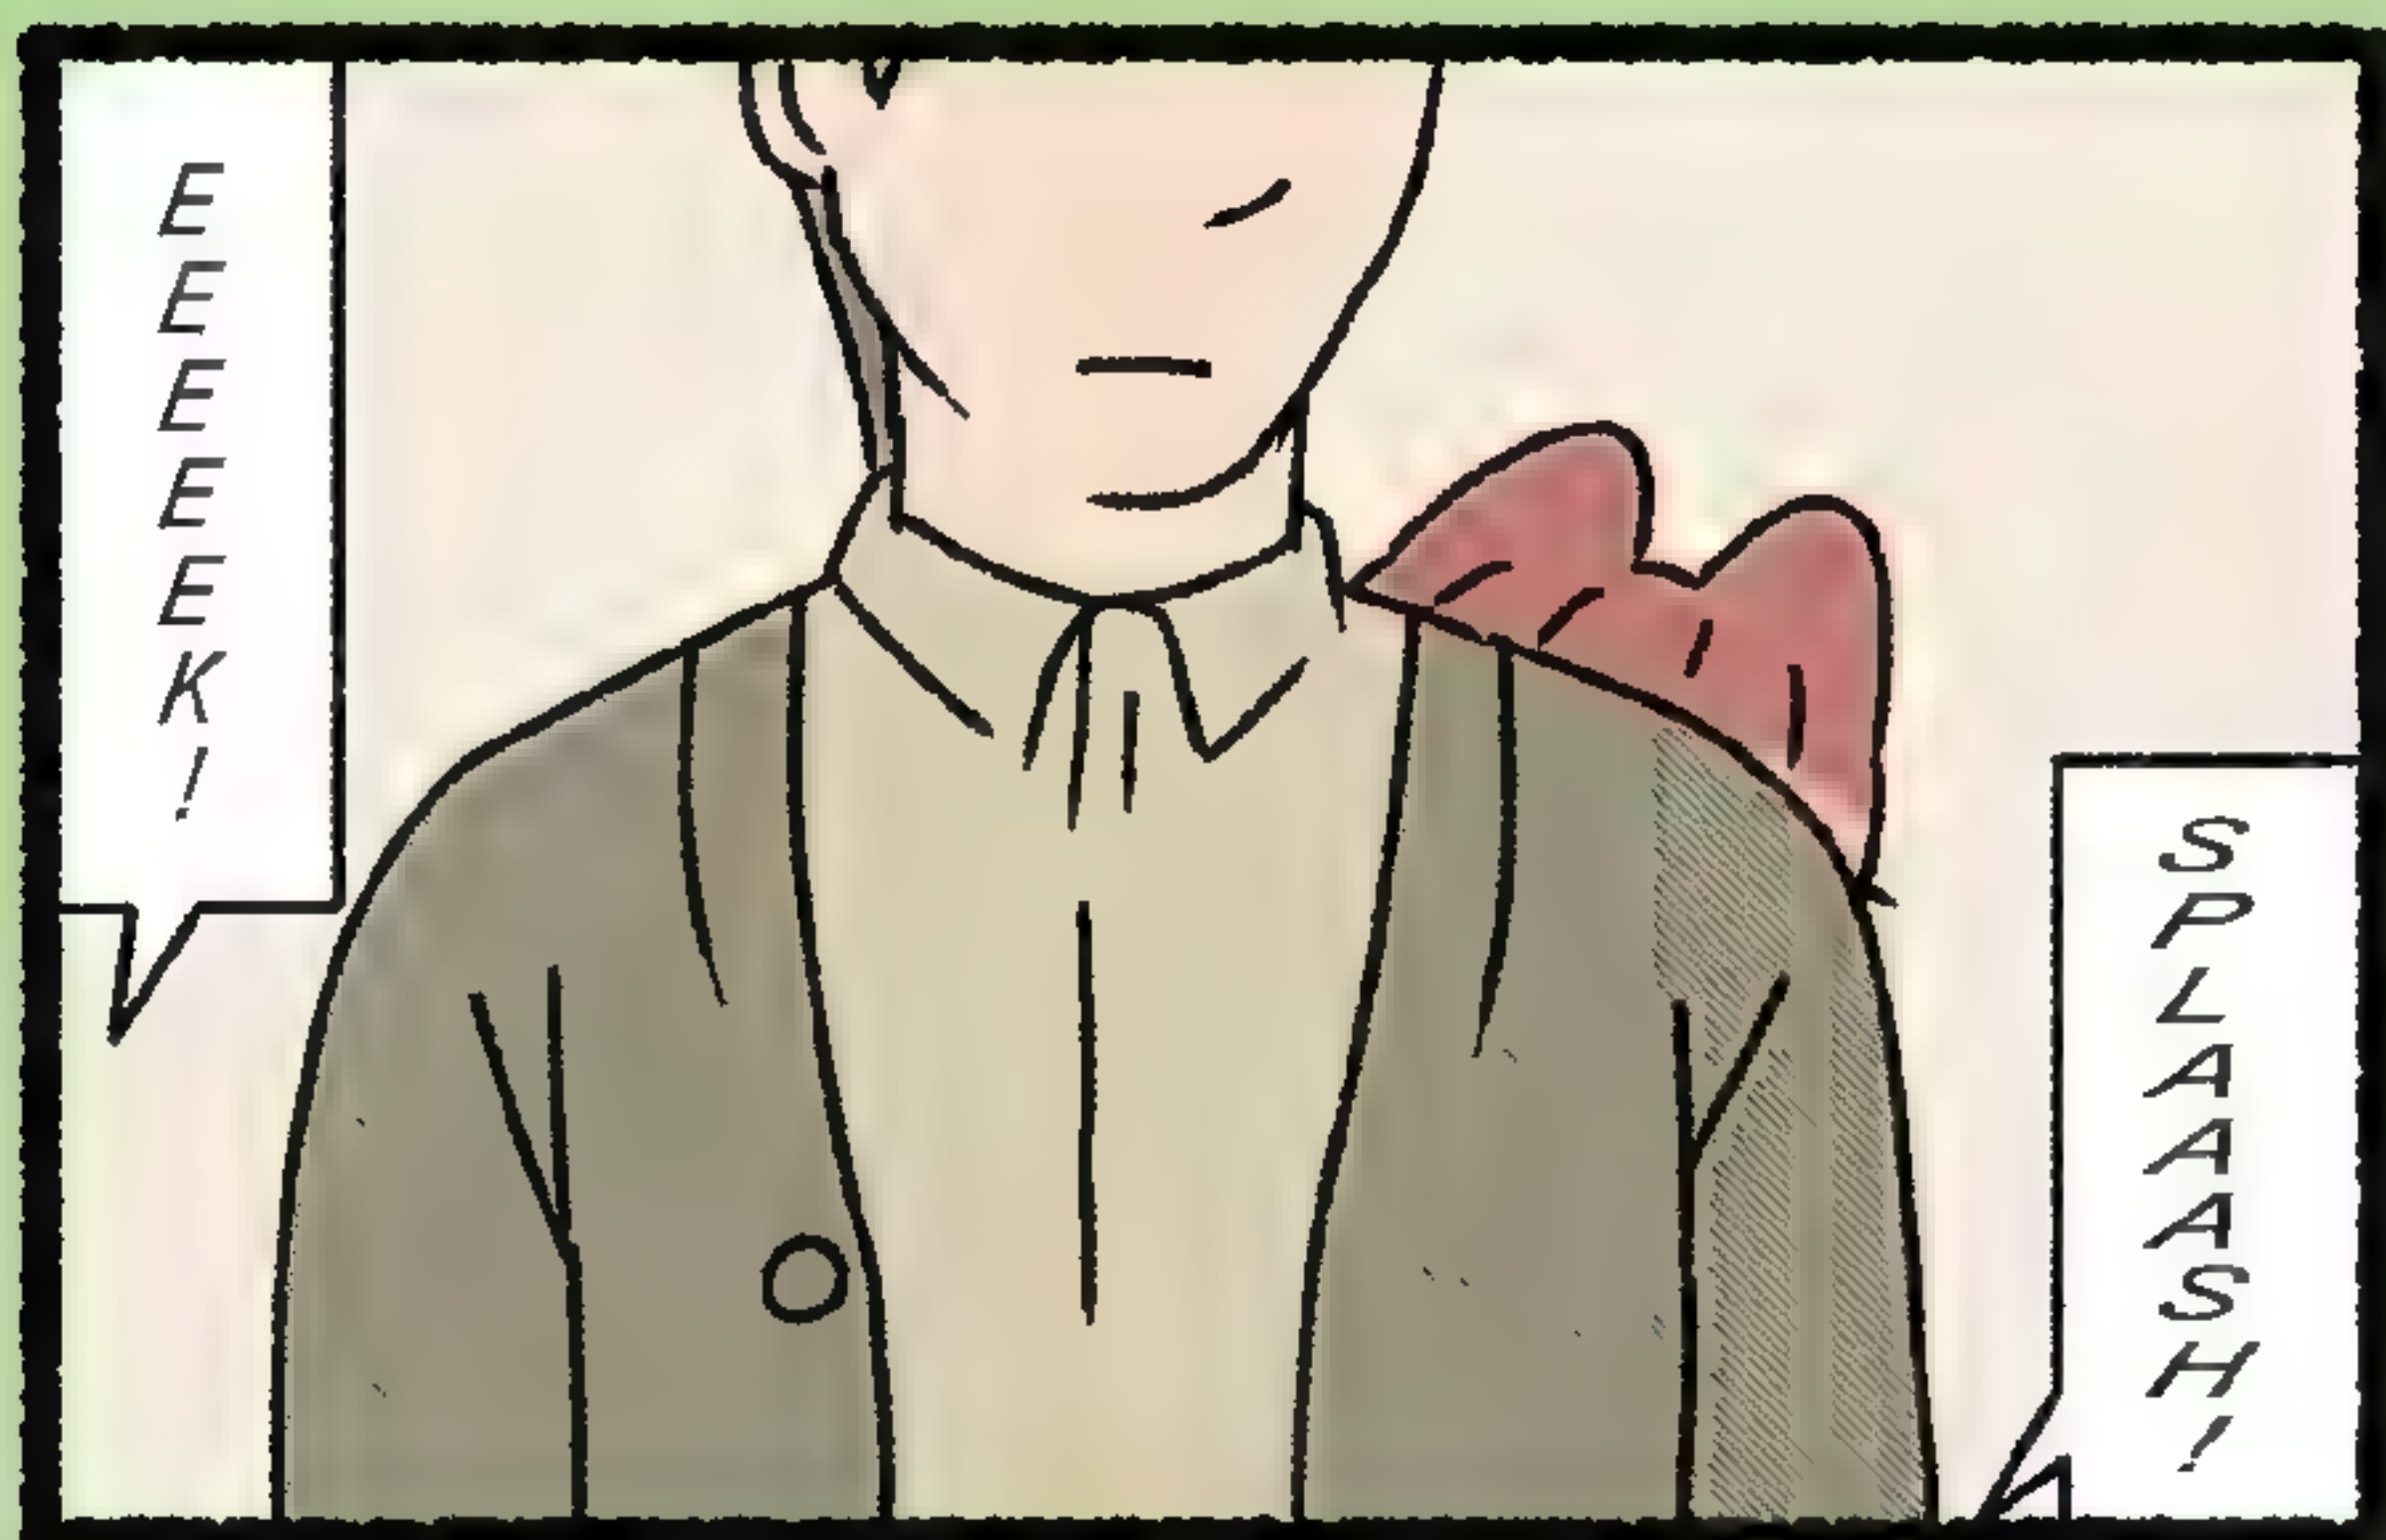

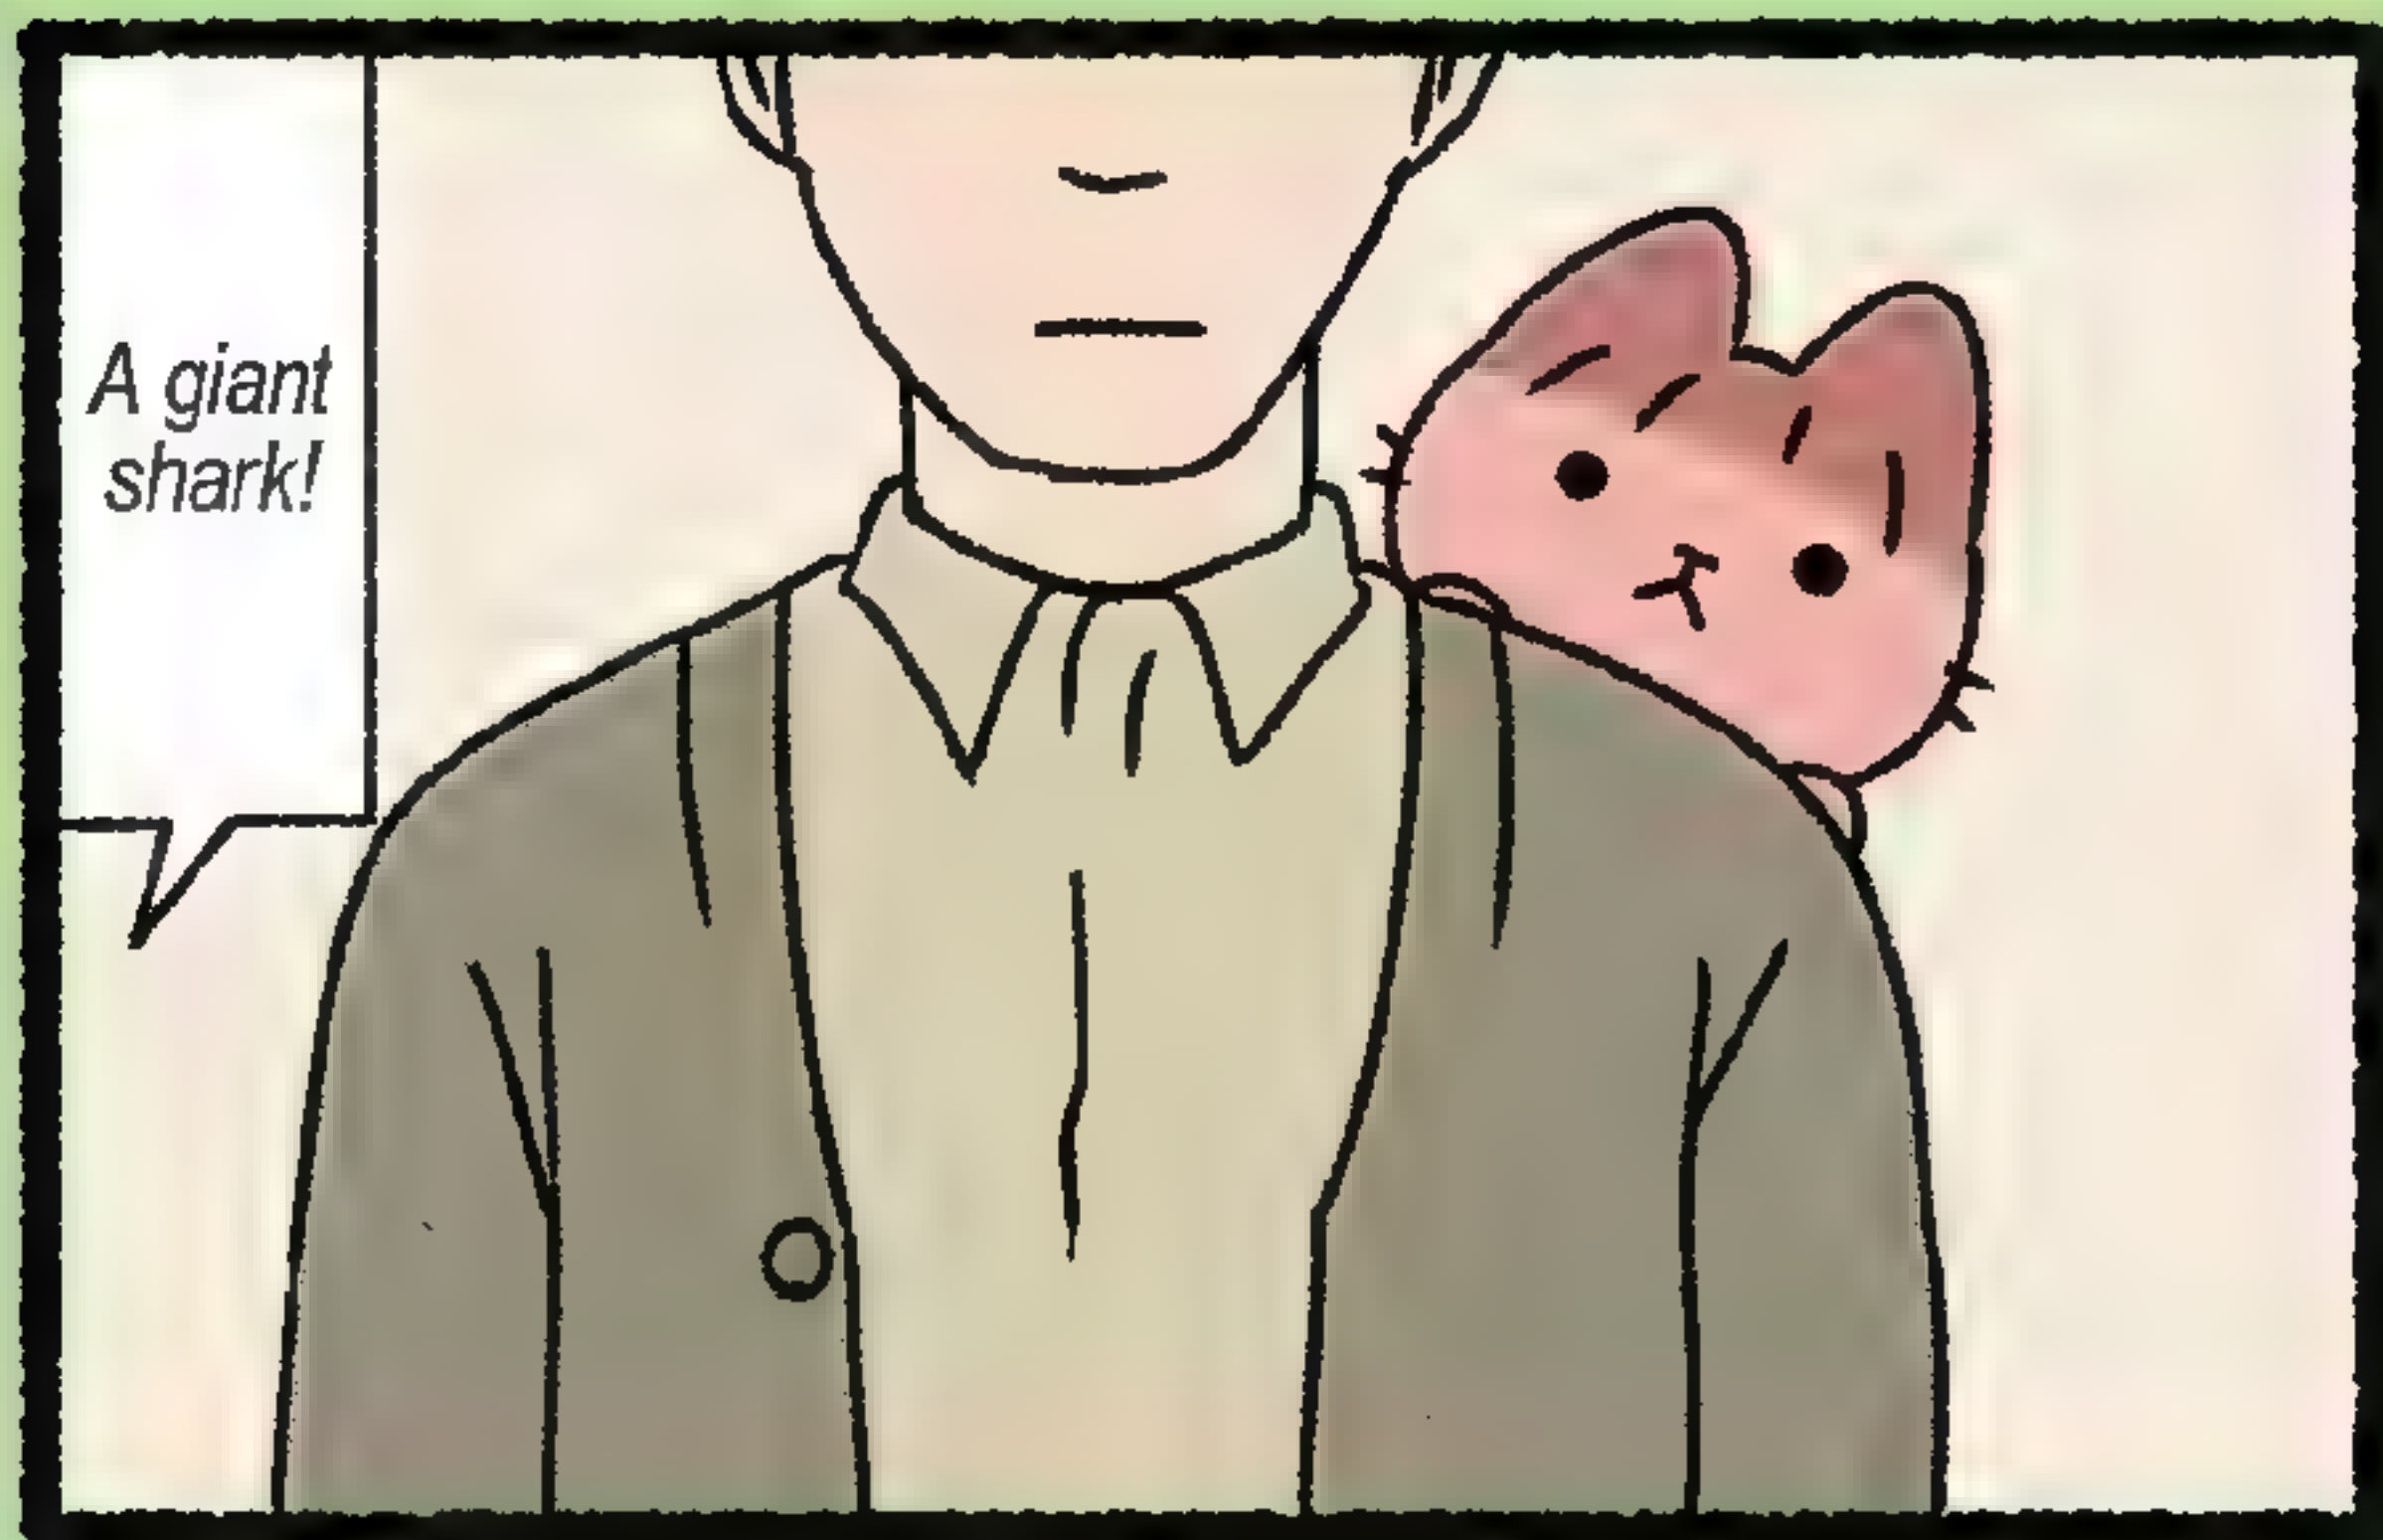

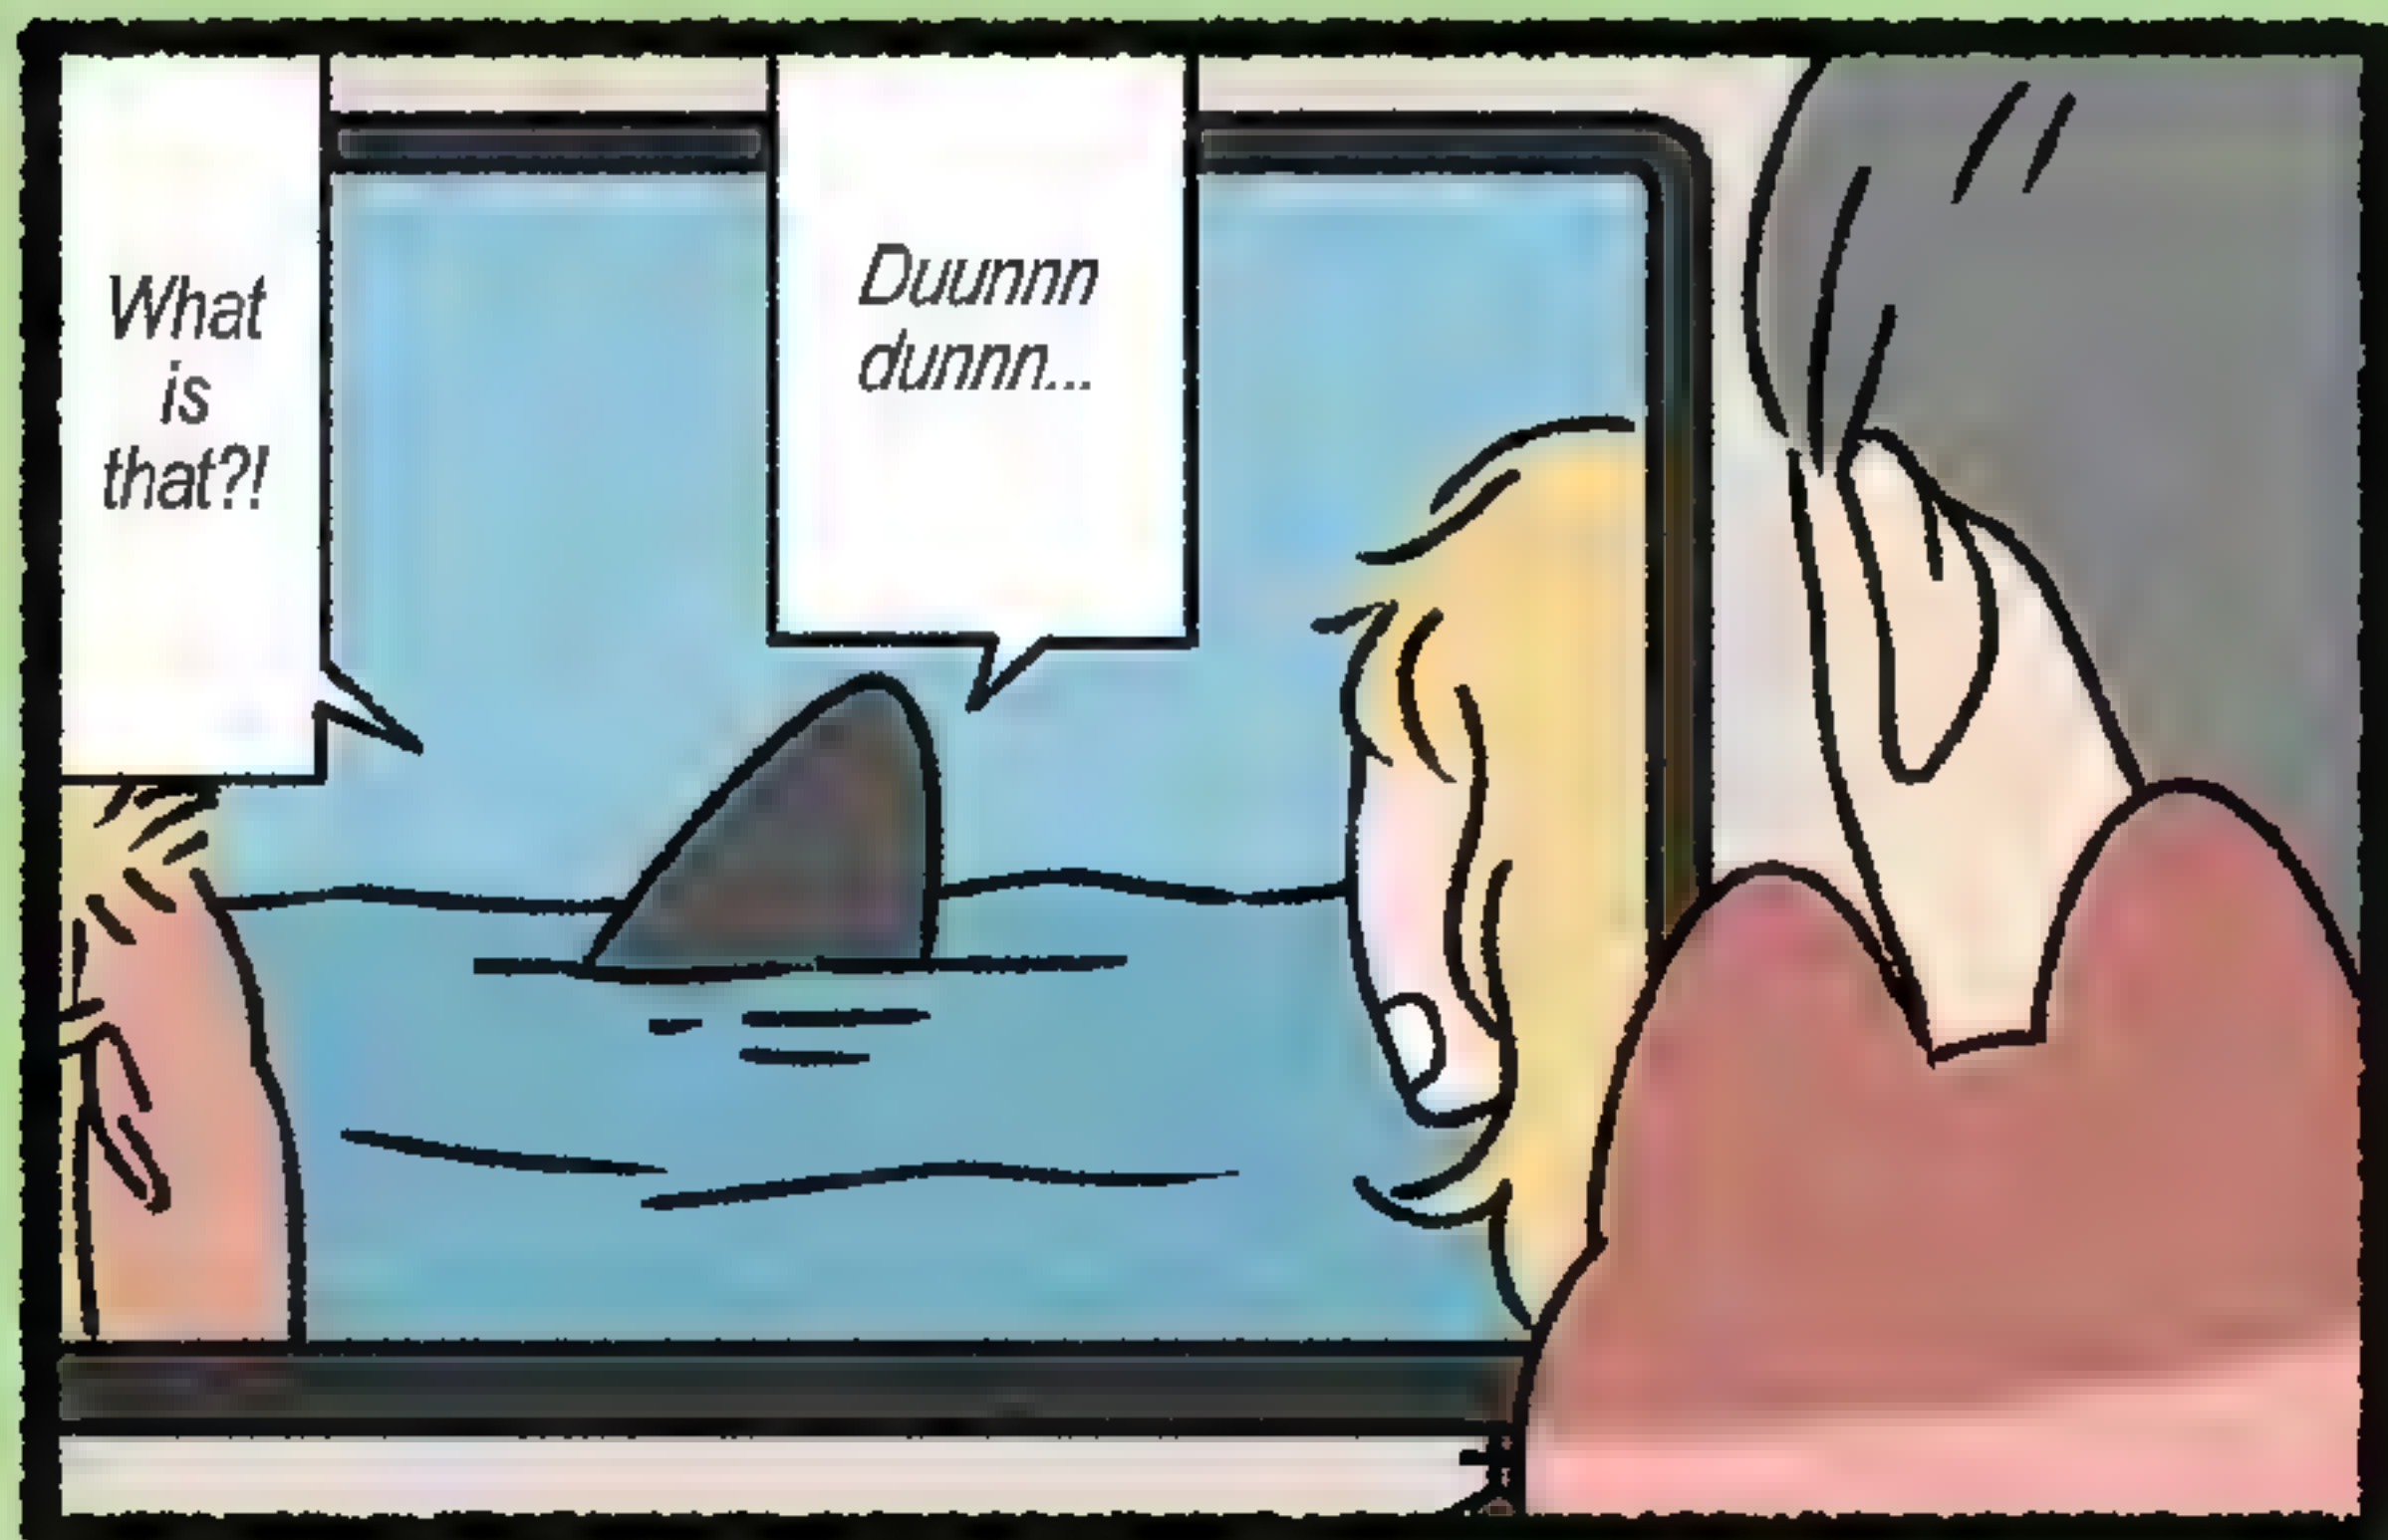

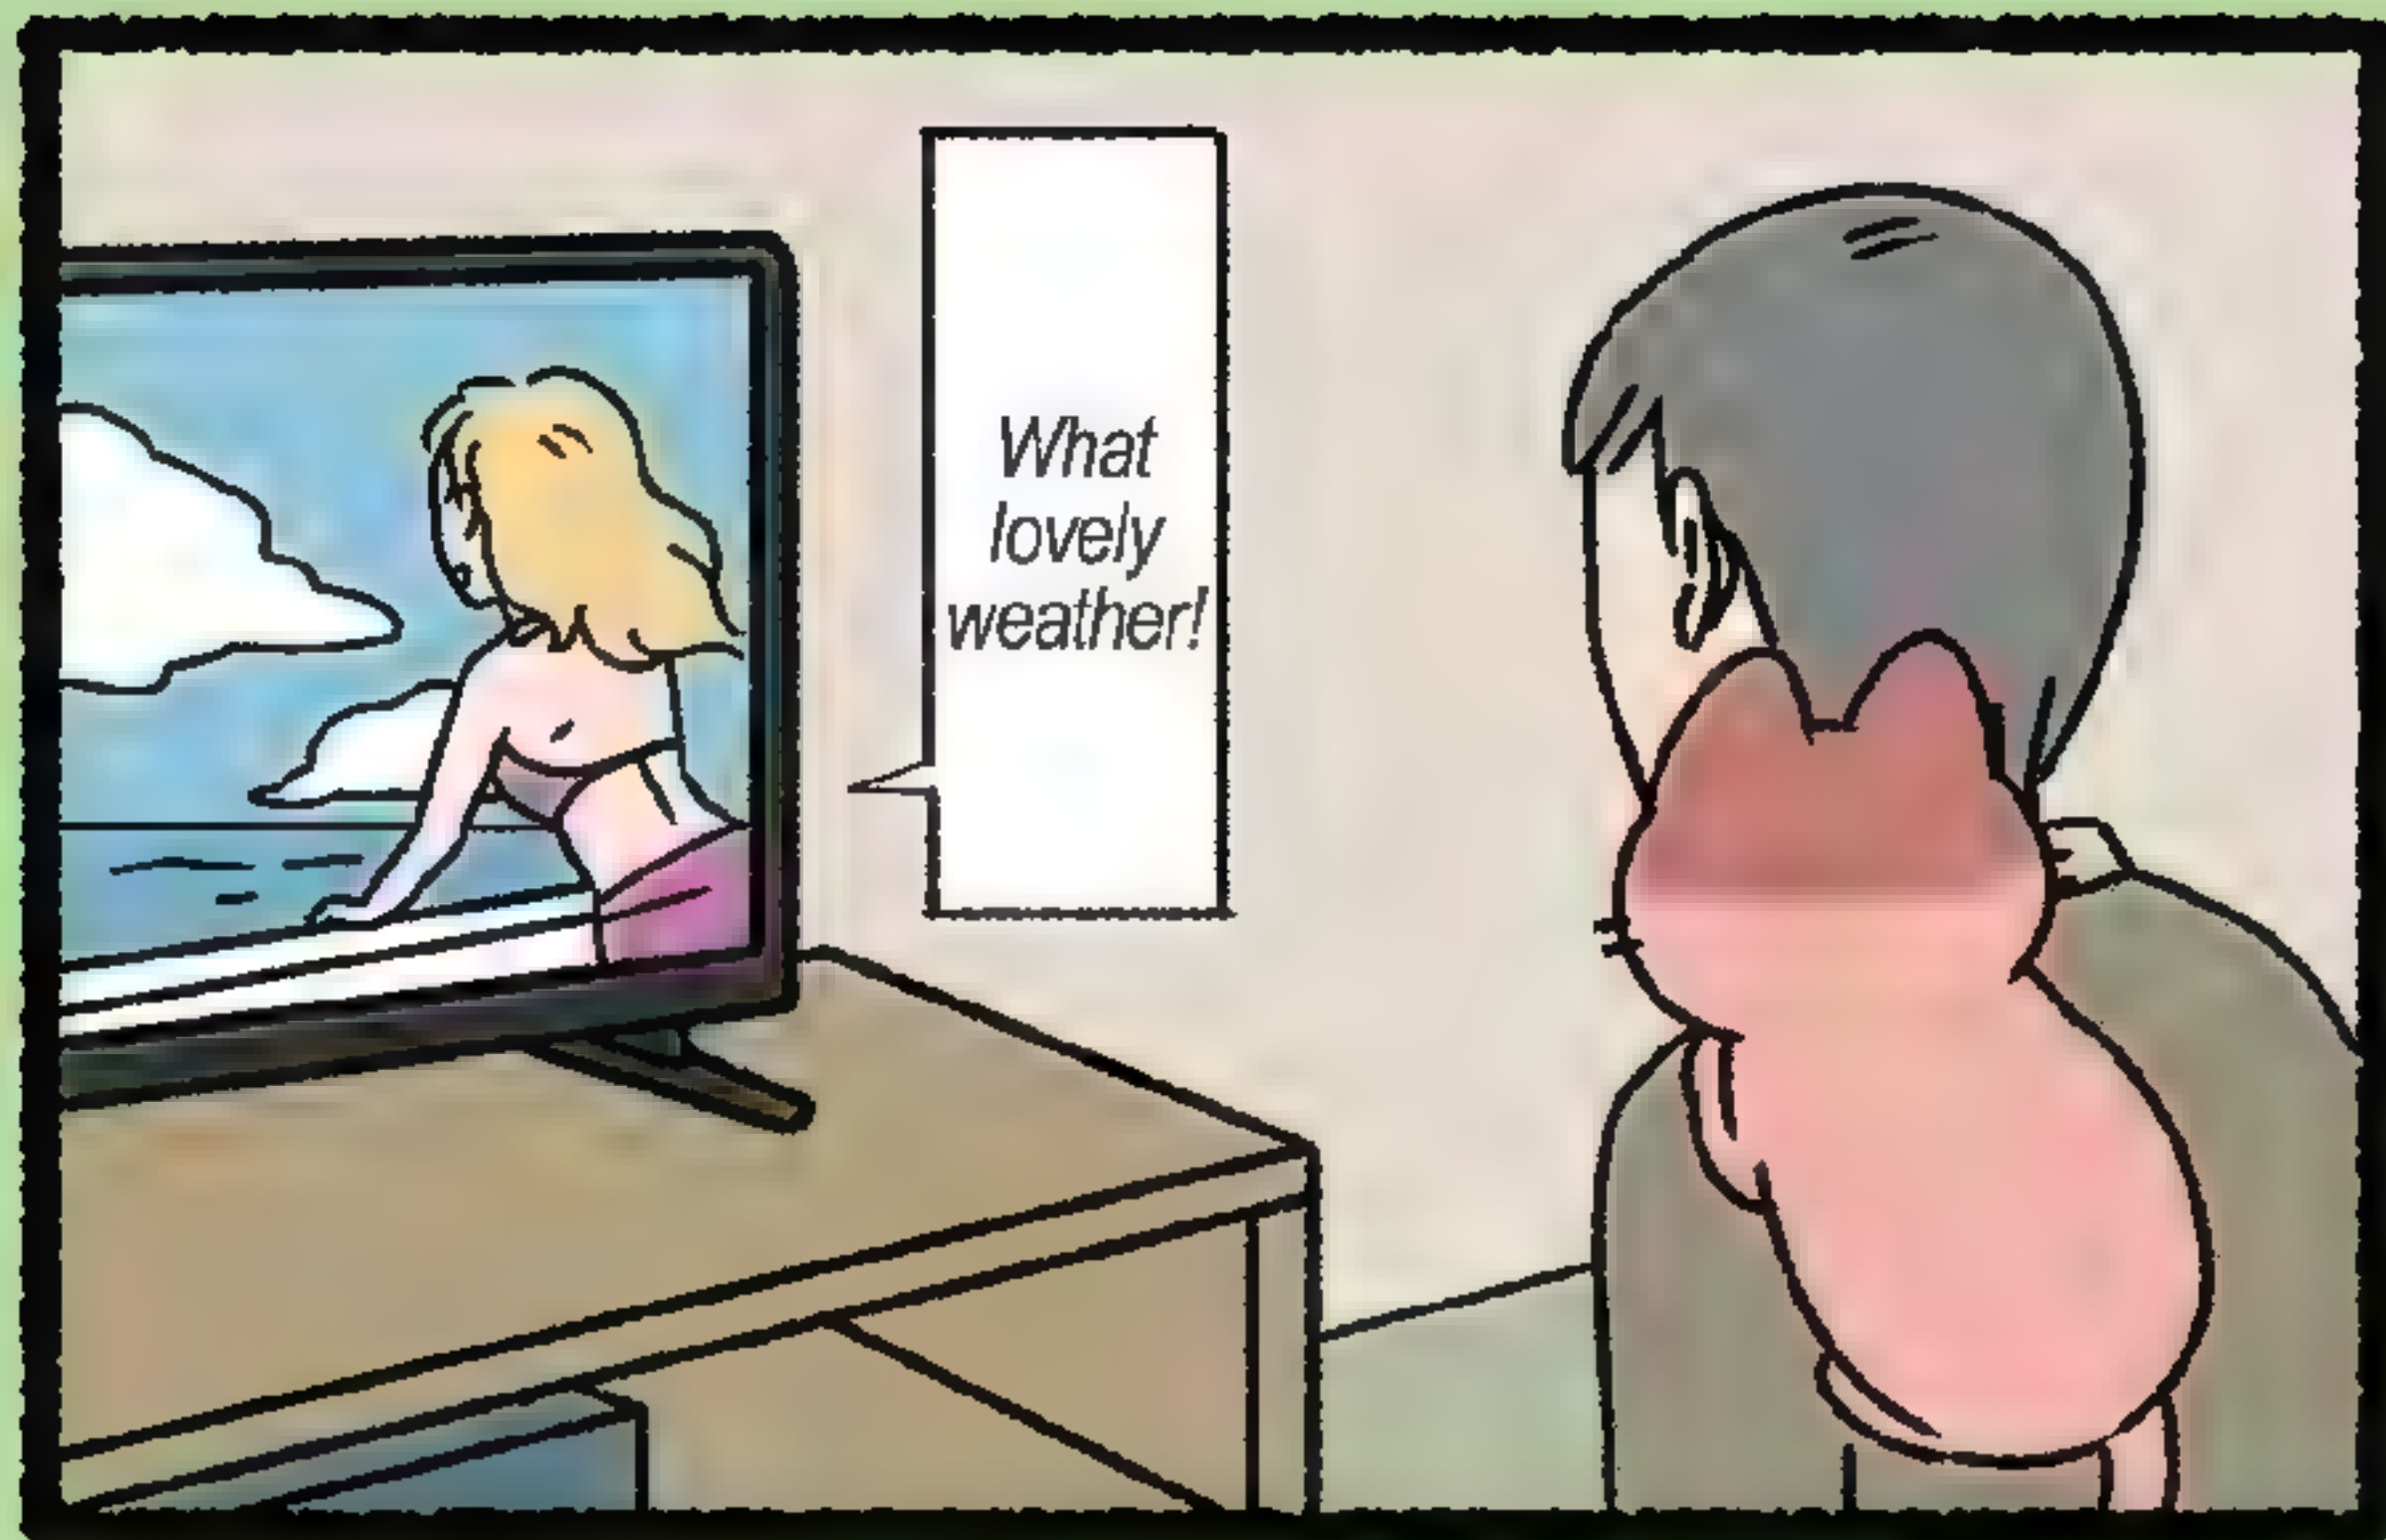

Loves piggyback rides. Its owner builds stamina without realizing it.

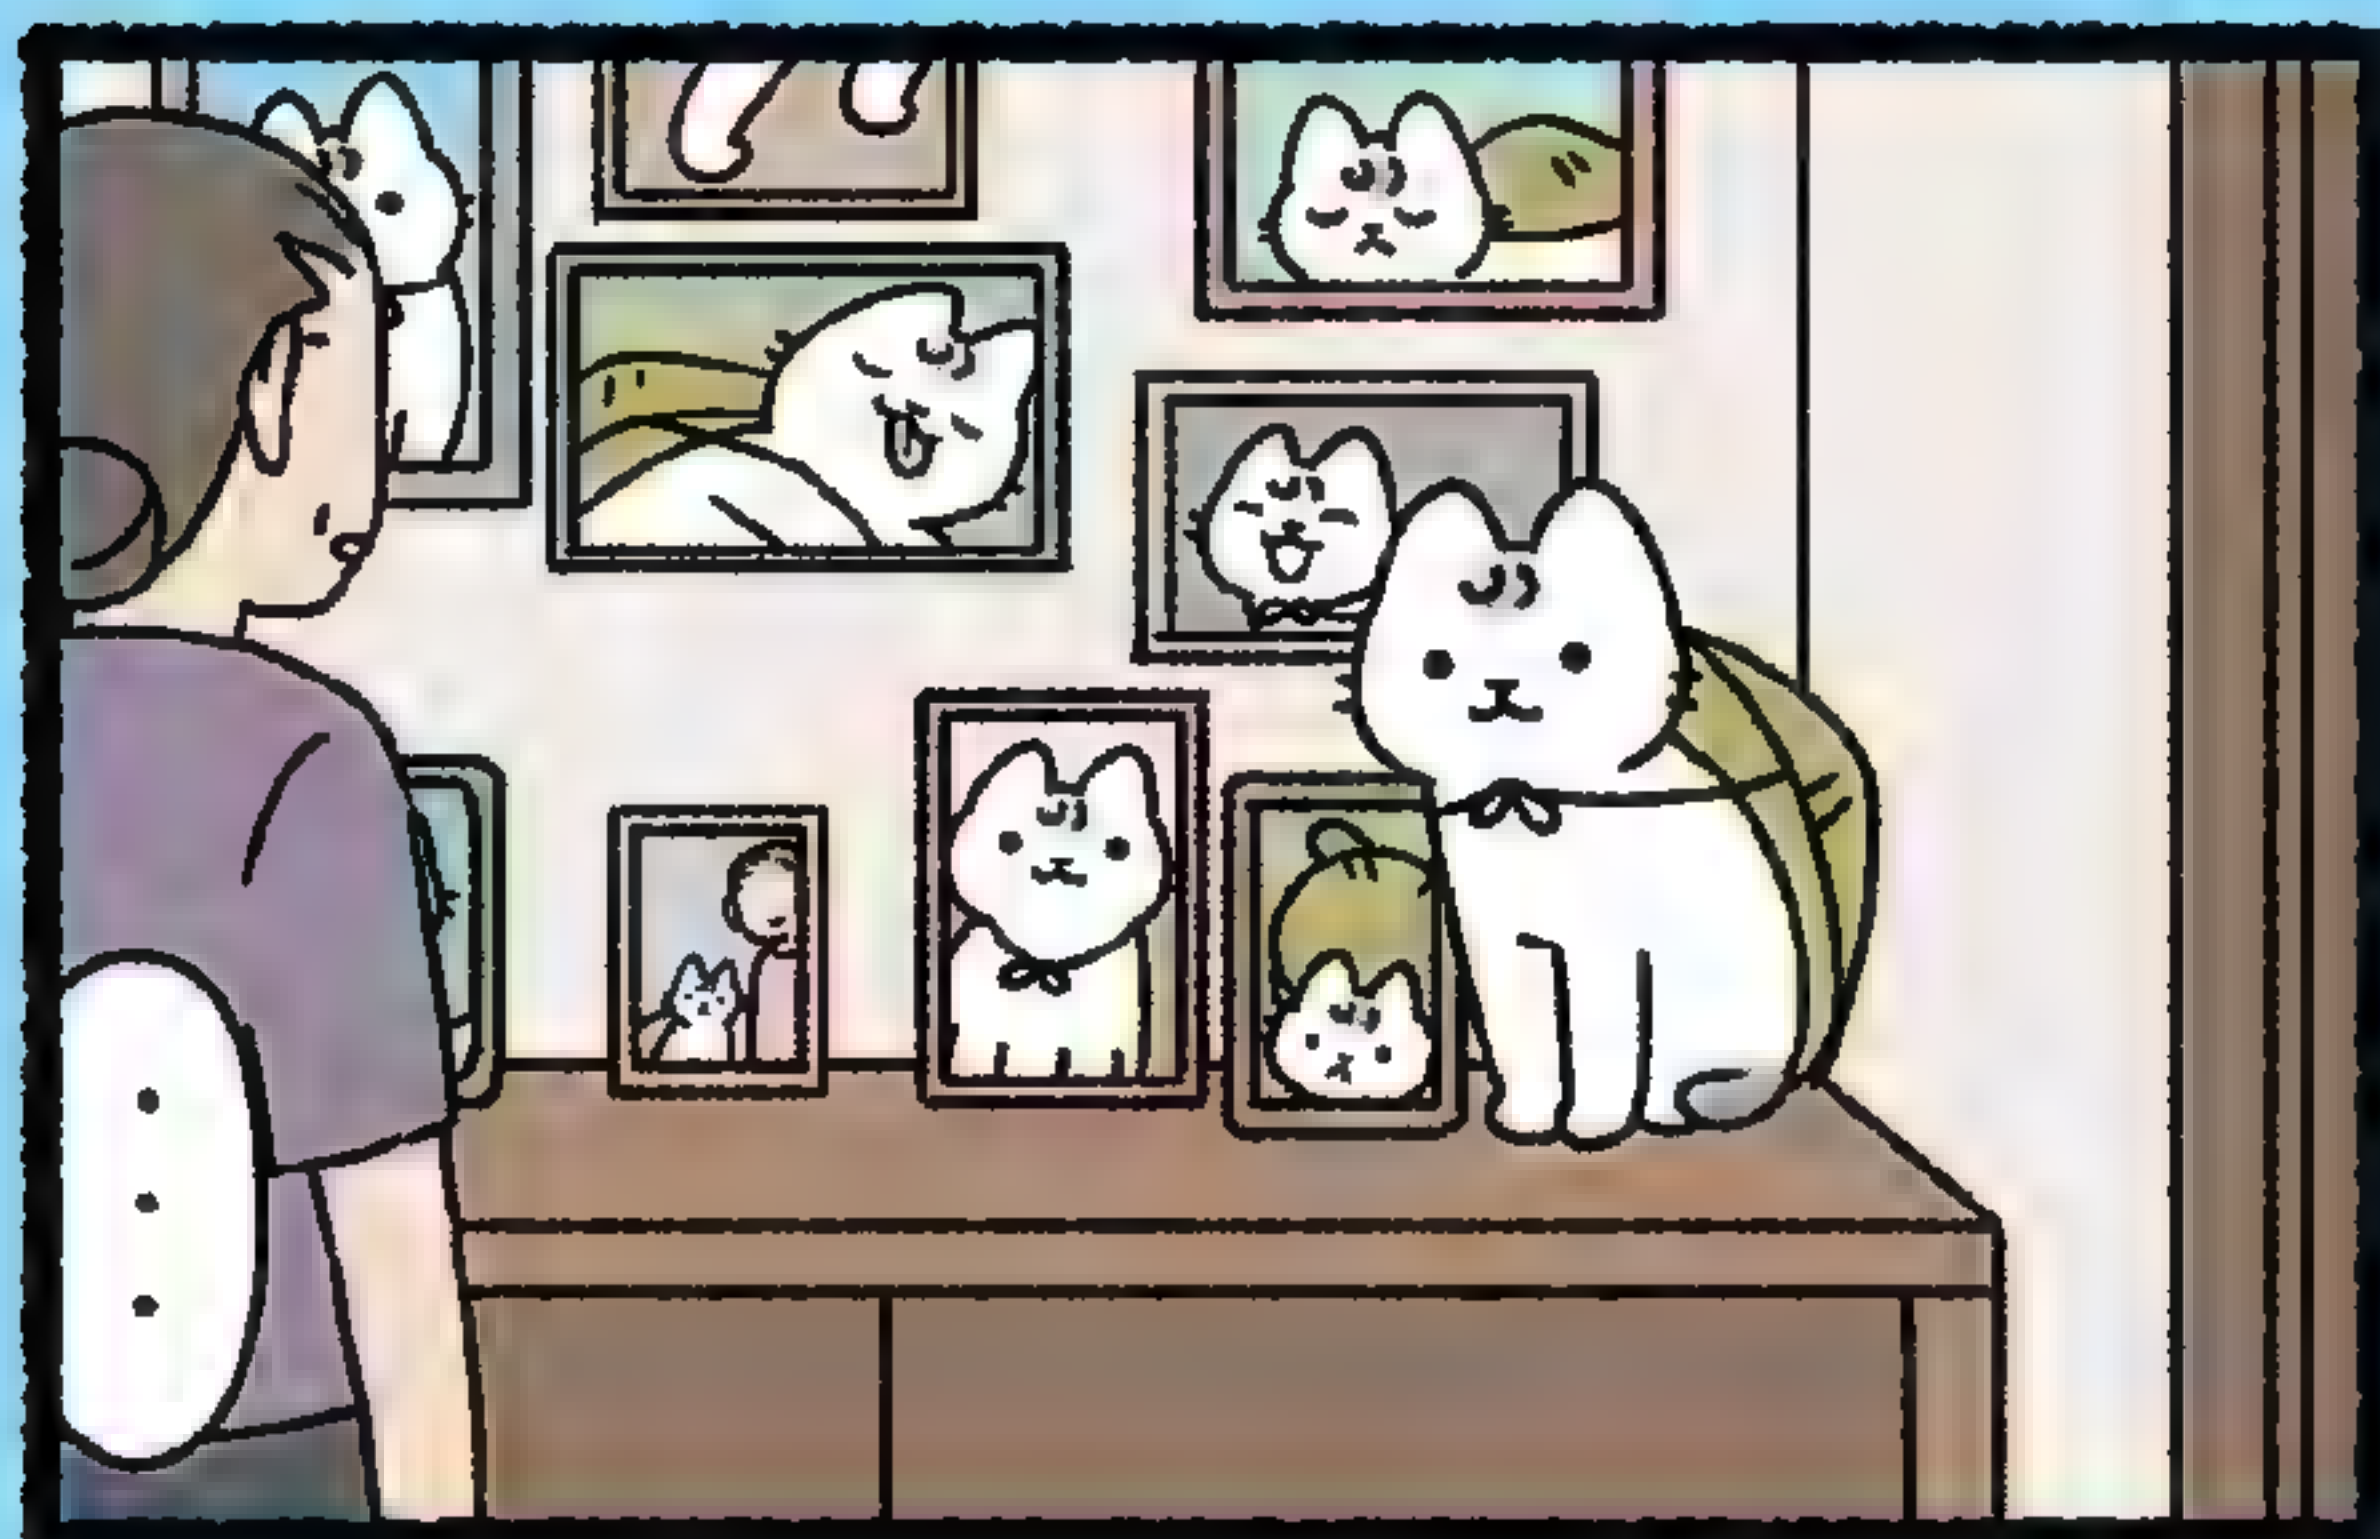

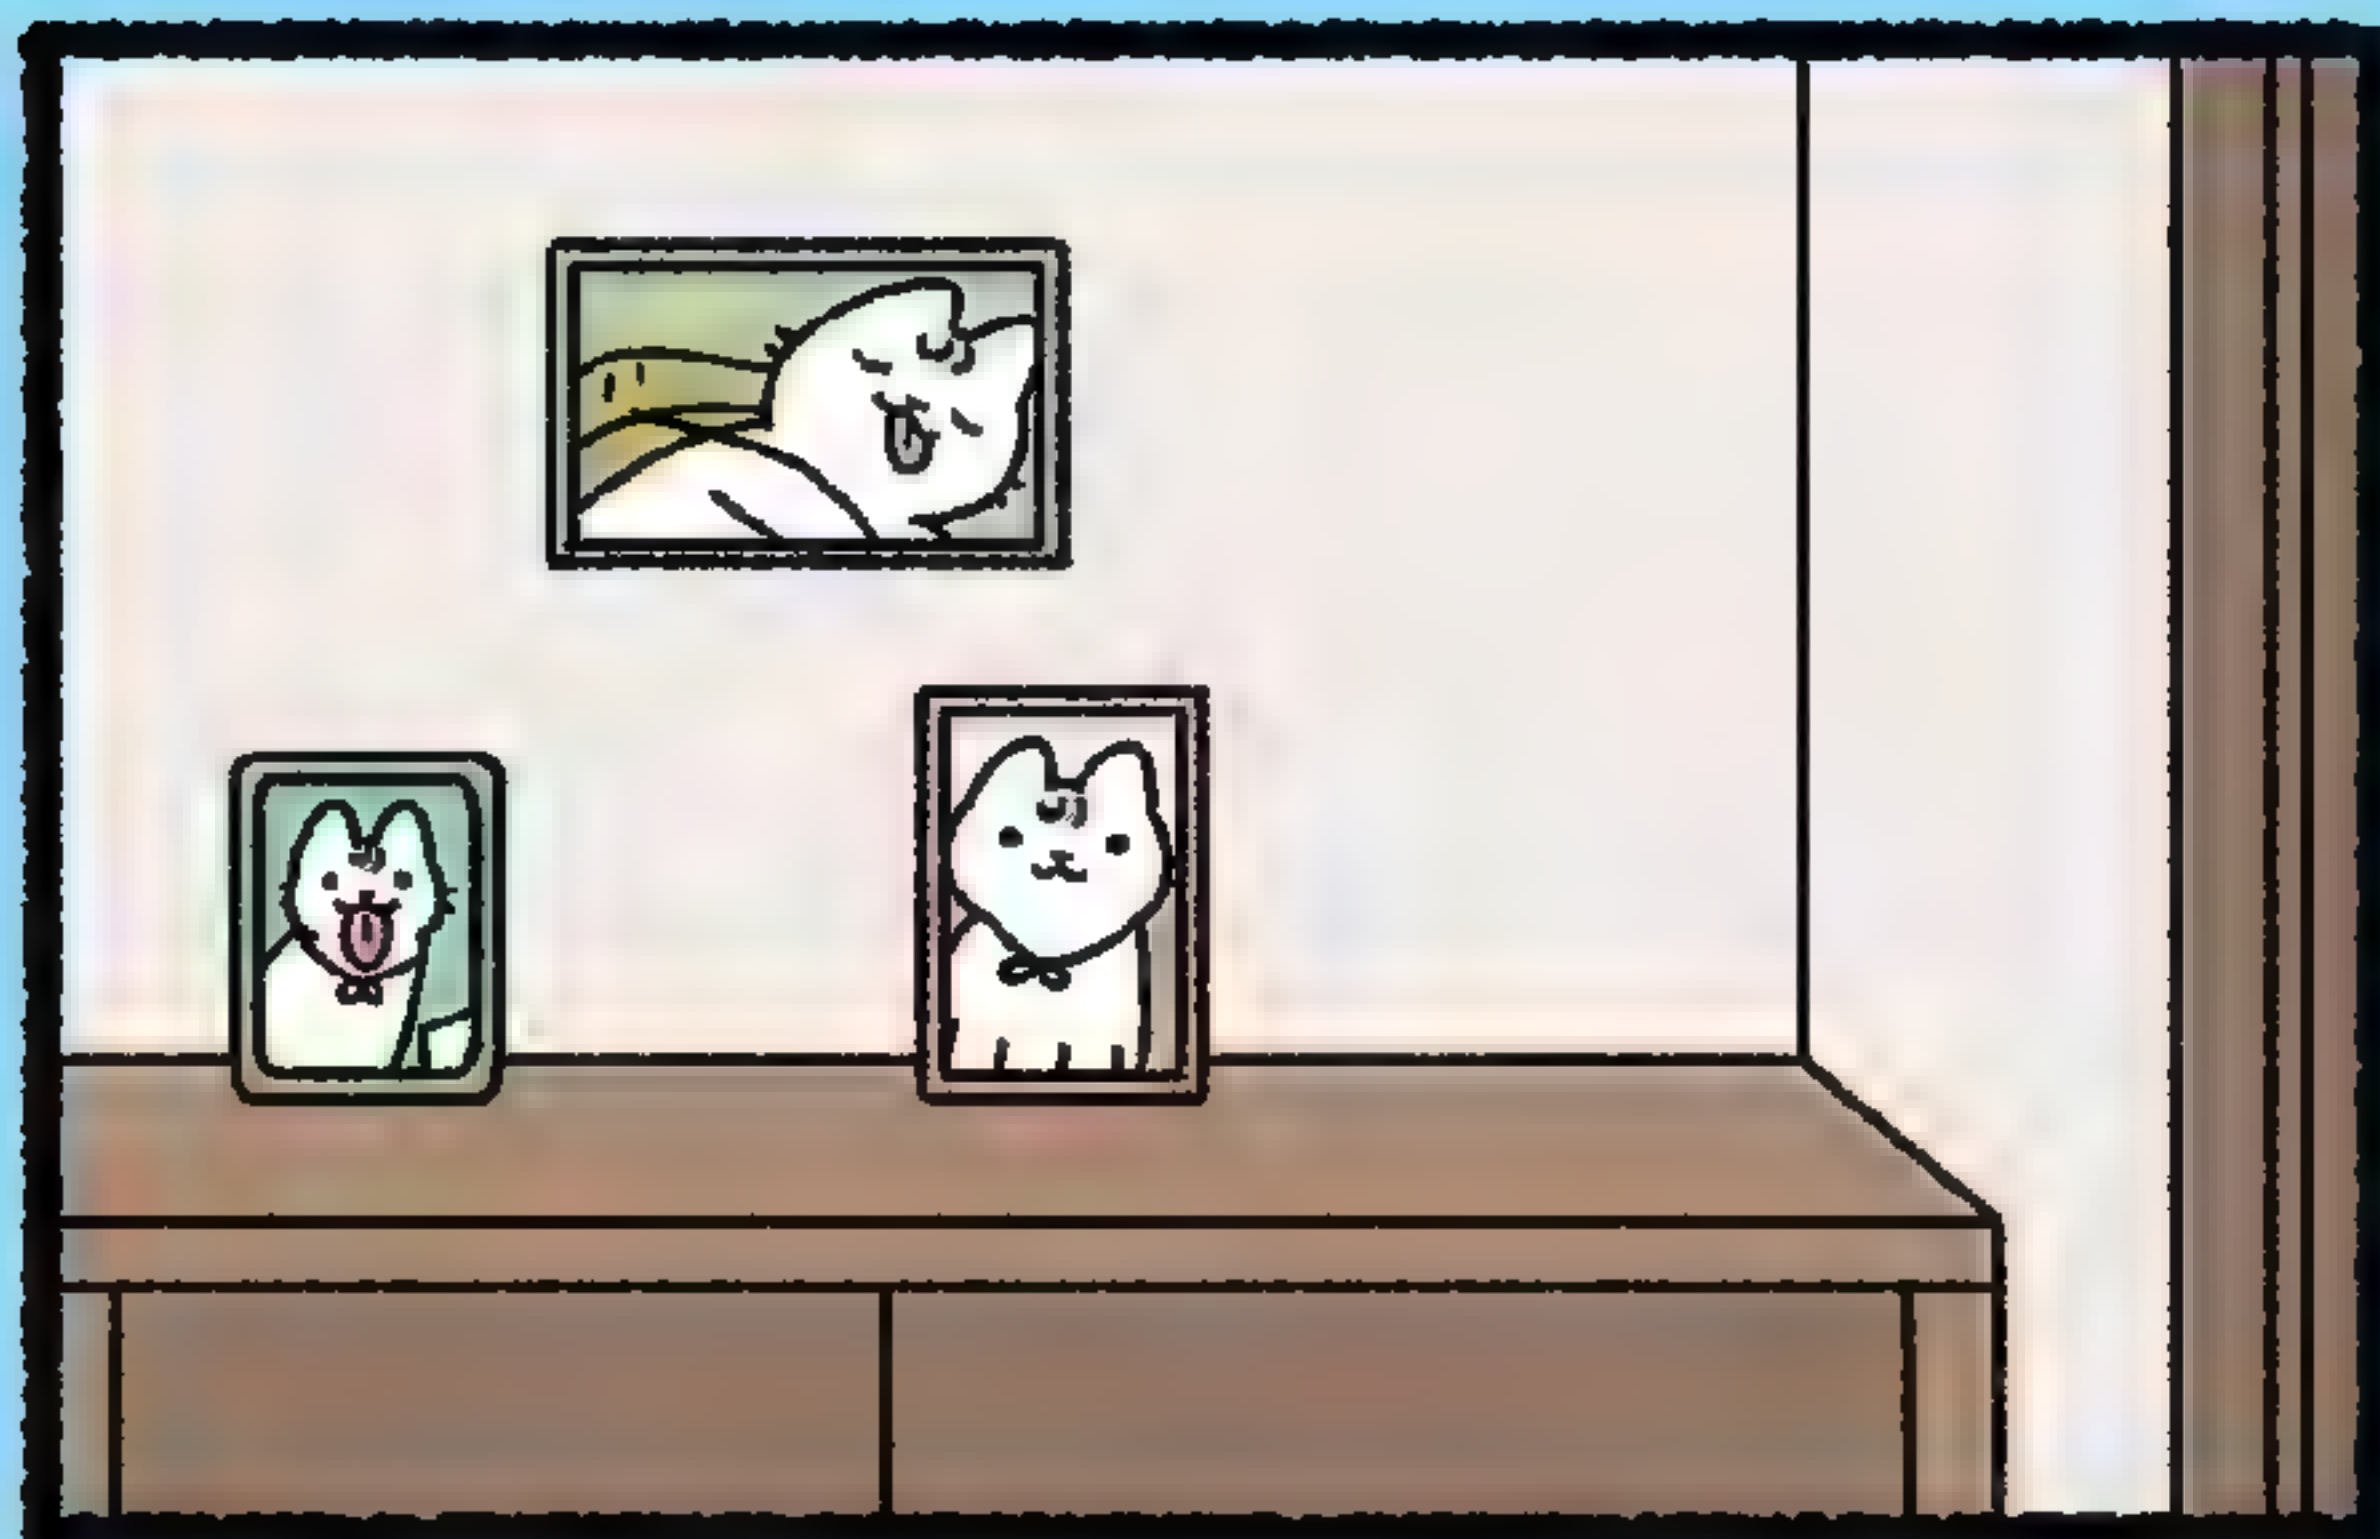

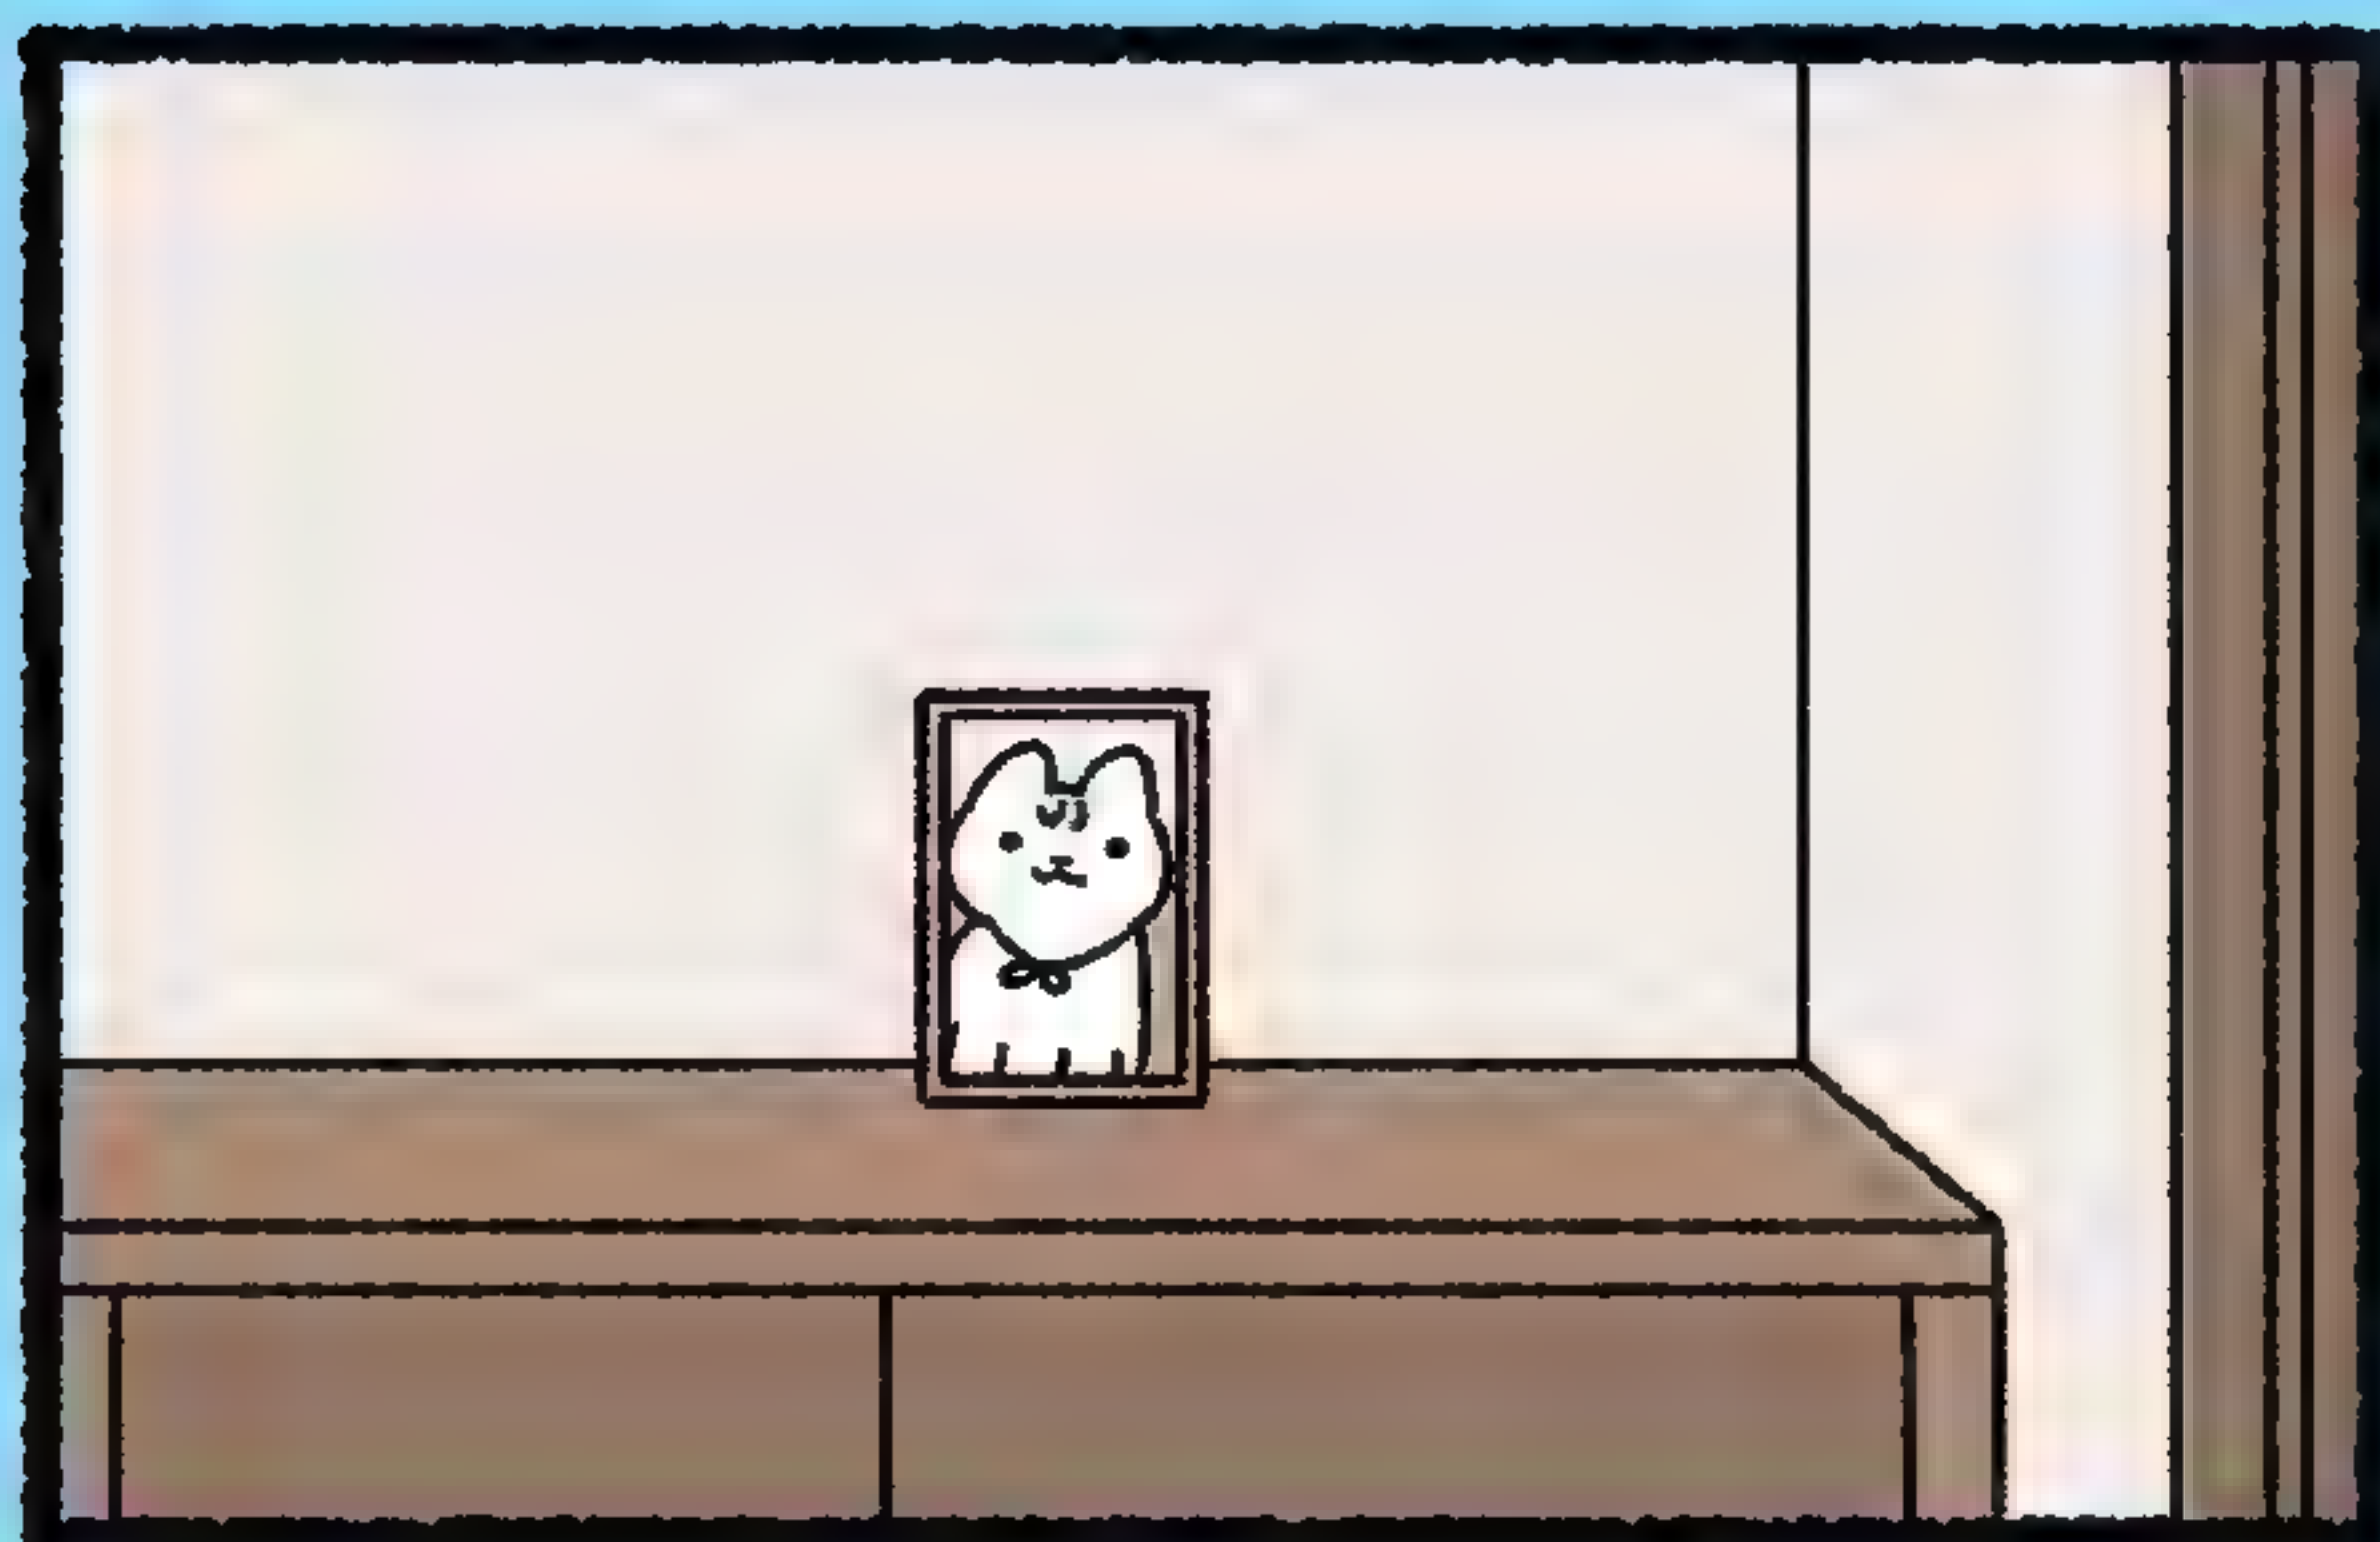

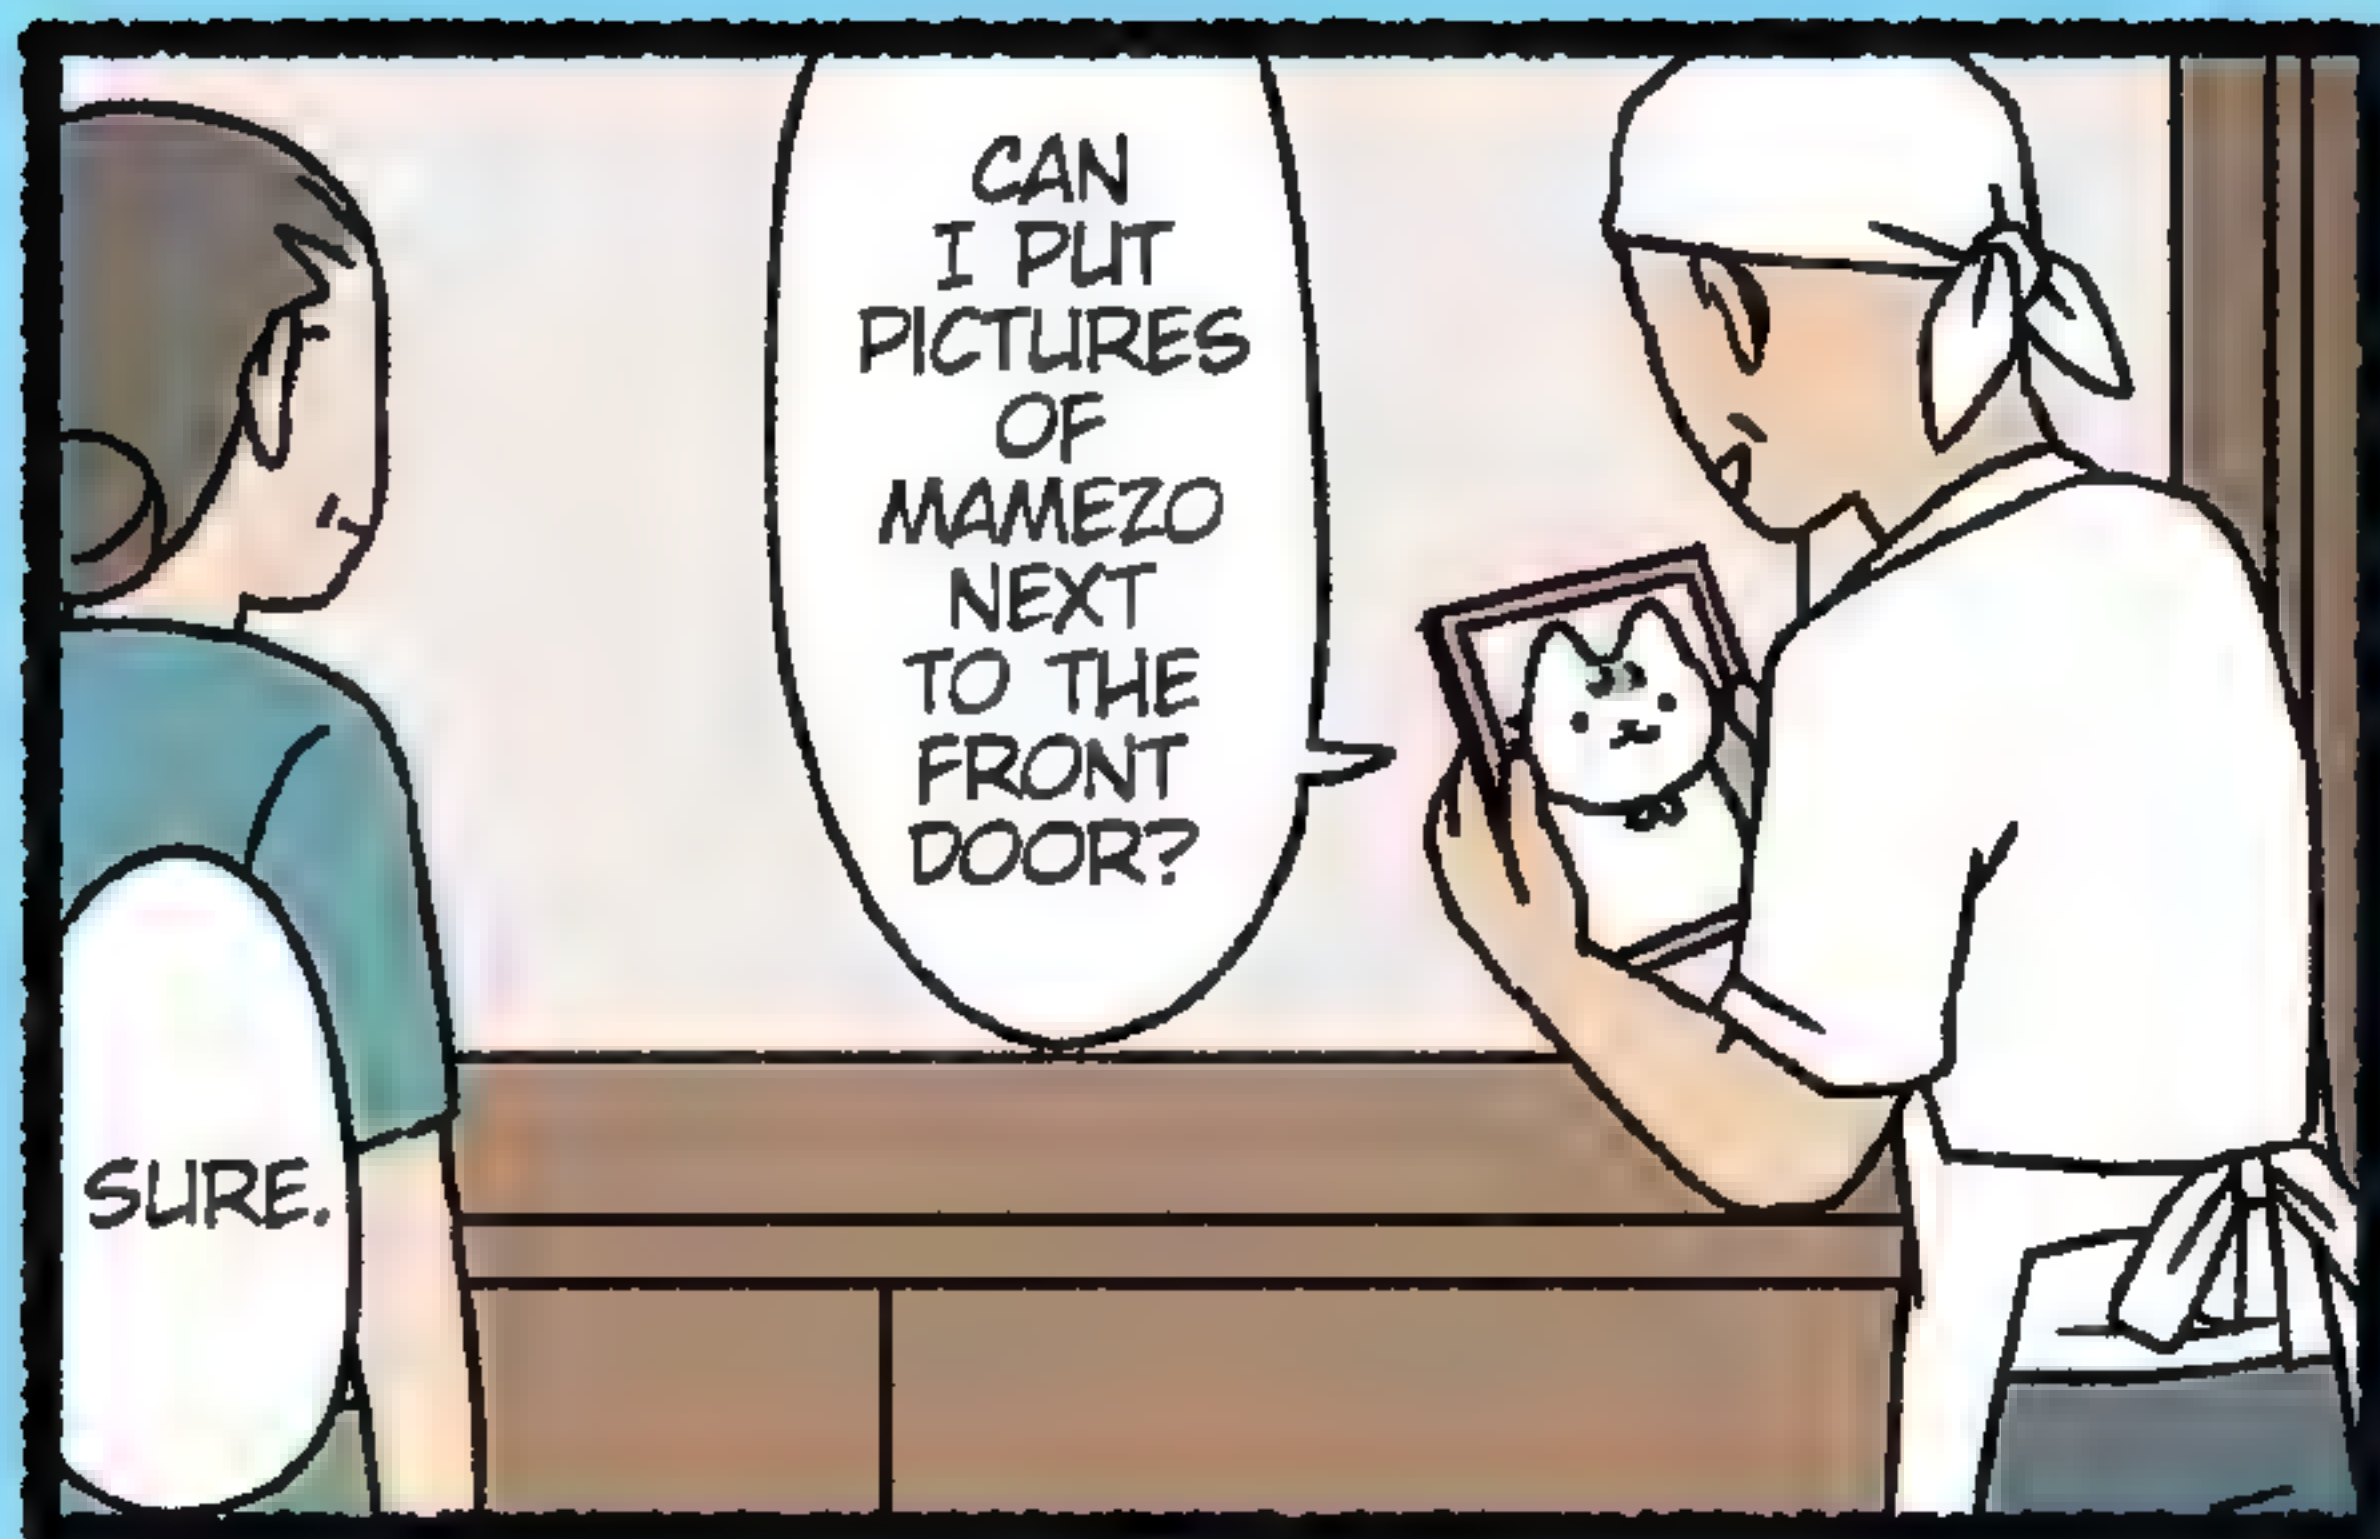

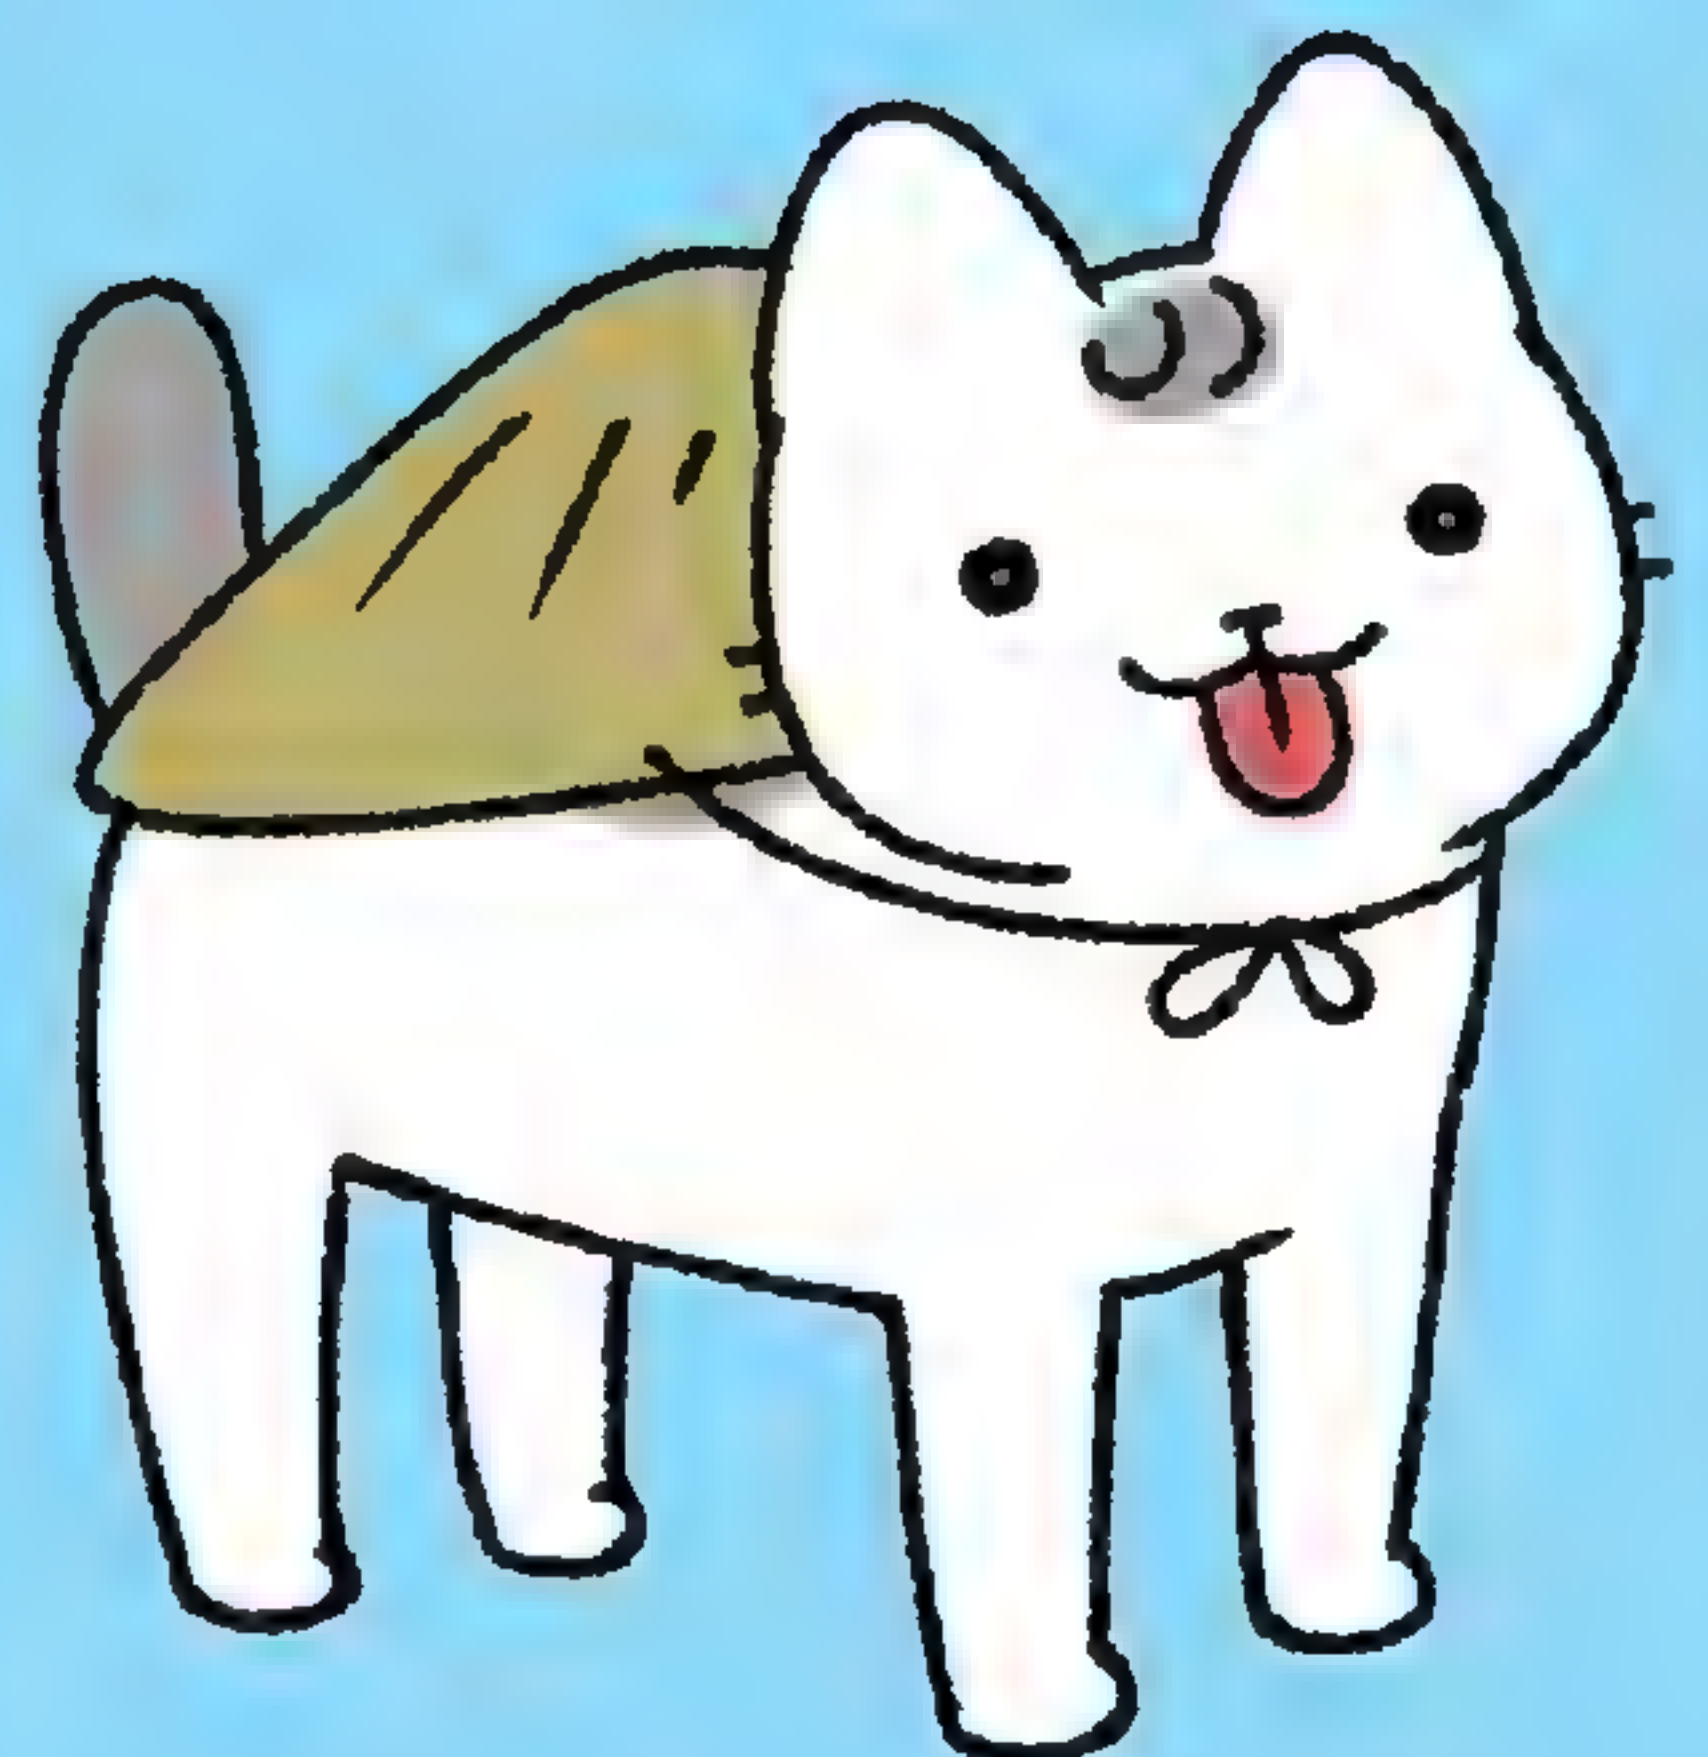

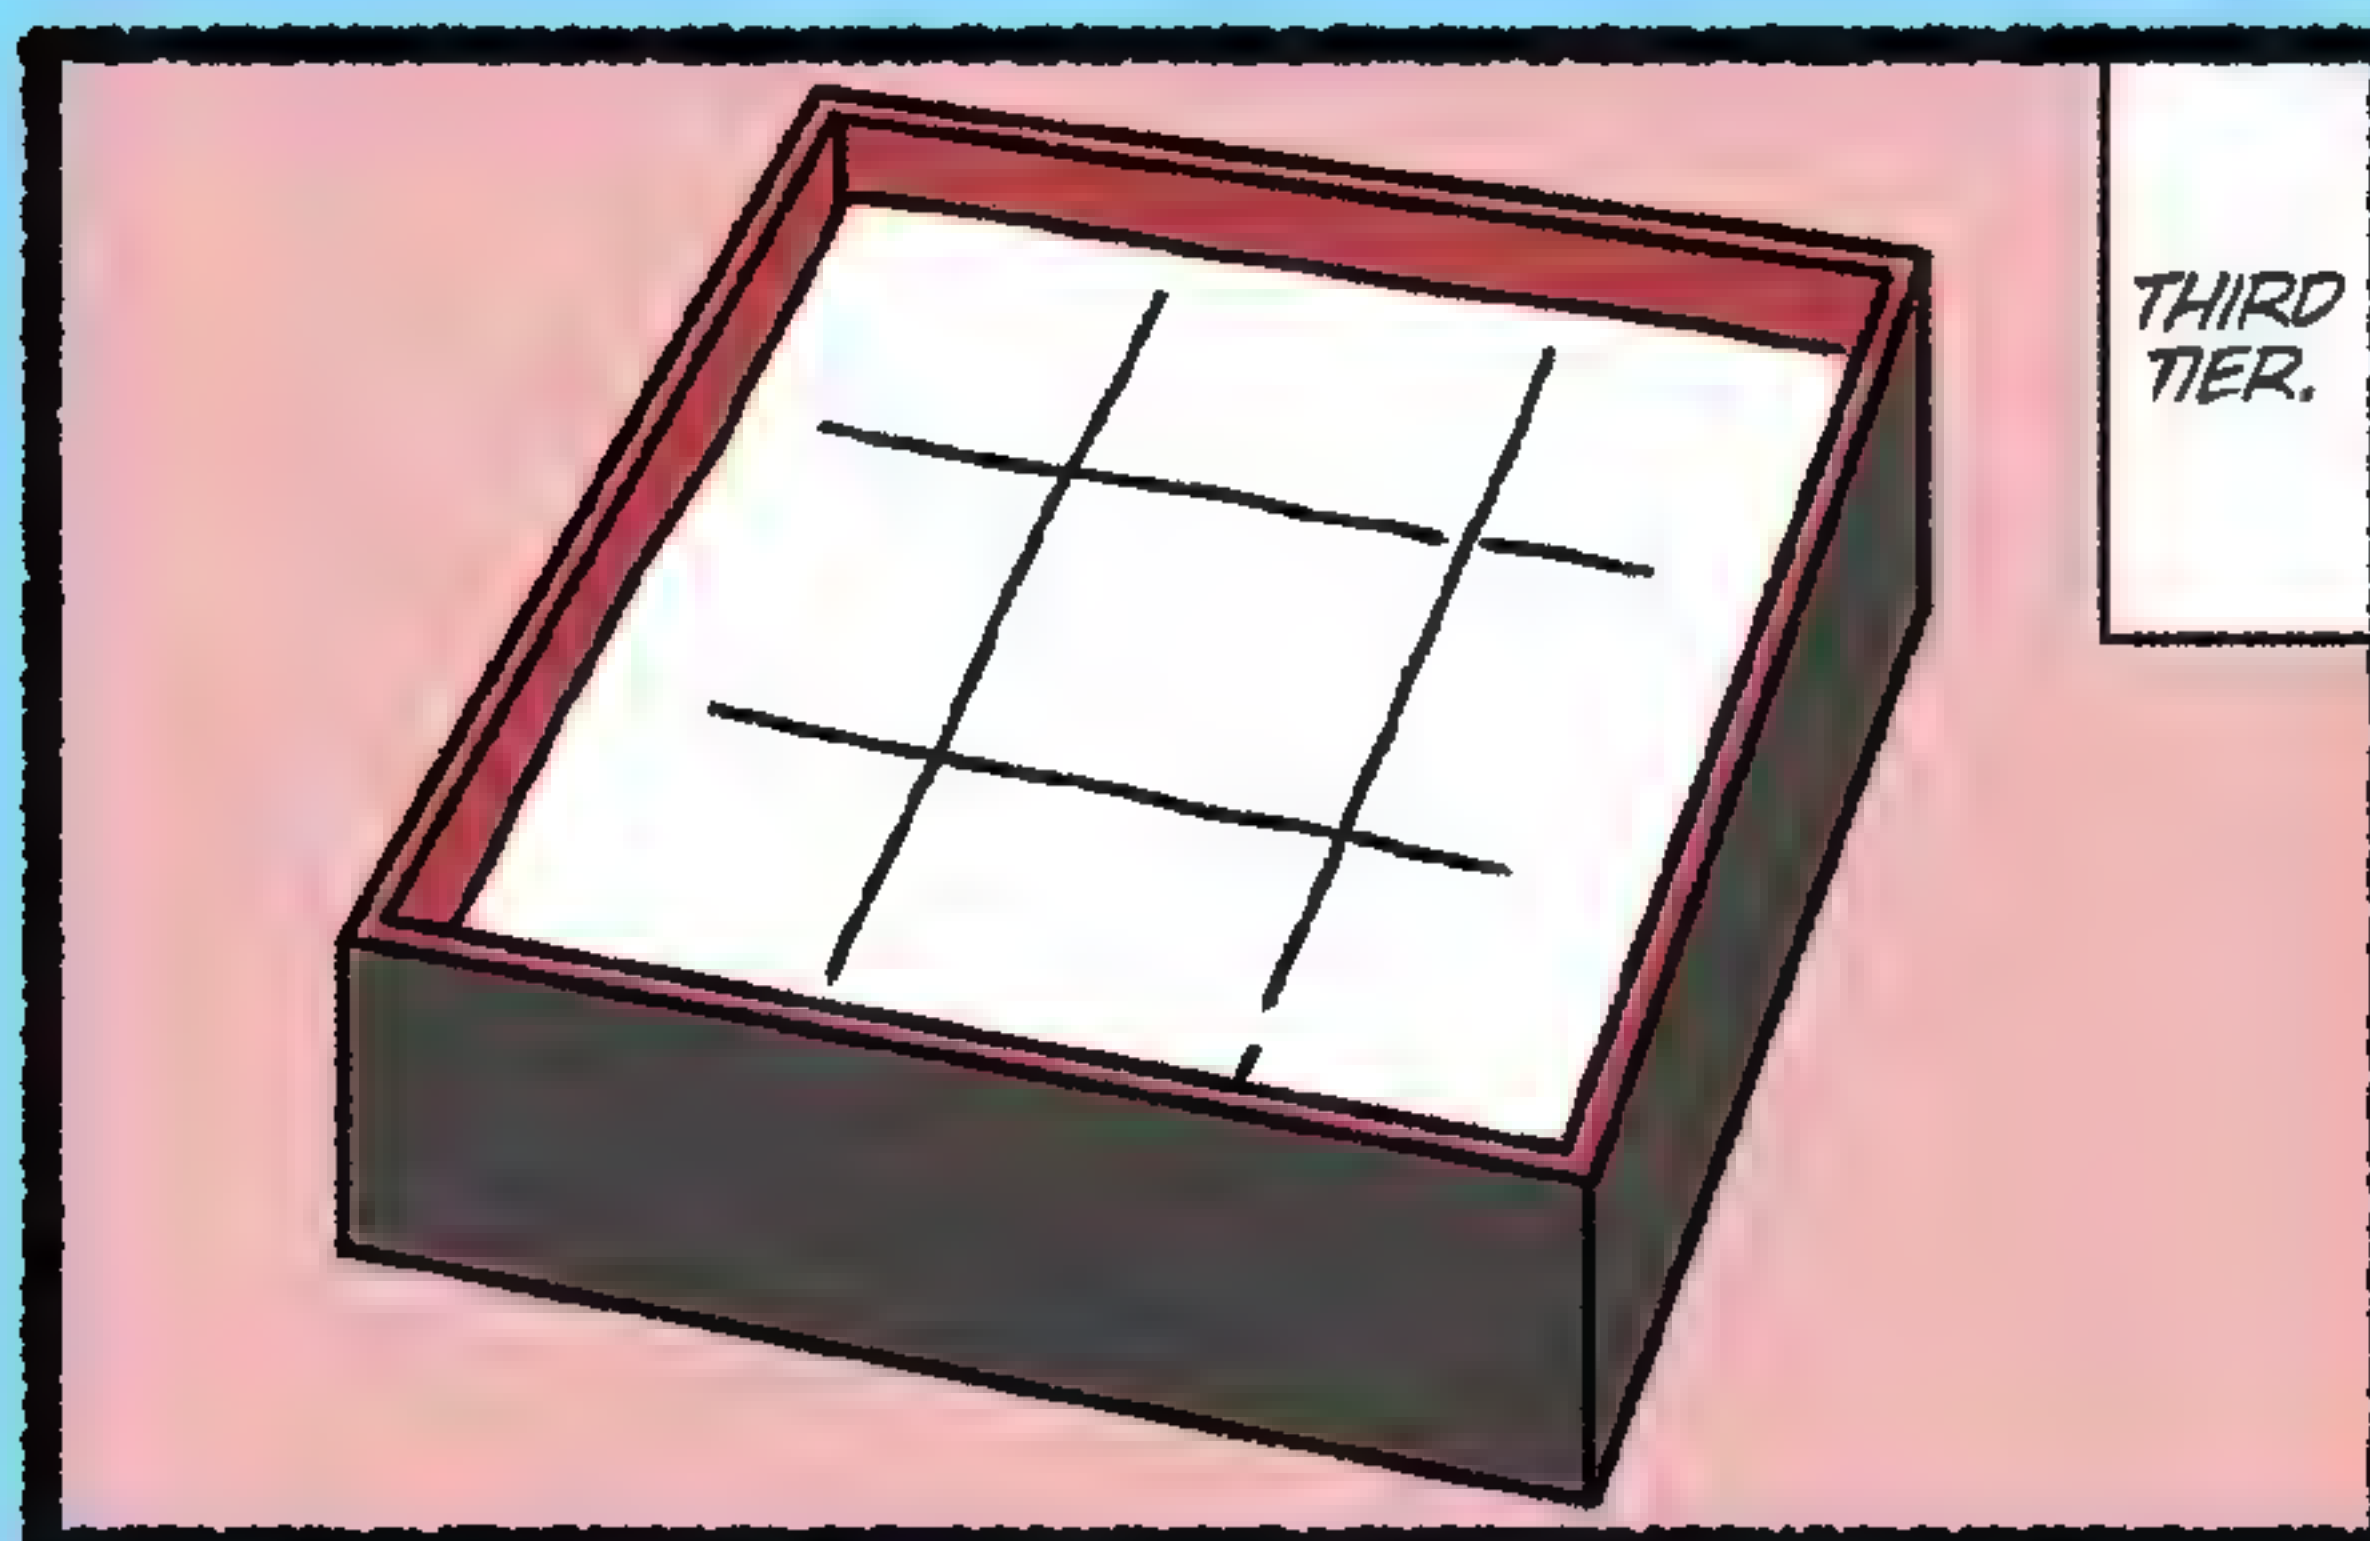

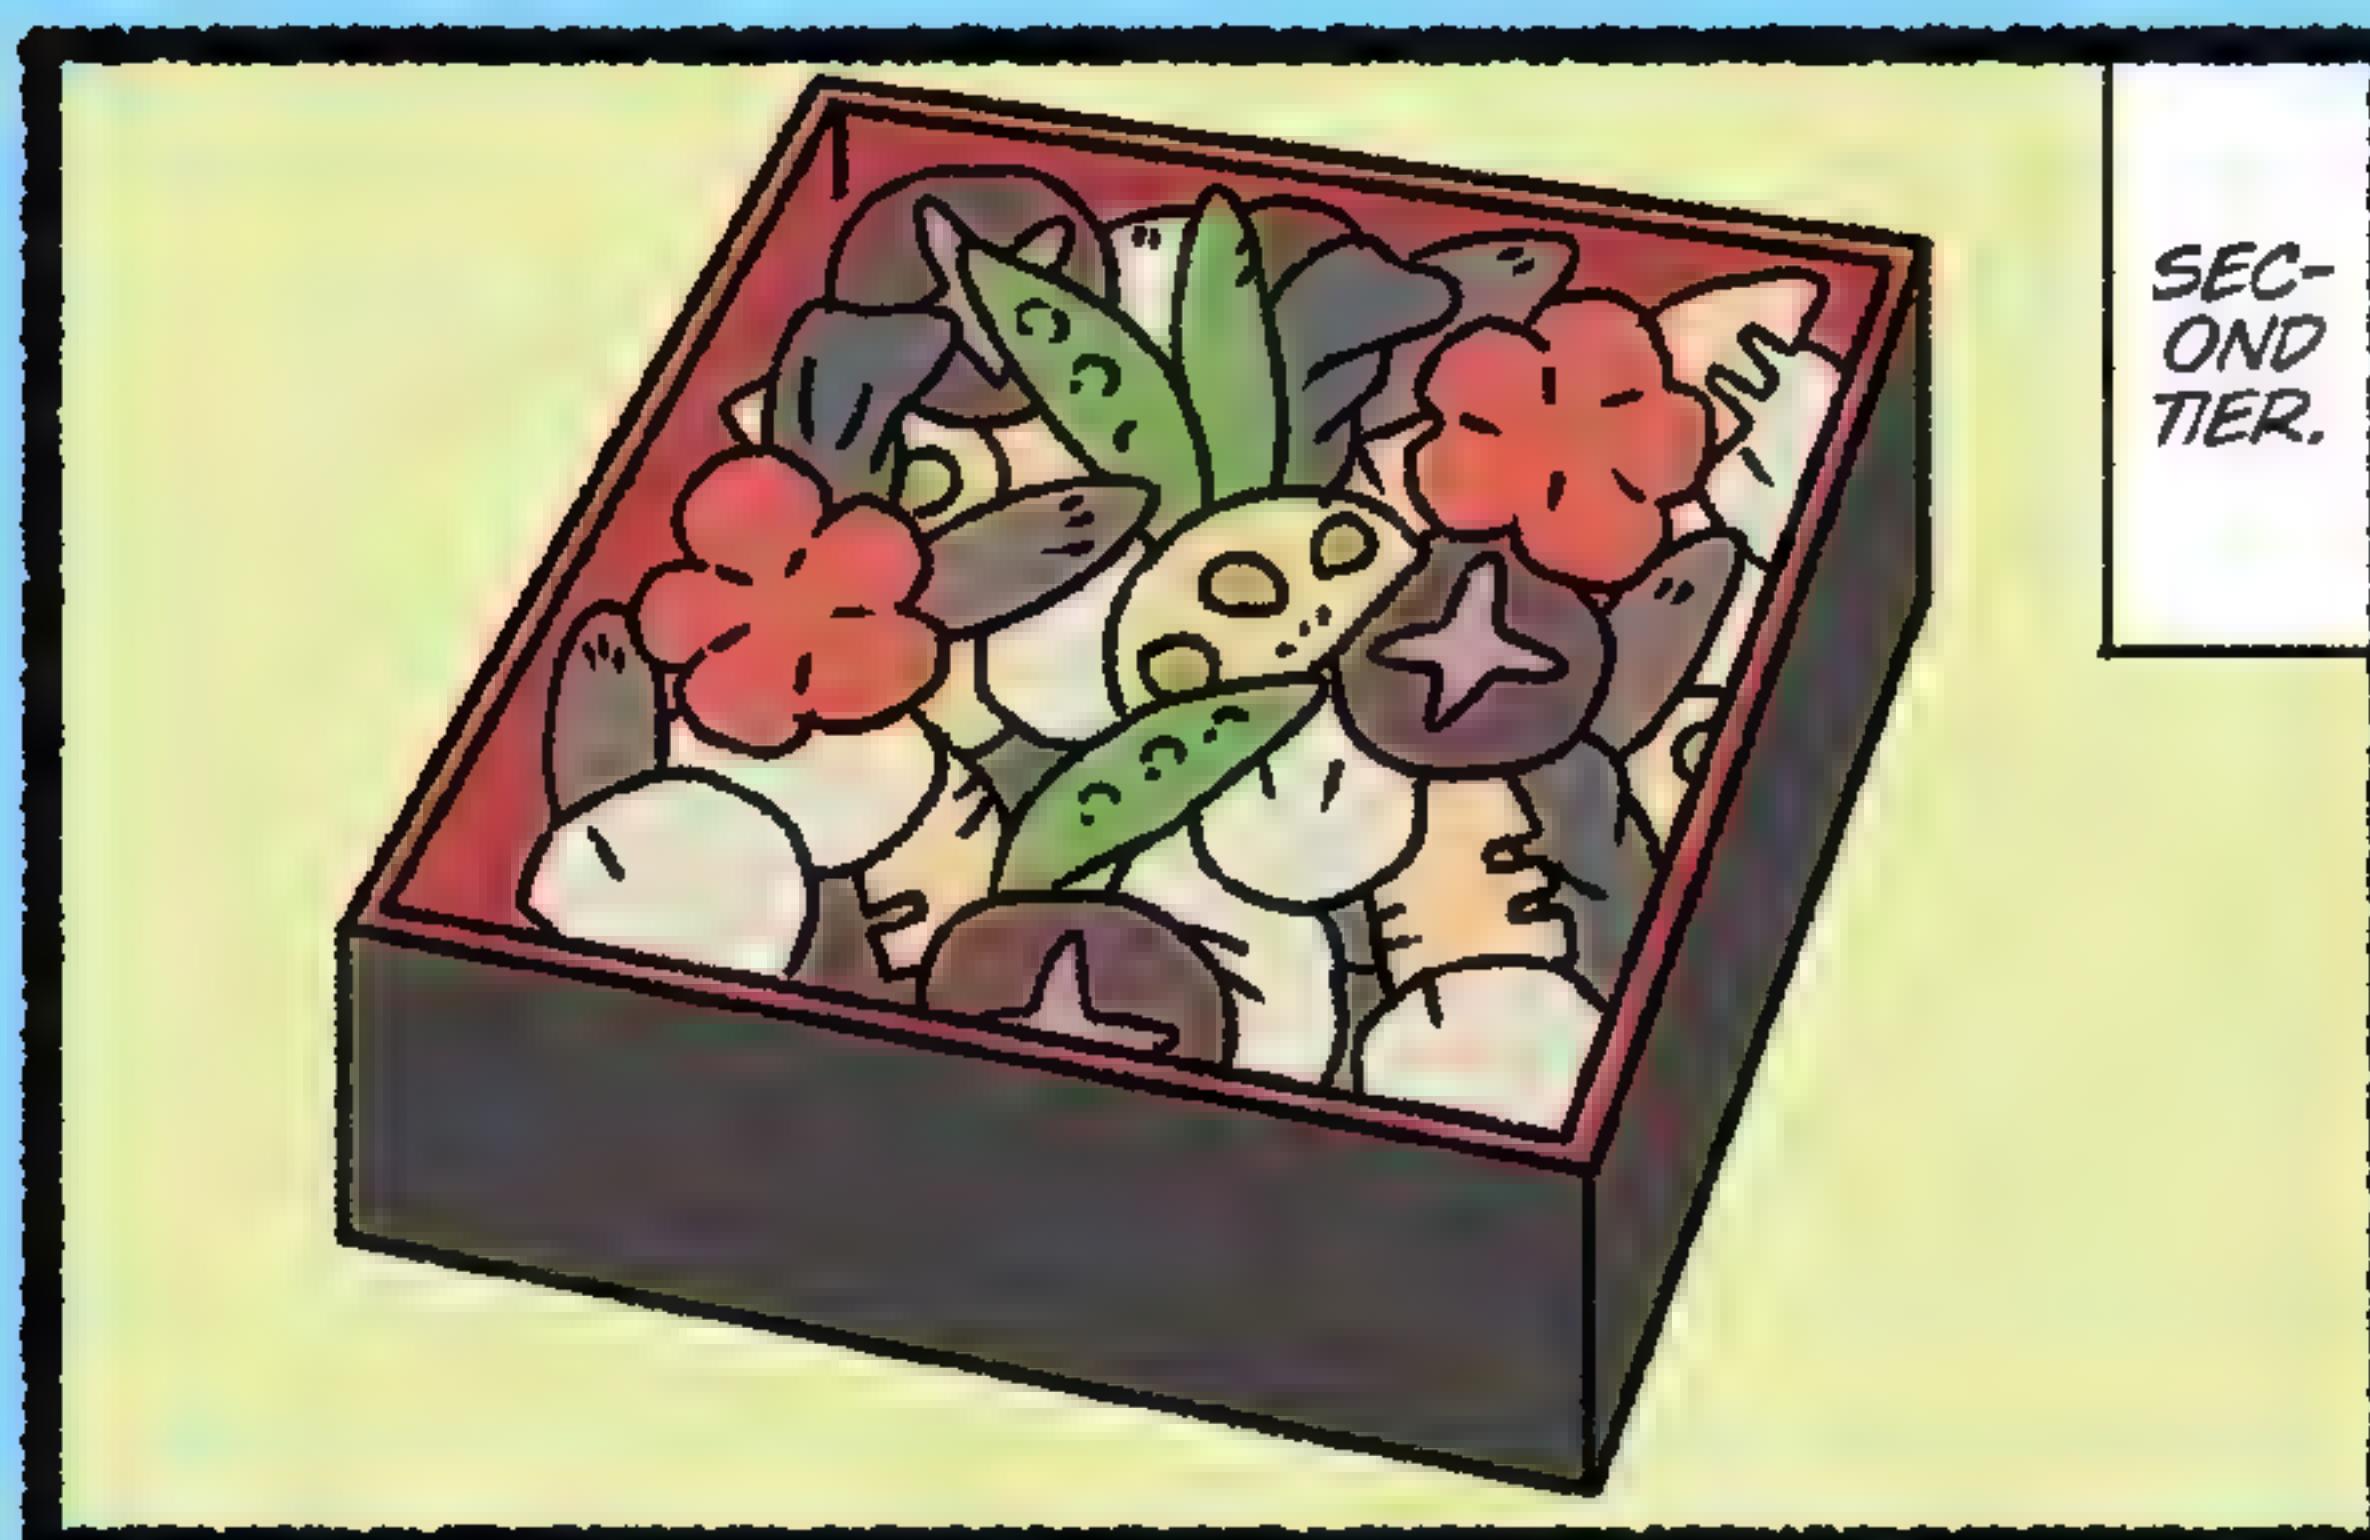

Tofu Kozo

Tofu Boy

It's good to
have Tofu
Kozo taste
test your
new tofu!

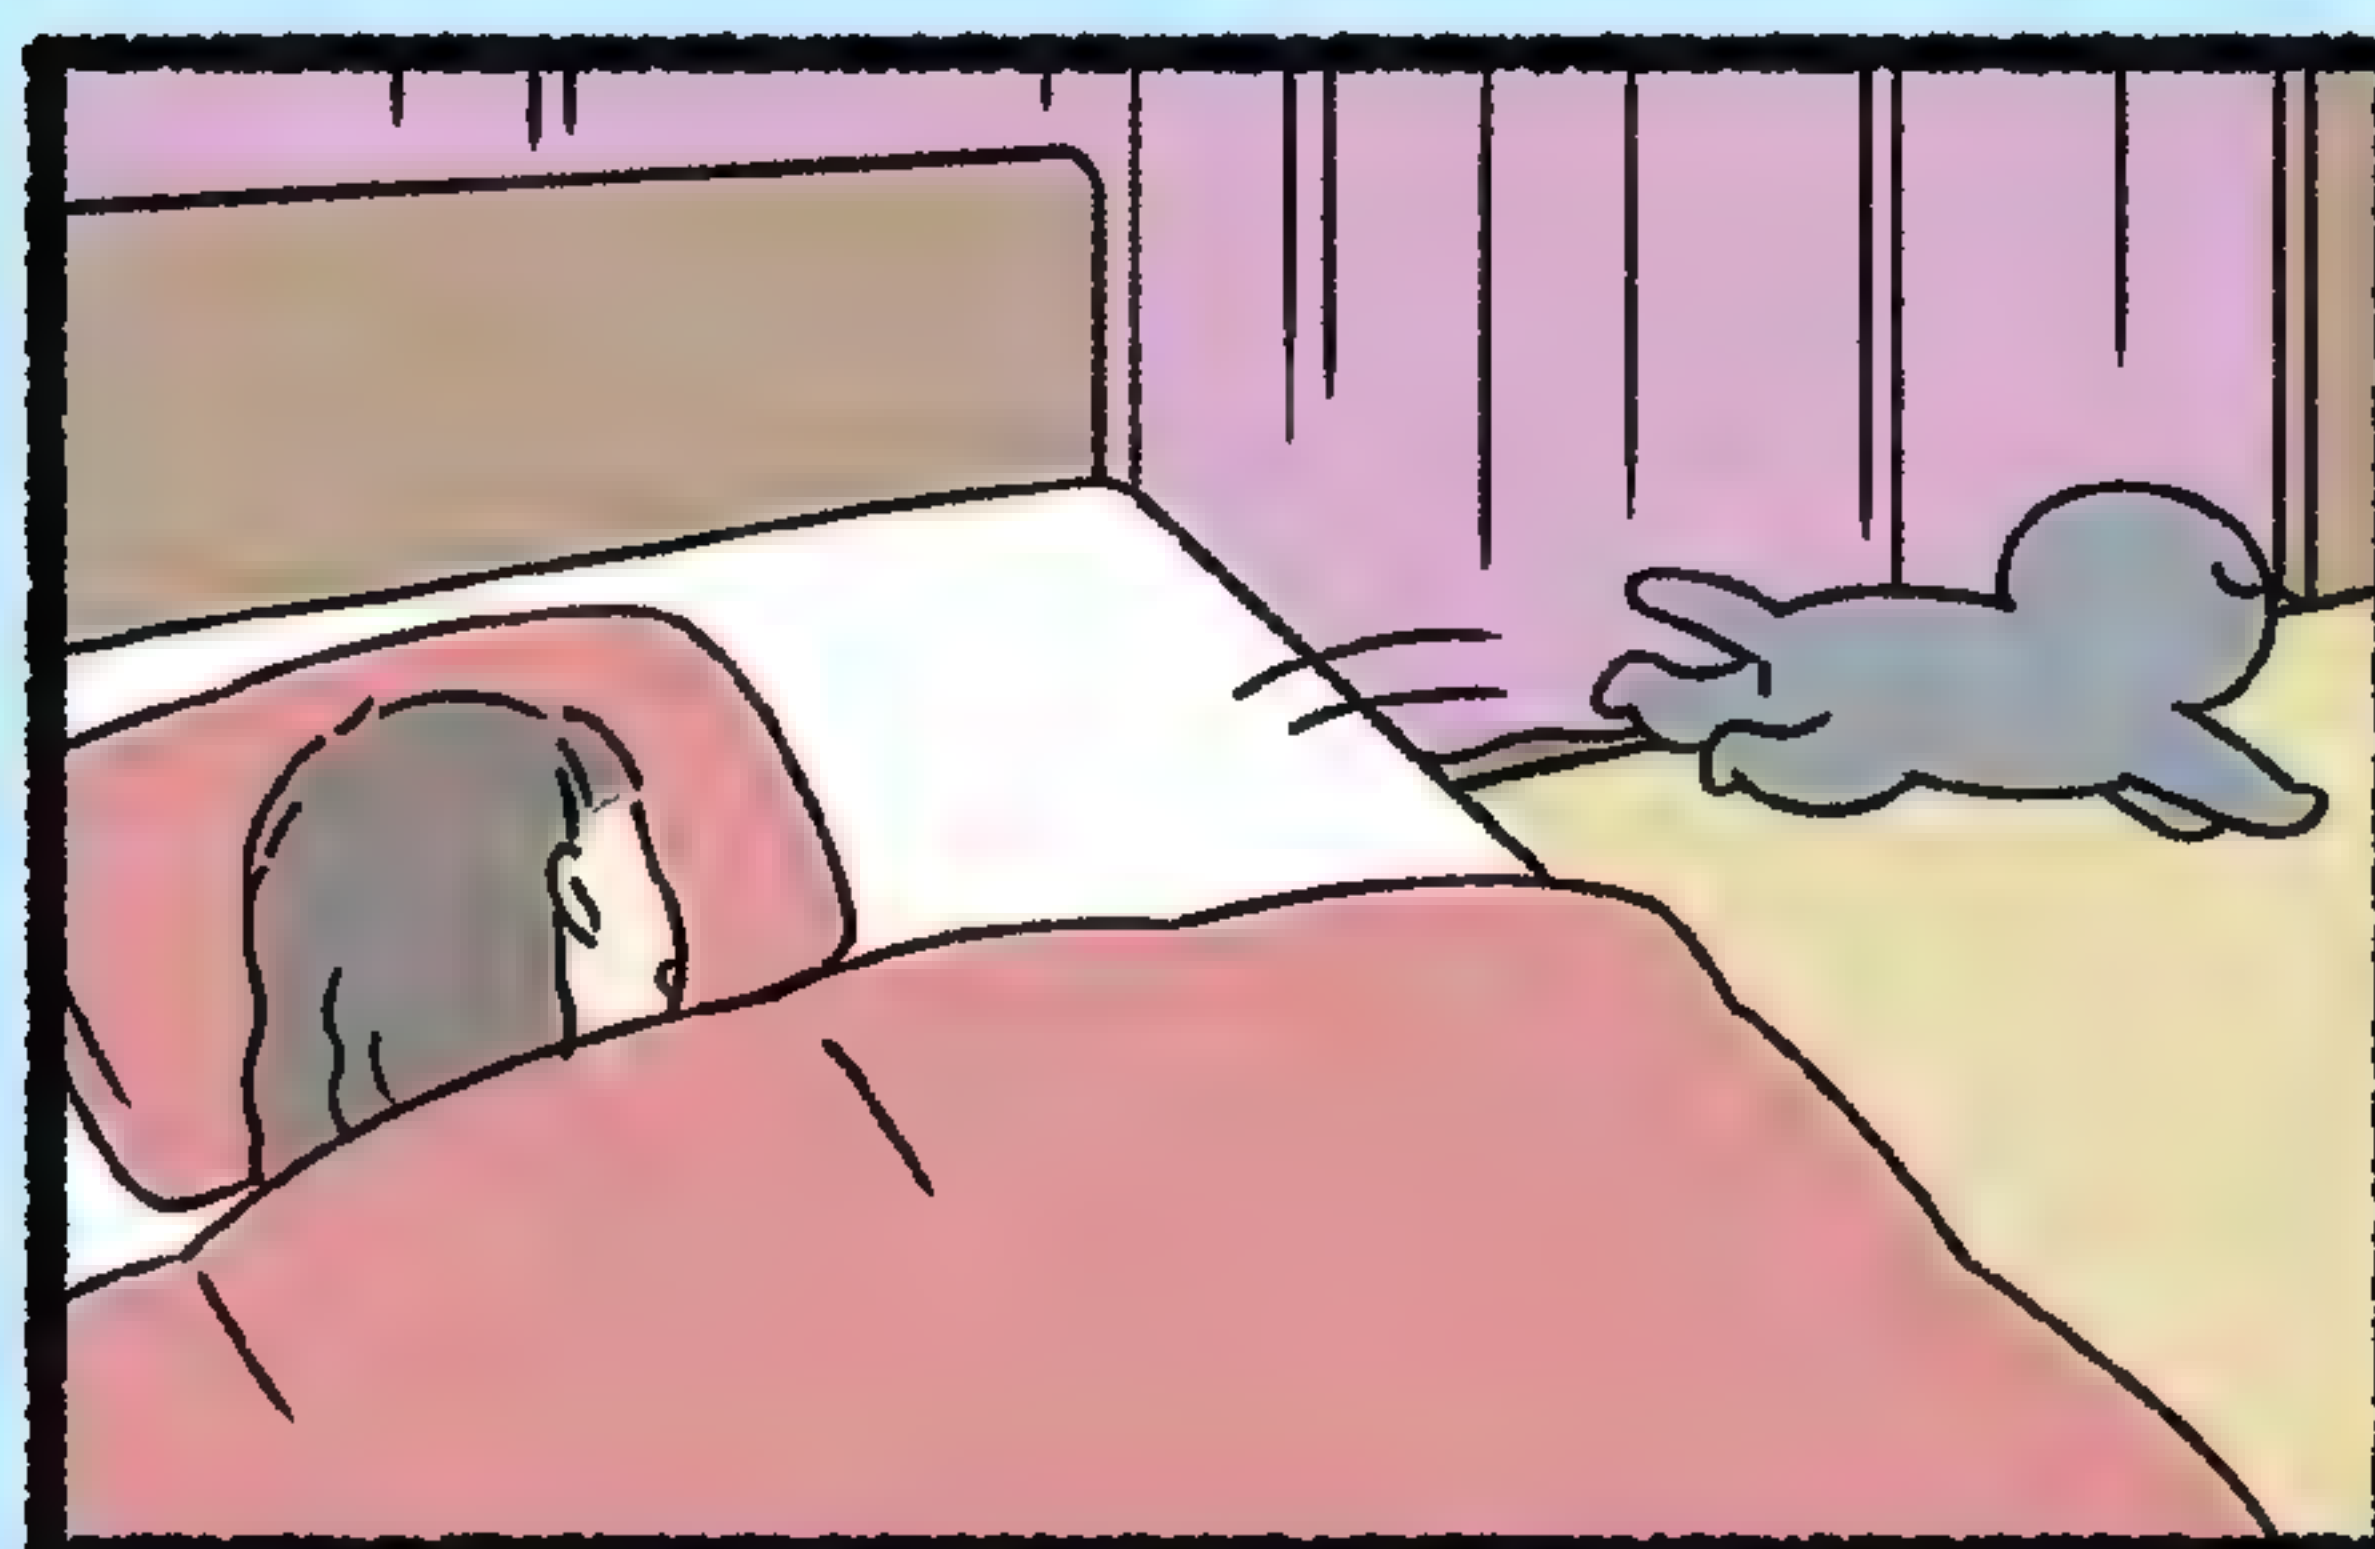

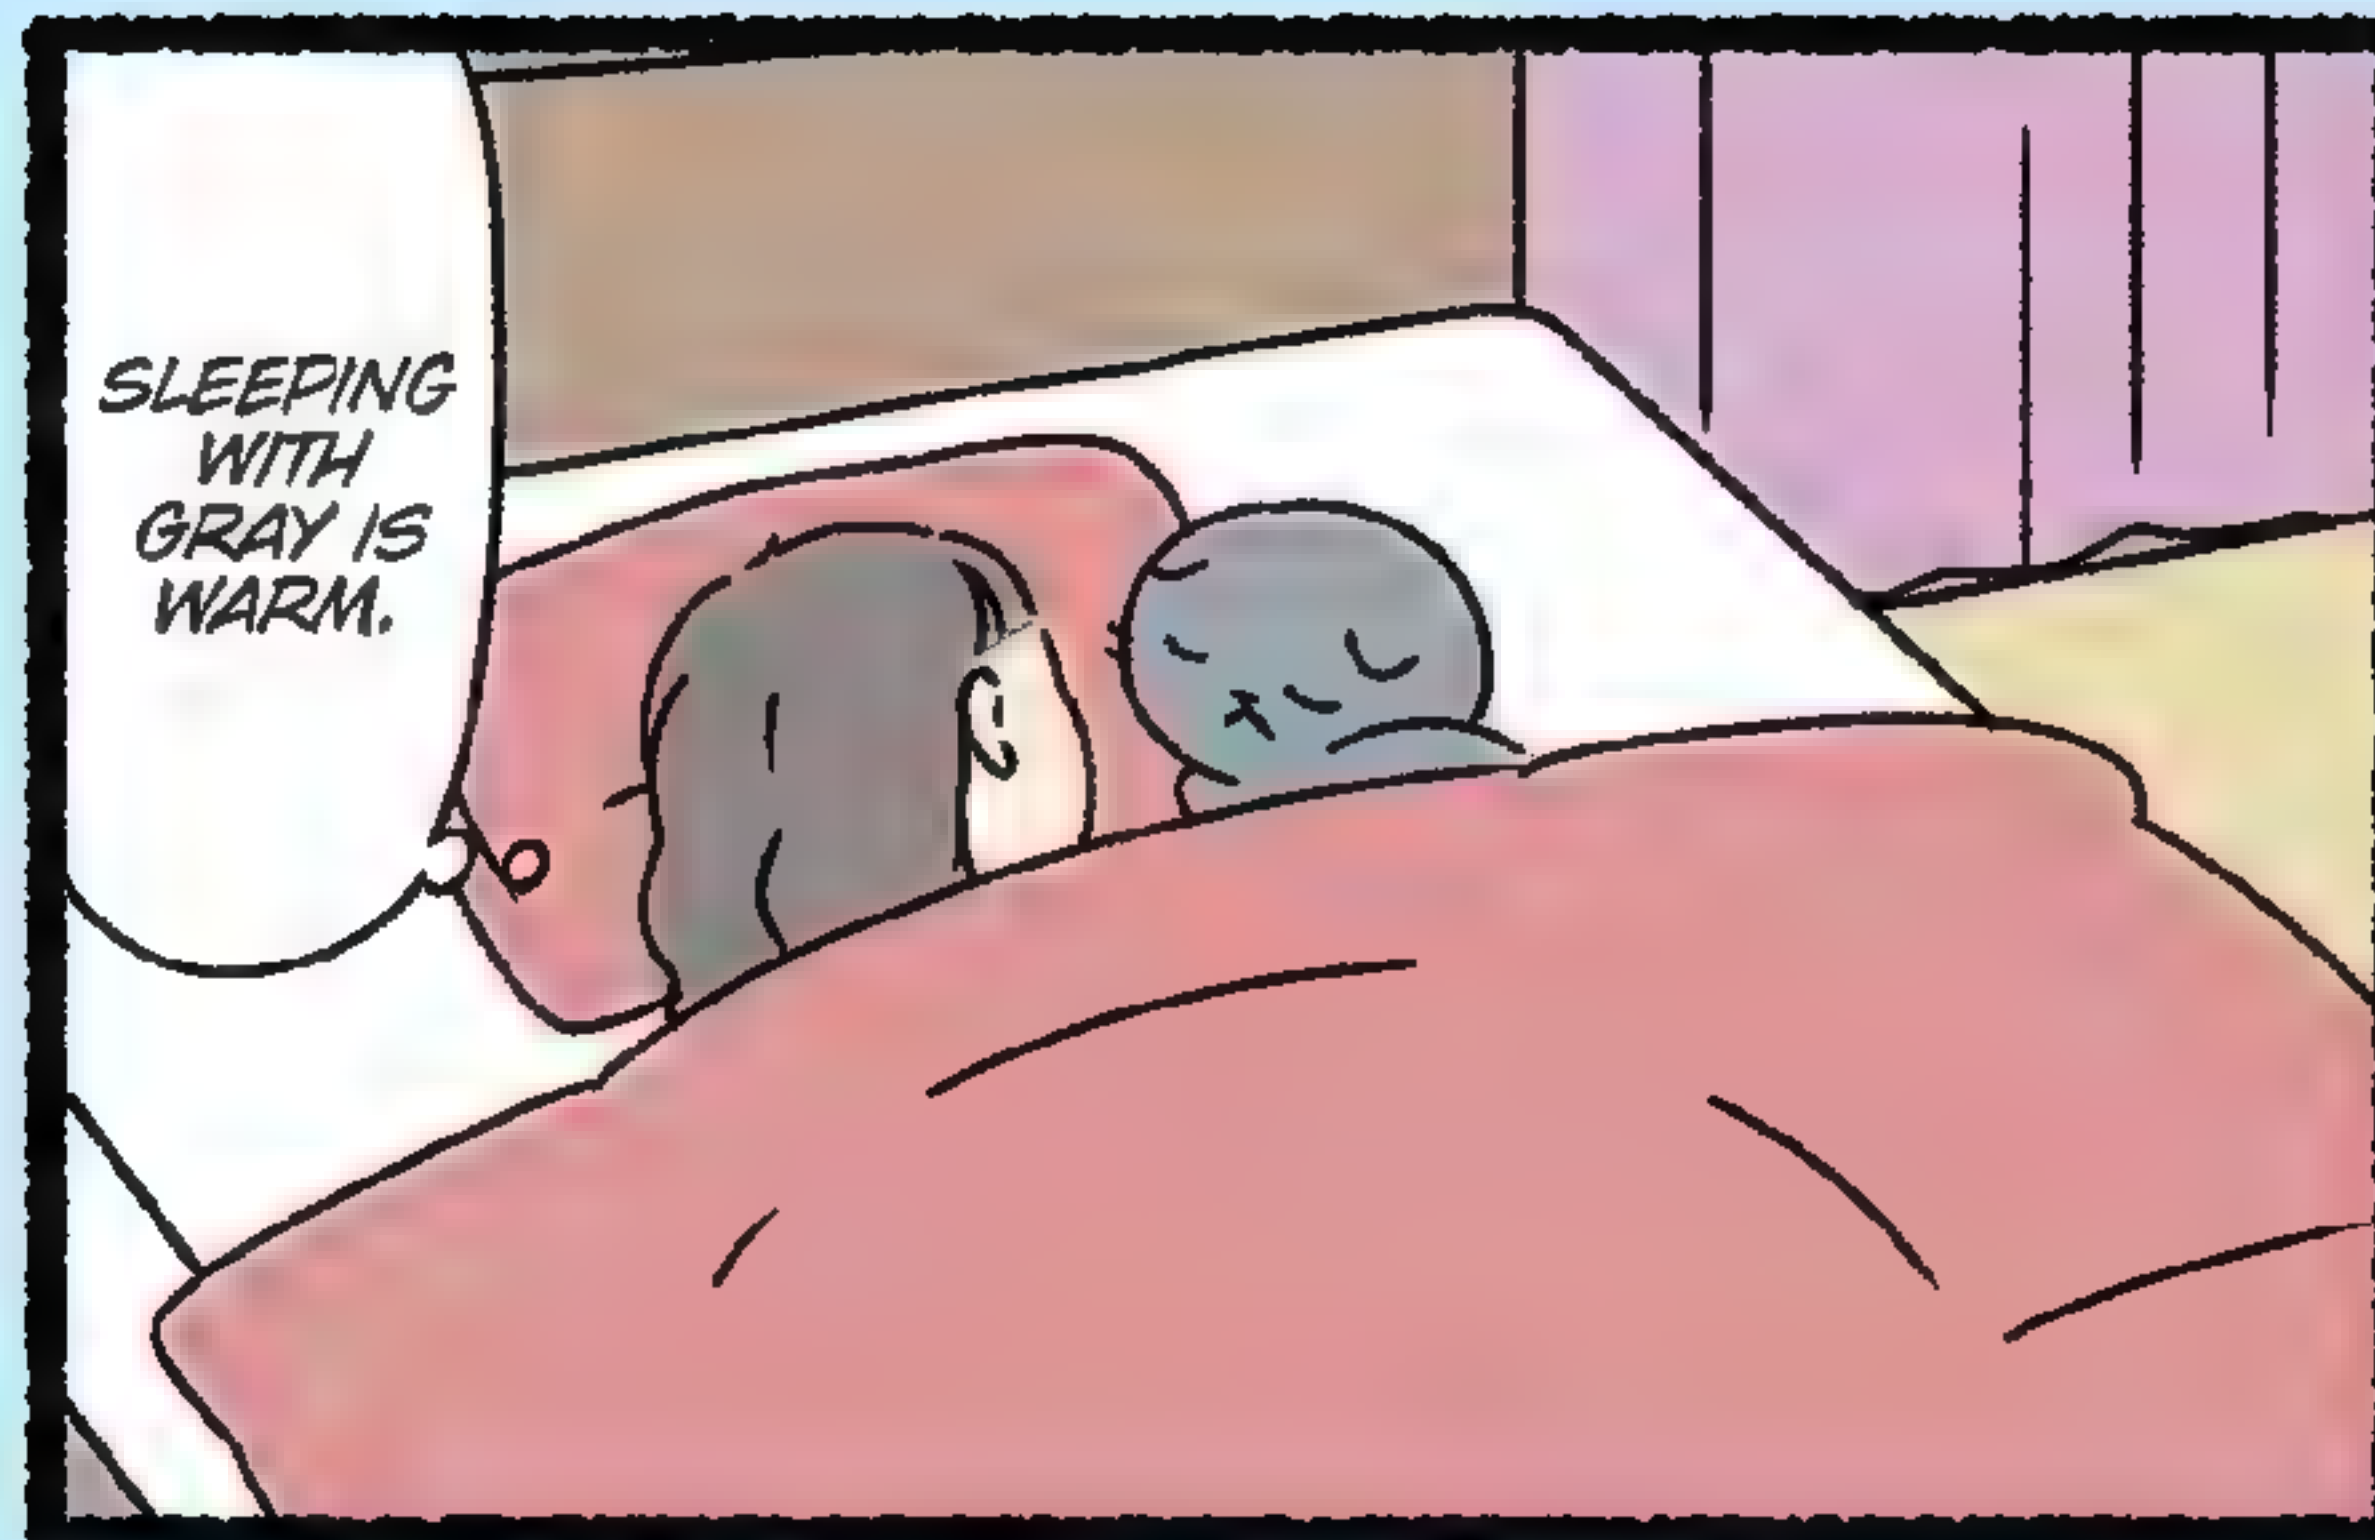

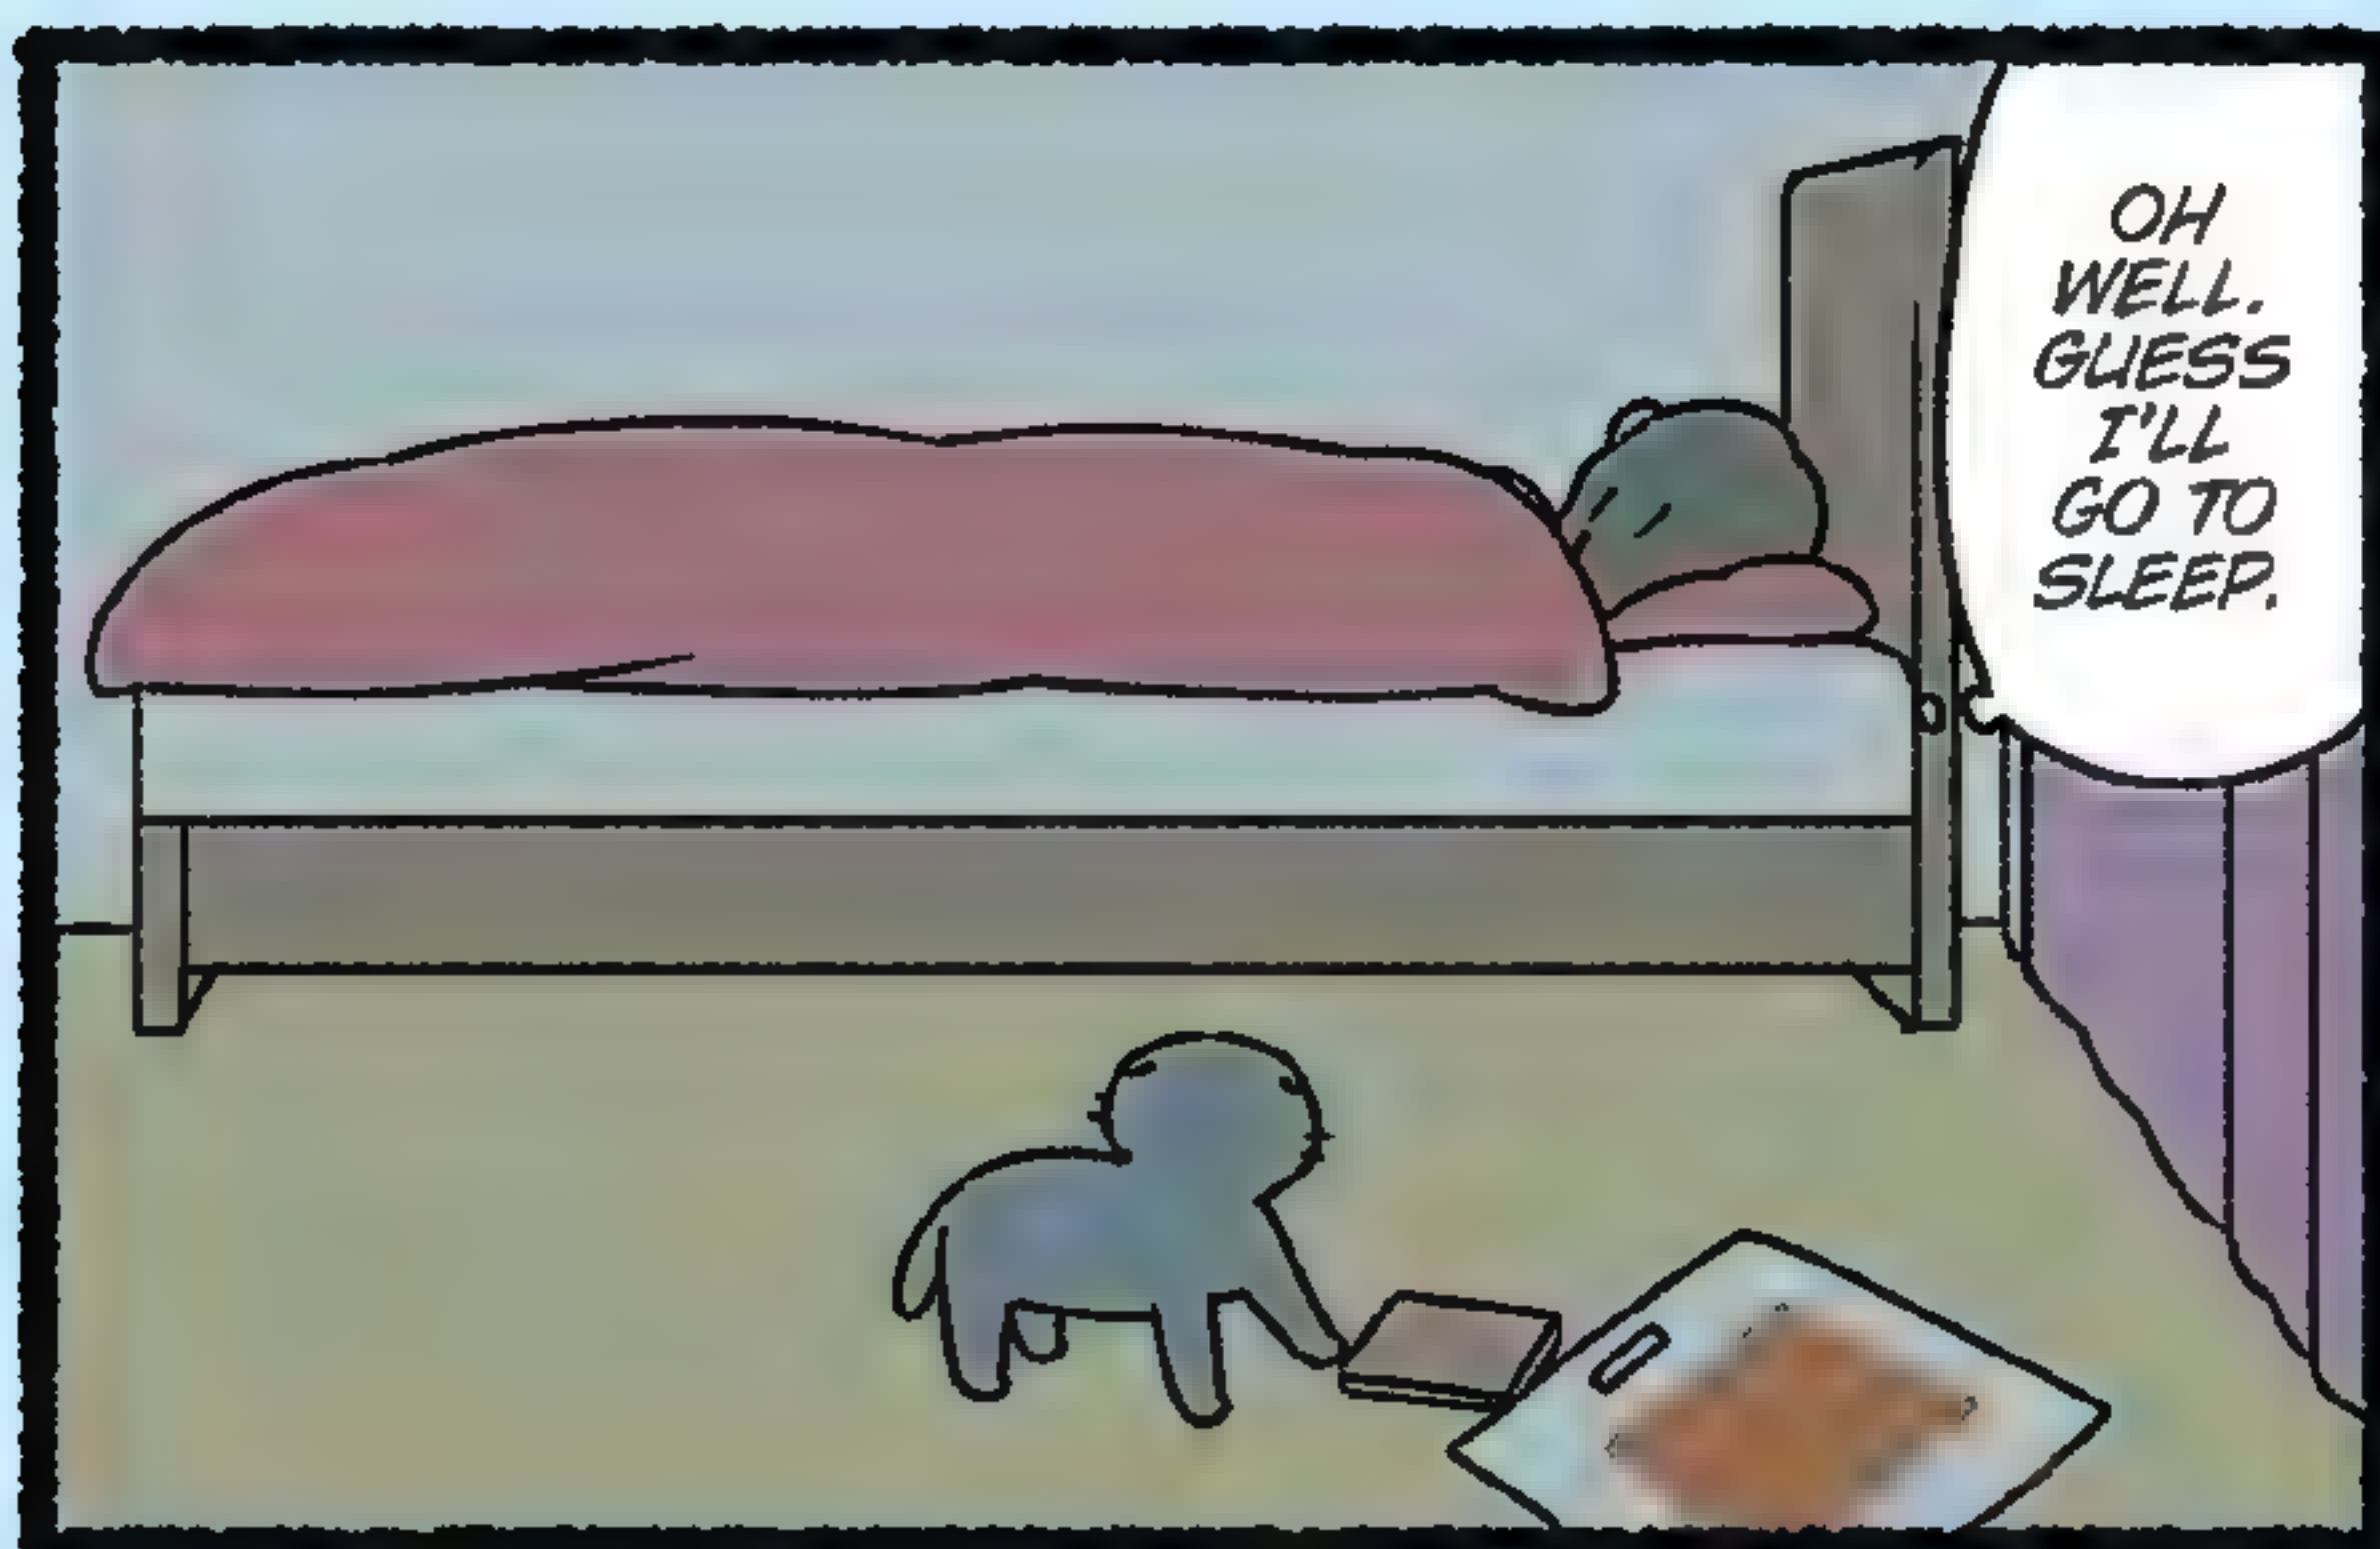

Satori

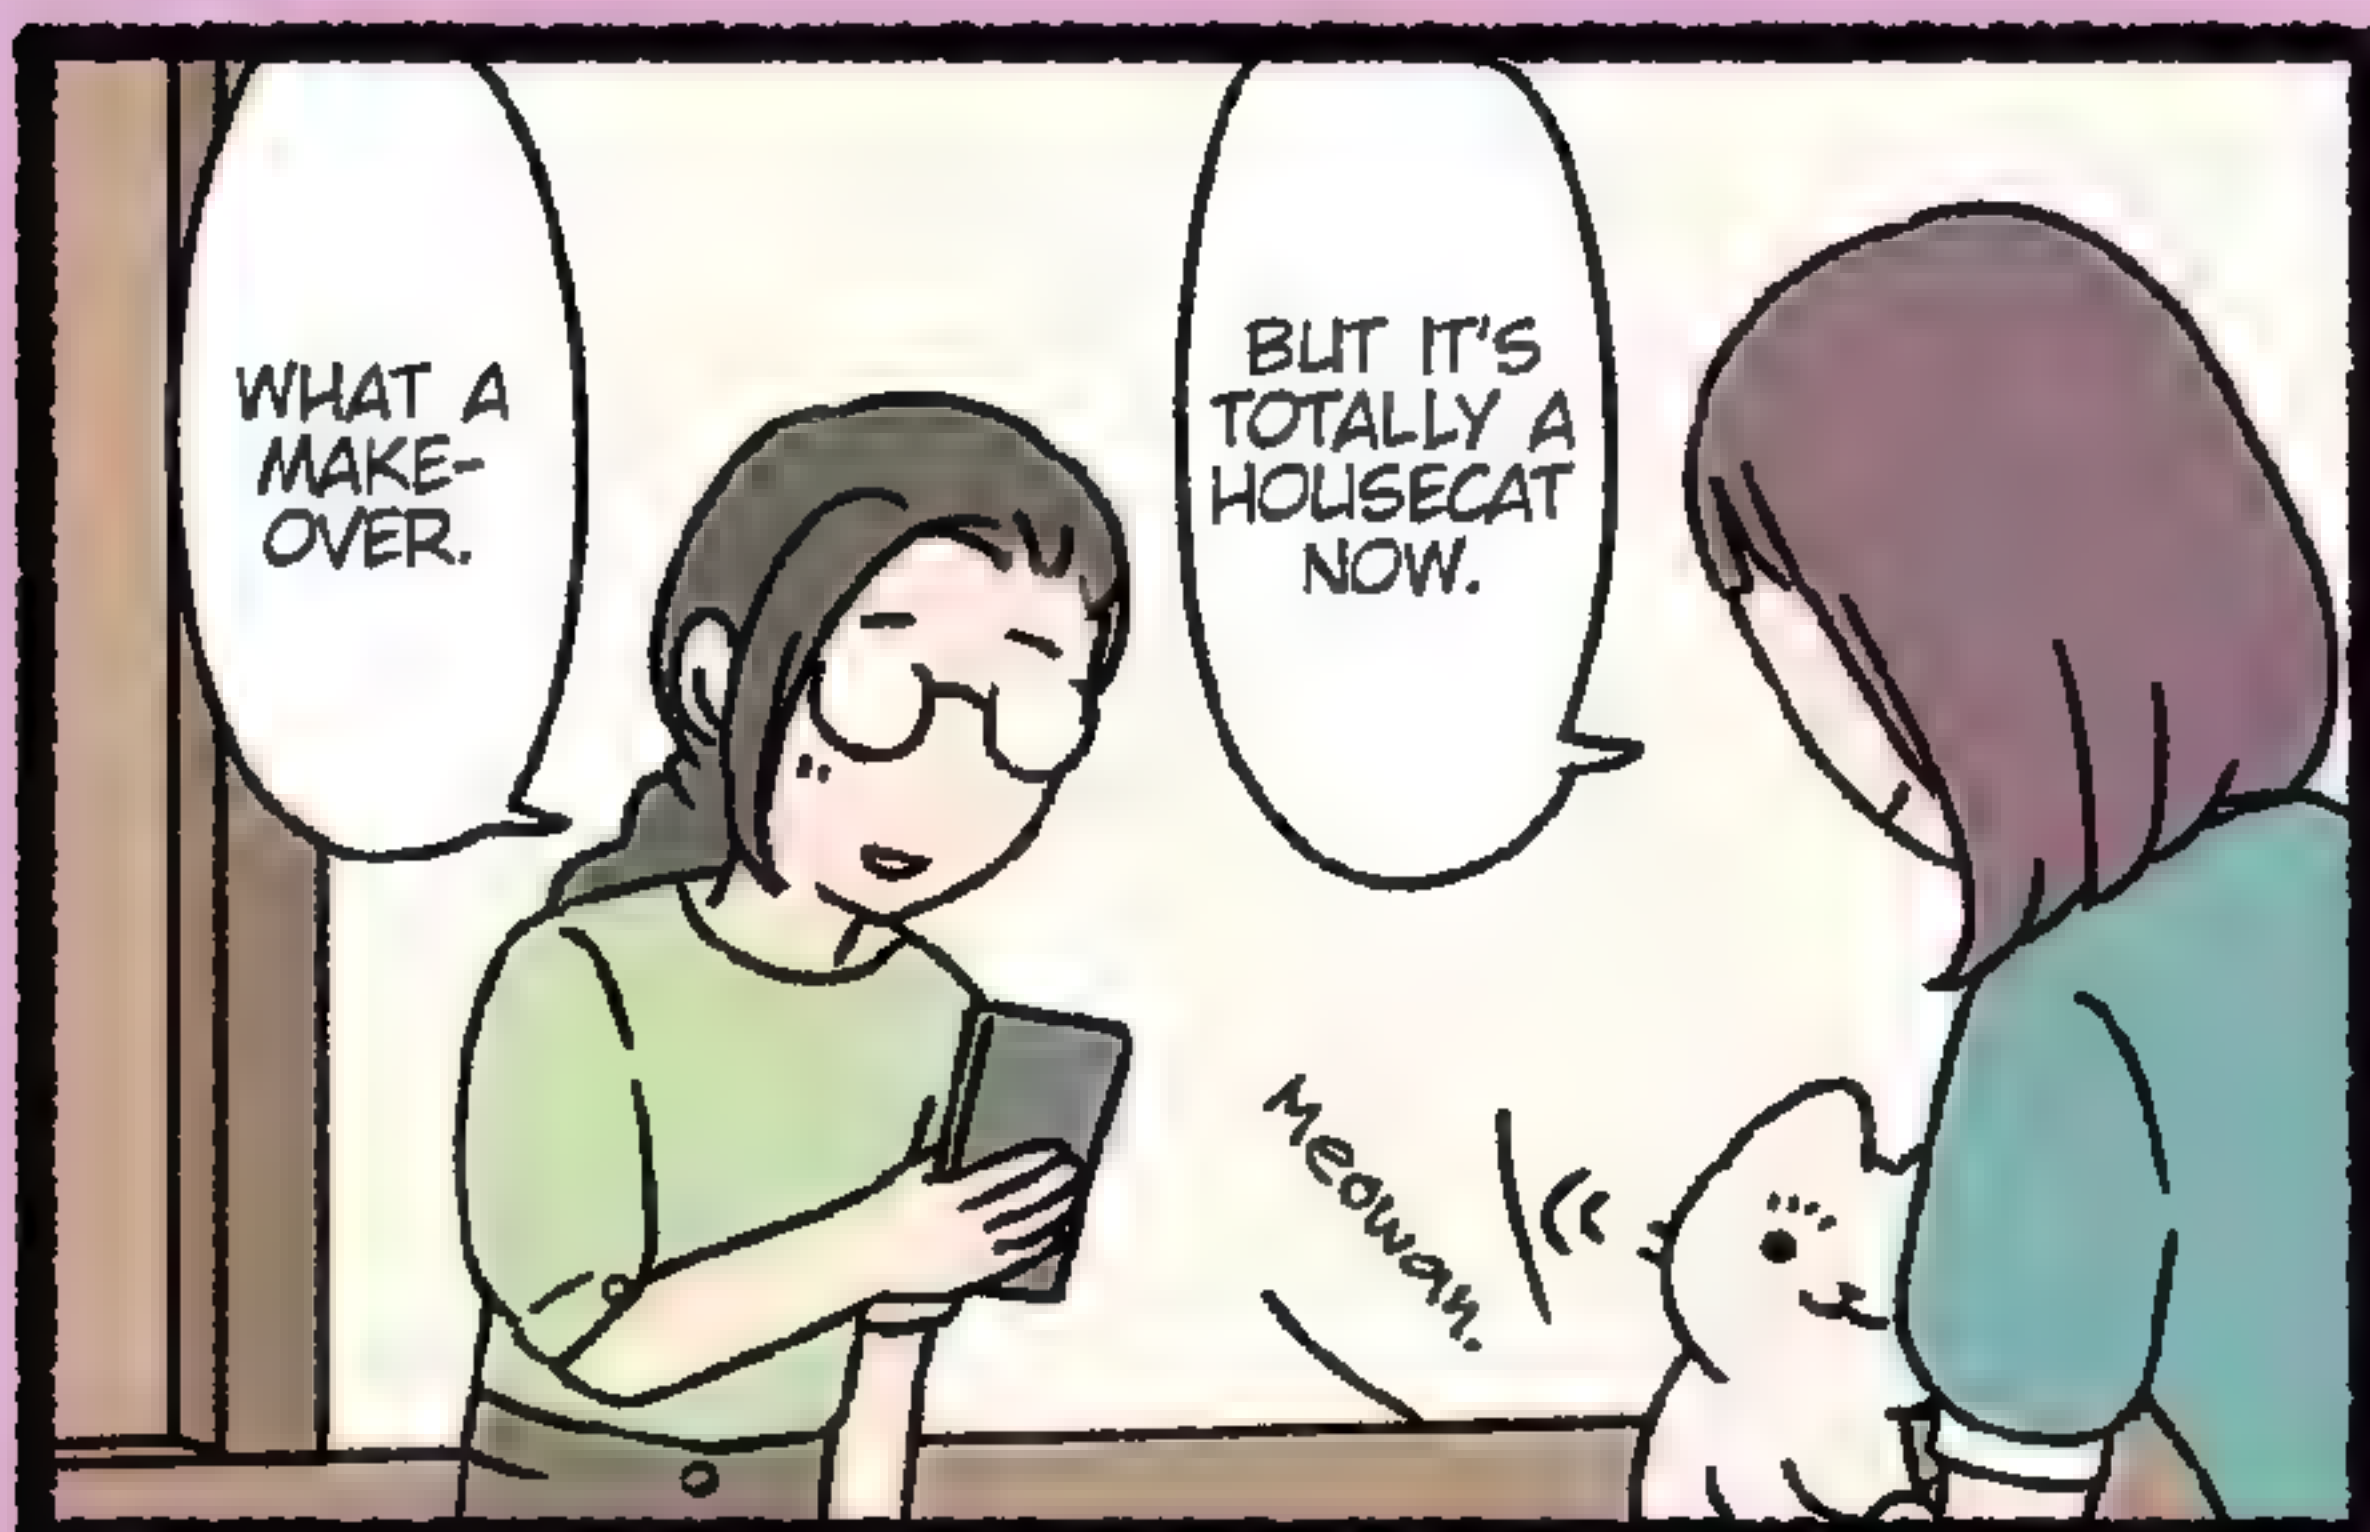

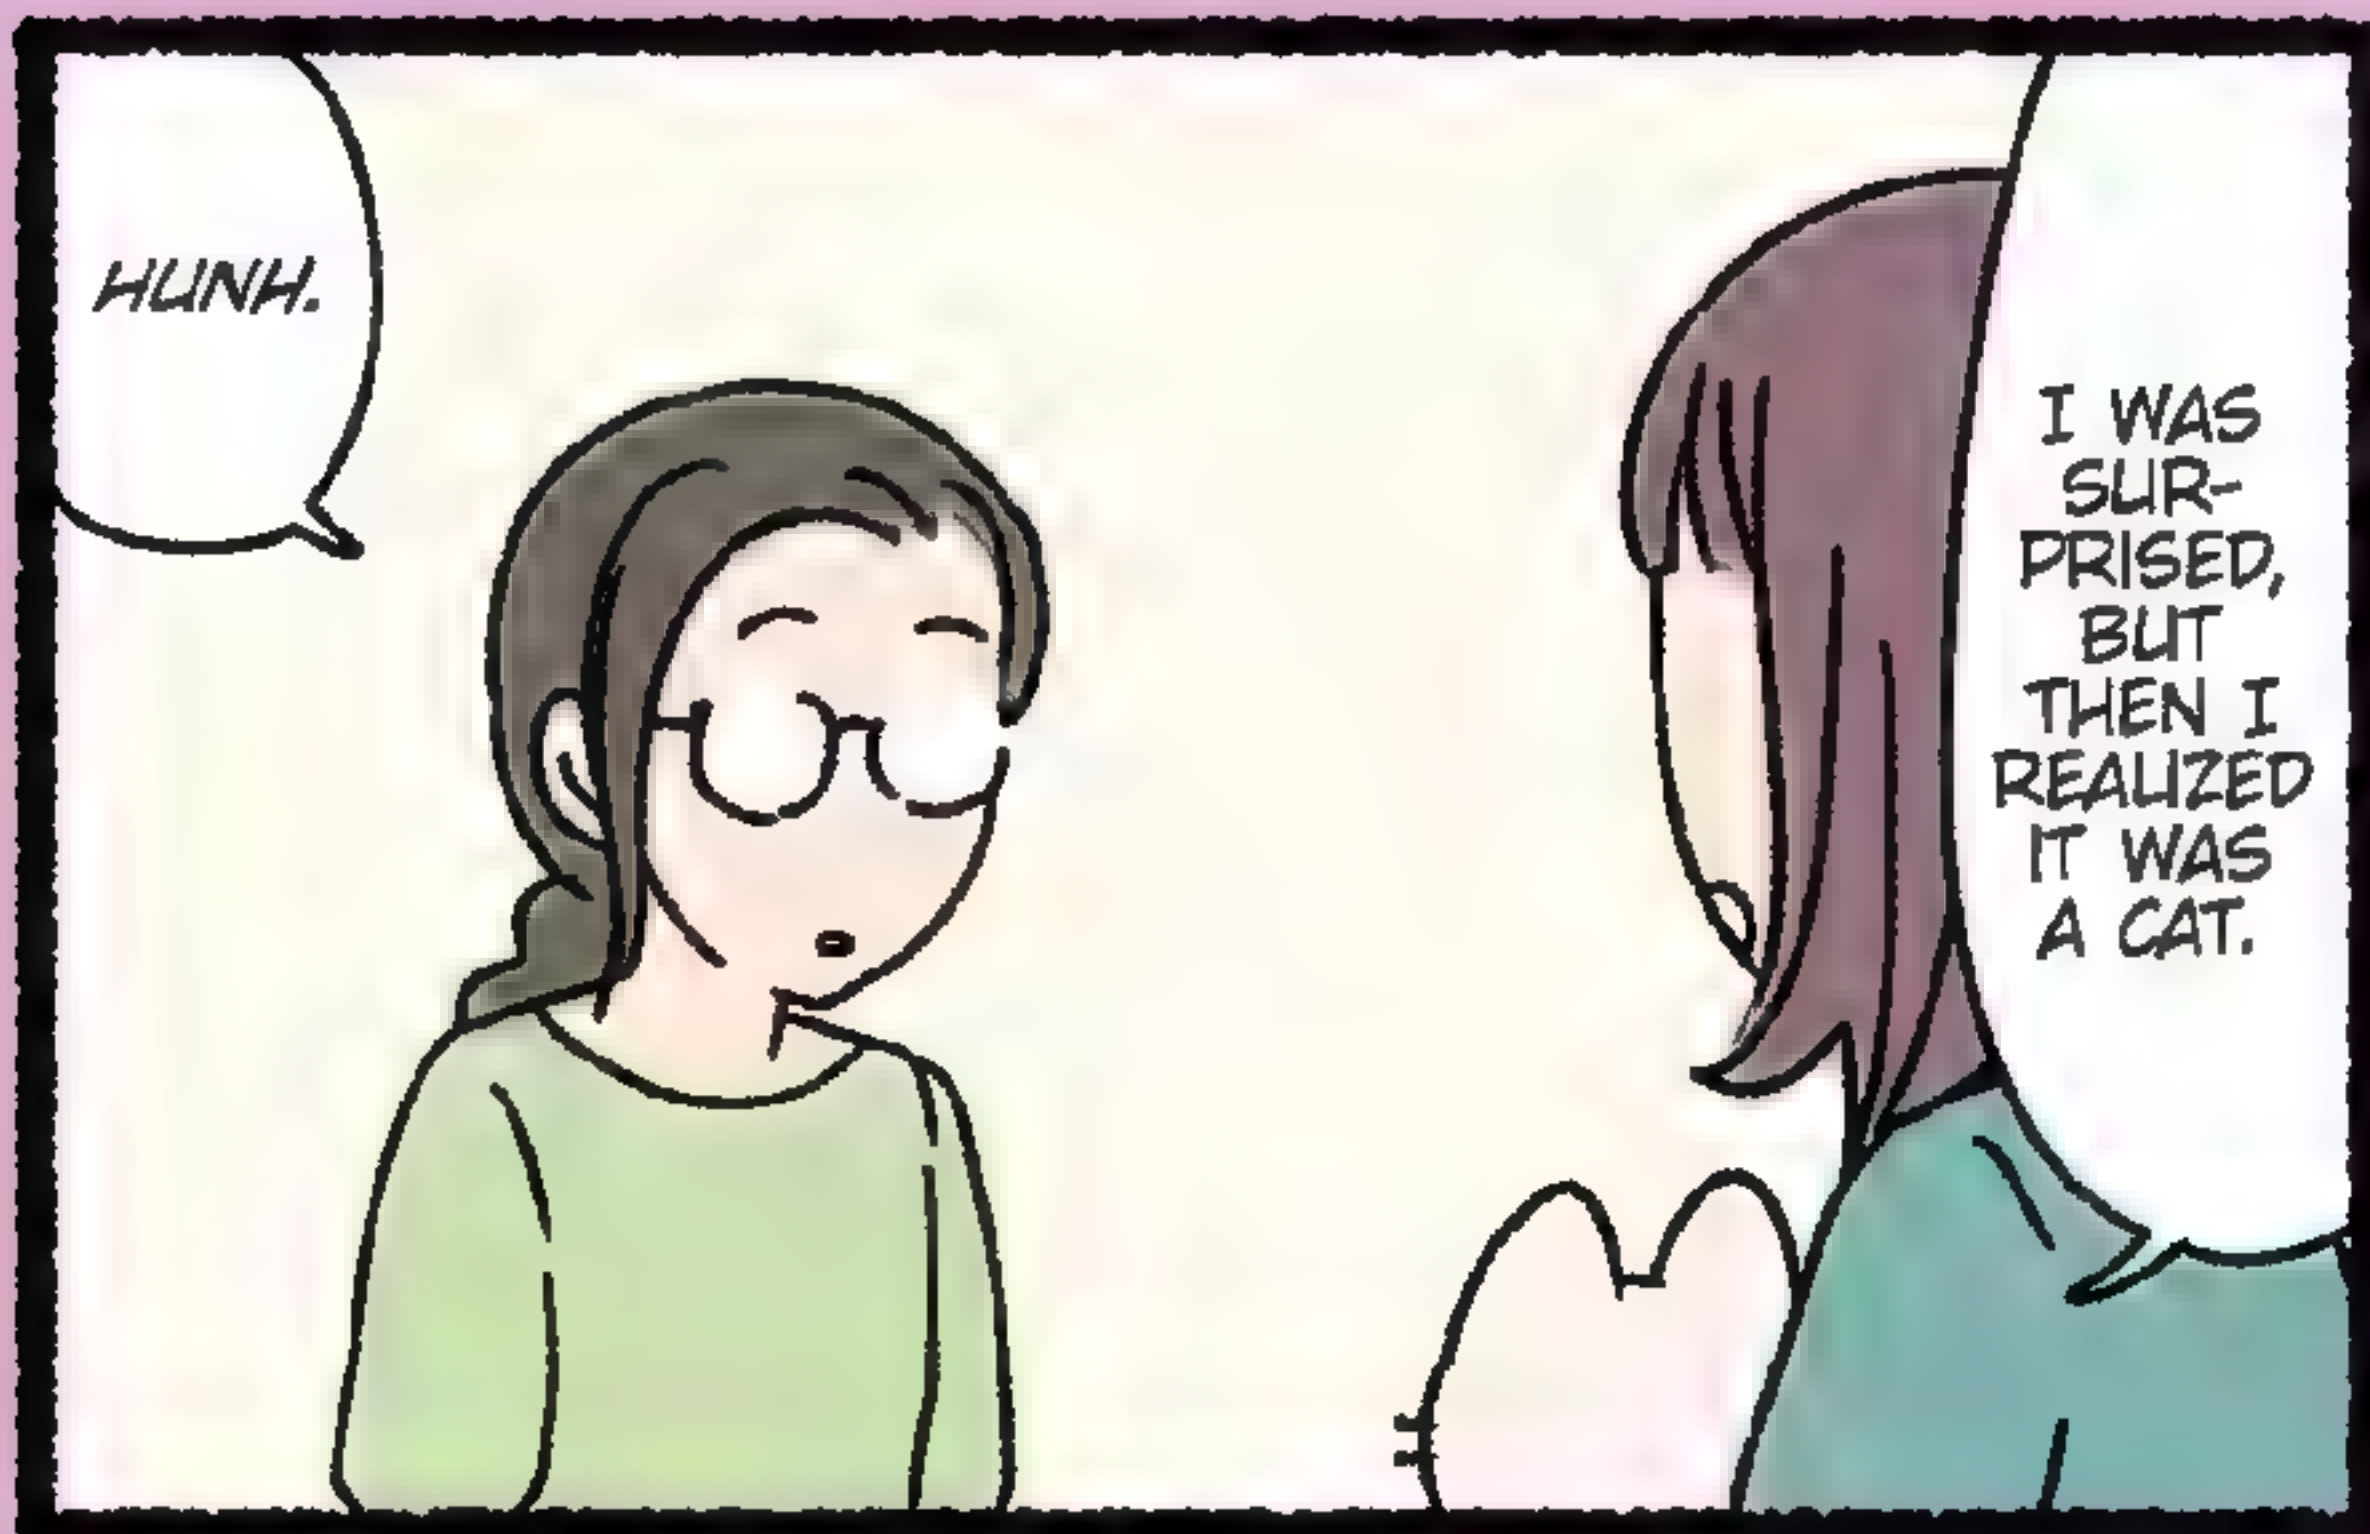

Mind Reader

Can read
people's
minds but isn't
very good at
communicating
its own
feelings.

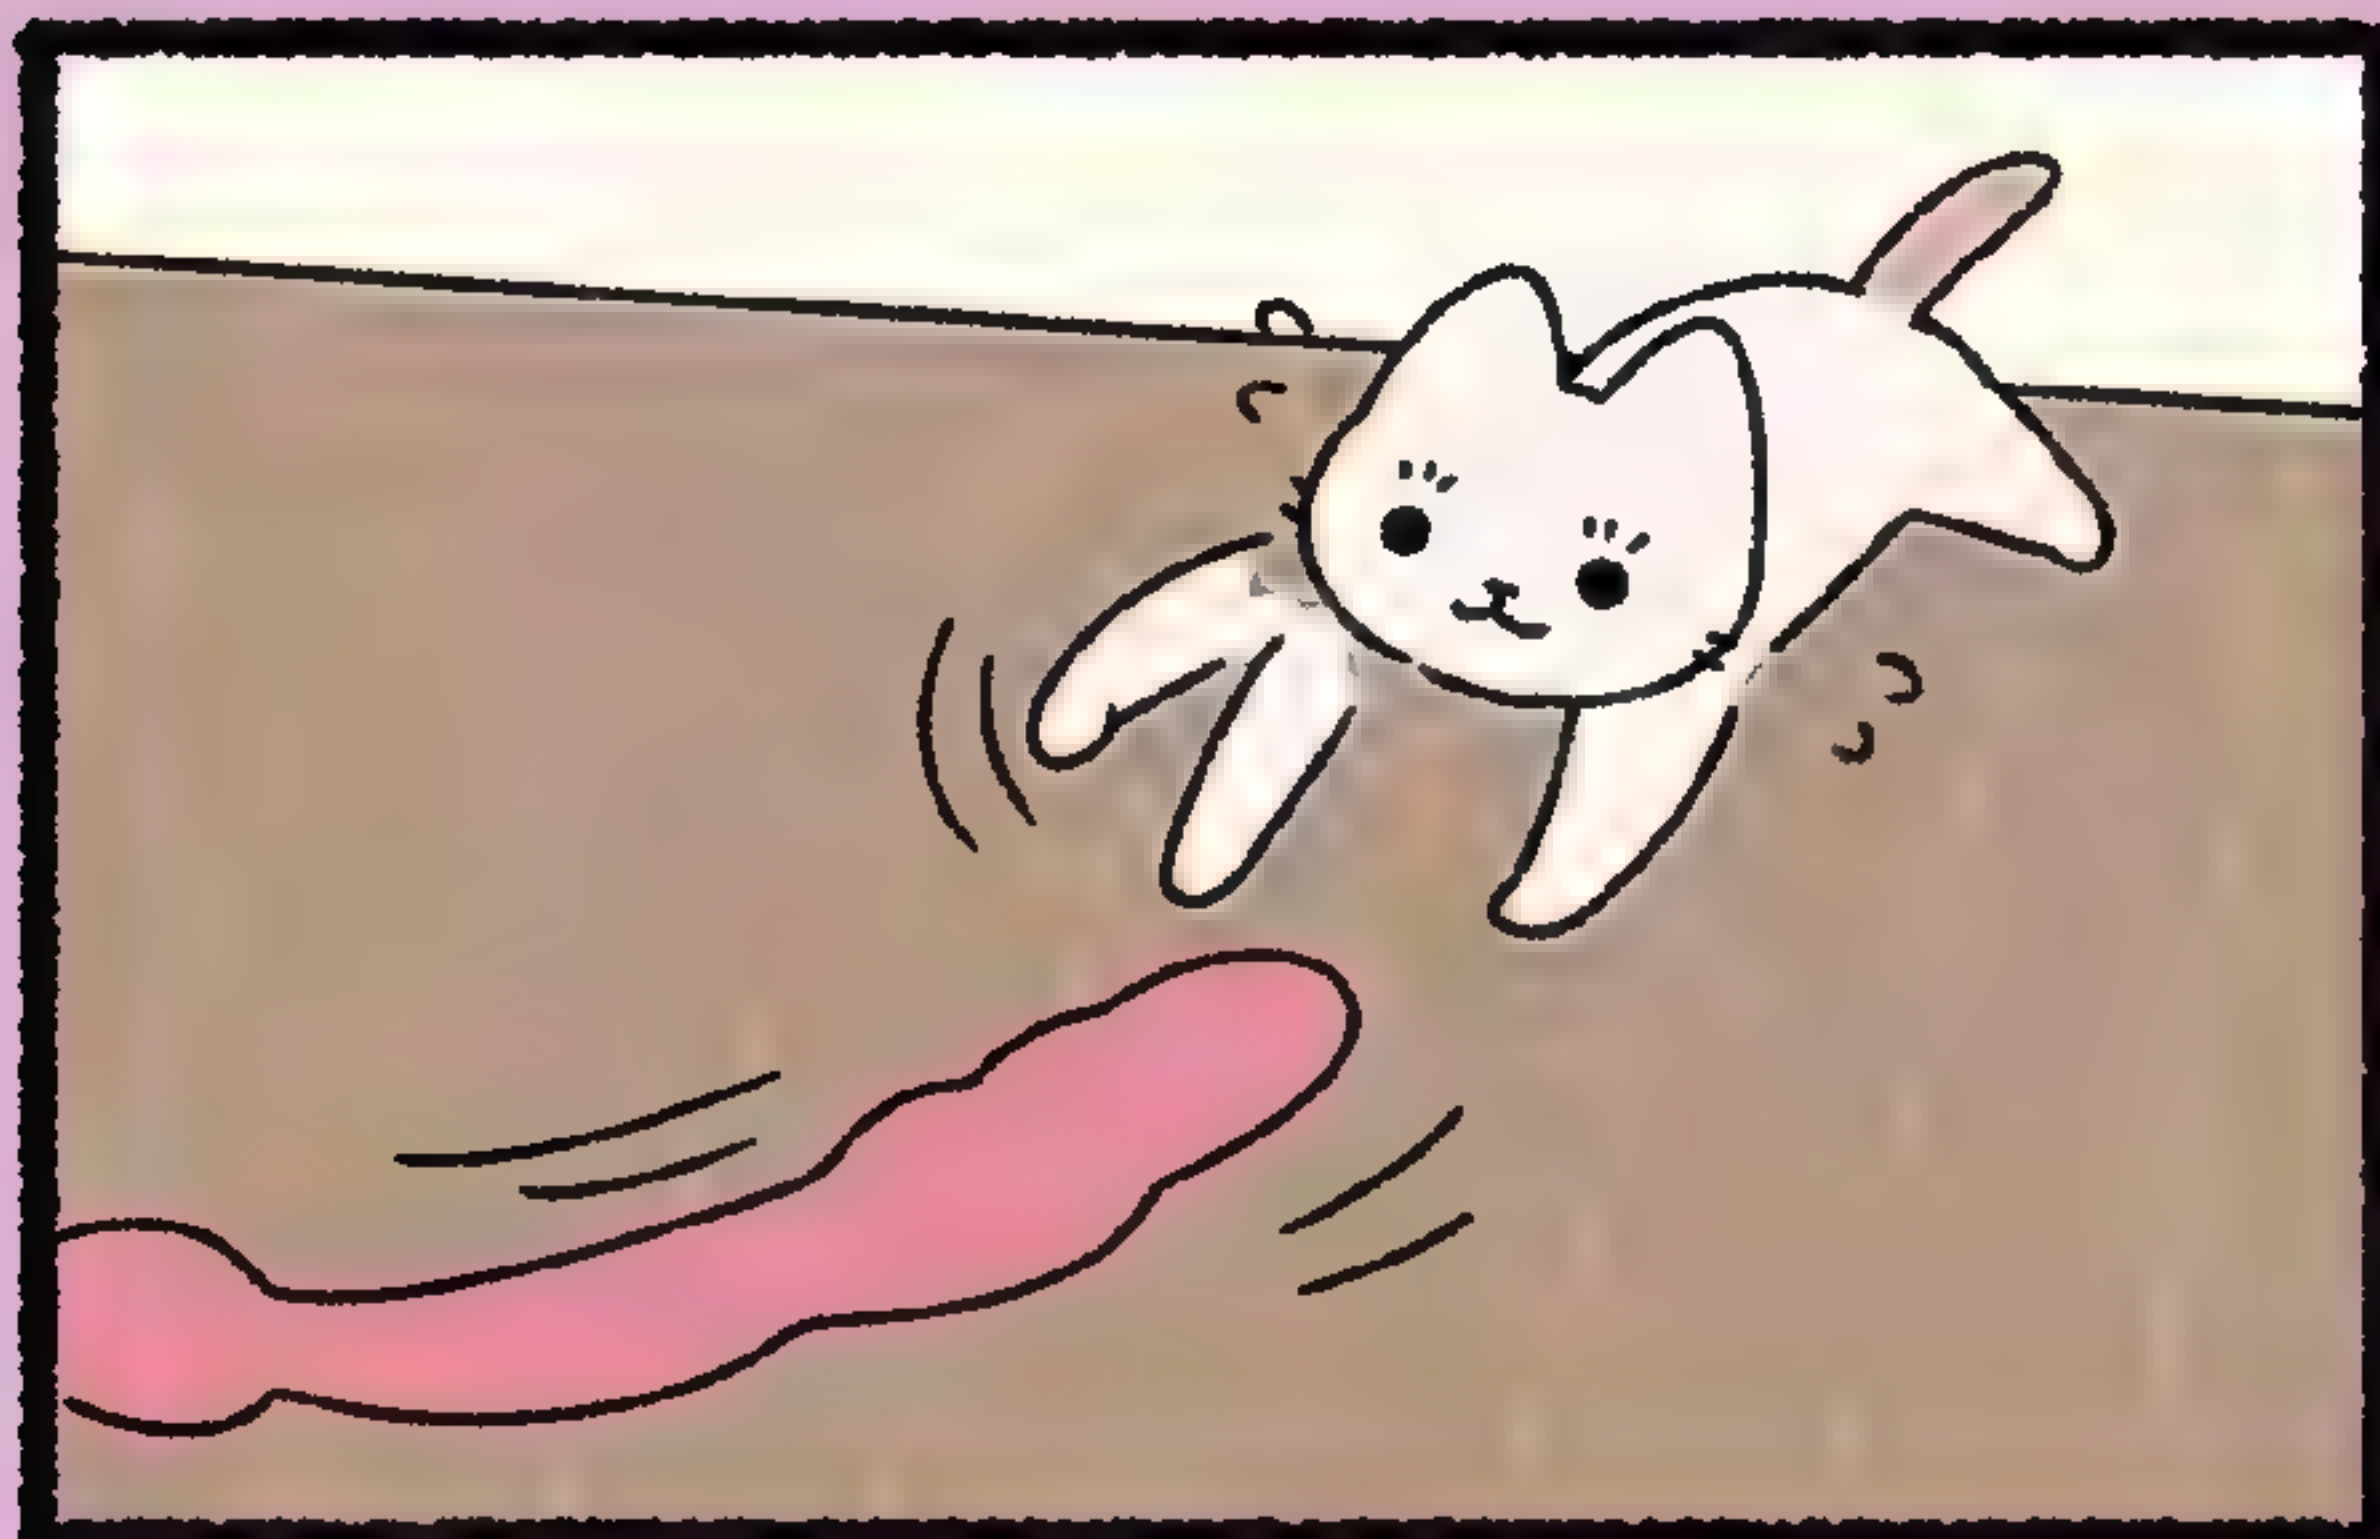

Uwan

Likes
frightening
people but
gets startled
if you shout
“Uwan”
back at it.

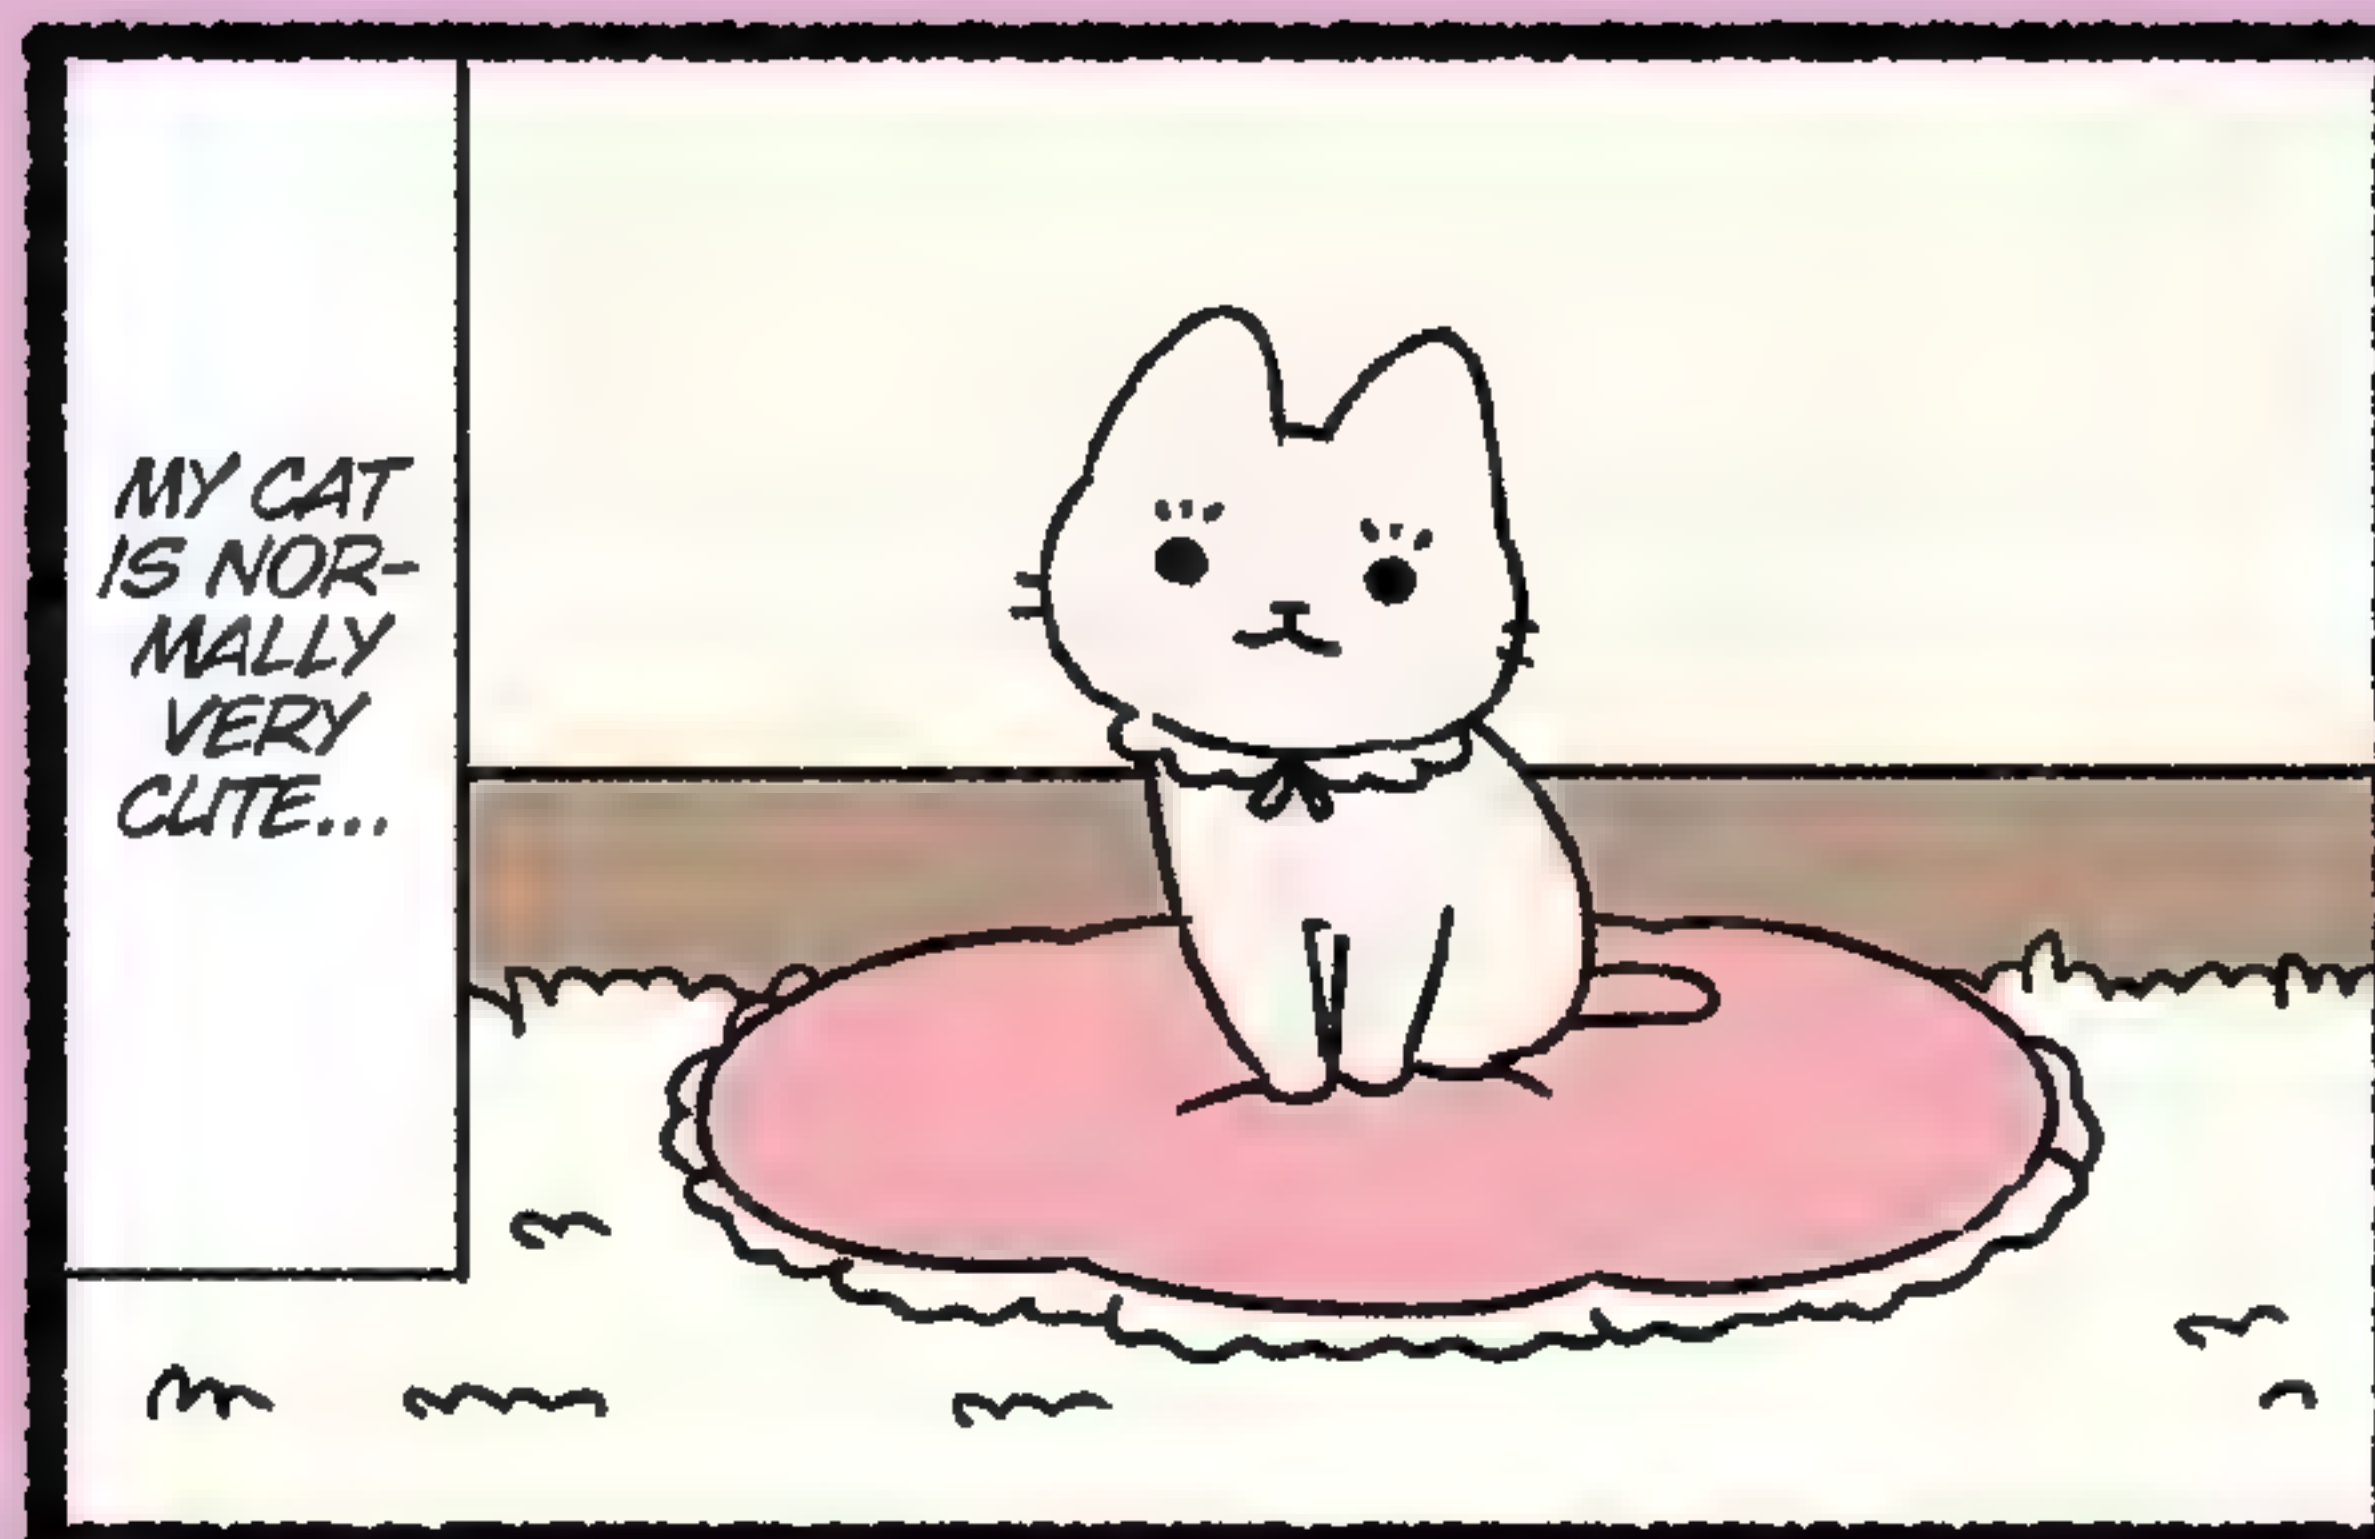

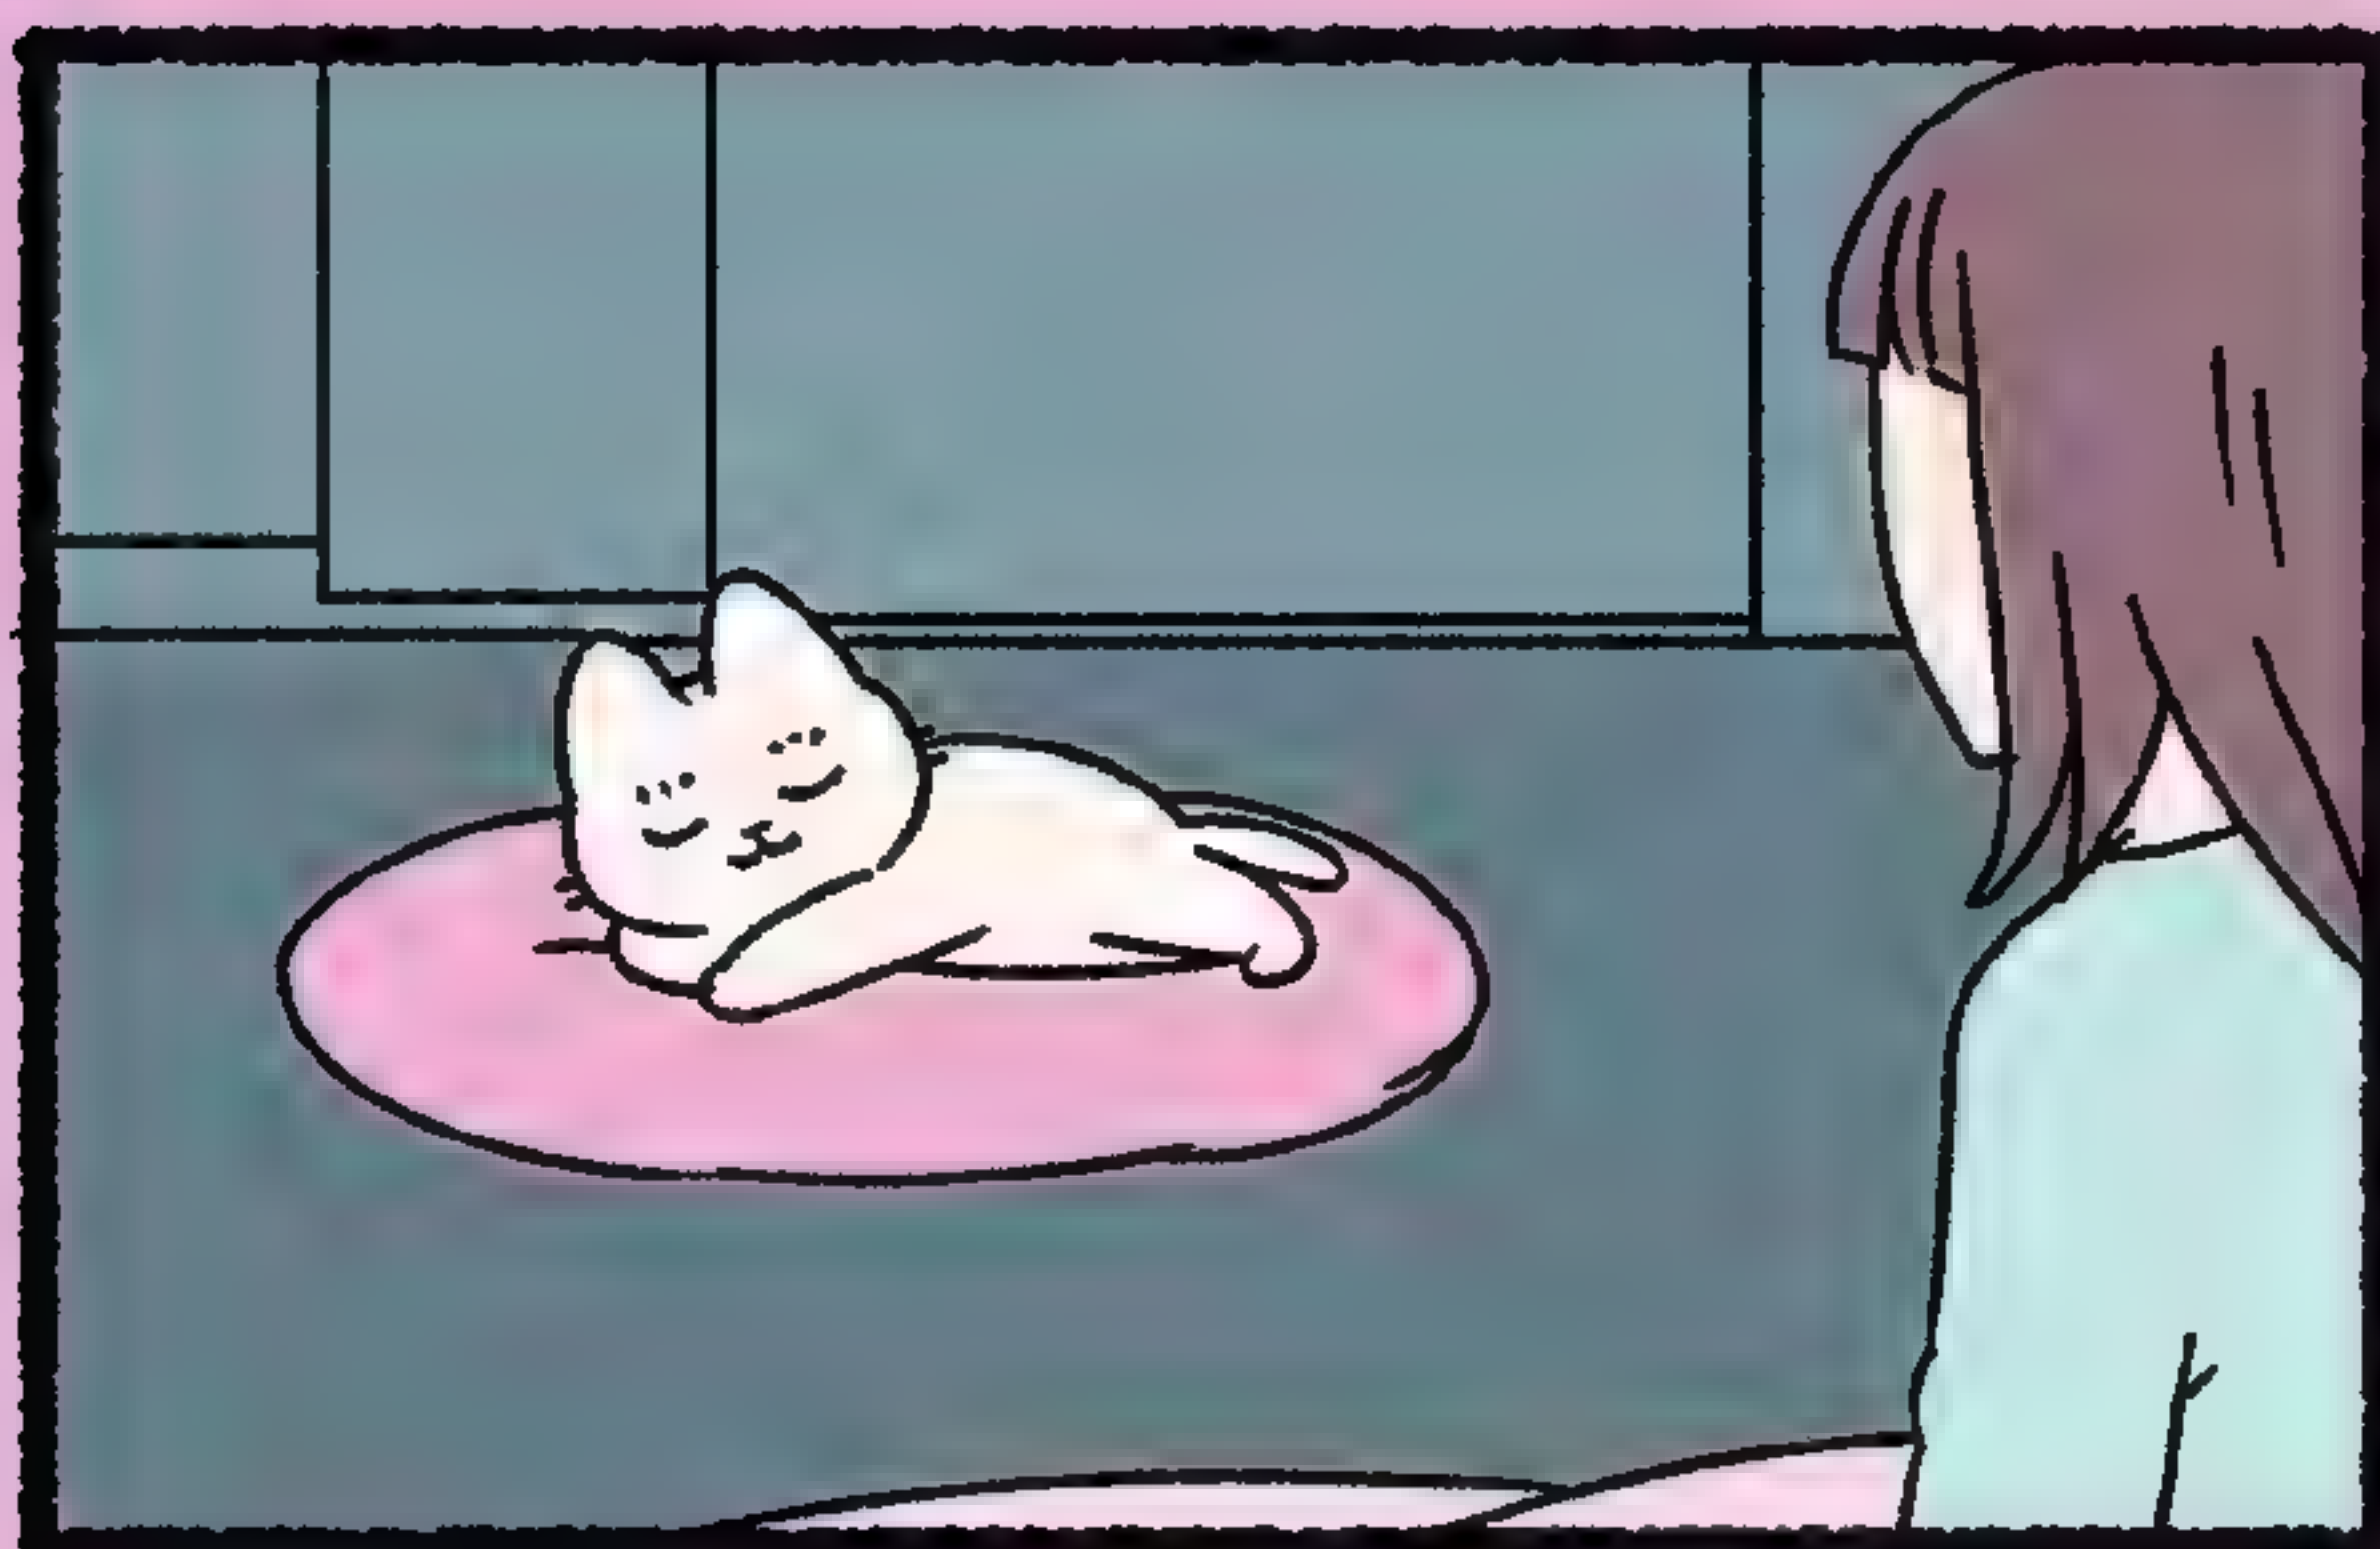

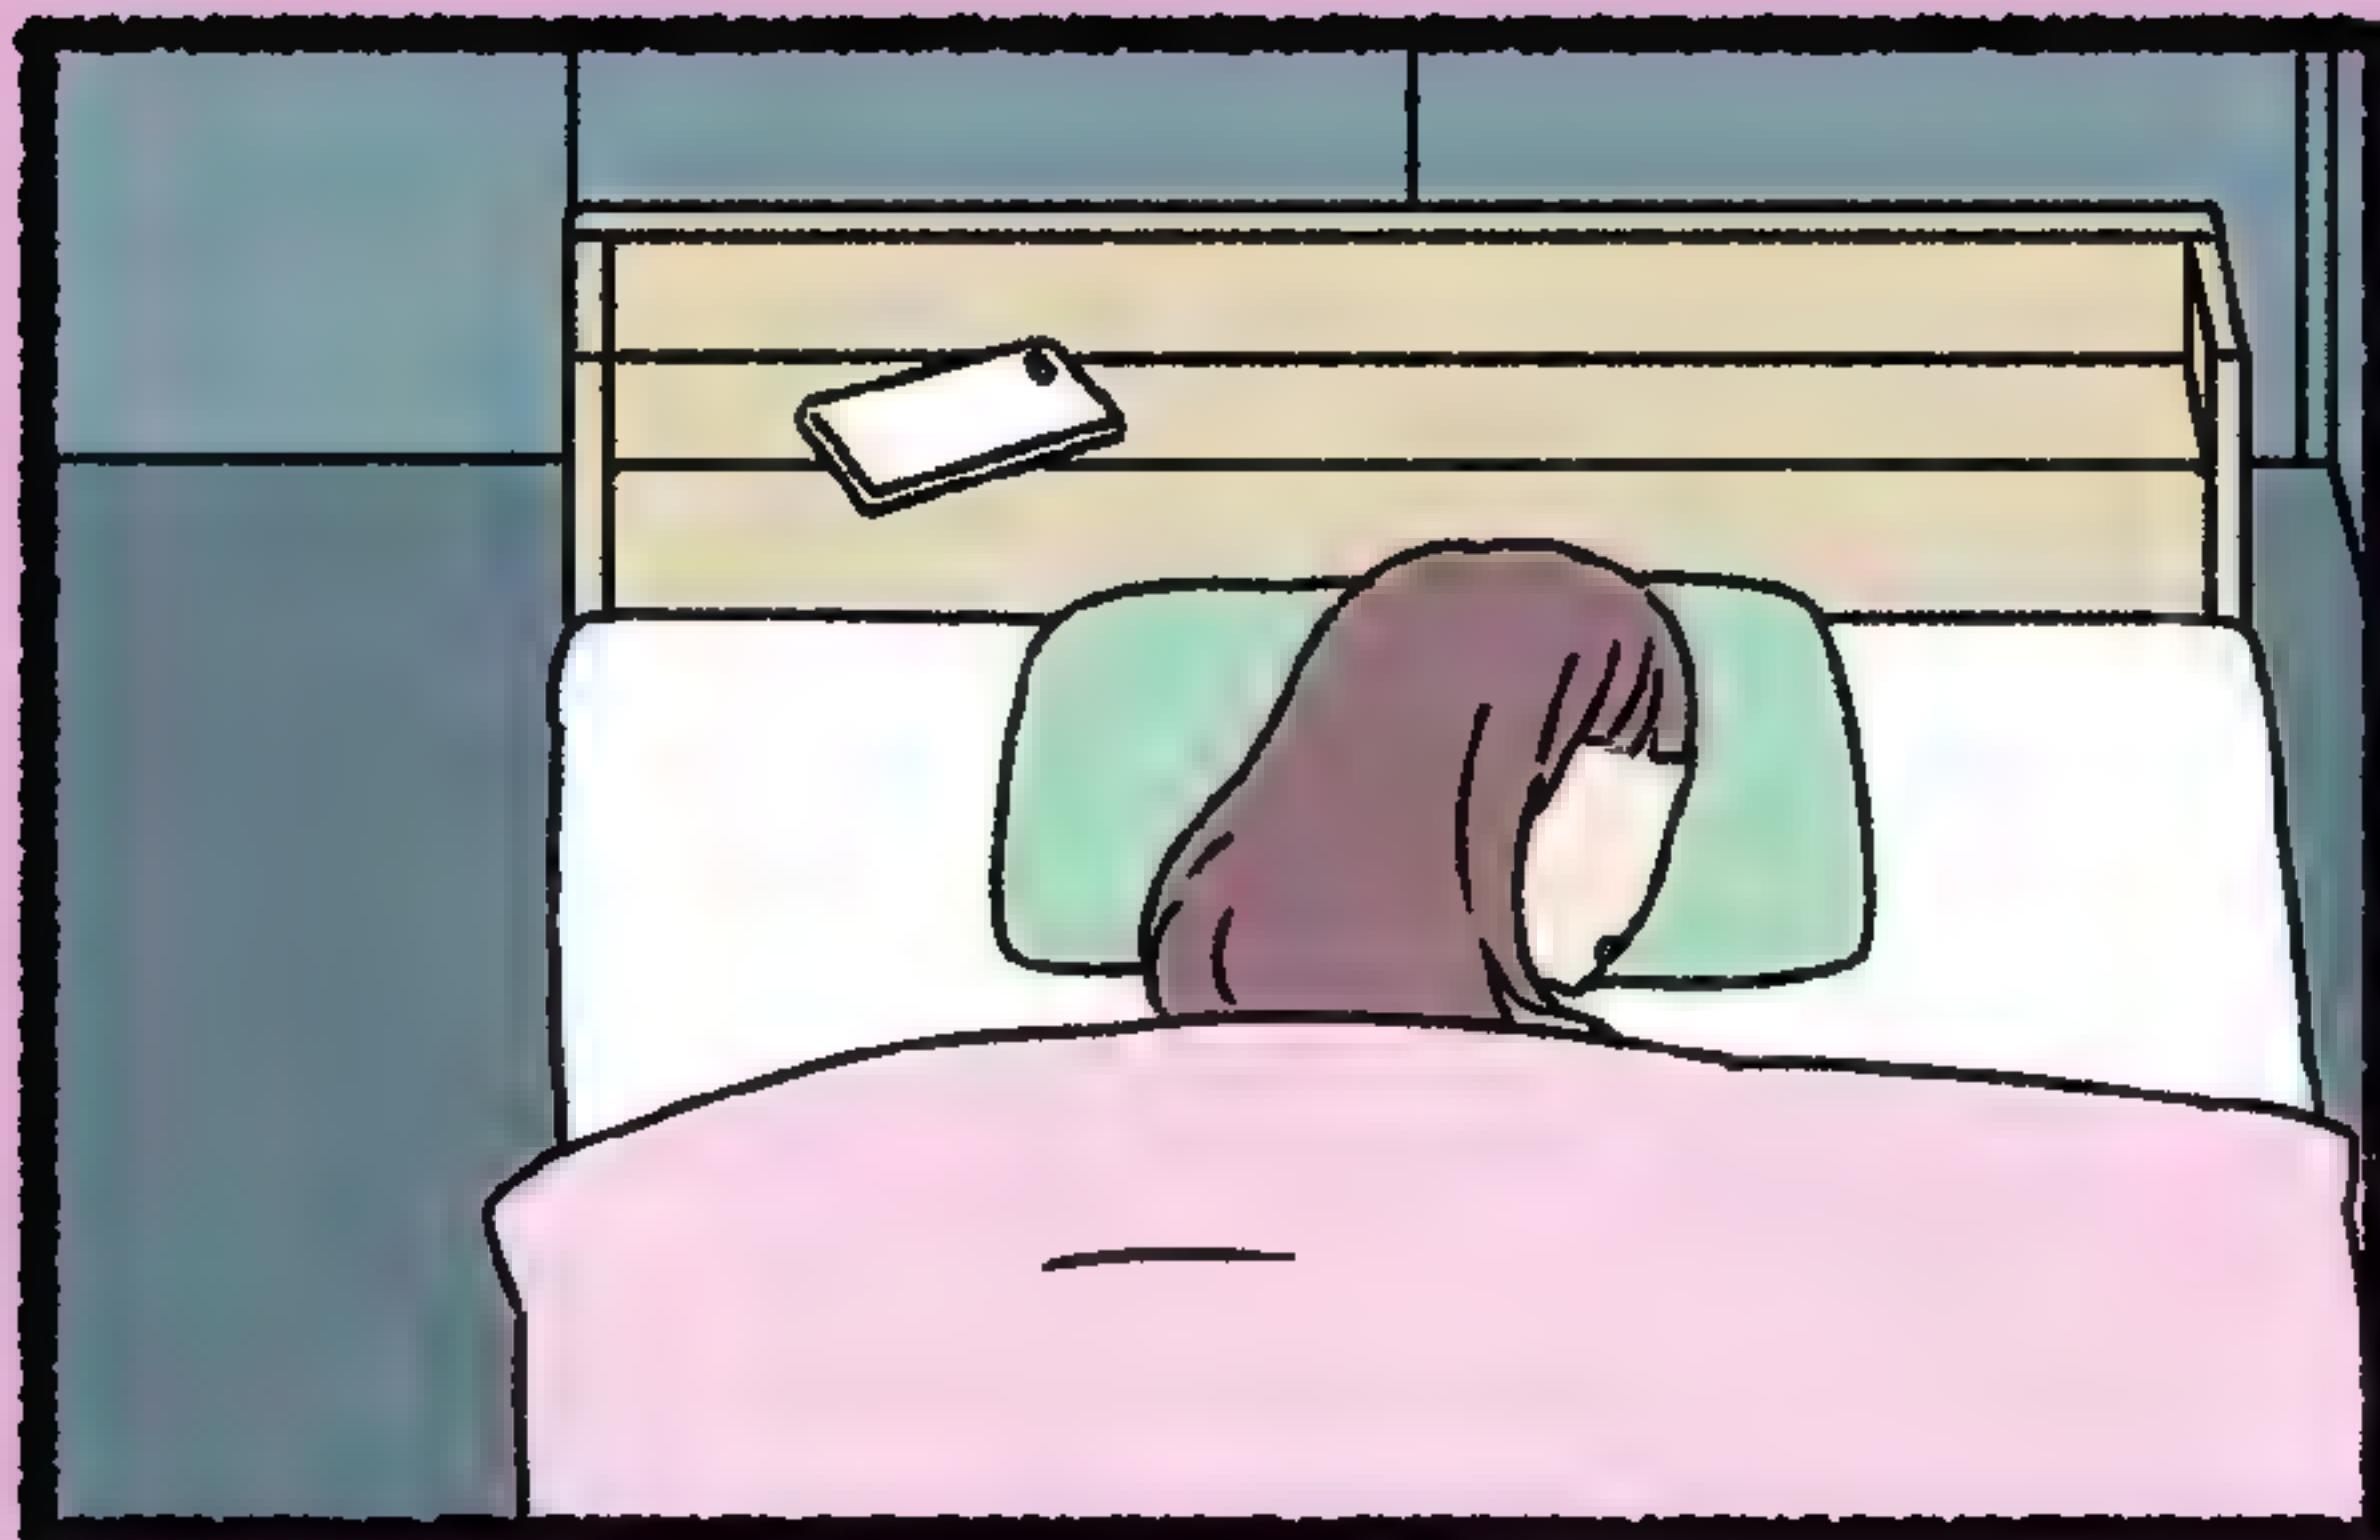

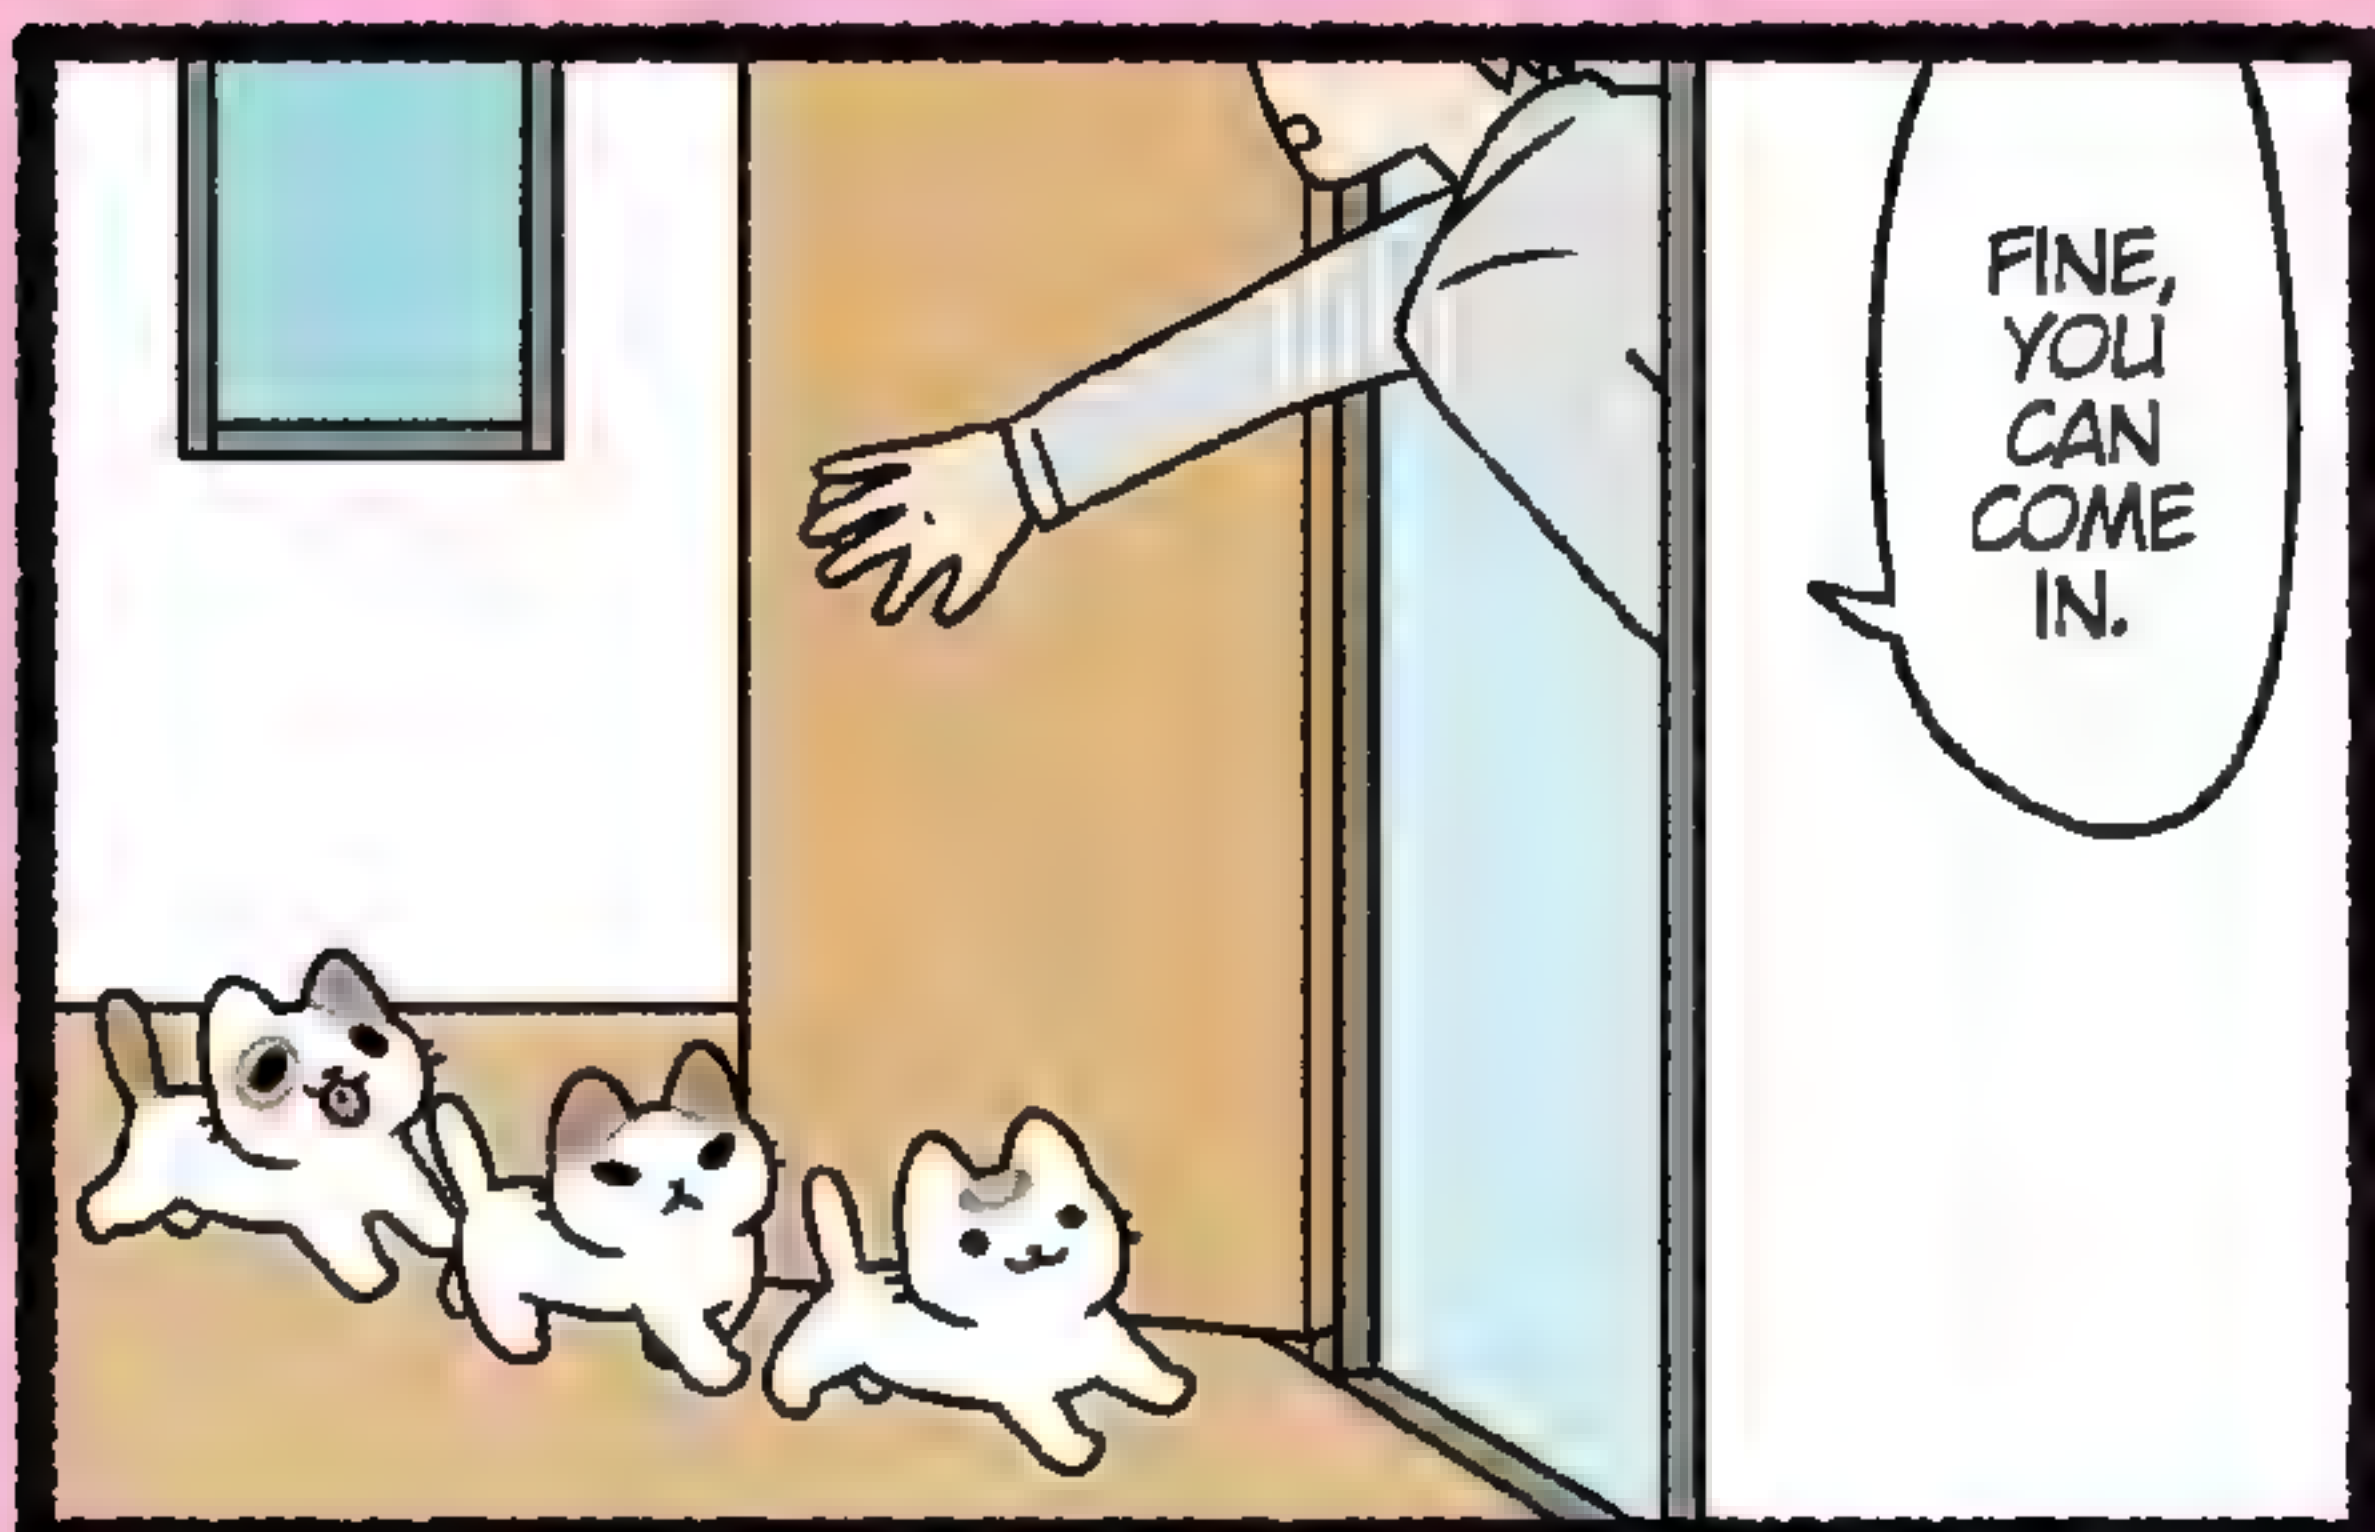

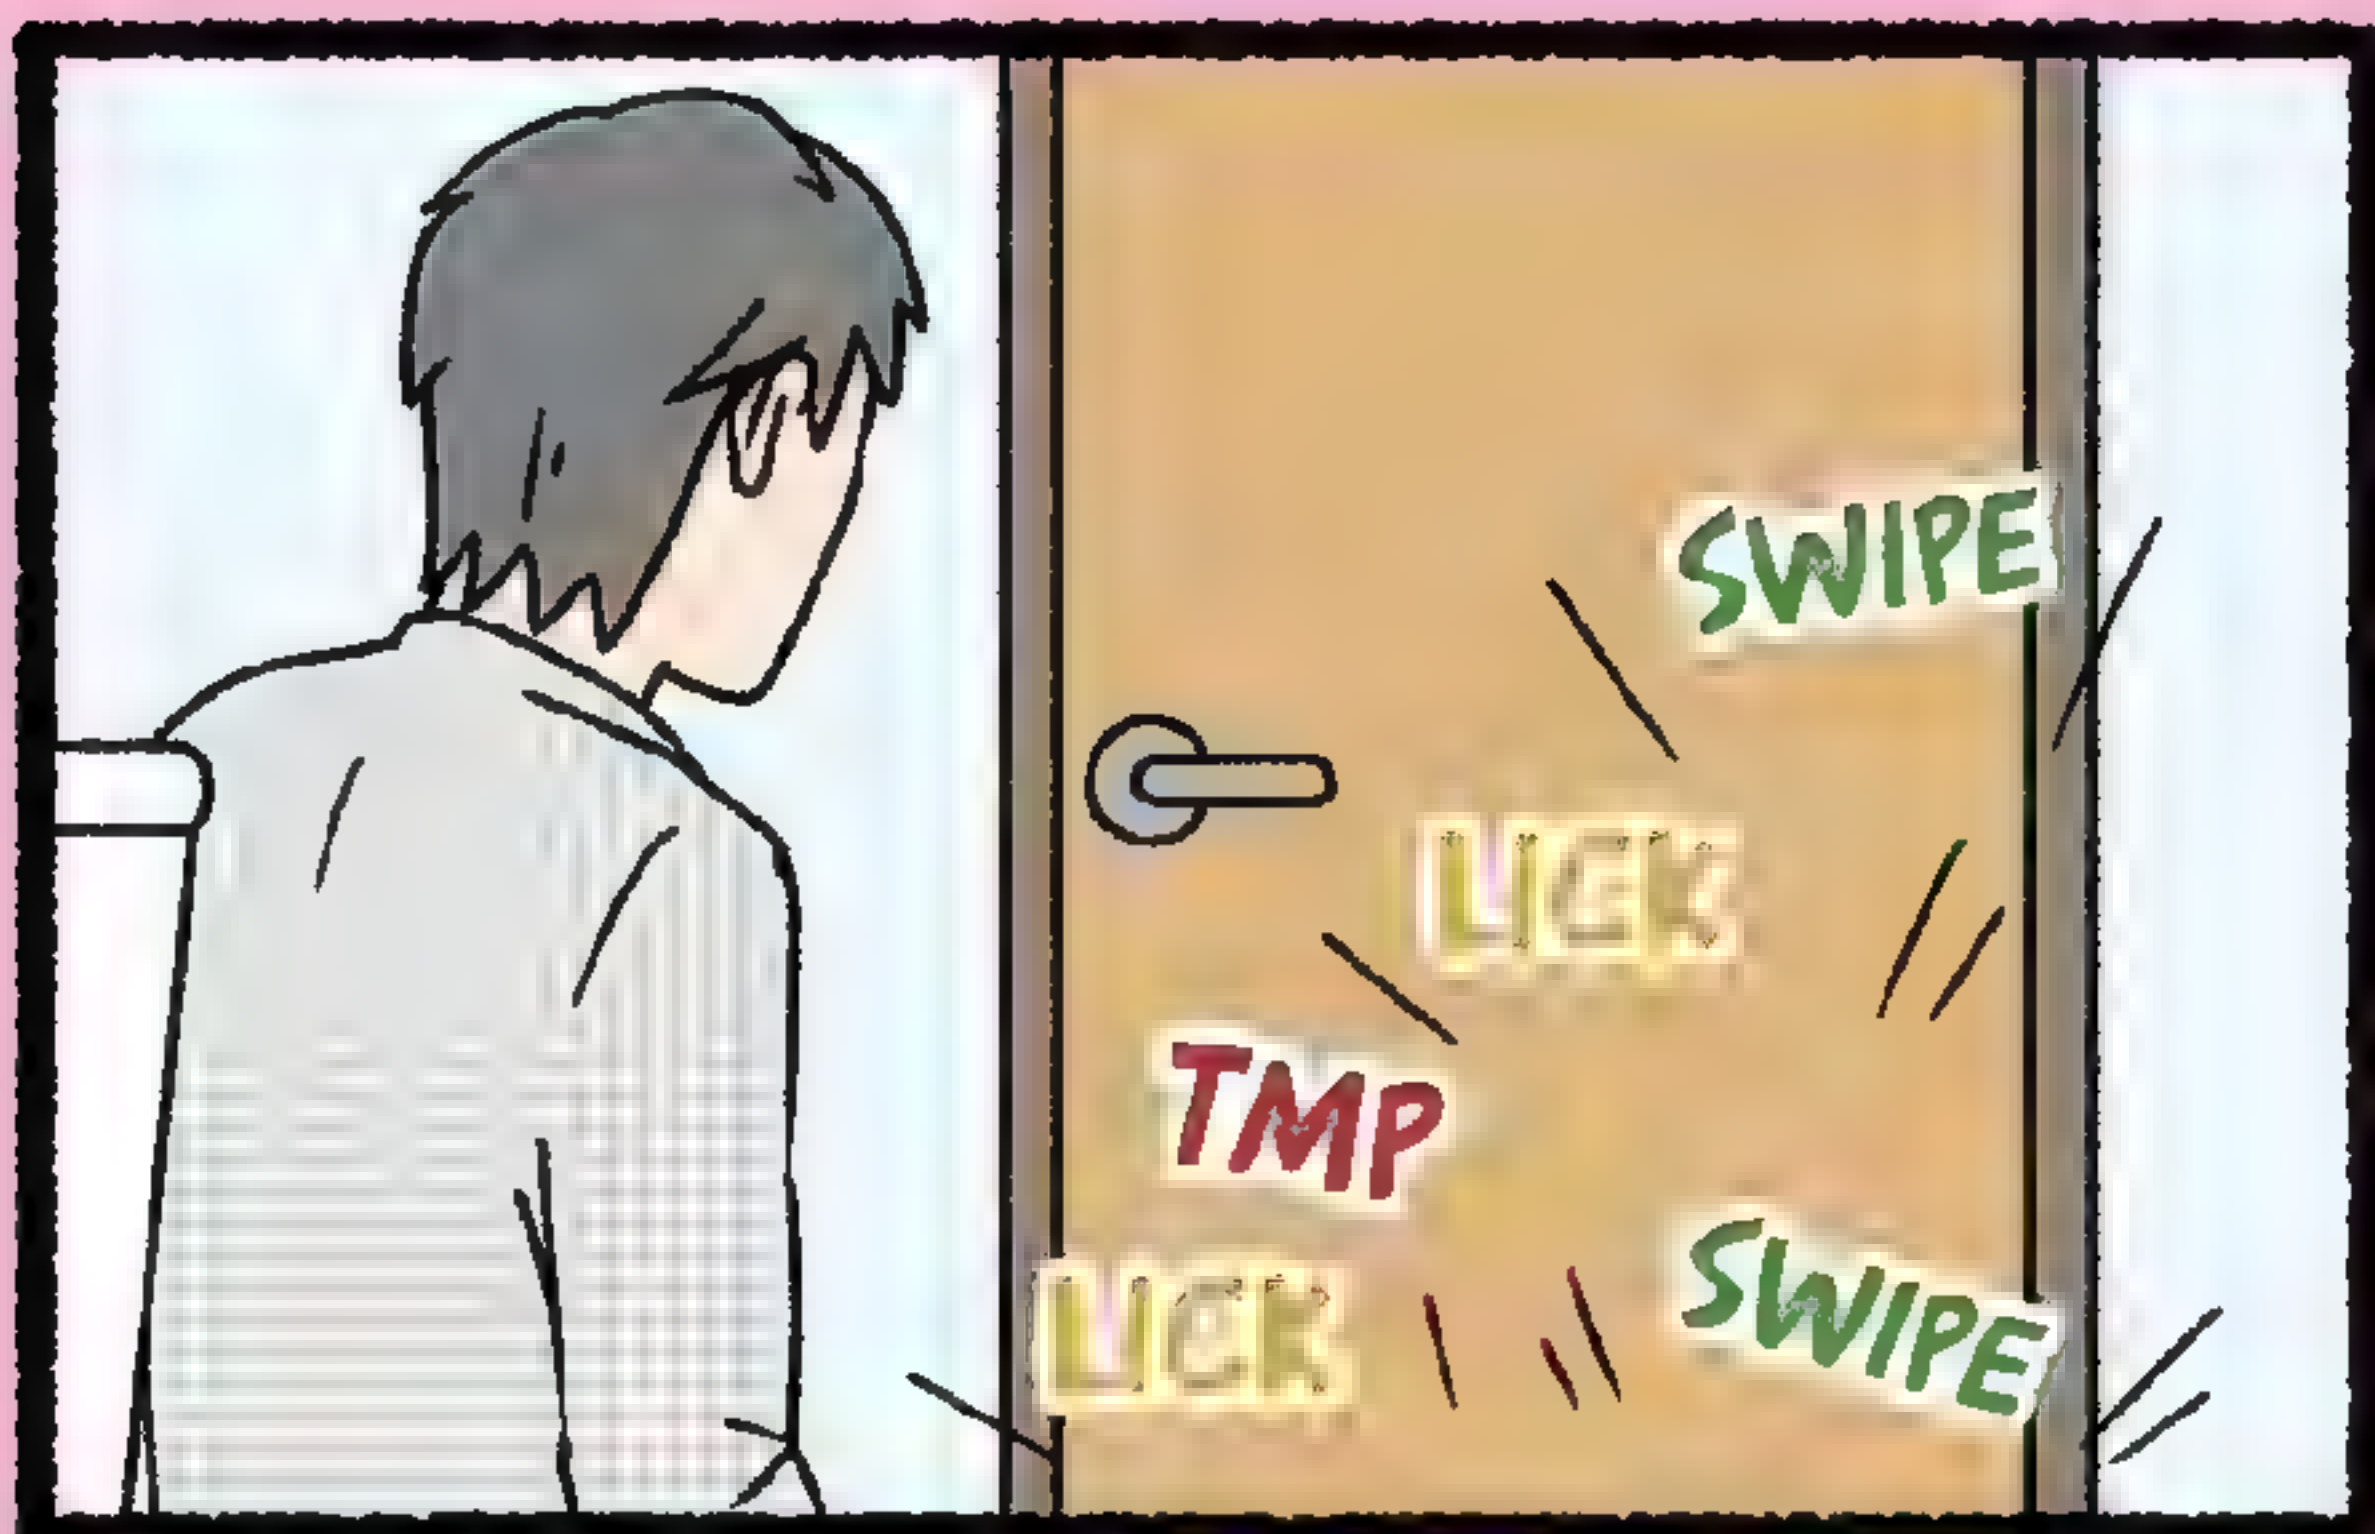

LIWAN!

IT
TURNED
BACK
INTO A
WILD CAT
FOR A
SECOND...

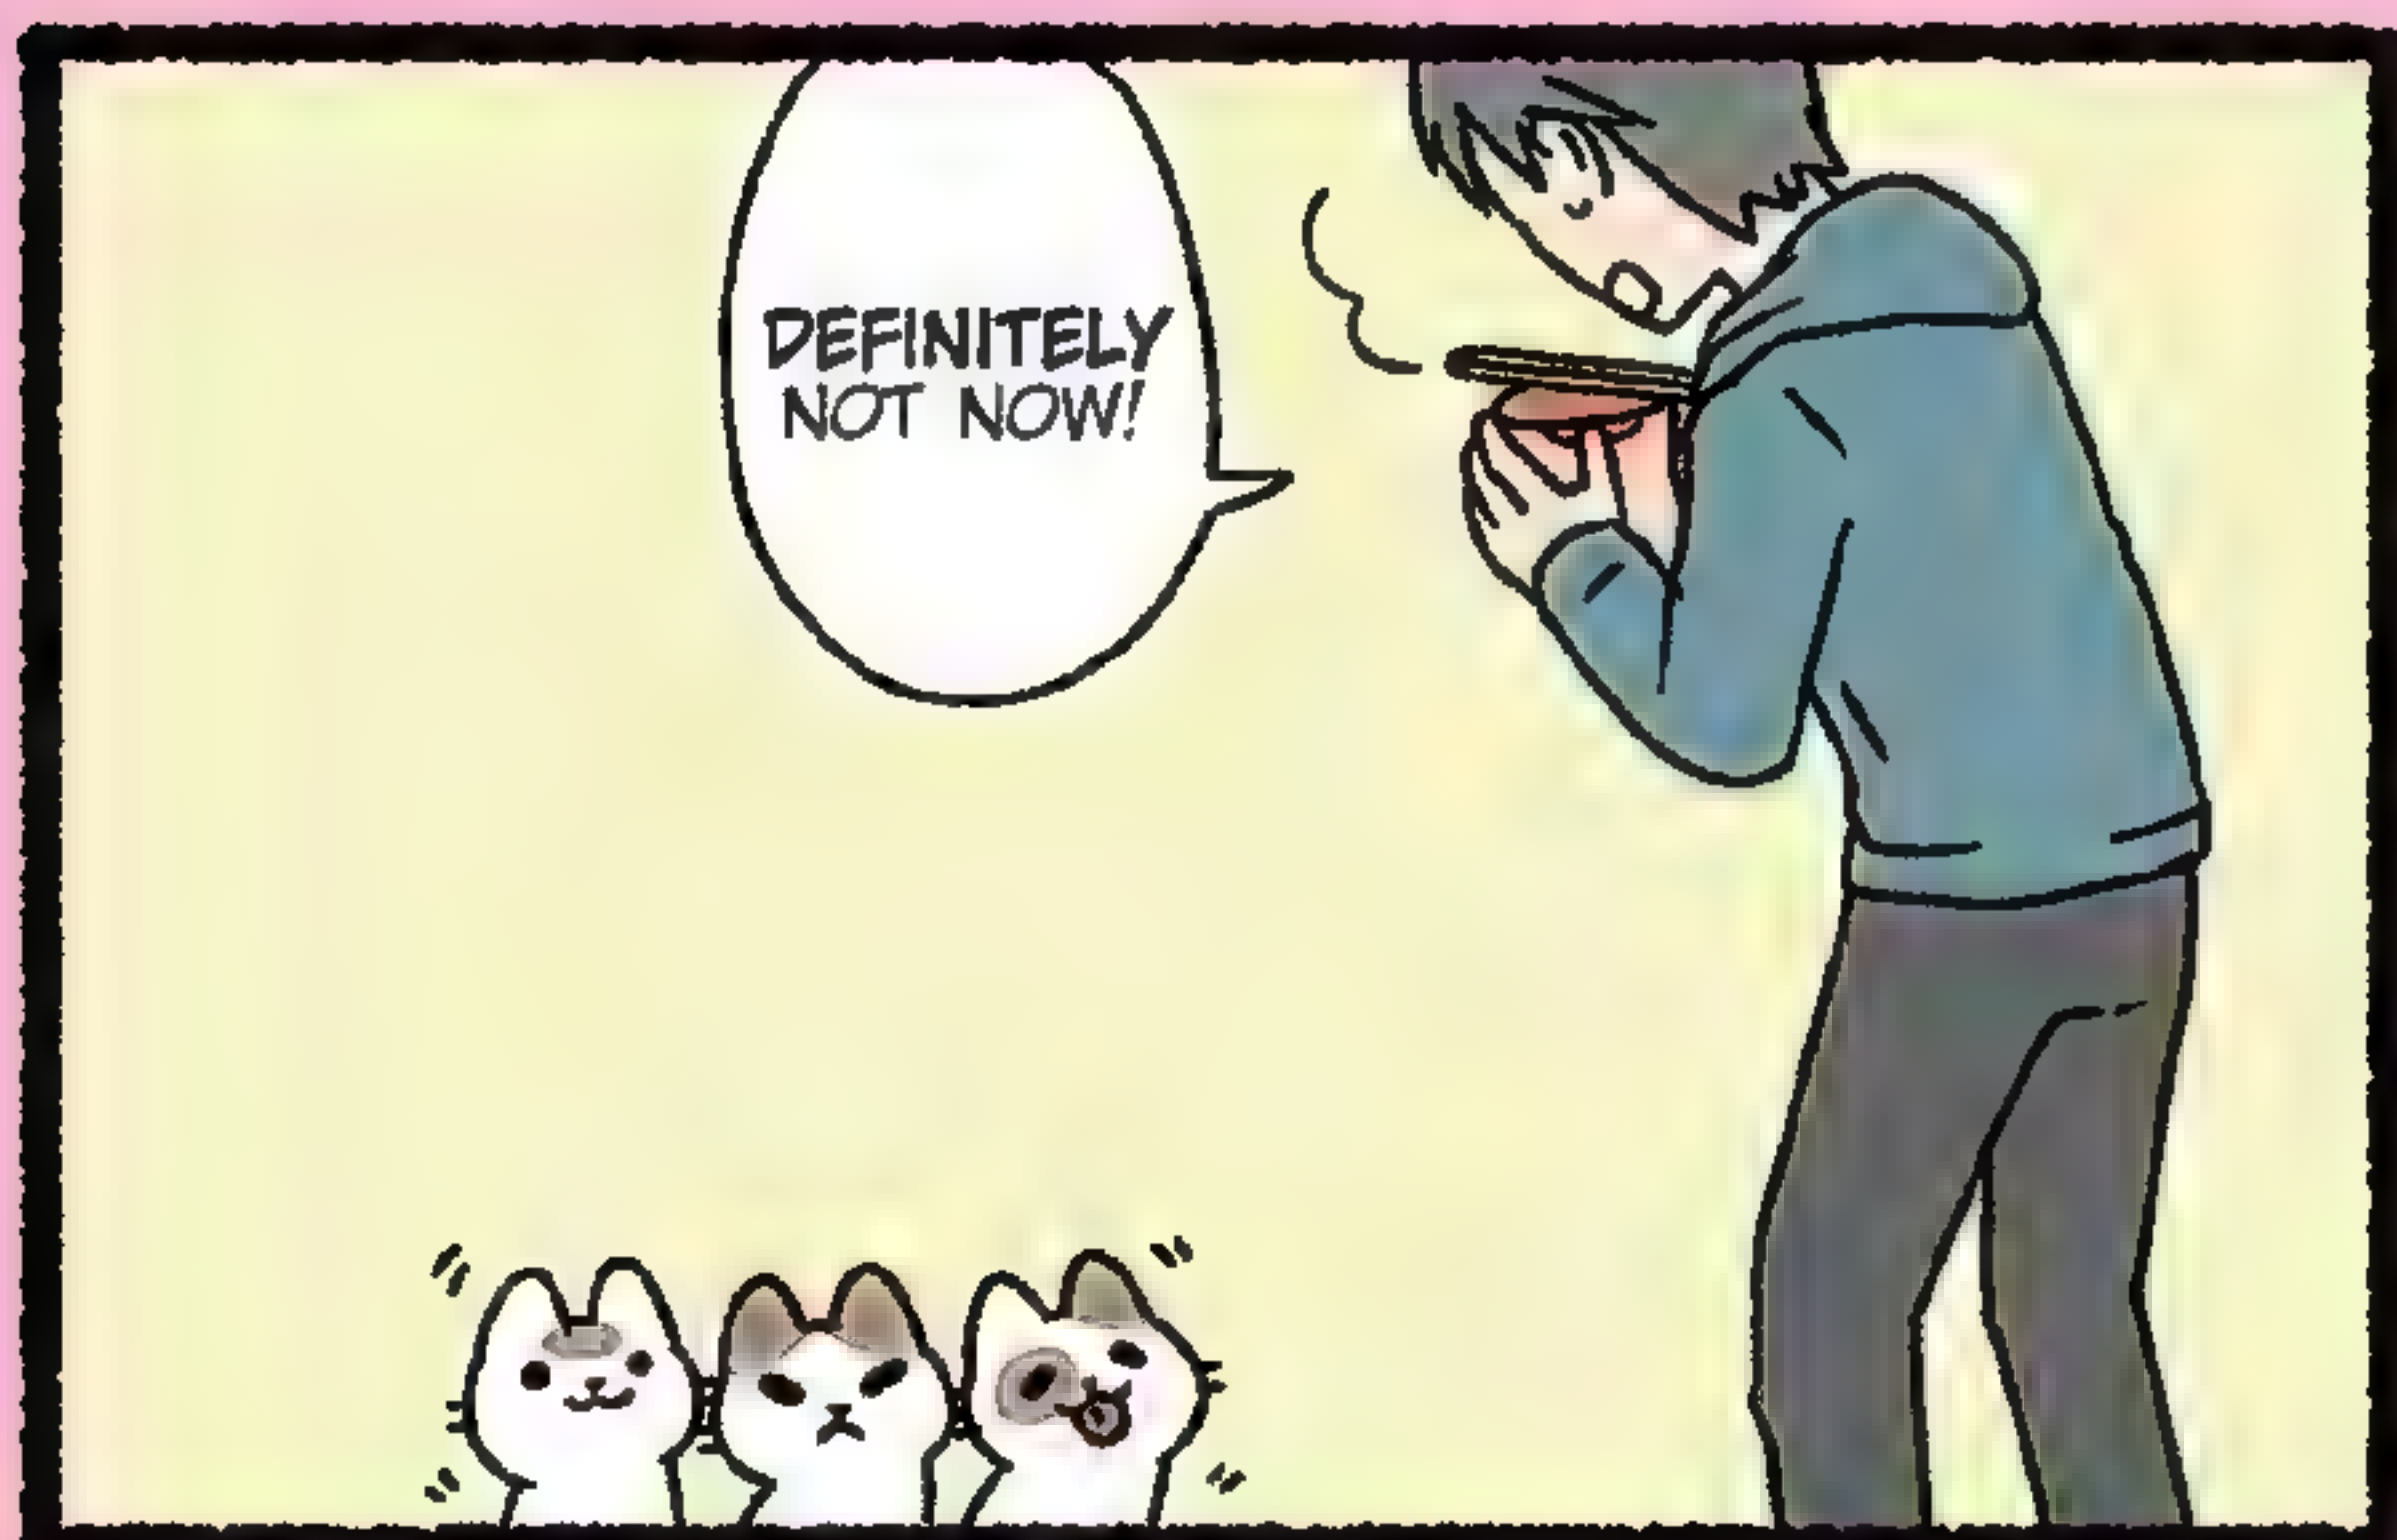

Kamaitachi

Sickle Weasel

Their owner is woken up every morning with a TMP-SWIPE-LICK combo.

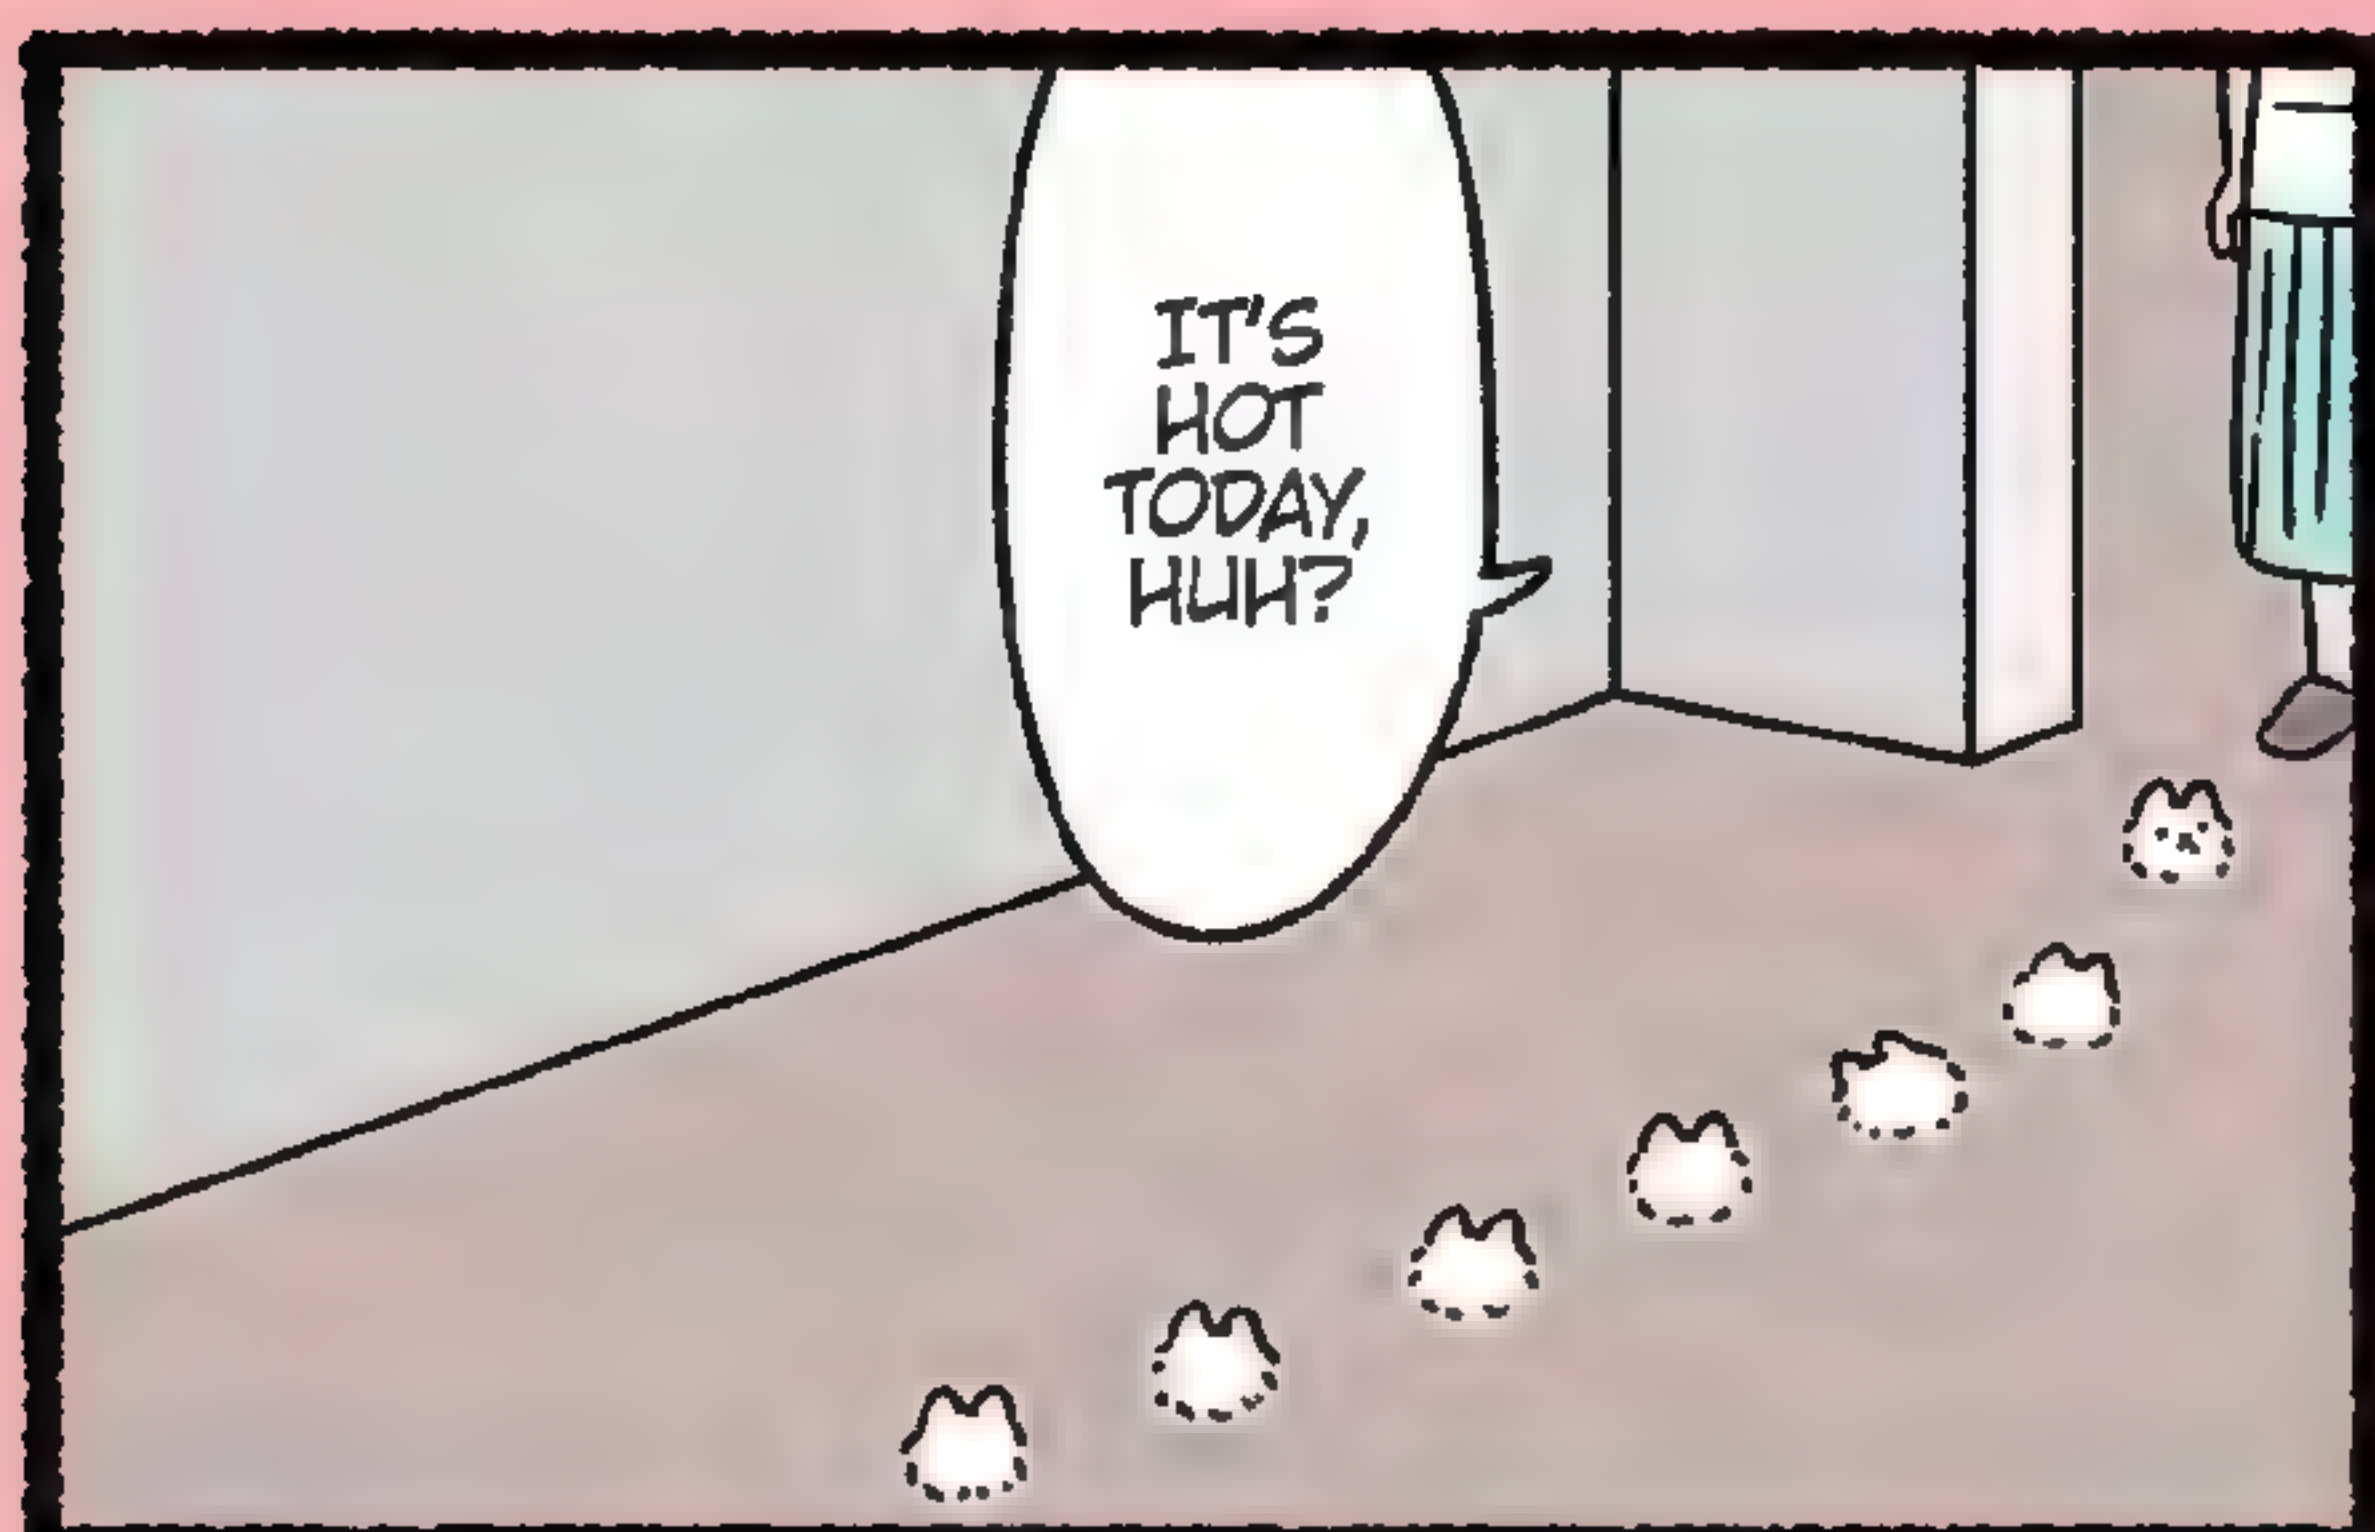

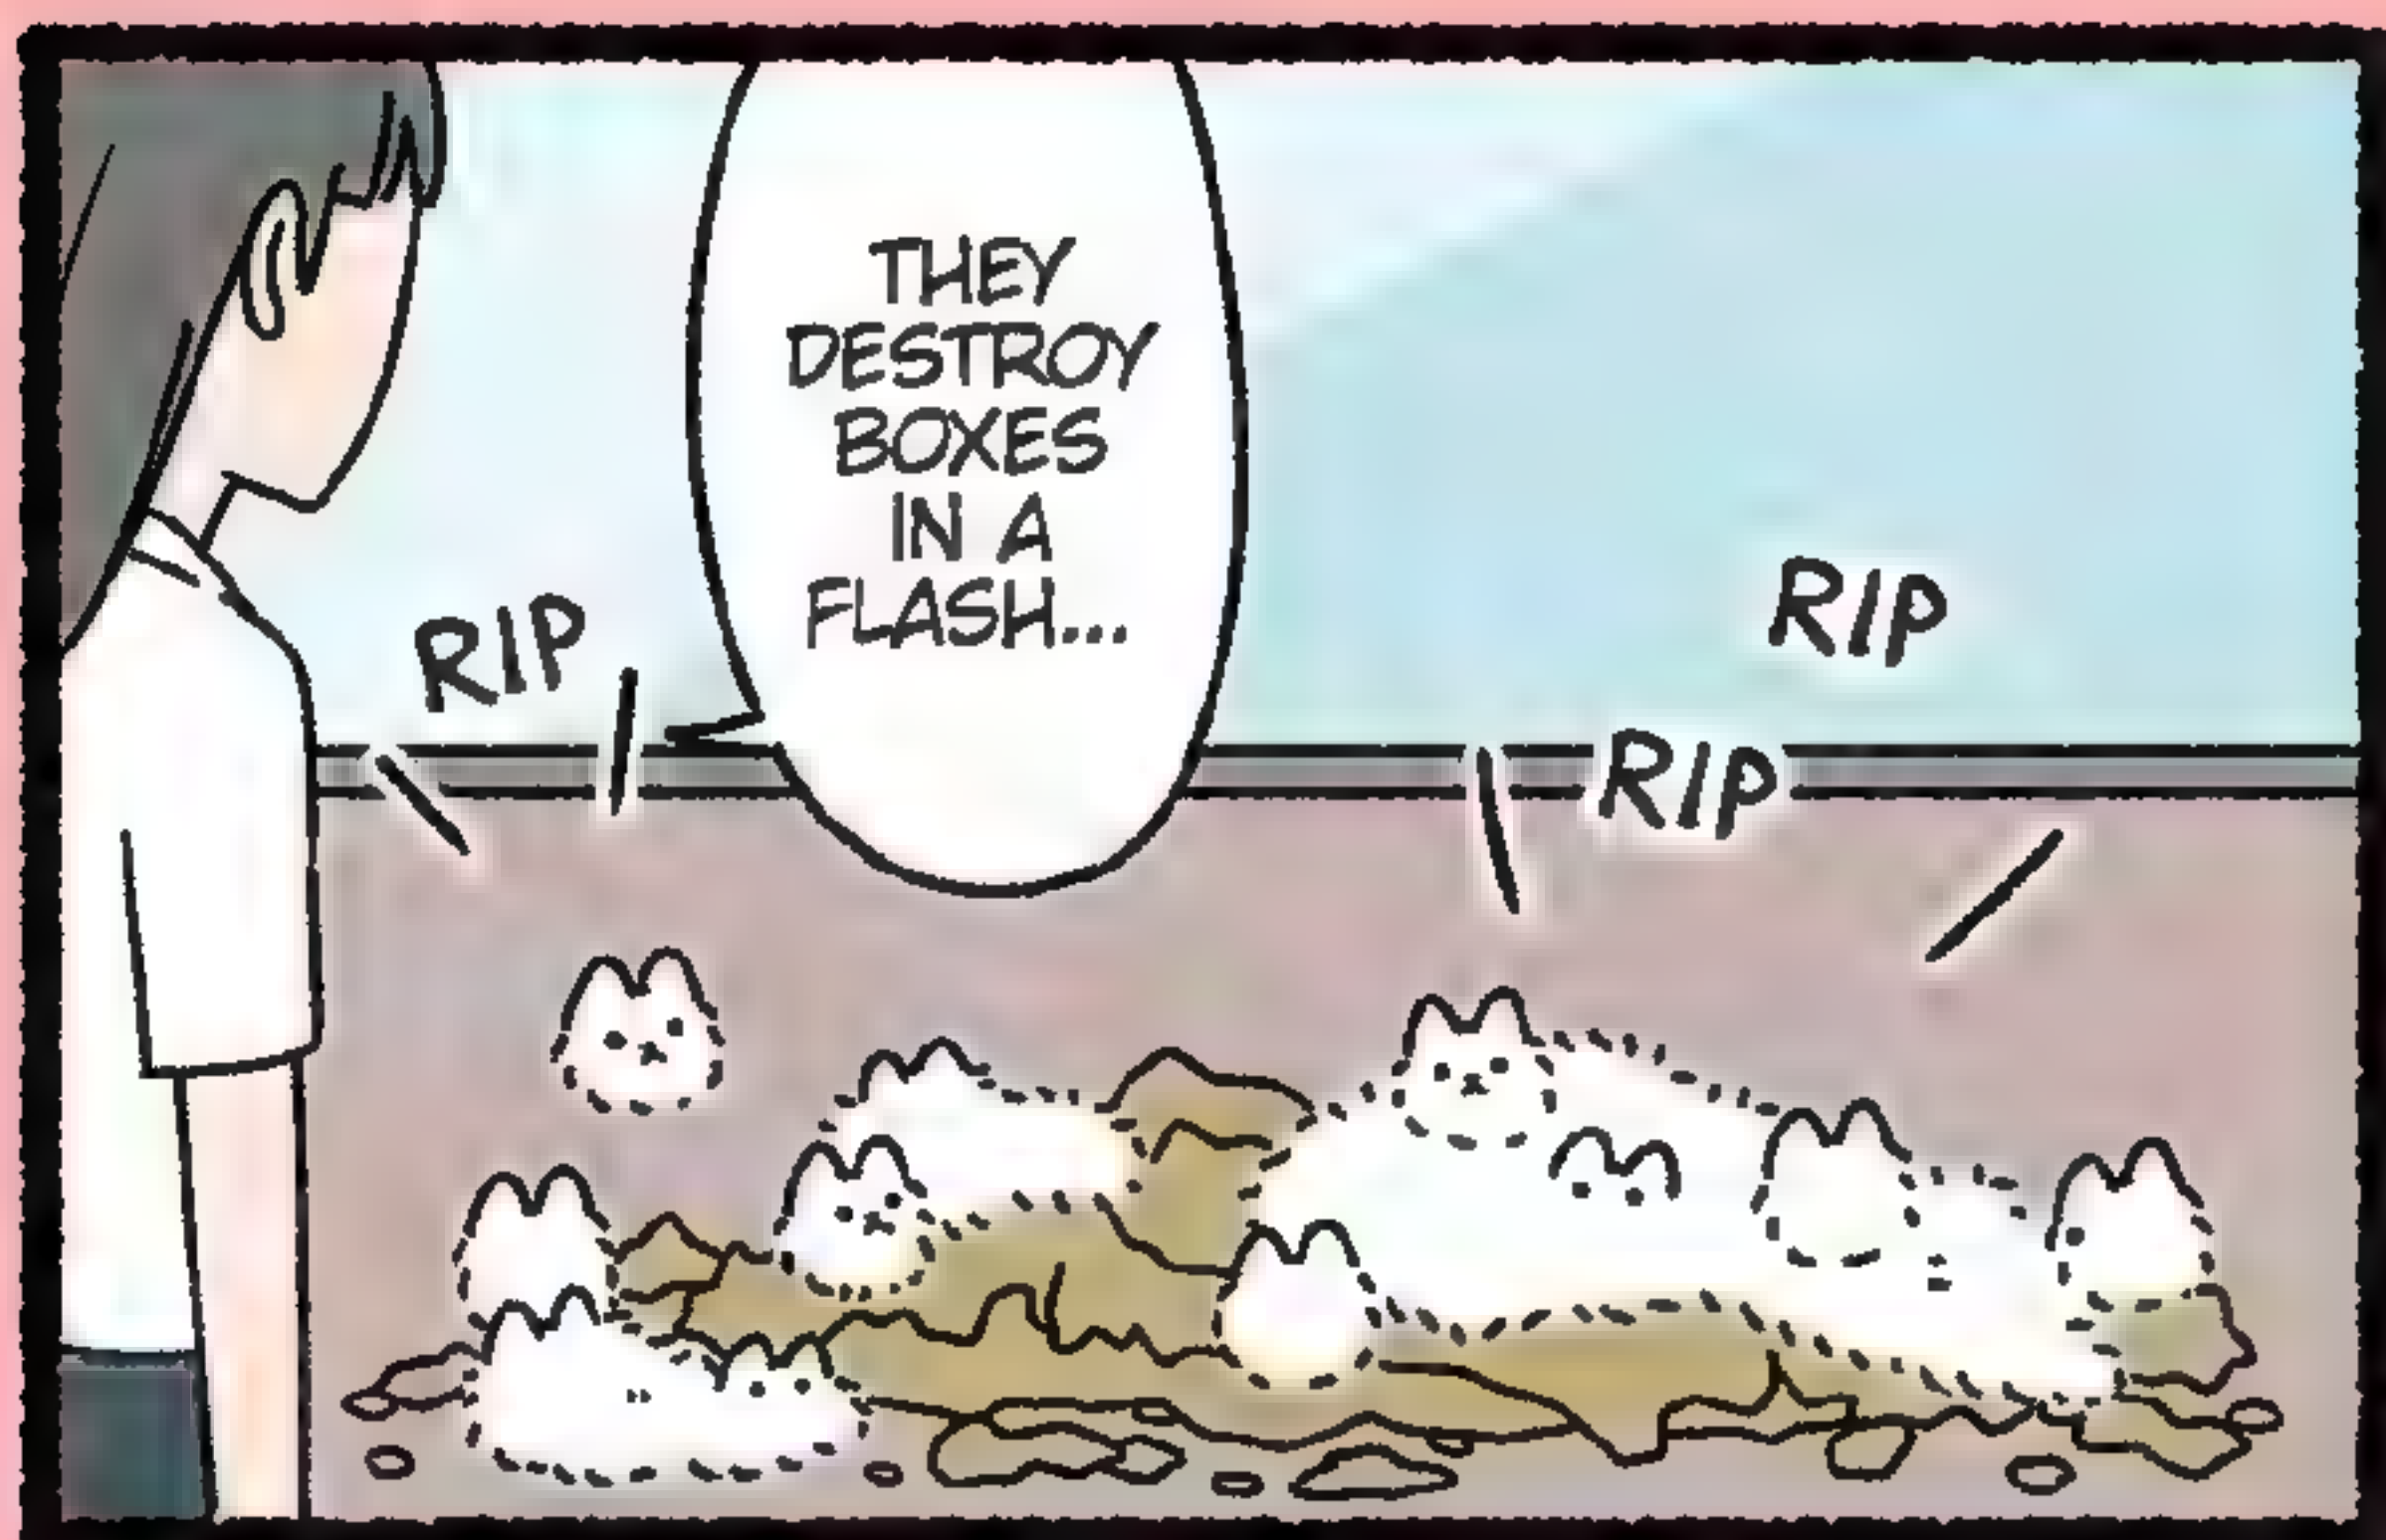

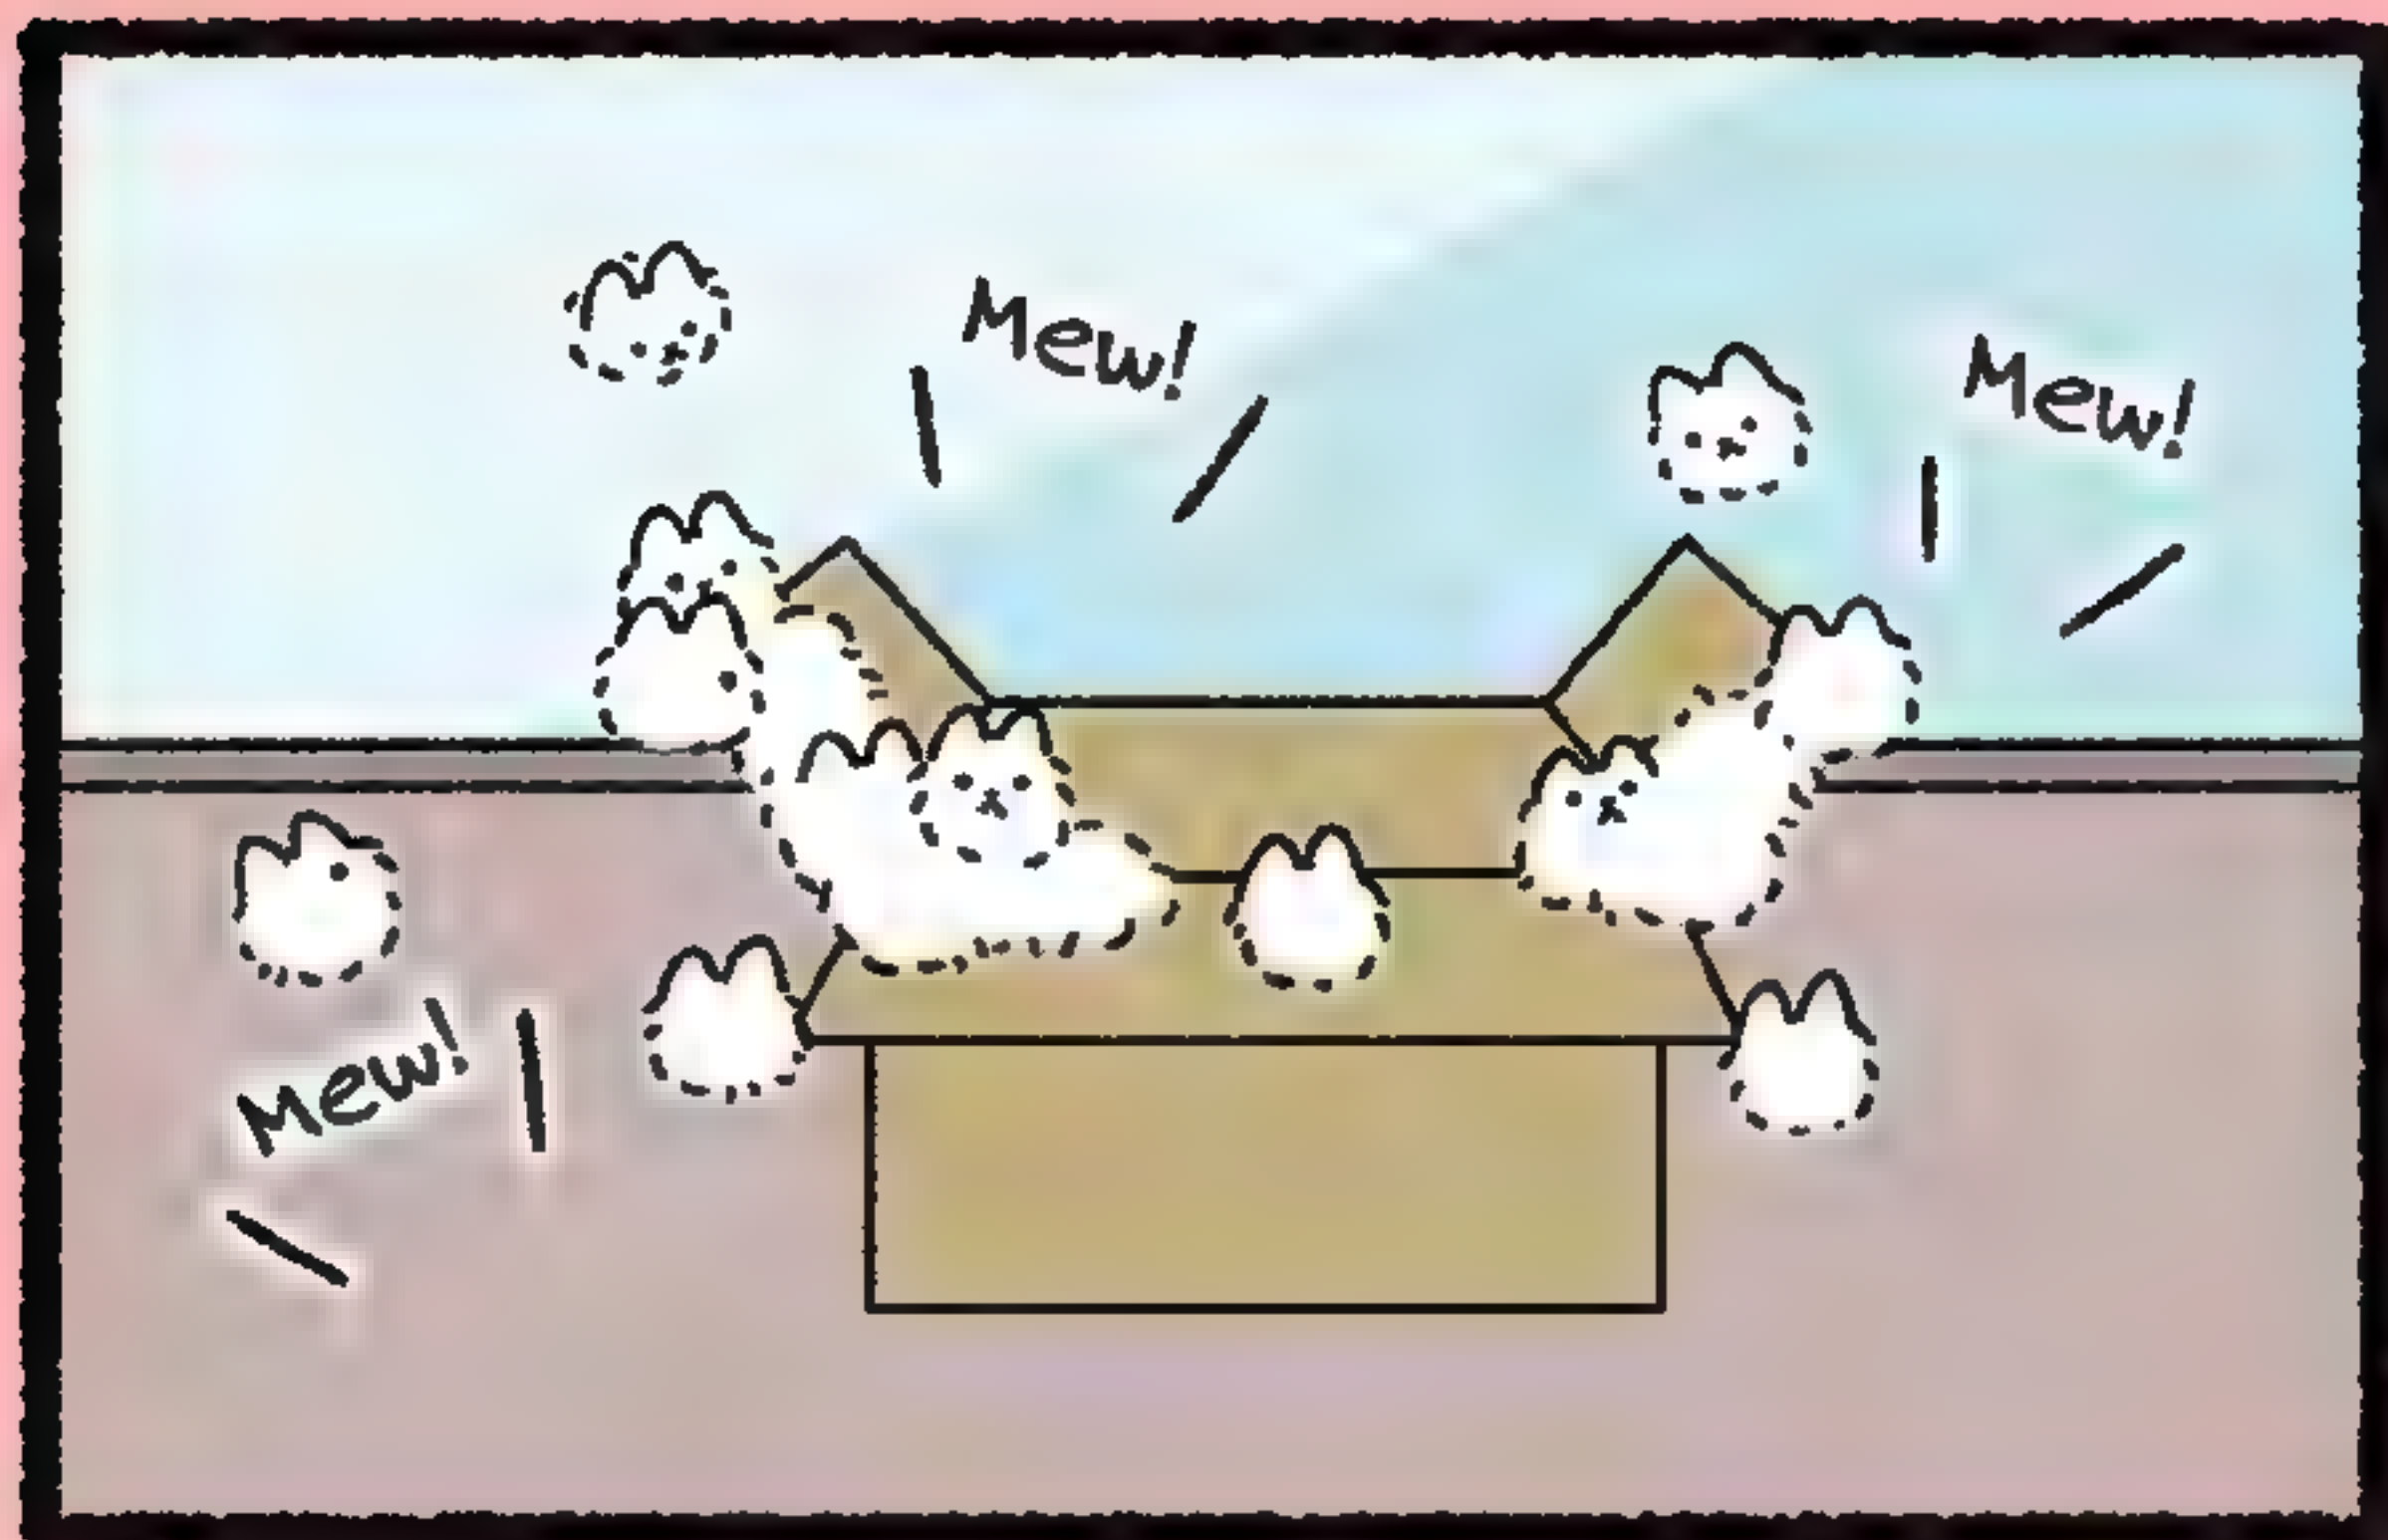

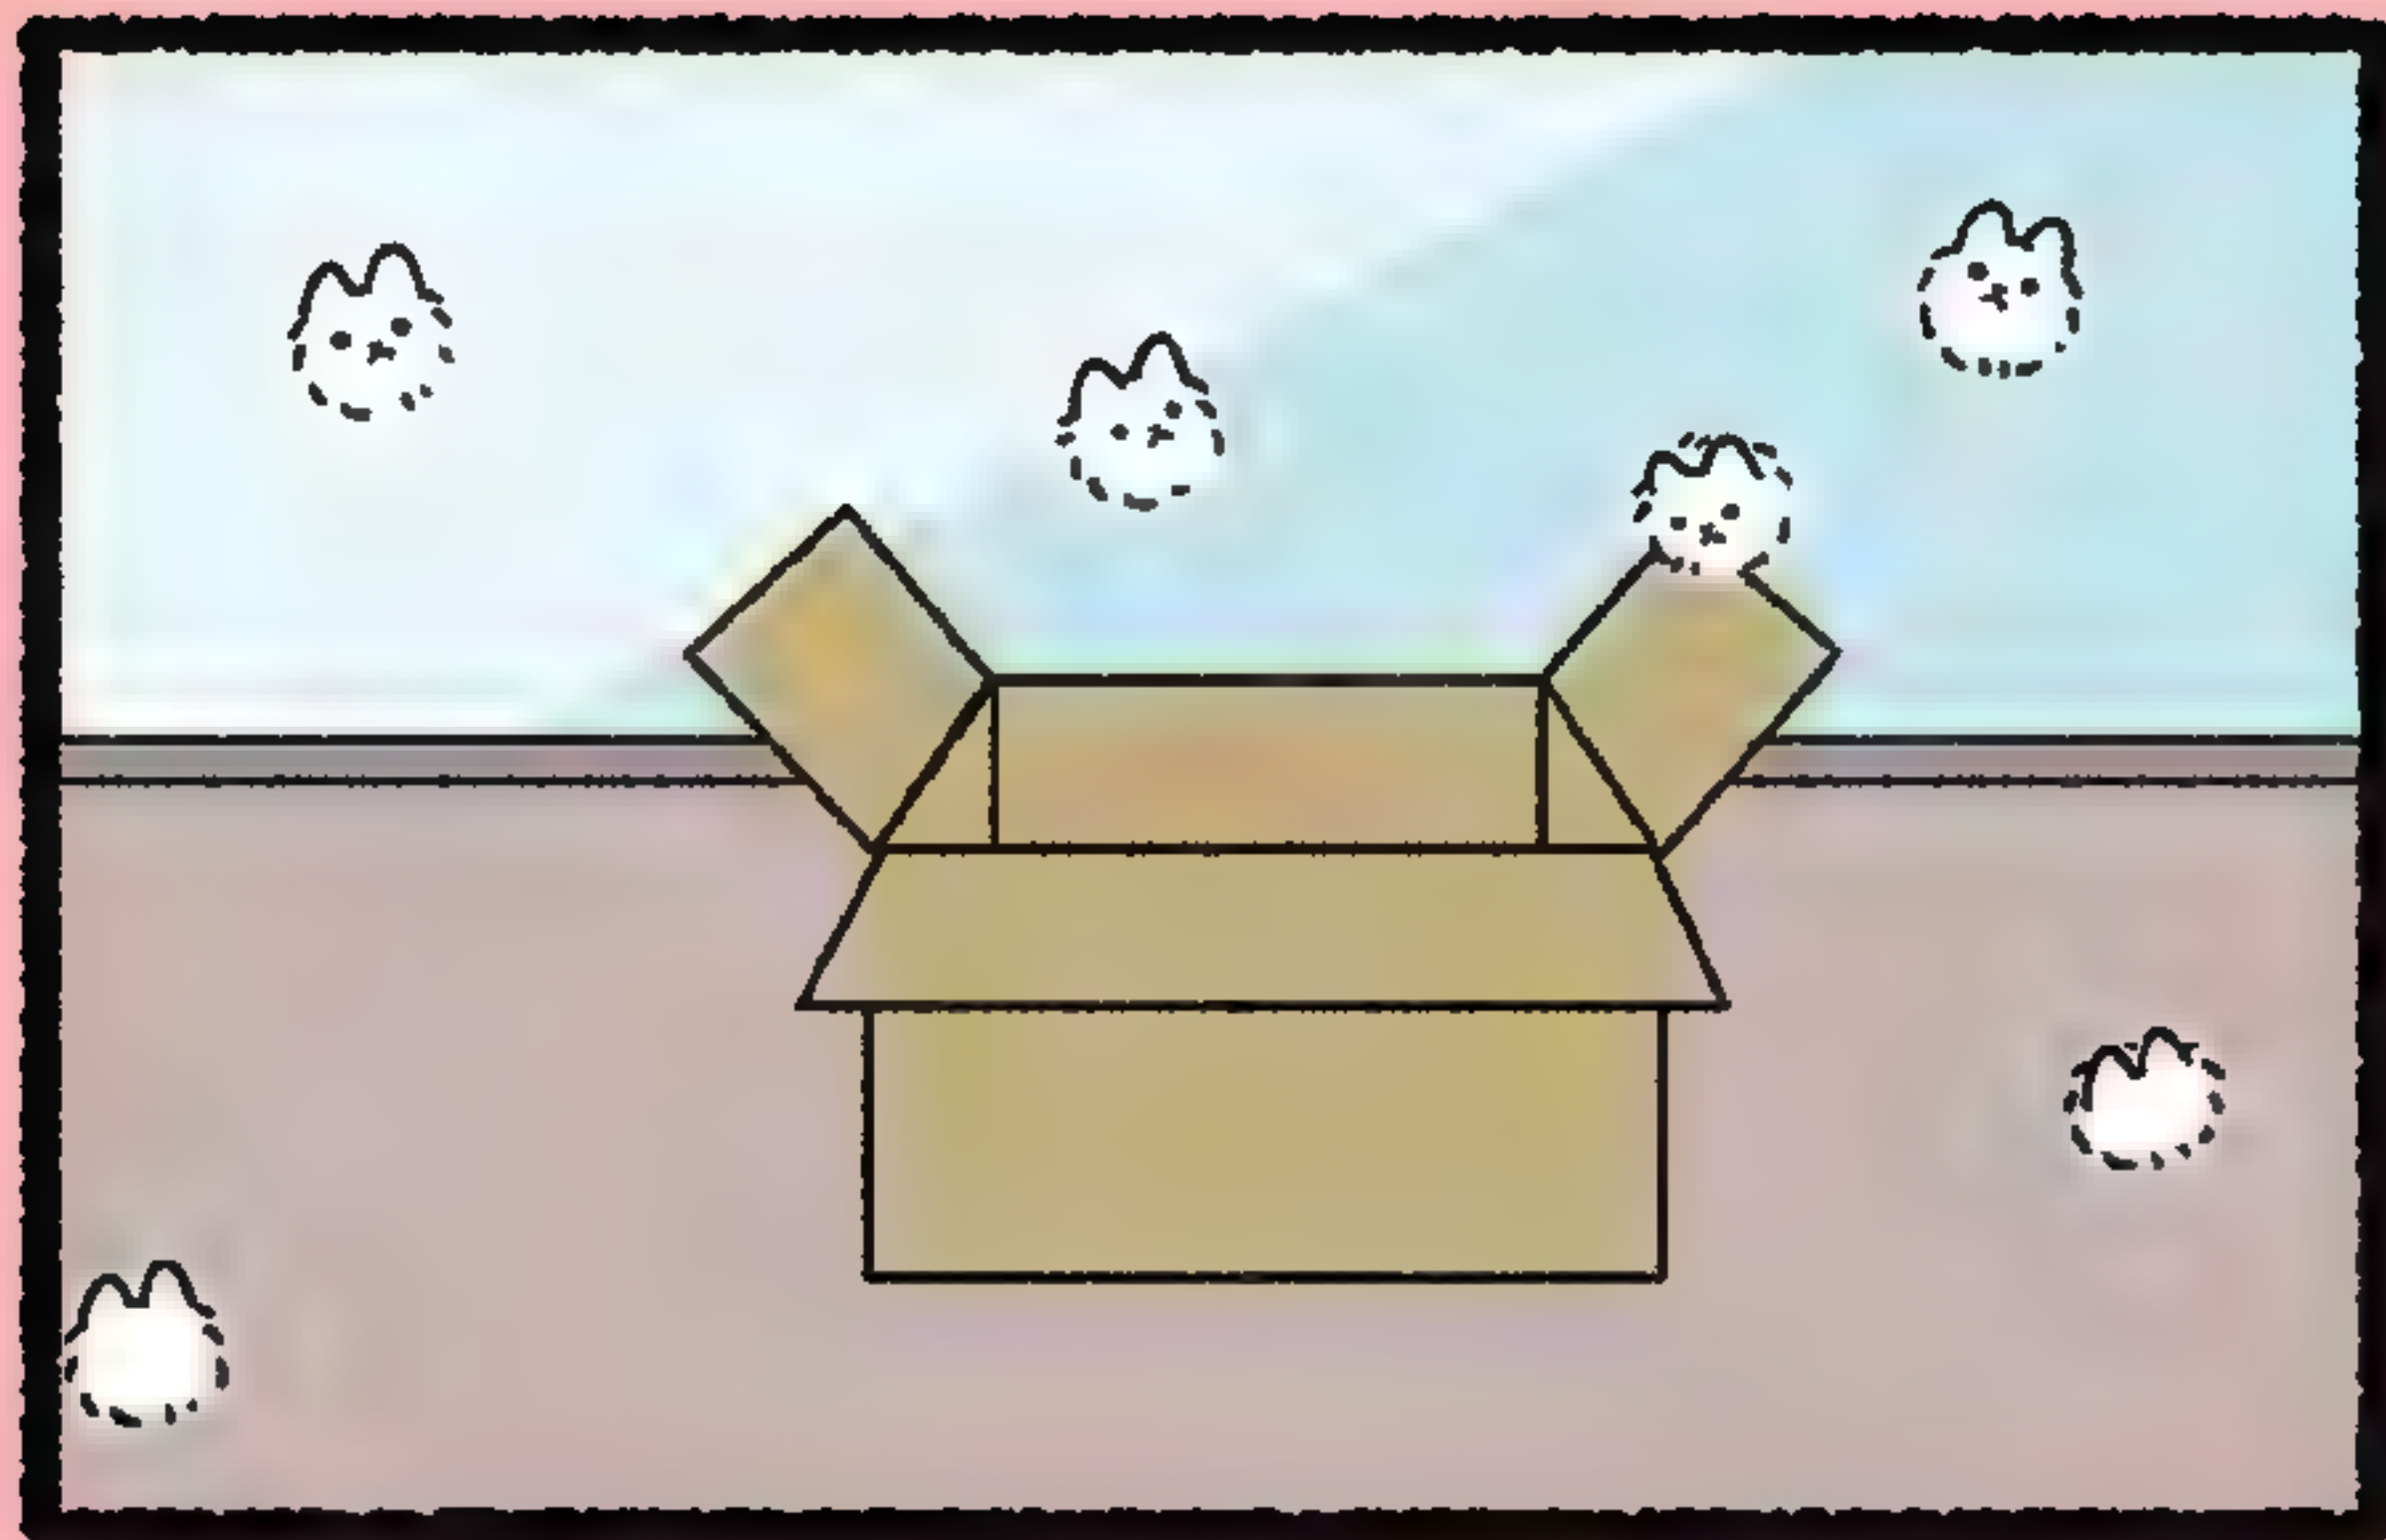

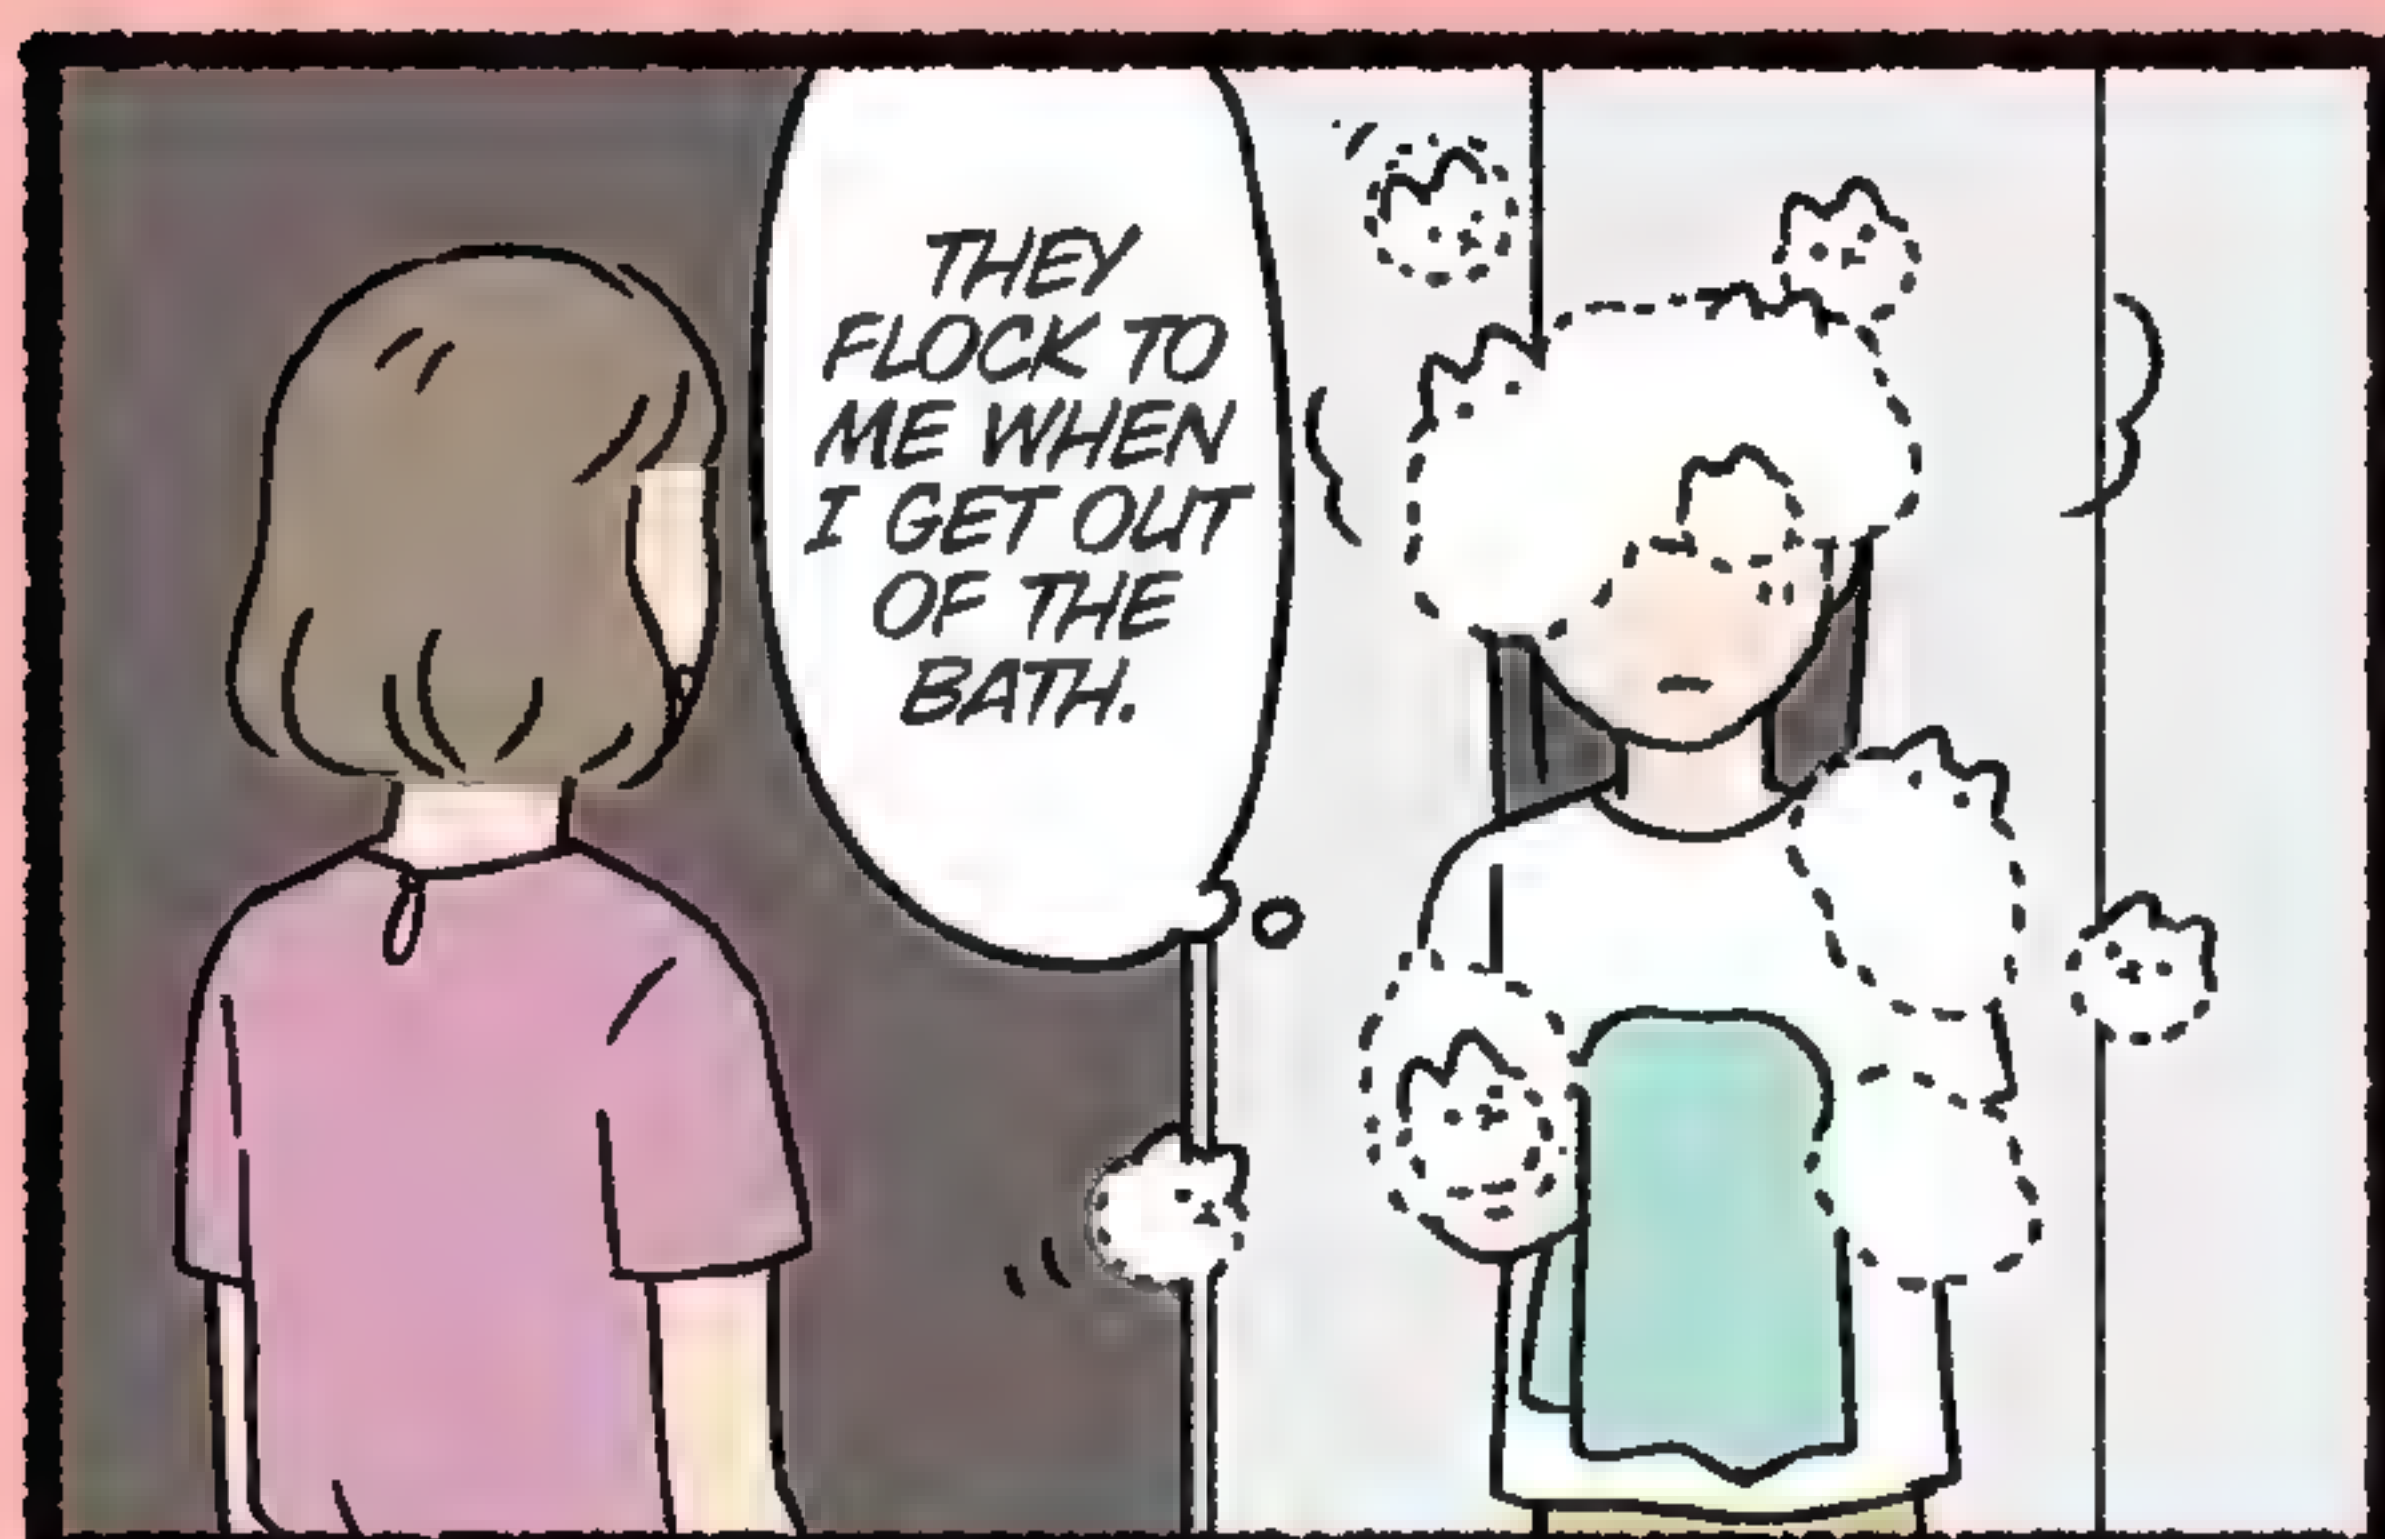

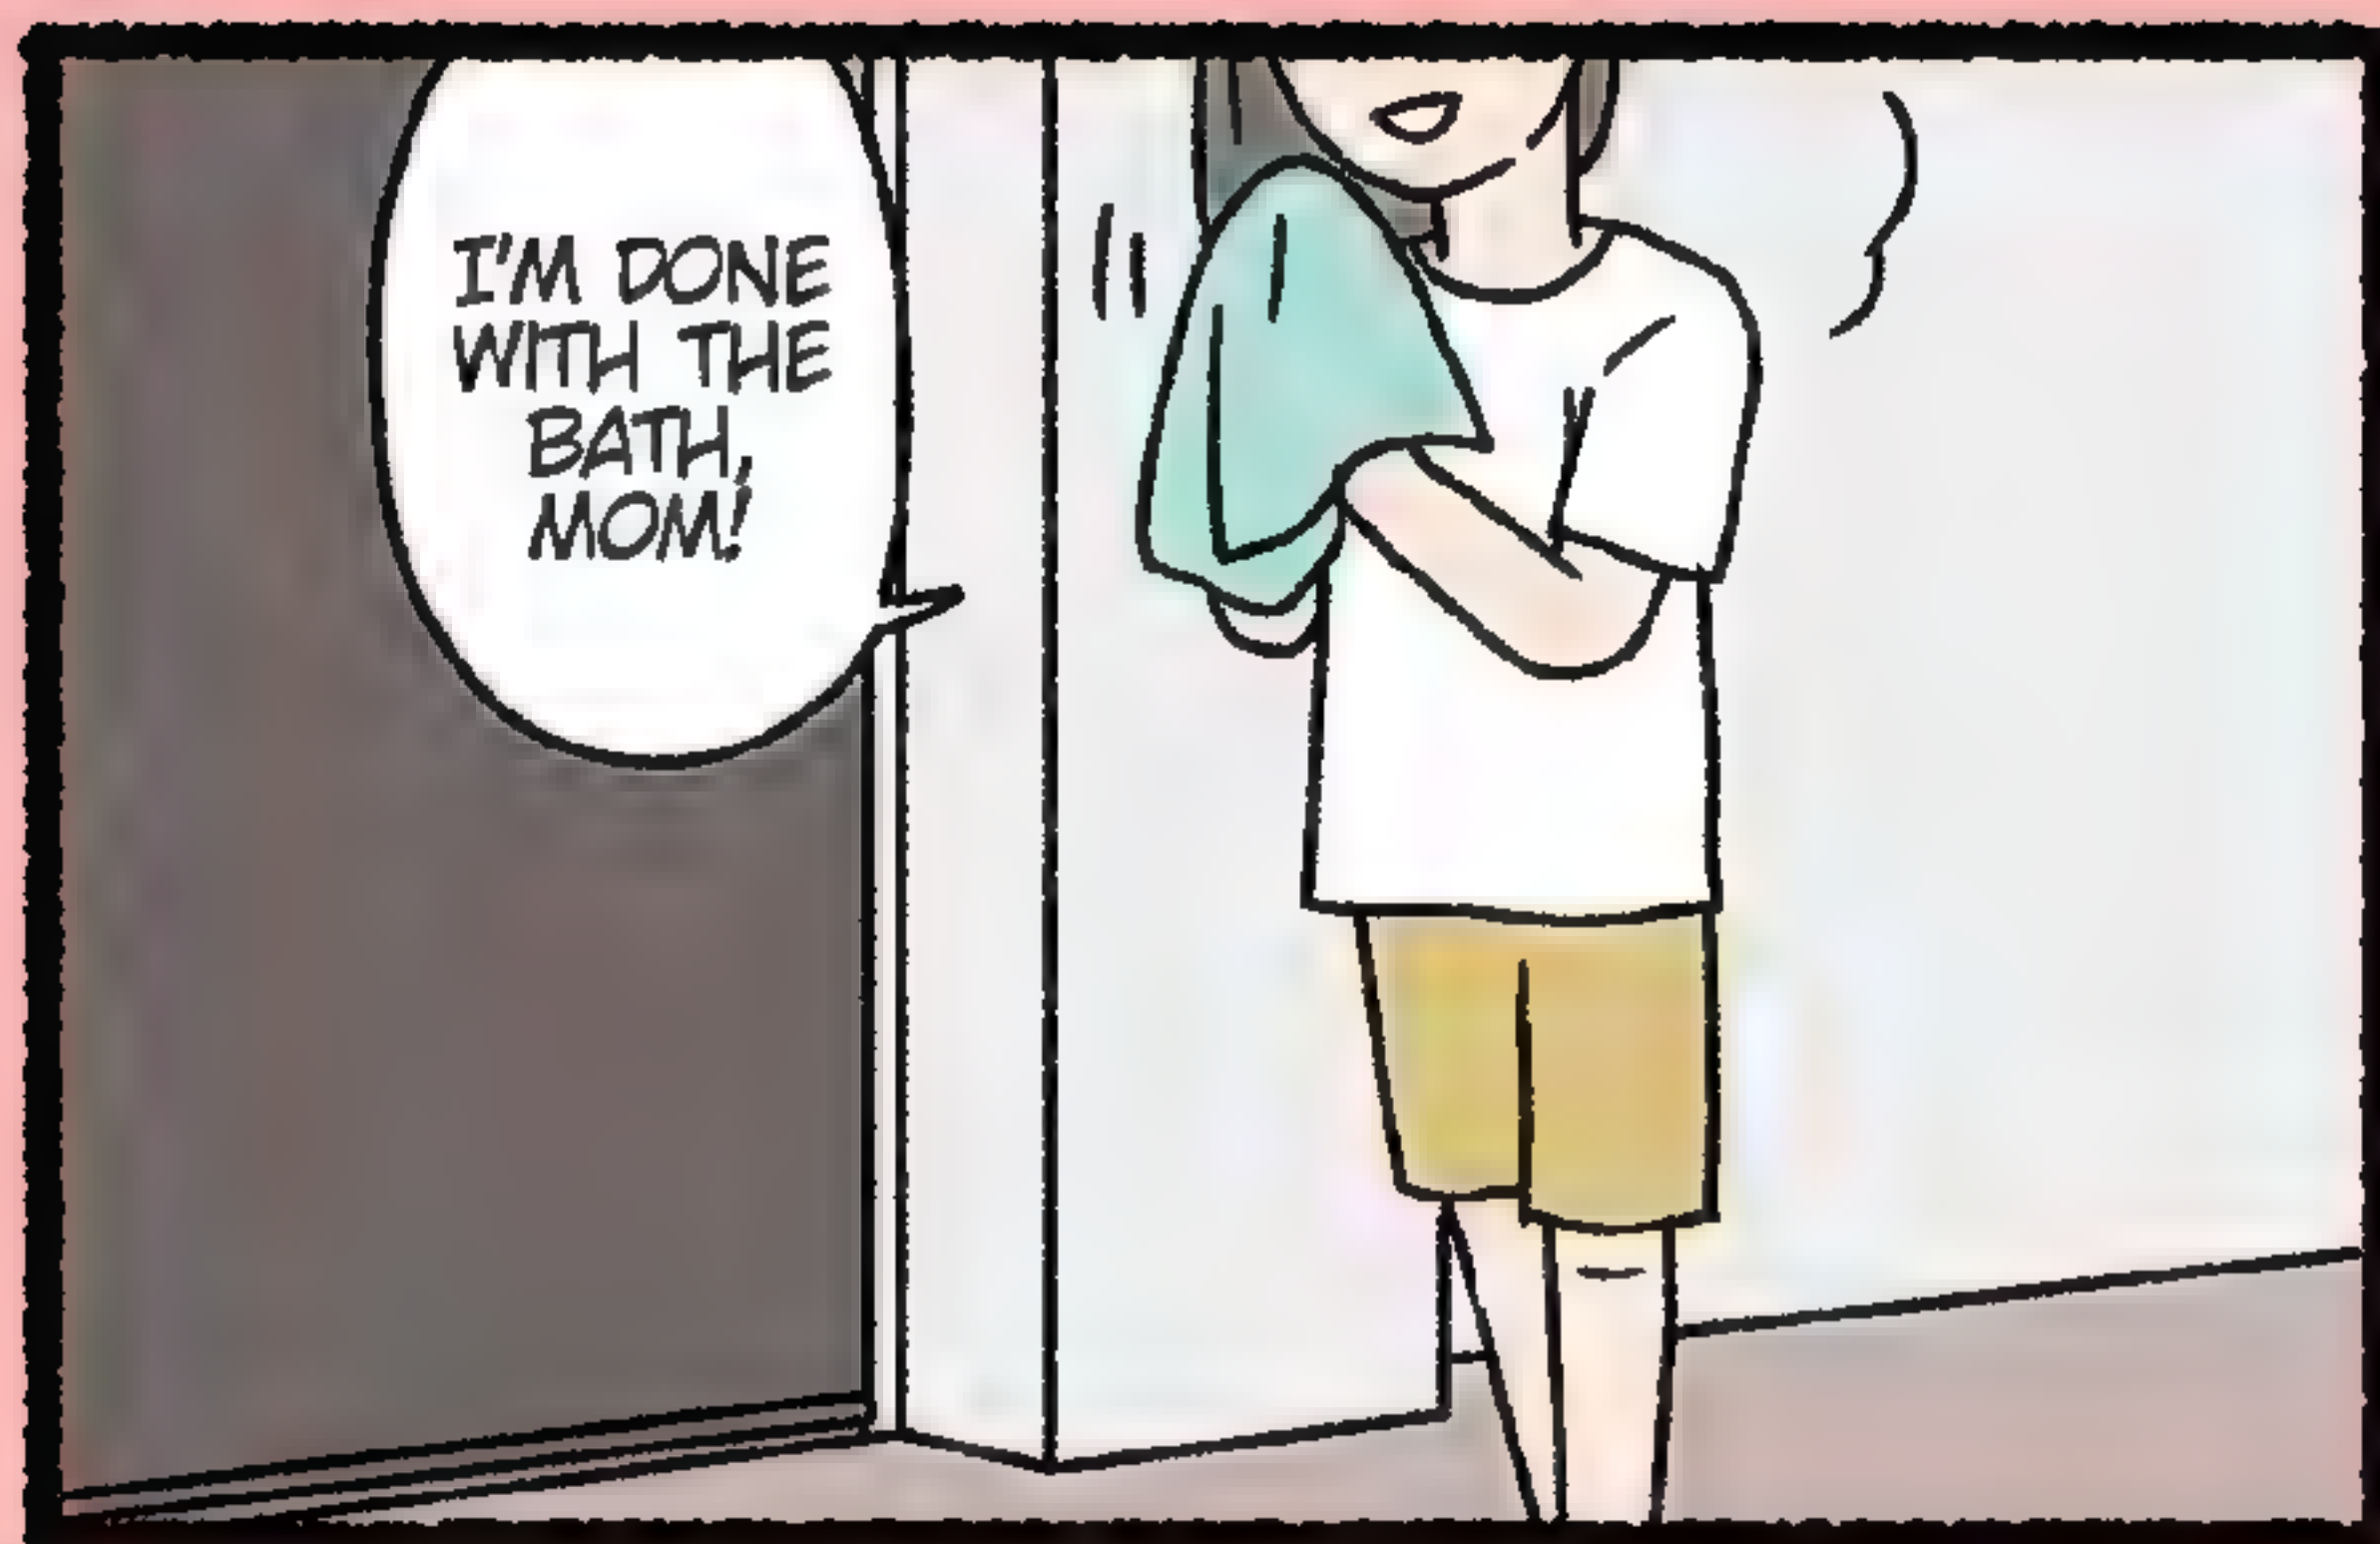

Kesaran Pasaran

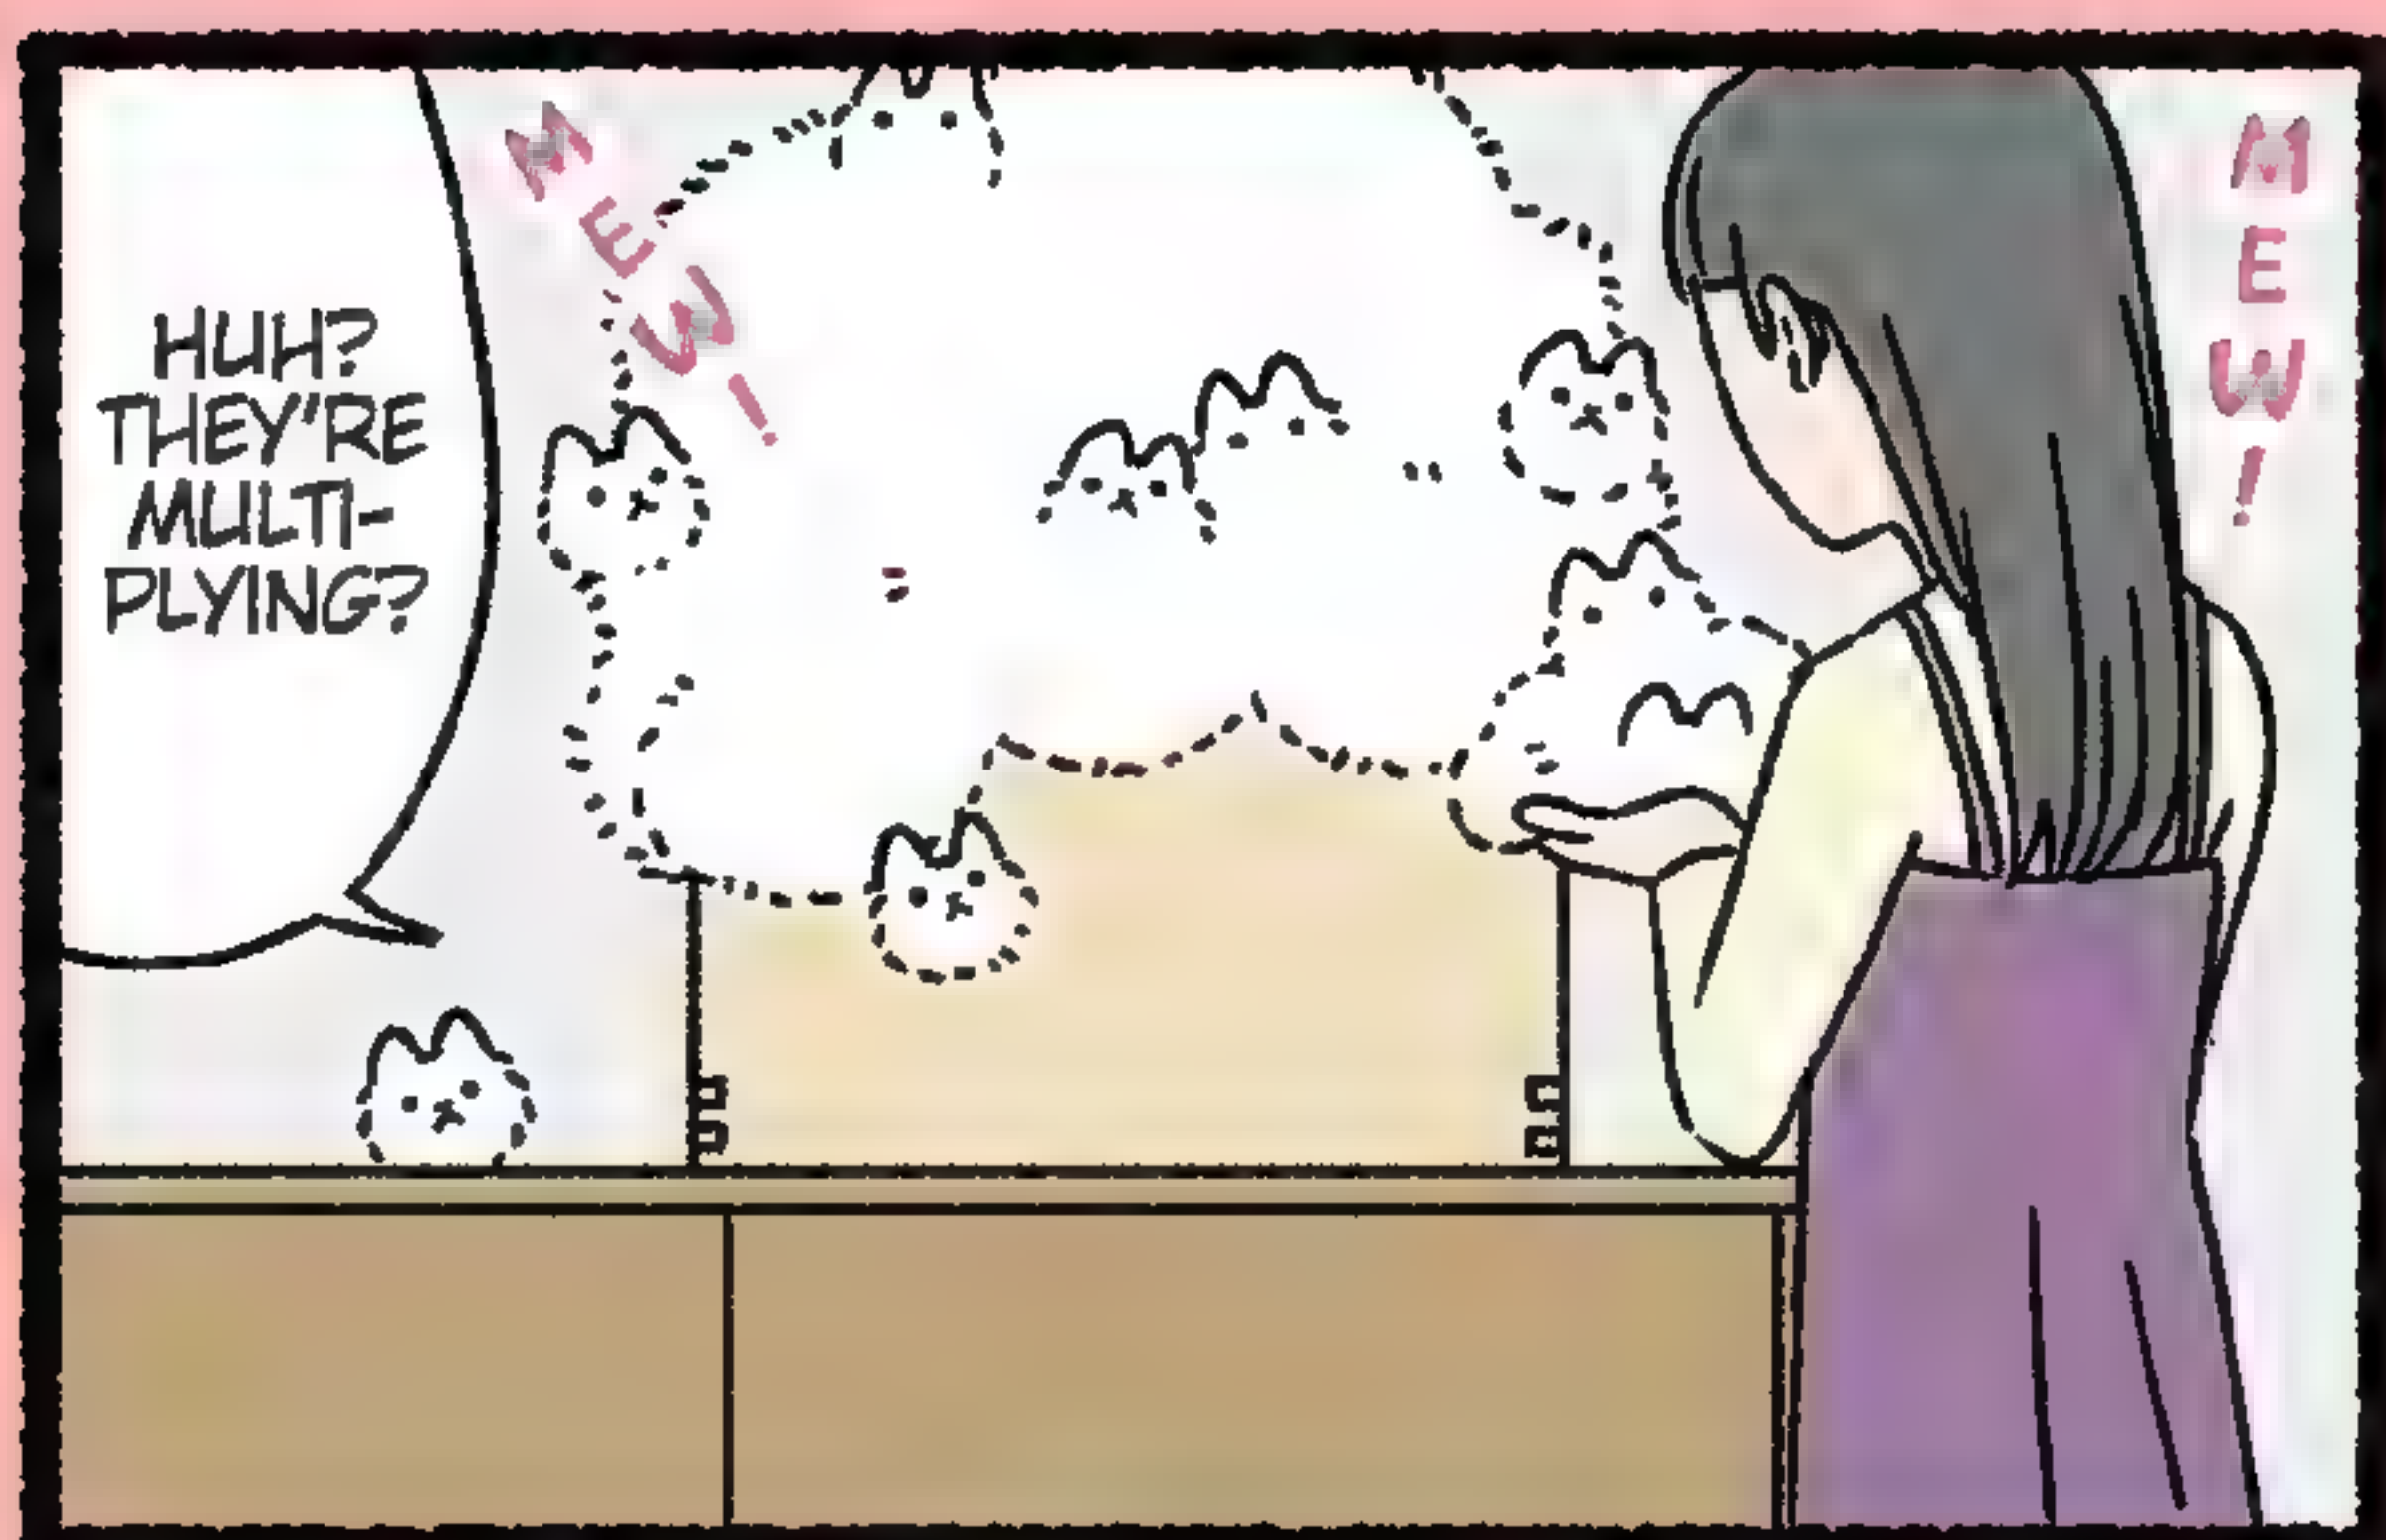

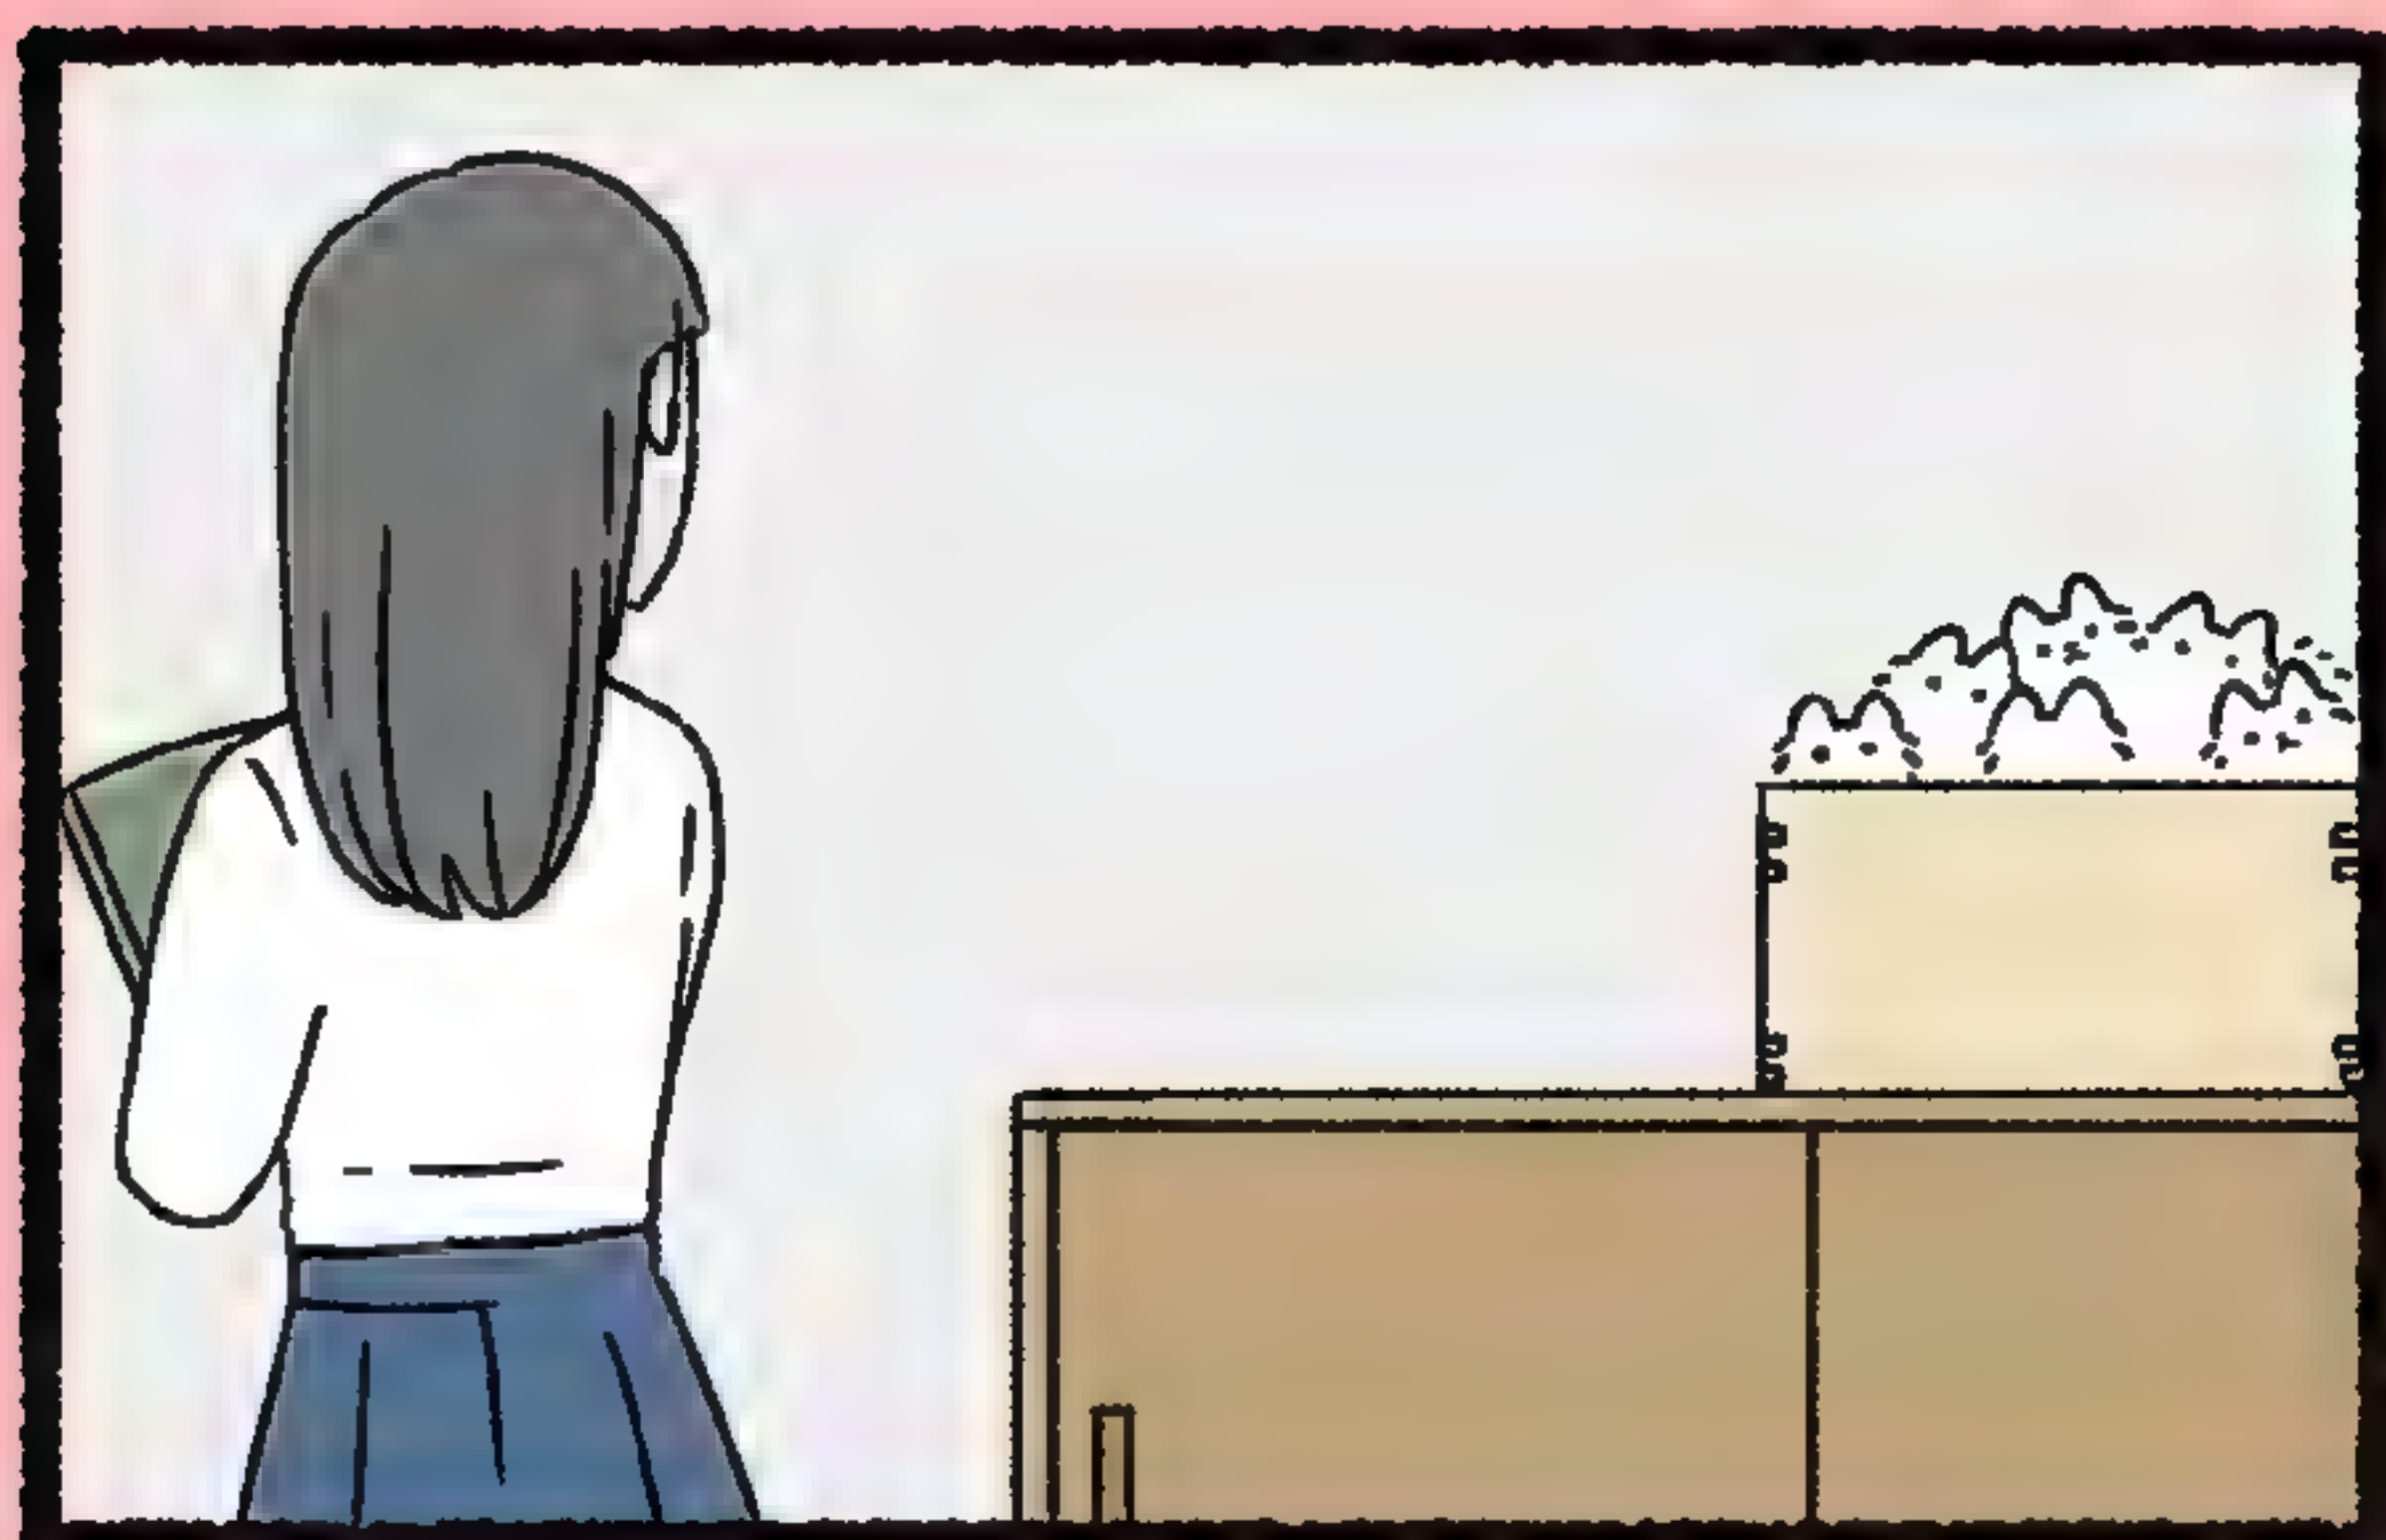

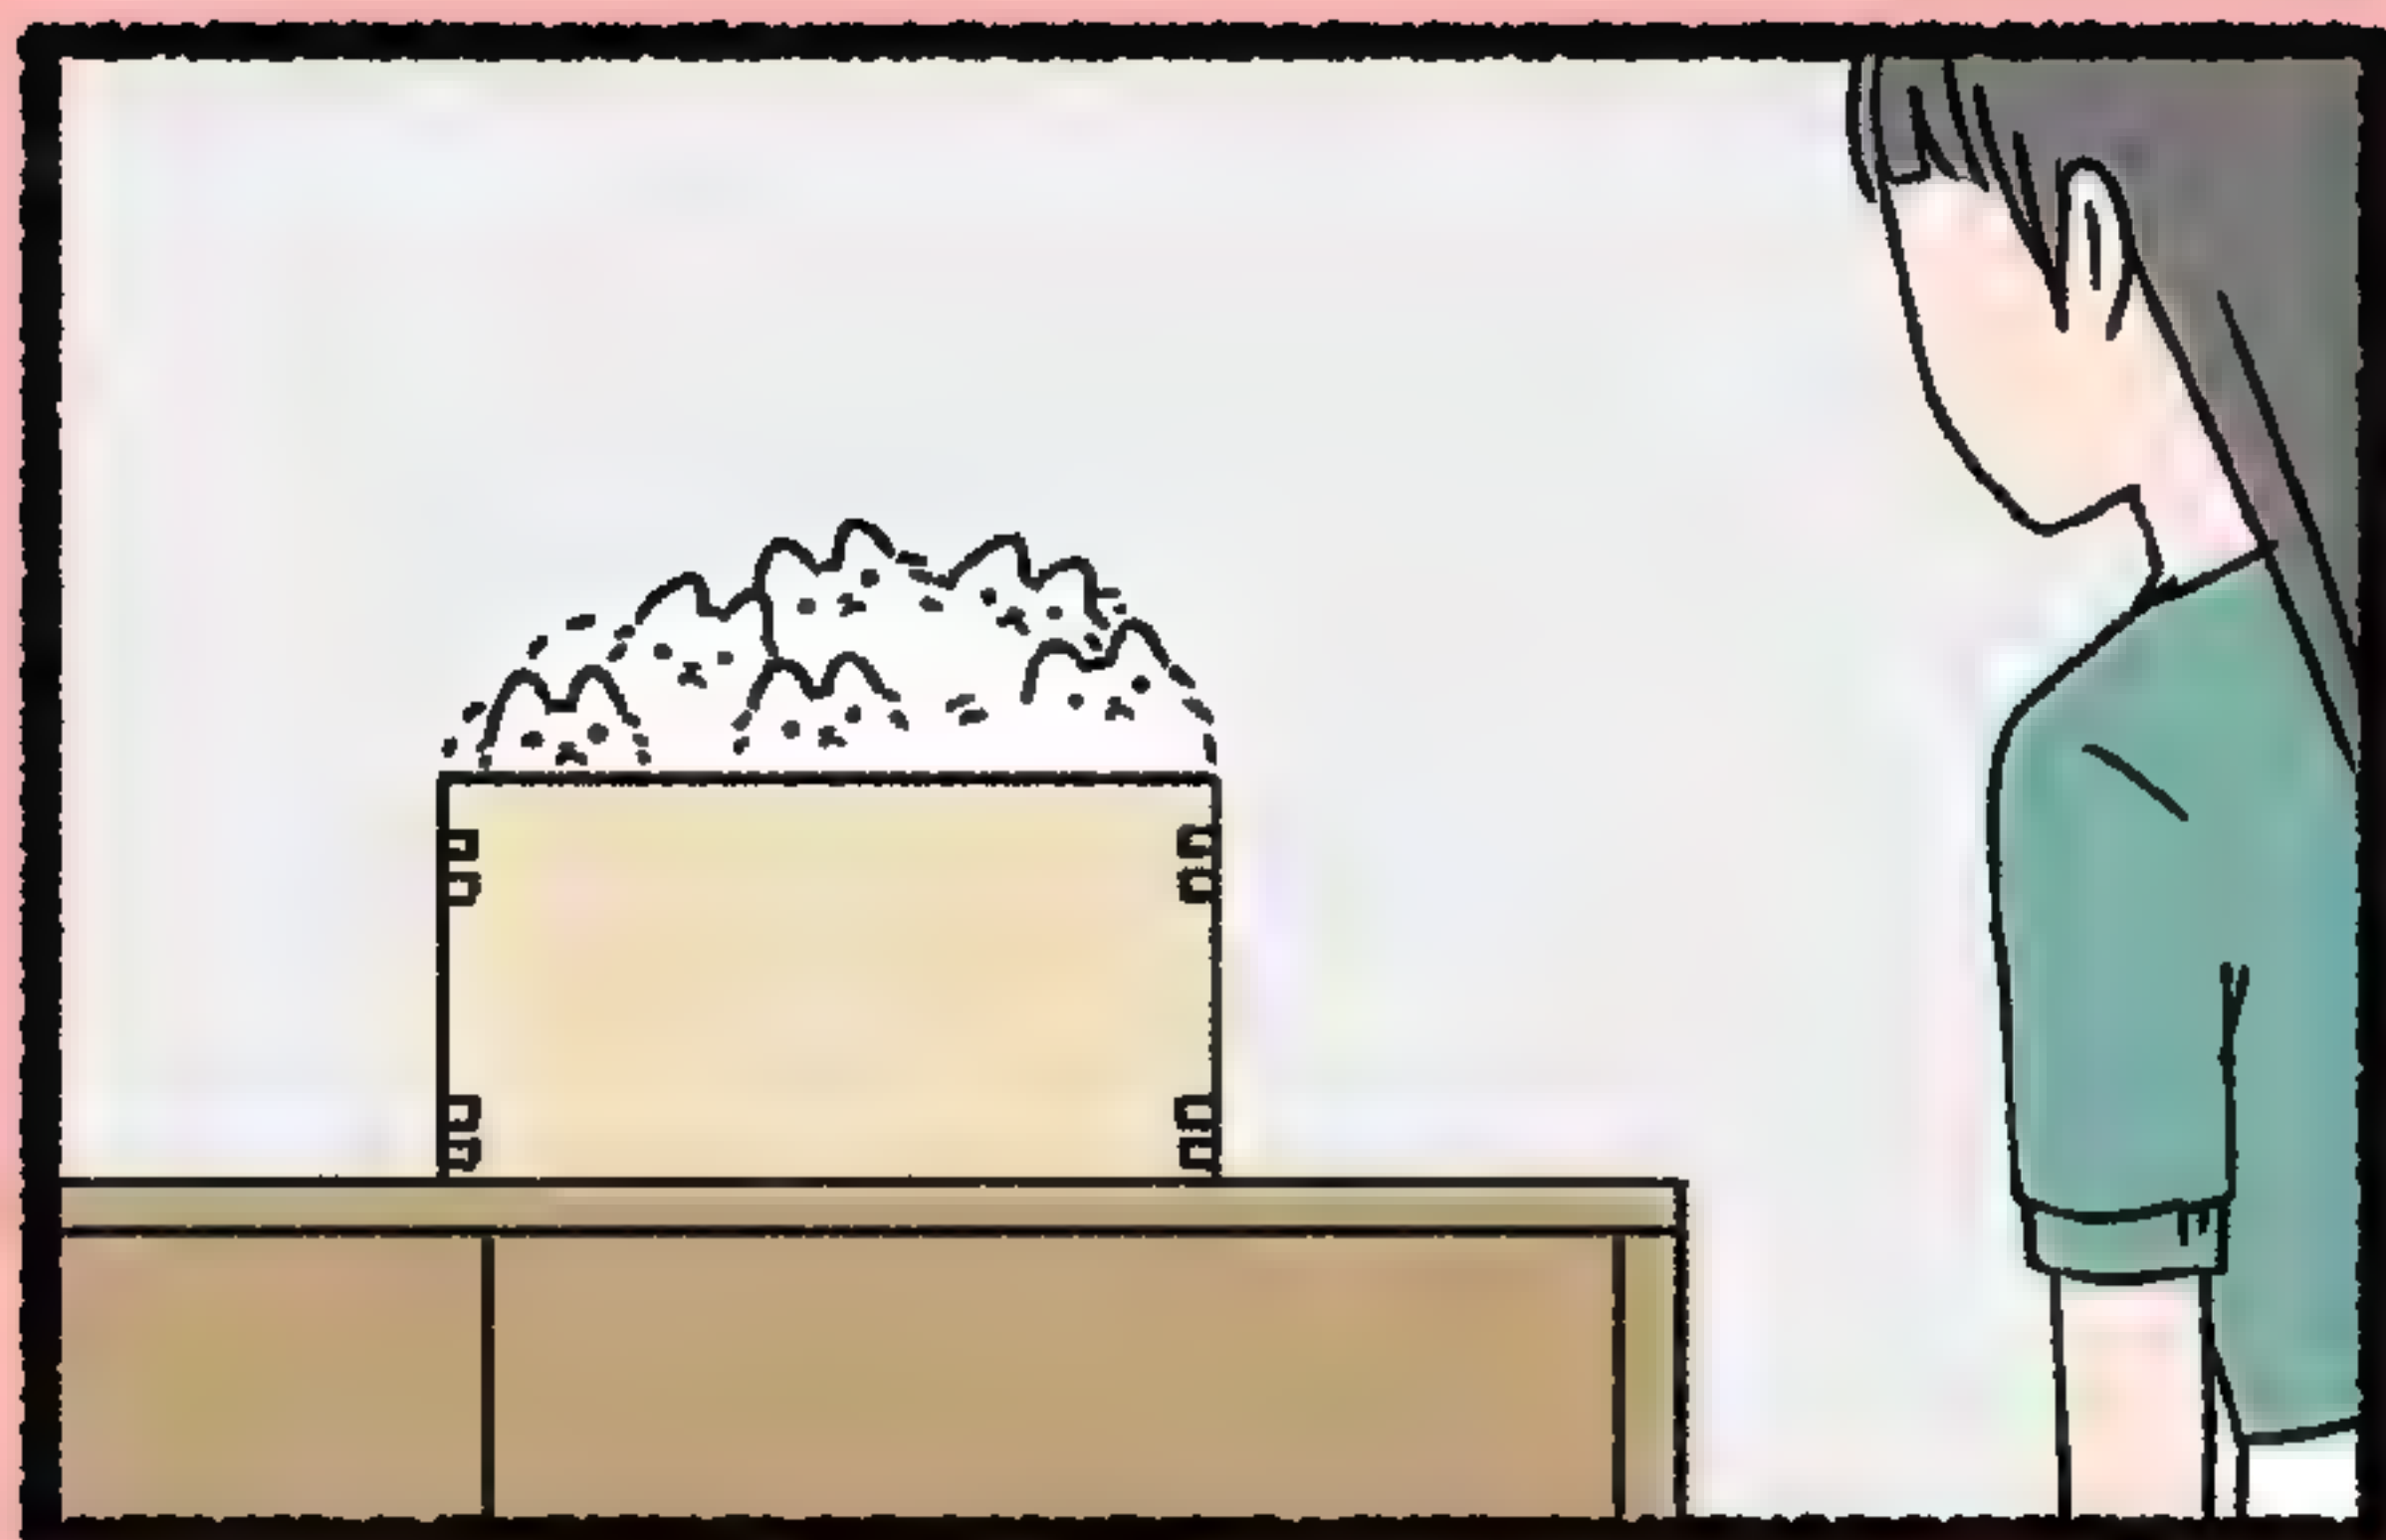

Dandelion Fluff

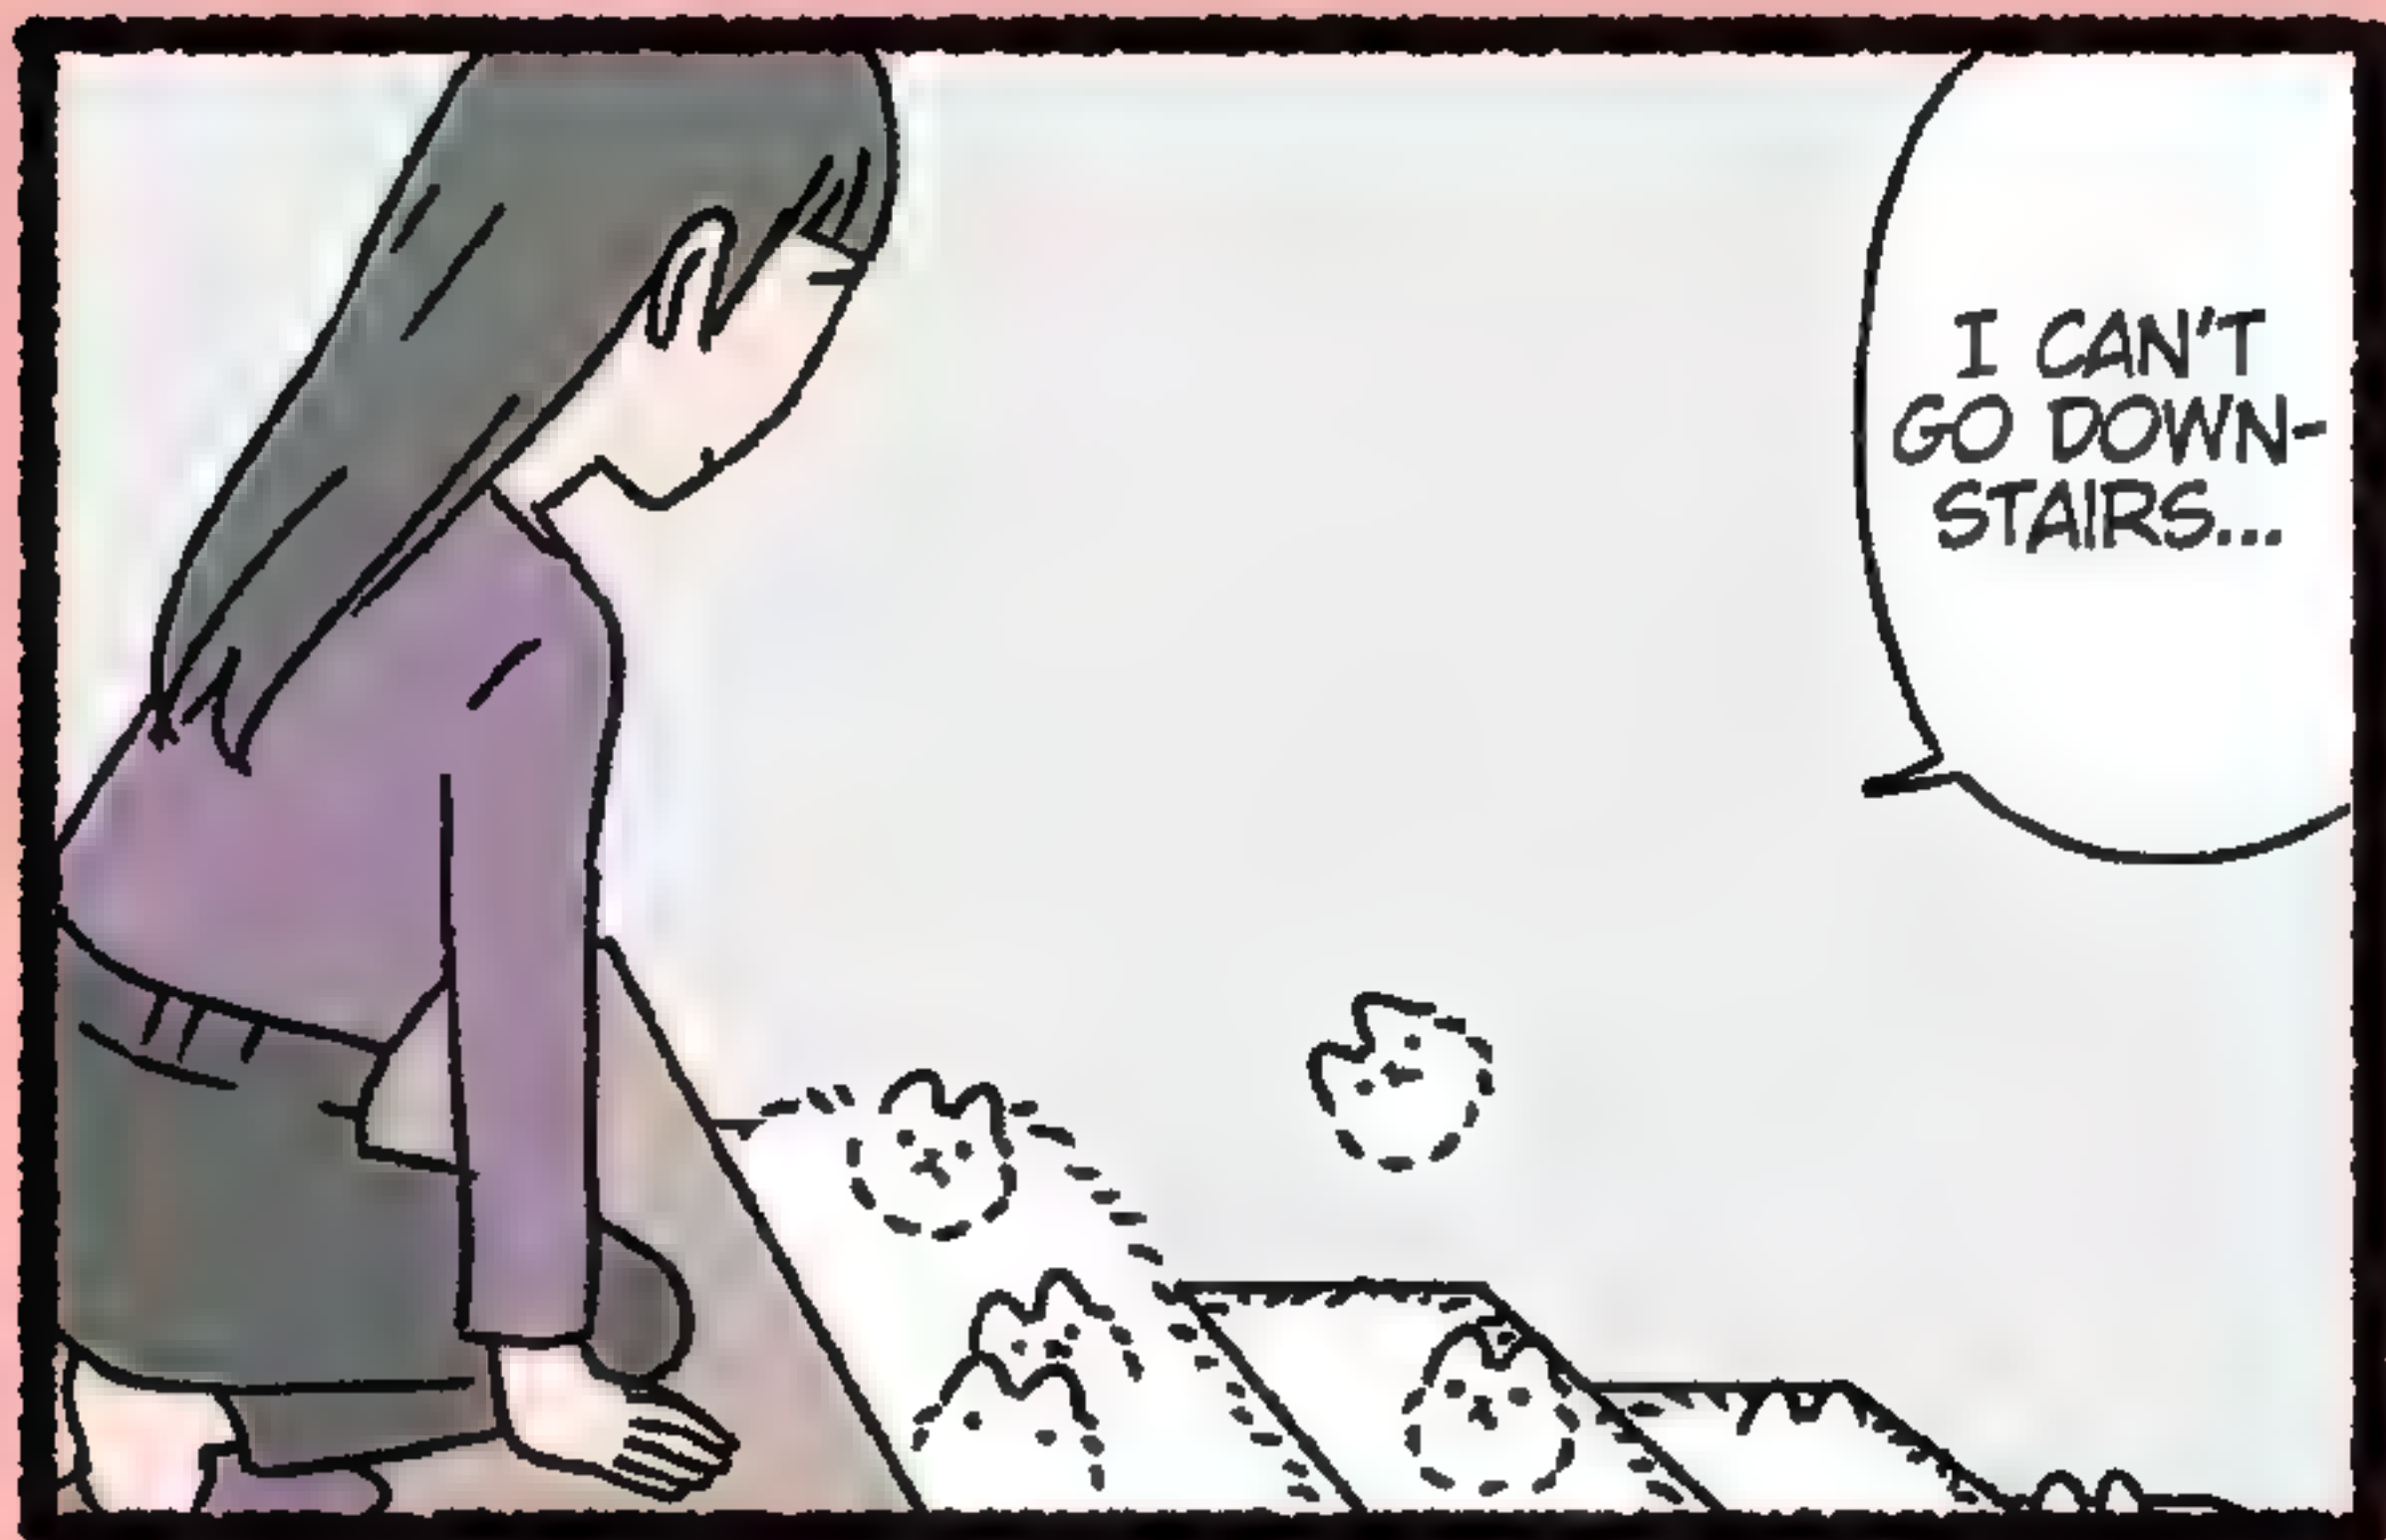

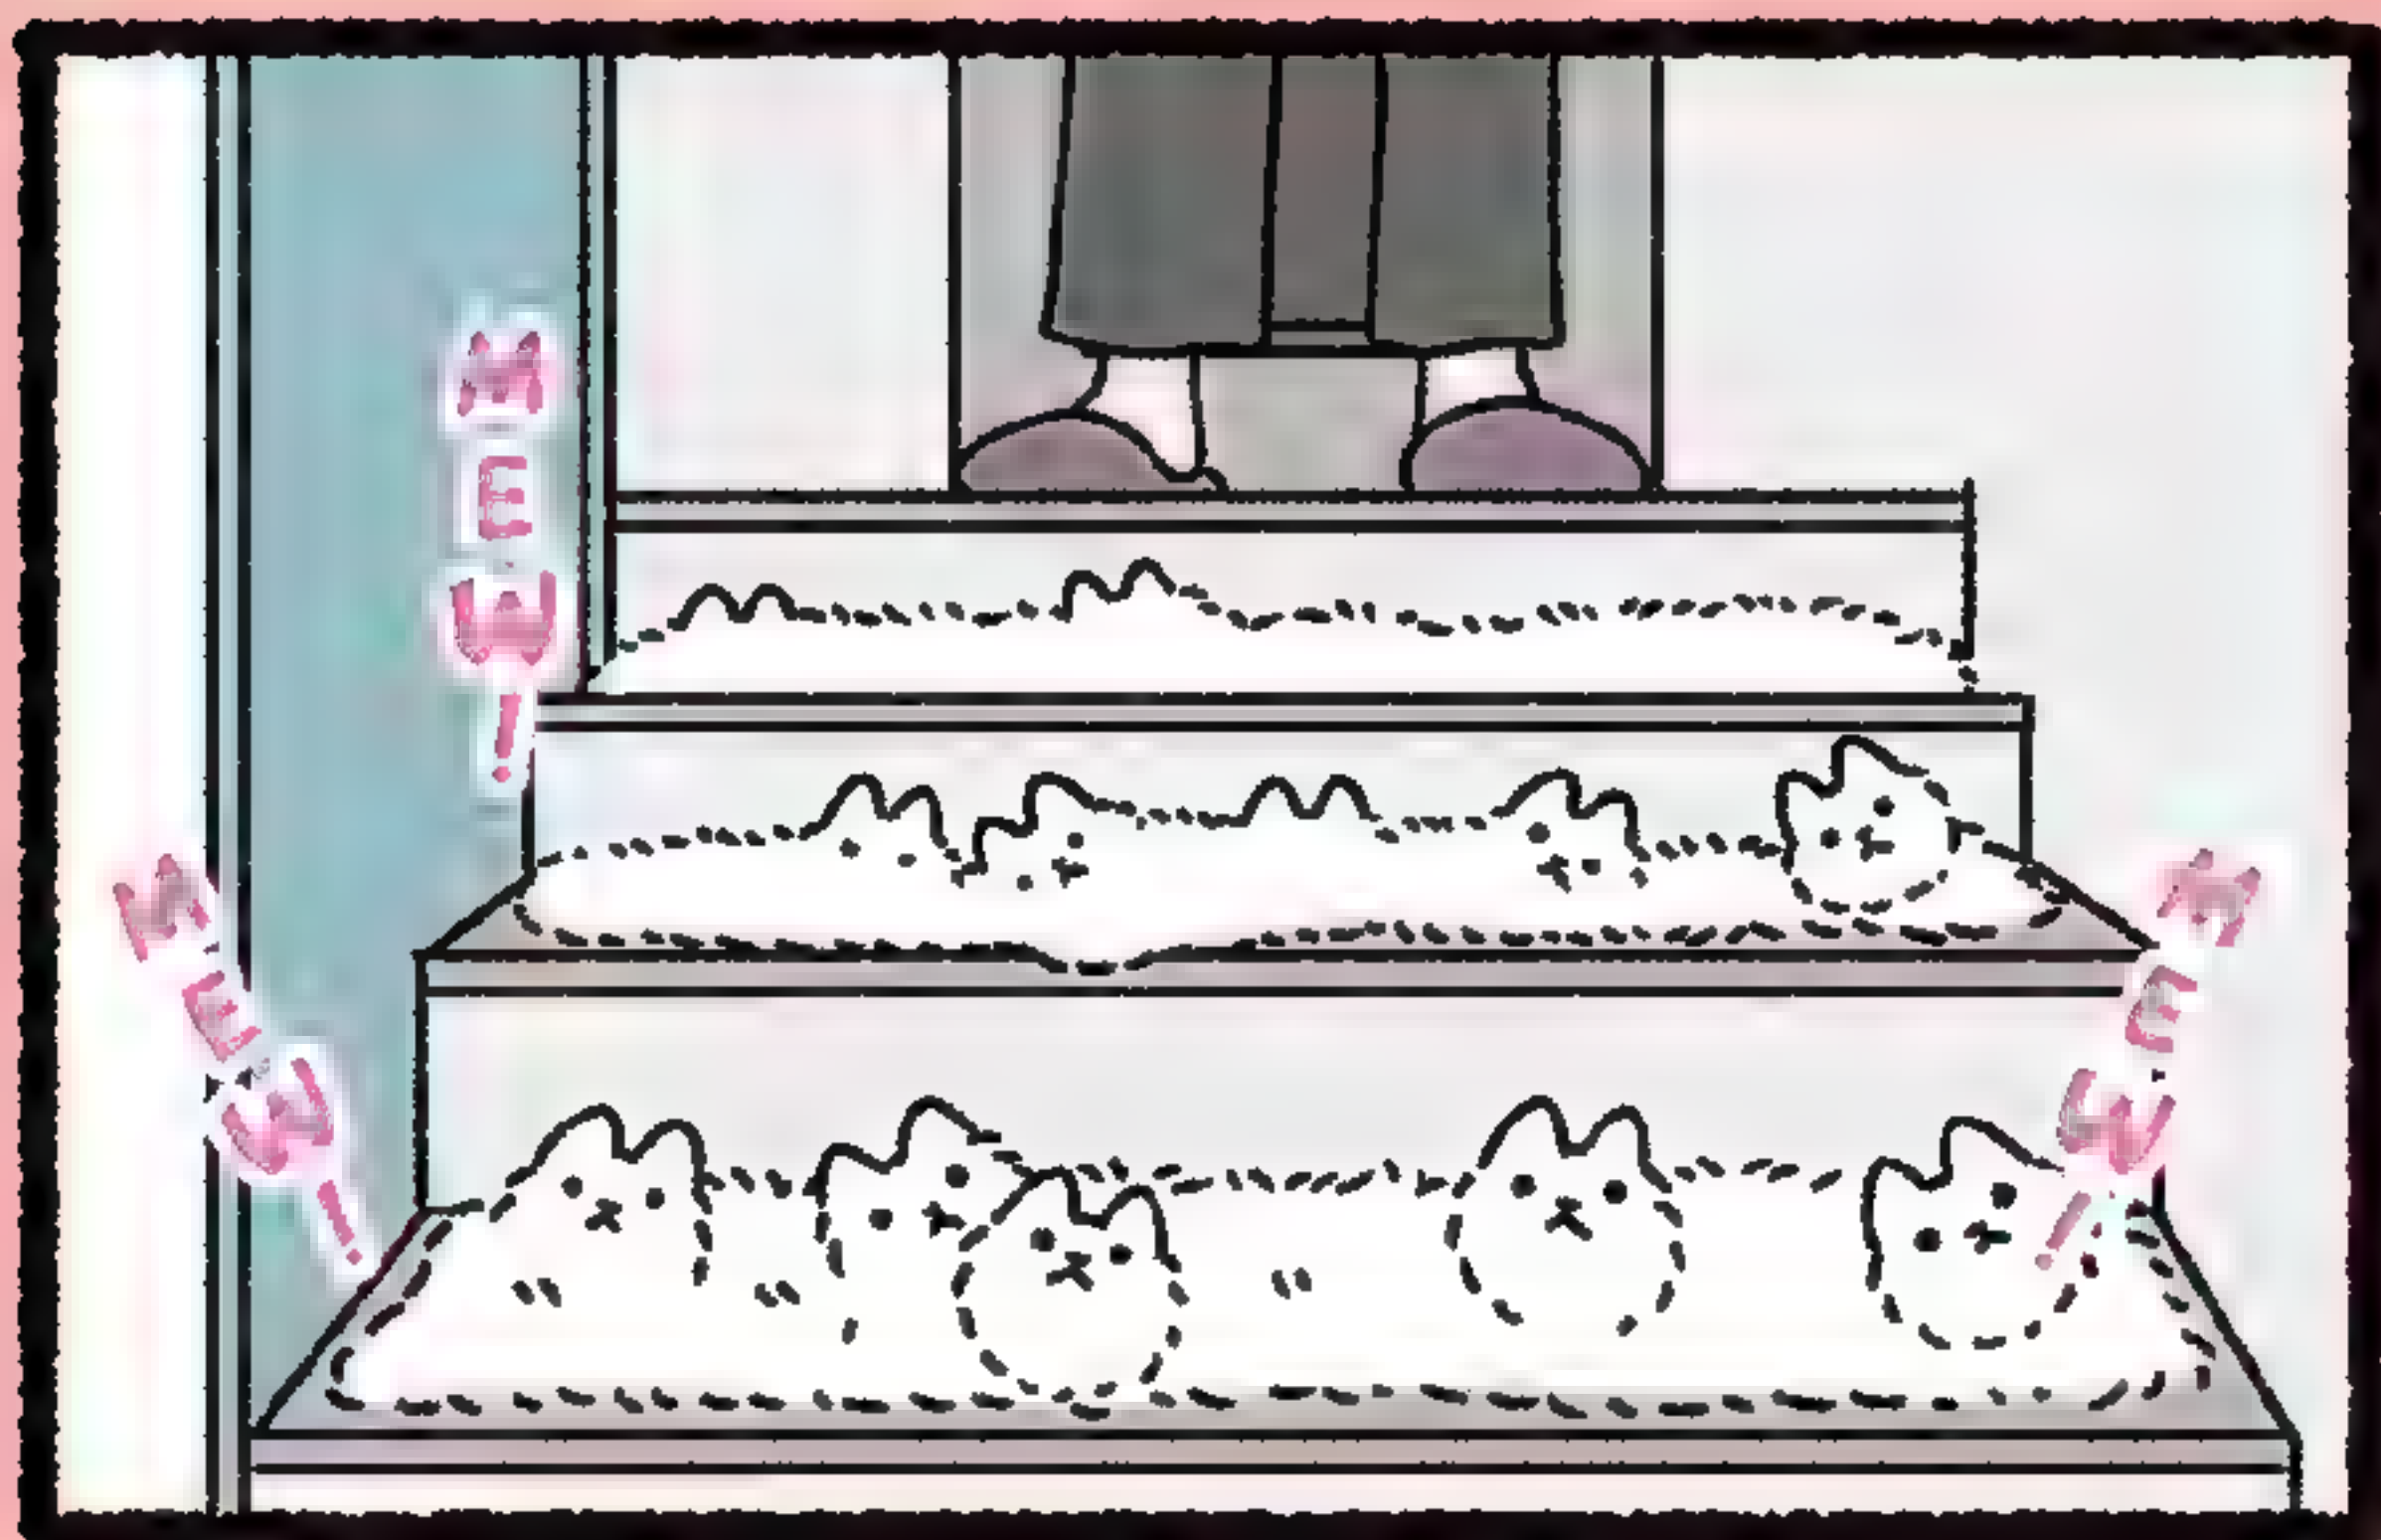

Can get
into any nook
or cranny,
whether it's
between sofa
cushions or
books on a
shelf.

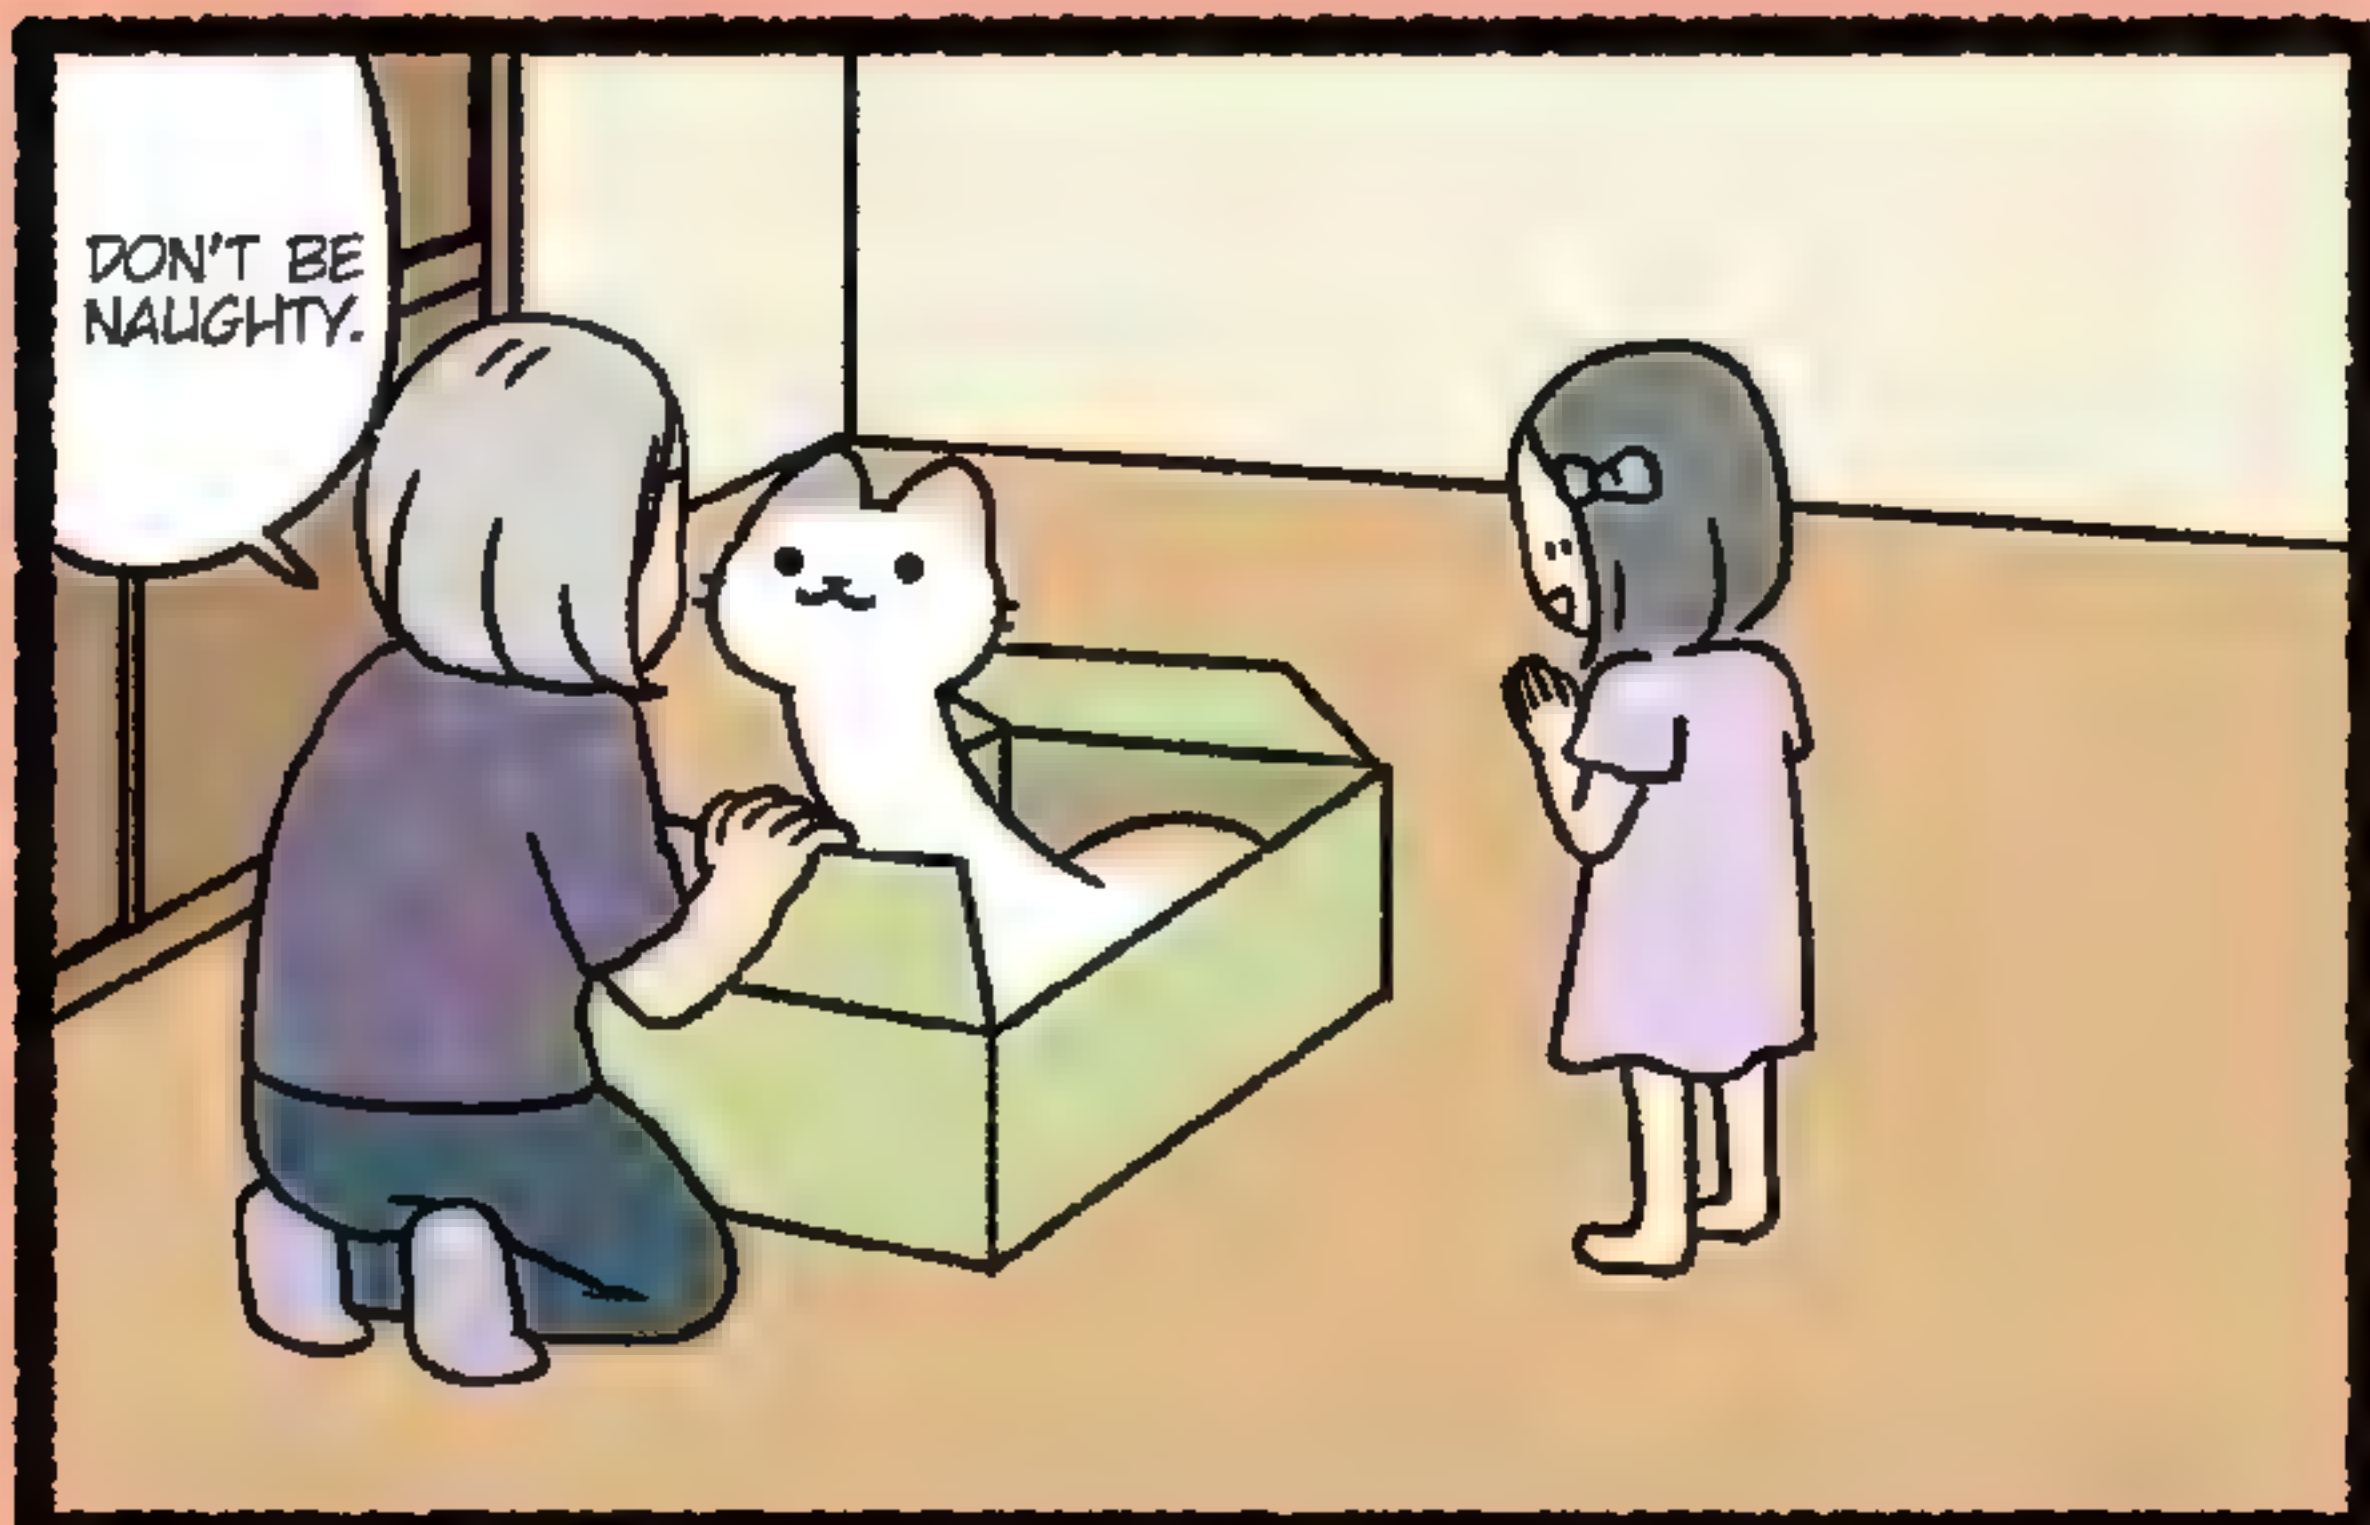

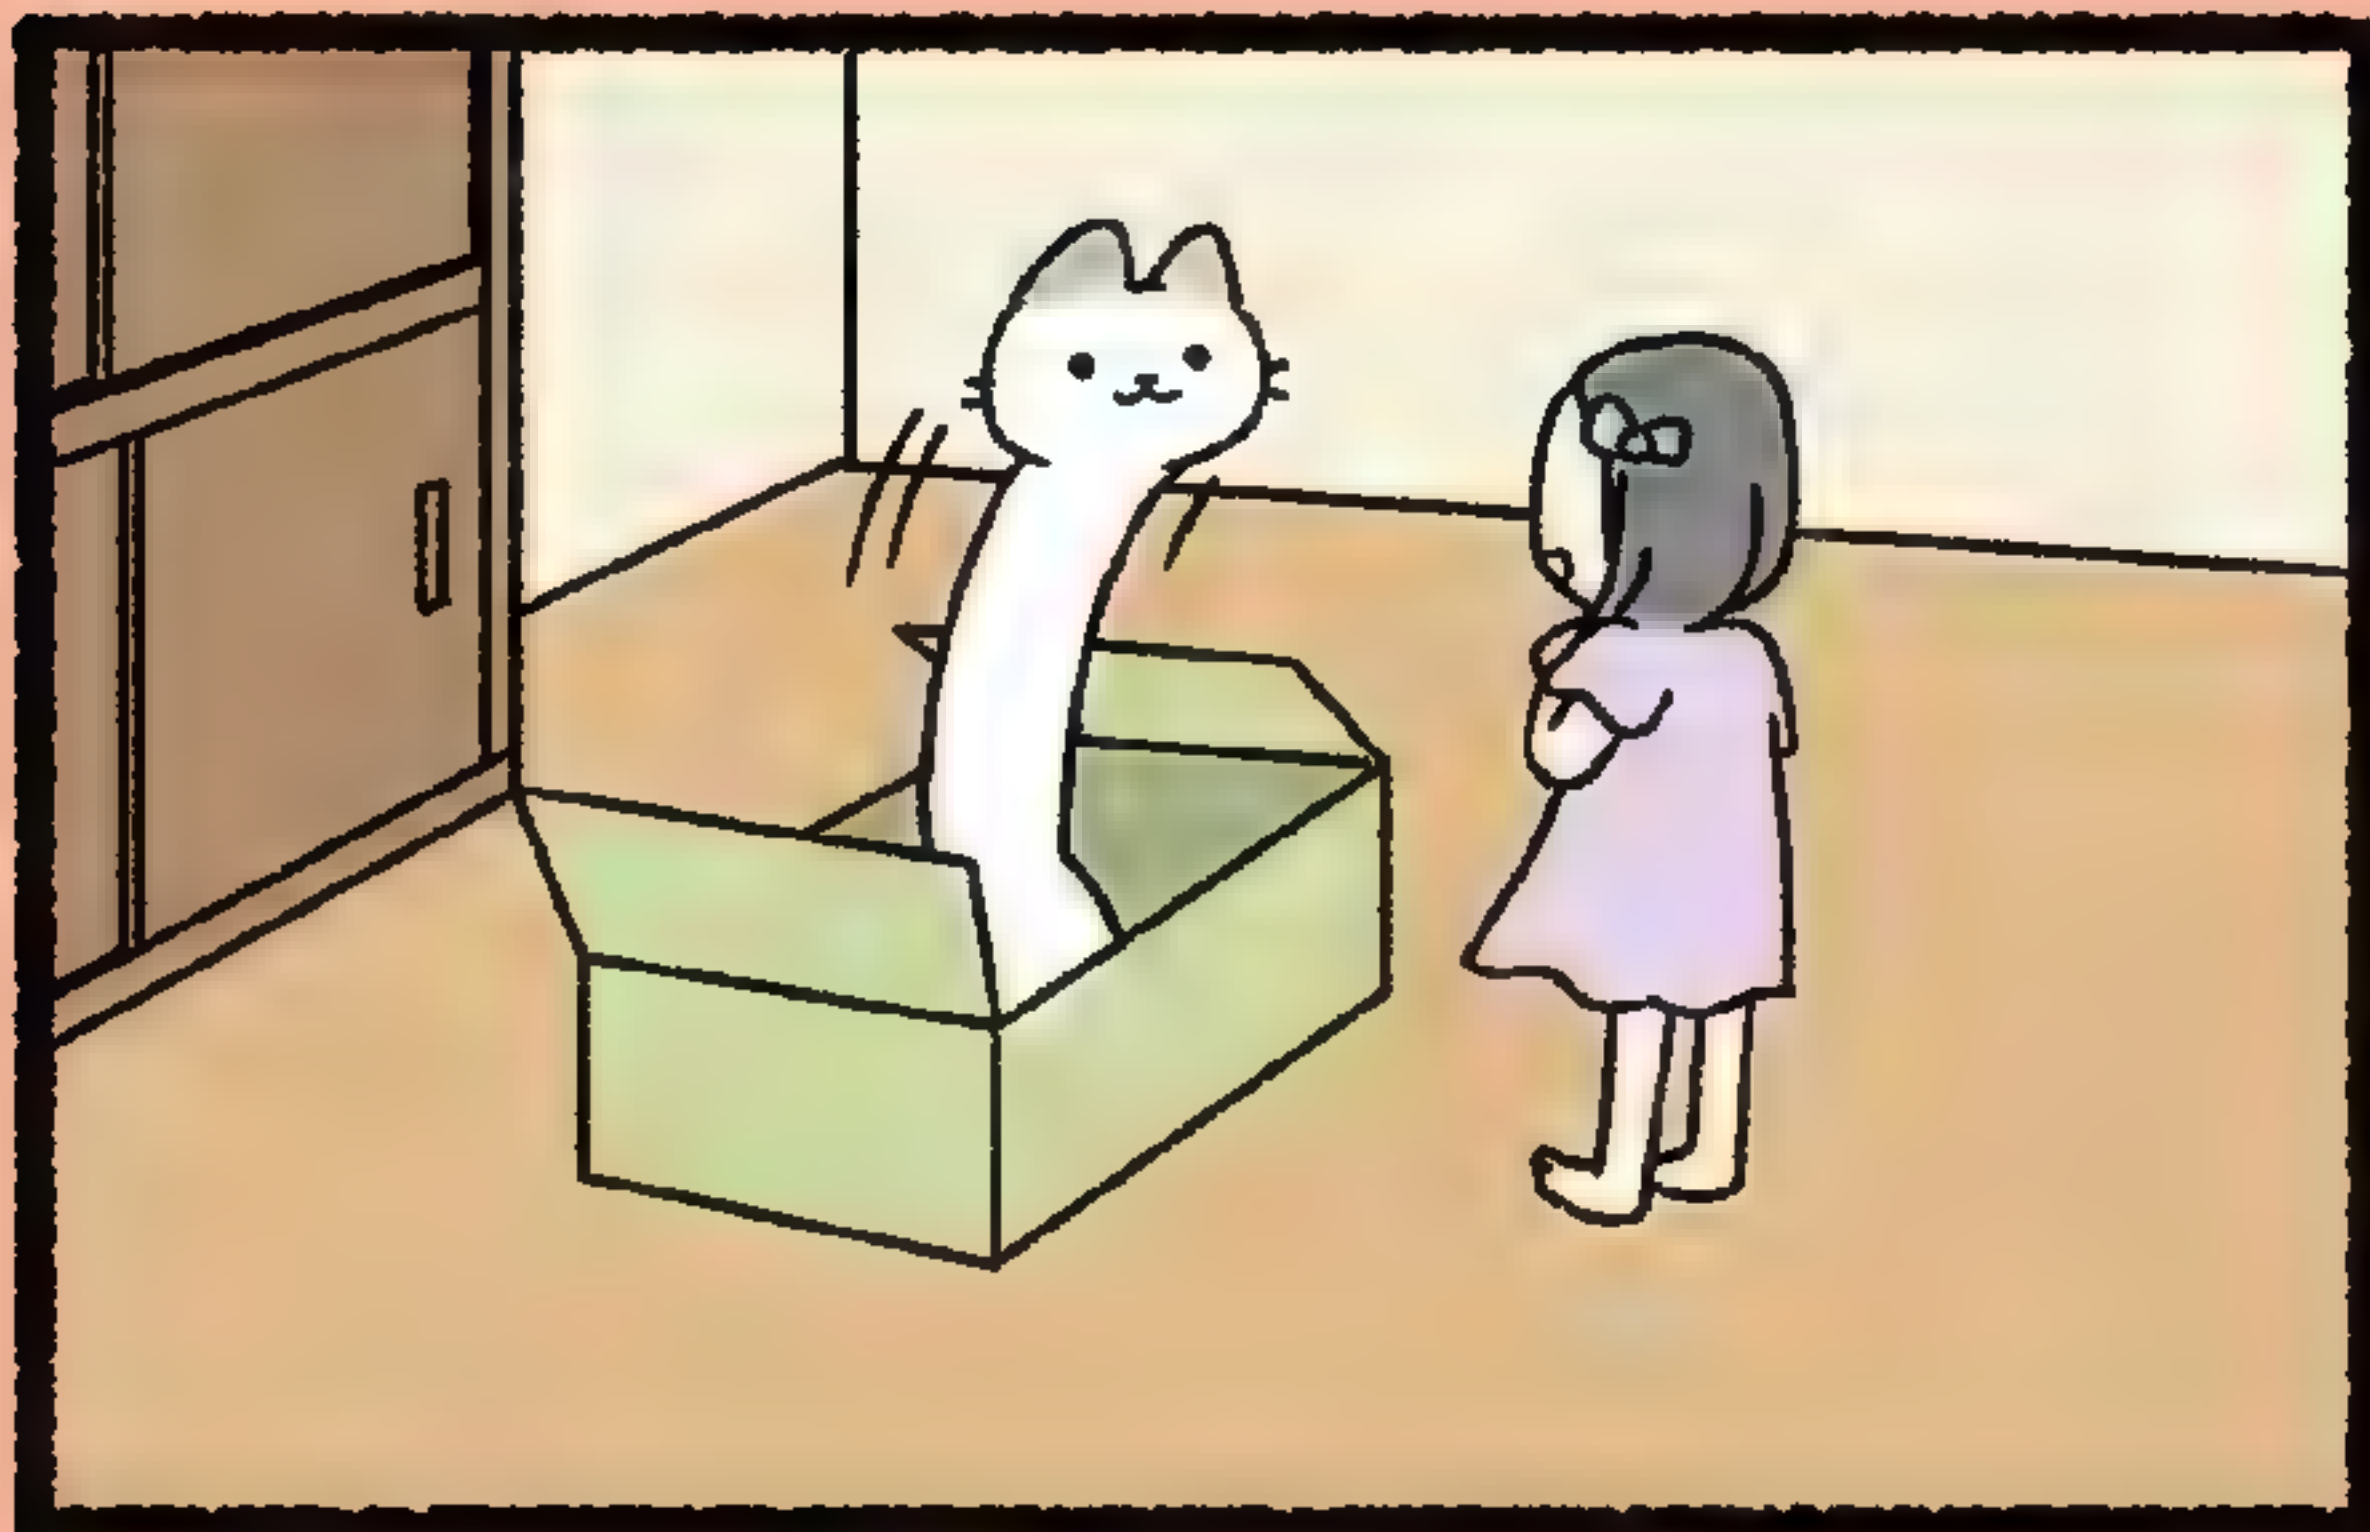

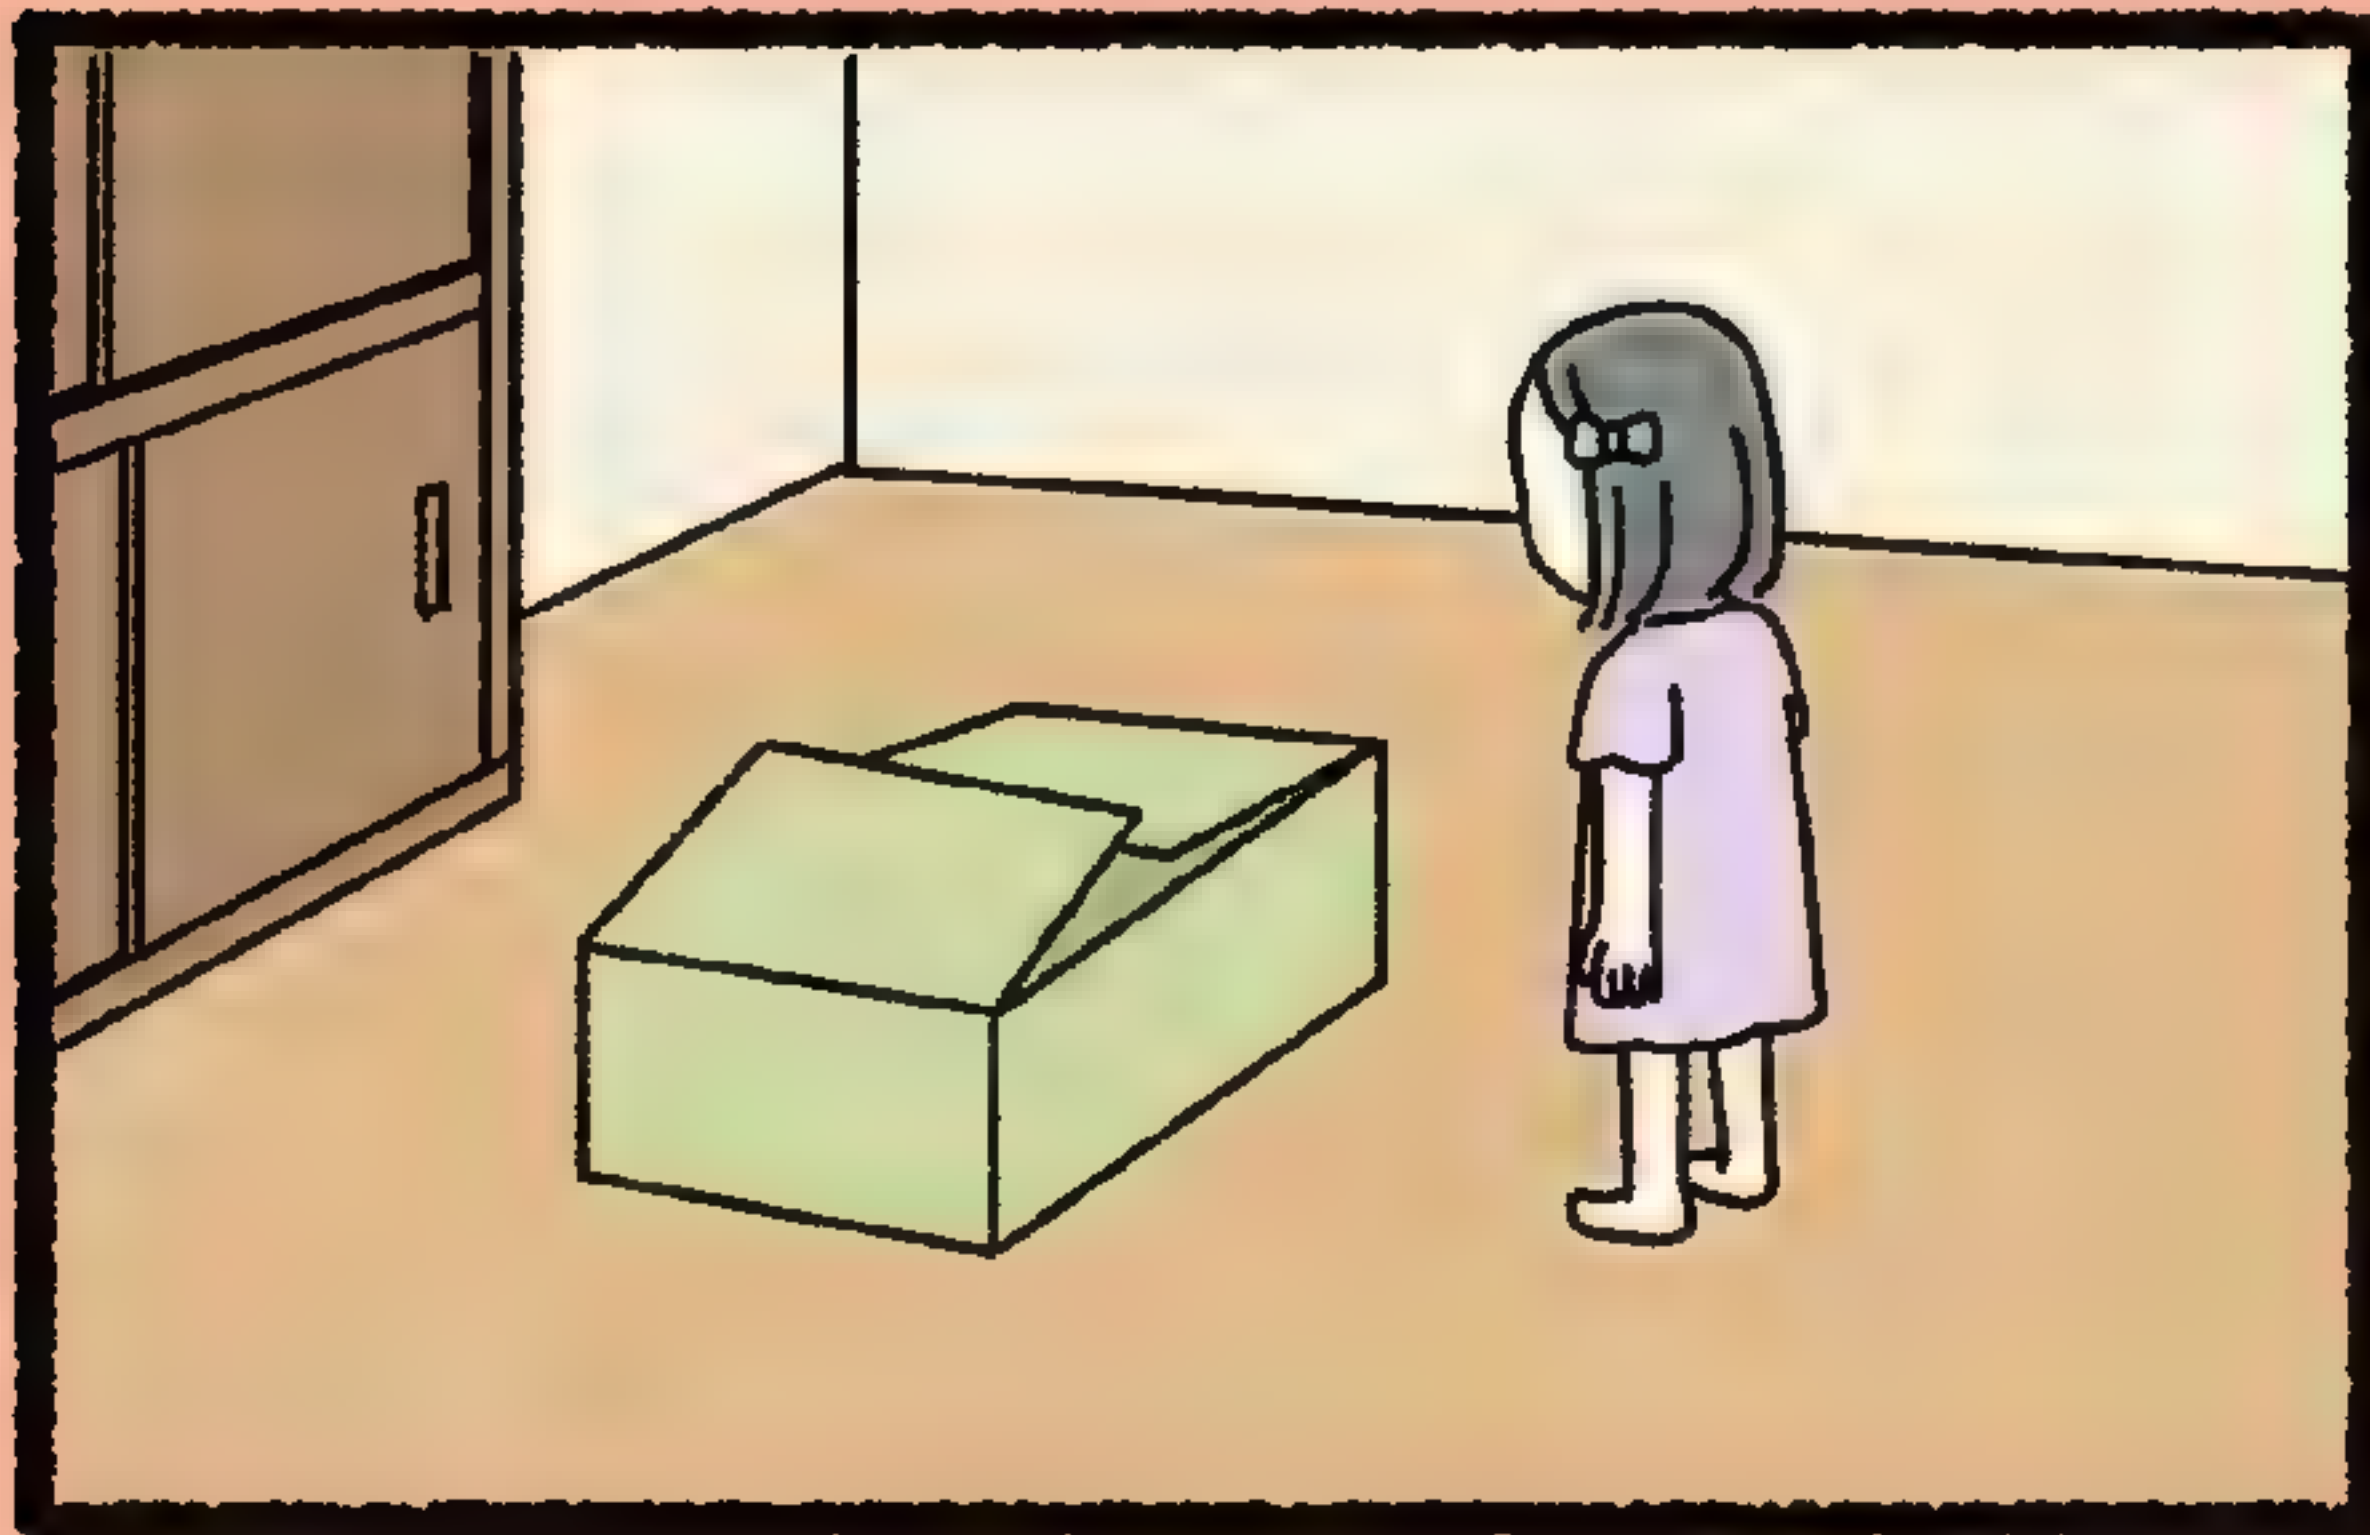

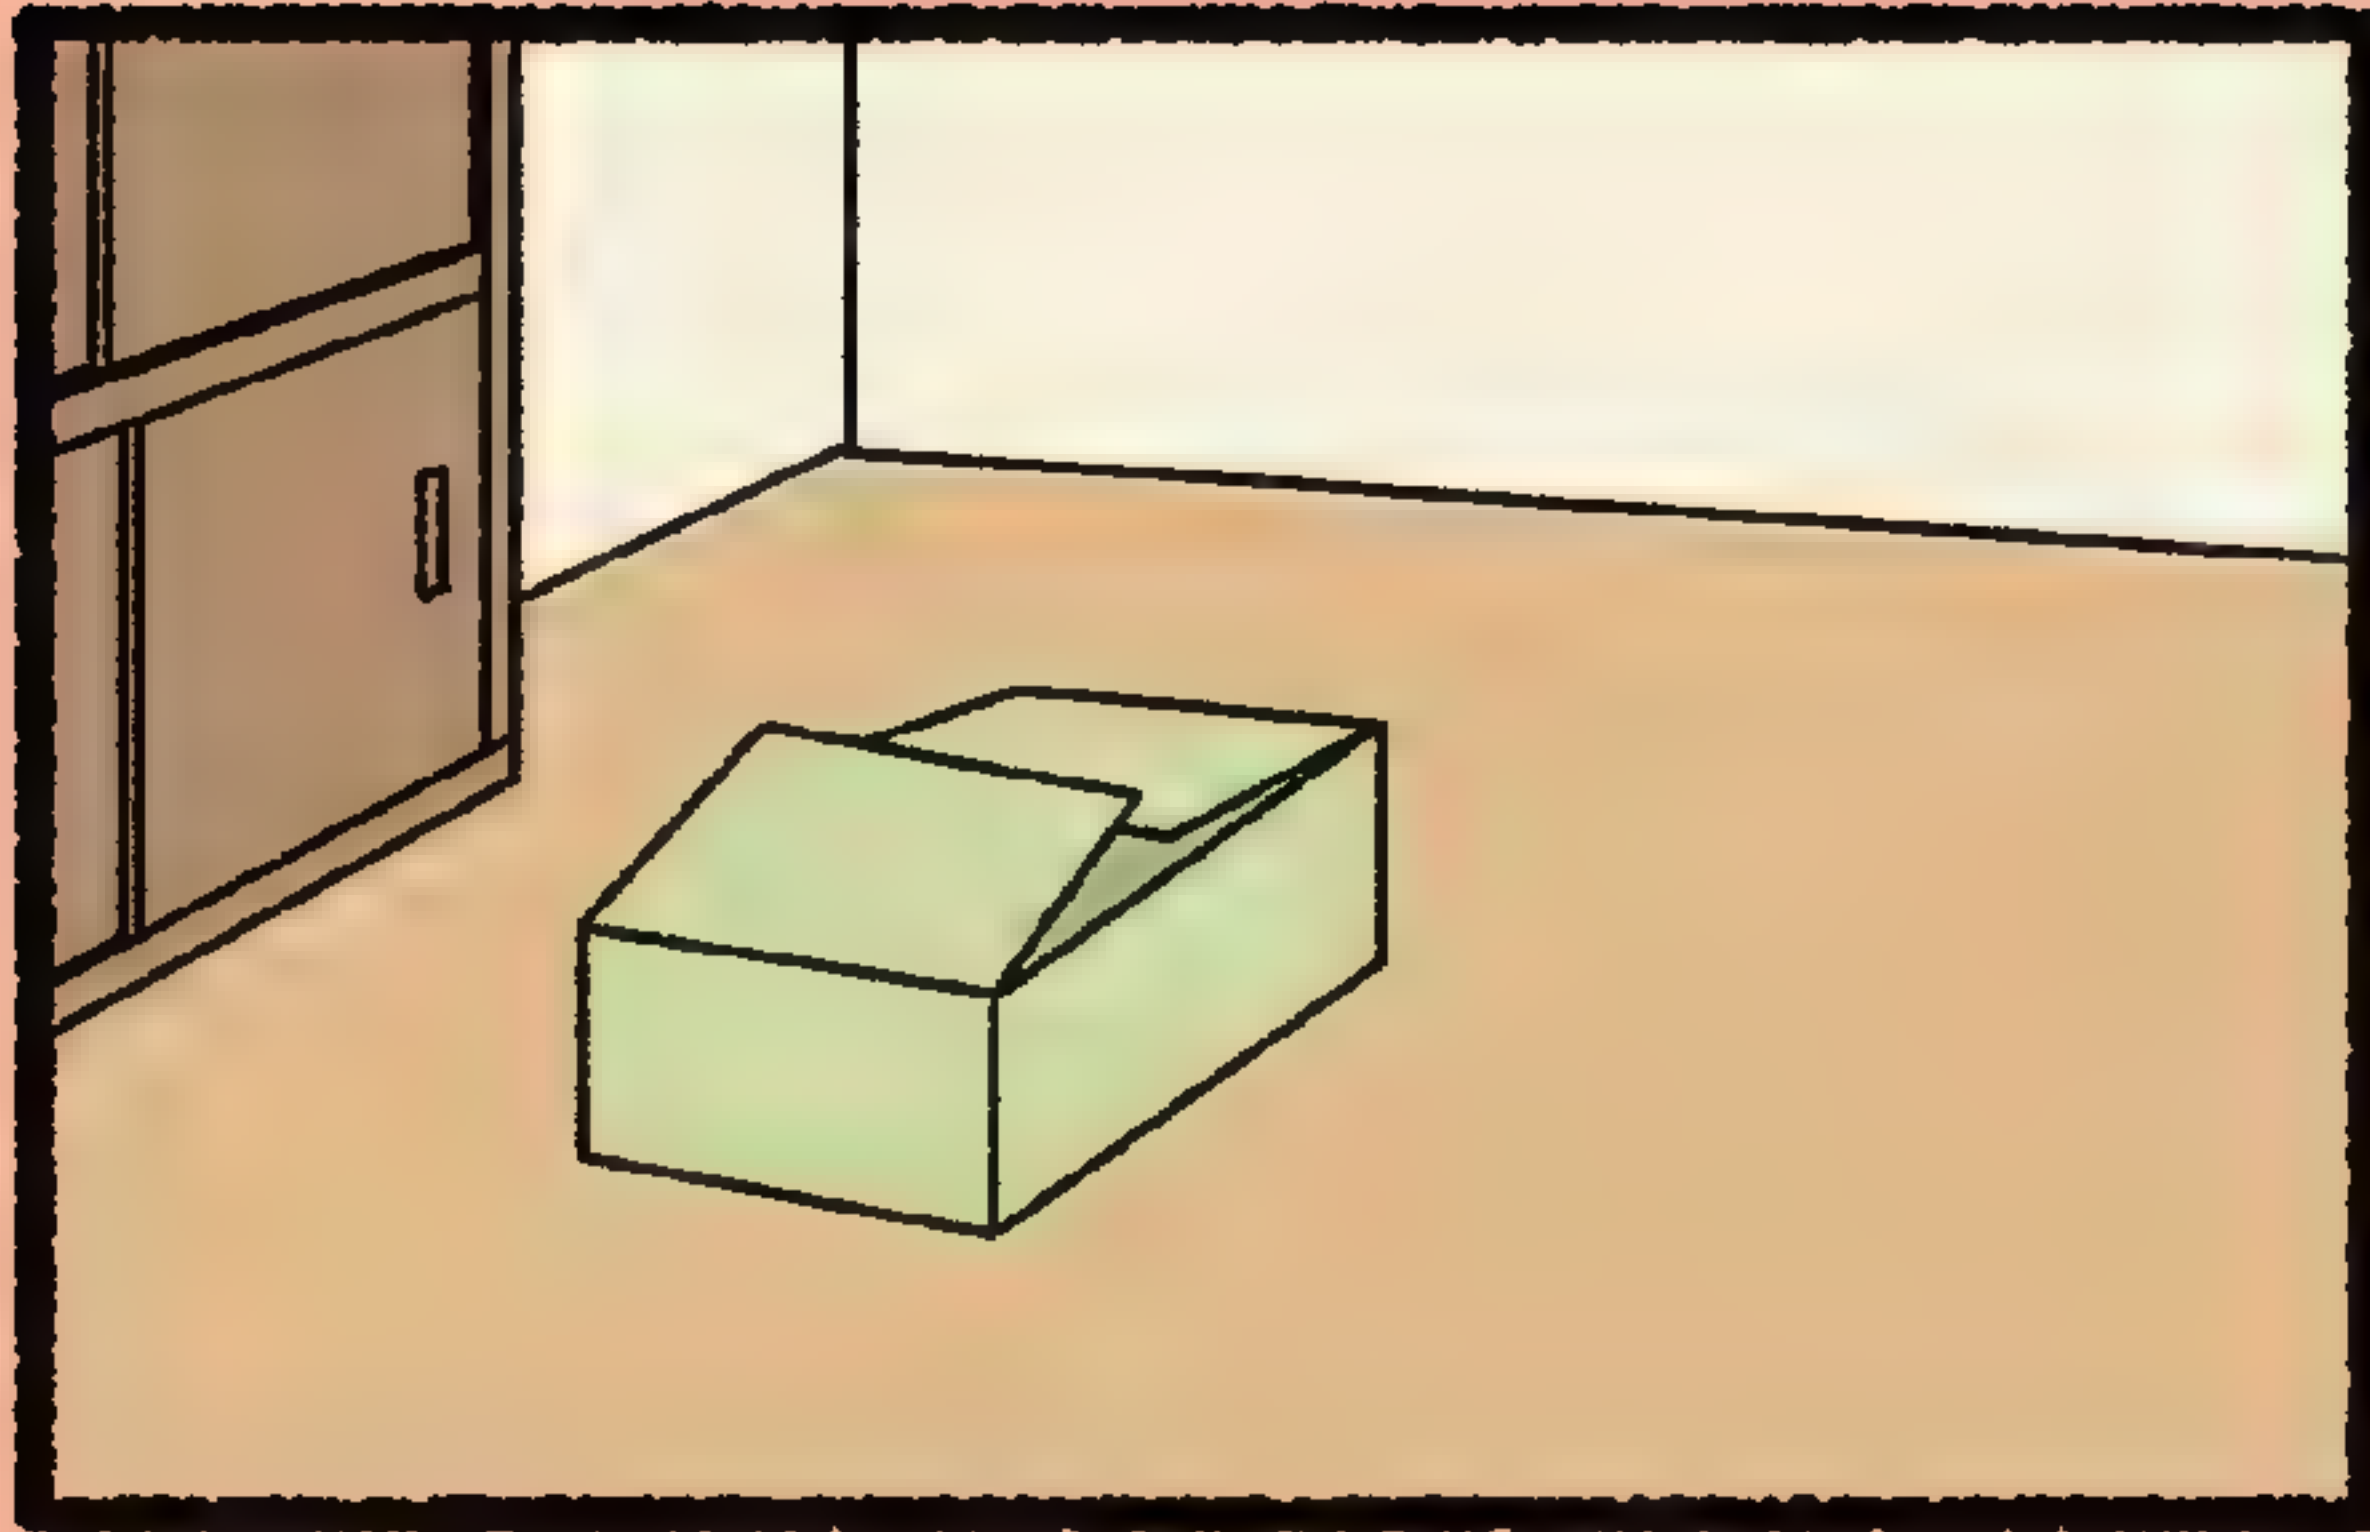

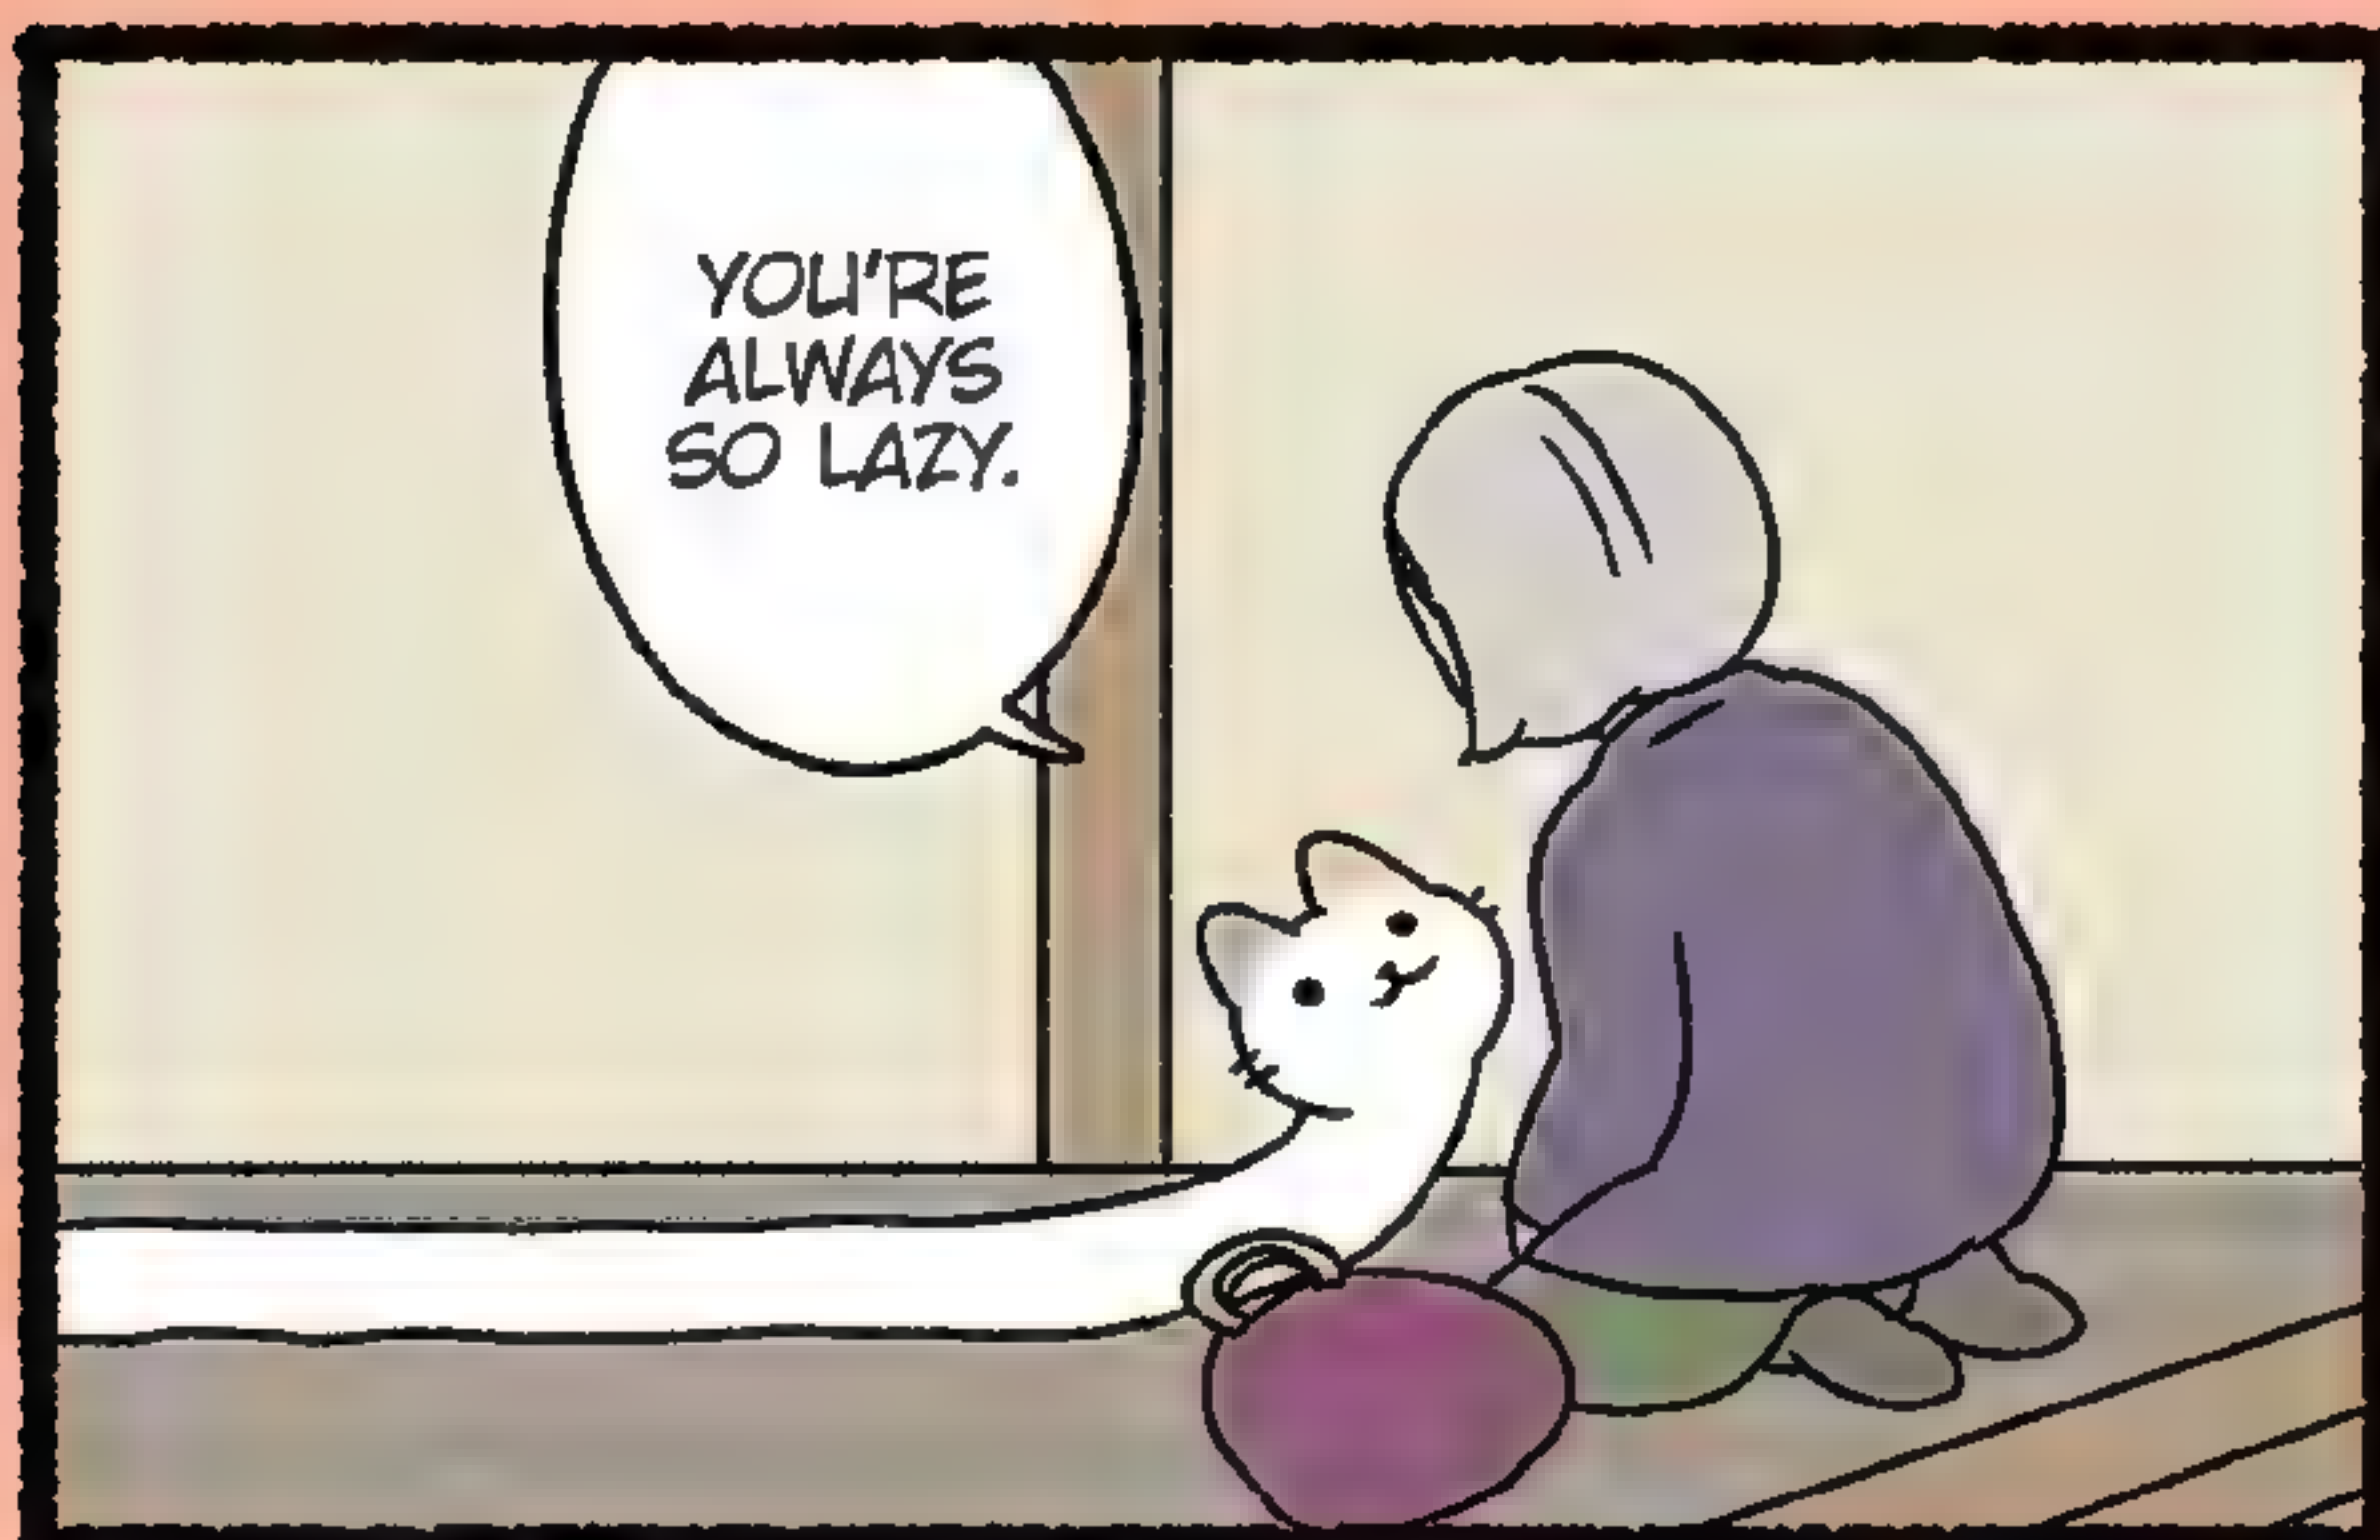

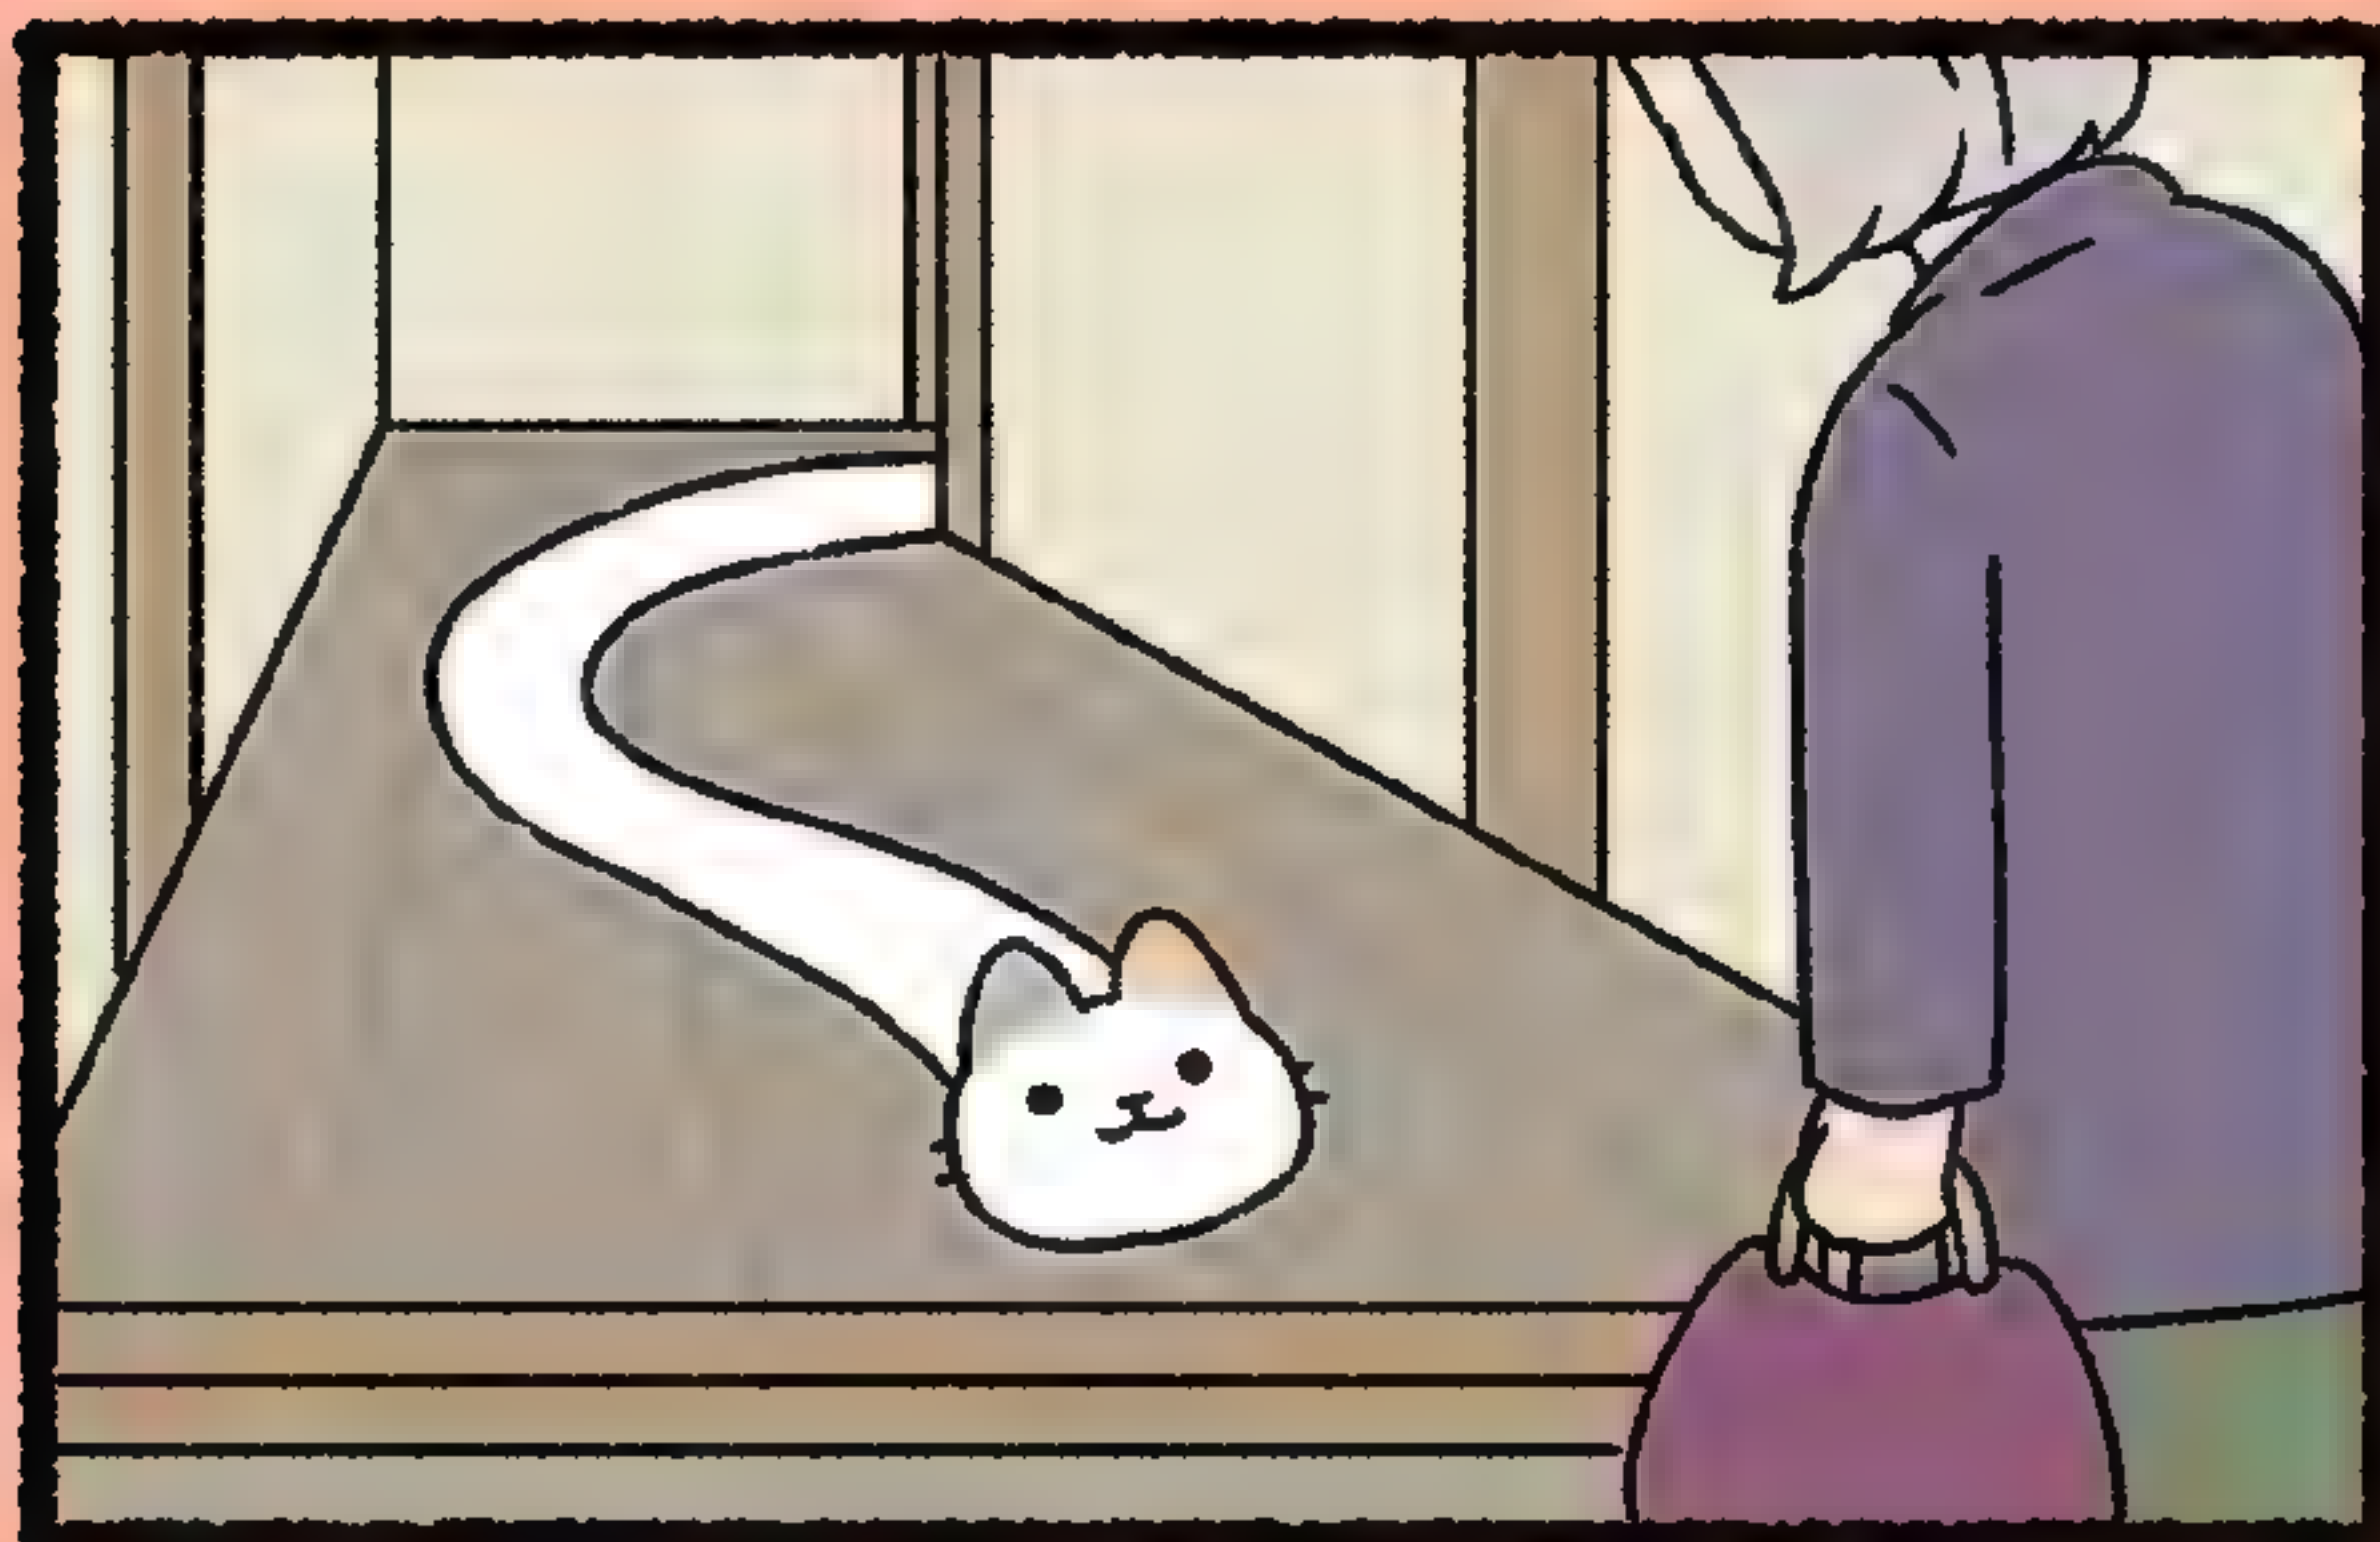

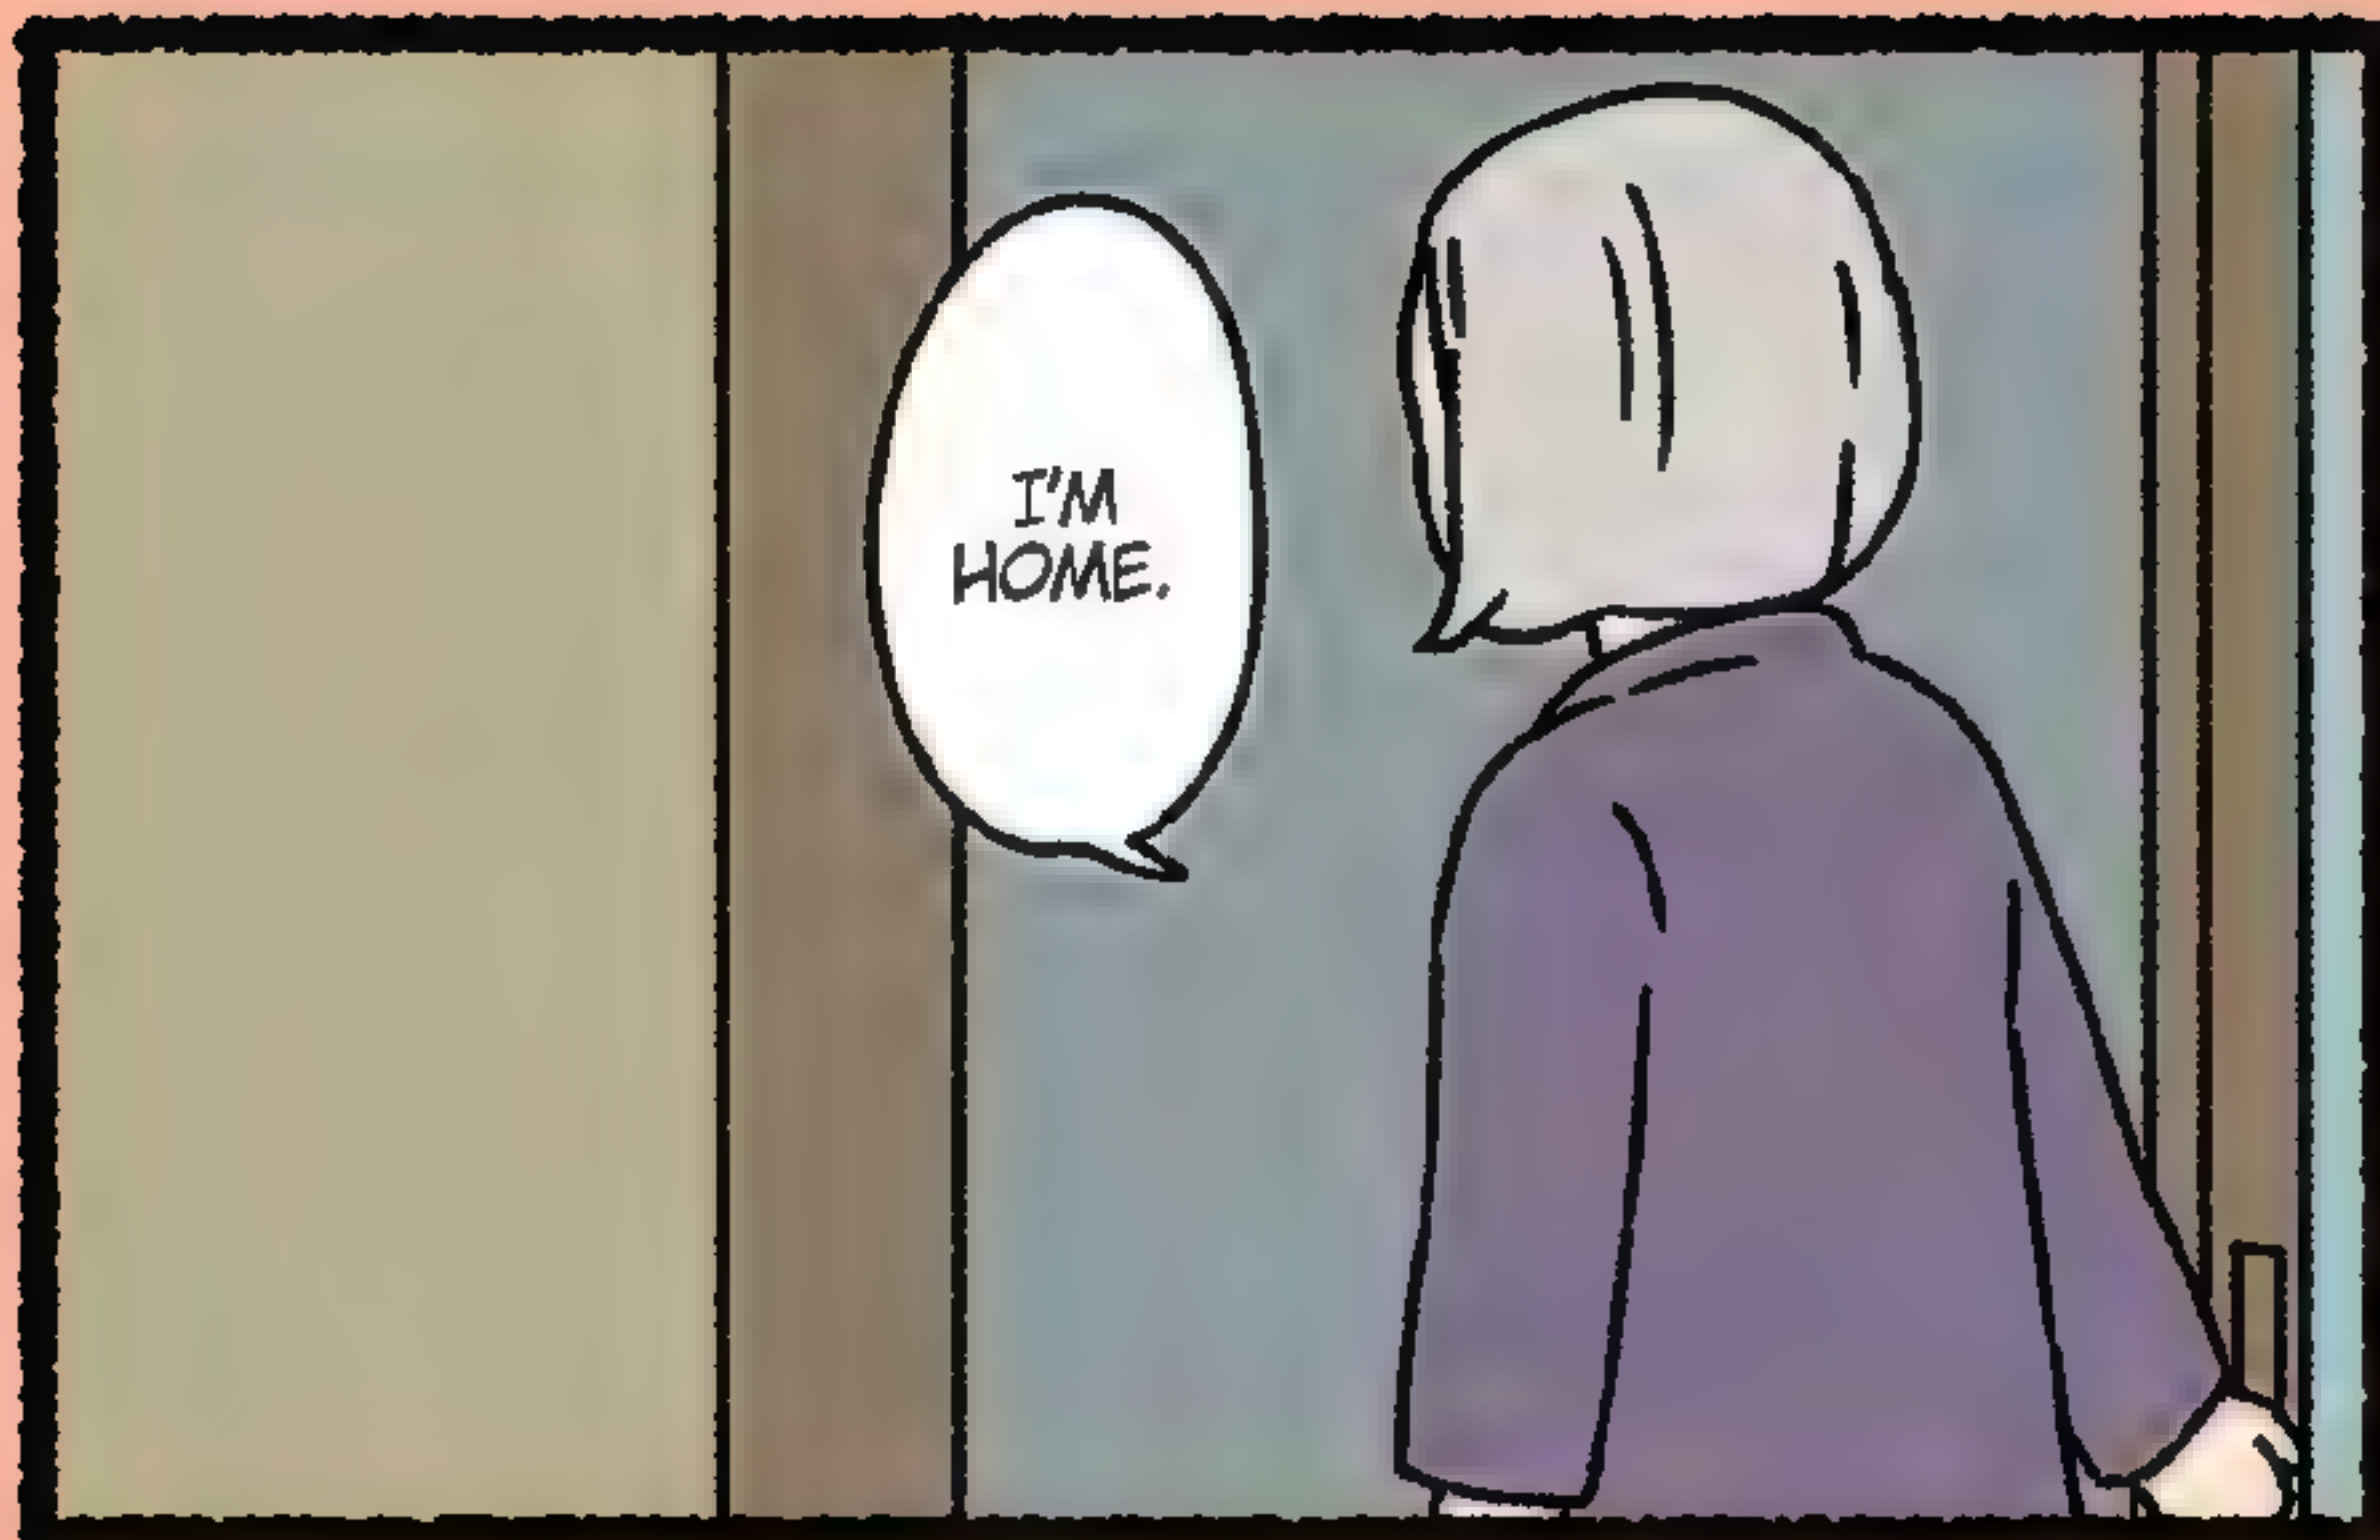

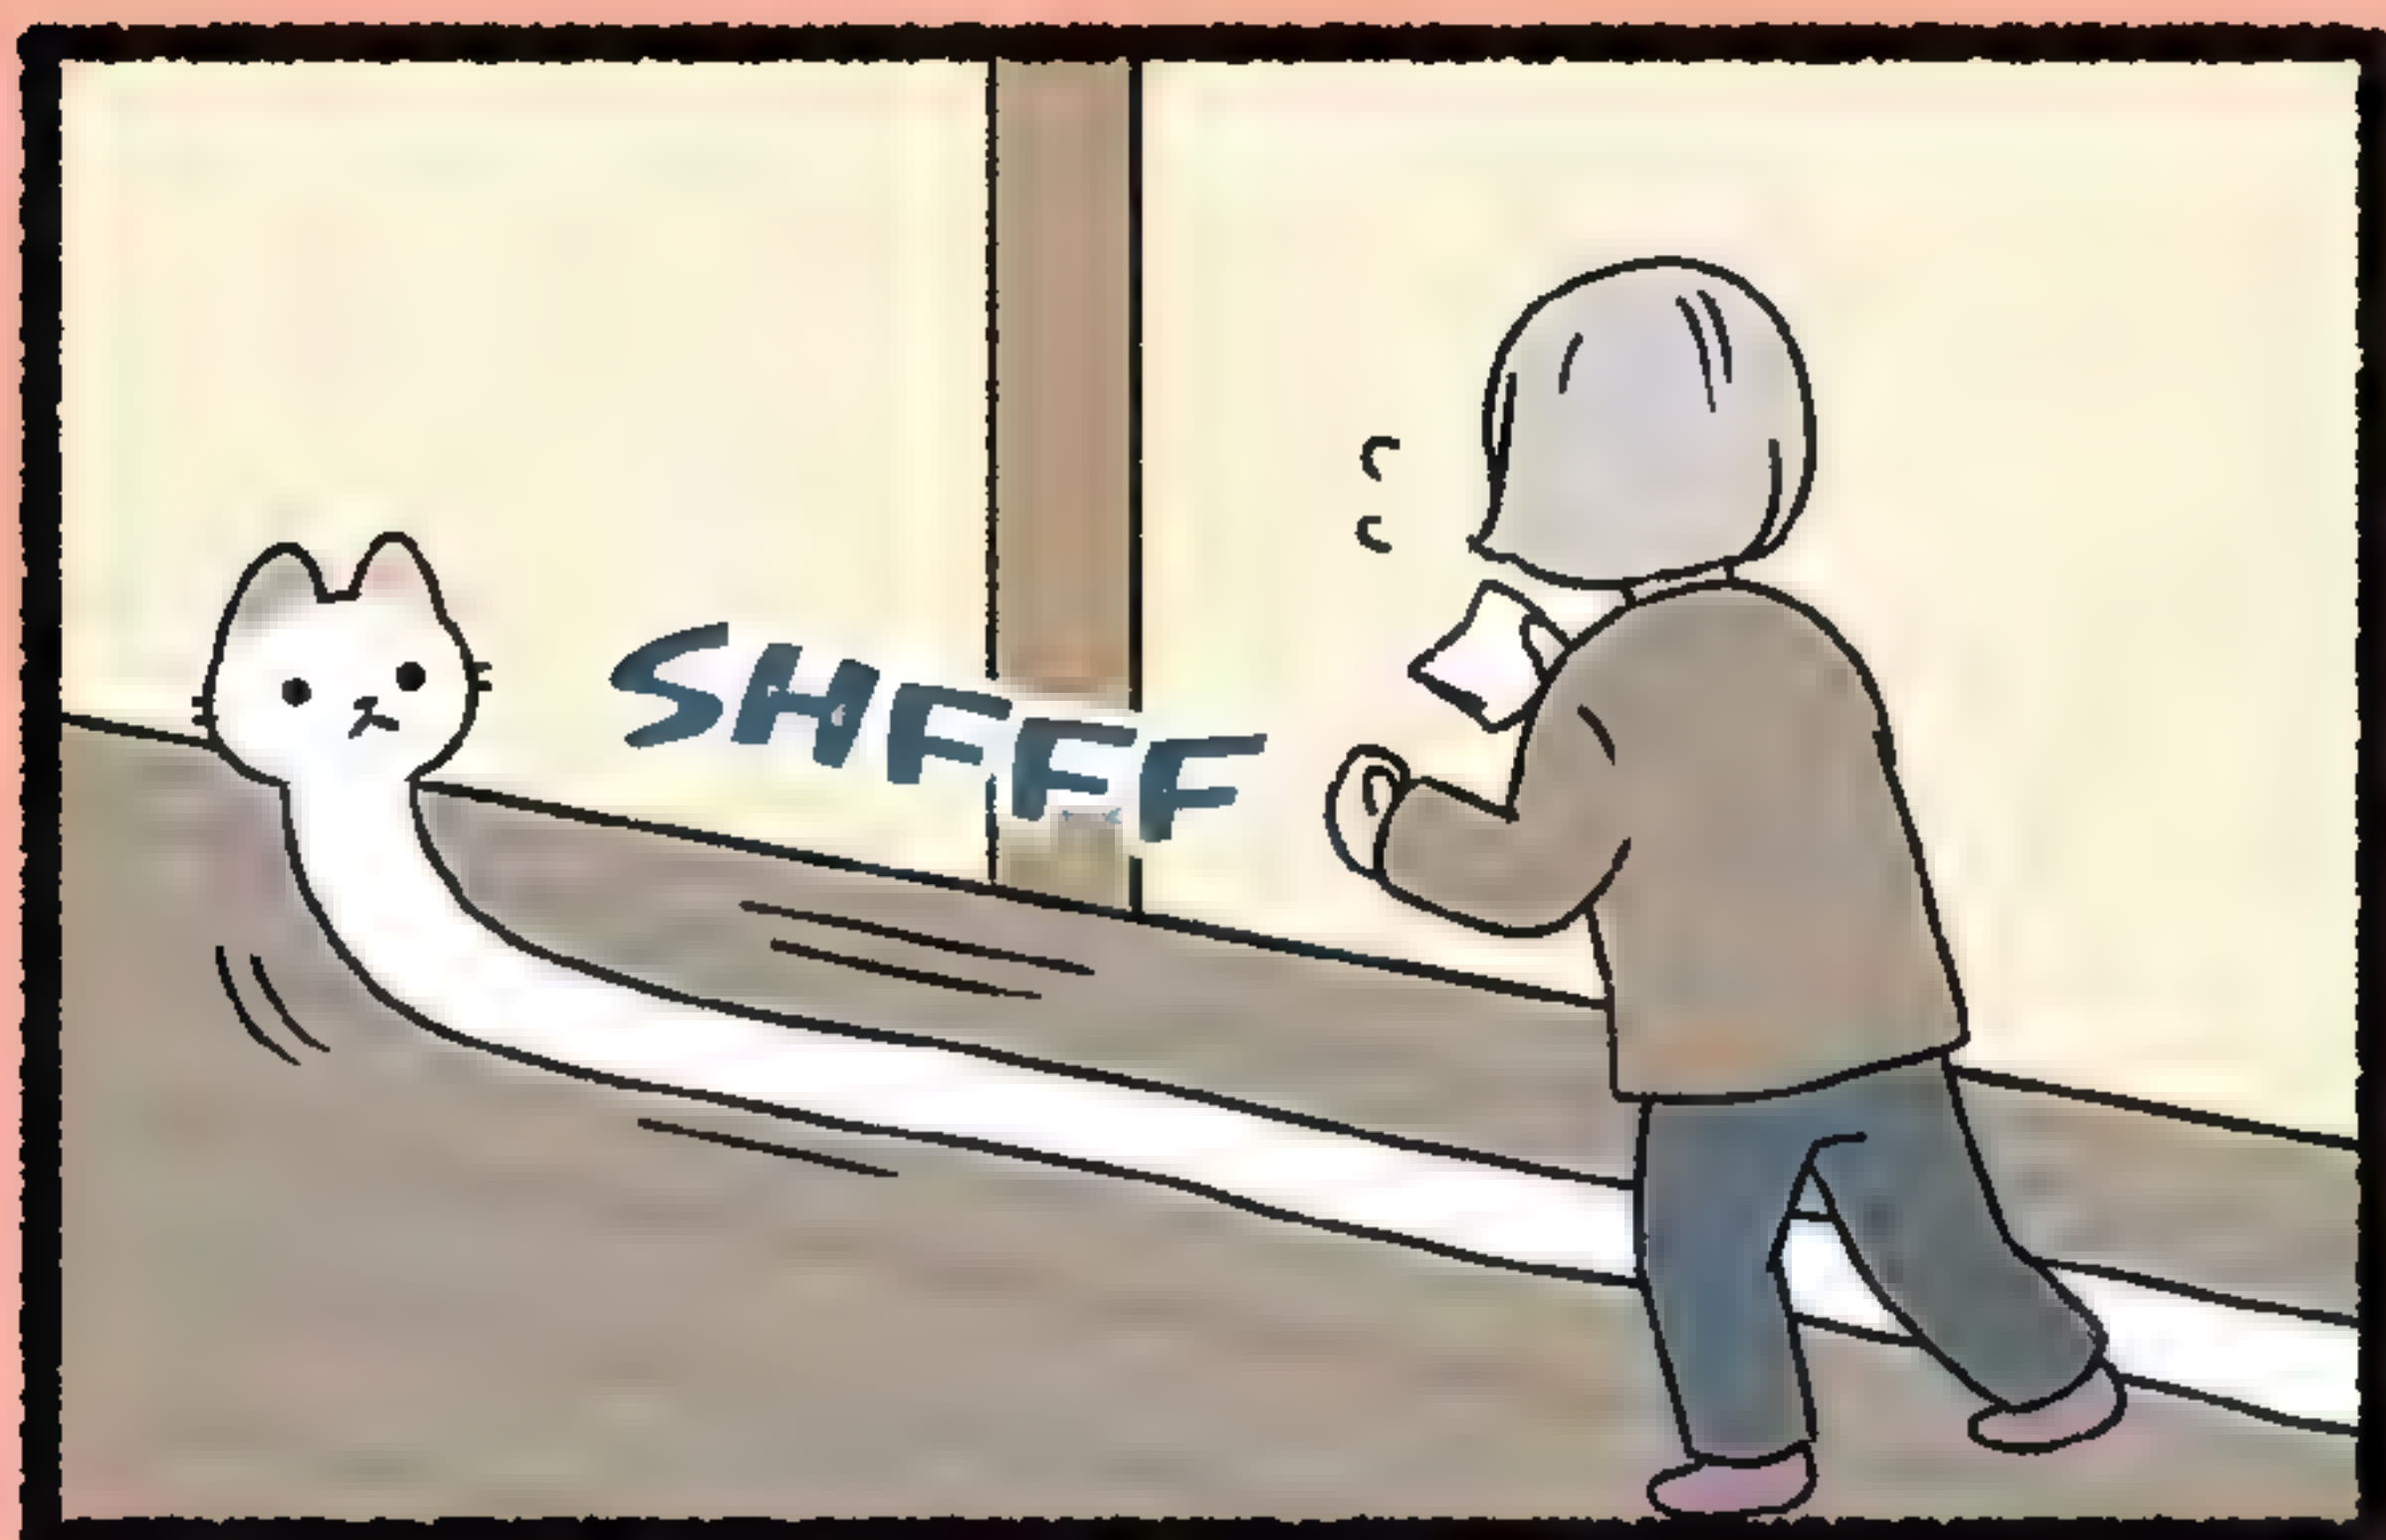

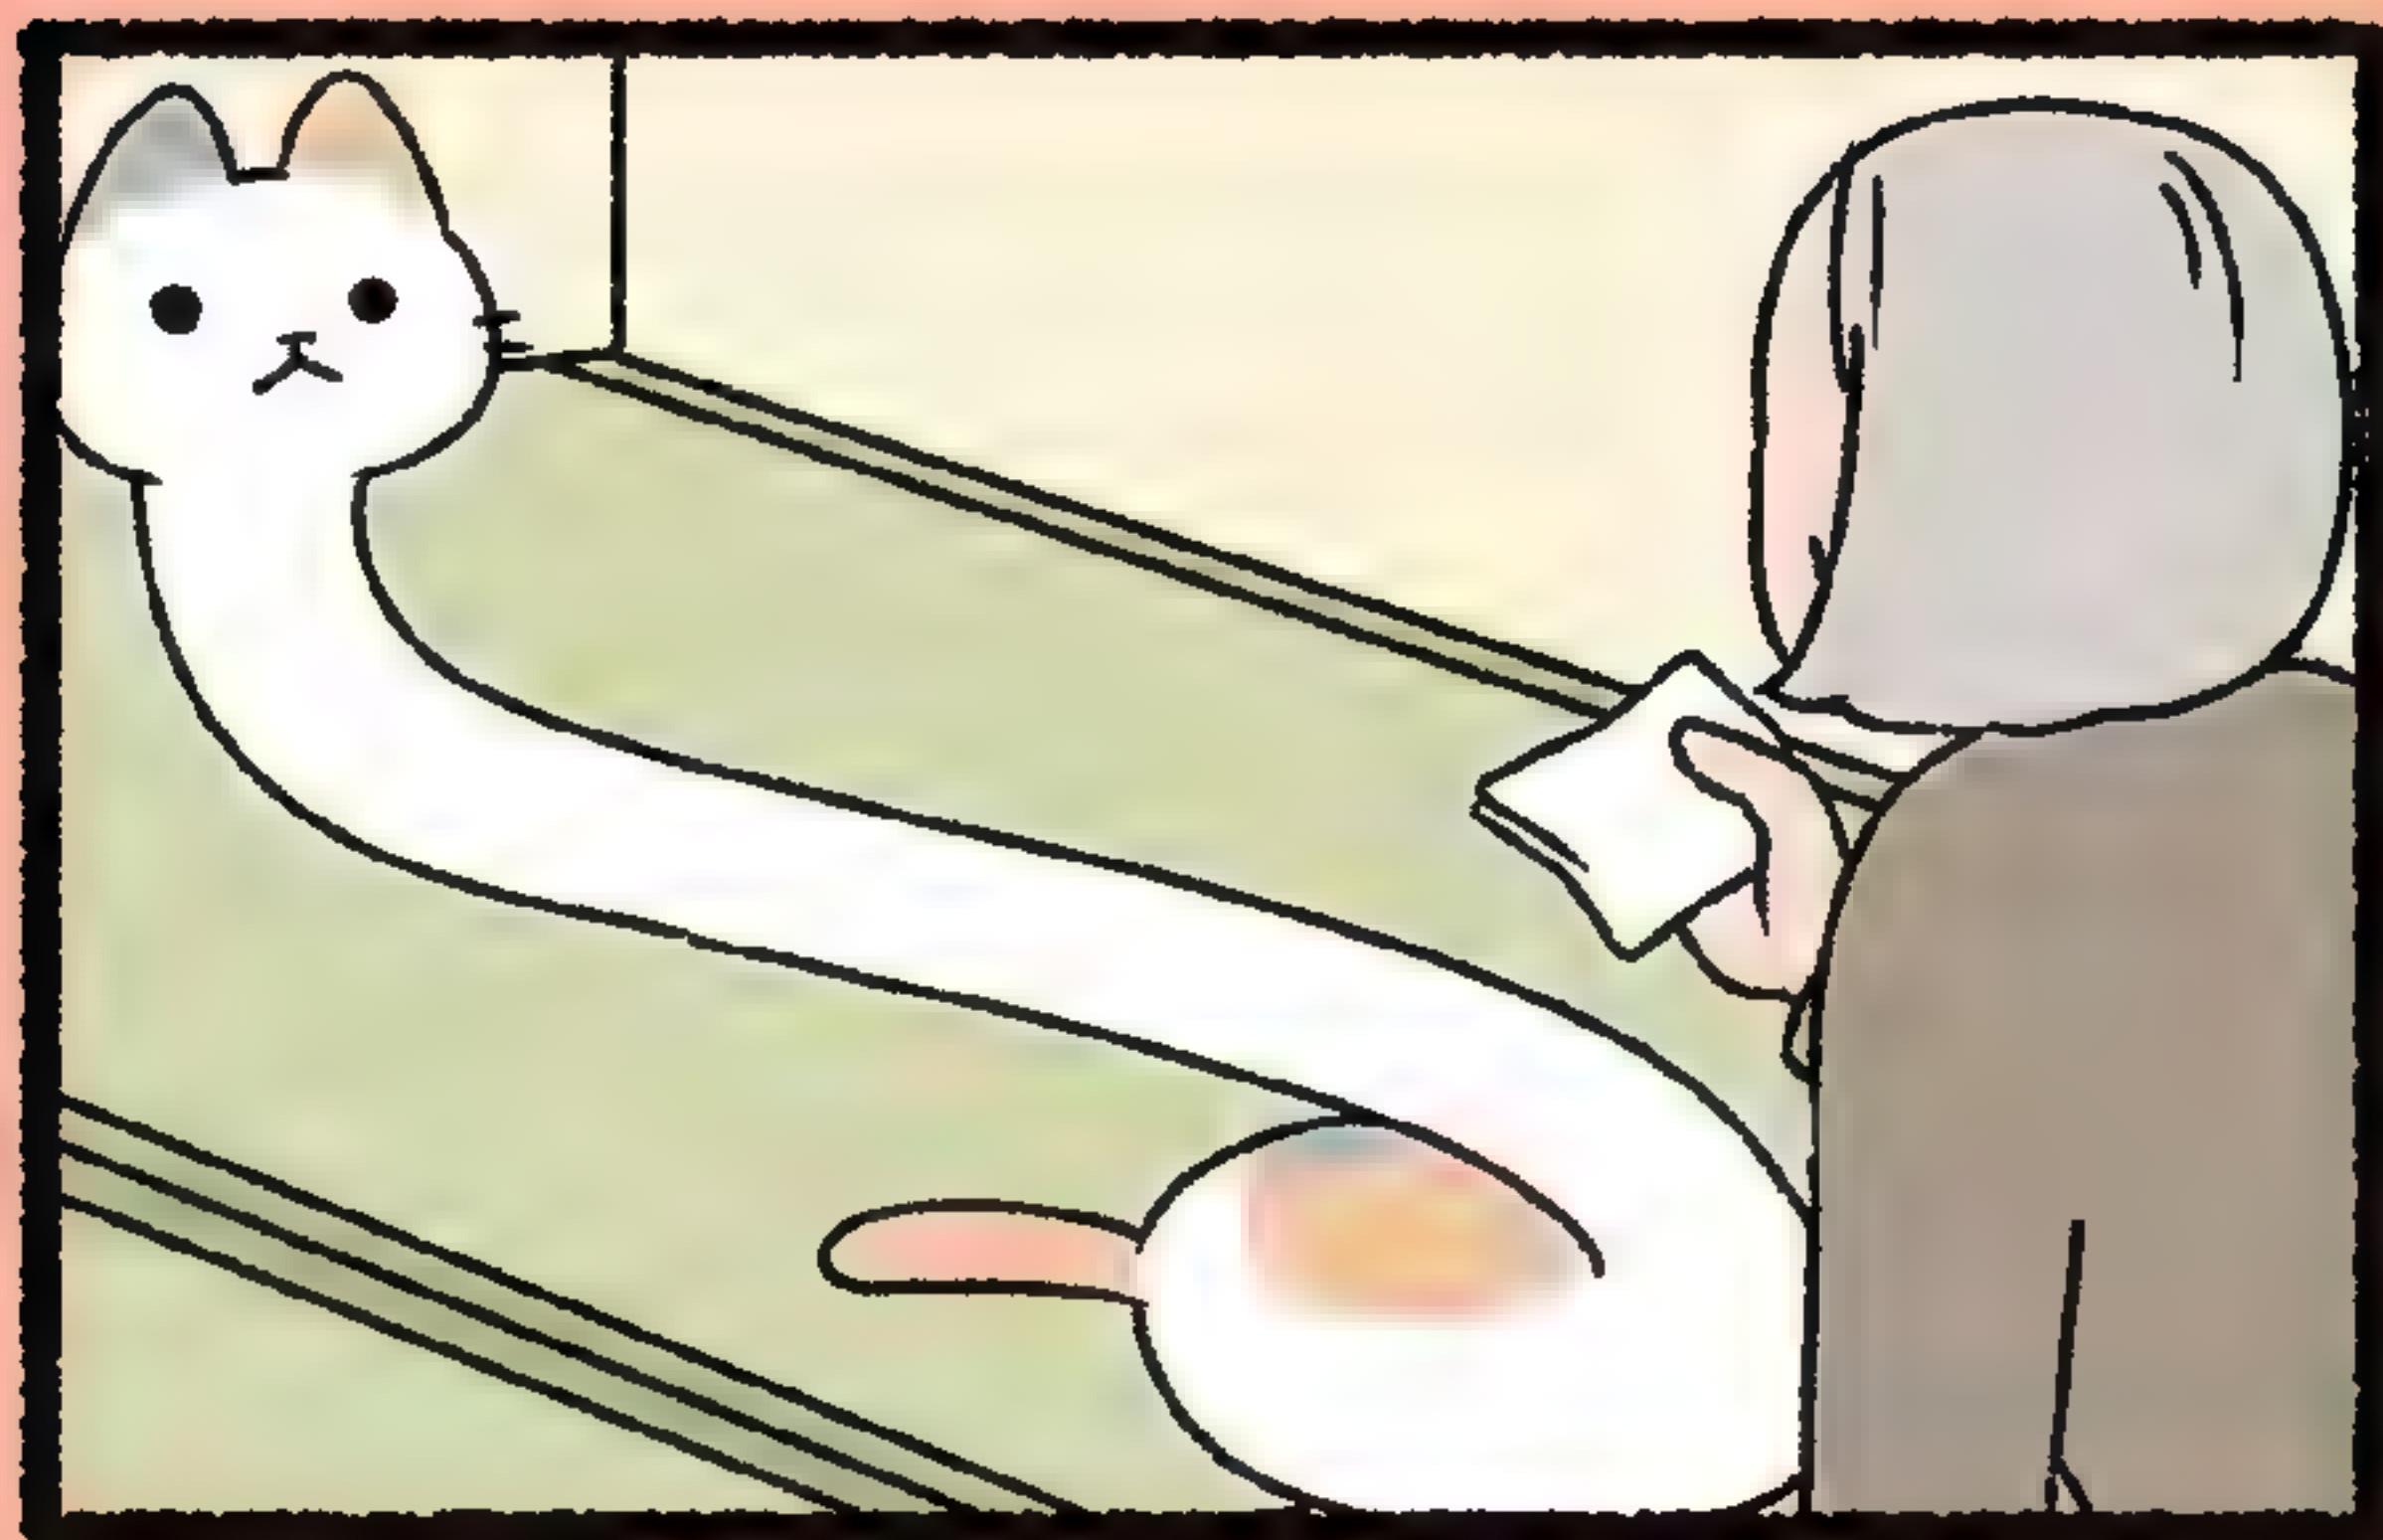

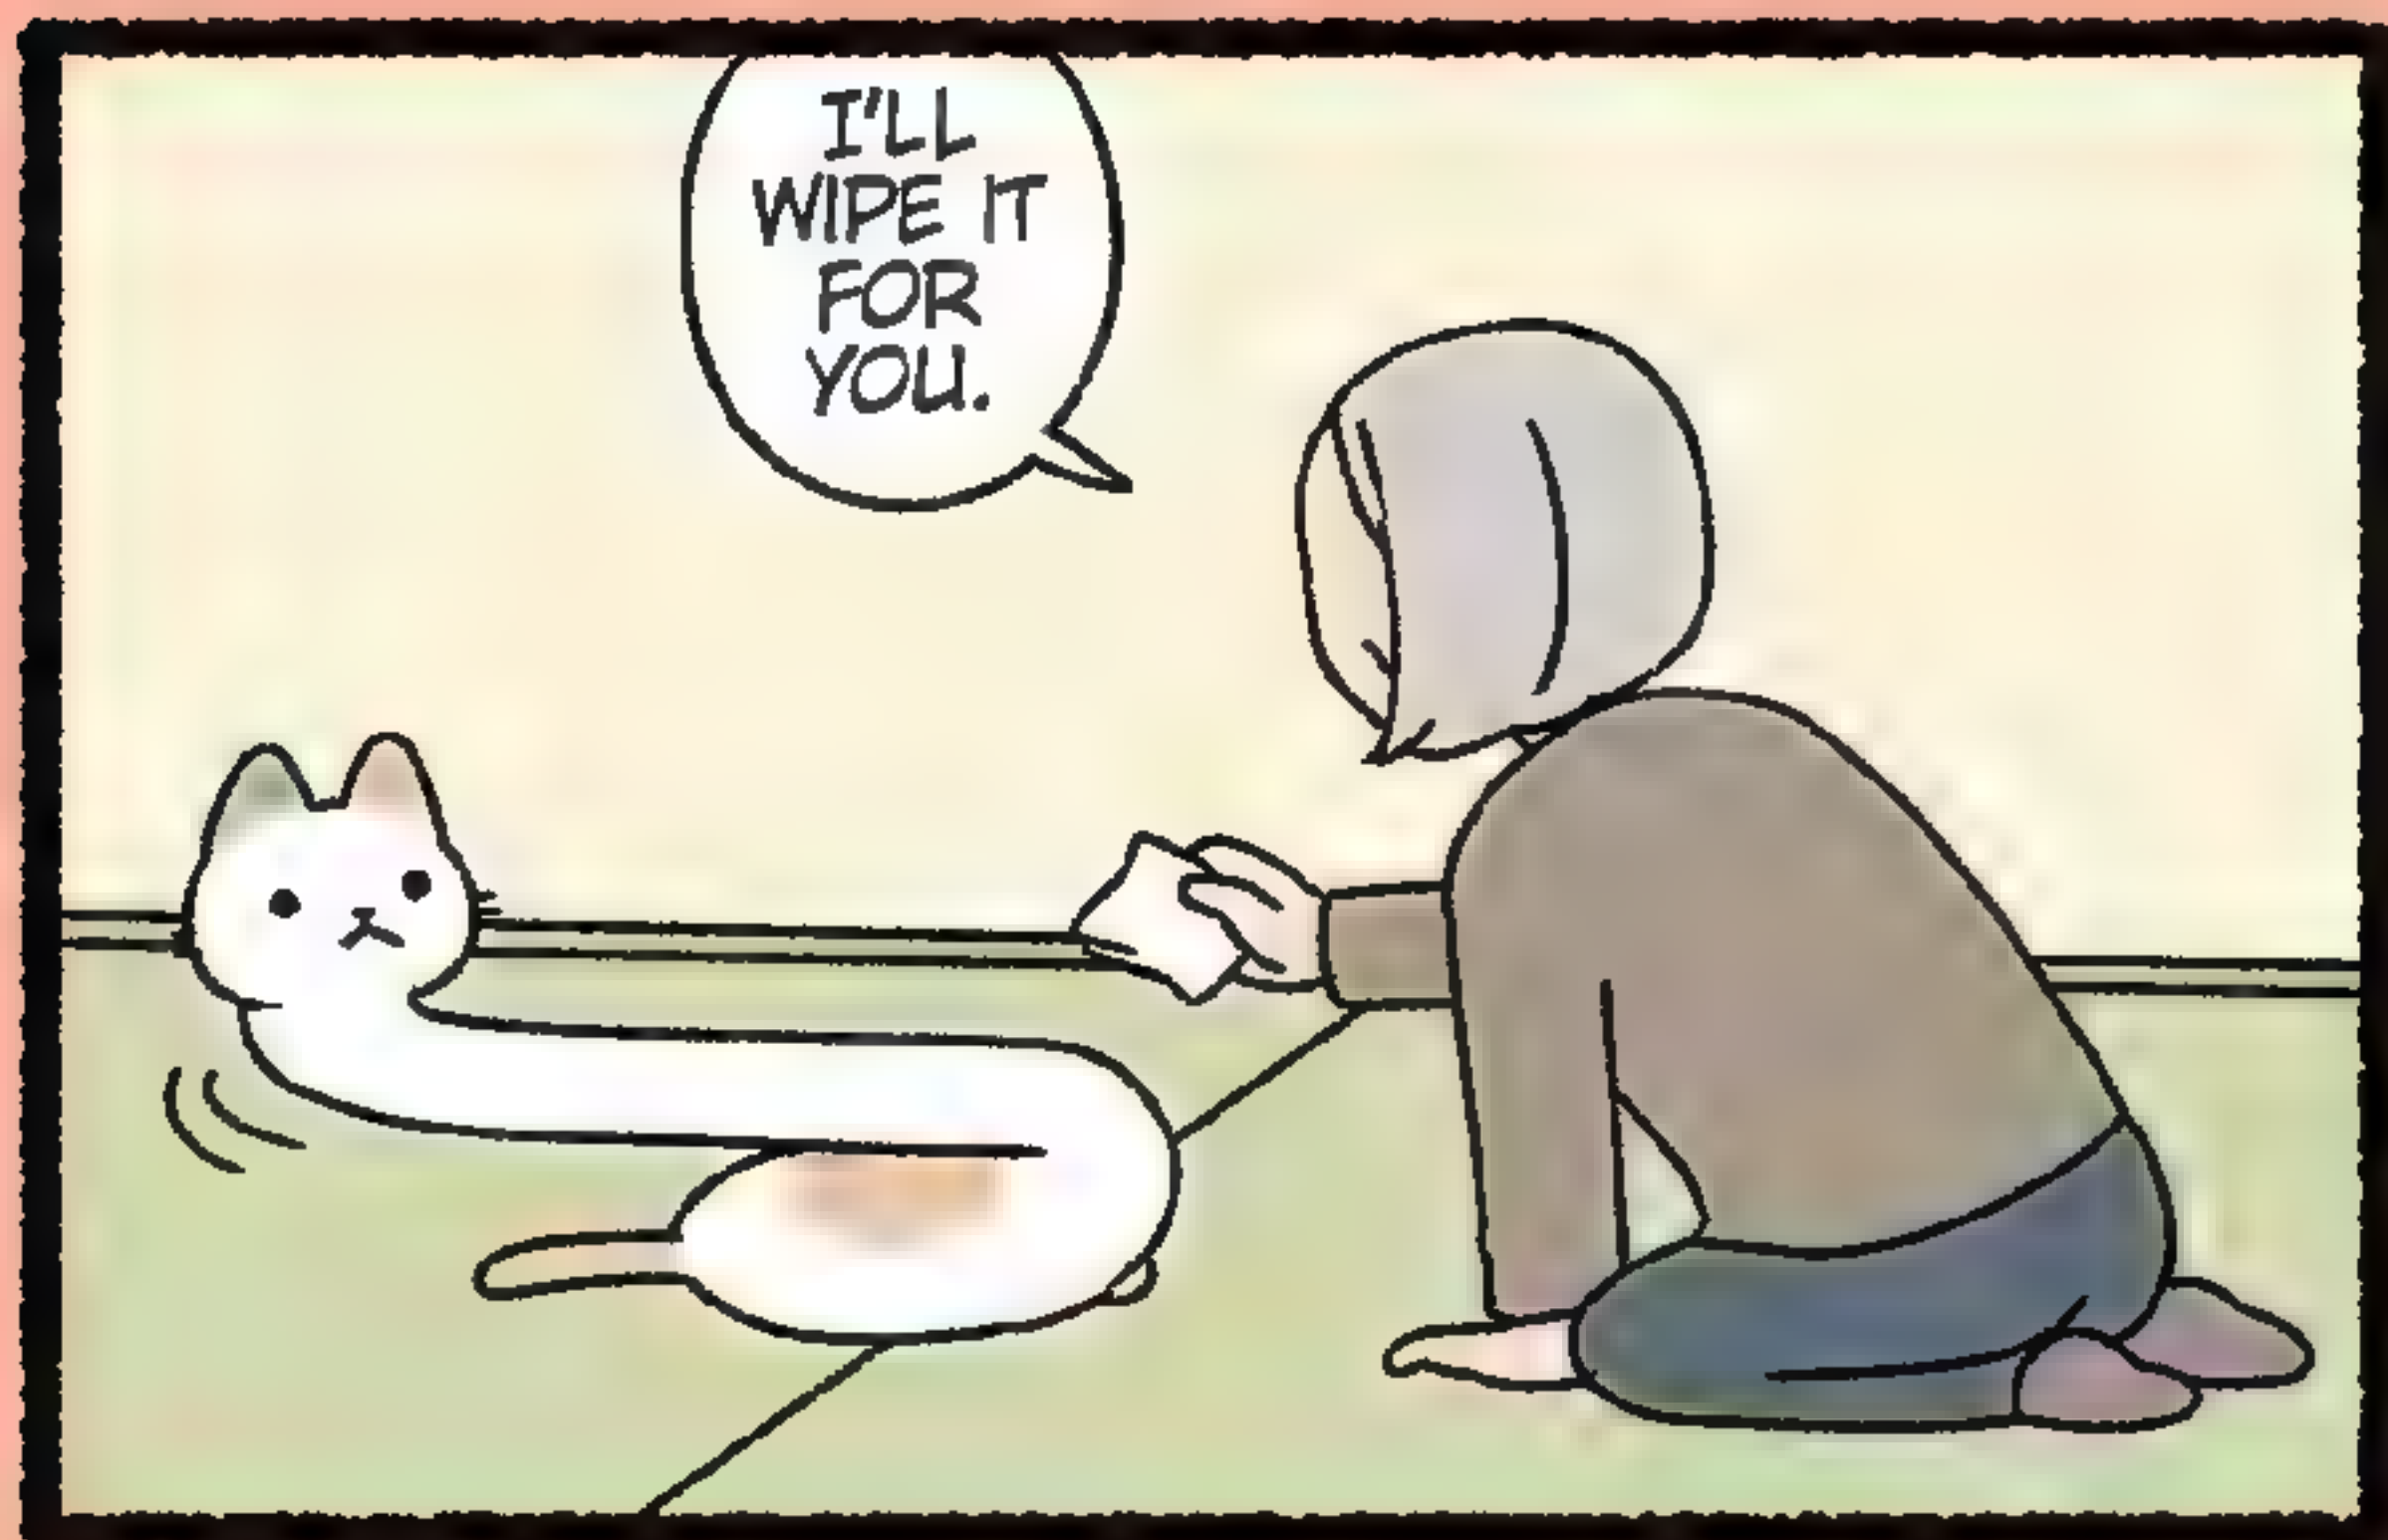

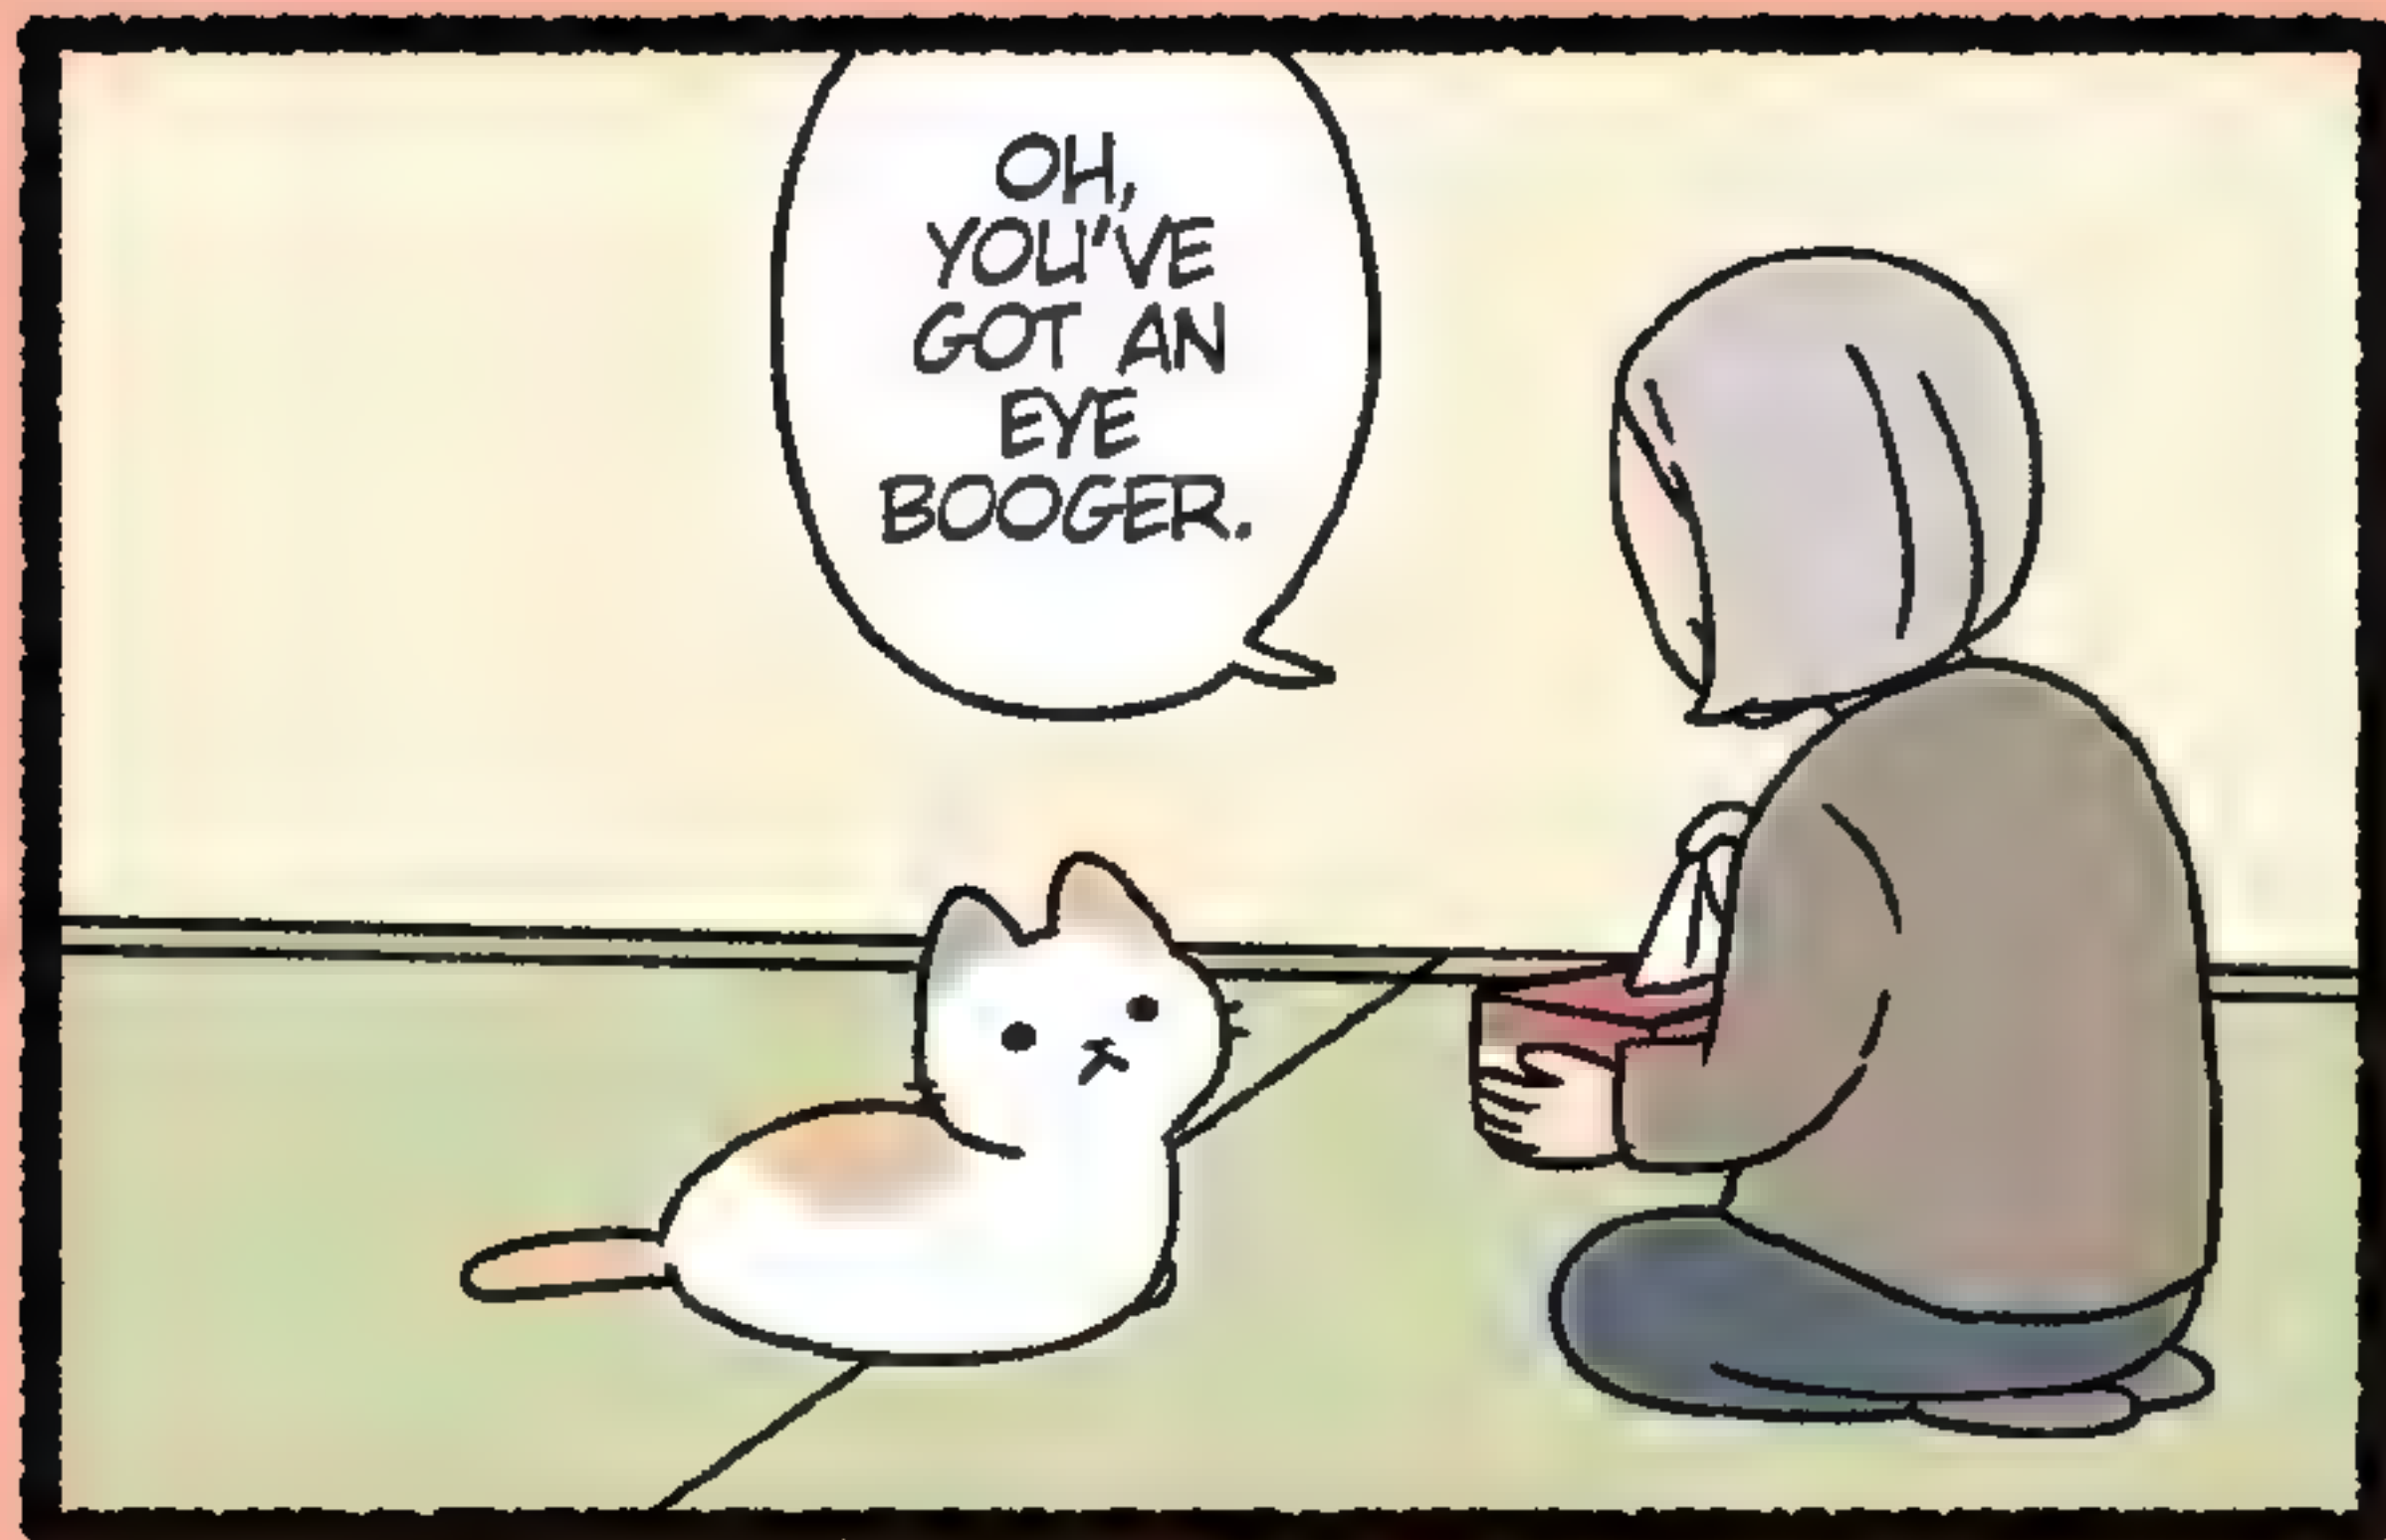

Rokurokubi

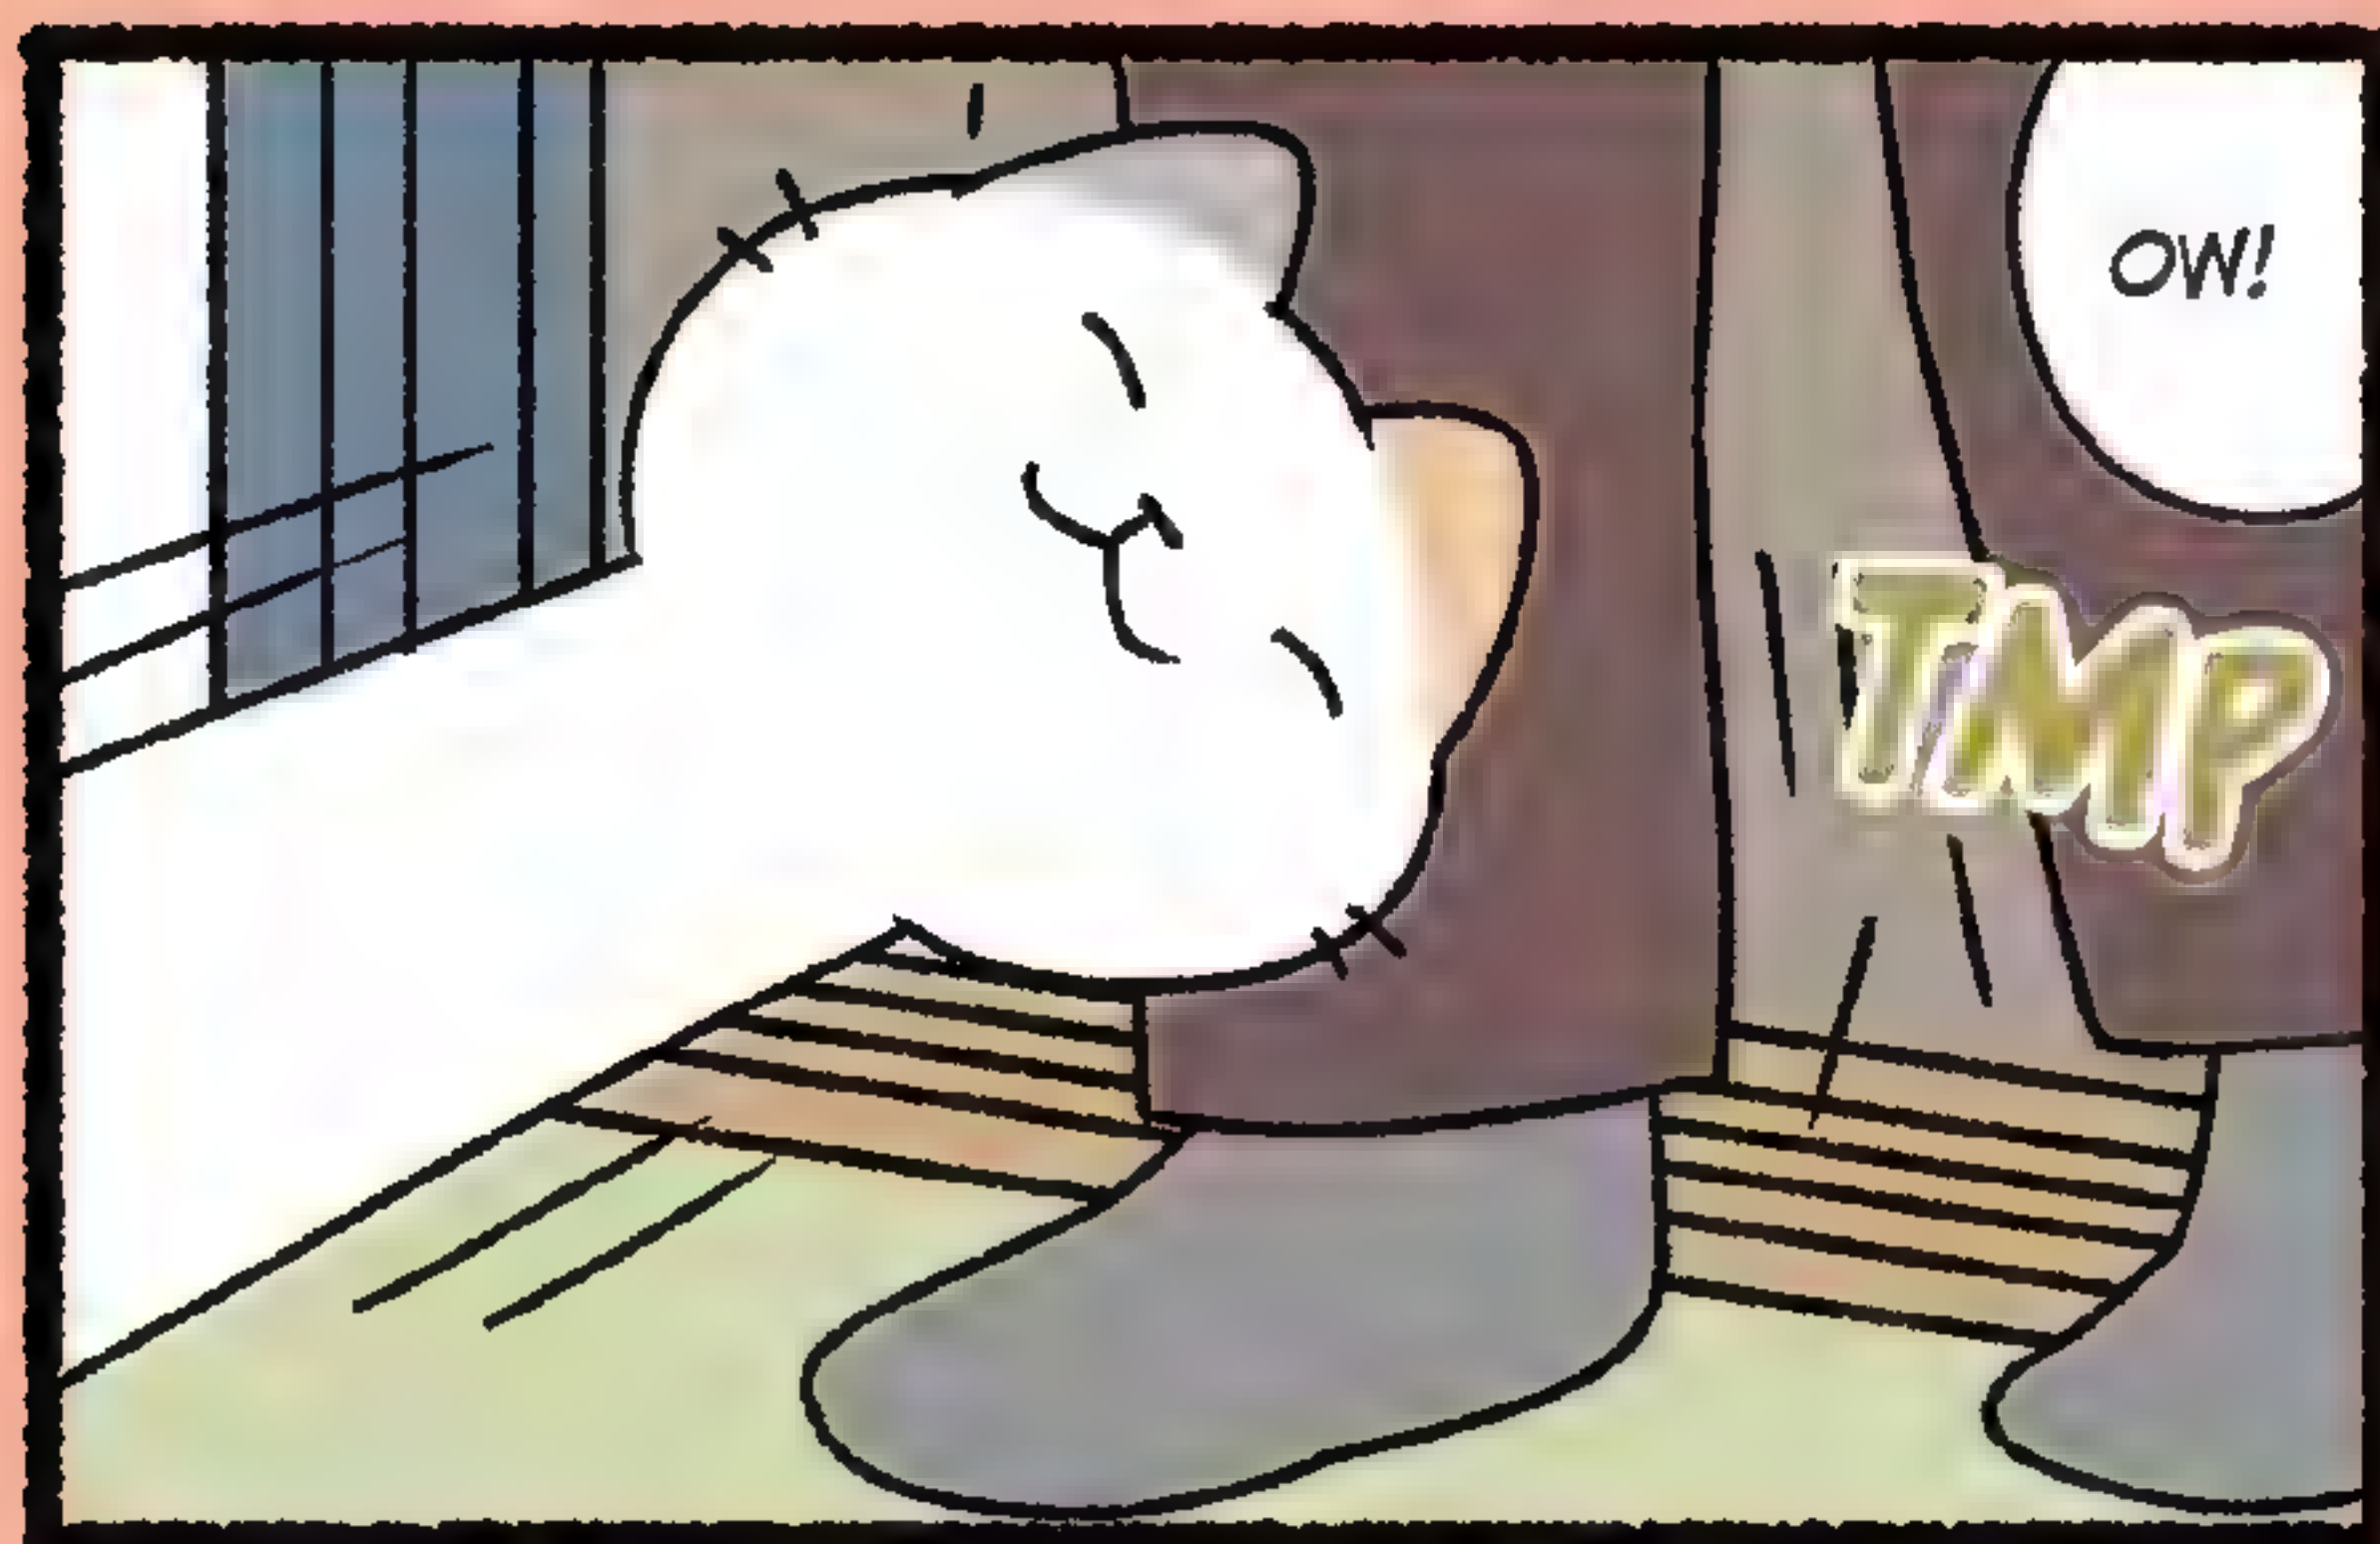

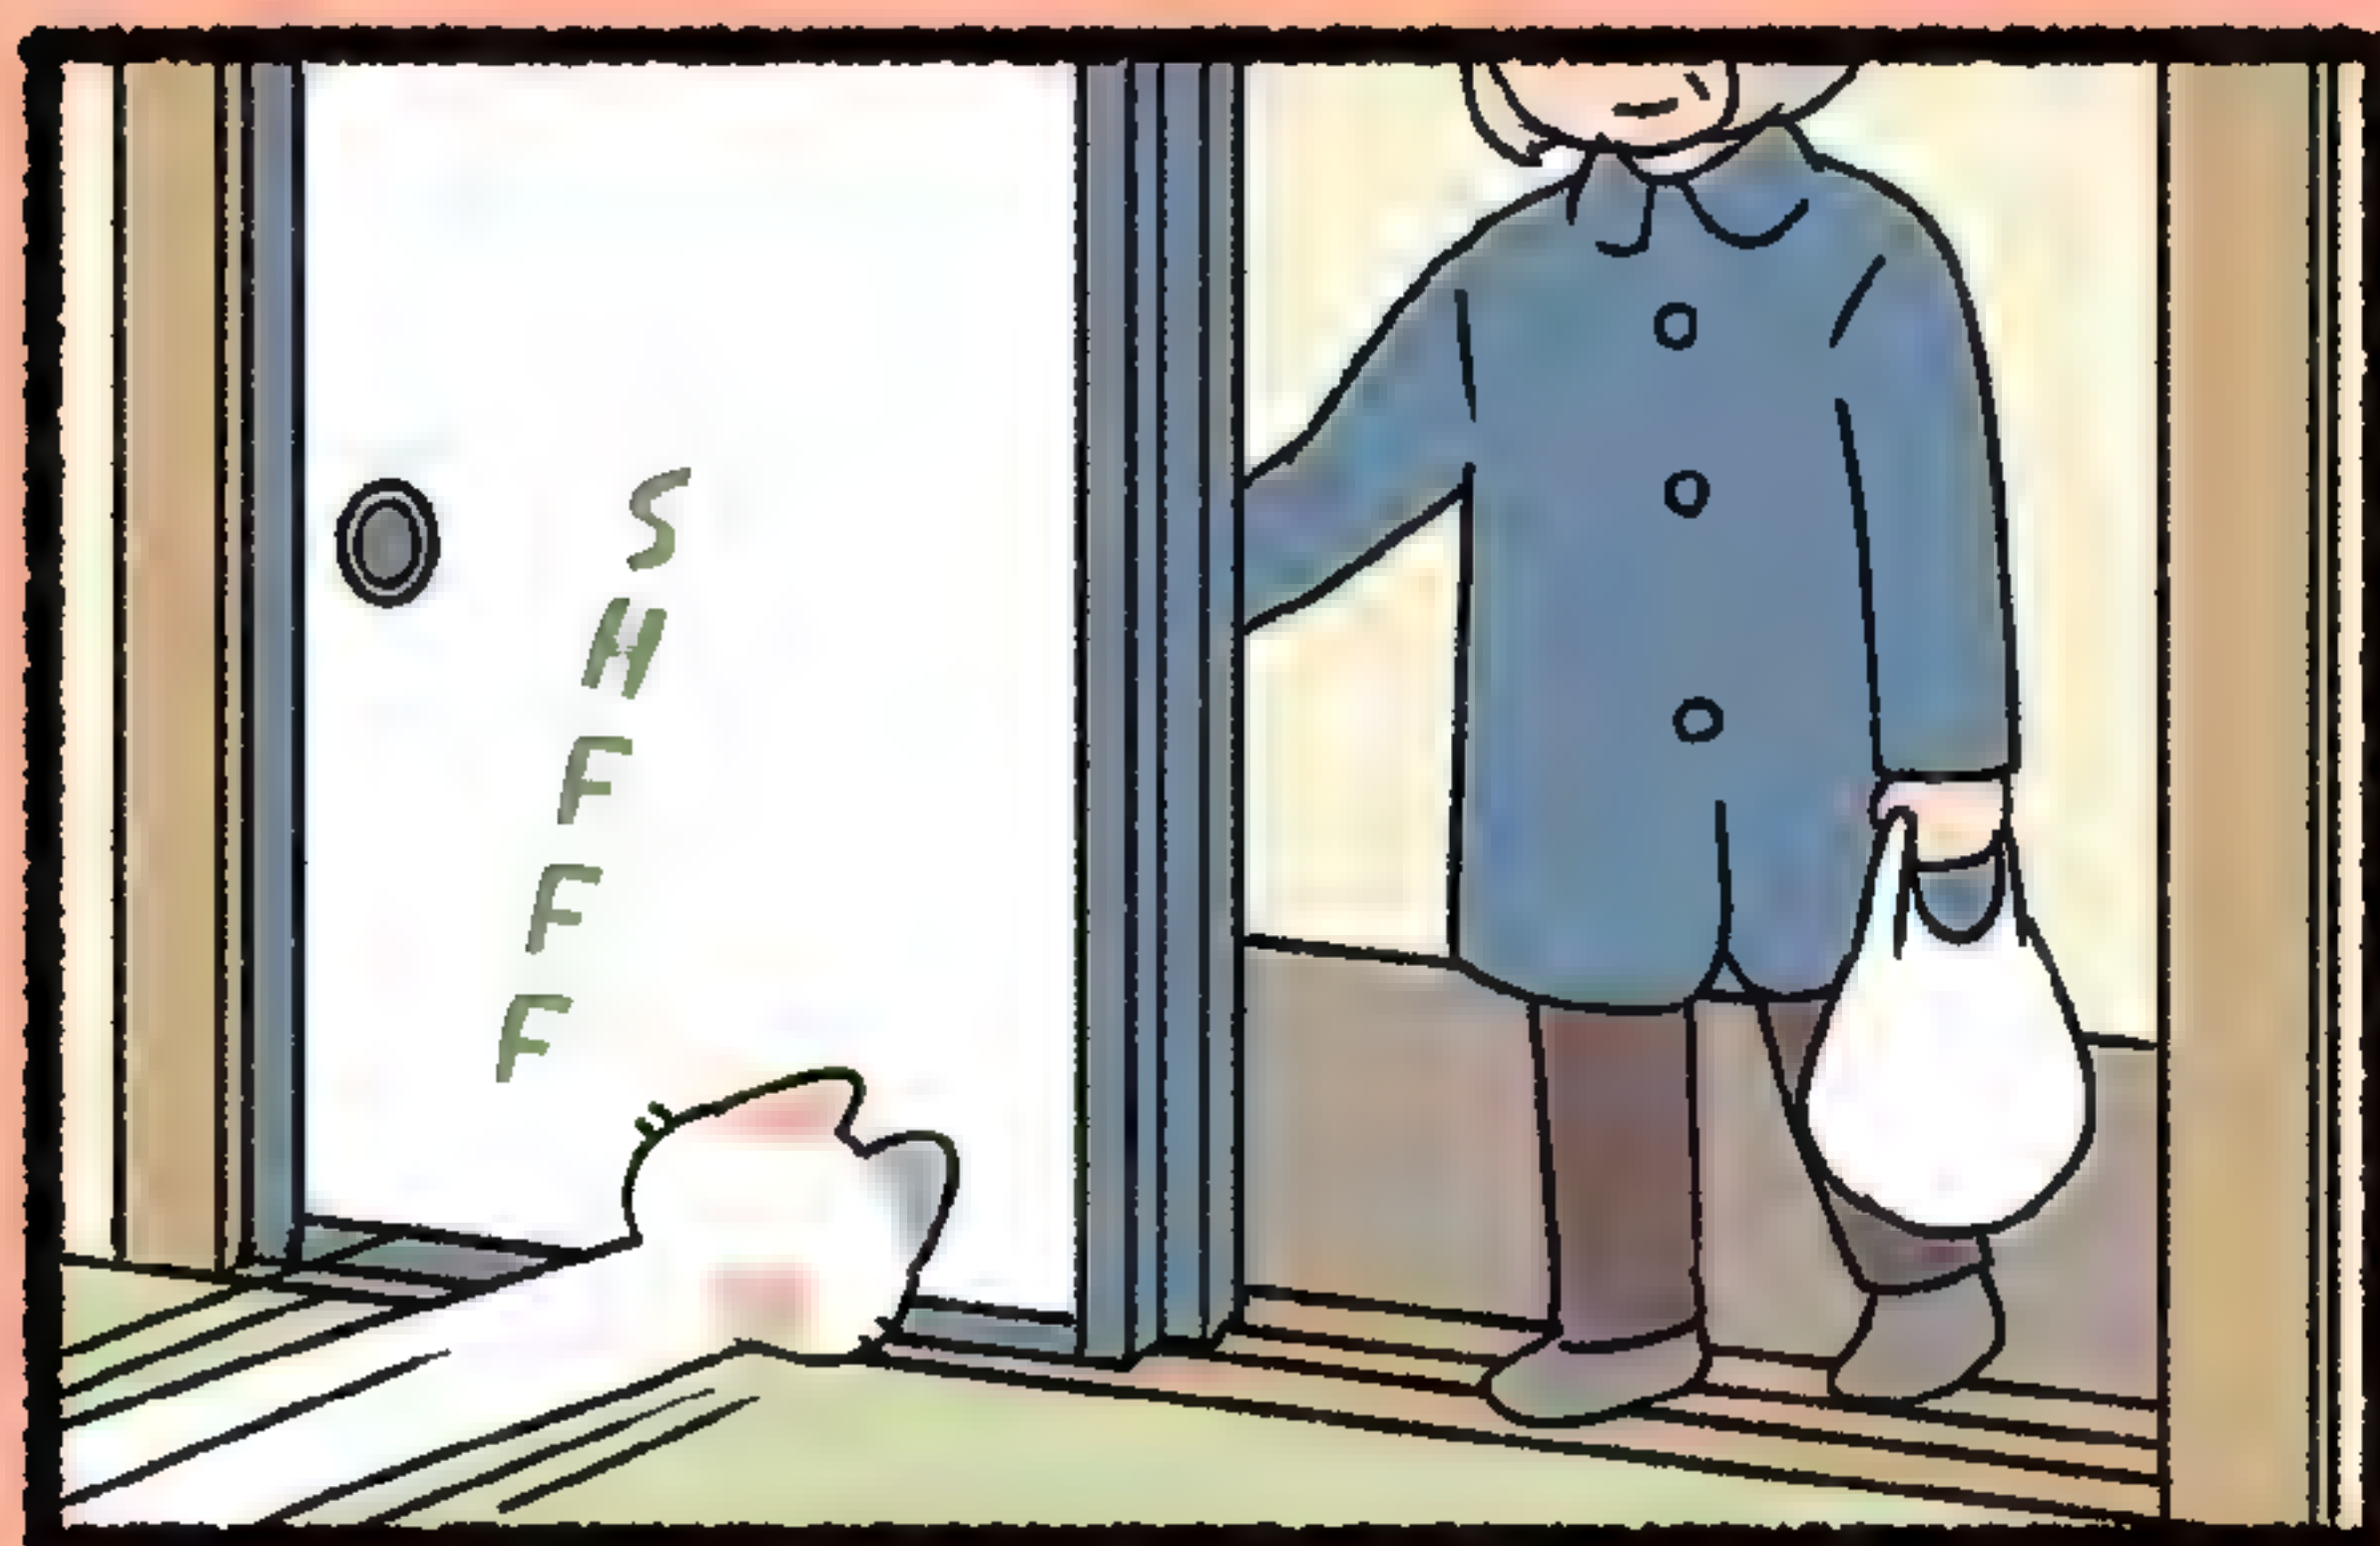

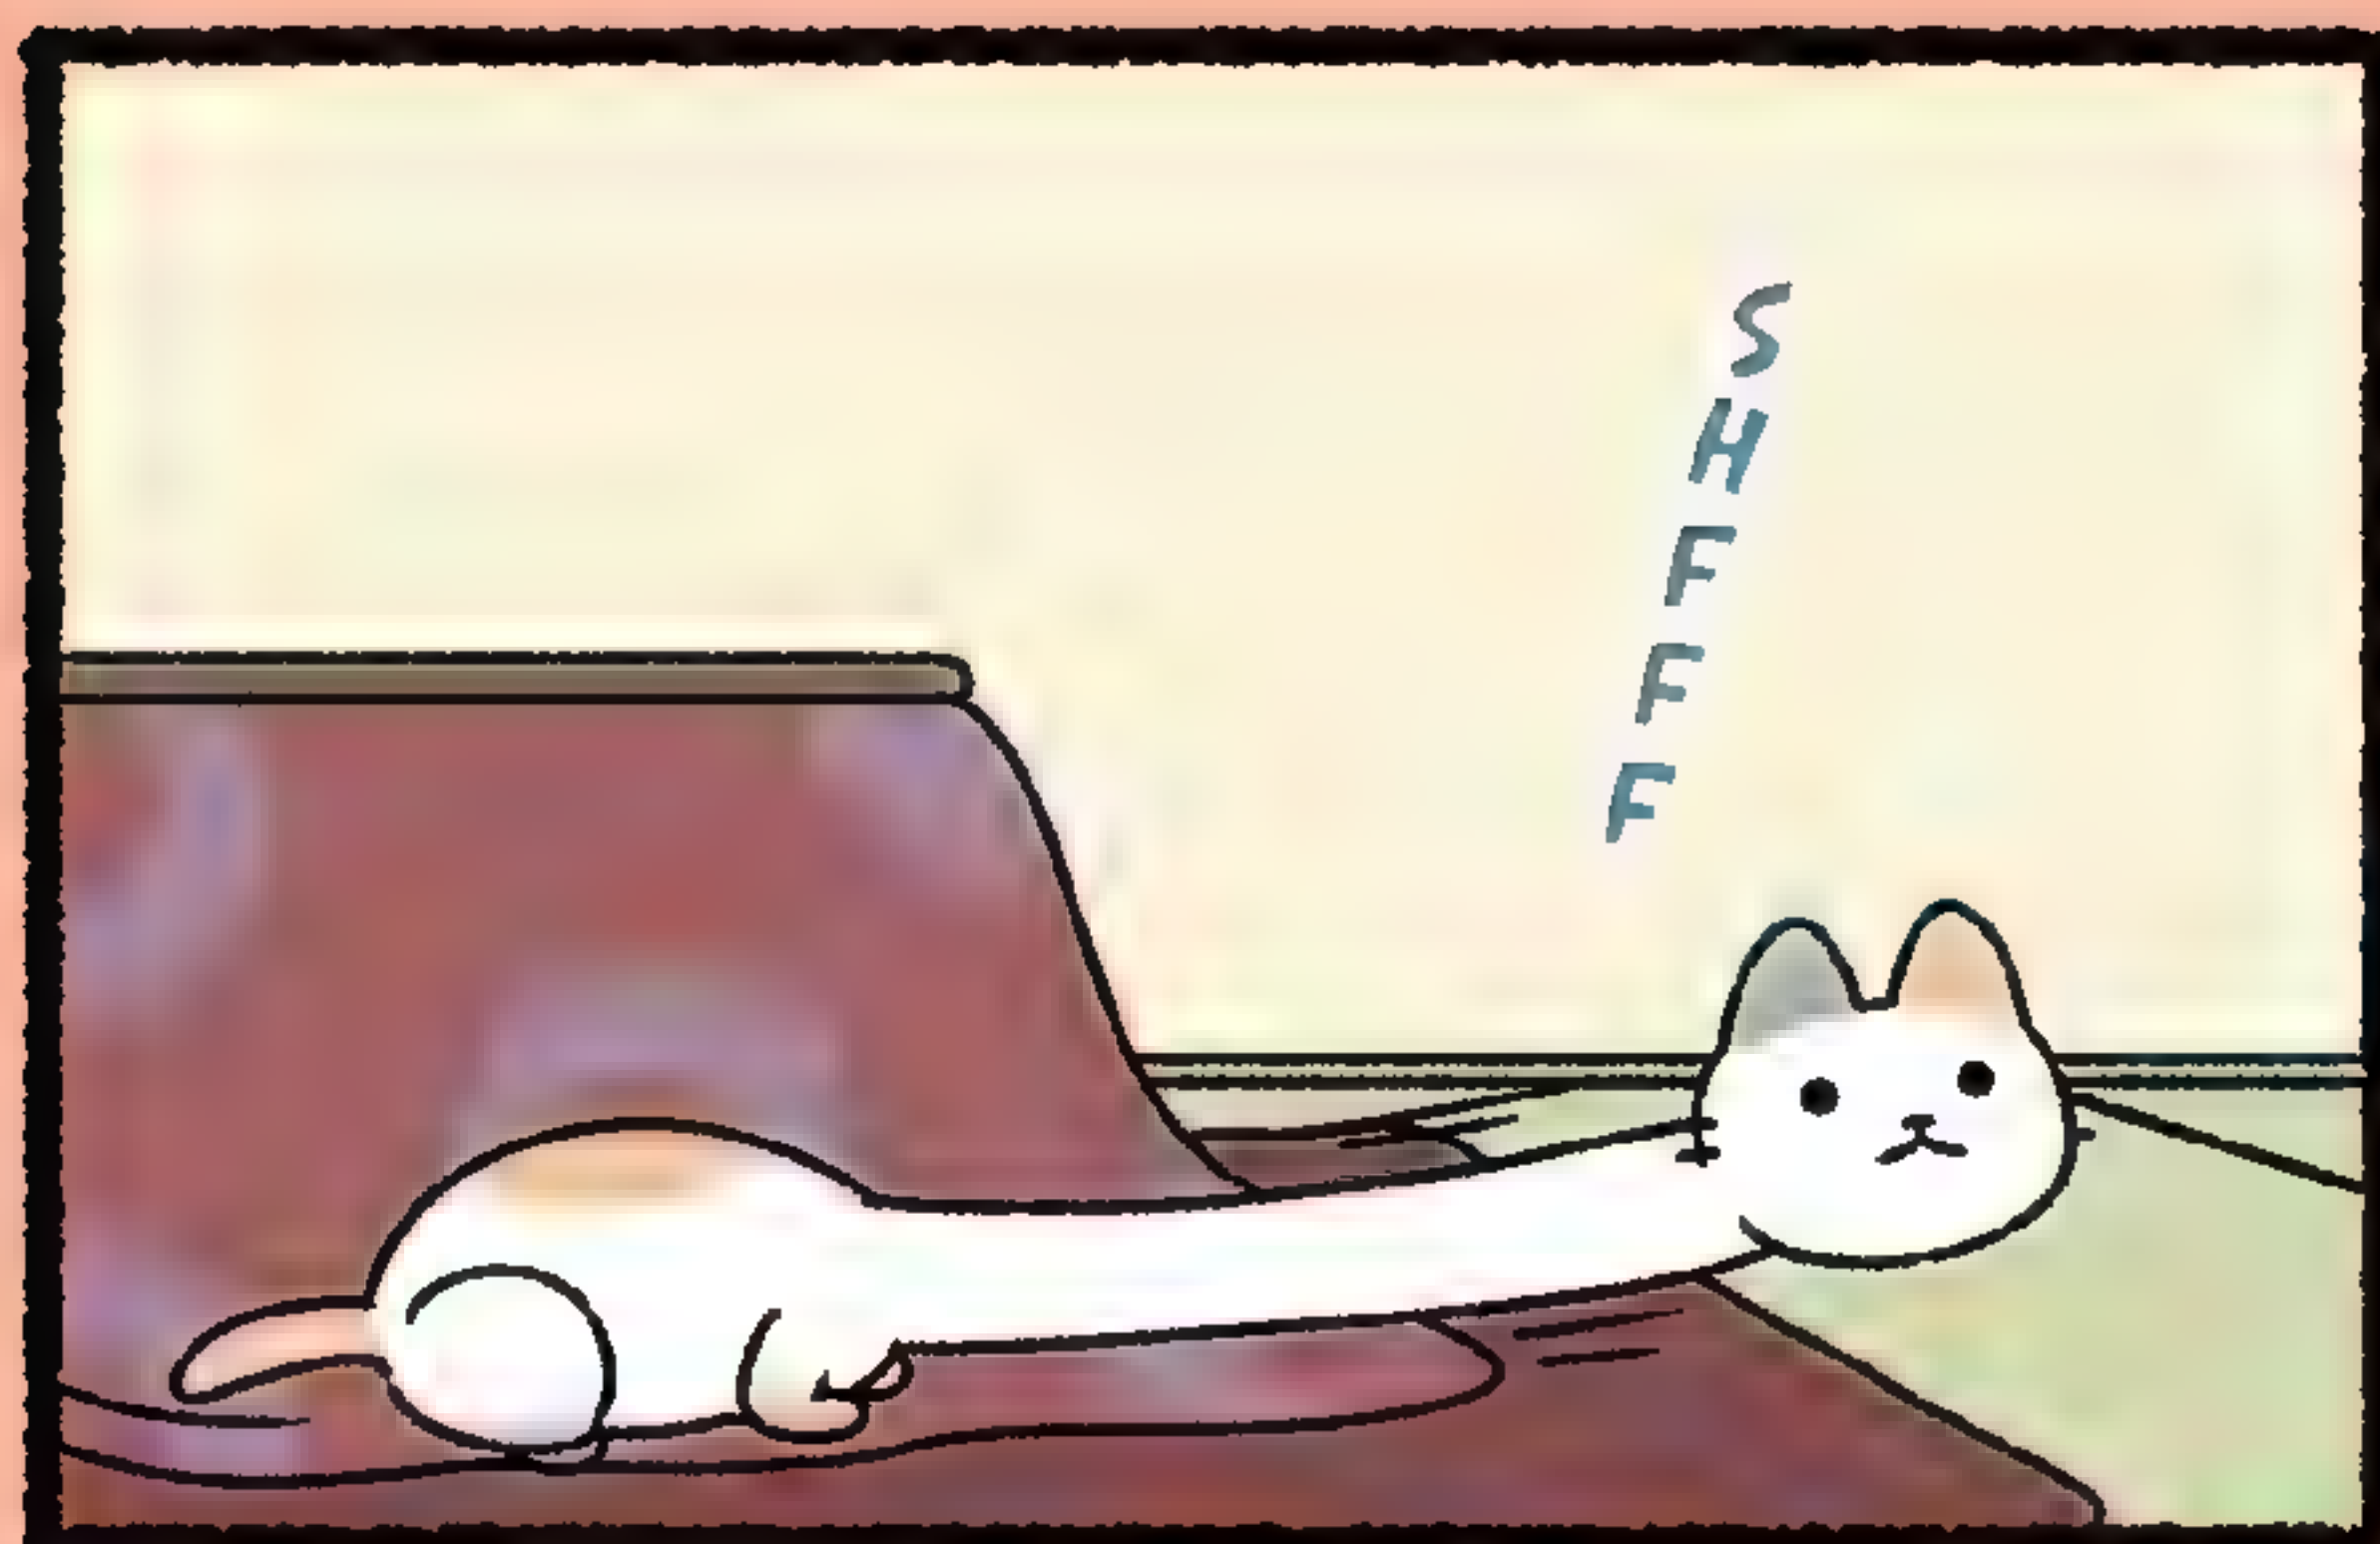

Long-neck

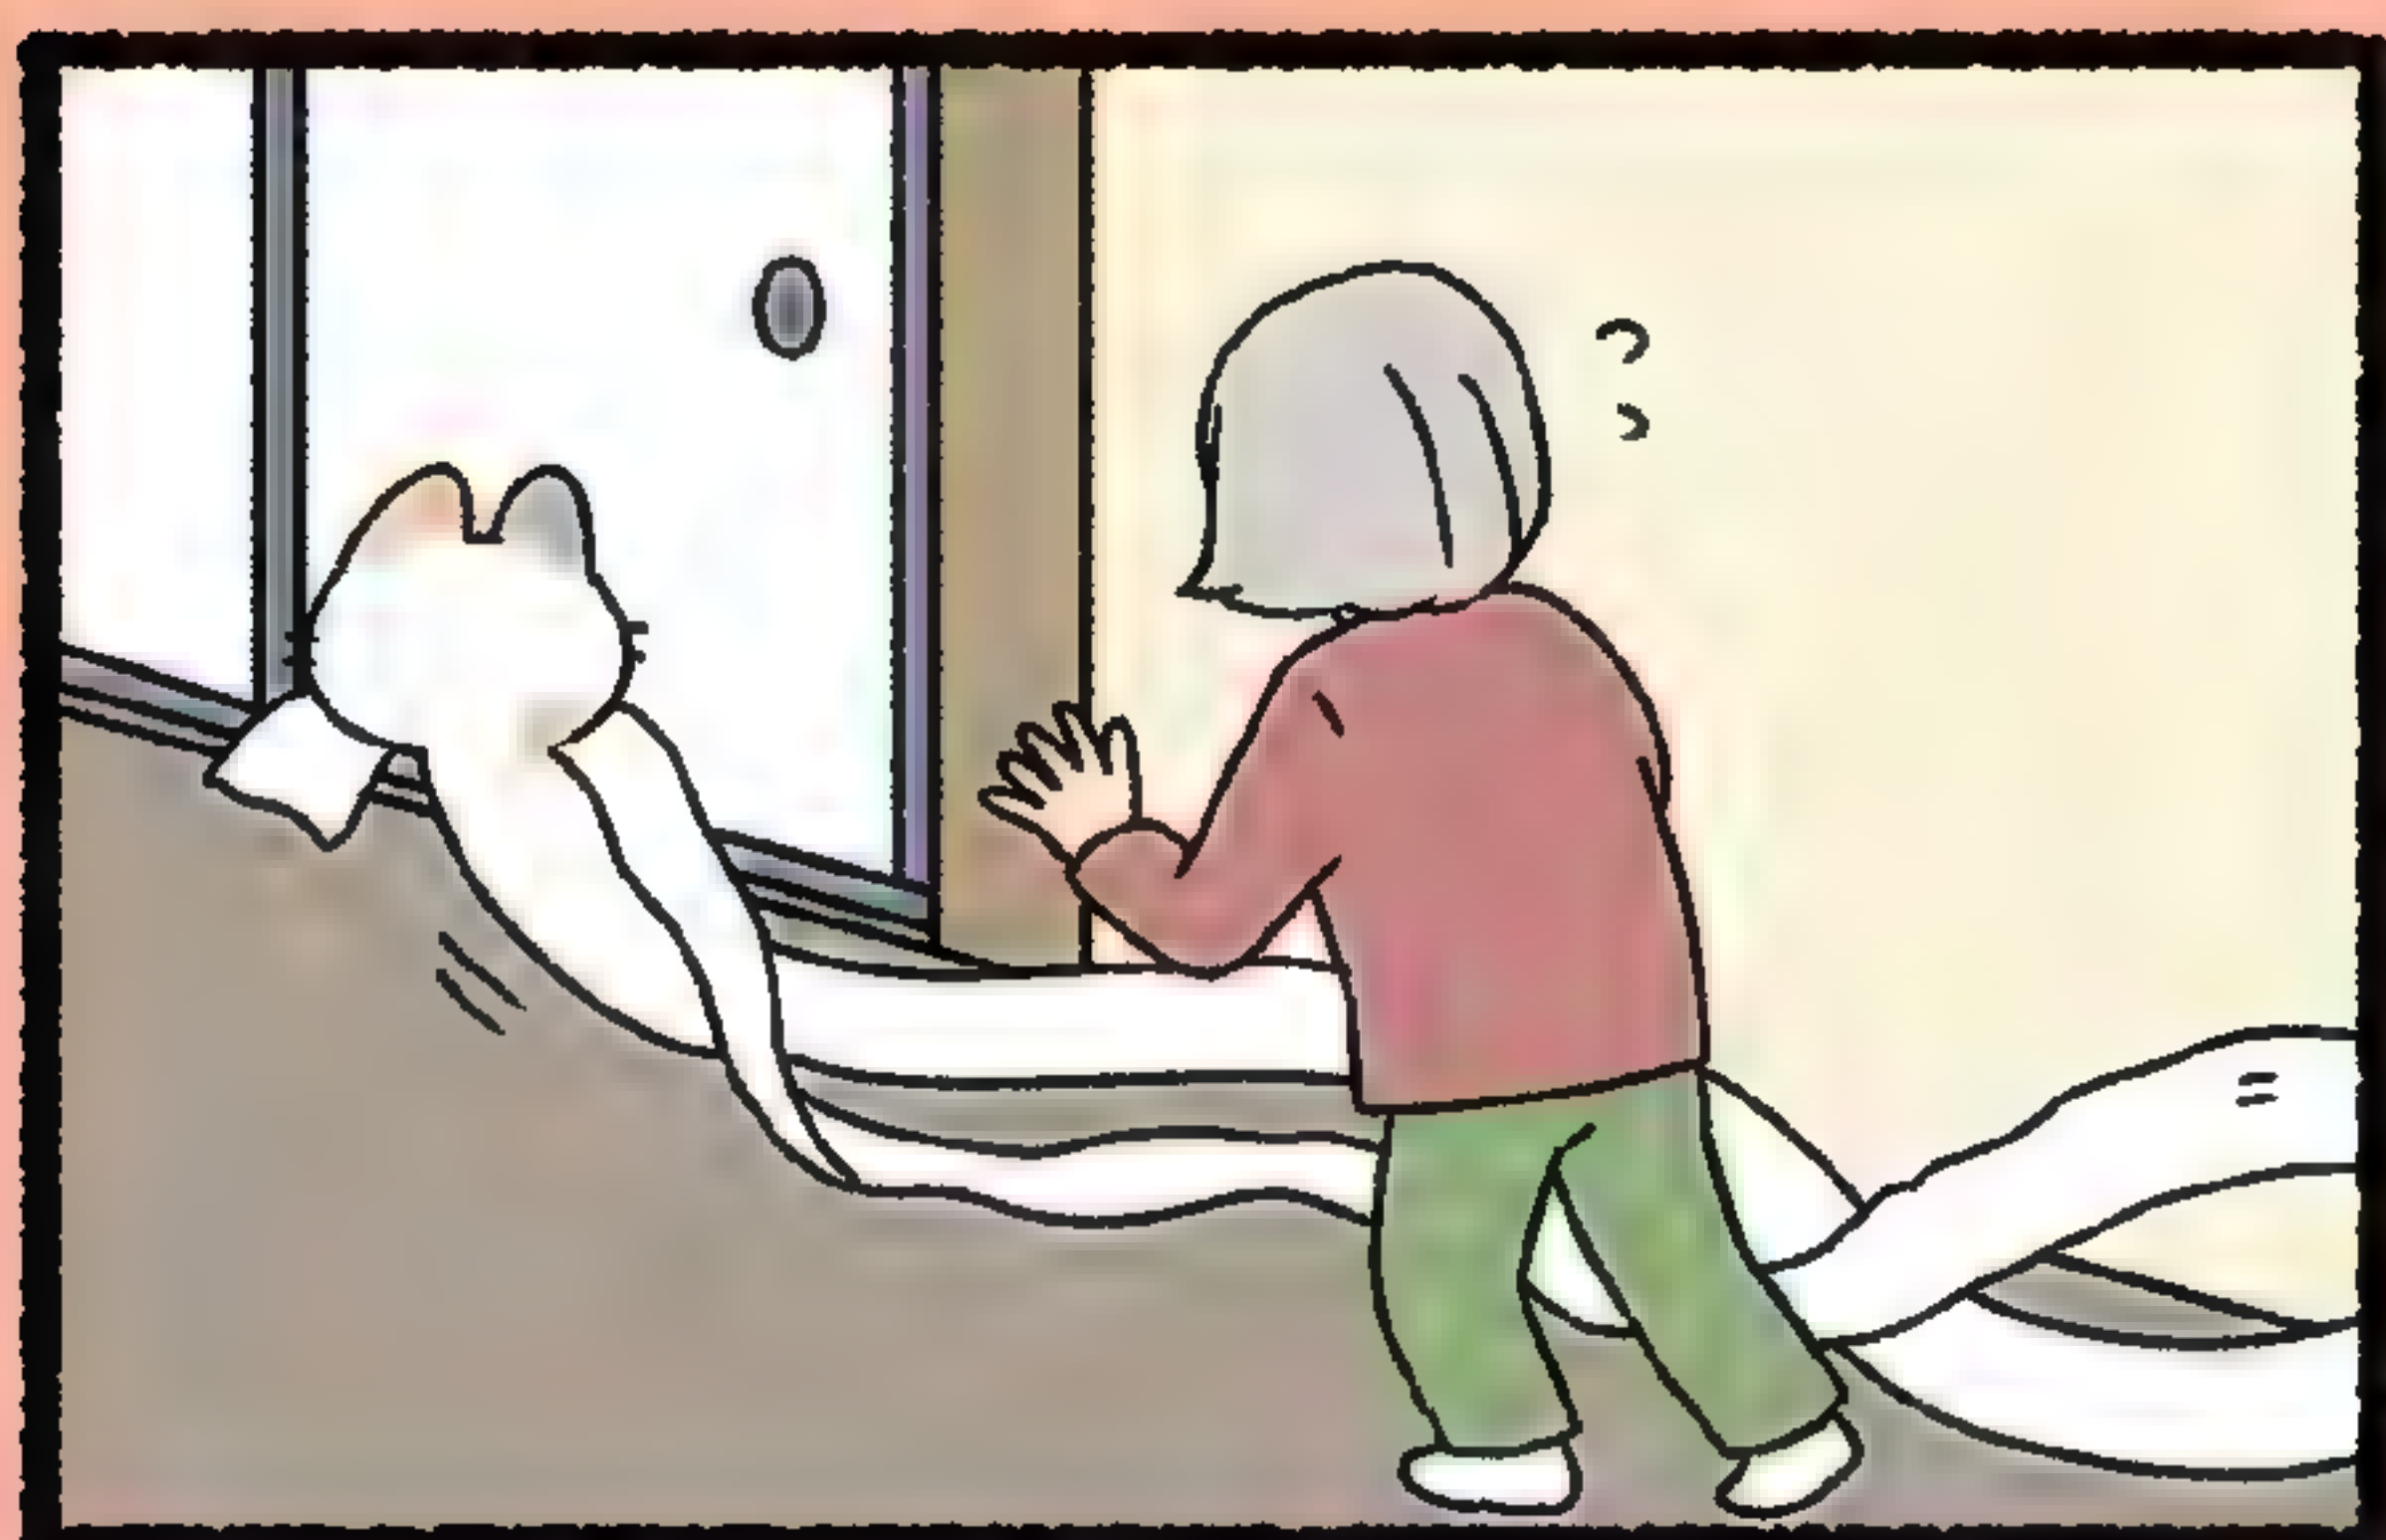

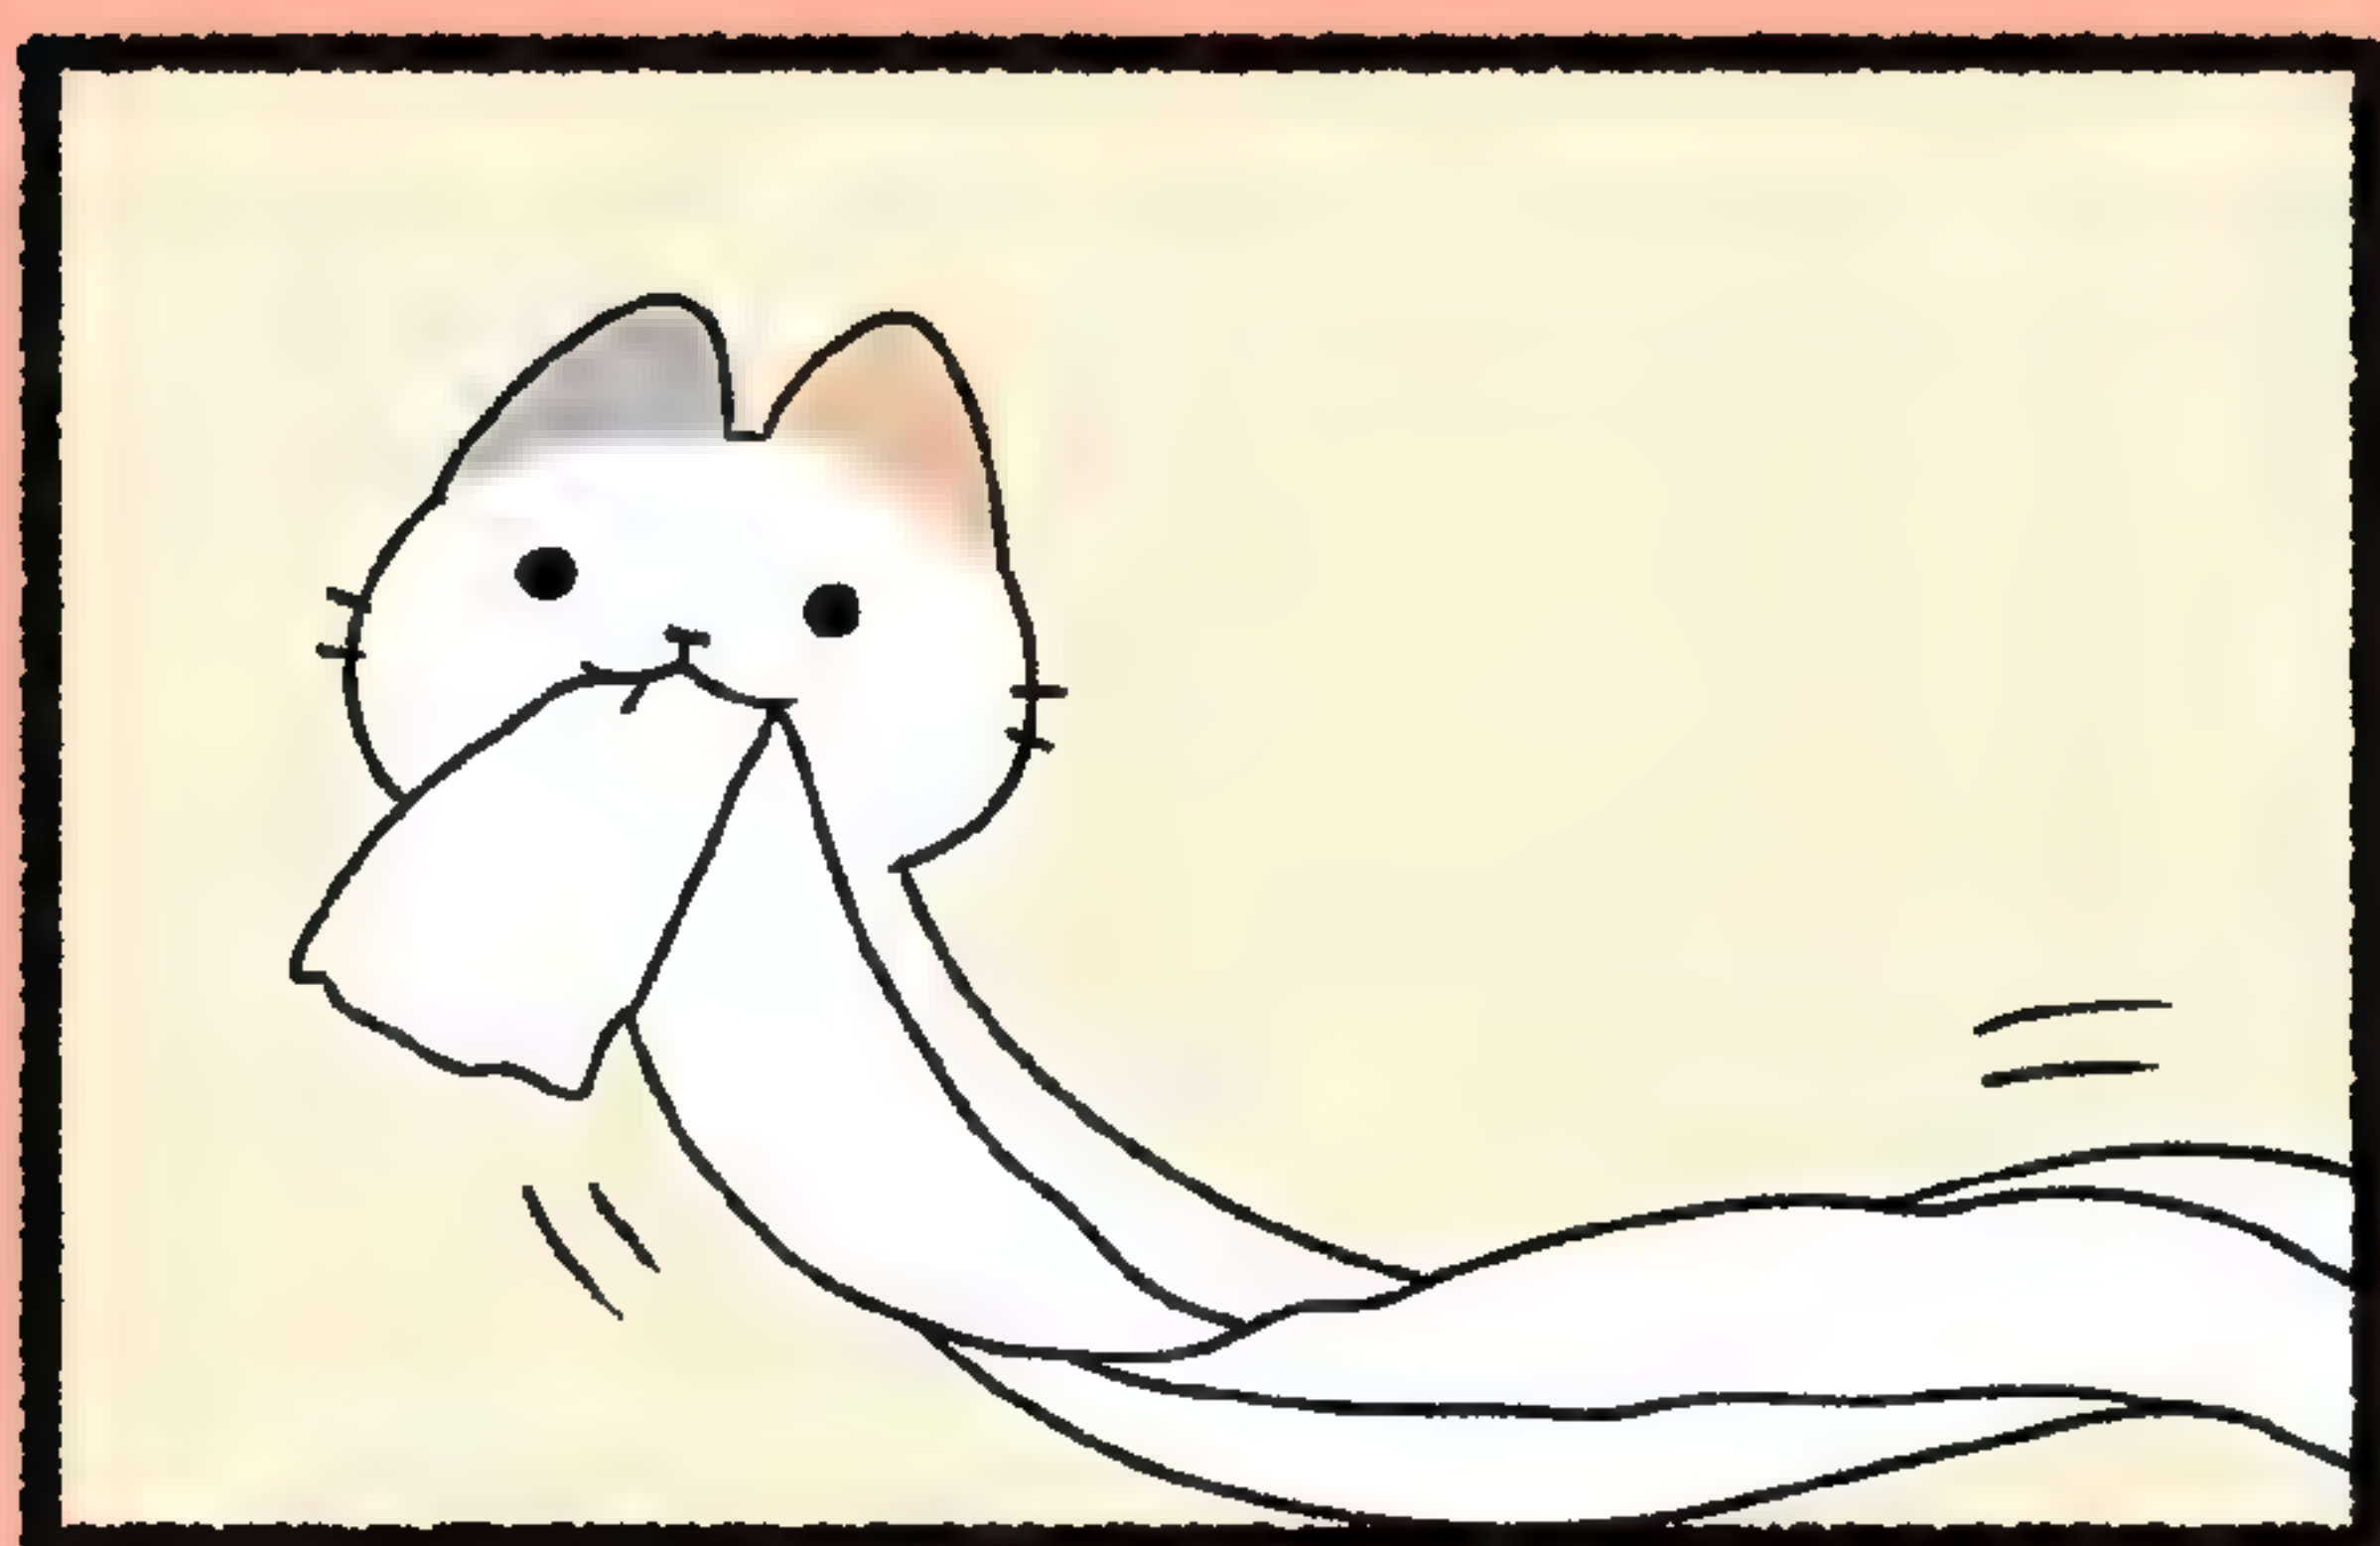

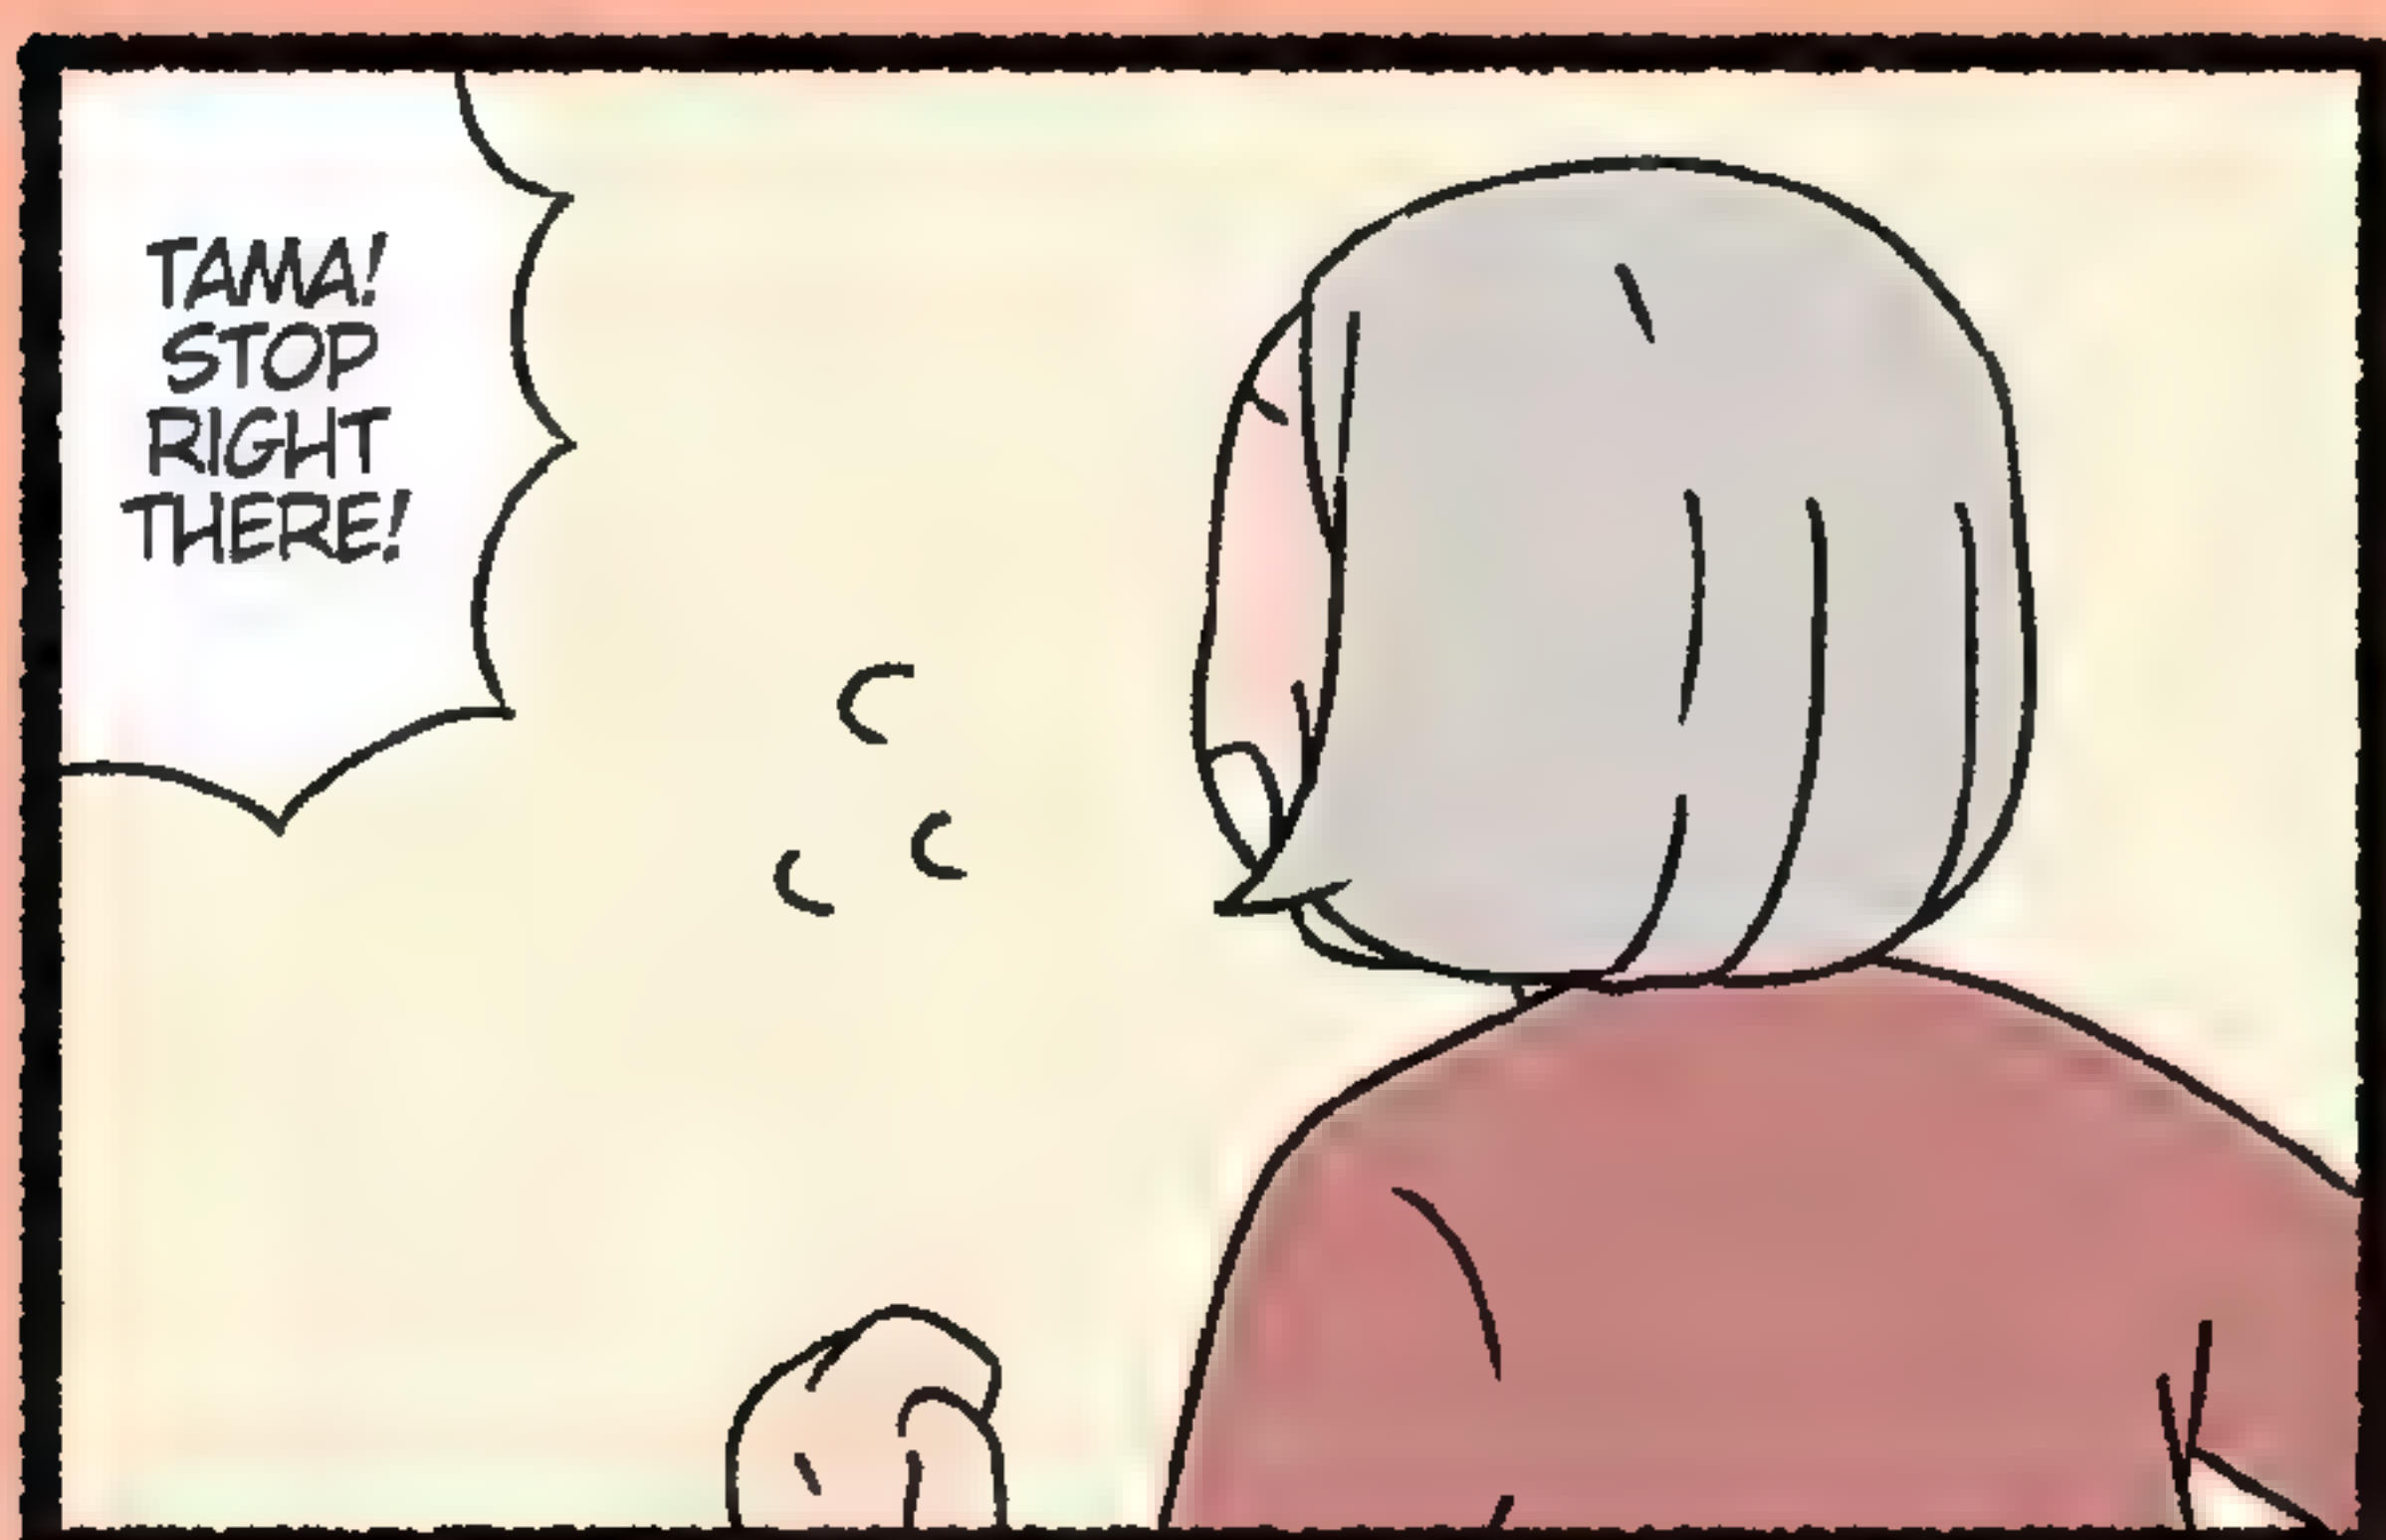

Has a lazy side and tries to do everything just by stretching its neck.

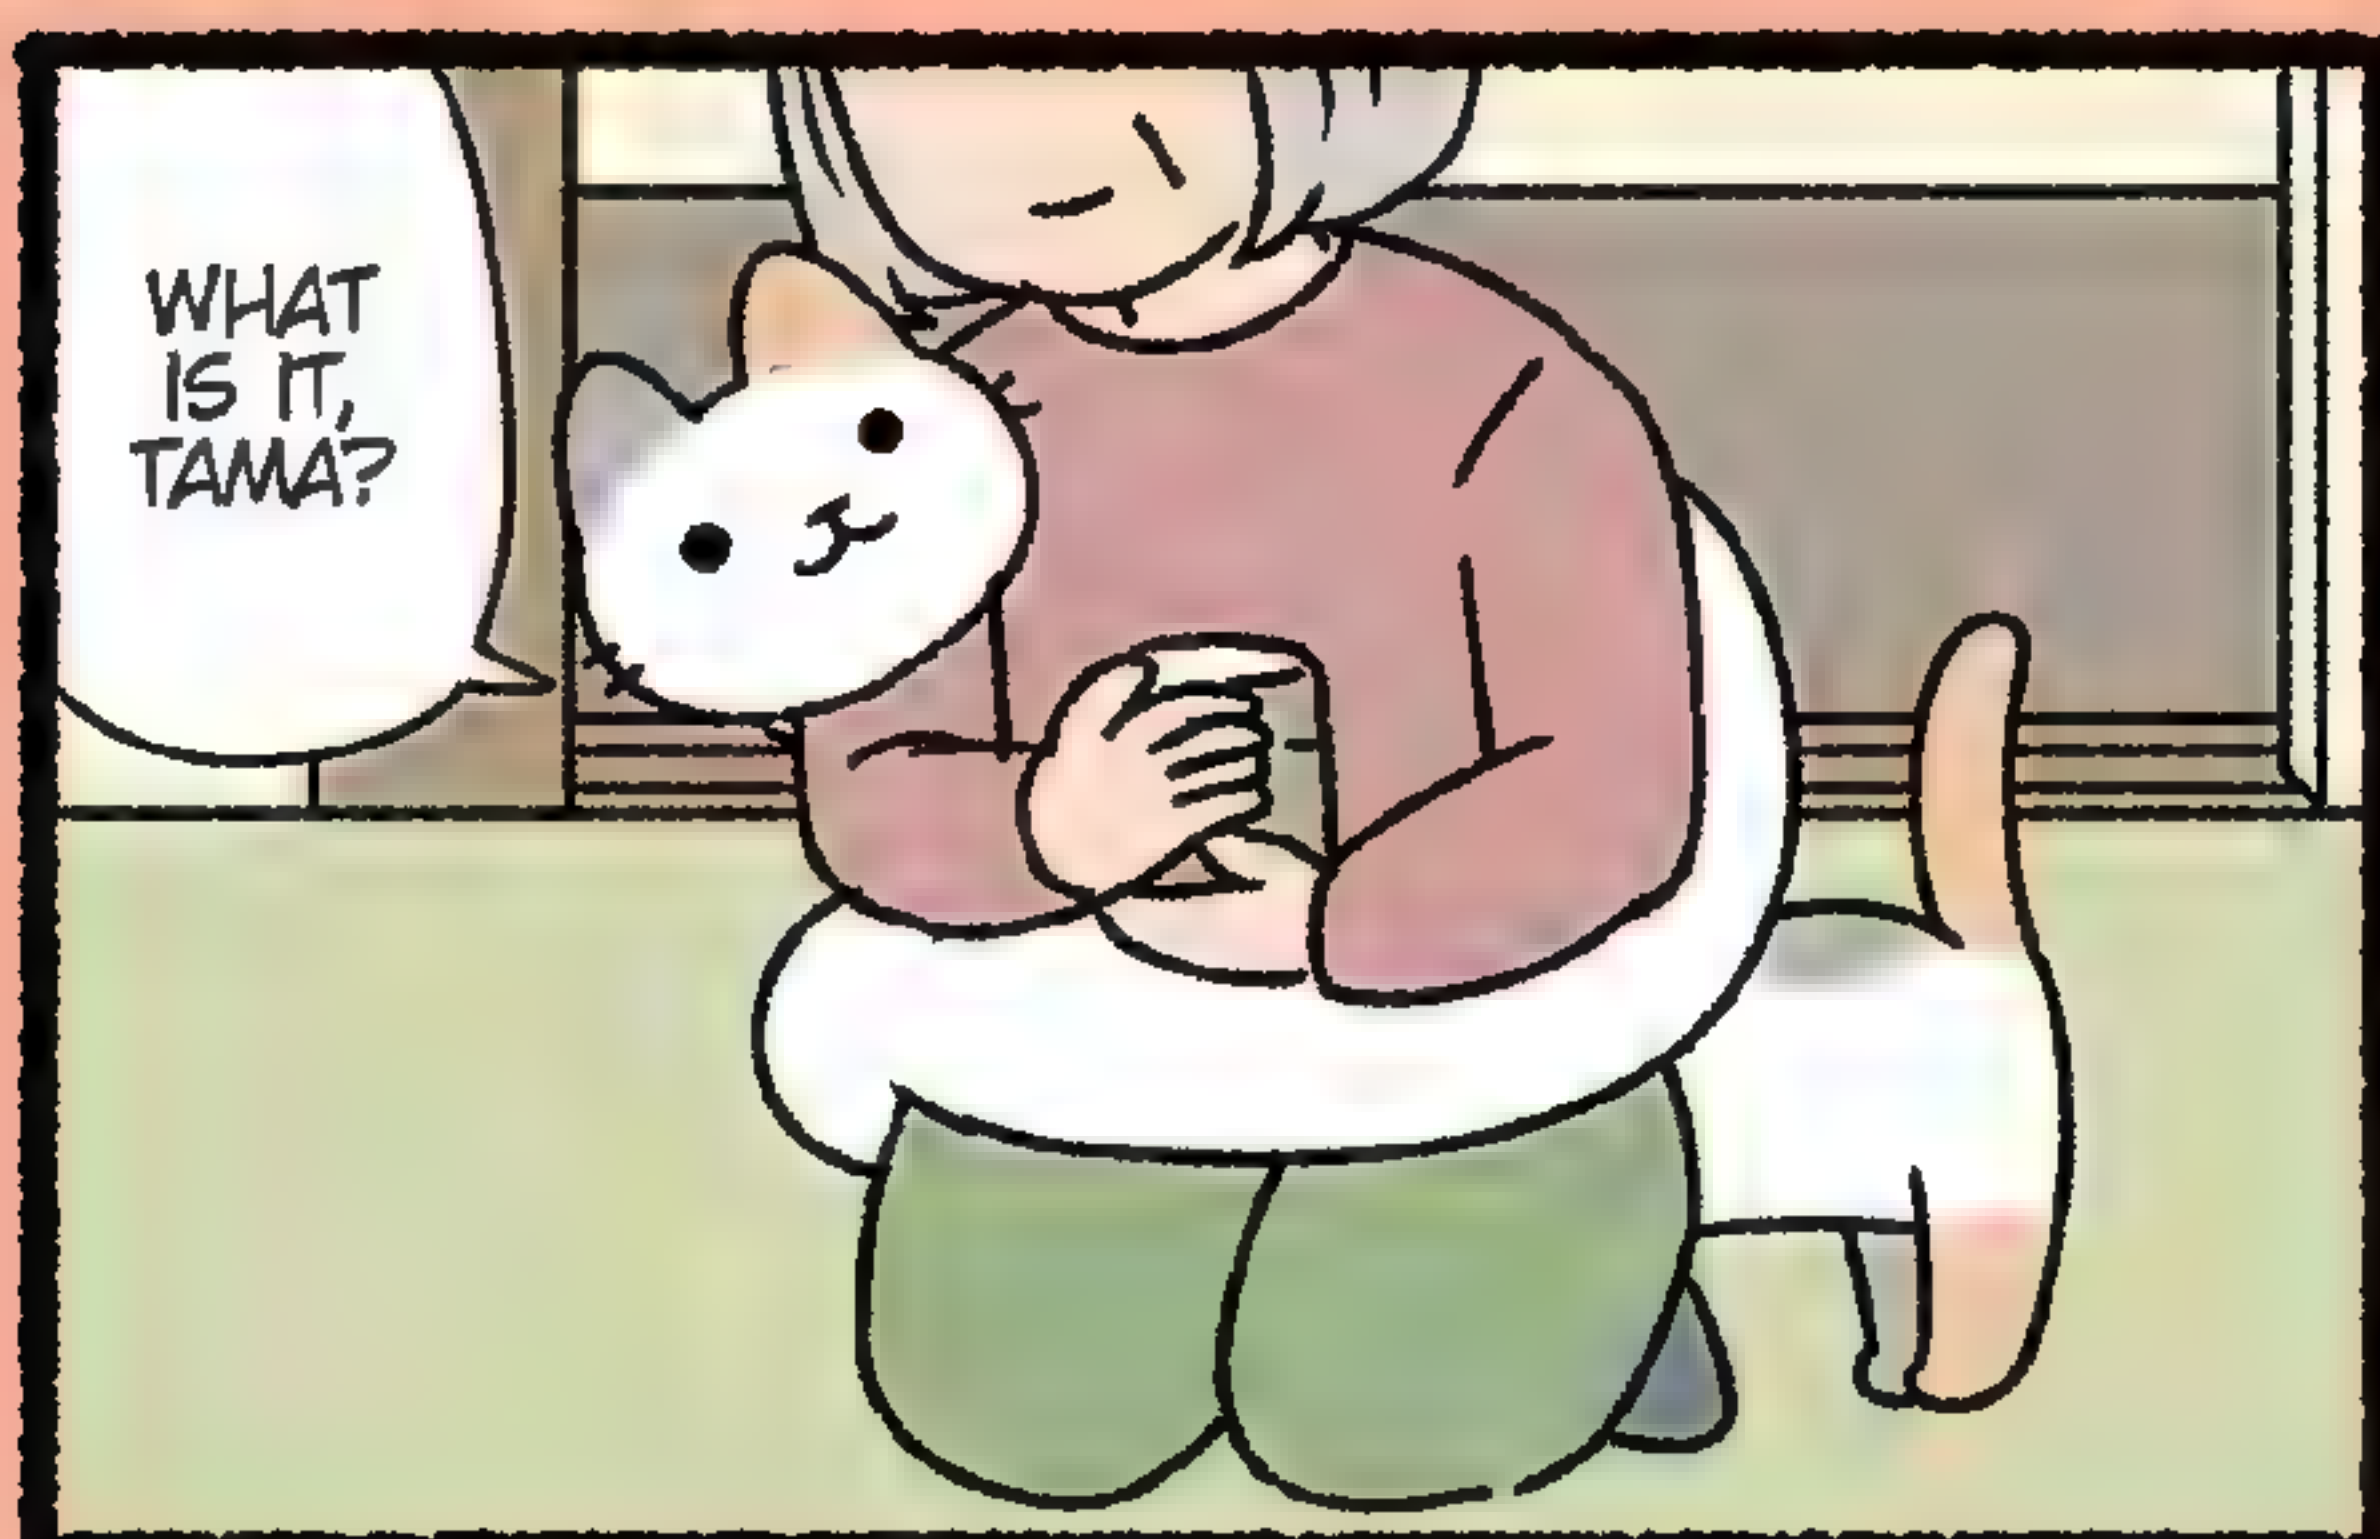

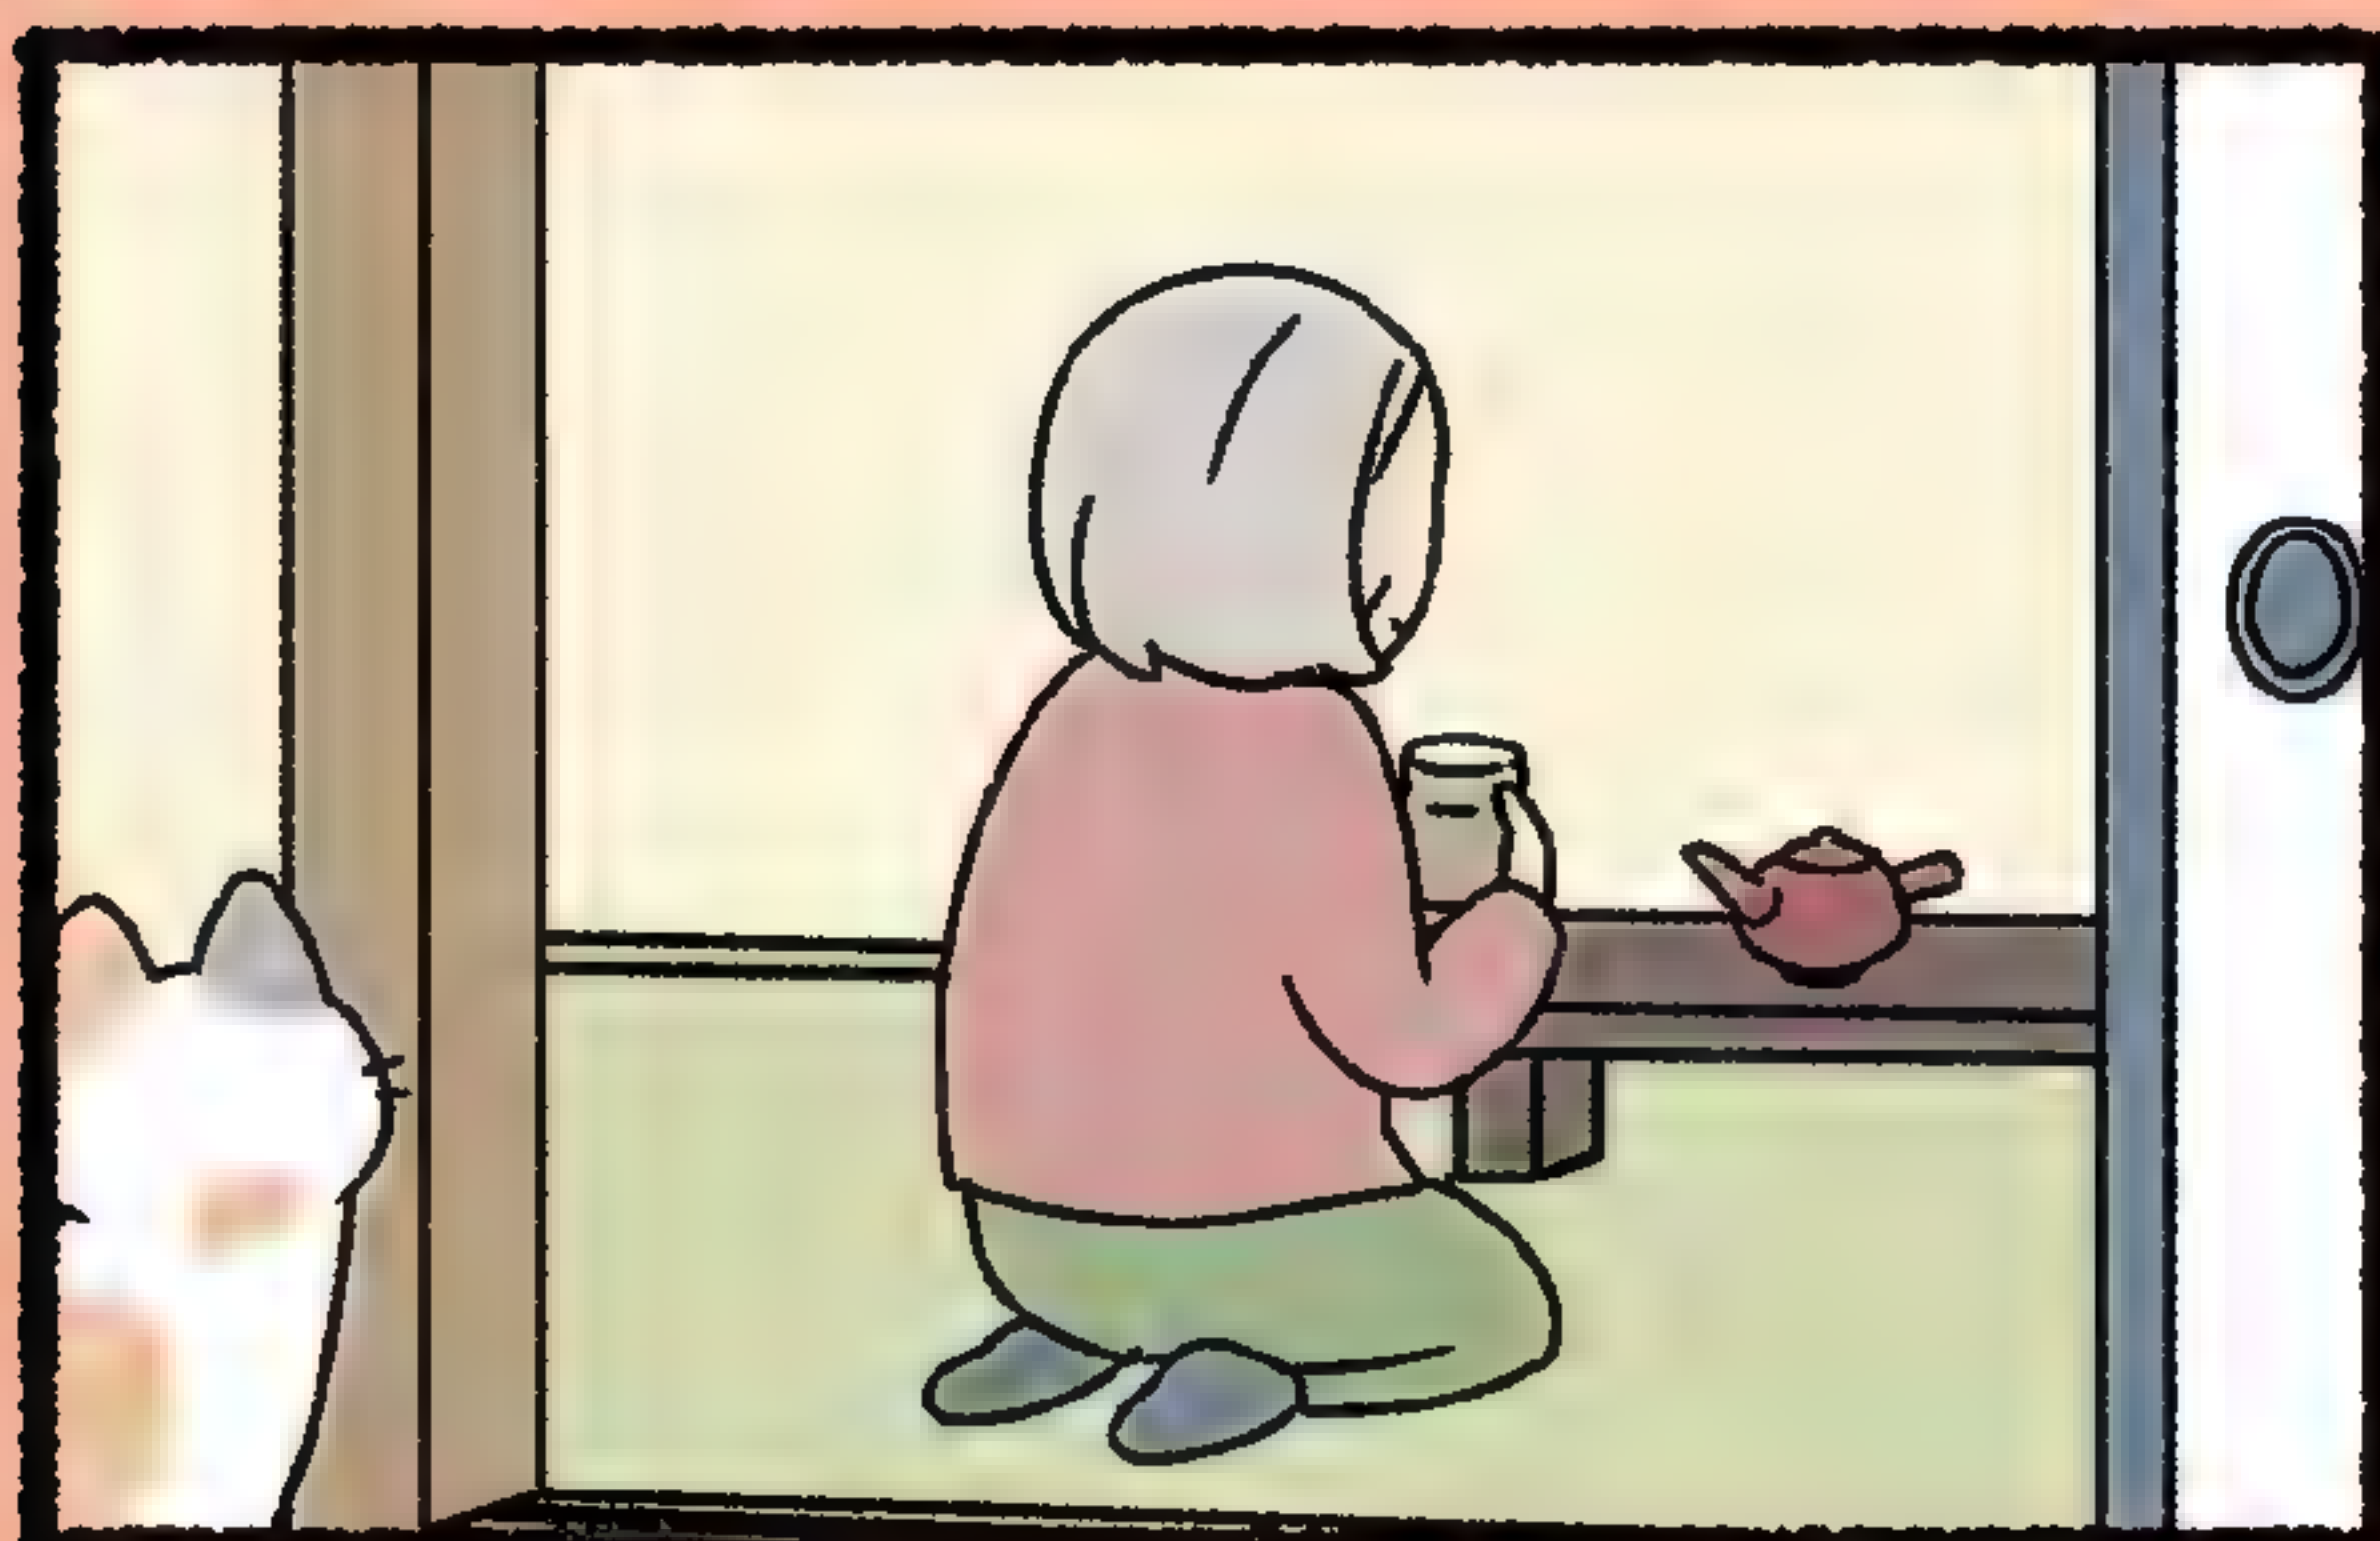

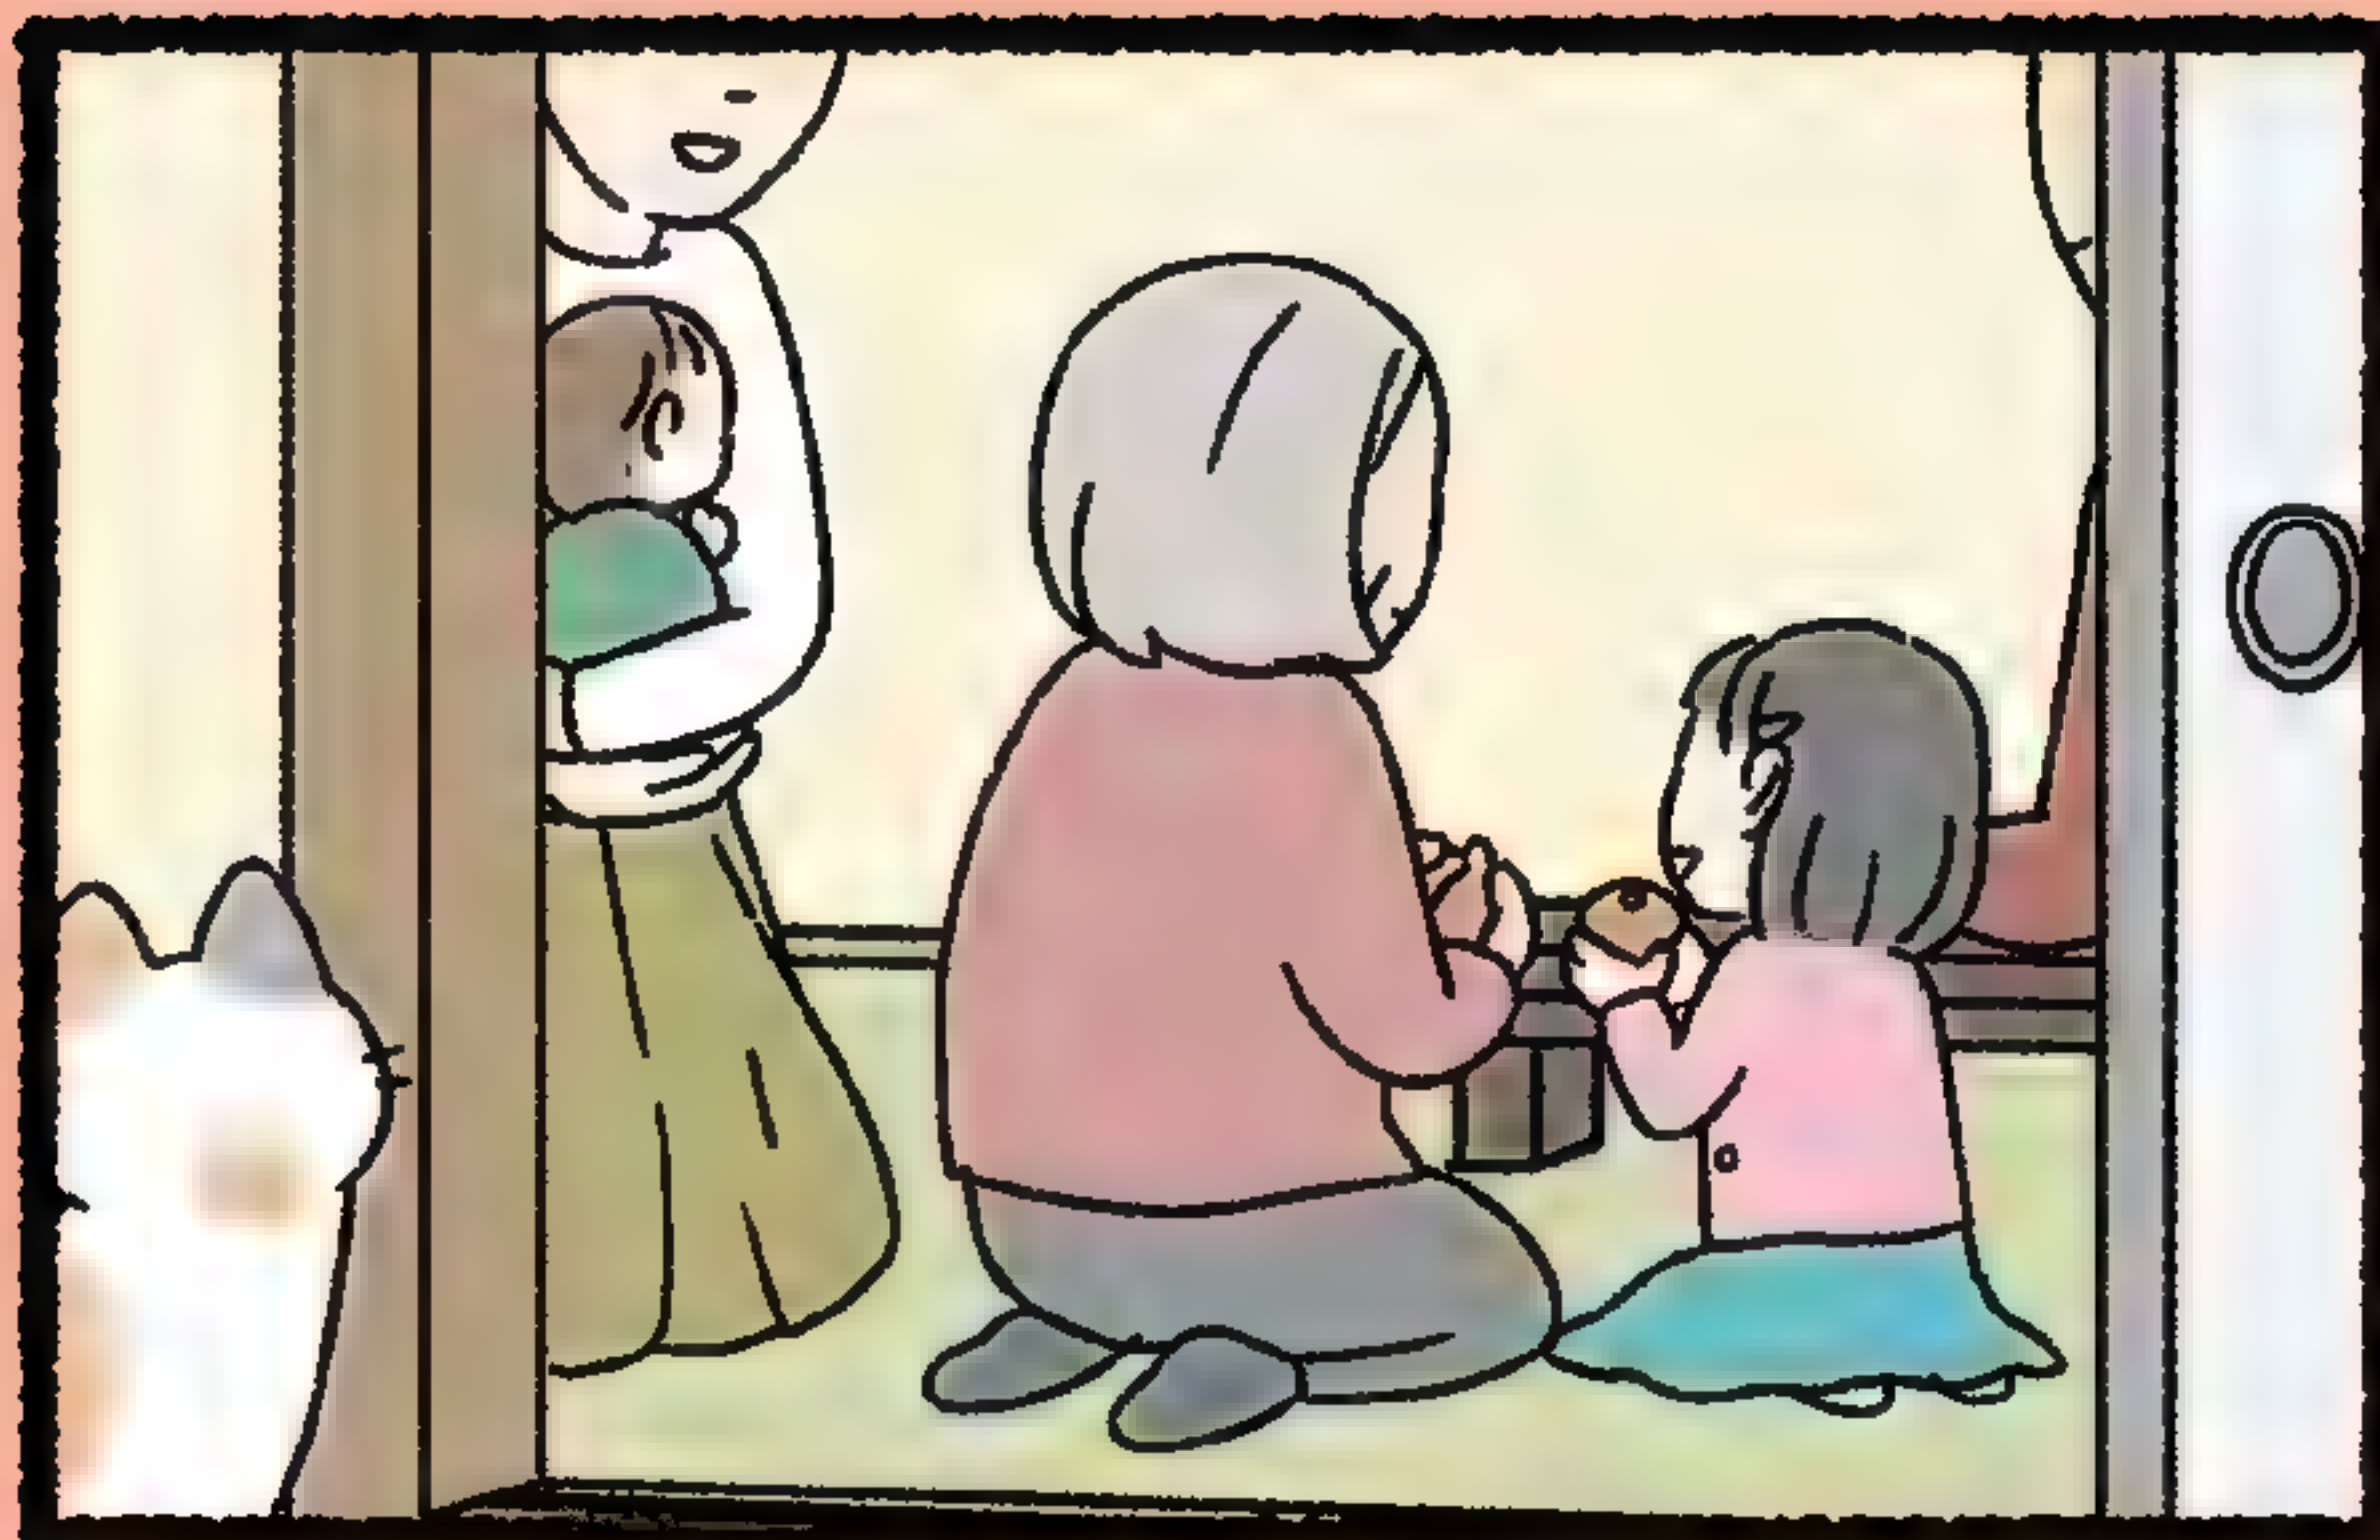

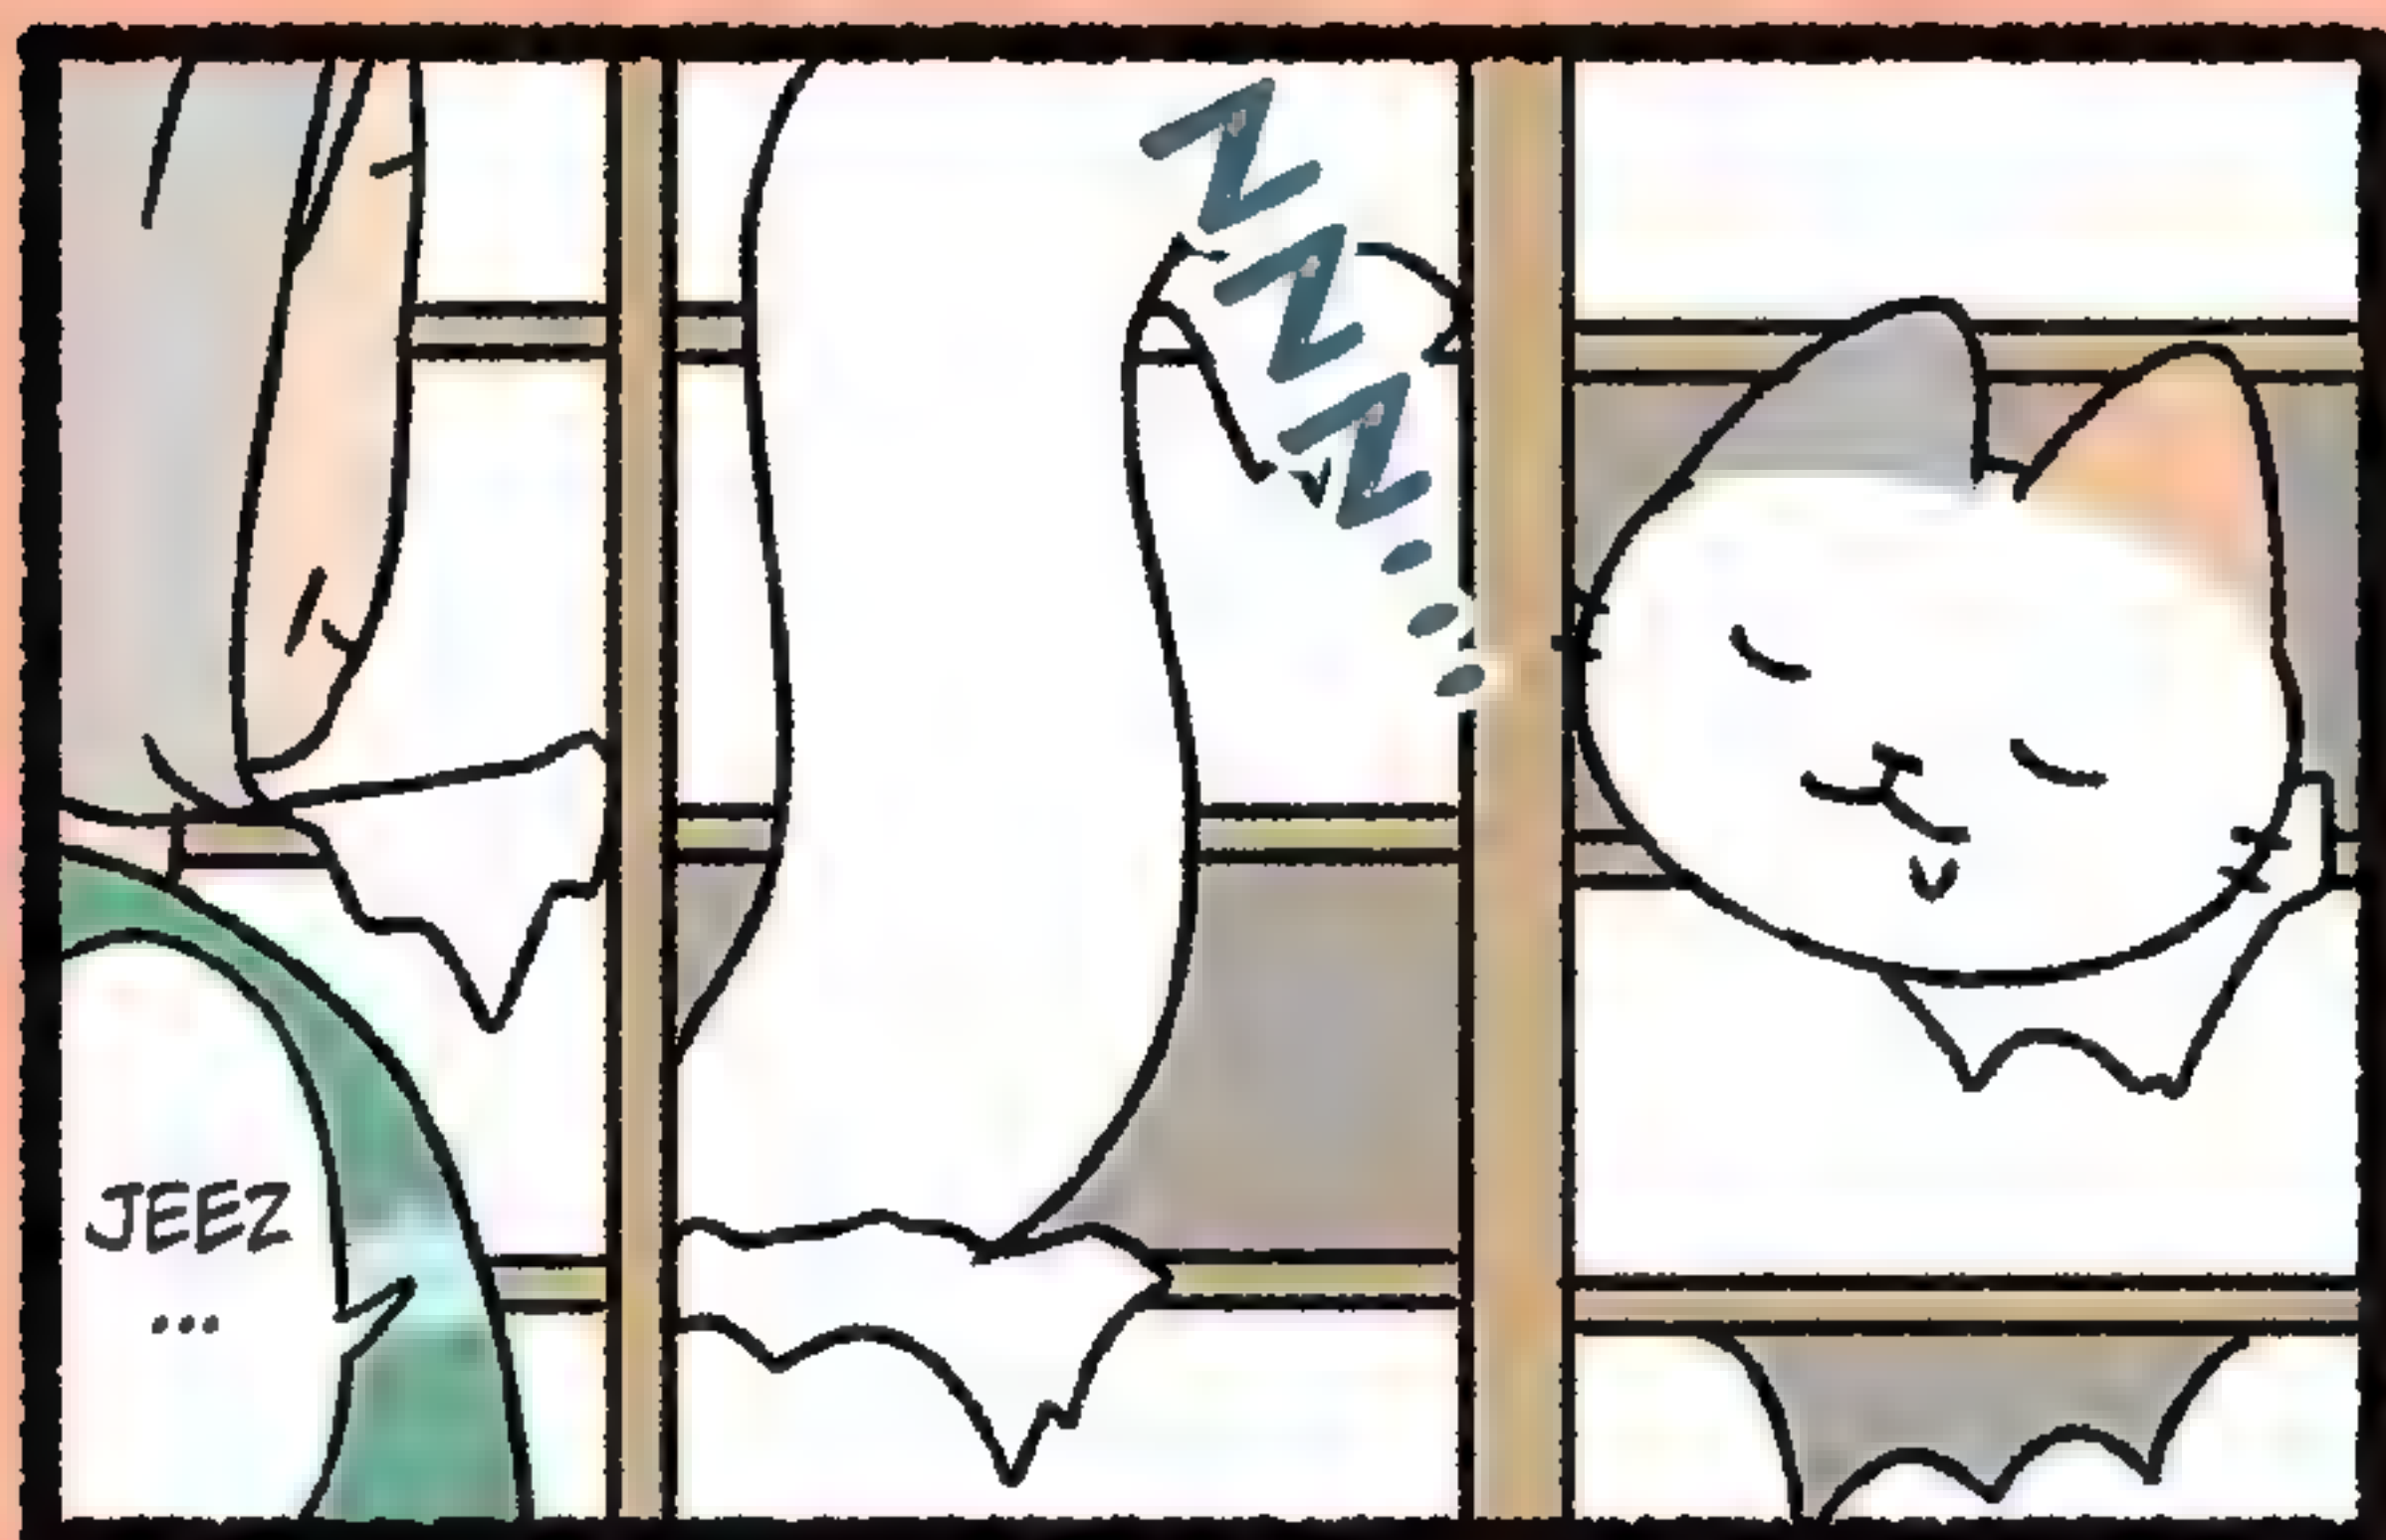

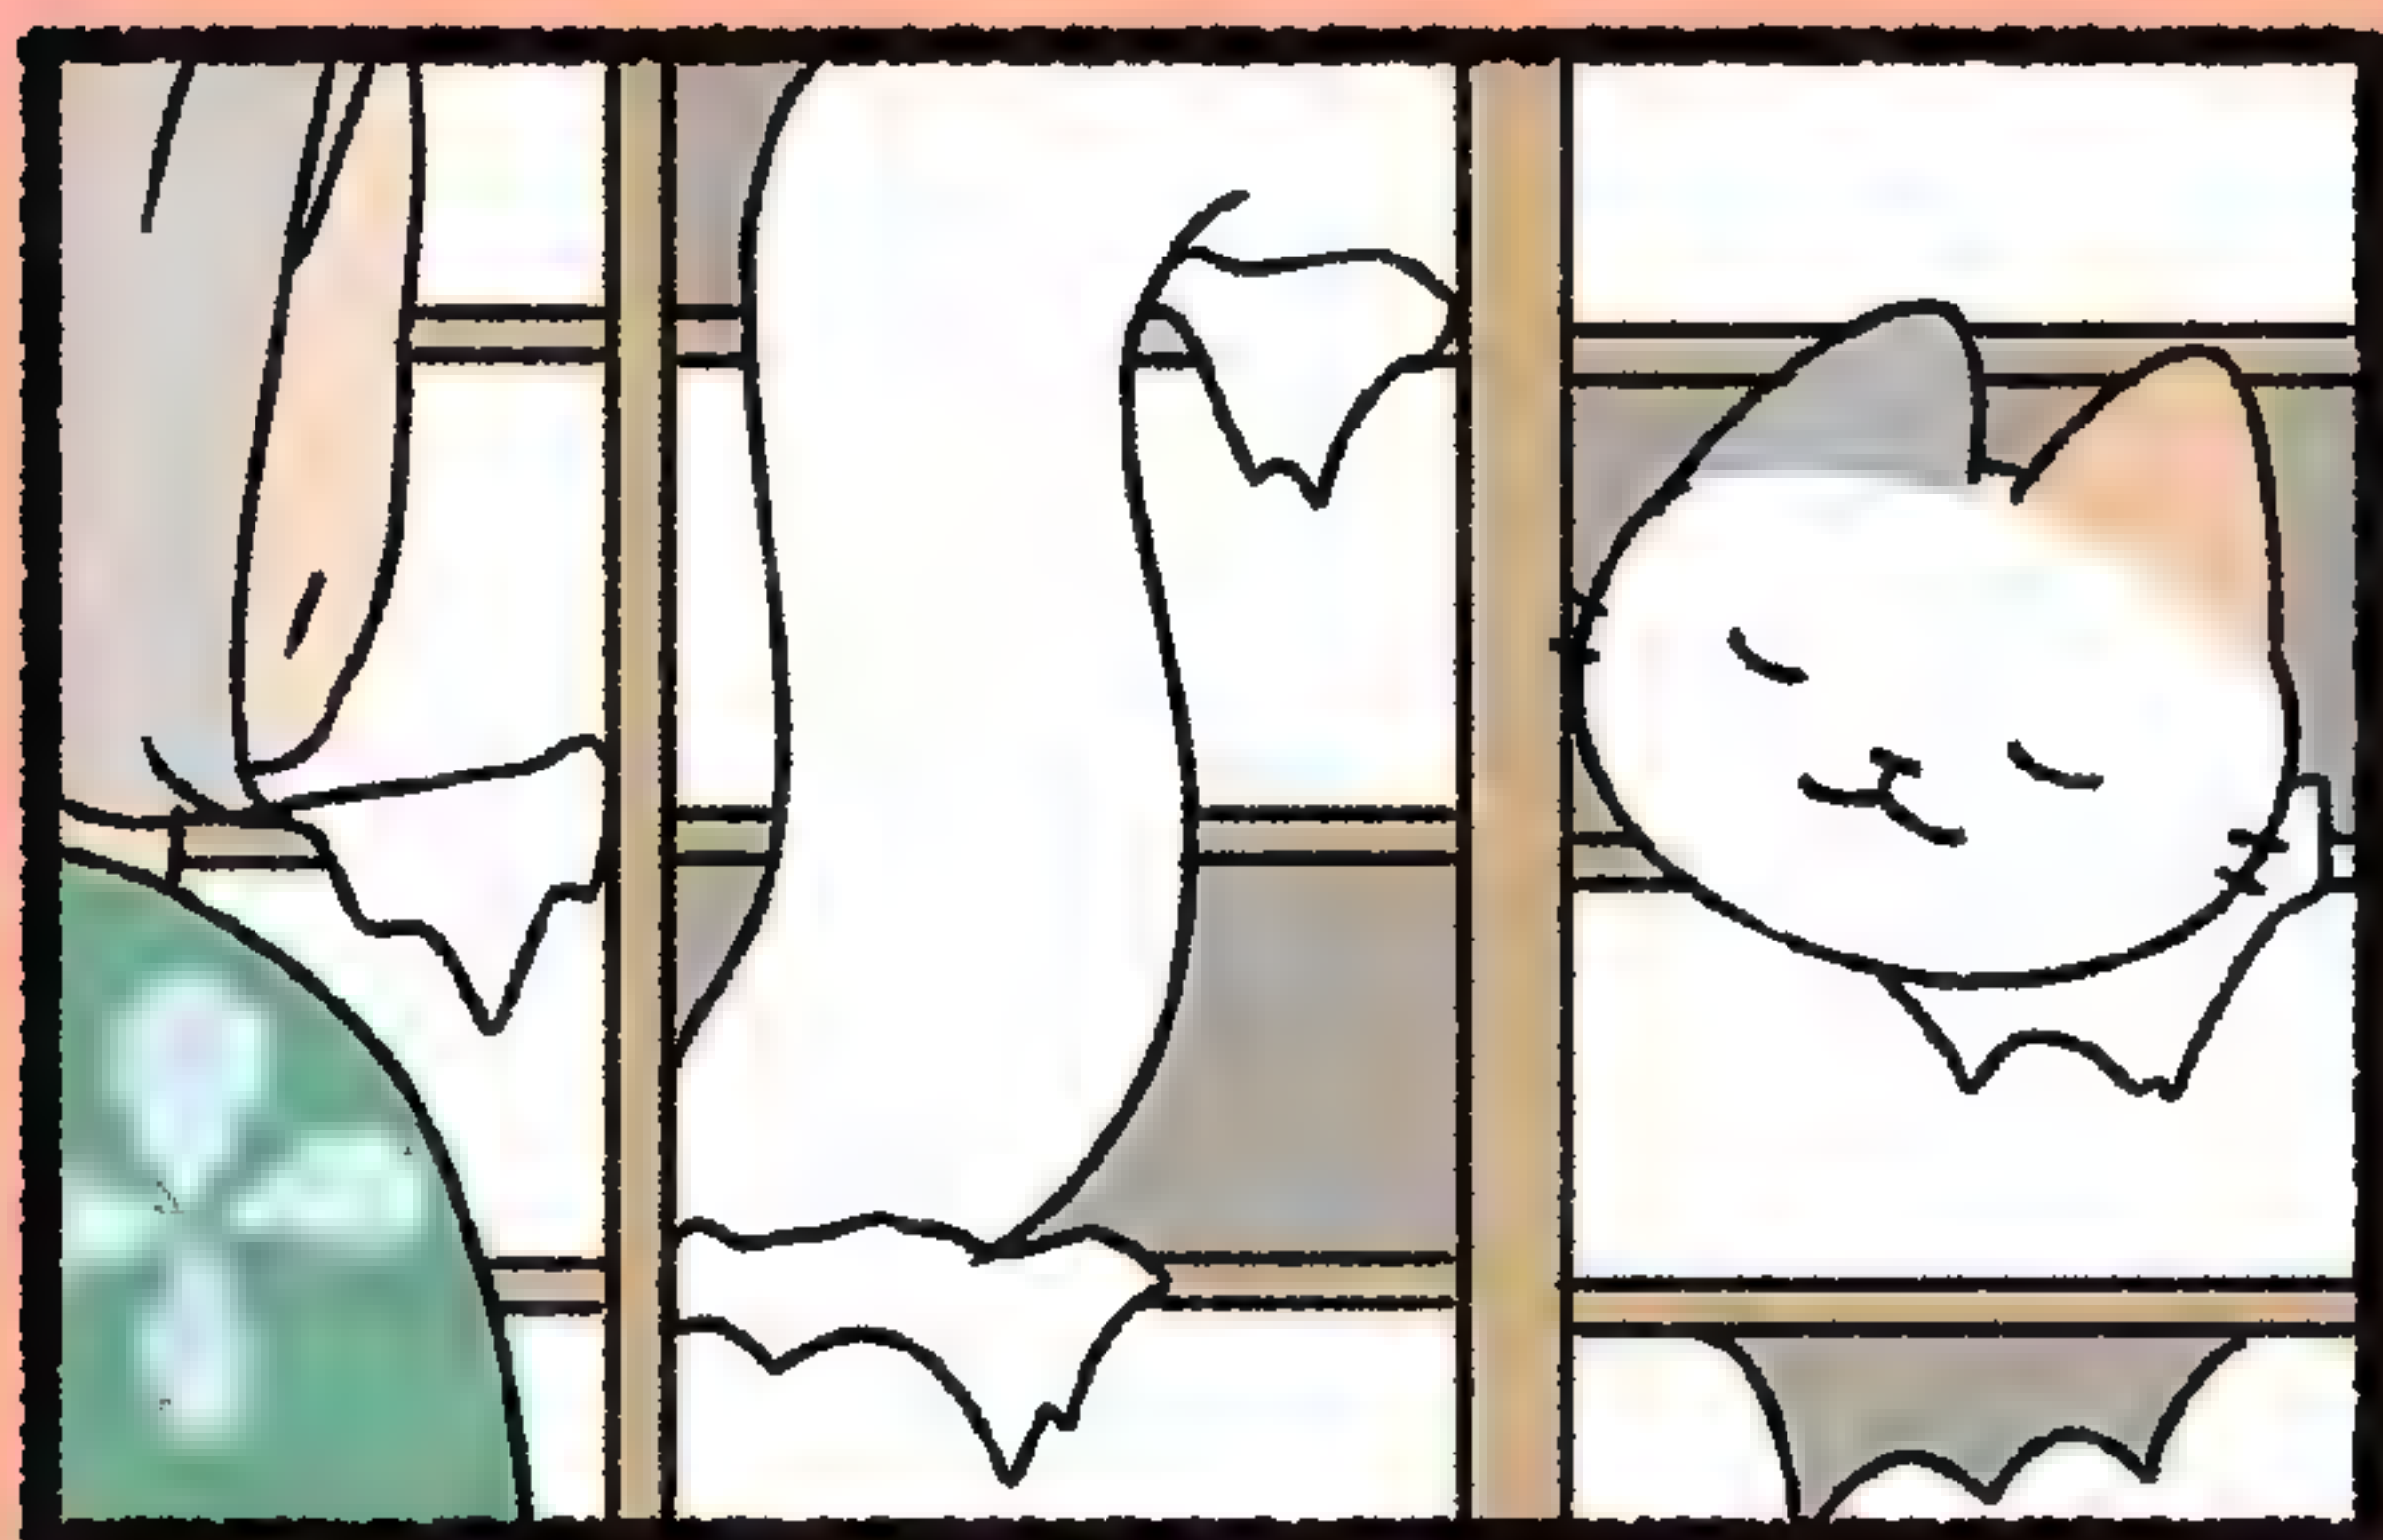

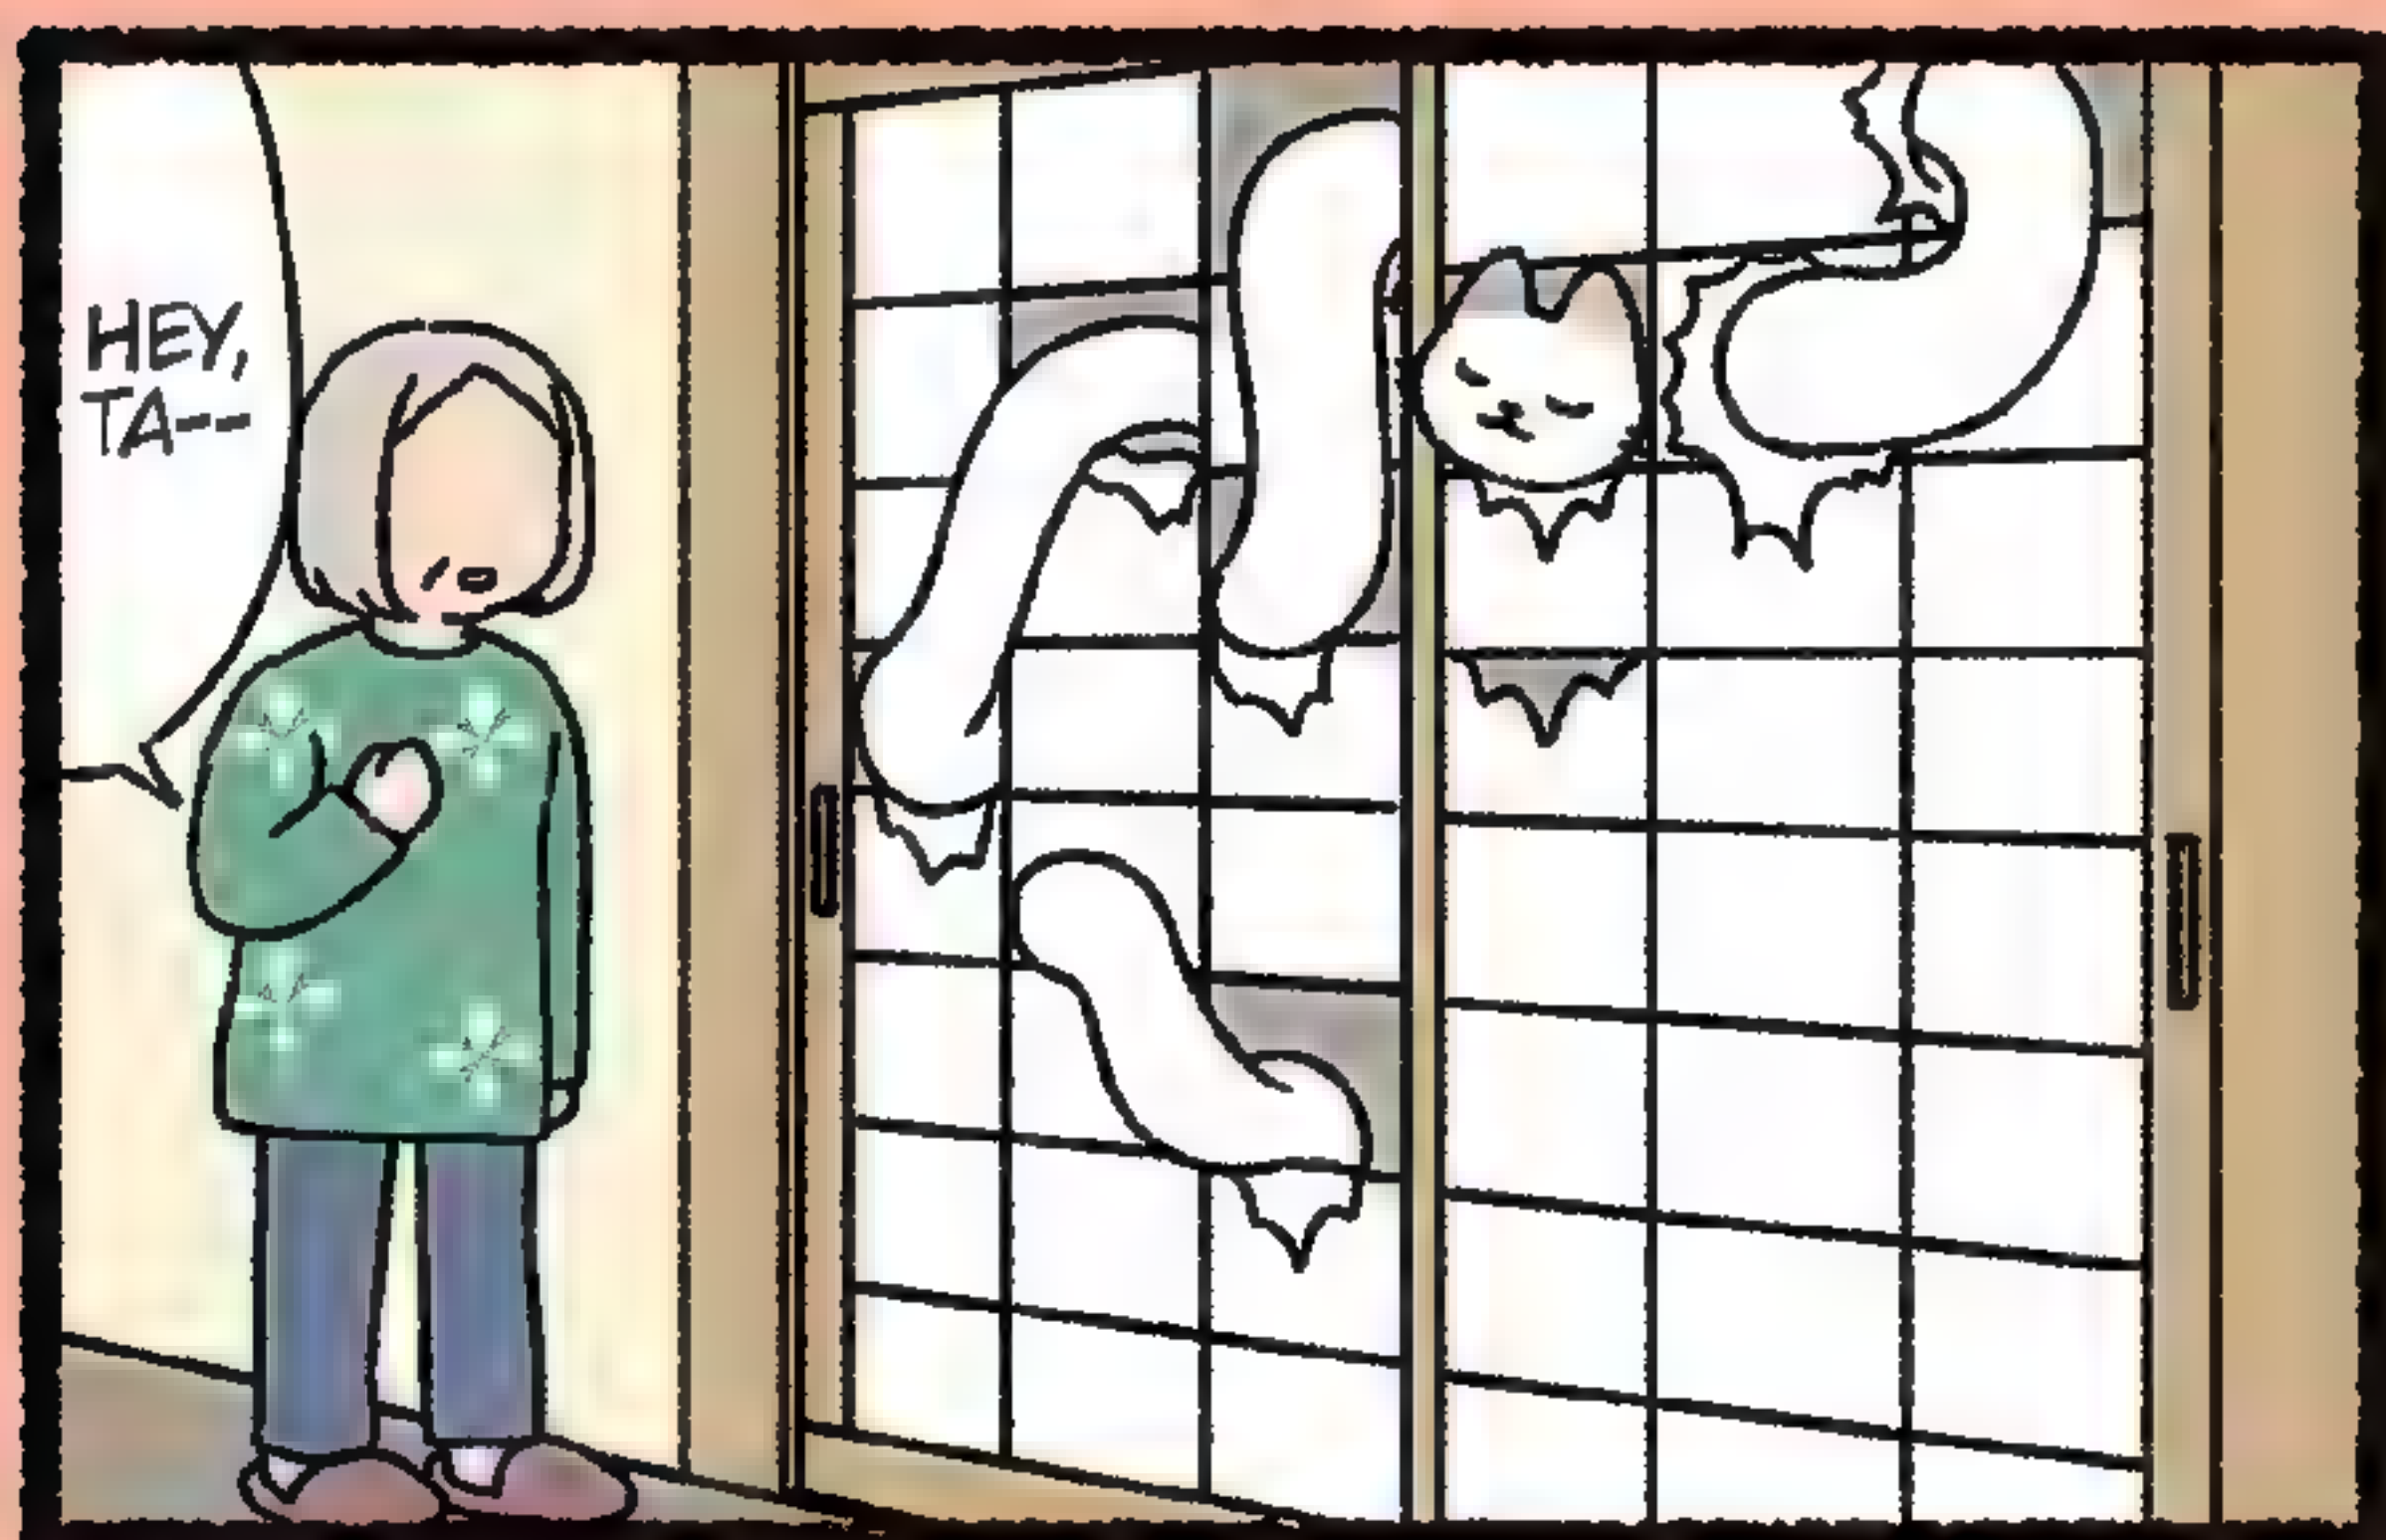

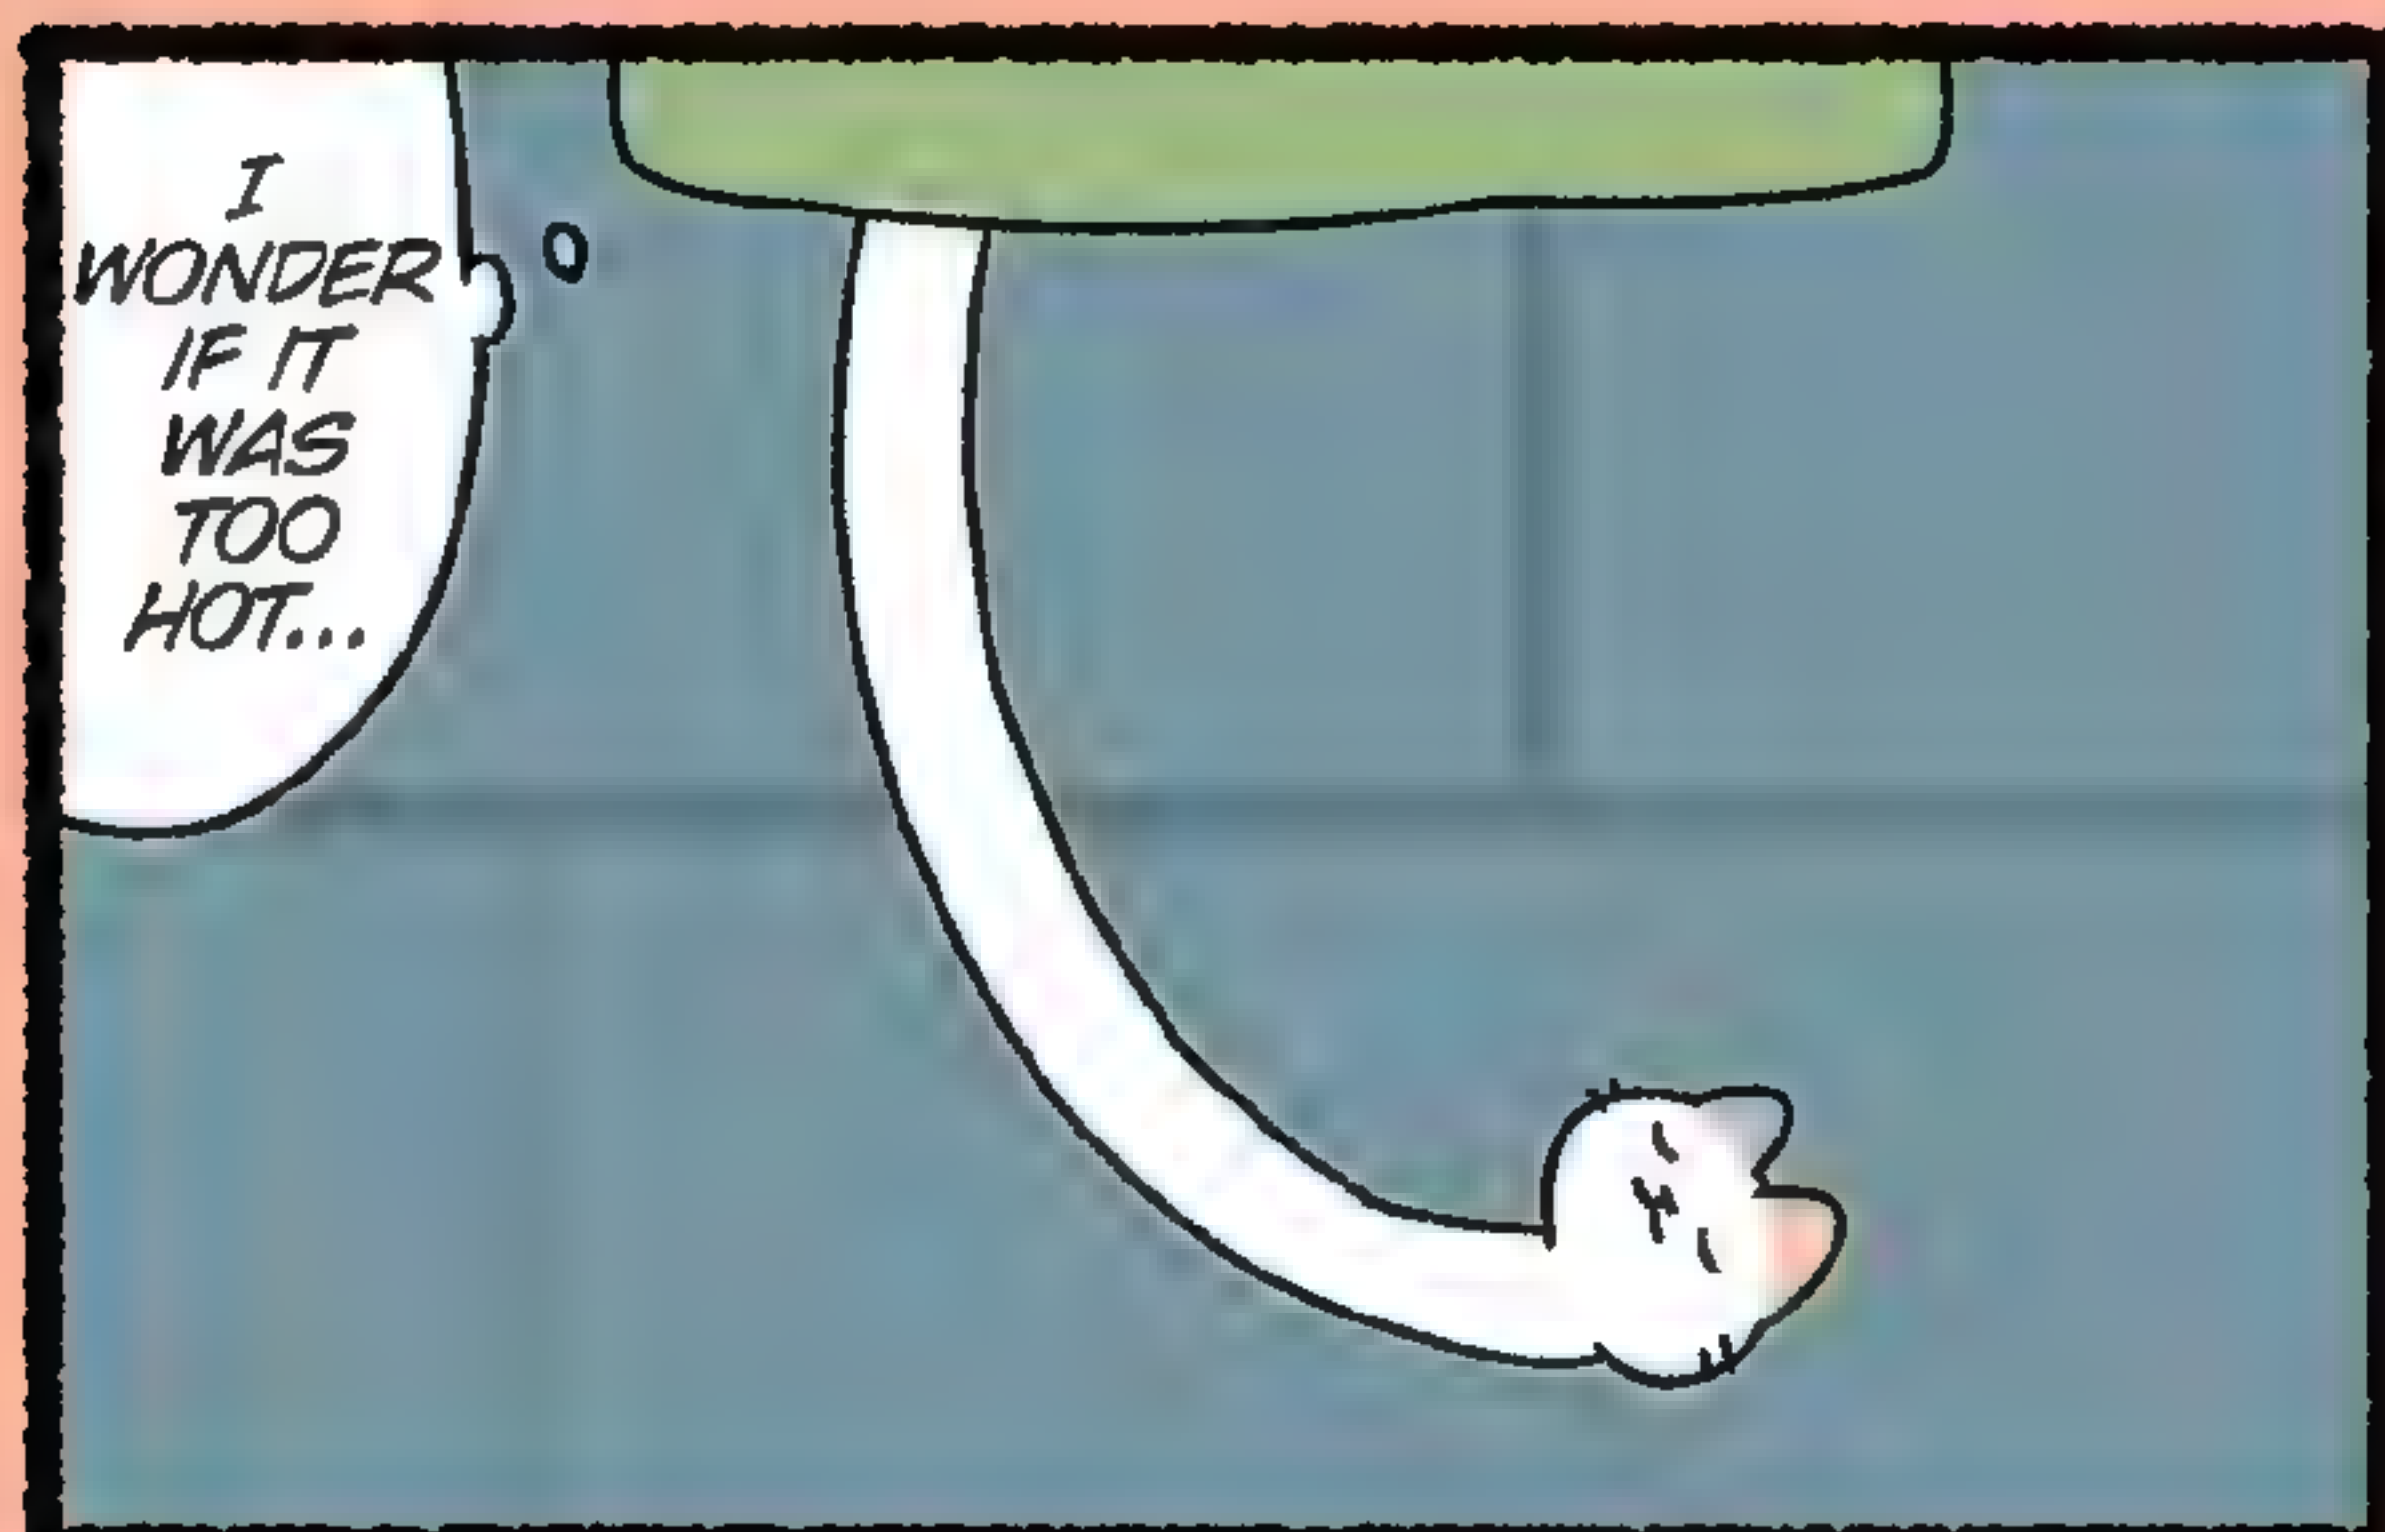

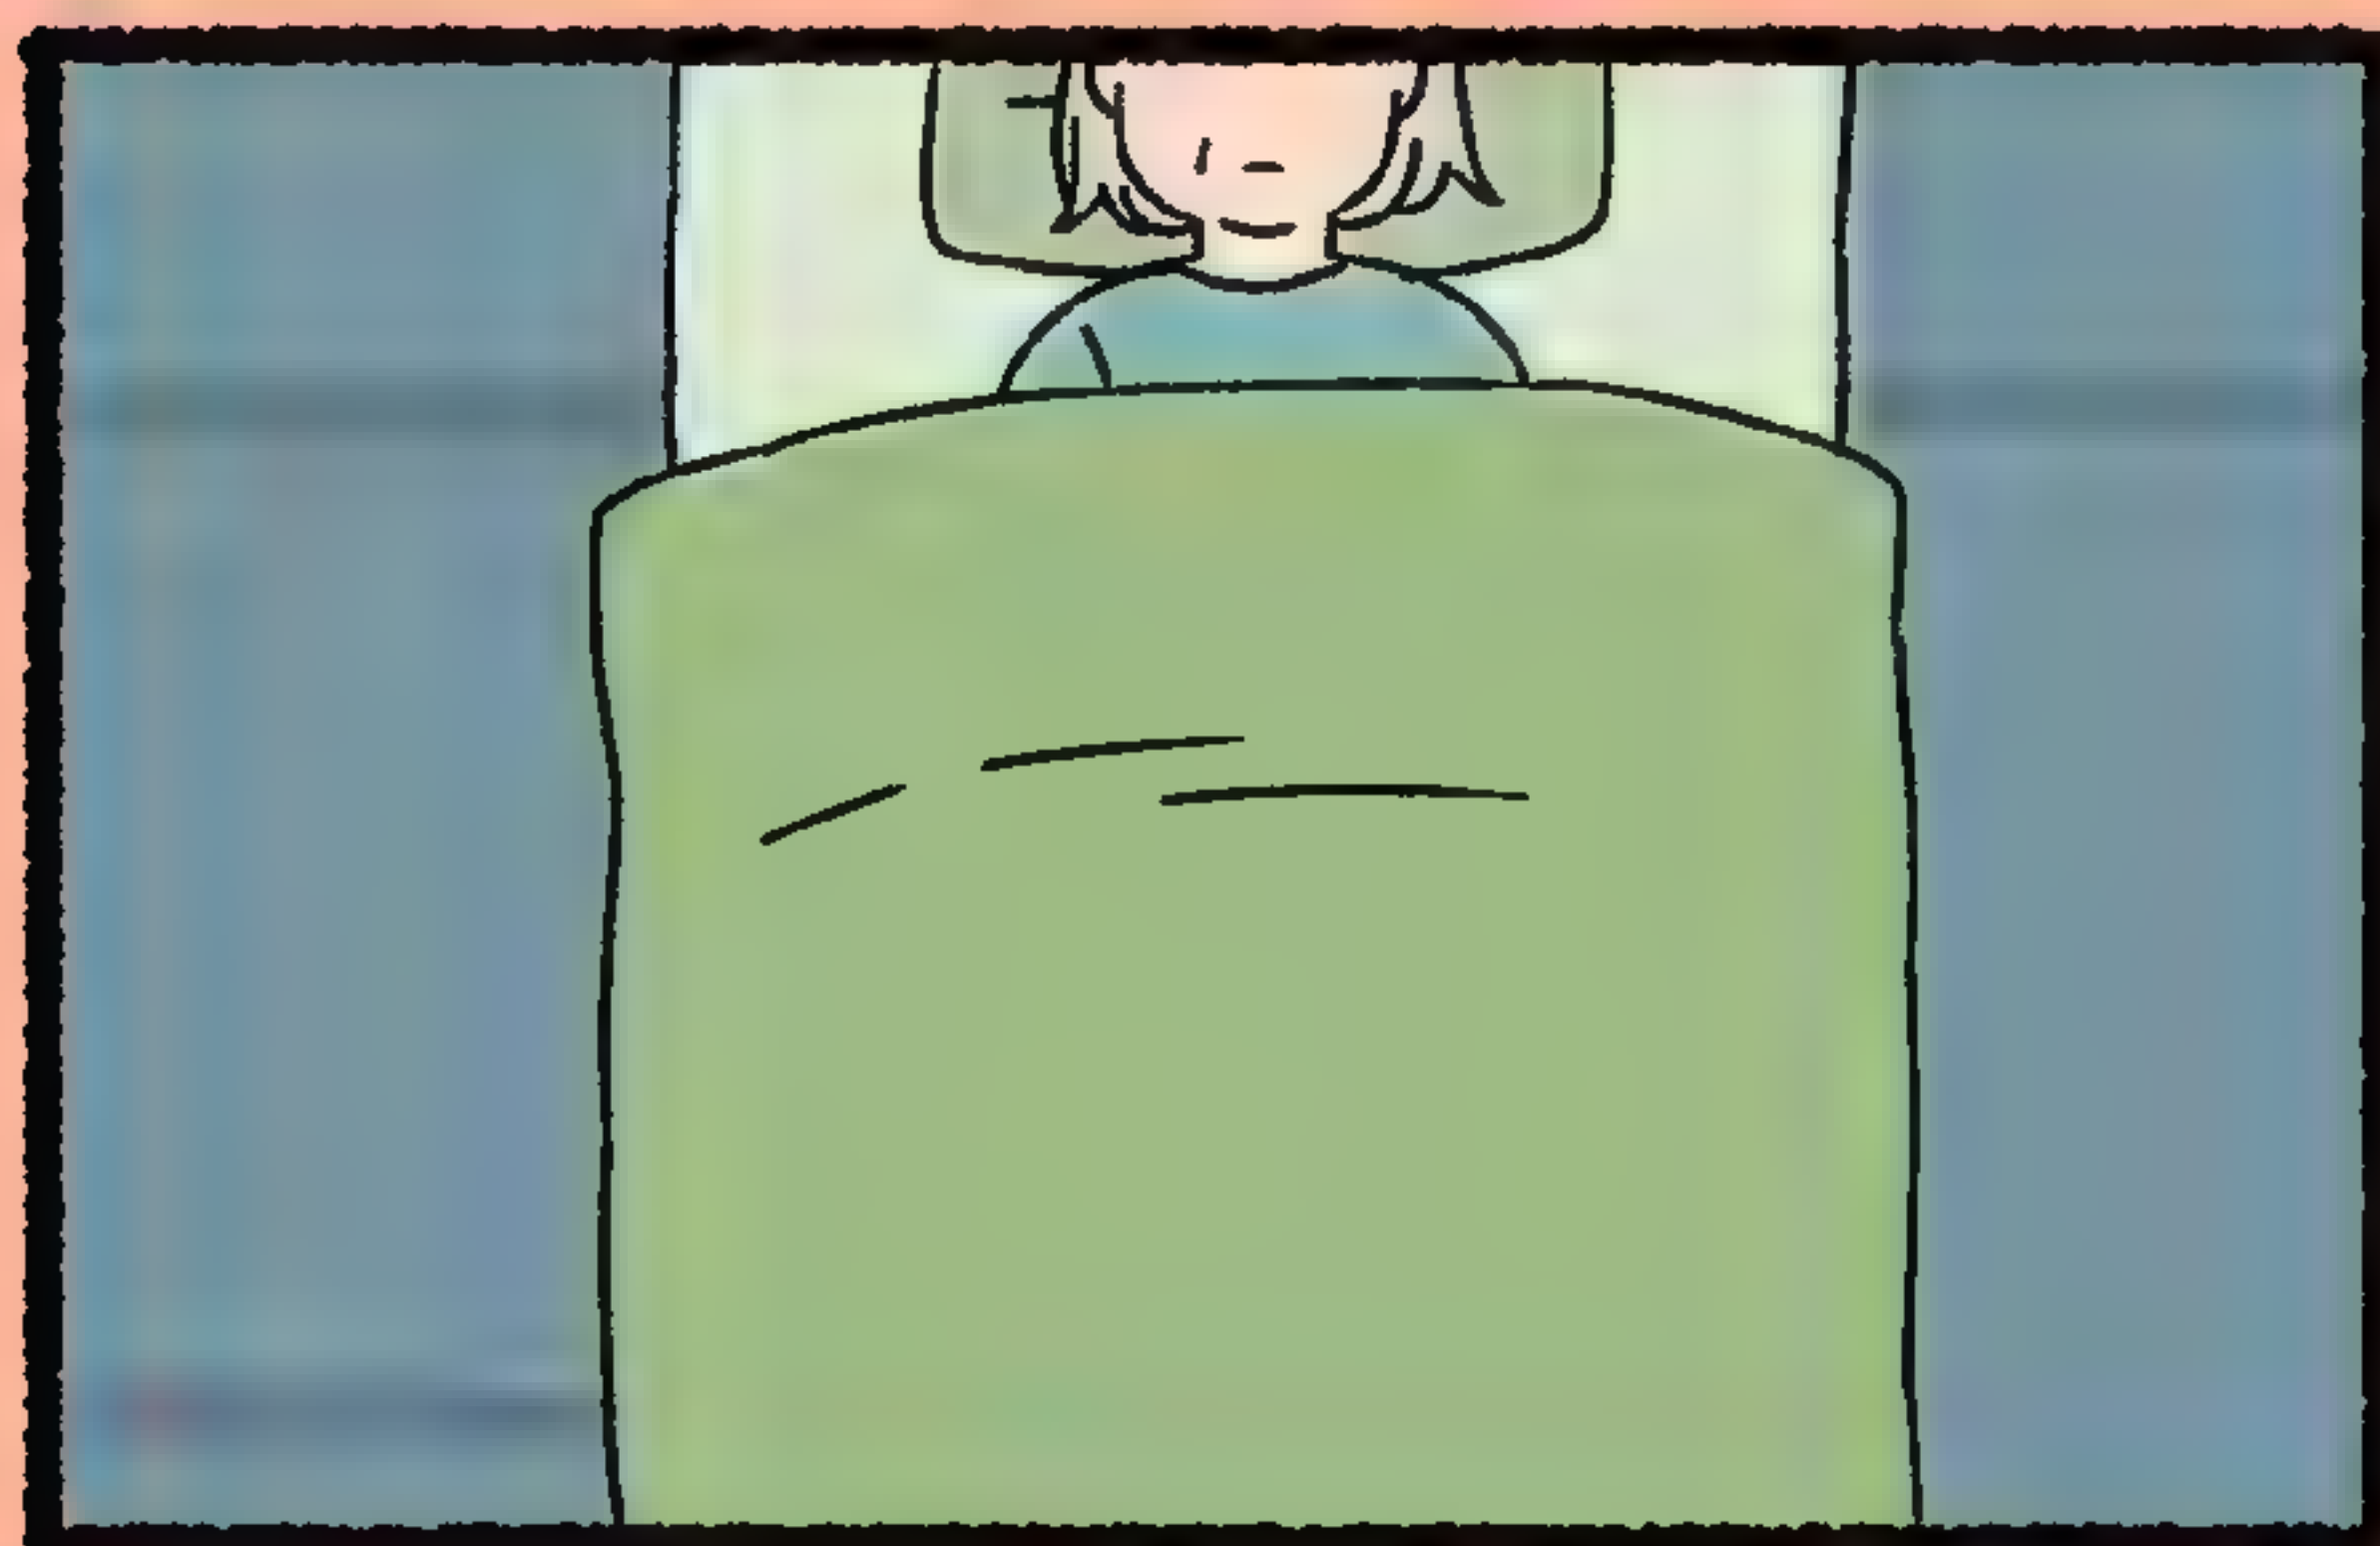

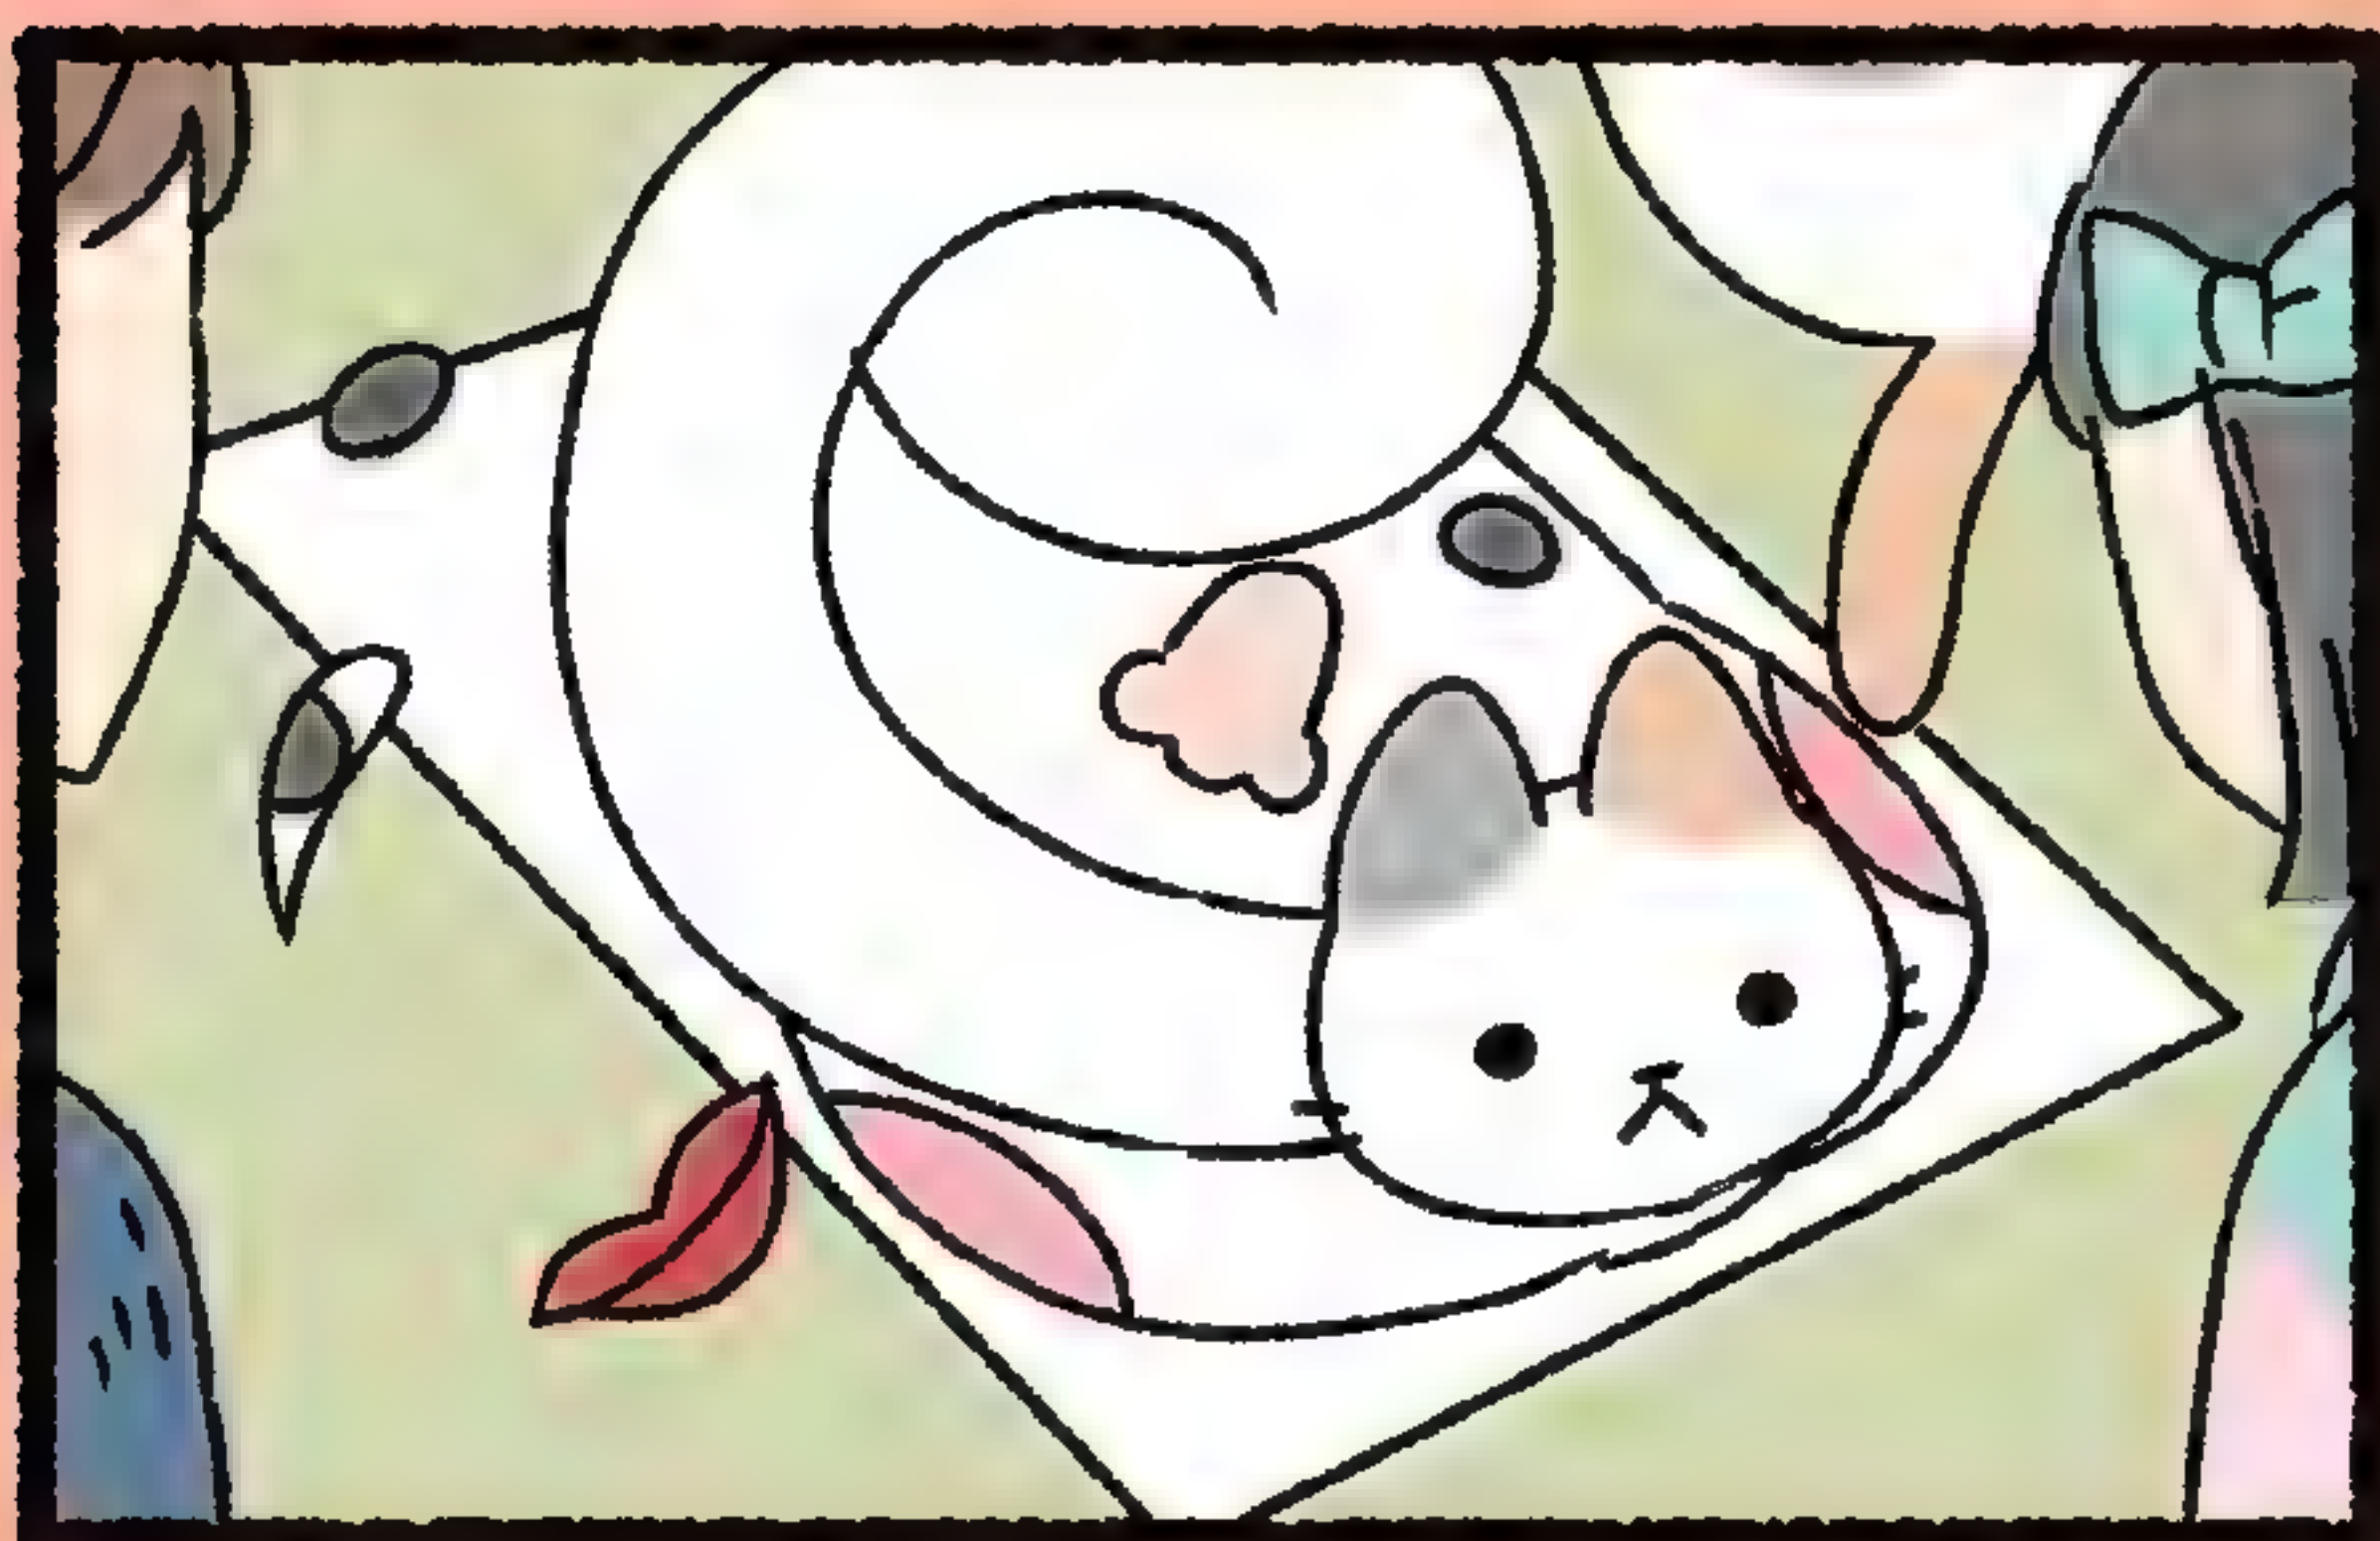

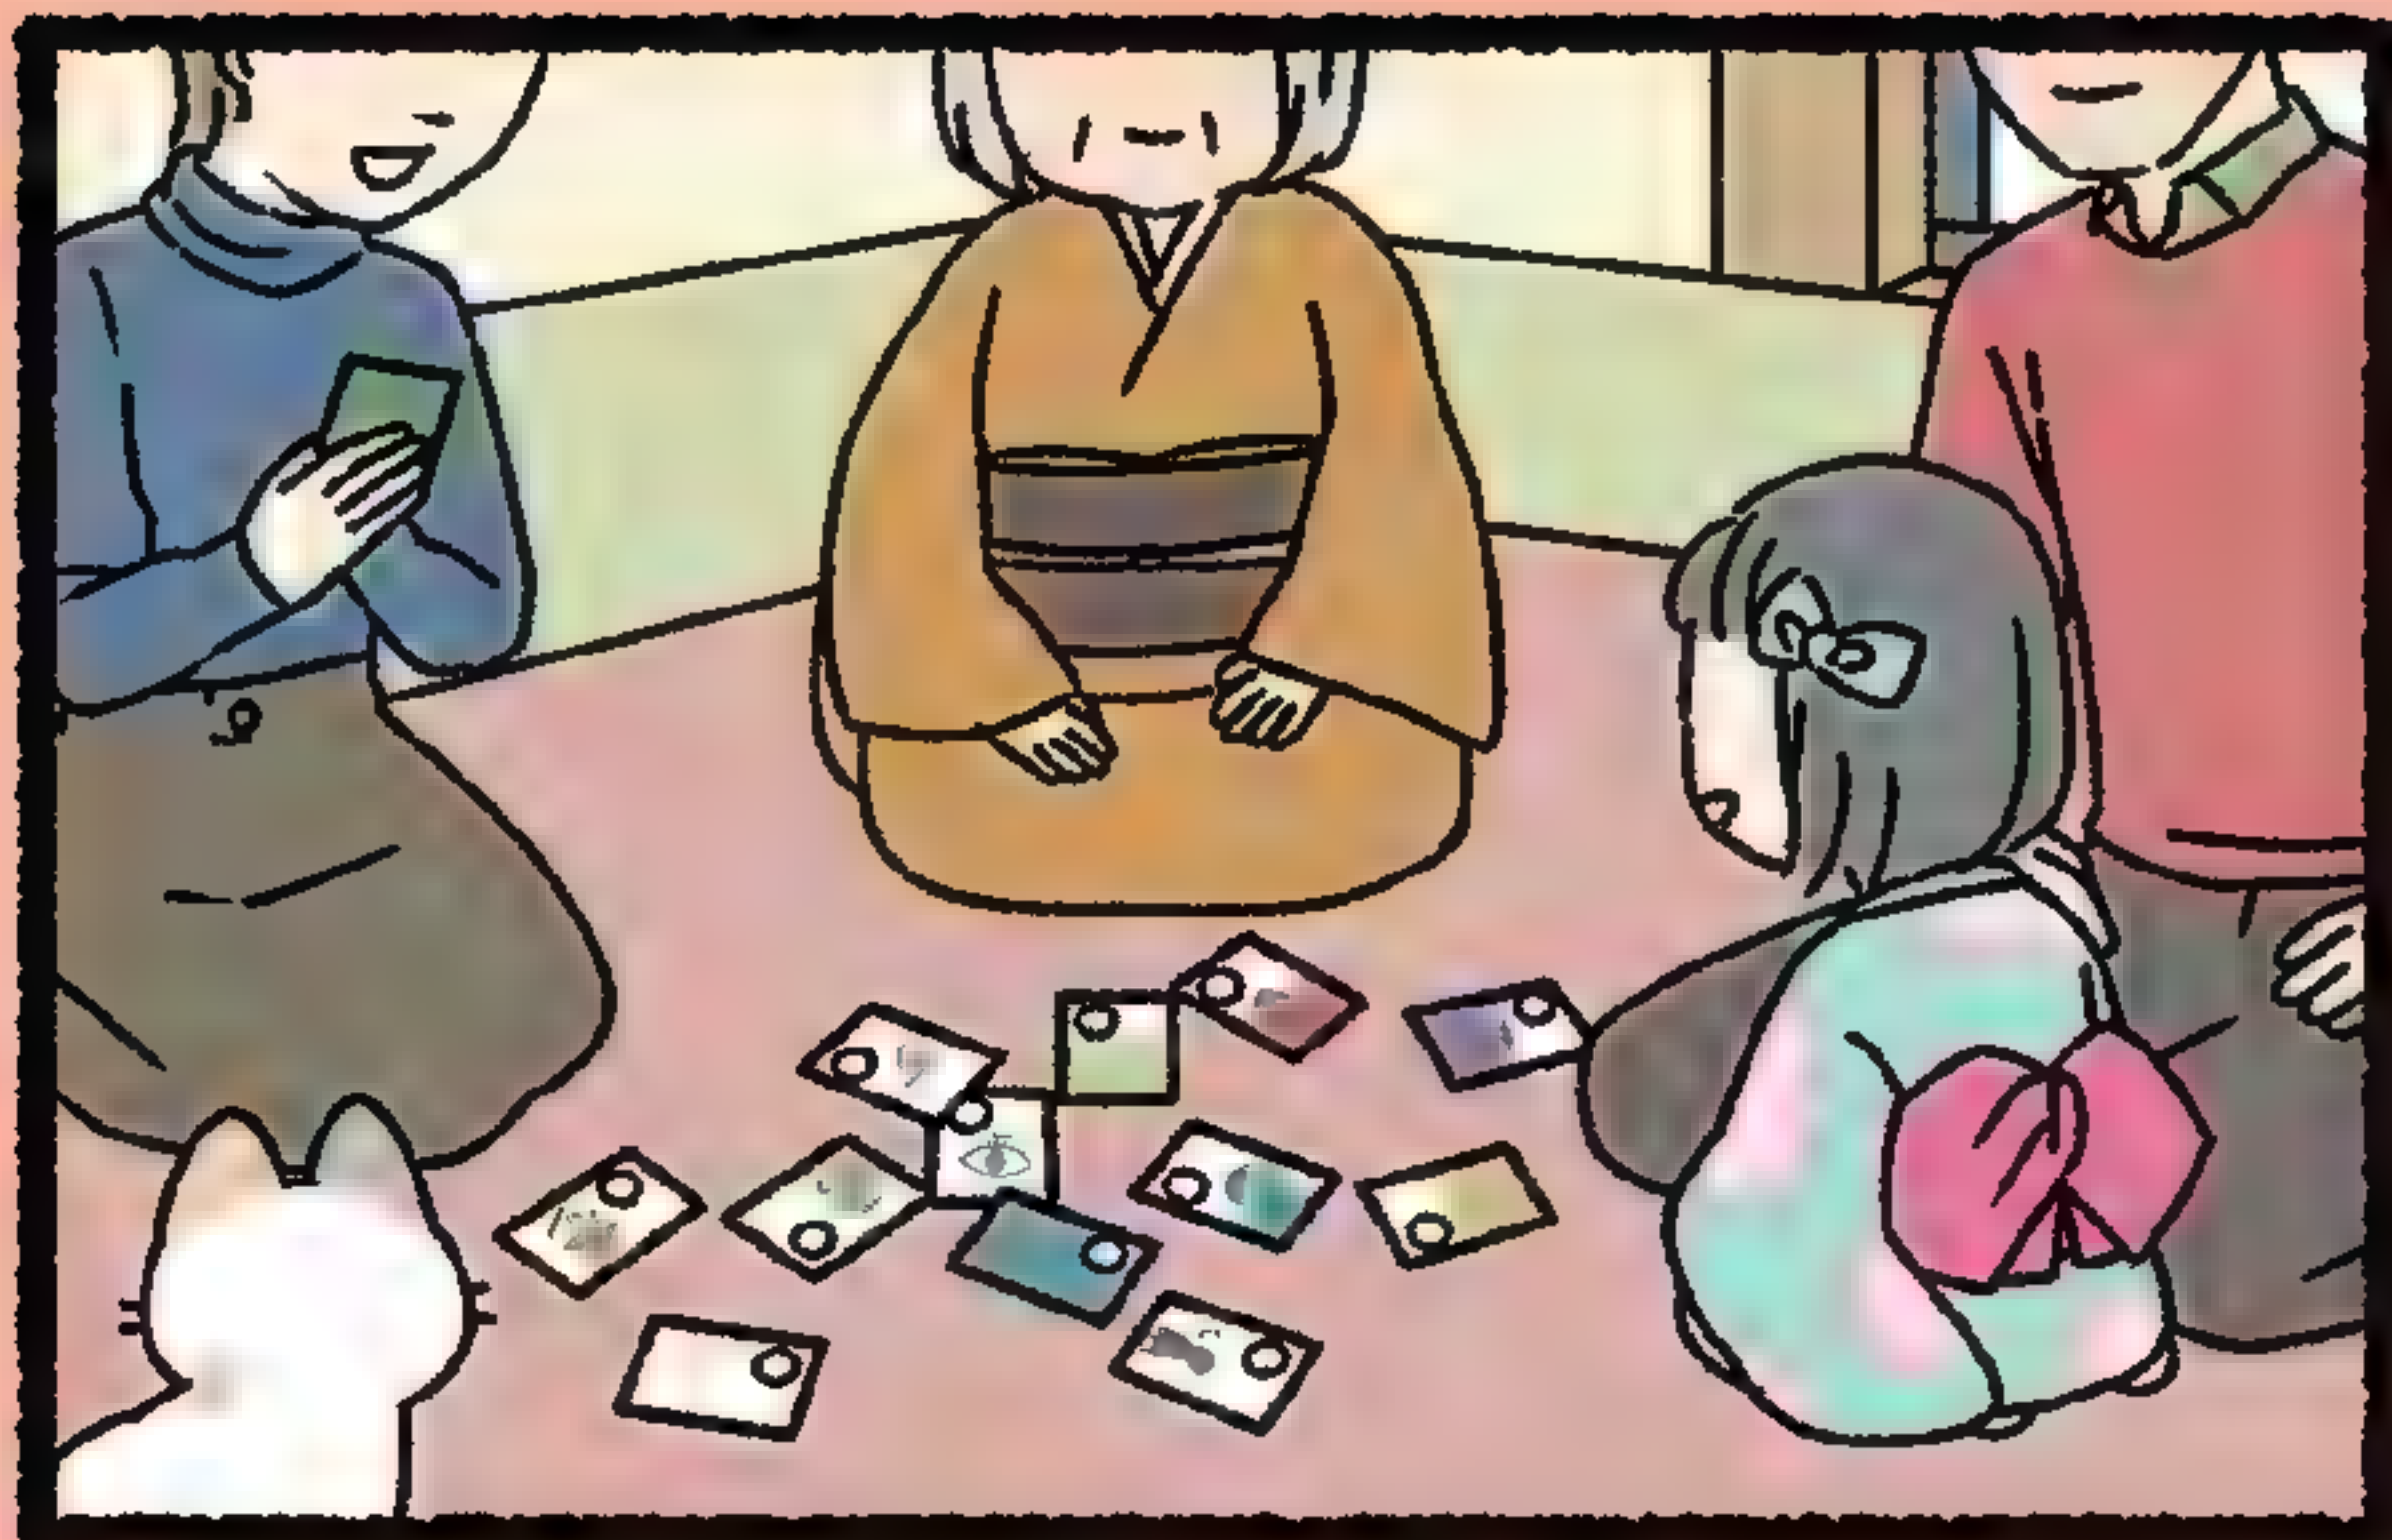

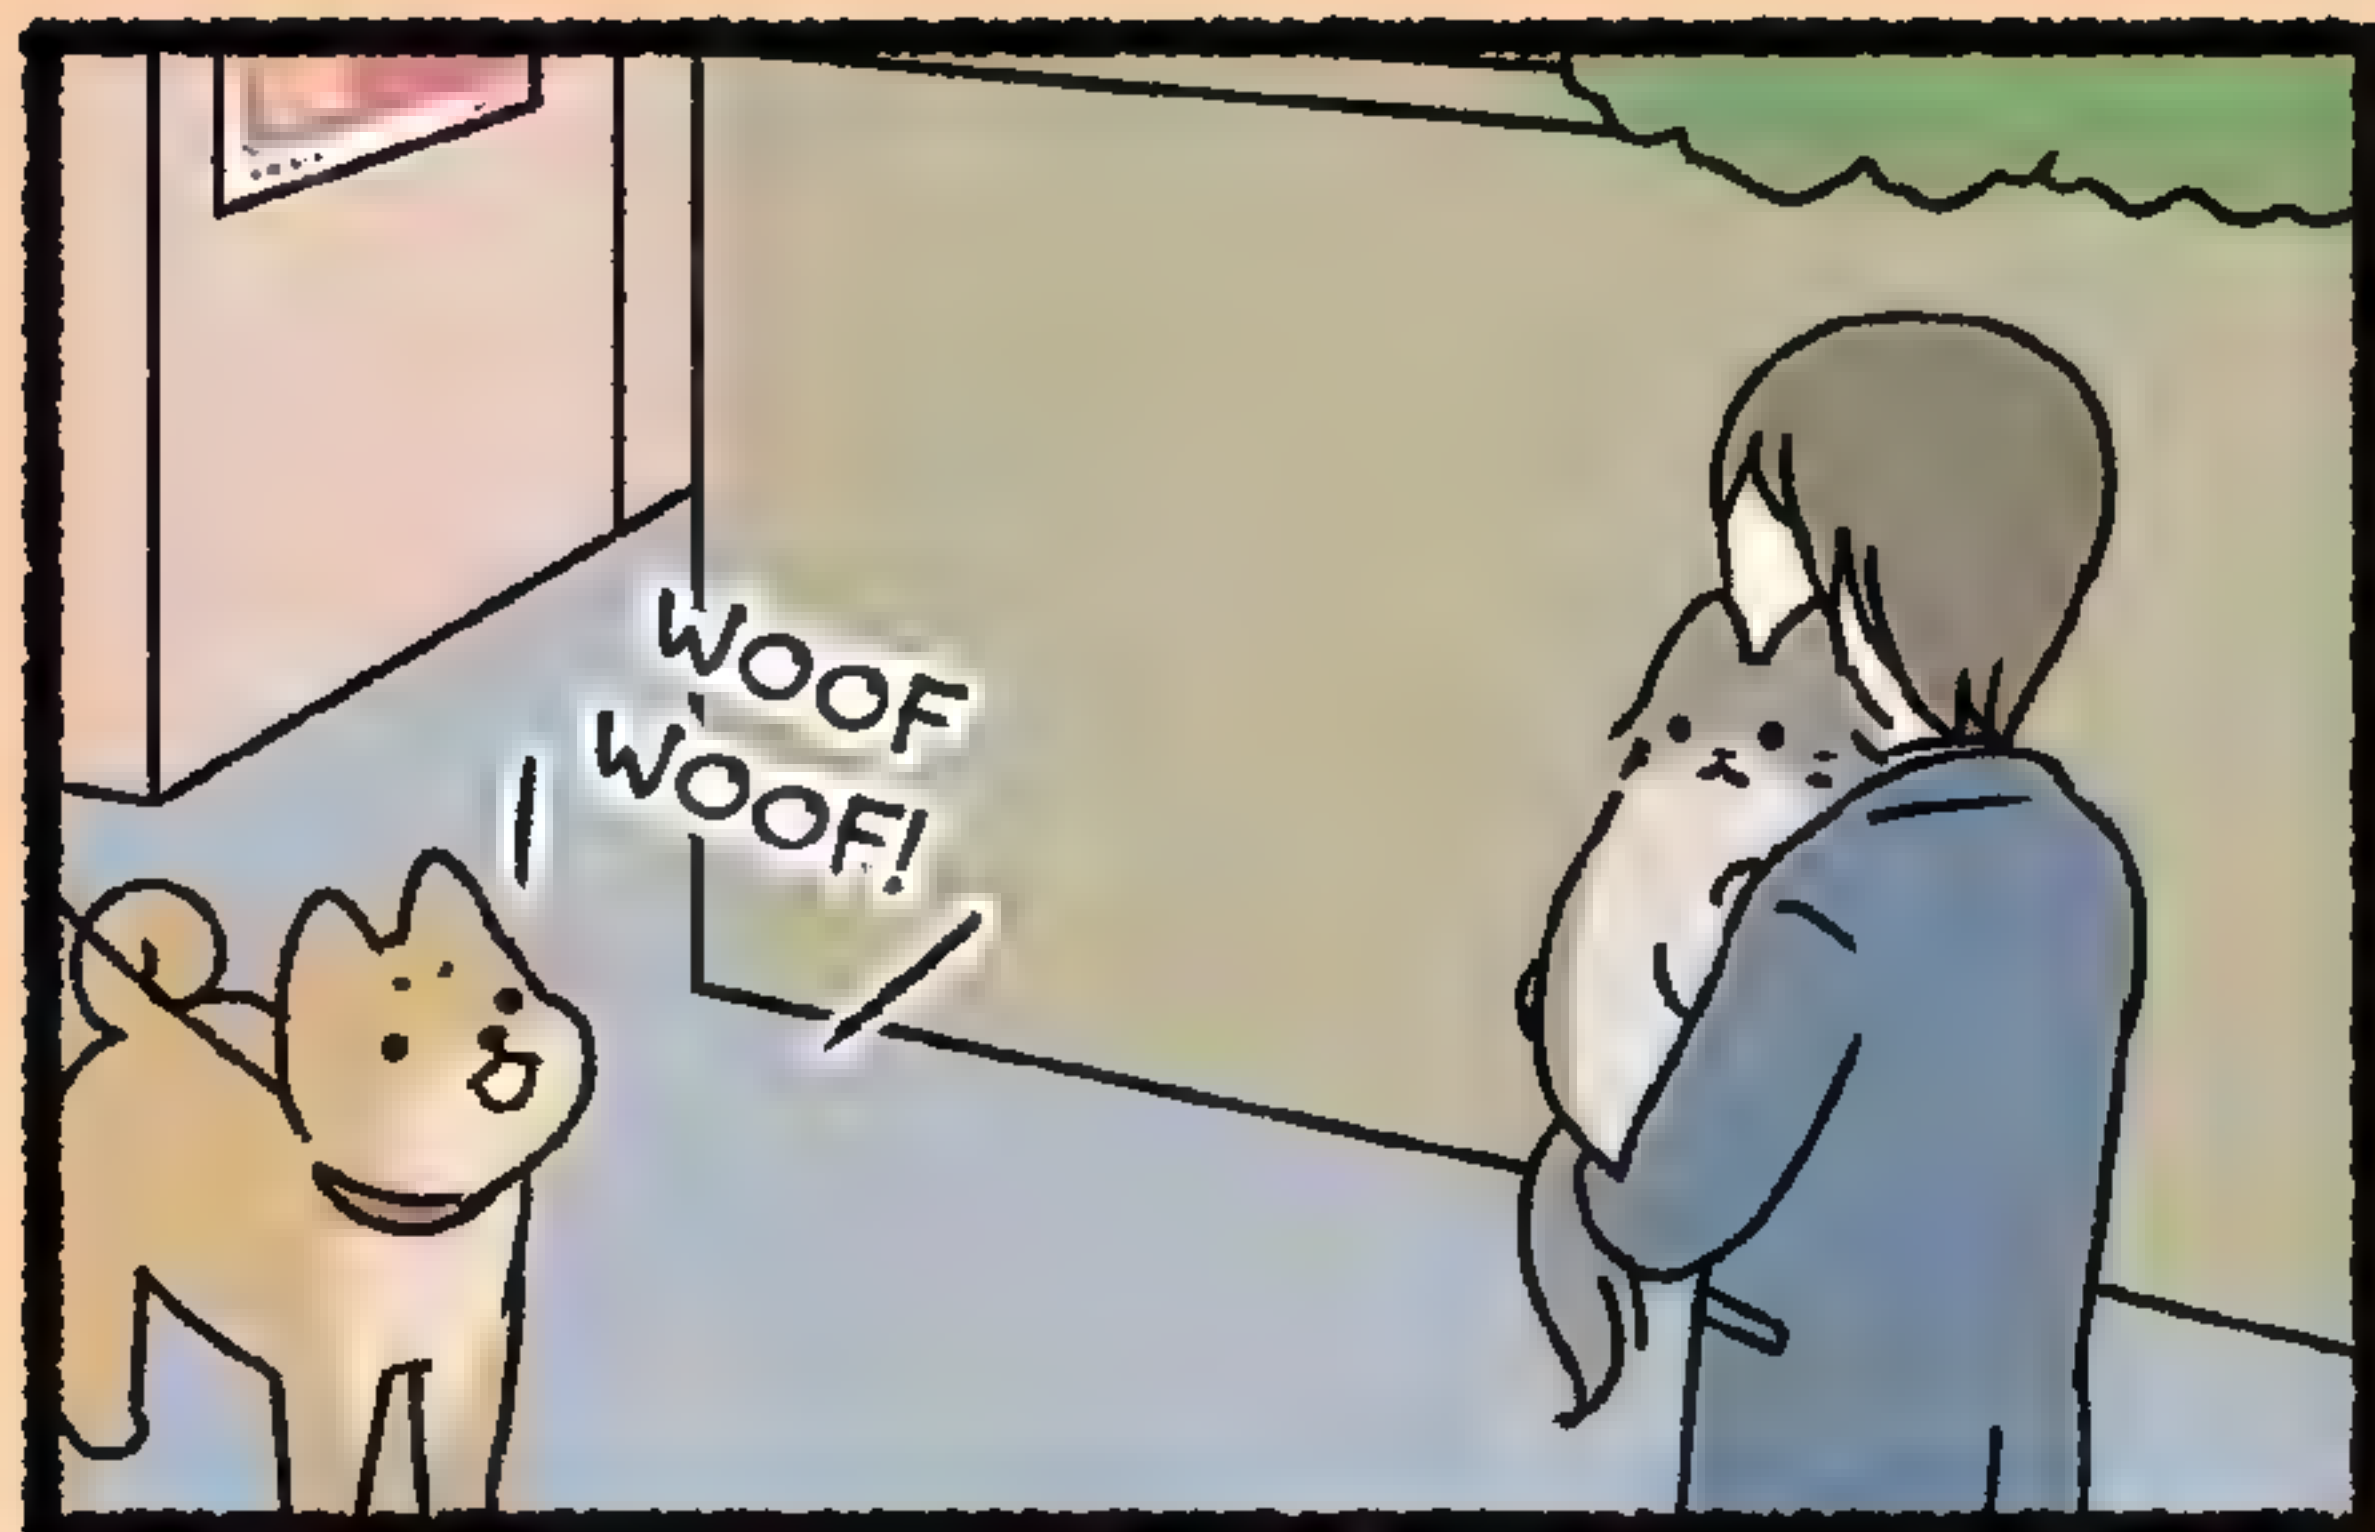

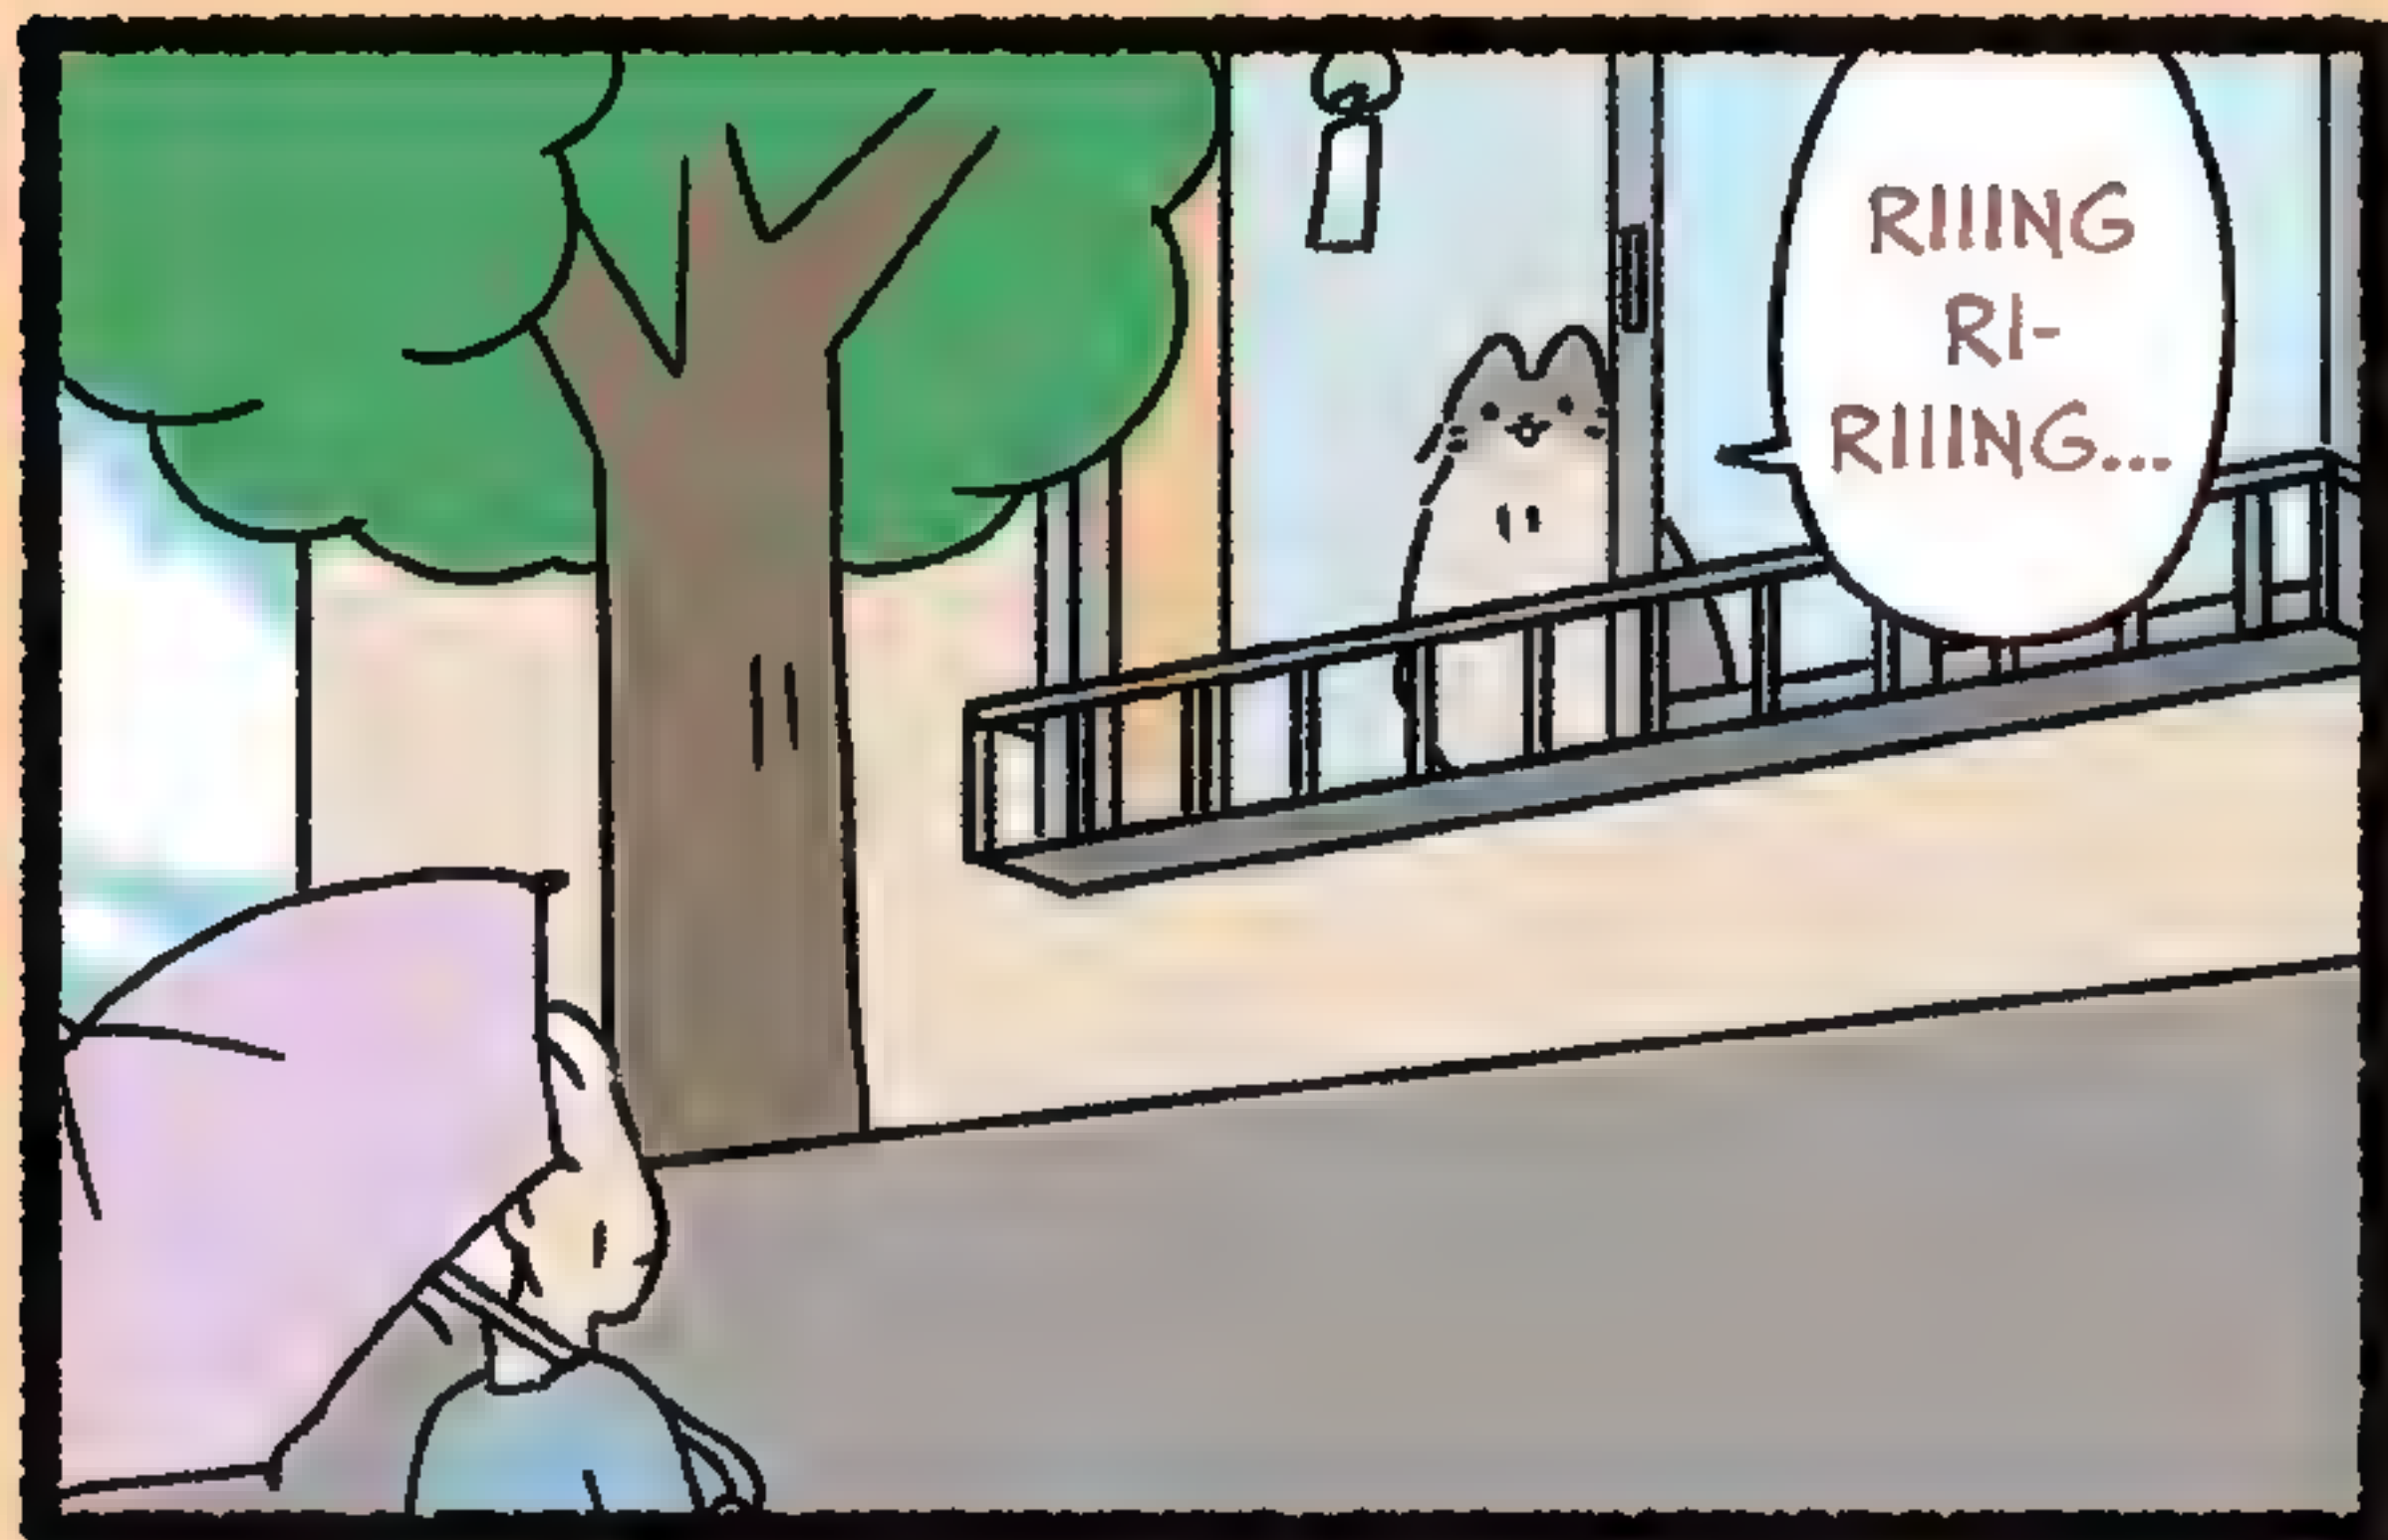

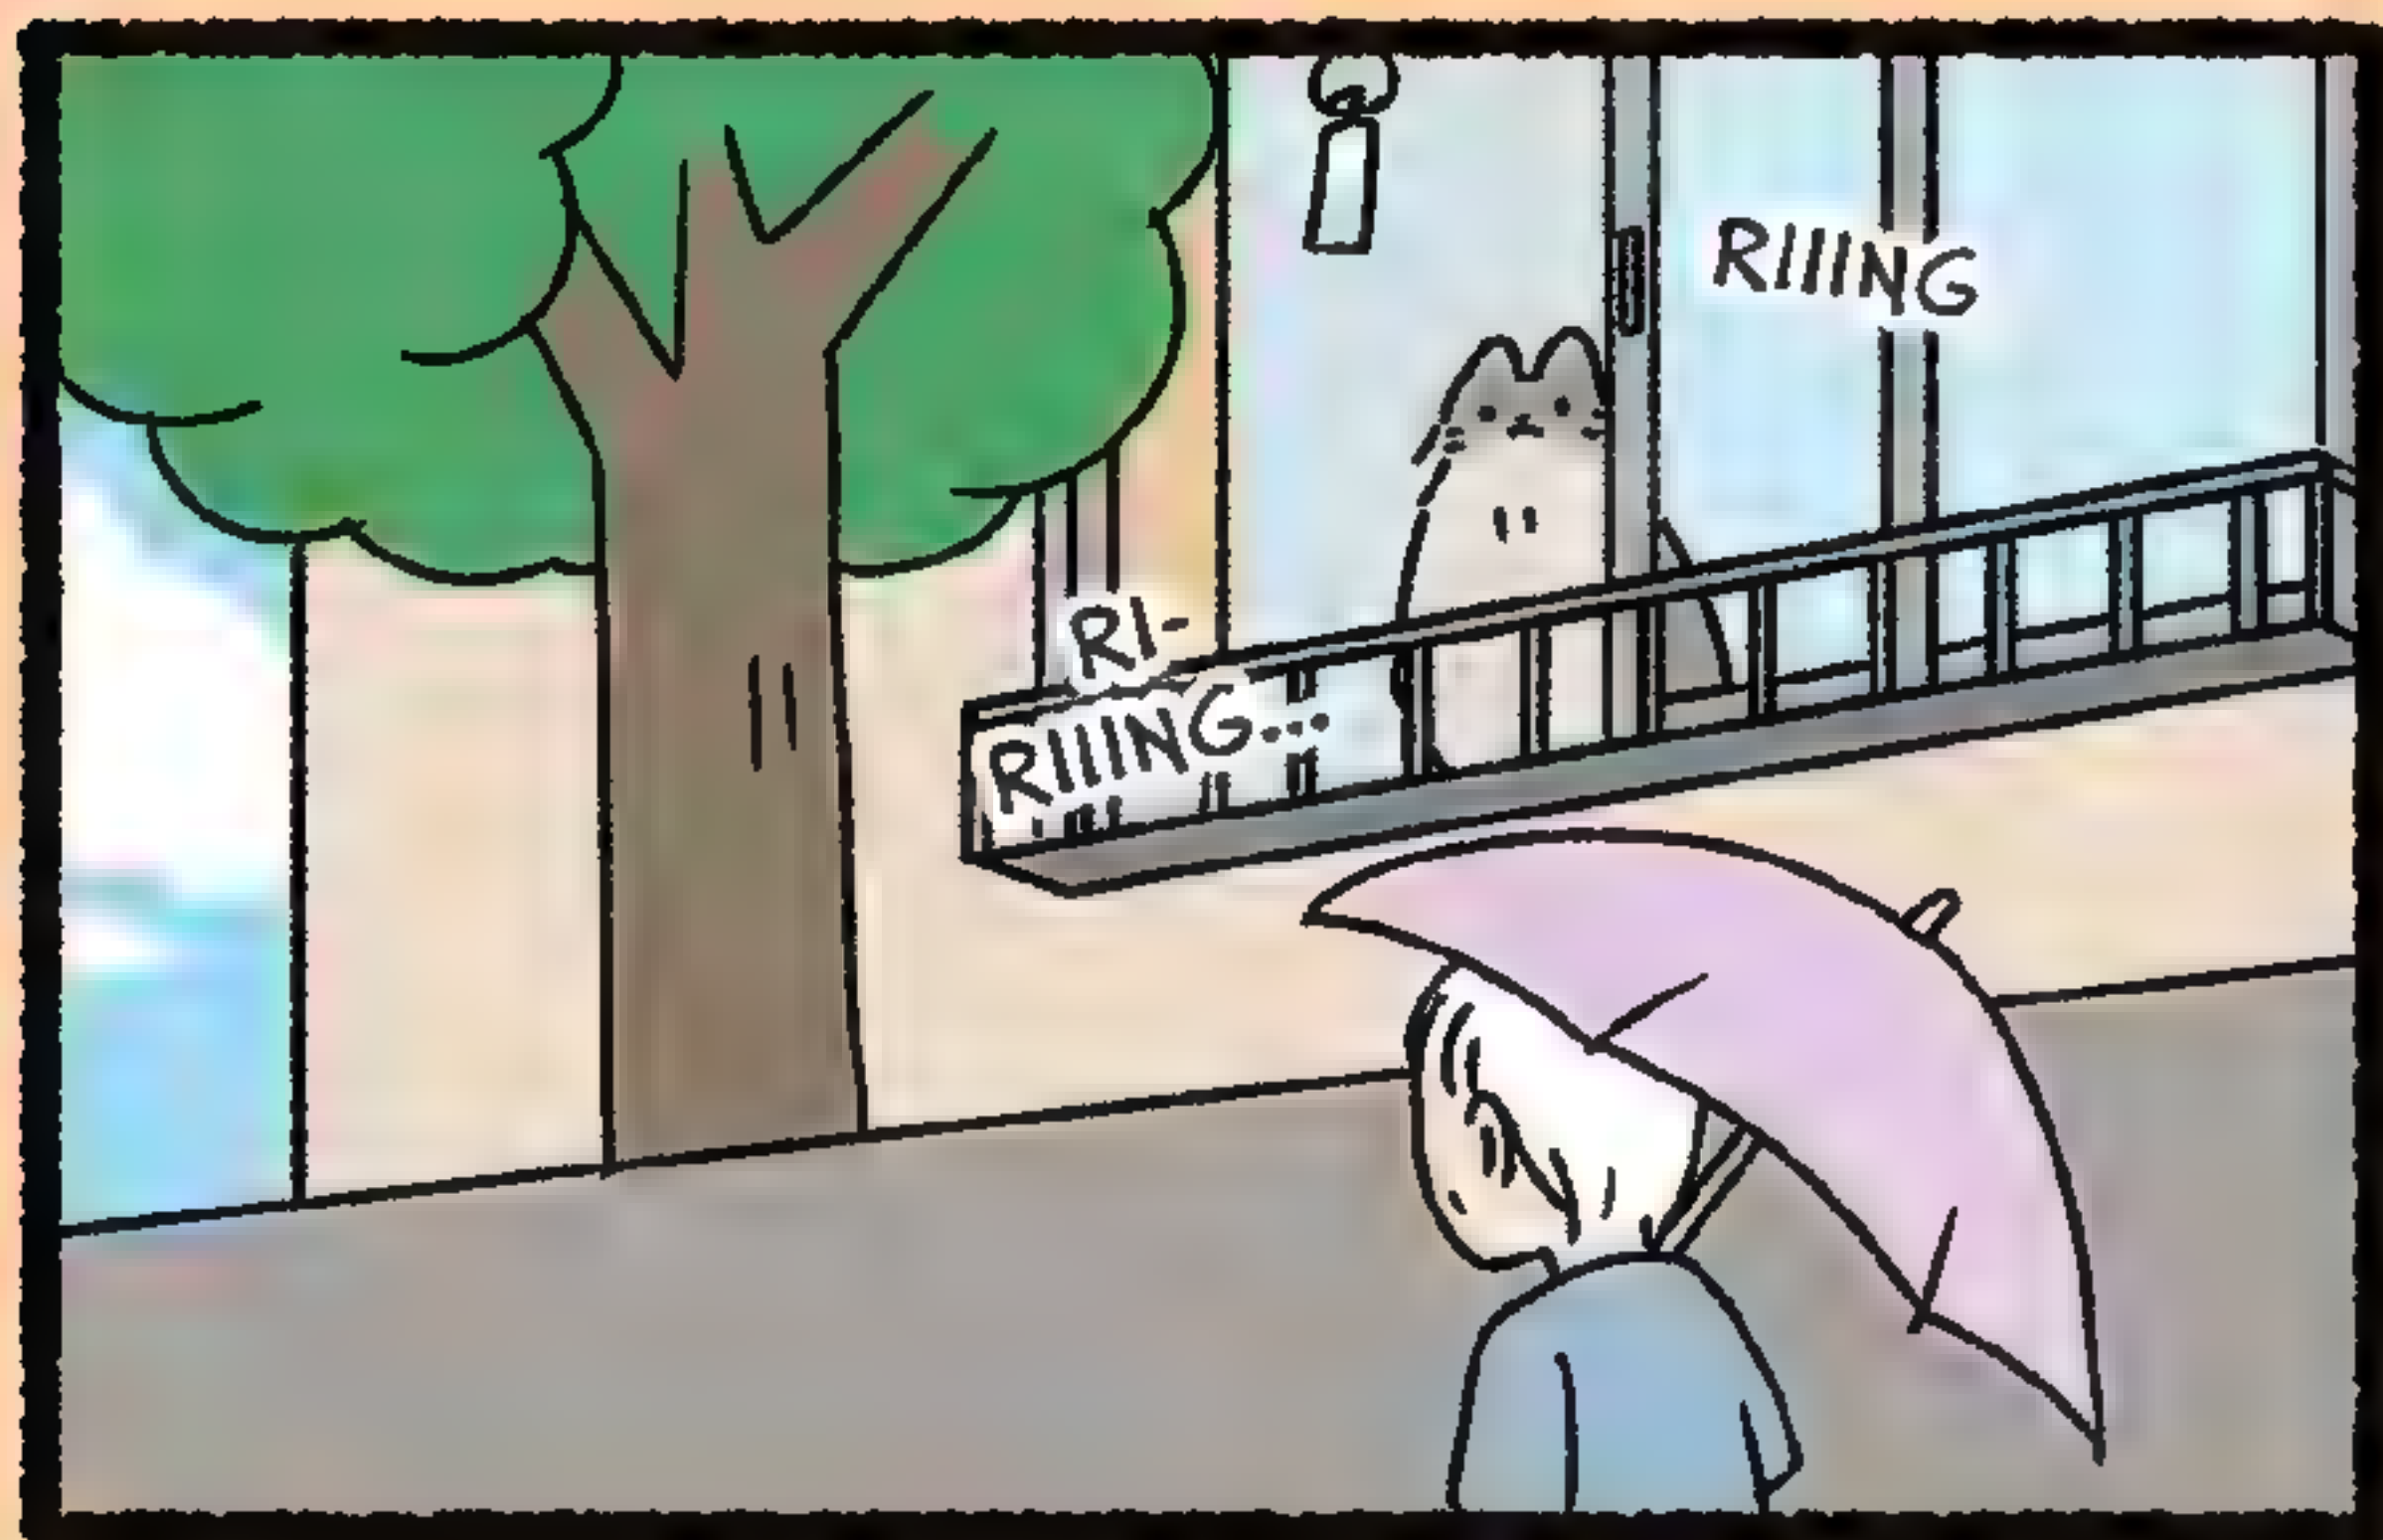

Yamabiko

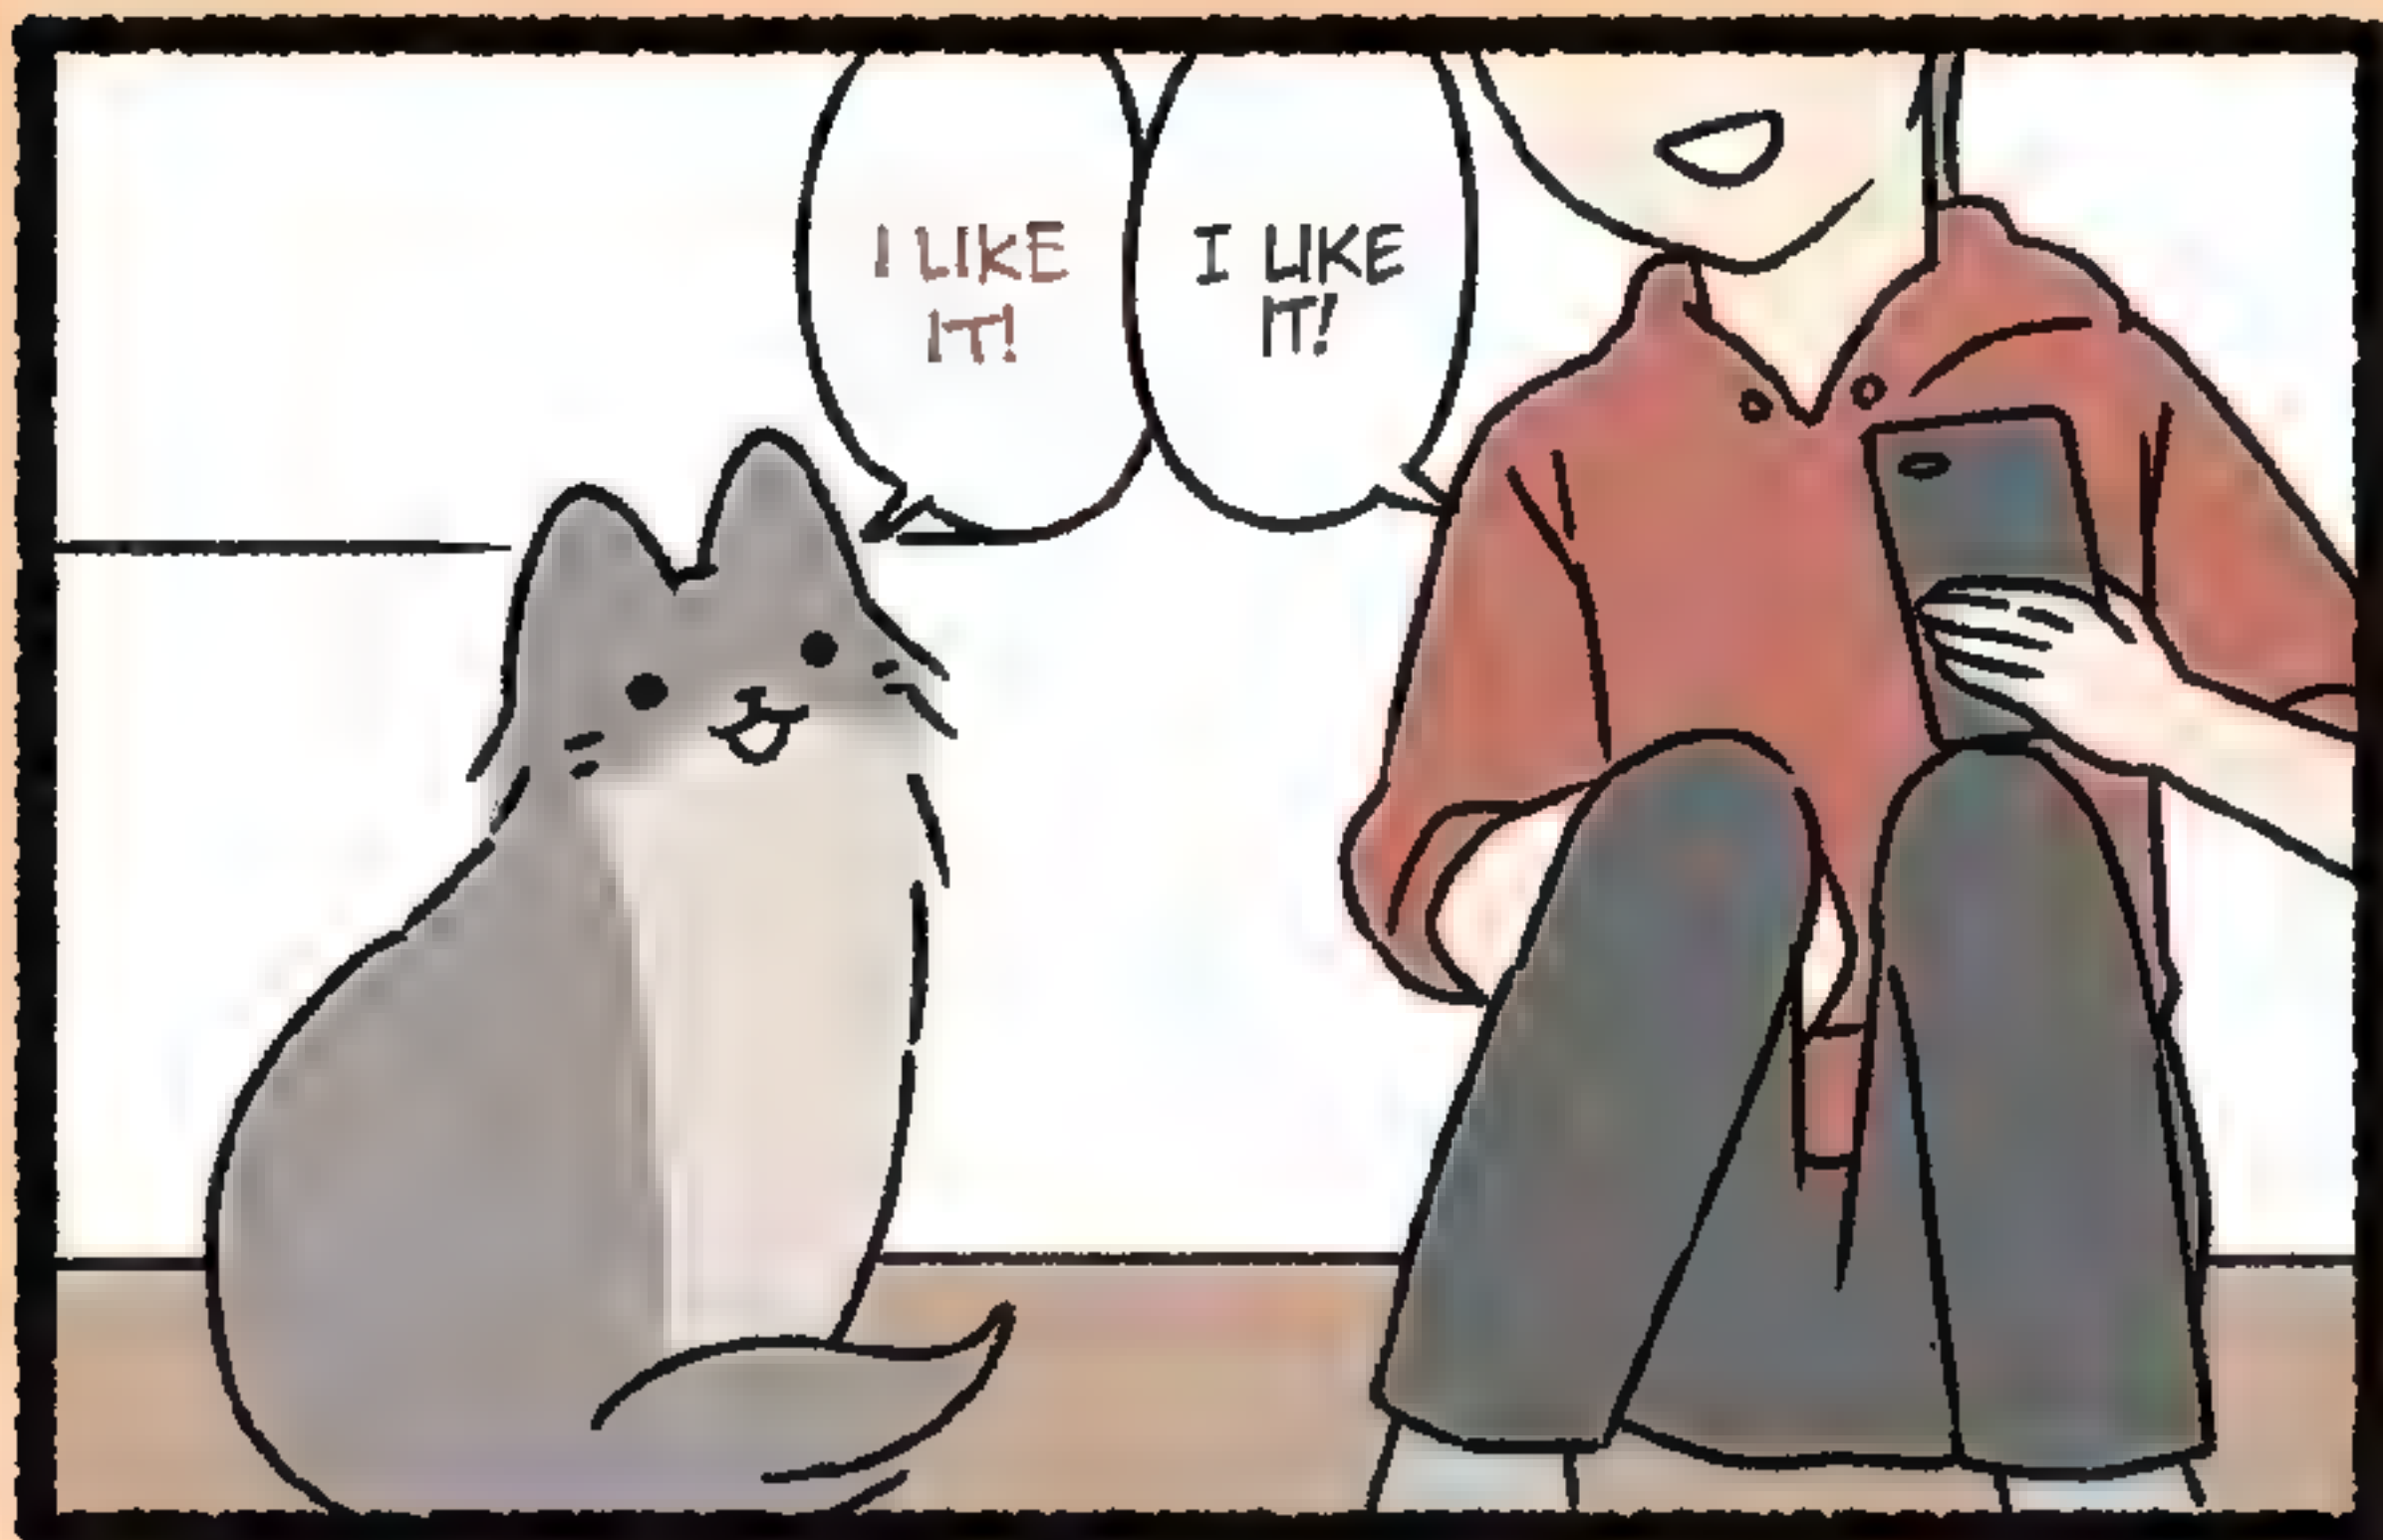

Mountain Echo

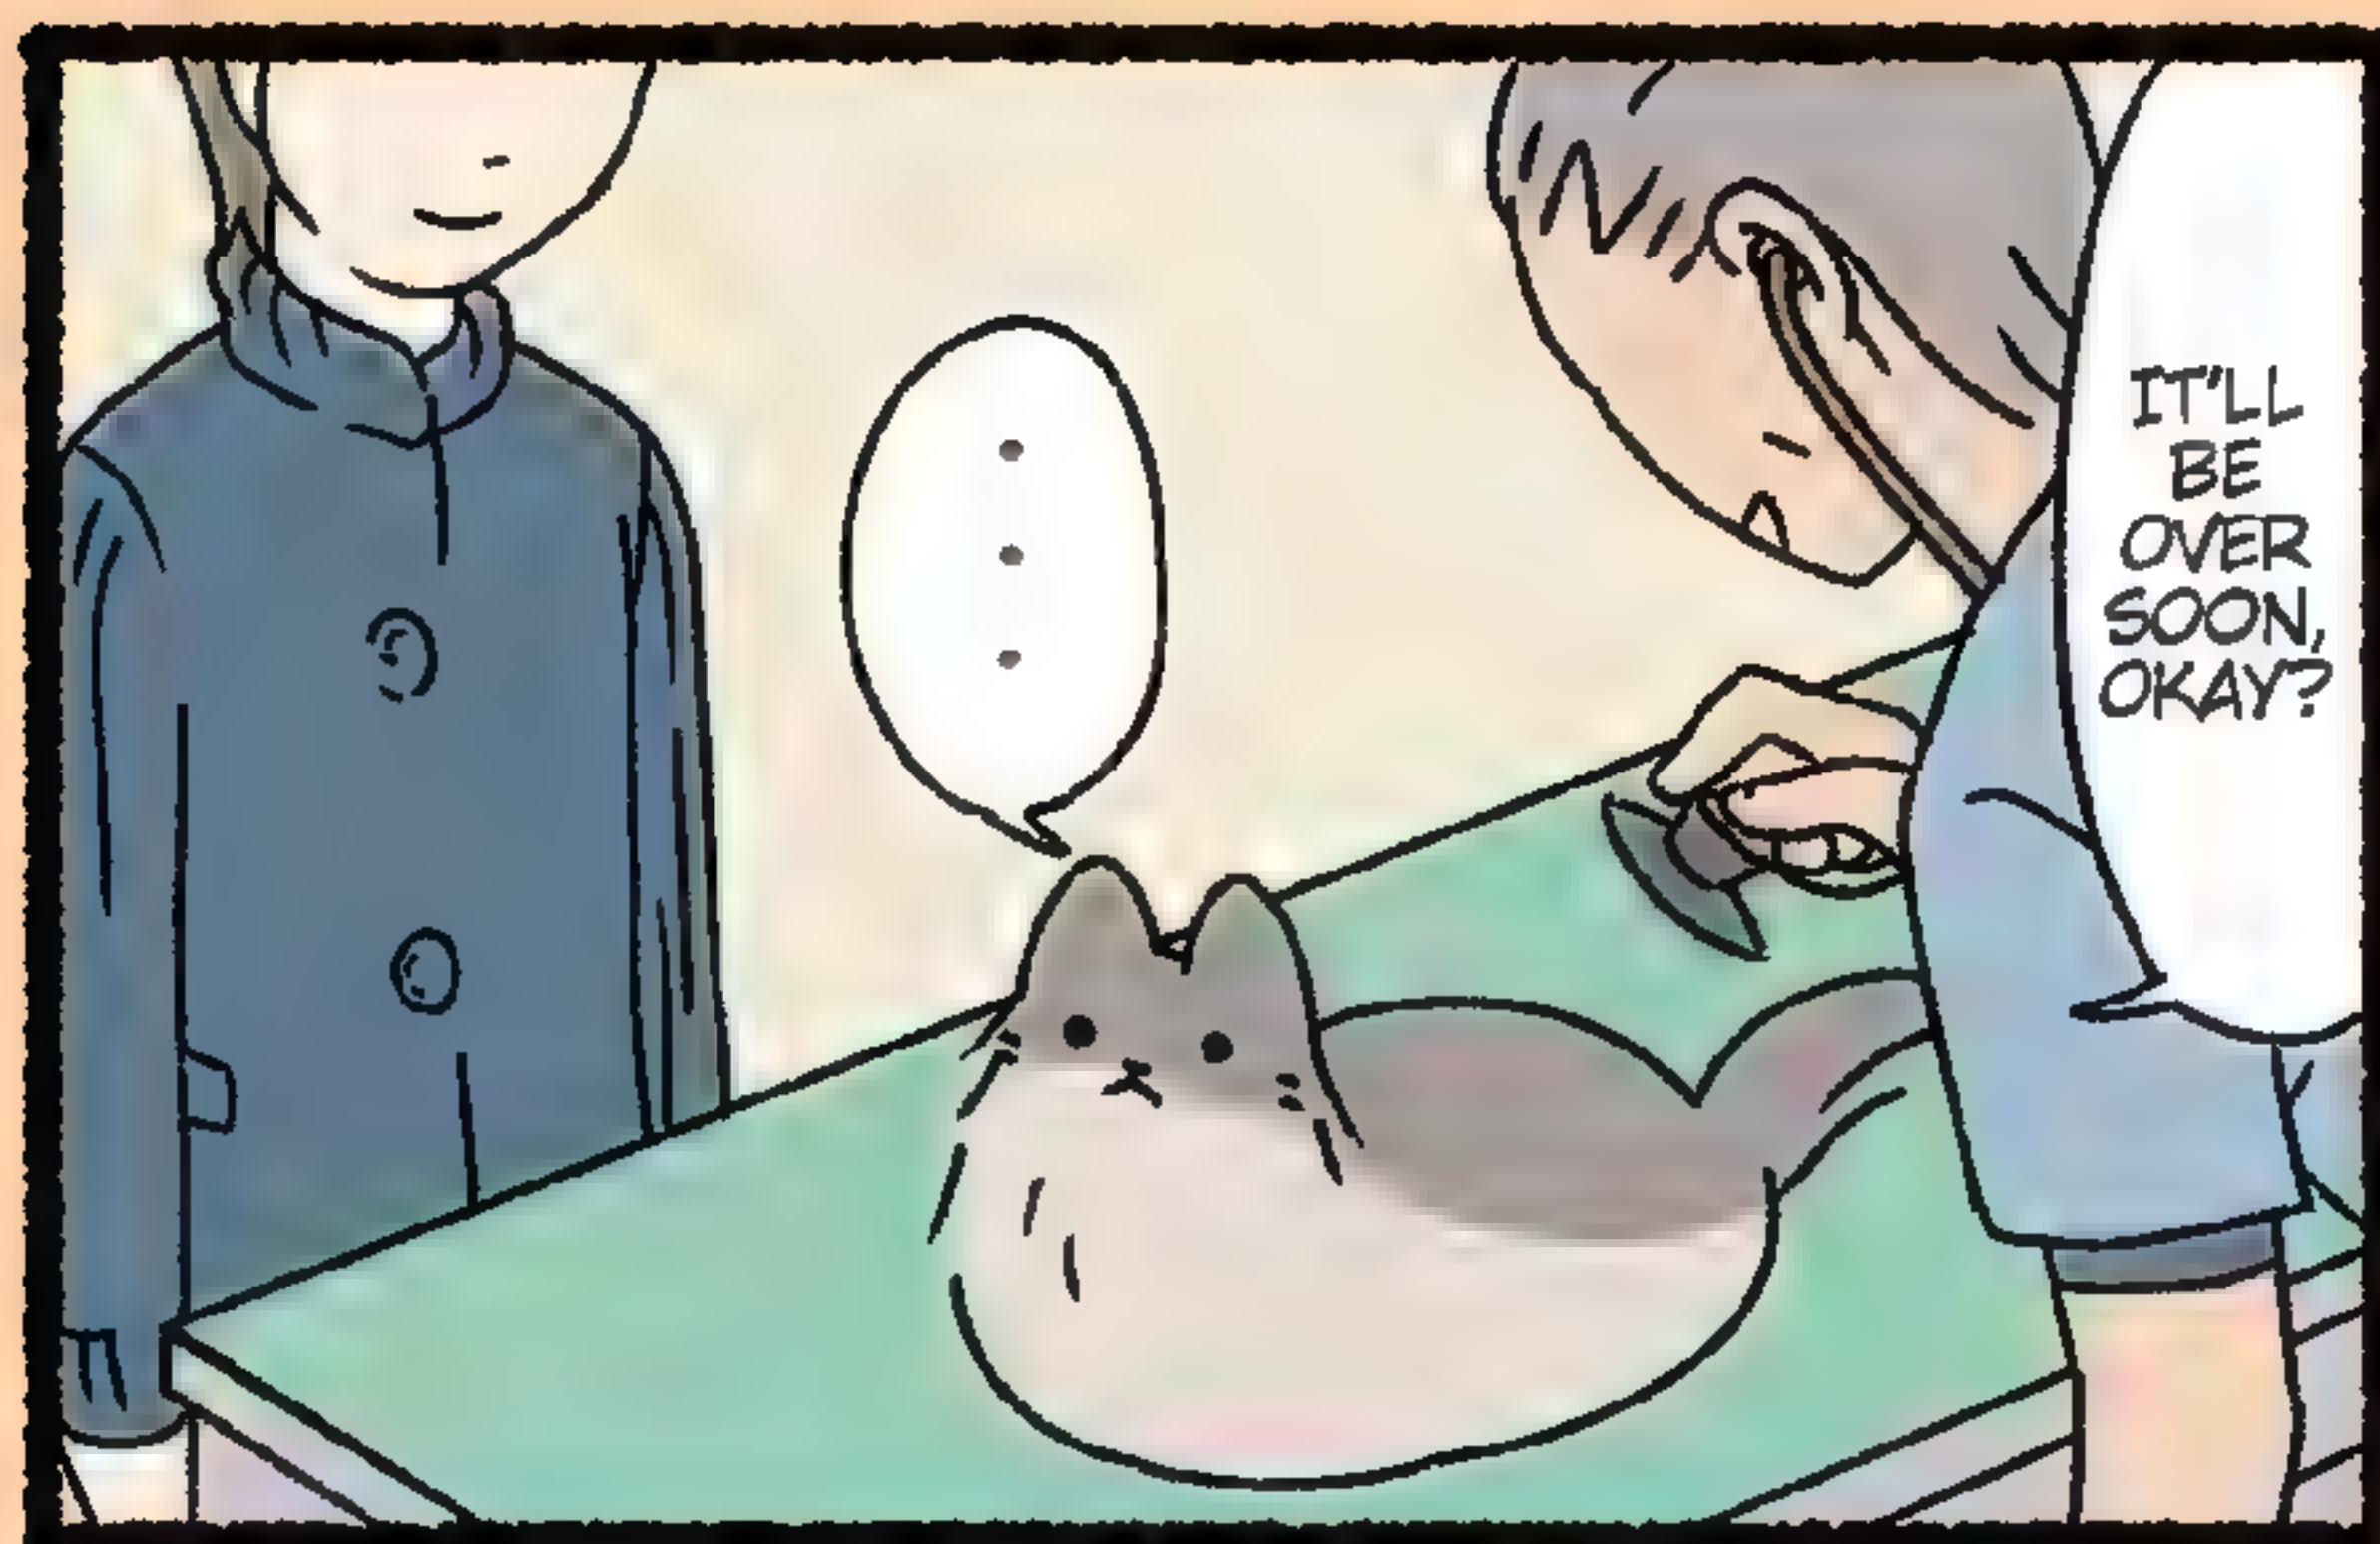

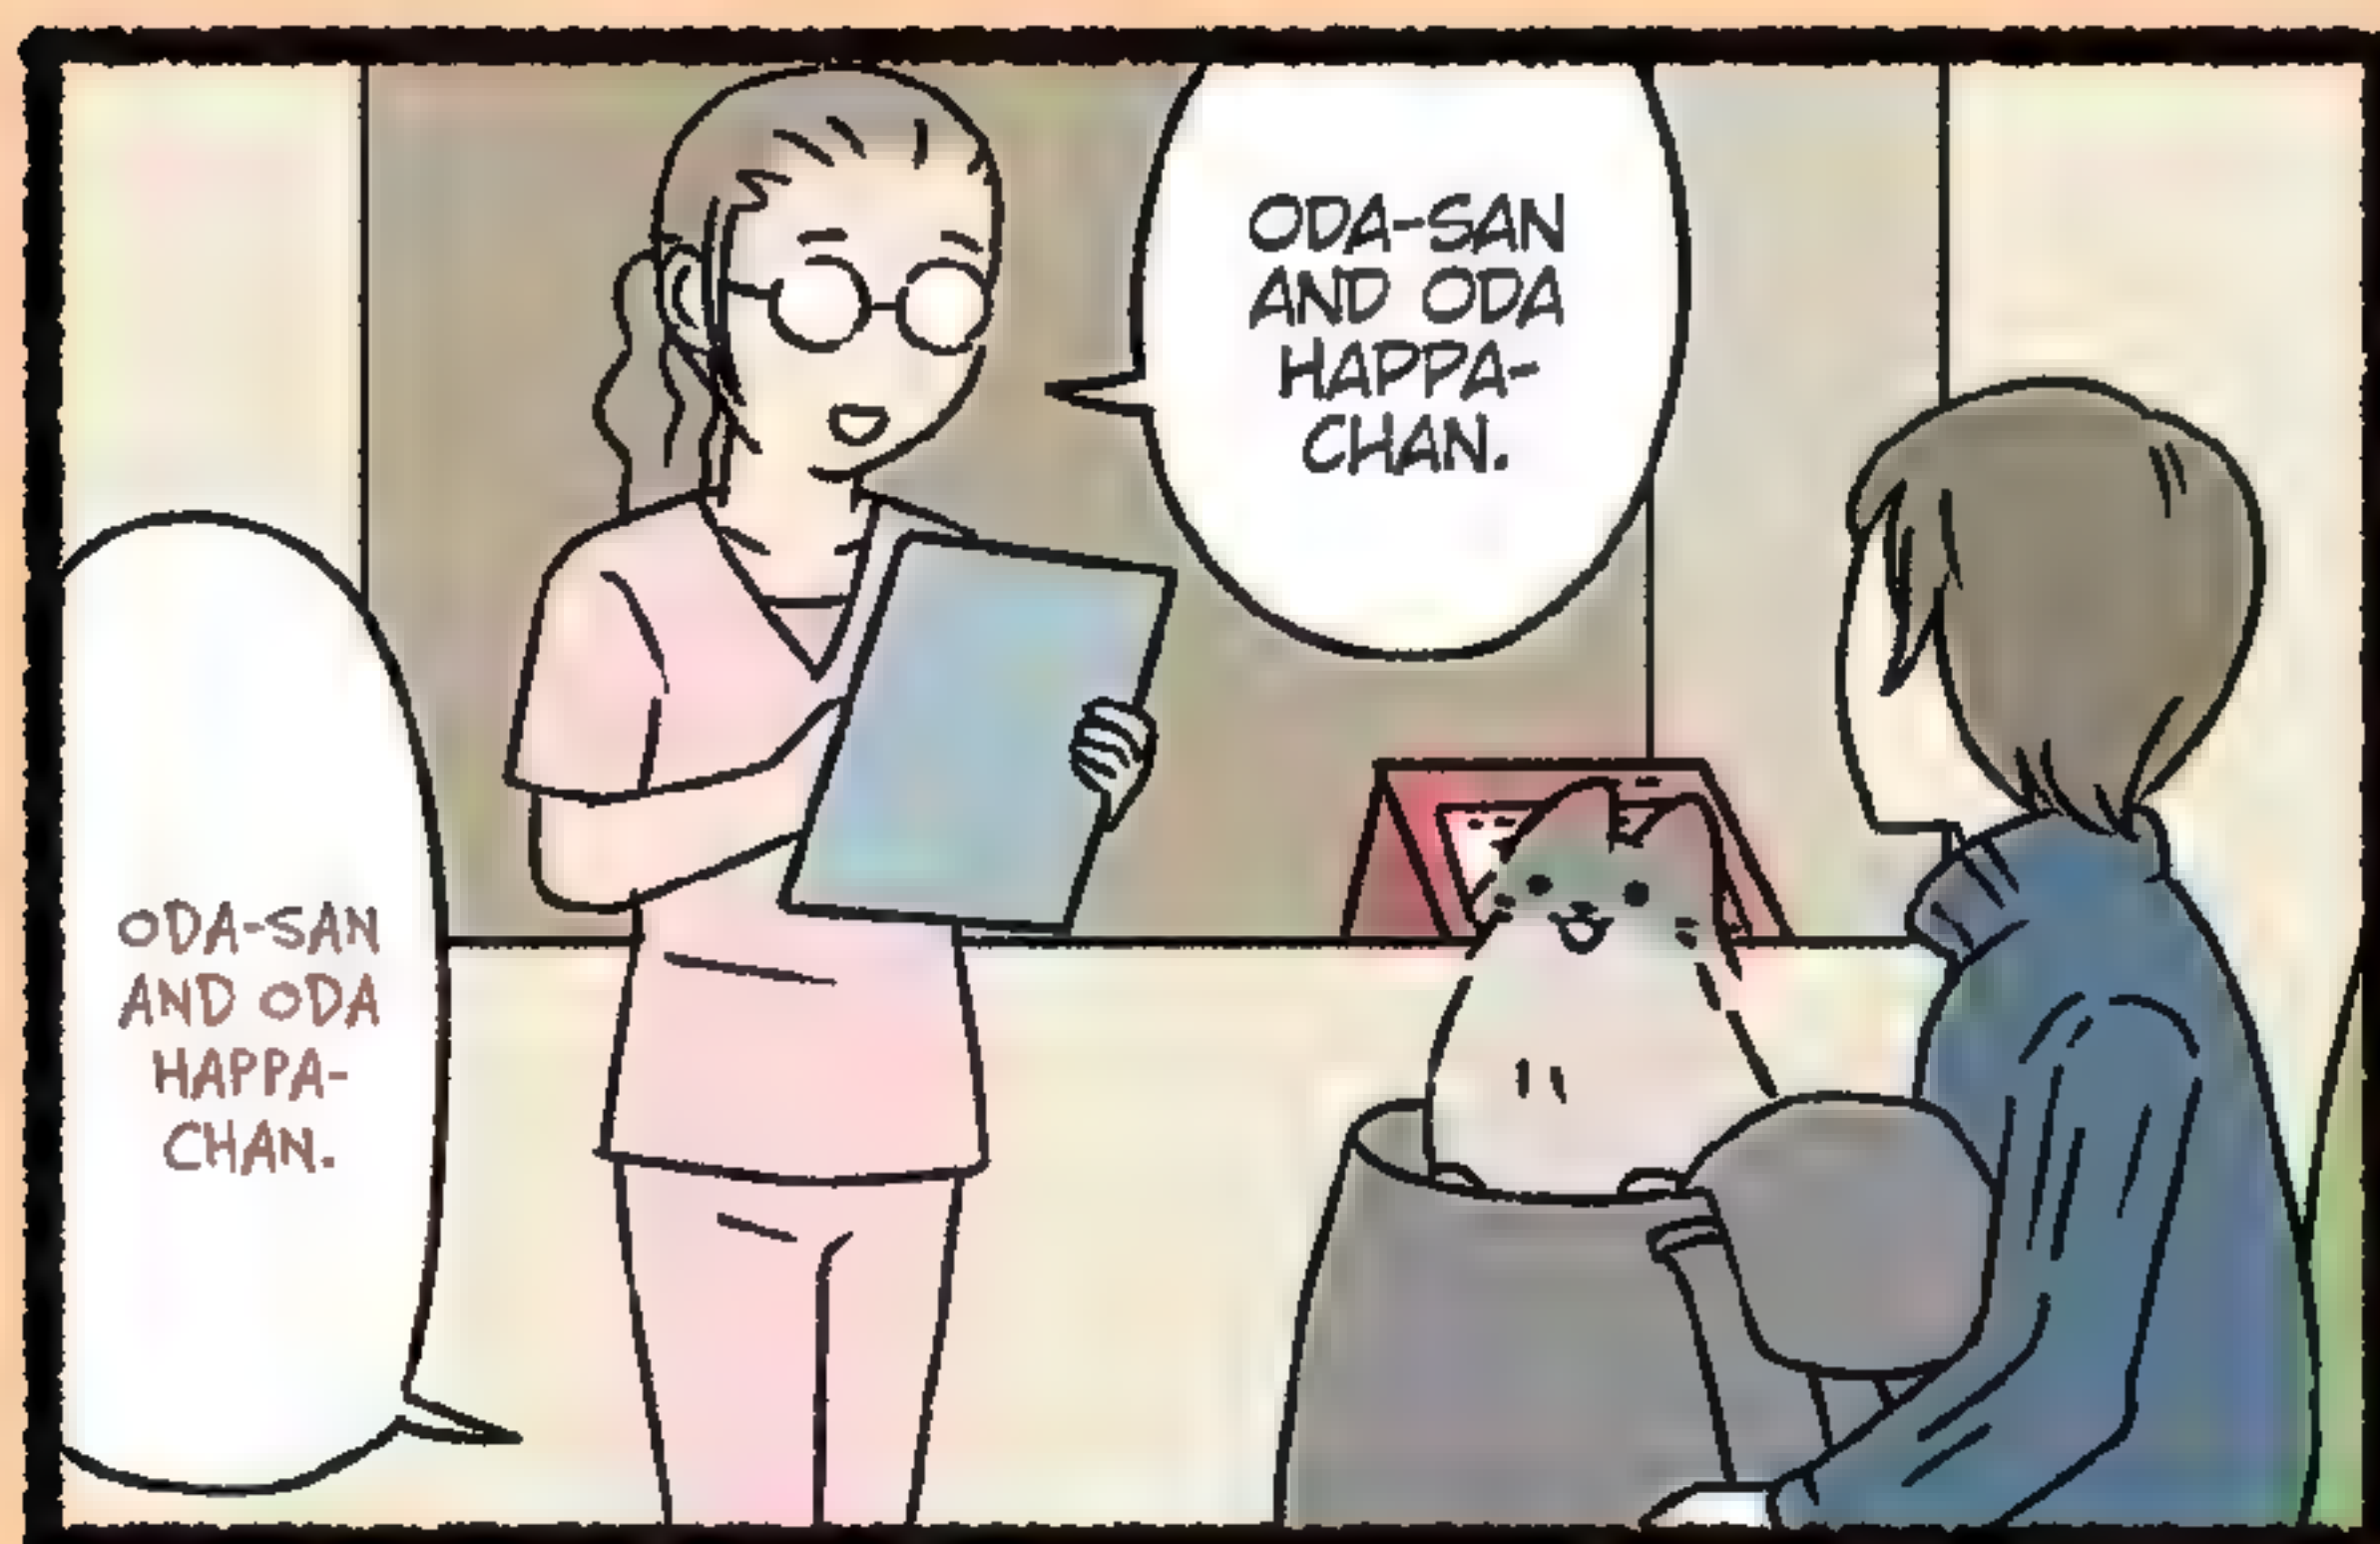

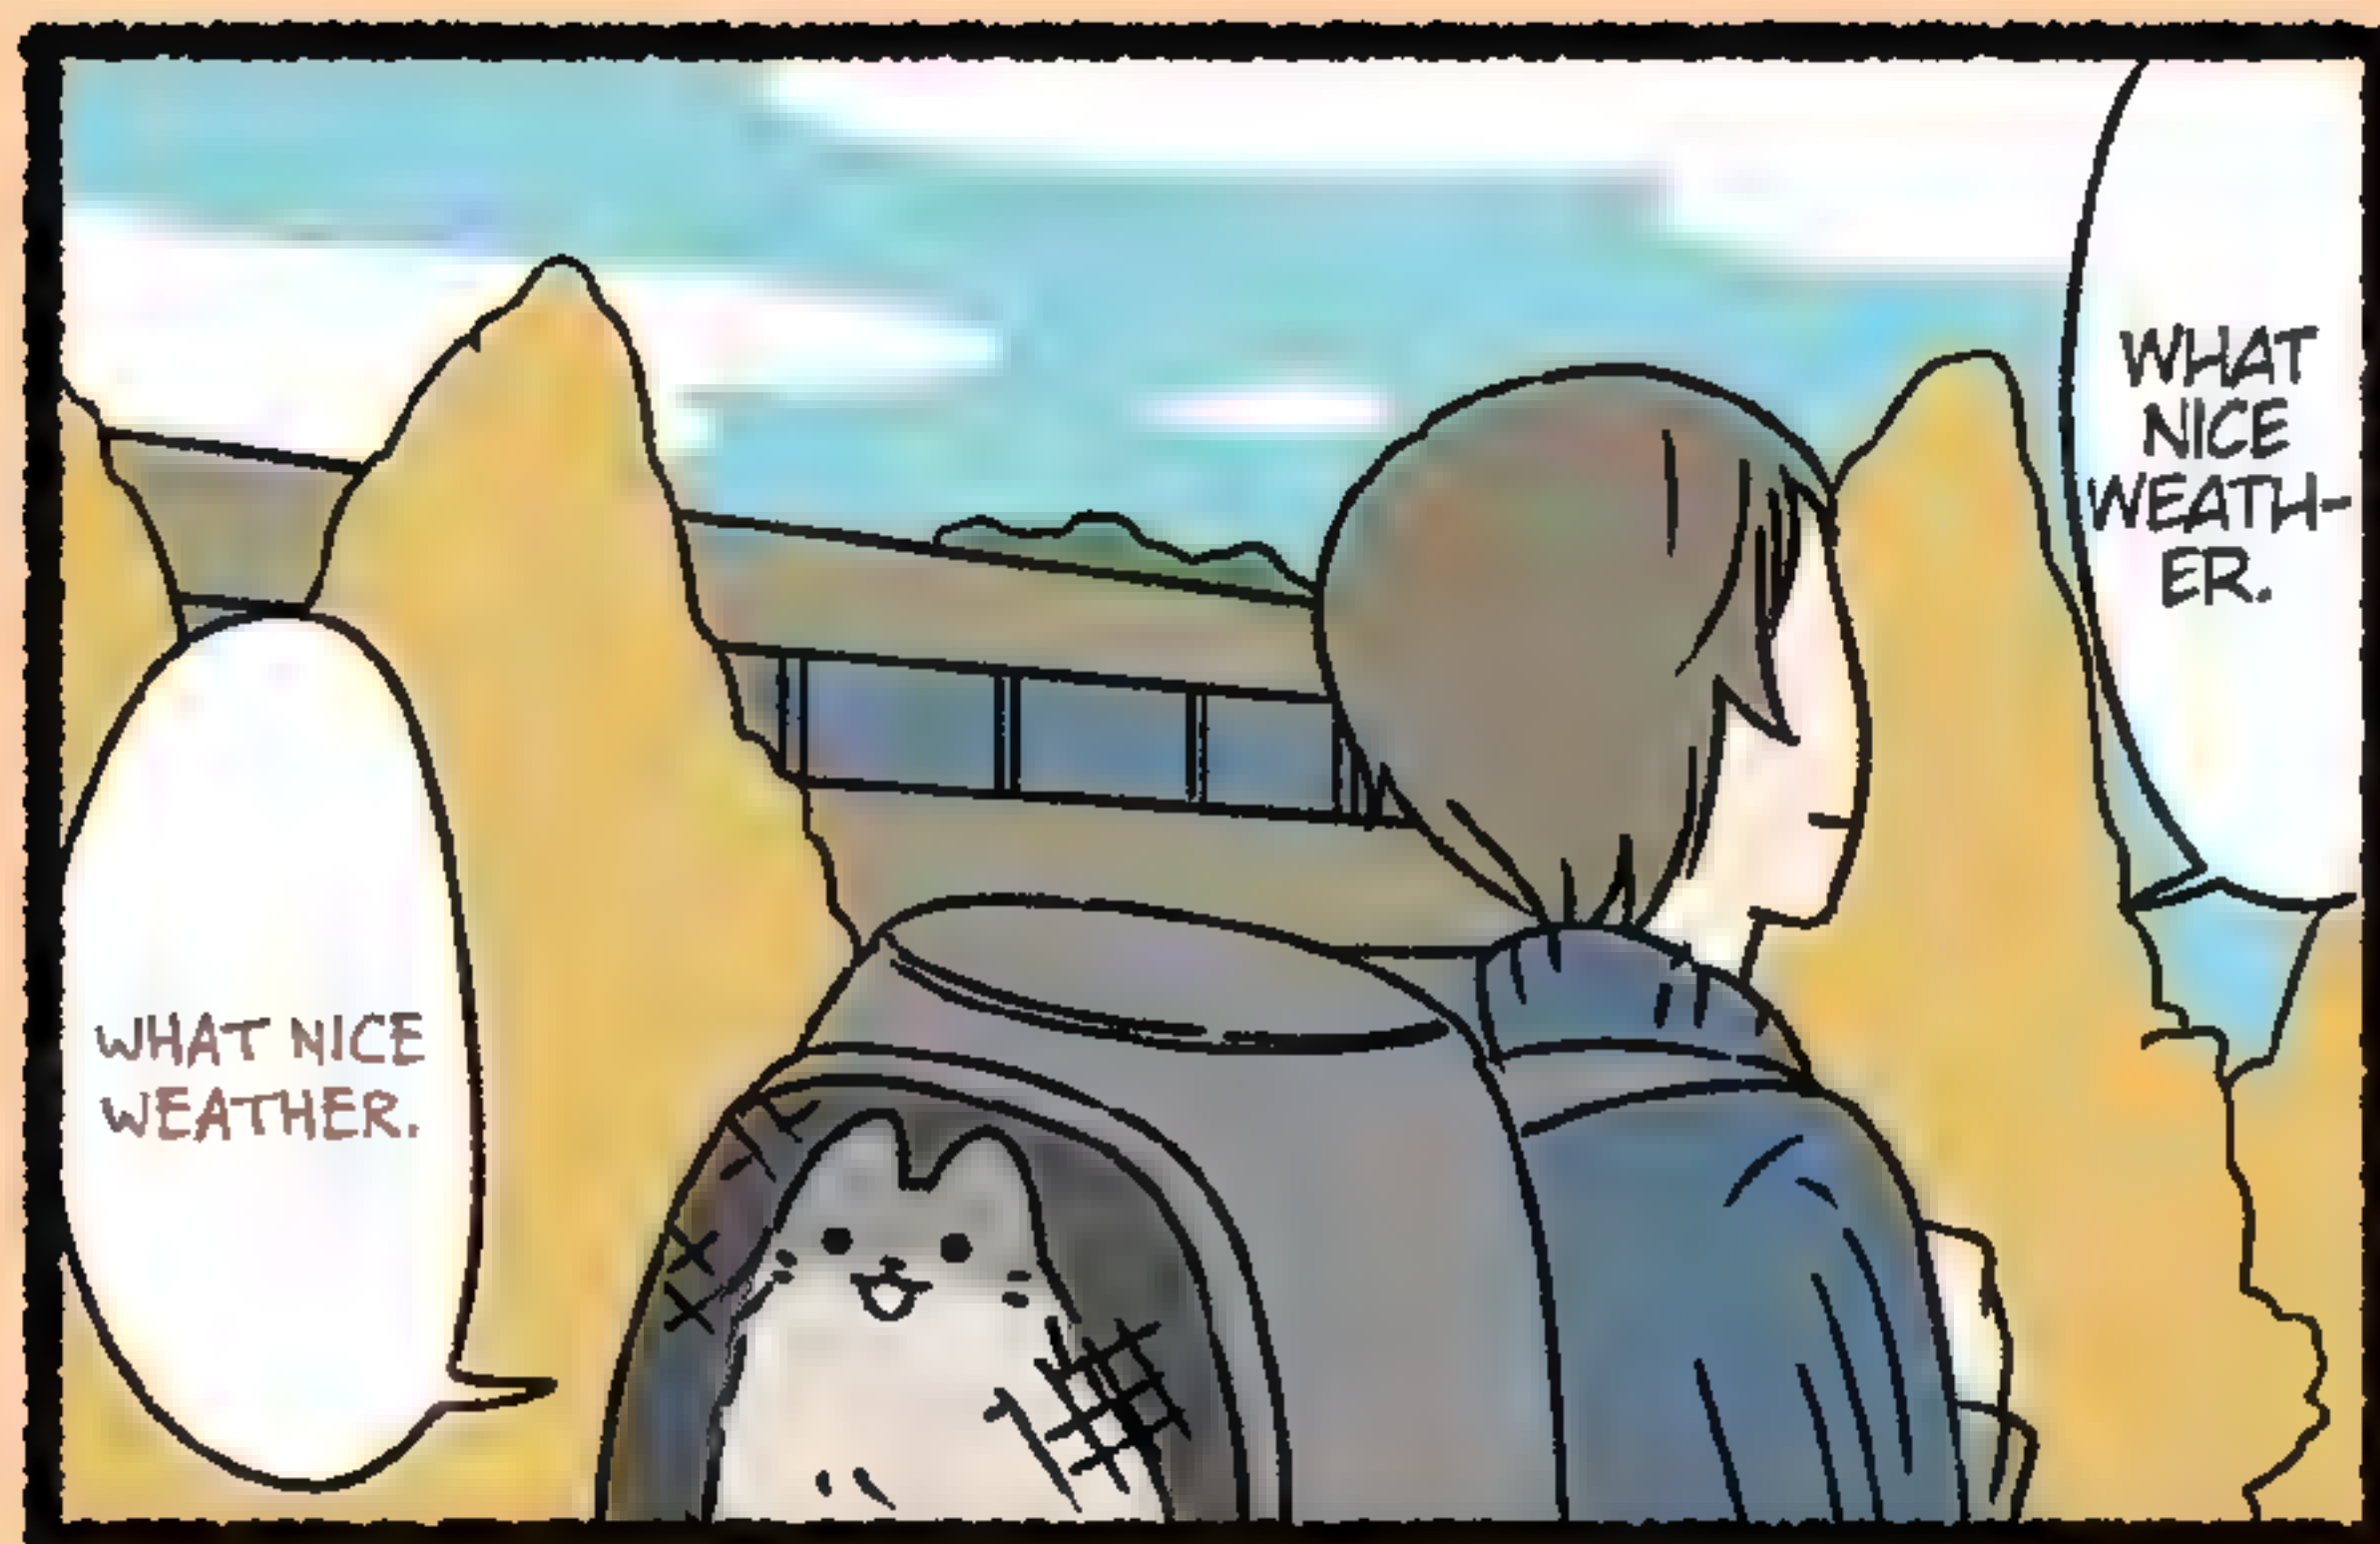

Repeats words and sounds, but clams up when it's uncomfortable, like in the bath and at the vet.

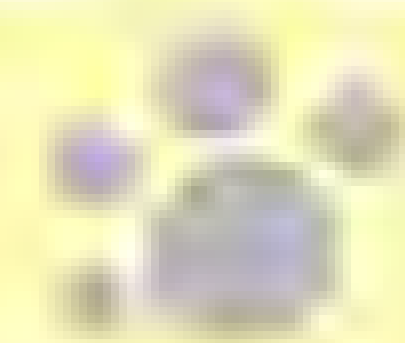

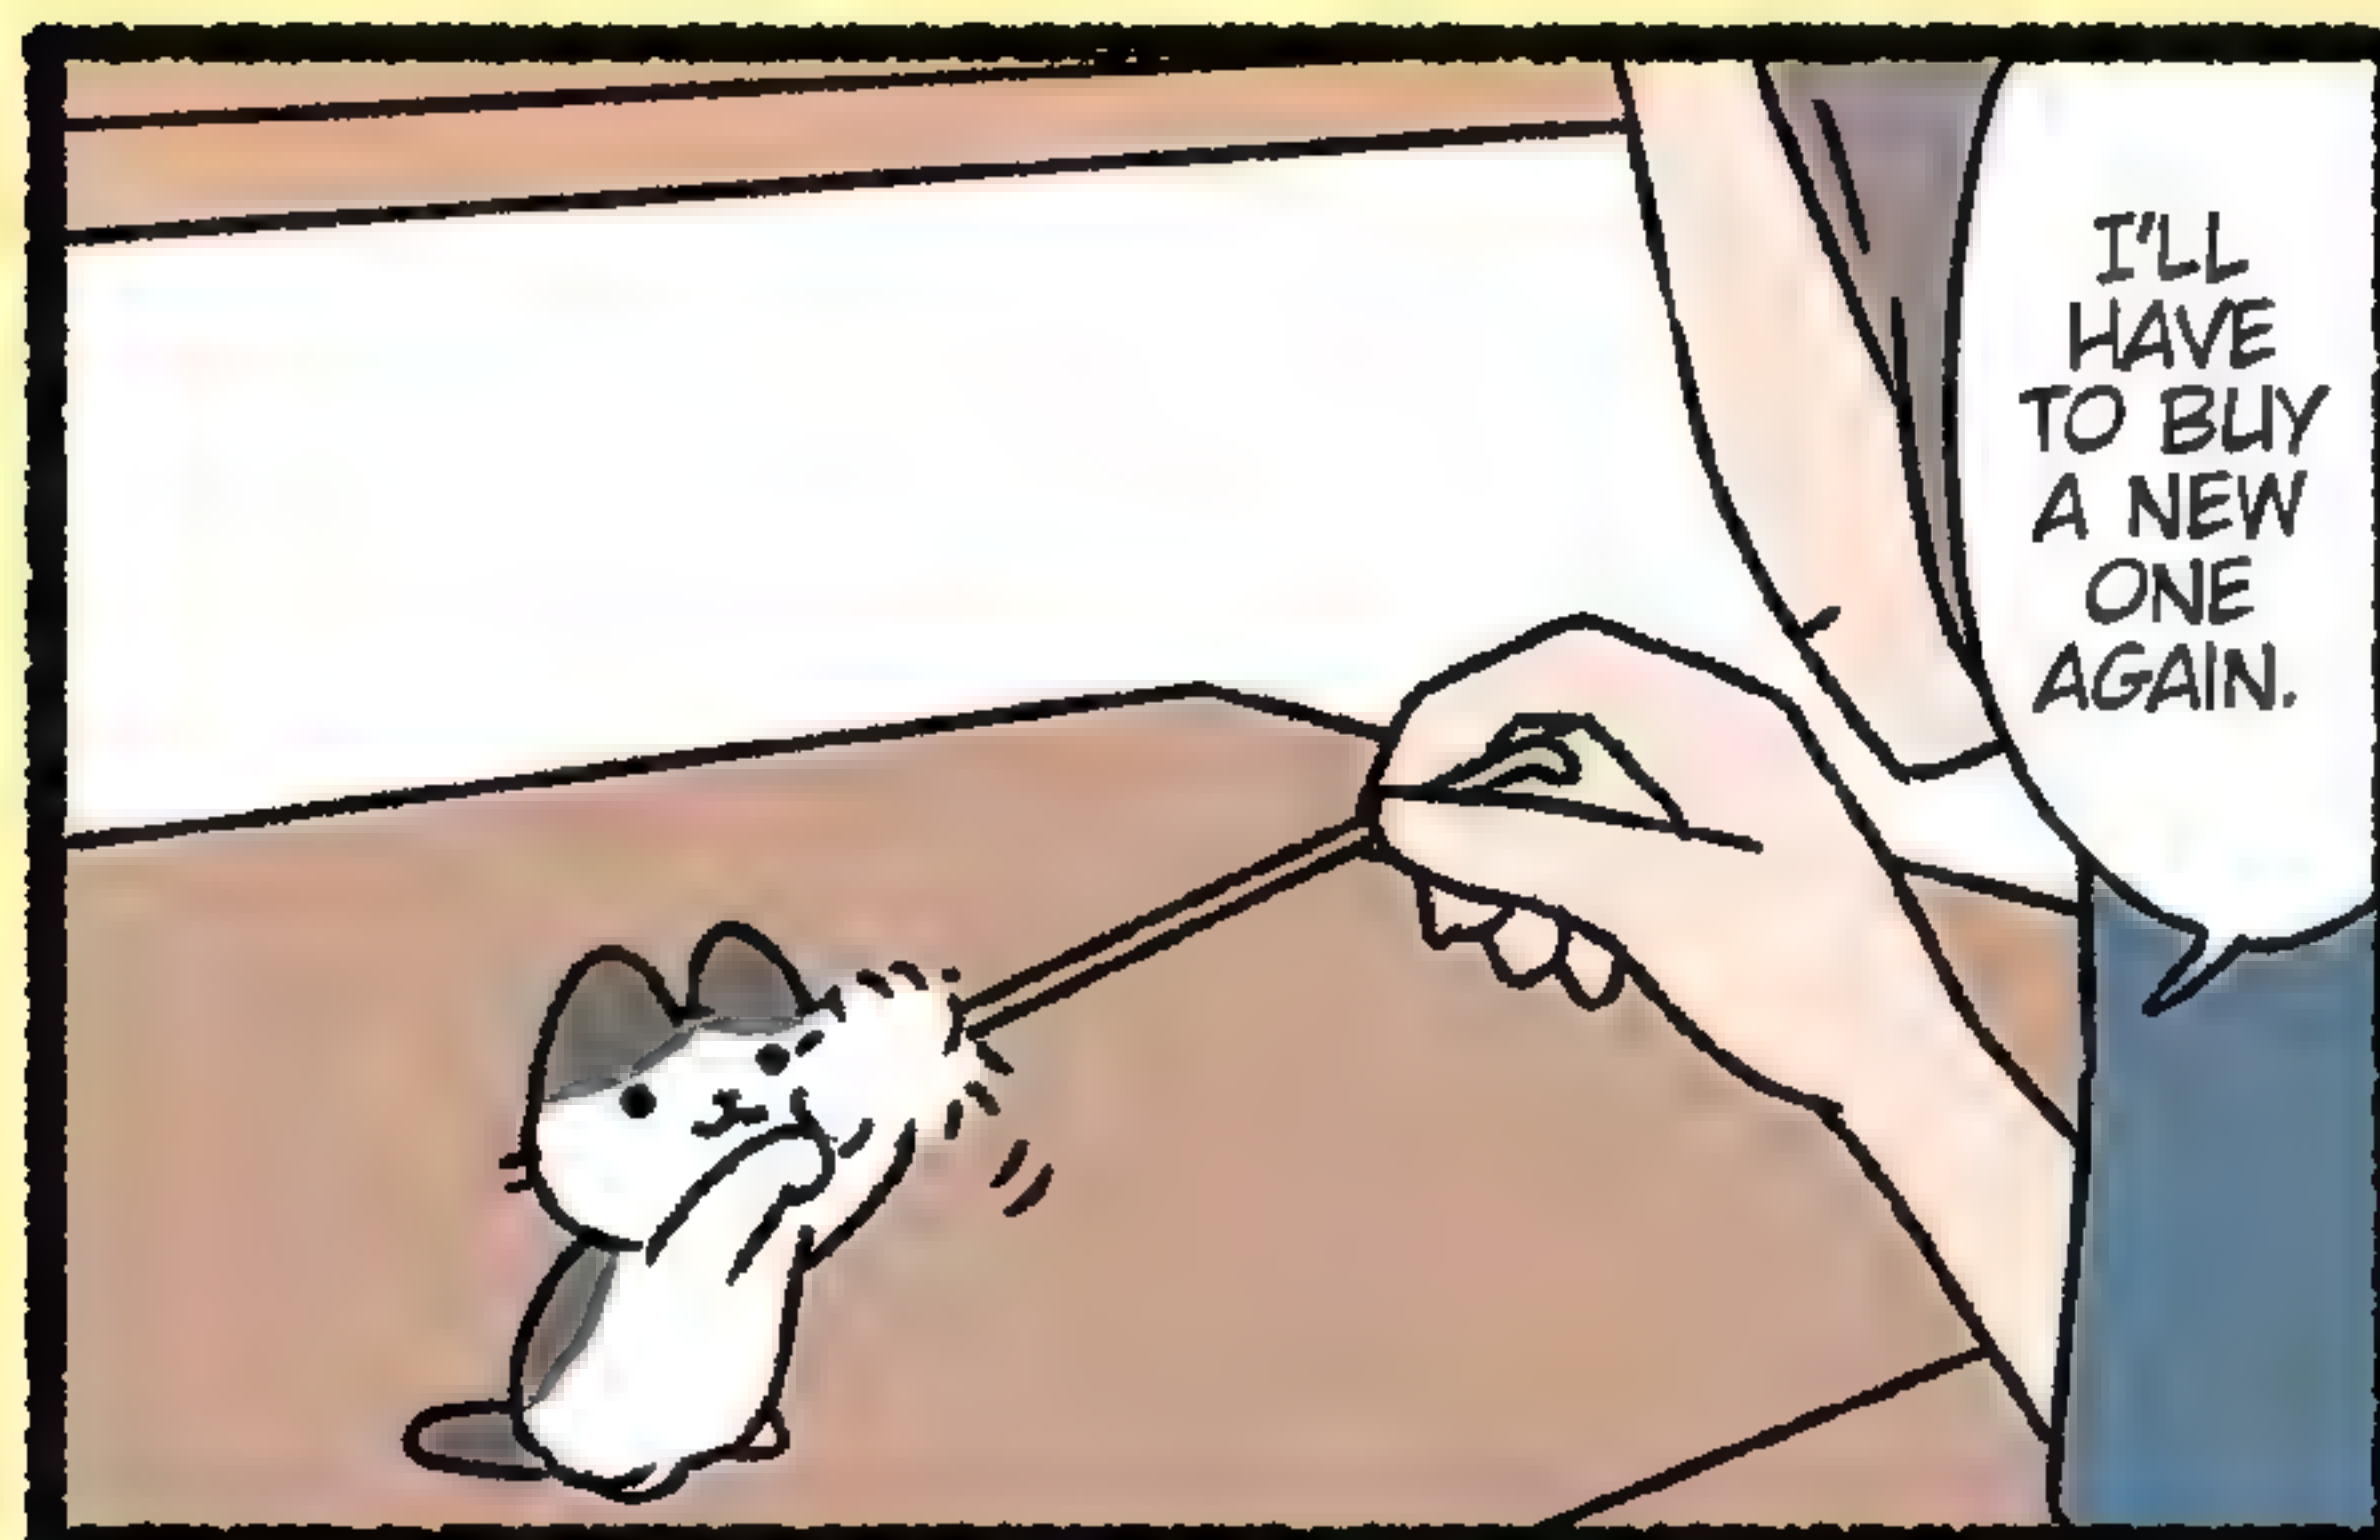

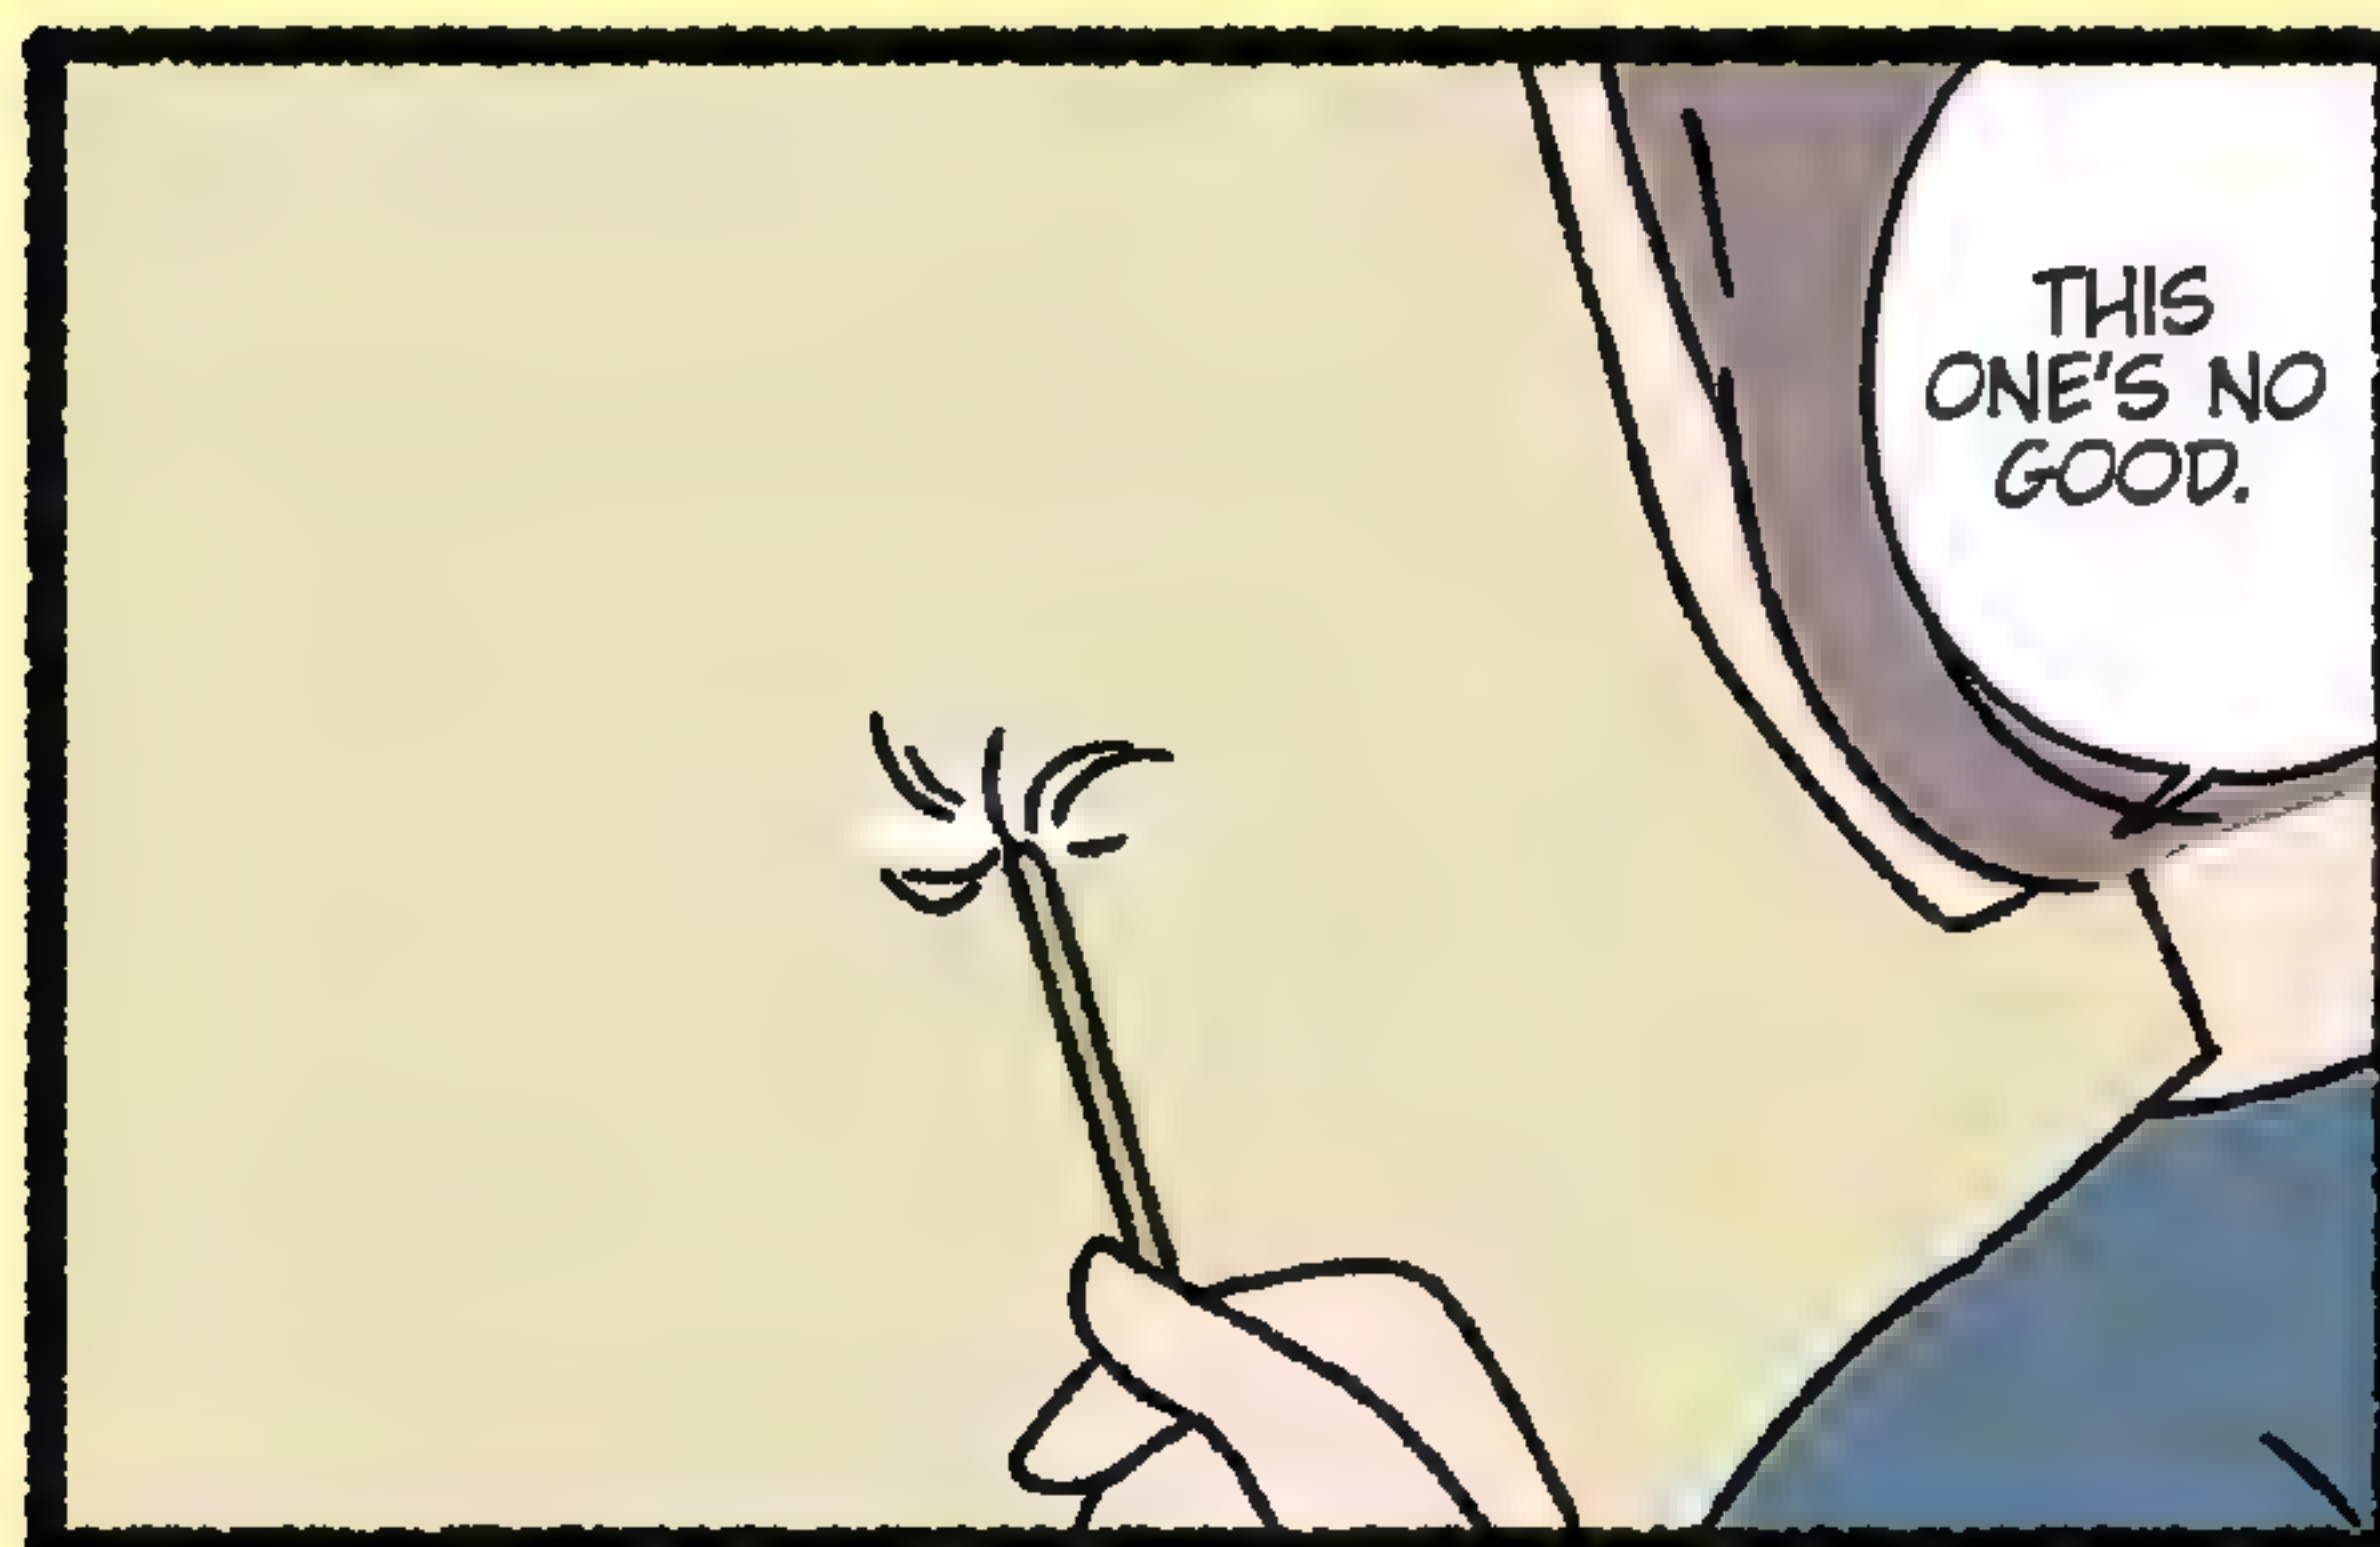

Korpokkur

Full of
curiosity.
Sometimes
it sneaks
into your
pocket
and goes
outside
with you!

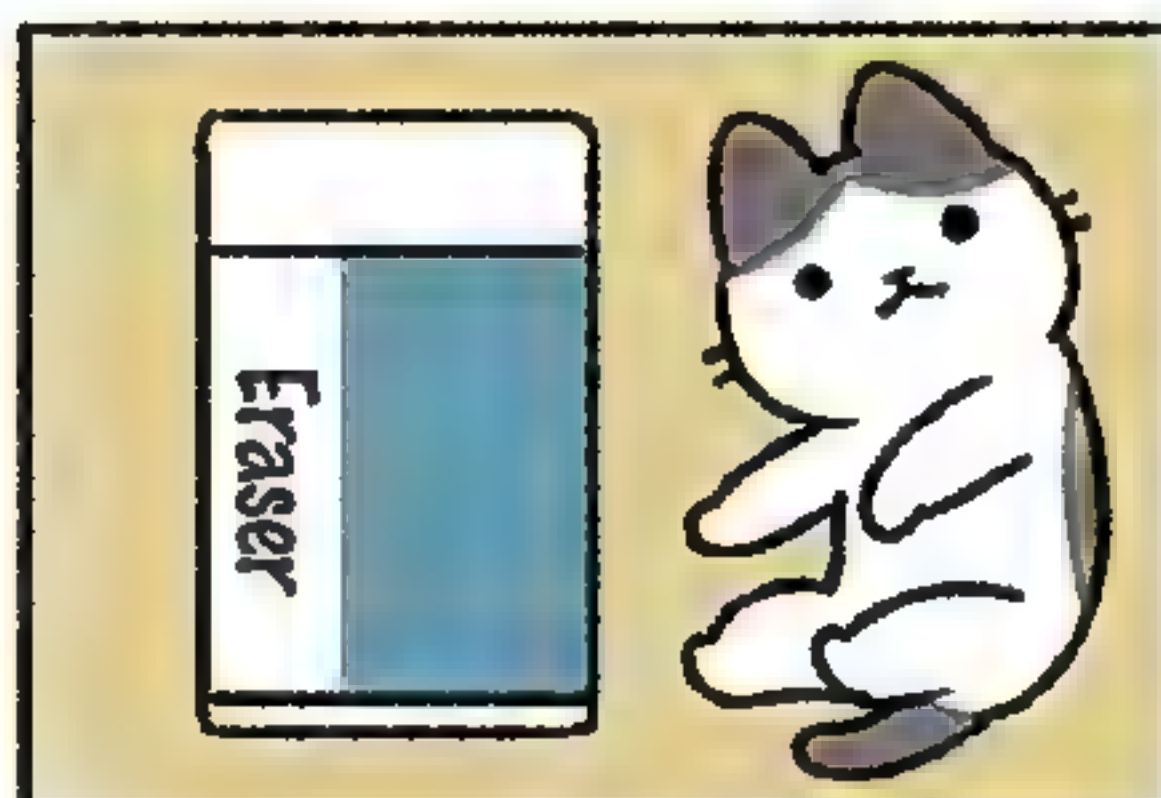

My cat is really small.

Is it still a kitten?

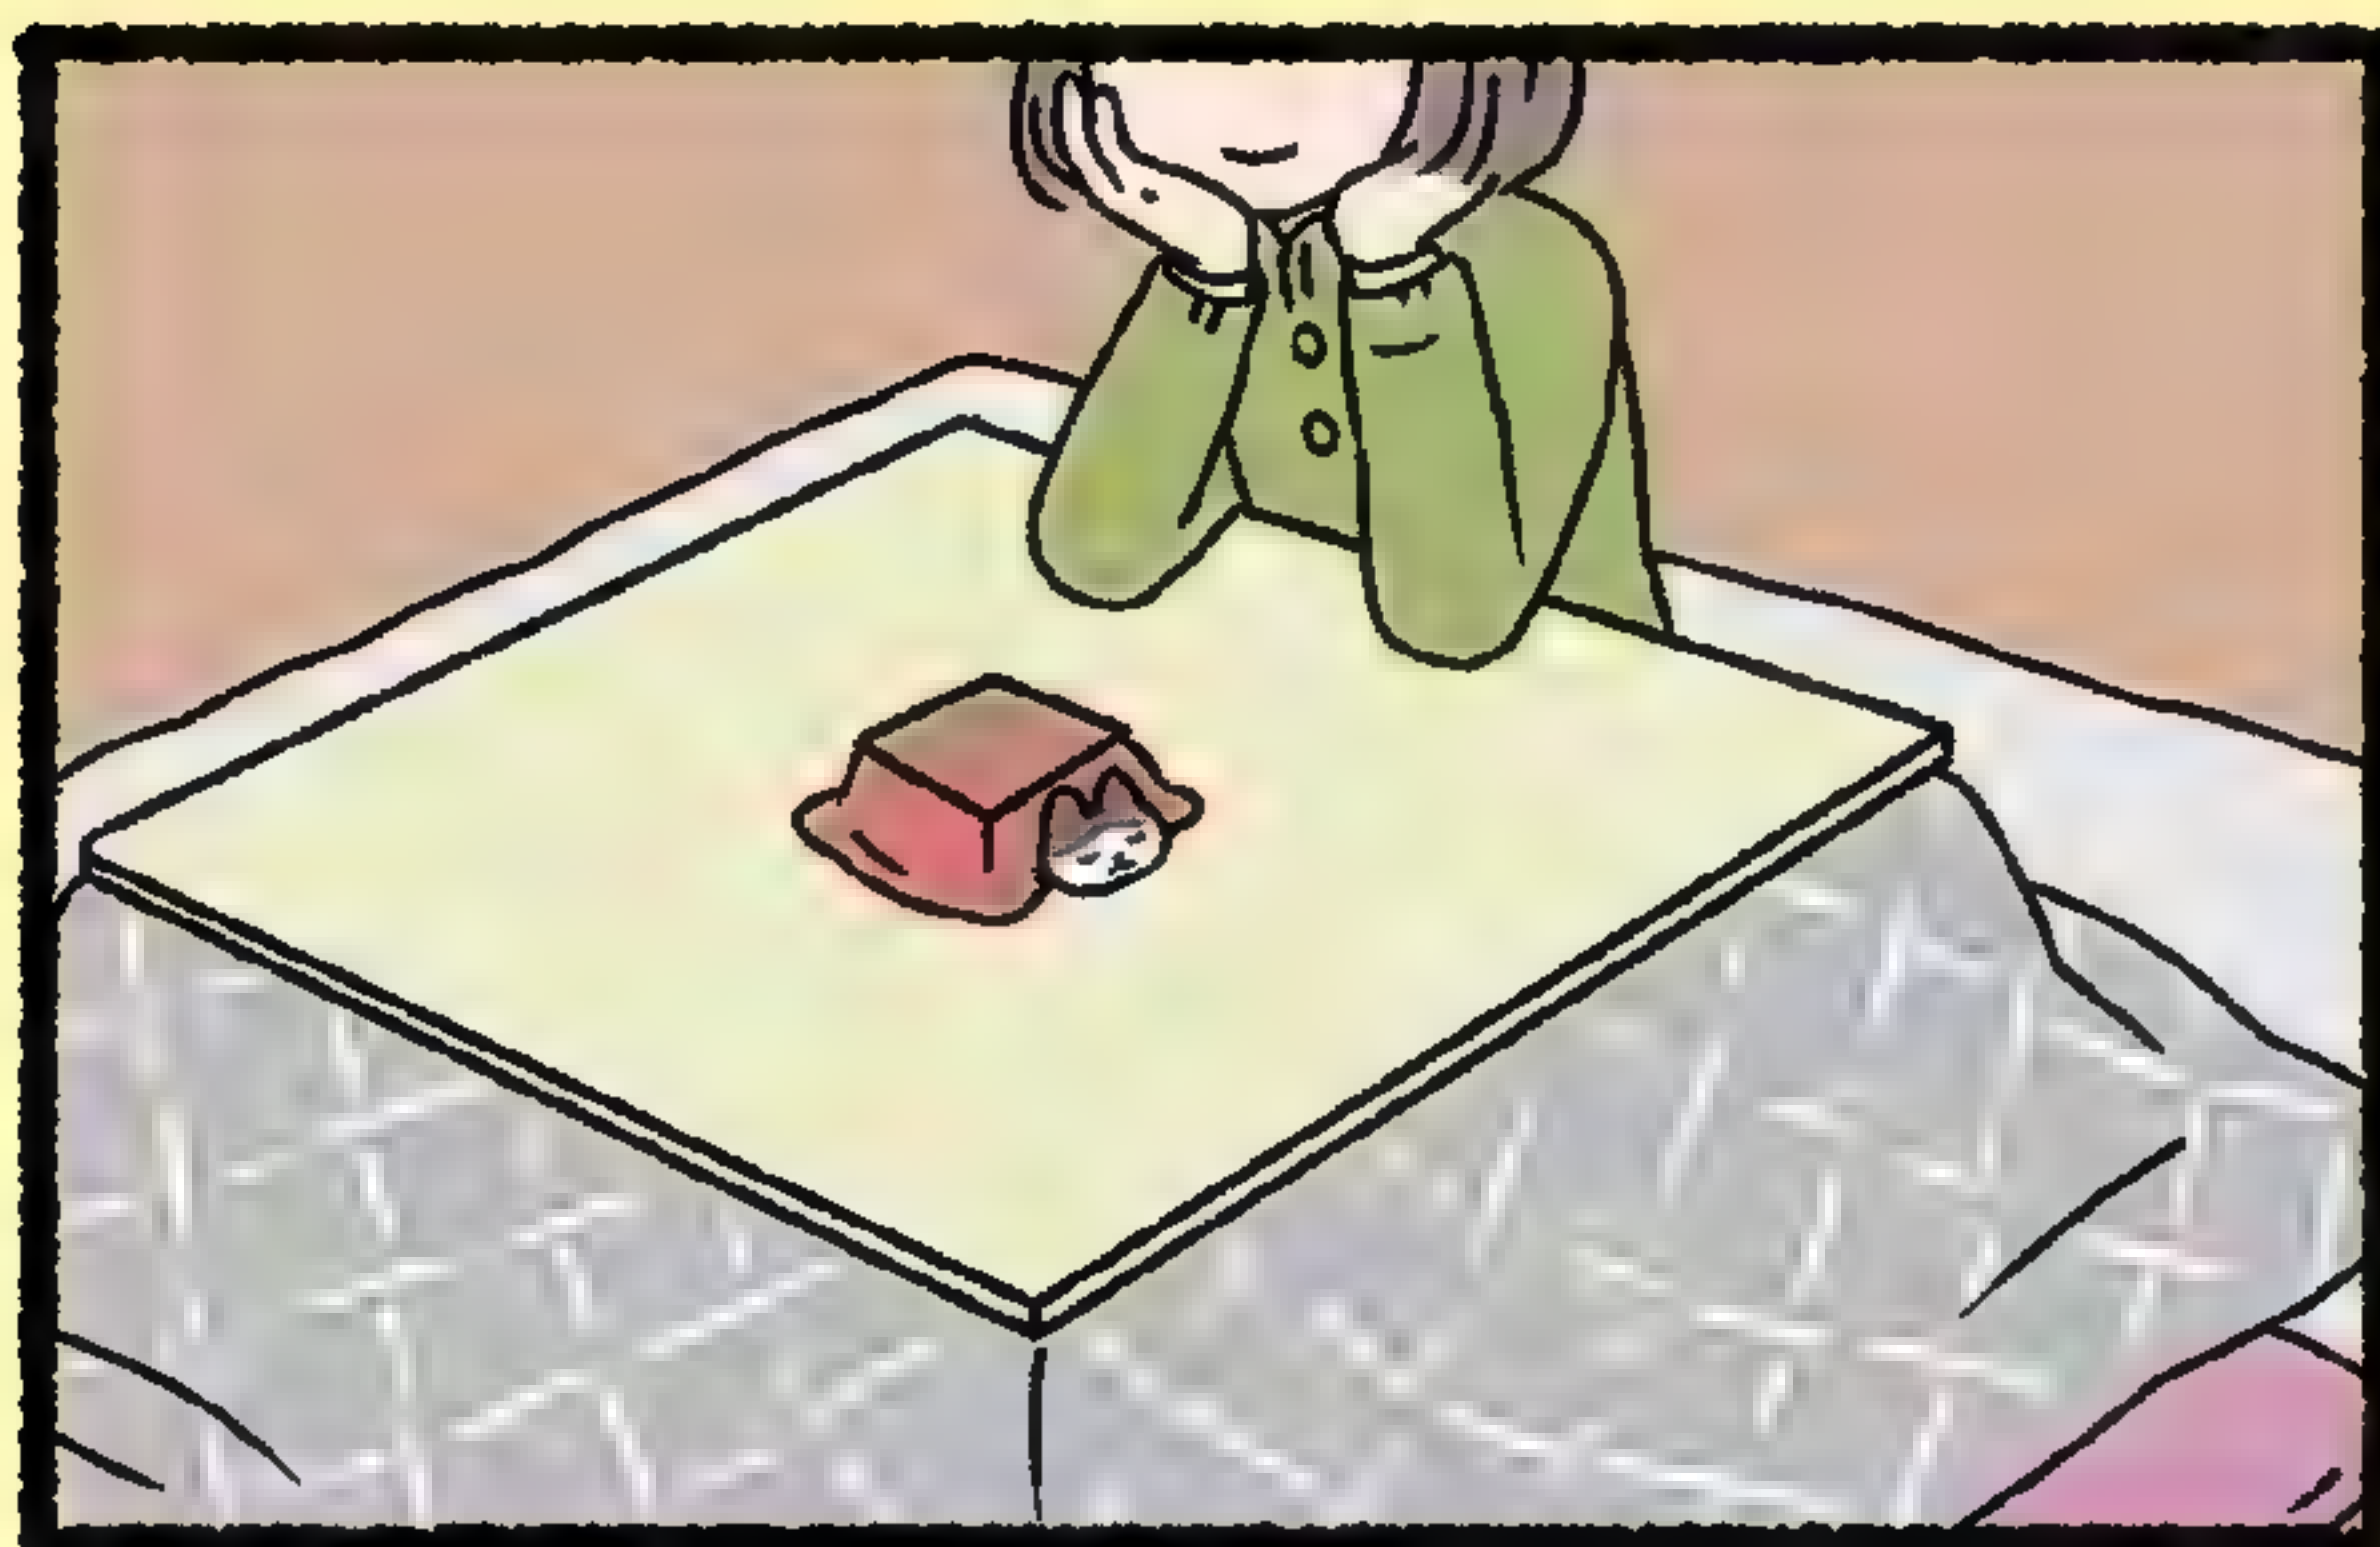

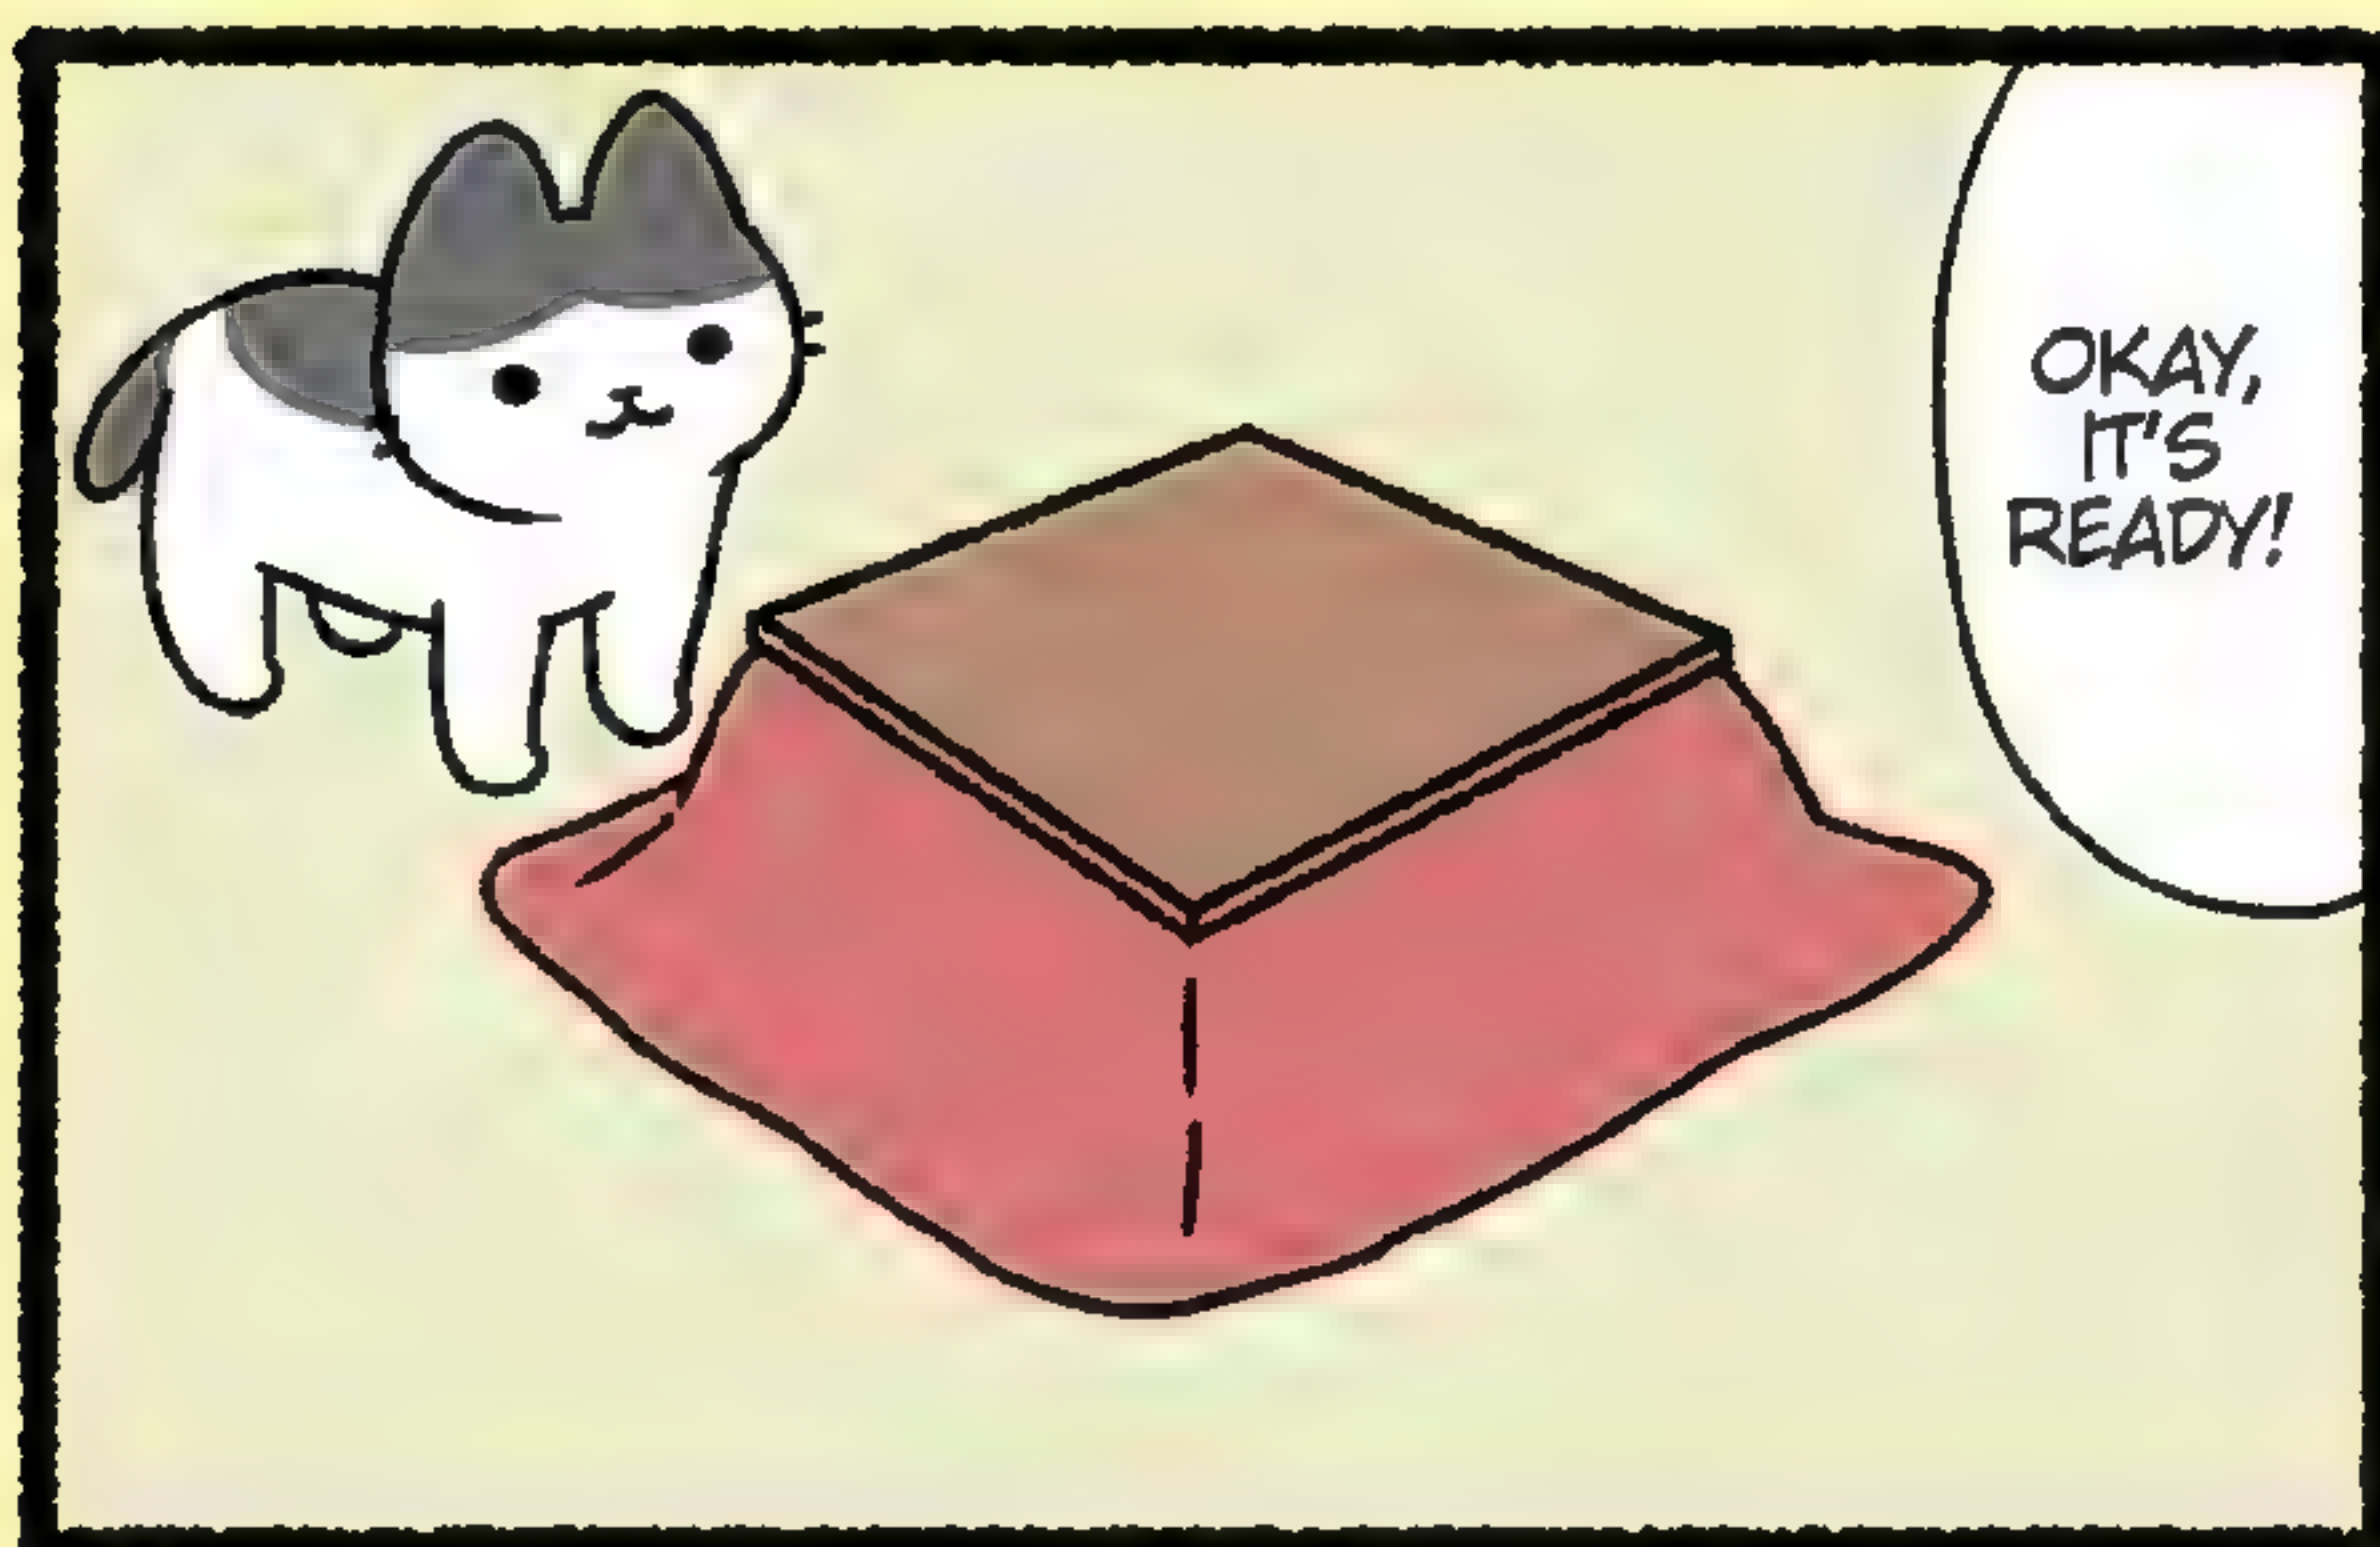

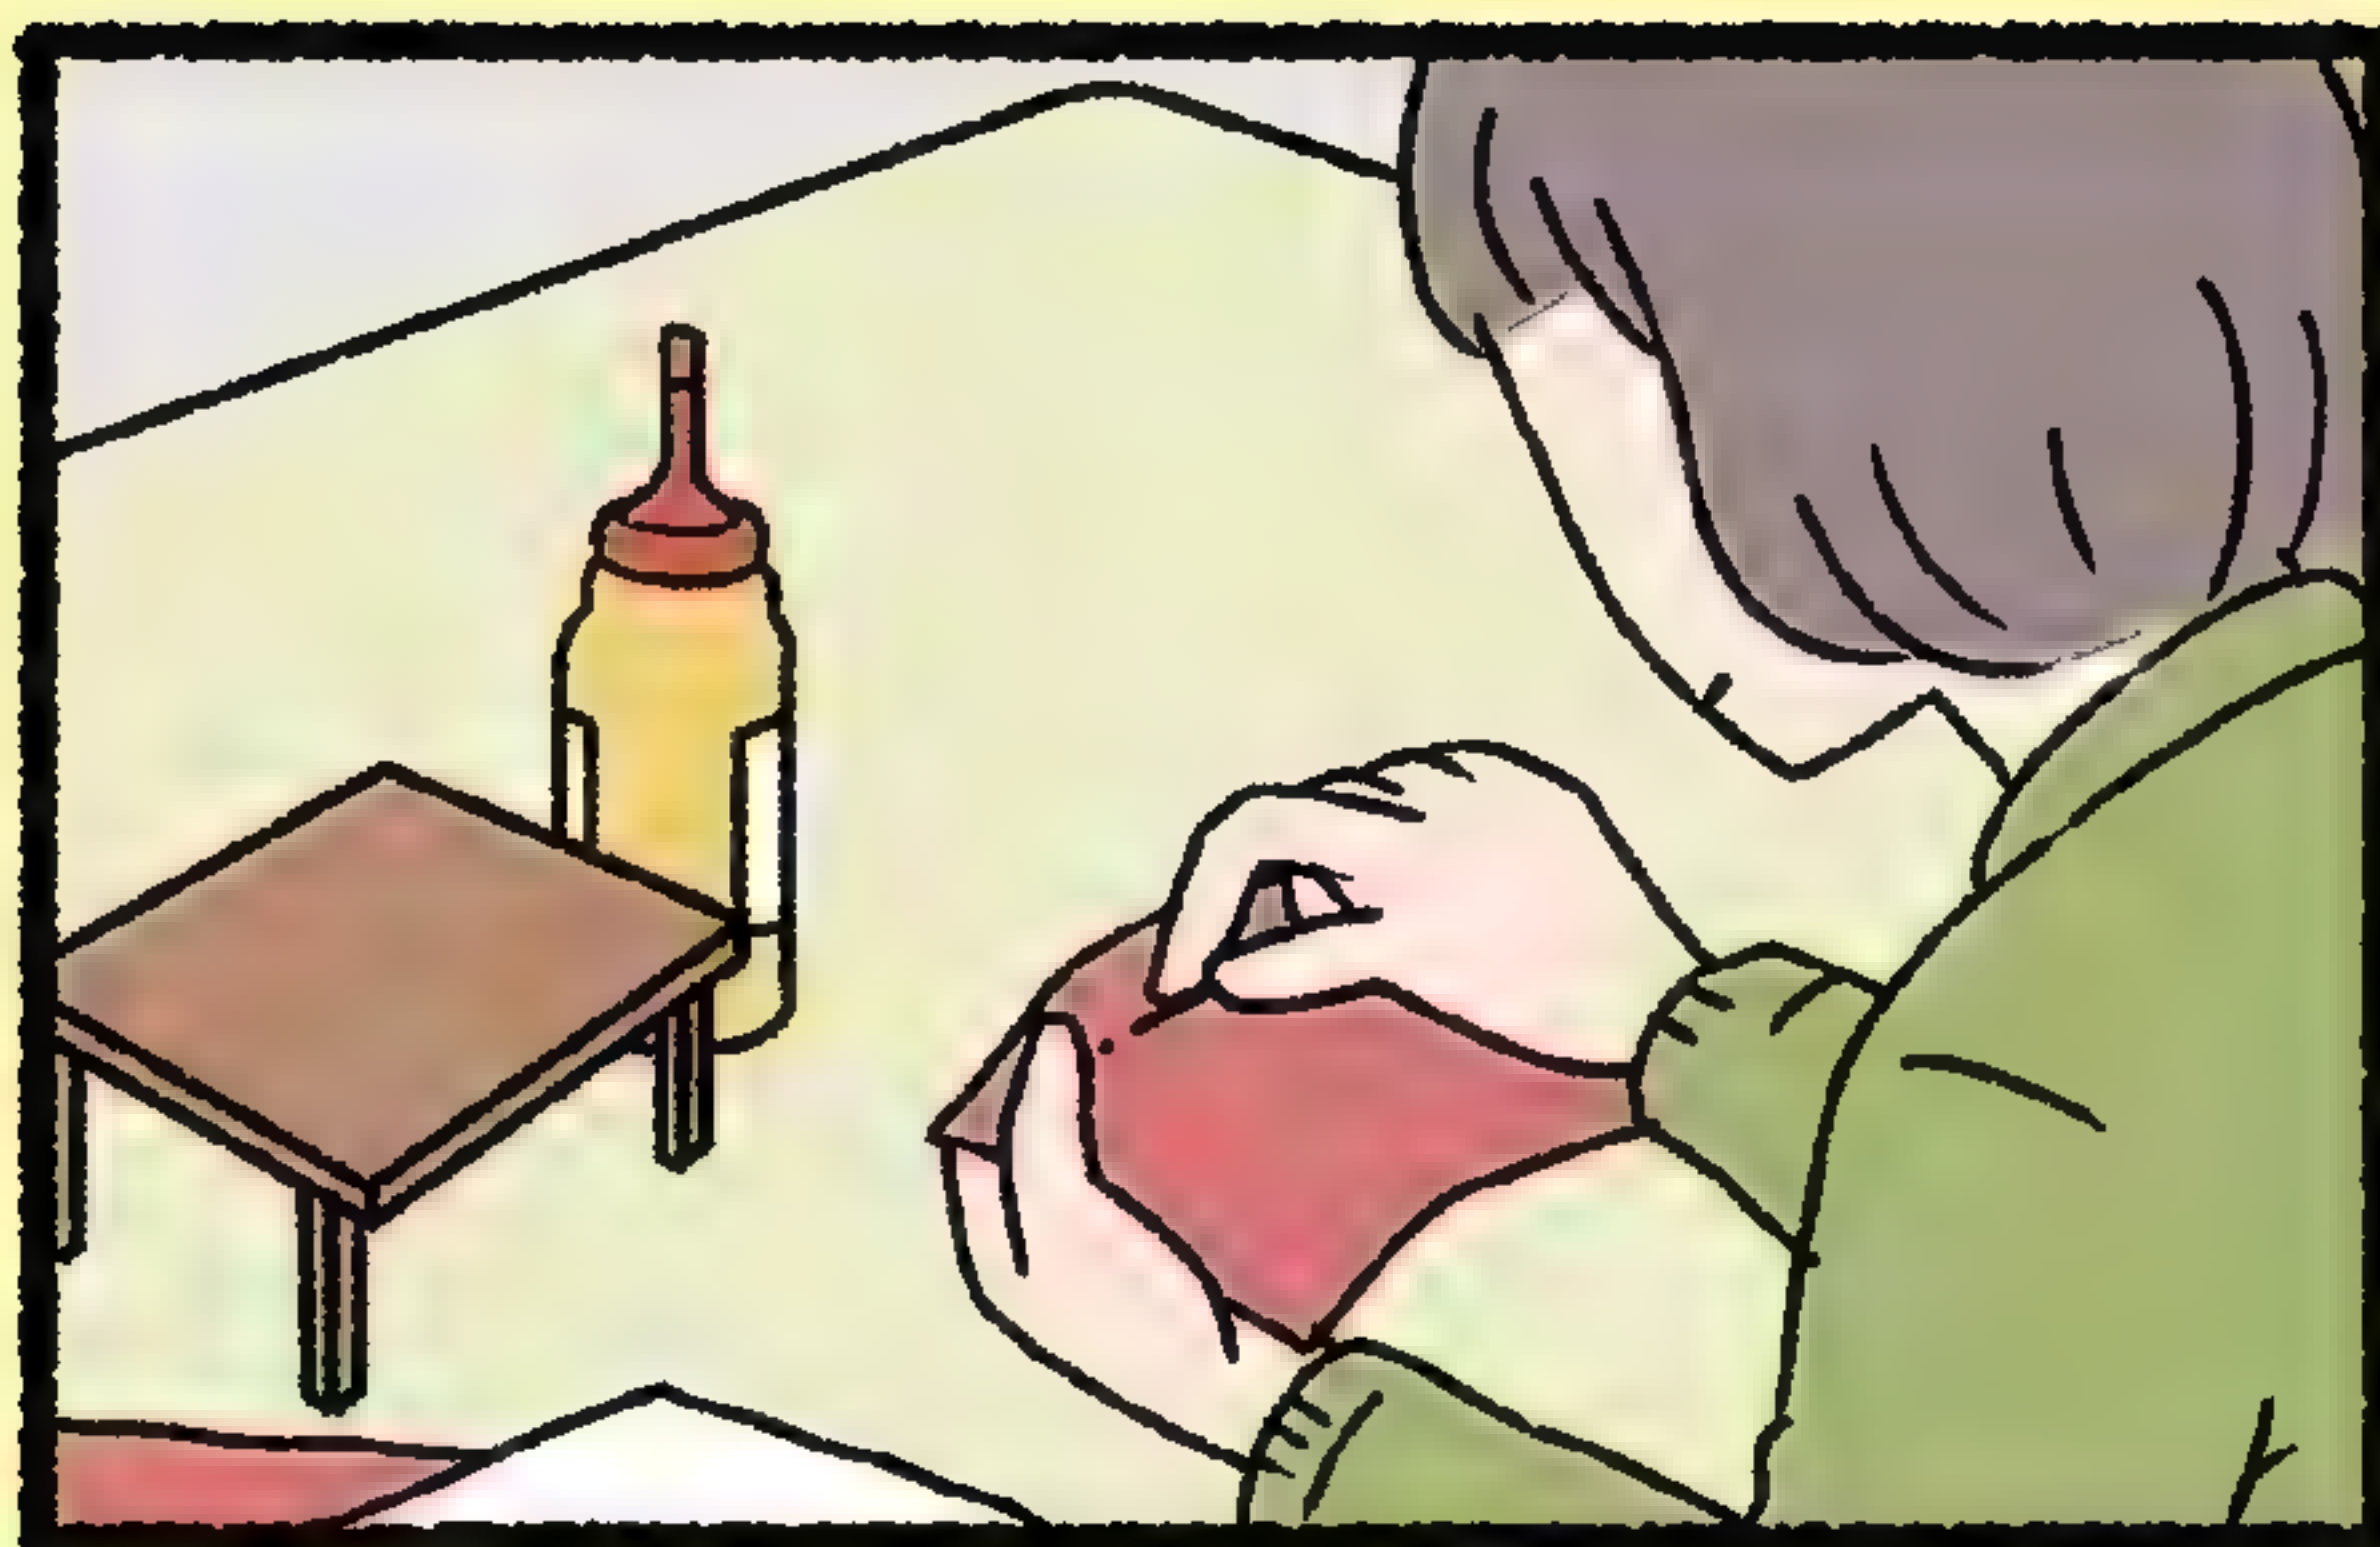

HOW
DO I
EXPLAIN
THIS?

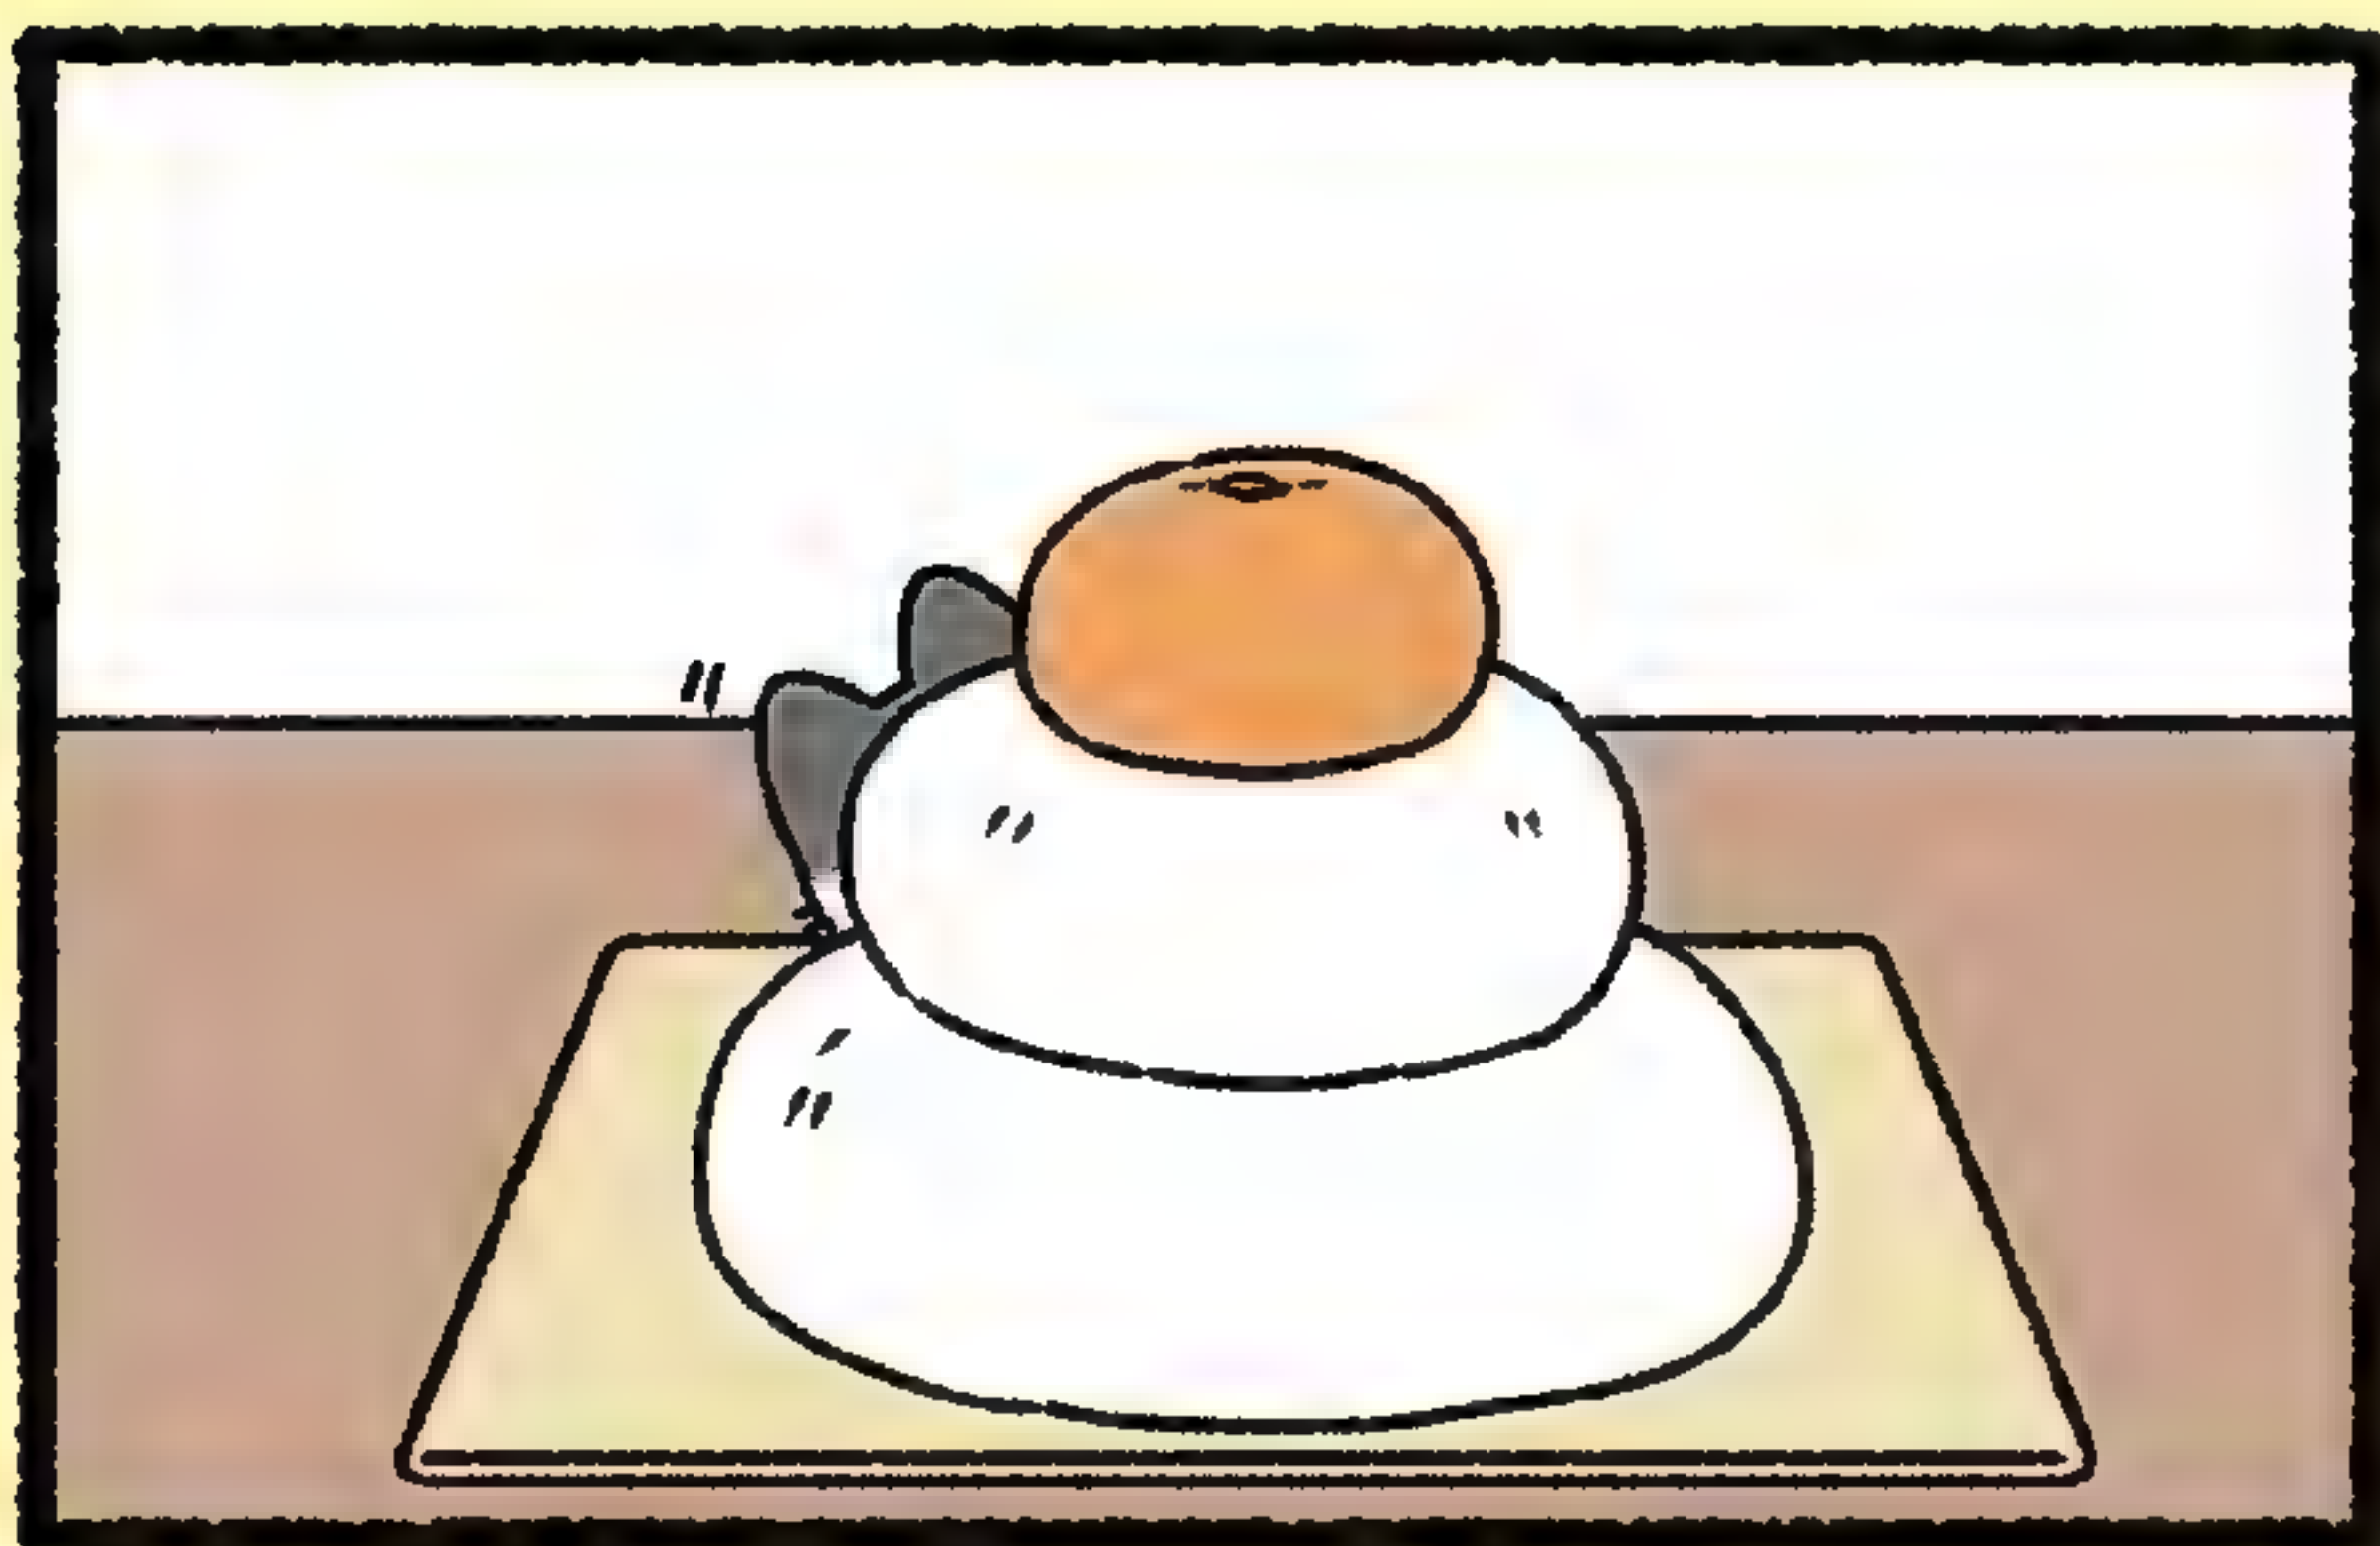

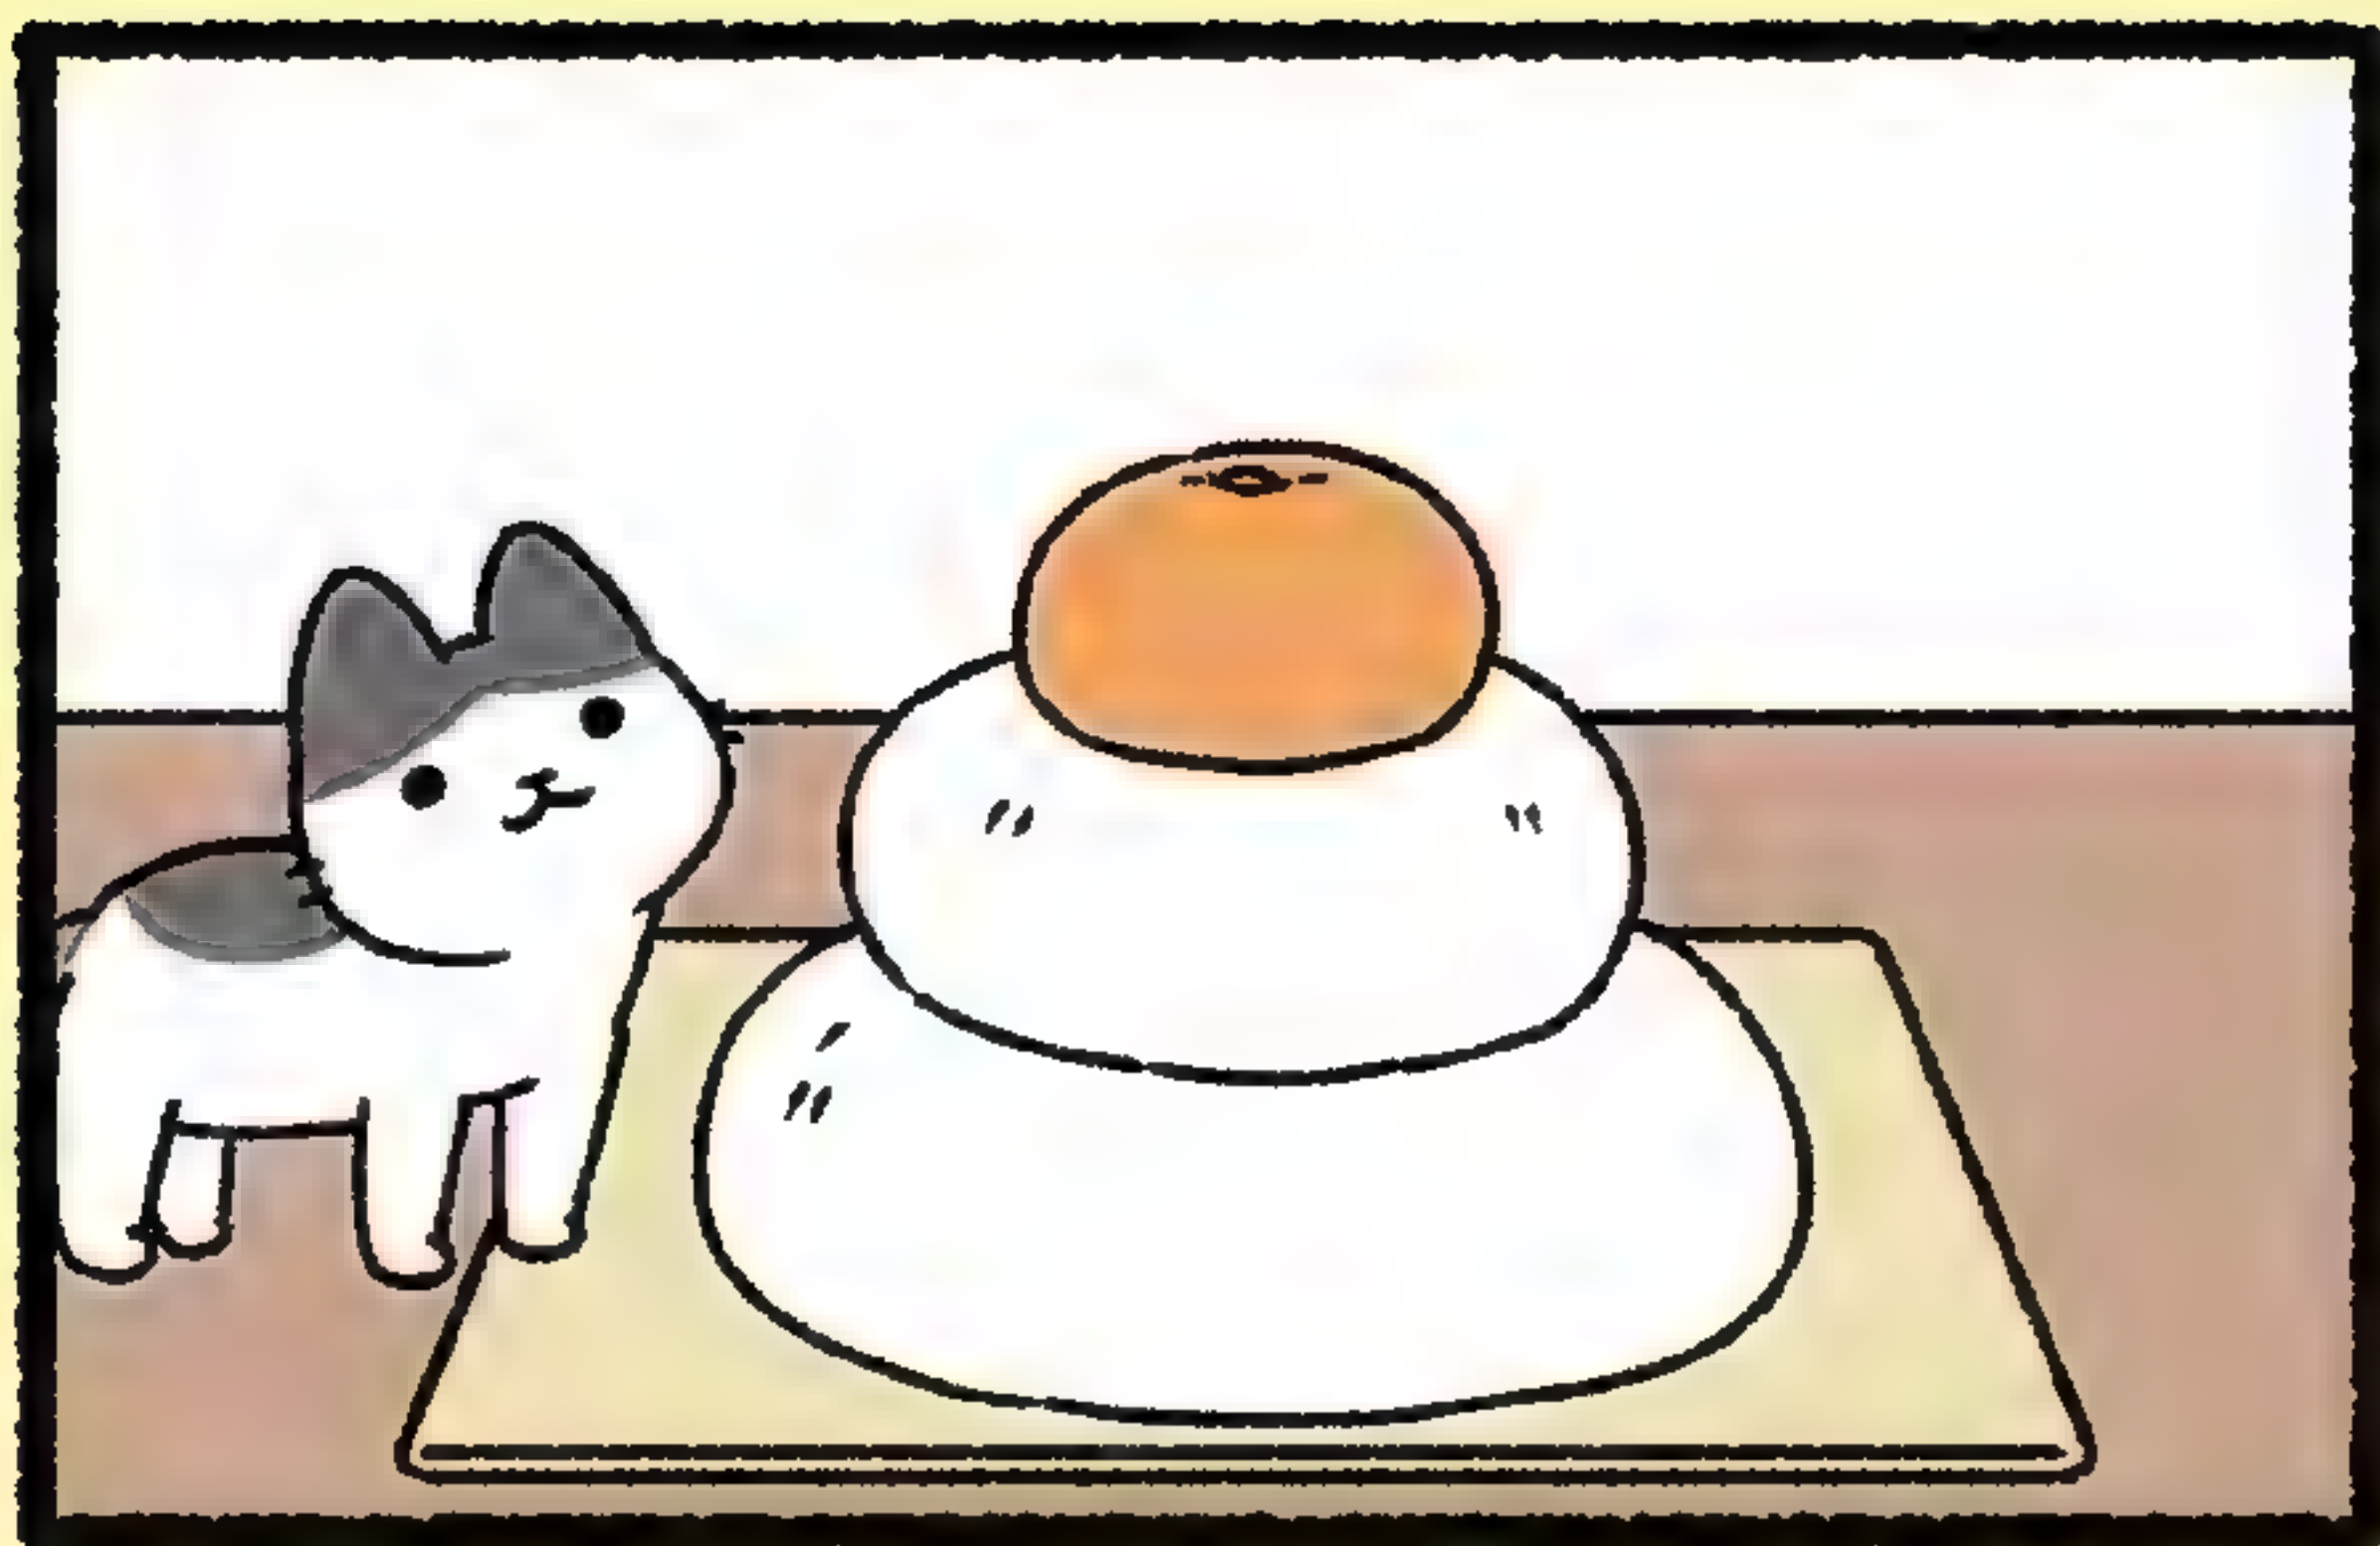

He's
about
this
big.

Cute!!

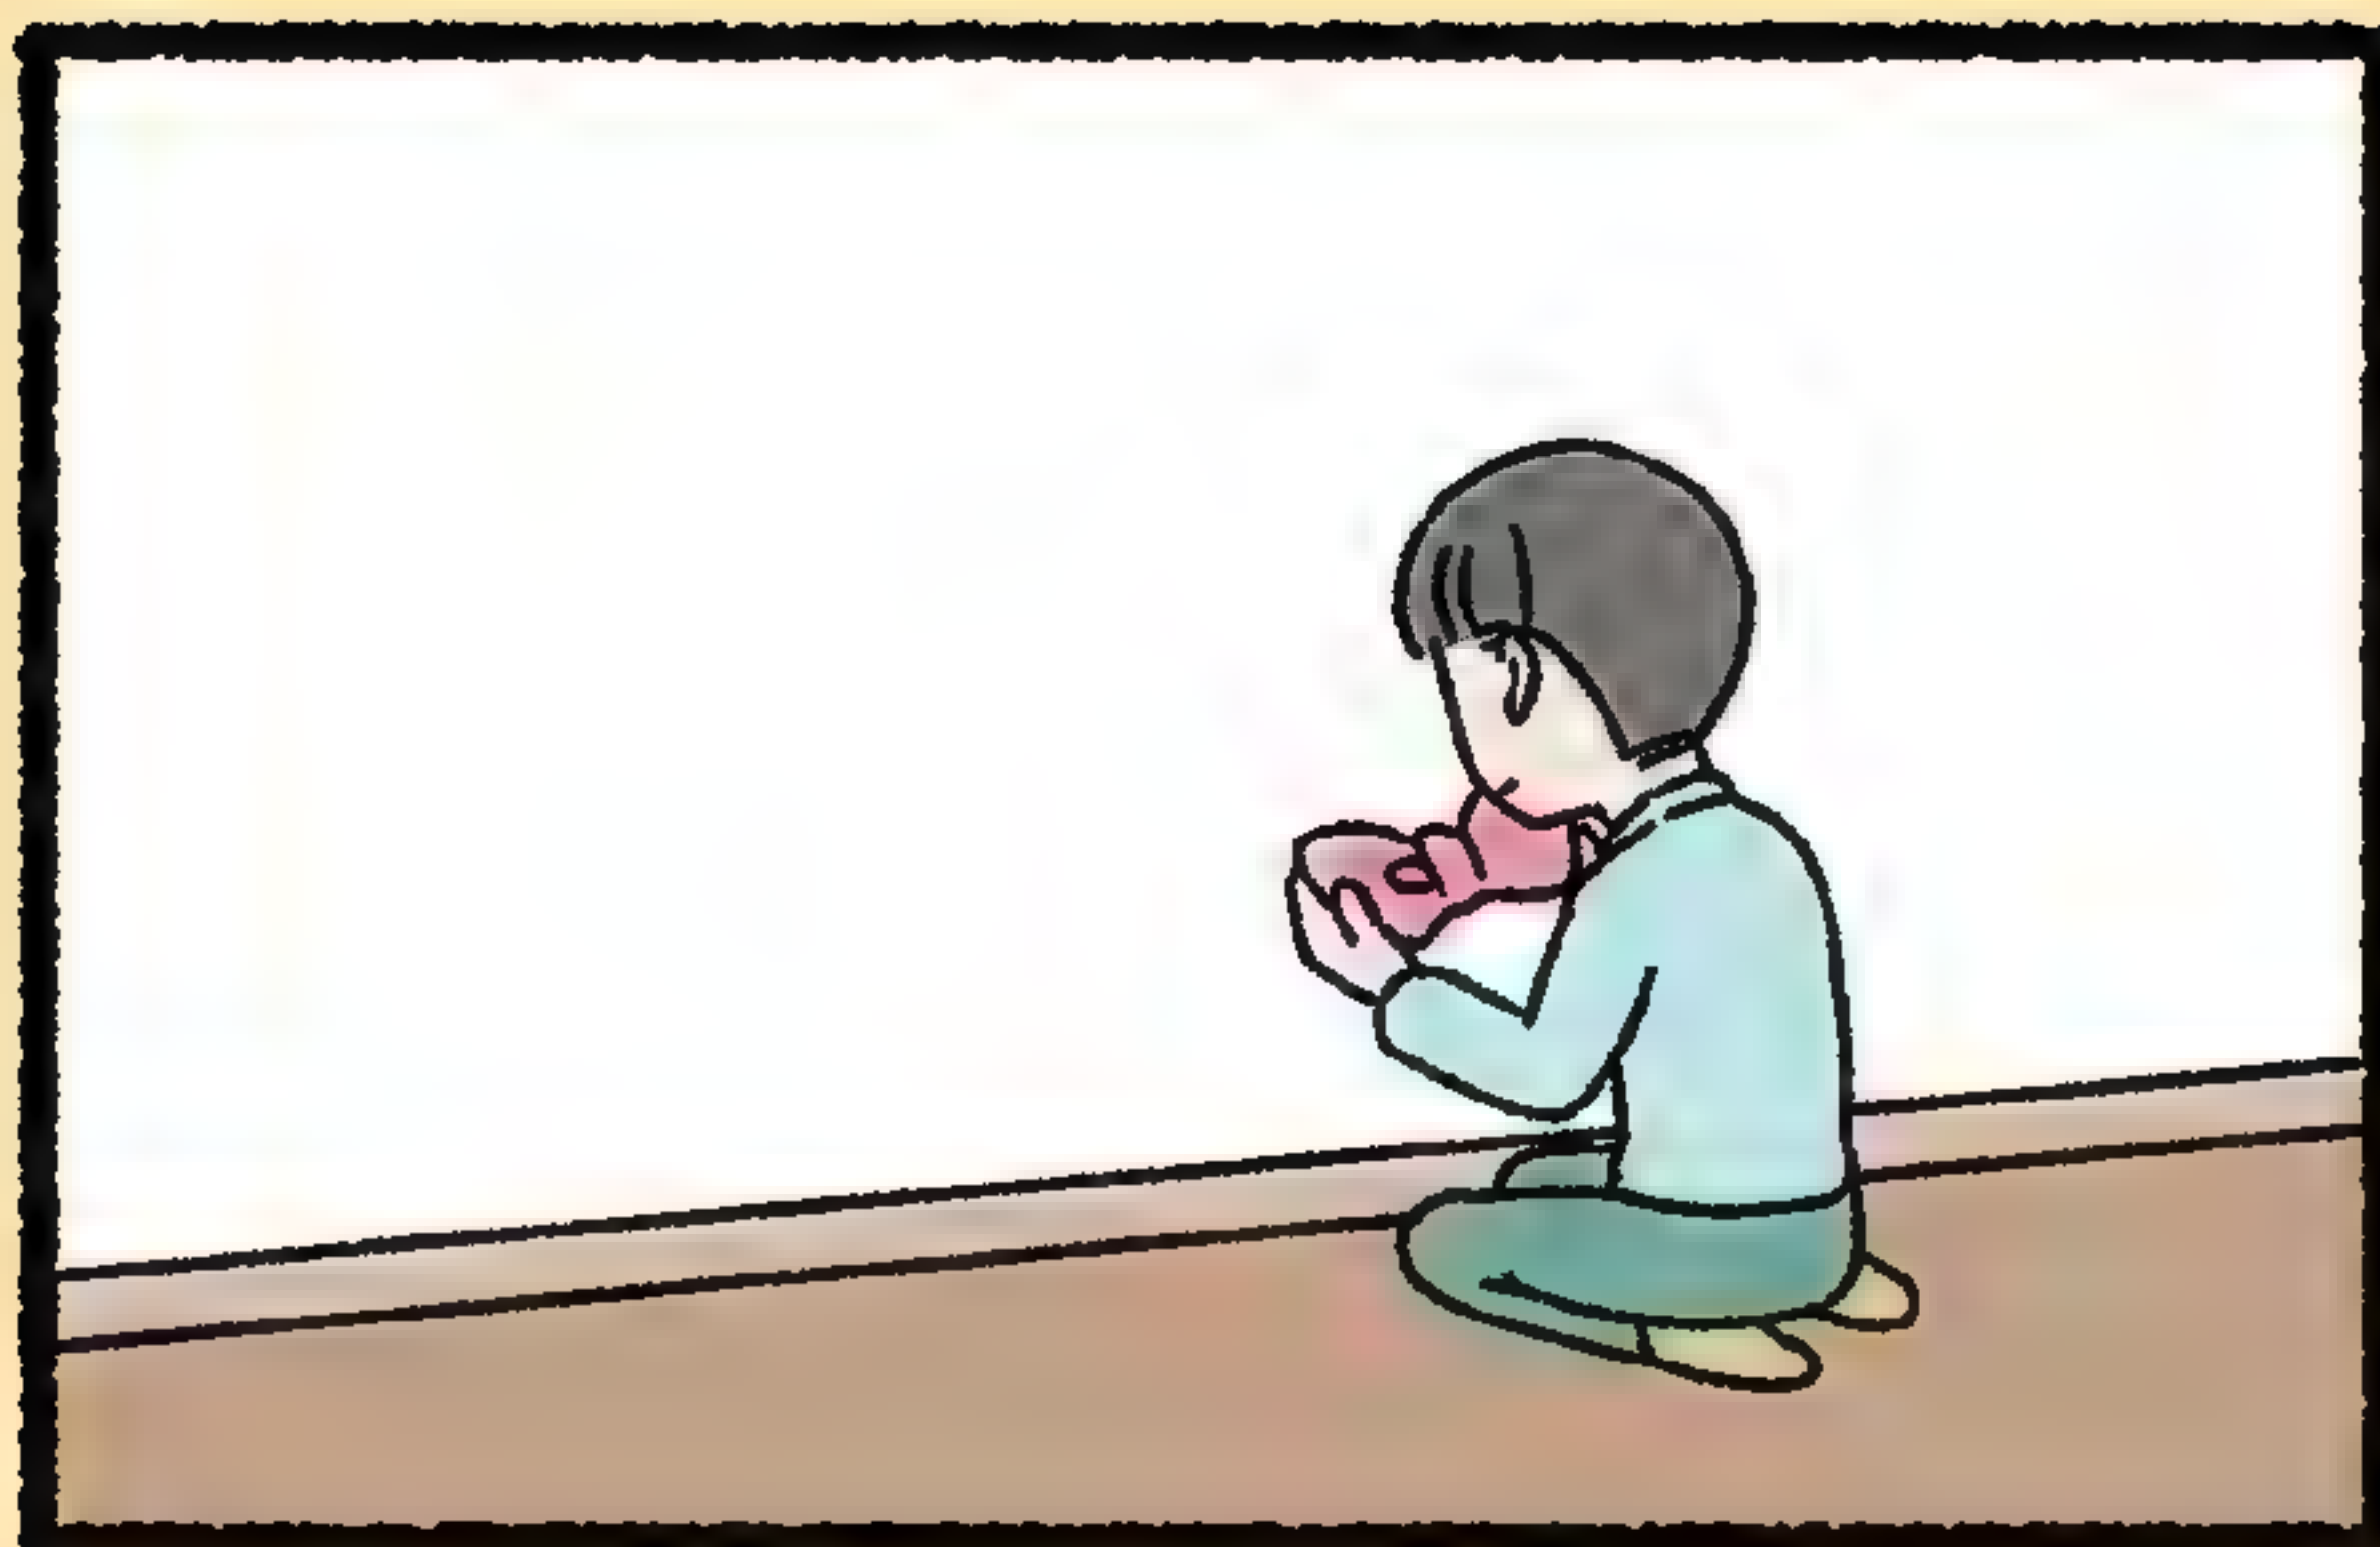

Kage Onna

Shadow Woman

Even in total darkness,
as long as
there's a
shadow, it'll
be there.

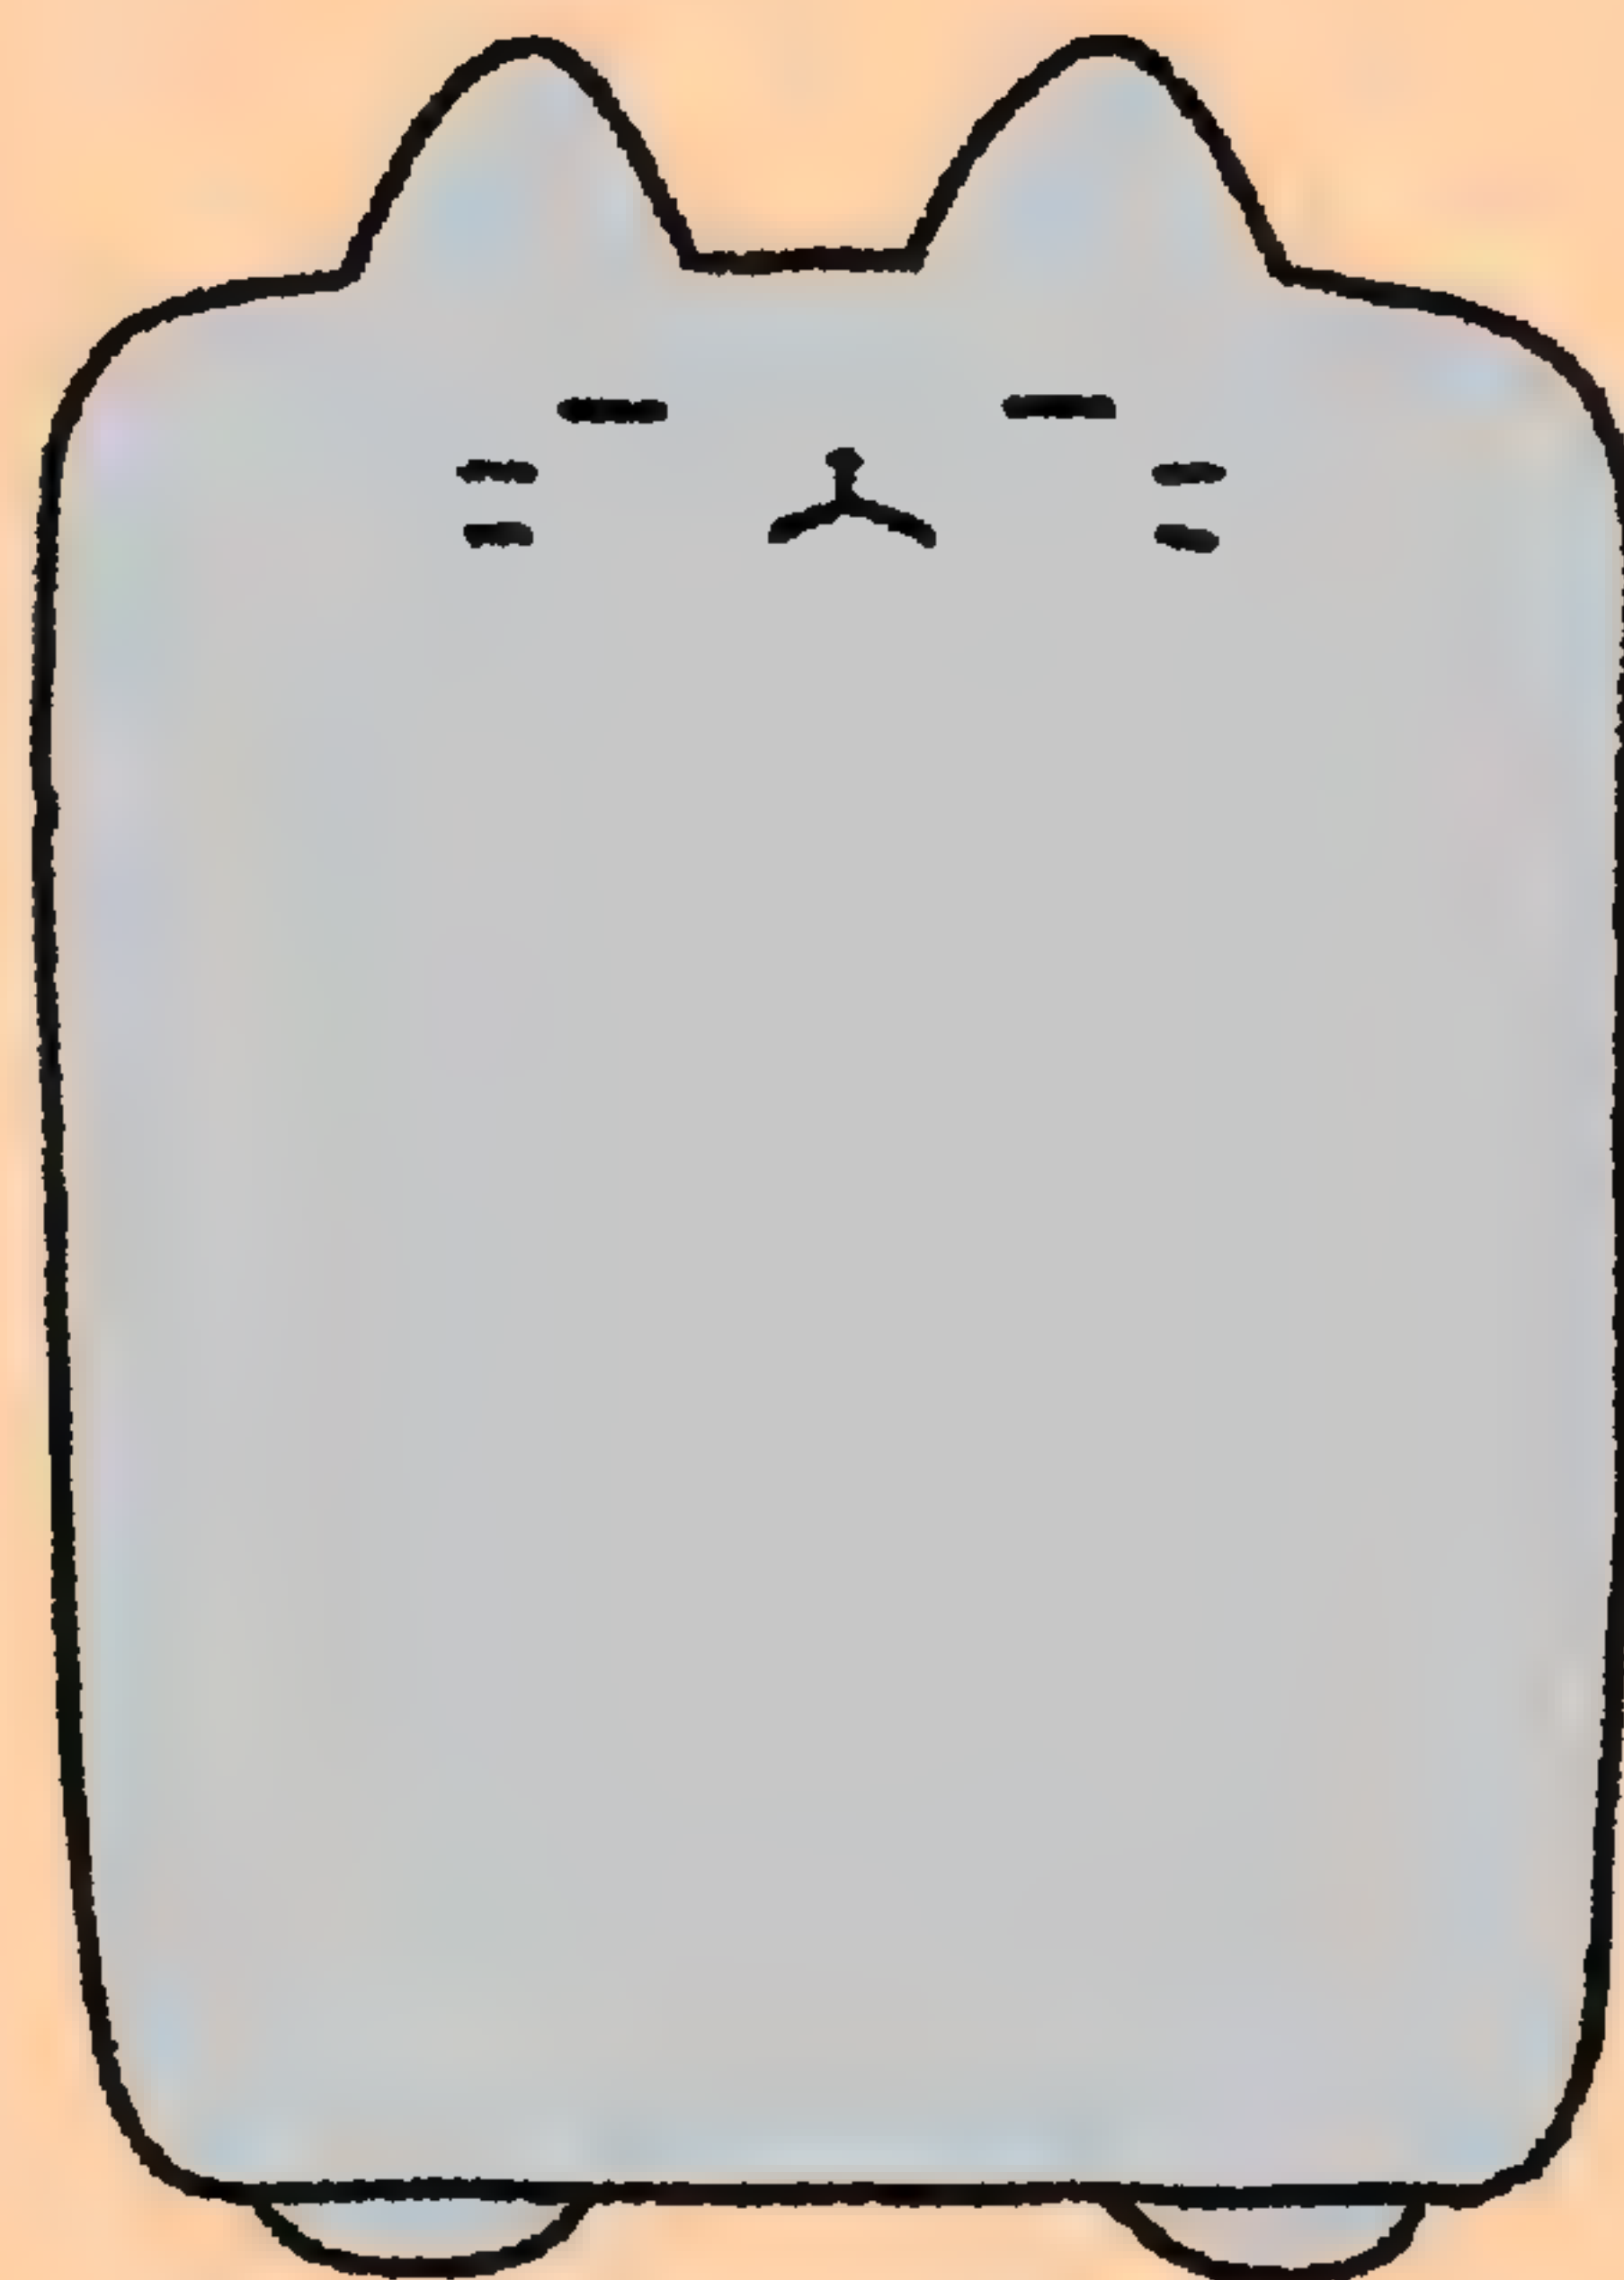

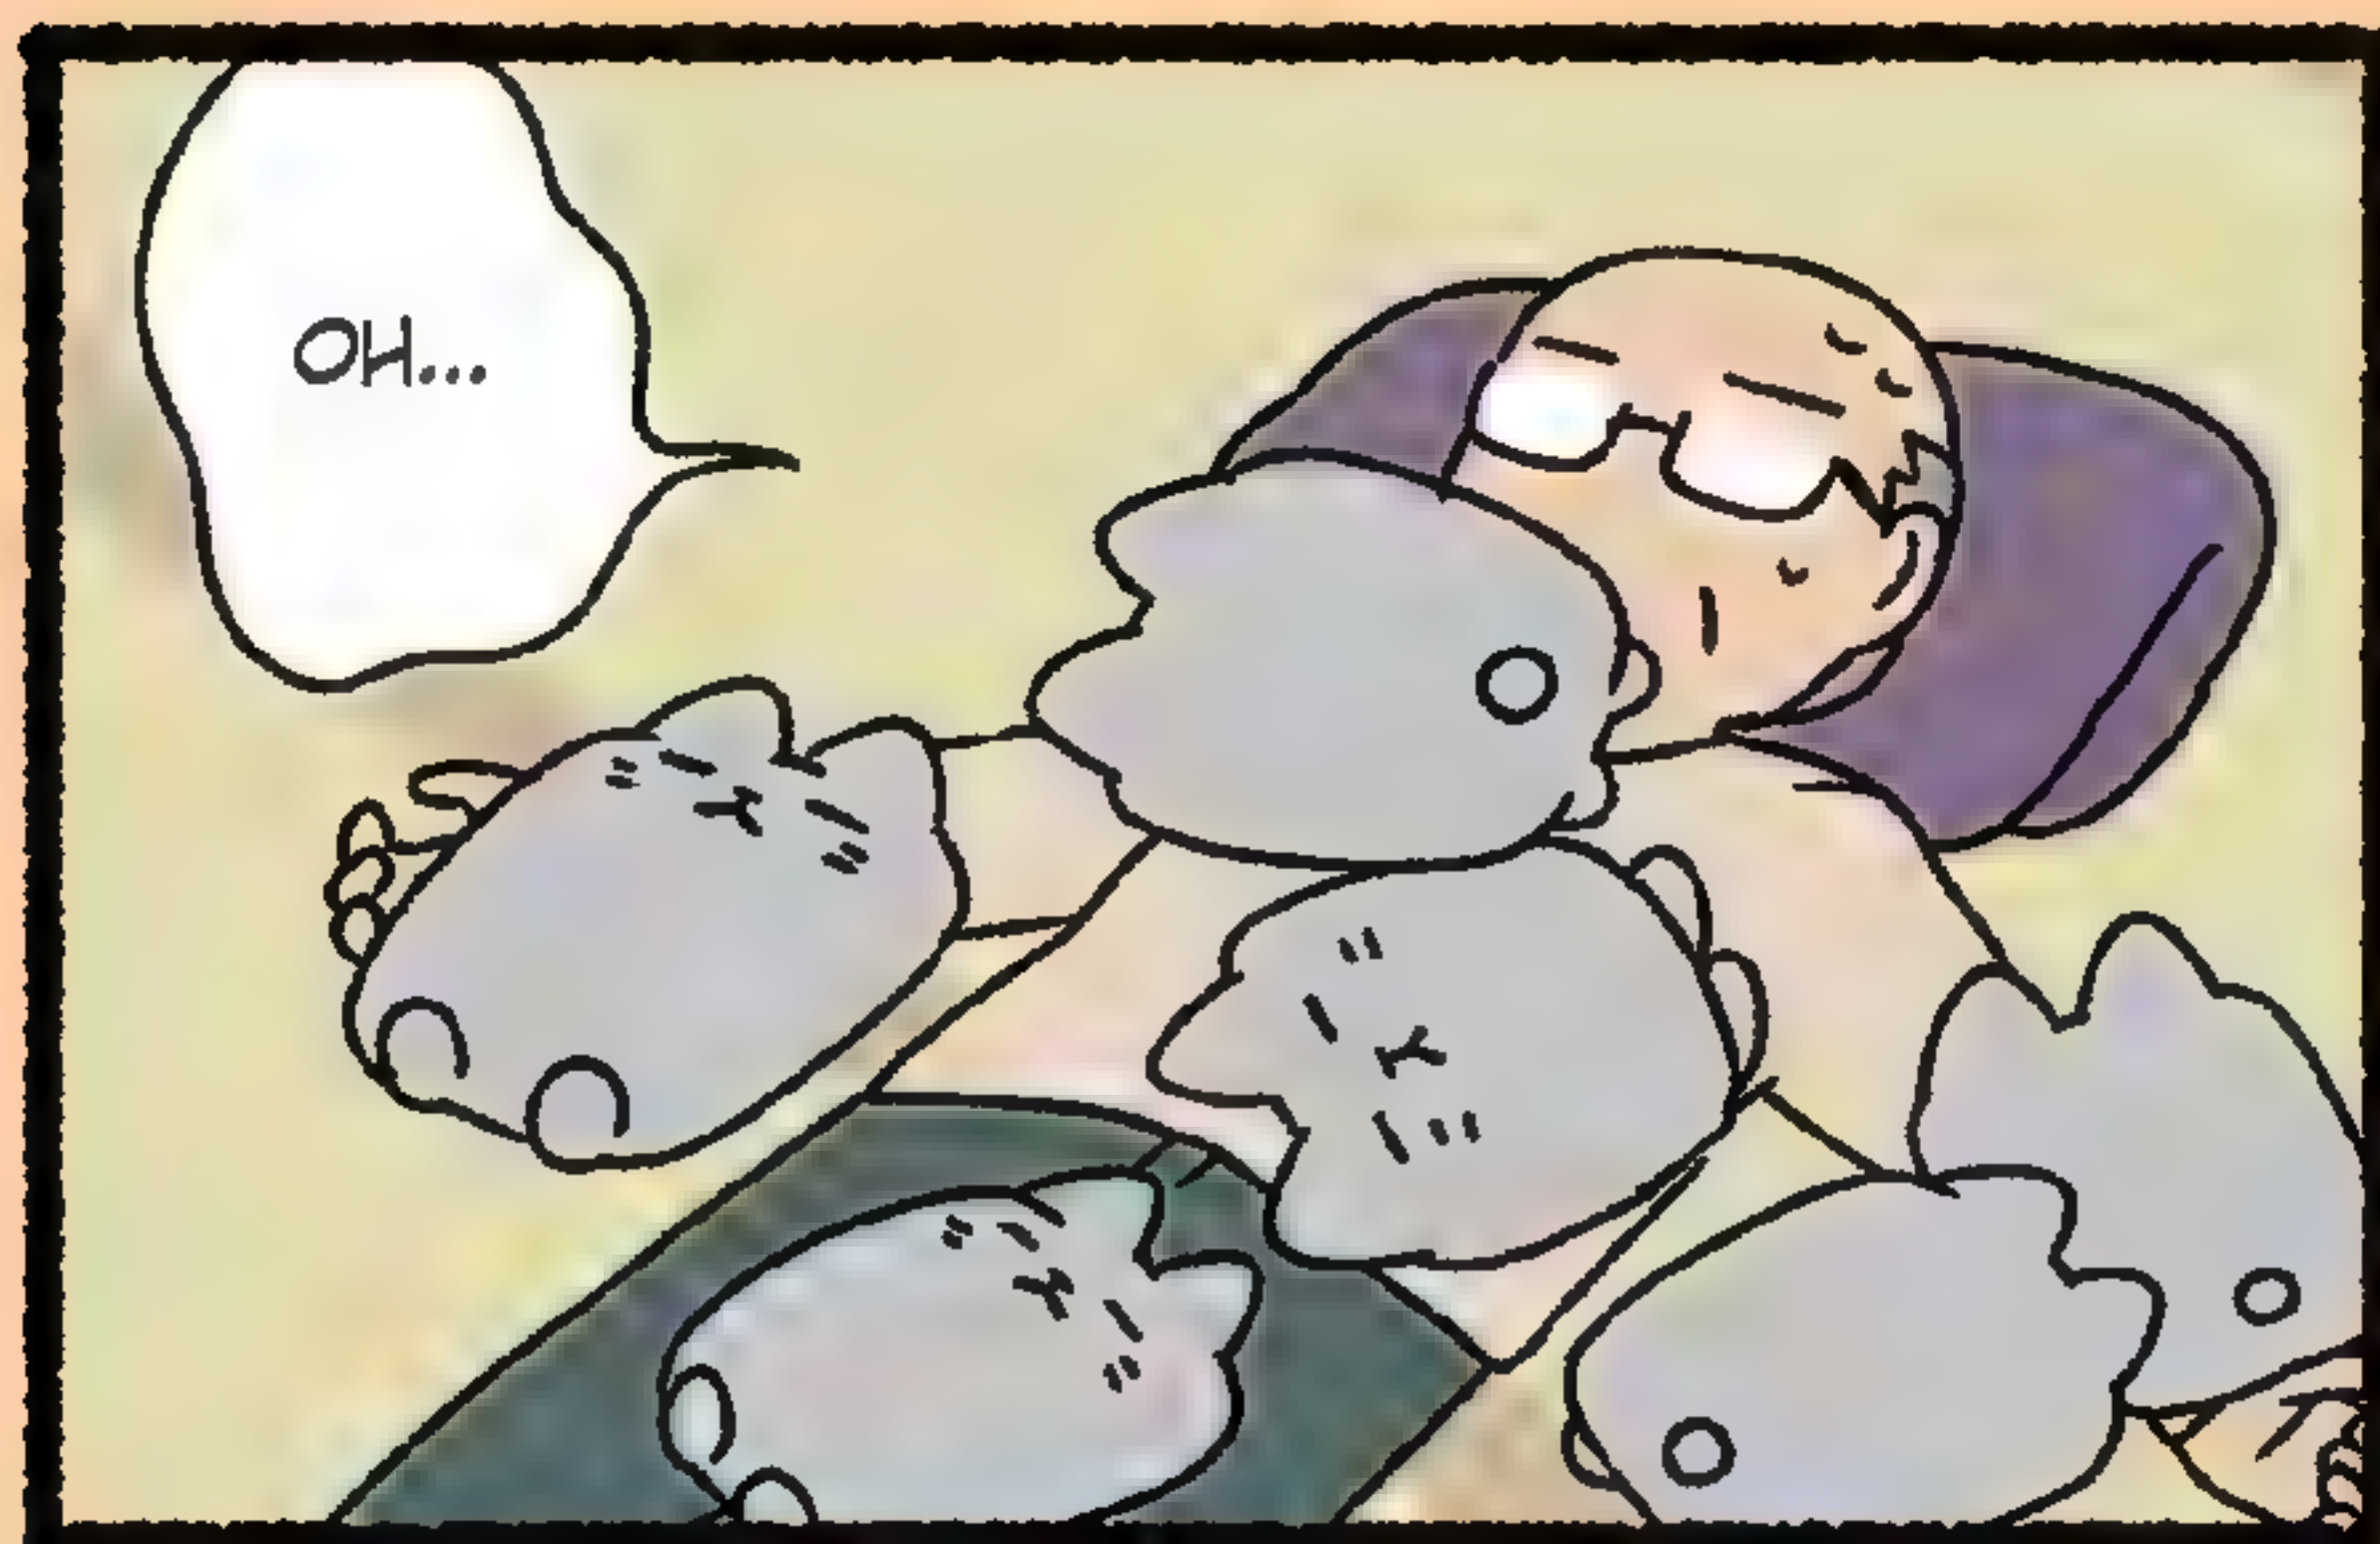

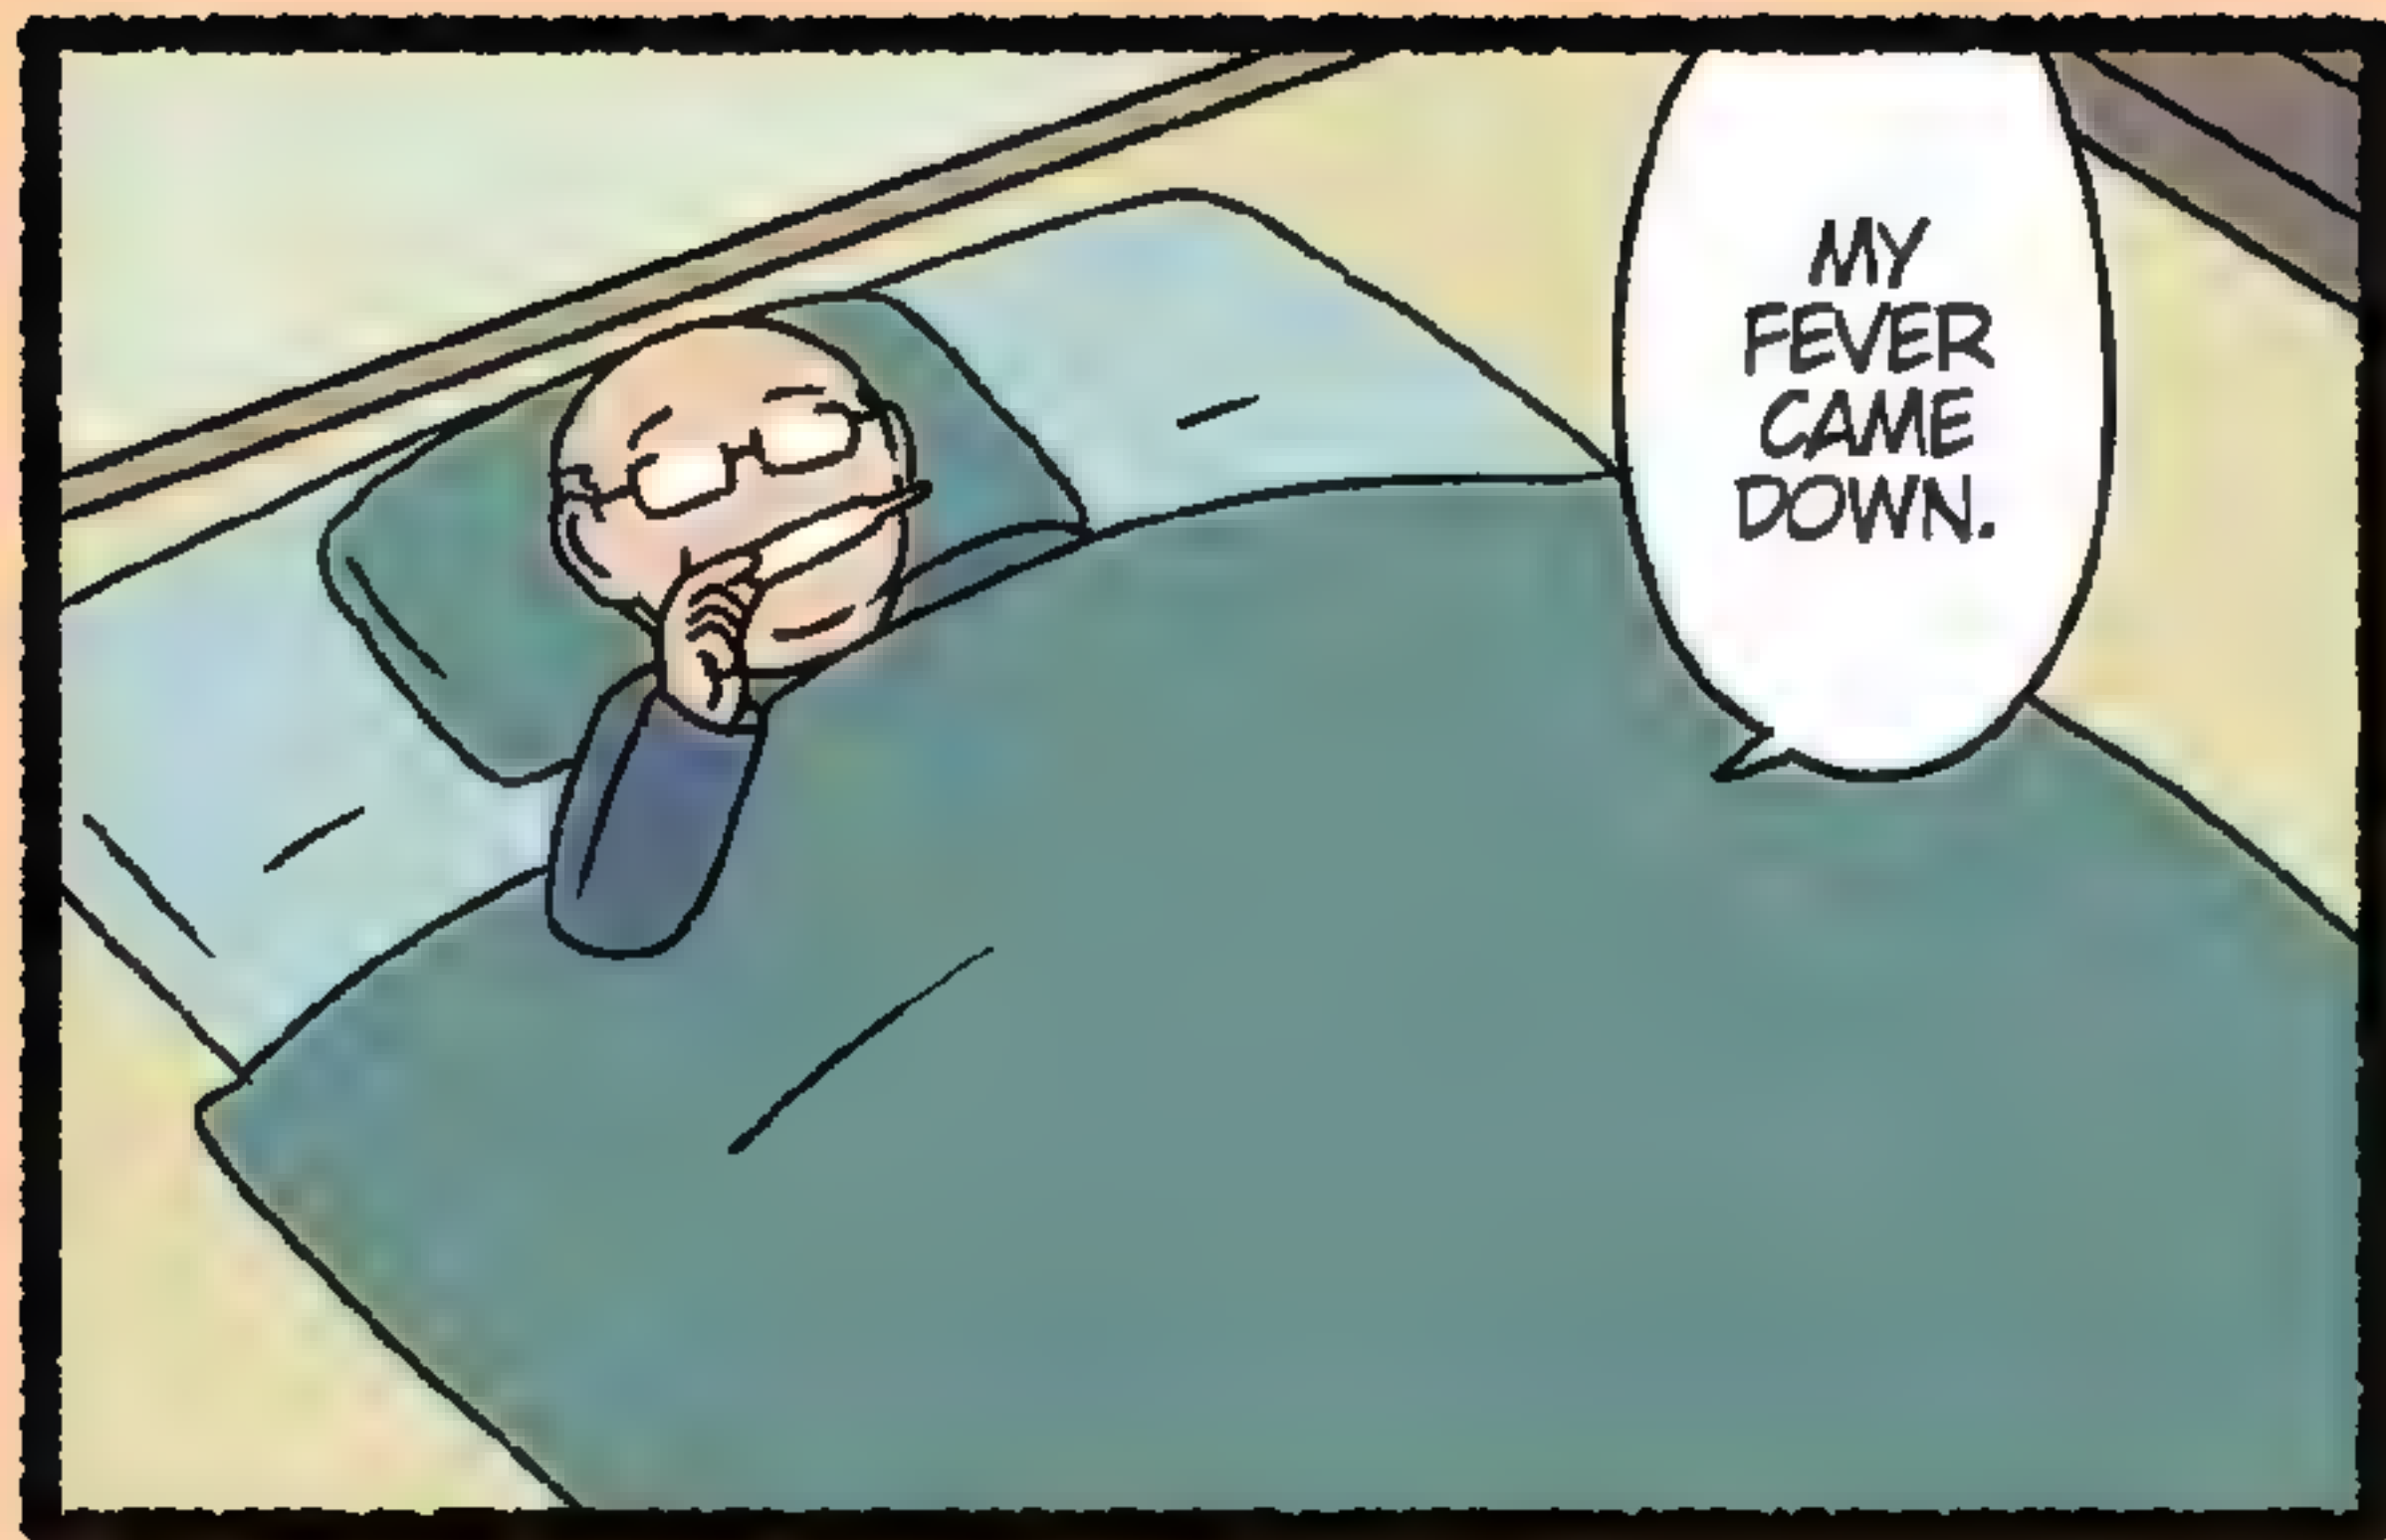

Nurikabe

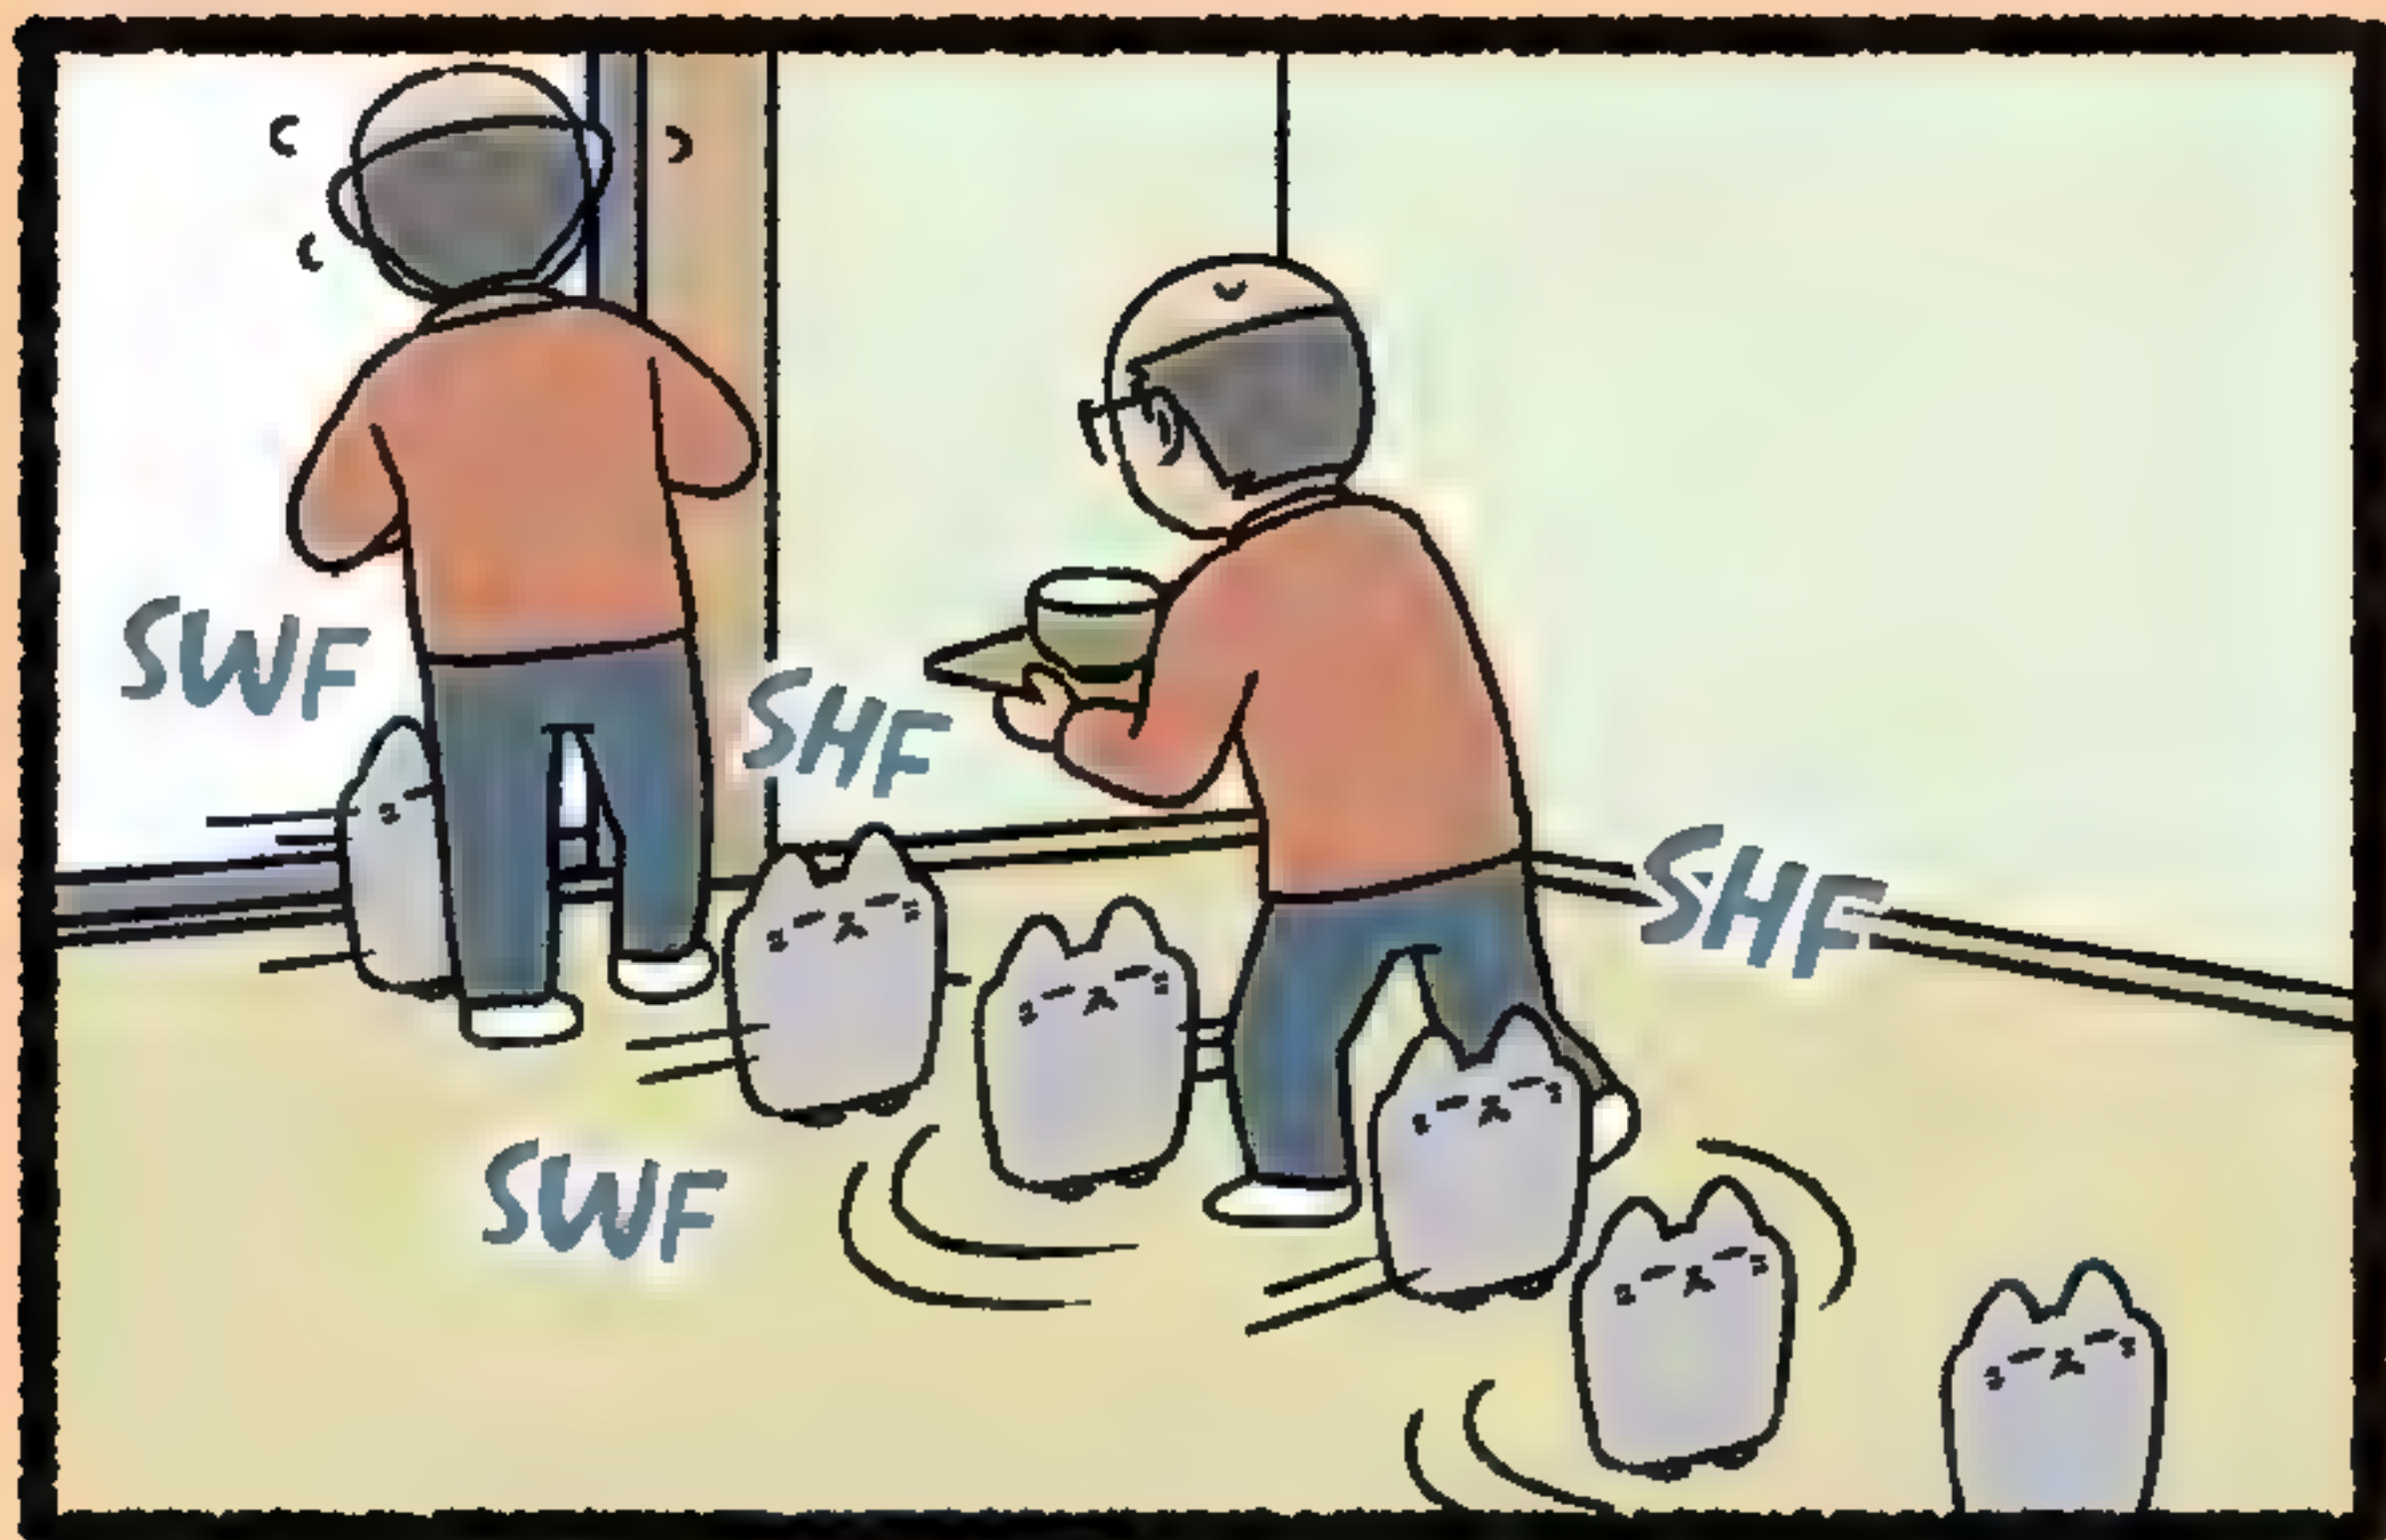

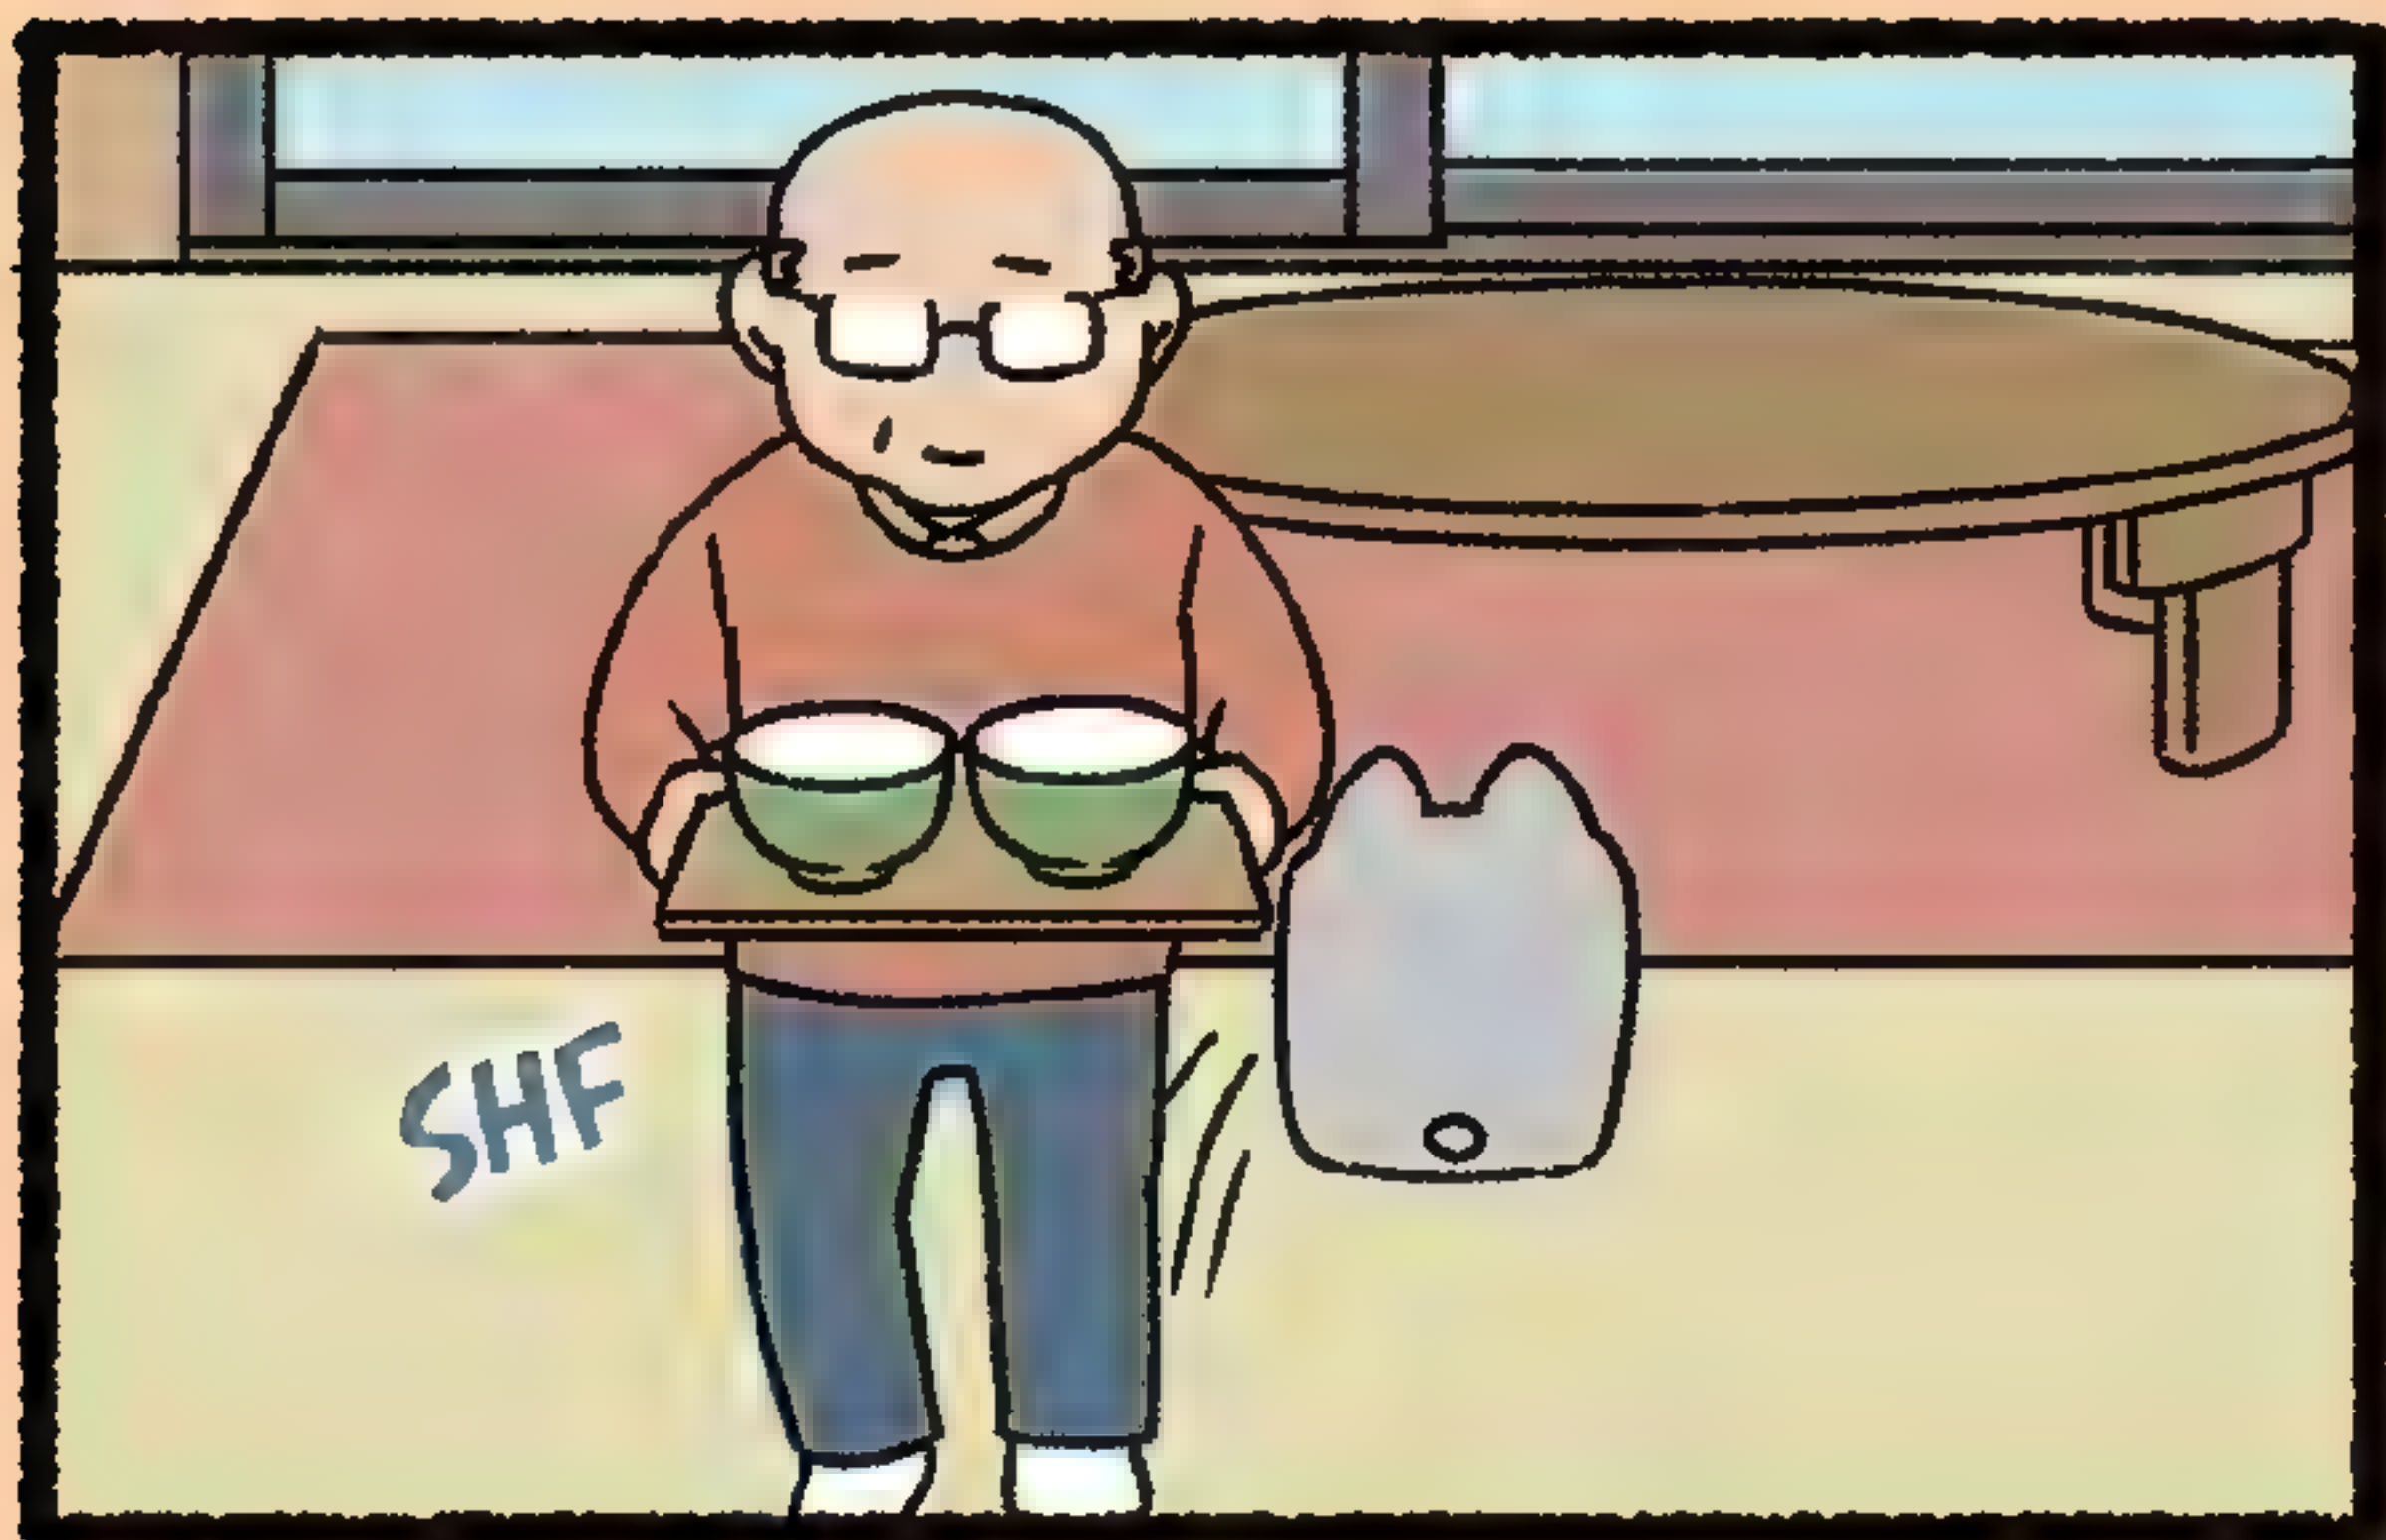

Plaster Wall

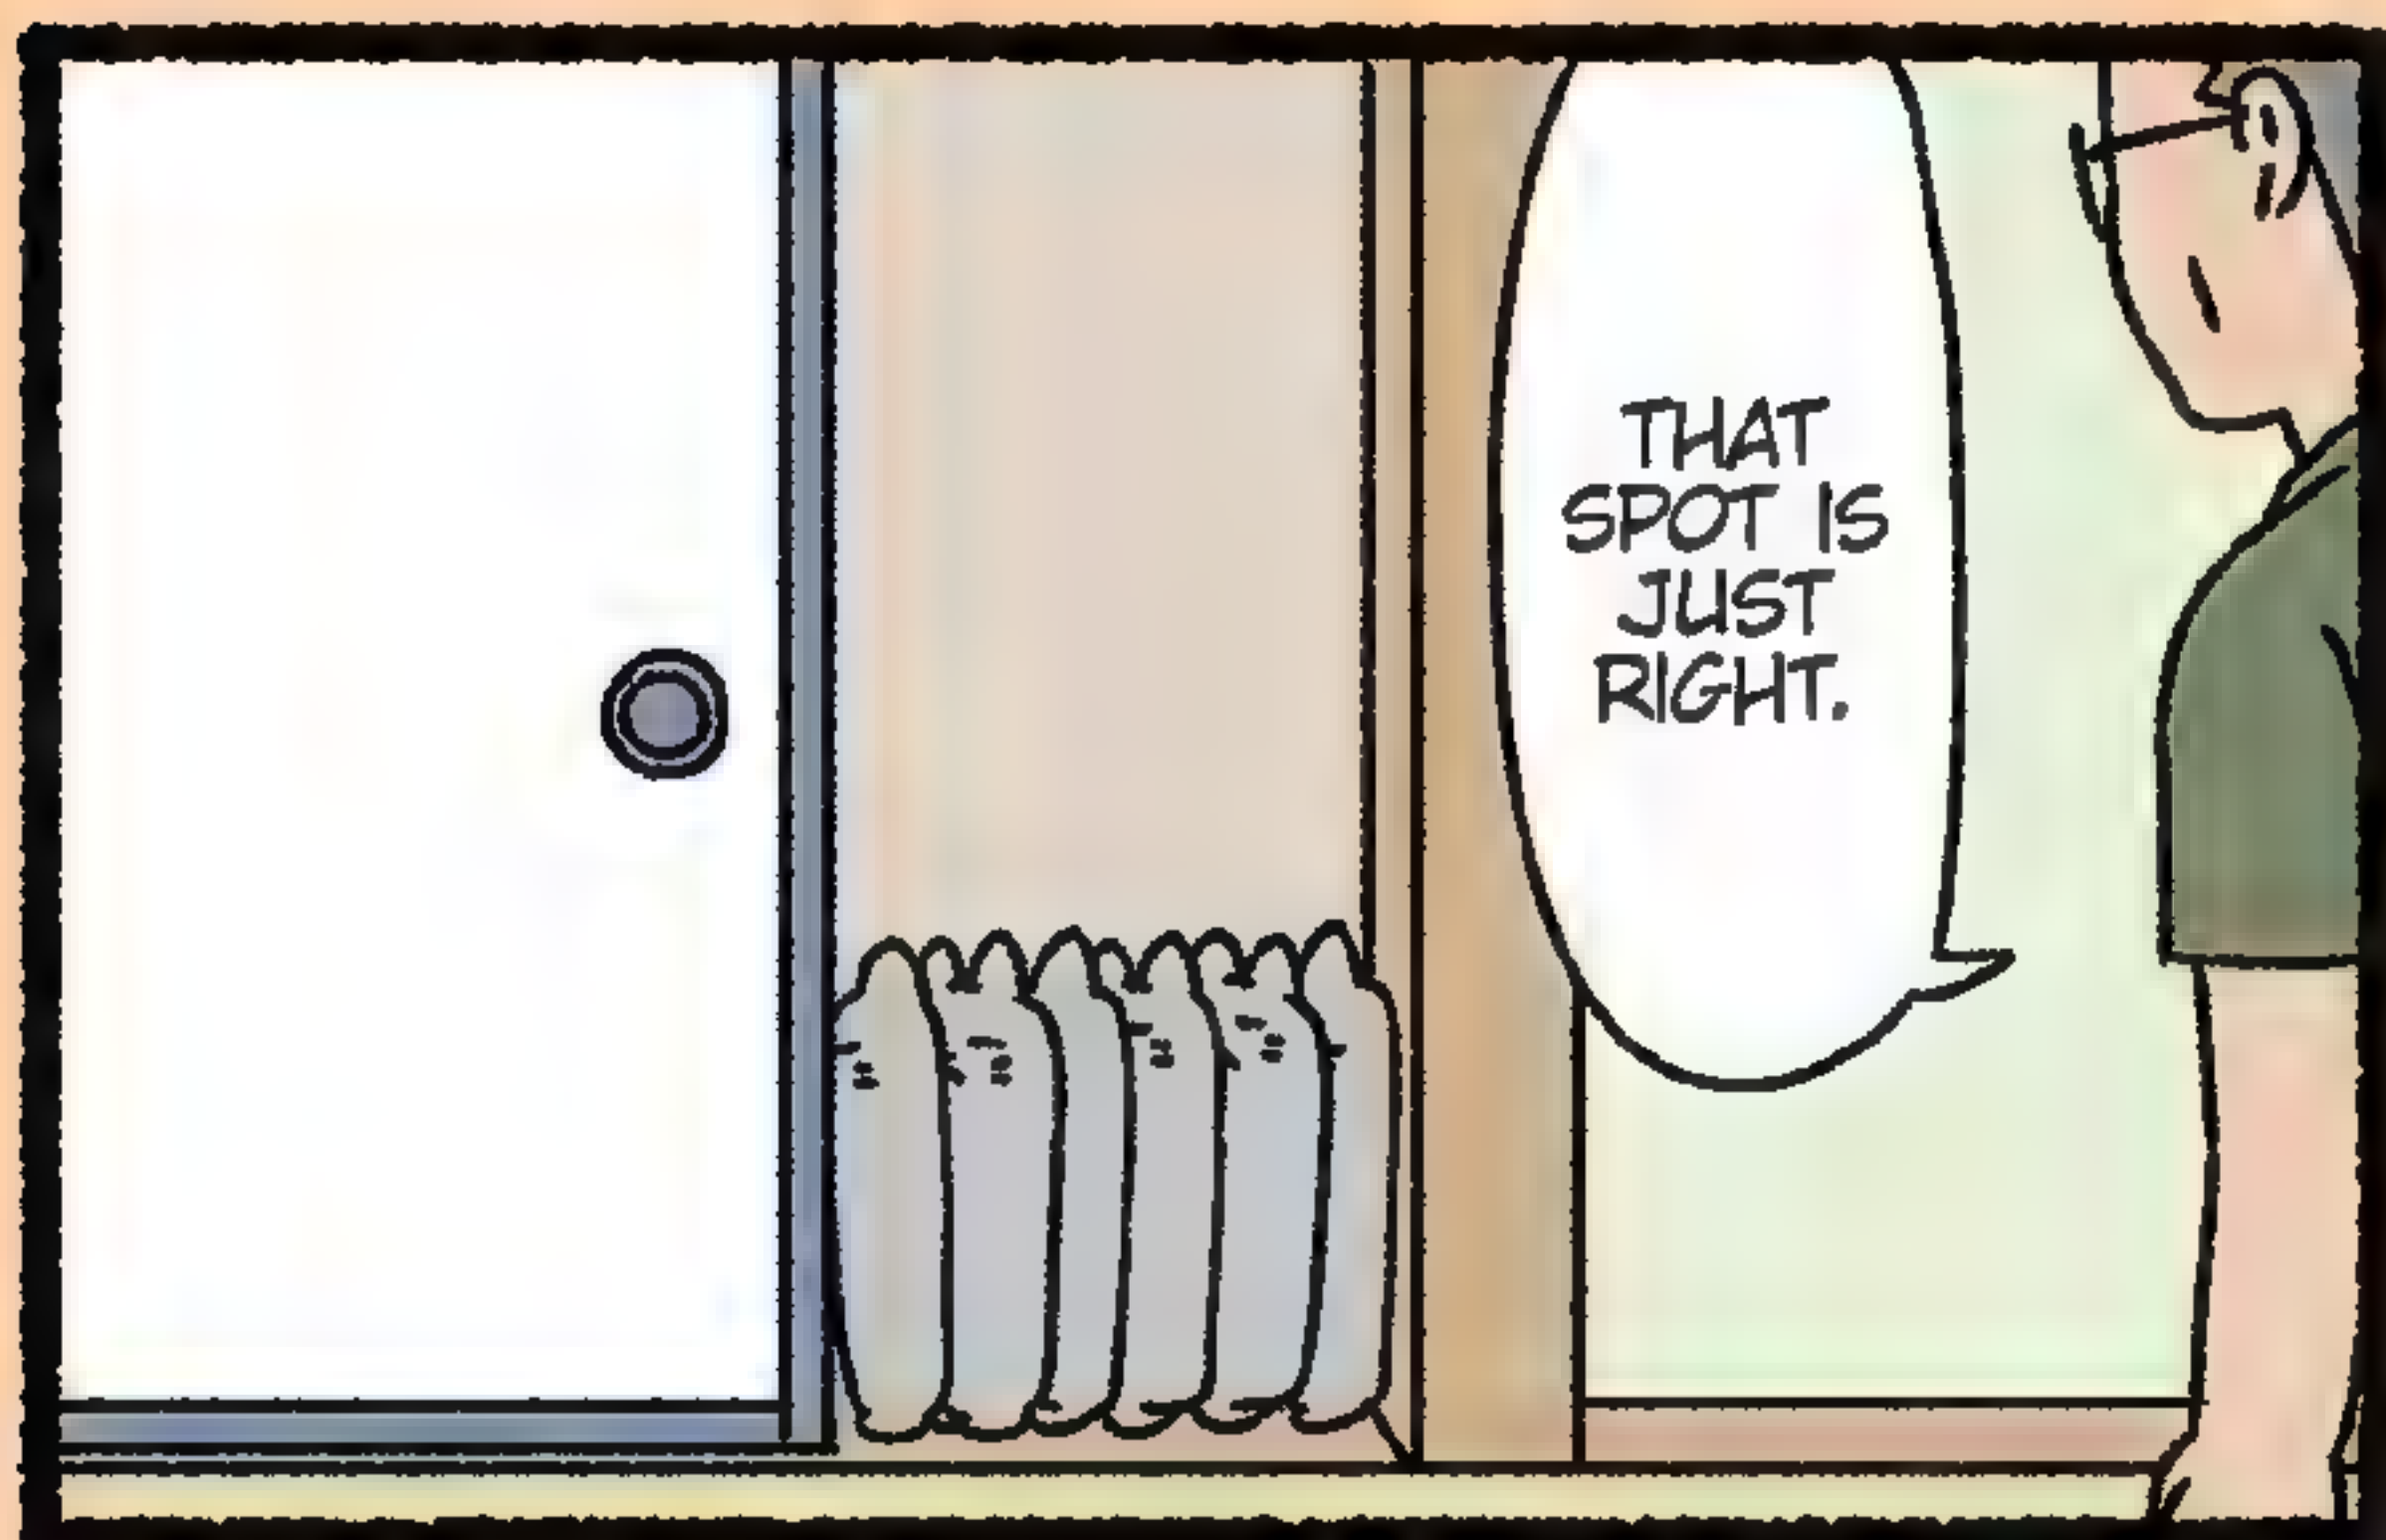

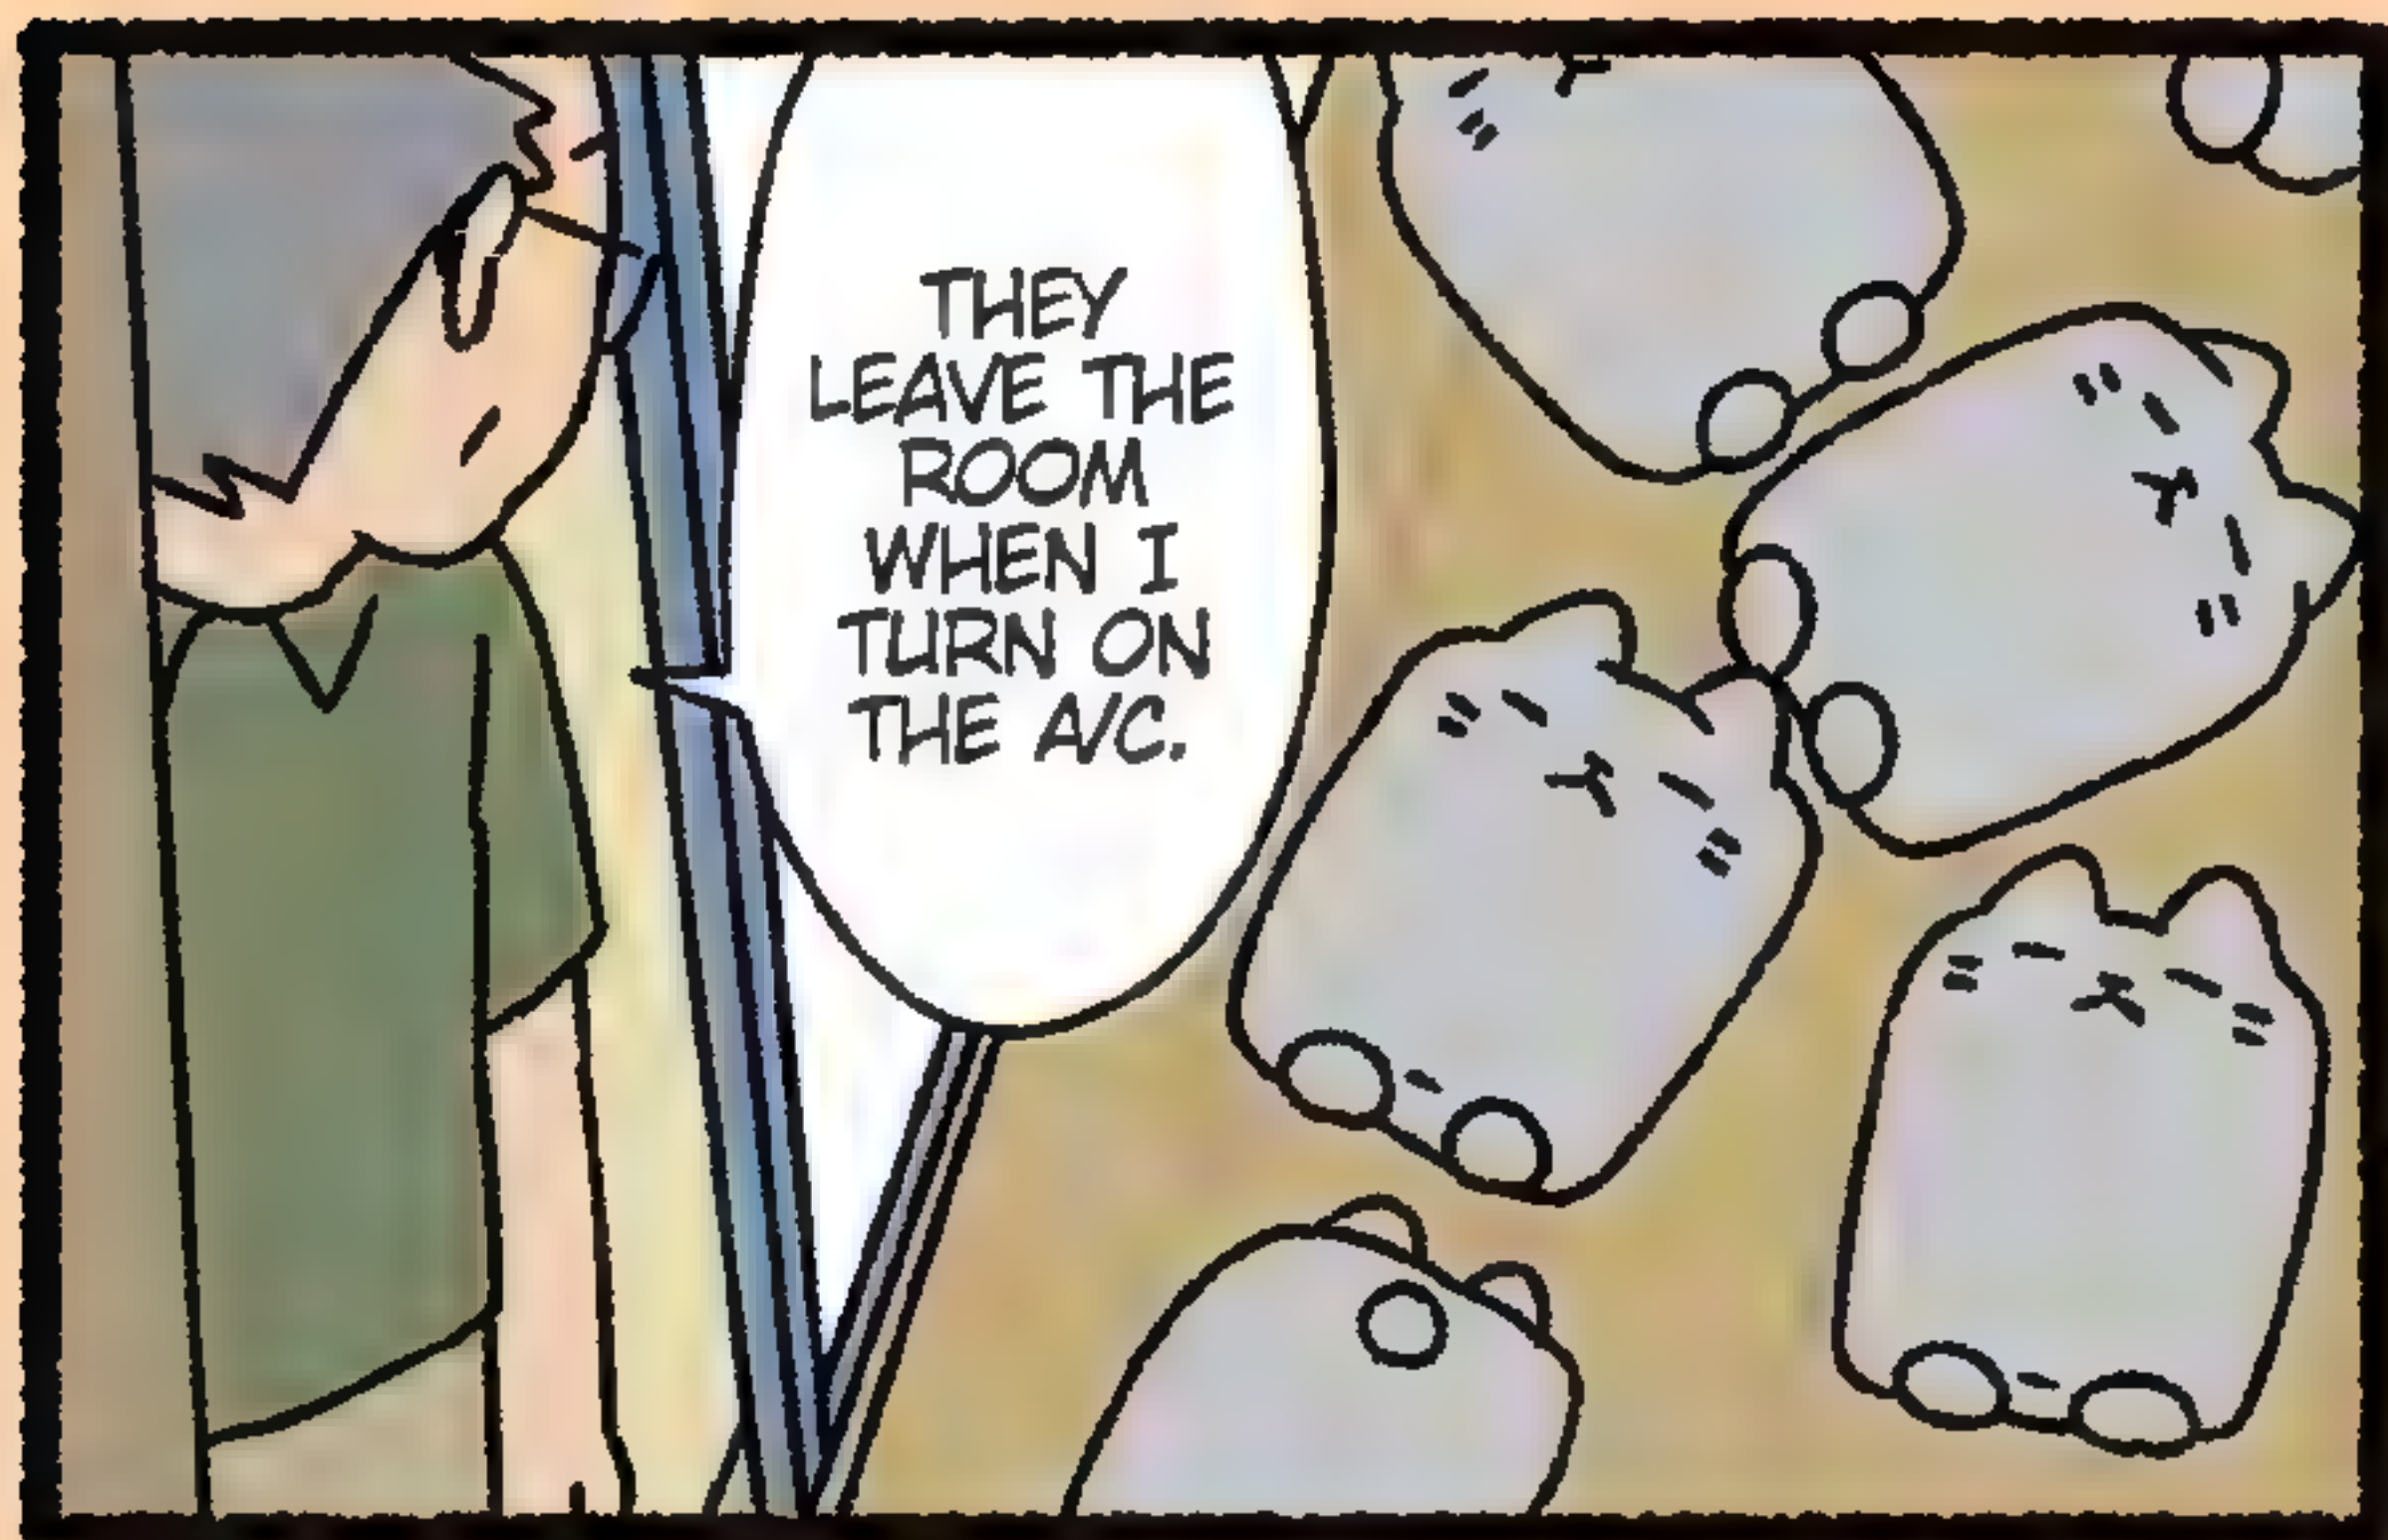

Blocks the way of people passing by. If you encounter one, just take it easy.

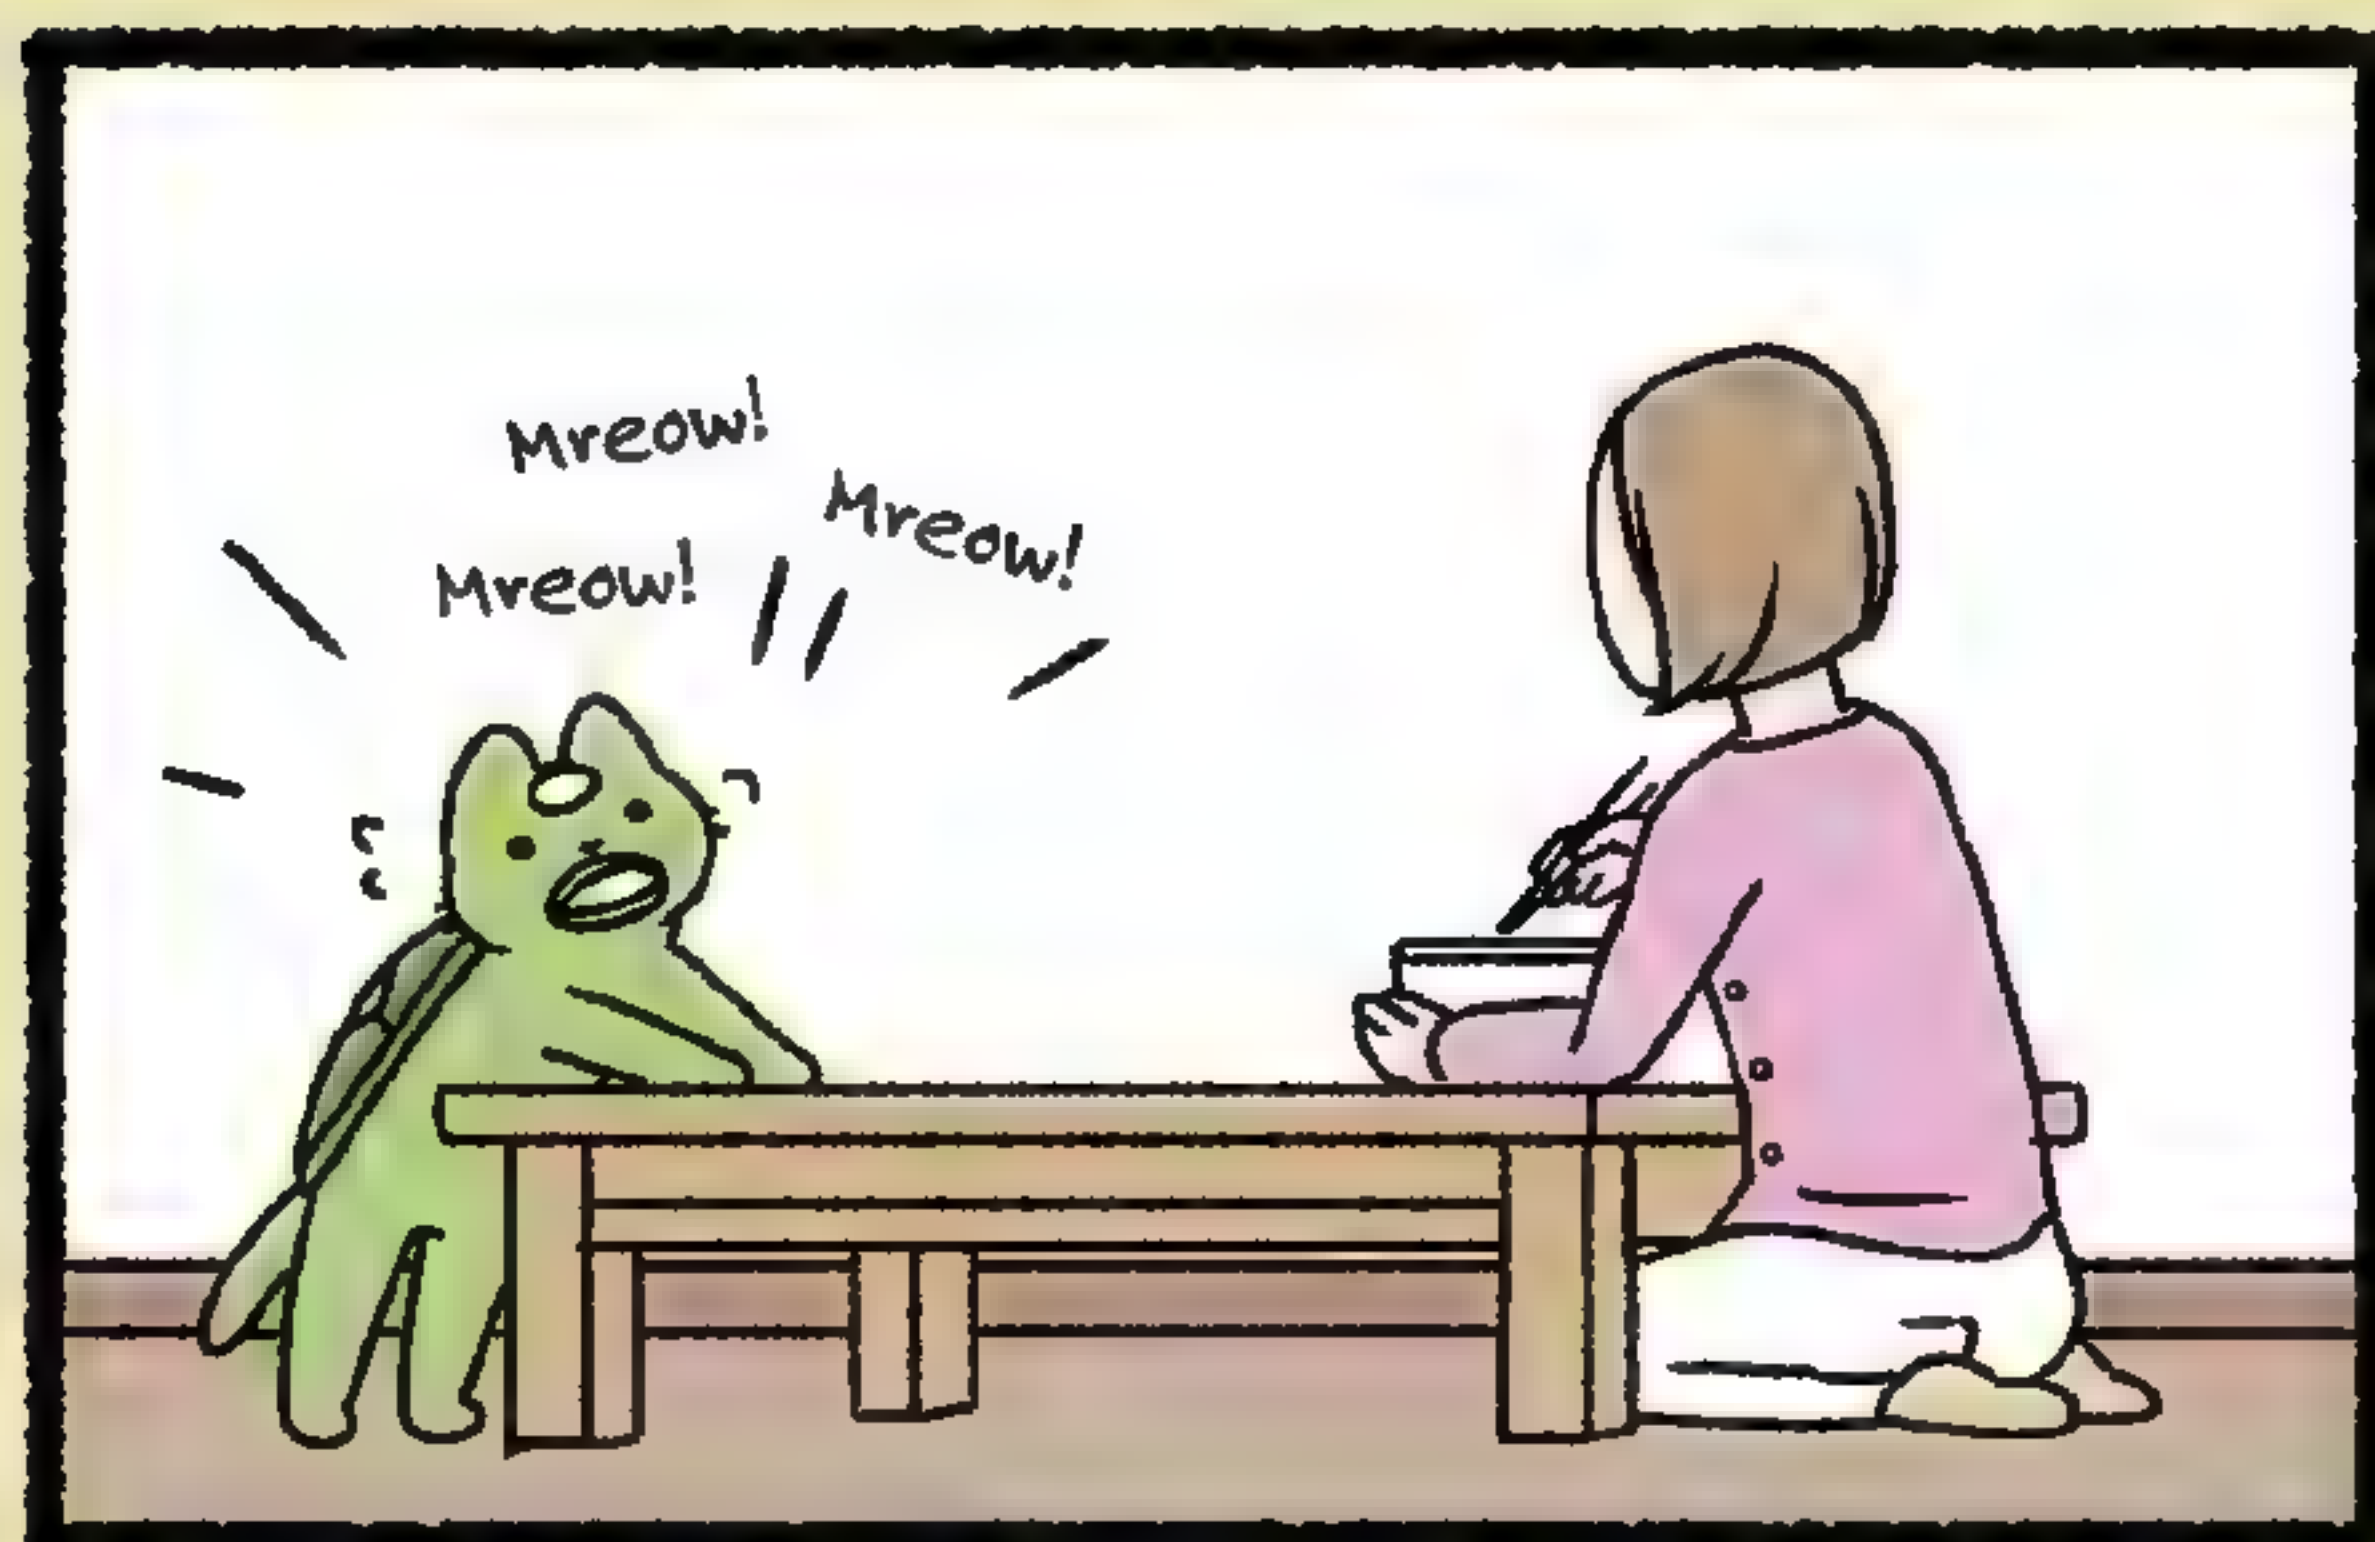

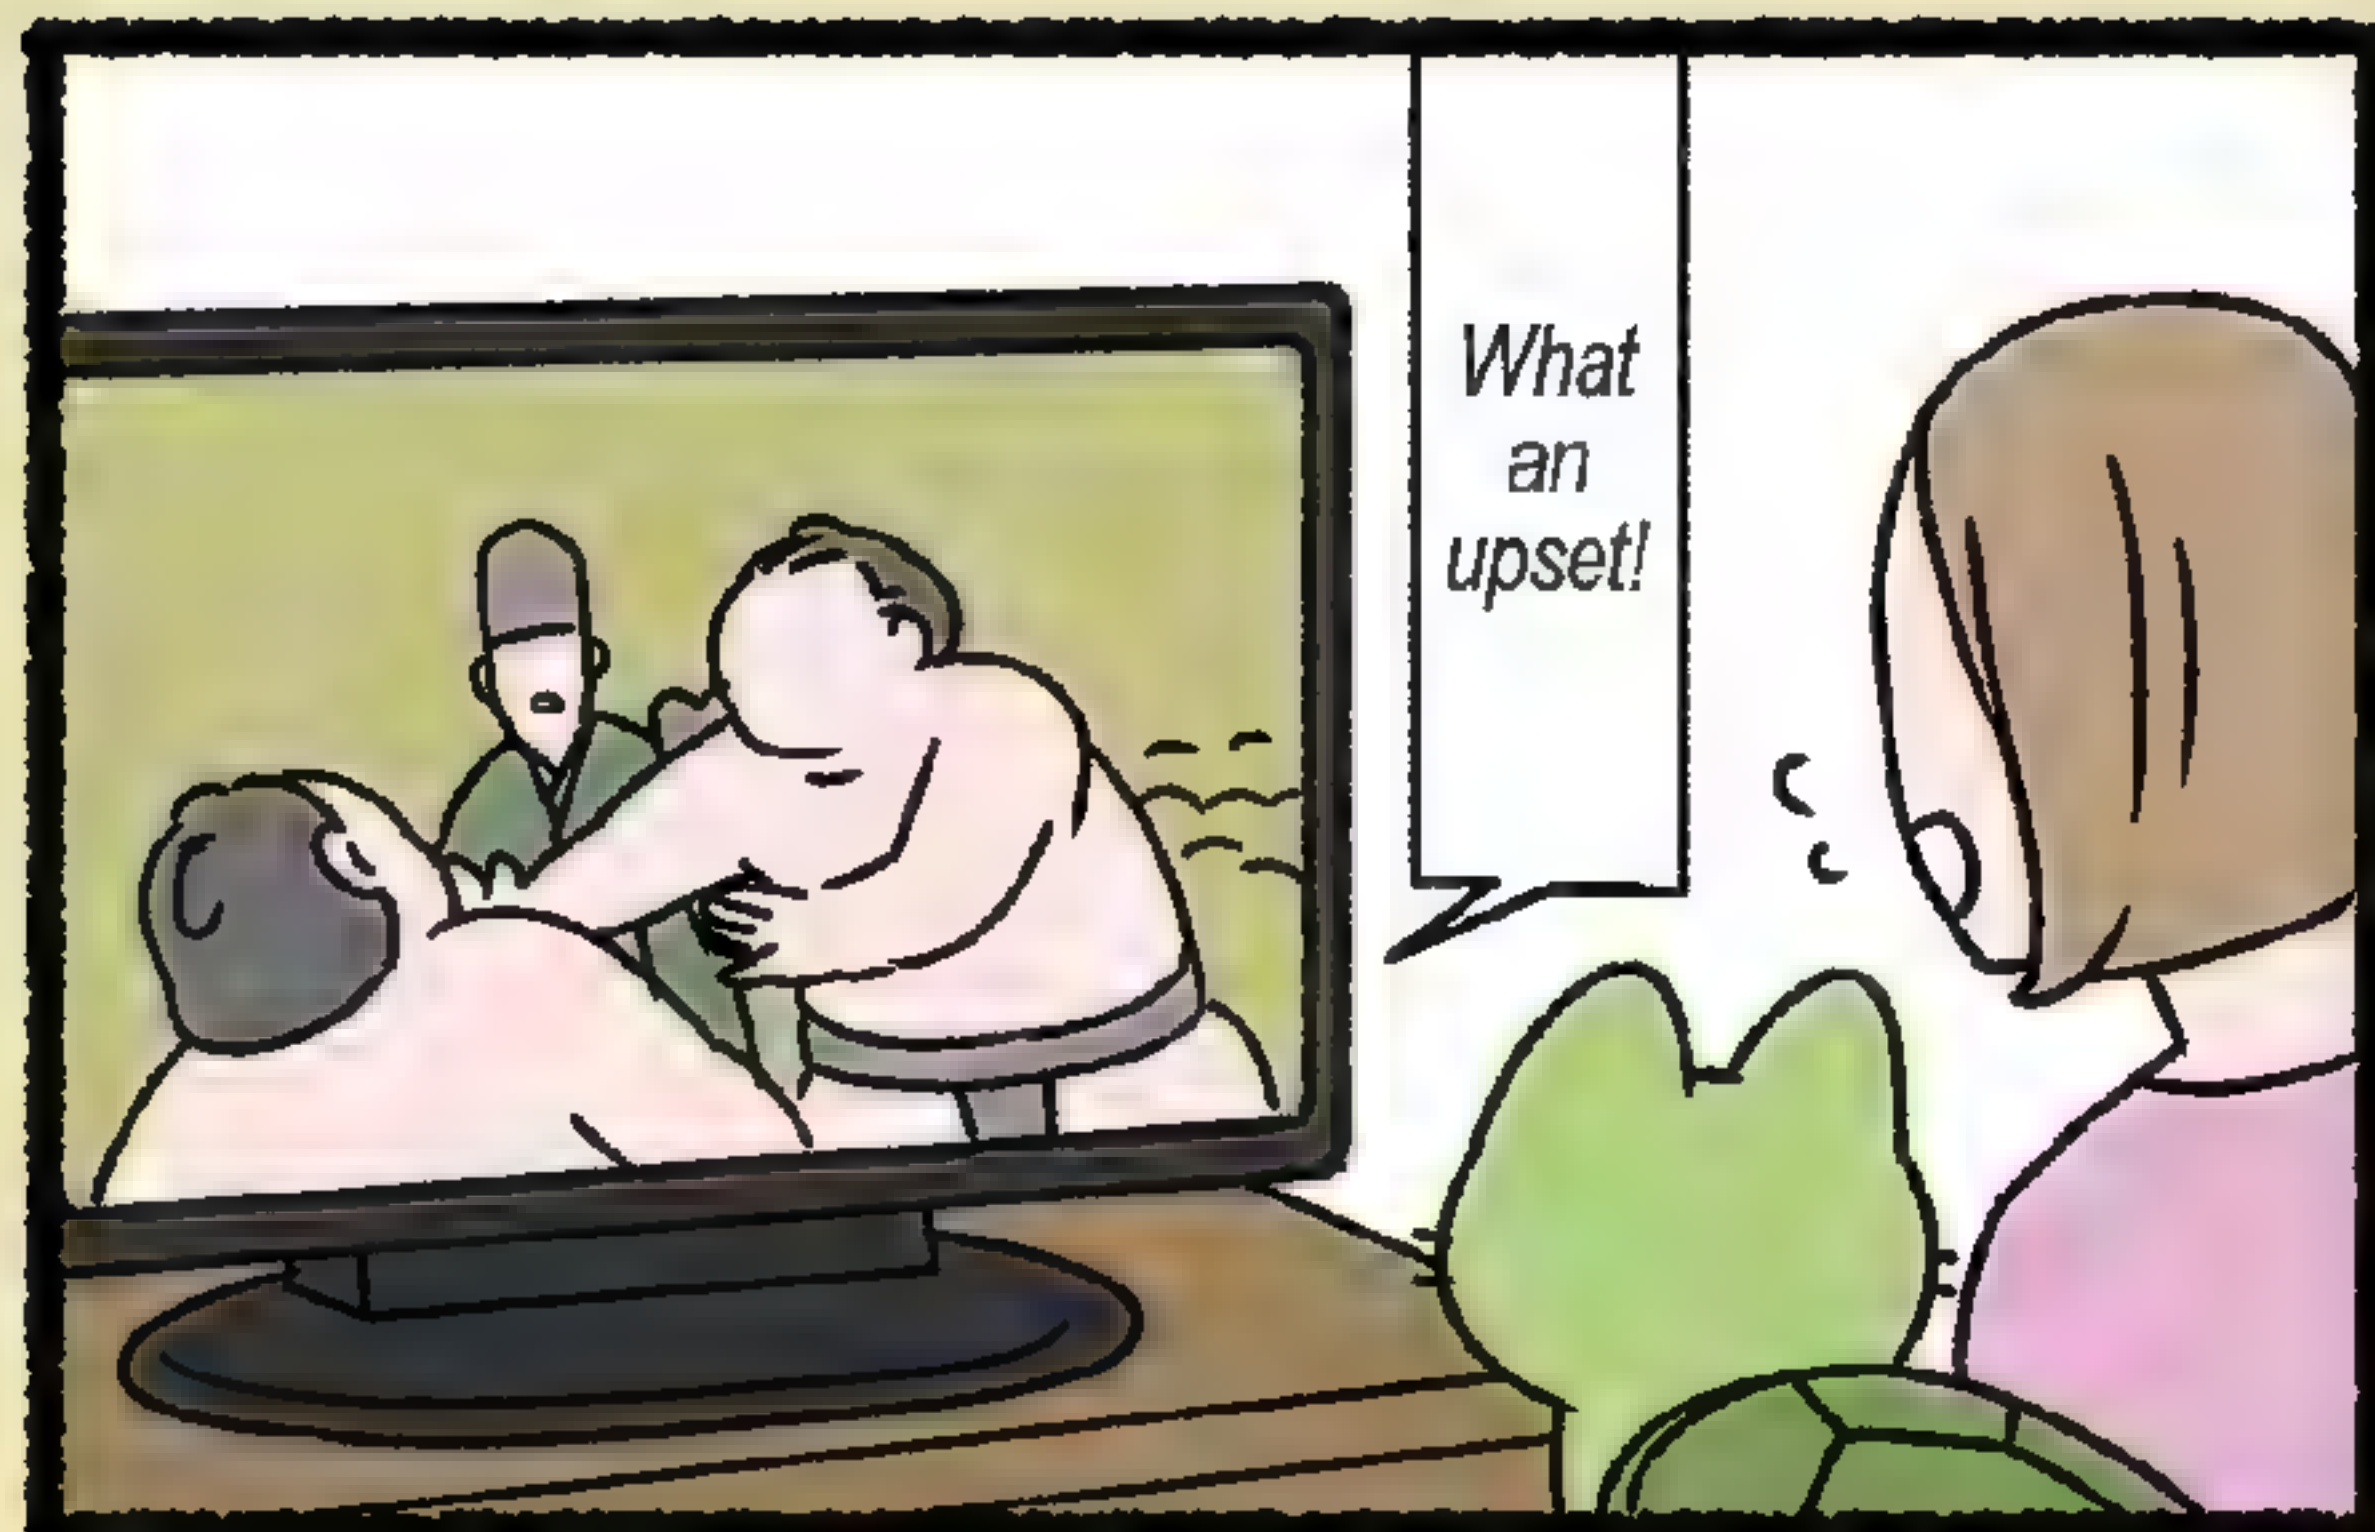

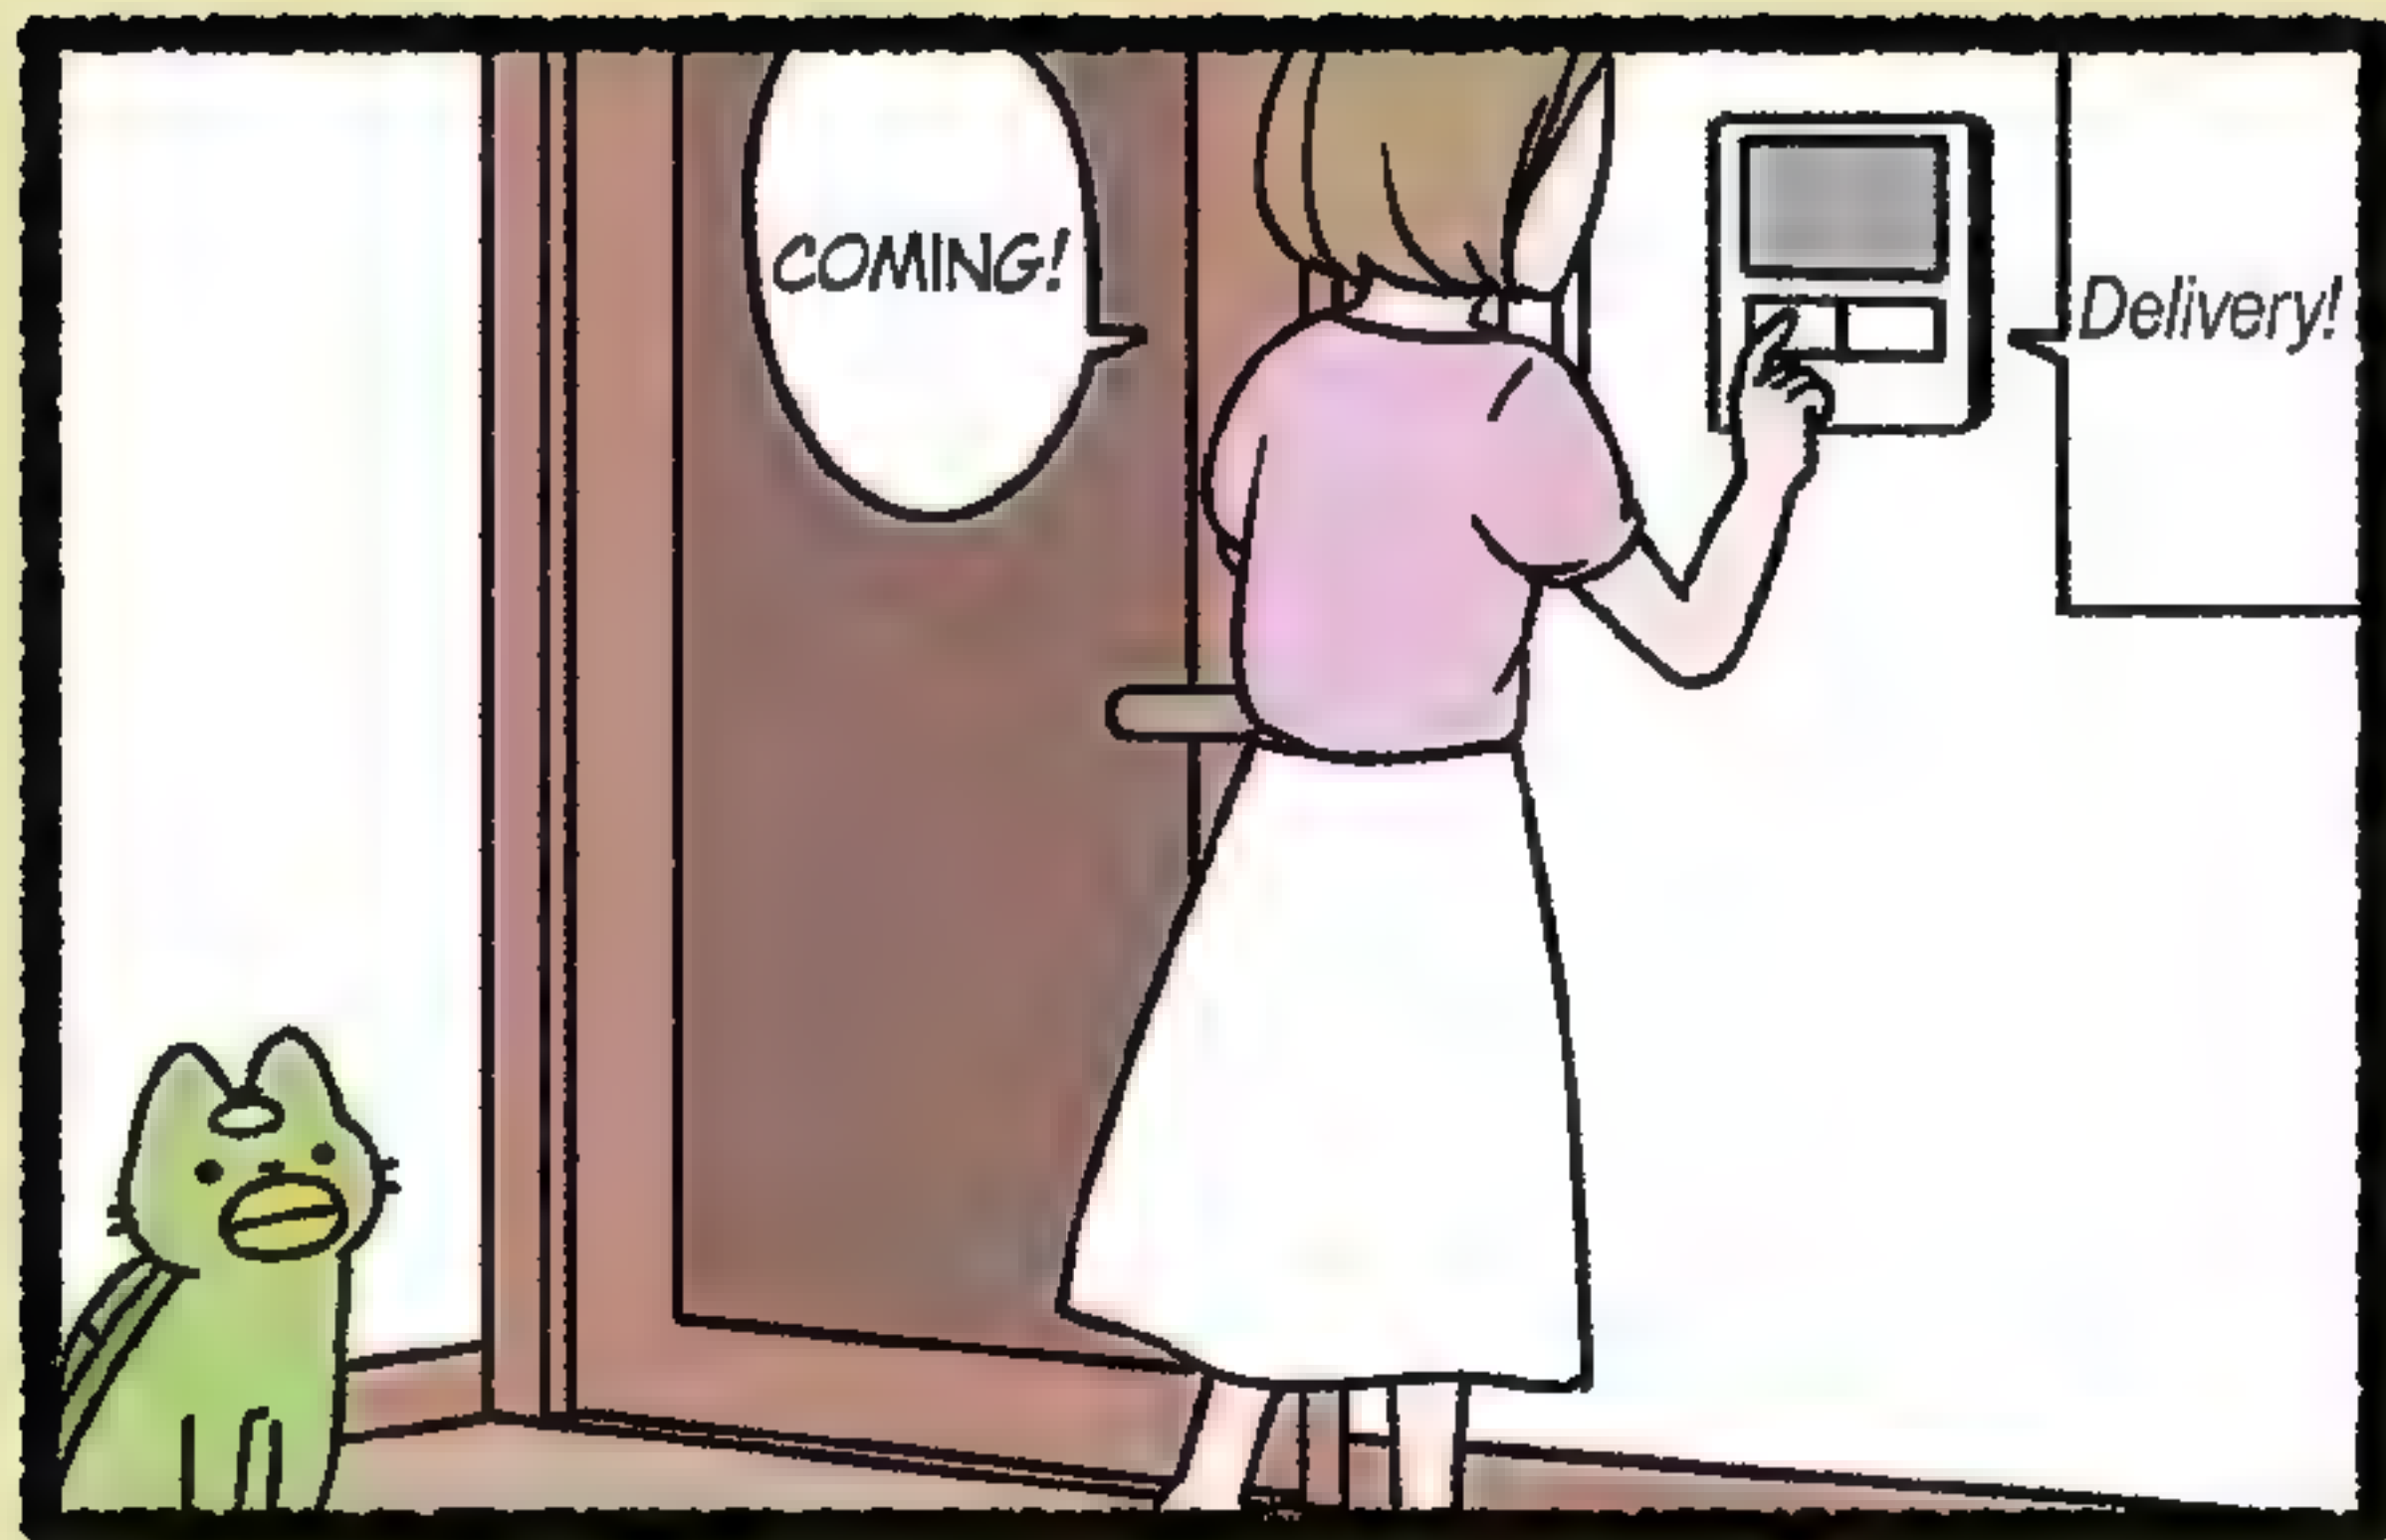

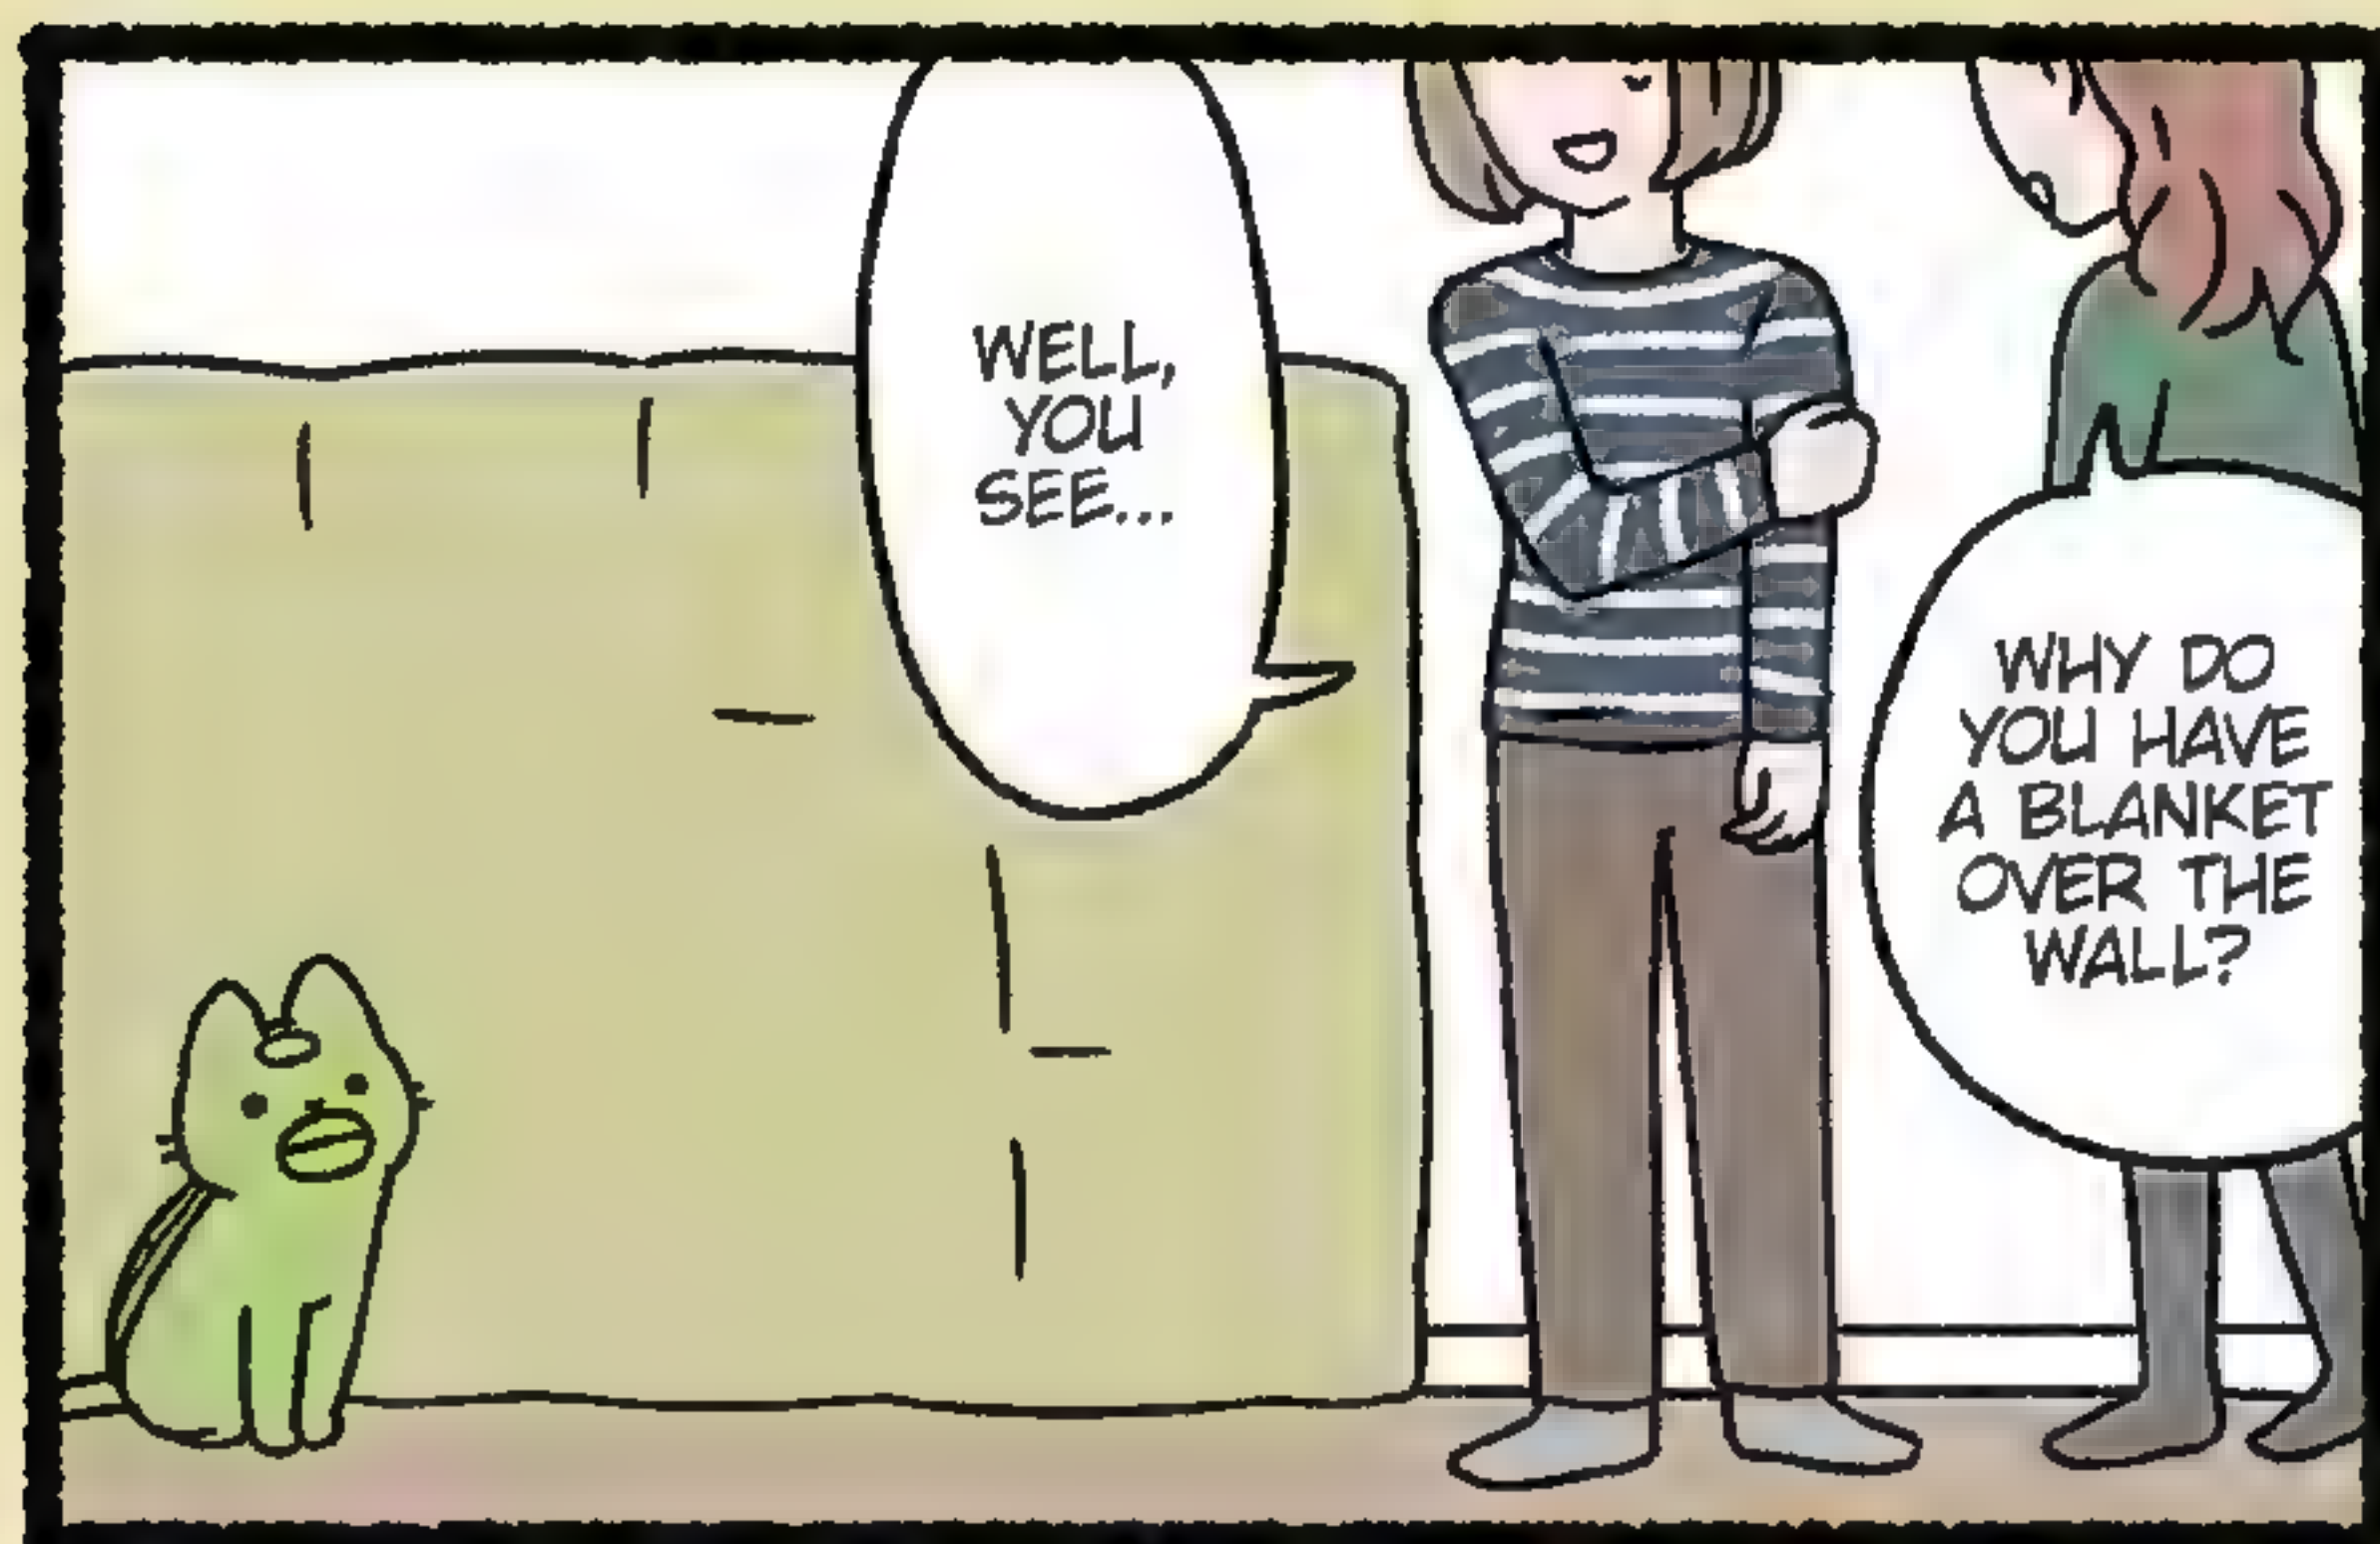

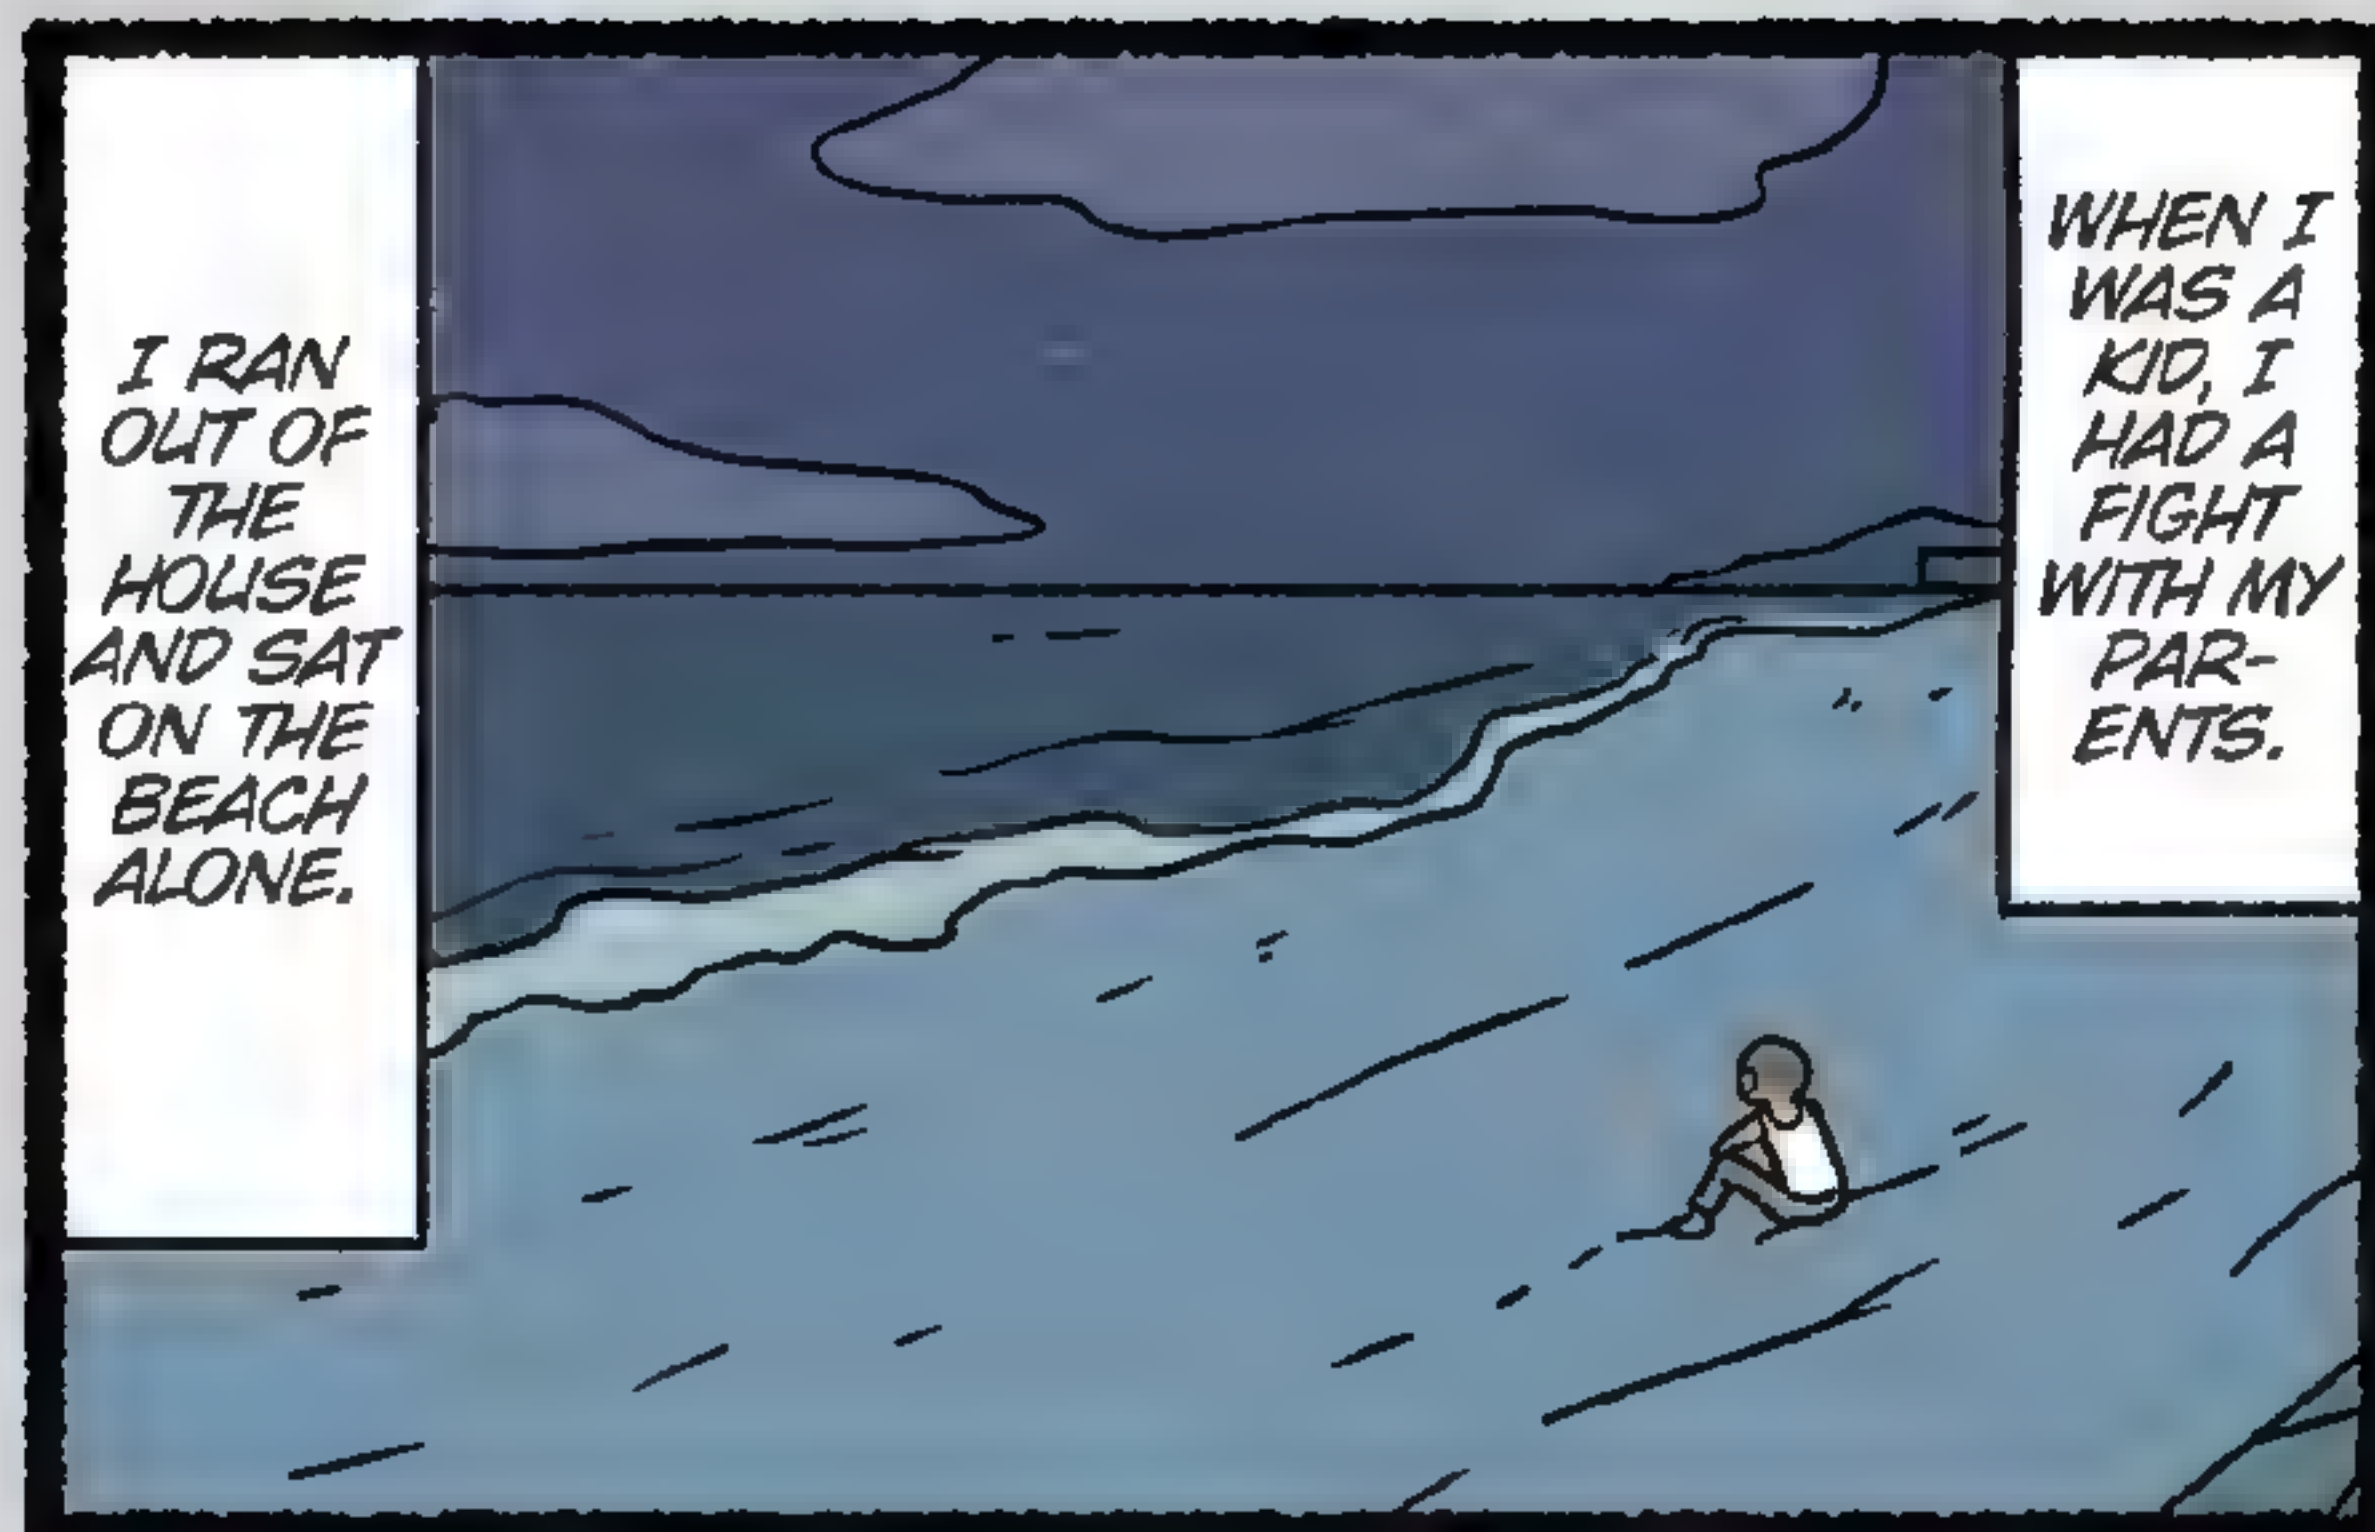

Kappa

Its smooth dish needs to be taken care of. If it gets dry, use a mist sprayer to add water.

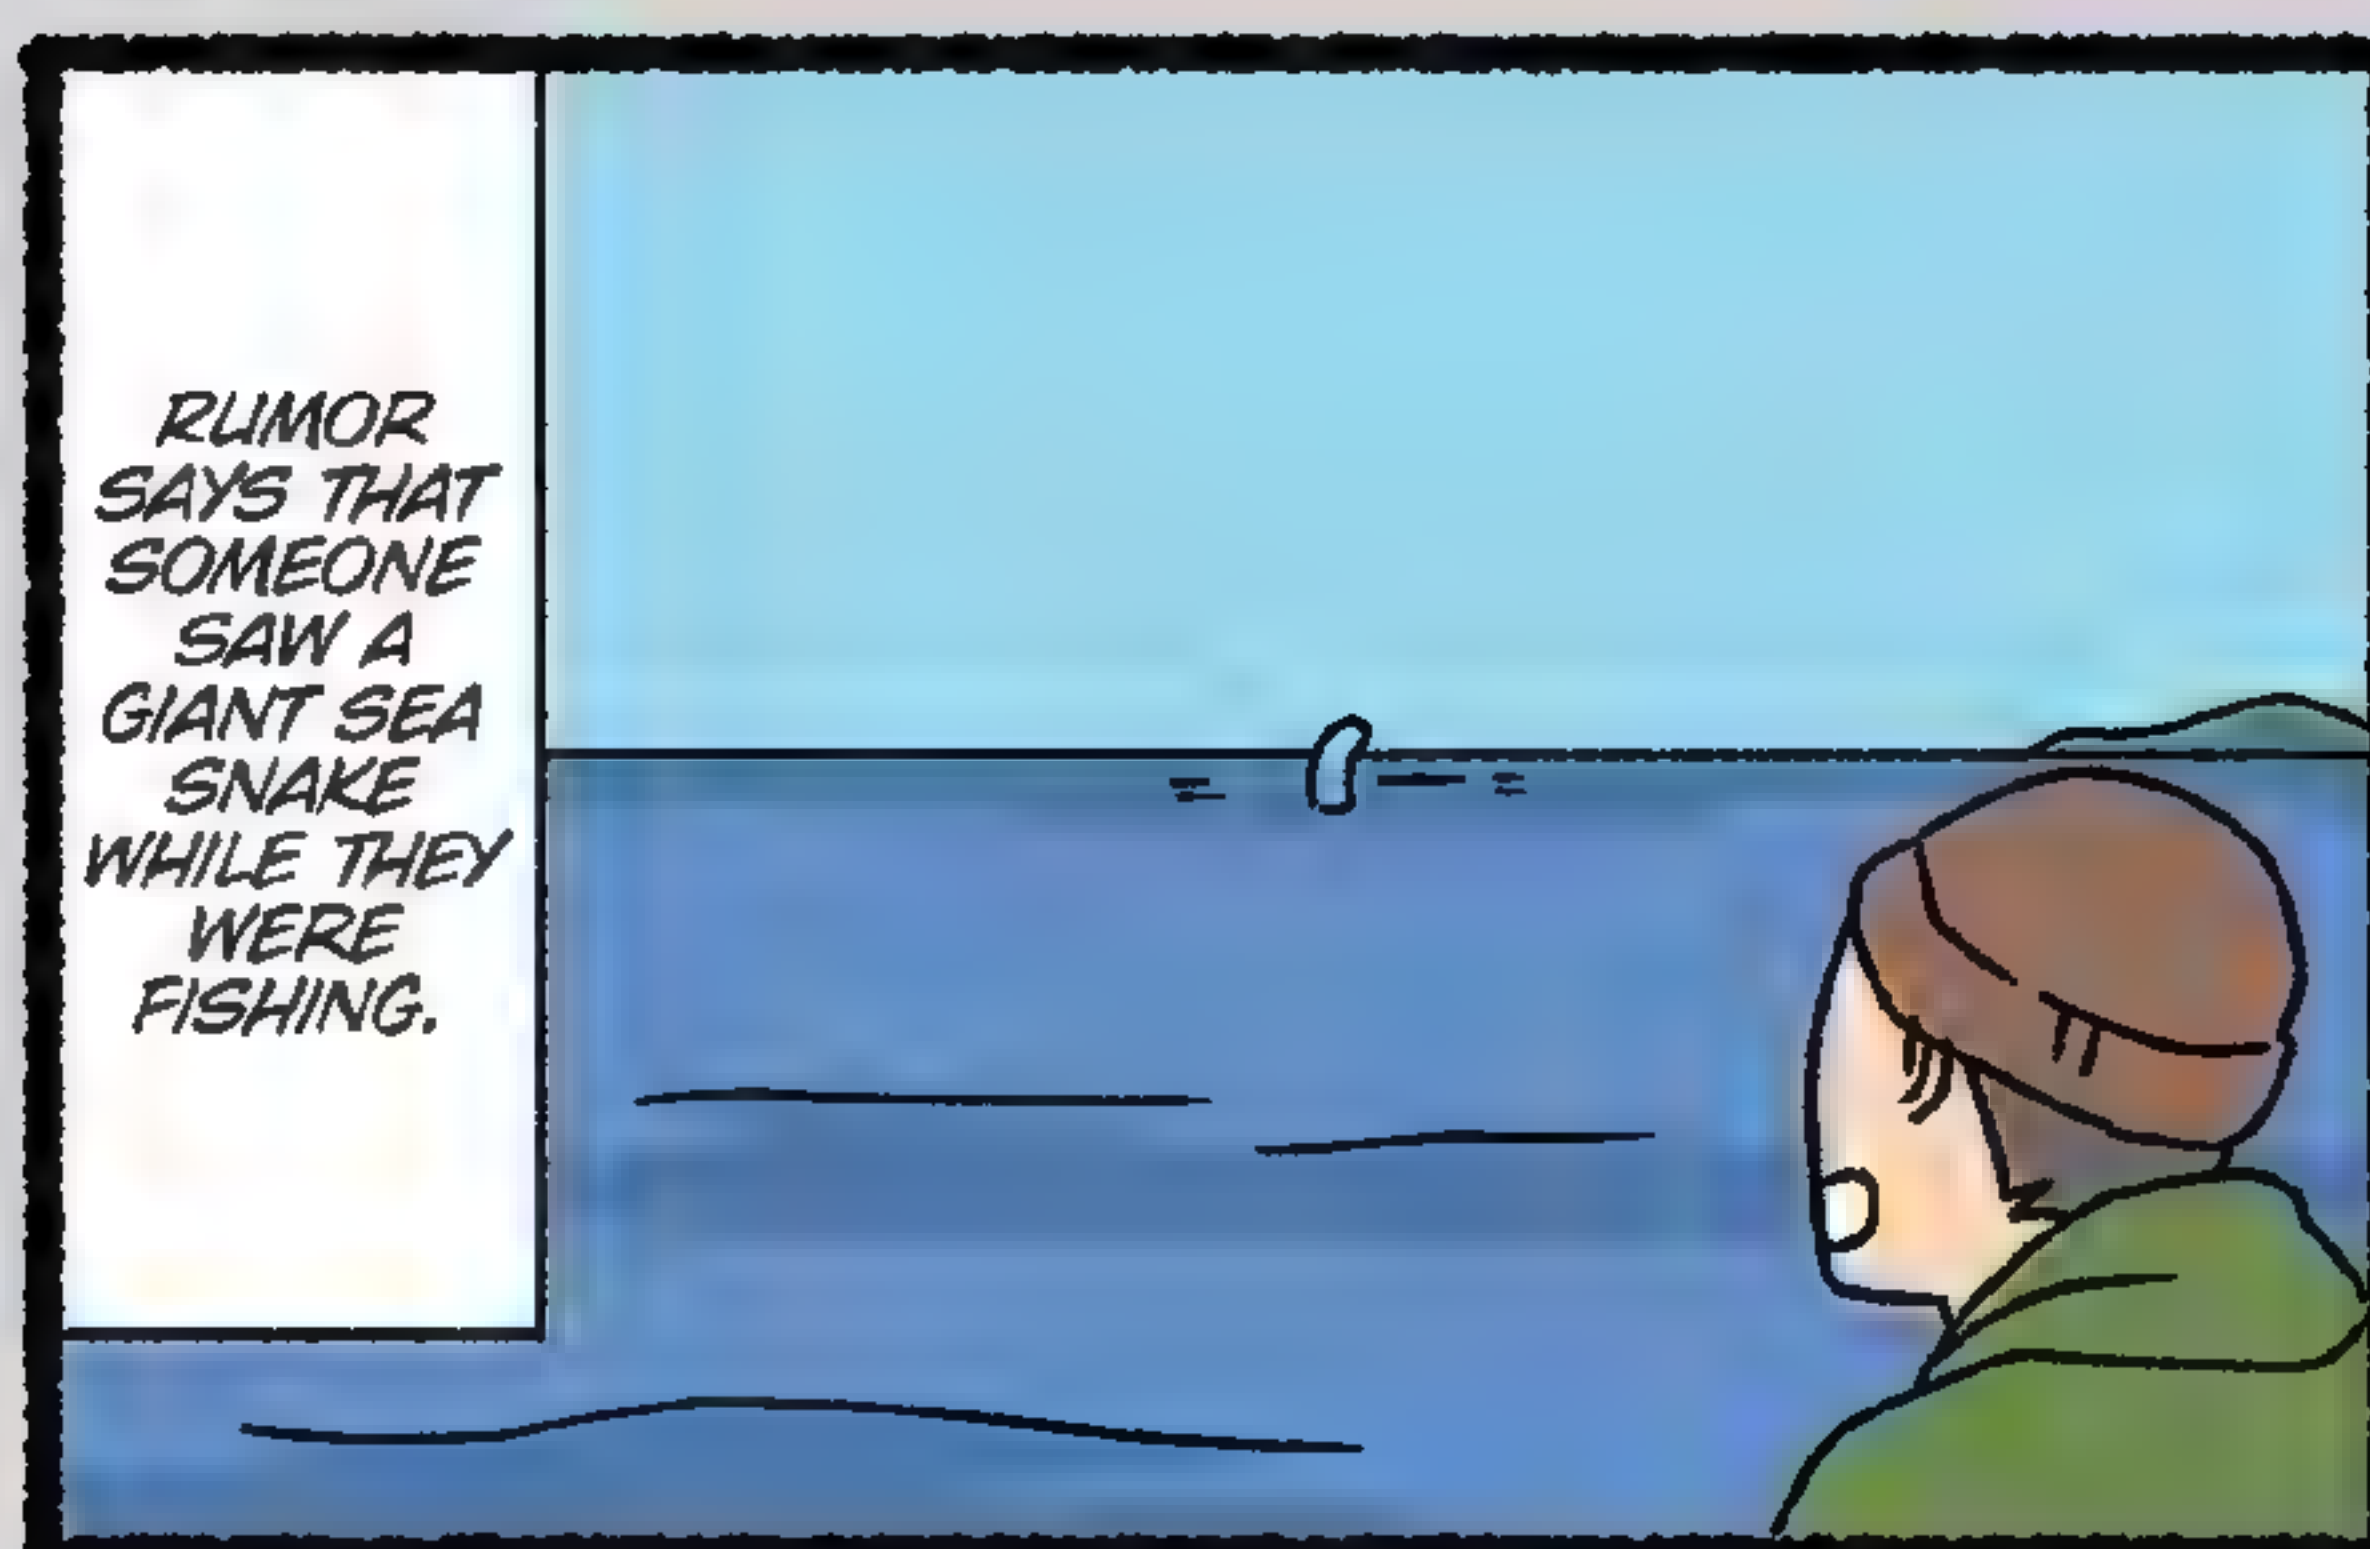

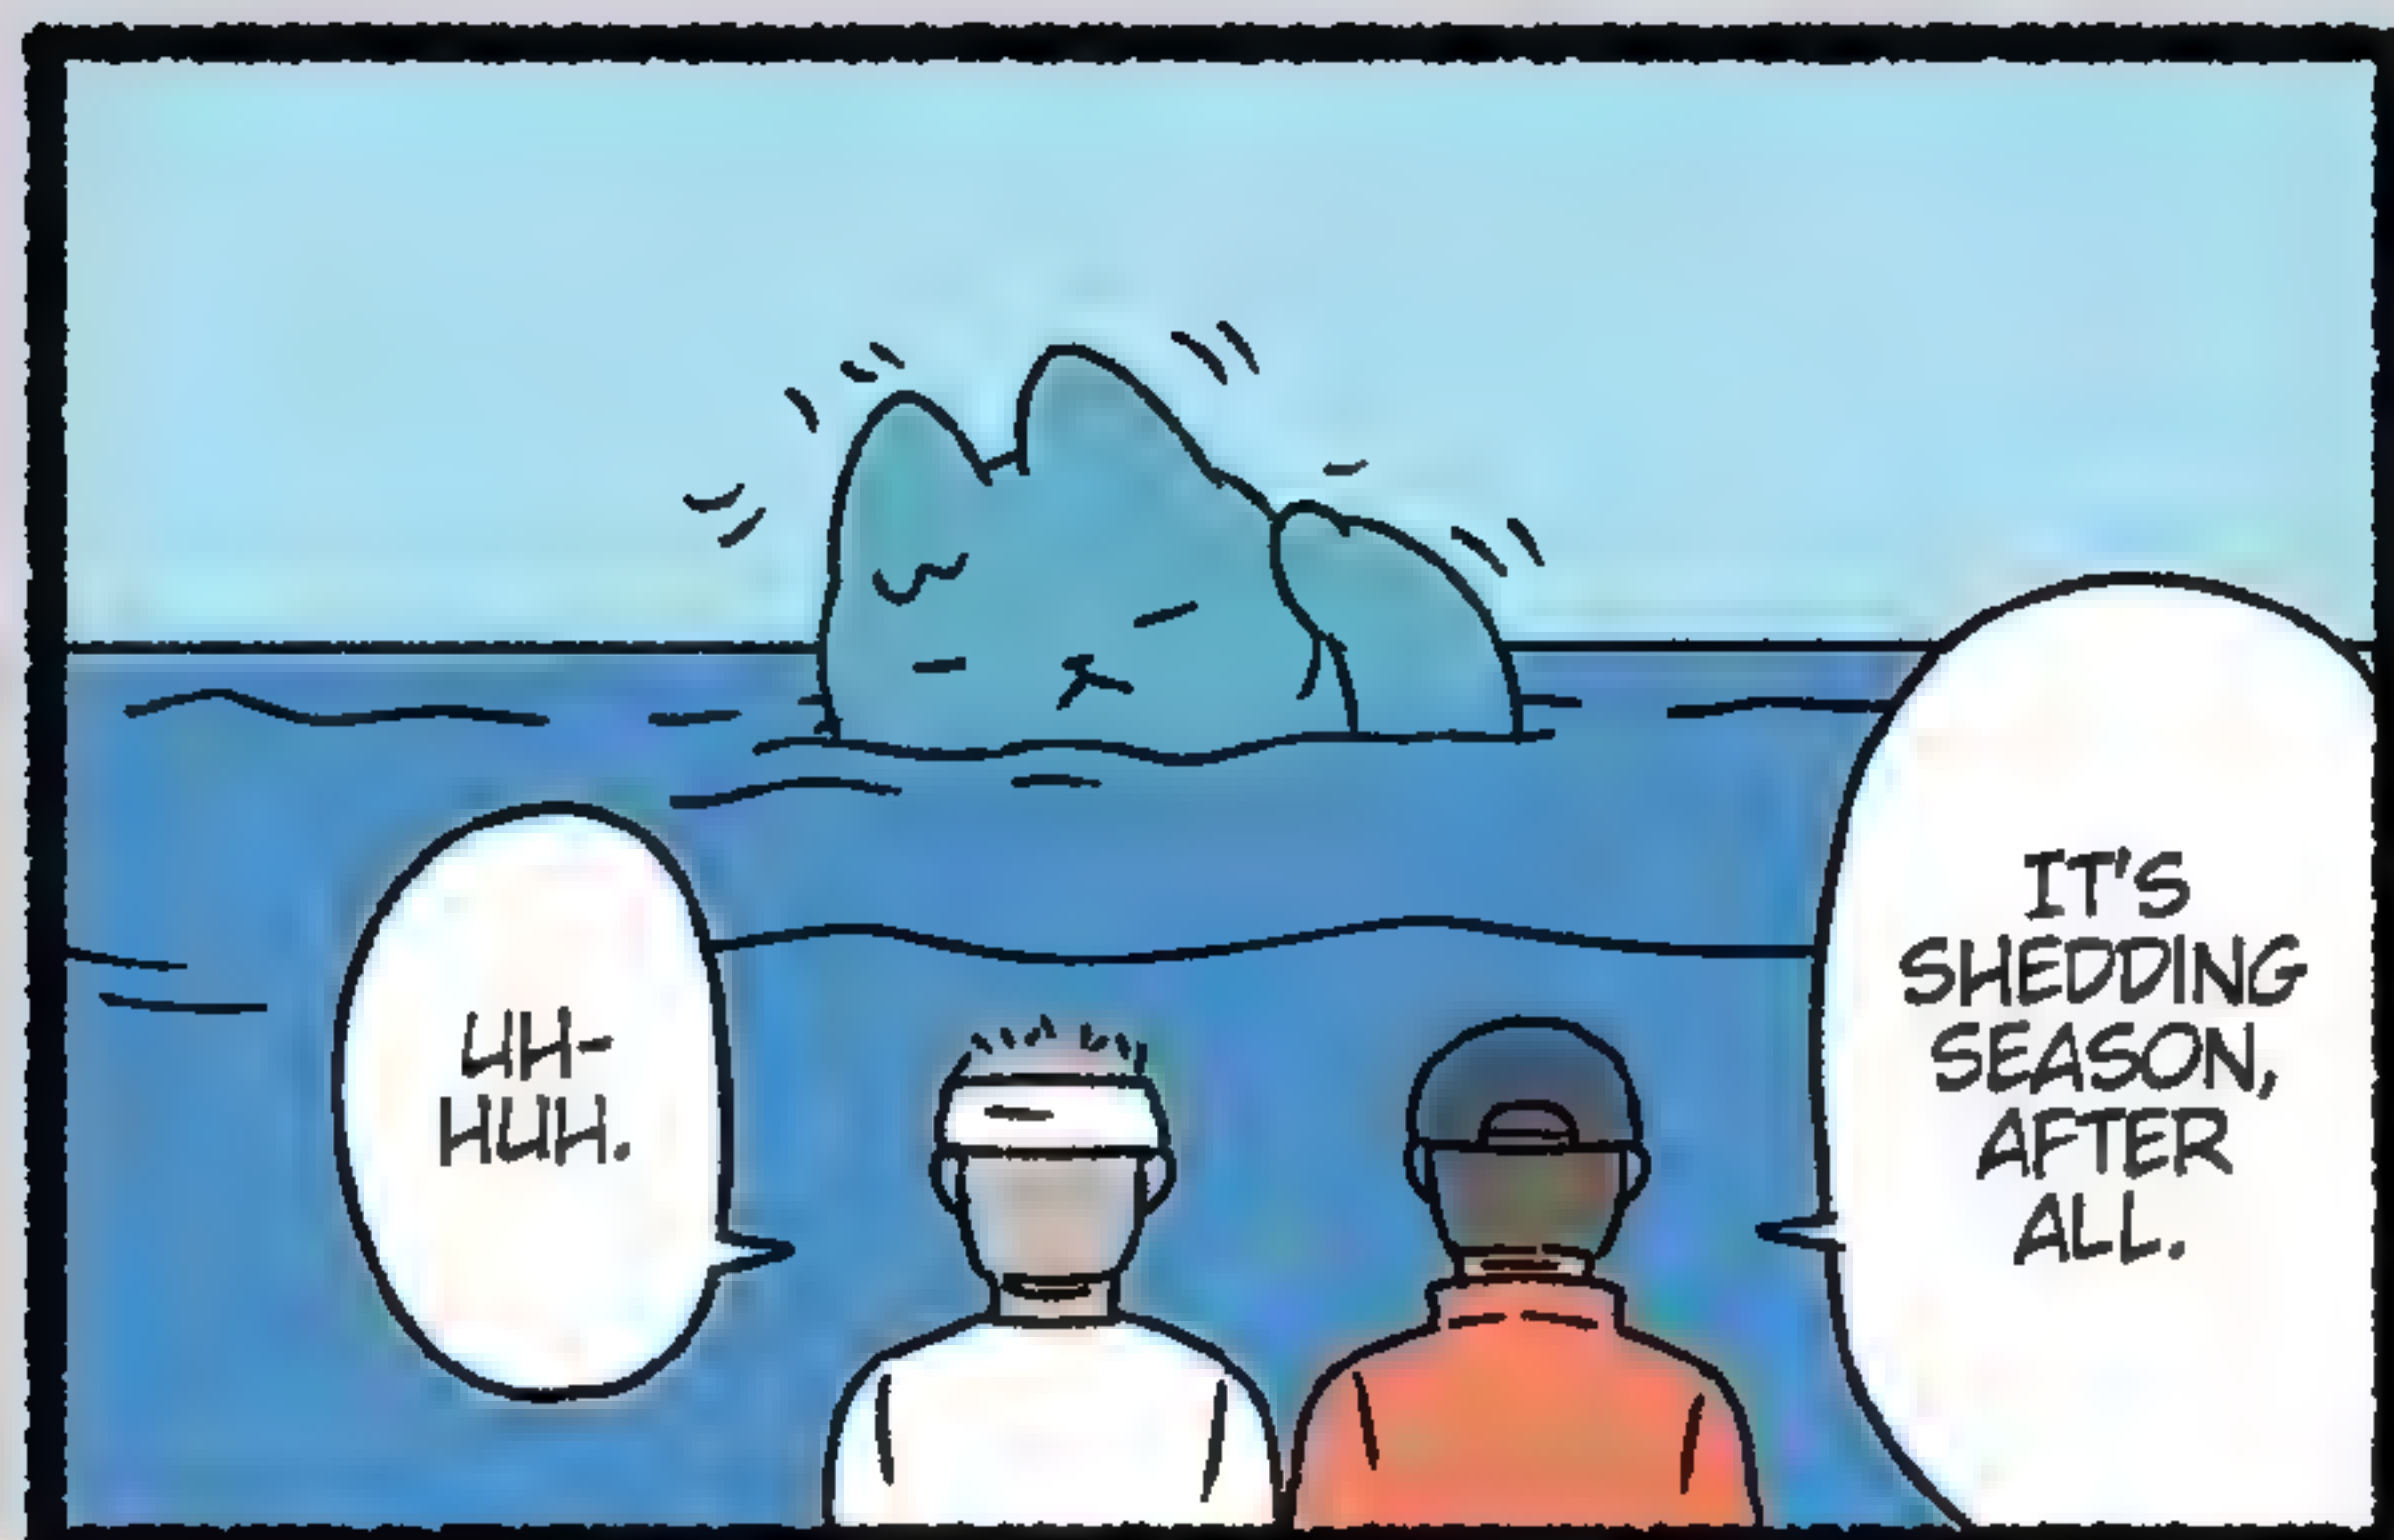

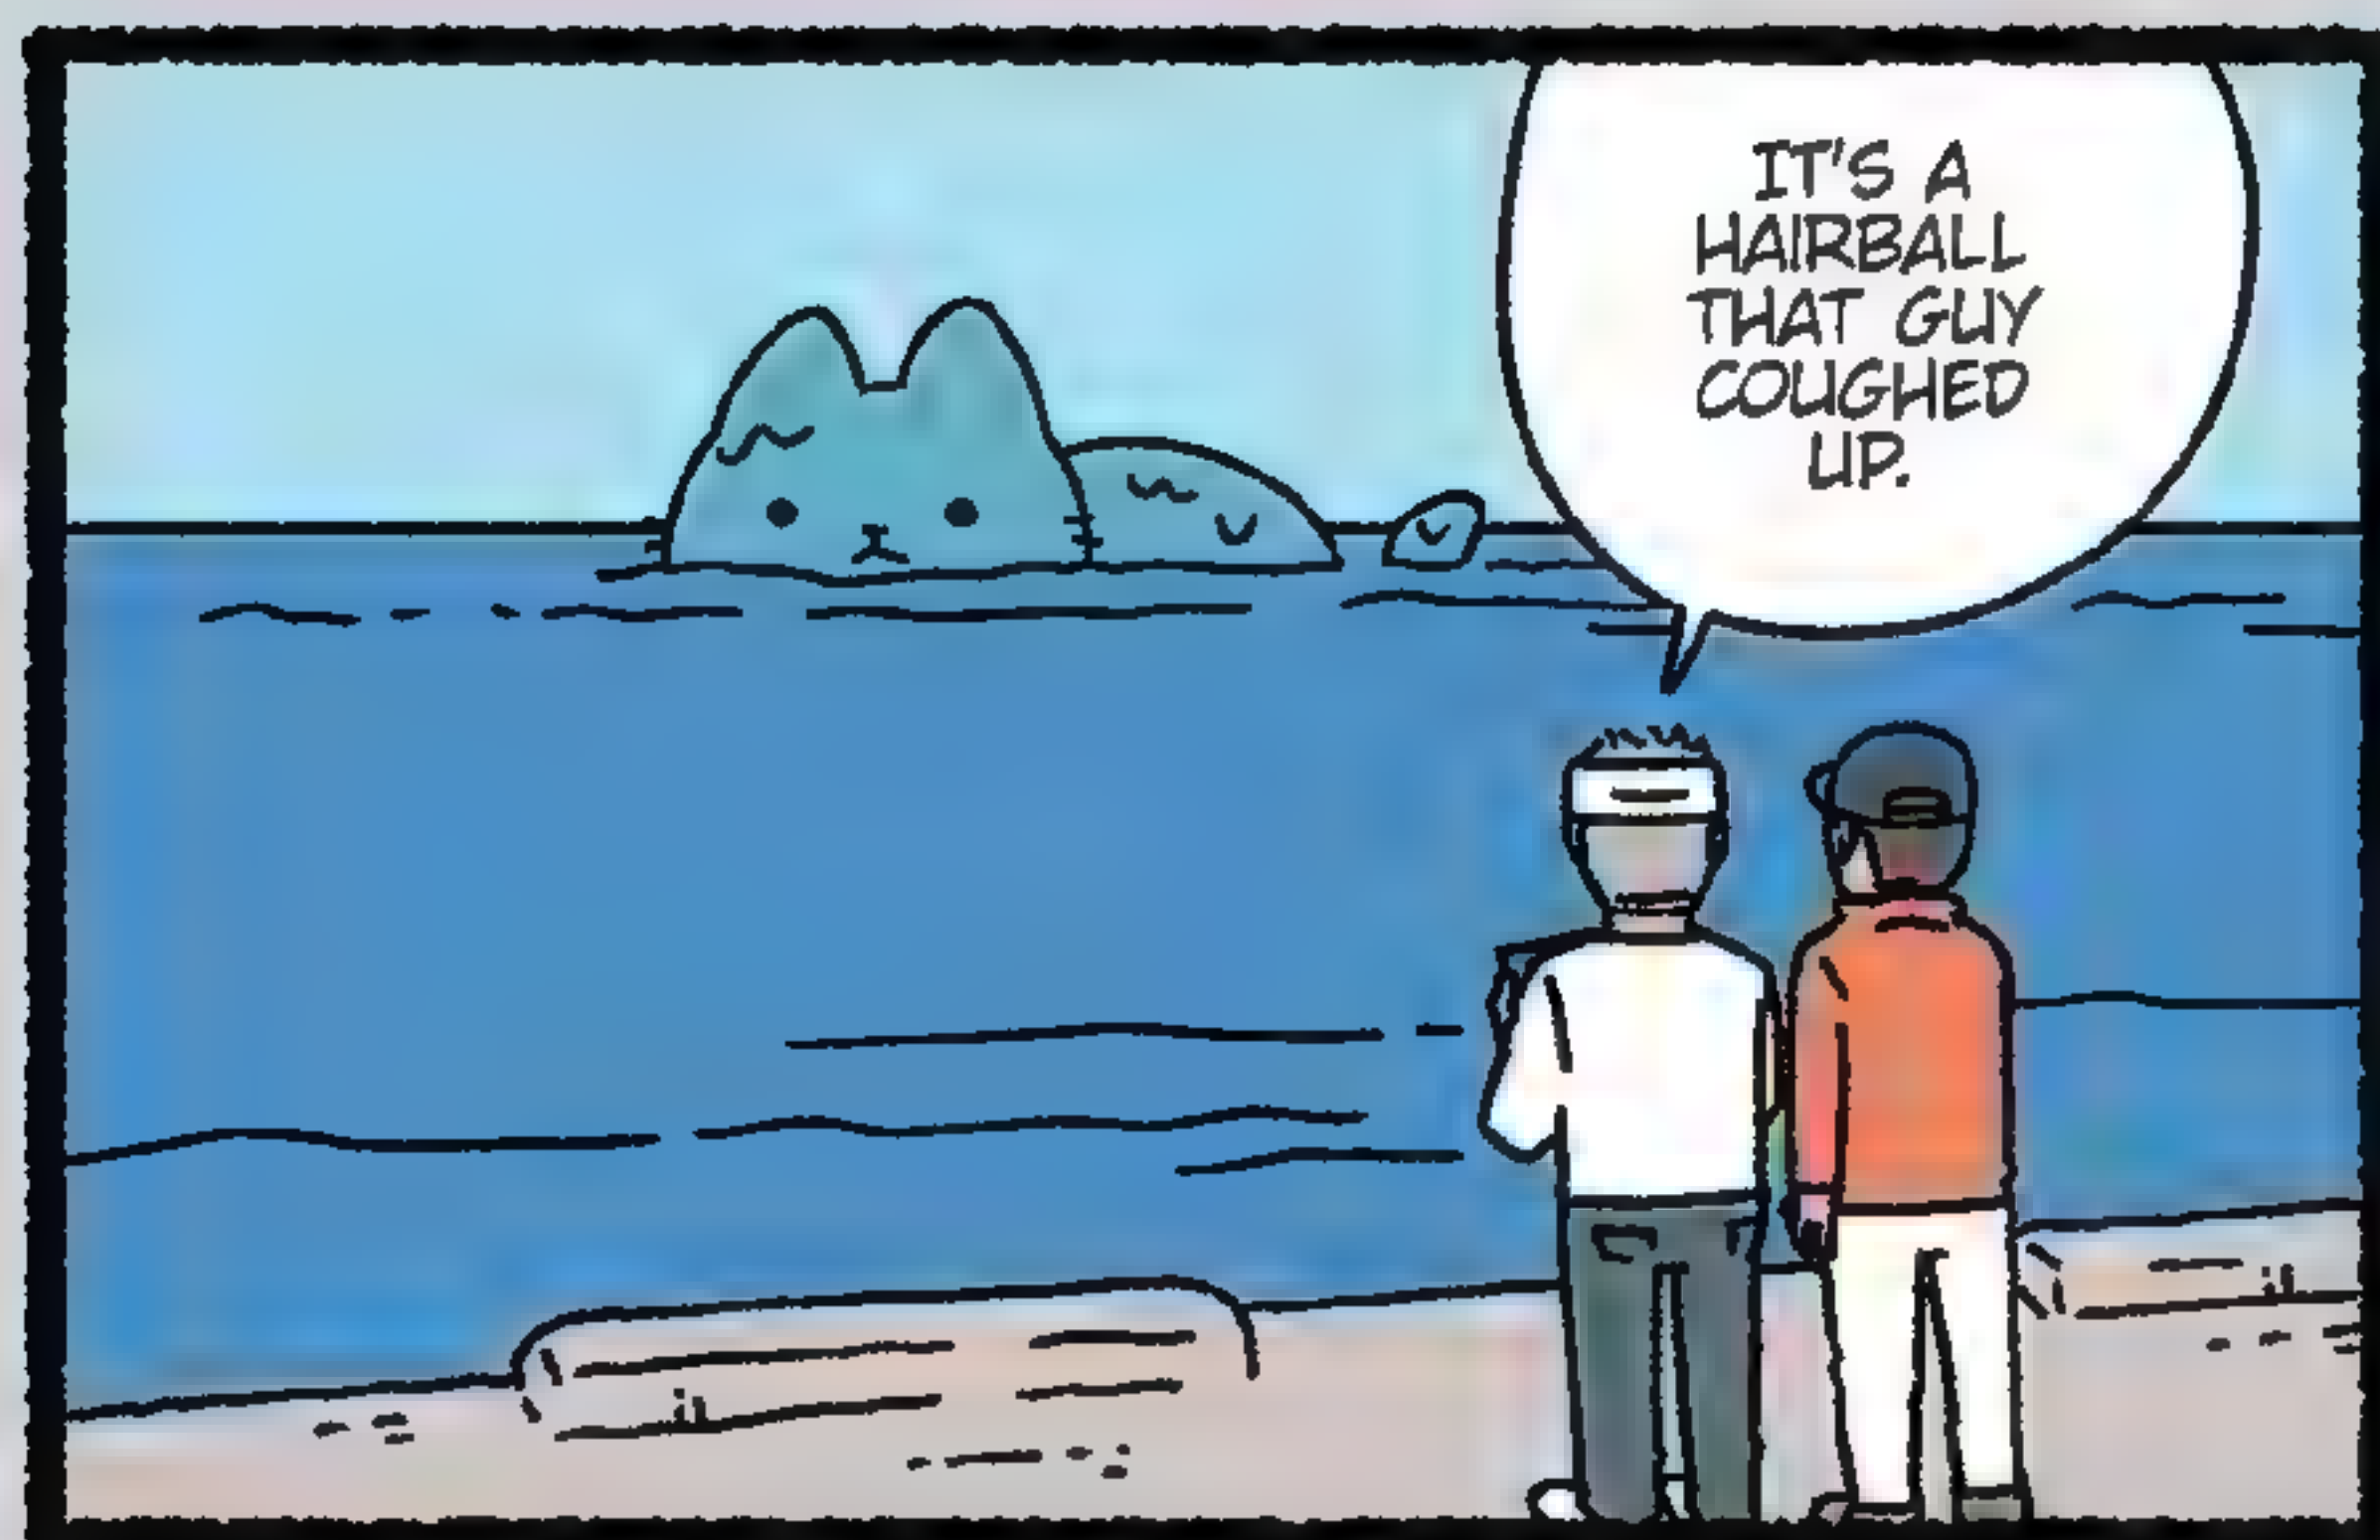

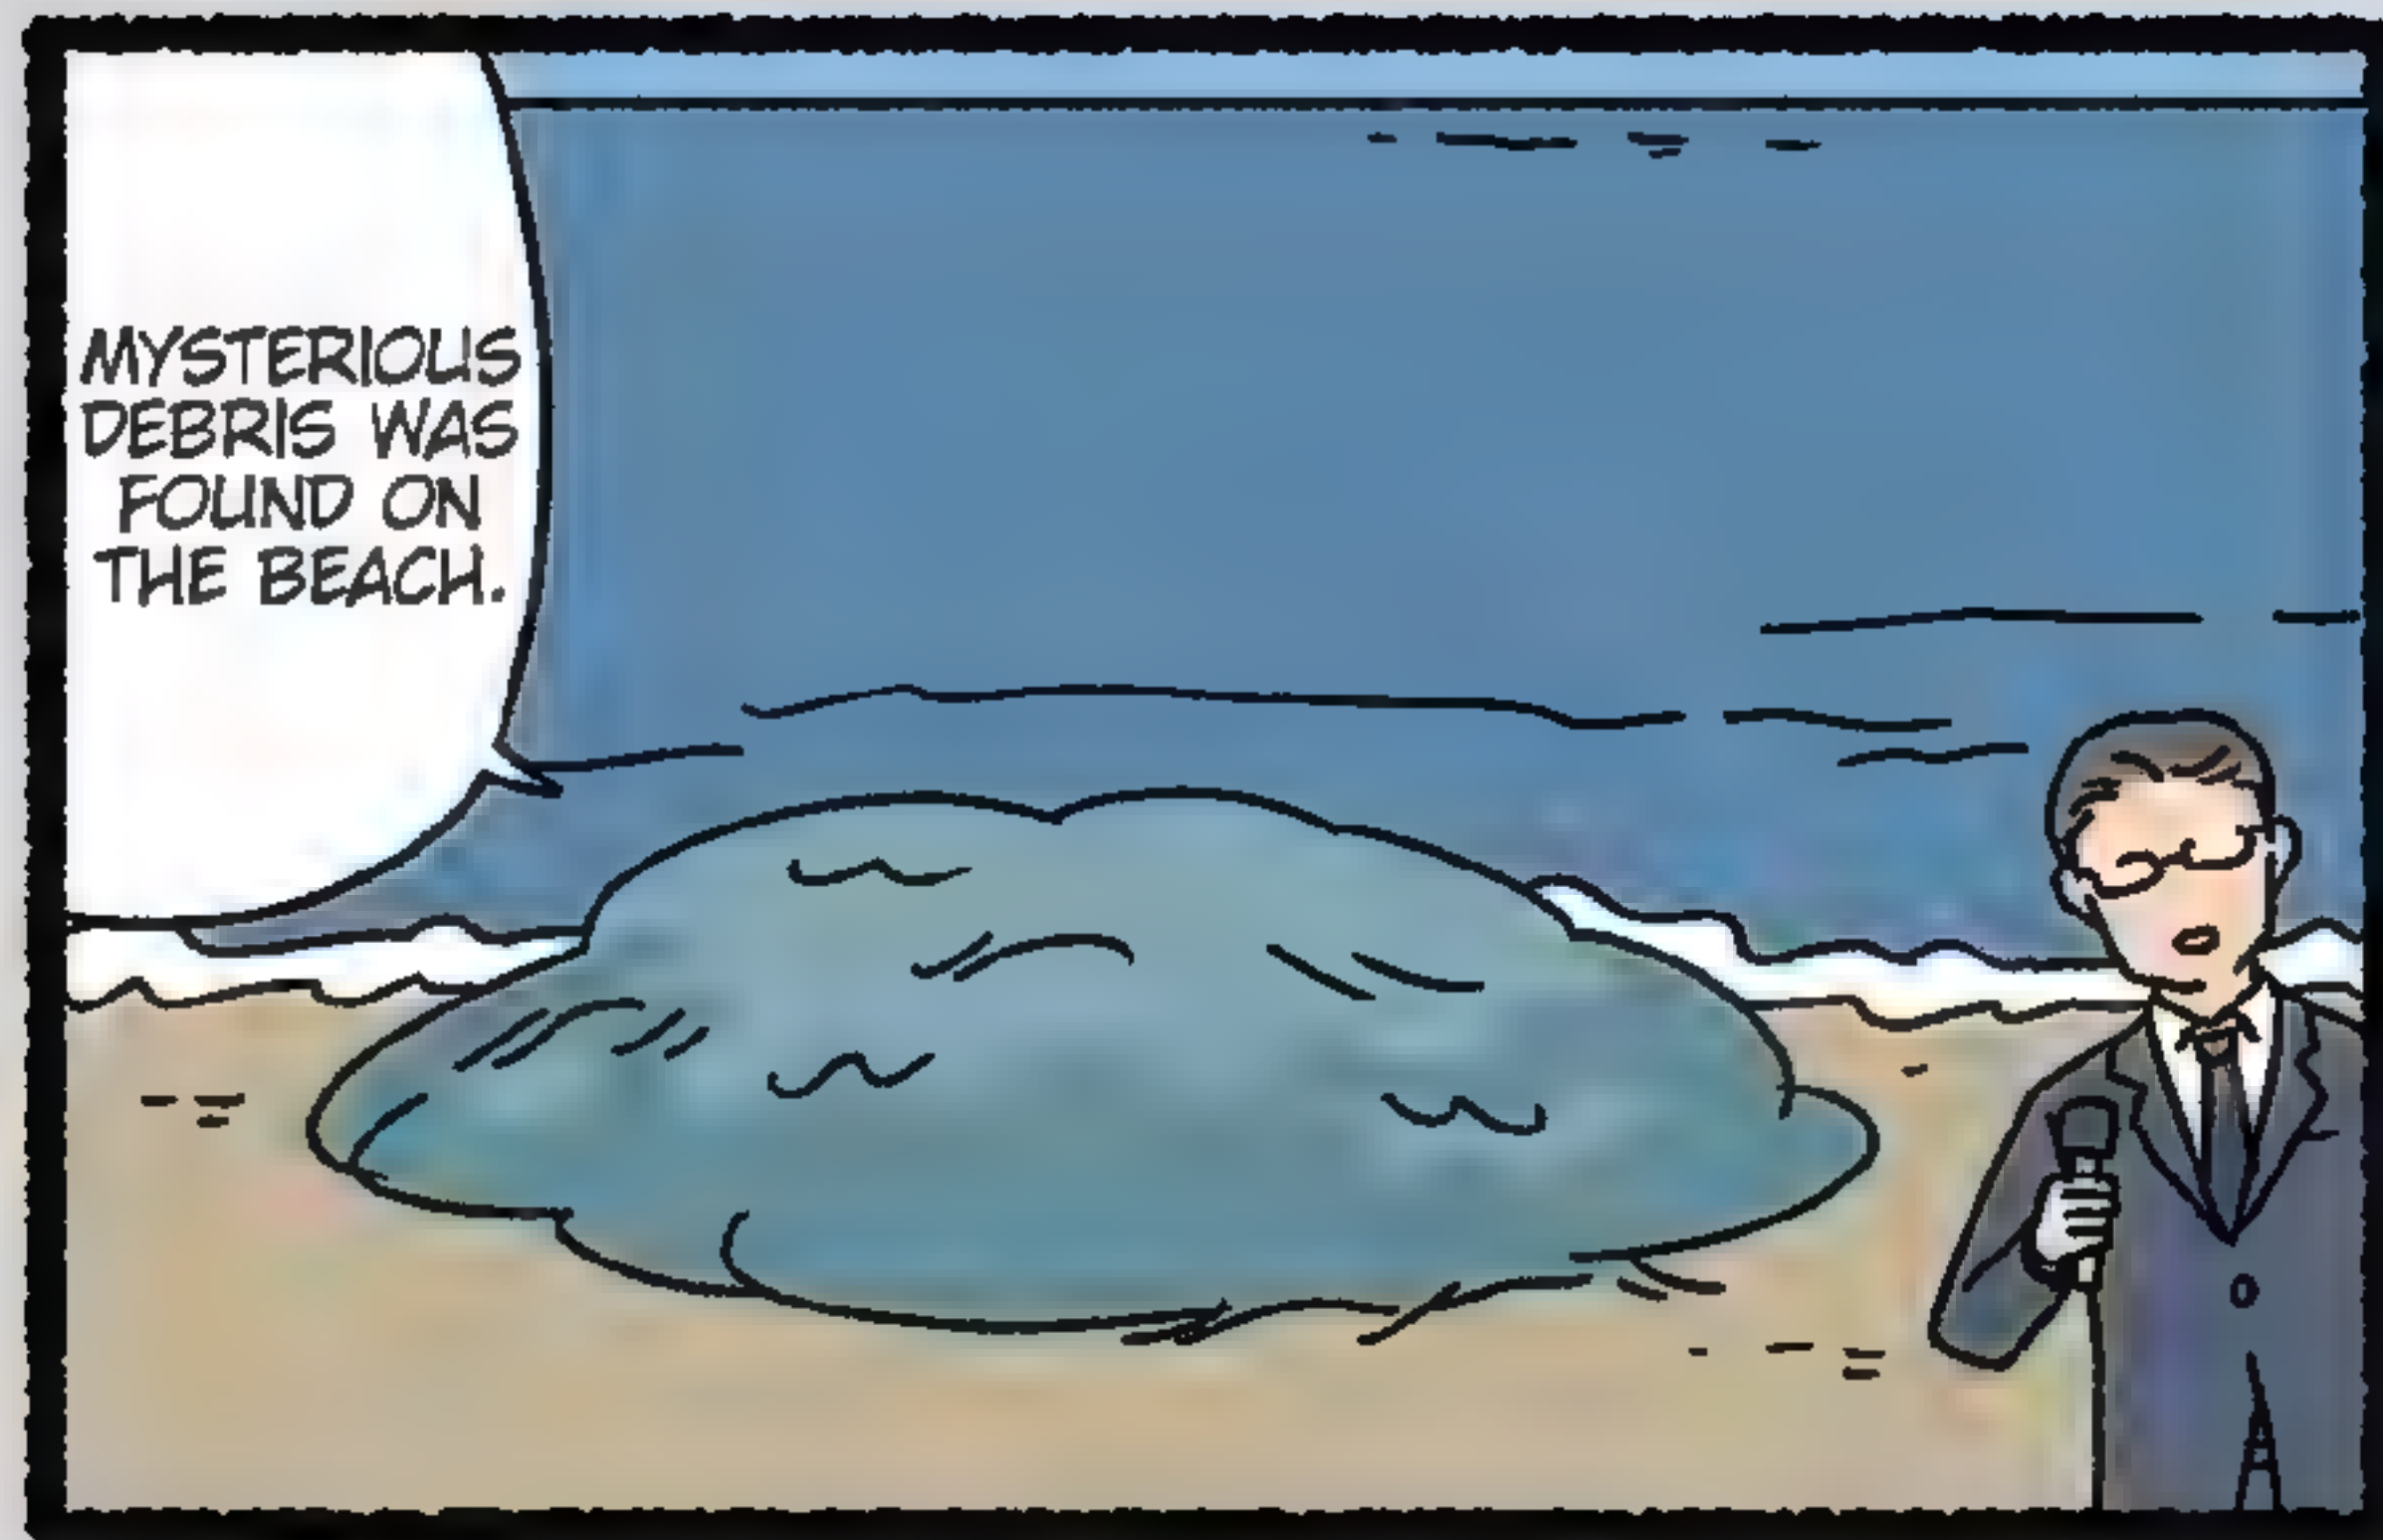

Umibozu

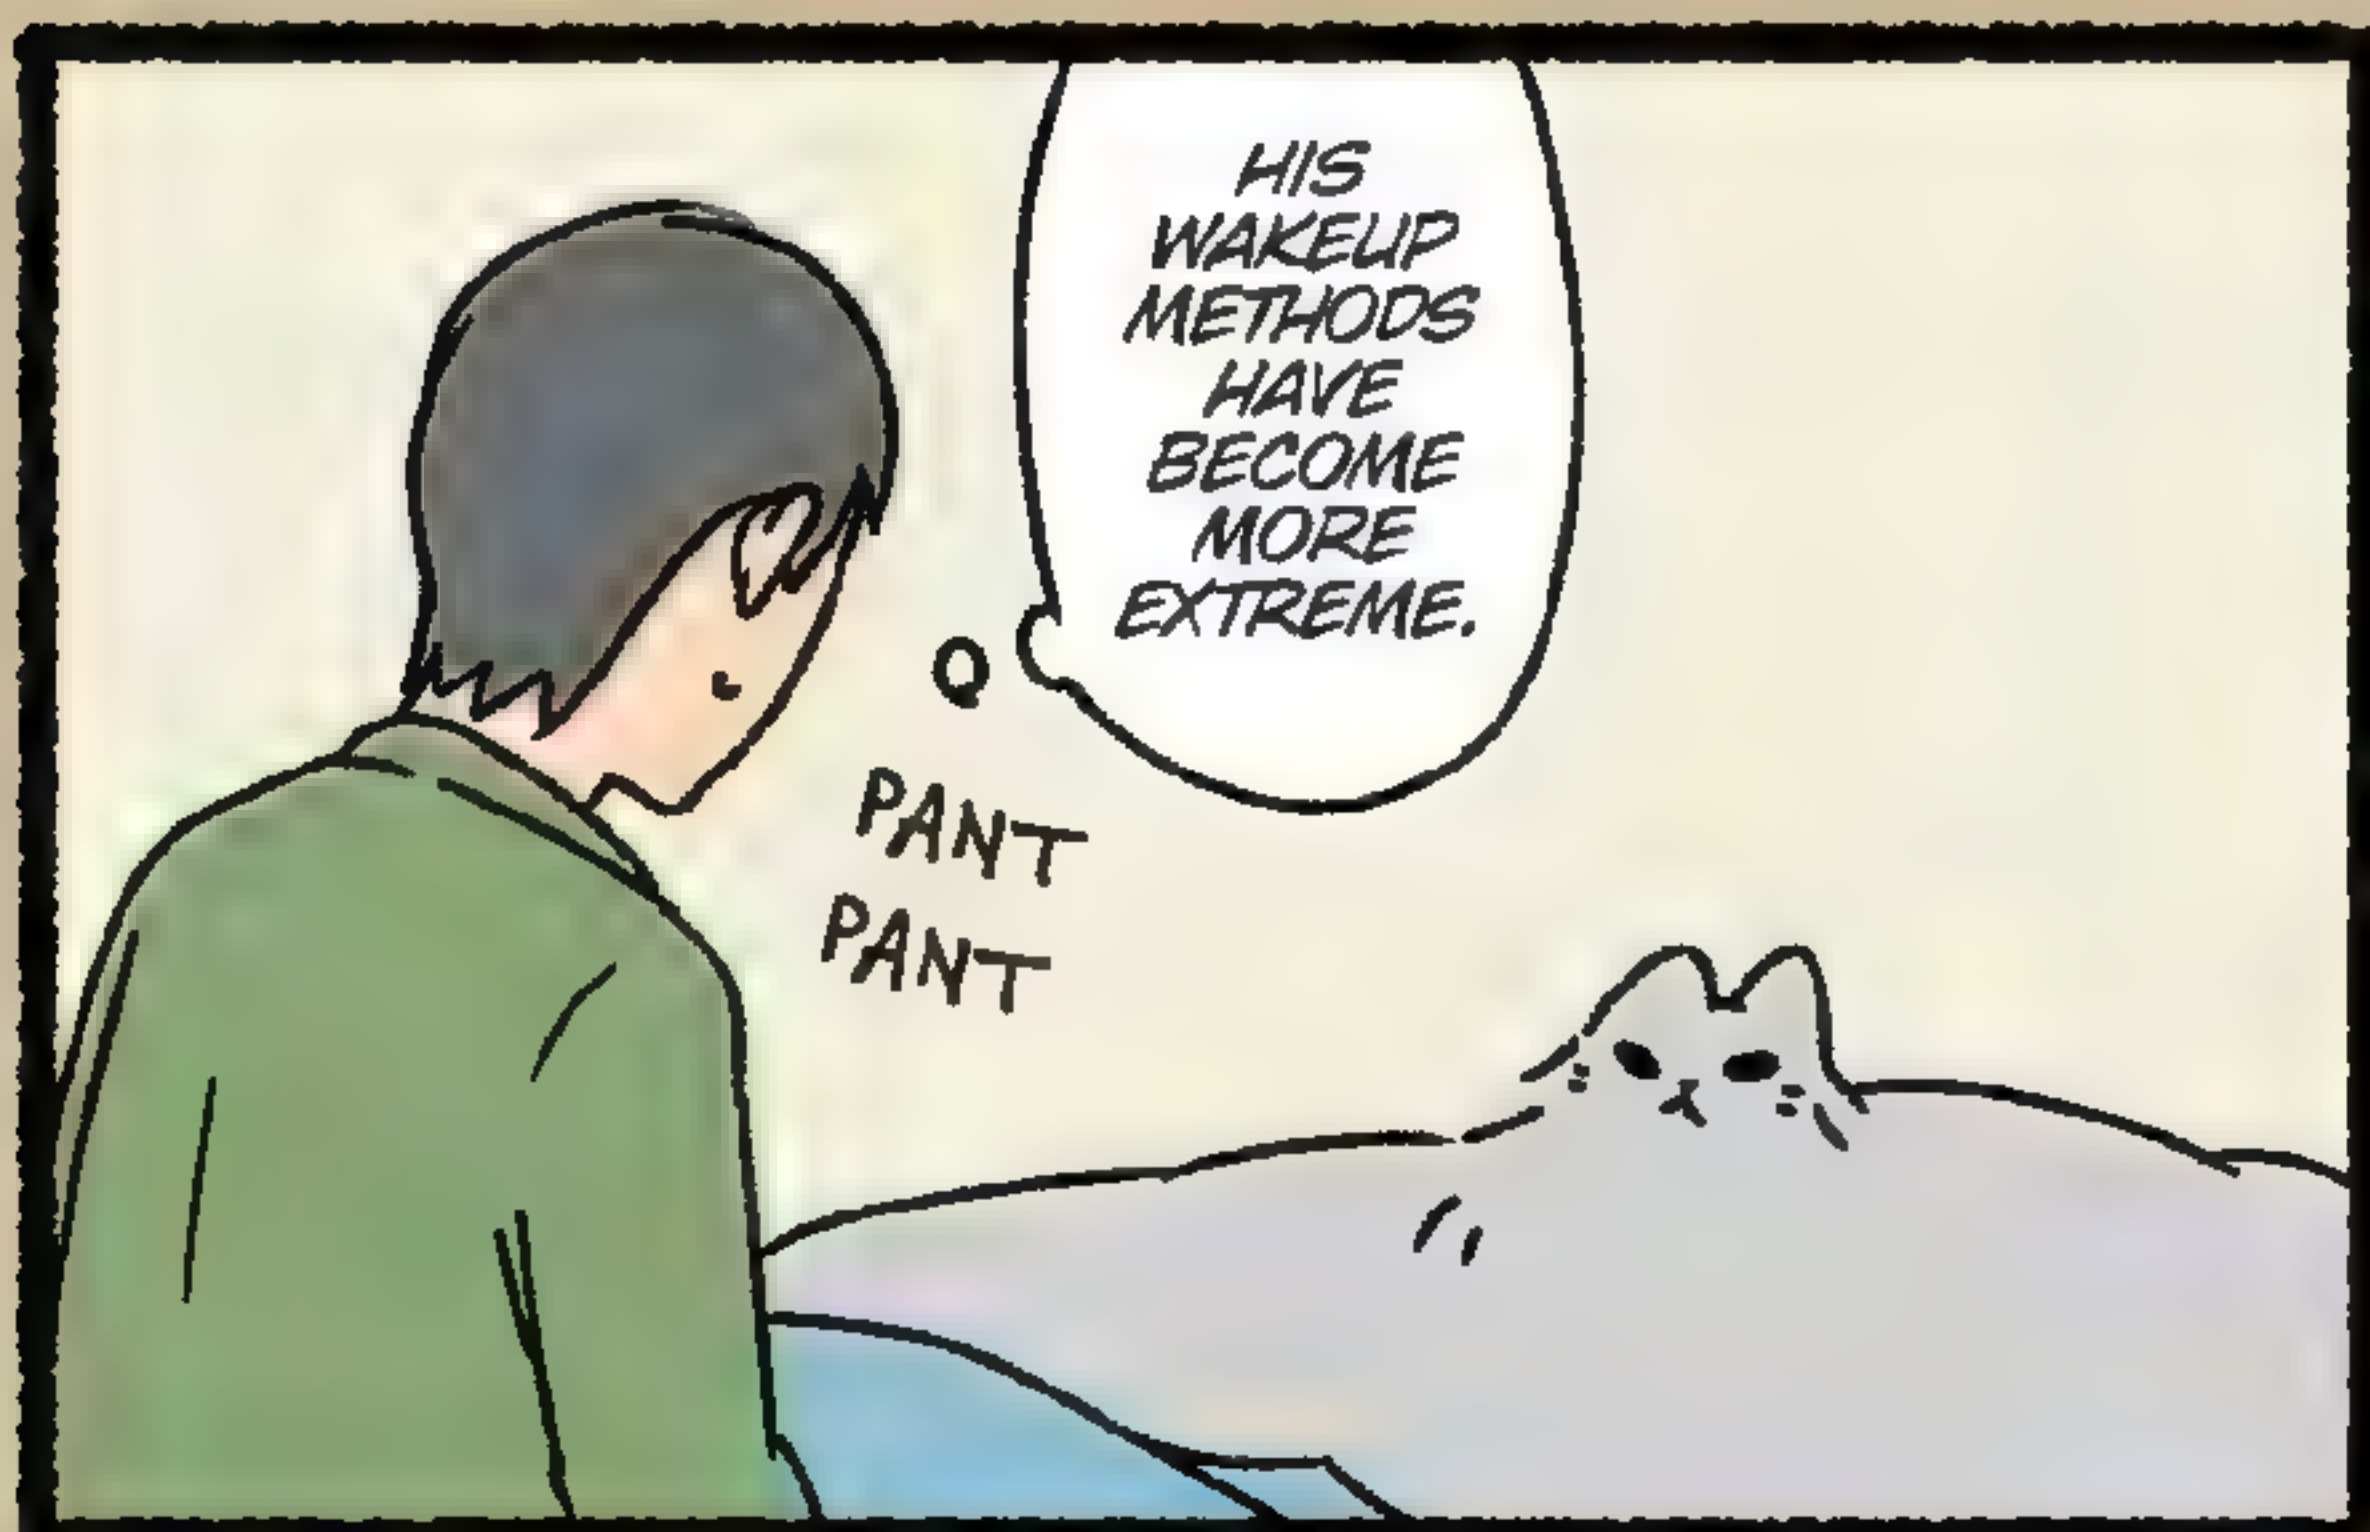

Sea Monster

It's said that if it doesn't eat seaweed, it gets hairballs.

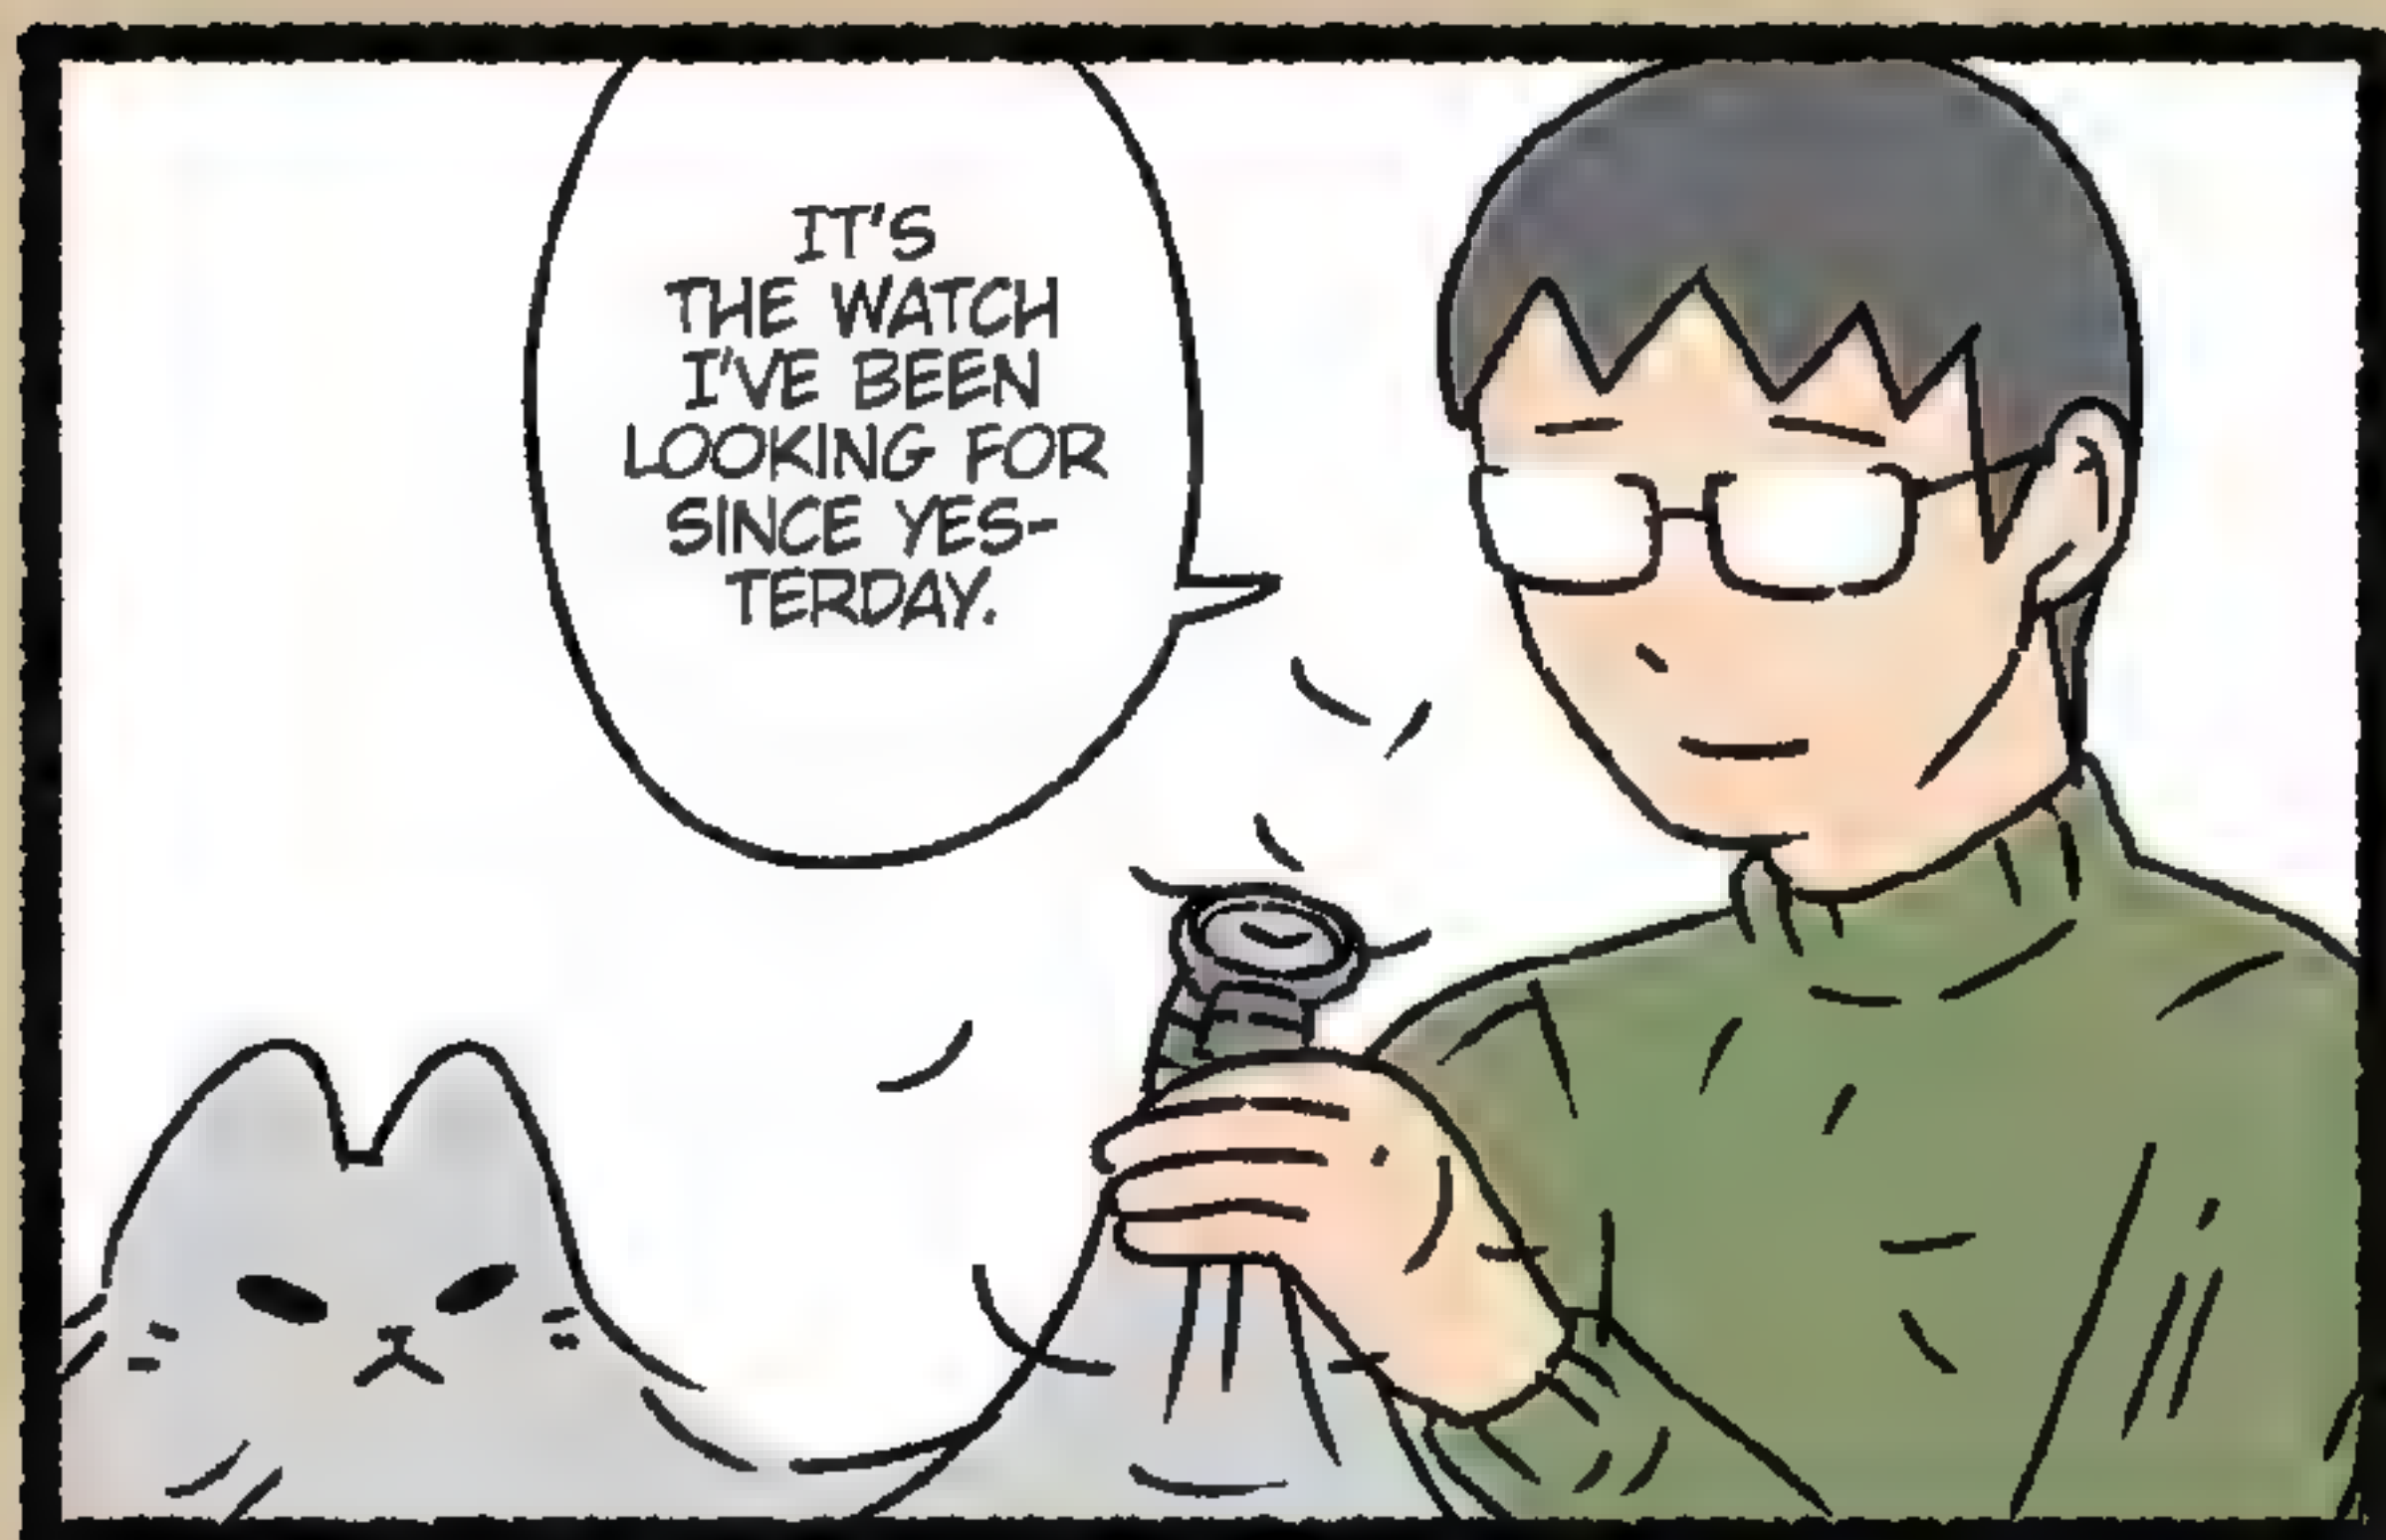

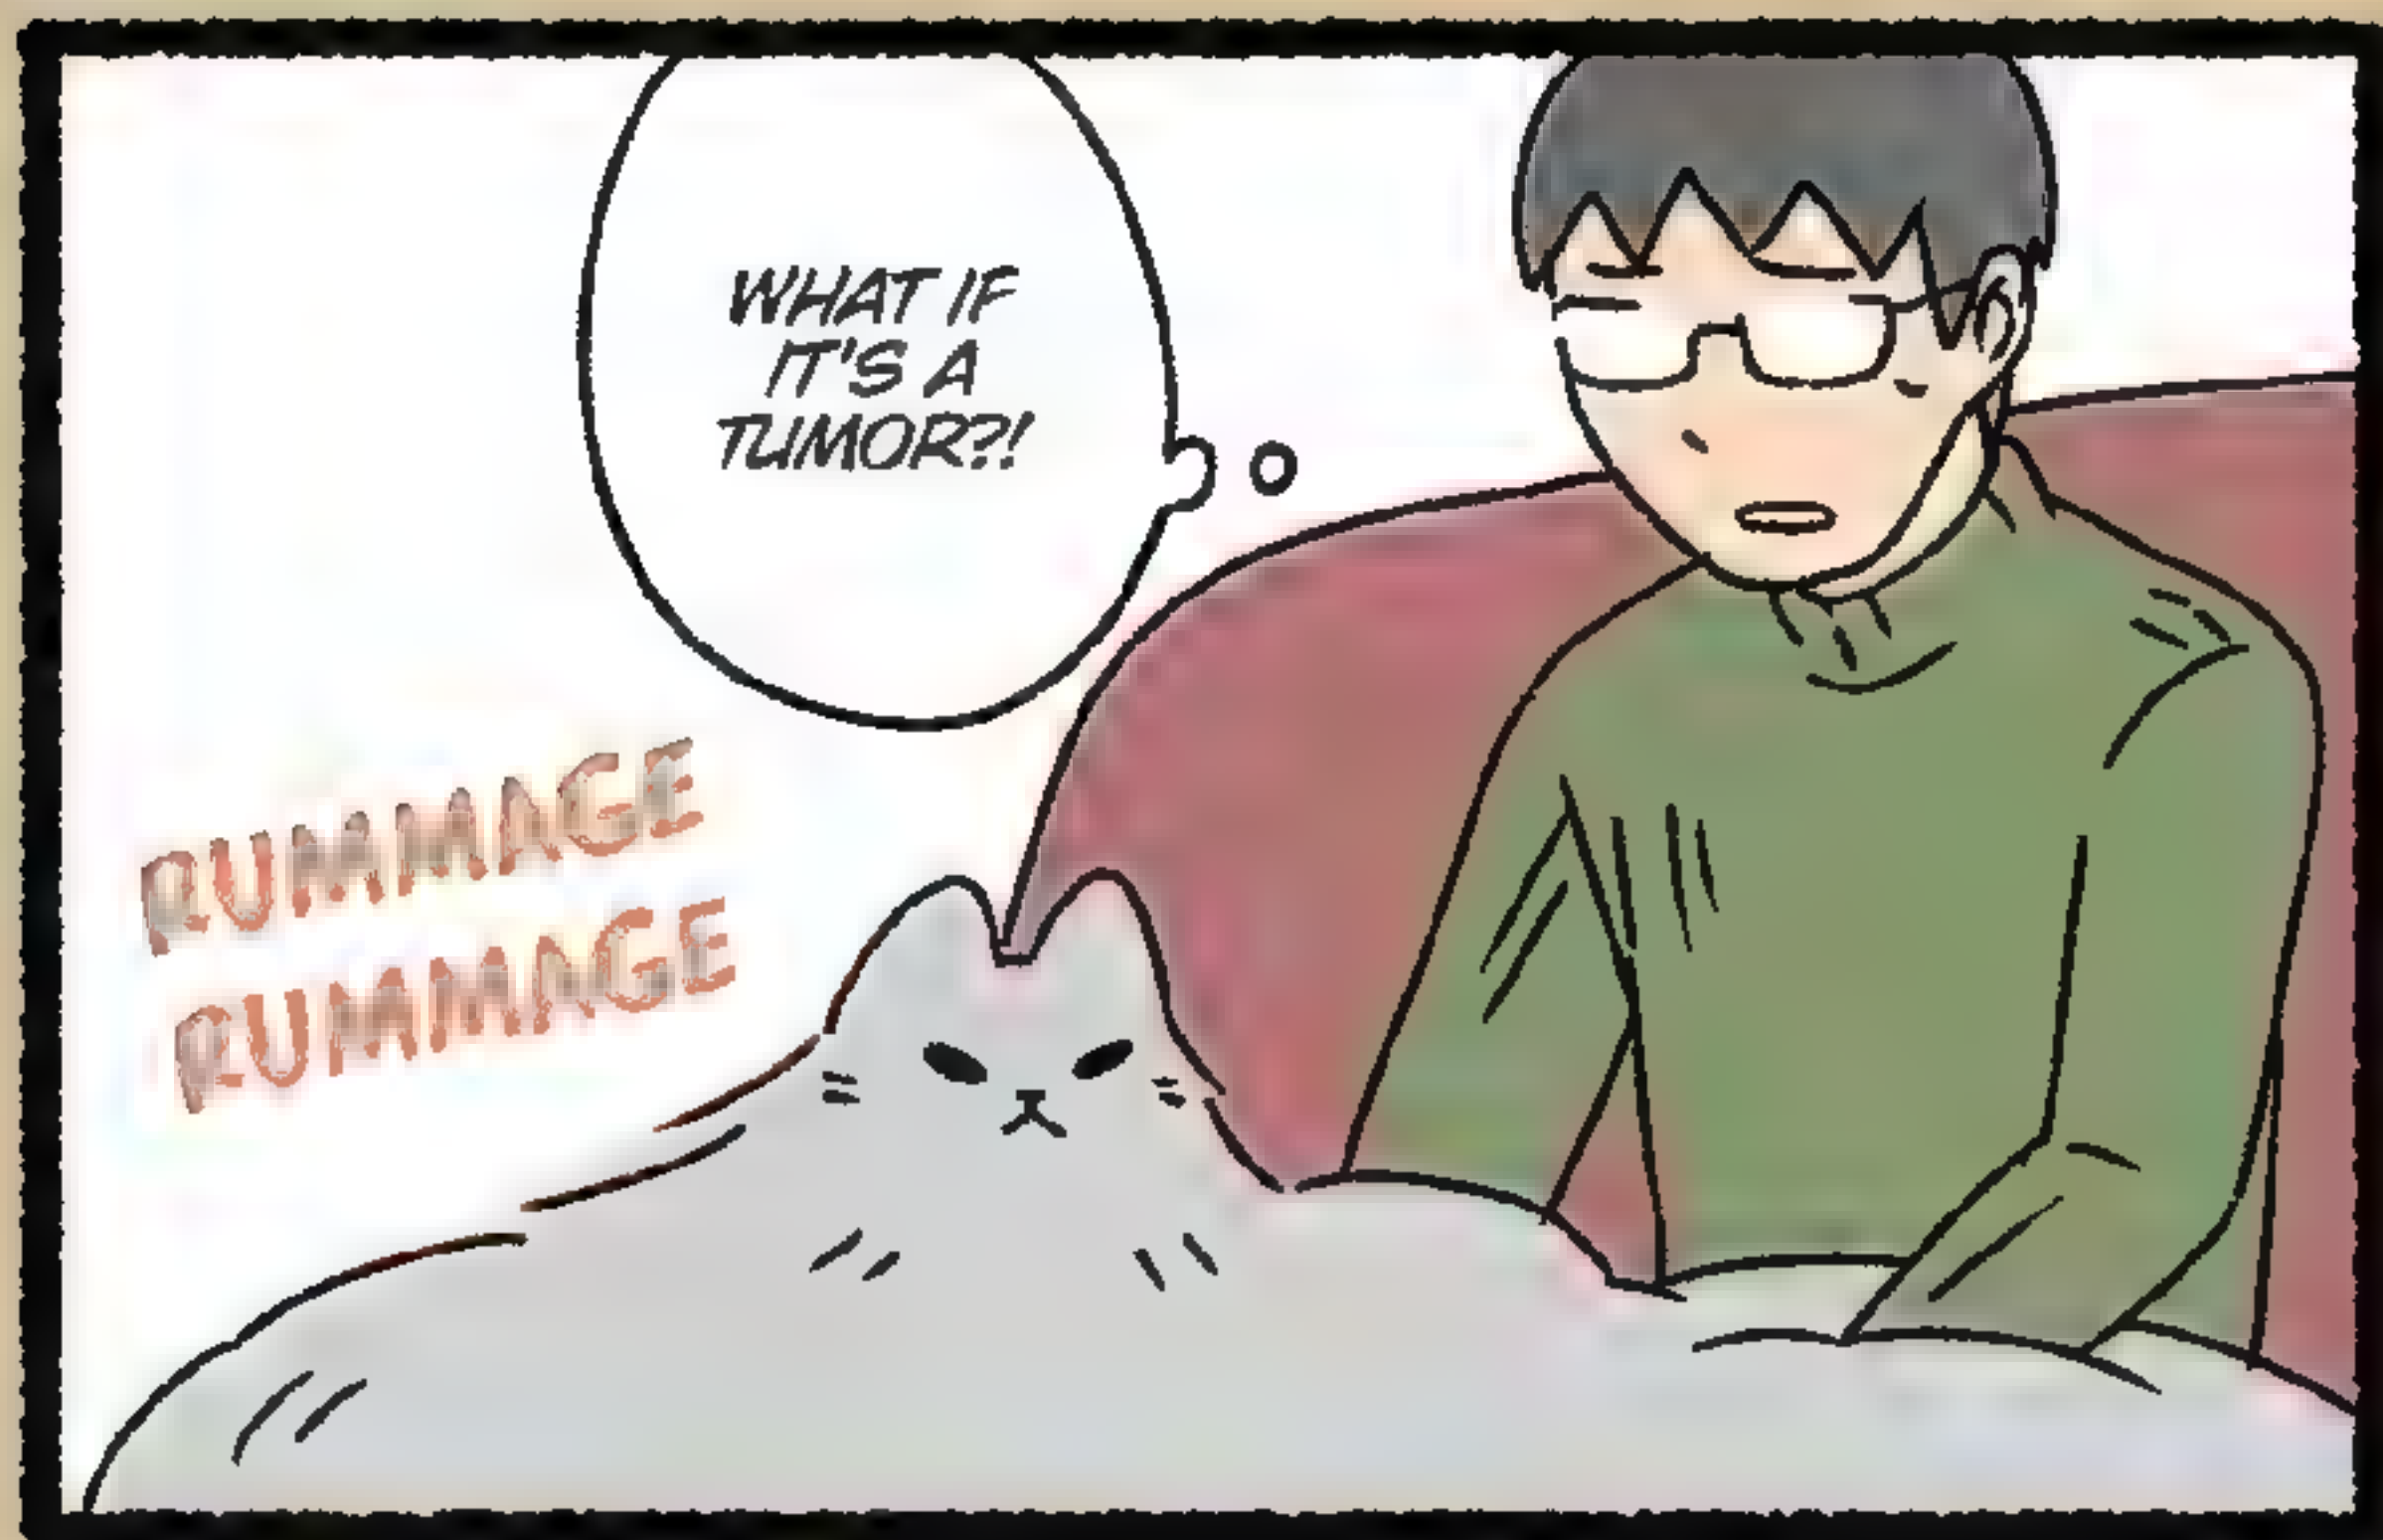

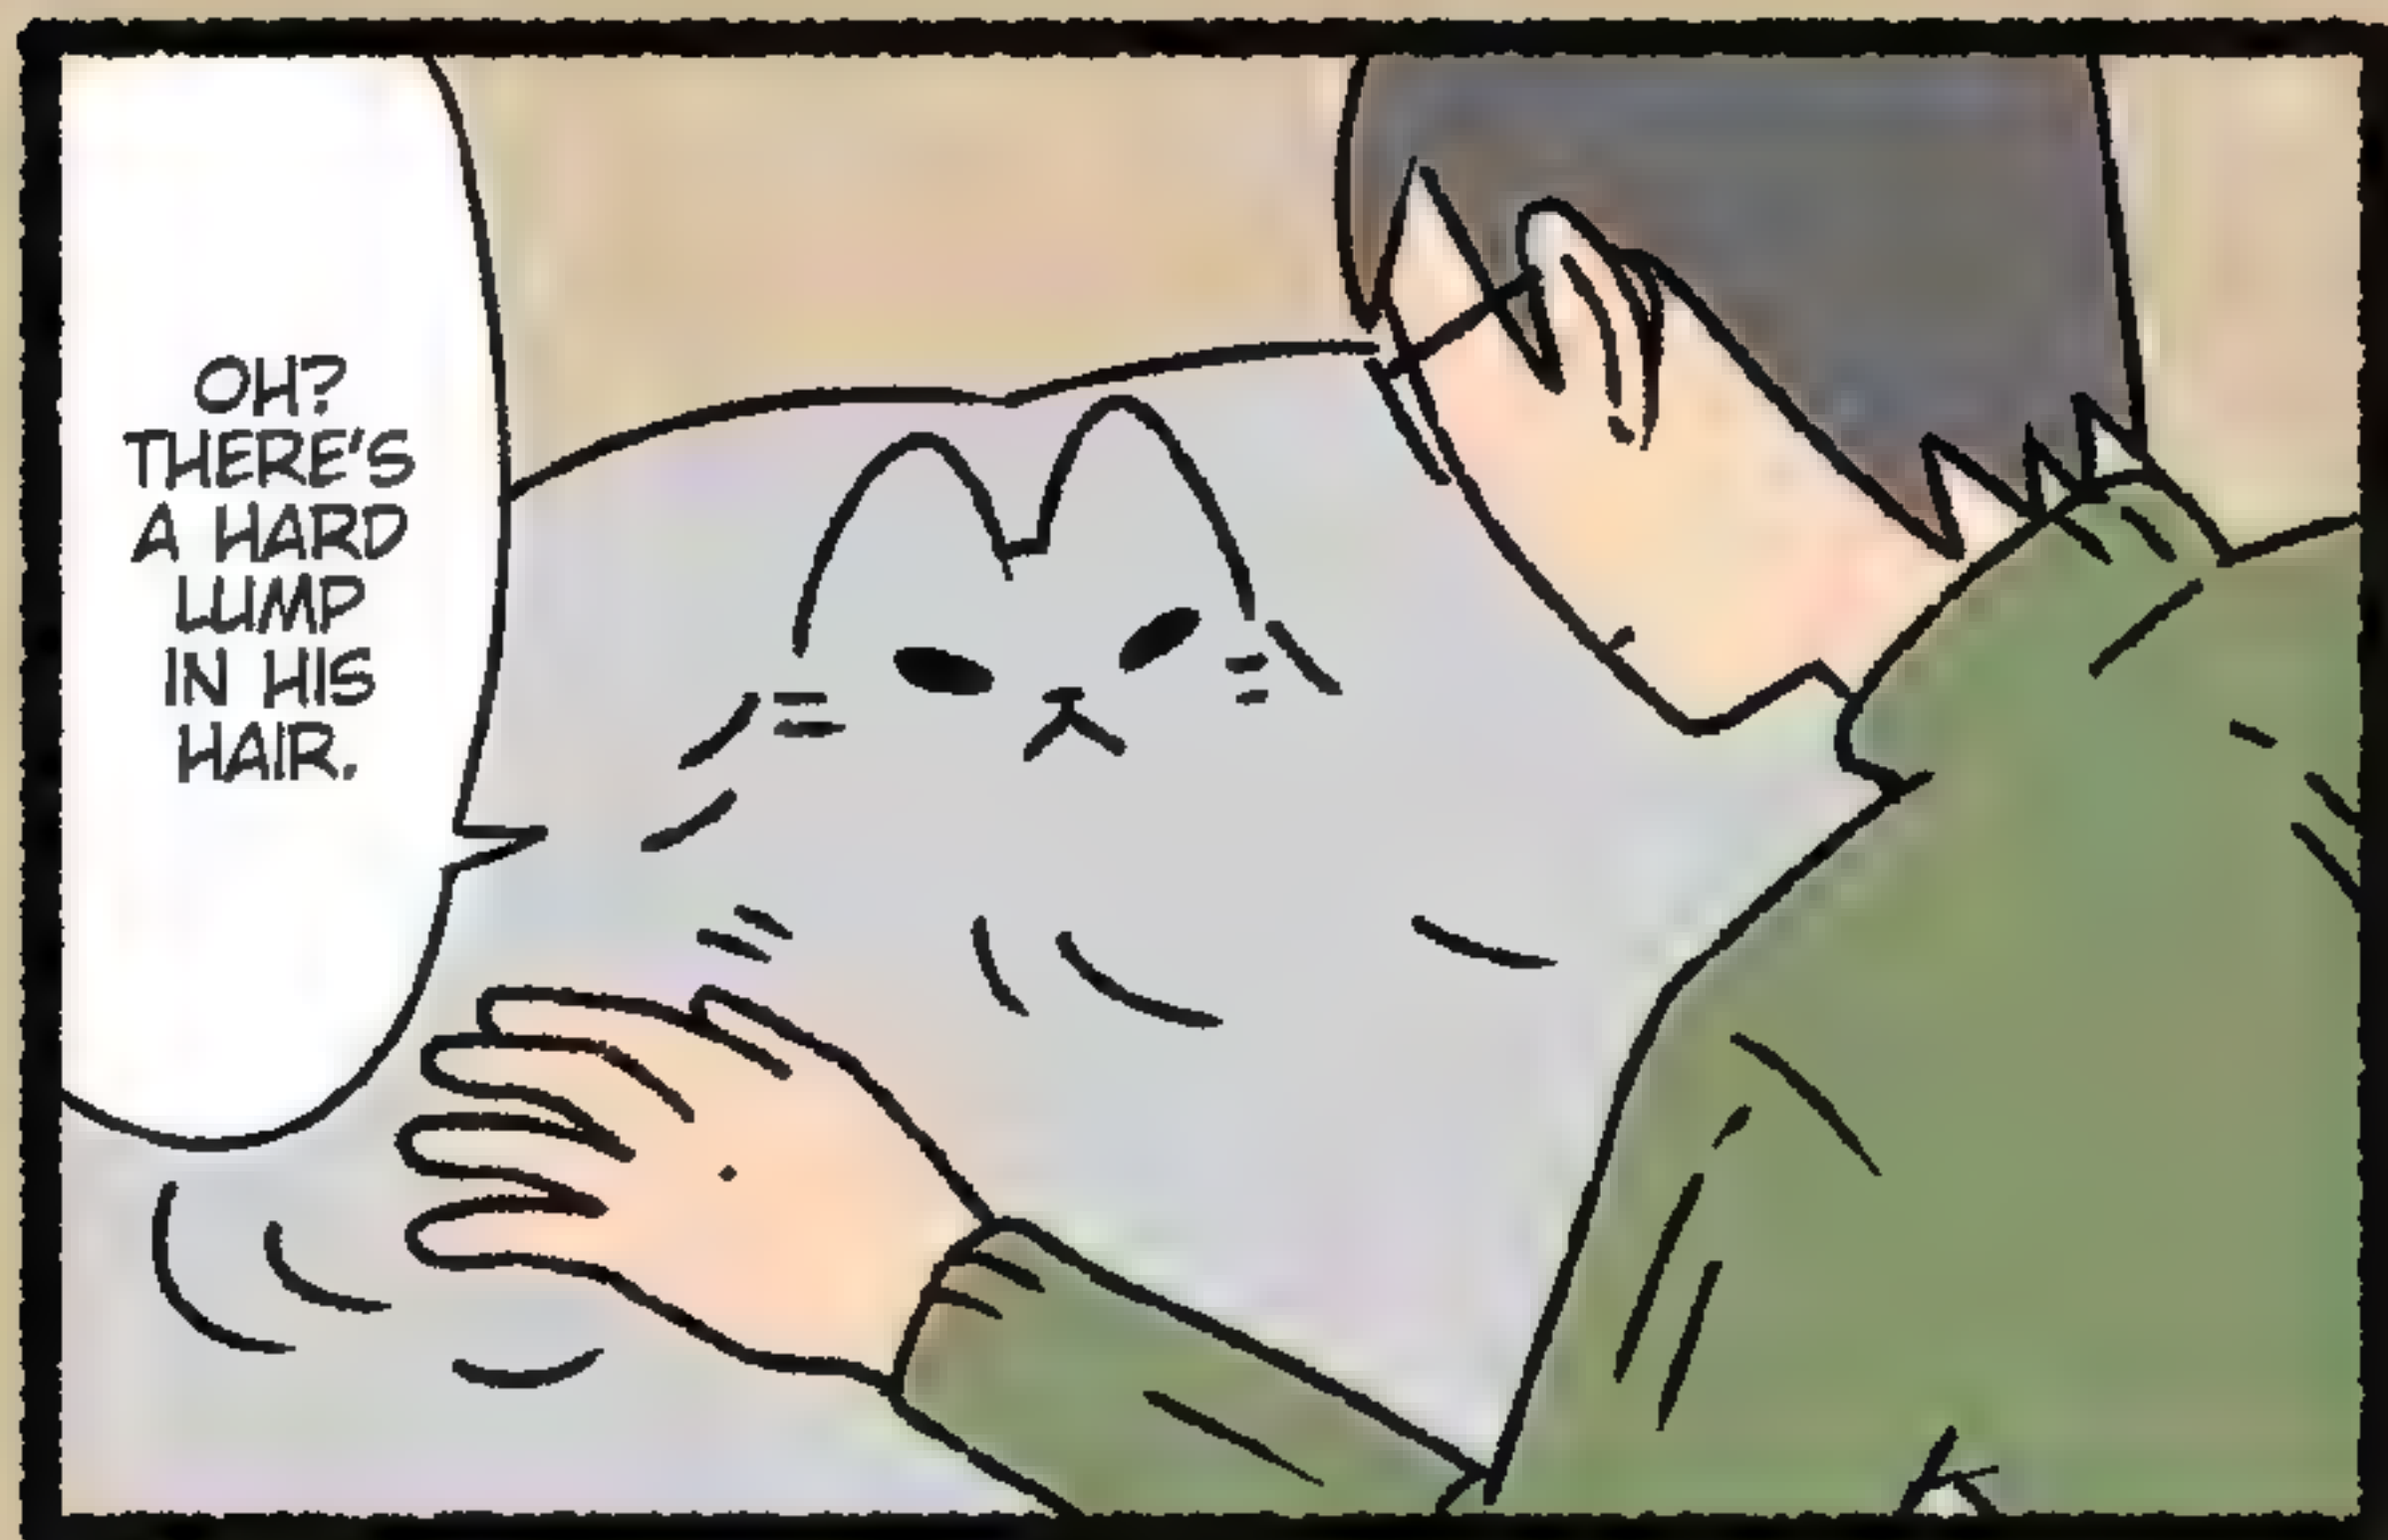

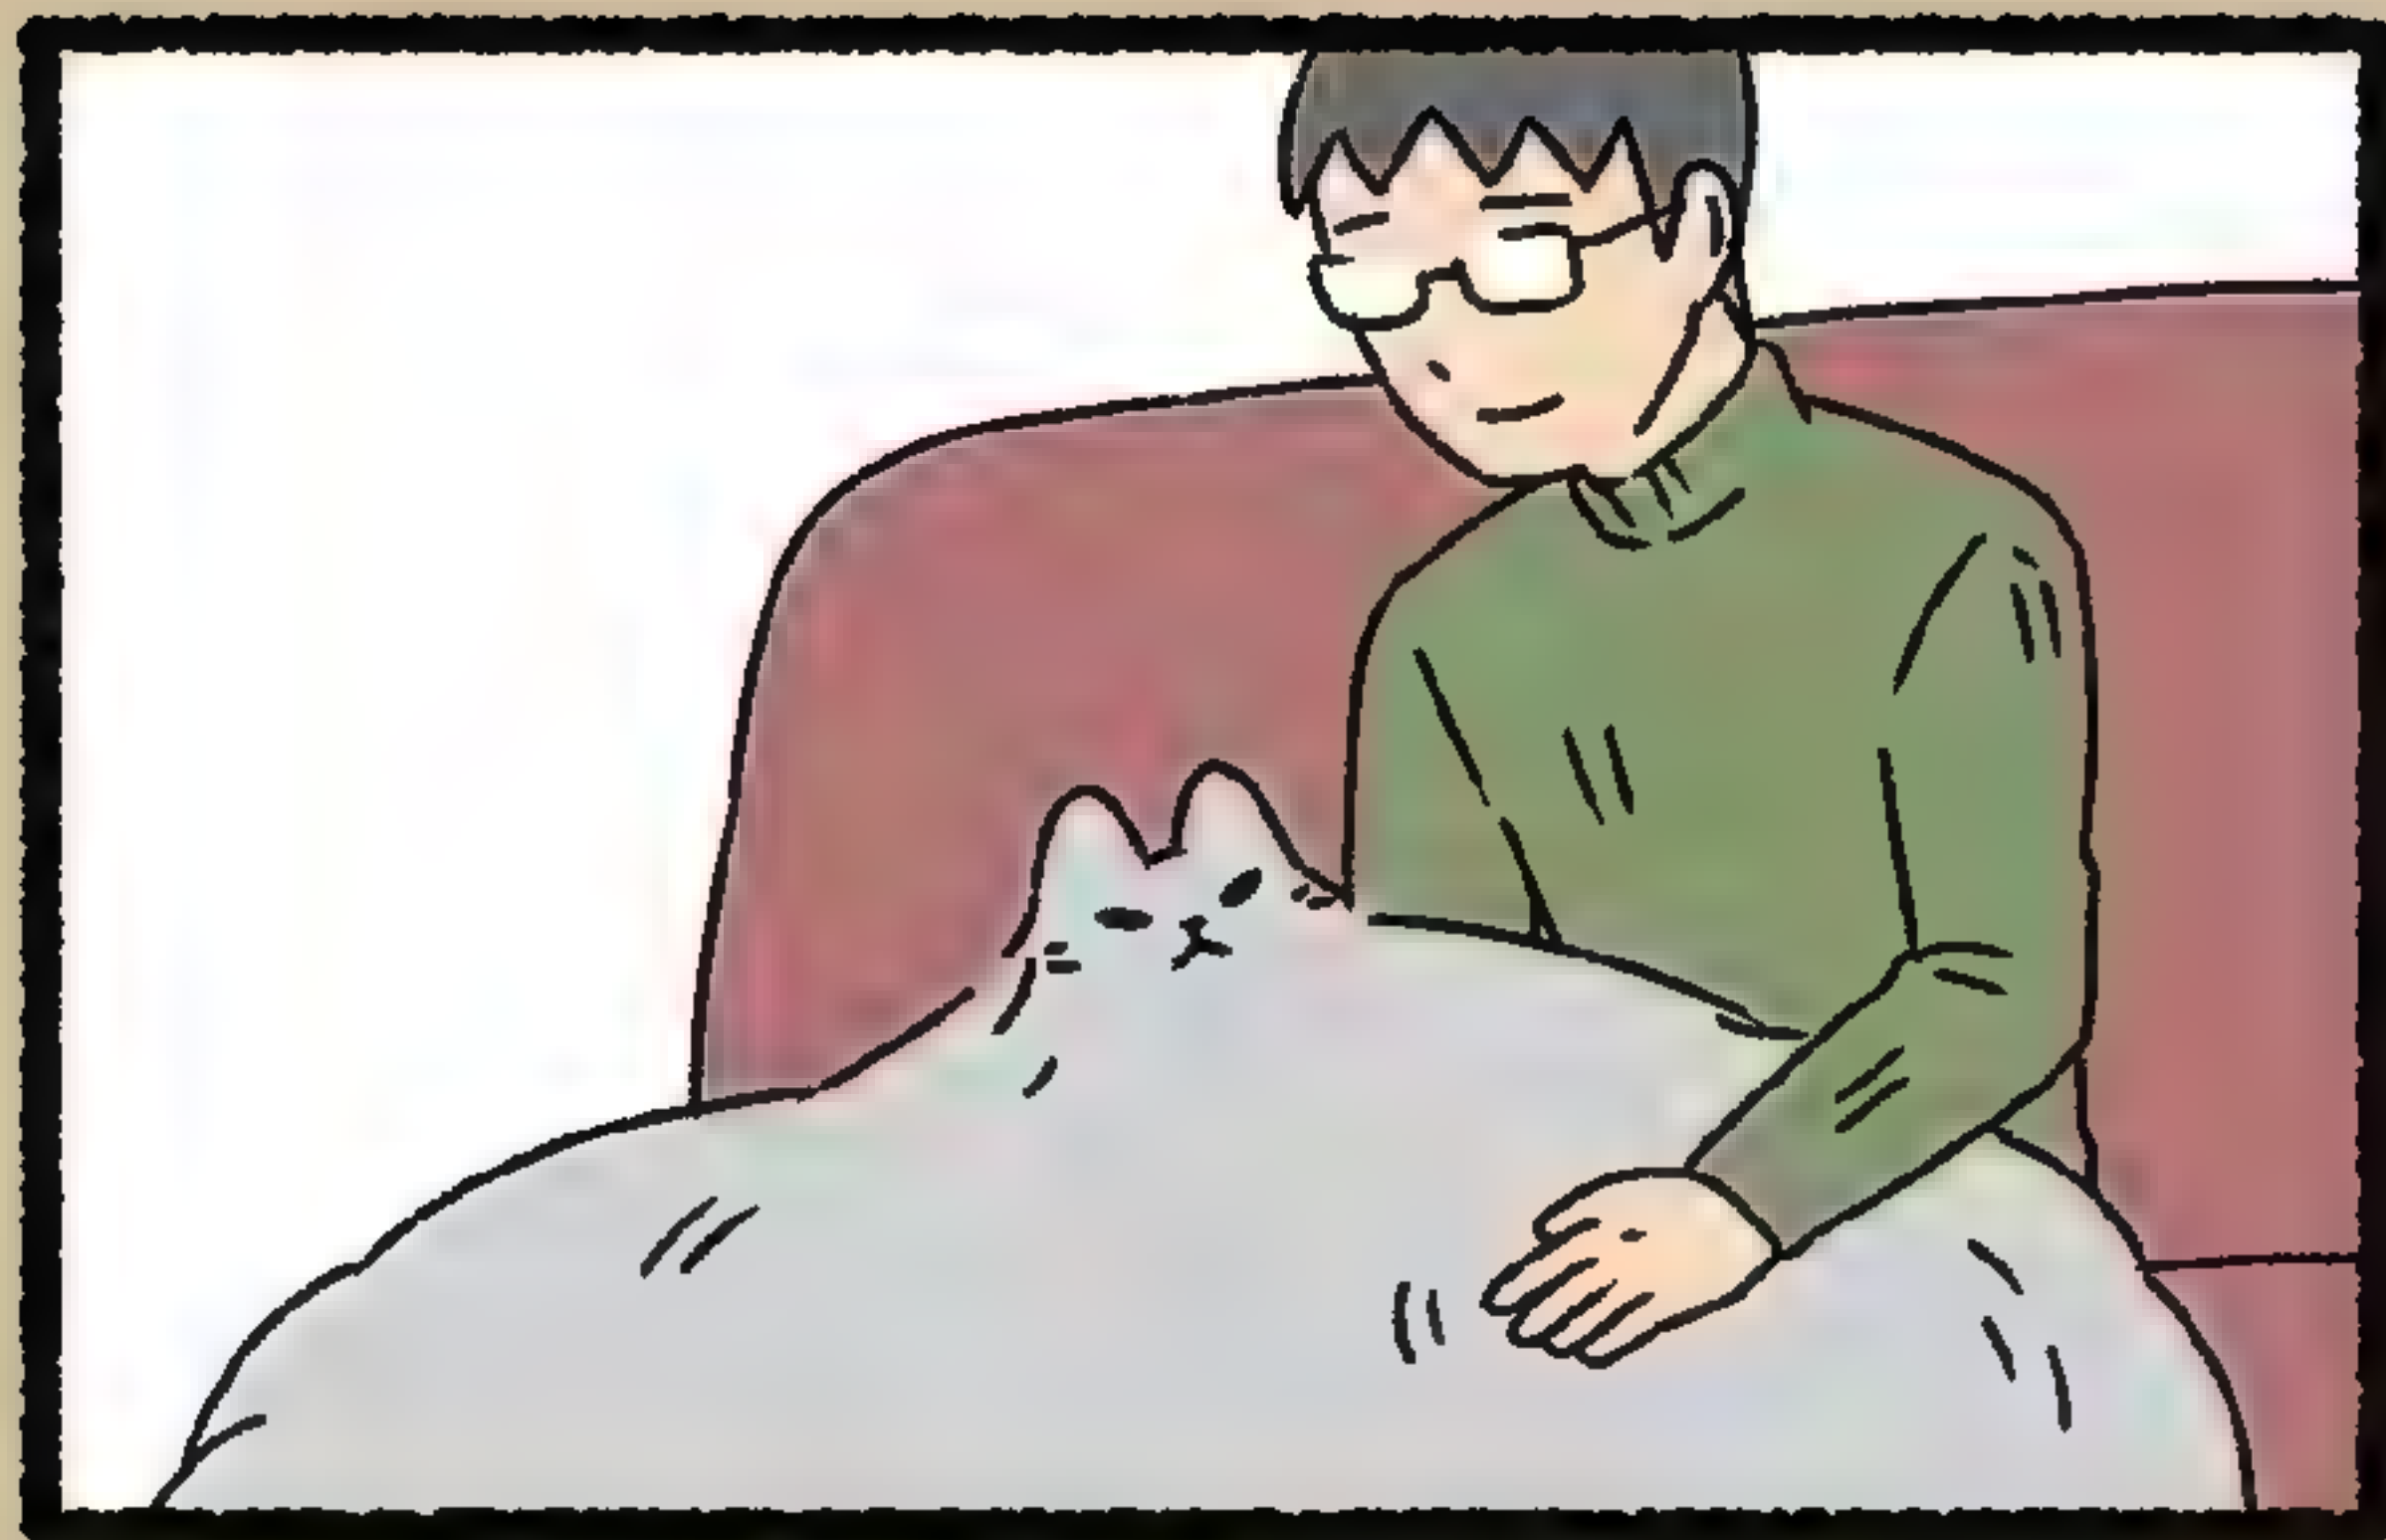

Keukegen

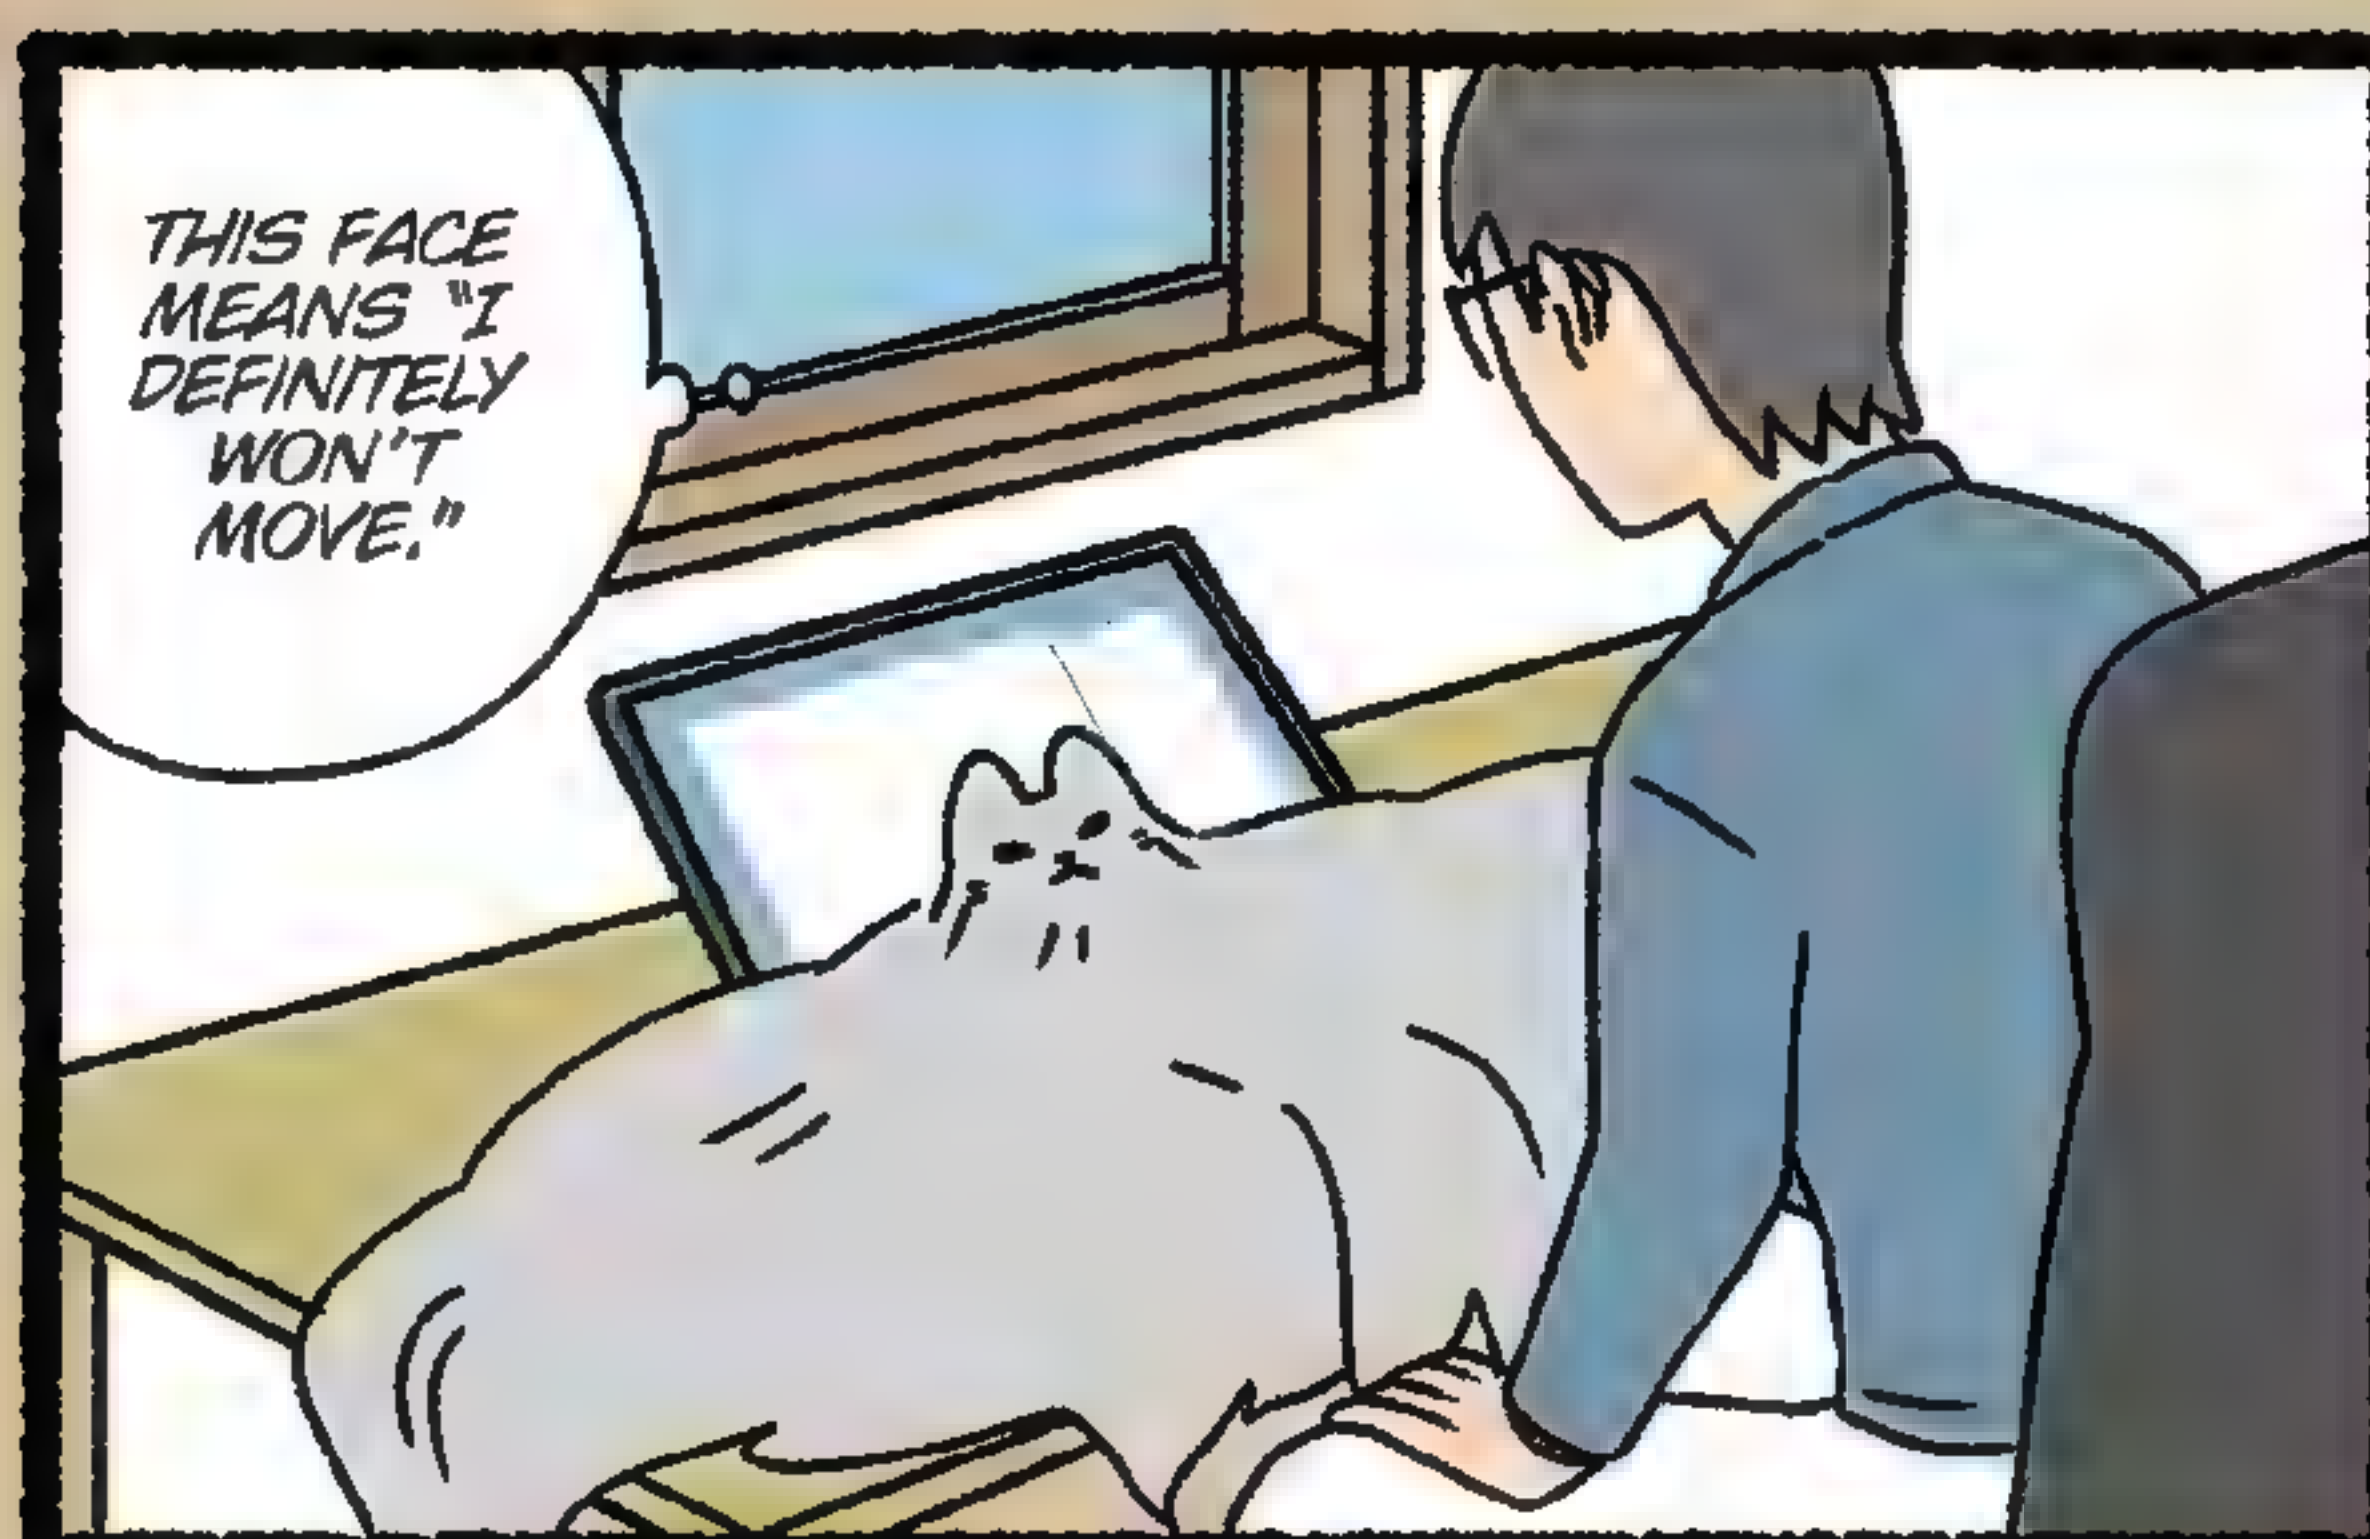

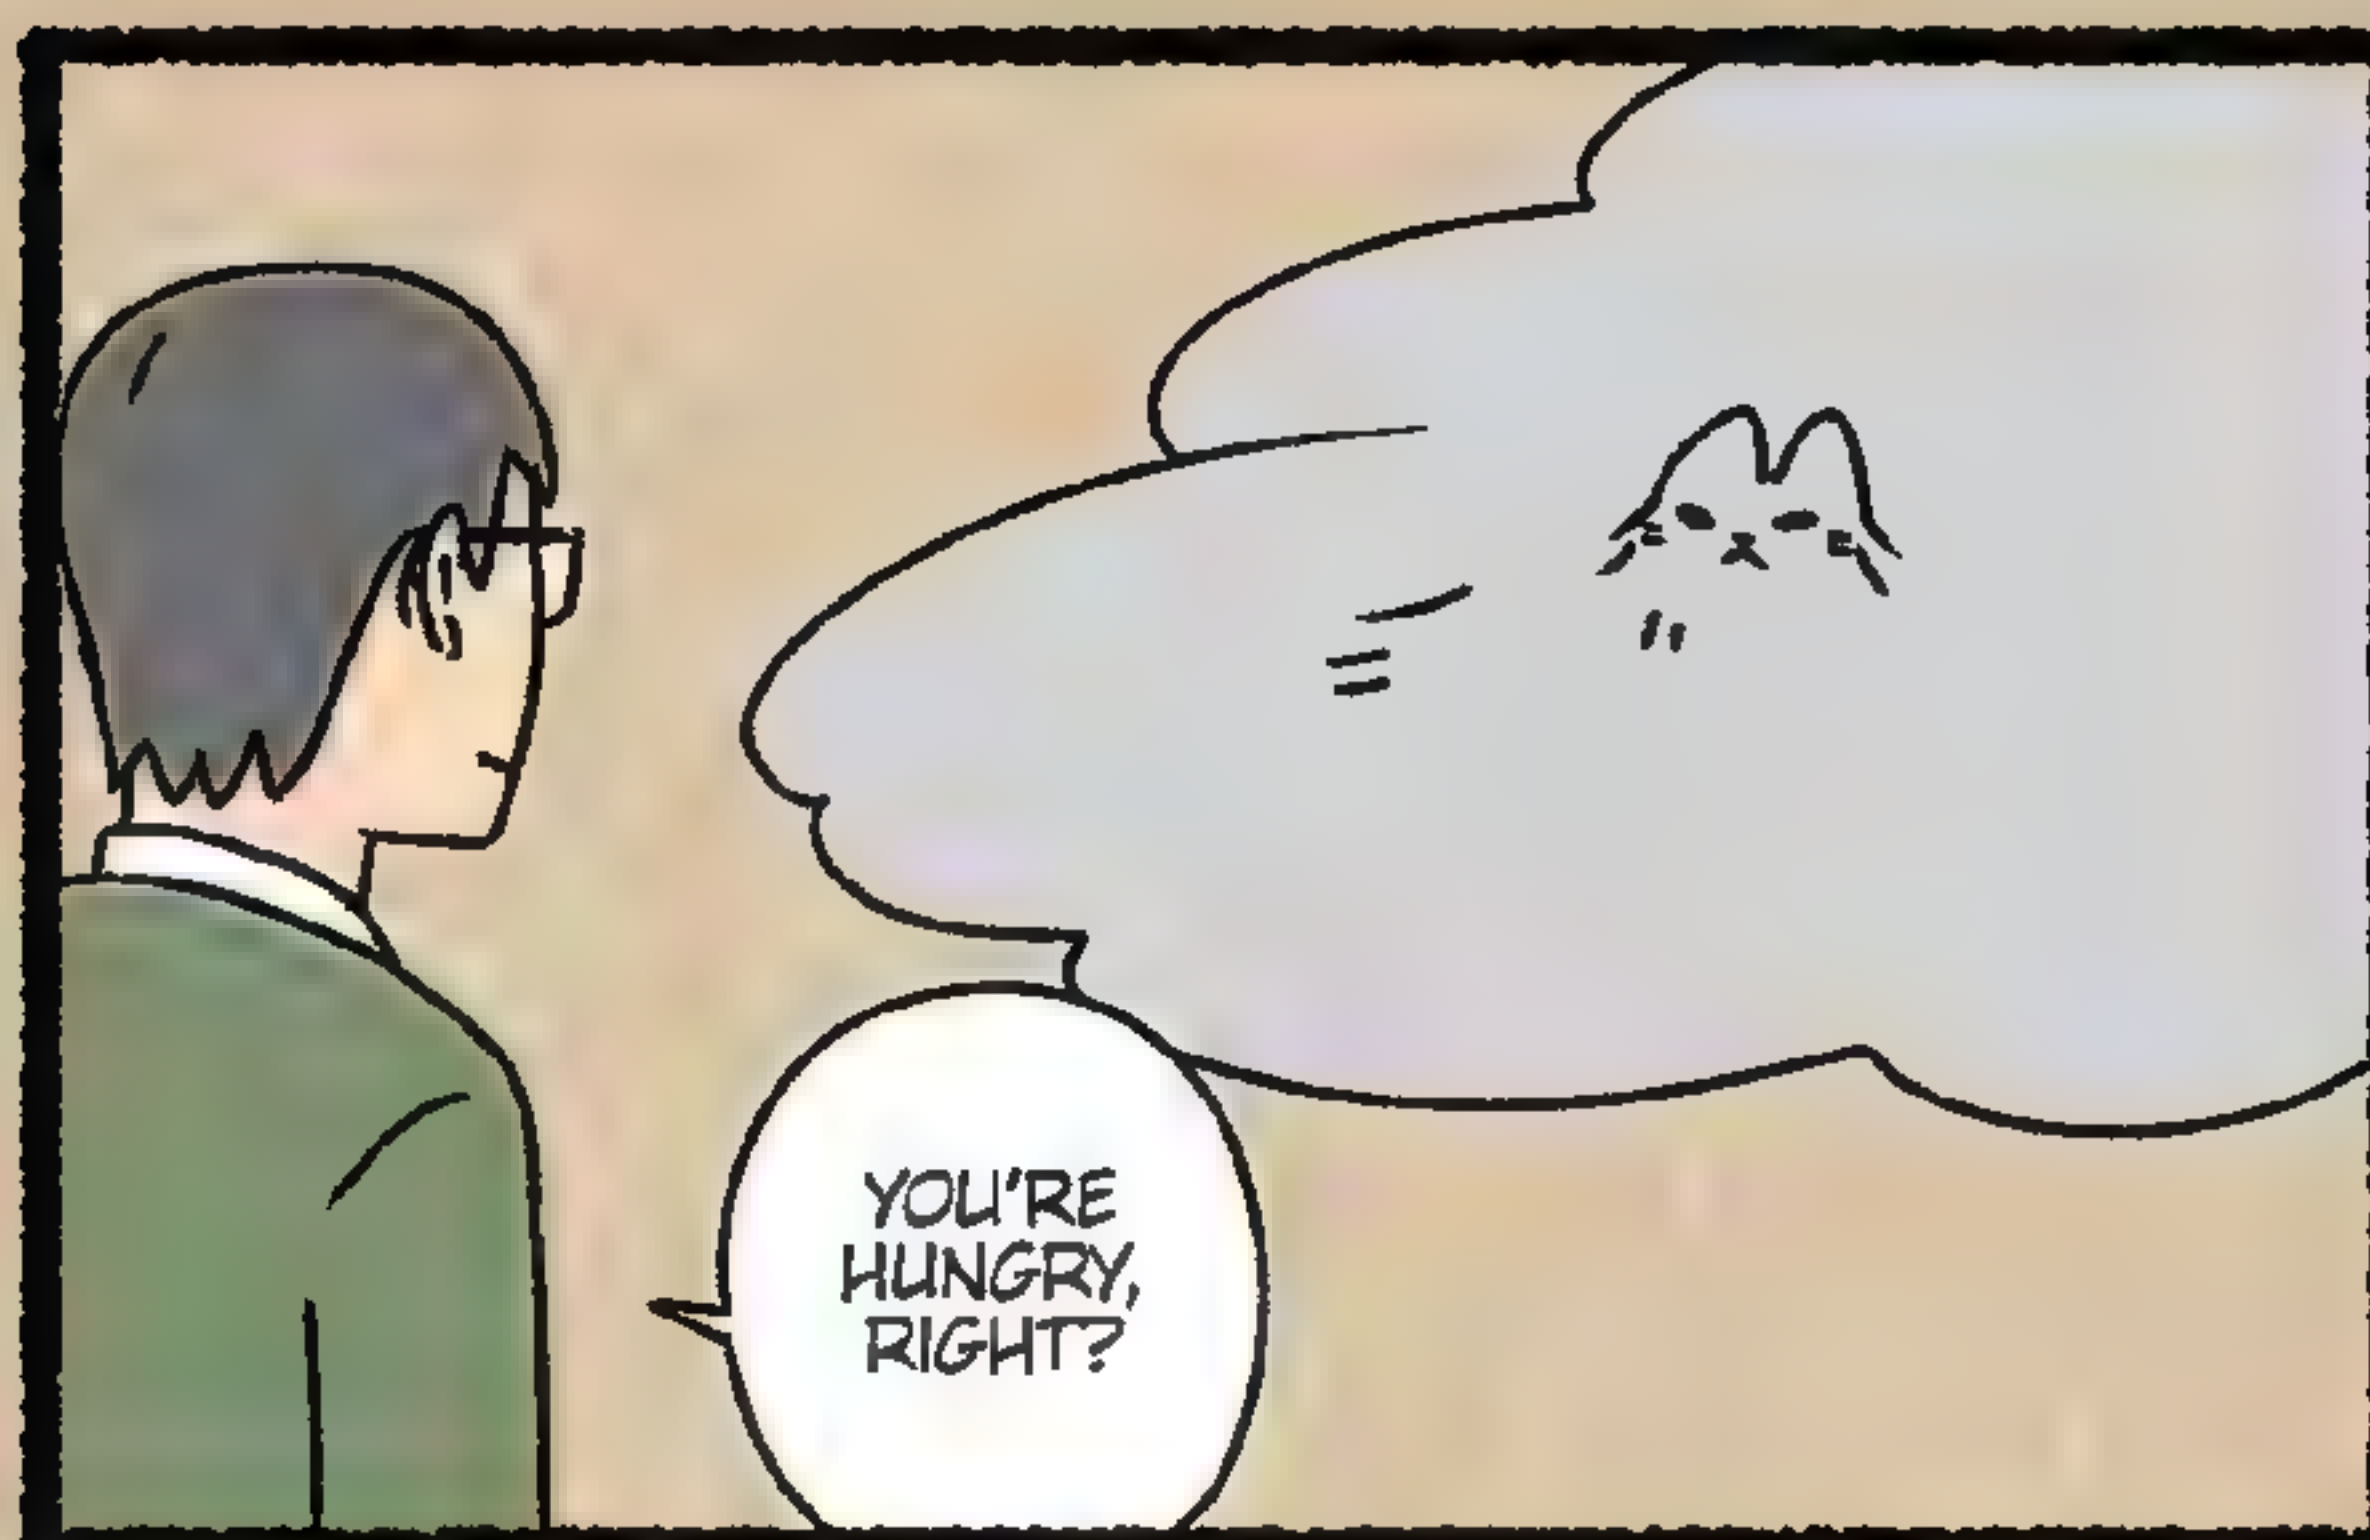

Fluffball

Often slides into places where people are trying to sit or pass through.

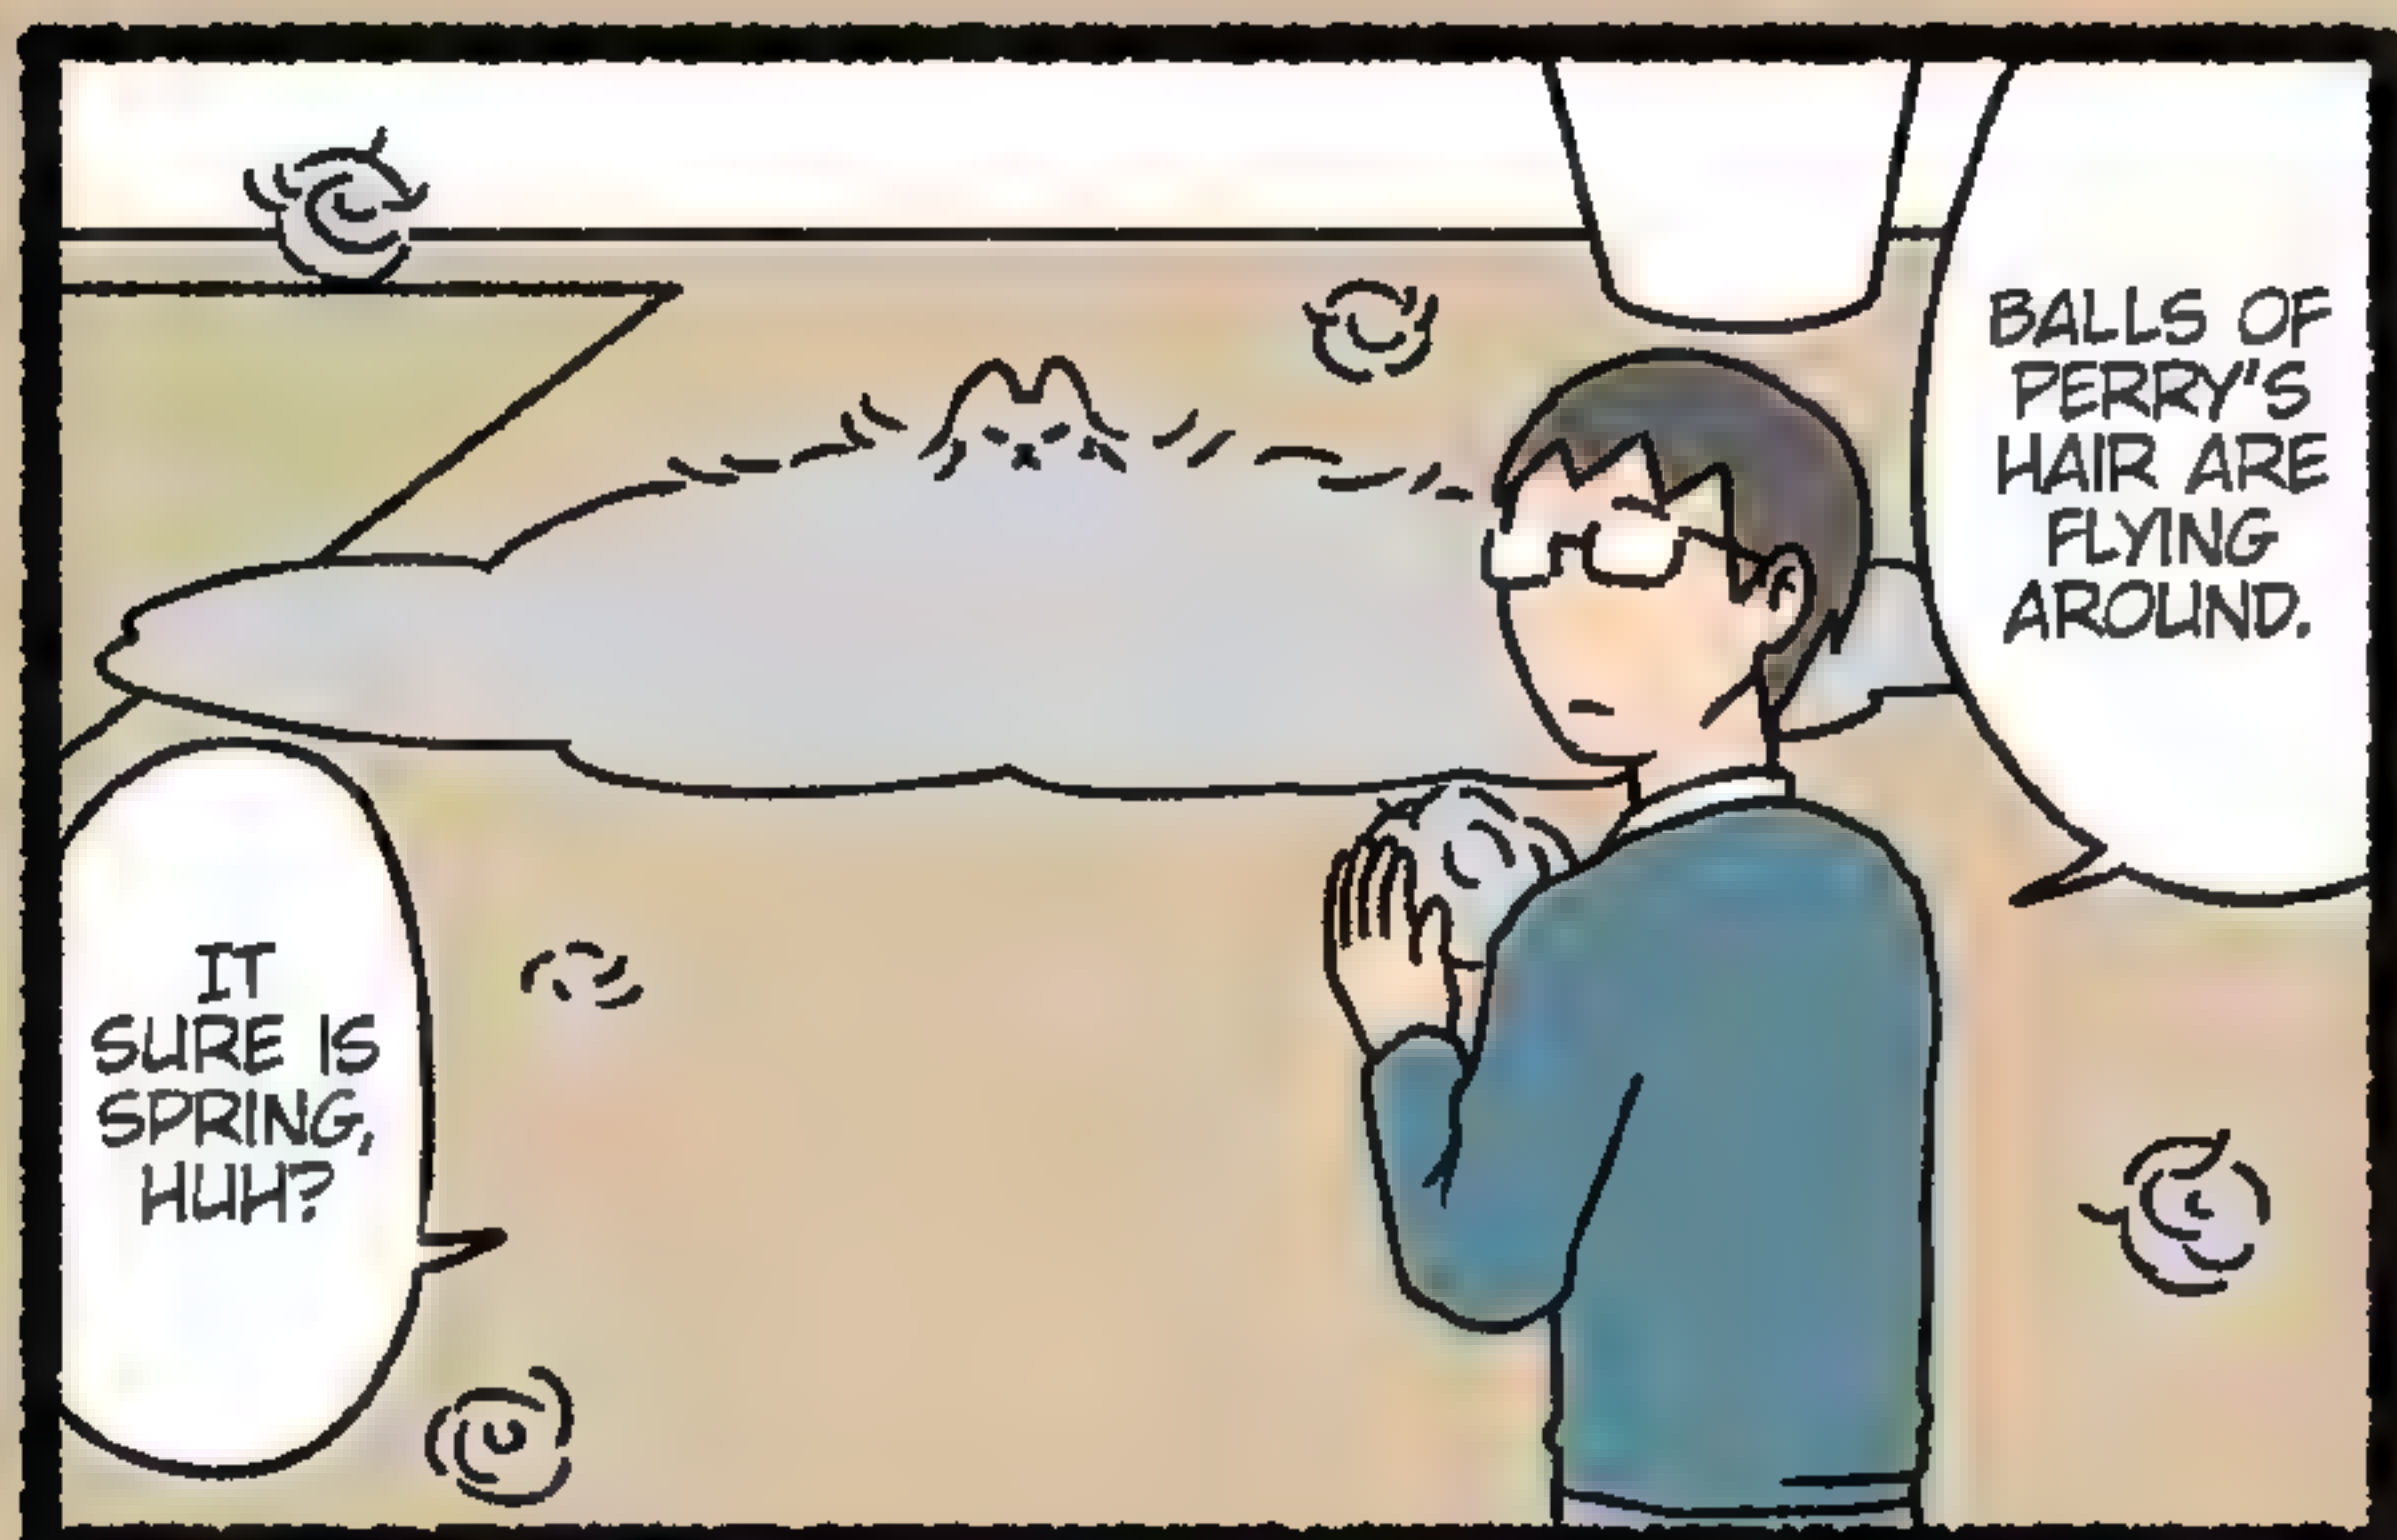

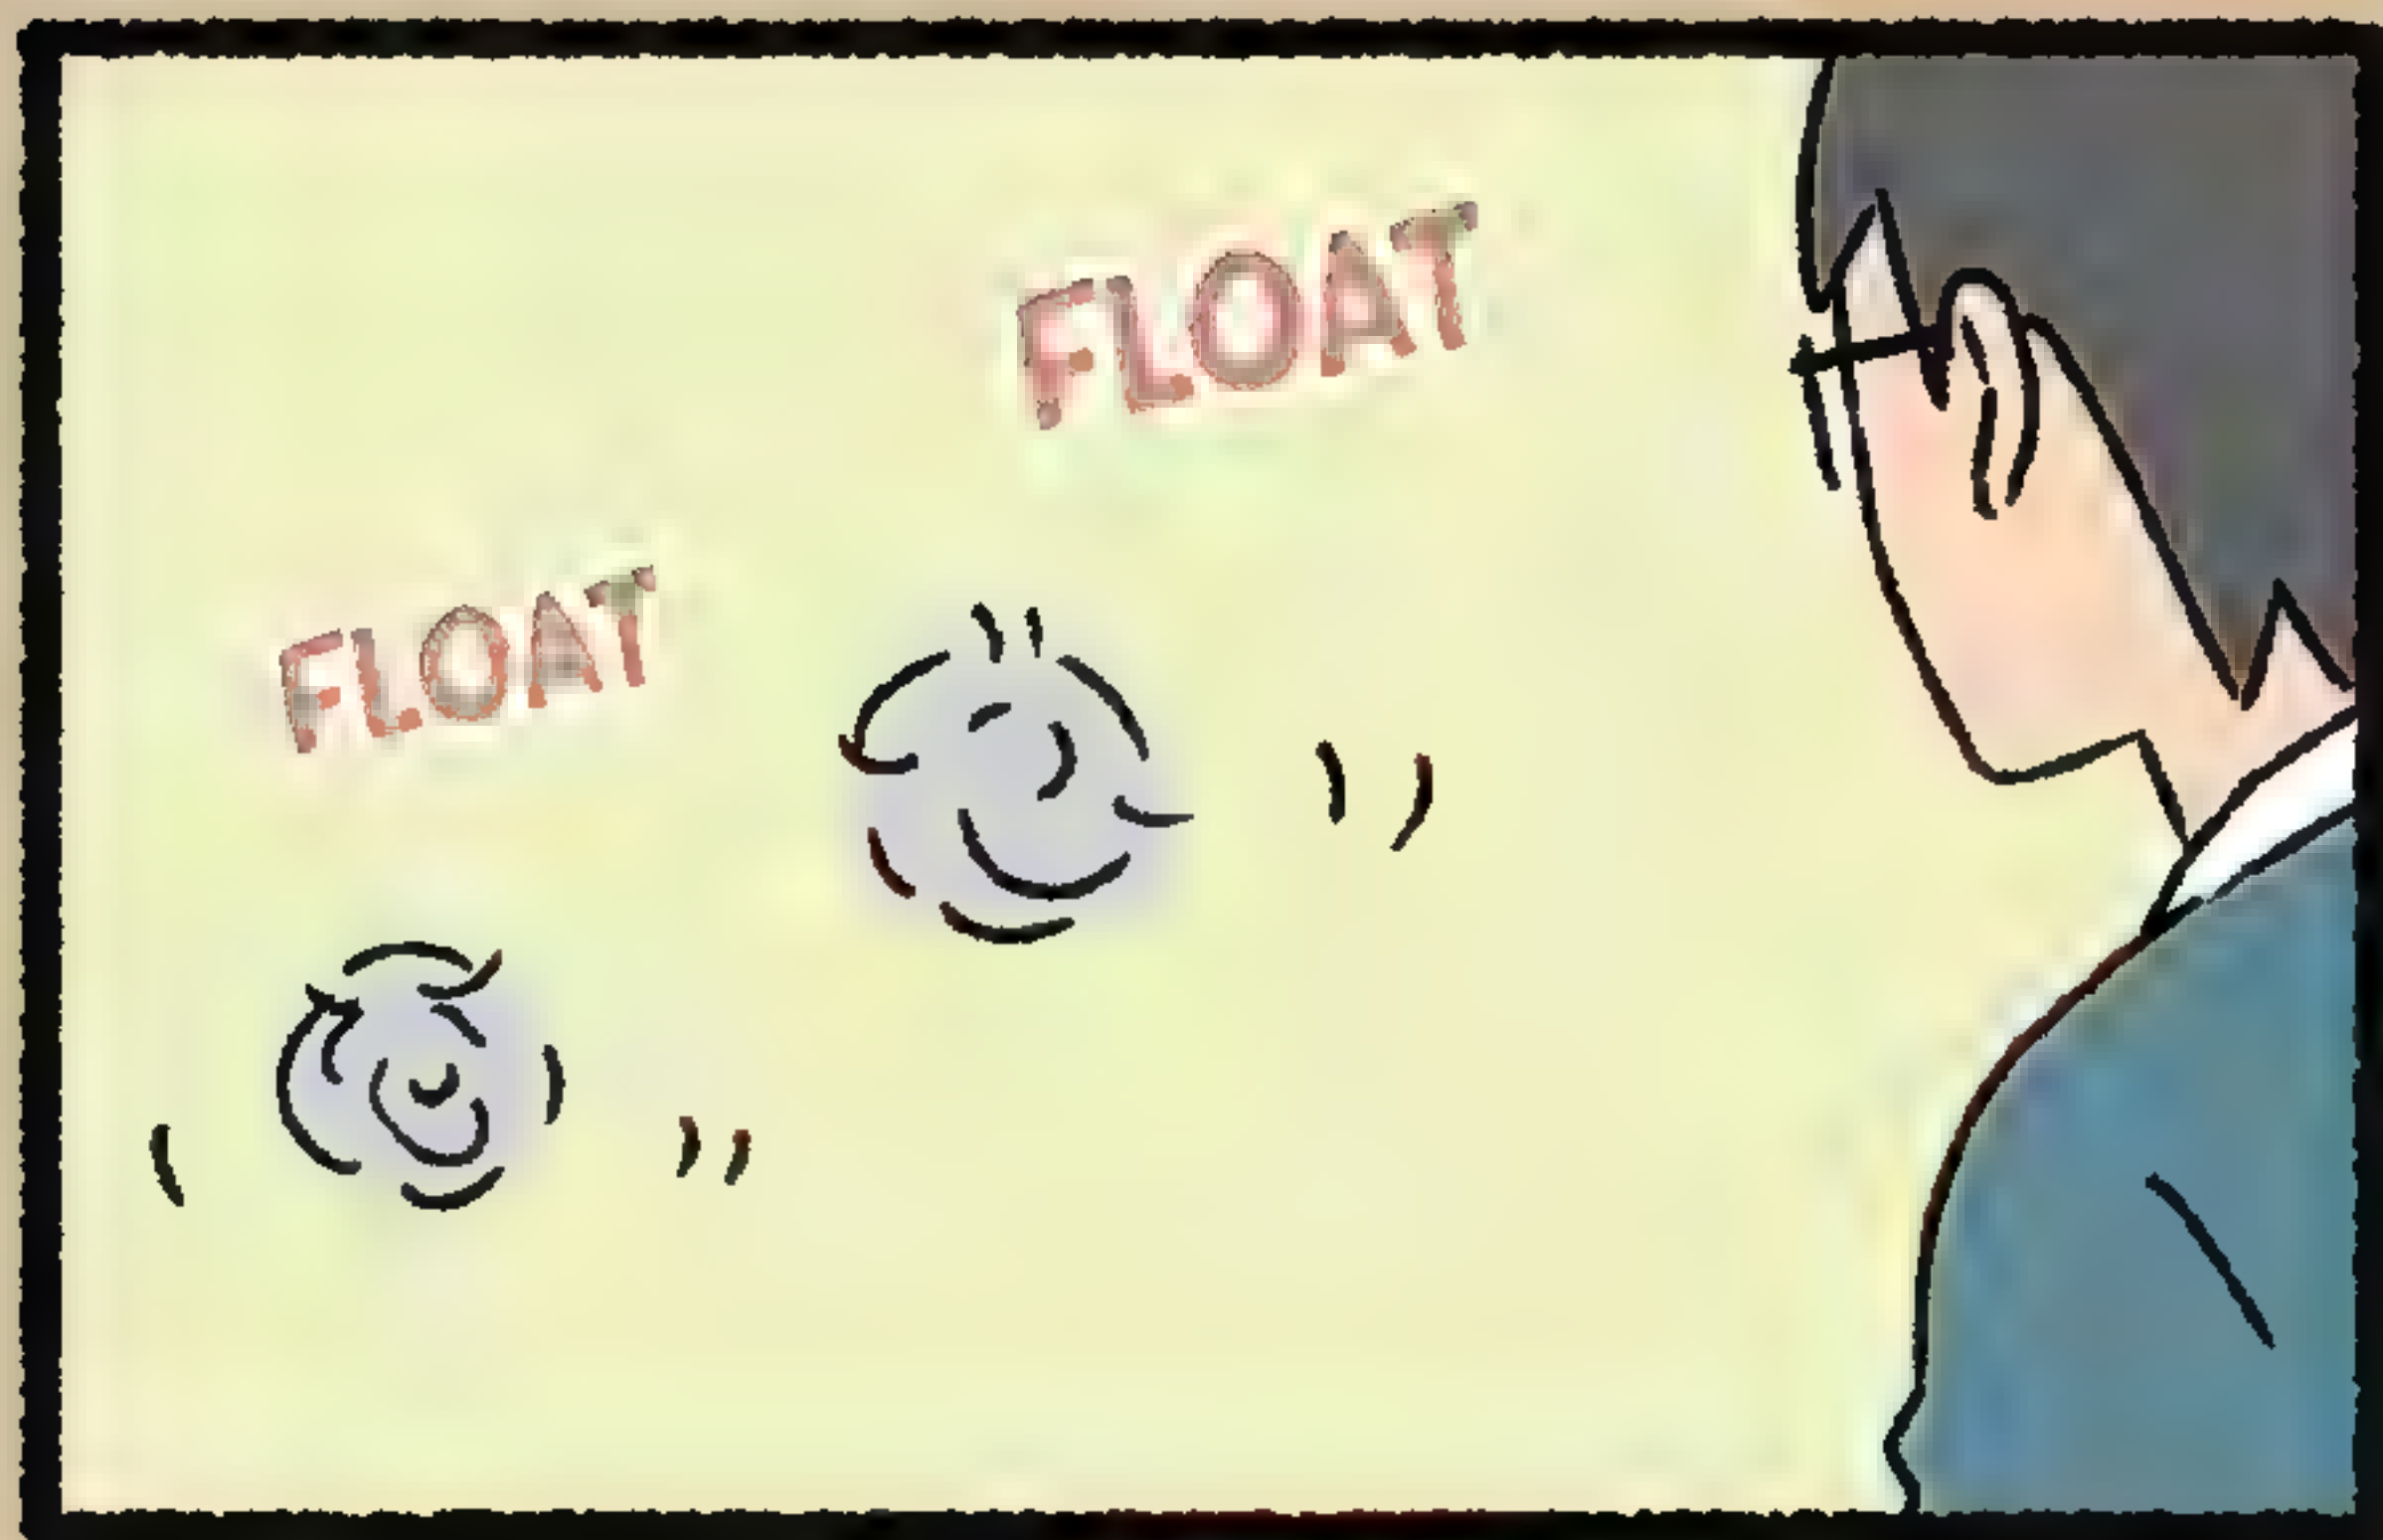

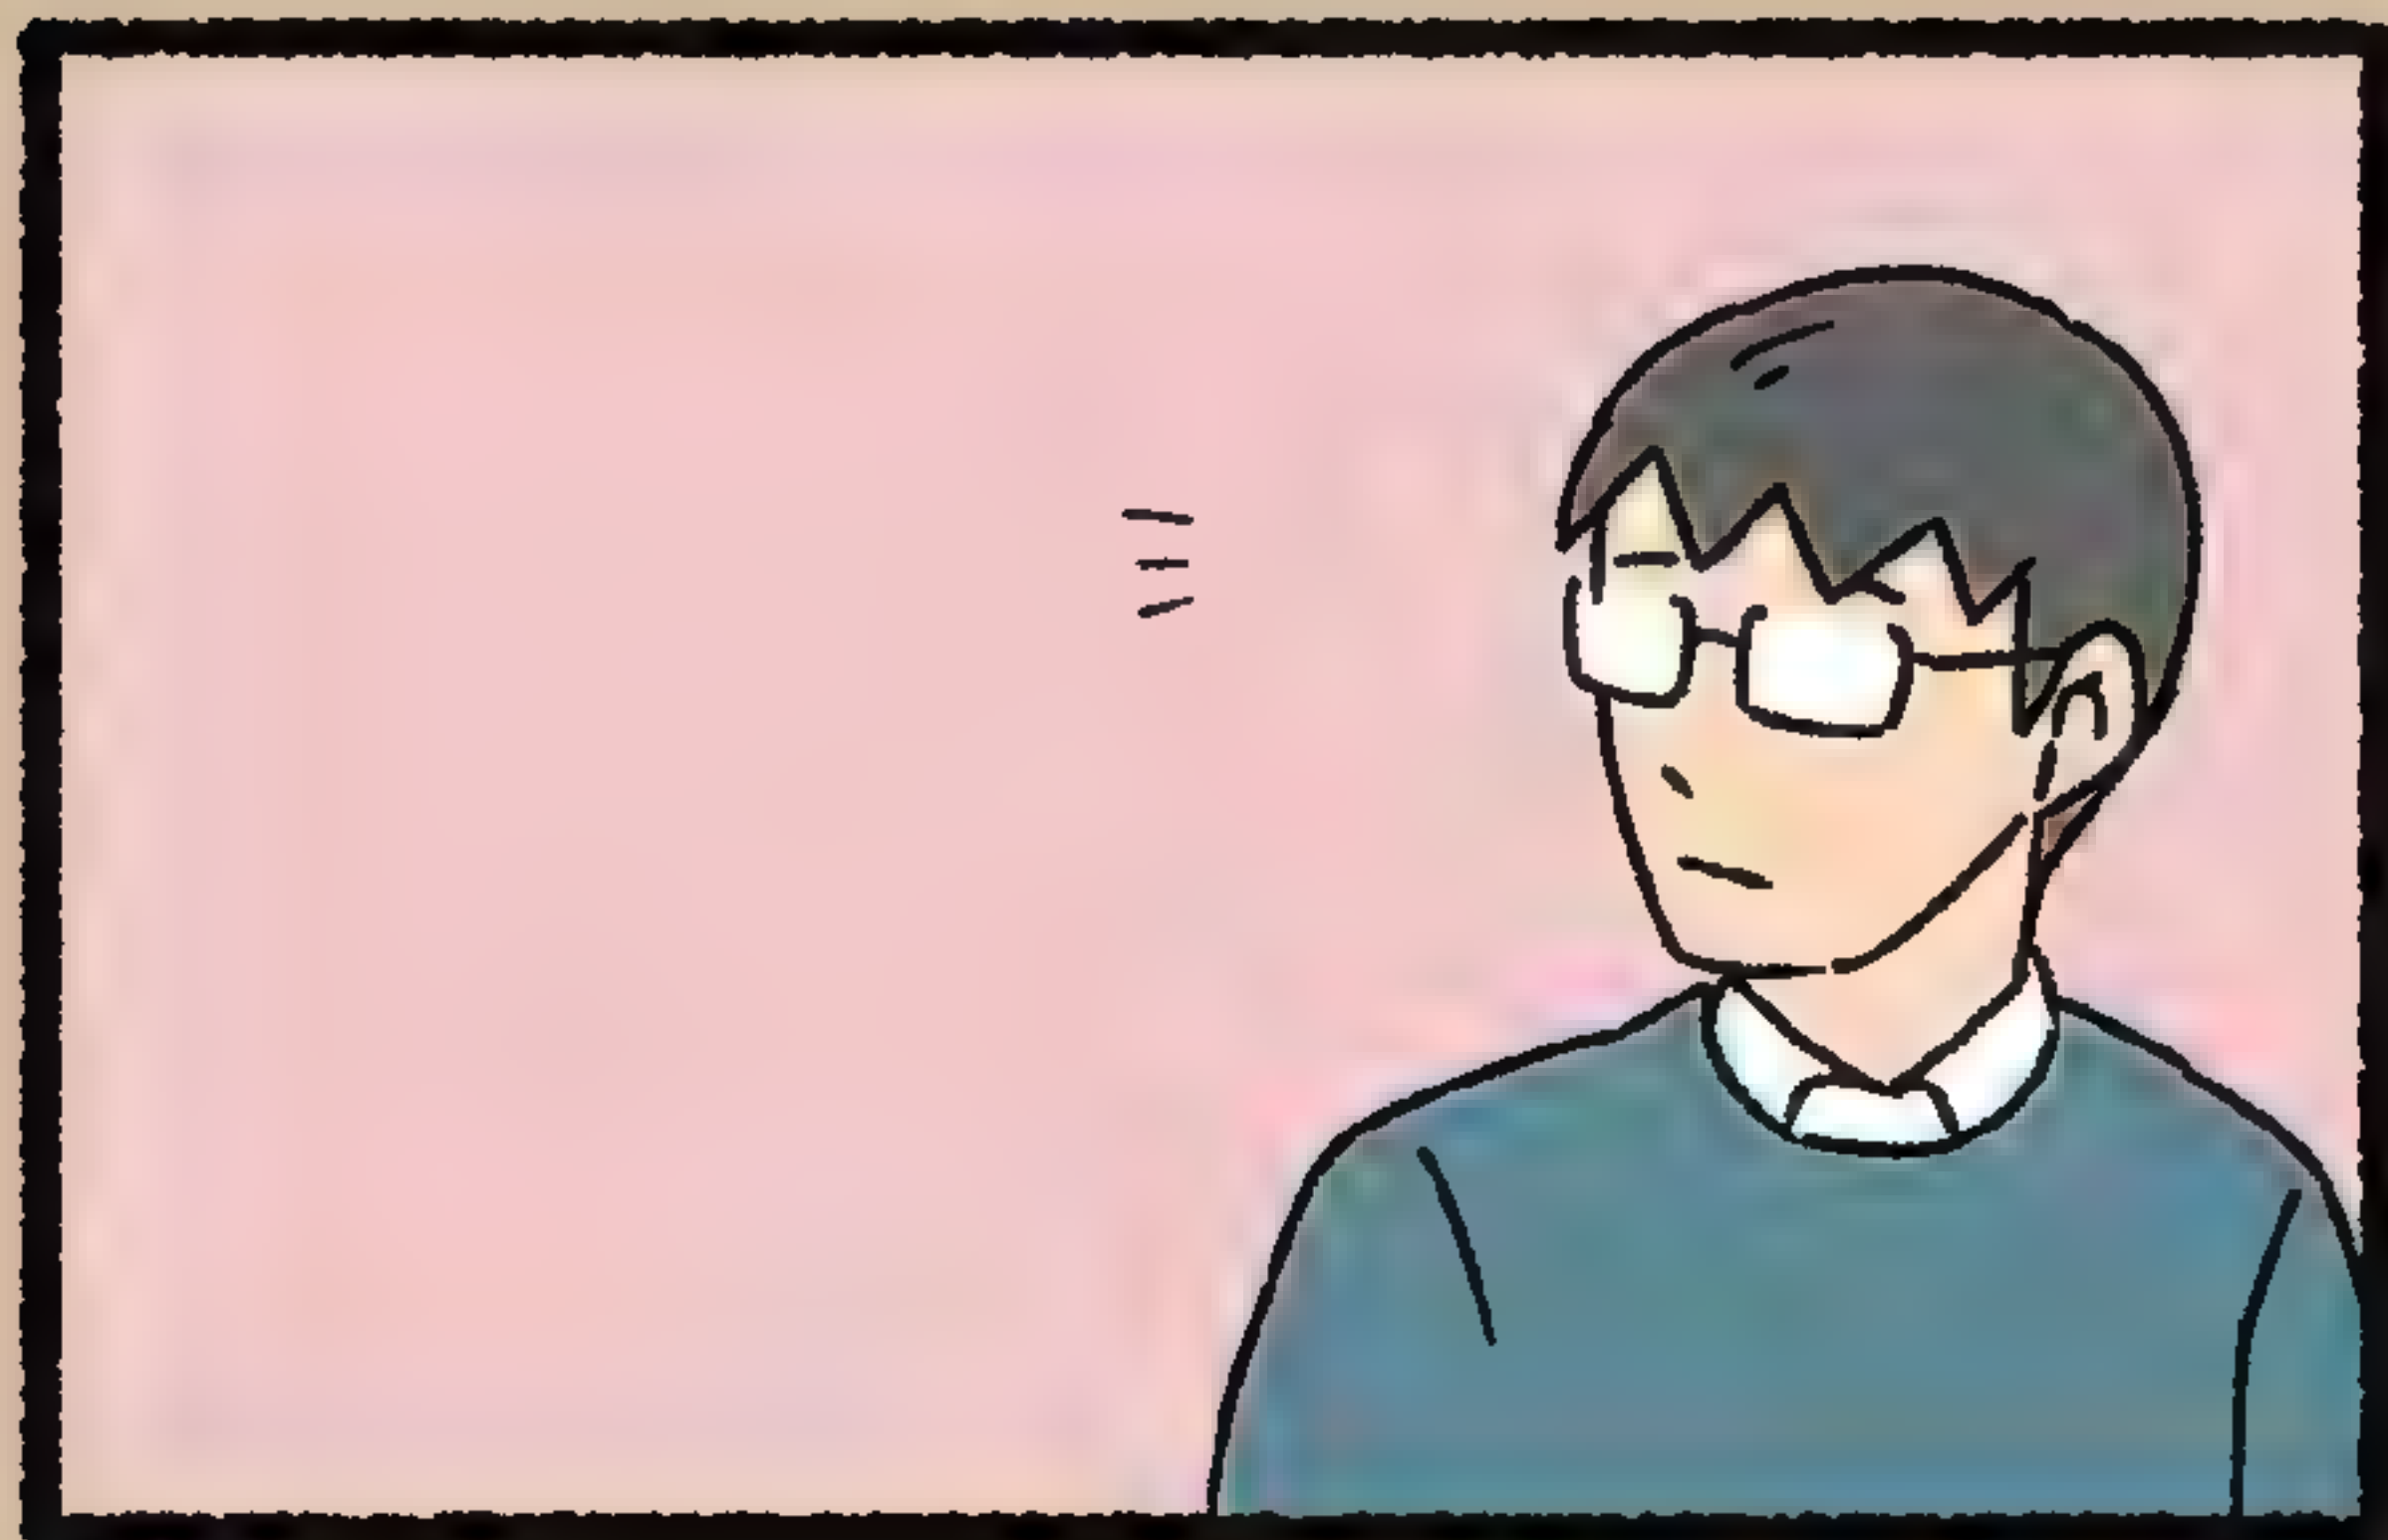

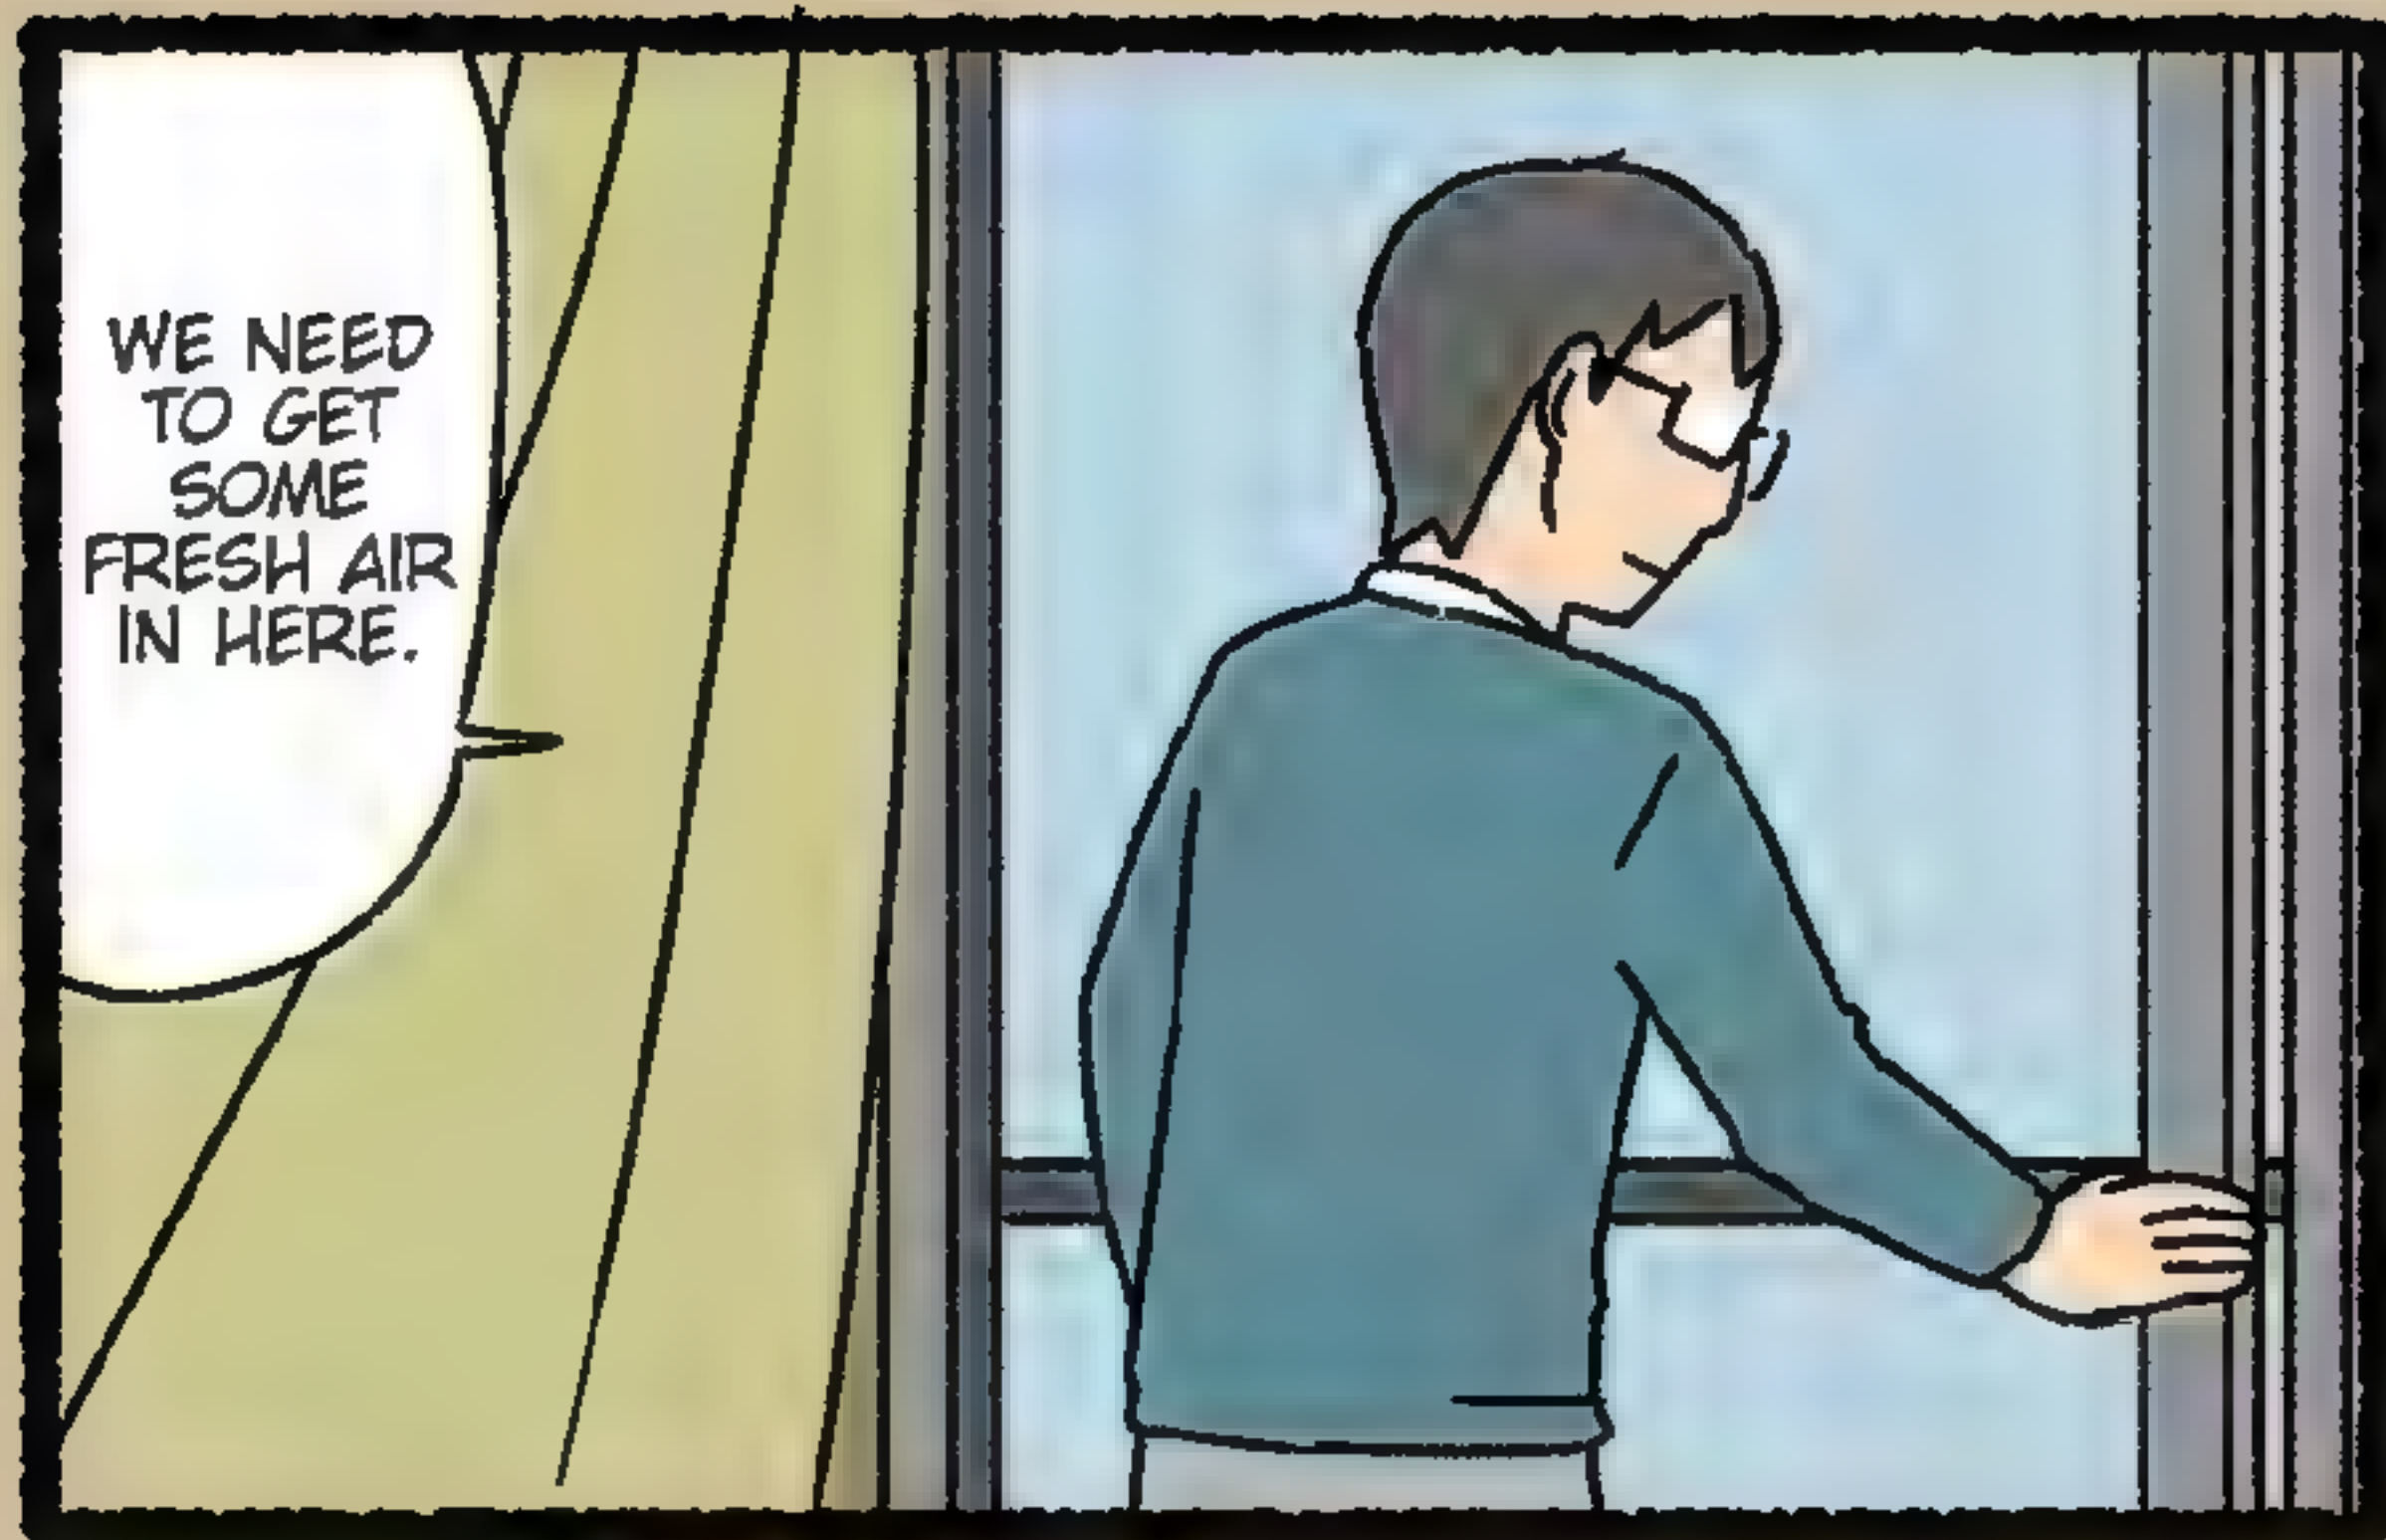

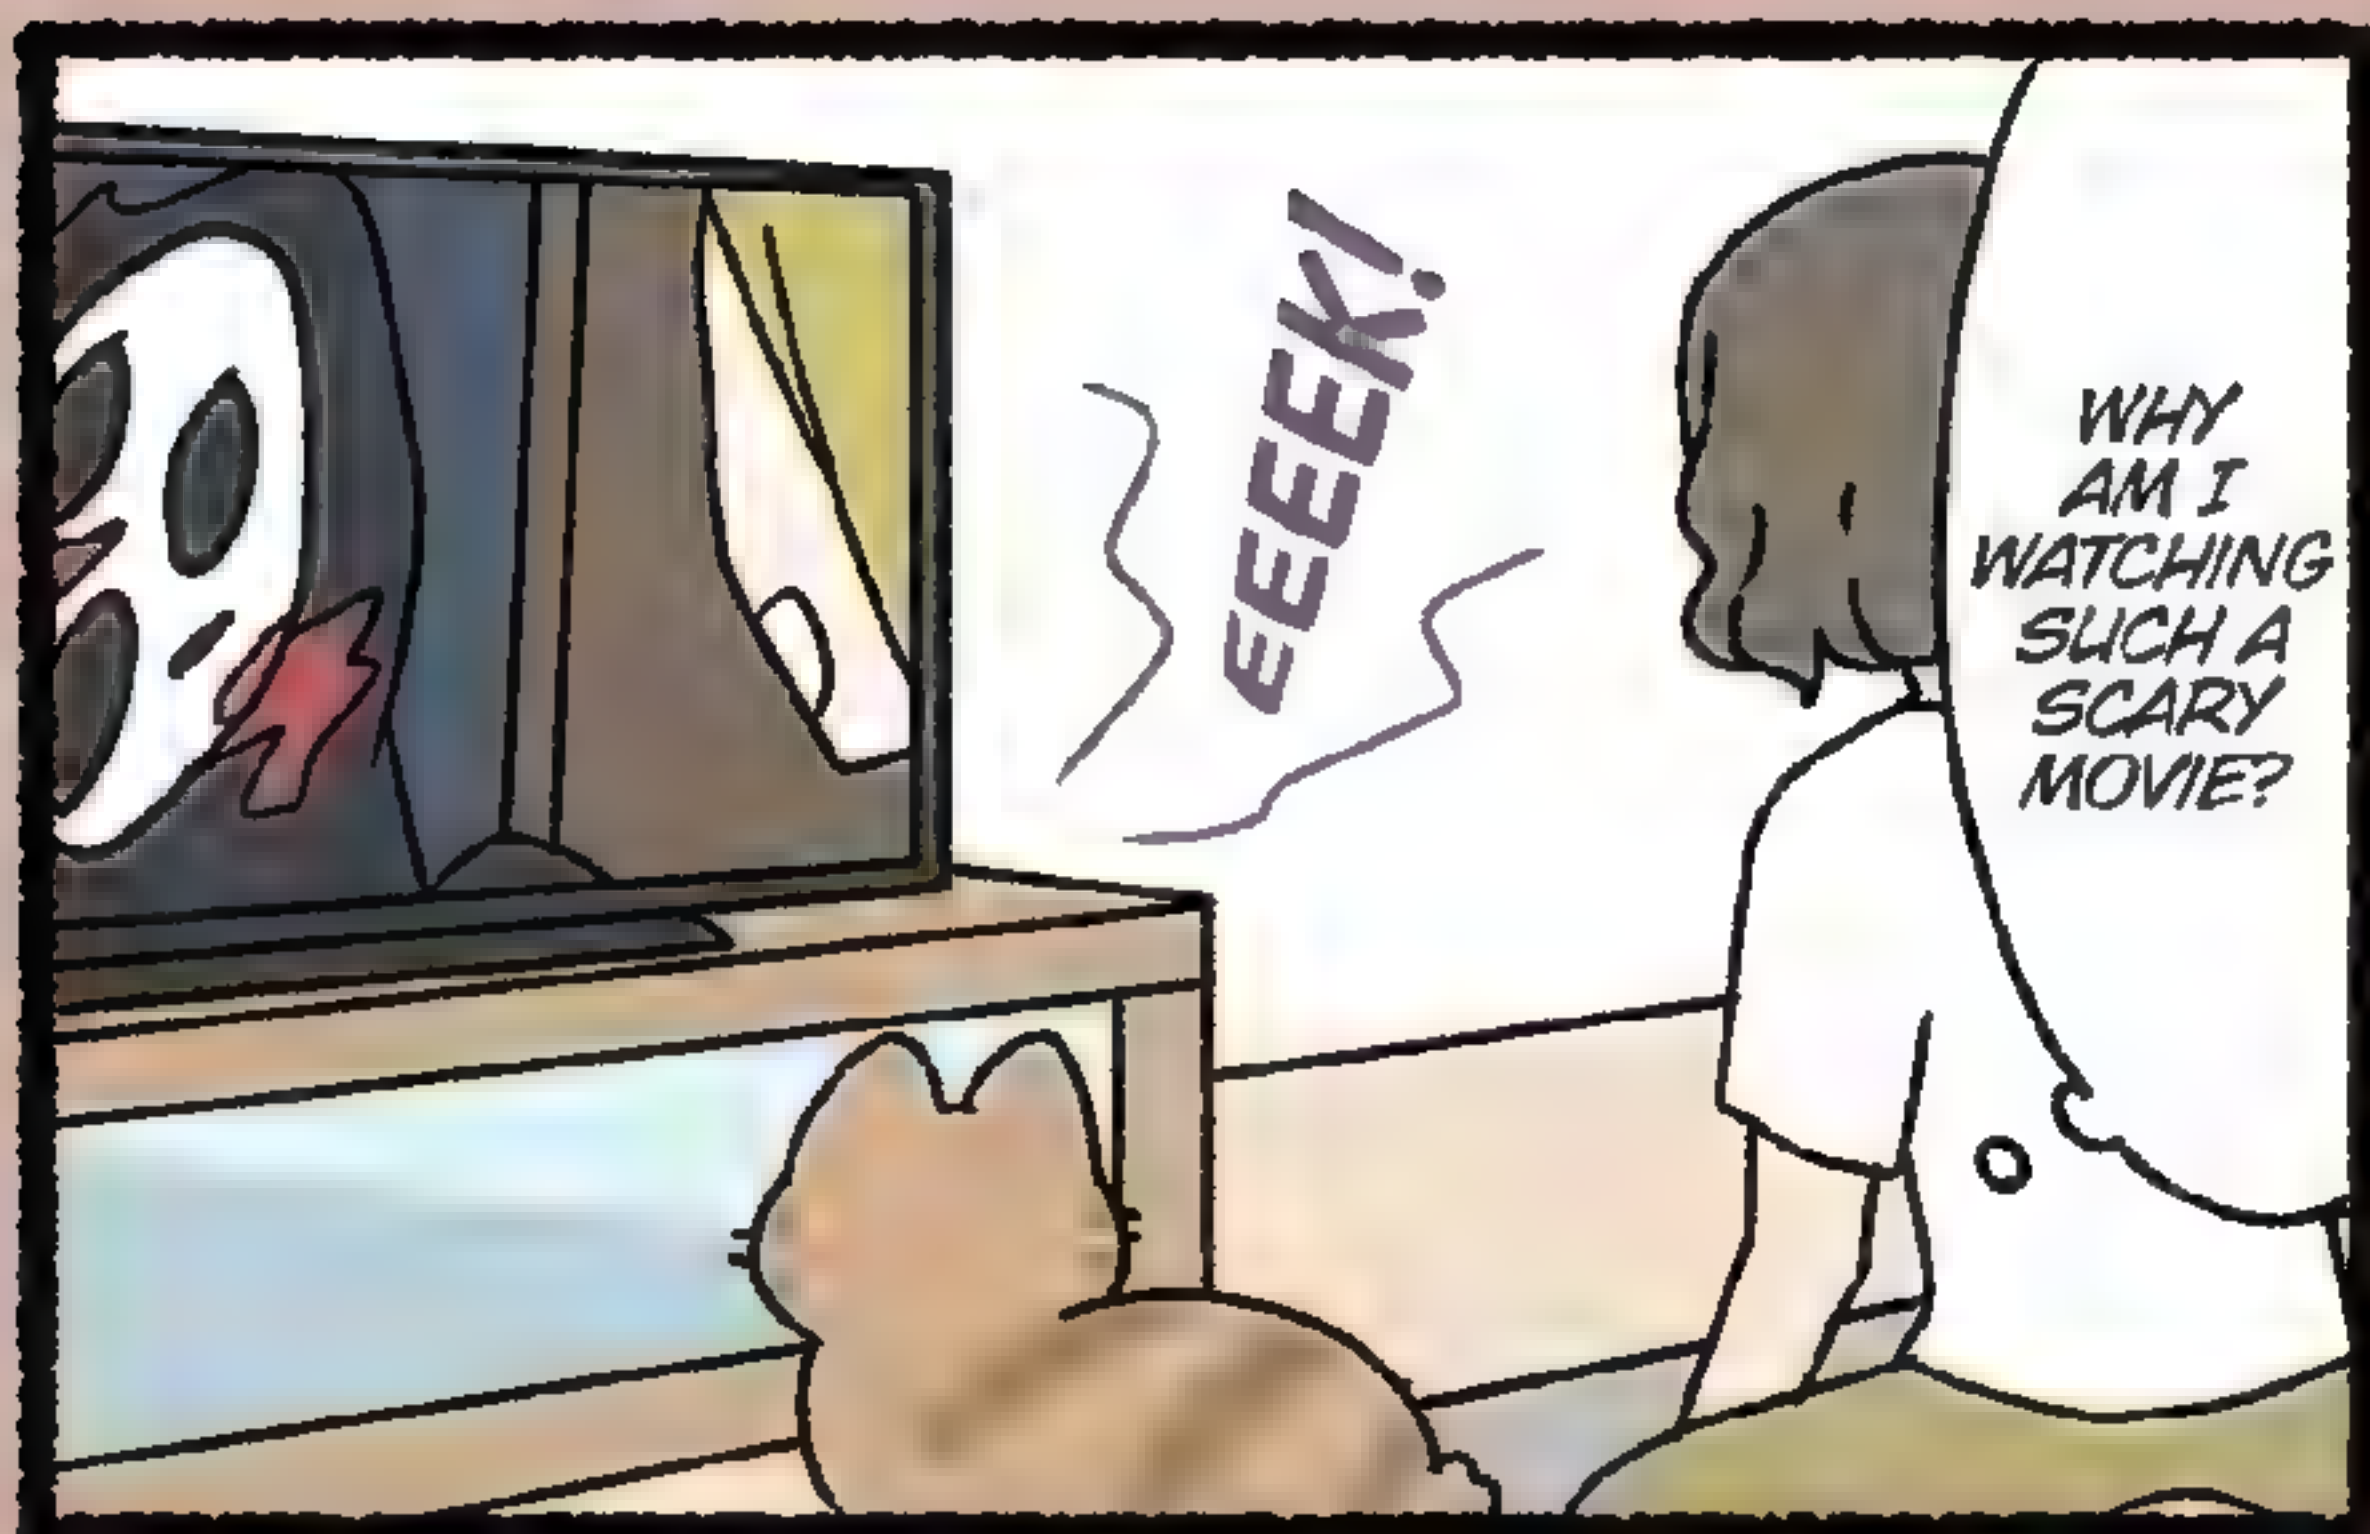

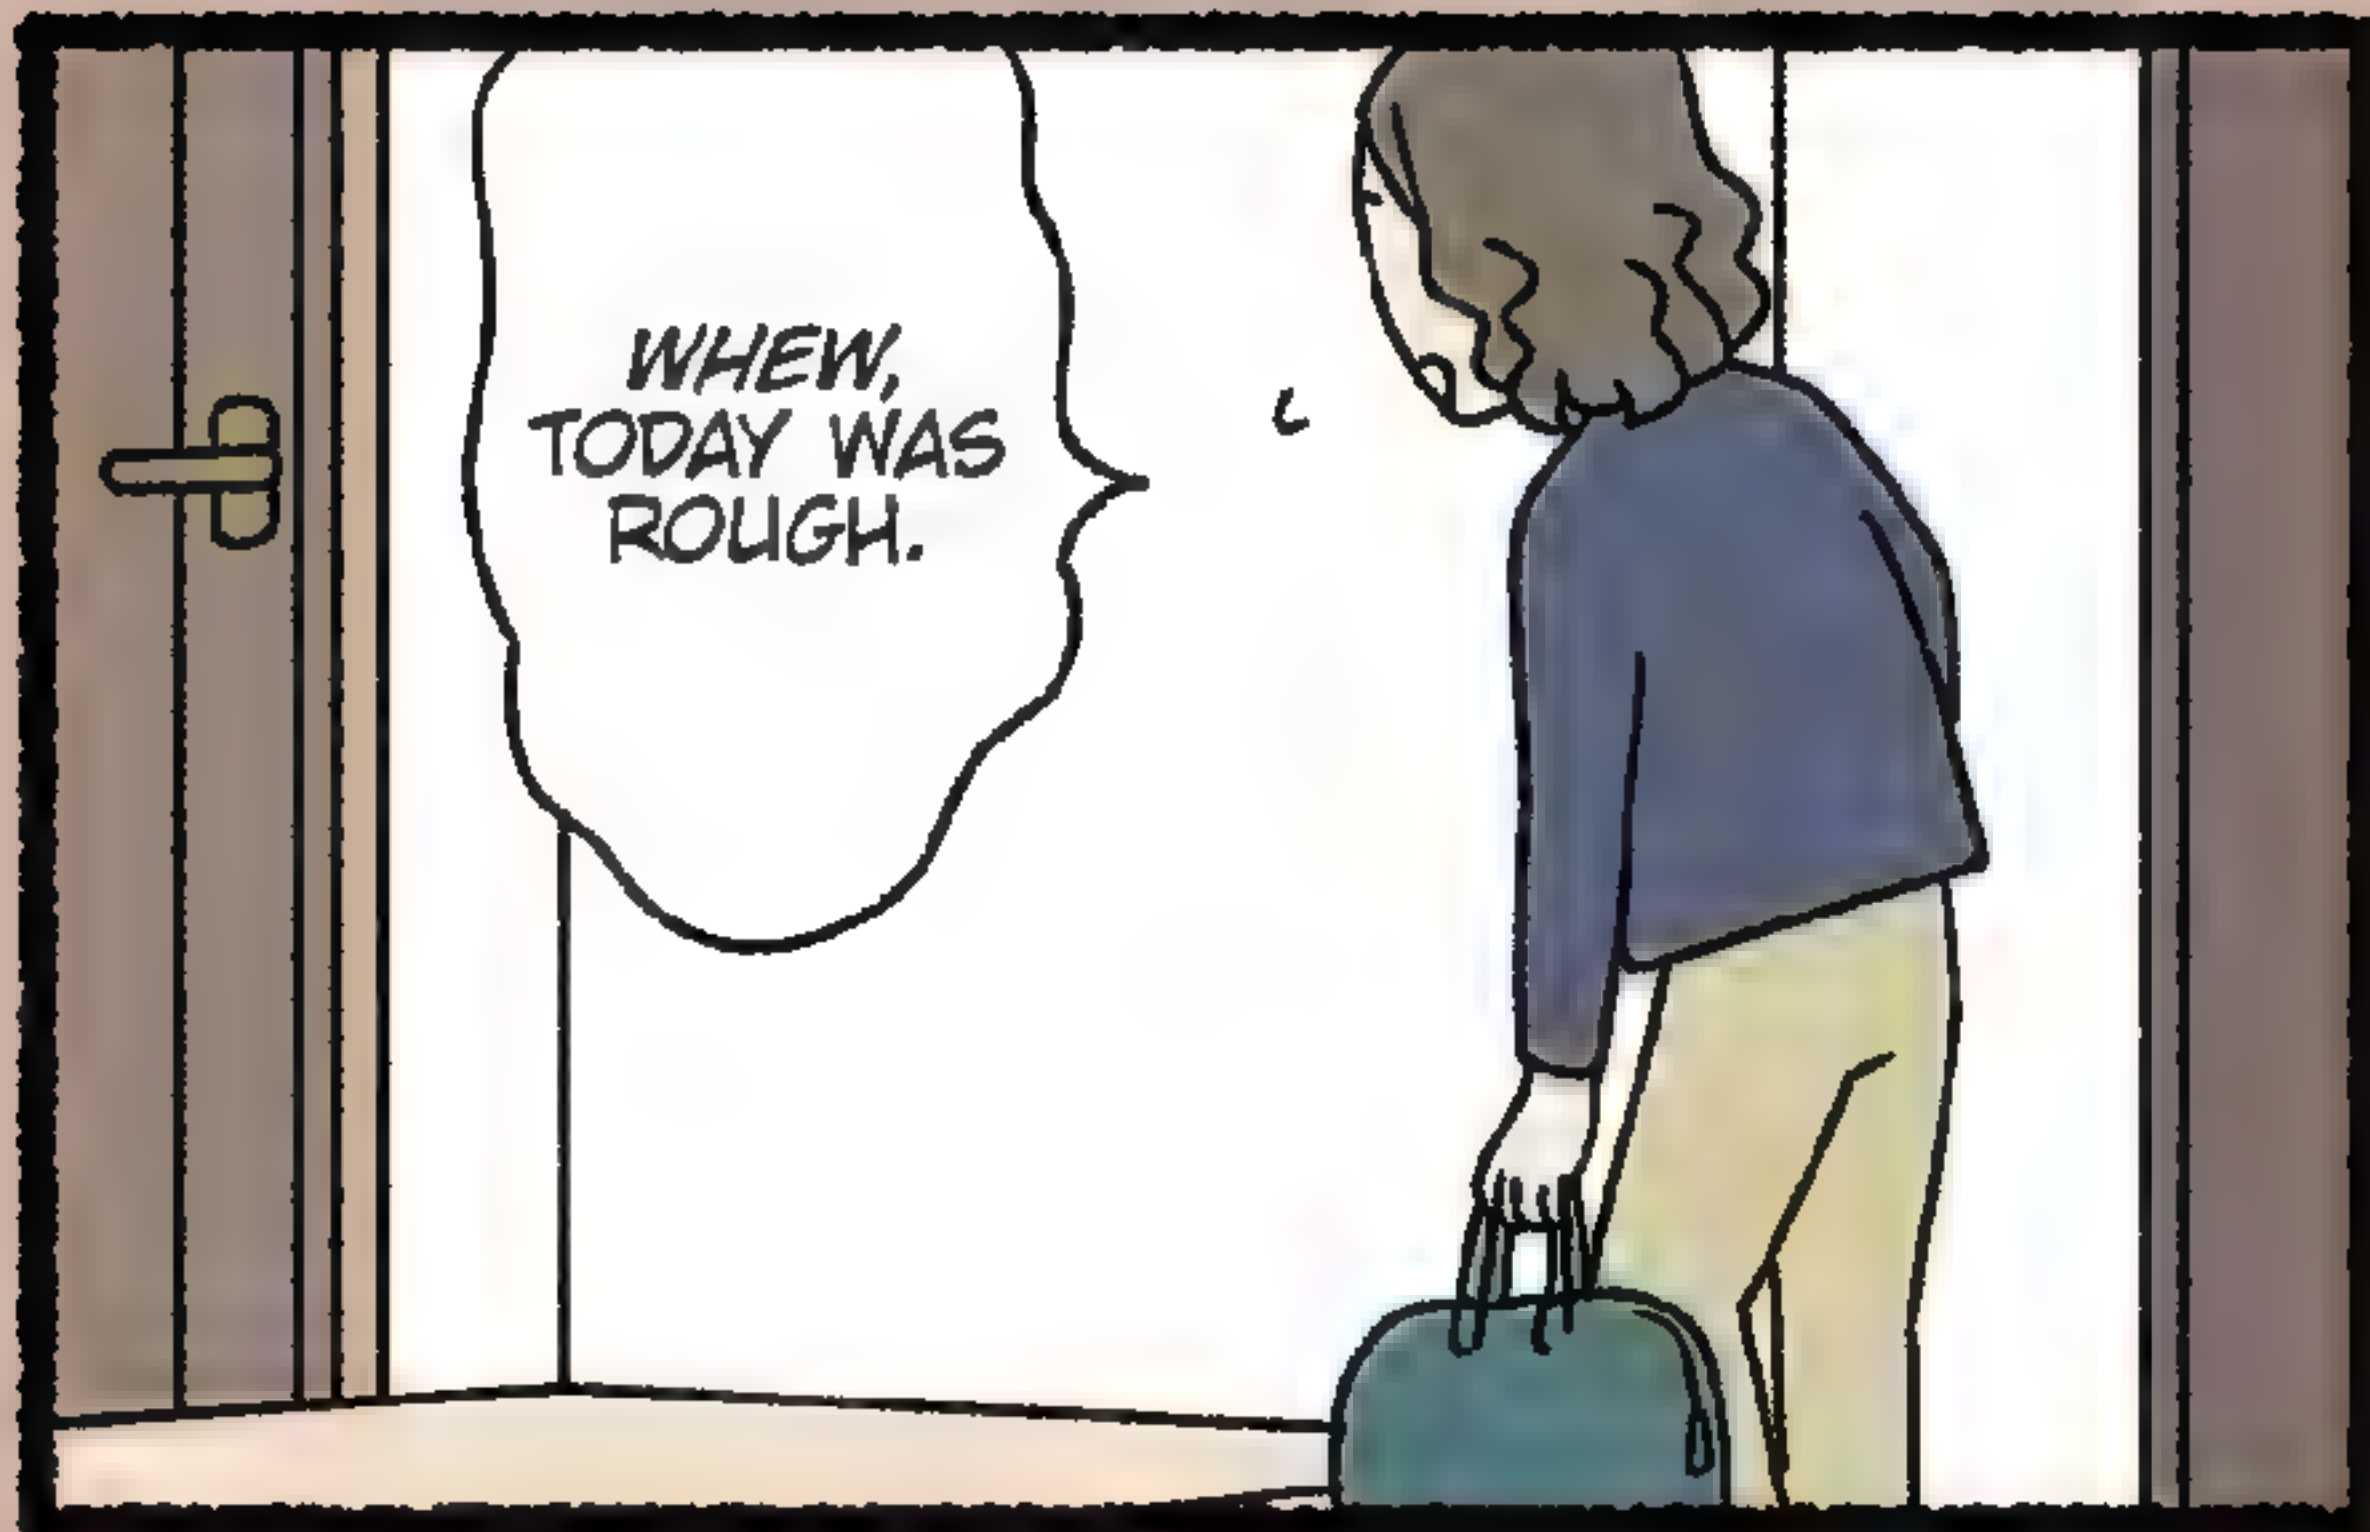

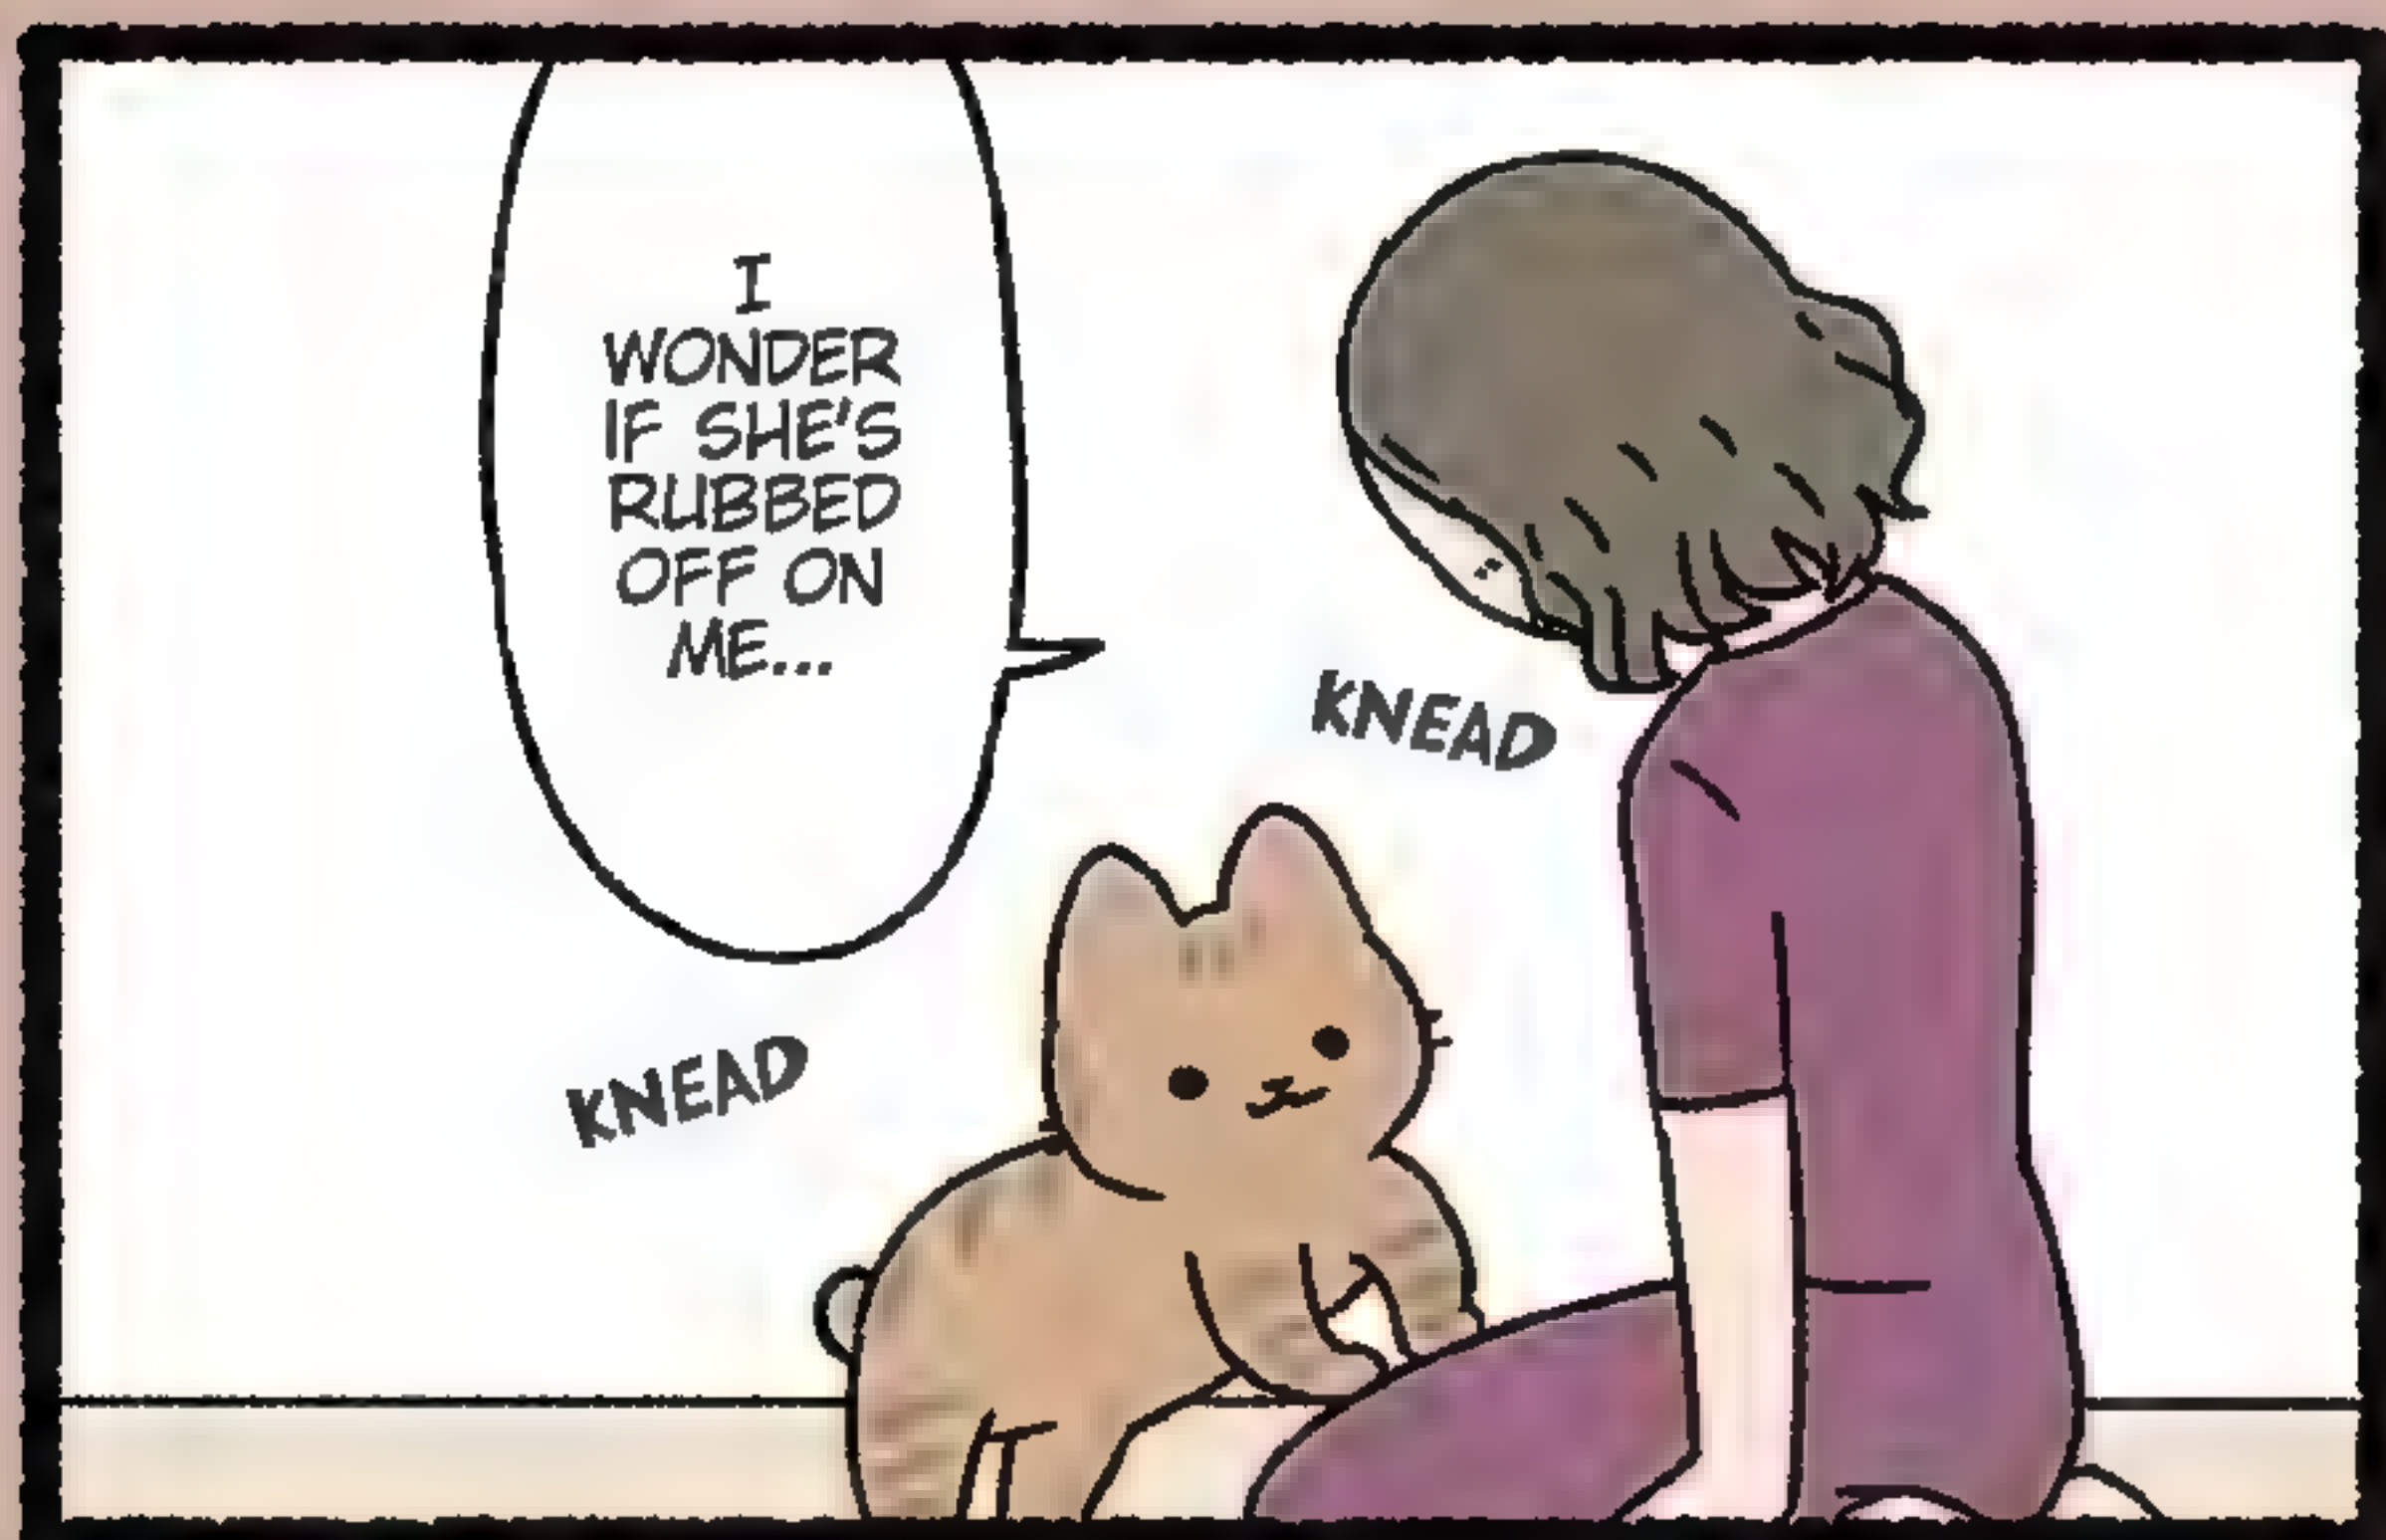

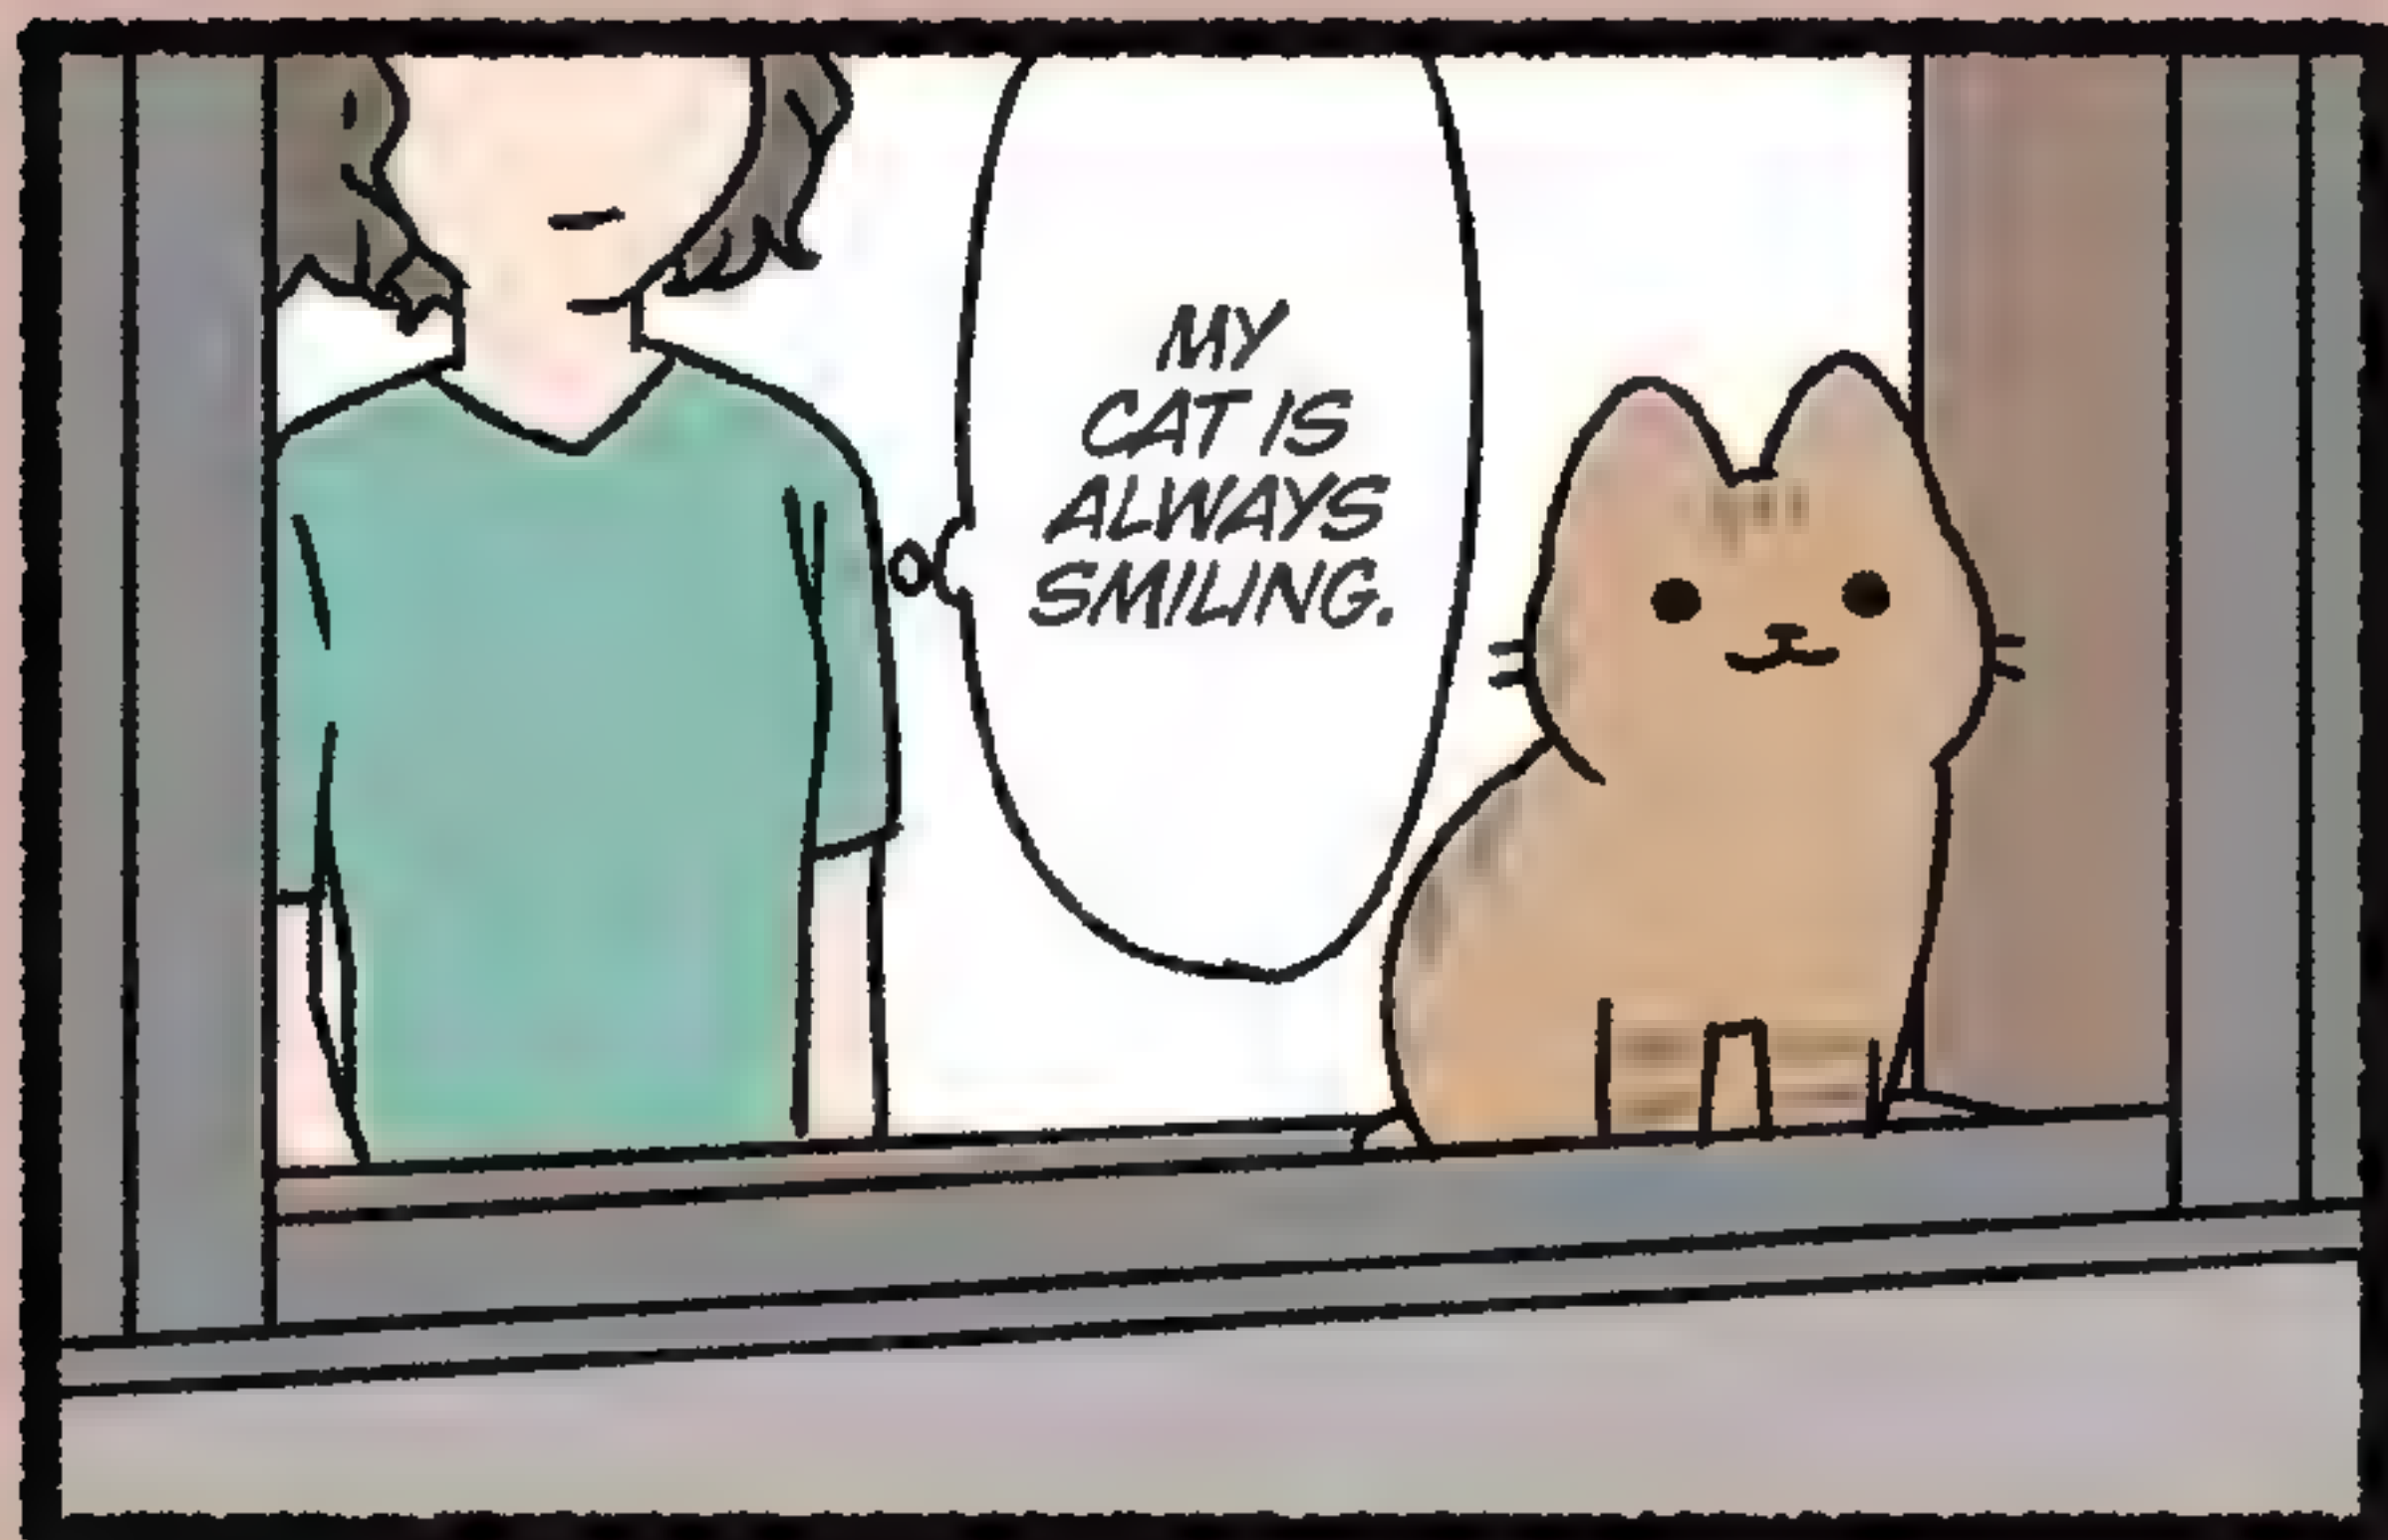

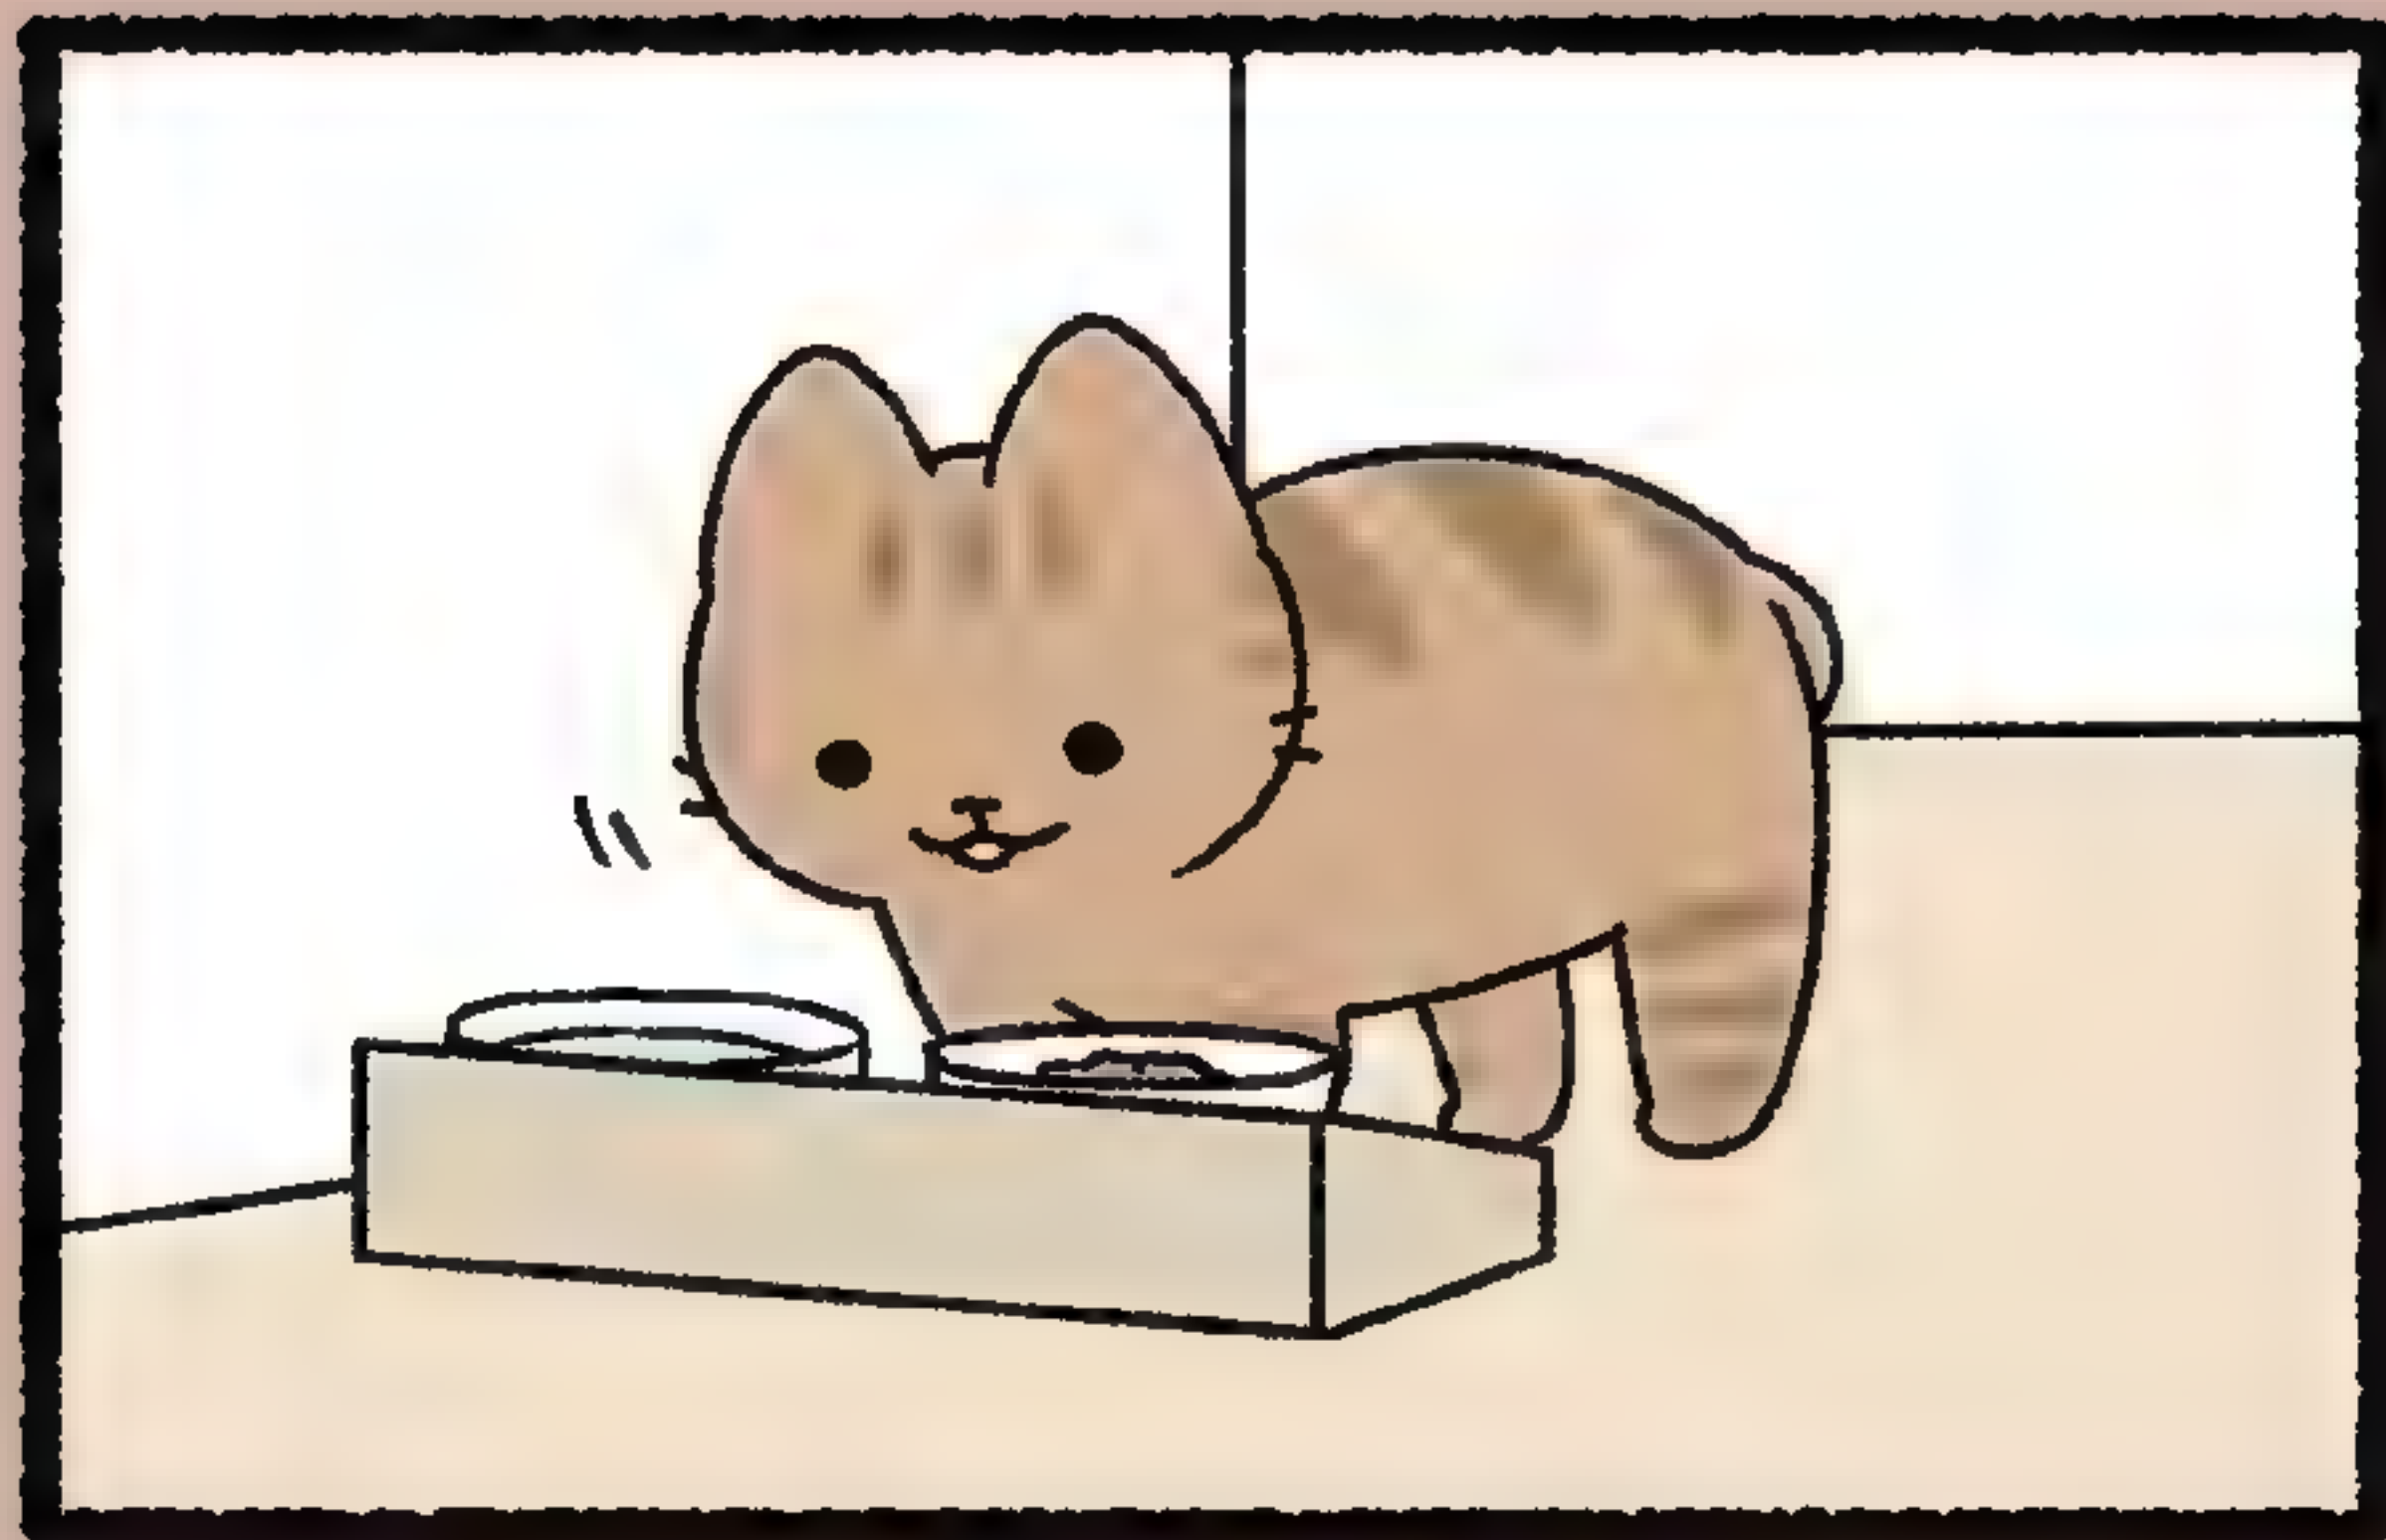

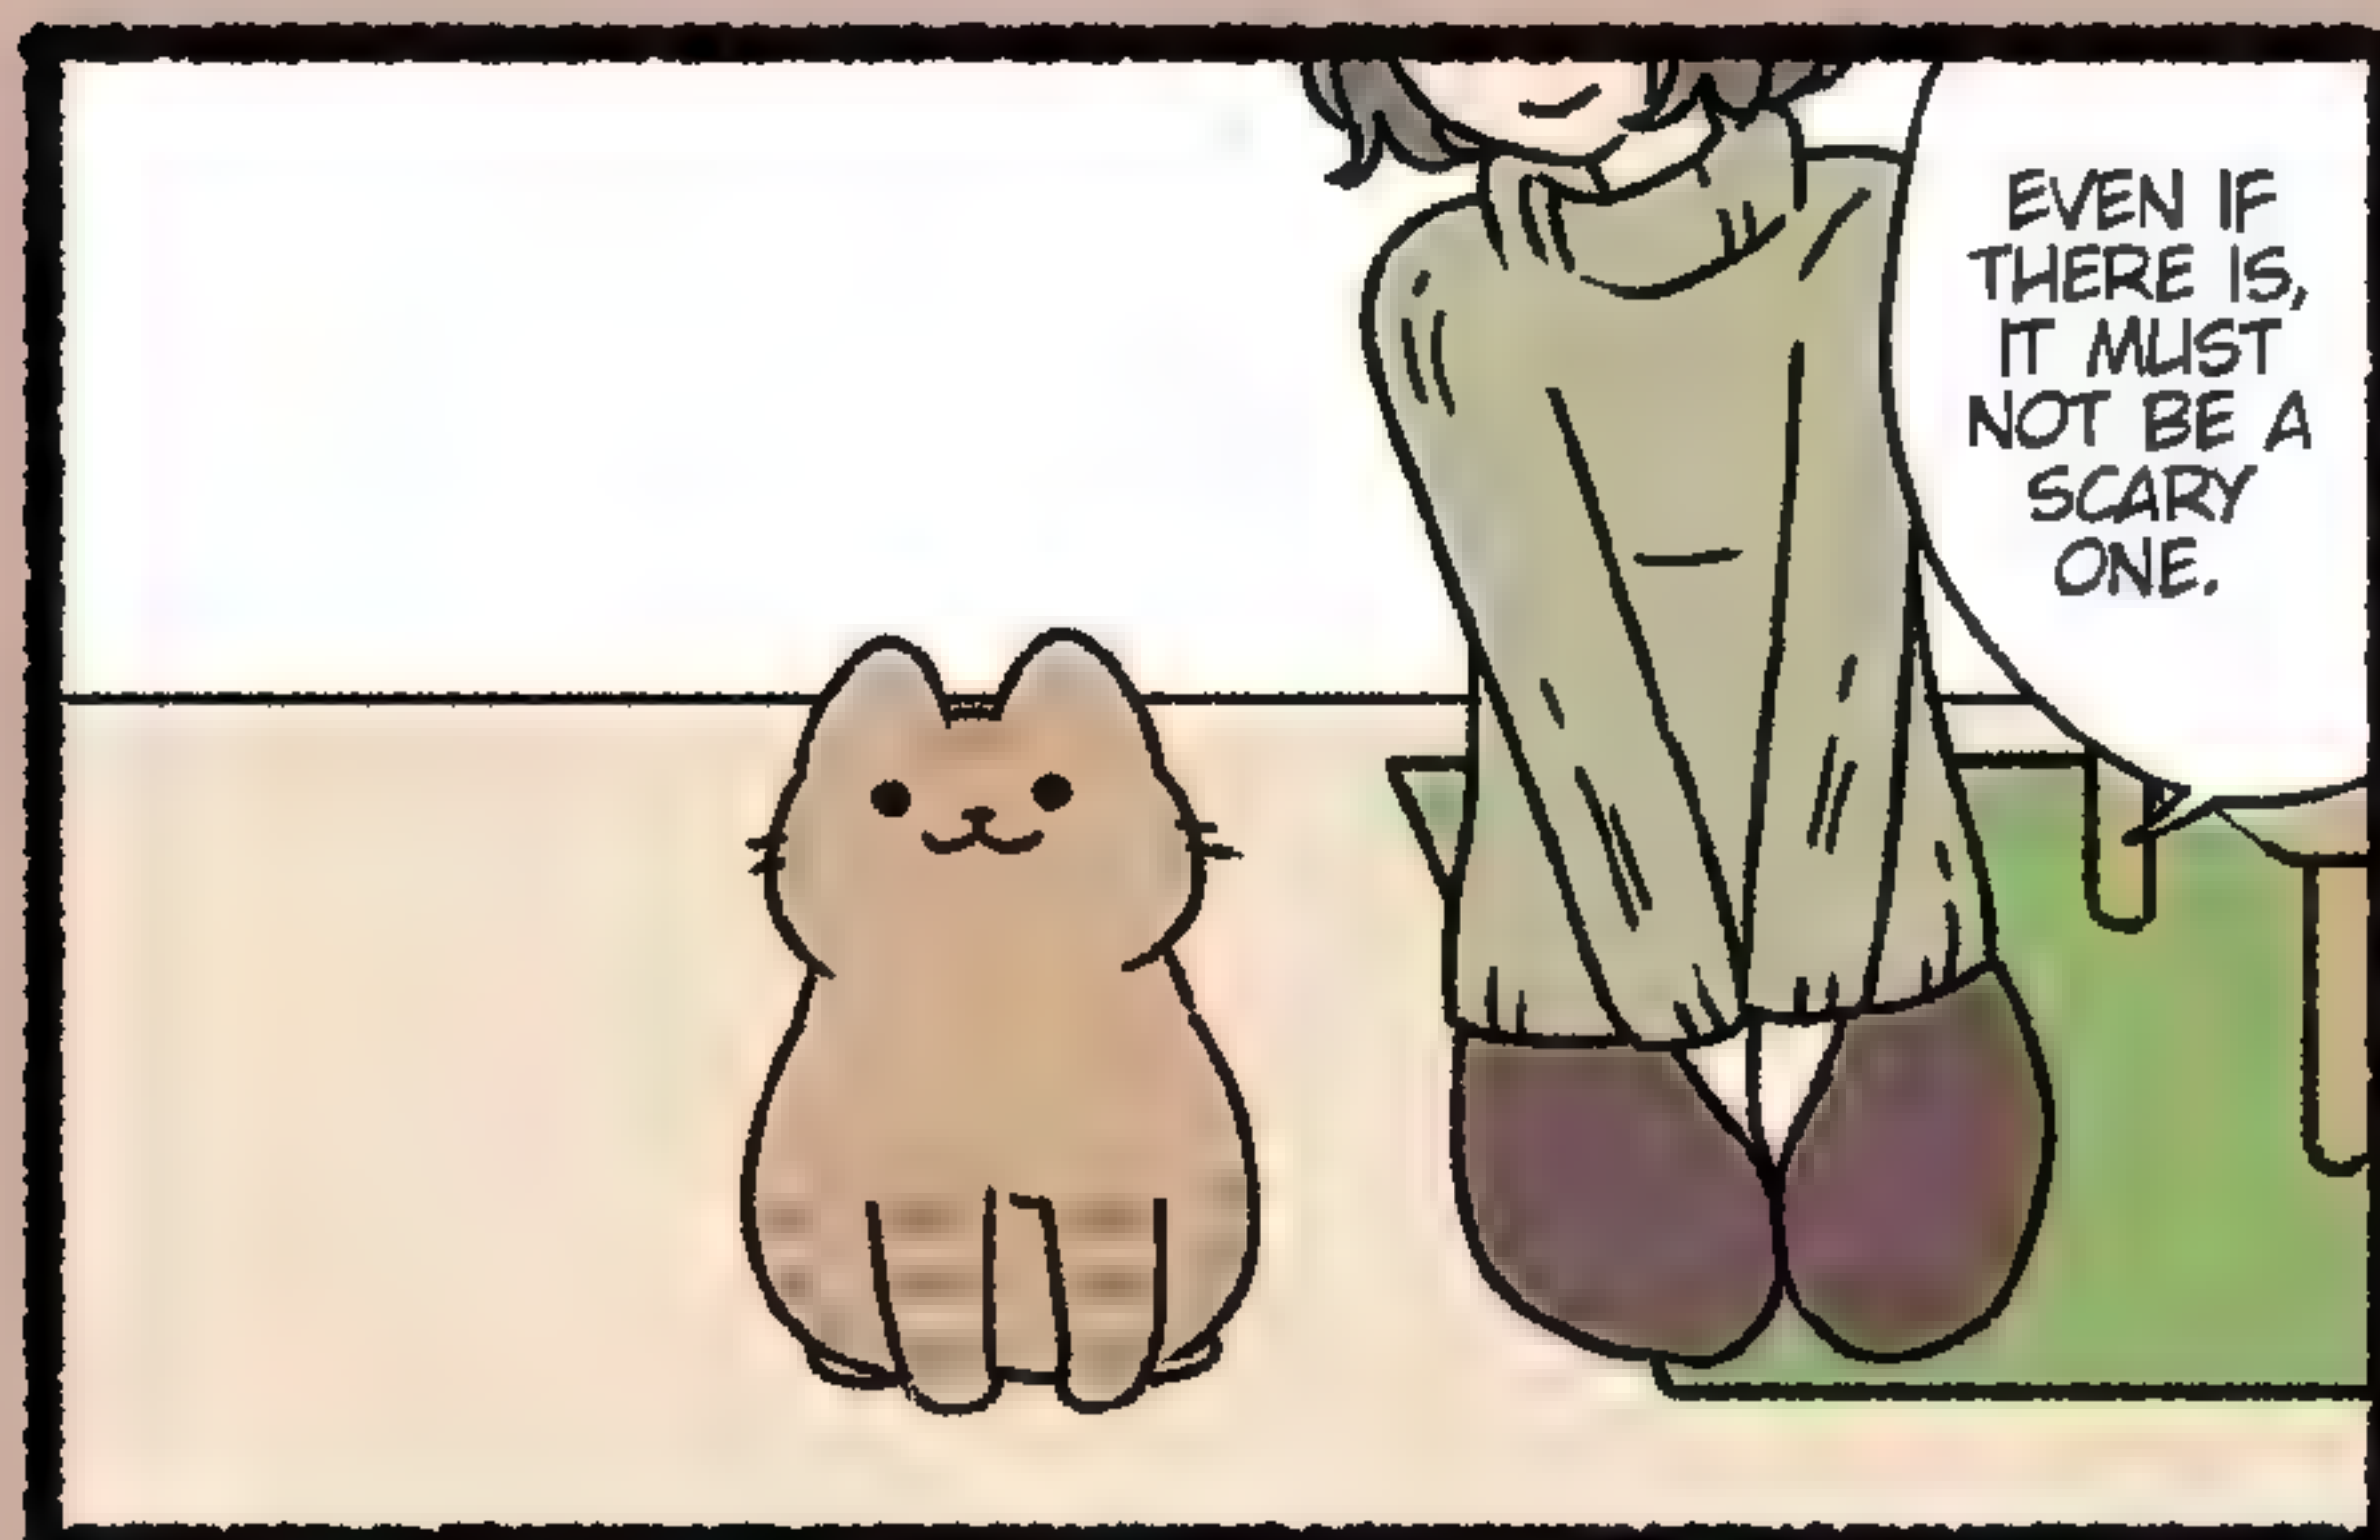

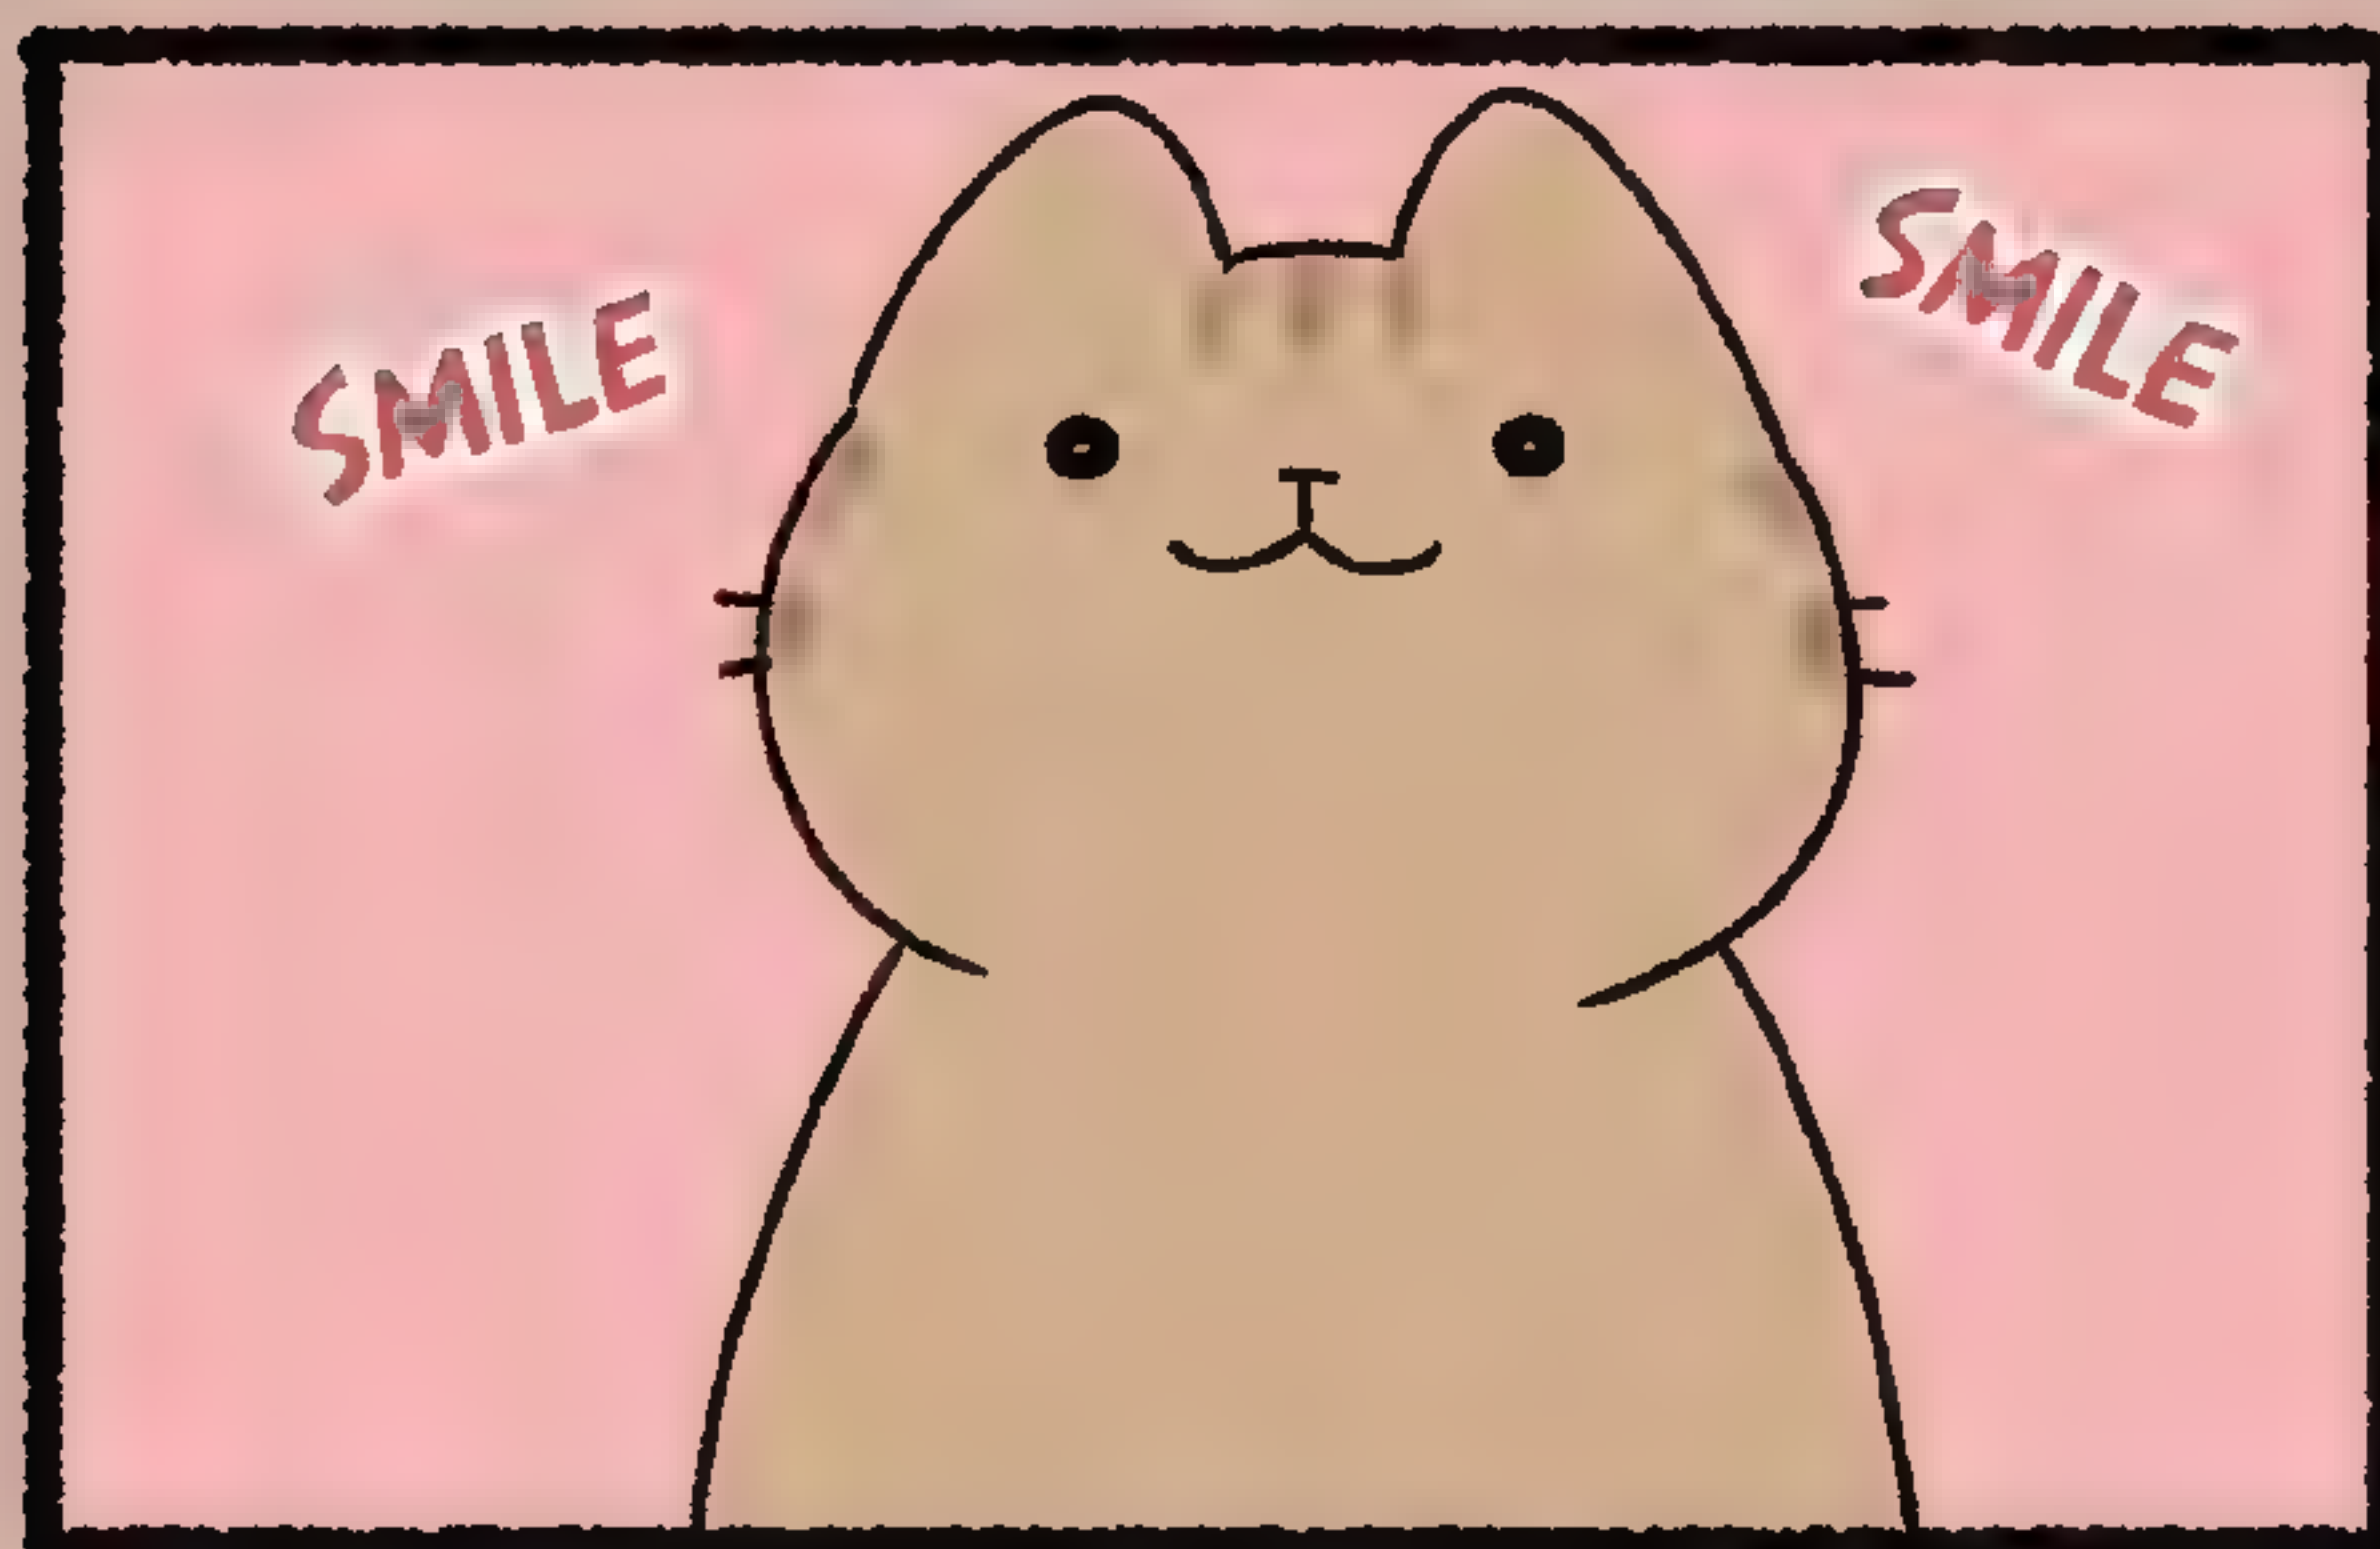

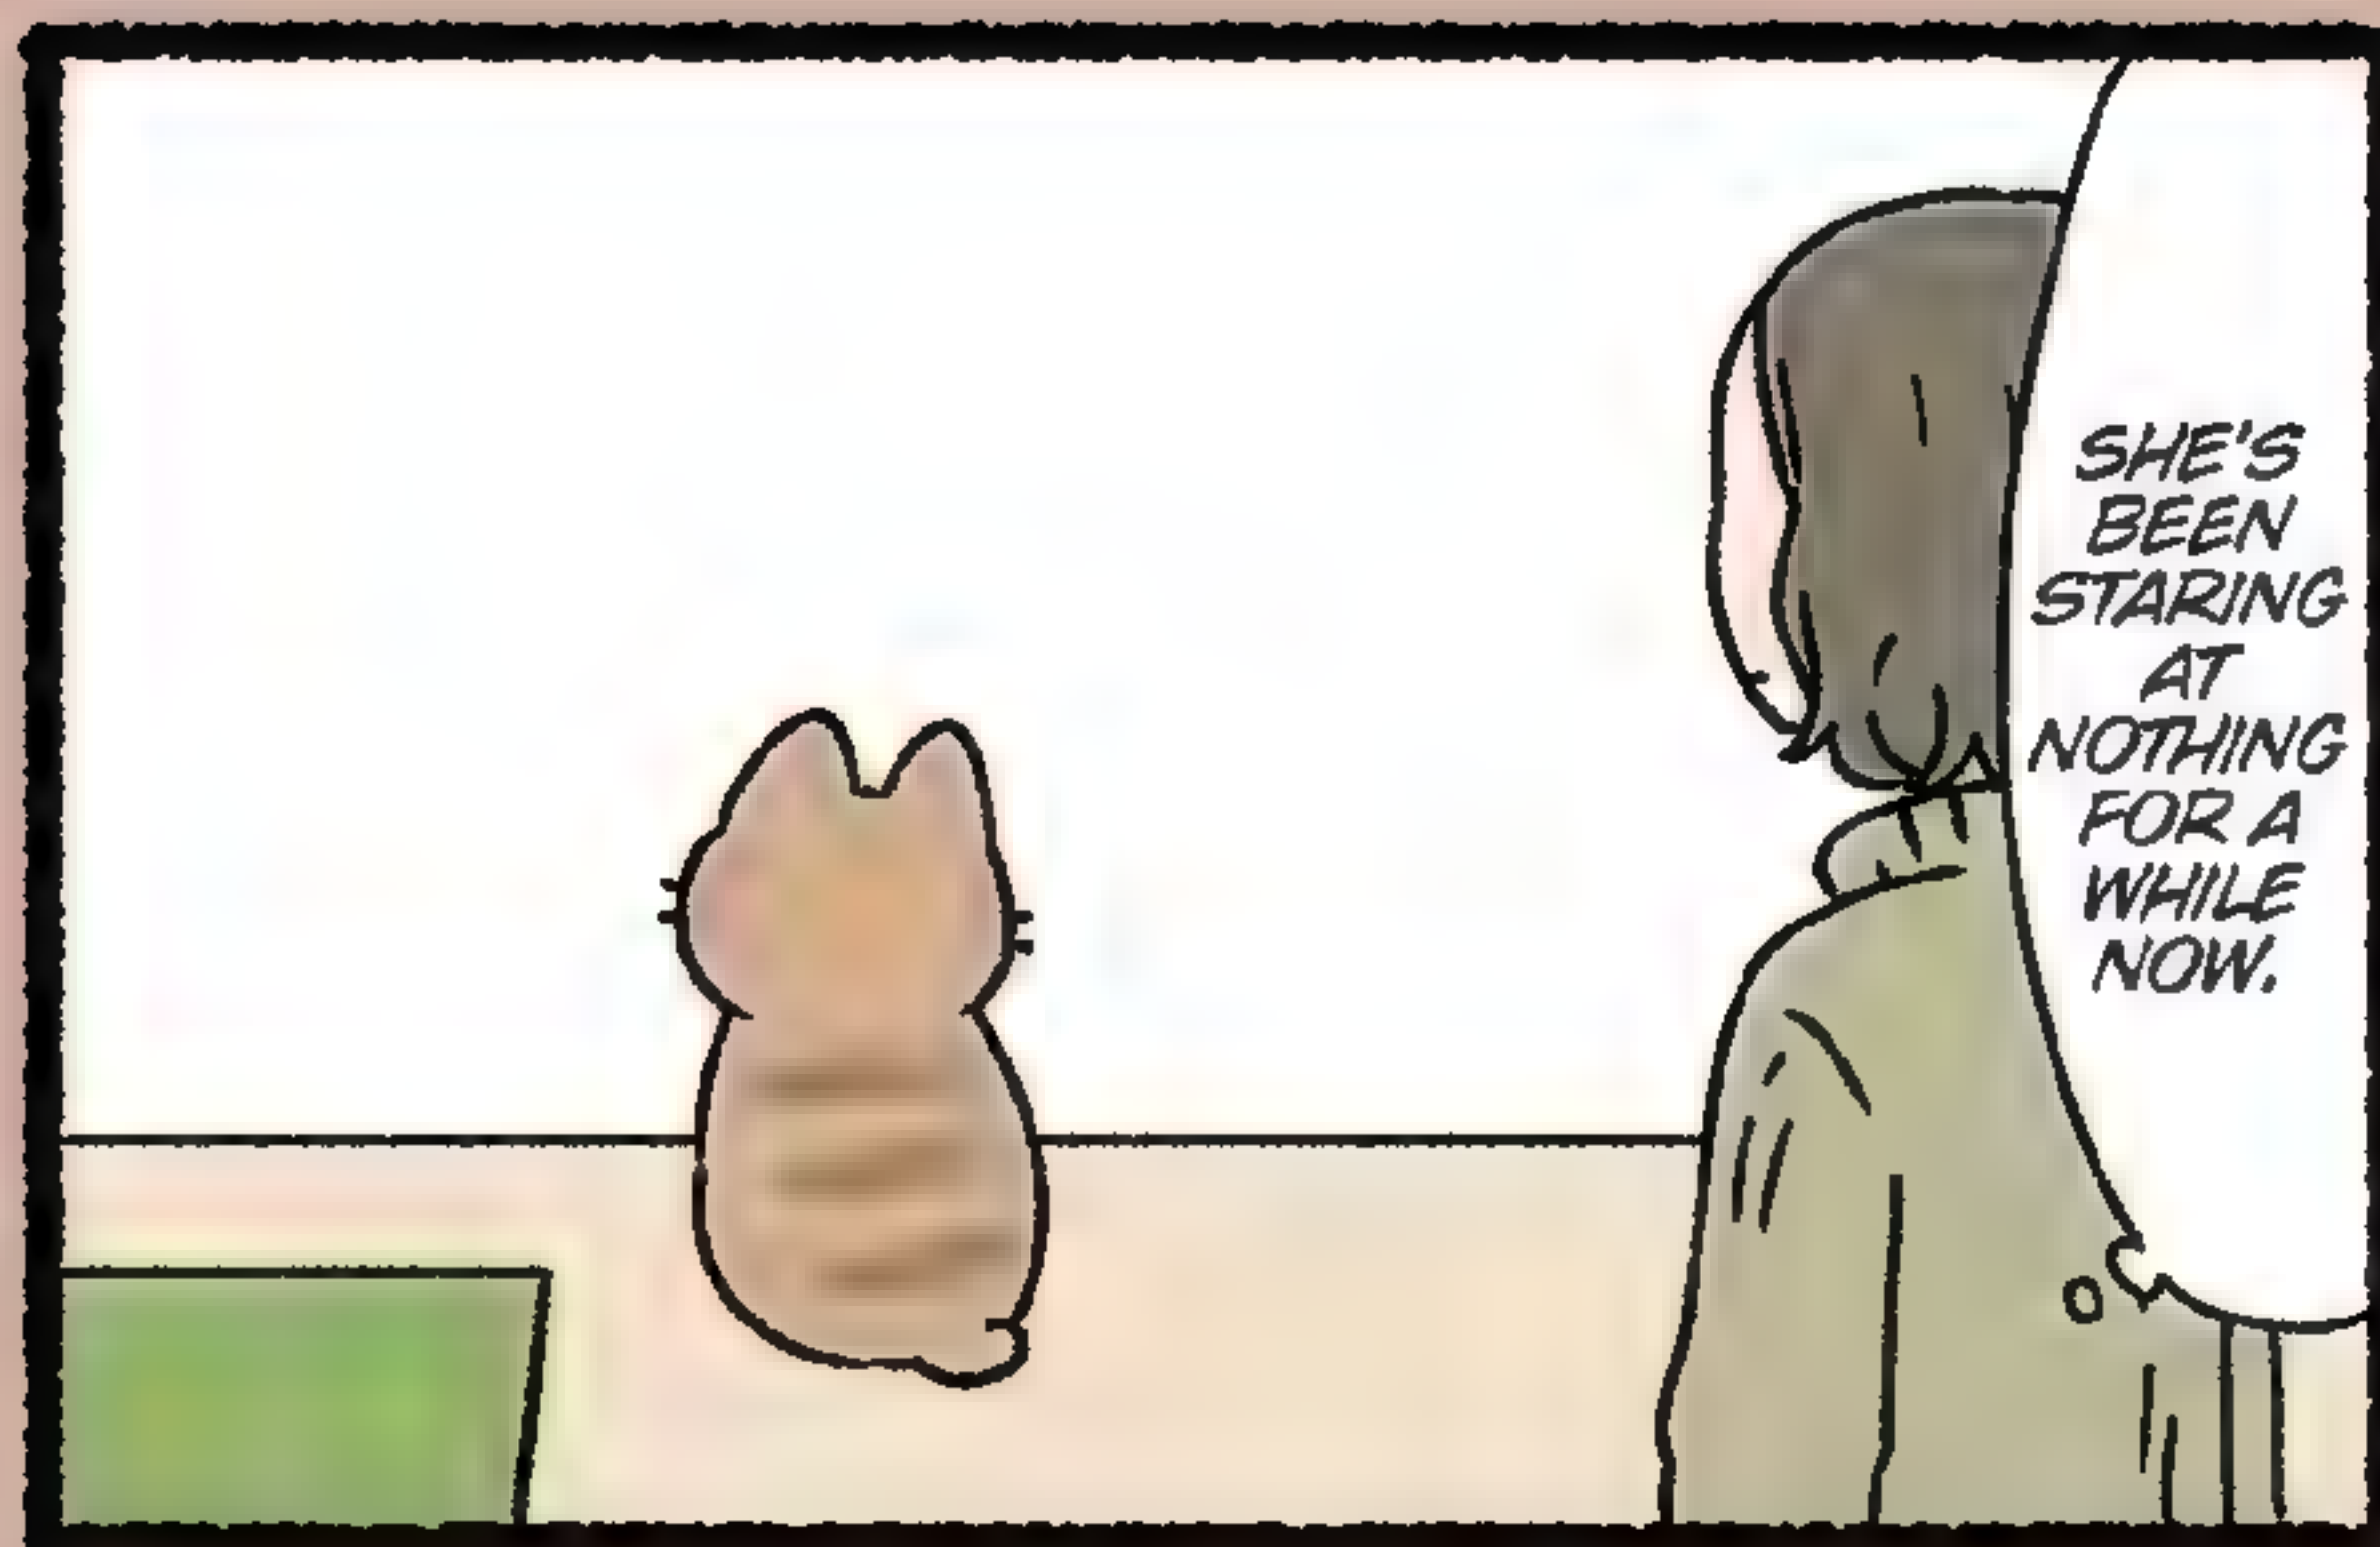

Warai Onna

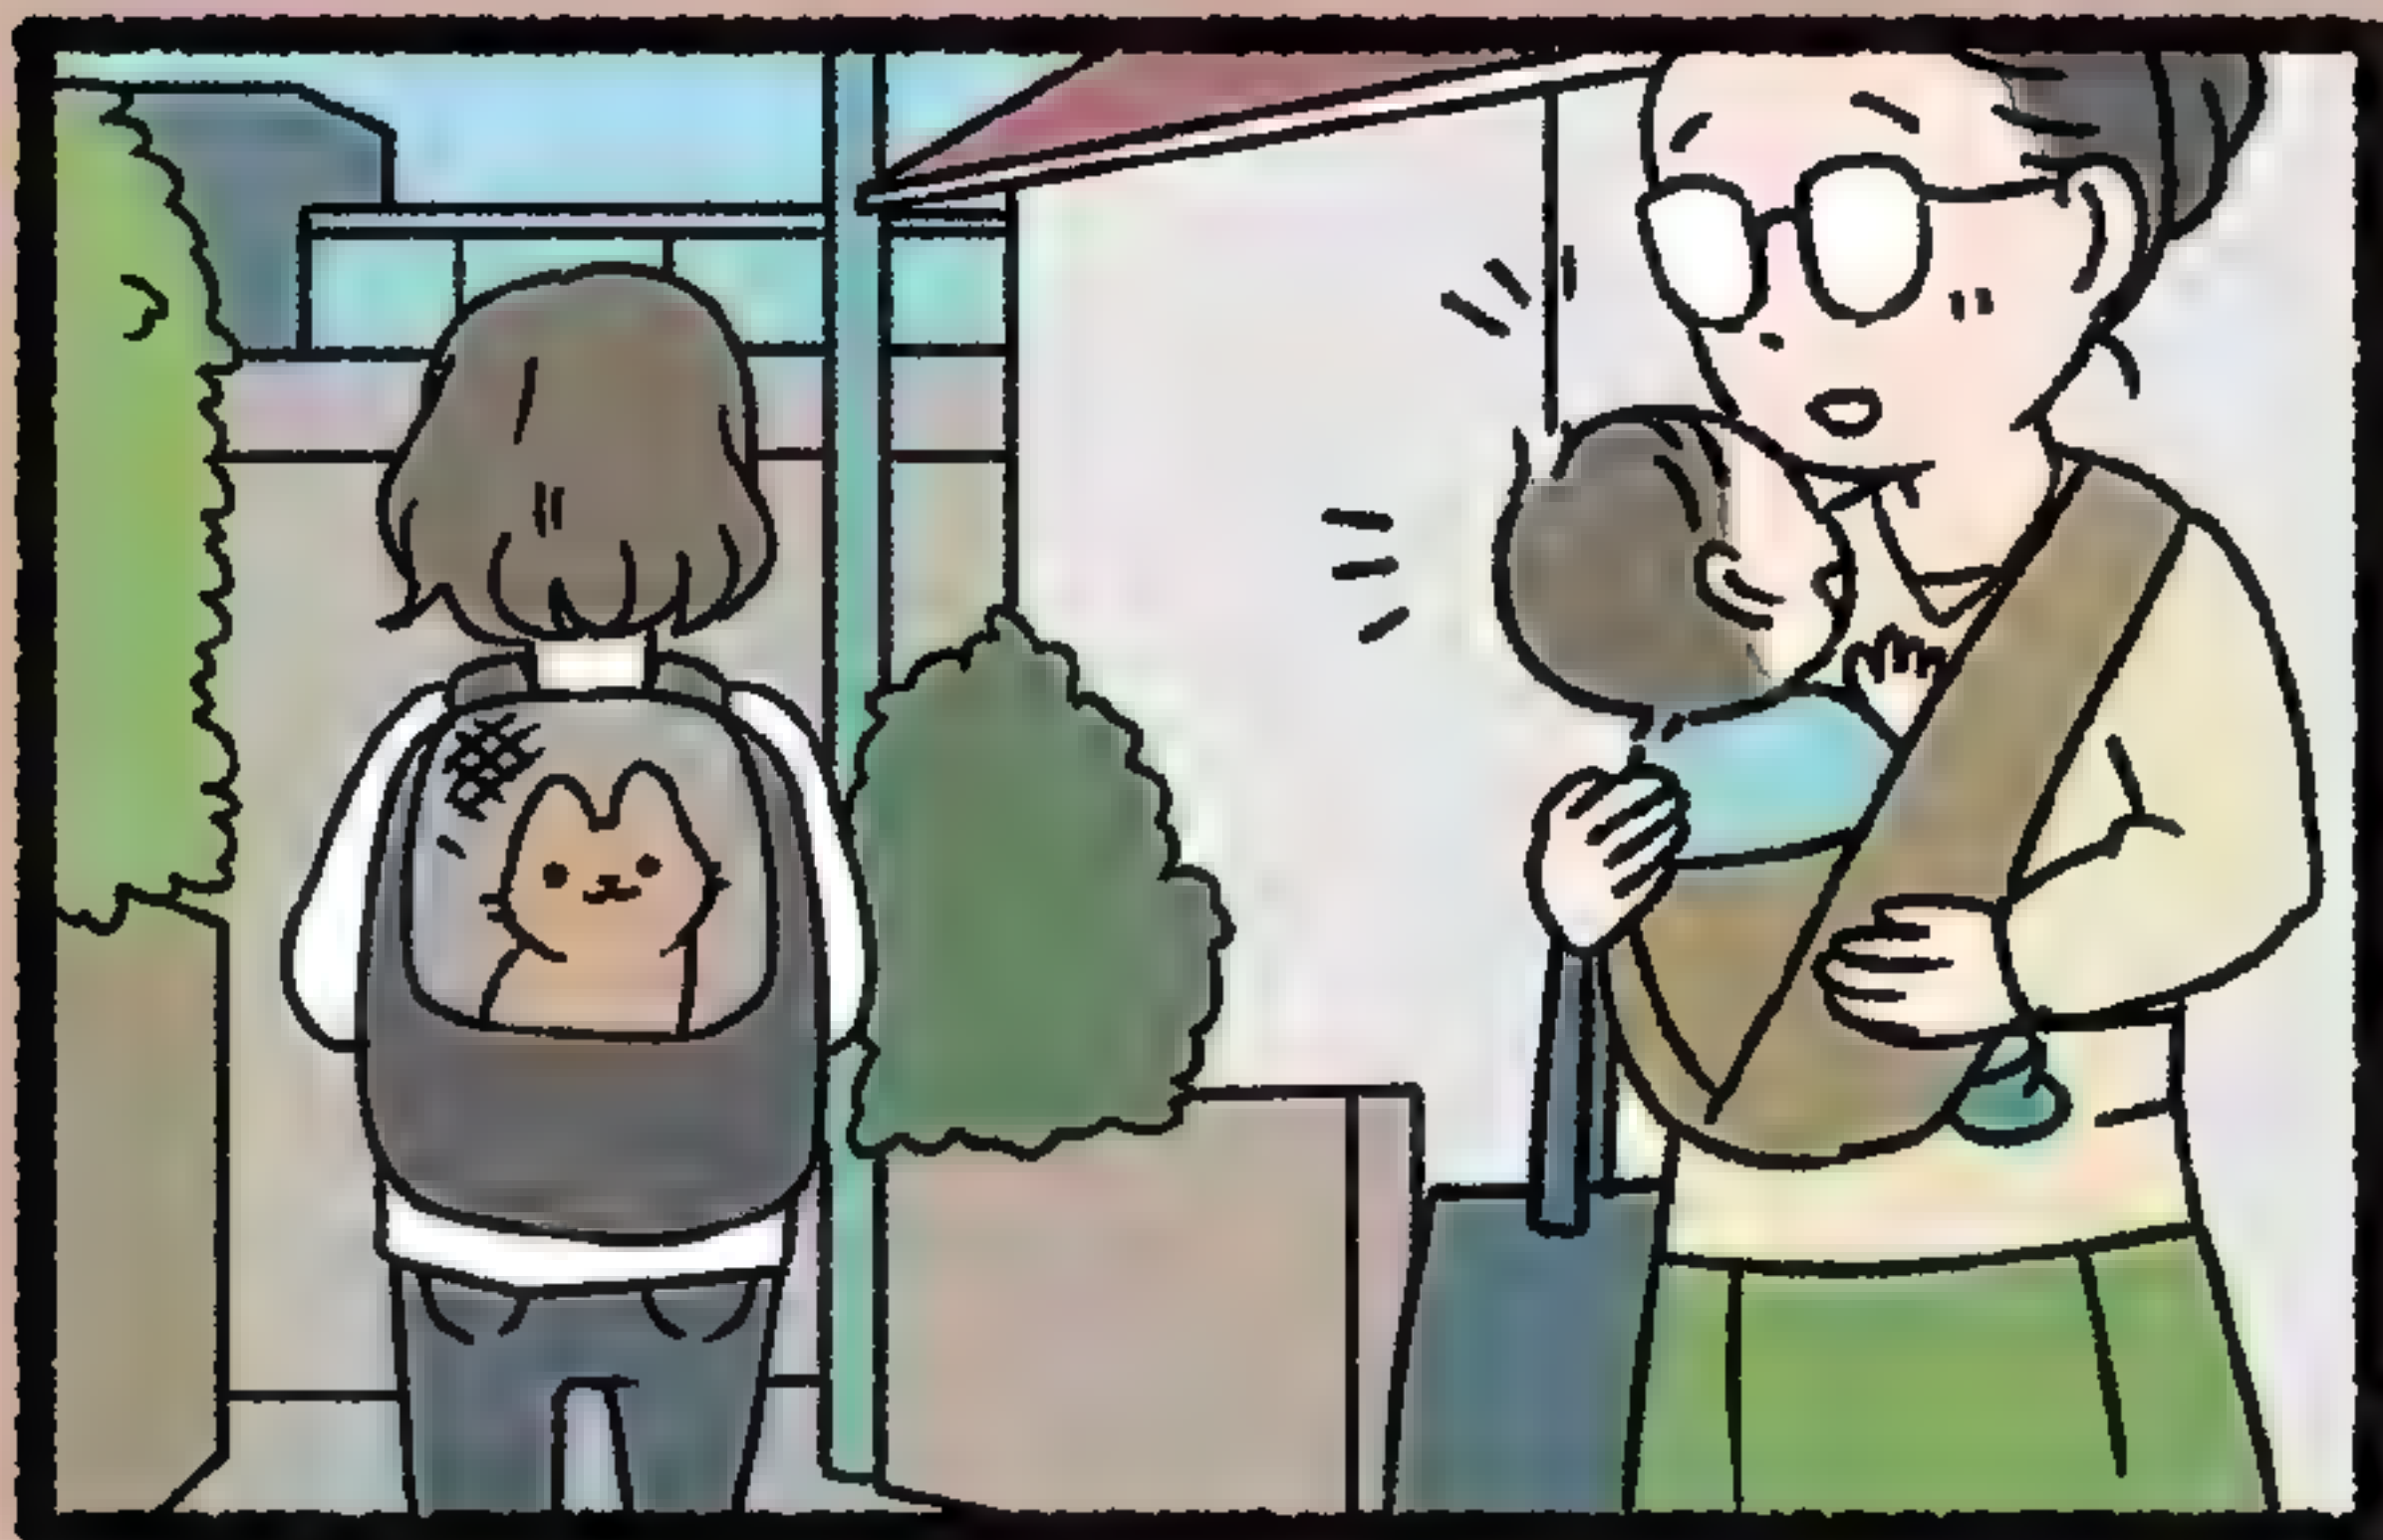

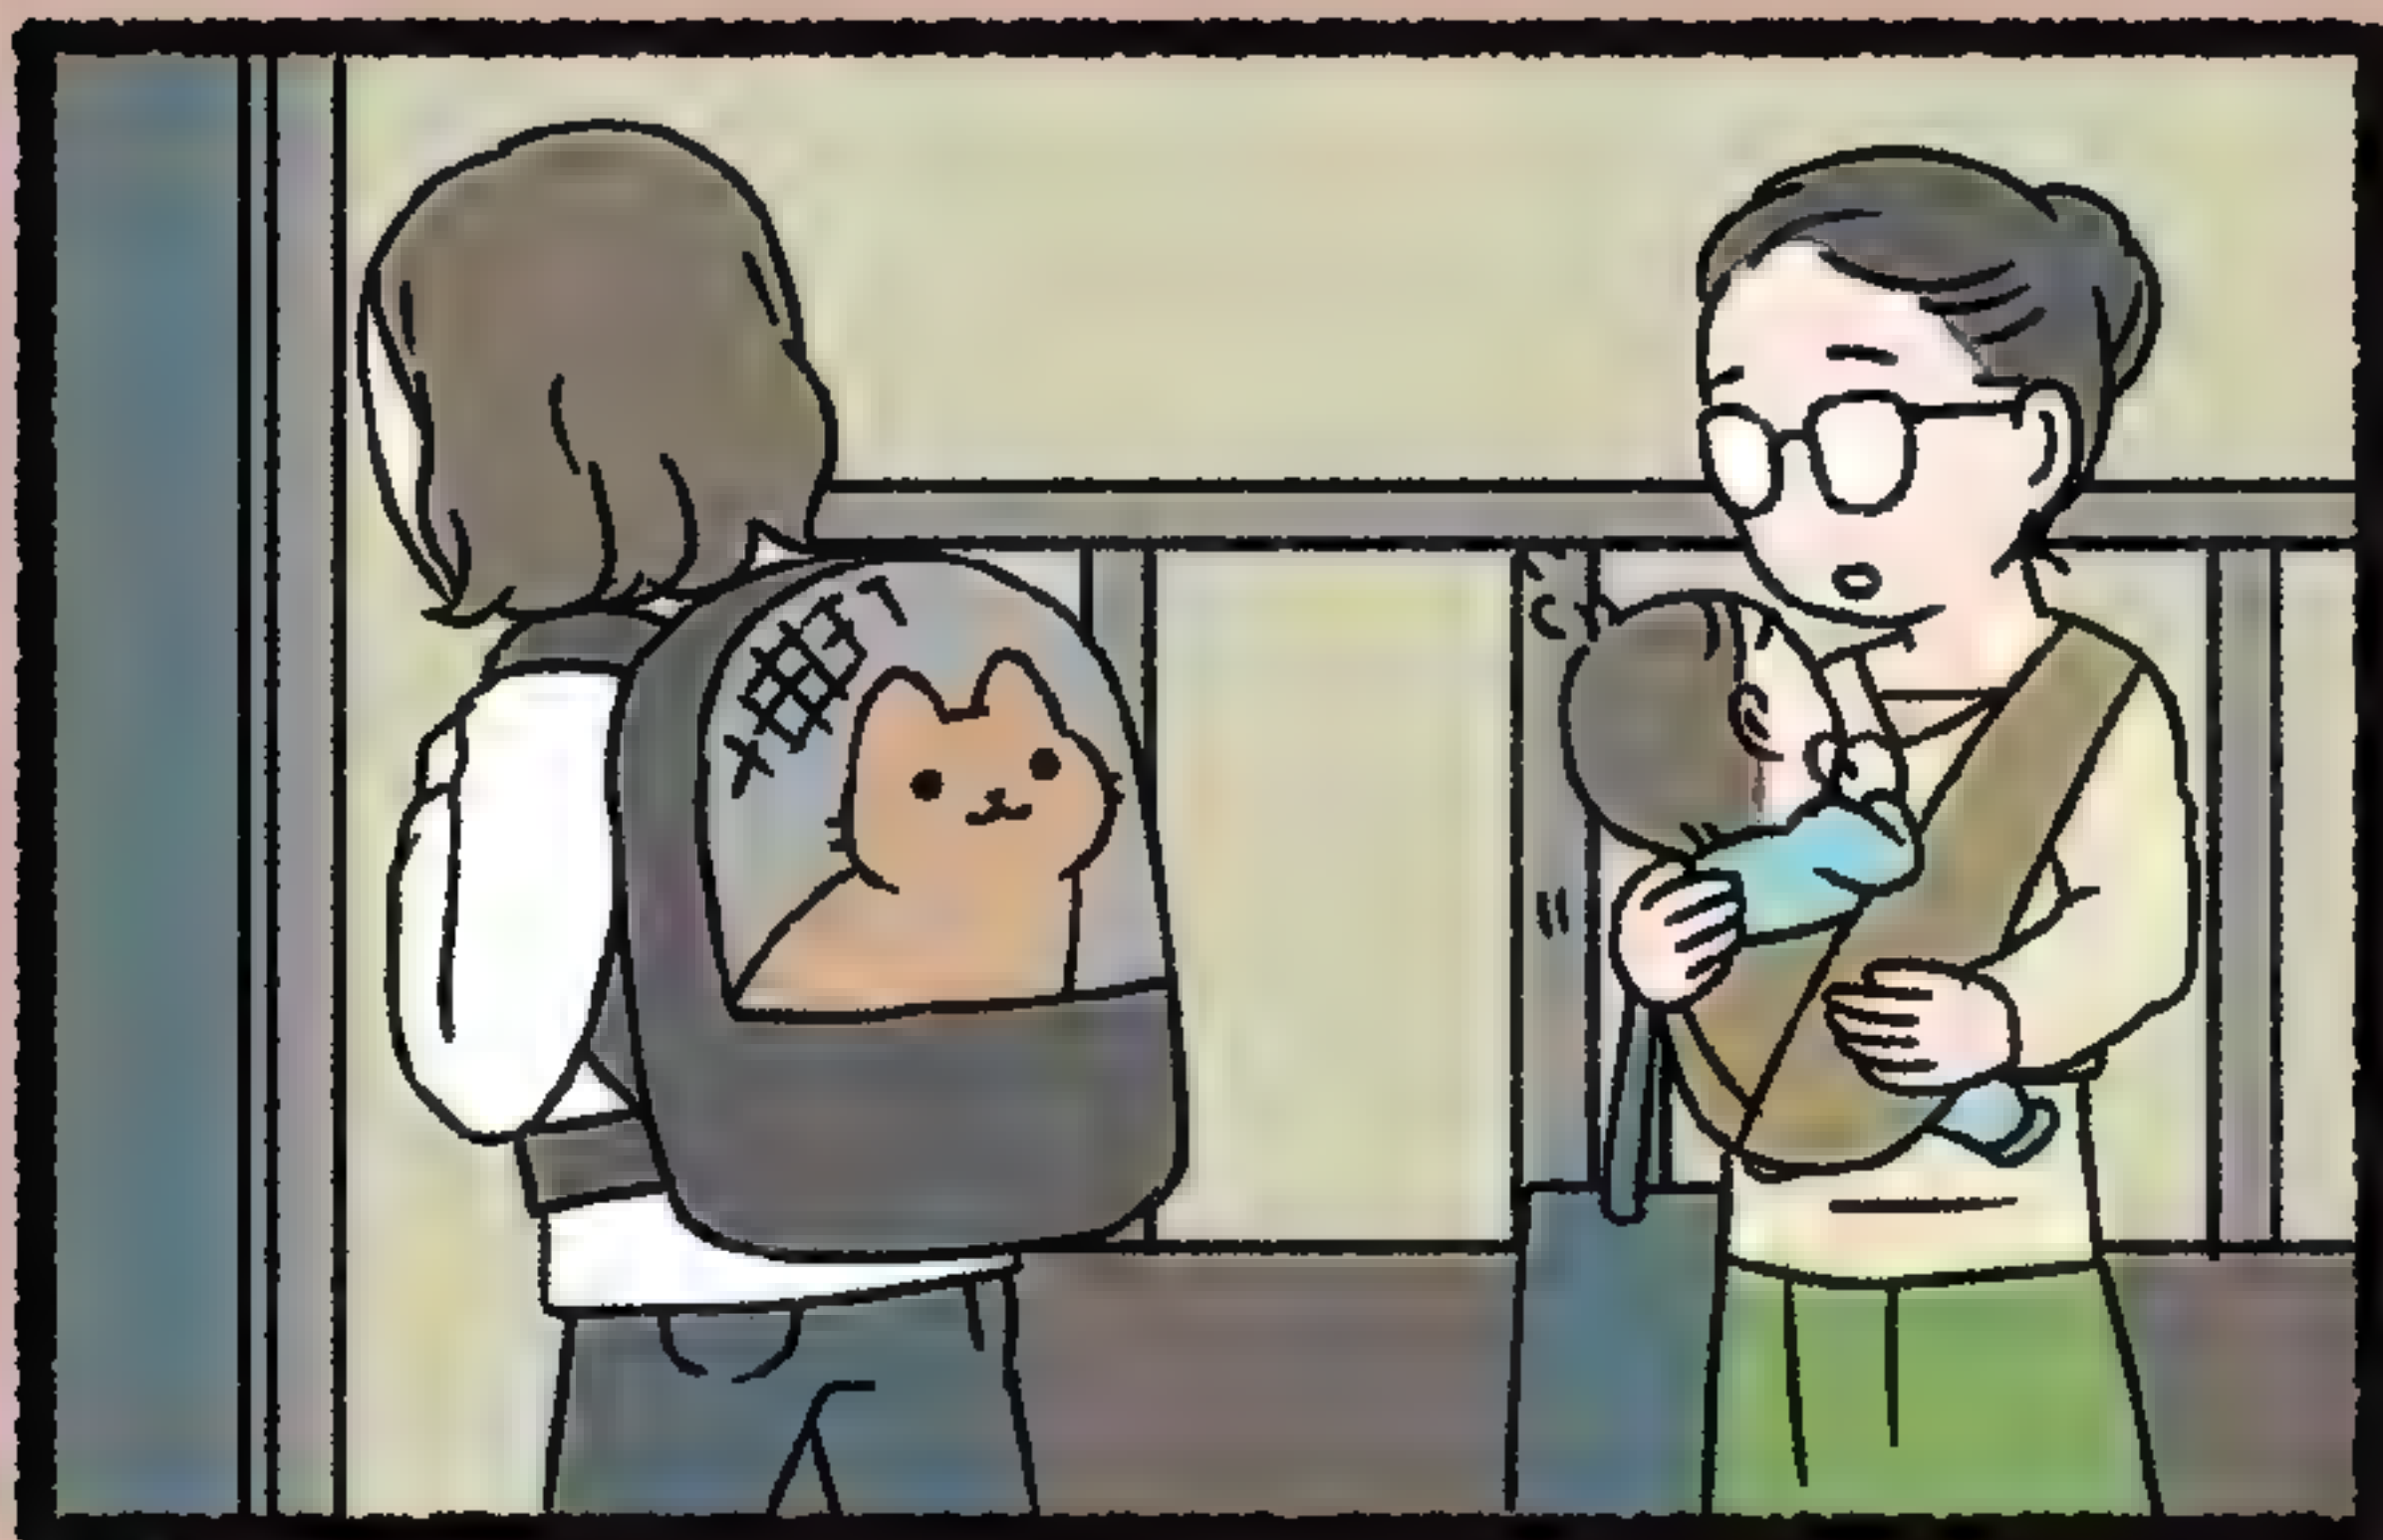

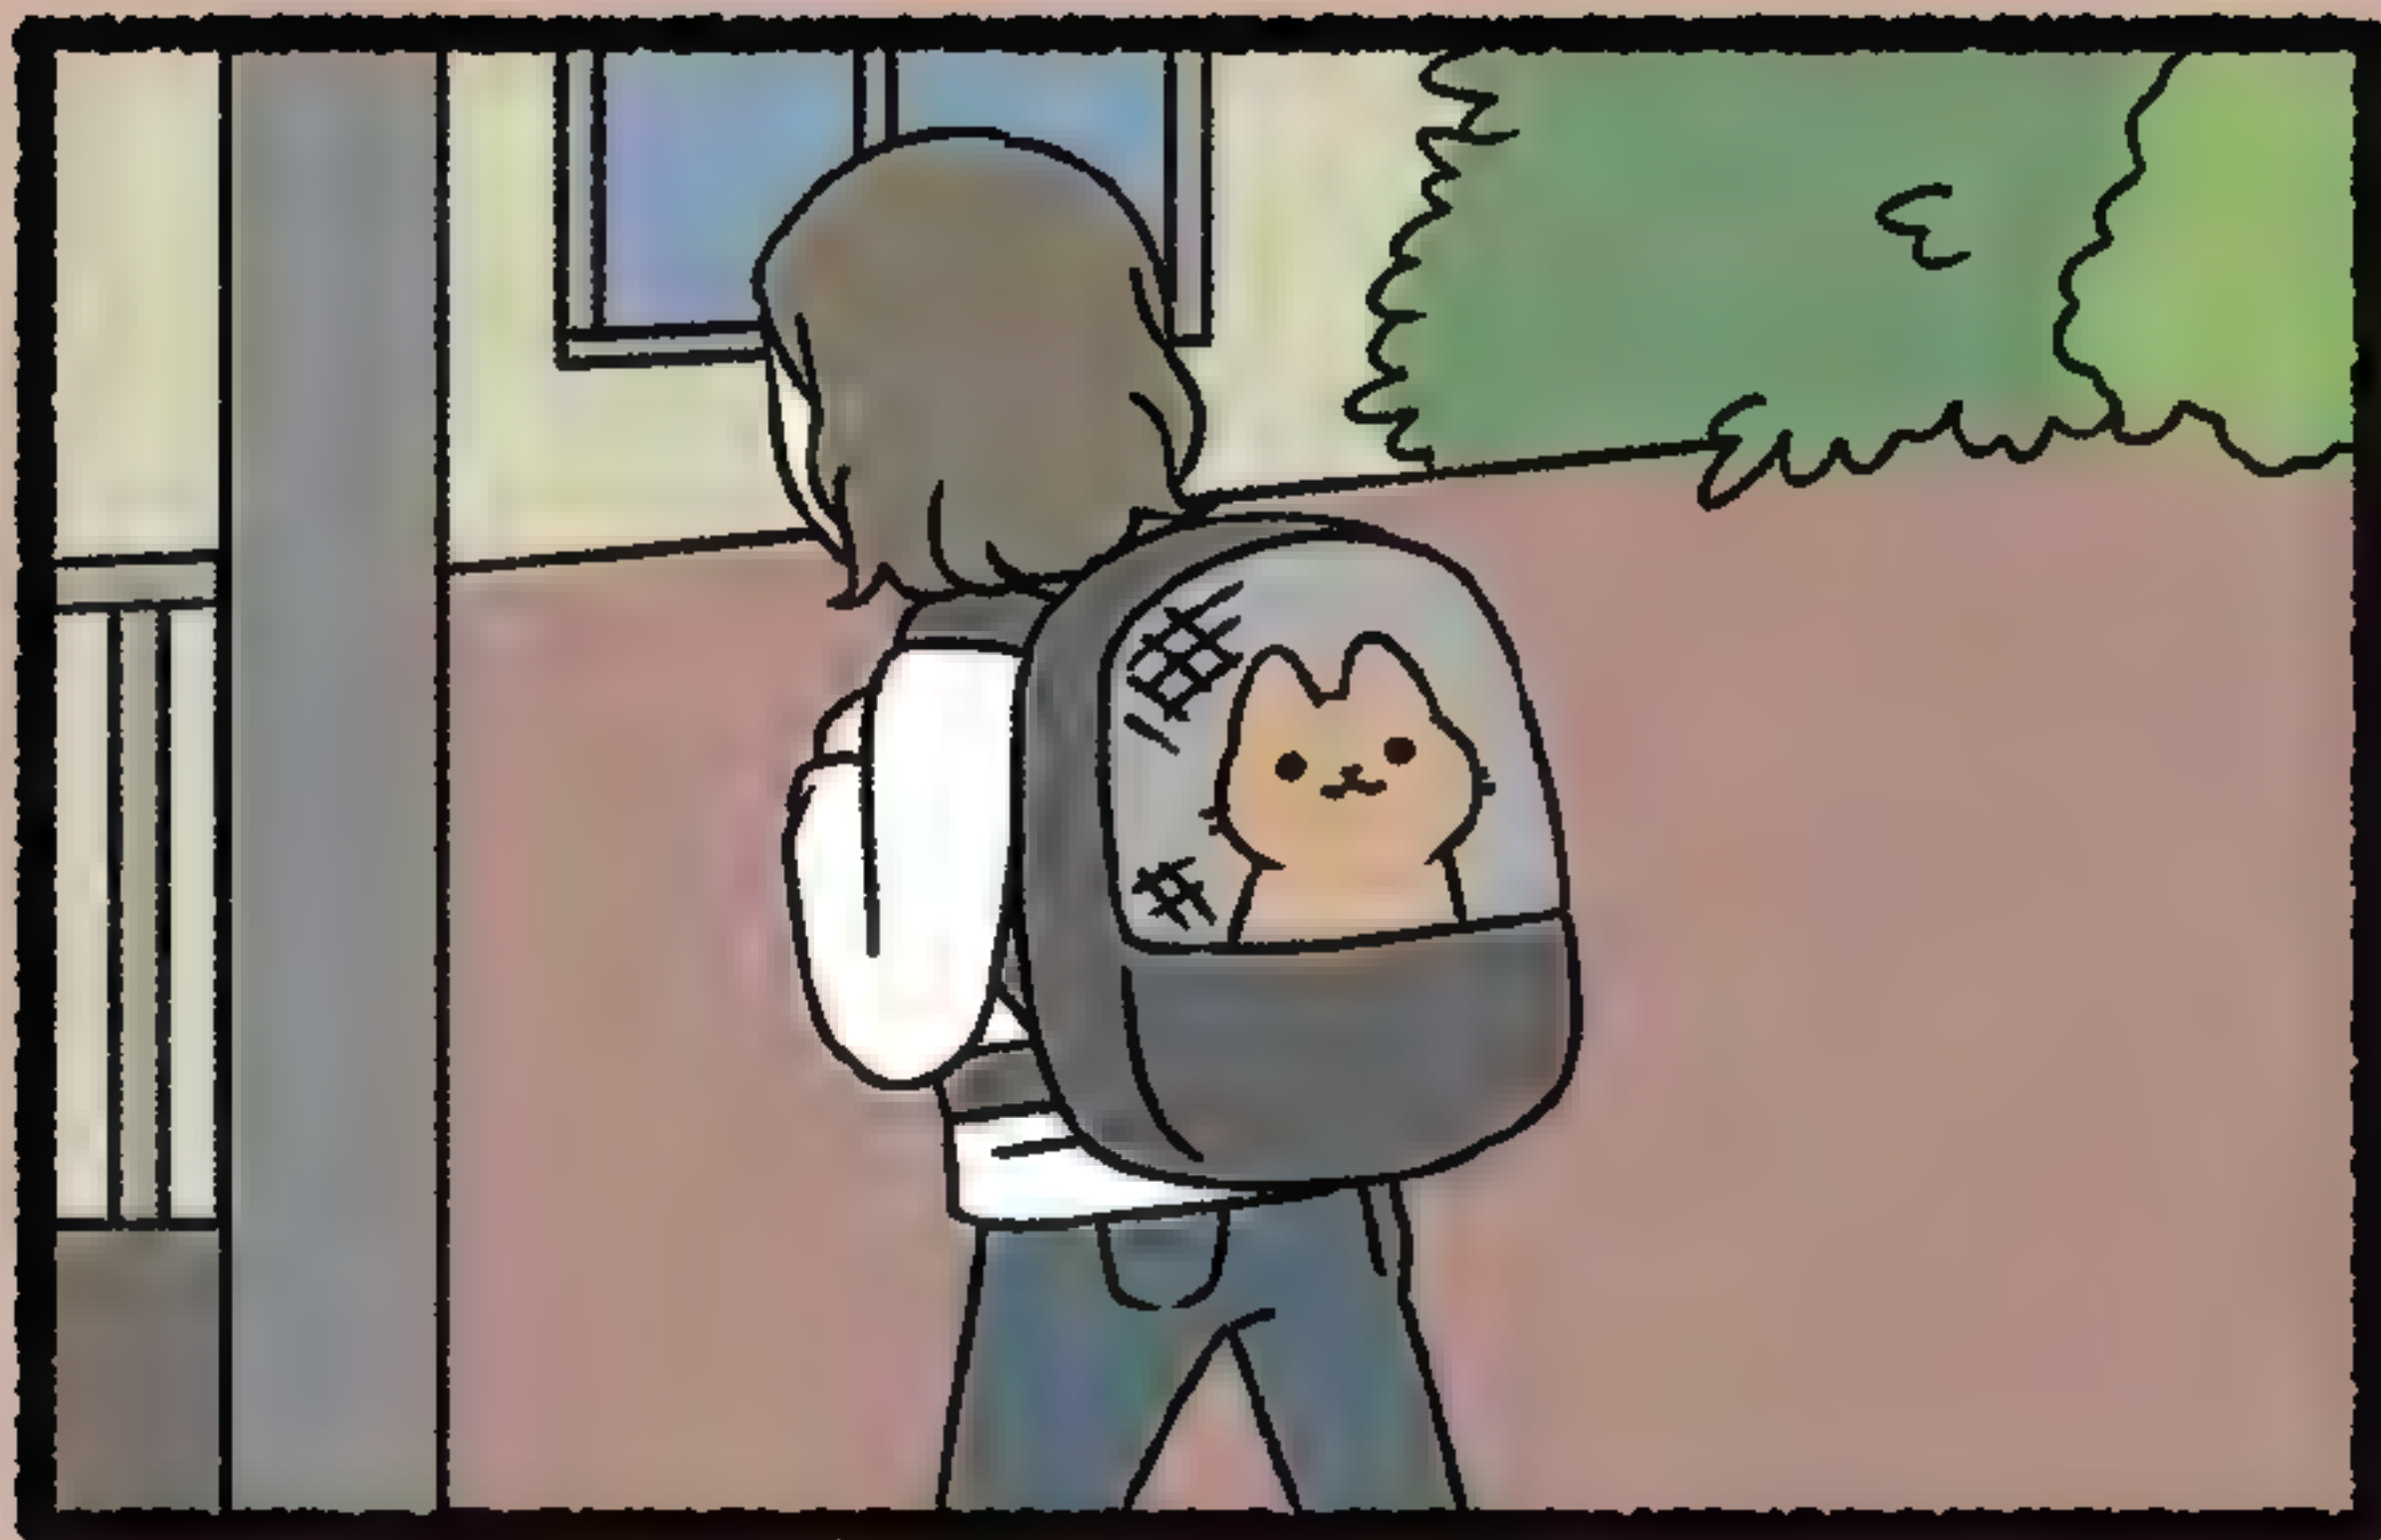

Laughing Woman

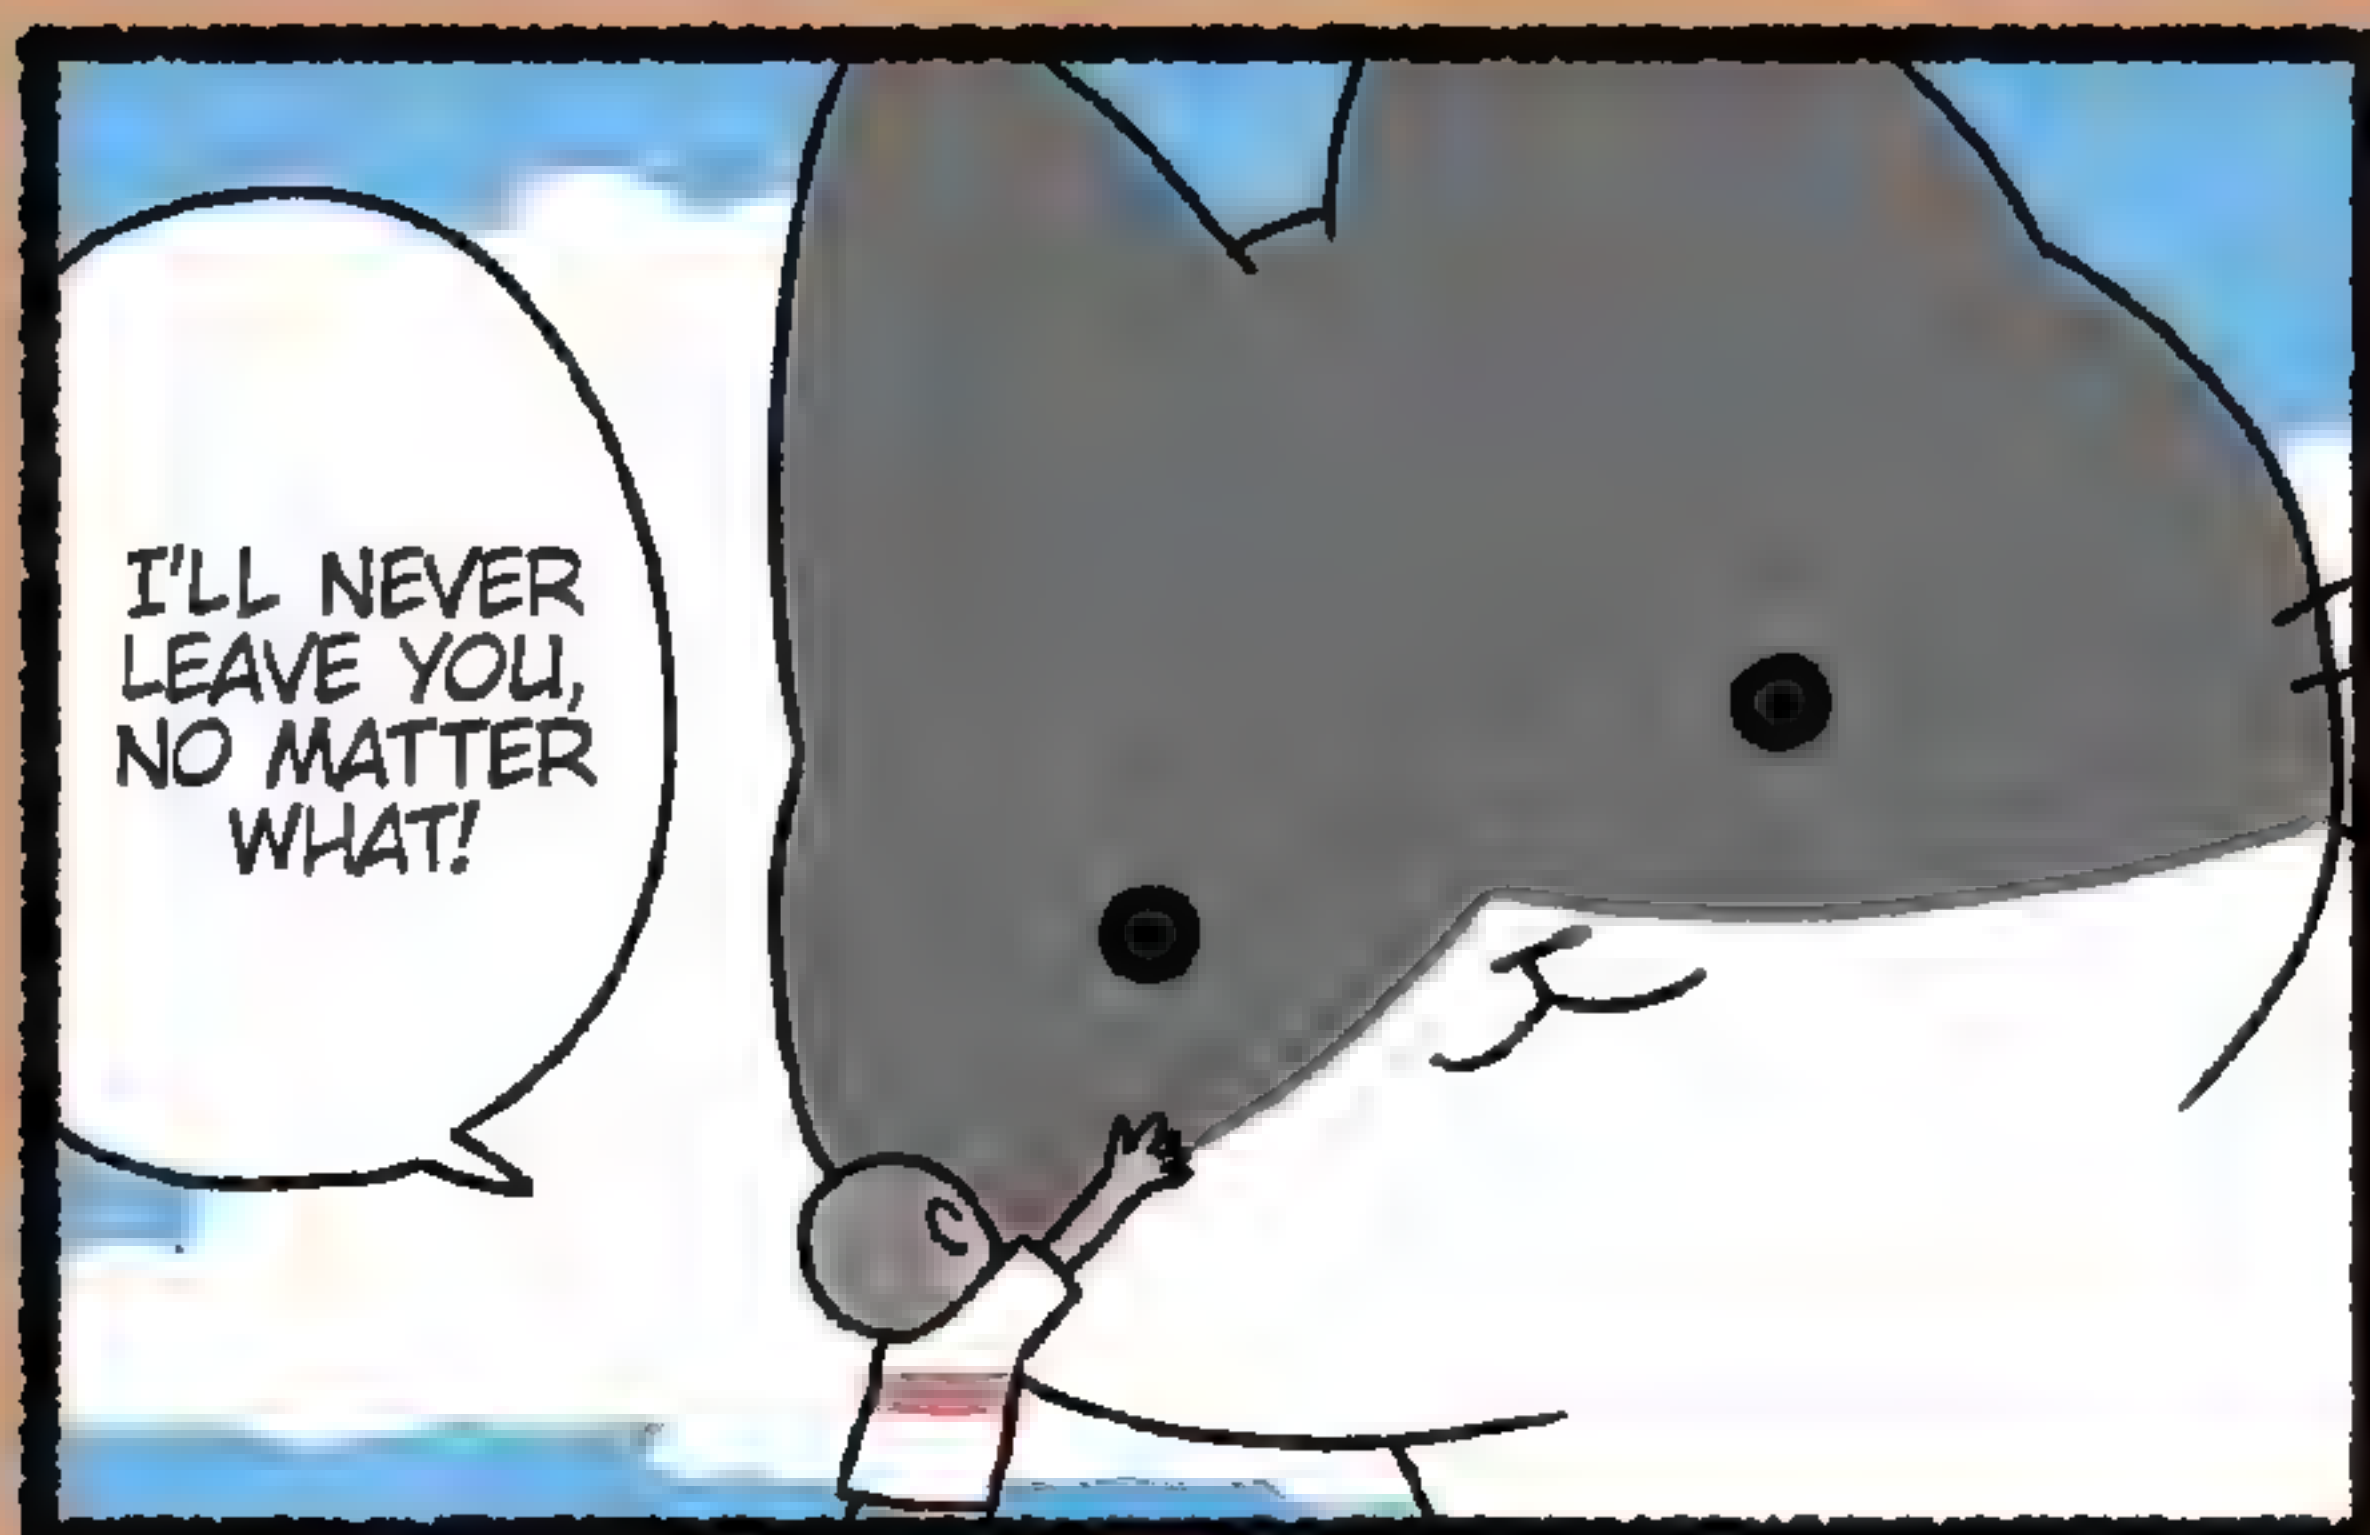

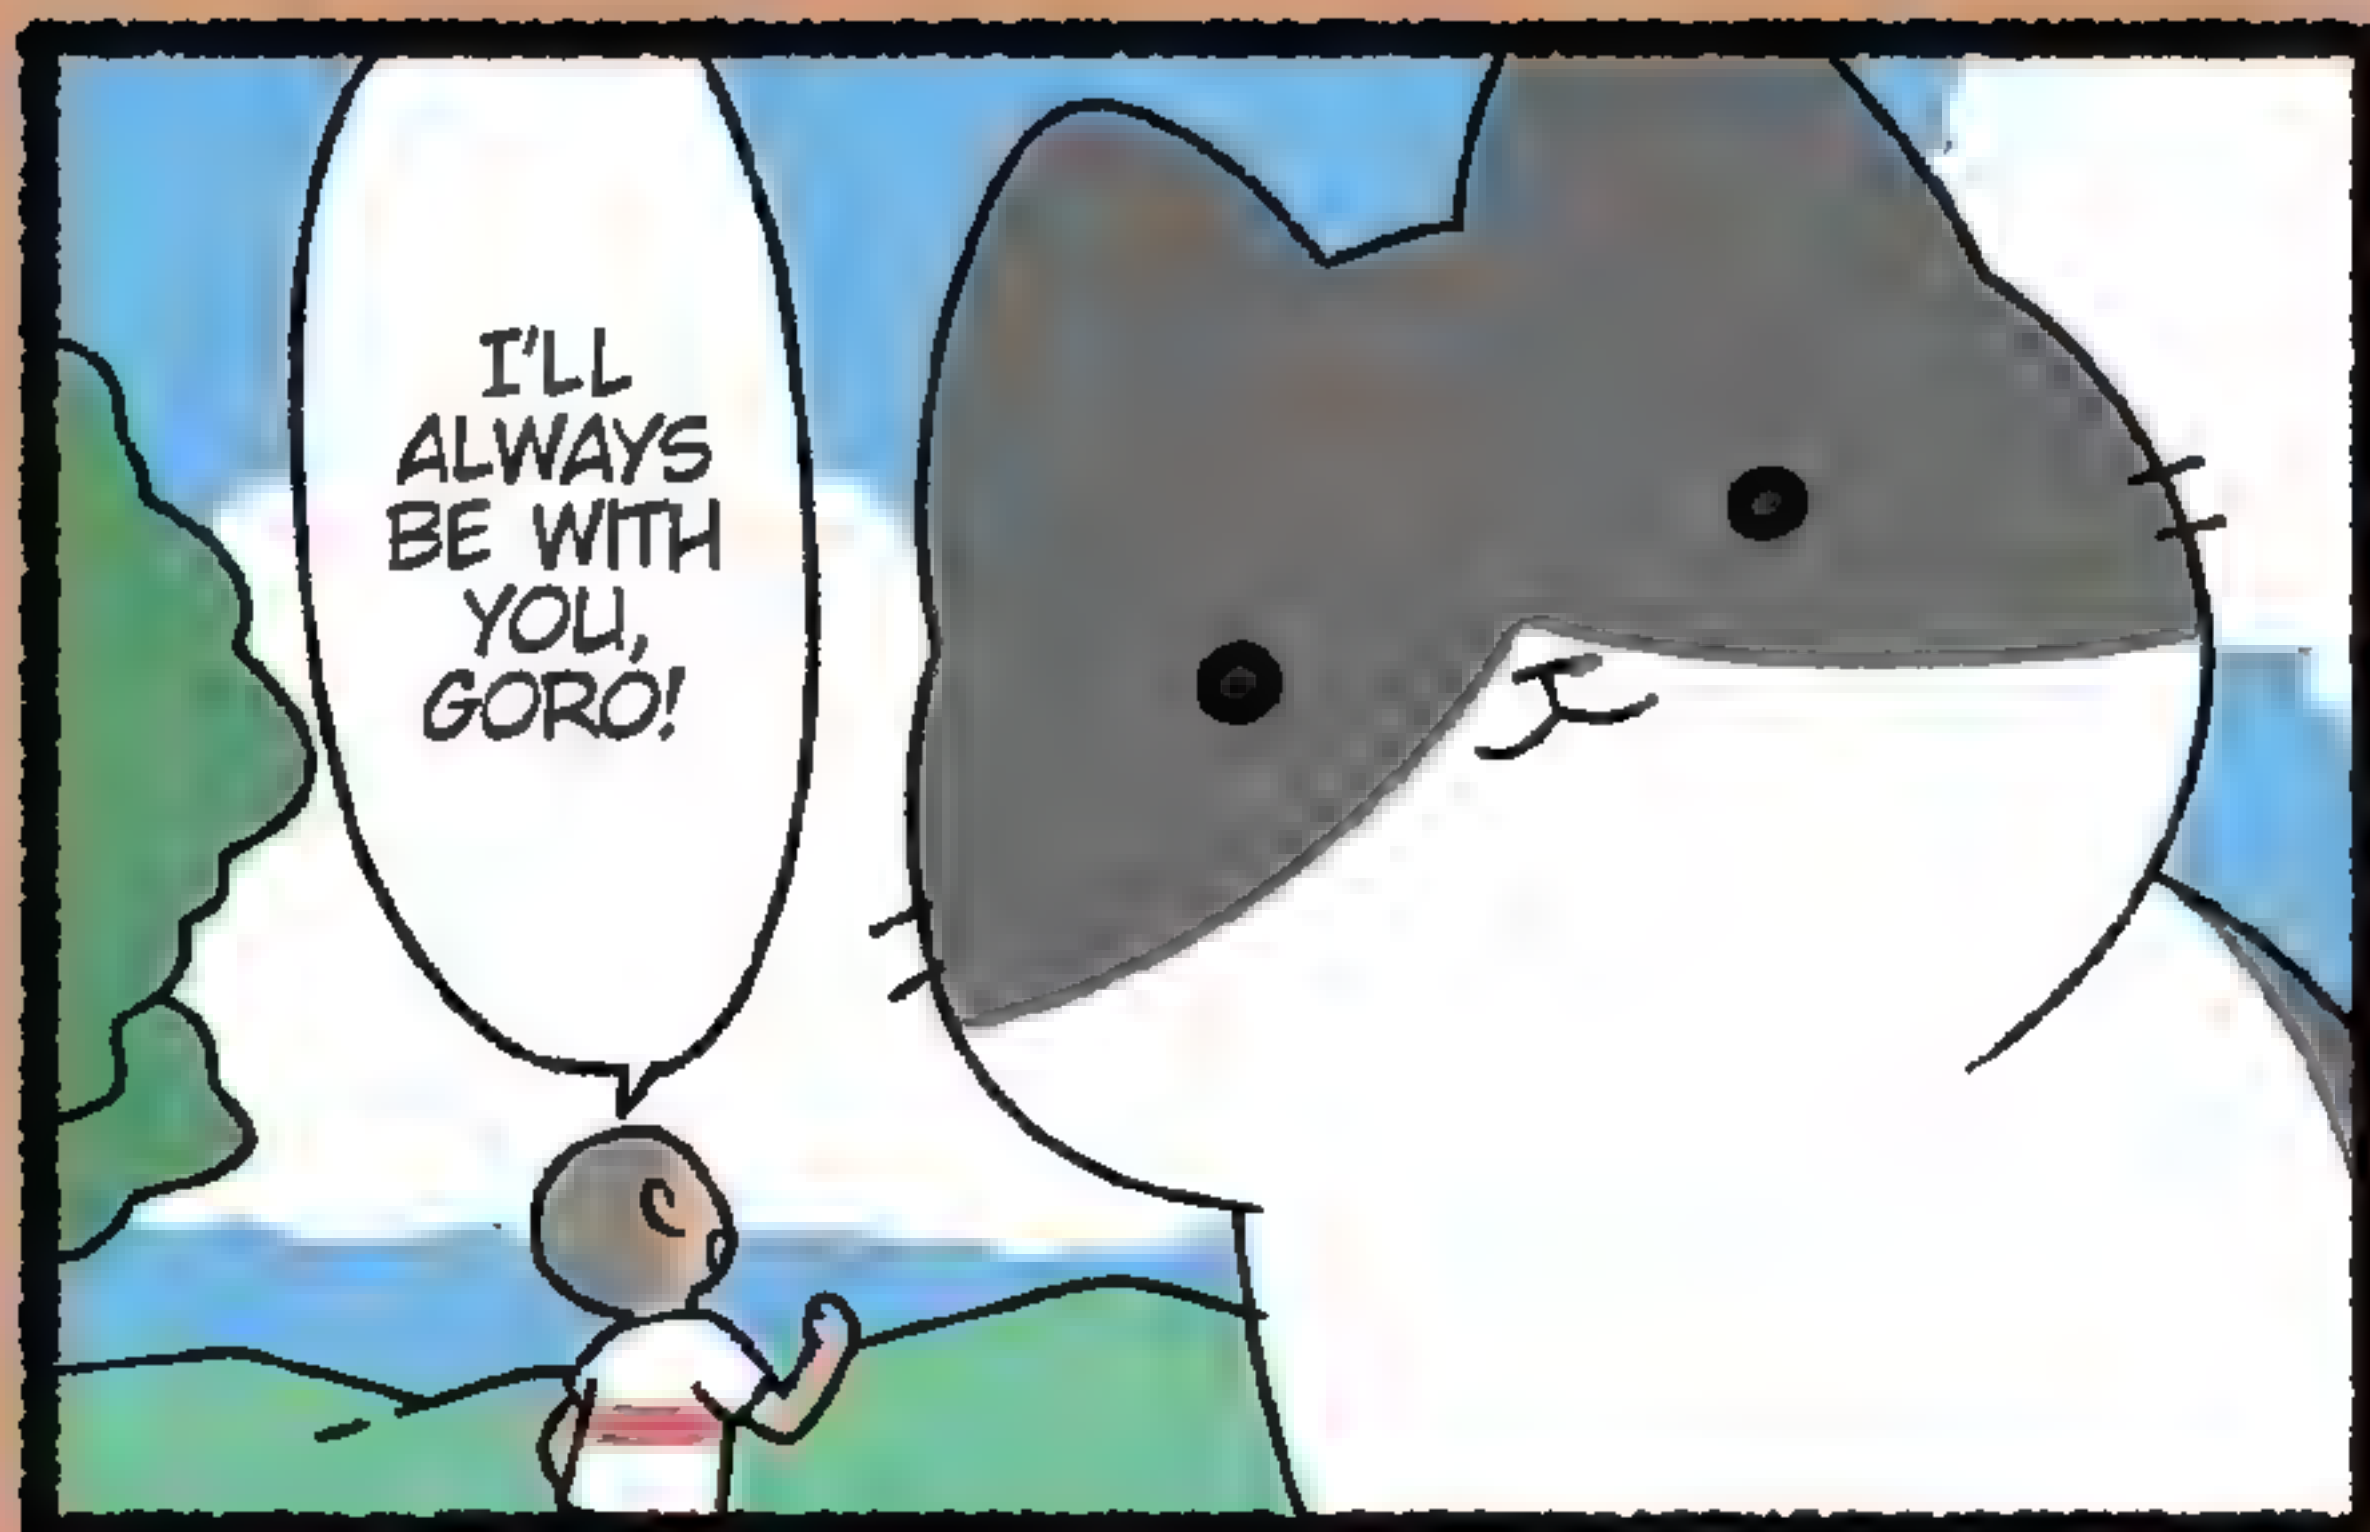

Has a gentle nature and is always smiling. Those who look at it find themselves smiling along.

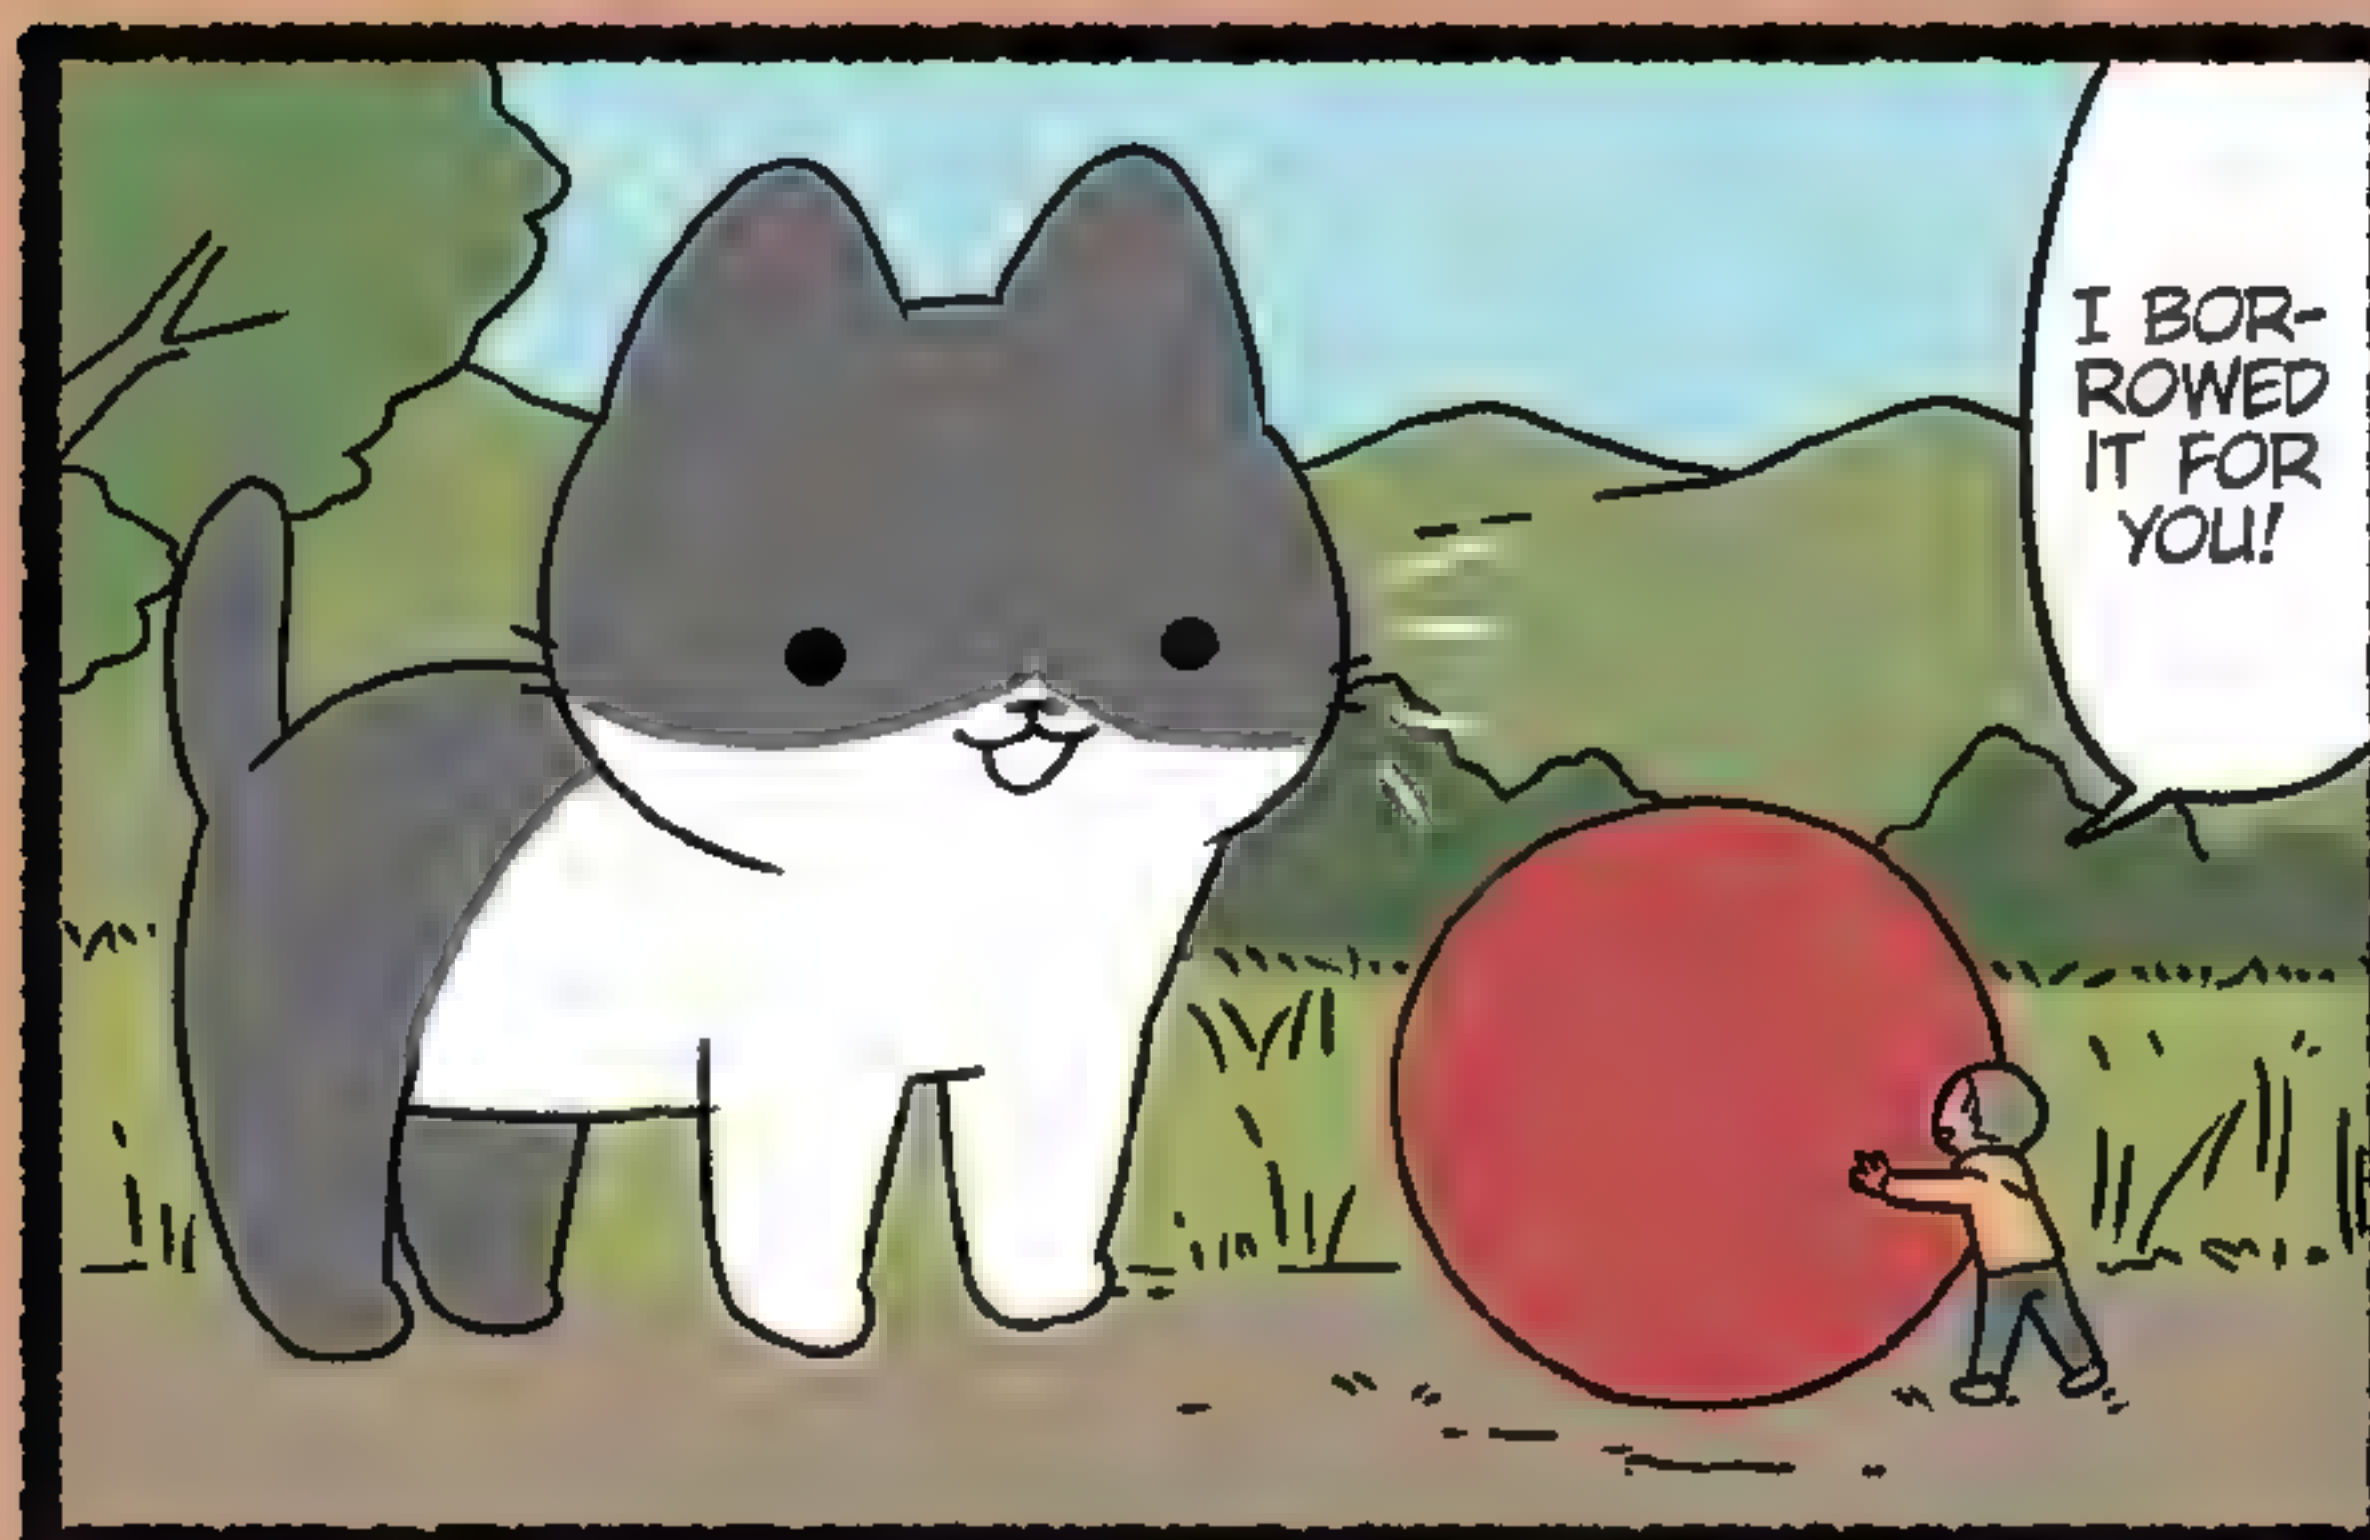

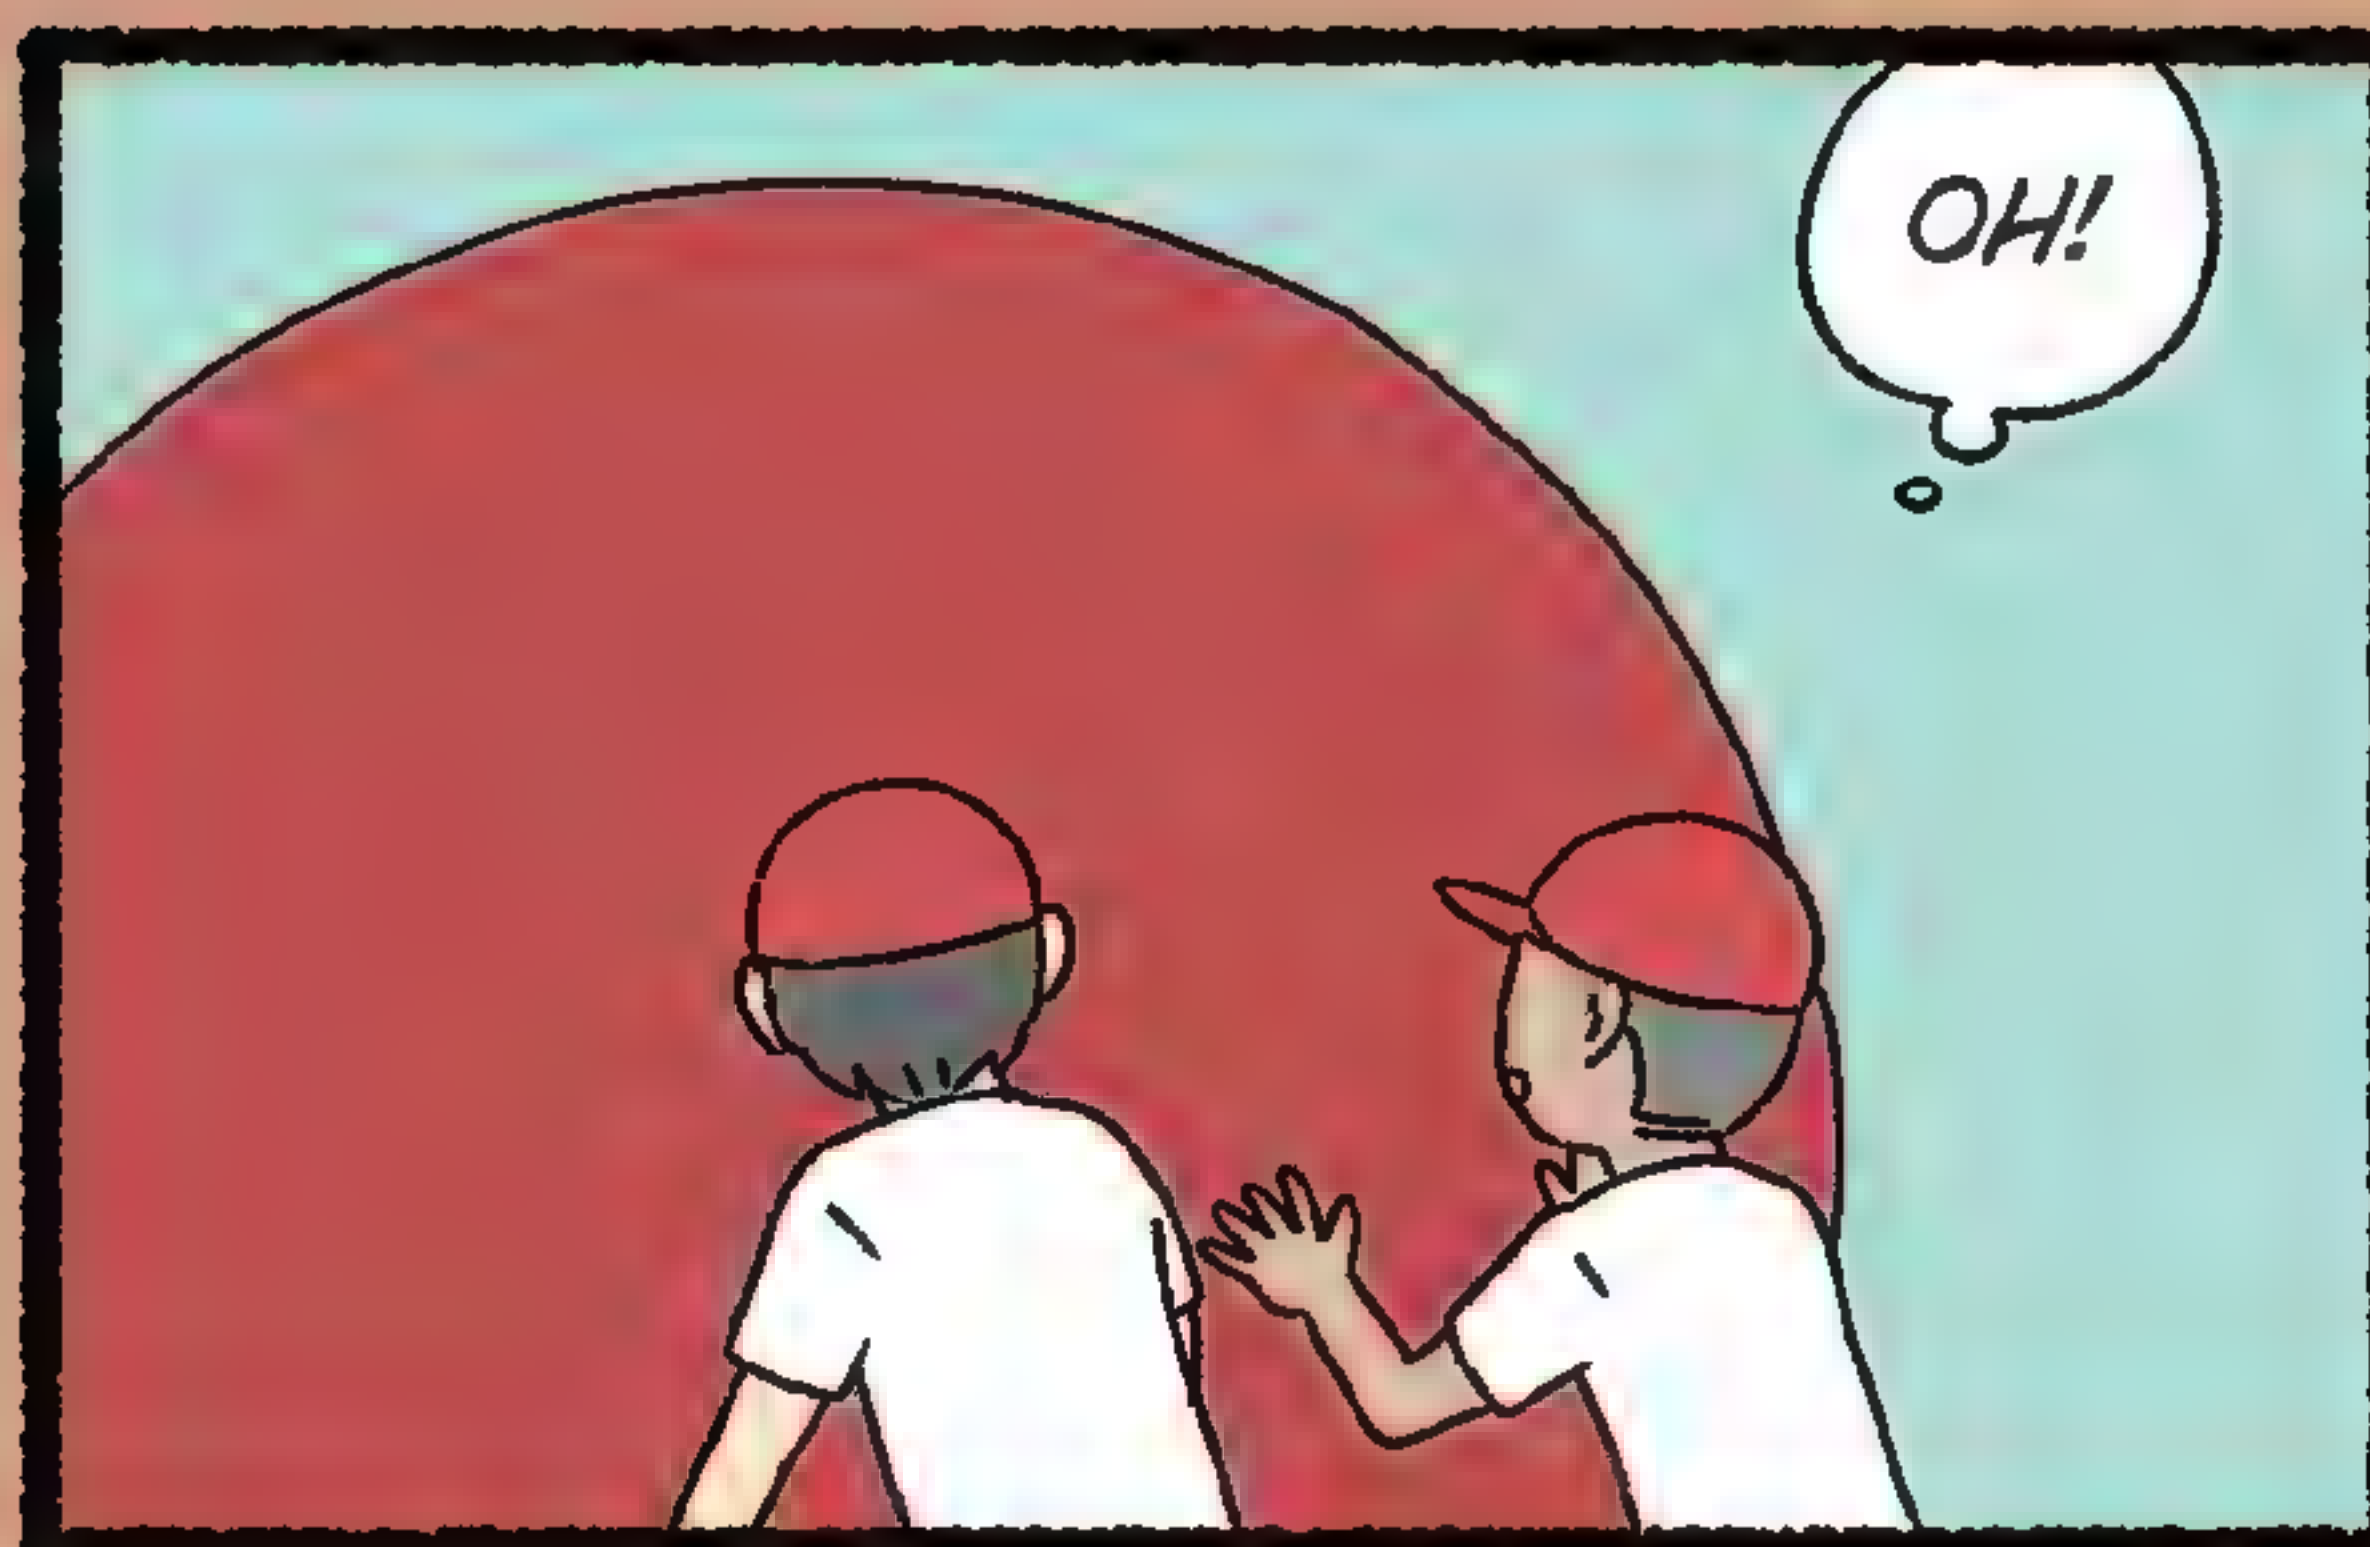

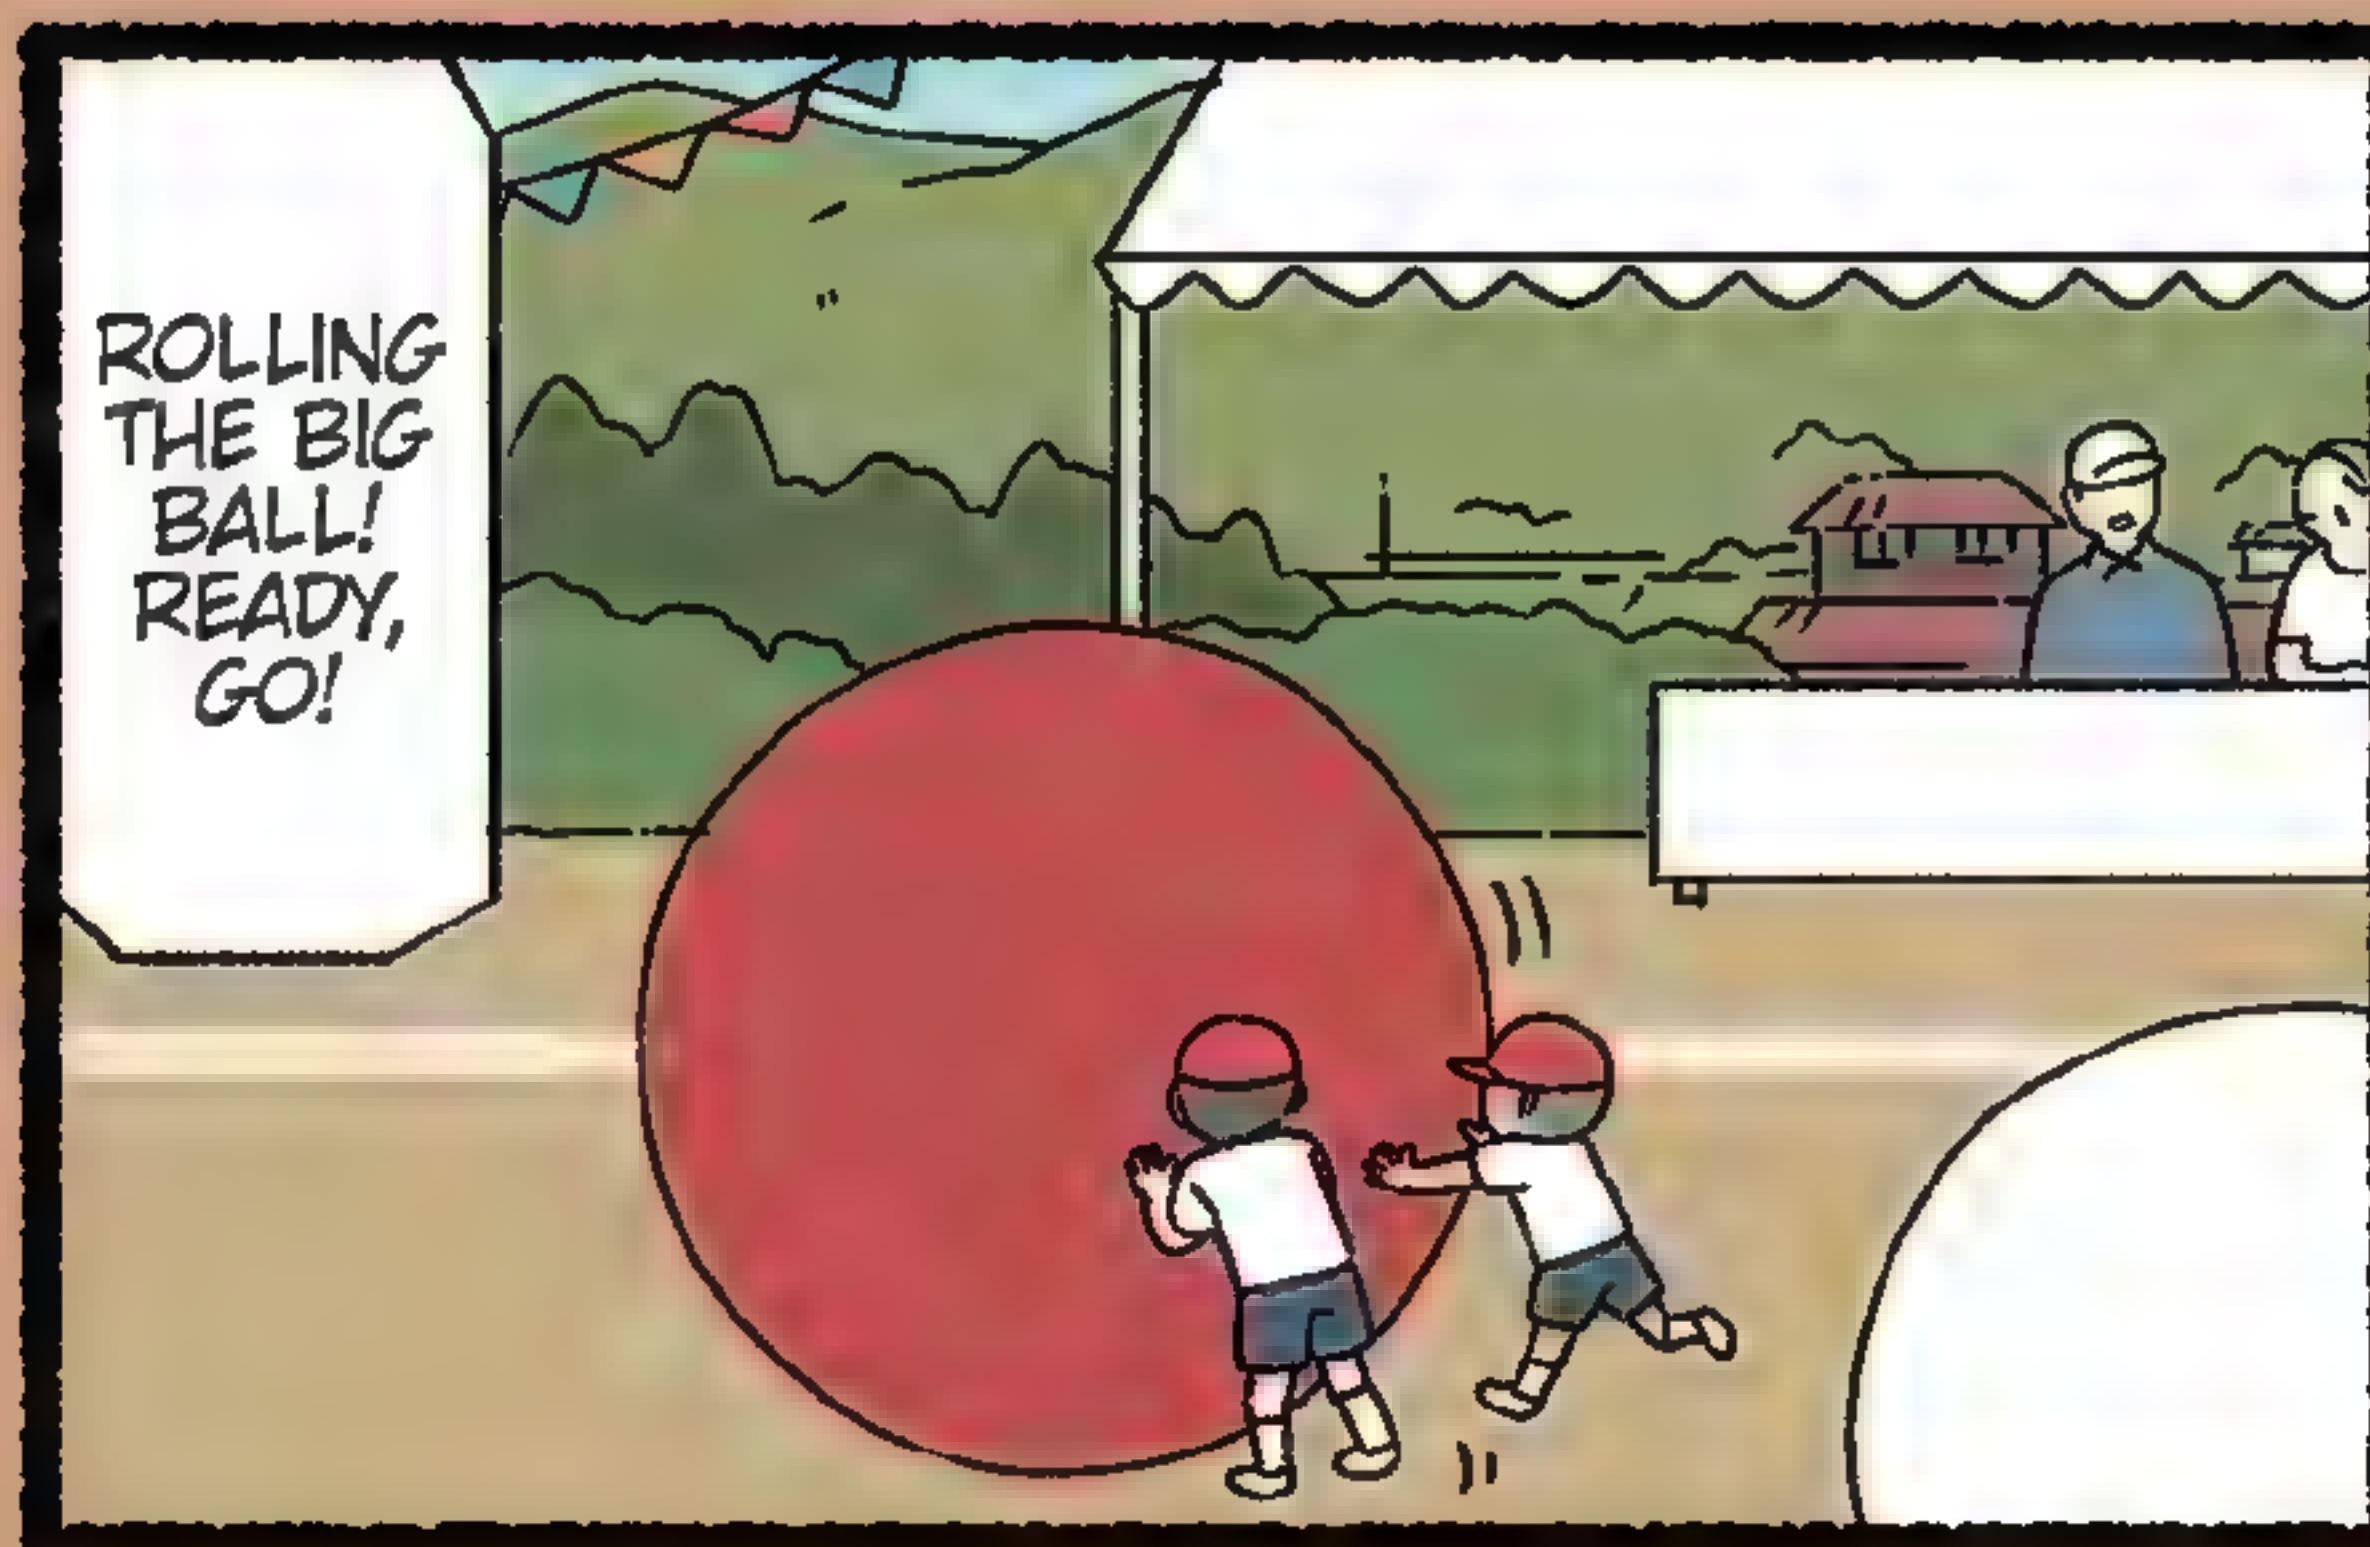

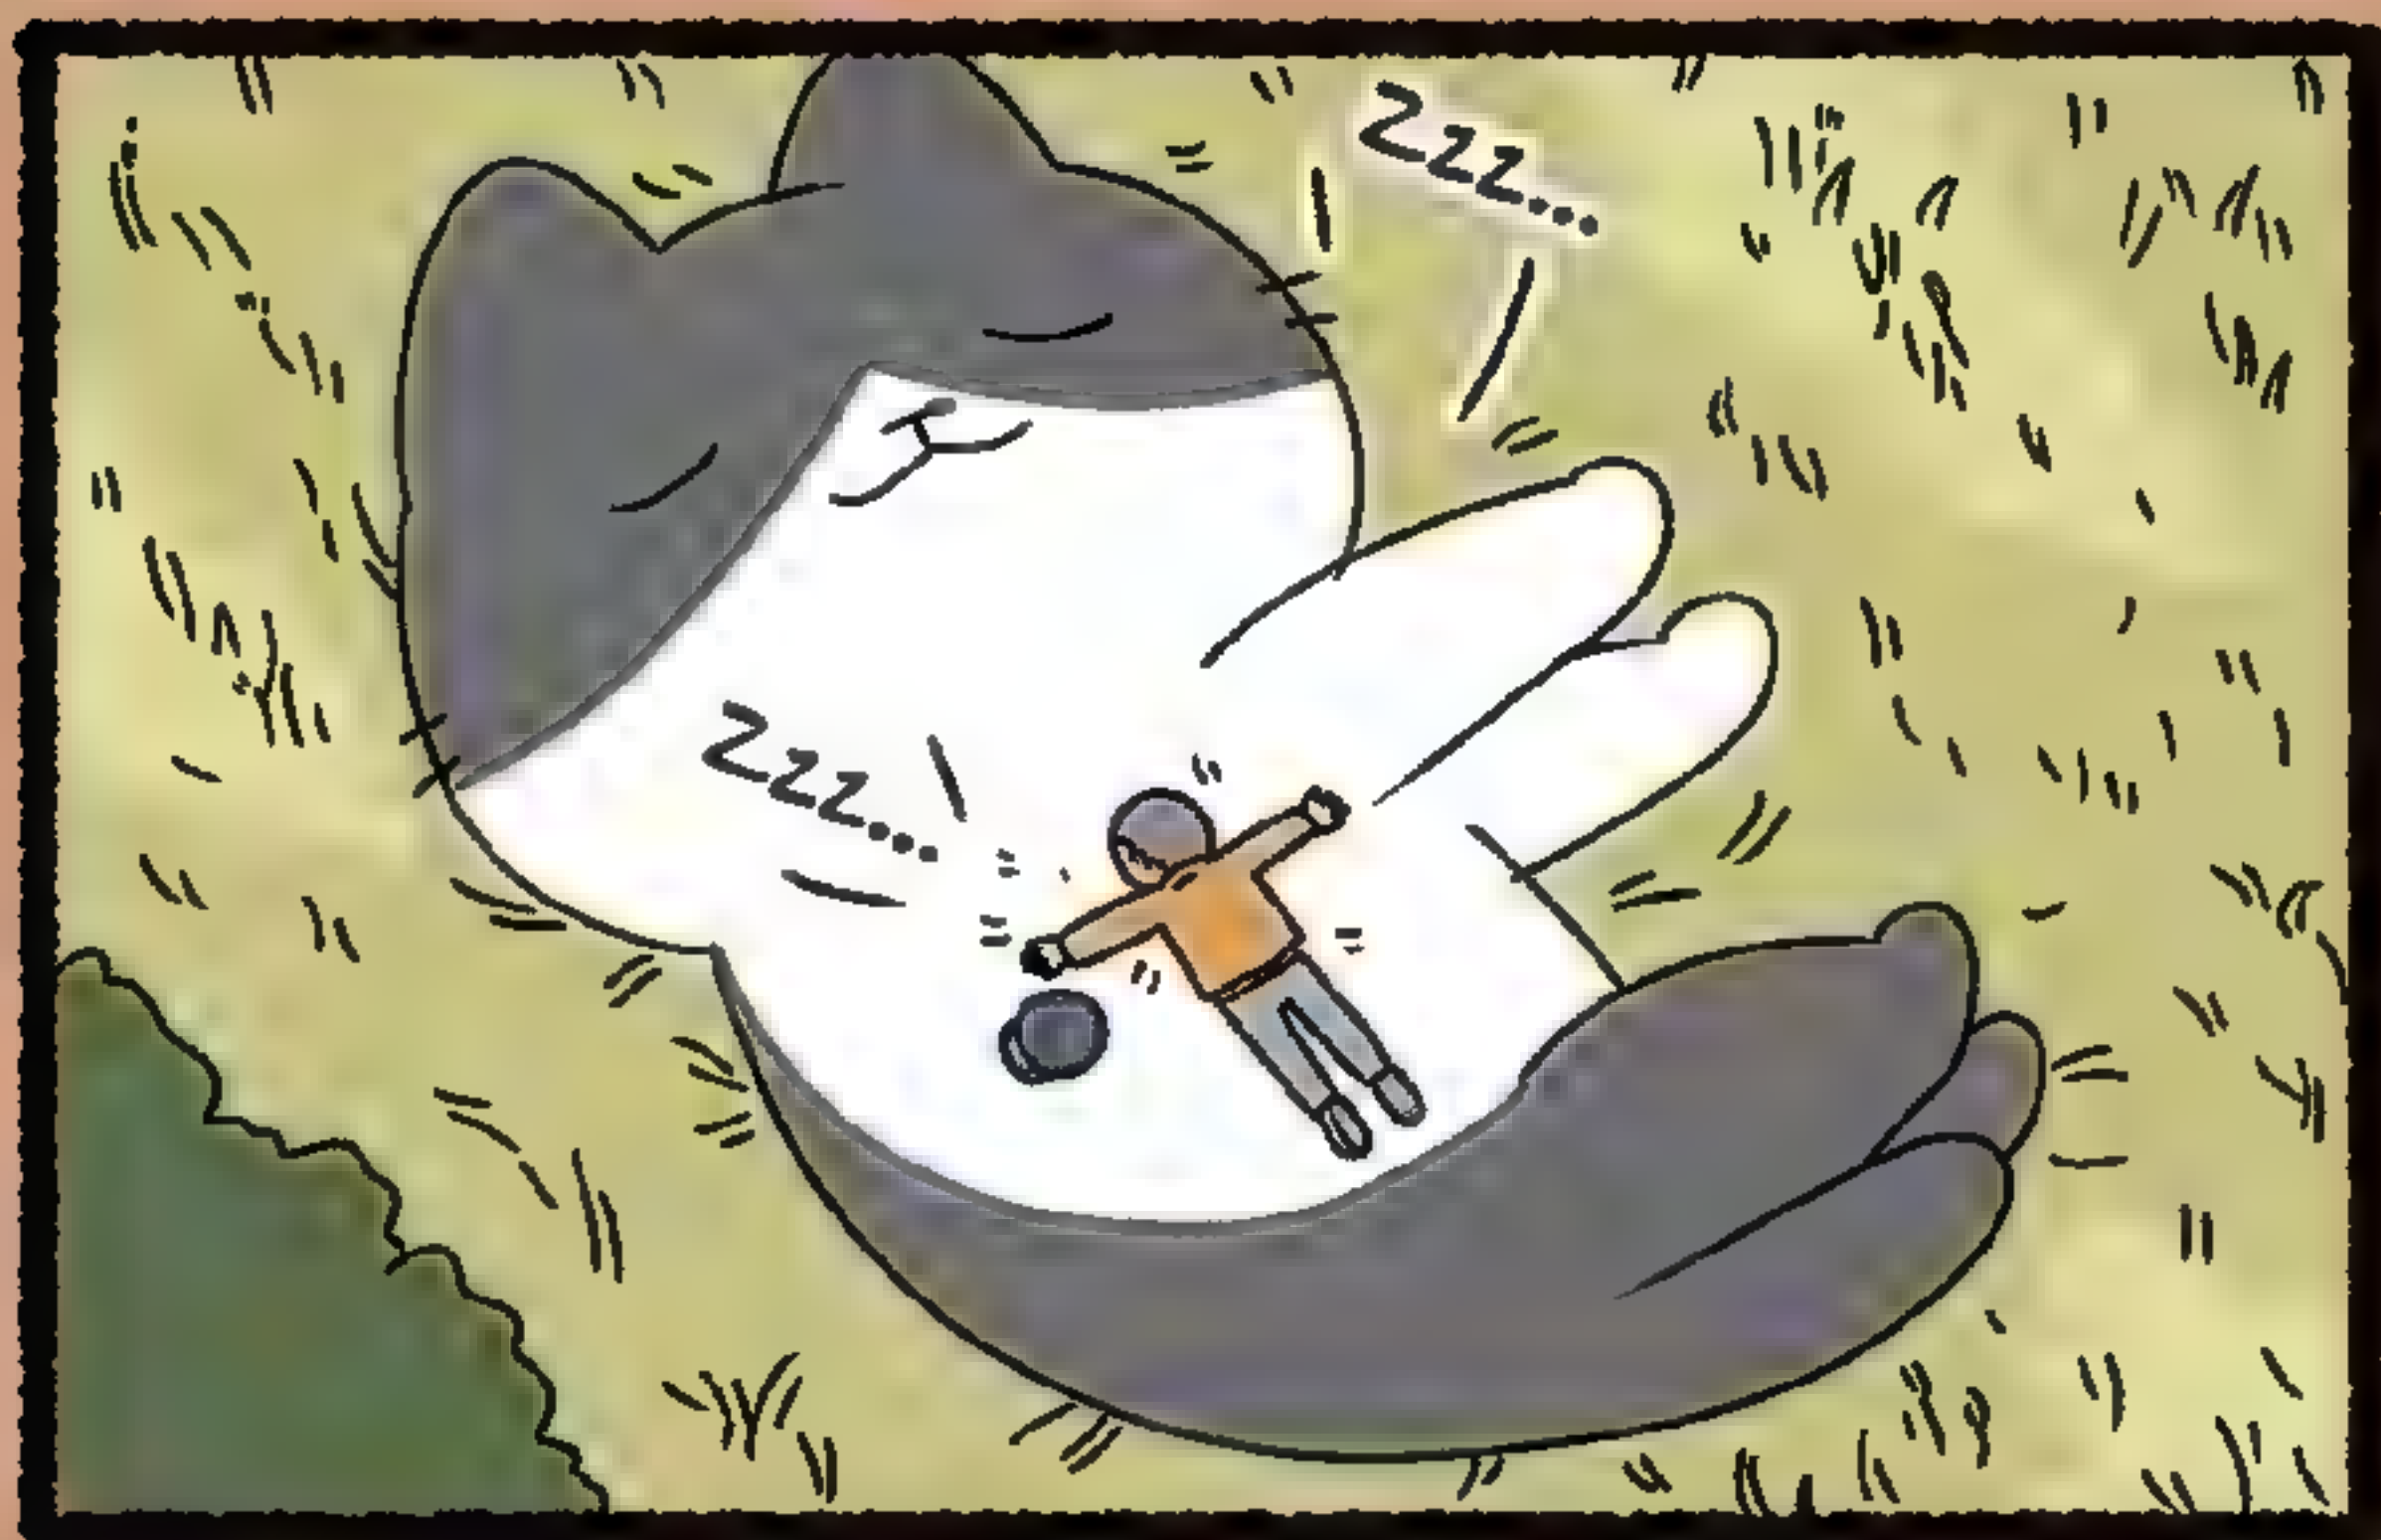

Daidarabocchi

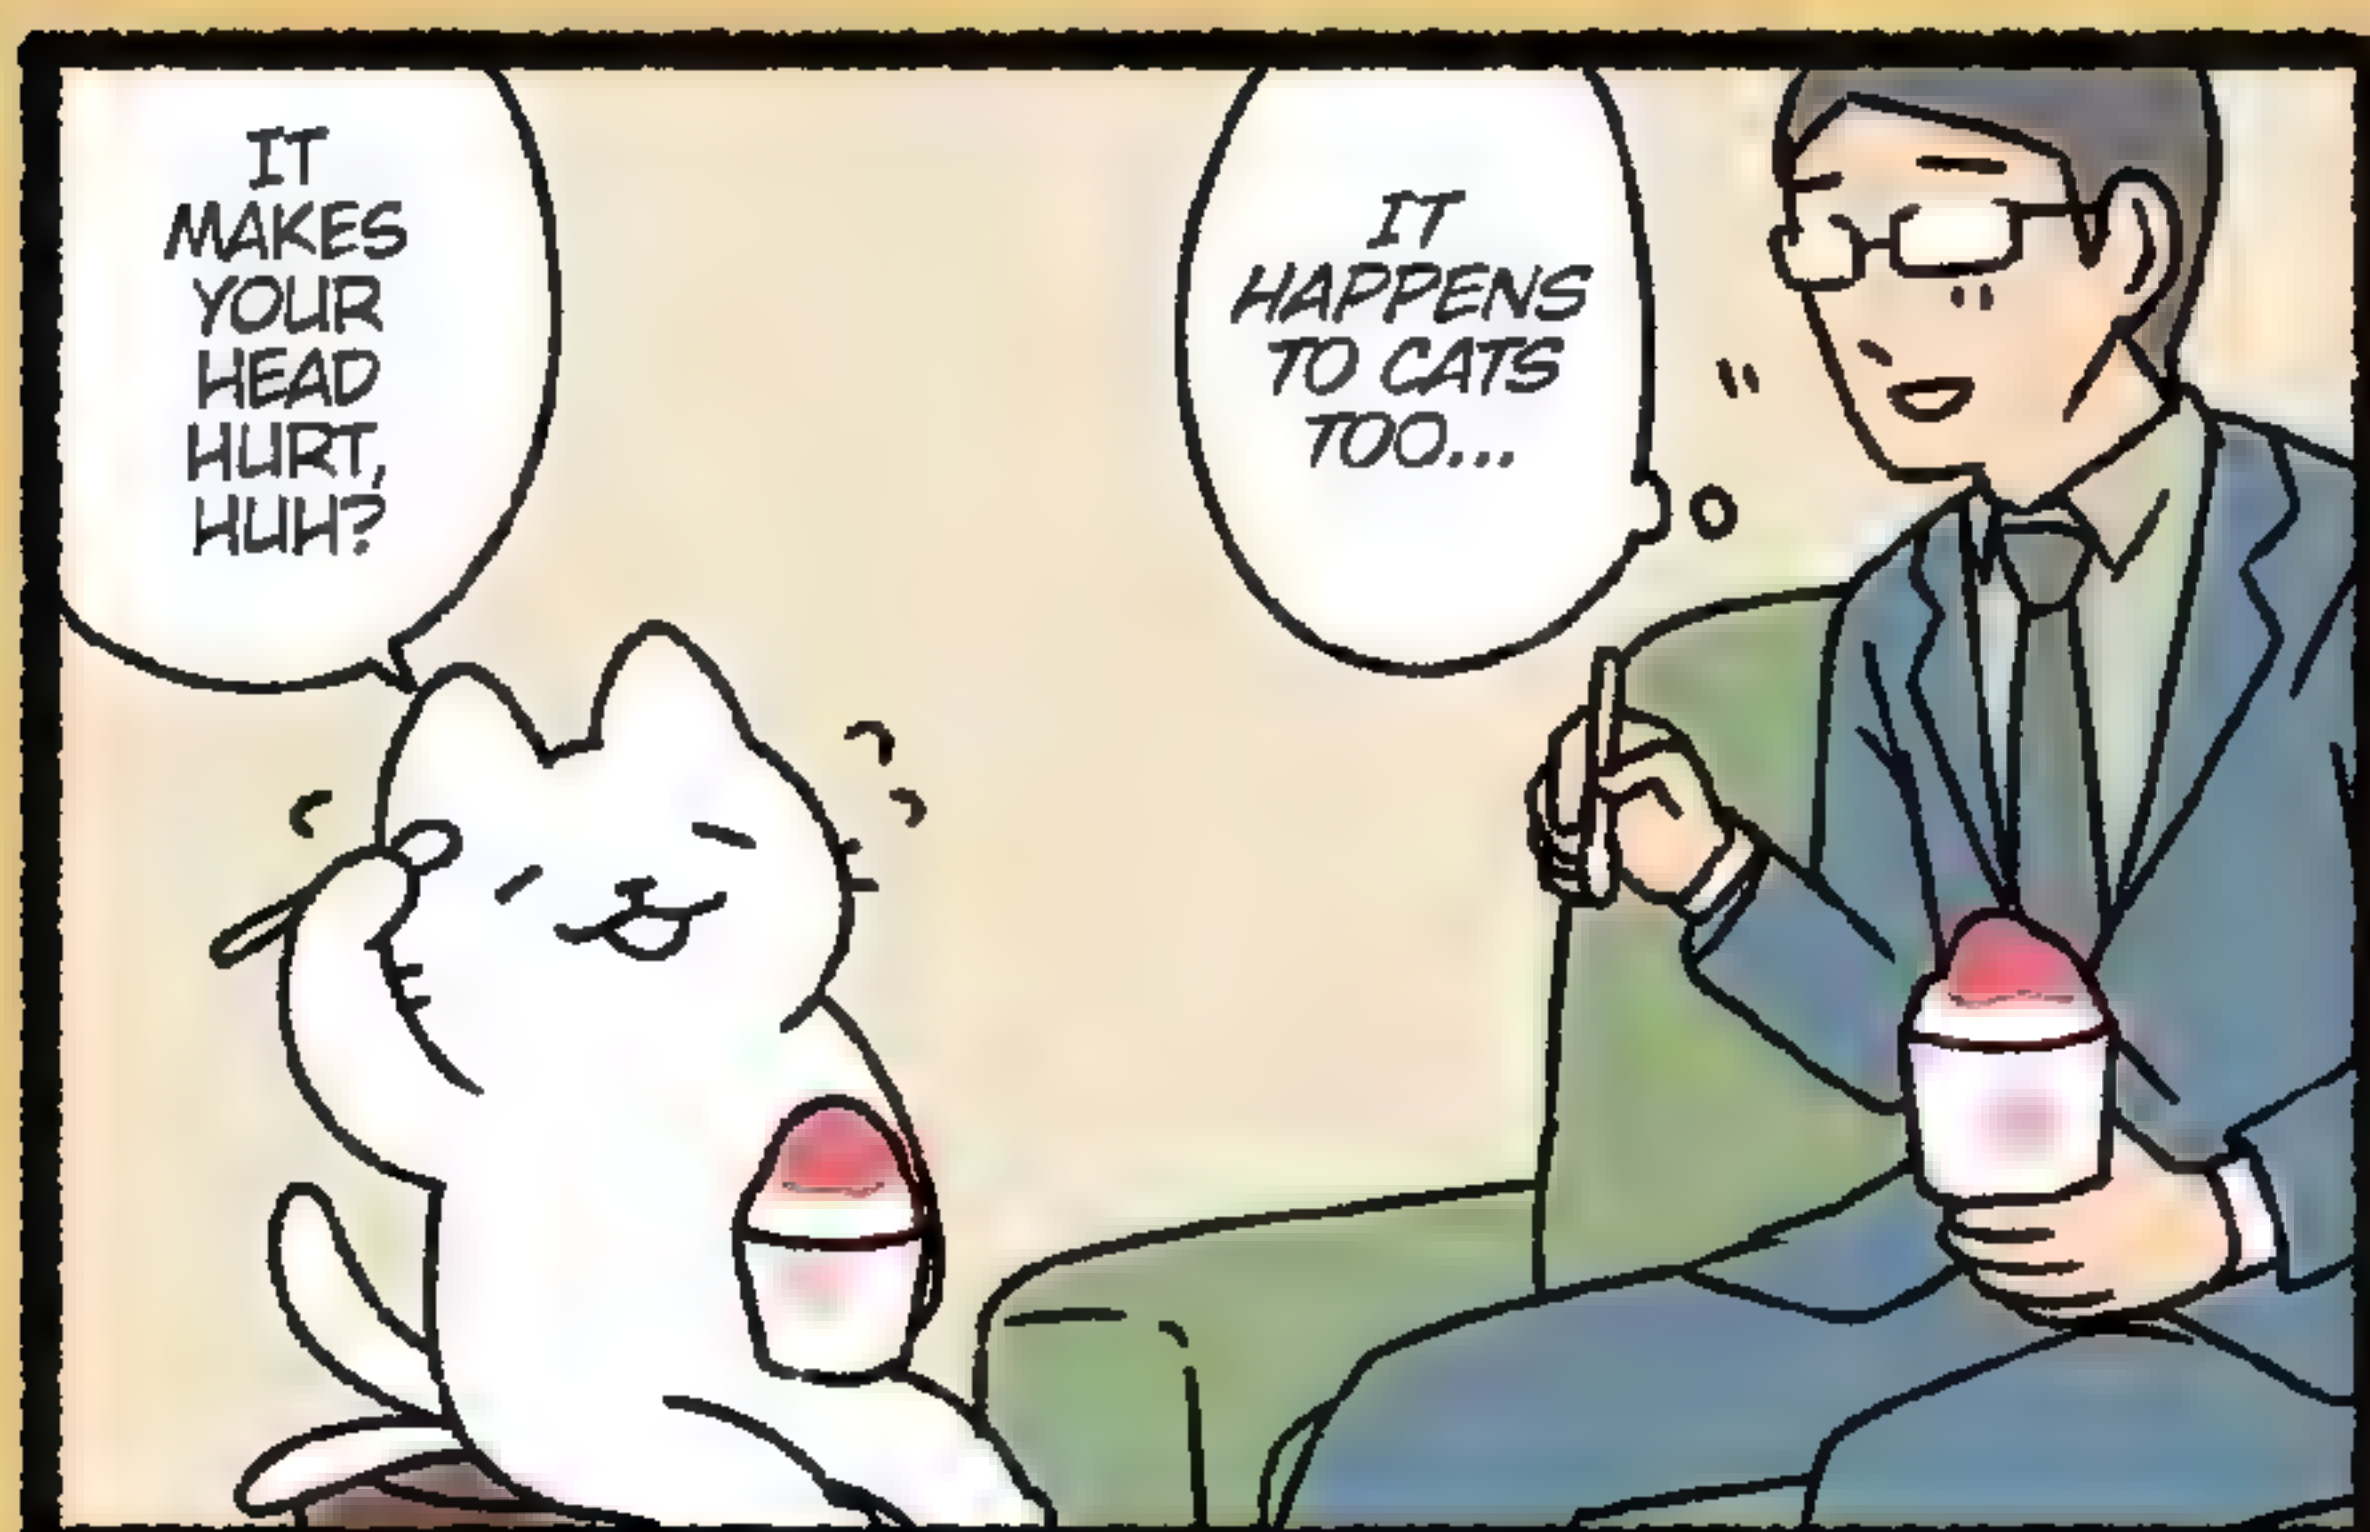

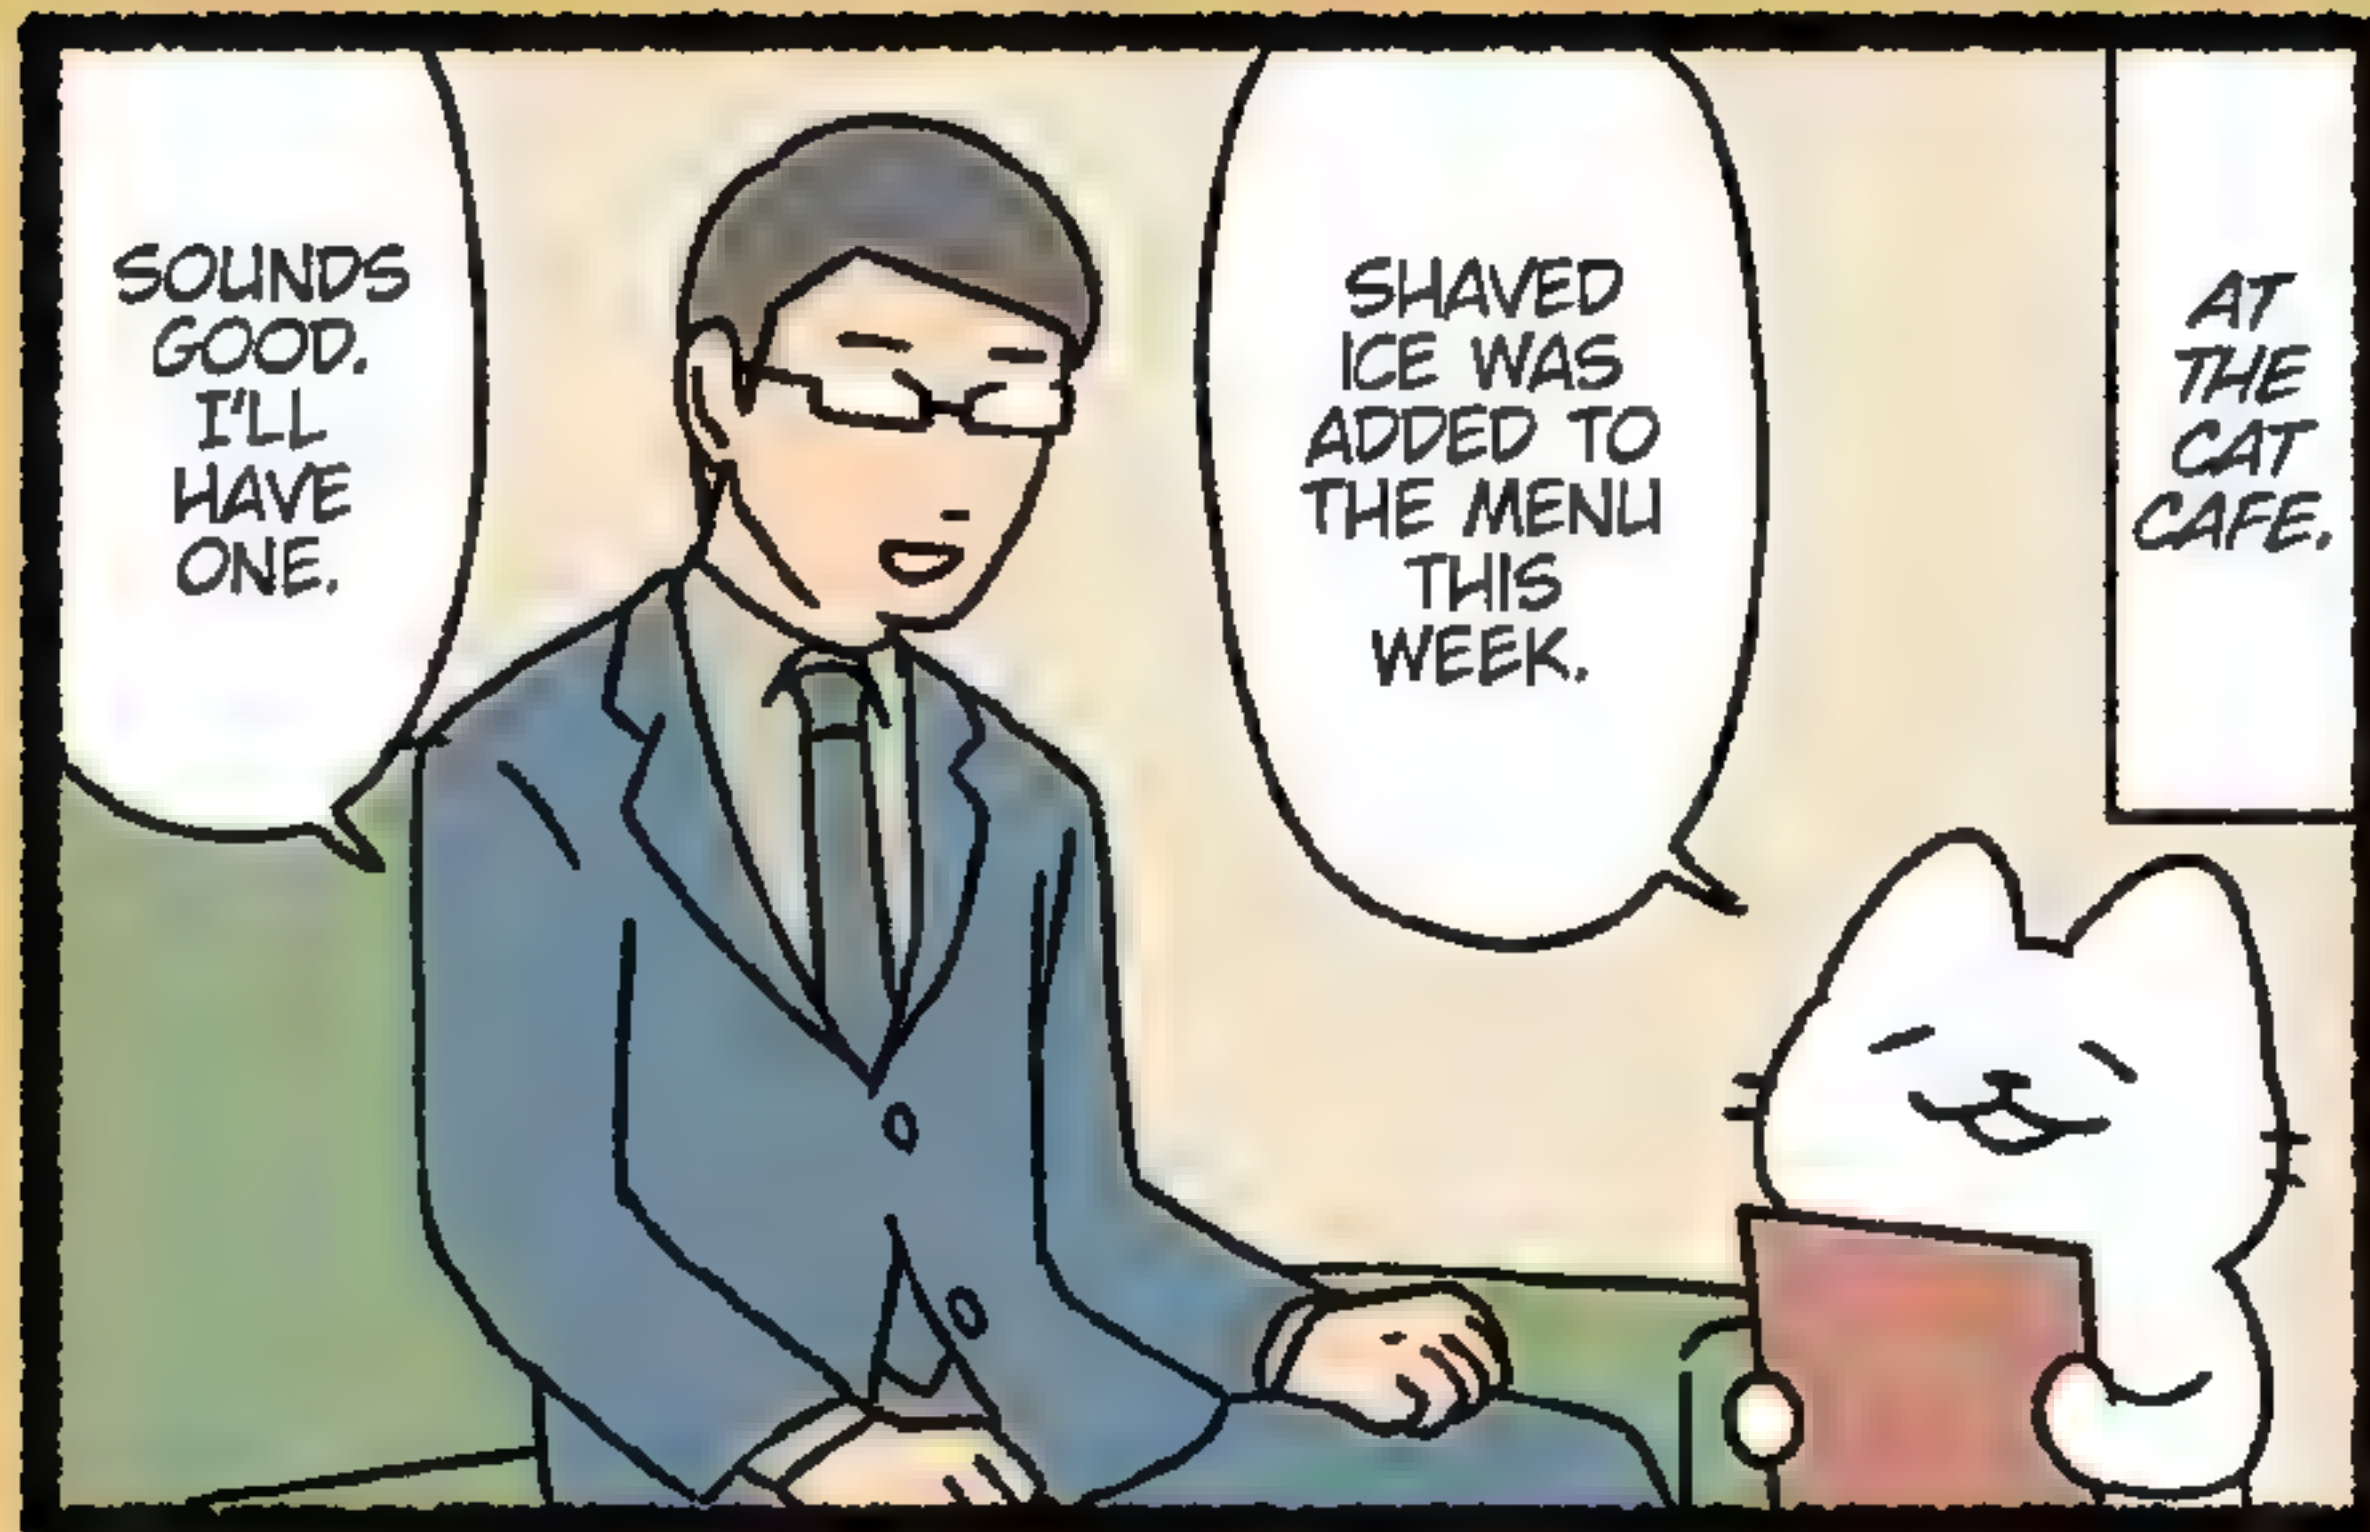

Giant

If you hear rumbling in the mountains, it's either thunder or the sound of a Daidarabocchi's purr.

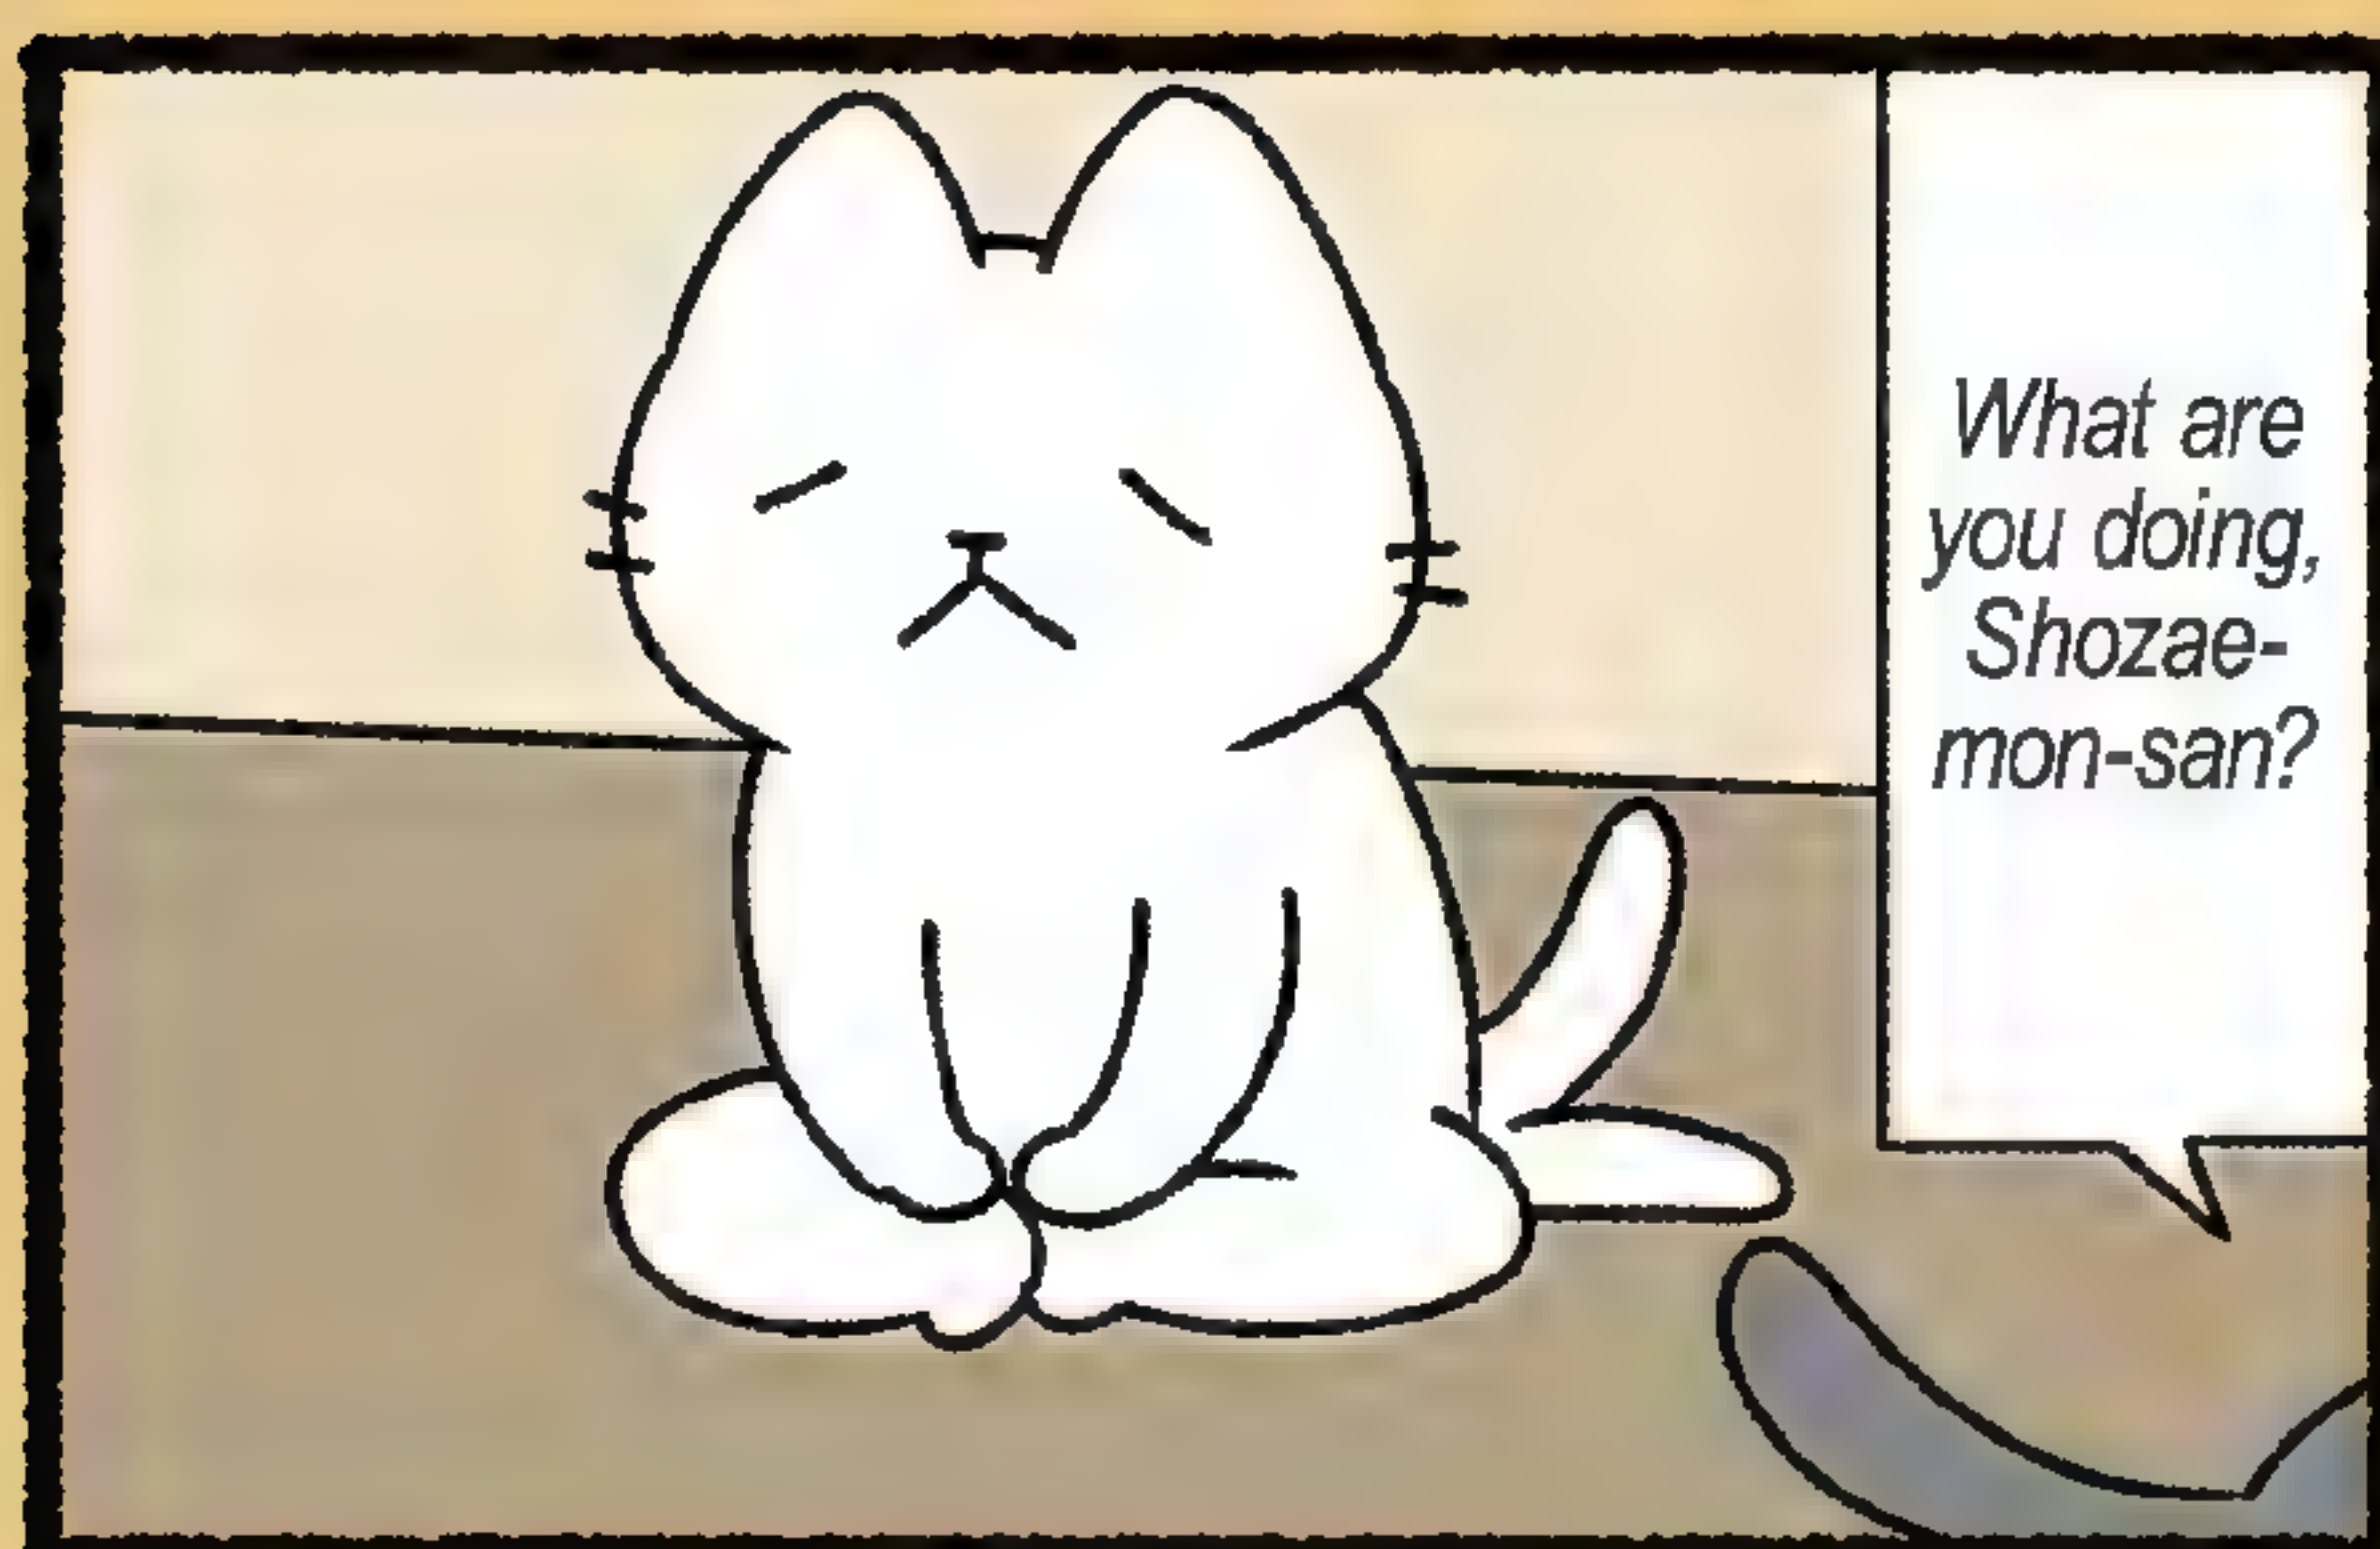

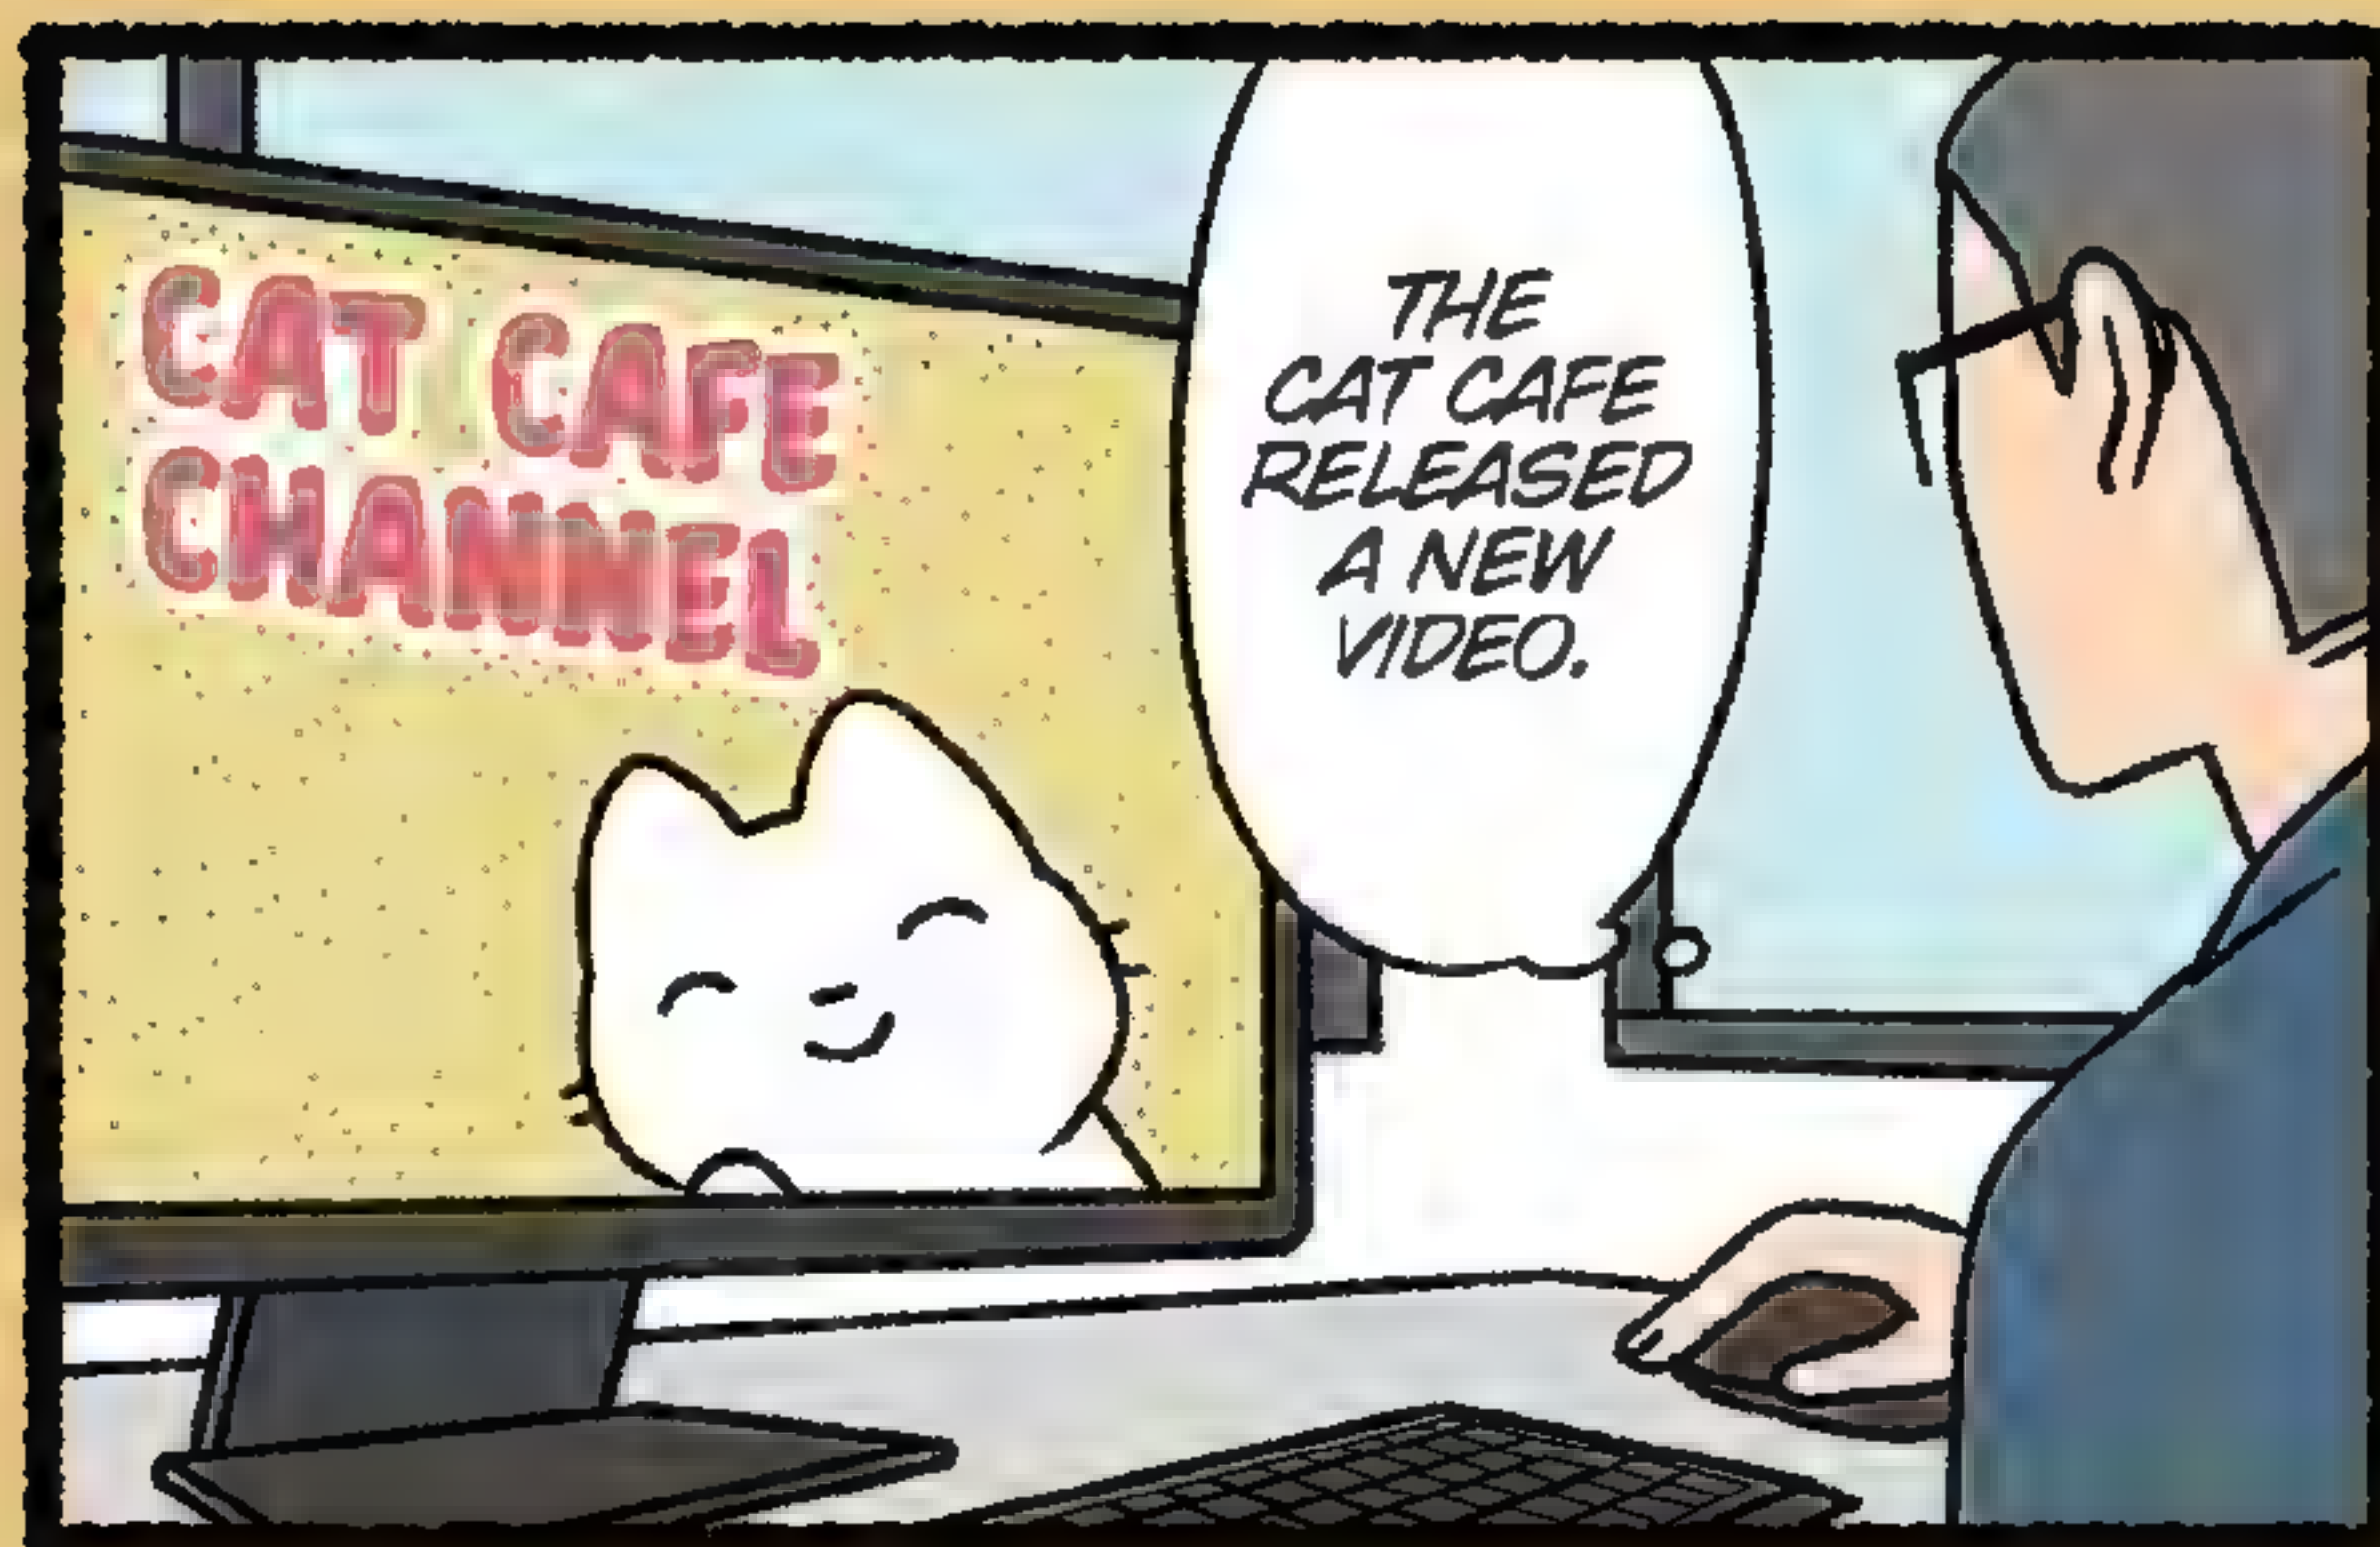

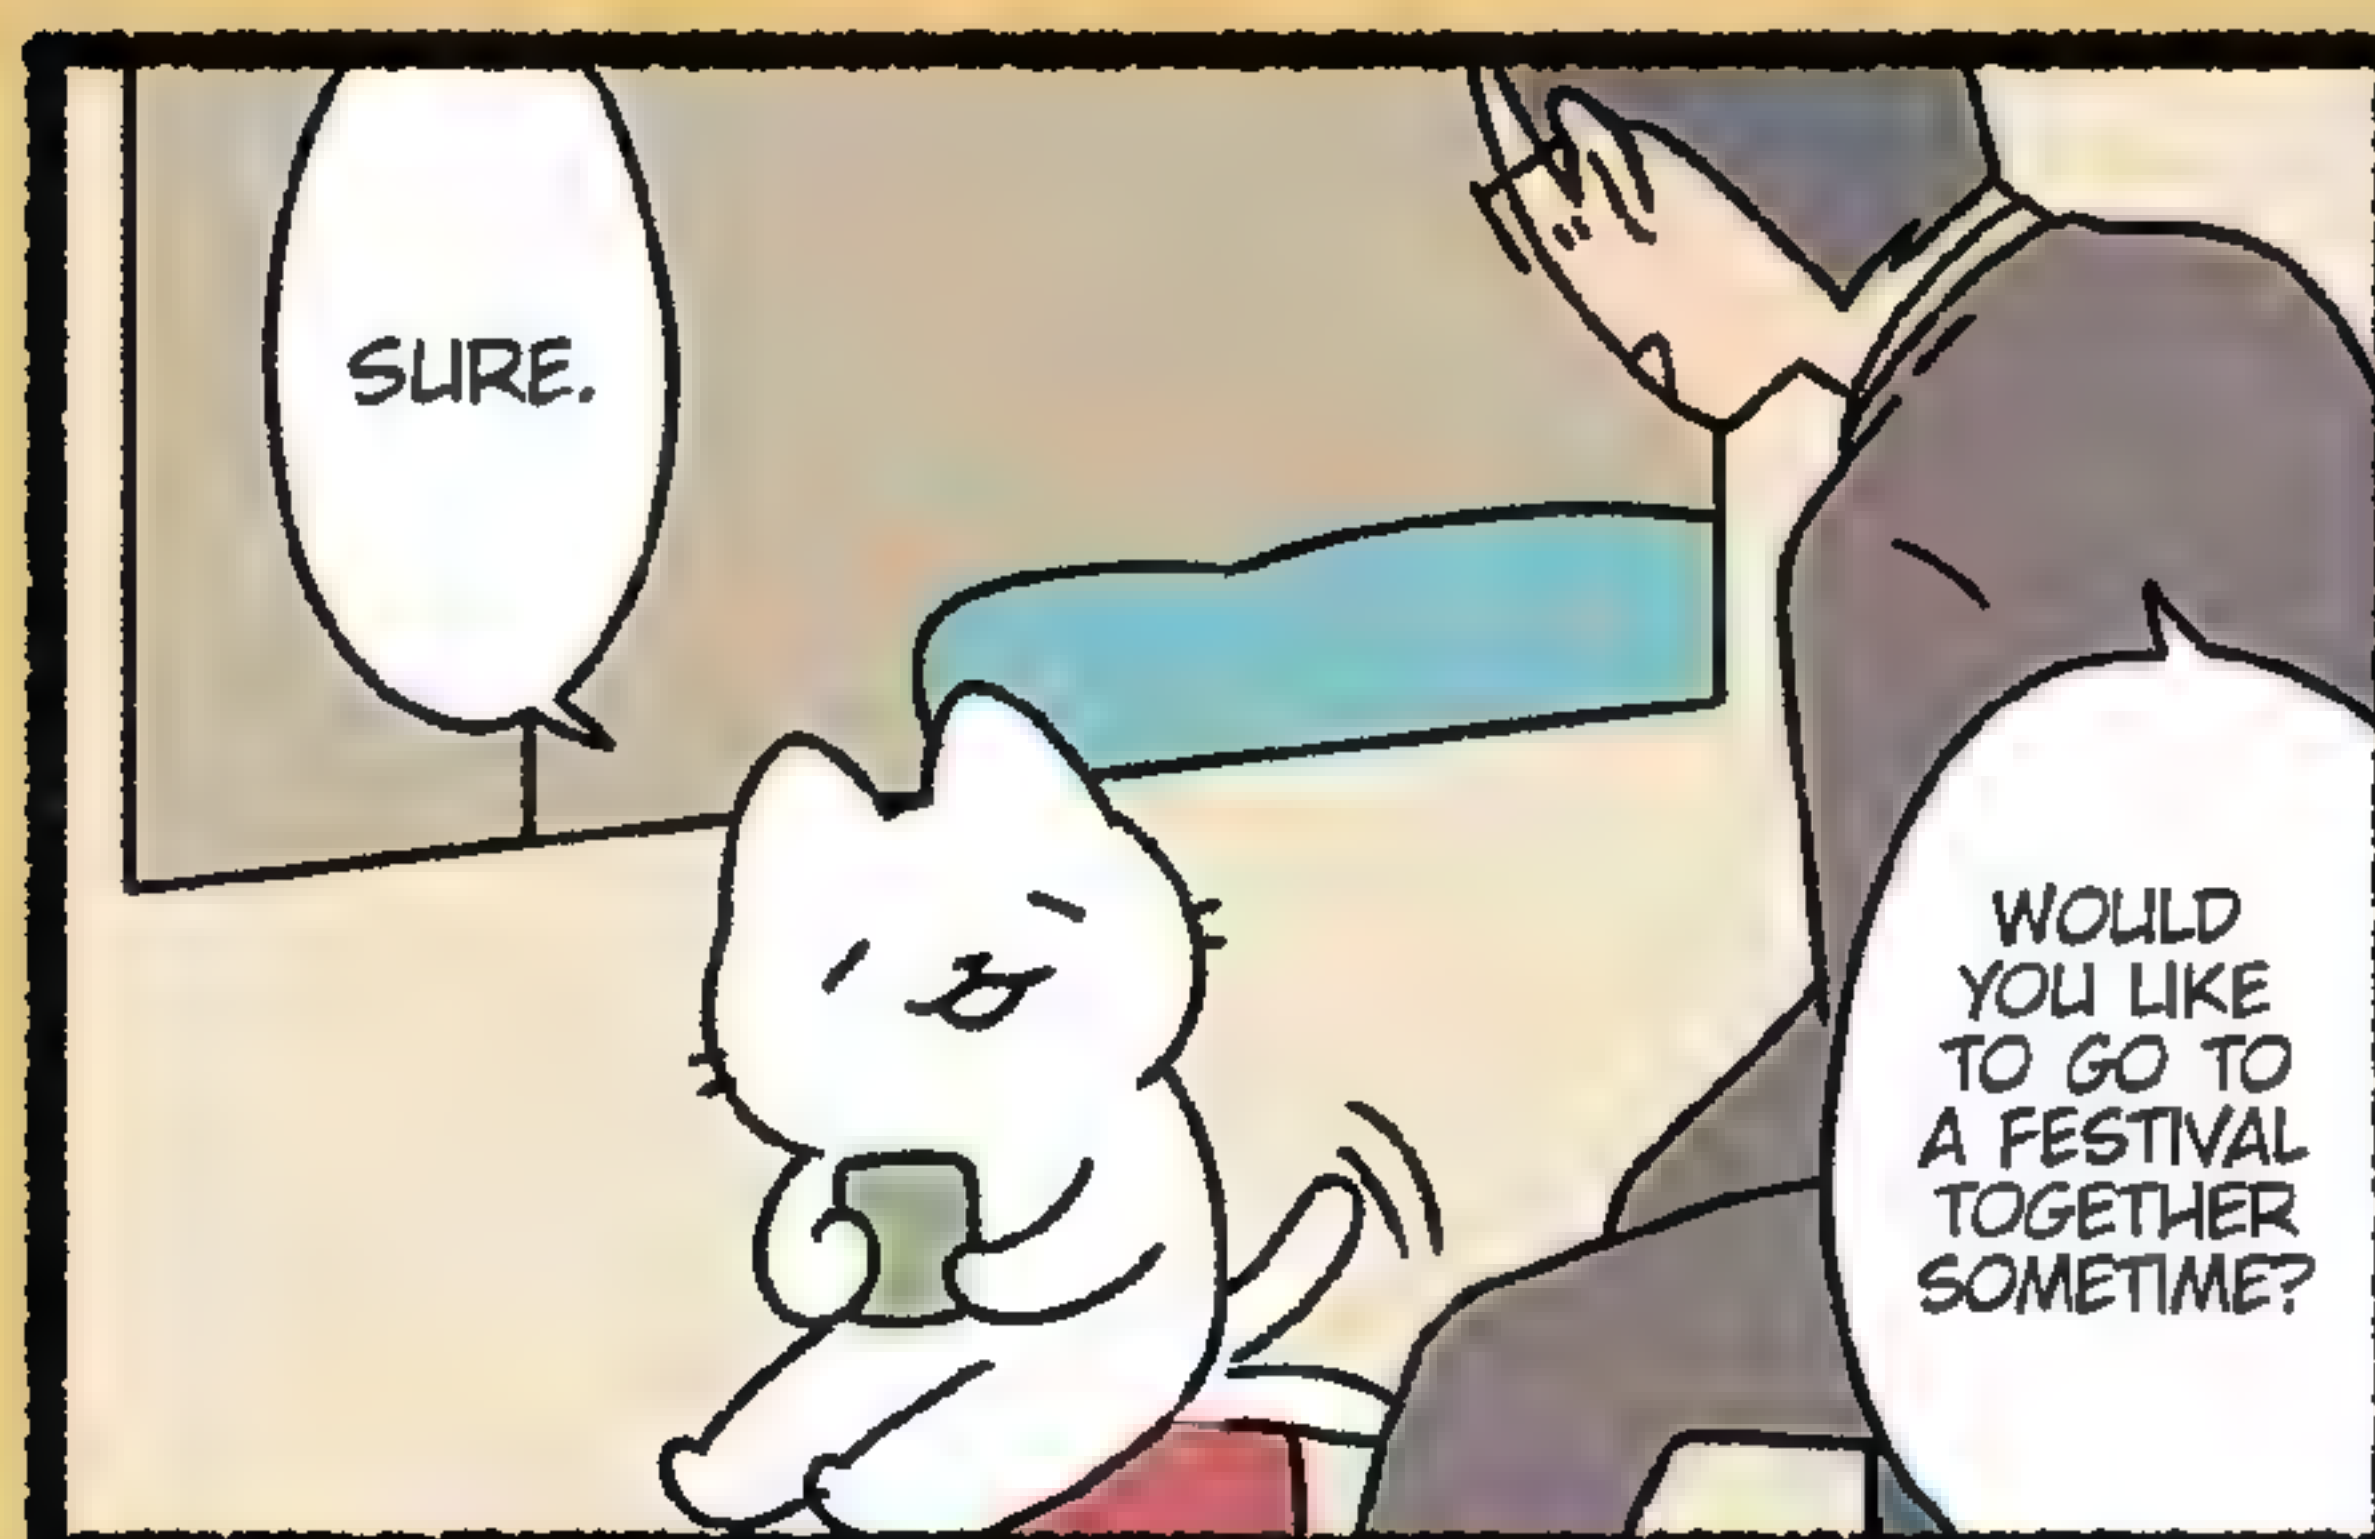

Nekomata

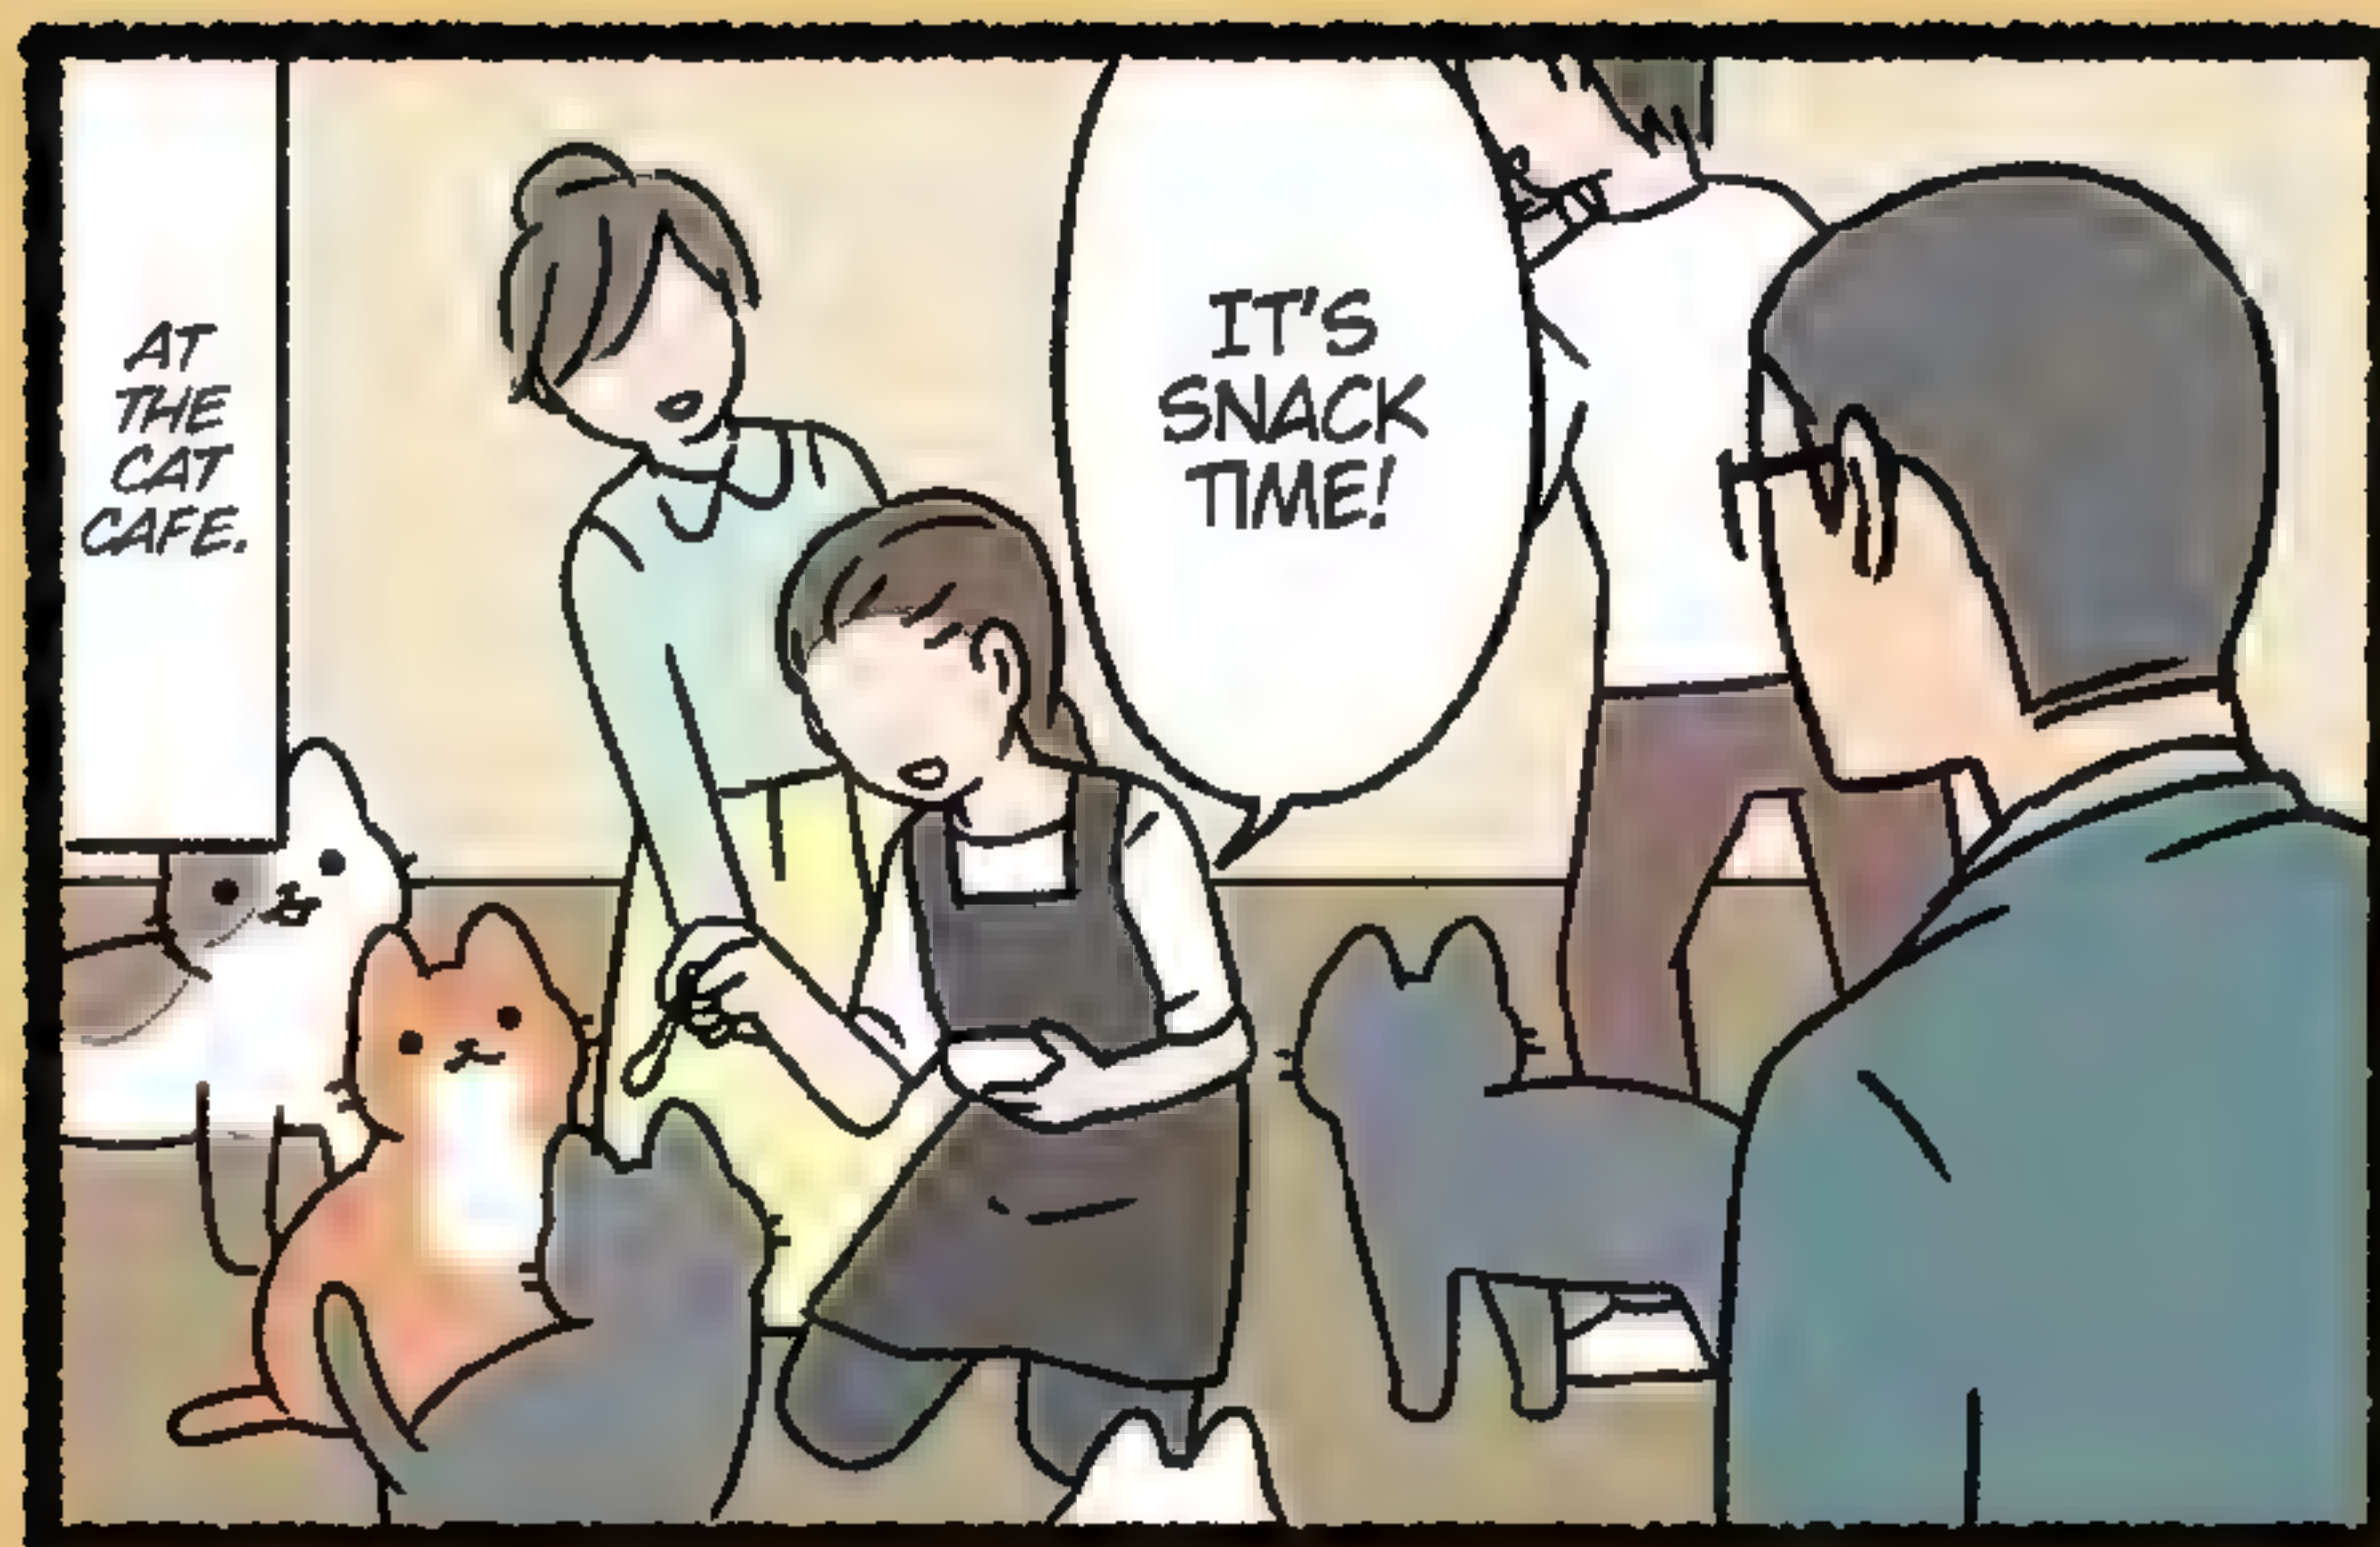

Two-Tailed Cat

In addition to serving customers at the cat cafe, he's also active in the kitchen, baking cookies and making pancakes.

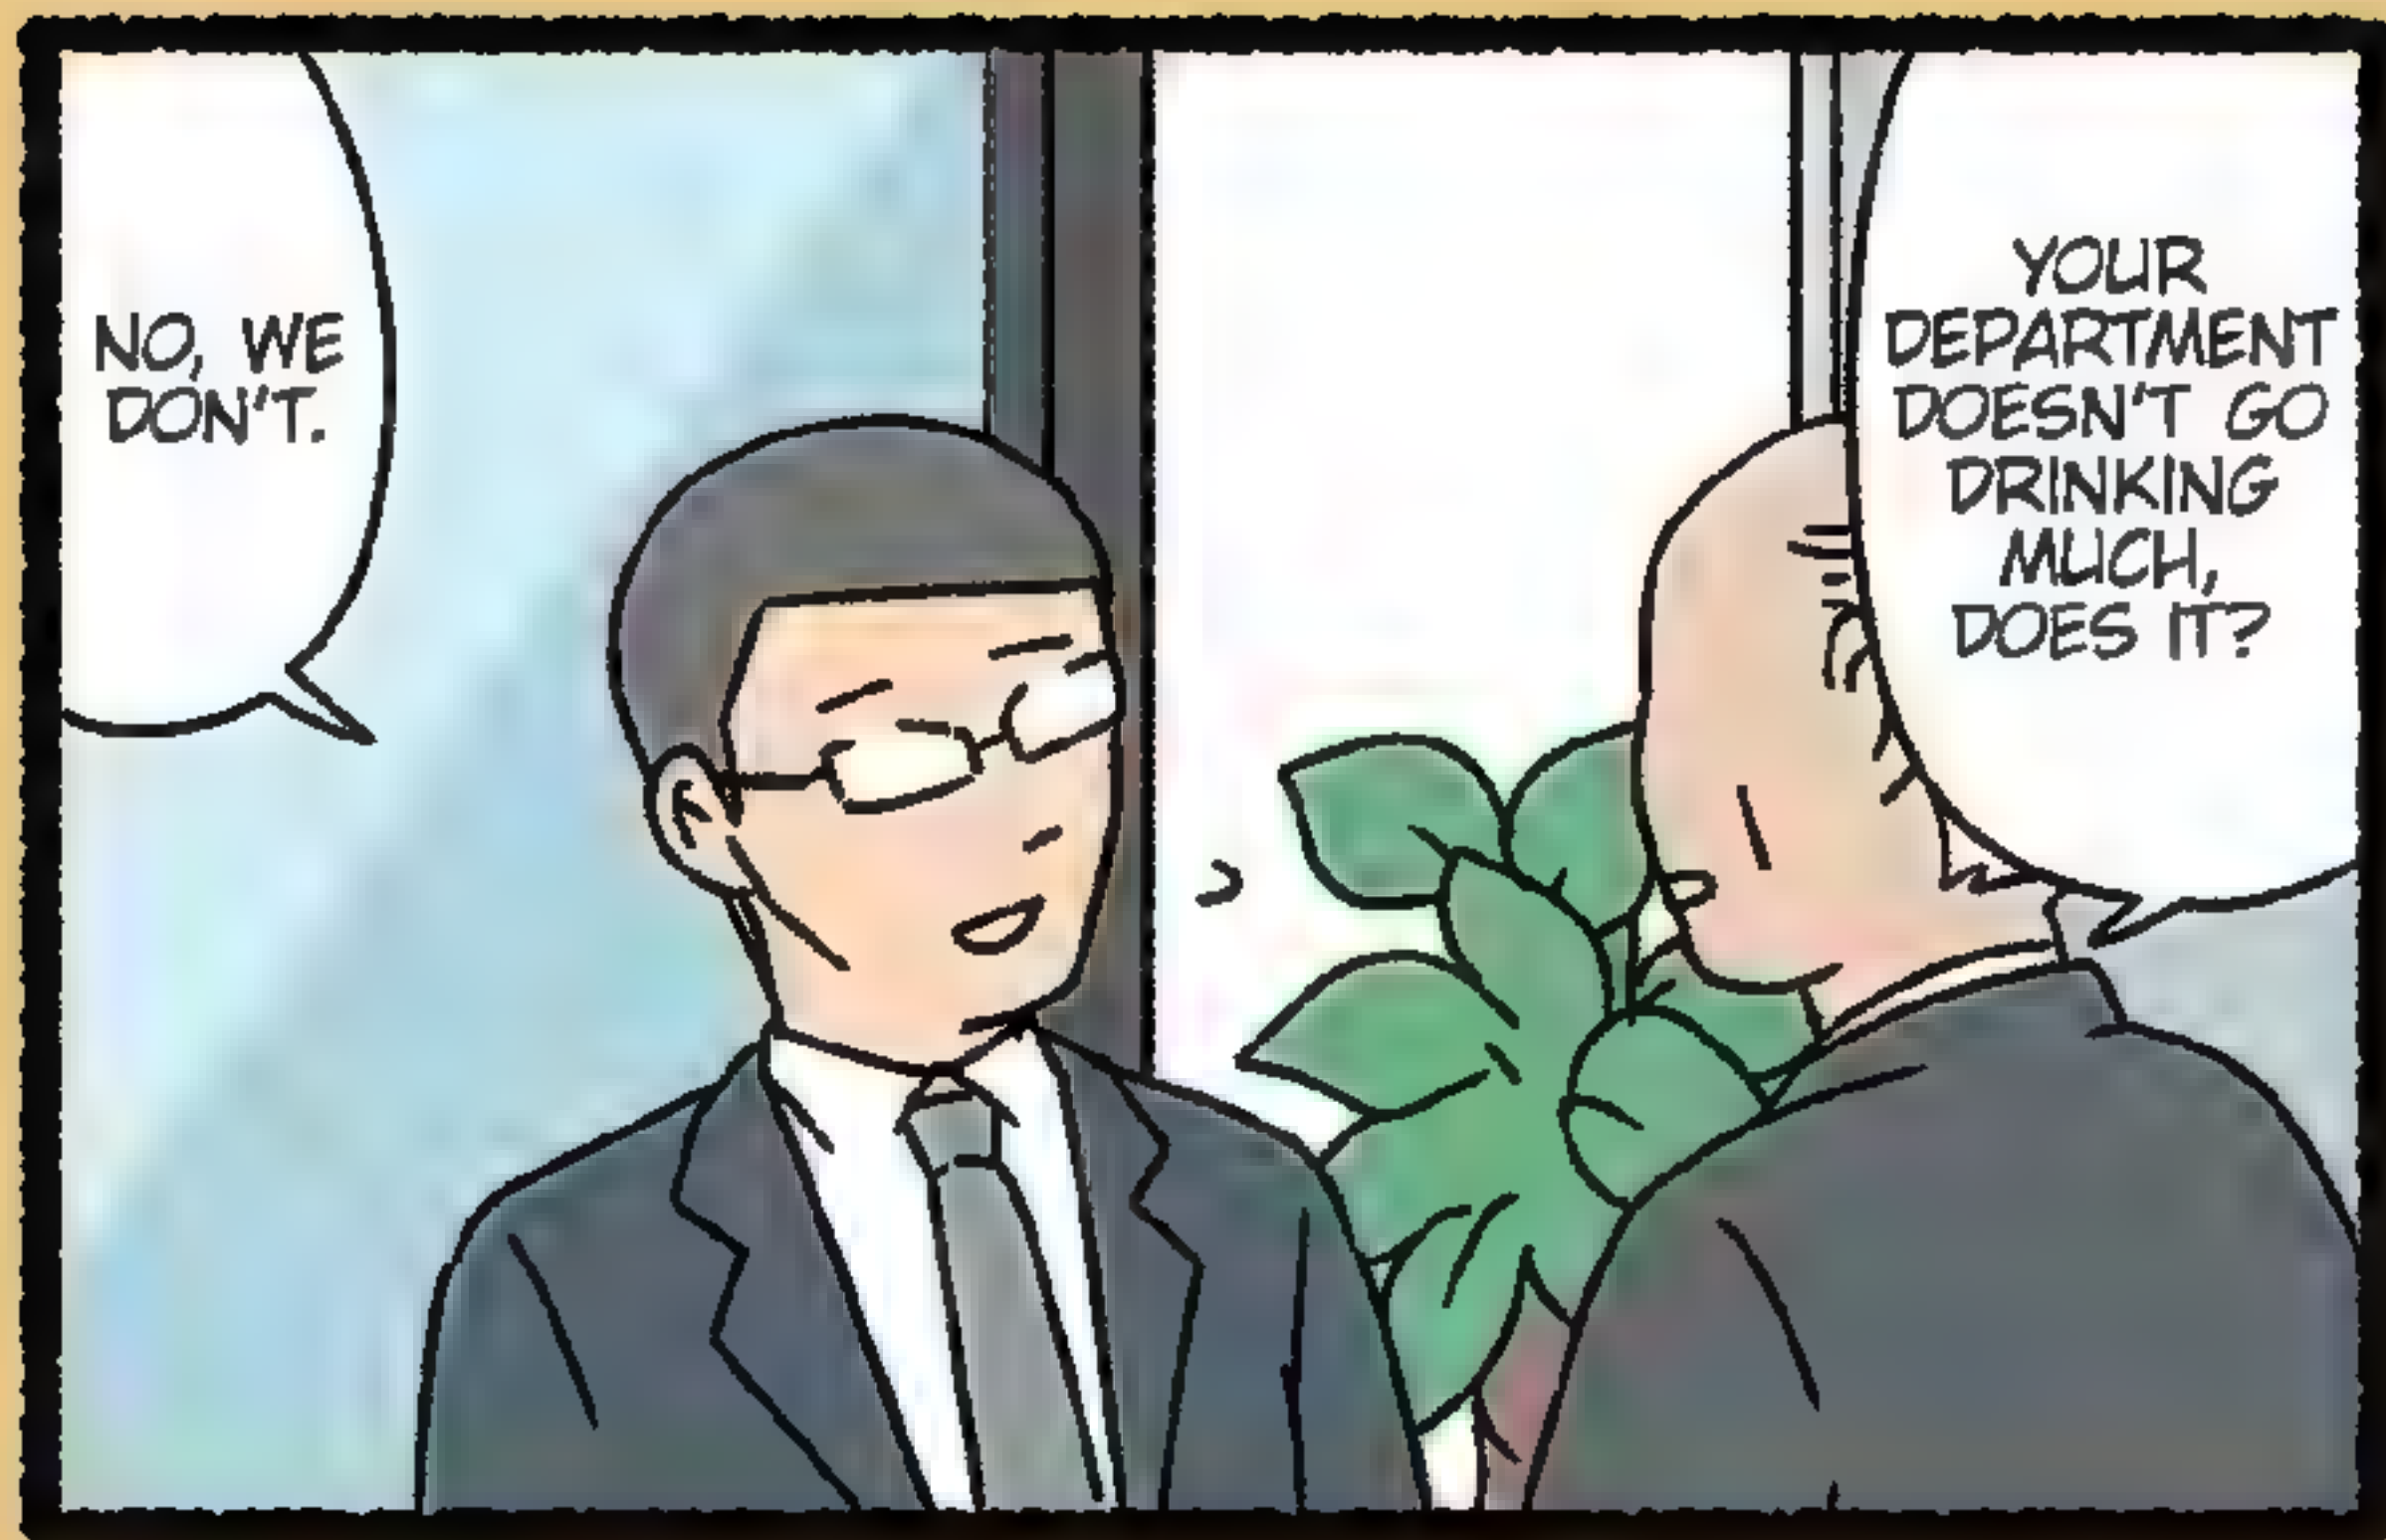

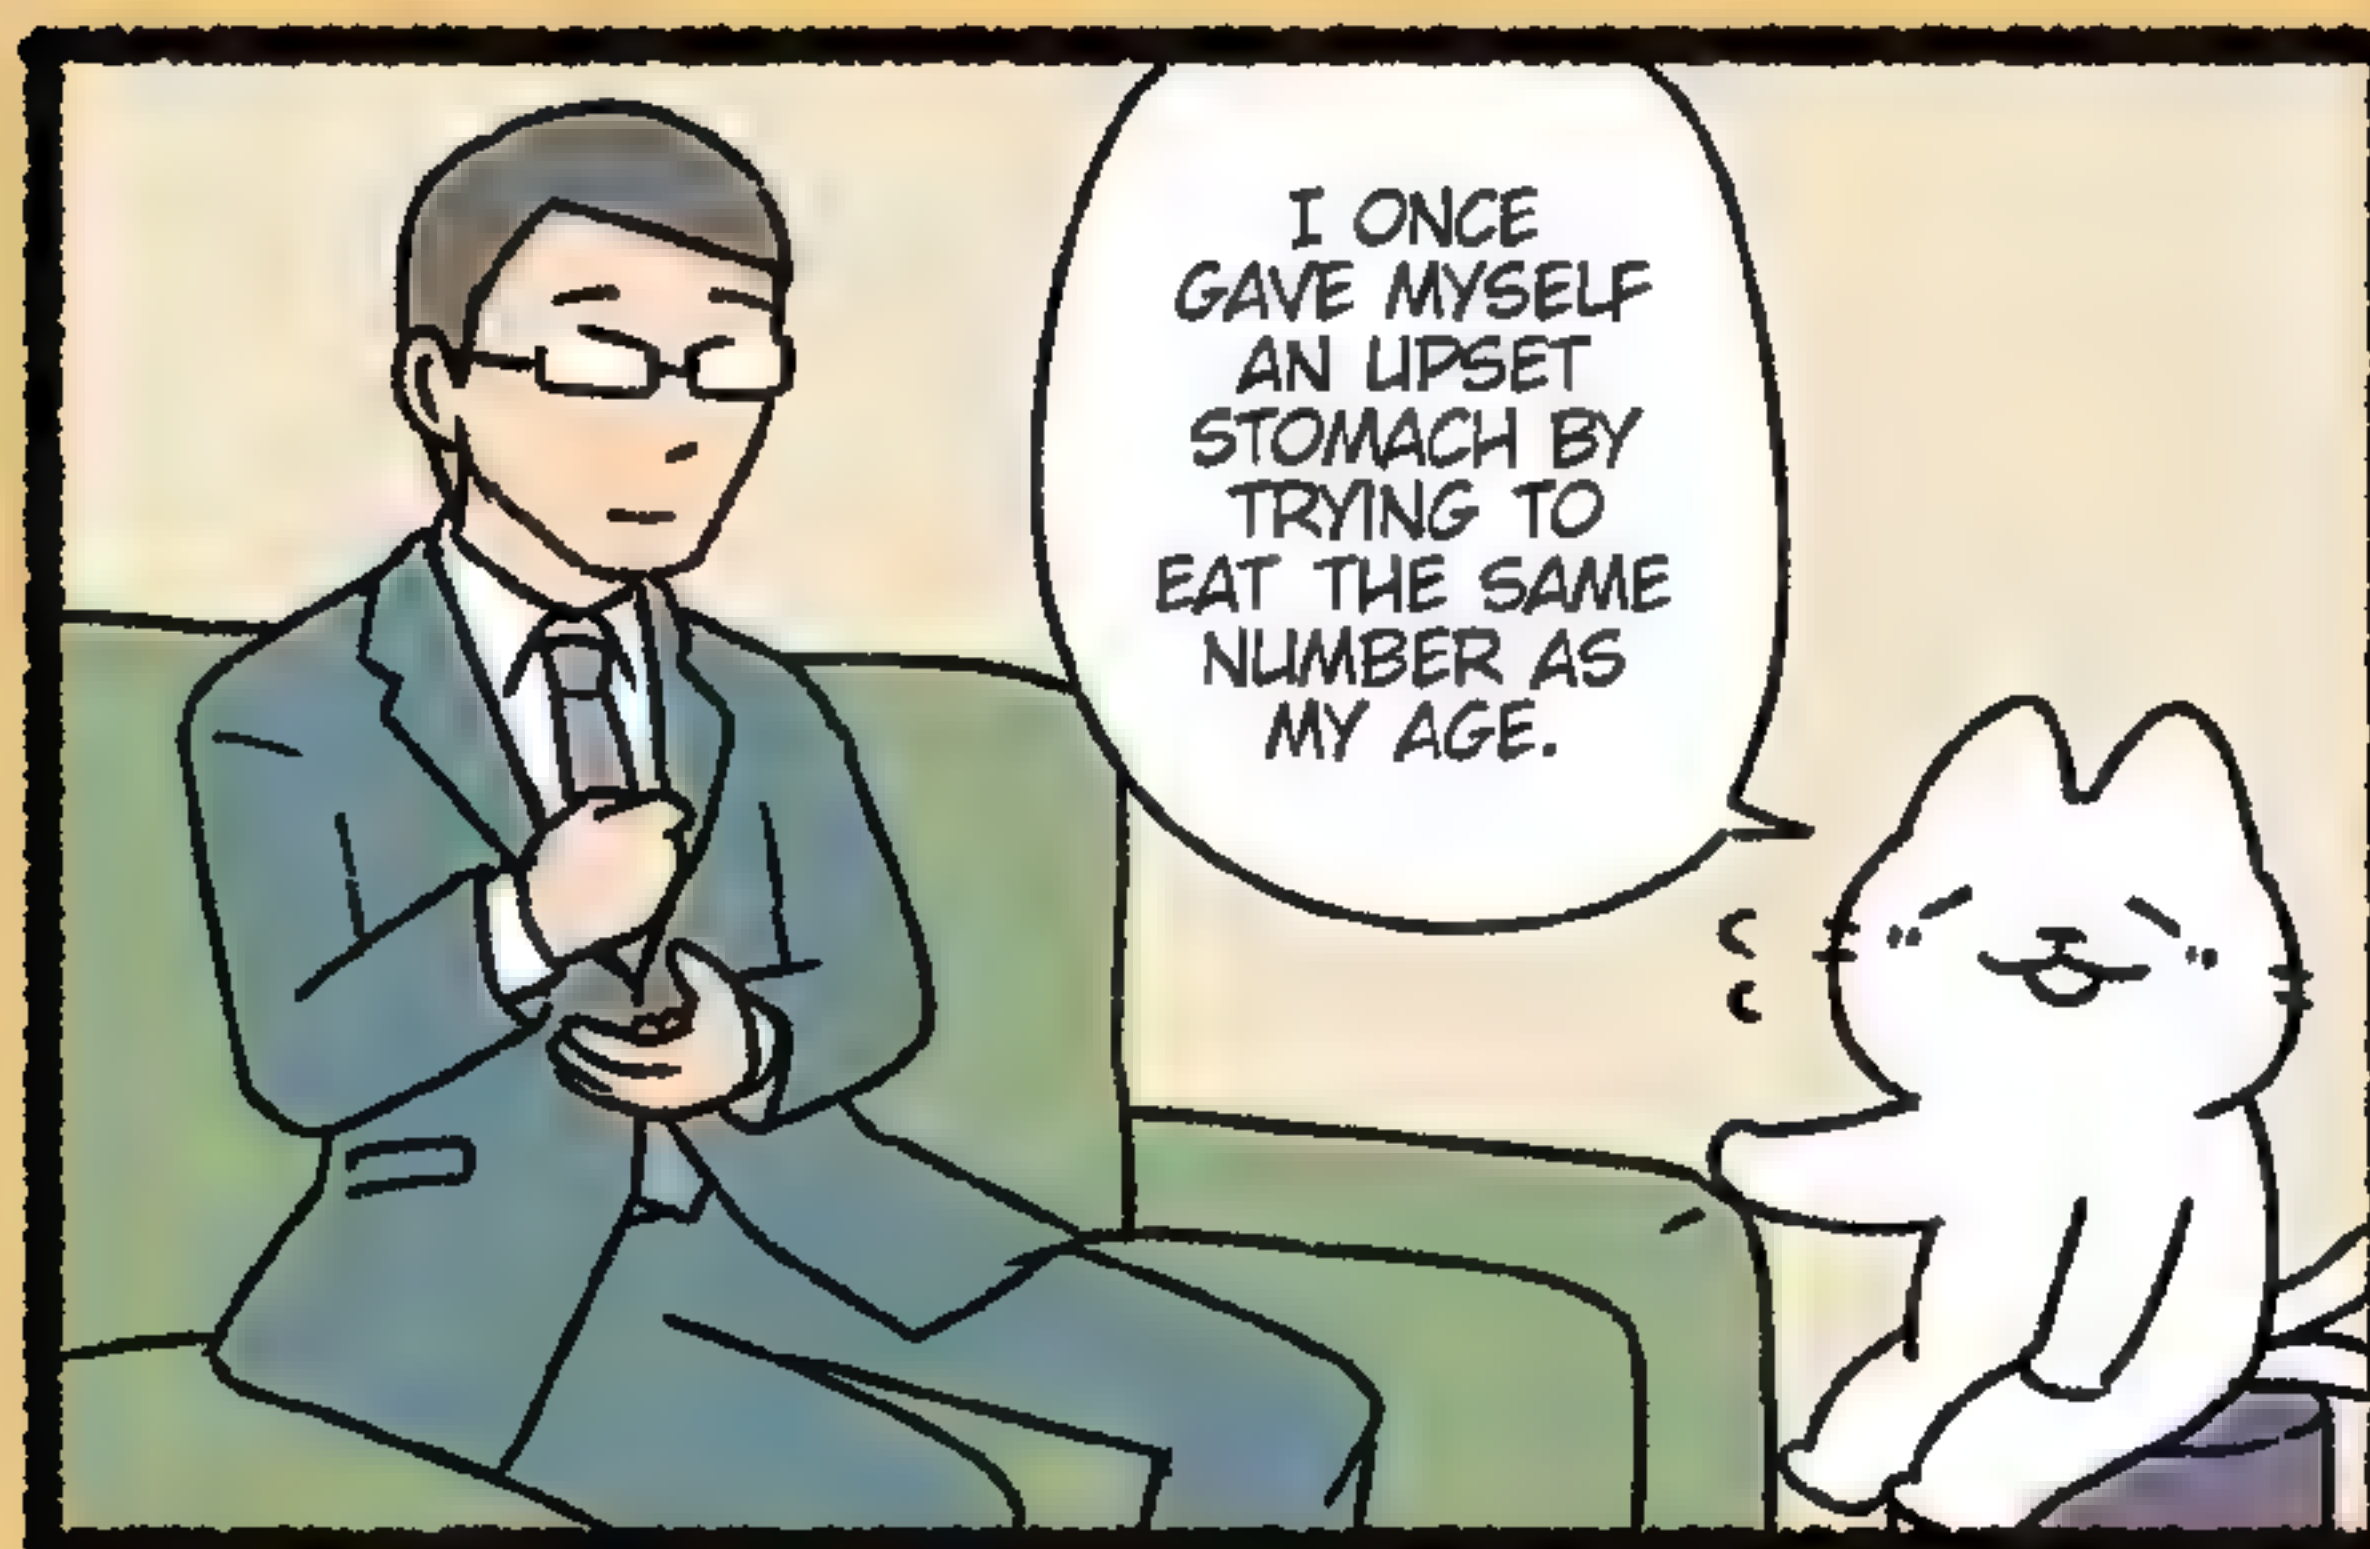

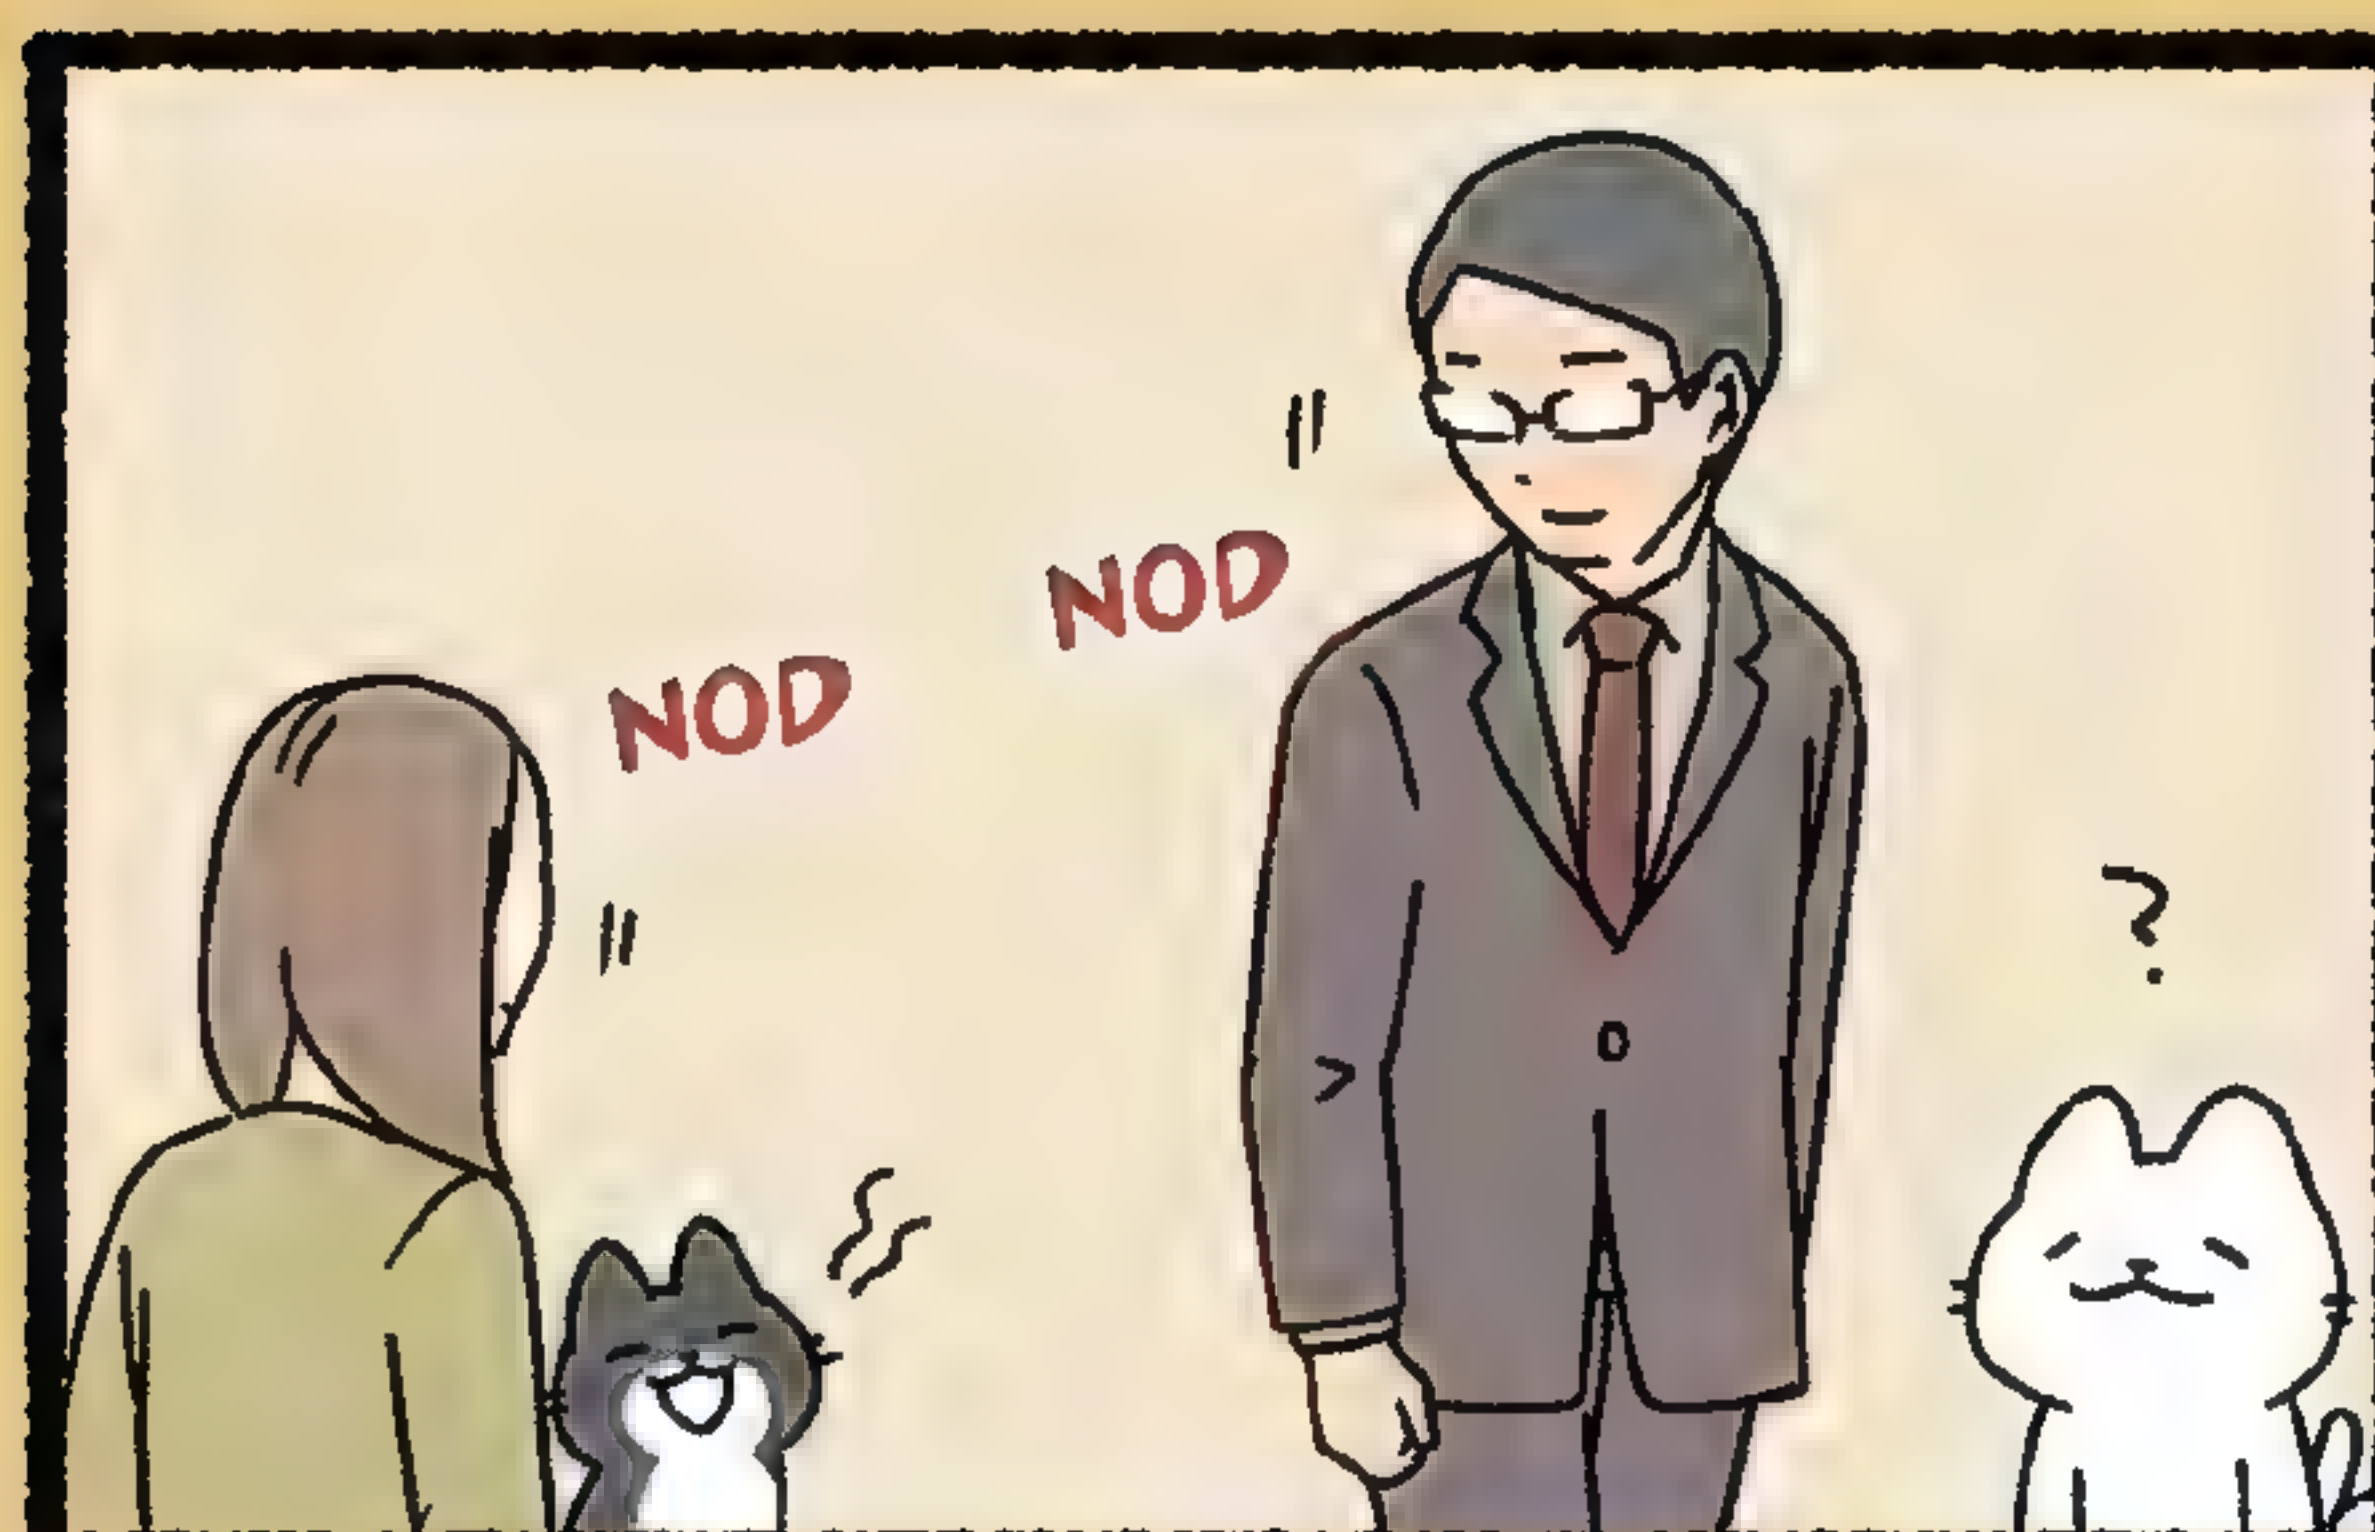

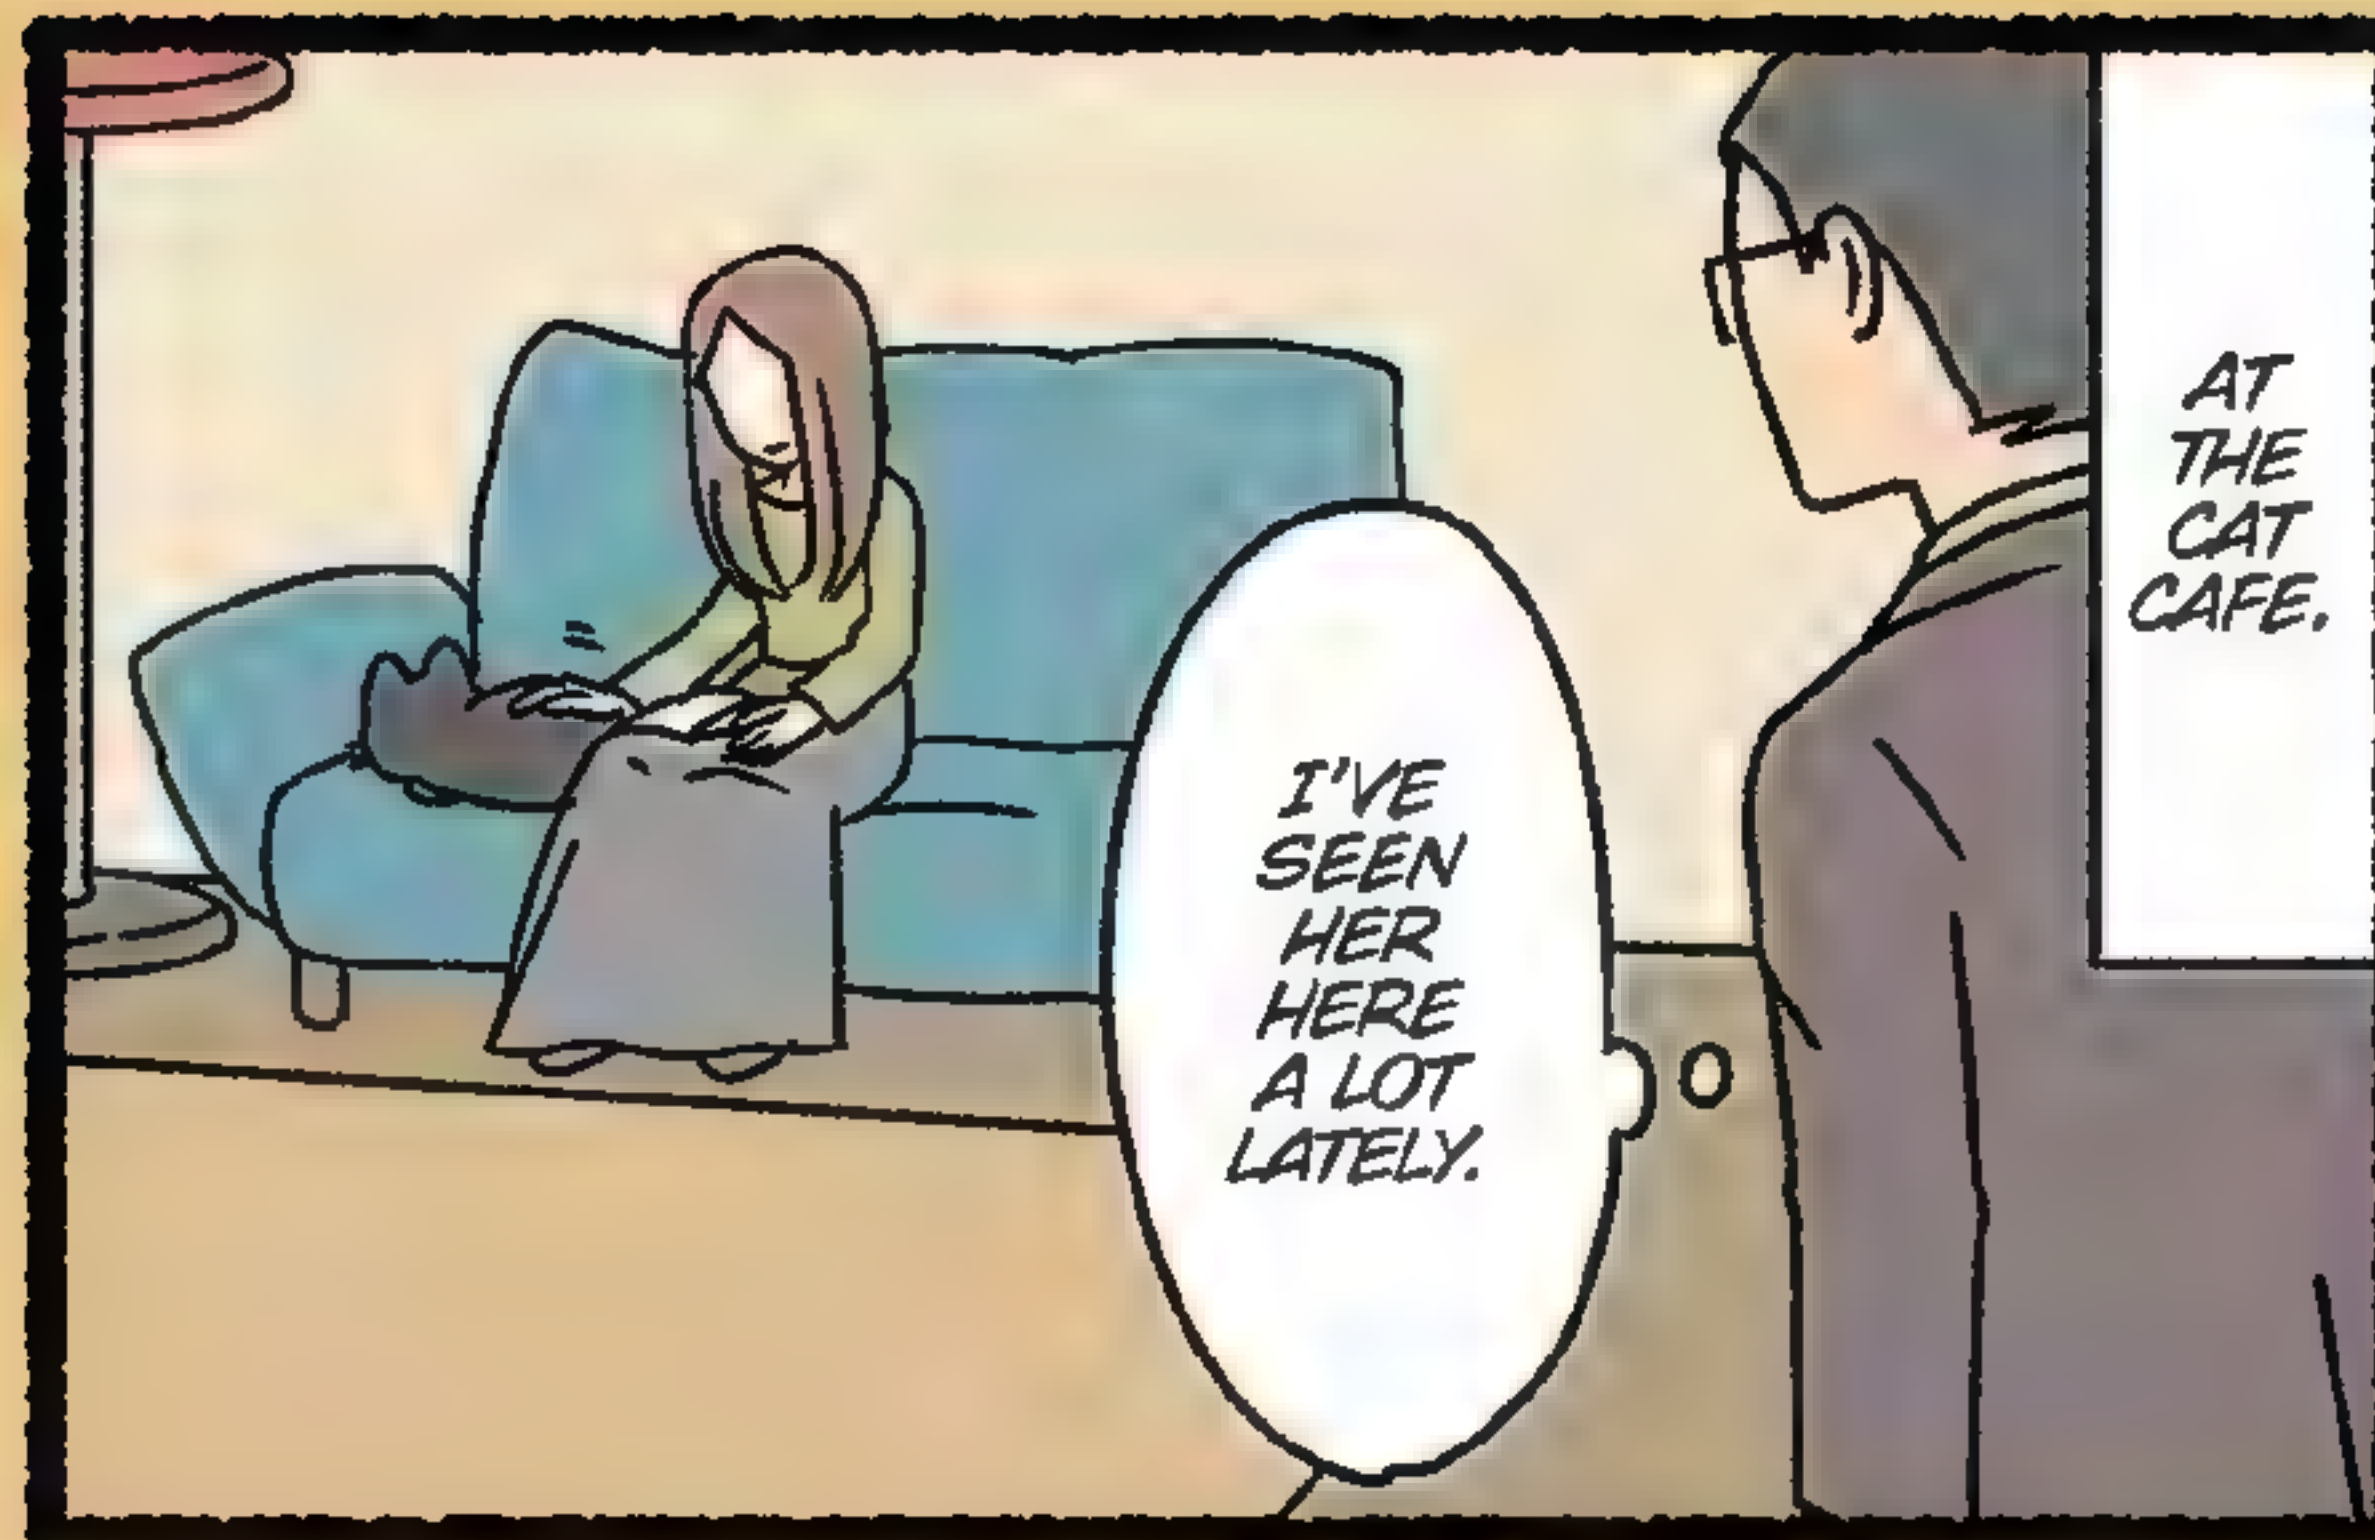

I KNOW WHAT YOU MEAN.

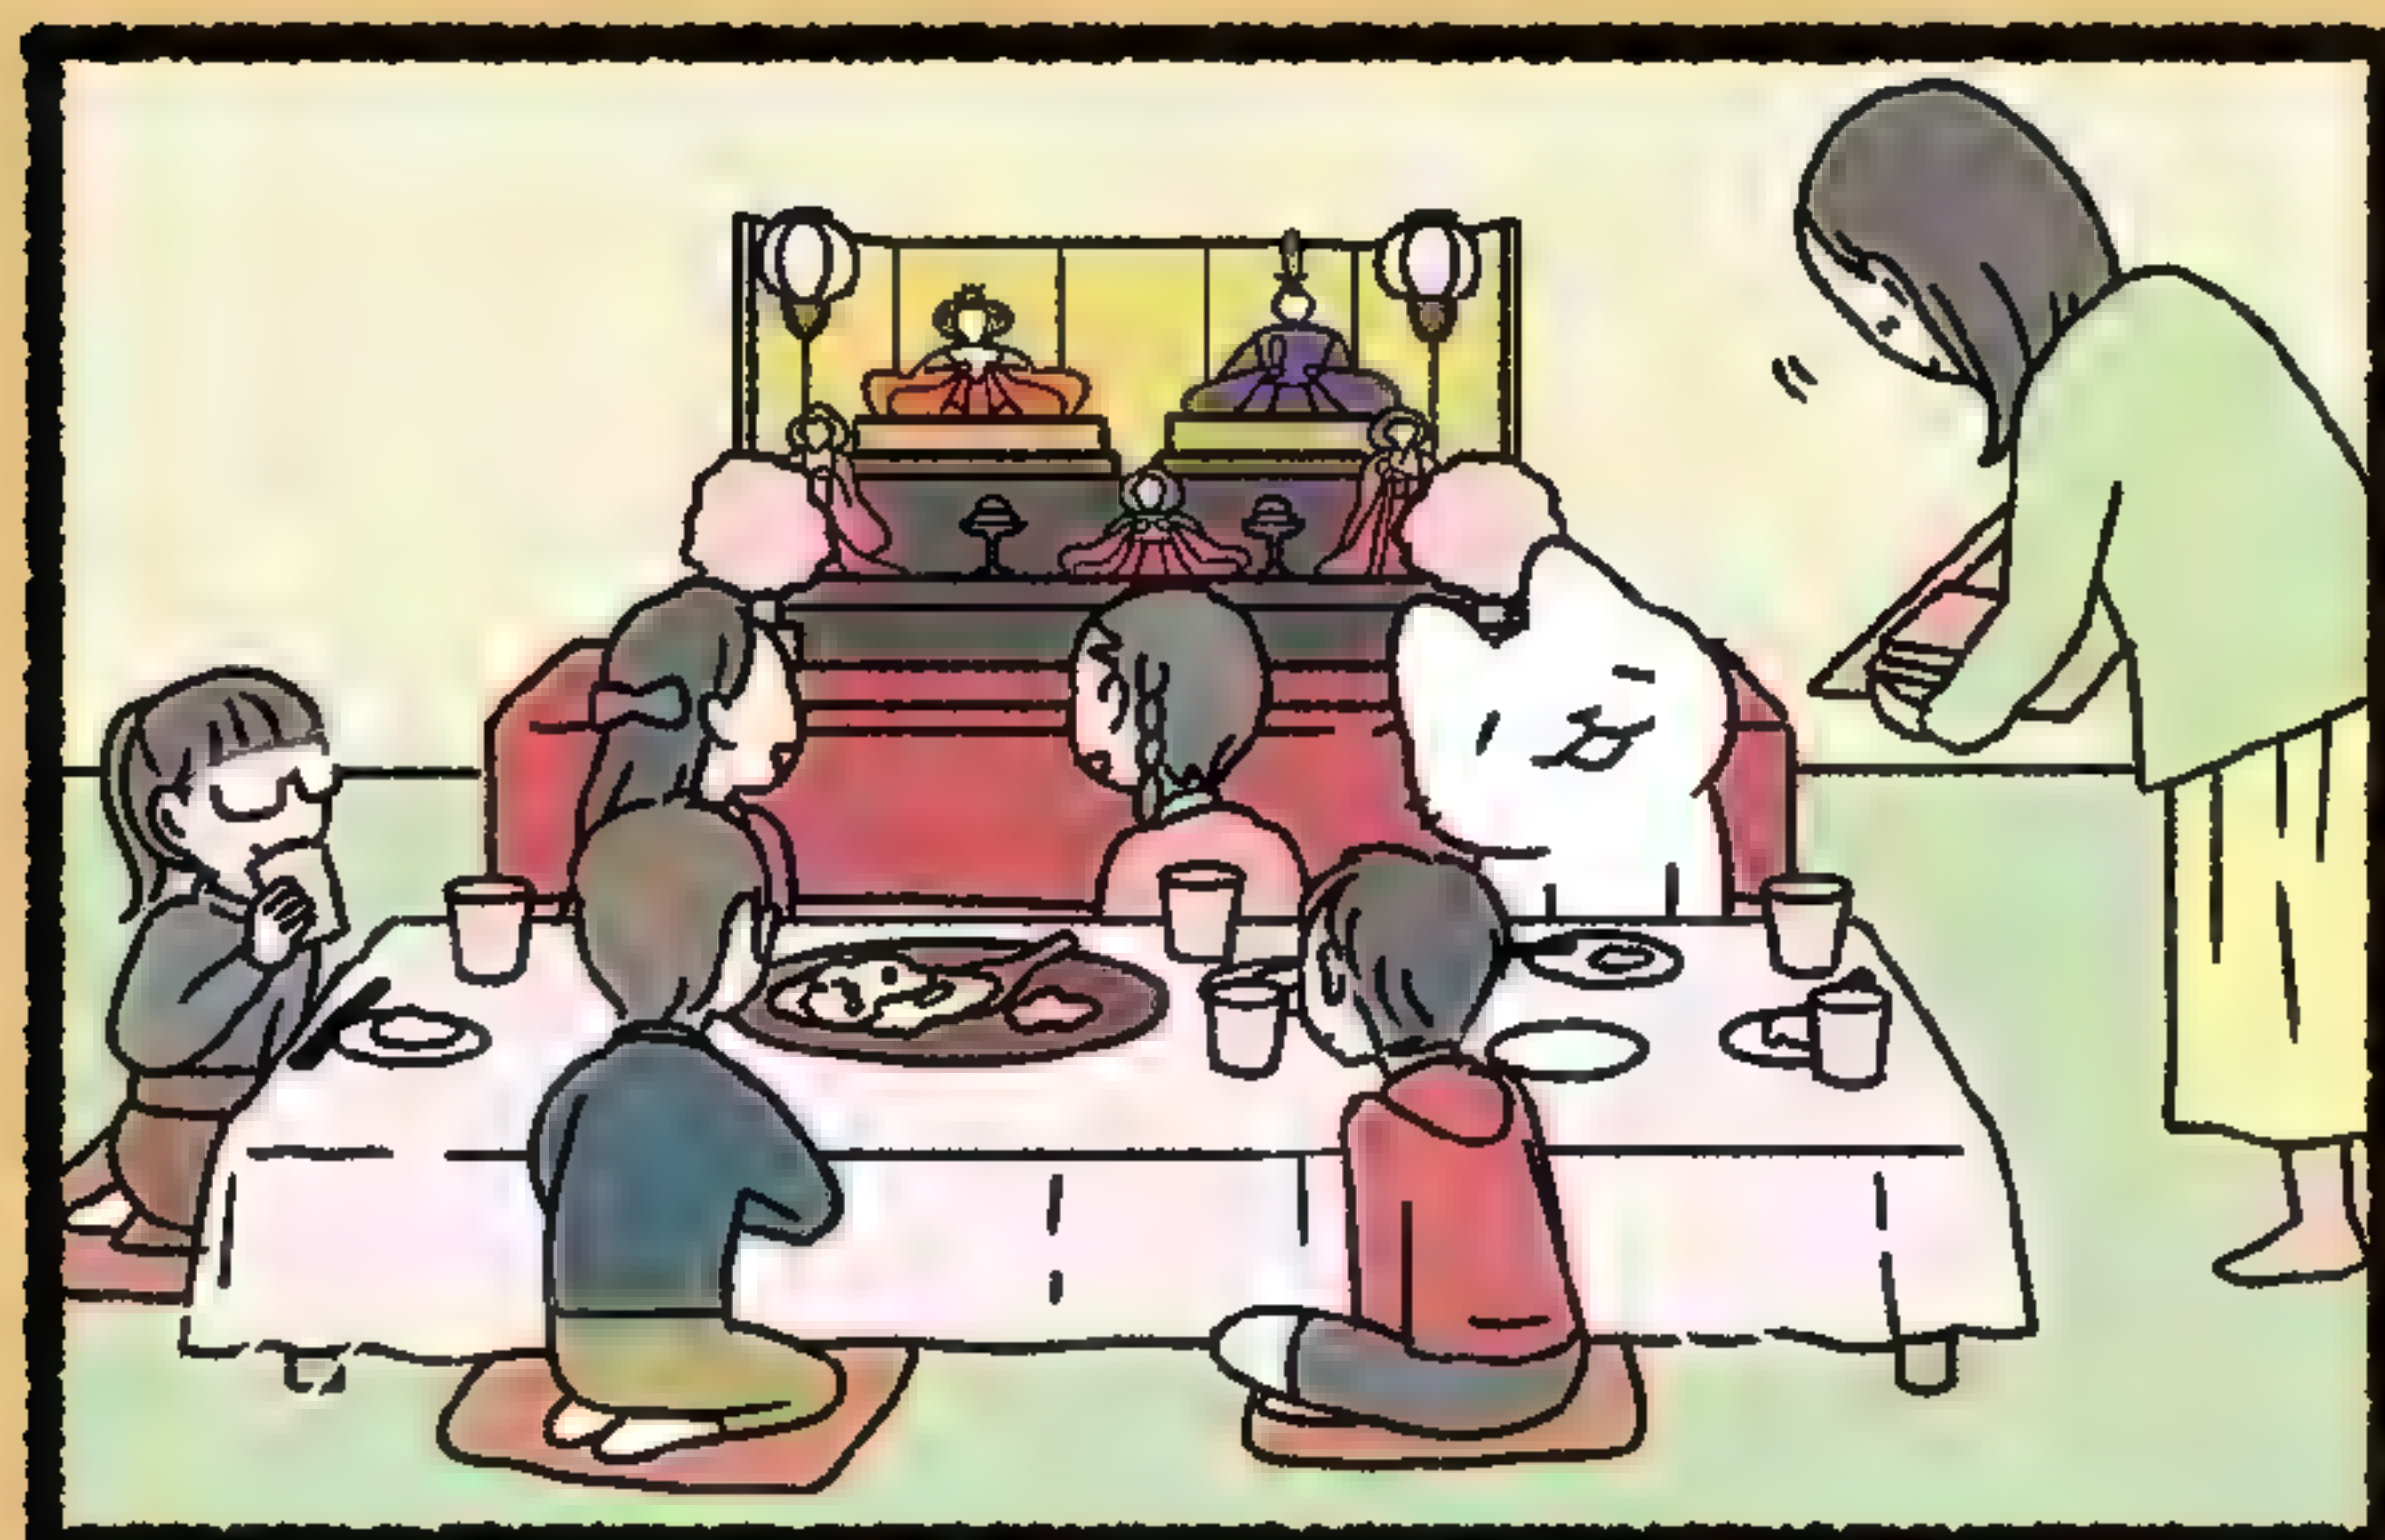

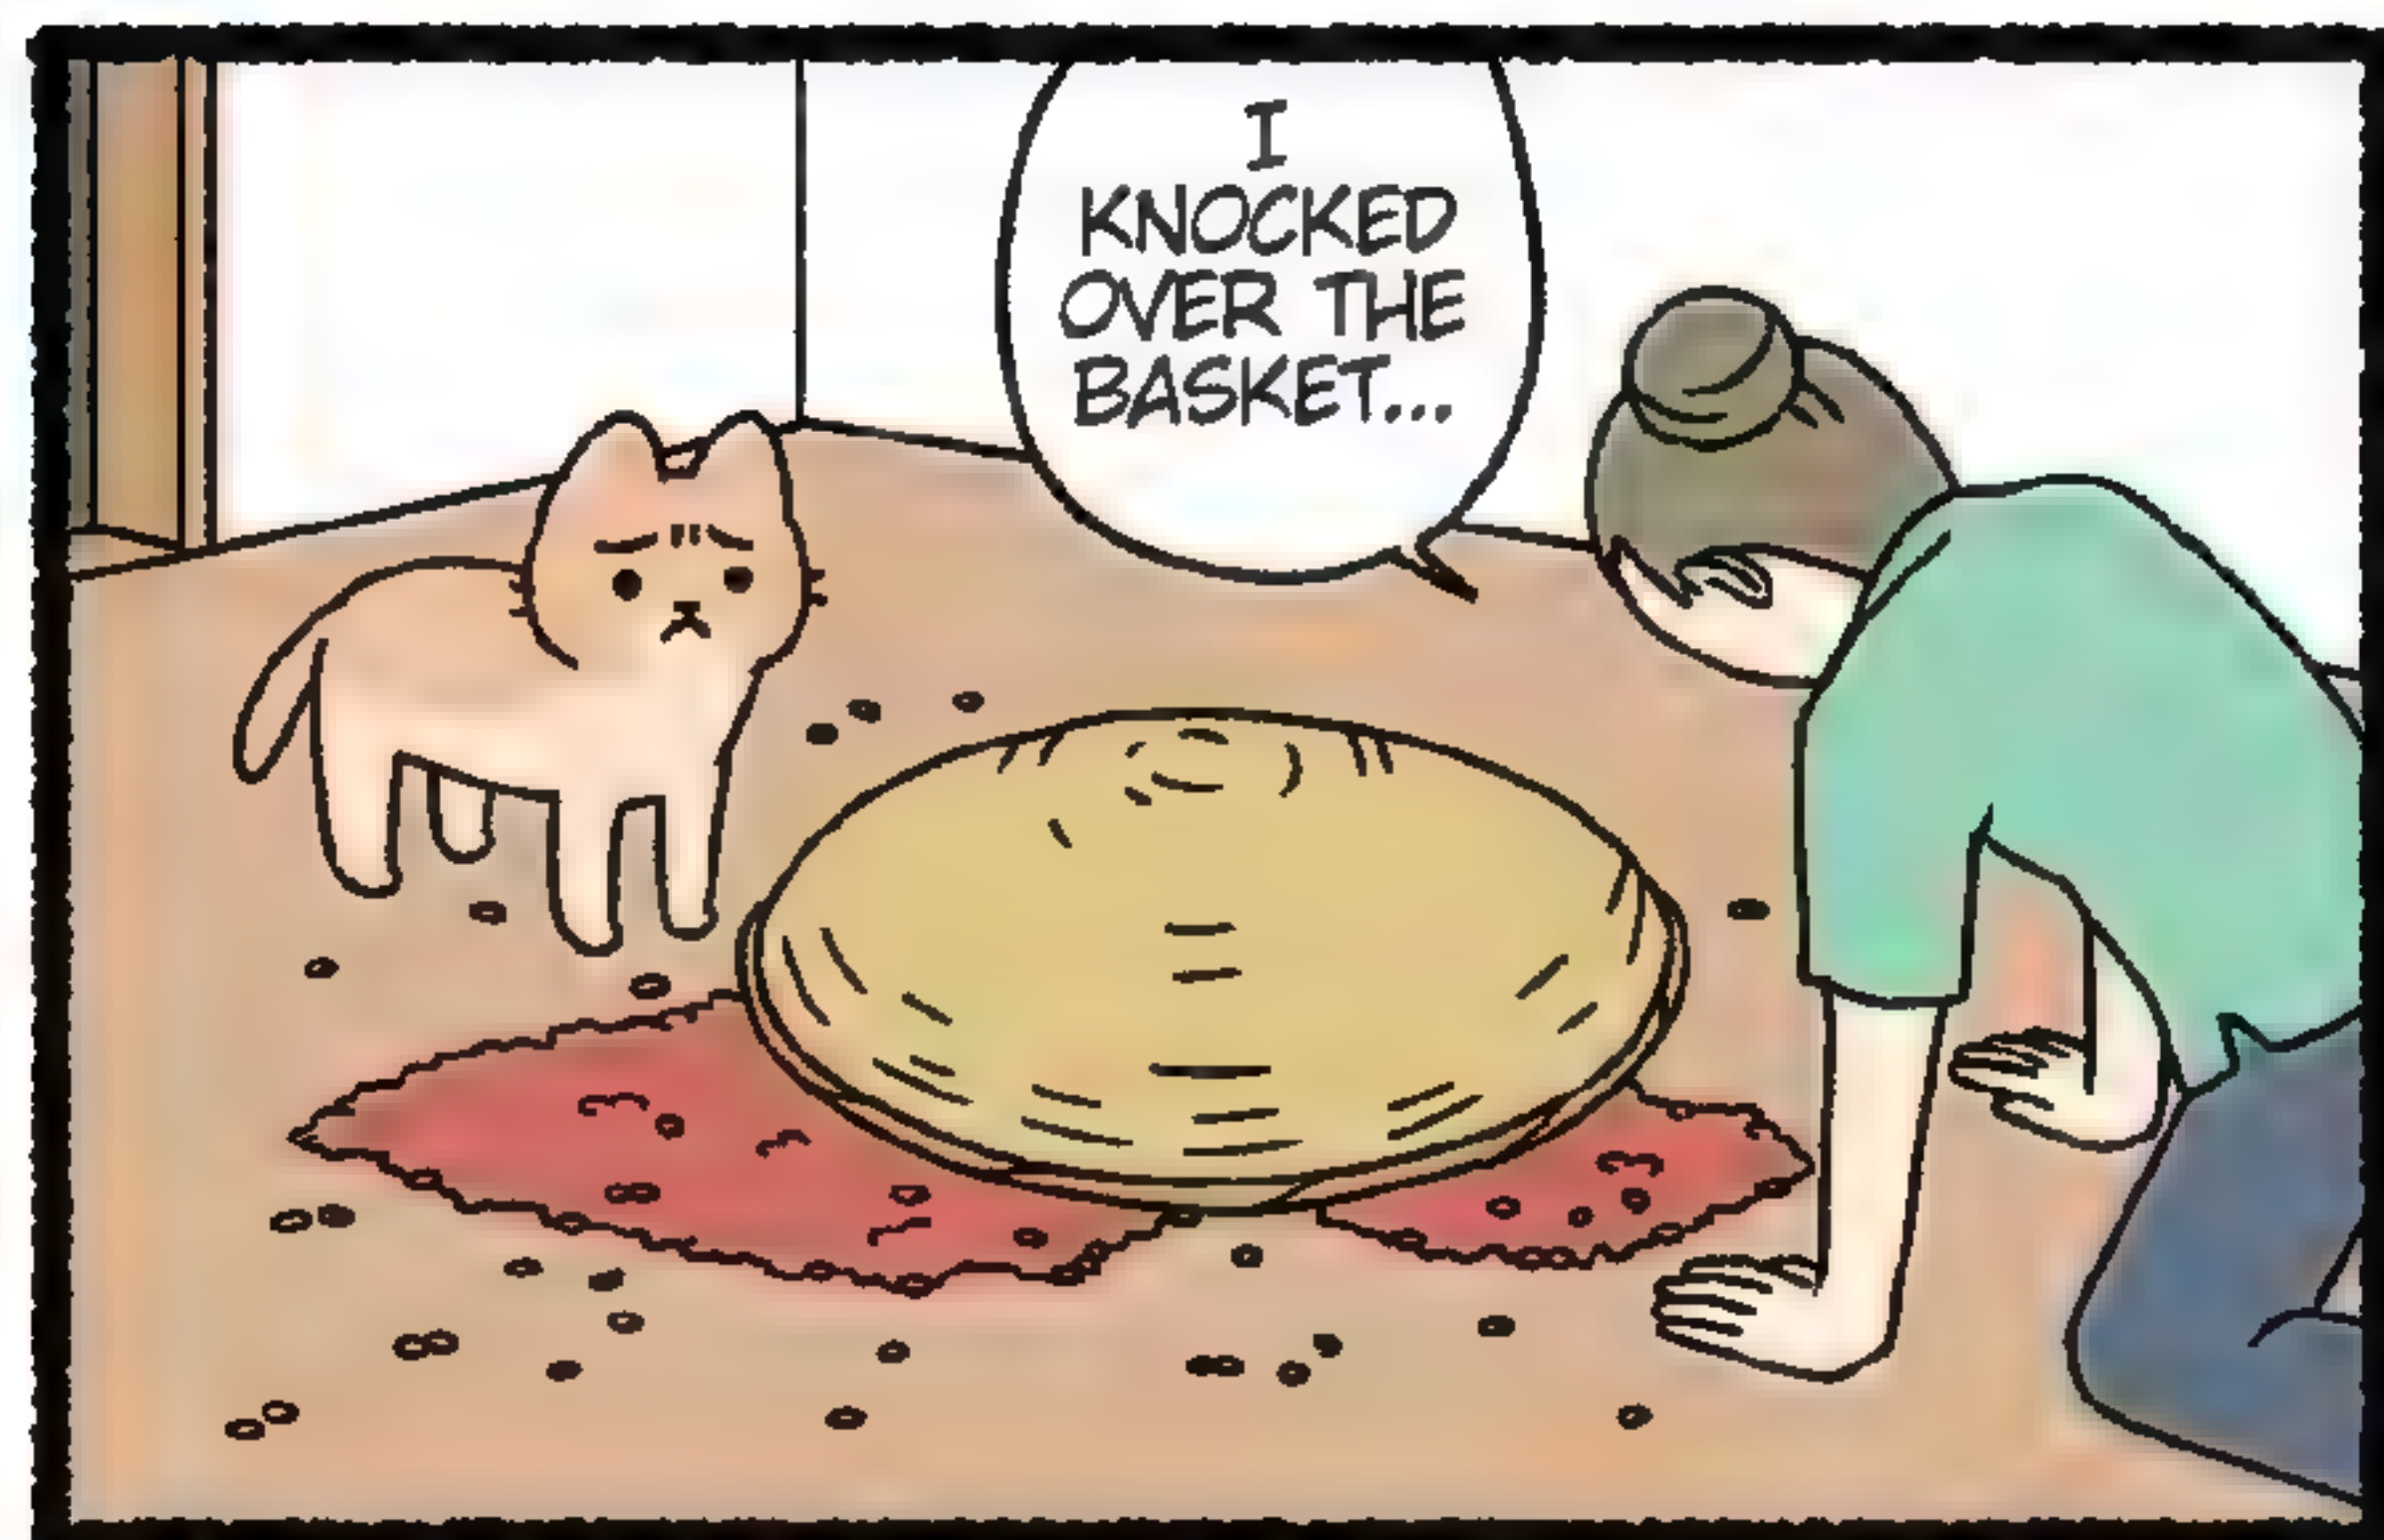

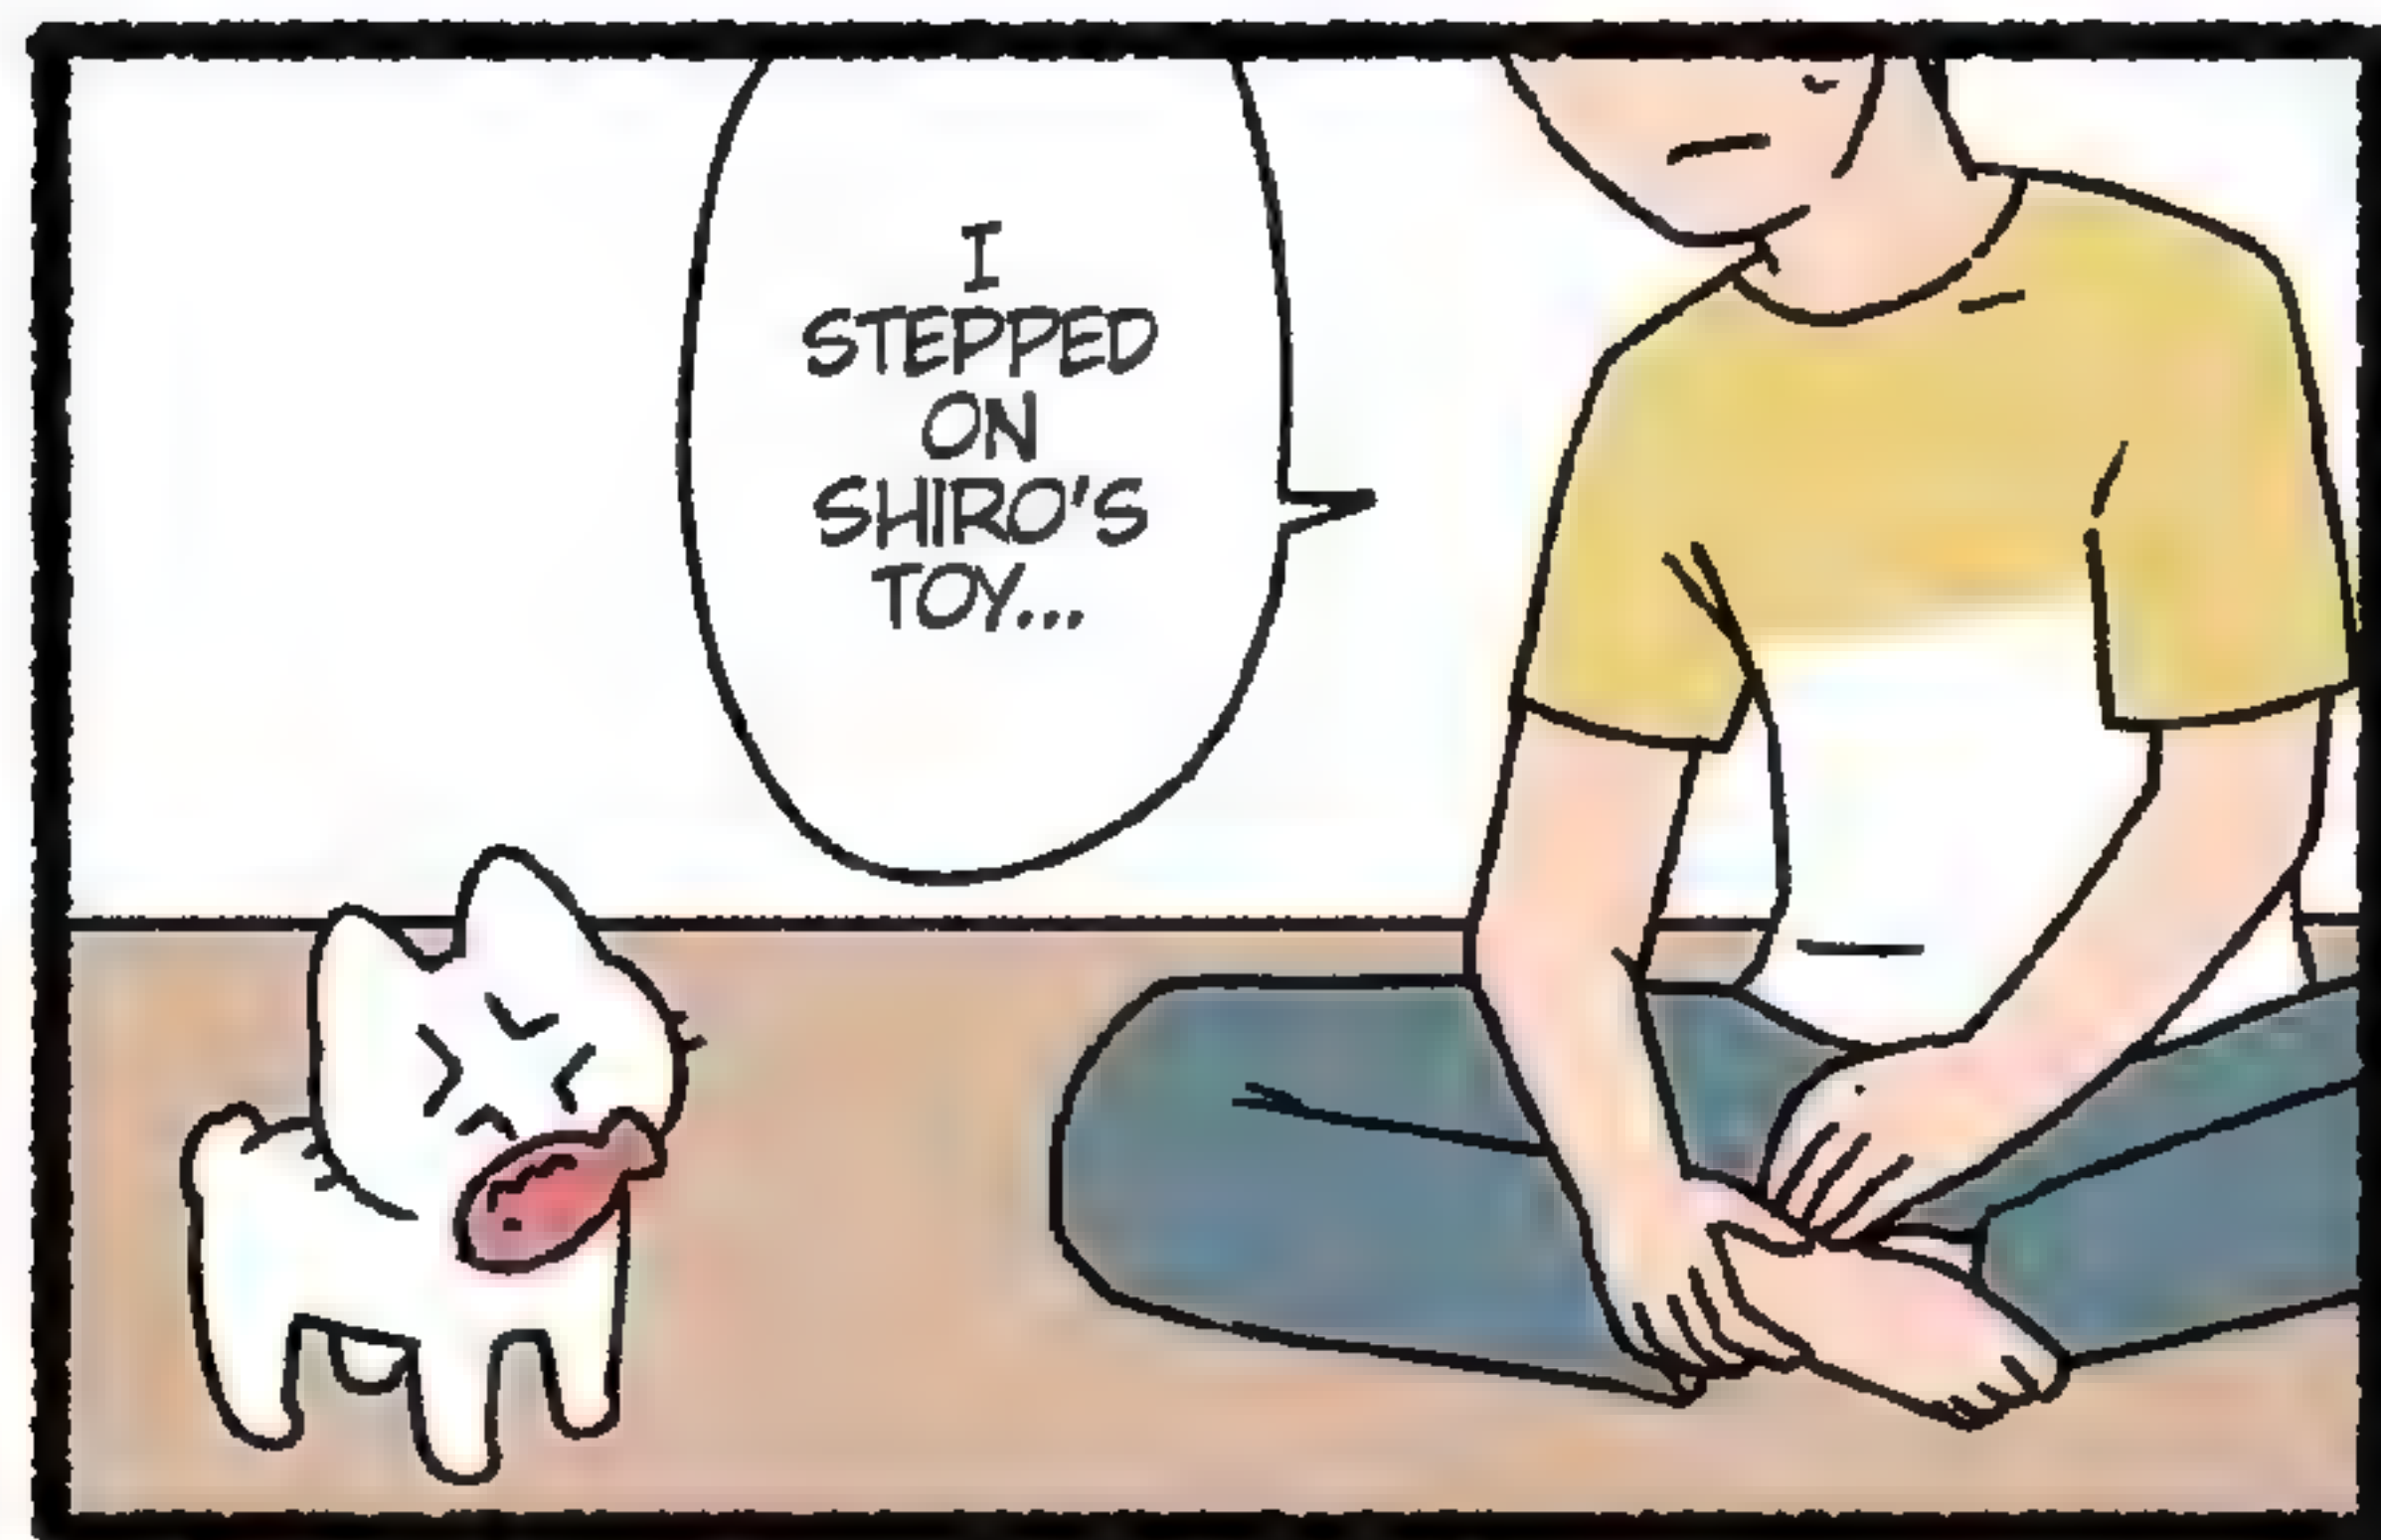

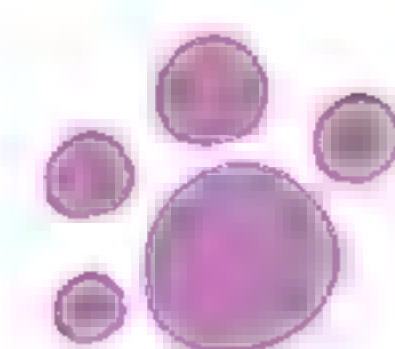

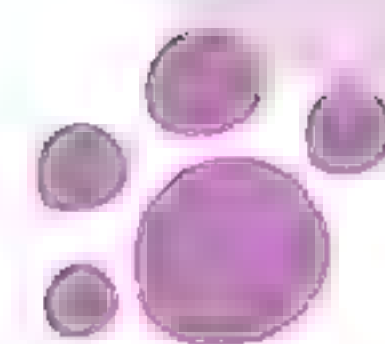

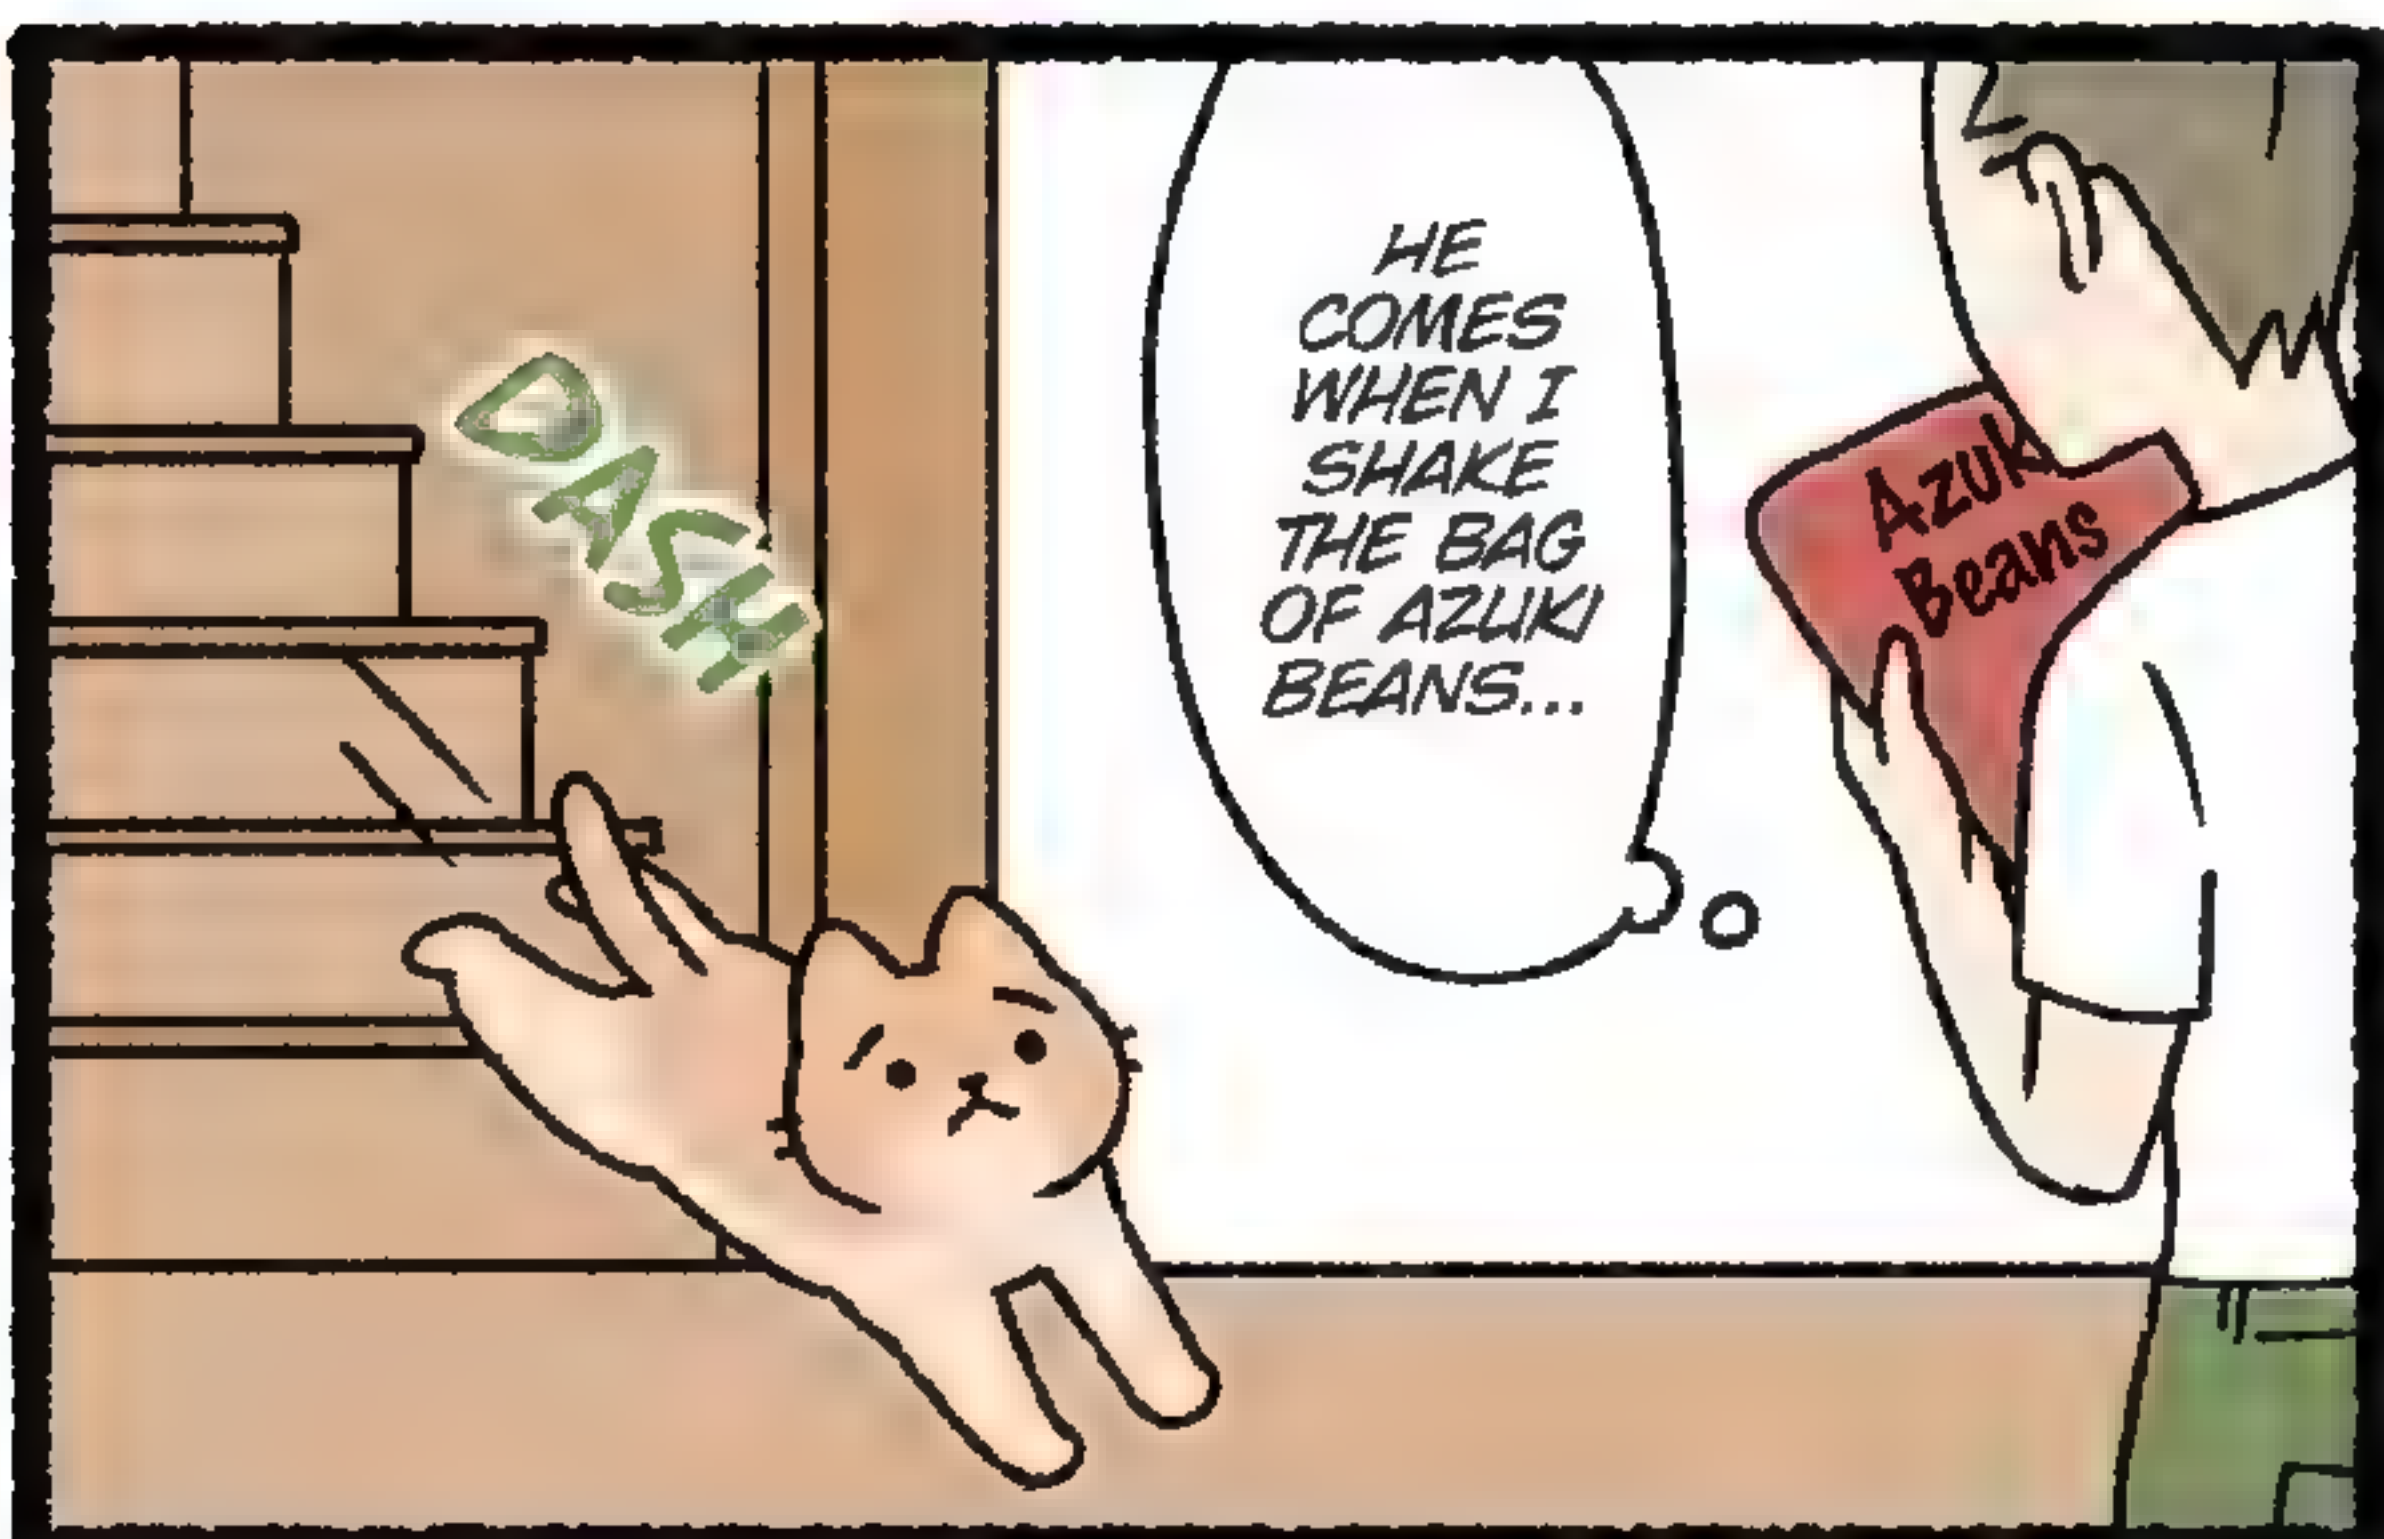

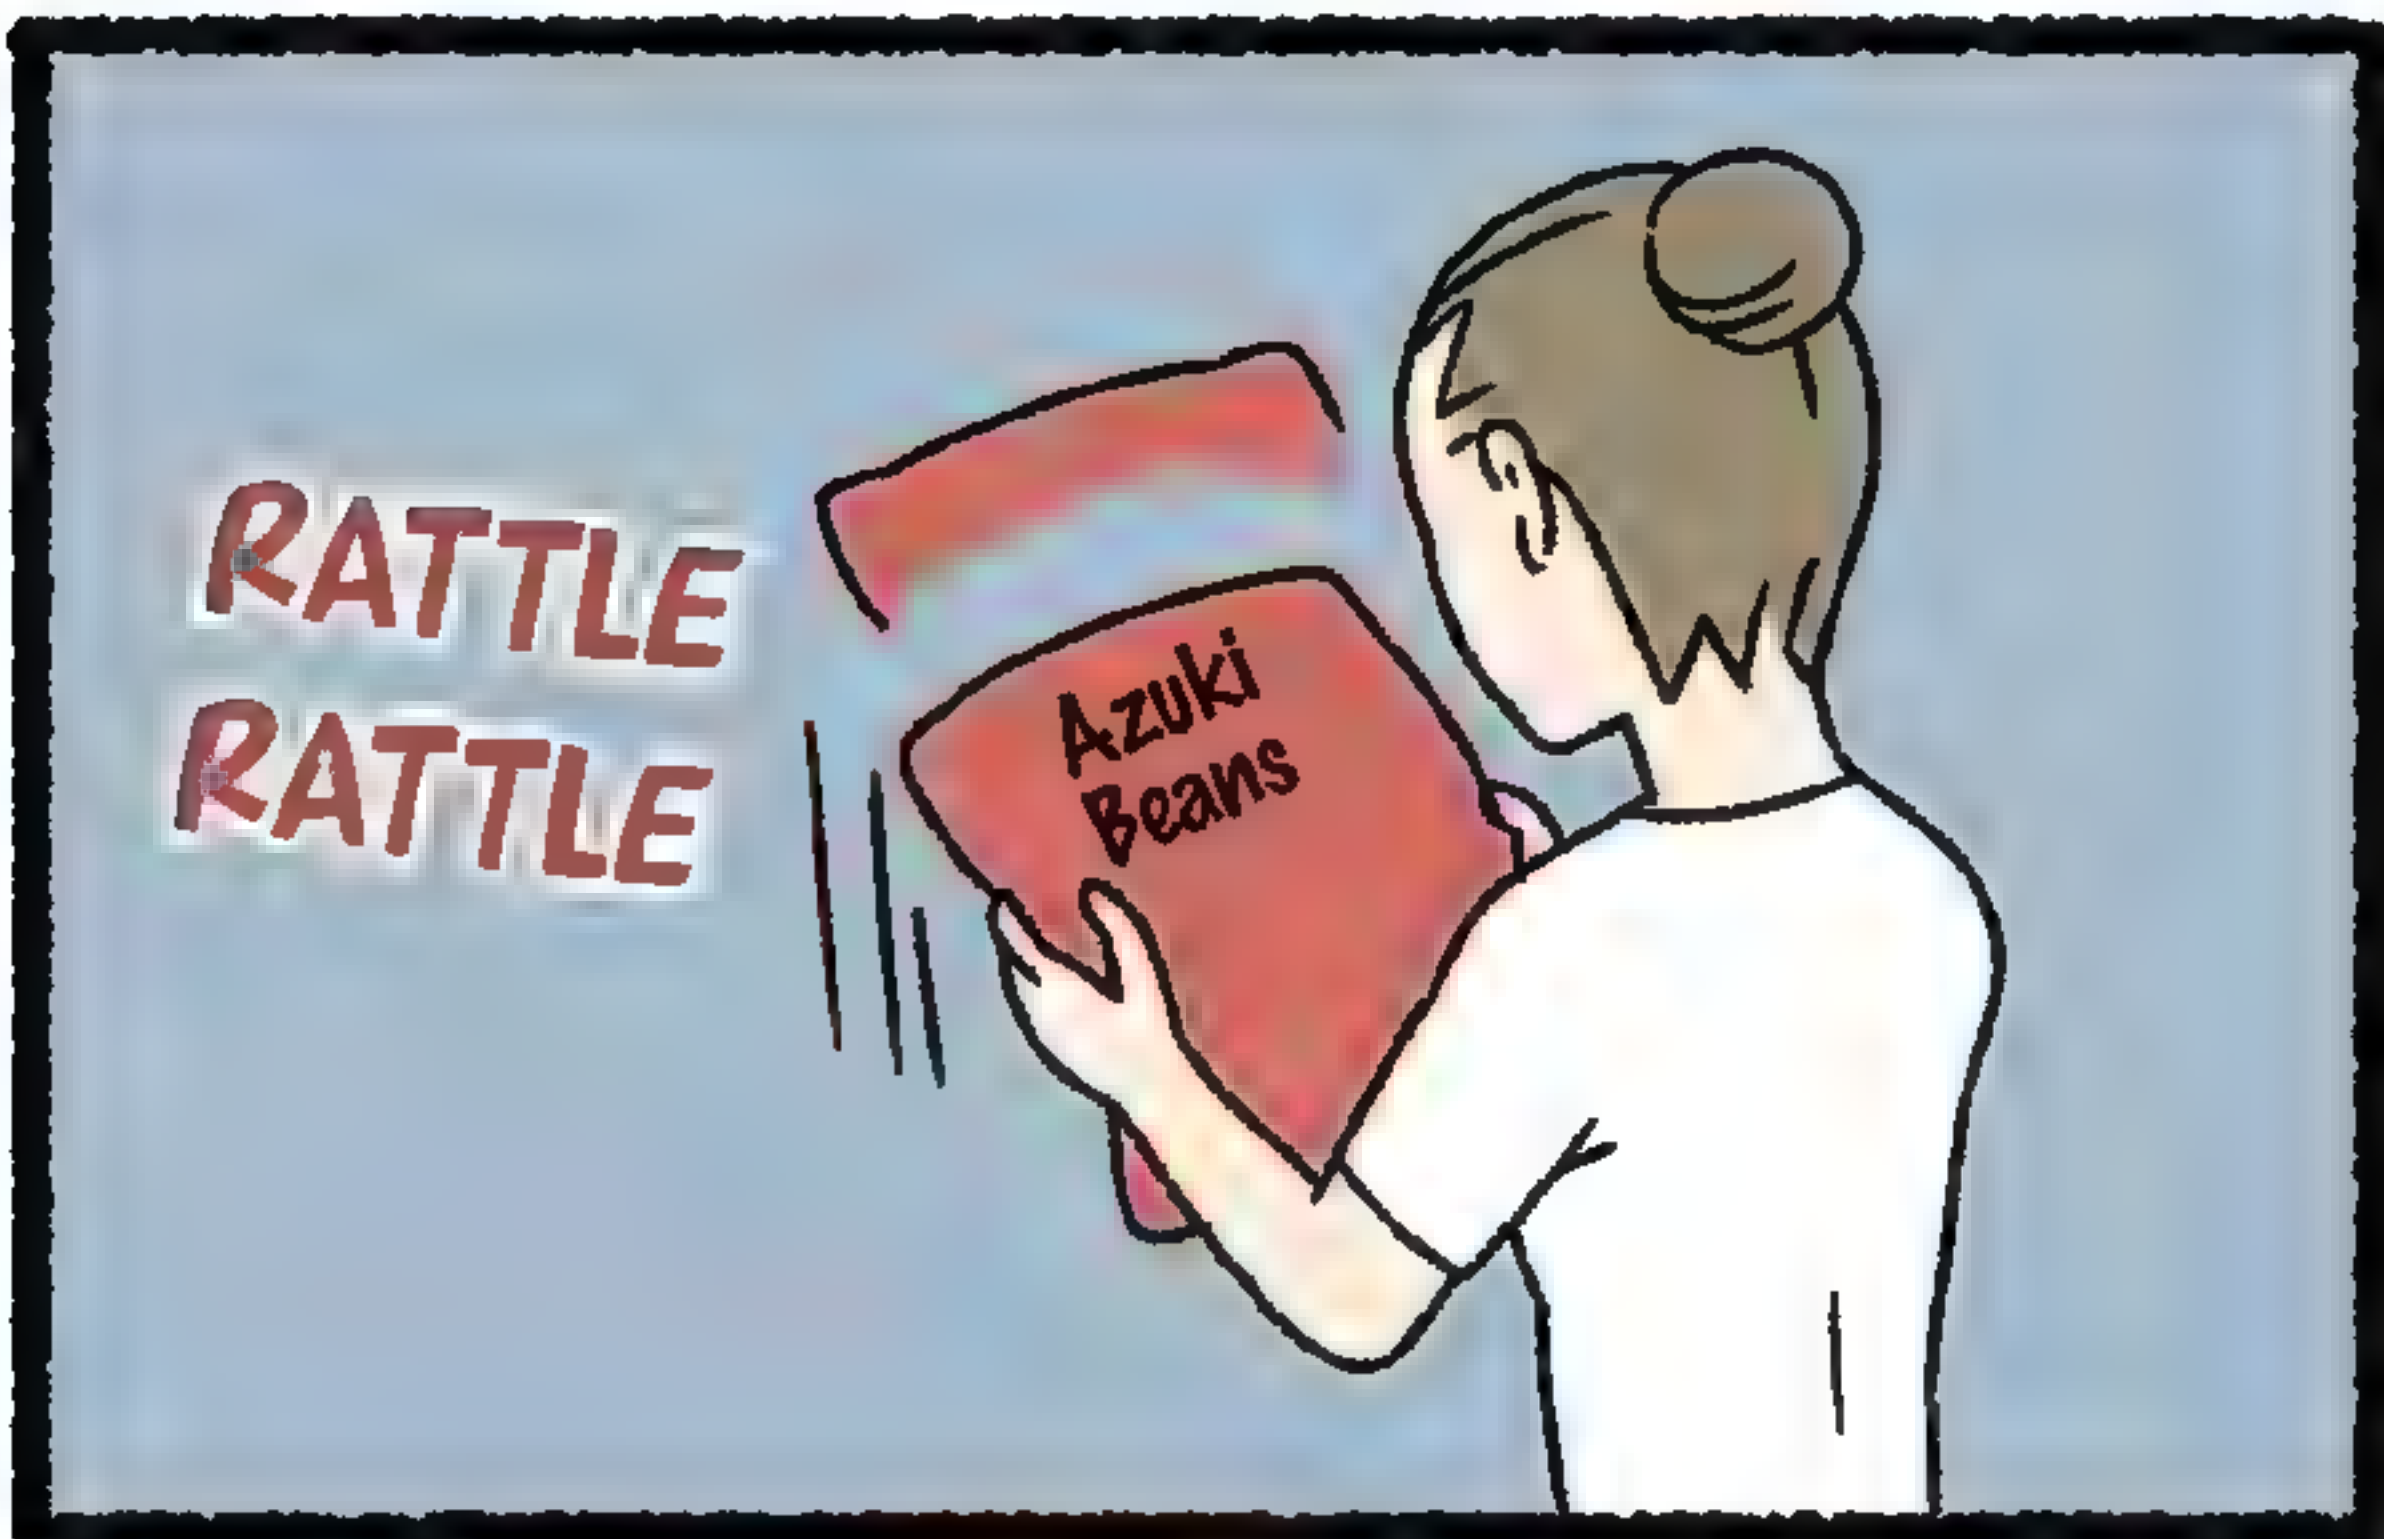

Nop-
perabo
and
Kappa

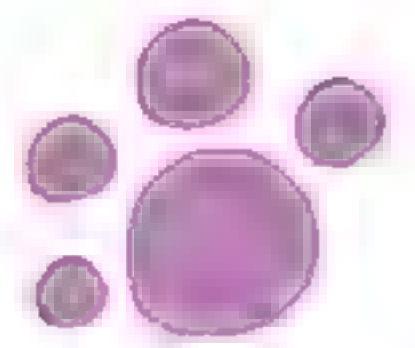

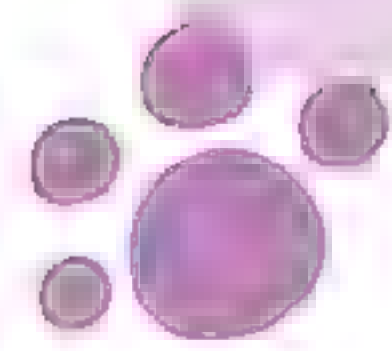

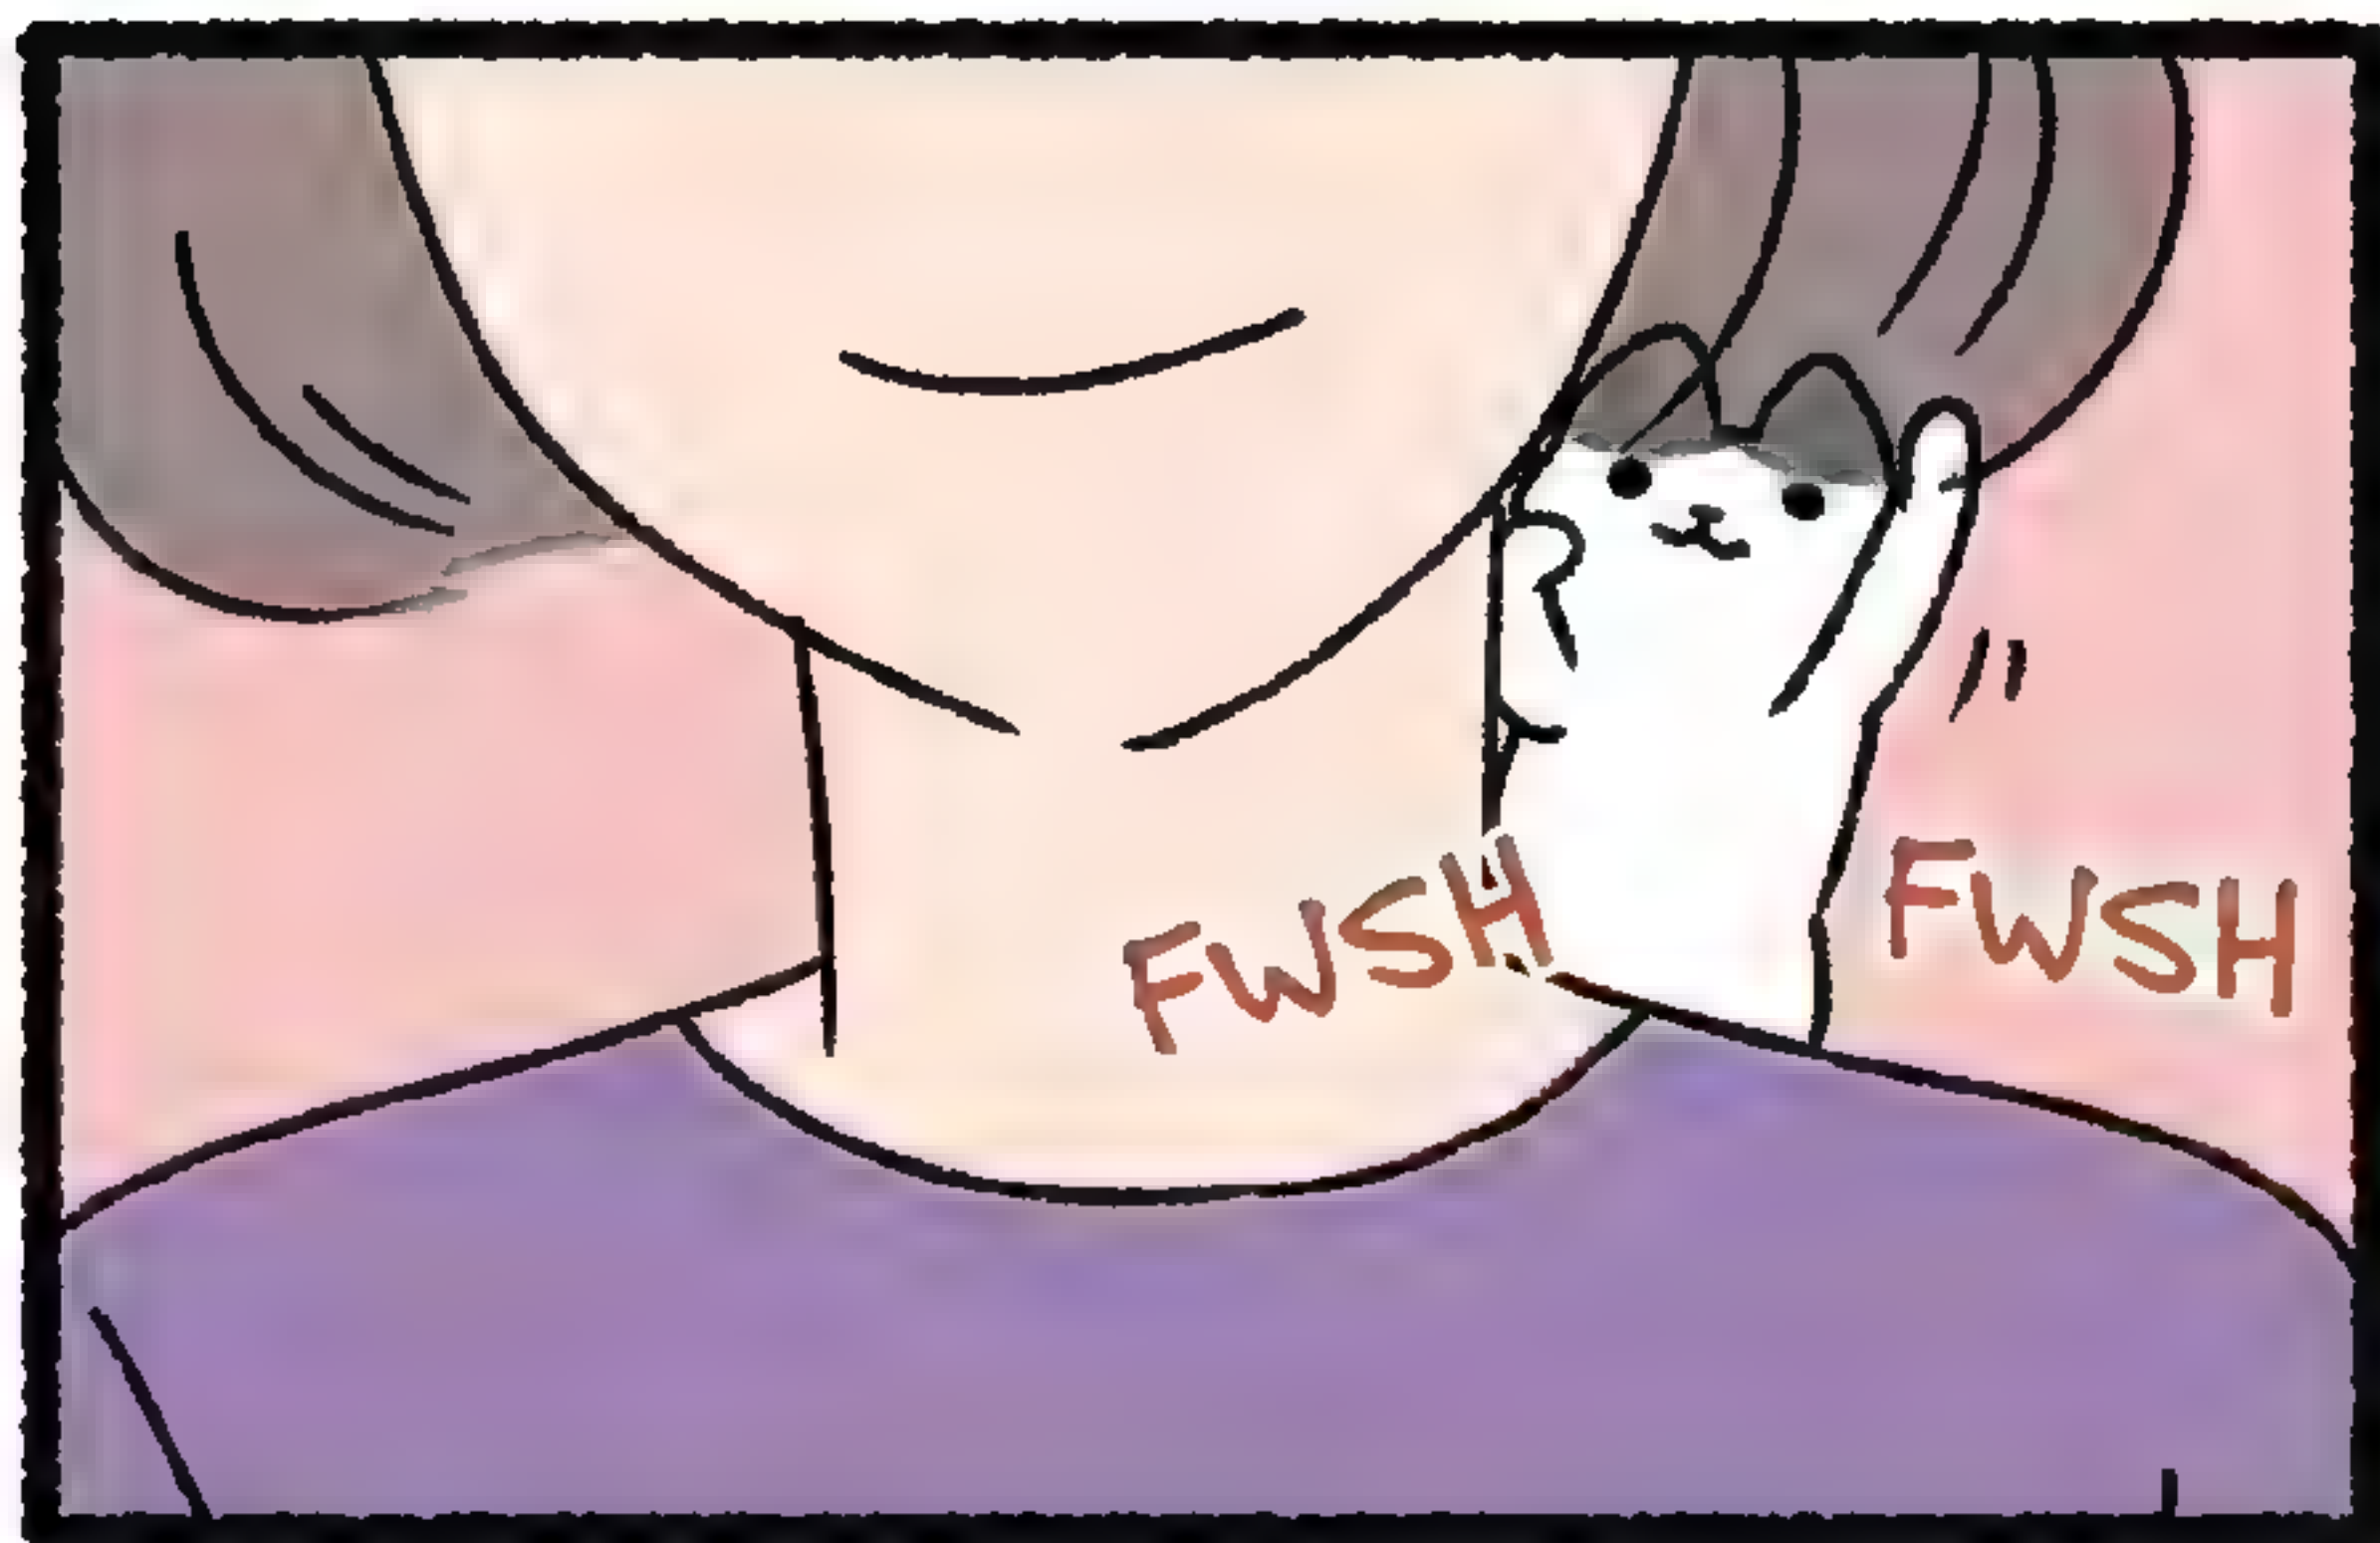

Nop-
perabo
and
Azuki-
arai

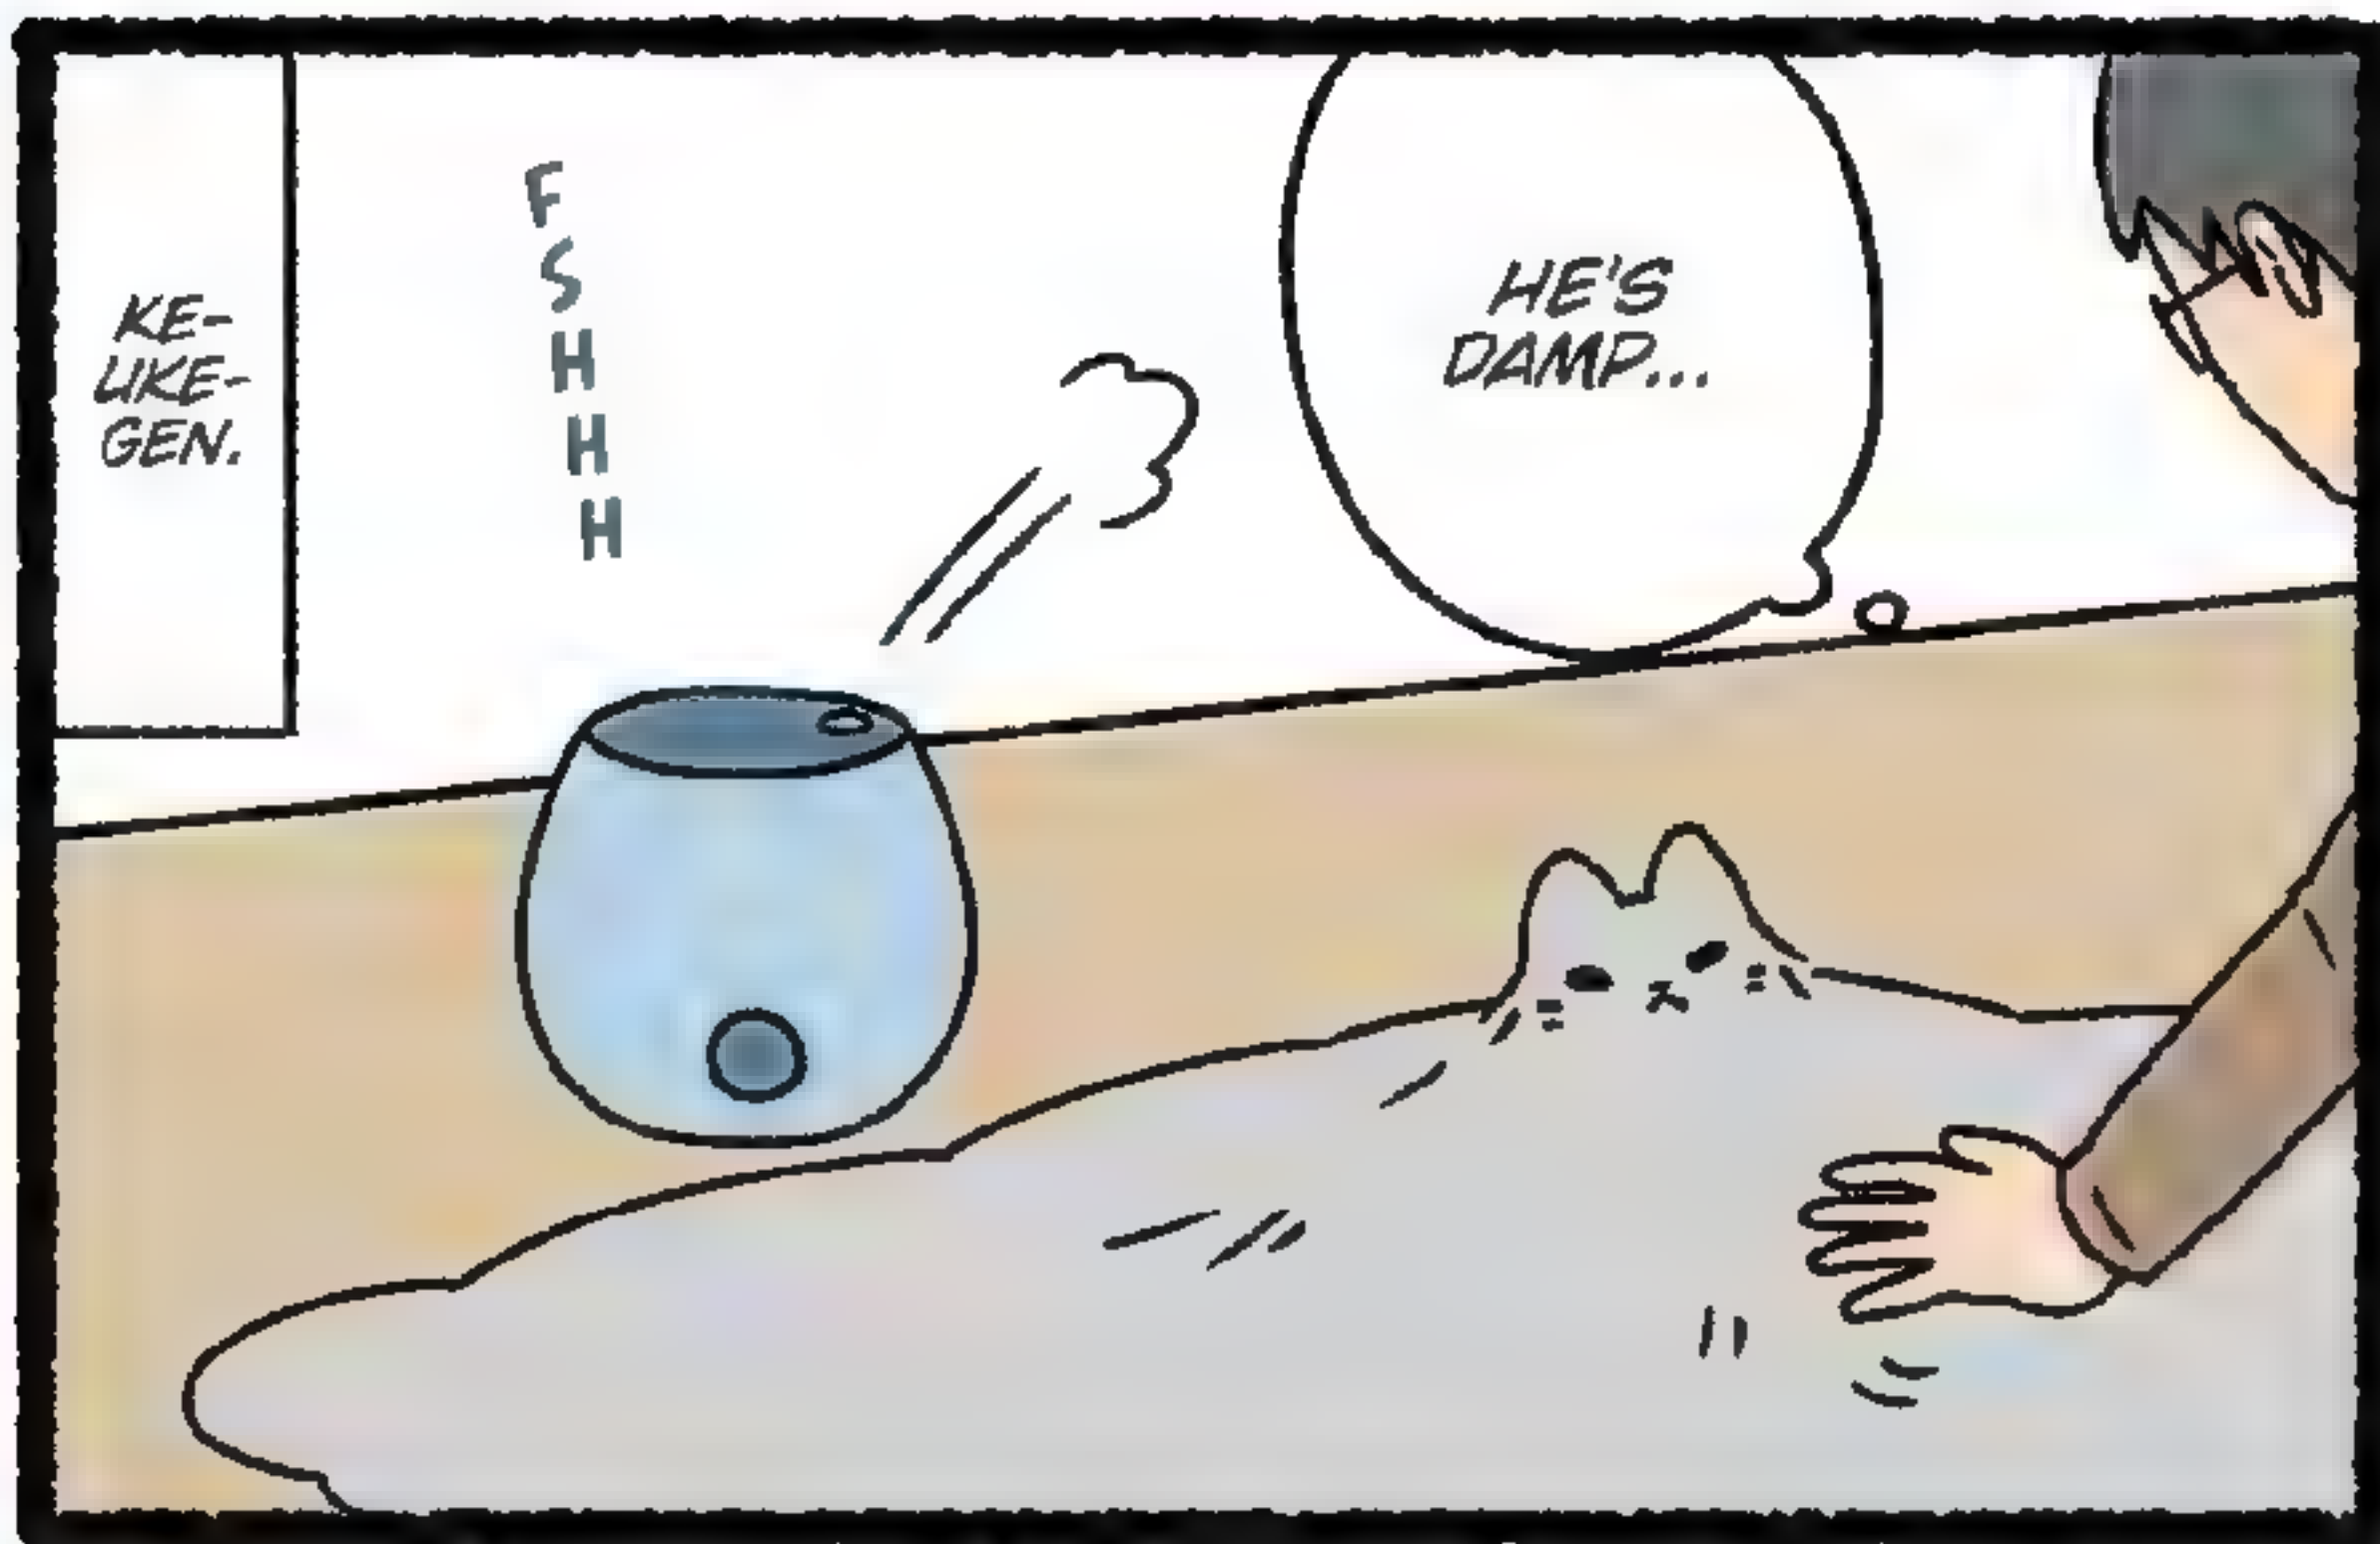

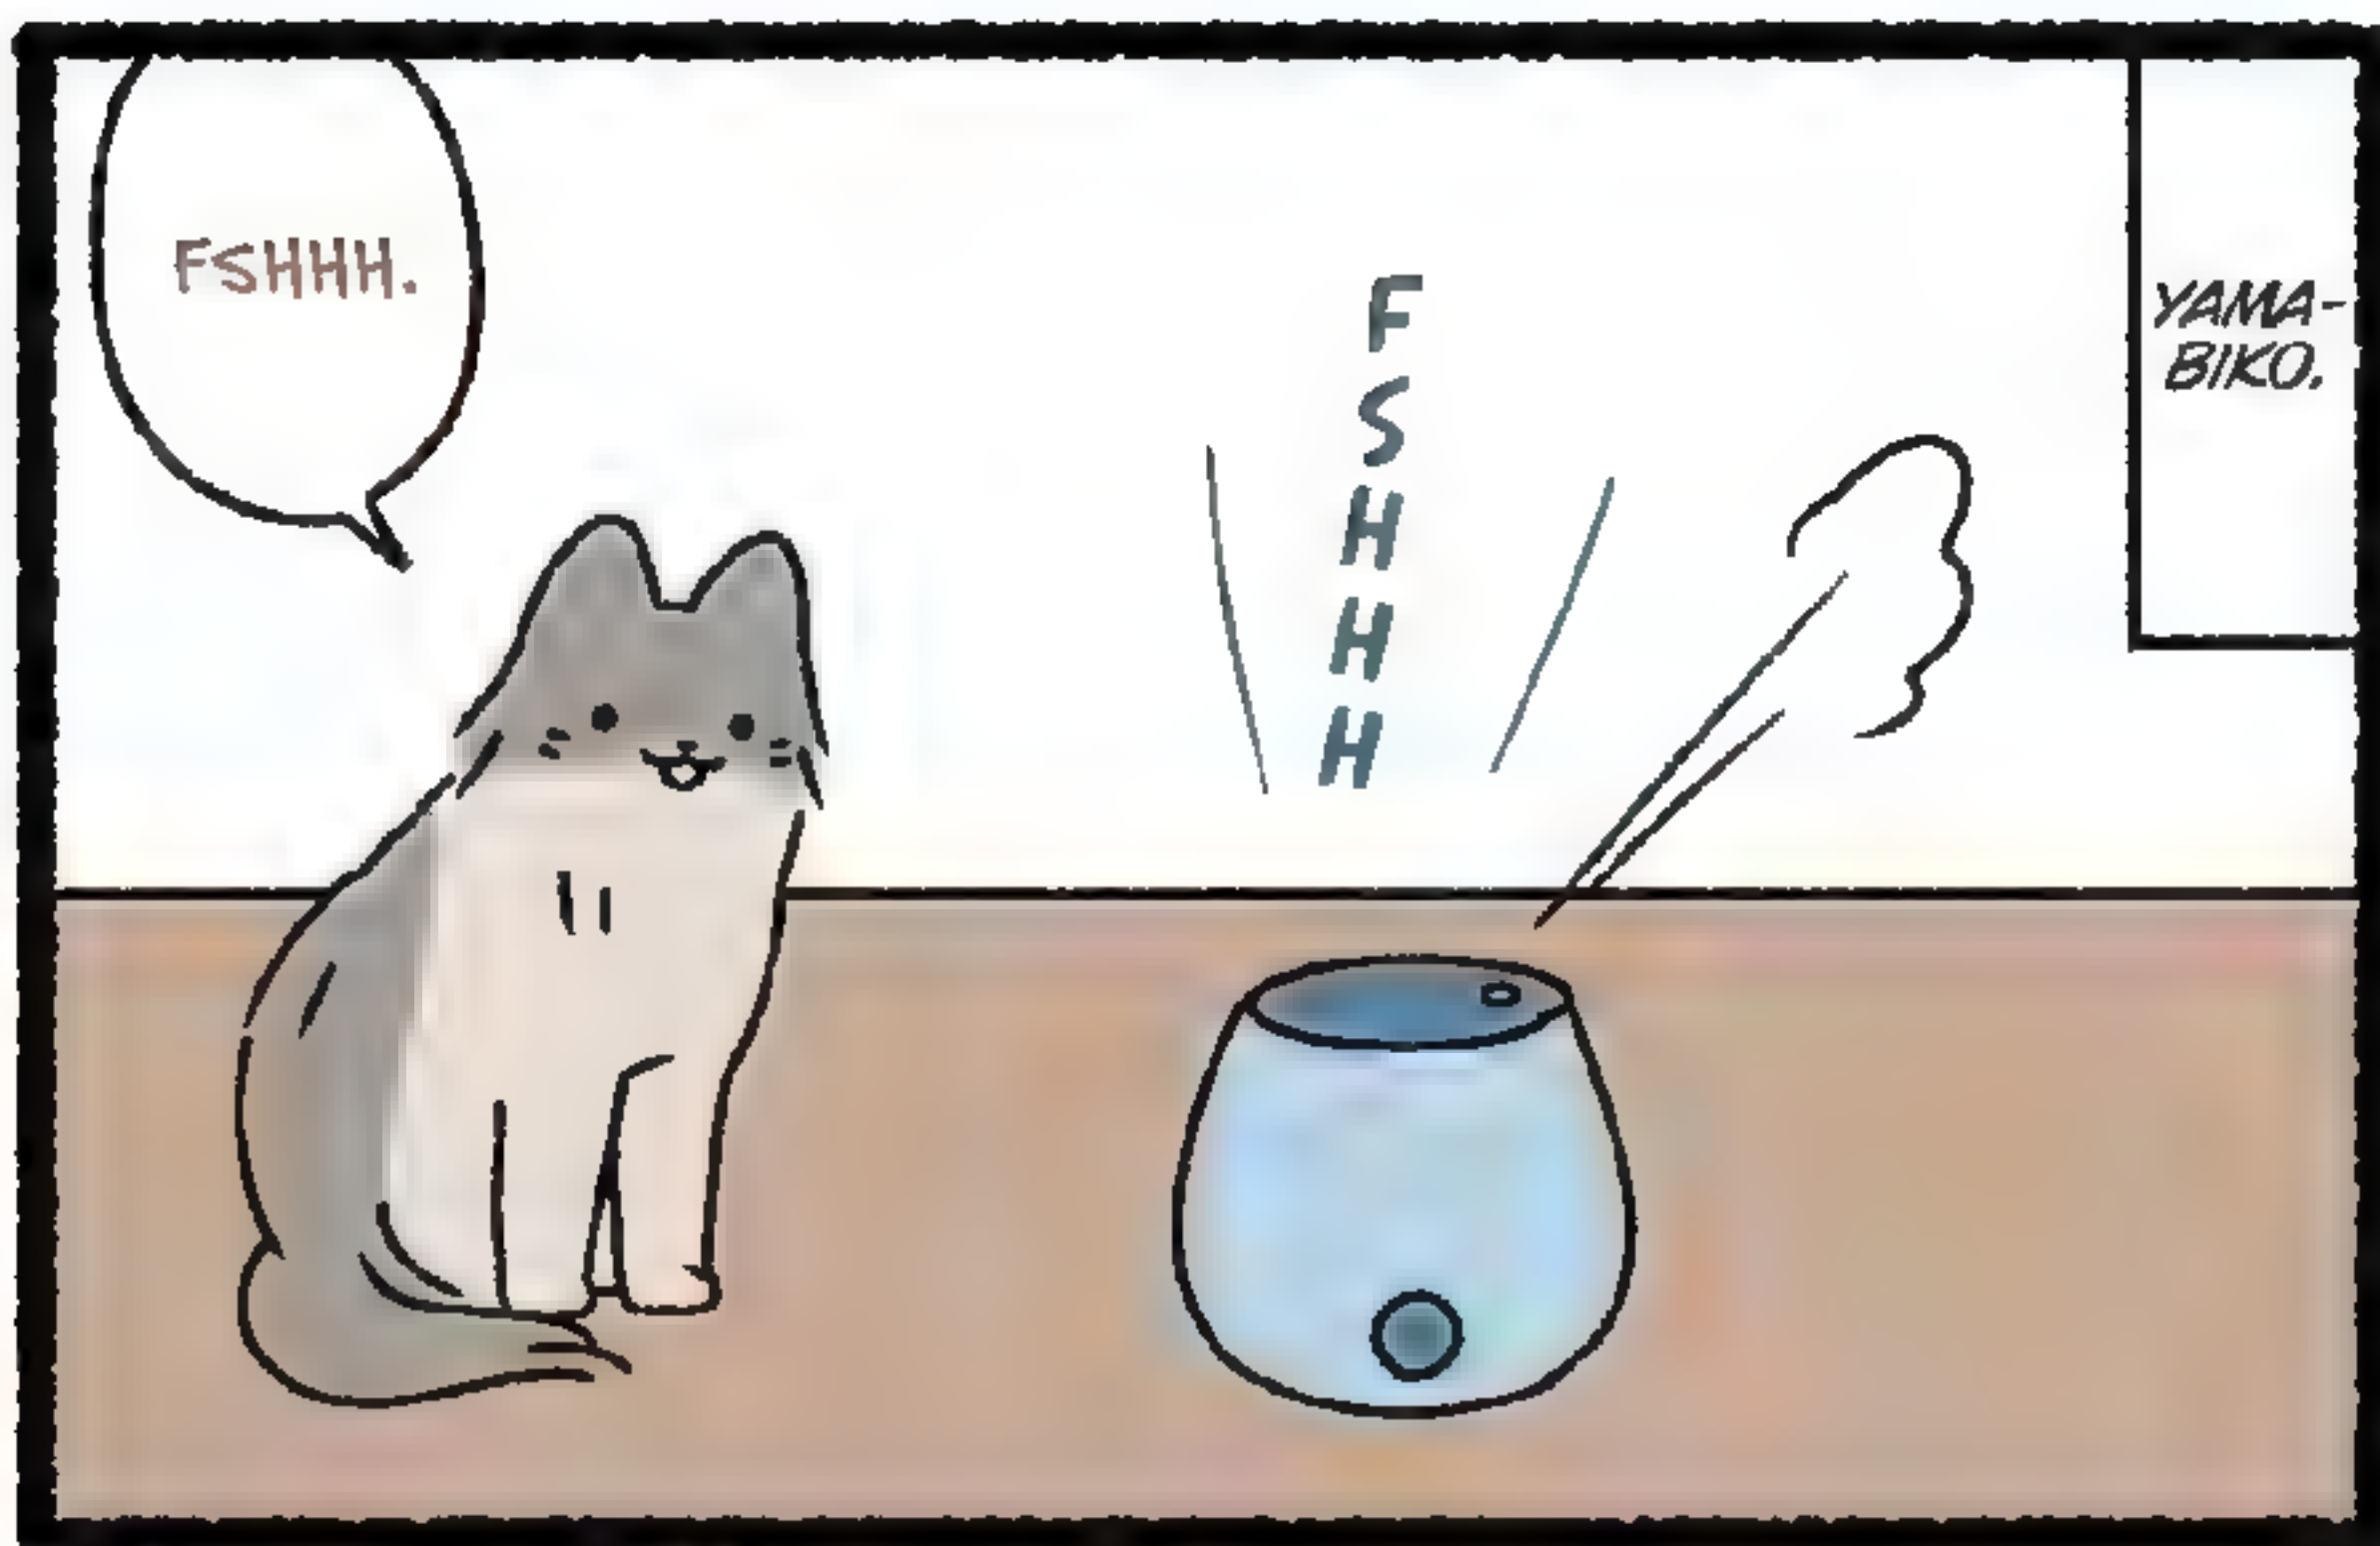

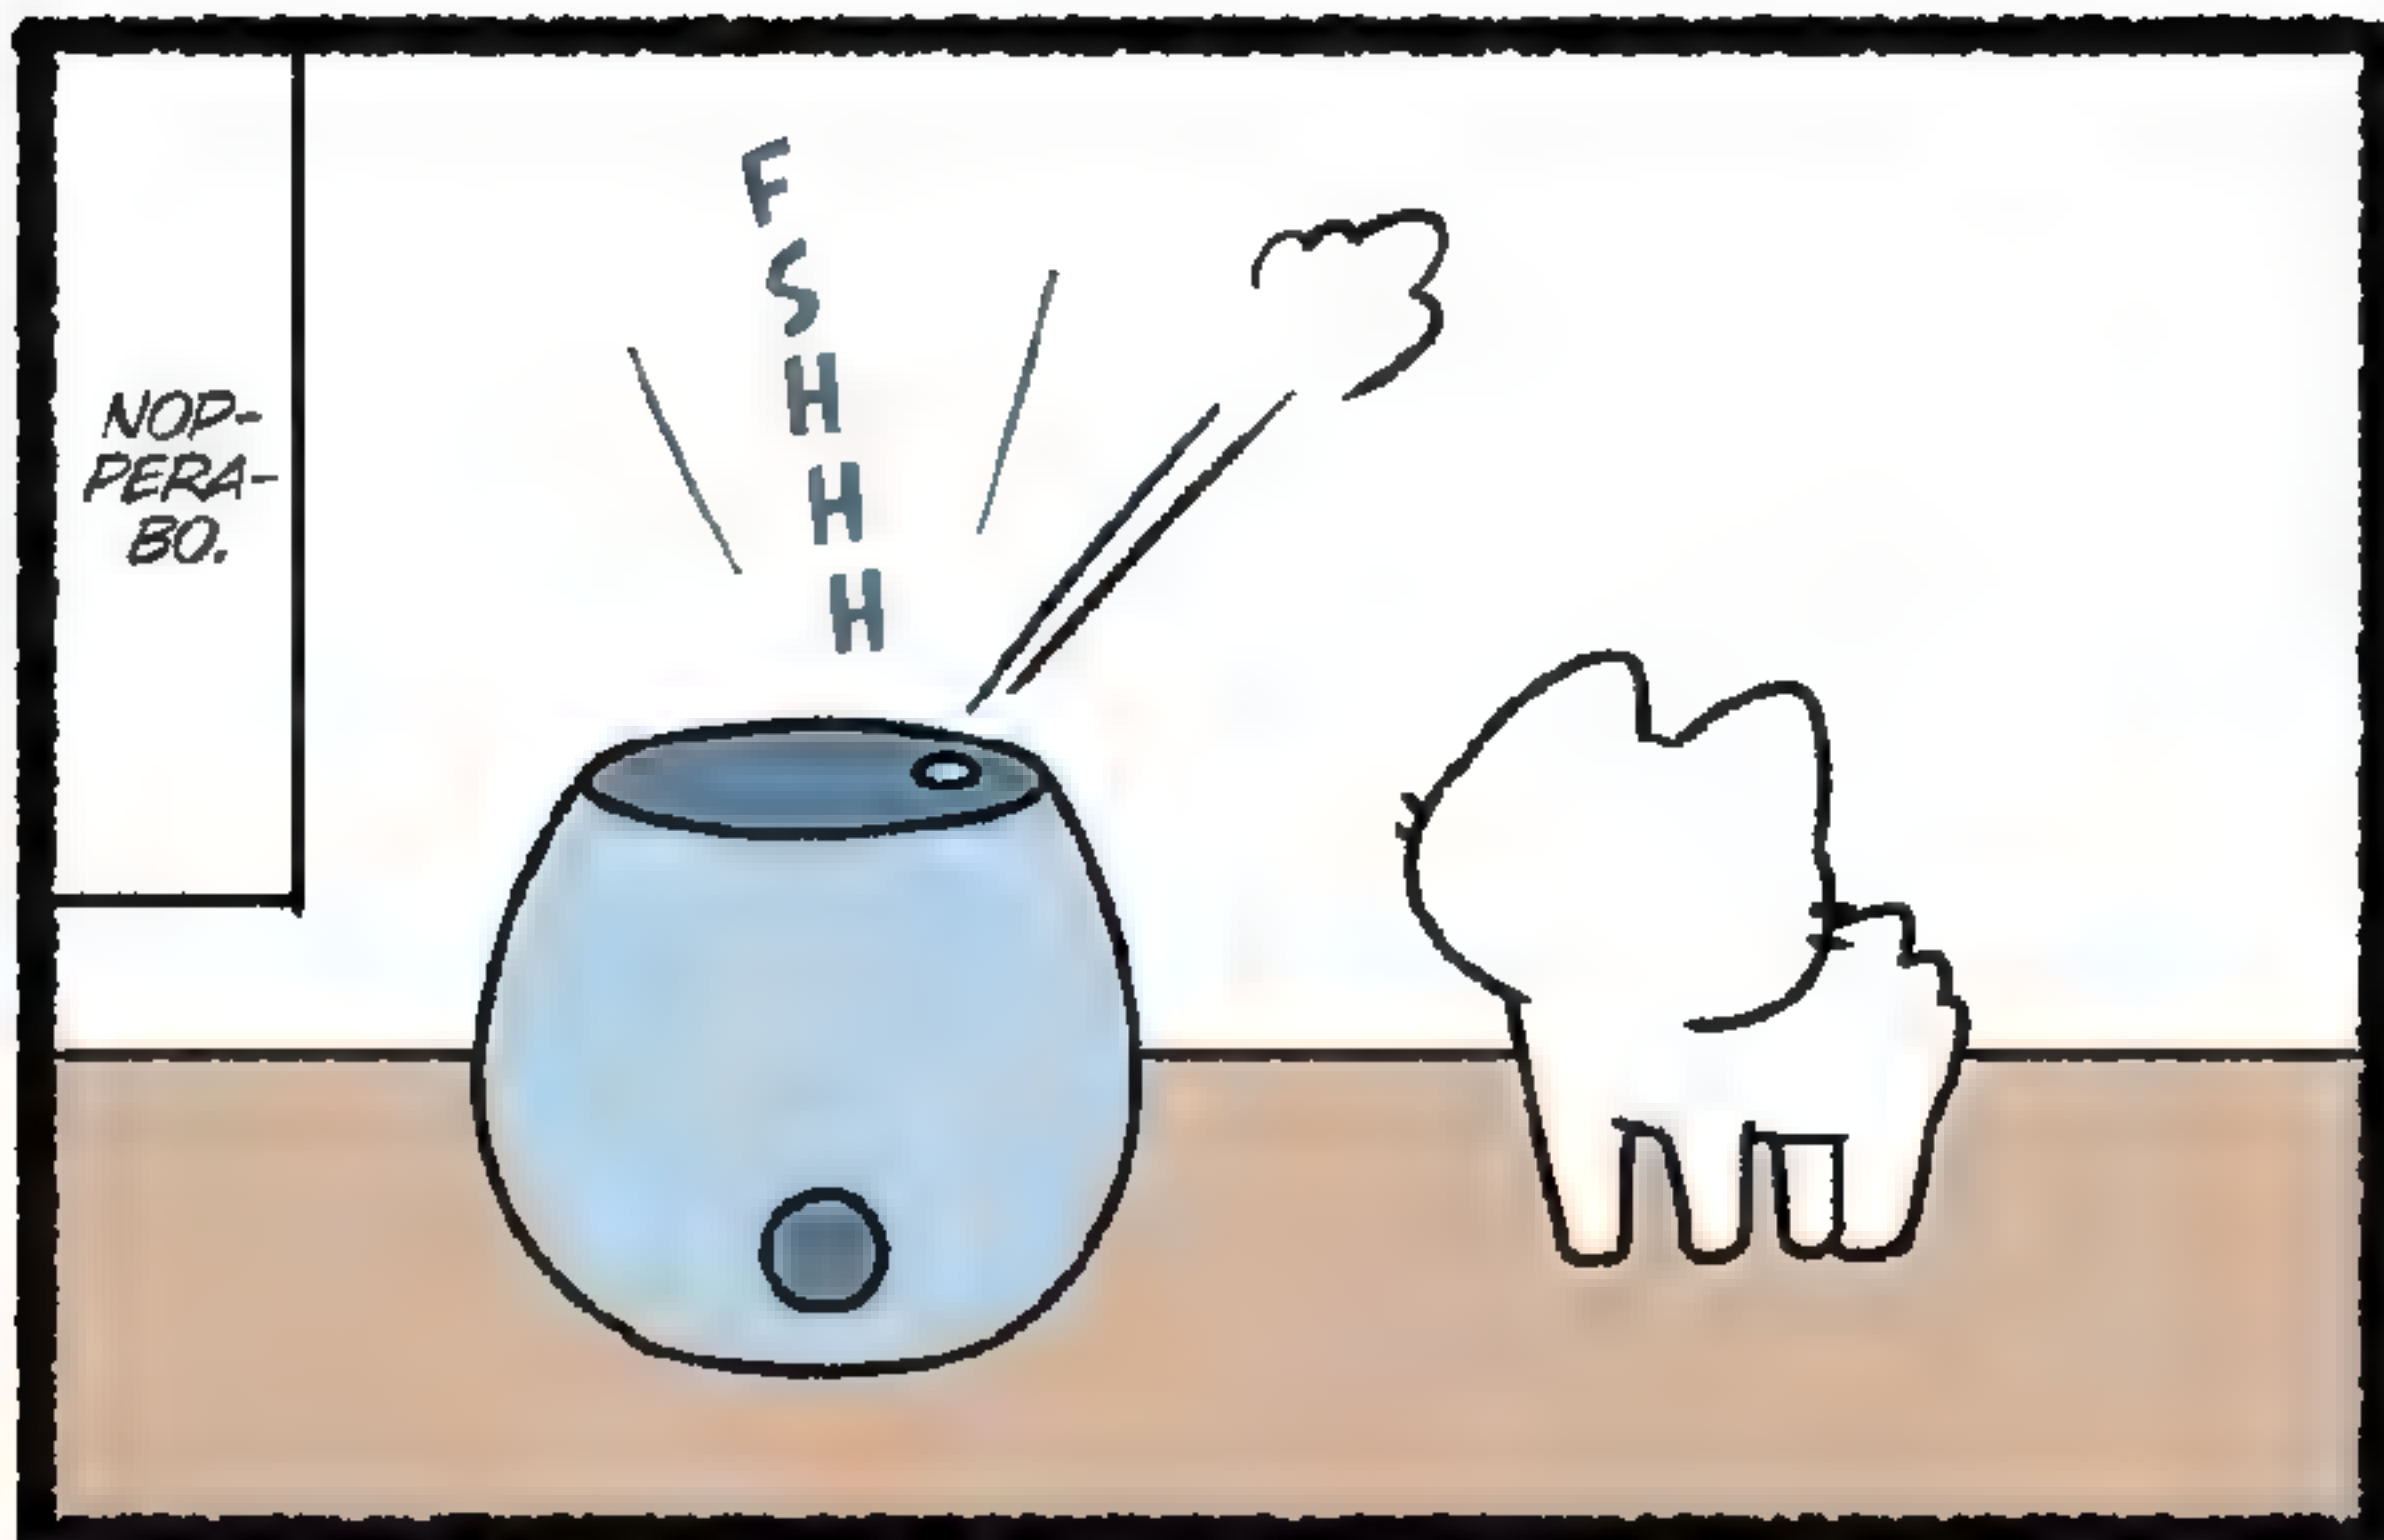

Roku-
rokubi
and
Azuki-
arai

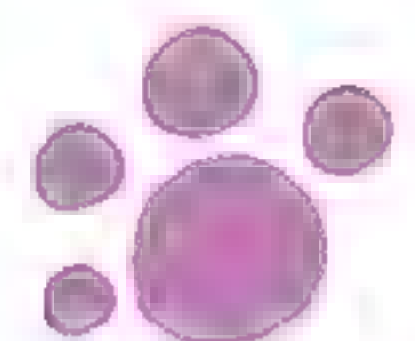

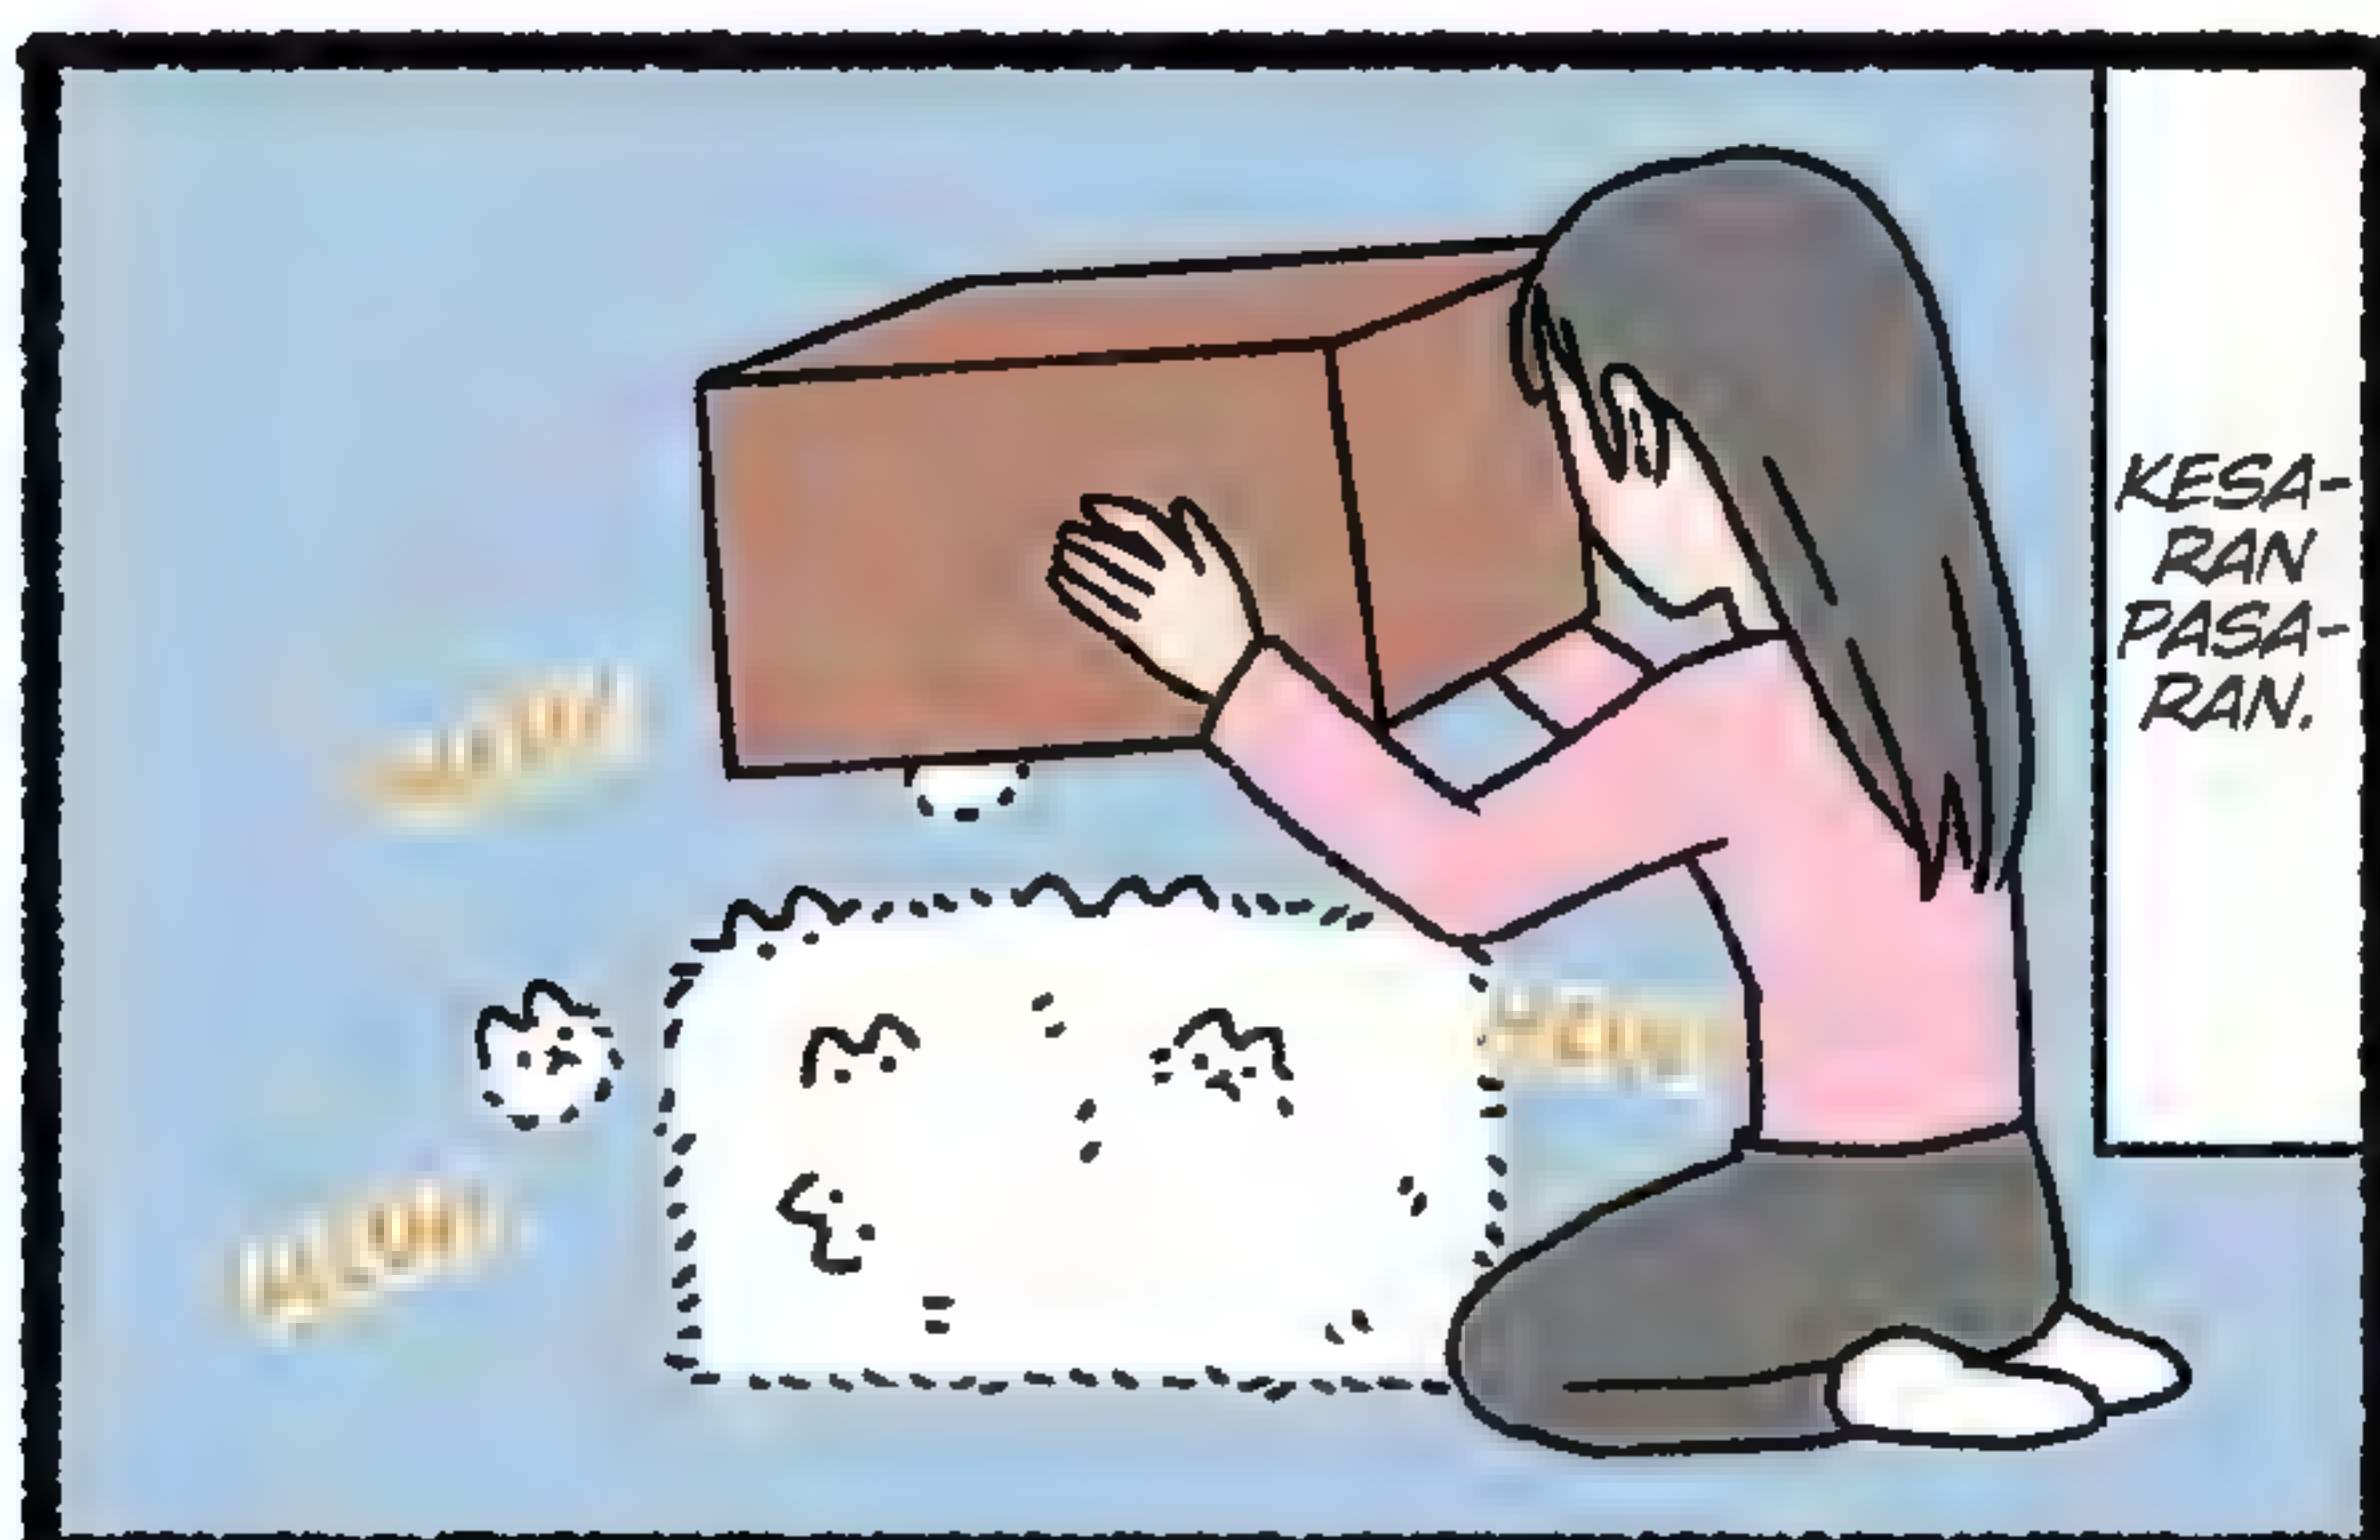

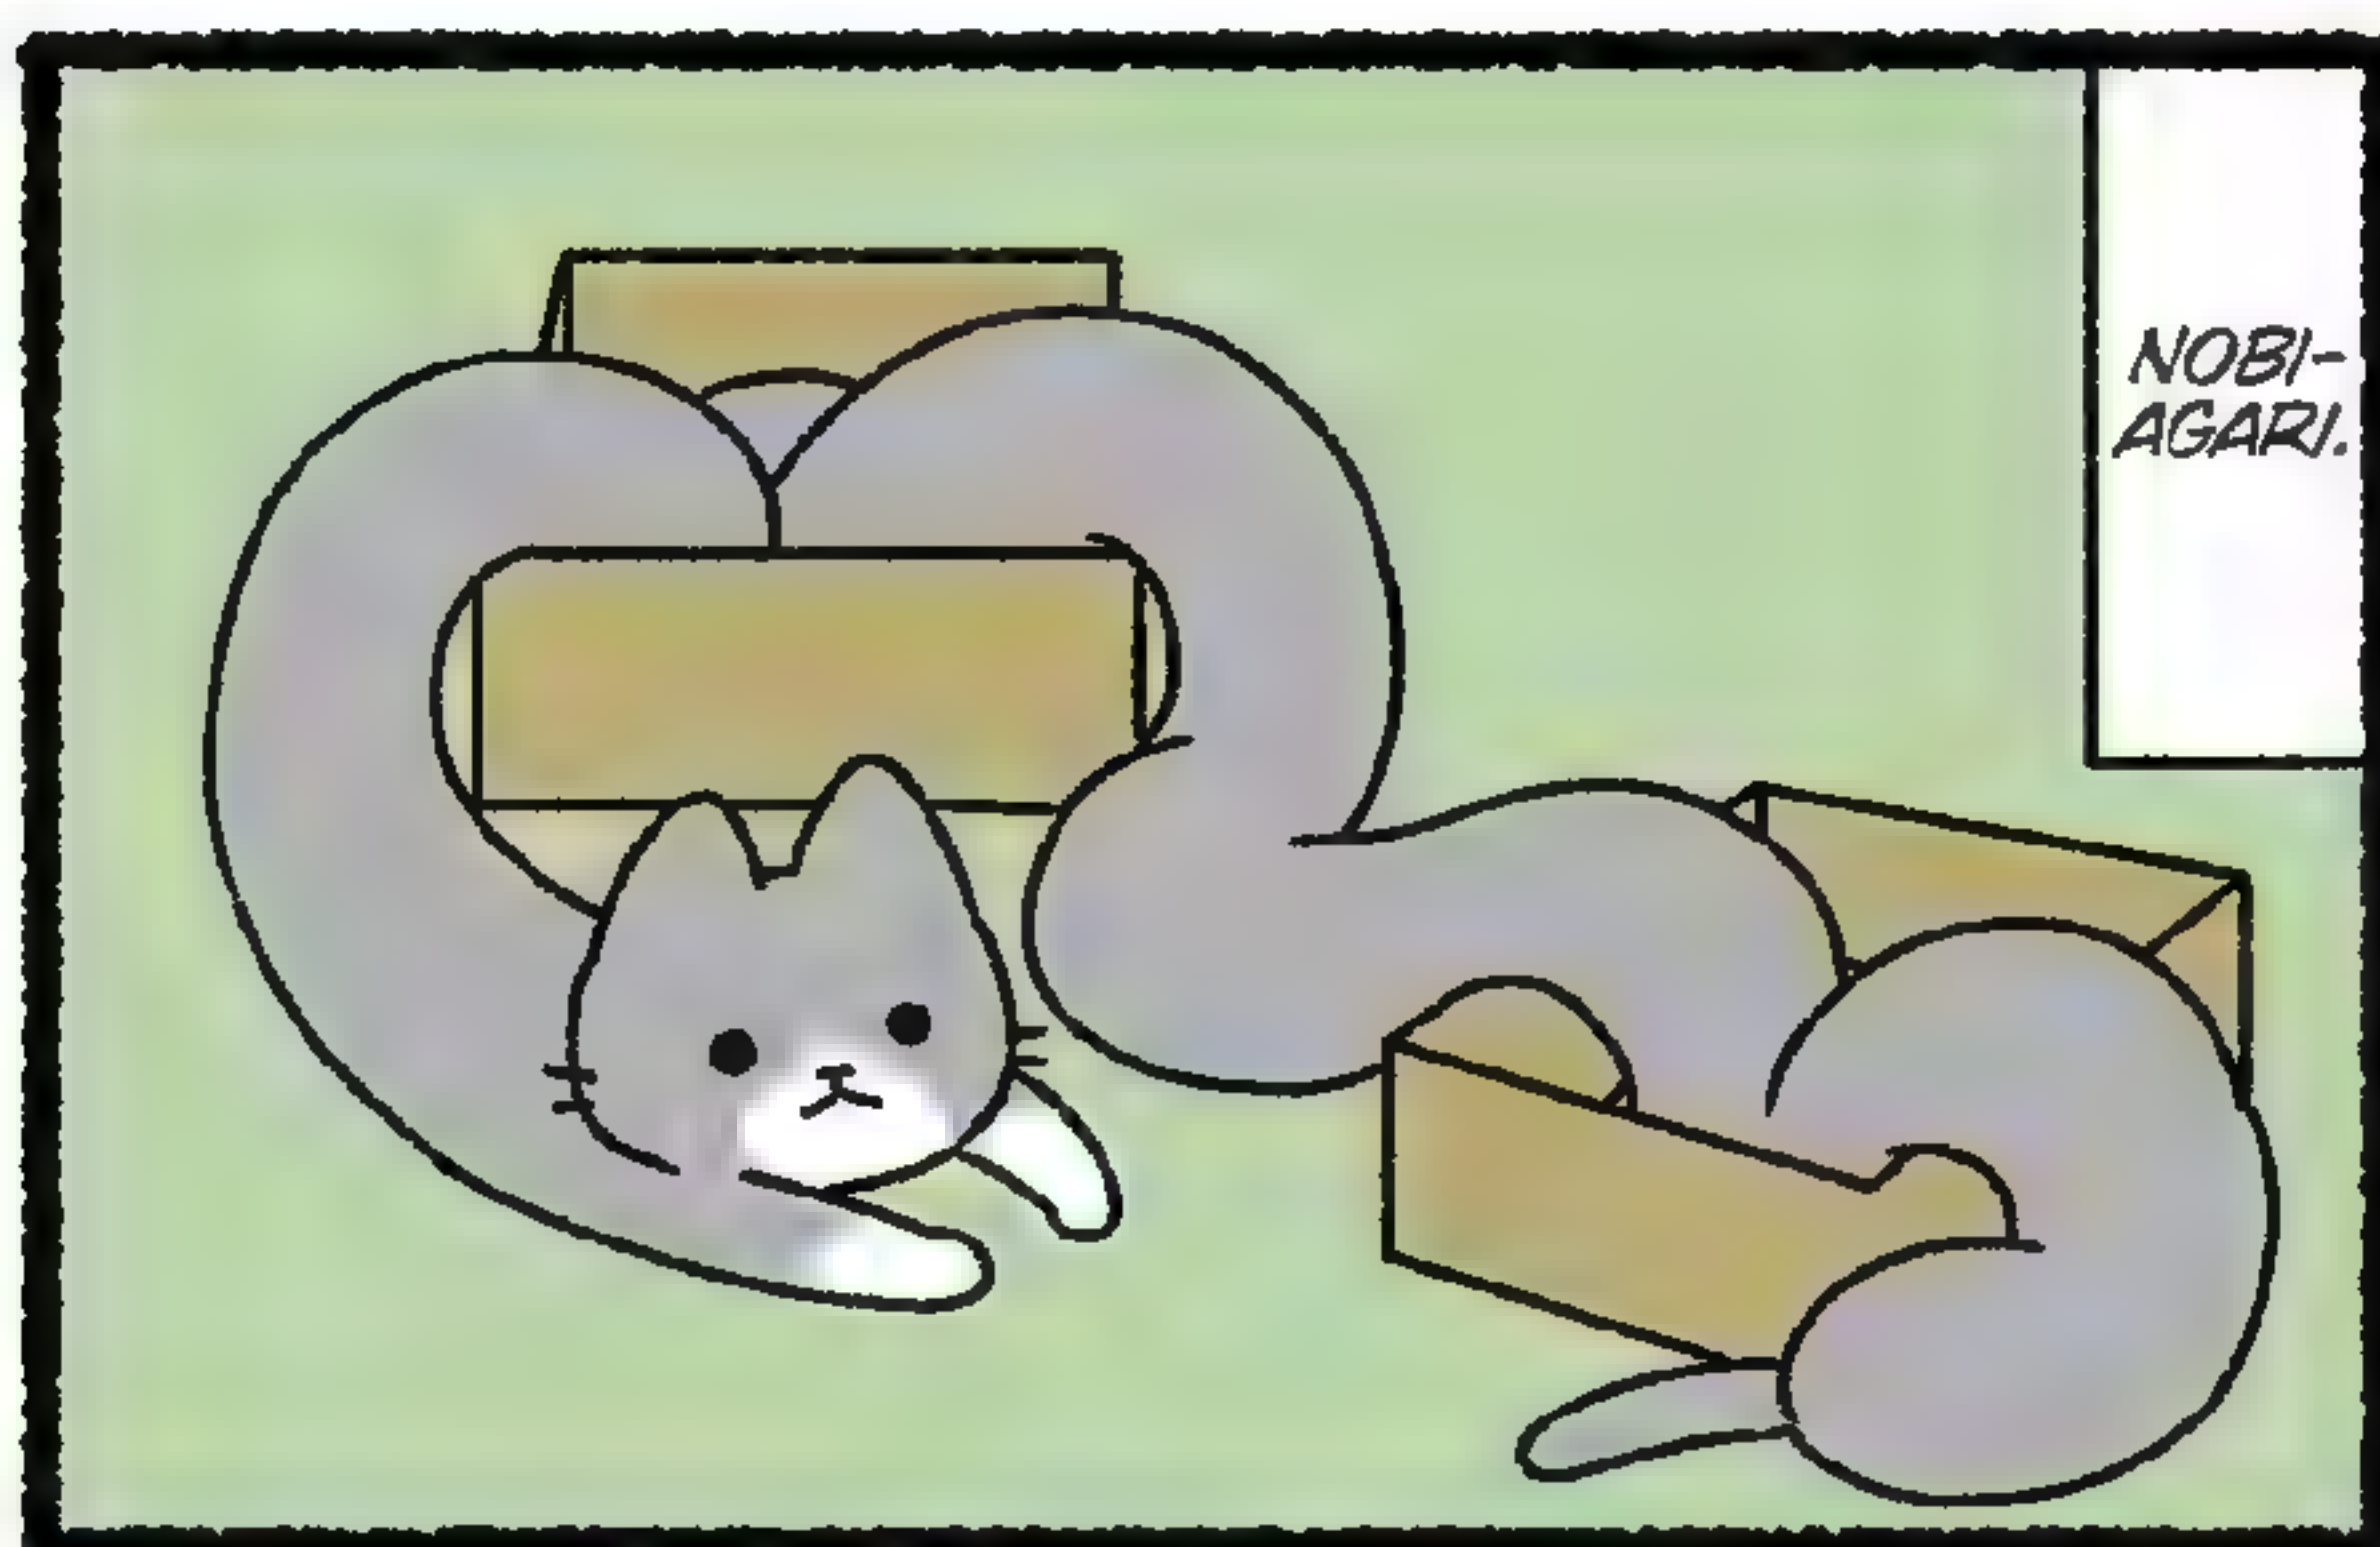

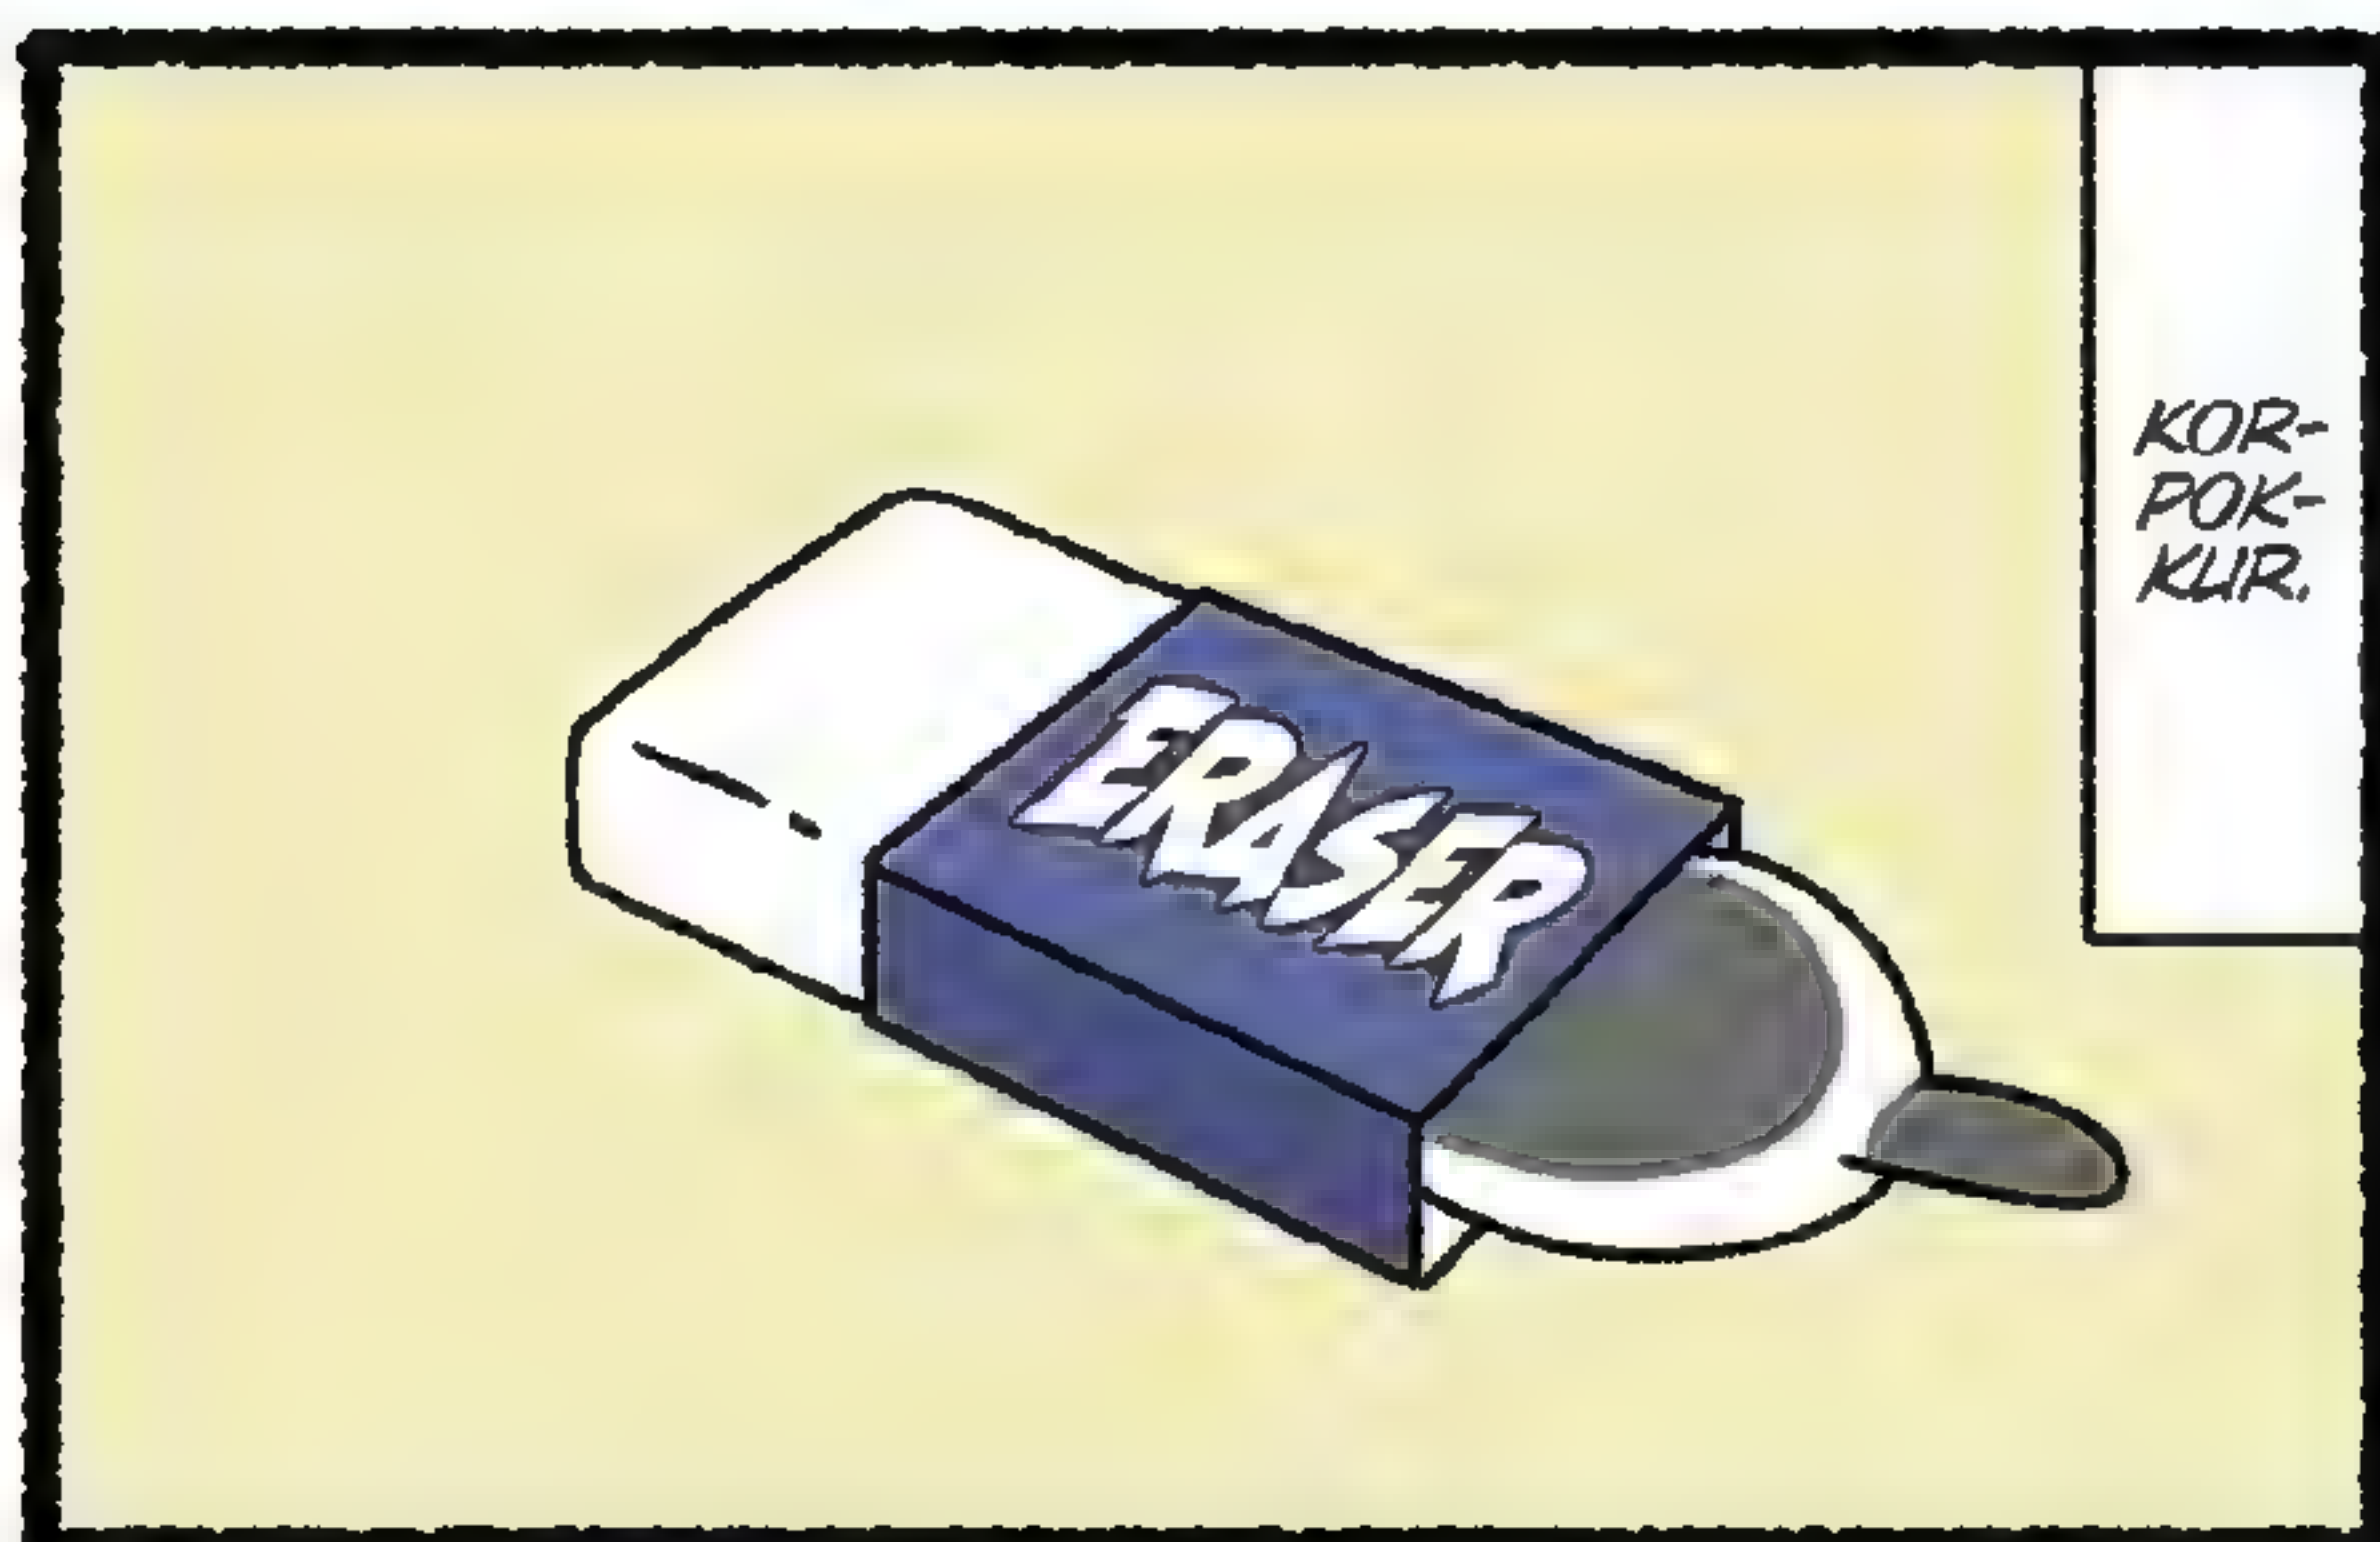

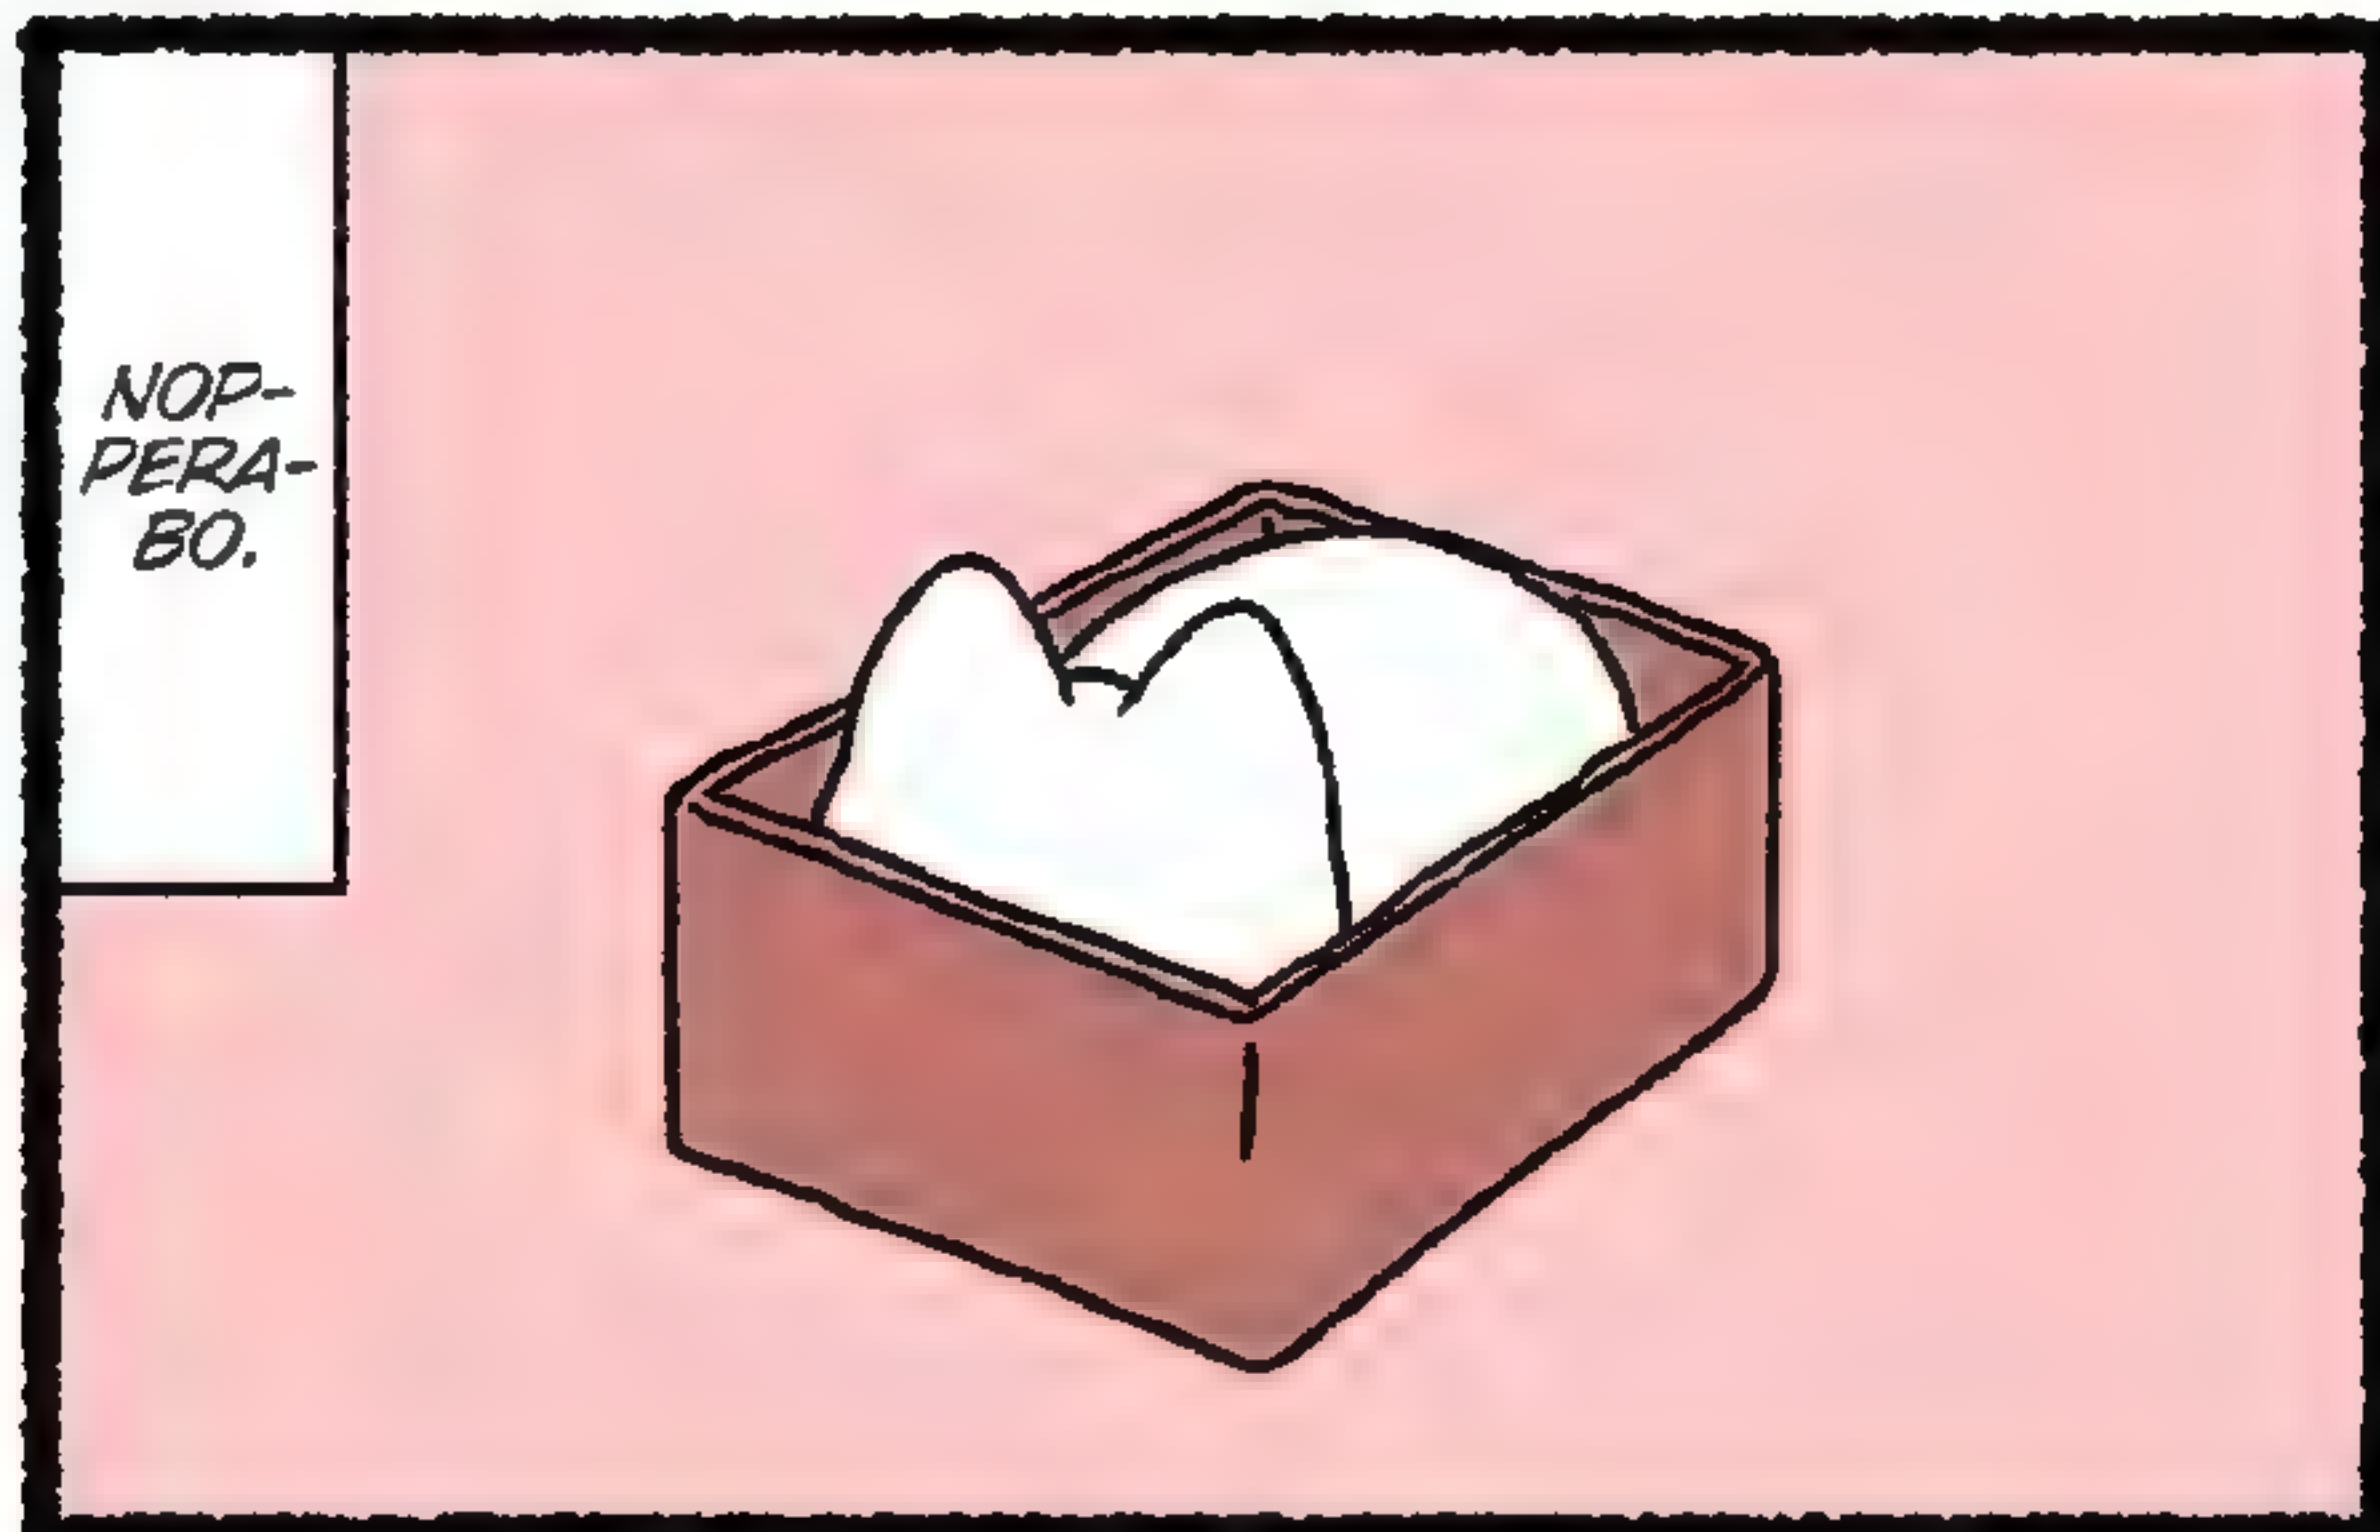

Kor-
pokkur
and
Kesaran
Pasaran

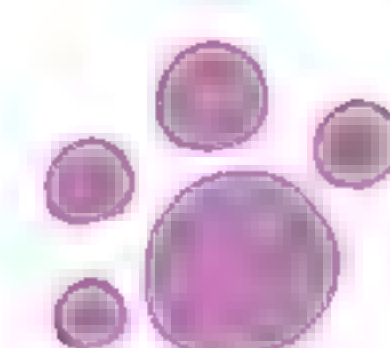

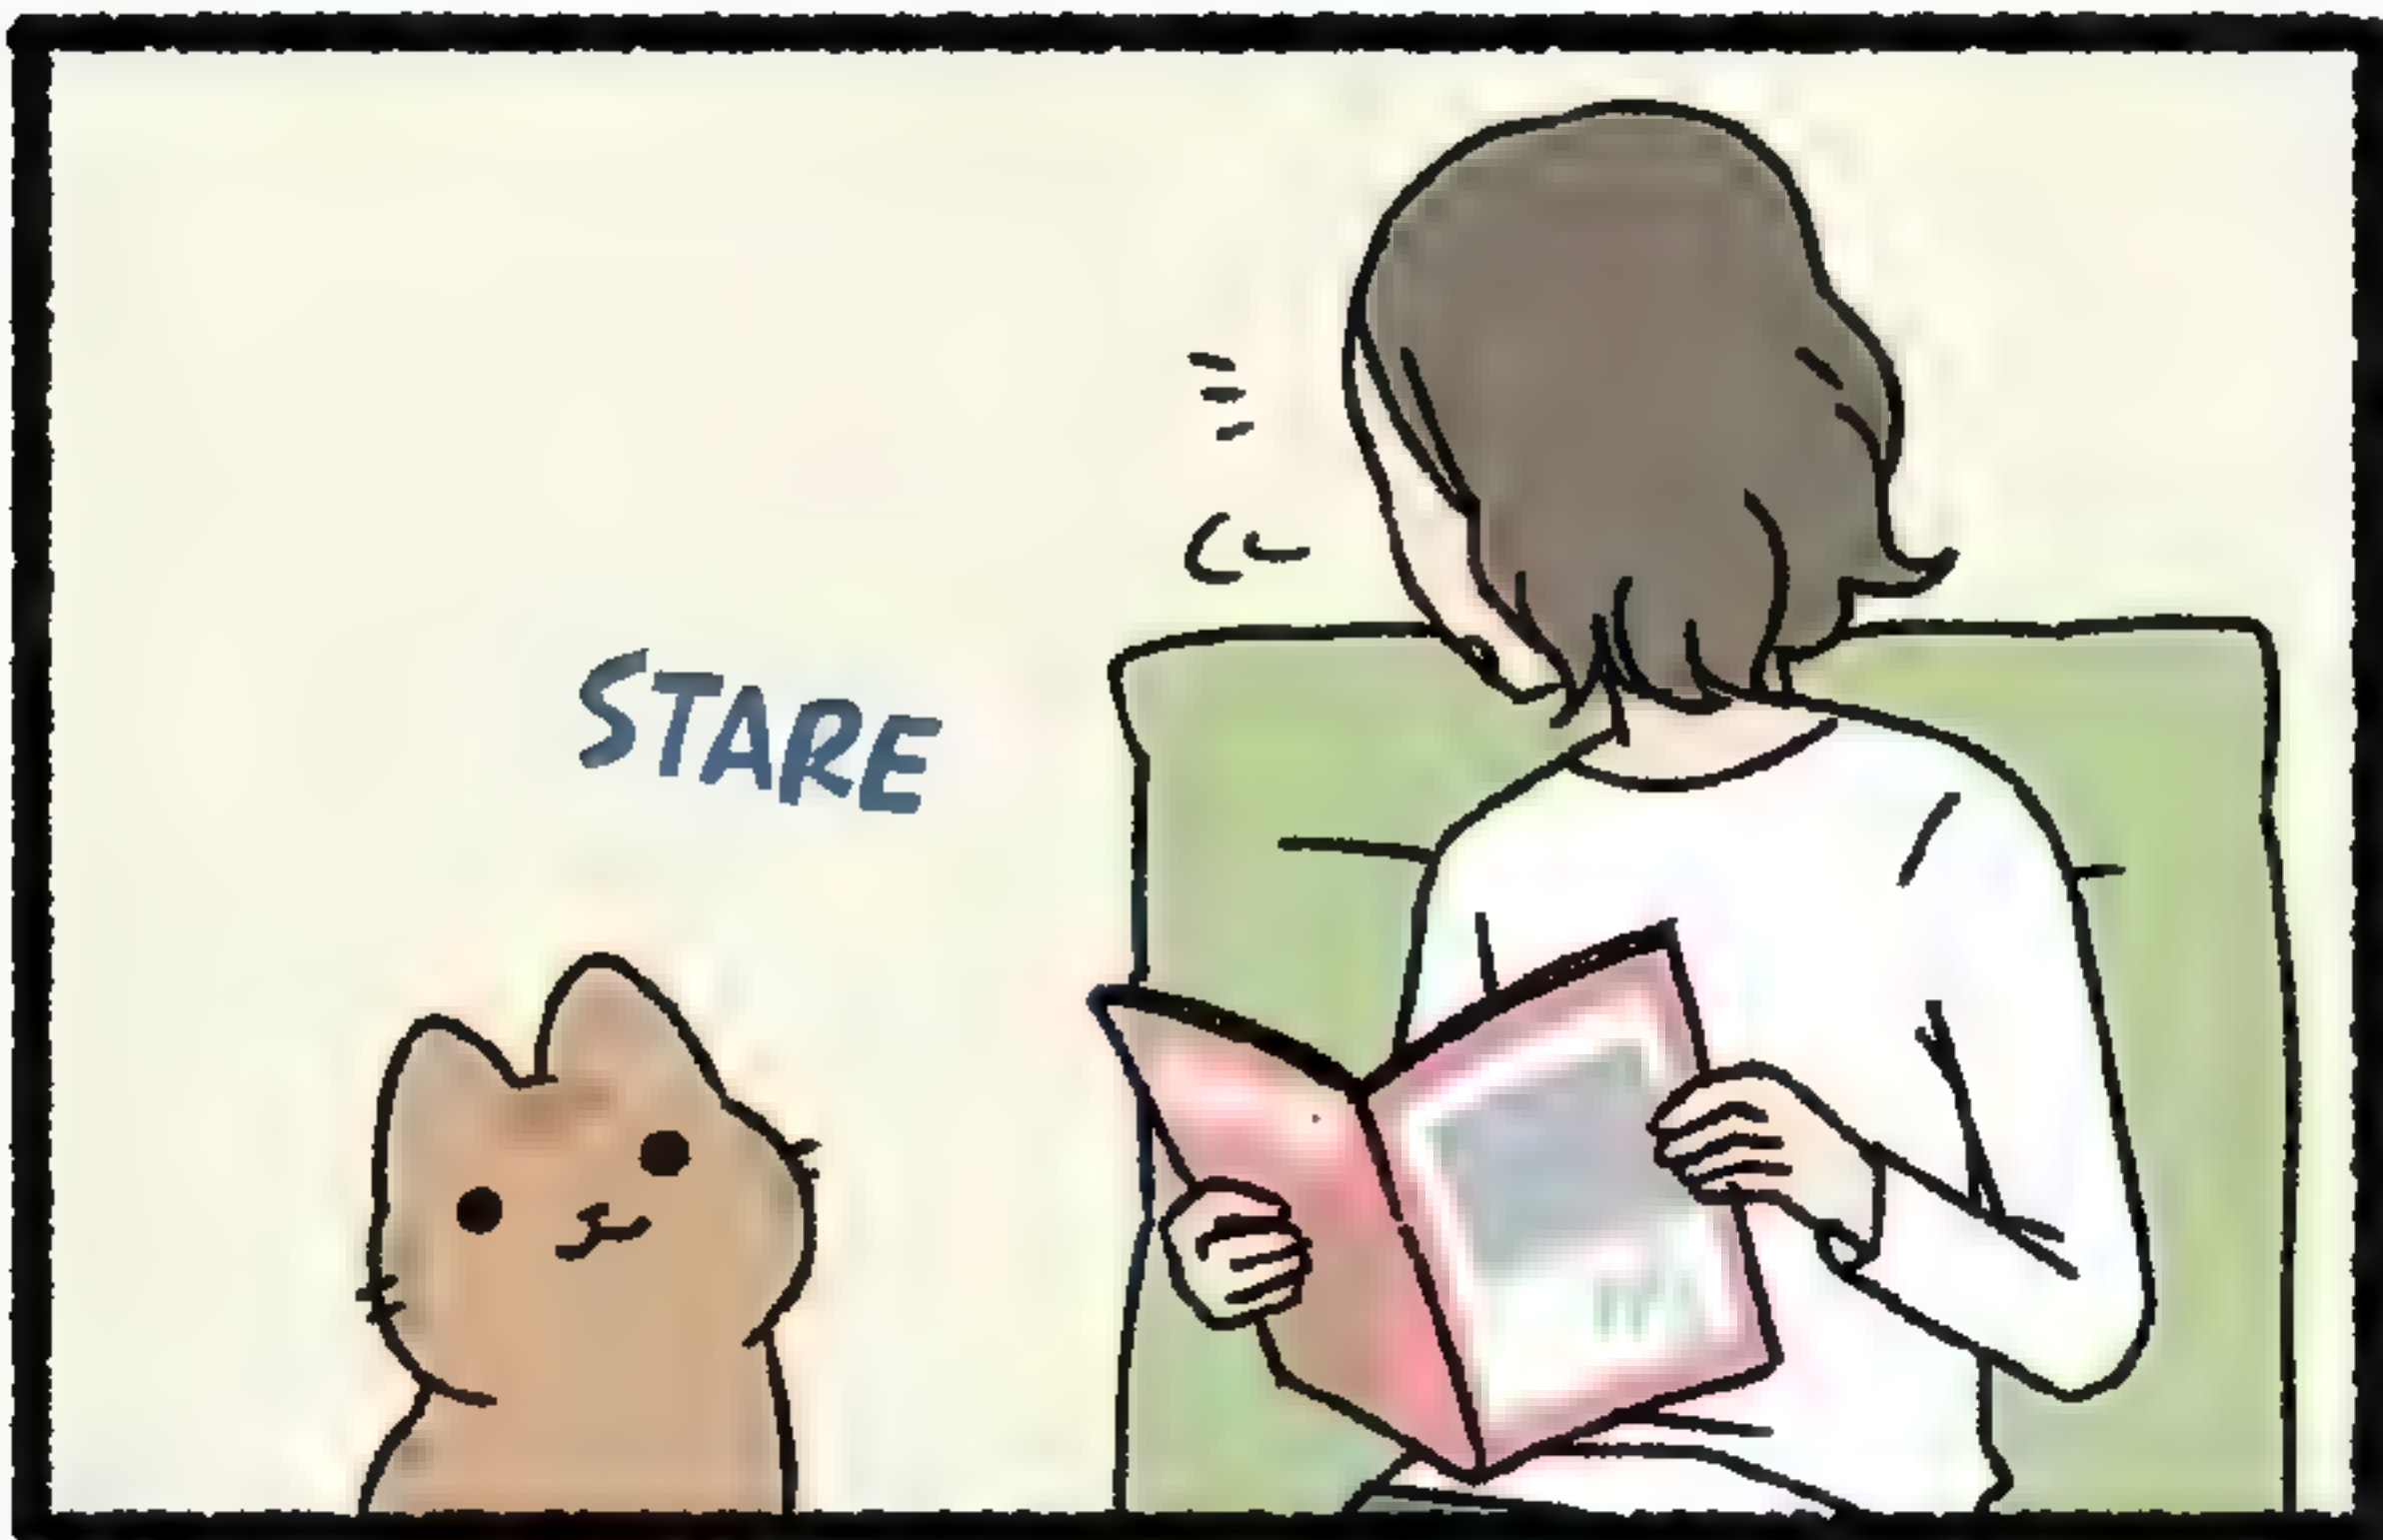

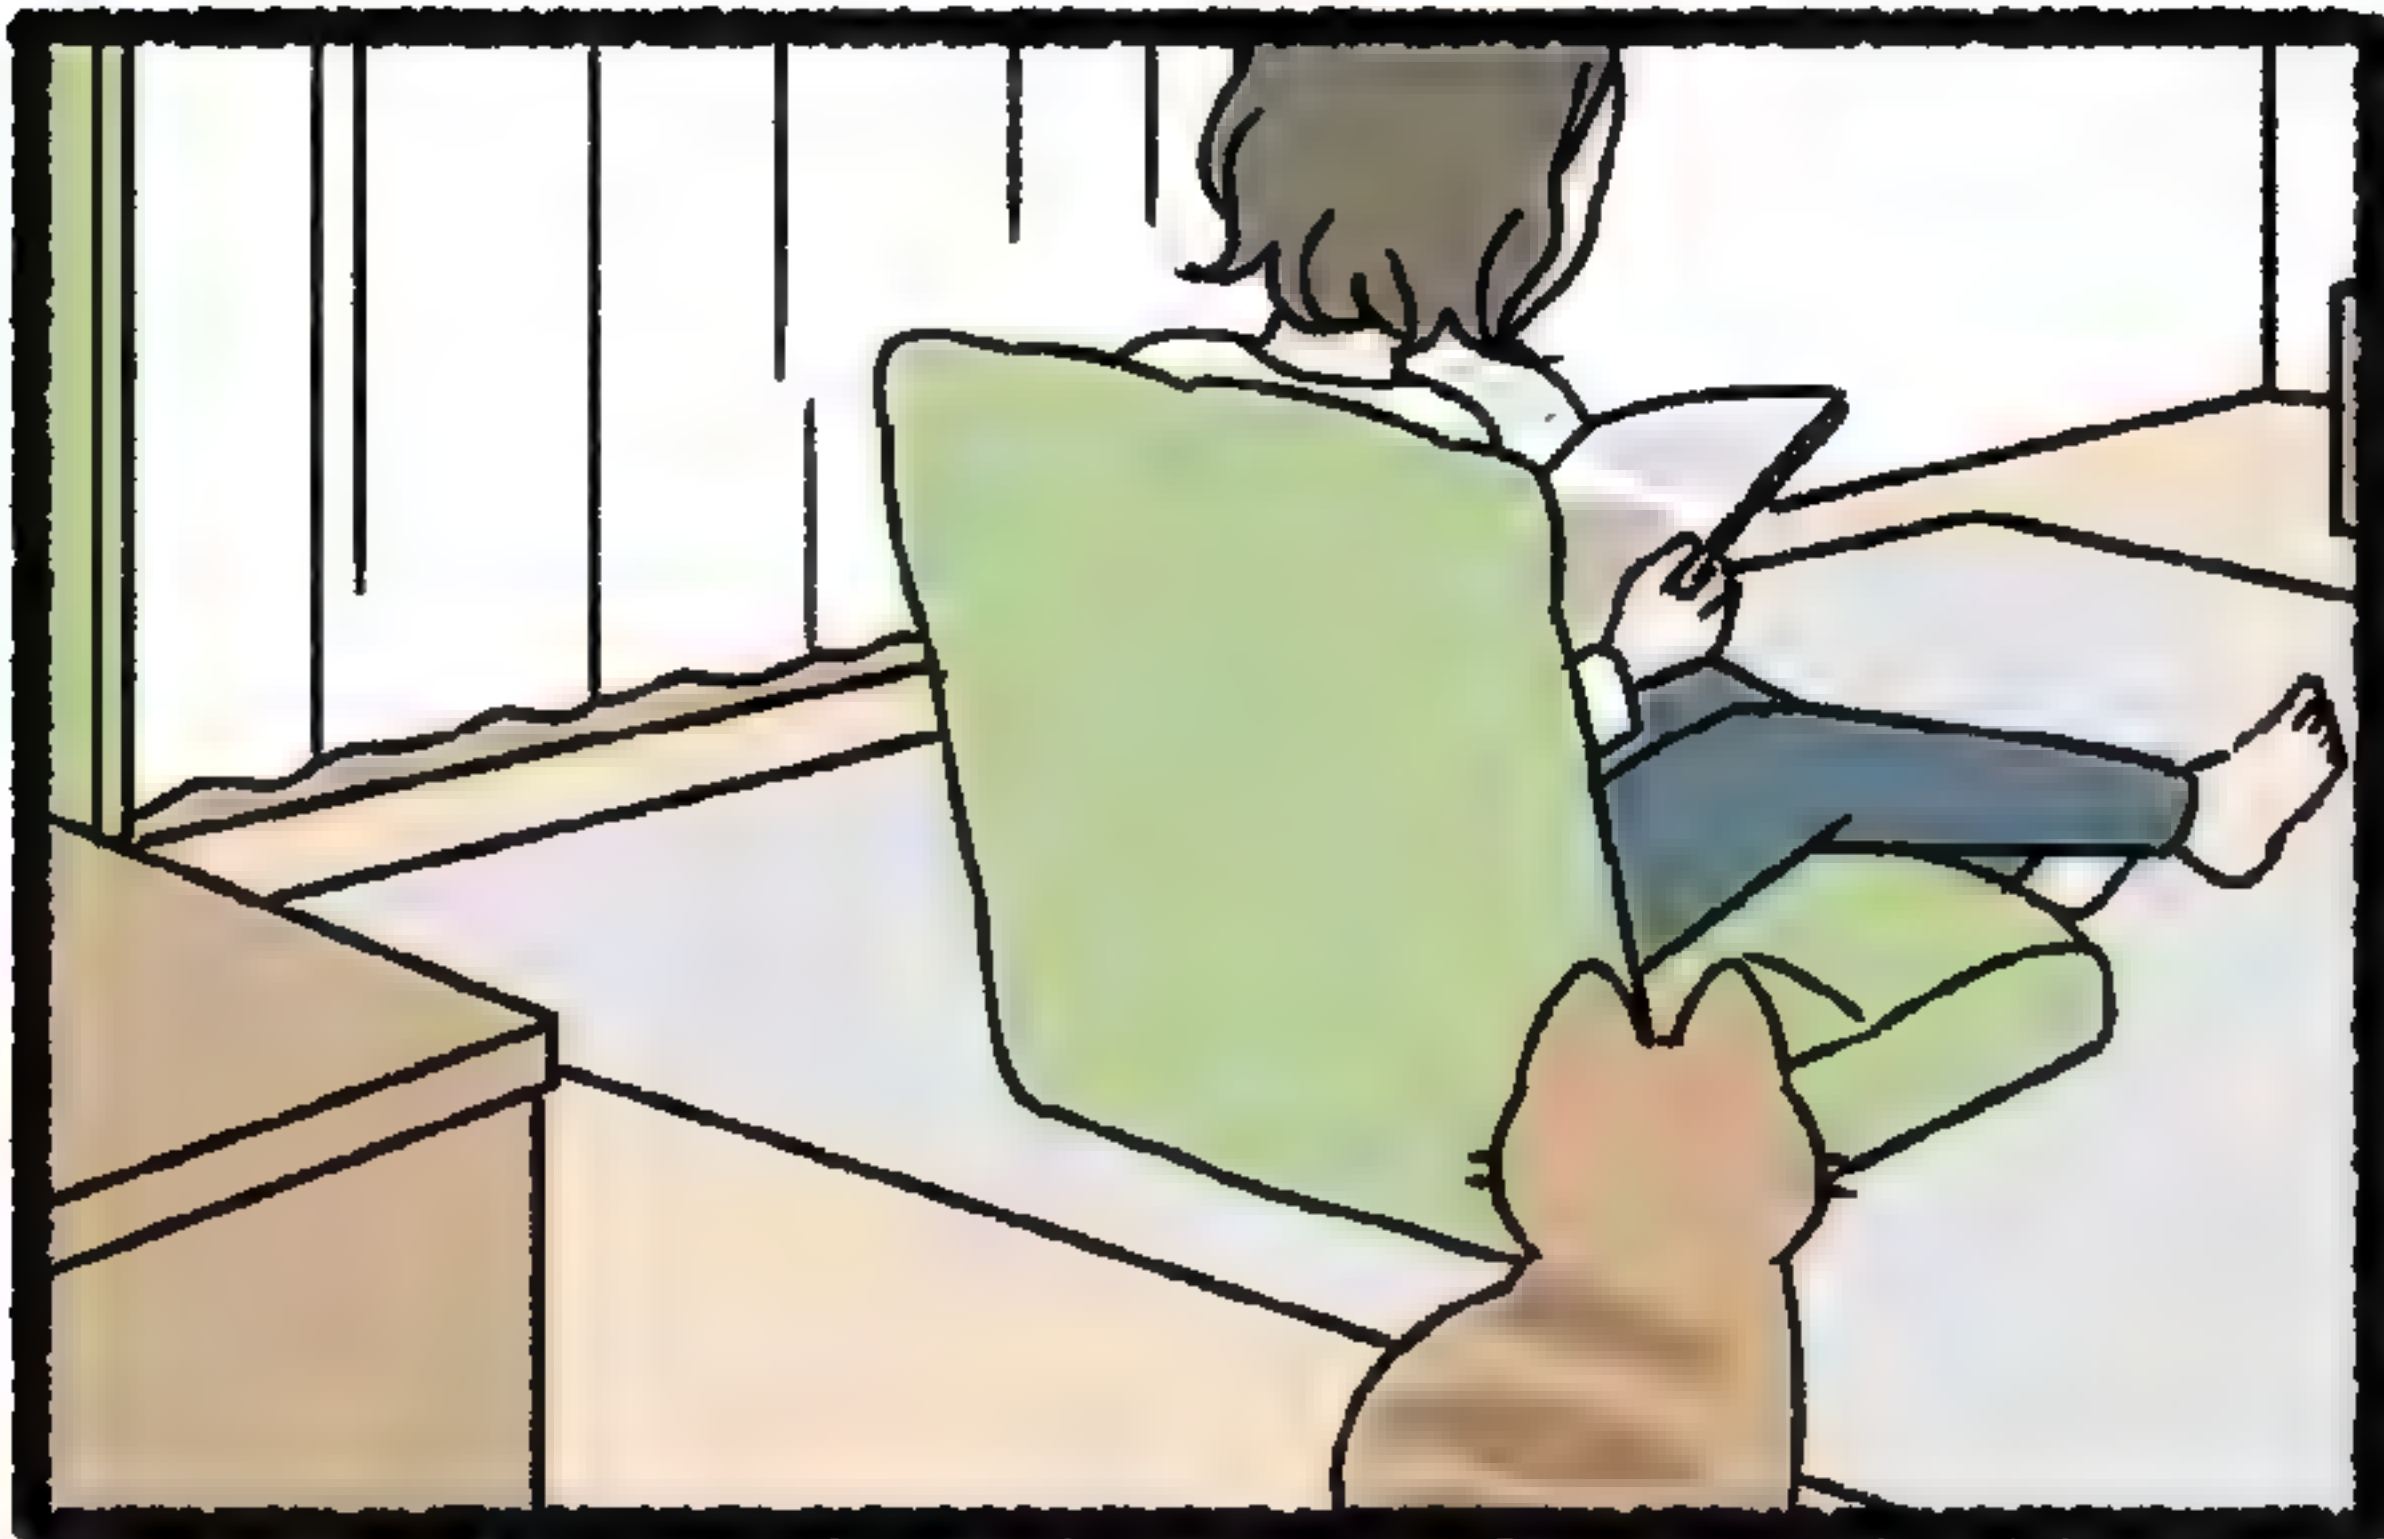

Yokai Cats and Humidifiers

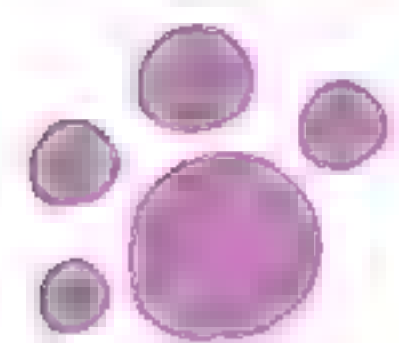

Yokai Cats in Boxes

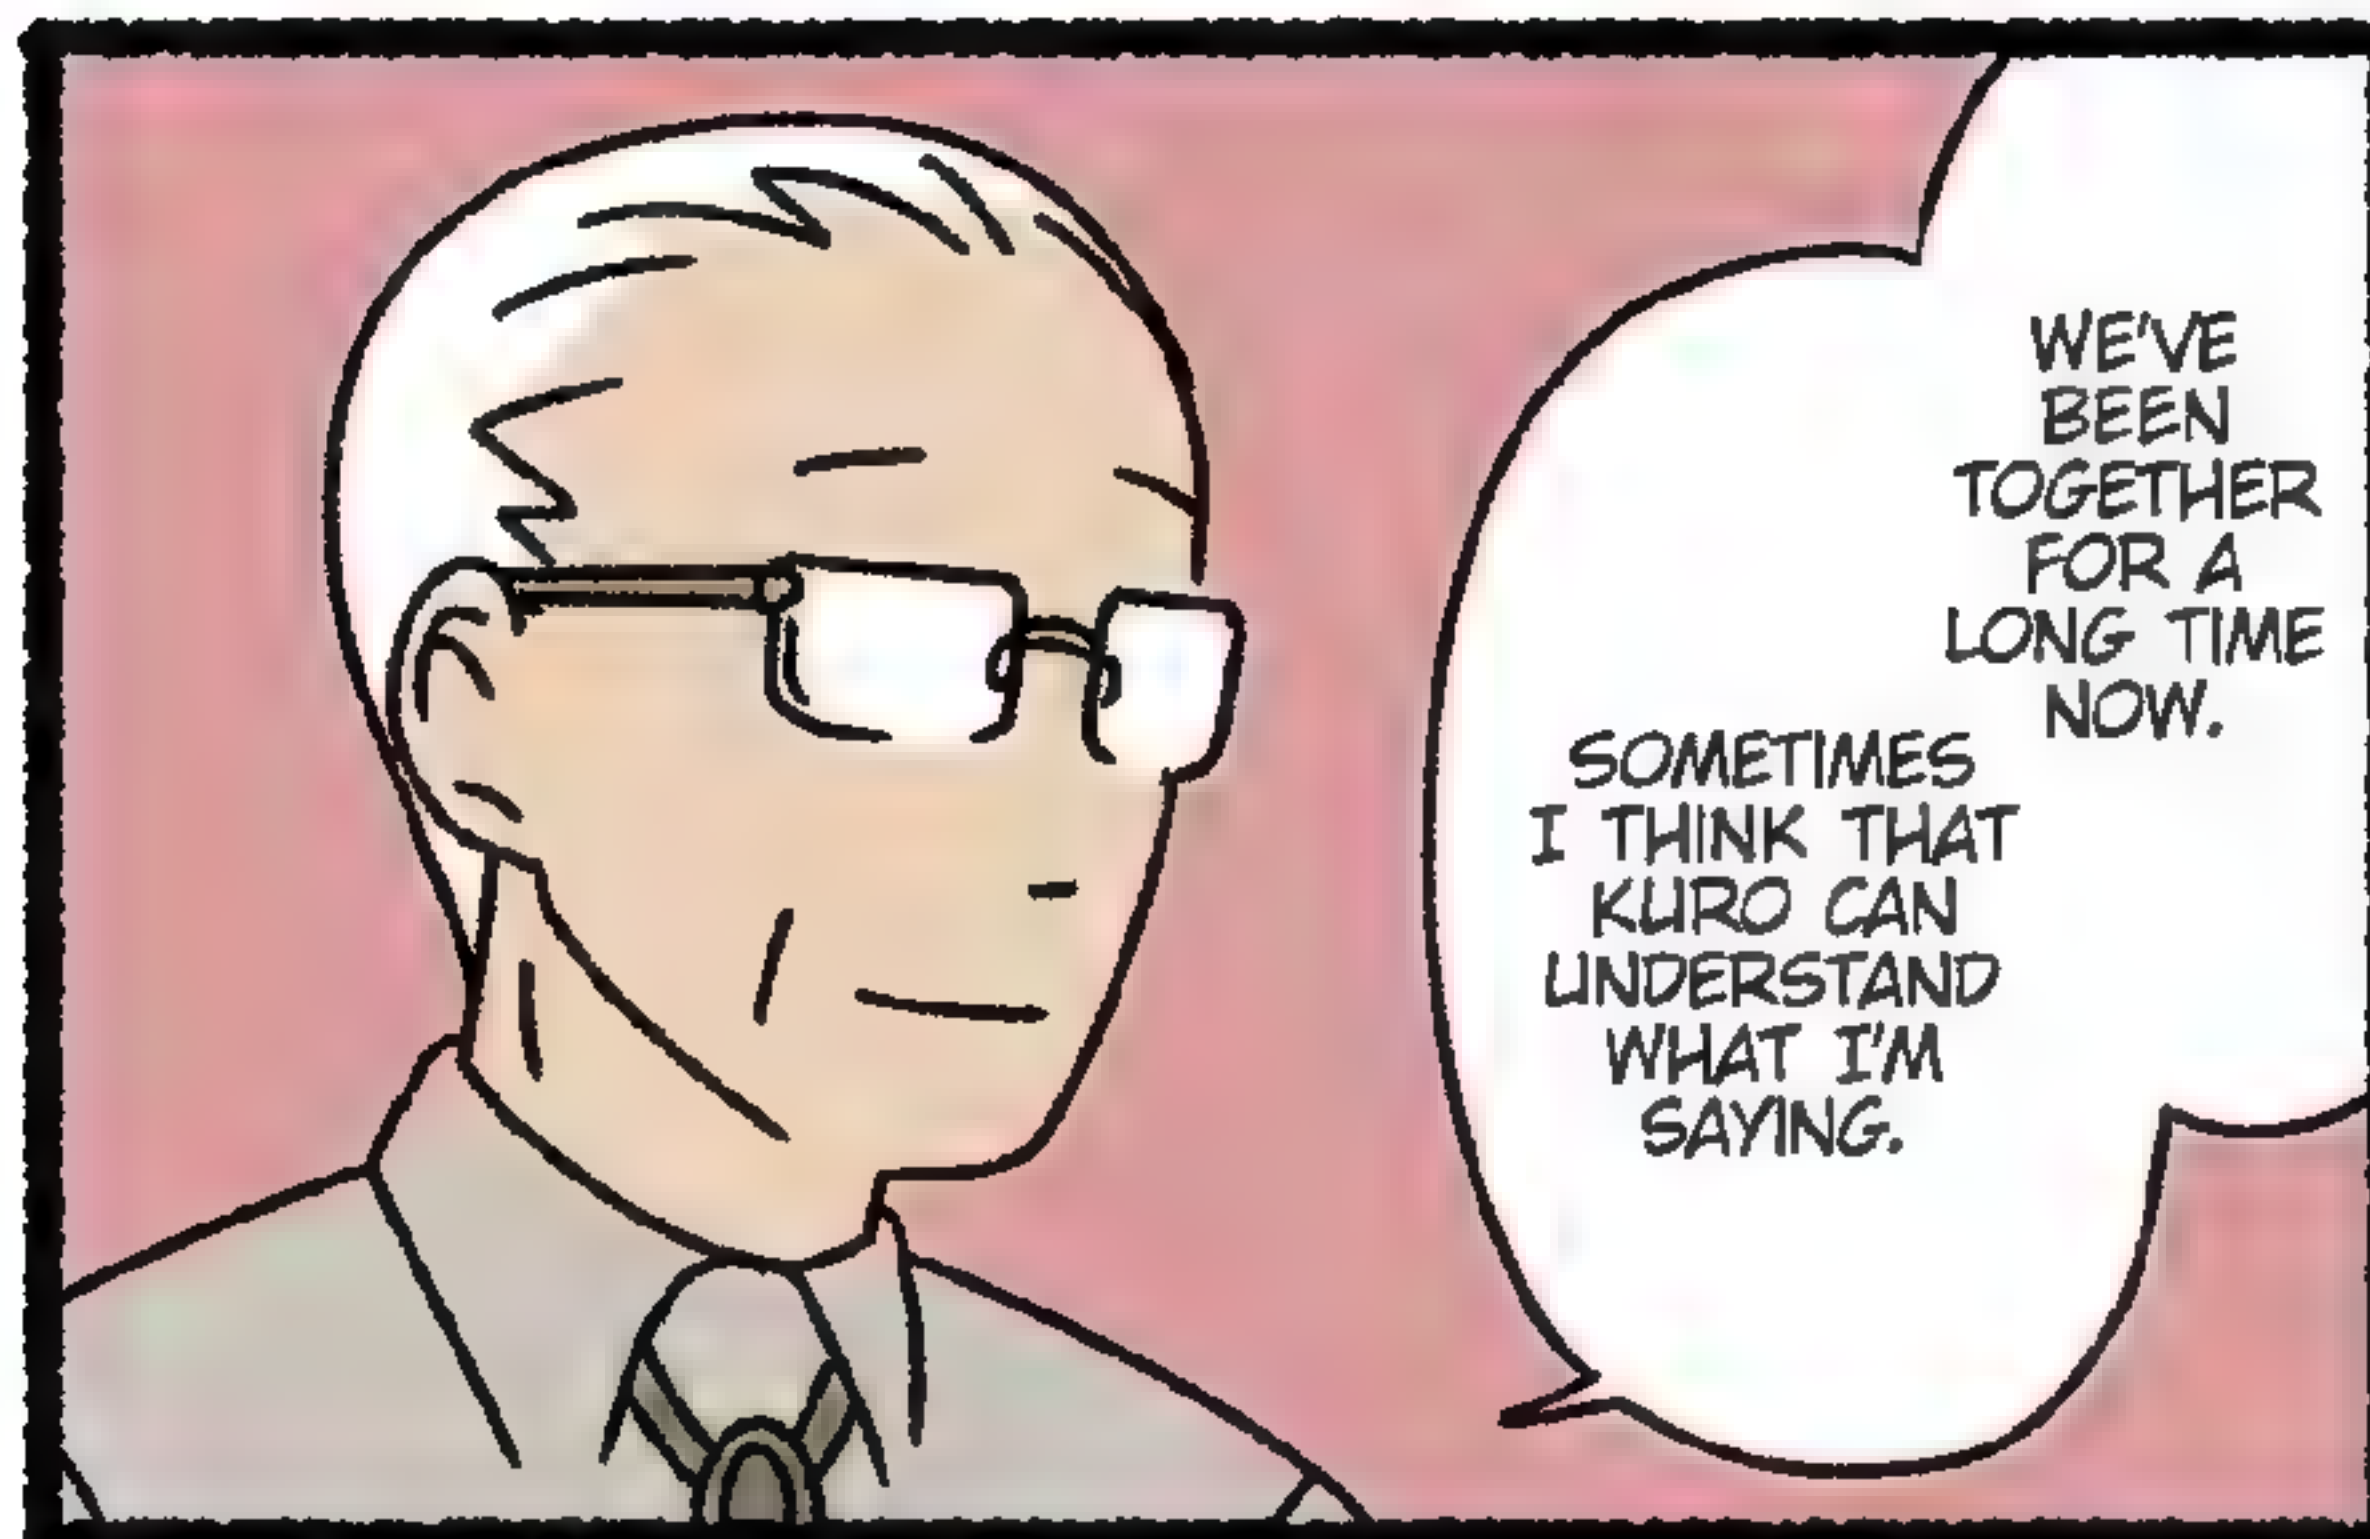

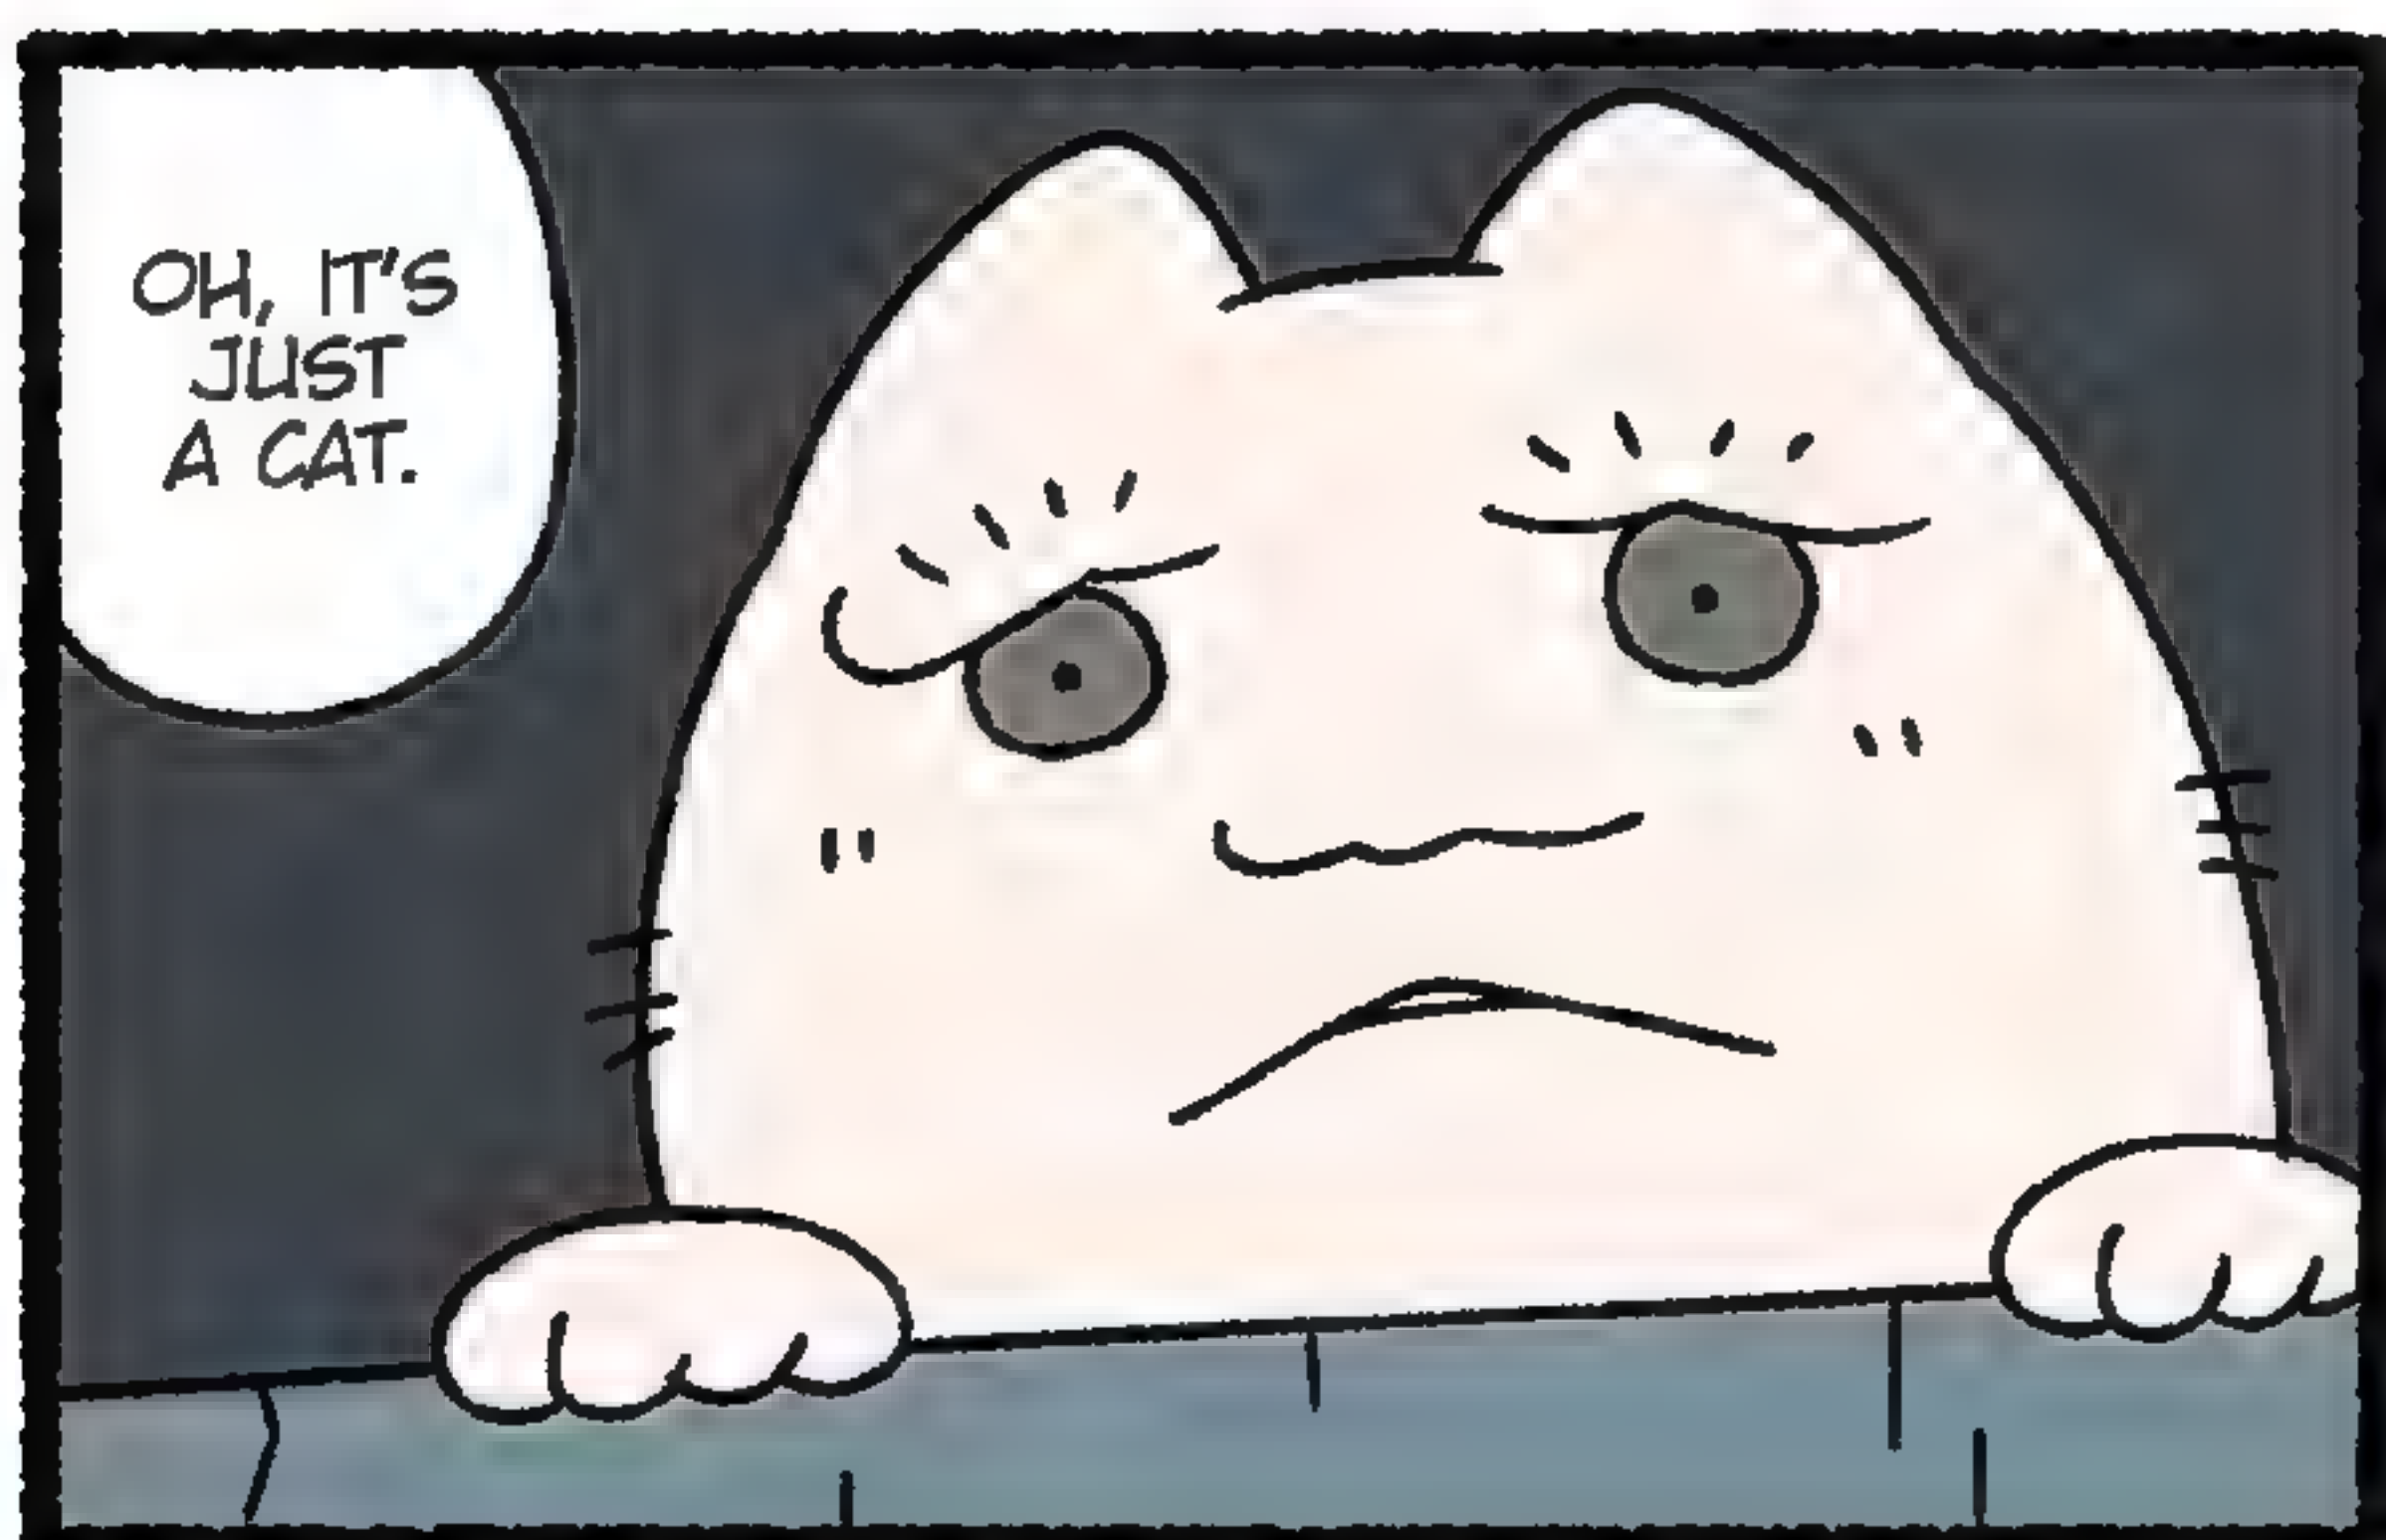

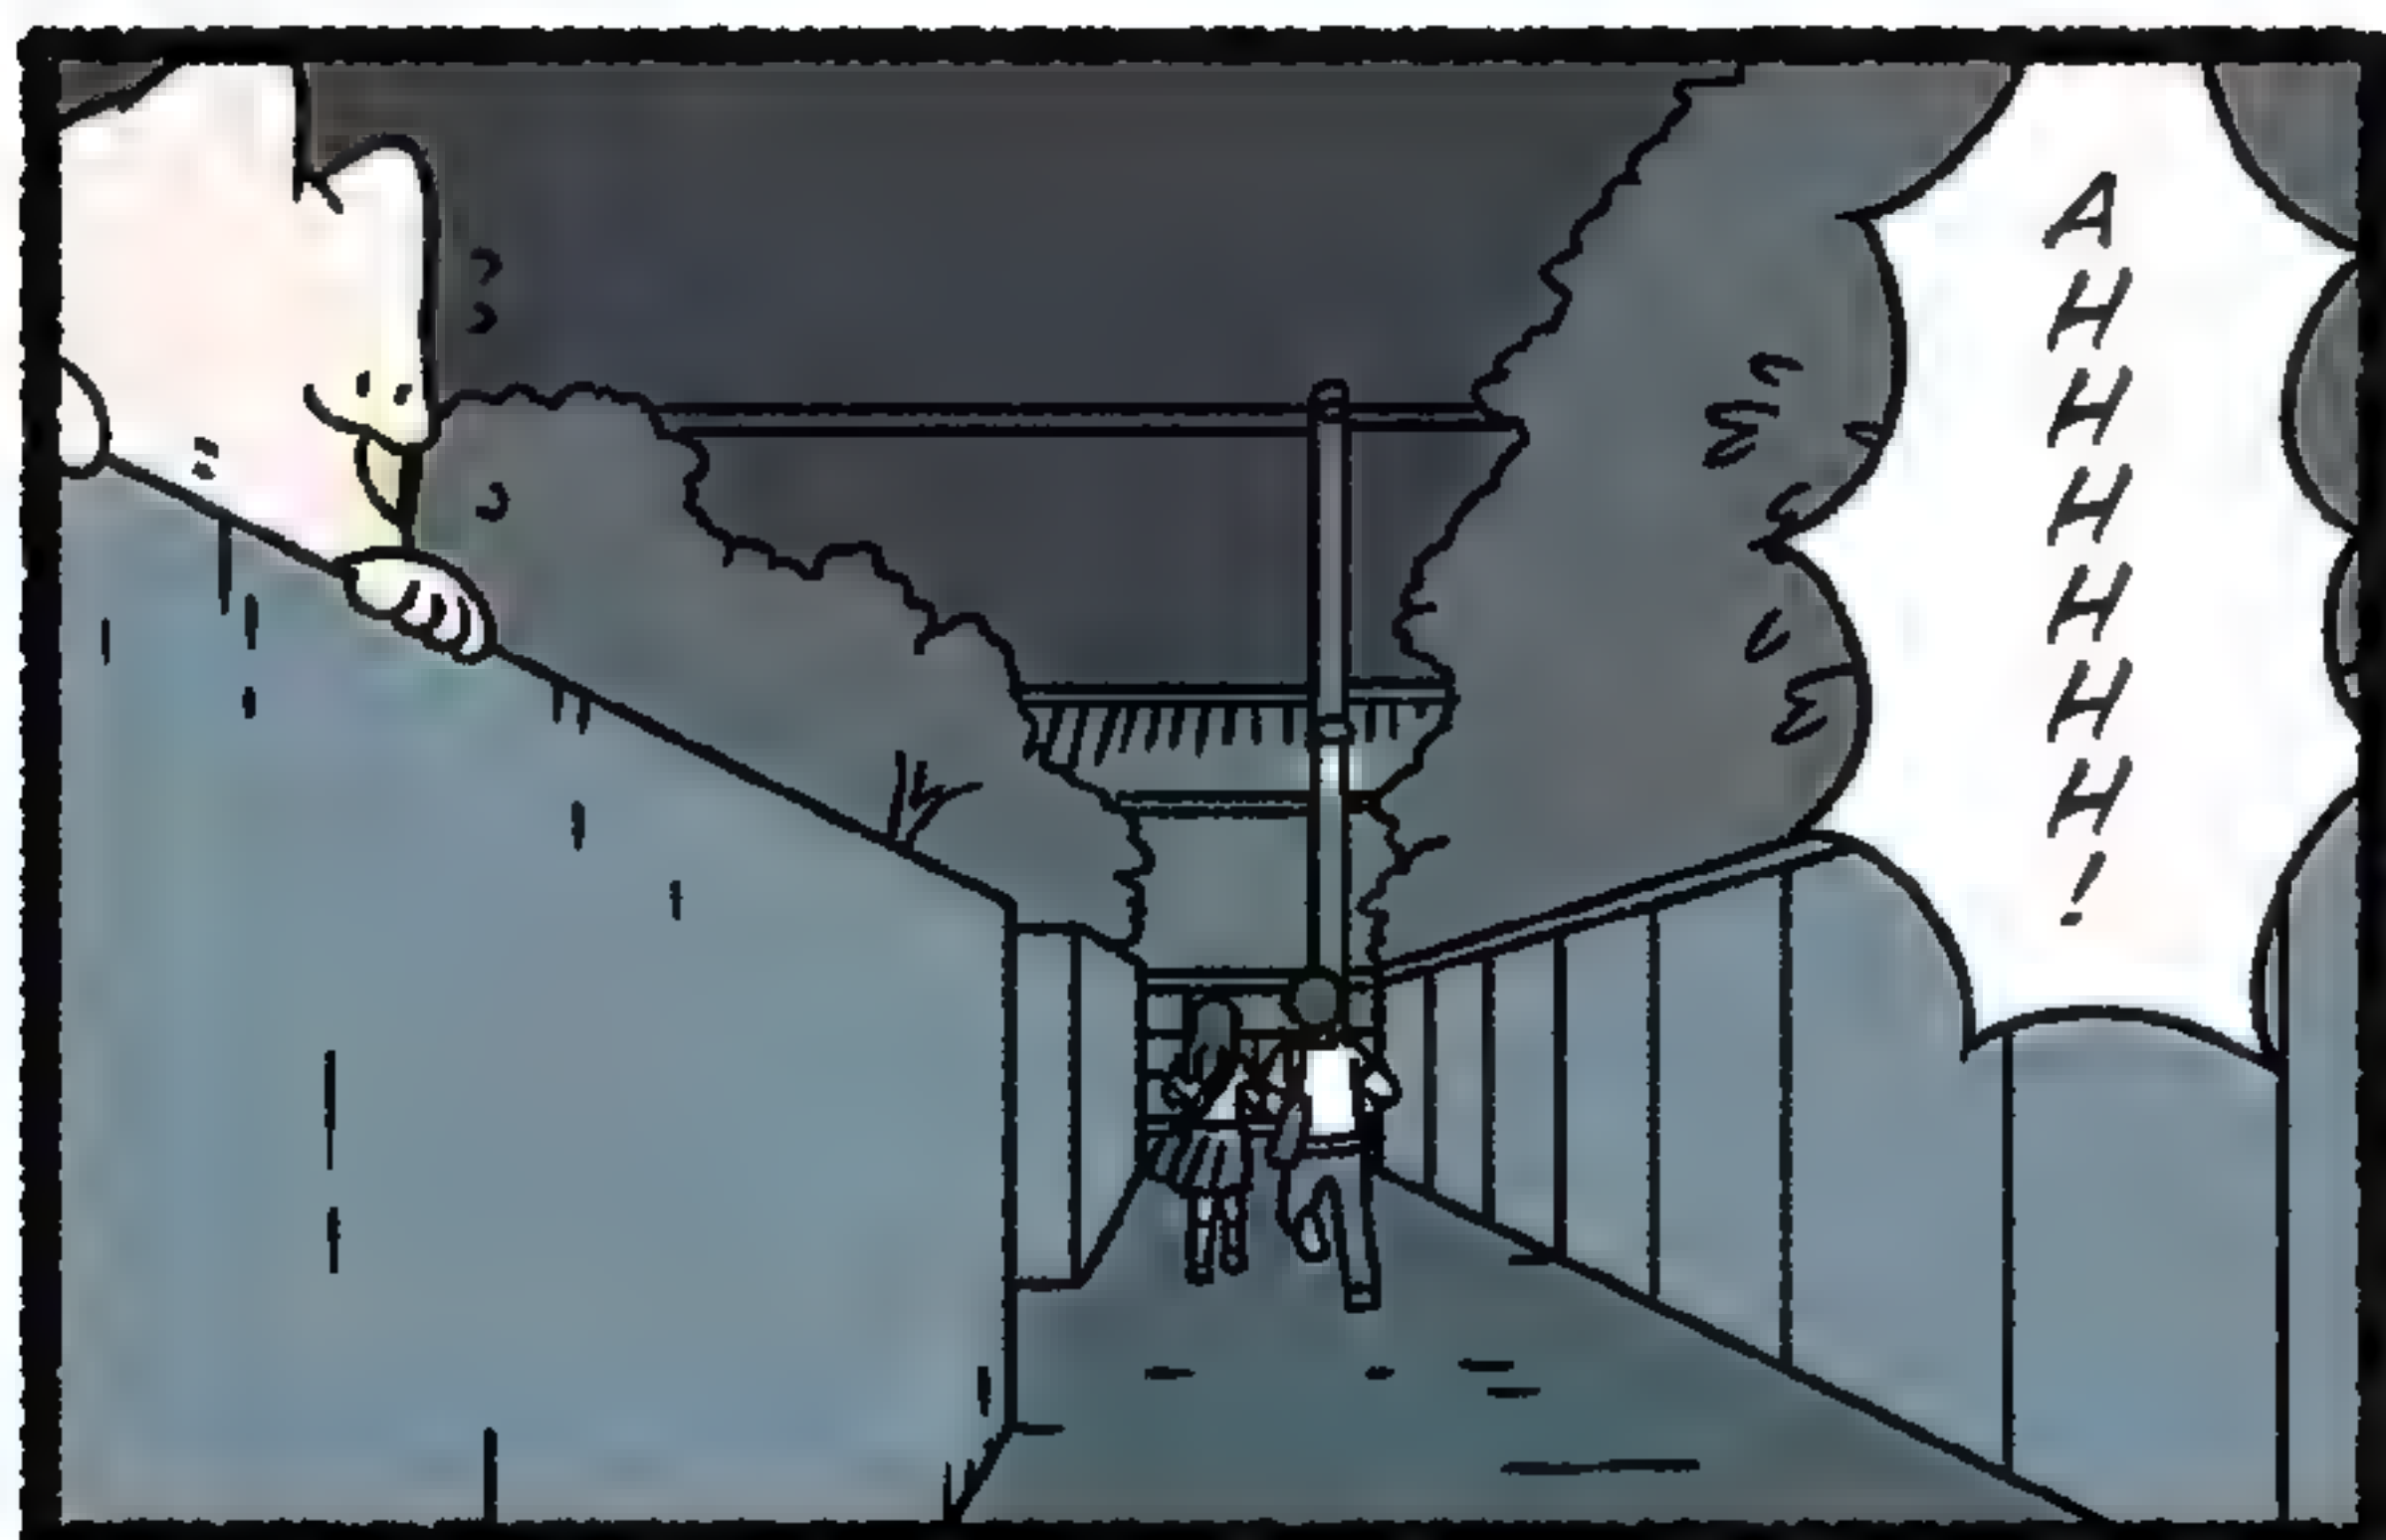

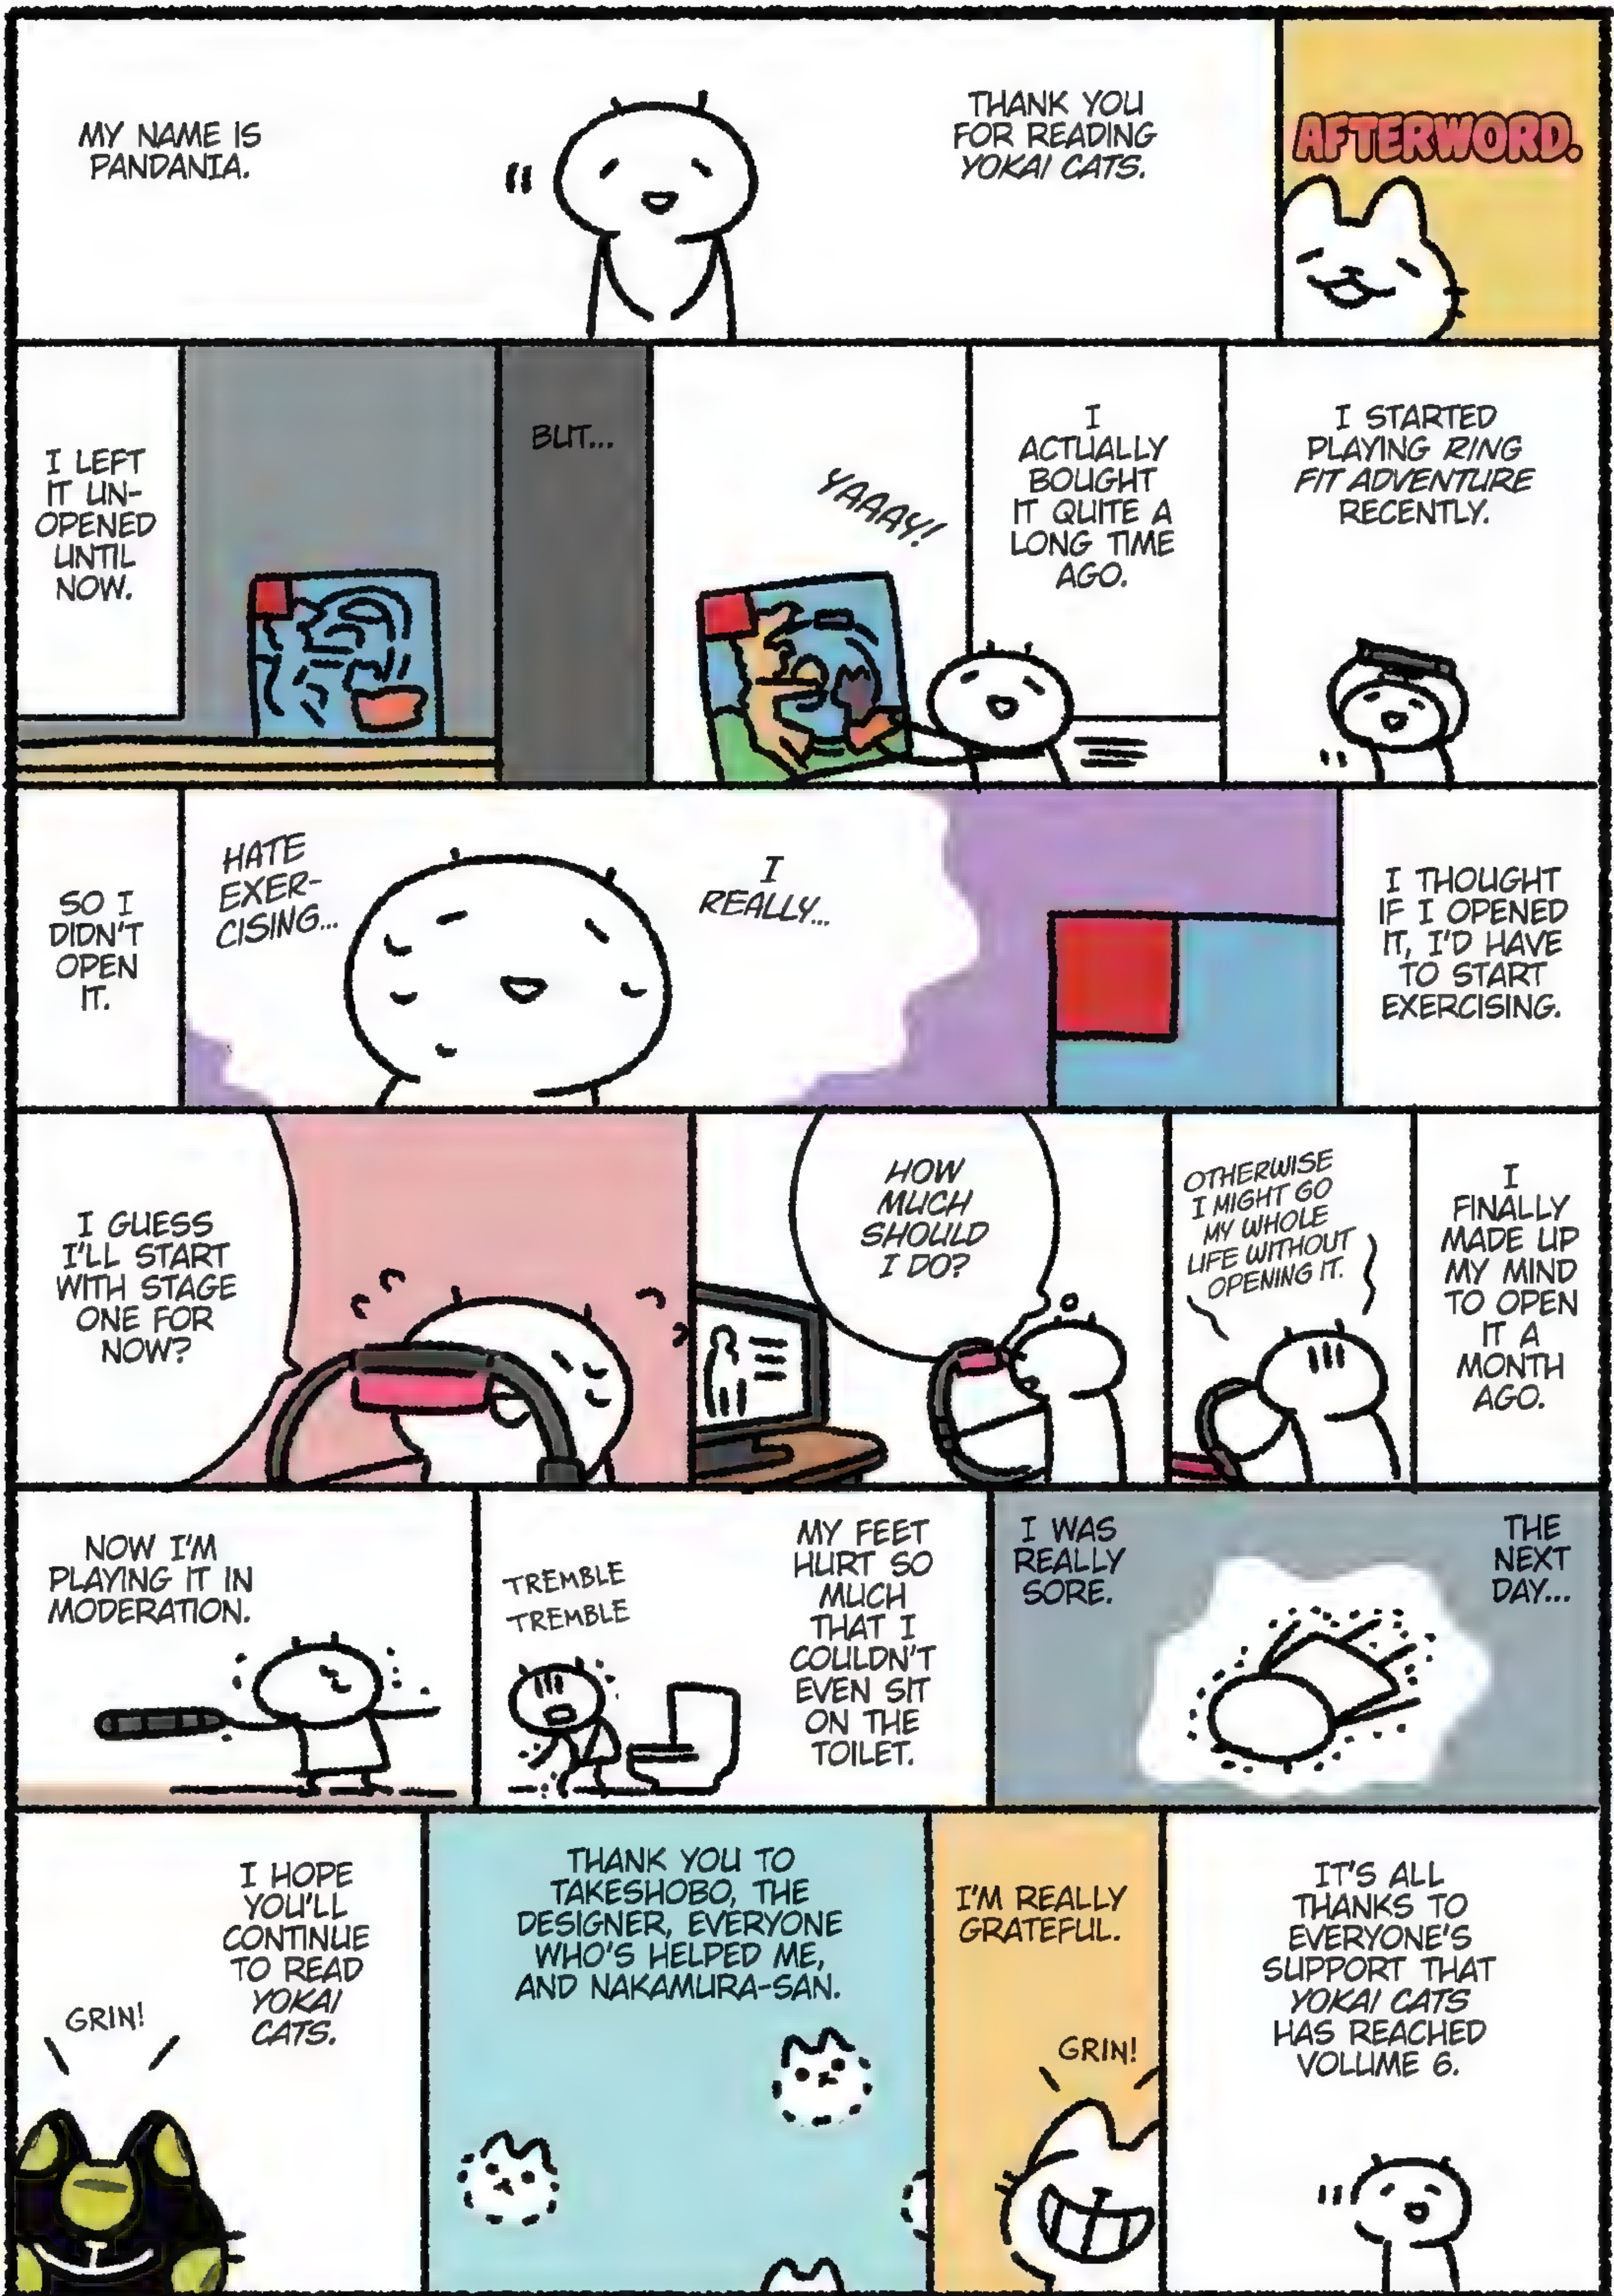

Yokai Cats and Their Owners

New

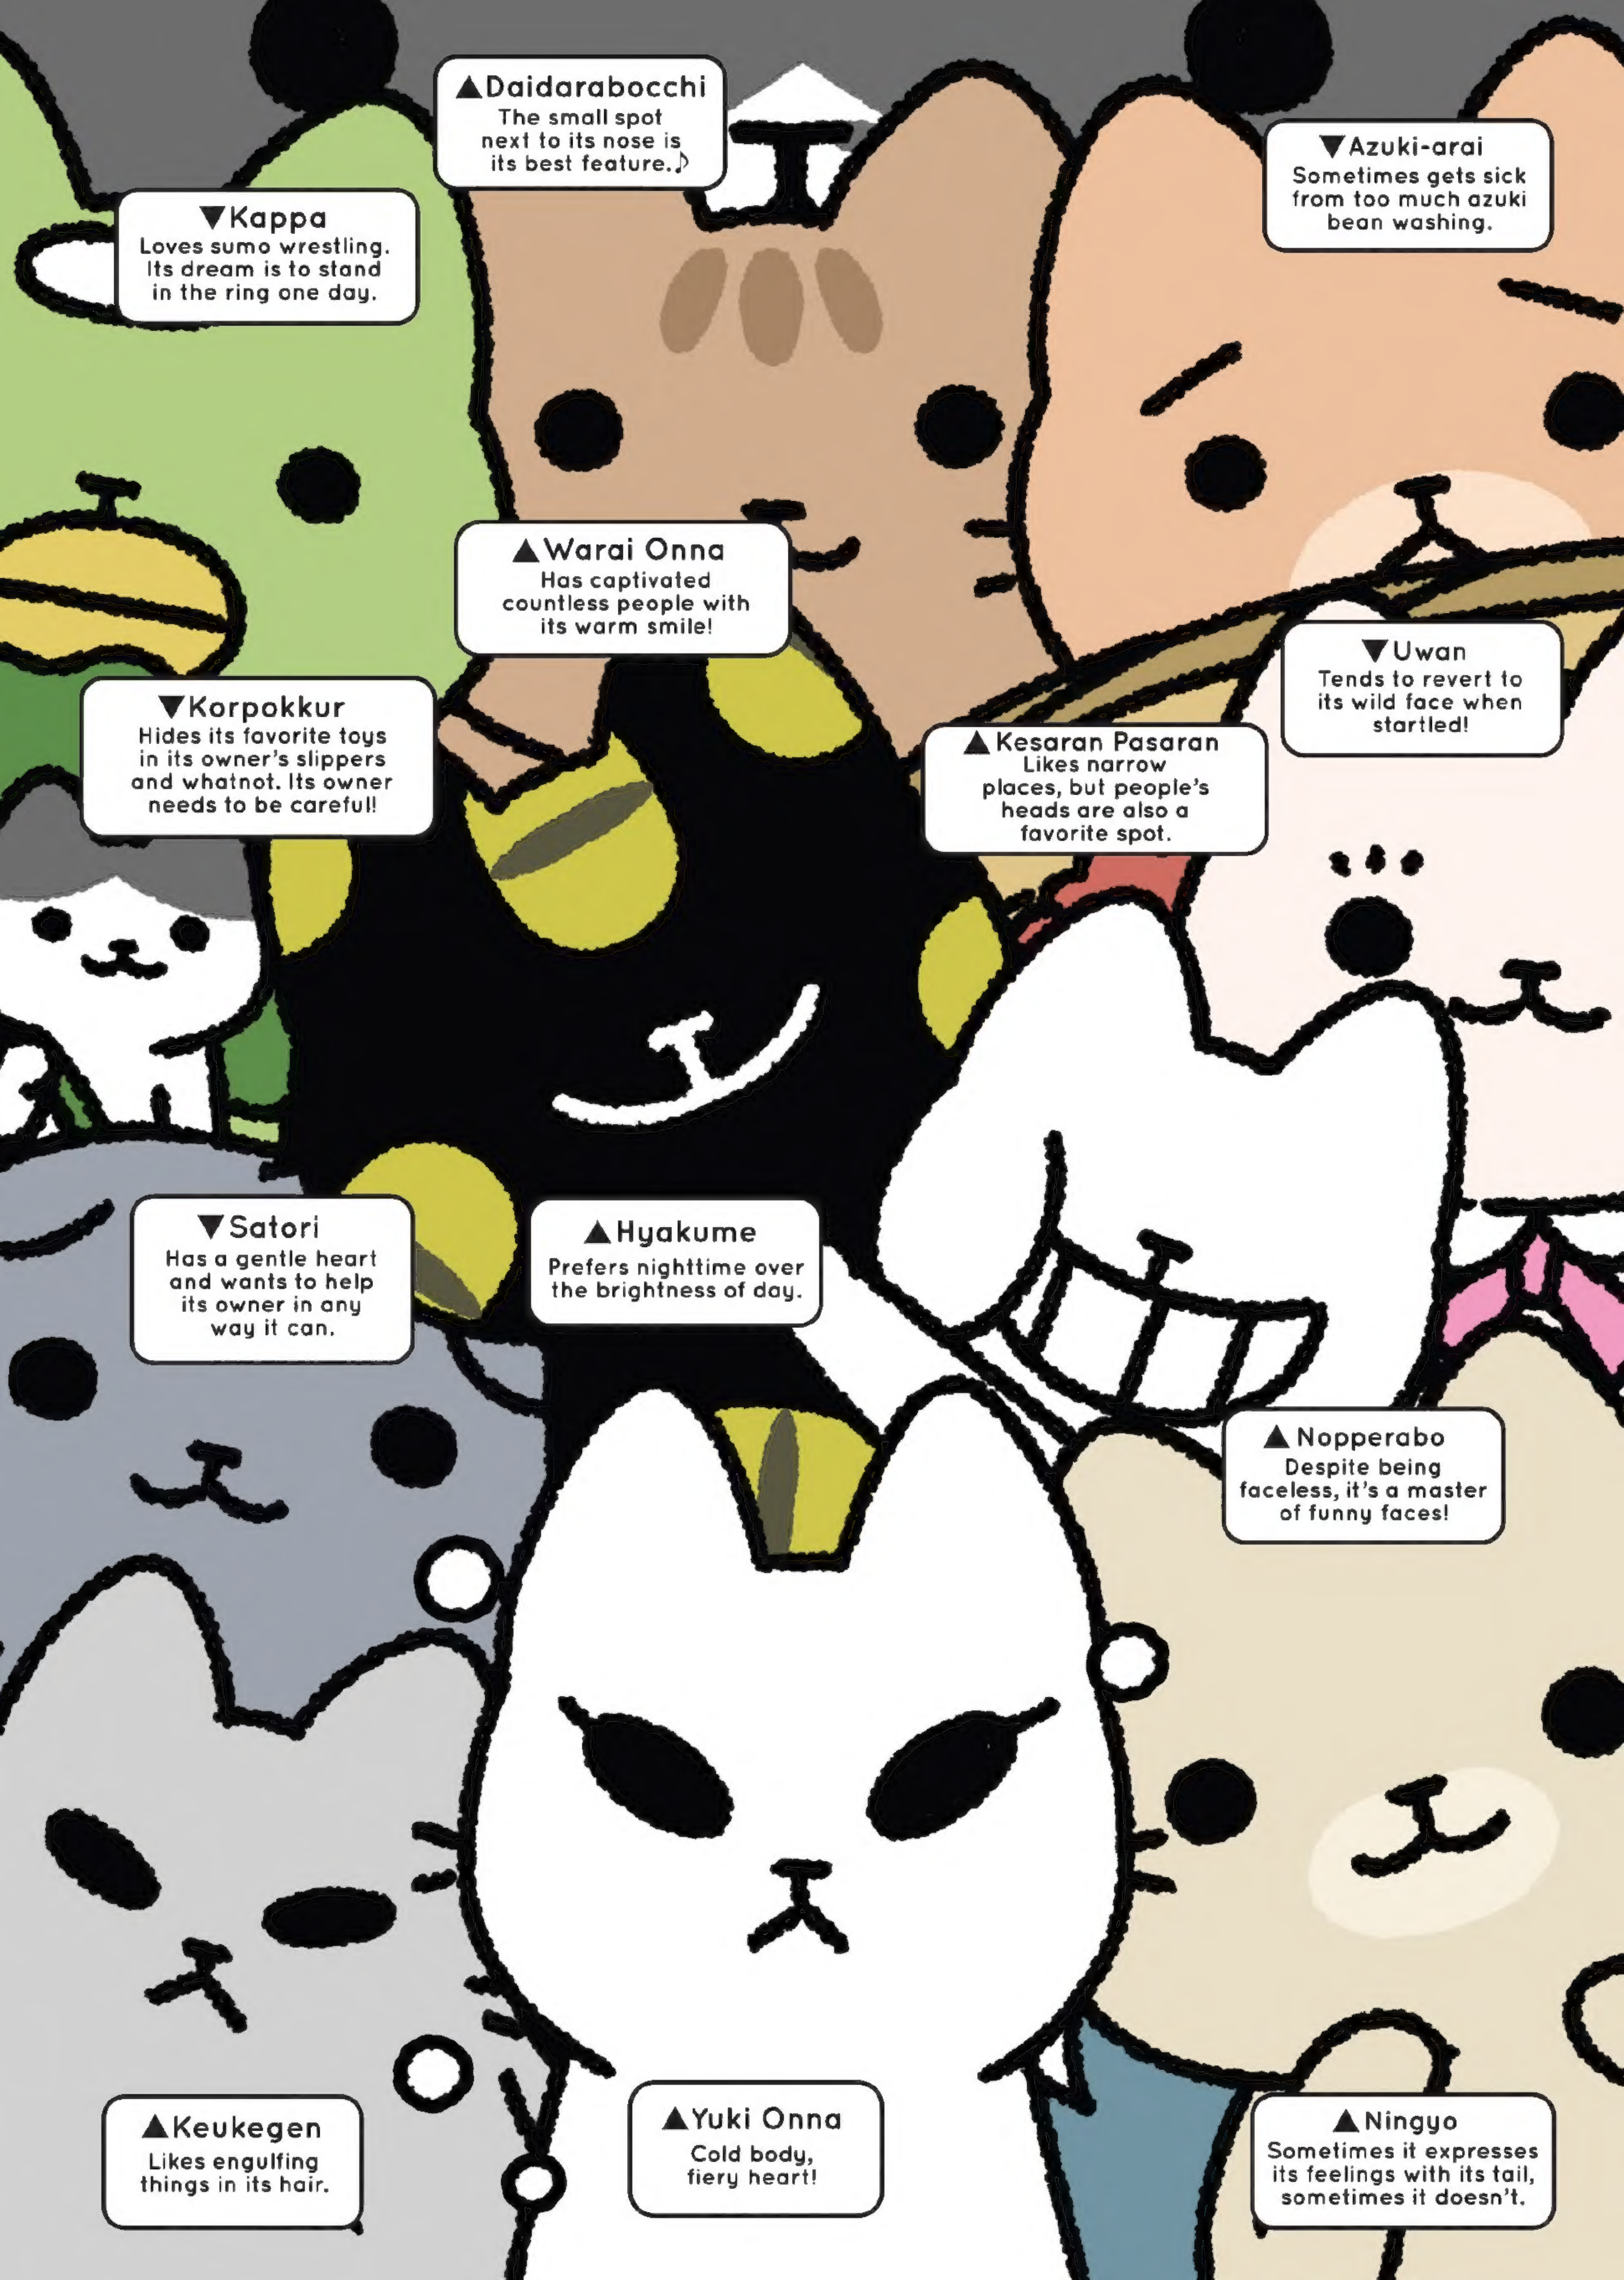

I considered putting Rokurokubi in the middle of the cover since “Roku” can mean “6,” but since the Japanese release date for this volume is August 17, I chose Hyakume for Black Cat Appreciation Day.

The spine was designed really cutely too, so please take a look!

▲ Daidarabocchi

The small spot
next to its nose is
its best feature.♪

▼ Kappa

Loves sumo wrestling.
Its dream is to stand
in the ring one day.

▼ Azuki-arai

Sometimes gets sick
from too much azuki
bean washing.

▲ Warai Onna

Has captivated
countless people with
its warm smile!

▼ Korpokkur

Hides its favorite toys
in its owner's slippers
and whatnot. Its owner
needs to be careful!

▼ Uwan

Tends to revert to
its wild face when
startled!

▲ Kesarin Pasaran

Likes narrow
places, but people's
heads are also a
favorite spot.

▼ Satori

Has a gentle heart
and wants to help
its owner in any
way it can.

▲ Hyakume

Prefers nighttime over
the brightness of day.

▲ Nopperabo

Despite being
faceless, it's a master
of funny faces!

▲ Keukegen

Likes engulfing
things in its hair.

▲ Yuki Onna

Cold body,
fiery heart!

▲ Ningyo

Sometimes it expresses
its feelings with its tail,
sometimes it doesn't.

▼Umibozu
The cause of most
sea-related ghost
stories.

▼Tofu Kozo
Identified by its
bamboo hat and
the curly tuft of fur
on its forehead.♪

▼Rokurokubi
When it's uncomfortable
or wants attention, it
expresses its feelings by
extending its neck.

▼Nobiagari
Sometimes its body
stretches out while it sleeps.
If you don't wake it up,
you're in for a disaster.

▼Nekomata
Has recently begun
doing yoga and
meditation.

▼Kage Onna
Seems to move
around by crossing
from shadow to
shadow.

▼Kamaitachi
Will fearlessly charge
at paper doors, mail-
boxes, and large dogs.

▼Amabie
Originally lived
in the sea. Rumor
says it's a relative
of Ningyo.

▼Obariyon
Wants to piggyback
at all times, which
might be because of
its love for its owner.

▲Yamabiko
Copies what its
owner says. When it's
happy or scared, its
feelings come through
in its words.

▼Nurikabe
Blocks all sorts of paths.
As a result, it has
watched over a great
variety of people.

READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

Everyone is crazy for yokai cats!

More additions to the strange and endearing world of yokai cats! Amabie has a fish-like lower body, like our old friend Ningyo. Warai Onna and her owner love to smile and see others smile, while Uwan's scary face sometimes comes out of nowhere! Life goes on for these unique cats and their owners in Volume 6!
